

# Student Academic Planner – Denver College of Business

# UNDECLARED

Students entering in catalog year 2005/2006 in an Undeclared track may **only** earn a Bachelor of Science Degree at the end of four years of study. **It is recommended that you declare a major prior to the end of your Freshman year to assure you meet prerequisites for Bachelor courses.**

## Instructions

**Suggested course sequencing follows. Remember: All classes do not run every term.**

- To use the planner:
1. Review course projections provided each term.
  2. Register classes as close as possible to suggested sequencing.
  3. Circle the term and the year course is to be taken.
  4. Check boxes when course is completed.
  5. Place this planner in you Progress Pak.
