JOHNSON & WALES UNIVERSITY

*Ninety-fifth
Commencement Exercises*

**COLLEGE OF CULINARY ARTS
THE HOSPITALITY COLLEGE**

Providence, Rhode Island
May 23, 2009

Dear Family, Friends and Graduates of the Class of 2009:

Today is a day of celebration. Our 95th Commencement Ceremony recognizes and honors the achievements of our graduates as they begin the next stage of their lives. For some, it will mean continuing to live in Rhode Island as they pursue their careers or further their education. For others, it will be an exciting opportunity in a different state or country, strengthening Johnson & Wales' global reach. My colleagues and I wish today's graduates great success as they embark upon their futures.

There have been dramatic changes in the global and U.S. economy since our students first entered the university. During this economic turmoil, one thing has remained constant: the value of a college degree. By choosing to come to Johnson & Wales University, our students are graduating today with the knowledge and skills, combined with experiential education and community leadership opportunities that will propel them on the path to professional success.

To the friends, families and mentors of our graduates, I thank you all for the support you provided as these students pursued their education. To our graduates, I commend you for your accomplishments both here at JWU and in the communities that you will impact along the way as you pursue your passion, dreams and careers. Wherever life takes you, I hope you will remember our campus as a haven for exploration and growth, and a place to which you return to renew acquaintances and share accomplishments.

On behalf of all the members of the JWU community — our faculty, staff and administration — I offer heartfelt congratulations and wish you peace and prosperity in the years ahead.

Sincerely,

A handwritten signature in cursive script that reads "Irving Schneider". The signature is written in dark ink and is positioned above the printed name.

ROBERT H. CASTELLINI

Doctor of Business Administration in Hospitality Management

Robert Castellini is chairman of the Castellini Group of Companies, in Cincinnati, Ohio, one of the largest distributors of fresh fruits and vegetables in the United States, founded by his grandfather, J.J. Castellini in 1896. He is also principal owner and chief executive officer of the Cincinnati Reds.

As the only son in a family of eight children, Castellini was groomed from an early age to lead the family business. He spent summers pitching watermelons in 90-degree heat from truck to truck. When he was only 10 years old, he became, in his own words, “a self-starter” for the company when his father died.

After graduating from college and spending two years in the army, Castellini became the company’s executive vice president in 1967. Three years later he was named chief executive officer.

Under Castellini’s lead, the business grew to encompass all major segments of the produce distribution industry, offering customers a range of options under one umbrella. Today, the Castellini Group of Companies offers the largest and most comprehensive inventory in the Midwest with more than 2,500 fruits, vegetables and floral items, including specialty and organic products for retail and foodservice markets.

In January 2006, Castellini became principal owner of the Cincinnati Reds, vowing, “We’re buying the Reds to win. Anything else is unacceptable.” He previously held minor ownership in various major league teams, including the Baltimore Orioles, Texas Rangers, St. Louis Cardinals and the Reds.

Castellini has served on many boards and committees for both business and community organizations in the Cincinnati area. These include Xavier University, the Cincinnati Business Committee, the Cincinnati Center City Development Corporation and the National Underground Railroad Freedom Center. He is also the chairman of the board for the Sanctuary on Camelback Mountain Resort & Spa in Paradise Valley, Ariz.

Among the many honors bestowed on Castellini are the Cincinnatians of the Year award by the Juvenile Diabetes Research Foundation, the Laureatte award by the Greater Cincinnati Northern Kentucky Business Hall of Fame and the Founders Award by Xavier University.

A graduate of Georgetown University in Washington, D.C., with a bachelor’s degree in economics, Castellini also earned a master’s degree in business from the Wharton School of the University of Pennsylvania, in Philadelphia.

Castellini and his wife, Susan, reside in Cincinnati. They have four children: Elizabeth, Robert, Phillip and Patricia.

Honorary Degree Recipient

LEAH CHASE

Doctor of Culinary Arts

Known as the “Queen of Creole Cuisine,” Leah Chase has followed her passion for creating wonderful, memorable meals for more than 50 years.

Co-owner and chef for Dooky Chase Restaurant, in New Orleans, La., Chase was born to Creole parents in Madisonville, La. She began working at the restaurant in 1946, shortly after marrying her musician husband, Edgar “Dooky” Chase II. With no formal training, Chase prepared the Creole fare she grew up eating — everything from red beans and rice to fried chicken and an amazing Gumbo Des Herbes — that ultimately made the restaurant famous. She also created a destination where African-Americans could relax and socialize.

“We opened when segregation was still in the South, and we always had big crowds here. It was a meeting place, and if a person needed to see someone in the black community, they’d come here, because this was where everyone met,” said Chase.

As the celebrity of the restaurant grew Chase prepared meals for luminaries including jazz greats Count Basie, Ray Charles, Nat King Cole, Lena Horne, Duke Ellington and Cab Calloway, as well as President John F. Kennedy.

Active in many charitable endeavors, Chase distinguished herself as a preeminent community and civic leader. She has served on boards and committees for several organizations including the Greater New Orleans Foundation Board, the Arts Council of New Orleans and the Urban League. She is a lifetime board member of the New Orleans Museum of Art and she serves on the Advisory Board of the Chef John Folse Culinary Institute at Nicholls State University.

Chase has received numerous honors for her generosity and time, including an honorary degree from Tulane University, the Lafcadio Hearn Hall of Honor by the Chef John Folse Culinary Institute at Nicholls State University, and the *New Orleans Times-Picayune* Loving Cup. She was also honored with the National Council of Negro Women’s Outstanding Woman Award, the National Candace Award by the Coalition of 100 Black Women, and the University of New Orleans Entrepreneurship Award.

Chase is one of only 30 women featured in Brian Lanker’s “I Dream a World: Portraits of Black Women Who Changed America.” She has a cooking show, “Creole Cooking with Leah Chase,” and is the author of two cookbooks, “The Dooky Chase Cookbook” and “And Still I Cook.”

Chase and her husband, Edgar, live in New Orleans, La., and have four children: “Dooky” Chase III, Stella Chase Reese, Leah Chase Kamata and the late Emily Chase Haydel. She also has sixteen grandchildren and four great-grandchildren.

Diplomas will be awarded upon completion of all university requirements.

The appearance of a student's name in this program does not necessarily indicate that all graduation requirements have been met. Graduate names are based on records posted on the university's Student Academic Services Web site, with spellings verified by students and submitted for publication as of April 20, 2009.

Alpha Beta Kappa designations were determined as of April 20, 2009.

For the safety of everyone in attendance and to comply with local fire department regulations, guests are requested to remain in their seats during the program. Guests will not be allowed onto the arena floor or in the exhibition area where graduates enter and exit the arena. Ushers are stationed at the foot of each aisle should you need assistance.

After the ceremony, guests may join the graduates in either the front lobby or the front entrance area outside the Dunkin' Donuts Center. Once the academic recessional has ended, graduates and guests may return to the arena to use the stage as a backdrop for photographs.

For your convenience, today's commencement ceremony is being professionally videotaped and photographed by GradTrak® Graduation Images.

For information on ordering photos, or a video of the ceremony, contact GradTrak® at 800-261-2576 or online at www.gradimages.com. GradTrak® will be the only videographers or photographers allowed on the commencement floor.

Symbols of Commencement

ACADEMIC DRESS

The tradition of wearing distinctive dress for academic reasons dates back to the Middle Ages. Today, academic costumes are usually worn in the United States by people participating in academic ceremonies. The academic dress at Johnson & Wales University meets the standards set by the Intercollegiate Bureau of Academic Costume. All students wear the standard black gown and square “Oxford cap.”

Students graduating with at least a 3.40 cumulative grade point average (GPA) wear a gold cord to designate their honors status.

Bachelor’s degree recipients also wear academic hoods representing their higher level of education. The hood worn at JWU is black with blue, white and golden-yellow trim to signify the school colors.

The faculty and platform party wear regalia representative of the degrees they possess. The president and other university officials wear caps and gowns designed exclusively for JWU. The honorary degree recipients will wear the academic costume and hood appropriate for the degree being conferred upon them.

TASSEL

The tassels worn on the graduation caps are usually black in color and worn on the right front side of the cap before degrees are conferred and moved to the left after the degrees are awarded.

JOHNSON & WALES UNIVERSITY MACE

The Johnson & Wales University mace symbolizes the ideals and values of JWU’s educational philosophy, and serves as a timeline of the university’s history. The mace was designed and created in 2002 to serve as an emblem of our ideals.

Cast of silver and bronze, it is engraved with the names of our founders and presidents, past and present. Our campus locations are engraved on the golden bands. On ceremonial occasions, university officials carry the mace to display the unity and continuity of Johnson & Wales University.

UNIVERSITY SEAL

The university seal represents Johnson & Wales University’s roots. The year at the top of the shield, 1914, is the year that the university was founded by Gertrude I. Johnson and Mary T. Wales. The dragon of St. George on the upper portion of the crest honors the Wales family, while the lower portion of the crest bears the cross of St. John and honors the Johnson family.

UNIVERSITY LOGOTYPE

The university logo (below) was launched in October 2007. As JWU approaches its 100-year anniversary, the logo honors the past by incorporating the family crests of the two founders. It also holds a clear connection to the university seal, further positioning JWU as a leader in higher education. While the tagline is no longer incorporated with the logo, we remain America’s career university. The official colors of blue and white with an accent of gold reflect the university’s history as well.
