

COLLEGE OF ARTS & SCIENCES

CRIMINAL JUSTICE

LABS/FACILITIES

Crime Scene Room

Crime Lab

featuring an Automated Fingerprint Identification System (AFIS)

SPECIAL COURSES/ PROJECTS

Customize your Criminal Justice degree by specializing in Community Justice with classes such as Race, Crime and Justice or choosing from 13 major electives, including Juvenile Justice, Victimology, Cyber Crimes, Community Policing, or Homeland Security.

SPECIAL PATHWAYS

3+3 B.S./J.D. Law Program allows JWU Criminal Justice students who meet specified admissions criteria to earn a bachelor's degree from Johnson & Wales University and a juris doctor degree from Roger Williams University School of Law or UMass Law in six years.

Accelerated Master's Program allows Criminal Justice students to take up to three graduate level classes in MS Criminal Justice, MPA Homeland Security or the MPA Criminal Justice during their senior year at no extra charge.

EVENTS

Career Exploration events in the summer allow high school students to work in staged crime scenes and work surveillance.

A yearly event focused on a contemporary issue in Criminal Justice. Past events include conversations with a wrongfully imprisoned police

detective, a panel of experts discussing the opium crisis, and this year's event: Women Leaders in Criminal Justice

INDUSTRY PARTNERS

Explore your passion with internships in a wide variety of areas, like family court, law firms, state and federal government, or police departments.

CLUBS AND ORGS

- Criminal Justice Association
- Criminal Justice Honors Society

ACCOLADES

2,400+ students have graduated from JWU with a degree in Criminal Justice.

FACULTY

Criminal Justice faculty combine academic credentials like a PhD or Juris Doctorate in Law with industry experience, from legislators and policy experts to police captains and detectives.
