Change effective from \_\_\_\_\_ to \_\_\_\_\_

Signature \_\_\_\_\_

Date \_\_\_\_\_

Your permanent address can only be changed to a local residence if you are 24 years old or have an independent status with the Financial Aid office. **International students cannot list a post office address and must fill out an additional AR-11 form available at the International Center and Student Academic Services.** Student employees should contact Student Employment at their campus to determine if additional payroll forms need to be completed.

All changes must be forwarded to the appropriate Student Academic Services office.
