Letter from the Chancellor

It is my honor to welcome you to Johnson & Wales University’s Providence Campus, the oldest and largest of our four campuses.

Lately, just about every college is talking about experiential education. And that’s because it works. At Johnson & Wales we’ve been perfecting this approach for more than 100 years. It’s why we’re world renowned for providing students with the optimal blend of intellectual development, industry-focused education, résumé-building work experiences, leadership opportunities and an uncommon depth of career services.

It’s also why U.S. News & World Report ranks JWU among the best colleges and universities in the United States for 2019.¹

In addition, our student services and activities, campus facilities and dedication to the community make the Providence Campus comfortable for all types of students from various backgrounds. In fact, with six colleges and universities within the city and five more throughout Rhode Island, Providence has the highest per-capita concentration of college students in the United States.

Providence is a truly vibrant and cultural city with a small-town feel and all the charms of New England. These elements make for an attractive place to live, work and visit. With its plethora of renowned restaurants and close proximity to Rhode Island’s famous beaches, Providence has been listed for five consecutive years by Travel + Leisure magazine among America’s favorite cities (and was the top pick for 2014).

I’ve been a part of the JWU community since 1988, and am proud of our commitment to educational excellence that inspires professional success and lifelong personal and intellectual growth.

I invite you to visit and learn more about our dynamic campus and commitment to excellence.

Sincerely,
Mim L. Runey, LP.D.
Chancellor

¹ U.S. News & World Report ranking is for Johnson & Wales University’s Providence Campus only.
The academic calendar lists start and end dates for classes, in addition to holidays and makeup class meeting dates (as applicable). These calendars are offered for planning purposes only and are subject to change.

For financial aid purposes, the definition of an academic year is a period in which a student completes three terms (quarter credit hours), which consists of 11 weeks for a total of 33 weeks, or two semesters (credit hours), which consists of 16 weeks for a total of 32 weeks. The academic calendar includes three terms (fall, winter and spring) or two semesters (fall and spring). Summer is optional for undergraduate programs but may be required for some graduate programs.

Graduate degree programs, except for the master’s level education programs, are semester based and may require a summer semester.

For the purposes of awarding Title IV financial aid, the payment period is the academic year.

### Undergraduate, Master of Arts in Teaching (MAT) and Master of Education (MEd)

#### Fall Term
- **Fall Term Payment Deadline (new undergraduate day program students)**: July 12, 2019
- **Fall term payment deadline (returning undergraduate day program students and all undergraduate evening students)**: August 2, 2019
- **Fall term payment deadline (all international undergraduate day program students; all graduate program students; all online program students)**: August 16, 2019
- **Fall term classes begin**: September 9, 2019
- **Classes held for day culinary and baking labs**: September 27, 2019
- **Winter term registration opens (undergraduate programs)**: September 27, 2019
- **Winter term registration opens (M.A.T./M.Ed. programs)**: September 28, 2019
- **Academic course withdrawal deadline**: October 18, 2019
- **Make-up classes held for: day culinary and baking labs**: October 25, 2019
- **Winter term payment deadline (undergraduate day and evening students; M.A.T., M.Ed. students)**: November 1, 2019
- **No classes; Veteran’s Day**: November 11, 2019
- **Winter term payment deadline (undergraduate online program students)**: November 15, 2019
- **Make-up classes held for: Monday only and Monday CE classes**: November 15, 2019
- **Culinary and baking weekend academic classes final exam (Providence Campus)**: November 16, 2019
- **Culinary and baking weekend academic classes final exam (Denver Campus)**: November 17, 2019
- **Reading days (no academic classes) for Monday/Wednesday and Tuesday/Thursday day classes**: November 18–19, 2019
- **Monday classes final exam**: November 18, 2019
- **Tuesday classes final exam**: November 19, 2019
- **Monday/Wednesday and Wednesday classes final exam**: November 20, 2019
- **Tuesday/Thursday classes final exam; day culinary and baking lab classes end**: November 21, 2019

#### Winter Term
- **Winter classes begin**: December 2, 2019
- **Holiday break (no classes)**: December 20, 2019–January 5, 2020
- **Spring term registration opens (undergraduate programs/M.A.T./M.Ed.)**: January 3, 2020
- **Culinary and baking weekend labs resume on January 4; all other classes resume on January 6 (Denver Campus)**: January 4, 2020
- **Culinary and baking weekend labs resume on January 5; all other classes resume on January 6 (Providence Campus)**: January 5, 2020
- **Classes resume**: January 6, 2020
- **Classes held for day culinary and baking labs**: January 10, 2020
- **No classes; Martin Luther King Jr. Day**: January 20, 2020
- **Academic course withdrawal deadline**: January 24, 2020
- **Makeup classes held for Monday-only classes; Monday CE and day culinary and baking labs**: February 8, 2020
- **Spring term payment deadline (undergraduate day and evening students, M.A.T., M.Ed. students)**: February 8, 2020
- **Spring term payment deadline (undergraduate online program students)**: February 15, 2020
- **Reading days (no academic classes) for Monday/Wednesday and Tuesday/Thursday day classes**: February 24–25, 2020
- **Monday classes final exam**: February 24, 2020
- **Tuesday classes final exam**: February 25, 2020
- **Monday/Wednesday and Wednesday classes final exam**: February 26, 2020
- **Tuesday/Thursday and Thursday classes final exam; day culinary and baking lab classes end**: February 27, 2020
- **Culinary and baking weekend academic classes final exam (Providence Campus)**: February 29, 2020
- **Culinary and baking weekend academic classes final exam (Denver Campus)**: March 1, 2020
- **Term break**: March 2–March 8, 2020
- **Winter term culinary and baking weekend labs end (Denver Campus)**: March 7, 2020
- **Makeup classes if needed for culinary and baking weekend labs (Providence Campus)**: March 7, 2020
### Spring Term

- Spring term classes begin: March 9, 2020
- Summer term registration opens (undergraduate programs/M.A.T./M.Ed. programs): March 20, 2020
- Classes held for day culinary and baking labs: March 27, 2020
- No classes; Spring Holiday: April 10, 2020
- No classes; Holiday: April 12, 2020
- Academic course withdrawal deadline: April 17, 2020
- Graduate Studies Commencement, excluding Physician Assistant Studies (Providence Campus): May 1, 2020
- Physician Assistant Studies Commencement (Providence Campus): May 15, 2020
- Culinary and baking weekend academic classes final exam (Providence Campus): May 16, 2020
- Reading days (no academic classes) for Monday/Wednesday and Tuesday/Thursday day classes: May 18–19, 2020
- Monday classes final exam: May 18, 2020
- Tuesday classes final exam: May 19, 2020
- Monday/Wednesday and Wednesday classes final exam: May 20, 2020
- Tuesday/Thursday and Thursday classes final exam; day culinary and baking lab classes end: May 21, 2020
- Undergraduate Commencement: May 23, 2020
- No classes; Memorial Day Weekend (Providence Campus): May 23–25, 2020
- Culinary and baking weekend labs held (Denver Campus): May 30, 2020
- Culinary and baking weekend labs held (Providence Campus): May 31, 2020
- Culinary and baking weekend academic classes final exam (Denver Campus): May 31, 2020
- Spring term culinary and baking weekend labs end (Denver Campus): June 6, 2020
- Culinary and baking weekend labs held (Providence campus): June 7, 2020
- Makeup classes if needed for spring culinary and baking weekend labs (Providence Campus): June 13, 2020
- Spring term culinary and baking weekend labs end (Providence Campus): June 14, 2020

### Summer Term

- Summer term begins: June 1, 2020
- Session I classes and eight-week session classes begin: June 1, 2020
- Academic course withdrawal deadline for session I: June 15, 2020
- Session I classes final exam: June 25, 2020
- Academic course withdrawal deadline for eight-week courses: July 2, 2020
- No classes: July 3, 2020
- No classes; Independence Day: July 4, 2020
- Session II classes begin: July 6, 2020
- Spring term culinary and baking weekend labs end (Providence Campus): August 10, 2020
- Summer term ends: August 15, 2020

### Fall Semester

- Graduate Programs
  - Fall term payment deadline (new undergraduate day students): July 10, 2020
  - Academic course withdrawal deadline: July 10, 2020 for CE, online and internship
  - Academic course withdrawal deadline: July 20, 2020 for session II
  - Eight-week session classes end: July 23, 2020
  - Session II classes final exam: July 30, 2020
  - Fall payment deadline (returning undergraduate day students and all undergraduate evening students): July 31, 2020
  - CE final exam week: August 3–7 2020
  - Fall payment deadline (all international undergraduate day students and graduate program students and all online program students): August 14, 2020
  - Summer internships and online classes end: August 15, 2020
  - Summer term ends: August 15, 2020

### Fall II academic course withdrawal deadline
- Ed.D. classes held (on-campus program): September 25, 2019
- Fall I classes end: October 15, 2019
- Ed.D. classes held (on-campus program): October 15–19, 2019
- Fall II classes begin: October 21, 2019
- Online courses only: Last day to add a course (Fall II): October 26, 2019
- Spring registration opens: October 27, 2019
- Fall academic course withdrawal deadline: November 1–2, 2019
- Ed.D. classes held (on-campus program): November 1–2, 2019
- Online courses only: Last day to drop a course (Fall II): November 2, 2019
- Online courses only: Deadline to complete attendance requirements (Fall II): November 2, 2019
- No classes; Veteran's Day: November 11, 2019
- Ed.D. classes held (on-campus program): November 15–16, 2019
- Fall II academic course withdrawal deadline: November 22, 2019
- Thanksgiving break: November 27–29, 2019

### Winter term culinary and baking weekend labs end (Providence Campus)
- May 30, 2020
- June 14, 2020

### Fall payment deadline (all undergraduate evening students)
- August 15, 2020

### Fall payment deadline (undergraduate evening students)
- August 15, 2020

Callback days: May 11–12, 2020
Physician Assistant Studies Commencement: May 15, 2020
About Johnson & Wales University

Founded in 1914, Johnson & Wales University is a private, nonprofit, accredited institution with approximately 13,000 graduate, undergraduate and online students at its four campuses in Providence, Rhode Island; North Miami, Florida; Denver, Colorado; and Charlotte, North Carolina. An innovative educational leader, the university offers degree programs in arts and sciences, business, culinary arts, design and engineering, education, health and wellness, hospitality, nutrition and physician assistant studies. Its unique model integrates arts and sciences and industry-focused education with work experience and leadership opportunities, inspiring students to achieve professional success and lifelong personal and intellectual growth. The university’s impact is global, with alumni from 125 countries pursuing careers worldwide.

Here’s what makes JWU different:

• Degree programs are designed to provide you with the knowledge and skills employers have identified as necessary in your field of choice. And you don’t have to wait to build your career skills, as you’ll have the opportunity to take courses in your major in your first year.
• Students learn by doing. Faculty, many with industry experience, bring professional knowledge and networking opportunities into intimate classroom settings.
• JWU’s programs provide opportunities for real-world experience, which can include internships, classroom projects with actual companies and community service learning. You’ll learn industry best practices and train on career-specific tools and software.
• Our 95.4 percent career outcomes rate for 2017 graduates who earned a bachelor’s degree is higher than the national average. This rate reflects the percentage of JWU graduates who secure full or part-time employment, are enrolled/accepted in a program of study to continue their education, are performing voluntary service, or enlist in military service within six months of graduation. The 2017 rate is consistent with previous years’ career outcomes rates for JWU classes of 2015 and 2016, which were also higher than the national average.
• Dedicated faculty and career advisors help you set professional goals and develop an educational plan designed for you to best attain those goals. In addition, specialized workshops help you build your résumé, highlight your skills and develop a portfolio of work to help set you apart.
• You’ll have the opportunity to network with employers who visit campus each year, including career fairs, on-campus interviews and career events geared to your major.
• Last year, JWU students interned at over 1,600 sites related to their major worldwide.
• At least 1/3 of credits in each JWU program are in the arts and sciences to help you develop the critical thinking, communication and analytical skills necessary for long-term career progression.
• JWU offers 79 study abroad programs and independent exchanges in 32 countries, all of which include study such as lecture, industry visits and cultural excursions. Study Abroad staff members will help you identify programs that best fit your academic and career goals.
• Participation in competitions as a member of DECA, BPA, FCCLA and other nationally recognized student organizations help build leadership, career skills and your résumé.

Mission and Guiding Principles

Johnson & Wales University ... an exceptional education that inspires professional success and lifelong personal and intellectual growth.

In support of our mission and recognizing the importance of preserving our unique student-centered culture, we are guided by the following principles:
• Undertake continuous improvement and planning for a sustainable future.
• Foster an evidence-based teaching and learning environment.
• Support faculty scholarship to advance our status as a teaching and learning institution.
• Maximize student potential by enriching our academic programs with experiential and work-integrated learning.
• Value our faculty and staff.
• Embrace diversity for a richly inclusive community.
• Practice ethical citizenship in all aspects of university life.
• Act as a good steward of our resources to support the needs of our students, faculty and staff.

University Essential Learning Outcomes

Professional Competence
Graduates will demonstrate the knowledge and skills required to succeed in their chosen profession.

Foundation for Lifelong Learning
Graduates will demonstrate the knowledge and skills necessary for lifelong learning, including competence in communication, critical and creative thinking, quantitative and scientific reasoning, and the ability to evaluate, integrate, and apply knowledge from multiple perspectives when making decisions and solving problems.

Global and Community Citizenship
Graduates will demonstrate the necessary skills, including an awareness of ethical responsibility and cultural/ global diversity, to live and work collaboratively as contributing members of society.

Campus Facilities
Since its opening in 1914, Johnson & Wales University’s original campus in Providence, Rhode Island, has grown from a small business school to a large, international university featuring degree programs in arts and sciences, business, culinary arts, design and engineering, education, health and wellness, hospitality, nutrition and physician assistant studies.

For more information about JWU’s Providence Campus, contact Admissions
8 Abbott Park Place, Providence, RI 02903
1-800-342-5598

The City
Providence offers big-city sophistication on a welcoming scale, and is often voted one of the country’s best places to live. A historic yet fast-paced city, Providence is located within the highest per capita concentration of colleges and universities in the United States, so it’s alive with things to do.

The major business, financial and retail districts of the city are all within walking distance of the Downcity Campus, which is convenient for students looking for part-time jobs. Also within walking distance are the Providence Performing Arts Center, Providence Public Library, Dunkin’ Donuts Center, Rhode Island Convention Center, Trinity Repertory Company, Providence Place Mall, outdoor skating at The Providence Rink at The Alex + Ani City Center, the Rhode Island State House, Rhode Island School of Design, Brown University, and places of worship of many major religious denominations.

Restaurants for every taste and budget, many owned or operated by JWU alumni, can be found throughout the city as well.

Providence’s unique geographic location — only an hour’s drive from both Boston and Cape Cod, and three-hours’ drive from New York City — makes it an inviting place to live. Interstate bus and train stations are within easy reach of the Downcity Campus, and the state airport in Warwick is only about 10 miles to the south.

The Campus
The Downcity Campus is anchored by Gaebe Commons, a popular hub of student activity, and surrounded by a variety of shops, restaurants, cafés, music venues and a picturesque waterfront. This campus is home to students in the College of Hospitality Management, College of Business, College of Engineering & Design, John Hazen White College of Arts & Sciences and College of Health & Wellness.

The nearby Harborside Campus sits on 105 scenic acres along Narragansett Bay, and houses the College of Culinary Arts, Wildcat Center (home of the NCAA Division III Wildcats), and Culinary Arts Museum at JWU. Residential facilities are located throughout Providence and Cranston. JWU provides free shuttle bus service between the campuses and residence halls.
Academic Facilities and Administrative Offices — Downcity Campus
91 FRIENDSHIP STREET houses University Design & Editorial Services, University Marketing, Digital Communications, Institutional Research, University Admissions, The Office of General Counsel and the offices for Equity and Compliance.

115 CEDAR STREET houses the administrative offices of the College of Online Education, including the dean’s office, as well as Accounts Payable, Accounting, Procurement, and Internal Audit & Risk Management.

THE ACADEMIC CENTER at 138 Mathewson St. houses the Accounting classrooms, Accounting faculty offices, and Occupational Therapy offices. The CENTER FOR PHYSICIAN ASSISTANT STUDIES at 35 Claverick St. houses classrooms, laboratories, and faculty and directors offices for the Physician Assistant Studies program.

The CITIZENS BANK CENTER FOR STUDENT INVOLVEMENT at 2 Richmond St. houses Student Involvement & Leadership (including the Campus Herald and Johnsonian yearbook offices), Greek Councils, New Student Orientation & Support Programs, Parent Relations and Spiritual Life.

The DEL SESTO BUILDING at 274 Weybosset St. houses Information Technology Operations.

The JOHN HAZEN WHITE COLLEGE OF ARTS & SCIENCES at 30 Chestnut St. (corner of Pine and Chestnut Streets) houses the departments of English, English as a Second Language (ESL), Humanities, Mathematics, and Social Sciences, as well as the language laboratory and Arts & Sciences classrooms.

It also houses Accessibility Services for the Downcity Campus and the Academic Success Center for the Downcity Campus, Experiential Education & Career Services for the Downcity Campus, and the dean’s office and faculty offices. On the second floor is a lounge for students with veteran status. Also, the lower level of the building is the home of the University Bookstore (operated by Follett Higher Education Group) and the Market Place convenience store.

JOHNSON HALL, located at 59 Chestnut St., includes the Department of Health Sciences faculty offices, several classrooms, City Burger (a snack bar and grill for students, faculty and staff) and Starbucks®.

The JOHN J. BOWEN CENTER FOR SCIENCE AND INNOVATION at 75 Chestnut St. houses the College of Engineering & Design and features classrooms, the media/graphics department, computer and engineering, faculty offices, the dean’s office, the Technology & Design Center, and the College of Engineering & Design Presentation Room. It also houses College of Arts & Sciences classrooms, life science laboratories, faculty offices, and Red Mango, a frozen yogurt and smoothie bar.

The JWU PARKING GARAGE at the corner of Pine and Richmond streets offers convenient, affordable parking for all students. Students need their university ID to enter and rates are posted at the entrance. On the first floor is the Gender Equity Center, Health Education, and Off-Campus Student Services’ The Den, a multifunction lounge space for commuting Wildcats. The Den has an area of soft seating with numerous mobile device charging stations. There is also a kitchen and dining area, with tables and chairs for dining, a microwave, a refrigerator and vending machines. Wi-Fi is available throughout the space. There is also a Pharos printing system to afford students the opportunity to print, a multipurpose audiovisual system and numerous high-definition TV monitors.

The RICHMOND BUILDING at 270 Weybosset St. houses Information Technology and the Faculty Center for Academic Excellence, as well as the Providence Police Department District 1 Substation.

CAMPUS SAFETY & SECURITY administrative and operations headquarters are located at 264 Weybosset St.

The STUDENT SERVICES CENTER at 274 Pine St. houses Student Academic & Financial Services, student ID cards, inactive records and JWU Global, which contains the International Student Services Office and Study Abroad.

The TACO CENTER FOR BUSINESS AND ARTS & SCIENCES at 10 Abbott Park Place houses classrooms and faculty offices for the economics department, the science department and a media and communications lab on the first floor. Criminal Justice Lab is on the fifth floor.

WALES HALL at 8 Abbott Park Place houses the Downcity fitness center, shower and locker rooms and the commuter lounge on the lower level, and the Pepsi Forum auditorium and Student Payroll on the first floor. The second floor houses Counseling Services and Community Relations. The third floor

houses Health Services for the Downcity Campus. The fourth and fifth floors are home to JWU’s Human Resources & Payroll.

The XAVIER COMPLEX at 259 Pine St. (at Broad and Claverick streets) houses classrooms, faculty offices, a variety of computer and word processing labs, and Schneider Auditorium. This complex also houses the College of Hospitality Management and College of Business. The Sports, Entertainment and Event Management lab, Bistro 61 and a hospitality beverage lab are on the first floor.

XAVIER HALL in the Xavier Complex includes an interdenominational chapel, the BRIDGE Center and a residence hall with laundry facilities.

THE YENA CENTER at 111 Dorrance St. houses the main library and library administrative offices, undergraduate Admissions (except culinary), D’Amico Auditorium, Catering and Special Events, and the university’s offices for administration, Resource Development and Alumni Relations, as well as Wildcat Café.

Academic Facilities and Administrative Offices — Harborside Campus
The CUISINART CENTER FOR CULINARY EXCELLENCE at 333 Shipyard St. is where the College of Culinary Arts is based. This also includes College of Culinary Arts faculty offices, deans’ and administrative offices, the Coors Brewing Laboratory and the International Baking & Pastry Institute.

The center includes hot and cold kitchens, bakeshops and pastry shops, dining rooms, meatcutting and meat processing rooms, receiving and storeroom, an oenology and beverage service laboratory, and culinary purchasing offices.

The GRACE WELCOME CENTER at 120 Harborside Blvd. is the location for Culinary and Graduate Admissions. The facility includes a 70-seat presentation room, Galleria of Culinary Artifacts, conference room and welcome area, as well as staff office space.

HARBOR VIEW at 1150 Narragansett Blvd. in Cranston houses a large student dining hall, kitchen and commissary, and a residence hall with laundry facilities. The Auxiliary Services department offices are located on the first floor.

THE HARBORSIDES ACADEMIC CENTER (HAC) at 263 Harborside Blvd. houses department faculty offices for the College of Culinary Arts, as well as the department chairs of culinary arts and food service management.

Academic facilities include classrooms, the chocolate and sugar lab, and the baking technology lab. CAFE, the Culinary Arts Foodservice Exposition, is an addition to the Harborside Academic Center and features state-of-the-art kitchens and laboratories, bakeshops, a food science and product development lab, and the Cintas Dining Room used by culinary arts students. HAC also contains a Starbucks®, Red Sauce Pizza & Pasta, the University Office of Culinary Education, microbiology lab, a multimedia center, the HAC Amphitheater, Culinary Special Services and the Harborside Computer Center, containing 156 computers, five computer labs and an administrative staff area.

THE FRIEDMAN CENTER at 321 Harborside Blvd. houses Experiential Career Services, International Student Services, Residential Life and Student Academic & Financial Services.

Also located in this building are the Alan Shawn Feinstein Center for Academic Success Center, Culinary Arts Museum at JWU, Larry Friedman Center for Entrepreneurship, College of Food Innovation and Technology (CFIT) lab, Harborside Campus Library, Printing & Mailing Services, Harborside Substation of Campus Safety & Security, Liberty Market, warehouse, administrative offices of Facilities Management, classrooms, office of the vice president of student affairs, Community Standards and Conduct, Accessibility Services and department faculty offices for the John Hazen White College of Arts & Sciences and College of Management.

THE WILDCAT CENTER at 305 Shipyard St. houses Health Services for the Harborside Campus, Athletics, two gymnasiums, student life programming space, game room, fitness center, the university’s Harborside Bookstore (operated by Follett Higher Education Group) and Student Involvement & Leadership.

Computer Laboratories
Johnson & Wales University has computer labs available for students to use email, Internet Explorer, Microsoft Office, jwuLink and more. Additional labs are available to students enrolled in classes that teach specialty software or technology.
Students must have an active JWU email account to access lab computers. Documents can be saved to student-acquired USB drives or they can be attached to and sent through email. Students cannot save files onto computers in the labs.

Computer labs are at the following locations:

**Downcity Campus**
- Xavier Computer Labs
- Xavier Academic Complex — 2nd floor
- 259 Pine St., Providence, Rhode Island
  - 401-598-1537

**Harborside Campus**
- Harborside Computer Labs
- Harborside Academic Center
- 265 Harborside Blvd., Providence, Rhode Island
  - 401-598-1592

**Residence Halls**

All halls are coeducational and smoke free. All are cable and internet ready. During the first two weeks of the fall term, each room is provided with a MicroFridge®, which students may opt to rent for the rest of the year, with the exception of Renaissance Hall, The Cove and Harborside Village, which feature full-size refrigerators. Students are allowed only one MicroFridge per room.

**Downcity Campus**

The Cove
- 1 Park Row West, Providence, Rhode Island
  - 401-680-7780

The Cove is open to sophomores, juniors and seniors and located Downcity near the train station and a short walk from campus. This hall has two-, three- and four-person apartments that feature gourmet kitchens, stainless-steel appliances, granite counter-tops and hardwood floors. Bedrooms are carpeted and a washer/dryer is provided in each apartment unit (no card or coin required). Residents of The Cove are required to agree to abide by a community policy agreement as a condition to residing in The Cove. There is no meal plan included at this hall. Students can purchase Wildcat Meals from Student Academic & Financial Services.

**Imperial Hall**
- 15 Hospital St., Providence, Rhode Island
  - 401-598-1166

Imperial Hall is a residence facility containing single-, double-, triple- and some quad-occupancy rooms. Single- and double-occupancy rooms on the second and third floors have private baths, at a slightly higher cost than the first floor. The first floor of Imperial offers community bathrooms as well as an on-site kitchen, plus community space on the lower level. It is reserved primarily for upperclassmen. Student parking is not available at this hall.

**McNulty Hall**
- 101 Pine St., Providence, Rhode Island
  - 401-598-4797

McNulty Hall is located adjacent to The Yena Center (library) at the Pine Street perimeter of Gaede Commons. McNulty houses first-year students, and features double-, triple- and quad-occupancy rooms, all of which are air conditioned and have private baths. McNulty also features laundry rooms and a variety of common areas for study and recreational use. Student parking is not available at this hall, although private parking is available from vendors in nearby lots.

**Renaissance Hall**
- 101 Cedar St., Providence, Rhode Island
  - 401-598-2800

Renaissance Hall is located at the corner of Dean and Cedar streets, near the historic Federal Hill section of Providence. Renaissance houses first-year, international and upper-class students. Located on a regular university bus route, it is close enough to classes that many students choose to walk together to class. This facility provides suite-style living with primarily four residents in each unit. Equipped with kitchens and private baths, this facility also maintains a recreation room and study rooms, as well as a laundry room. Limited university student parking is available through a lottery process for upperclassmen. There is no meal plan included at this hall. Students can purchase Wildcat Meals from Student Academic & Financial Services.

**Snowden Hall**
- 32 Page St., Providence, Rhode Island
  - 401-598-1025

Snowden Hall, available at a slightly higher cost, contains double-, triple- and quad-occupancy rooms with private baths and air conditioning. Residents of this hall are a mix of first-year and upper-class students. It also houses a dining center featuring grilled-to-order items and signature sandwiches. Student parking is not available at this hall.

**Xavier Hall**
- 60 Broad St., Providence, Rhode Island
  - 401-598-1496

Xavier Hall, adjacent to the Xavier Academic Complex, has a limited number of single-occupancy rooms for upper-class students, and double-, triple- and quad-occupancy rooms available for first-year students. Student parking is not available at this hall.

**Harborside Campus**

**East Hall** (401-598-1189)

**West Hall** (401-598-1155)

**South Hall** (401-598-4720)
- 2 Washington Ave., Providence, Rhode Island

East, West and South Halls are neighboring residence halls located on the Harborside Campus near academic and student service facilities. Primarily for culinary and baking & pastry arts students, rooms in East Hall and South Hall house four residents. West Hall offers triple rooms. Each hall has community bathrooms, a laundry room, study room and recreation room. University student parking is available to all with a valid sticker.

**Harbor View**
- 1150 Narragansett Blvd., Cranston, Rhode Island
  - 401-598-1154

Harbor View is located on the Cranston-Providence line and overlooks Narragansett Bay. It is within walking distance of the Harborside Campus. Harbor View contains triples and some quads with private baths, as well as a dining center, recreation room with a large-screen TV, and study room. It is reserved for upper-class and some first-year students. There is limited parking available.

**Harborside Village**
- 100 Harborside Blvd., Providence, Rhode Island
  - 401-808-6000

Open to juniors and seniors, Harborside Village is comprised of 12 individual buildings with 12 four-person apartment units in each. Apartments are fully furnished and feature four single, private bedrooms; two private bathrooms; an eat-in kitchen; a common room; and a washer/dryer unit (no card or coin required). An on-site community building houses village resident mailboxes, a function room, a game room and the community management office. Parking is available through a lottery process. Residents of Harborside Village are required to agree to abide by a community policy agreement as a condition to residing in Harborside Village. There is no meal plan included at this hall. Students can purchase Wildcat Meals from Student Academic & Financial Services.

**Centennial House**
- 135 Norwood Ave., Cranston, Rhode Island
  - 401-808-6000

Centennial House, located a short distance from the Harborside Campus and open to sophomores and juniors, is a nontraditional housing option, different from that of a residence hall. Opened in 2013, Centennial House houses approximately 35 residents in a cooperative-style living environment focused on self-governance and community service.

**Campus Dining**

JWU is in a unique position to provide students with quality food service. Culinary arts and hospitality students, as part of their laboratory training, provide much of the food service at the university, under the supervision of professional chef-instructors.

The following dining centers are available for students on a meal plan and their guests: Harbor View Dining Center, Market Place, Red Sauce Pizza & Pasta, Red Mango, Snowden Dining Center/Clock Tower Lounge, and City Burger, as well as three Starbucks® which are located on the Downcity and Harborside campuses.
Information on meal plans can be found in the Student Handbook.

University-owned or -operated Practicum Educational Facilities
The CENTER FOR EQUINE STUDIES, a 31-acre JWU-owned facility in Rehoboth, Massachusetts, provides a location for equine students to study horse care and management. The facility includes a 32-stall stable, indoor arena with interior observation area, and outdoor dressage and jumping rings, all with premium wax footing. Also on the property lies a four-acre practice jumping field with wooded trails. The facility is reserved for the university’s exclusive use, with limited space for students to board their own horses.

University Library Network
The Johnson & Wales University library network is comprised of the libraries on the JWU campuses in Providence, Rhode Island; North Miami, Florida; Denver, Colorado; and Charlotte, North Carolina, and combines traditional library services with a dynamic online information environment tailored to meet the needs of Johnson & Wales students on and off campus.

Staffed by graduates of ALA-accredited master’s degree programs in library and information science, the library is committed to the development of lifelong learning skills and information literacy in all JWU graduates. Its key mission is enhancing the pedagogical, professional and scholarly achievements of JWU faculty. During operating hours, staff is available to offer assistance on how to effectively use library resources and find the most pertinent information for assignments.

An important aspect of the library is the access it provides to resources, services and facilities shared by the Higher Education Library Information Network (HELIN), a southern New England consortium of academic libraries.

The main Johnson & Wales University library facility in Providence occupies the first two floors of The Yena Center at 111 Dorrance St. on the Downcity Campus. It houses the largest of the university library network’s book, journal and AV resource collections as well as the administrative offices of the dean of university libraries. Other resources include access to numerous research databases, Mac and Windows computer workstations, wide-bed scanners, group study rooms with LED monitors, private study carrels, soft seating, an electronic classroom, wireless internet connectivity throughout the facility, and the Wildcat Café. During the academic year the library is open seven days a week with extended hours during exam periods.

Library collections and services at the Harborside Campus are located in The Friedman Center at 321 Harborside Blvd., and primarily support the curricula of the College of Culinary Arts, with resources also available for graduate studies in business and education. Like its Downcity Campus counterpart, this facility provides access to research databases, computer workstations, group study rooms with LED monitors, and wireless internet connectivity, as well as numerous books, periodicals and AV resources. In addition, the library holds an important collection of restaurant menus from around the world. Many of these menus are now available online in the JWU Scholars Archive, an open-access digital repository of faculty publications, student scholarship and image files unique to the university.

Culinary Arts Museum at Johnson & Wales University
As an extension of JWU Library, the Culinary Arts Museum on the Harborside Campus, stores and exhibits hundreds of historic artifacts associated with the fields of culinary arts, food studies and hospitality. It serves as a widely recognized educational resource for Johnson & Wales University, food scholars, and practitioners within the food service industry. Its primary objective is to preserve and interpret the broad culinary and hospitality heritage addressed by the university curriculum, showcasing its substantial historic collections as well the work of students, faculty, alumni and distinguished visiting chefs. Through exhibitions and special events, the museum strives to interpret the evolution of food preparation and presentation, development of culinary equipment and technology, diverse menus offered, and places where people dine.

Students and researchers can access digitized images of museum collection objects, and identify book, journal and artifact holdings through the museum’s online catalog. The museum also offers ample seating and bookable presentation space for student use, with Wi-Fi connectivity throughout.

Visit the Providence Campus library web page for links to library and museum online resources, user guides, contact information and hours of operation.

Accreditations and Approvals
Johnson & Wales University (JWU) is accredited by the New England Commission of Higher Education. This accreditation encompasses the university’s four campuses in Providence, Rhode Island; North Miami, Florida; Denver, Colorado; and Charlotte, North Carolina, and its online programs. Inquiries regarding JWU’s accreditation status should be directed to

Johnson & Wales University Administration Offices
Office of the Provost - Yena Center, 3rd floor
111 Dorrance Street
Providence RI 02903
Phone: 401-598-4535

Individuals may also contact:
New England Commission of Higher Education
3 Burlington Woods Drive, Suite 100
Burlington, MA 01803-4531
Toll-free phone: 855-886-3272
Email (info@neche.org): info@neche.org

Legal control is vested in the Board of Trustees of Johnson & Wales University.

The university is authorized under federal law to enroll nonimmigrant alien students.

JWU is listed in the Education Directory of Colleges & Universities issued by the U.S. Department of Education.

JWU, its faculty and members of the administrative staff hold affiliation with numerous organizations.

Johnson & Wales University will make available for review to any enrolled or prospective student, upon request, a copy of the documents describing the institution’s accreditation, approval or licensing. This information, as well as contact information for accreditors, may be obtained by contacting

Johnson & Wales University Administration Offices
Office of the Provost - Yena Center, 3rd floor
111 Dorrance Street
Providence, RI, 02903
Phone: 401-598-5156

Providence Campus: The State of Rhode Island has chartered Johnson & Wales University as a nonprofit degree-granting institution of higher learning.

North Miami Campus: JWU is licensed by the Commission for Independent Education, Florida Department of Education. Additional information regarding the institution may be obtained by contacting the Commission at 325 West Gaines Street, Suite 1414, Tallahassee, FL, 32399-0400; toll-free phone: 888-224-6684.

Denver Campus: The Colorado Commission on Higher Education has authorized JWU under the Degree Authorization Act to offer instruction leading to the award of credits and/or degrees in Colorado.

Charlotte Campus: The Board of Governors of the University of North Carolina has licensed JWU under G.S. 116-15(b) to conduct degree activity in North Carolina.

Providence and Denver Campuses — BS in Dietetics and Applied Nutrition Program: The Providence Campus and Denver Campus Dietetics and Applied Nutrition programs are accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND), 120 South Riverside Plaza, Suite 2000, Chicago, IL, 60606-6995; phone: 312-899-0040, ext. 5400. The Providence Campus and Denver Campus Didactic Programs in Dietetics (DPD) meet the standards of education set by ACEND.

Providence Campus — MS in Physician Assistant Studies: At its September 2017 meeting, the Accreditation Review Commission on Education for the Physician Assistant (ARC-PA) placed the Johnson & Wales University Physician Assistant Studies Program sponsored by Johnson & Wales University on Accreditation-Probation status until its next review in September 2019.

Probation is a temporary status of accreditation conferred when a program does not meet the Standards and when the capability of the program to provide an acceptable educational experience for its students is threatened. Once placed on probation, programs that still fail to comply with accreditation requirements in a timely manner, as specified by the ARC-PA,
may be scheduled for a focused site visit and/or risk having their accreditation withdrawn.
Specific questions regarding the program and its plans should be directed to the program director (george.bottomley@jwu.edu) and/or the appropriate institutional official(s).

**Providence Campus - Occupational Therapy Doctorate**

The Johnson & Wales University Entry-Level Occupational Therapy Doctorate Program has applied for accreditation and has been granted Candidacy Status by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA), located at 4720 Montgomery Lane, Suite 200, Bethesda, MD 20814-3449. ACOTE's telephone number c/o AOTA is (301) 652-AOTA and its Web address is www.acoteonline.org.

The program must have a preaccreditation review, complete an on-site evaluation, and be granted Accreditation Status before its graduates will be eligible to sit for the national certification examination for the occupational therapist administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the individual will be an Occupational Therapist, Registered (OTR). In addition, all states require licensure in order to practice; however, state licenses are usually based on the results of the NBCOT Certification Examination. Note that a felony conviction may affect a graduate's ability to sit for the NBCOT certification examination or attain state licensure.

**Online Campus:** Johnson & Wales University offers online bachelor’s, master’s and doctoral degree programs and is required to publish information about state approvals of these programs.

**State Licensure for Online Programs:** Johnson & Wales University is approved as a member of the State Authorization Reciprocity Agreements (SARA). The State Authorization Reciprocity Agreement (SARA) is a national initiative to provide more access to online courses while maintaining compliance standards with state regulatory agencies. SARA allows institutions to provide online courses outside of their own state borders by seeking and maintaining state approvals via a streamlined process. To learn more about SARA, please visit their website.

**SARA Approval of JWU:** On May 3, 2016, the National Council for State Authorization Reciprocity Agreements (NC-SARA) approved institutional participation for Johnson & Wales University. The State of Rhode Island approved Johnson & Wales University to participate in NC-SARA on April 14, 2016. NC-SARA is a voluntary, regional approach to state oversight of postsecondary distance education. As a SARA member in the State of Rhode Island, the institution has authorized by the Rhode Island Office of the Postsecondary Commissioner, Johnson & Wales University is authorized to provide distance education to students in all of the other SARA states (detailed below).

**Current SARA Member States:** Current authorized SARA members include all 50 states, plus the U.S. Virgin Islands.

NC-SARA Complaint information can be found online.

**Online Student Complaint Process:** Information on Student Complaint Processes for students enrolled in the College of Online Education is available online.

**Affiliations**

Johnson & Wales University, its faculty and members of the administrative staff hold affiliations with numerous organizations.

A description of written arrangements that the university has with other organizations to provide a portion of any university program of study is available upon request. For more information, please contact Student Academic & Financial Services.

**Notice of Nondiscrimination**

Johnson & Wales University does not discriminate unlawfully on the basis of race, religion, color, national origin, age, sex, sexual orientation, gender identity or expression, genetic information, disability, status as a protected veteran, pregnancy or marital status, or any other unlawful basis in administration of its educational policies, admission policies, financial aid, employment, or any other university program or activity. It admits qualified students to all the rights, privileges, programs and activities generally accorded or made available to students at the university.

The university undertakes to comply with all federal and state discrimination laws, including, but not limited to Title IX of the Education Amendments of 1972 (Title IX), Section 504 of the Rehabilitation Act of 1973 (504), the Age Discrimination Act of 1975, Title VII of the Civil Rights Act of 1964 and the Americans with Disabilities Act of 1990.

Johnson & Wales University also does not tolerate harassment of any kind. Sexual harassment and sexual misconduct are a form of sex discrimination and prohibited by the university.

The following individual has been designated to handle inquiries concerning the application of Title IX and its implementing regulation in addition to any inquiries regarding the university’s nondiscrimination and harassment policies:

Matthias Rubekeil
Title IX Coordinator/Nondiscrimination Coordinator/Section 504 Coordinator
Equity & Compliance Services
Remington Building — 91 Friendship Street (2nd Floor)
Providence, RI 02903
401-598-2703
Refer to the JWU Equity & Compliance Services webpage for more information (www.jwu.edu/compliance).

Additional information, including the university’s complete Prohibited Discrimination and Harassment (including Sexual Harassment) Policy and the Sexual Assault and Relationship Violence Policy is included in the Student Handbook for each campus and available by contacting Equity & Compliance Services (EquityComplianceServices@jwu.edu).

Inquiries concerning the application of the notice of nondiscrimination may also be referred to the appropriate governmental agencies listed below under State and Federal Discrimination and Harassment Enforcement Agencies.

- Jeffery D. Alexander, B.S., CABB, associate instructor; B.S., Johnson & Wales University
- Charles Armstrong, B.S., instructor; A.O.S., Culinary Institute of America, B.S., Johnson & Wales University
- John Aukstolis, A.S., instructor; A.S., Johnson & Wales University
- Mary Bodensiek, M.A.T., CHE, instructor; B.S., Johnson & Wales University; M.A.T., Johnson & Wales University
- Marina Brancely, B.S., CABB, associate instructor; B.S., Johnson & Wales University
- Olga Bravo, M.F.A., instructor; B.F.A., SUNY New Paltz; M.F.A., Rhode Island School of Design
- Matthew Brit, BPS, instructor; BPS, Culinary Institute of America
- Jennifer Broderick, Ed.D., CHE, associate professor; Ed.D., Johnson & Wales University
- Robert L. Brown, MBA, CHE, assistant professor; A.S., B.S., Johnson & Wales University; MBA, American Intercontinental University
- Tim Brown, B.S., CHE, associate instructor, department chair; B.S., The International Education Council
- Christoph Bruehwiler, CEPC, instructor
- John S. Chiaro, M.S., CEC, CCE, CHE, associate professor; B.A., Rhode Island College; M.S., Johnson & Wales University
- Thomas Choice, WSET, instructor
- Luminita Cirstea, B.S., CEPC, CMB, CABB, associate instructor; A.S., Kendall University; B.S., Johnson & Wales University
- Elaine R. Cwynar, M.A.T., associate professor; A.S., M.A.T., Johnson & Wales University; B.A., University of Connecticut; Certificate of Vocational Teaching, University of Massachusetts
- Marc DeMarchena, M.A.T., WSET, FDRP, SWE, associate professor; A.O.S., B.S., M.A.T., Johnson & Wales University
- Richard DeMaria, M.A.T., assistant professor; B.S., University of Rhode Island; M.A.T., Johnson & Wales University
- Jean-Luc Derron, associate instructor; Hotel Schwaben, Switzerland; Steini Trade School, Switzerland; Apprenticeship; Certification, Department of Labor and Trade, Switzerland; Confiserie Bachmann, Switzerland, Apprenticeship
- John Dion, M.S., associate professor; A.O.S., Culinary Institute of America; B.S., M.S., Johnson & Wales University
- Kevin Duffy, M.A.T., associate instructor; B.S., M.A.T., Johnson & Wales University
- Cynthia Ferron, M.Ed., CEPC, associate professor; A.S., Schoolcraft College; B.S., M.A.T., Johnson & Wales University
- James Fuchs, A.A.S., instructor; A.A.S., Johnson & Wales University
- Lauren V. Haas, B.S., associate professor, department chair; B.S., Johnson & Wales University
- Frederick Haddad, B.S., CEC, CCE, associate instructor; A.O.S., Culinary Institute of America; B.S., Johnson & Wales University
- Christina Harvey, A.O.S., CEPC, associate instructor; A.O.S., Culinary Institute of America
- Mark Harvey, A.O.S., CEPC, associate instructor; A.O.S., Culinary Institute of America
- Katrina Herold, M.Ed., associate professor; B.S., M.Ed., Johnson & Wales University
- Rainer Hienerwadel, M.A.T., GMC, master instructor, A.O.S., B.S., M.A.T., Johnson & Wales University
- Ciril Hitz, M.A.T., CABB, senior instructor; B.F.A., Rhode Island School of Design, M.A.T., Johnson & Wales University
- Steven Johansson, A.O.S., CCC, instructor; A.O.S., Culinary Institute of America
- Peter Kelly, M.L.A., associate professor; B.A., Vermont College of Norwich University; M.L.A., Boston University
- Linda Kender, M.A.T., CFE, CP-FS associate professor; A.S., M.A.T., Johnson & Wales University
- Juergen Knorr, CEC, instructor; European Apprenticeship
- Edward Korry, M.A., CWE, WSET, FDRP, associate professor, department chair; B.A., University of Chicago; M.A., University of Cairo
- Jean-Louis Lagalle, B.S., associate instructor; A.O.S., Johnson & Wales University
- Susan Lagalle, B.S., CEPC, senior instructor; B.S., Johnson & Wales University
- Dean Lavornia, M.Ed., CEPC, associate professor, department chair; A.O.S., B.S., M.Ed., Johnson & Wales University
- William Lendway, M.S., assistant professor; B.S., M.S., University of Minnesota
- Branden Lewis, MBA, CEC, associate professor; A.S., B.S., MBA, Johnson & Wales University
- Robert Lucier, A.S., CEC, CHE, associate instructor; A.S., Johnson & Wales University
- Wyatt Maguire, B.S., instructor; B.S., Johnson & Wales University
- Michael Makuch, M.A.T., associate professor, department chair; A.S., B.S., M.A.T., Johnson & Wales University
- Ted McCall, Ed.D., professor, department chair; M.A.T., Johnson & Wales University; Ed.D., Northeastern University
- Ray McCue, M.Ed., CEPC, associate professor; A.S., B.S., M.Ed., Johnson & Wales University
- Joseph Melanson, M.A.T., CHE, associate instructor; M.A.T., Johnson & Wales University
- Maura Metheny, B.F.A., instructor; B.F.A., Alfred University
- Stacy Mirabello, B.S., CEPC, associate instructor; A.S., Johnson & Wales University
- Richard Miscovic, MBA, CABB, associate professor, department chair; B.A., Michigan State University; MBA, Johnson & Wales University
- Valeria Molinelli, M.A.T., senior instructor; A.S., M.A.T., Johnson & Wales University
- Francis Mullaney, A.O.S., instructor; A.O.S., Culinary Institute of America
- Neath Pal, instructor; Grand Diplome, La Varenne Ecole de Cuisine
- Jennifer Parisi, M.S., CHE, instructor; M.S., Hospitality Industry Systems, New York University

Travel Tourism (TRVL) Courses 17
Robert Pekar, M.A.T., associate professor; A.O.S., Culinary Institute of America; A.S., Manchester Community College; B.S., M.A.T., Johnson & Wales University
Jennifer Pereira, MBA, DWS, CWE, associate professor; B.A., New England Culinary Institute; MBA, Johnson & Wales University
David Petrone, B.S., CWC, CCE, CFE, associate instructor; A.O.S., B.S., Johnson & Wales University
Linda Pettine, M.A.T., WSET, FDRP, Certified TIPS Trainer, associate professor; AA, Massachusetts Bay Community College; B.A., North Adams State College; M.A.T., Johnson & Wales University
Craig Piermarini, M.A.T., associate professor; A.S., B.S., M.A.T., Johnson & Wales University
Maureen Pothier, MBA, CEC, WSET, associate professor, department chair; B.S., MBA, Johnson & Wales University
Jonathan Poyourrow, M.A., RD, assistant professor; B.S., Johnson & Wales University; M.A., Liberty University
David Ricci, instructor
Thao T. Rich, B.S., CEPC, instructor; B.S., Johnson & Wales University
Barbara Robinson, M.P.H., RD, CNSC, associate professor; B.S., University of Rhode Island; M.P.H., Boston University
Ronda Robotham, M.A.T., associate professor; A.S., B.S., M.A.T., Johnson & Wales University
Jaime Schick, B.S., instructor; B.S., Johnson & Wales University
Louis Serra, M.A., CEC, associate professor; B.S., Johnson & Wales University; M.A., Providence College
Todd Seyfarth, M.S., RD, CSSD, associate professor, department chair; B.S., Johnson & Wales University; M.S., State University of New York — Stony Brook
Mark Soliday, A.O.S., associate instructor; A.O.S., Culinary Institute of America
Nathan M. Stamm, CEPC, associate instructor
Gilbert Stansfeld, MBA, CEC, associate professor, department chair; B.S., MBA, Johnson & Wales University
Lynn Tripp, M.S., CFS, associate professor; B.S., Bridgewater State College; M.S., University of Massachusetts
Peter Vaillancourt, B.S., instructor; B.S., Roger Williams College
Frank Vollkommer, A.S., CMPC, associate instructor; A.S., New England Culinary Institute
Robert Weil, M.A.T., CBM, WSET, FDRP, associate professor; B.S., East Stroudsburg University; M.A.T., Johnson & Wales University
Gary Welling, A.S., instructor; A.S., Johnson & Wales University
Rolland Wesen, M.Ed., assistant professor; B.S., Carnegie Mellon University; M.Ed., Johnson & Wales University
Kenneth Wollenberg, M.A.T., CEPC, associate professor; A.O.S., B.S., M.Ed., Johnson & Wales University
Robert Zieliinski, A.S., CEPC, associate instructor; A.S., Johnson & Wales University
Russ Zito, M.S., associate professor; A.O.S., B.S., M.S., Johnson & Wales University
Brandon Catalan, M.S., assistant professor; B.A., Stonehill College, M.S., University of New Haven
Anthony Chavis, M.S., assistant professor; B.S., Western International University; M.S., Boston University
James C. Sheusi, M.P.A., associate professor, B.S., Buffalo State College; M.P.A., University of Rhode Island
Vidyasagar Sivalingam, M.S., instructor; B.S., PSG College of Technology; M.S., Northeastern University; M.S., University of New Haven
Stephen Sullivan, MBA, assistant professor; B.S., MBA, University of Rhode Island
Jeffrey Tagen, M.S., assistant professor; B.A., University of Rhode Island; M.S., Georgia Institute of Technology

Department of Design
Tim Cox, M.F.A., assistant professor; B.A., Harding University; M.F.A., Savannah College of Art & Design
Jeff Drury, M.F.A., assistant professor; B.A., Rhode Island College; M.F.A., Rhode Island School of Design
Jonathan Harris, MID, LEED-AP, associate professor; B.A., University of Wisconsin-Madison; MID, Rhode Island School of Design
Karyn Jimenez-Elliott, M.F.A., associate professor; B.F.A., Moore College of Art & Design; M.F.A., University of the Arts
Deana Marzocchi, M.S., associate professor, department chair; B.S., Rhode Island College; B.S., M.S., Salve Regina University
Gail McCarthy, MBA, assistant professor; B.A., Rhode Island College; MBA, Bryant University
Eugene Santos, M.A., instructor; B.A., M.A., Rhode Island College
Walter Zesk, M.Arch., assistant professor; B.A., Wesleyan University; M.Arch., Rhode Island School of Design

Department of Engineering
Sol Neeman, Ph.D., professor; B.S., Israel Institute of Technology; M.S., Rhode Island College; M.S., Johnson & Wales University; Ph.D., University of Rhode Island
Kathryn Parchesco, M.S., associate professor, department chair; B.A., Marquette University; M.S., Johnson & Wales University
Wai Yung, M.S., associate professor; B.S., M.S., University of Rhode Island

Department of Information Management & Technology
Deborah Canning, M.S., instructor; B.S., Syracuse University; M.S., California State University
Lisa Nademlynsky, MBA, associate professor, department chair; A.S., B.S., Johnson & Wales University; MBA, Providence College
Diane Santurri, M.Ed., associate professor; B.S., Bryant University; M.Ed., Johnson & Wales University
Katharine Taylor, MBA, assistant professor; A.S., Bryant University; B.S., New England Institute of Technology; MBA, American Intercontinental University

College of Hospitality Management
Administration
Paul J. McMurry, Ed.D., CHE, Dean
Robert Fink, Ed.D., CHE, Associate Dean

Department Chairpersons
Jane Boyland, M.S., FMP, CHE, department chair, The International Hotel School
Michael Sabitoni, M.S., CHE, department chair, Food & Beverage Management, International Travel & Tourism Studies
Patrick Leary, Ed.D., CHE, department chair, Sports, Entertainment, Event — Management

Faculty
Department of Food & Beverage Management
Ronald I. Blum Jr., M.S., CHE, associate professor; B.A., Mercyhurst College; M.S., Johnson & Wales University
Patricia Bowman, M.S., FMP, CHE, CFSP, associate professor; B.A., University of Wisconsin — Stout; M.S., Johnson & Wales University
• James E. Griffin, Ed.D., CEC, CCE, professor; B.S., M.S., Johnson & Wales University; Ed.D., Boston University
• William Jarvie, M.A., FMP, CHE, associate professor; A.O.S., Johnson & Wales University; B.A., Michigan State University; M.A., Empire State College
• Nicholas Makris, MBA, CHE, associate professor; B.S., MBA, Johnson & Wales University
• Dean A. Mistretta, MBA, assistant professor; A.S., Northern Virginia Community College; B.A., Curry College; MBA, Johnson & Wales University
• Michael Sabitoni, M.S., CHE, FMP, department chair, associate professor; A.S., B.S., M.S., Johnson & Wales University
• Matthew Samel, Ph.D., CHE, FMP, professor; A.S., B.S., MBA, Johnson & Wales University; Ph.D., Capella University
• Douglas Stuchel, M.A.T., CHE, associate professor; A.S., B.S., M.A.T., Johnson & Wales University
• Brian A. Van Gyzen, MBA, CHE, associate professor; A.A., Community College of Rhode Island; B.A., Rhode Island College; MBA, Johnson & Wales University
• Brian J. Warrener, MBA, CHE, associate professor; B.A., Harvard University; MBA, University of Rhode Island

Department of Sports, Entertainment, Event — Management

• Elizabeth Covino, M.S., CHE, associate professor; B.A., University of Connecticut; M.S., Springfield College
• Kathleen Drohan, M.A.T., CHE, associate professor; B.S., University of Rhode Island; M.A.T., Johnson & Wales University
• Brenda Kay Eckler, MBA, CHE, associate professor; A.A.S., SUNY Cobleskill; A.A.S., Schenectady County Community College; B.B.A., SUNY Delhi; MBA, SUNY Albany
• Lee A. Eksilson, M.S., CVE, CHE, associate professor; A.S., Dean College; B.S., Bowling Green State University; M.S., Indiana University
• Andrew Fraser, M.Ed., CHE, associate professor; B.S., M.Ed., Temple University
• Michel Gilbert, MBA, CHE, associate professor; B.S., MBA, Johnson & Wales University
• William T. Klika III, Ph.D., CHE, FSPCC, assistant professor; B.A., Lehigh University; M.A.T., Fairleigh Dickinson University; Ph.D., Concordia University, Chicago
• Patrick Leary, Ed.D., CHE, department chair, associate professor; B.A., Providence College; M.S., Canisius College; Ed.D., Northeastern University
• David T. Morris, M.S., CHE, associate professor; B.S., Presbyterian College; M.S., Georgia State University
• Elizabeth Panciera, MBA, CHE, associate professor; B.A., MBA, Johnson & Wales University
• Louis A. Pullano, M.S., CHE, associate professor; B.S., M.S., University of Rhode Island
• Elizabeth Van Patten, Ph.D., CHE, associate professor; B.S., St. John's University; M.S., University of Illinois; Ph.D. Northcentral University
• Julie Viscardi-Smalley, M.S., CHE, assistant professor; B.M., M.S., Syracuse University

Department of International Travel & Tourism Studies

• Eldad Boker, Ed.D., CHE, professor; B.S., Maryland University; M.A., Ed.D., George Washington University
• Christopher DeSessa, M.Ed., CHE, CTC, associate professor; B.A., M.Ed., Rhode Island College
• Bryan J. Lavin, MBA, CHE, assistant professor; B.S., Worcester State University; MBA, Johnson & Wales University
• Tiffany Rhodes, D.Min., CHE assistant professor; B.S., Millersville University of Pennsylvania; M.A., Maltomah University; M.Div., D.Min., Gordon College, South Hamilton
• Michael Sabitoni, M.S., CHE, FMP, department chair, associate professor; A.S., B.S., M.S., Johnson & Wales University

The International Hotel School

• Paul Bagdan, Ph.D., CHE, professor; A.O.S., A.S., Schenectady County Community College; B.S., University of Massachusetts; M.S., Rochester Institute of Technology; Ph.D., Kansas State University
• Jane Boyland, M.S., FMP, CHE, department chair, associate professor; A.O.S., Johnson & Wales University; B.S., University of New Hampshire; M.S., University of Massachusetts
• Catherine Davin, M.S., CHE, associate professor; B.S., M.S., Cornell University
• Debbie C. Howarth, Ed.D., CHME, CHDM, CHE, associate professor; B.S., University of Vermont; M.S., University of Nevada, Las Vegas; Ed.D., Boston University
• Leslie Kosky, M.Ed., CHE, associate professor; B.A., University of Delaware; M.Ed., University of Guam
• Mansour Moussavi, Ph.D., CHE, professor; B.S., Sheffield College, England; MBA, University of Scranton; Ph.D., Salve Regina University
• Dale M. Silva, MBA, CHE, associate professor; A.S., B.S., MBA, Johnson & Wales University
• Magnus Thorsson, Ph.D., CHE, associate professor; B.S., Johnson & Wales University; M.A.T., Bennington College; Ph.D., Iowa State University
• Robert B. Wahl, M.S., CRME, CHE, associate professor; B.S., M.S., Johnson & Wales University
• Rex Warren, Ph.D., CHE, assistant professor; B.S., M.S., University of Nevada, Las Vegas; Ph.D., Iowa State University
• Peter Zaccilli, M.S., CHE, associate professor; B.S., University of Massachusetts; M.S, Lesley College

College of Online Education

Administration

• Cynthia L. Parker, Ed.D., dean, College of Online Education
• Richard Carchedi, M.Ed., director of online admissions
• David Cartwright, M.S., CPA, director of online academics
• Joshua McCarthy, MBA, director of online enrollment management
• Matthew O'Brien, MBA, director of online student services
• Anice O'Connor, Ph.D., academic director of online programs, arts & sciences
• Amy Ricci, Ed.D., director of online education
• TC Rogers, Ed.D., academic director of online programs

Faculty

• Roger Achille, J.D., professor; B.A., Clark University; J.D., Suffolk University
• Nicole Amos, MBA, assistant professor; B.A., Framingham State University; MBA, University of Massachusetts, Amherst
• Stephen Andrade, M.Ed., lecturer; B.A., University of Rhode Island; M.Ed., Northeastern University
• Paul Bagdan, Ph.D., CHE, professor; A.O.S., A.S., Schenectady County Community College; B.S., University of Massachusetts, M.S., Rochester Institute of Technology; Ph.D., Kansas State University
• Julie Bilodeau, DBA, professor; A.S., B.S., MBA, Johnson & Wales University; DBA, Argosy University
• Ronald Blum, M.A., associate professor; B.A., Mercyhurst College; M.A., Johnson & Wales University
• Eldad Boker, Ed.D., CHE, professor; B.S., Maryland University; M.A., Ed.D., George Washington University
• Patricia Bowman, M.S., FMP, CHE, CFSP, associate professor; B.A., University of Wisconsin — Stout; M.S., Johnson & Wales University
• Paul Boyd, Ph.D., professor; B.S., Union College; M.S., Arizona State University; Ph.D., University of Pennsylvania
• Jane Boyland, M.S., associate professor, department chair; A.A.S., Johnson & Wales University; B.S., University of New Hampshire; M.S., University of Massachusetts — Amherst
• Jennifer Broderick, Ed.D., associate professor; B.S., Southern Connecticut State University; MBA, University of Phoenix
• Michael Budziszek, Ph.D., associate professor; B.S., M.S., Ph.D., University of Rhode Island
• Tom Calabrese, Ph.D., professor; B.S., New York University; M.S., Villanova University; Ph.D., University of Connecticut
• Elizabeth Carey, MBA; associate professor; A.B., College of the Holy Cross; MBA, Providence College

Travel Tourism (TRVL) Courses
• John S. Chiara, M.S., CEC, CCE, associate professor; B.A., Rhode Island College; M.S., Johnson & Wales University
• Michael Childers, J.D., professor, college chair; B.B.A., B.S., University of North Carolina; J.D., Wake Forest University
• Elizabeth Covino, M.S., CHE, associate professor; B.A., University of Connecticut; M.S., Springfield College
• Sean F. Daly, M.Ed., associate professor; B.Sc., Keene State College; M.Ed., Springfield College
• Nadine Dame, M.S., professor, college chair; B.S., Union College; B.A., Colorado State University; M.S., Colorado School of Mines
• Catherine Davin, M.S., associate professor; B.S., M.S., Cornell University
• Christopher Desessa, Ph.D., associate professor; B.A., University of North Carolina; M.Ed., Colorado State University
• Joseph Delaney, Ed.D., professor; B.S., Suffolk University; M.A., University of Massachusetts — Boston; Ed.D., Boston University
• Kathleen Drohan, M.A.T., CHE, associate professor; B.S., University of Rhode Island; M.A.T., Johnson & Wales University
• Brenda Kay Eckler, MBA, associate professor; A.A.S., SUNY Cobleskill; A.A.S., Schenectady County Community College; B.B.A., SUNY Delhi; MBA, SUNY Albany
• Laura Egeln, Ph.D., professor; A.A.S., Fashion Institute of Technology; B.S., Purdue University; MBA, University of North Carolina; Ph.D., University of North Carolina
• Lee Esciksen, M.S., CFE, CHE, associate professor; A.S., Dean College; B.S., Bowling Green State University; M.S., Indiana University
• Maureen Farrell, Ph.D., professor, department chair; B.A., M.A., University of Rhode Island; Ph.D., University of Notre Dame
• Andrew Fraser, M.Ed., associate professor; B.S., M.Ed., Temple University
• Laura Gabiger, Ph.D., professor; B.A., State University of New York — Buffalo; M.A., Ph.D., University of North Carolina, Chapel Hill
• Marian Gagnon, Ph.D., professor; B.A., University of Rhode Island; M.A.T., Johnson & Wales University; Ph.D., The Union Institute University
• Daniel Grieser, M.S., associate professor; B.S., Northwestern University; M.S., Kettering University
• James Griffen, Ed.D., professor; A.O.S., B.S., M.A.T. Johnson & Wales University; Ed.D., Boston University
• Penny Harmon, associate professor; M.A., University of North Carolina, Charlotte
• Adam Hartman, Ph.D., associate professor; B.S., George Washington University; B.A., George Washington University; Ph.D., Brown University
• Samer Hassan, Ph.D., professor; B.S., M.S., Ph.D., Helwan University
• Mark Hengen, M.S.F., associate professor; B.S., Michigan State University; M.S.F., Yale University
• Oren Hertz, Ph.D., assistant professor; B.S., Florida International University; MBA, Nova Southeastern University; Ph.D., Florida Atlantic University
• David Hood, MBA, associate professor; B.S., MBA, Johnson & Wales University
• Kara Hoofnagle, Ph.D., assistant professor; B.S., M.A., Ph.D., Old Dominion University
• Debbie C. Howarth, M.S., M.H.A., CHME, CHE, professor; B.S., University of Vermont; M.S., University of Nevada, Las Vegas
• Emelia Howell, MBA, lecturer; B.S., Wofford College; MBA, Winthrop University
• Timothy Howes, M.S., associate professor; B.A., University of New Hampshire; M.S., Boston College
• Michel Gilbert, MBA, associate professor; B.S., MBA, Johnson & Wales University
• William Jarvie, M.A., associate professor; A.A.S., Canton College (SUNY); A.A.S., Johnson & Wales University; B.A., Michigan State University; M.A., Empire State College (SUNY)
• Alexander Katkov, Ph.D., professor; B.S., Leningrad State University; M.A., Leningrad Institute of Economics and Finance; Ph.D., St. Petersburg University of Economics & Finance
• Stacey L. Kite, DBA, professor; B.S., M.S., Johnson & Wales University; DBA, Argosy University
• William Klika, Ph.D., assistant professor; B.A., Lehigh University; M.A., Fairleigh Dickinson University; Ph.D., Concordia University
• Leslie Kosky, M.Ed., associate professor; A.S., Delaware County Community College; B.A., University of Delaware; M.Ed., University of Guam

Department Directories *

University Leadership & Administration

• Mim L. Runey, L.P.D., chancellor
• Billye W. Auclair, Ph.D., provost
• Marie Bernardo-Sousa, L.P.D., ’92, Providence Campus president
• Diane D’Ambra, M.S., SPHR, vice president of human resources
• Michael Downing, M.S., CHA, FMP, vice president of auxiliary services
• Maureen Dumas, Ed.D., vice president of experiential education & career services
• Joseph J. Greene Jr. ’89, ’98 M.S., CPA, treasurer and chief financial officer
• Akhil Gupta, M.S., chief information officer
• Ronald Martel, Ph.D., vice president of student affairs and dean of students
• Tarun Malik ‘90 M.S., ’11 Ed.D., Charlotte Campus president
• Lisa Pelosi, M.A., vice president of communications and government relations
• Larry Rice, Ed.D., ’90, North Miami Campus president
• Lynn M. Robinson ‘90, ‘94 M.S., vice president of student academic & financial services
• Luba Shur, J.D., general counsel
• Joseph Staley, B.S., vice president of resource development
• Douglas J. Whiting, B.A., senior vice president of communications
• Richard Wiscott, Ph.D., Denver Campus president

Office of the Chancellor

• Mim L. Runey, L.P.D., chancellor
• Cara Rooney ’05 MBA, director of executive services
• Diane Millard, B.S., executive assistant to the chancellor

Office of the Providence Campus President

• Marie Bernardo-Sousa, L.P.D., ’92, Providence Campus president
• Tara McGee, B.S., executive assistant

Office of the Provost

• Billye W. Auclair, Ph.D., provost
• Jennifer Galipeau, Ed.D., associate provost

Office of the General Counsel

• Luba Shur, J.D., general counsel
• Bud Remillard, J.D., deputy general counsel

Academic Success Center

• Wendy Alemán, director, Academic Success Center
• Eileen Rapose, math program coordinator

Admissions

• Marie Bernardo-Sousa, senior vice president of administration and enrollment management
• Jeanne Blanchette, B.S., admissions recruitment analyst
• Christine Sullivan, B.S., director of admissions visitor program
• Thomas Gauthier, M.S., director of educational partnerships
• Teresa Mauk, M.A., director of continuing education & graduate admissions
• Joanne McQuesten, MBA, associate director of continuing education & graduate admissions
• James Olick, B.S., director of enrollment & planning services
• Caroline Pelland, MBA, director of admissions operations
• Amy Podbelski, B.A., director of undergraduate admissions
• William Priante, B.S., director of international recruitment & training
• Al Seitz, MBA, director of the admissions representative network

Campus Safety & Security
• LeRoy Rose, director of campus safety & security

Accessibility Services
• Nicole Hebert, M.S.W., LICSW, accessibility services director
• Donna Della Porta, M.Ed., accessibility services advisor
• Hinda Levin-Kreiger, M.S., accessibility services advisor
• Meryl Precourt, M.S., accessibility services advisor
• Shelly Olausen, M.Ed., accessibility services advisor

Equity & Compliance Services
• Matthias Rubekeil, J.D., Title IX coordinator, nondiscrimination coordinator and Section 504 coordinator
• Sandra Lawrence, B.S., CCC, compliance associate
• Piya Sarawgi, MBA, equity & compliance services communications manager

Experiential Education & Career Services
• Maureen Dumas, Ed.D, vice president of experiential education & career services
• Sheri L. Young, Ed.D, dean of experiential education & career services
• Andrea Frost, MBA, assistant director of experiential education
• Donna Remington, MBA, assistant director of career services

Facilities Management/Physical Plant
• Jason Witham, executive director of facilities, design & construction

Finance
• Joseph J. Greene Jr., M.S., CPA, treasurer and chief financial officer
• Maria Rix, B.S., university controller
• Mary Craig, B.S., accounting manager
• Nancy J. O’Neill, CPCU, ARM, insurance and property risk manager

Human Resources & Payroll
• Diane D’Ambra, M.S., SHRM, SHRM-SCP, vice president of human resources
• Rebecca Tondreau, B.A., director of human resources
• Christine Oliver, B.S., director of benefits
• Christine Wood, MBA, CPP, director of payroll
• Diane Bonin, B.S., director of student employment
• Karen Almond, M.S., director of employee recruitment

Information Technology
• Akhil Gupta, M.Sc., chief information officer
• Pat Riordan, B.S., director of IT business services
• Stephen A. Sabetta, MBA, PMP, director of IT project management
• Nicholas M. Tella, MBA, director of information security
• Peter Reid, director of IT infrastructure

JWU Global
• Loren Intolubbe-Chmil, Ph.D., executive director of JWU Global
• Wesley D. Roy, M.S., director of international student services
• Lisa McAdam Donegan, M.A., director of study abroad programs

Library
• Rosita Hopper, D.A., dean of libraries
• Frederick Brown, M.L.S., reference management librarian
• Sarah Naomi Campbell, M.L.S., reference librarian
• Jennifer Castel, M.L.S., reference librarian
• Kerry Caparco, M.L.S., reference librarian
• Kelly Faulkner, M.L.S., reference and instruction services librarian
• Erika Gearing, M.L.S., reference management librarian
• David Meincke, M.L.S., director of digital resources and services
• Debra Nunes, M.L.S., cataloging and interlibrary loan librarian
• Lisa Spicola, M.L.S., chief librarian

Practicum Educational Facilities
• Michael Downing, M.S., CHA, FMP, vice president of auxiliary services
• Amanda Rotondi, MBA, director of campus dining
• Kenneth Watt, MBA, CEC, executive chef of auxiliary services

Resource Development
• Joseph L. Staley, B.A., vice chancellor of resource development
• Page Cooper Sciotto, MBA, vice president of resource development
• Tracy A. Forkin, B.S., director of advancement services
• Maureen Rooney, M.A., director of prospect research
• Michael J. Schrader, B.A., director of grants & sponsored program administration

Student Academic & Financial Services
• Lynn M. Robinson, M.S., vice president of student academic & financial services
• Tammy Harrigan, B.S., university registrar
• Dawn Blanchette, B.S., director of financial aid and planning
• Gail Nevadonski, B.S., registrar
• Cheryl Shatz, B.S., director of curriculum systems management
• Kathi Tavares, B.S., director of student billing and collections
• Maria Tristao-Rocha, MBA, director of transfer and testing services

Student Affairs
• Ronald L. Martel, Ph.D., vice president of student affairs and dean of students
• Joseph Barresi Jr., Ph.D., LICSW, LCDP, associate dean of student affairs for counseling, health & wellness
• Mary E. Graf, M.A., MSS, associate dean of students for student life
• Dameian Slocum, MBA, associate dean for student services
• Kelly Dunn, Ed.D., director of new student orientation & support programs
• Nev Kruguljevic, MBA, director of residential life
• John LaRose, M.Ed., associate director of athletics
• Jessica Grady, M.S., associate director of student involvement & leadership for student engagement
• Corina Ramsland Short, M.S., director of the gender equity center
• William Palumbo, M.D., university physician
• Catherine Rondeau, M.S.N., director of health services
• Diane Riccitelli, M.S., director of off-campus student services
• Kofi Kisseh, M.S., director of transportation
• Stephanie Dixon, M.S.W., LICSW, director of counseling services
• Kristen Buglione, M.P.H., ATC, director of health education
• Nicole Hebert, M.S.W., LICSW, director of accessibility services
• Betsy Gray, M.Ed., director of community standards and conduct

University Communications
• Doug Whiting, B.A., senior vice president of communications
• Lisa Pelosi, M.A., vice president for communications and government relations
• Joe Magennis, B.S., director of university marketing
• Brian Murphy, B.F.A., director of design & editorial services

- Bachelor of Science (B.S.) Degree
  - Criminal Justice (p. 25)
  - Liberal Studies (p. 26)
  - Psychology (p. 28)
Criminal Justice - B.S.

Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.

The Criminal Justice bachelor’s degree program prepares students for professional careers in the field of criminal justice. Through this course of study, students are expected to acquire the communication, logic, critical thinking and ethical reasoning skills essential for both the understanding of complex global and domestic criminal justice issues and for effective career performance and progression.

Upon completion of the program, graduates are expected to:

• Explain the historical backgrounds, agencies, professions, purposes, functions and administration of the American criminal justice system.
• Analyze, evaluate and apply social science research methods to complex issues within the criminal justice system.
• Apply criminological theories and causes of crime, and appropriate methods of control and prevention of criminal behavior to situational contexts within the American criminal justice system.
• Explain the complex responsibilities, procedures and policies of law enforcement agencies operating in the American criminal justice system.
• Critically evaluate evidence used to support criminal justice issues and generate appropriate recommendations.
• Explain conflicts that arise in diverse communities in relation to criminal justice administration.

The program’s judicious mix of criminal justice and arts and sciences courses is intended to develop and enhance each student’s critical thinking and effective communication skills, as well as their appreciation for diversity, citizenship, leadership and public service. In keeping with the unique curriculum and varied career opportunities available to graduates of the Criminal Justice program, students are encouraged to take advantage of available internship, study abroad and elective course opportunities that target their specific interests and goals.

Graduates of the program are prepared for a wide variety of criminal justice employment at the local, national and federal levels including careers in court administration, private investigation, airport security and social services, or as a federal agent, police officer or border patrol agent, among many others.

Visit Courses by Subject Code for a listing of all campus courses.

HUM courses are not offered in North Miami or Online.
BIO courses are not offered in North Miami, Charlotte or Online.
CAD courses are only offered in Providence.
CHM courses are not offered in North Miami or Online.
PHY courses are not offered in Charlotte.
ANTH courses are not offered in North Miami or Charlotte.

In addition to classes, free elective credit can be applied to a number of options such as Directed Experiential Education (DEE), Internship, Minor or Study Abroad. For Accelerated Master’s program students, up to three graduate-level courses may apply. Students are strongly encouraged to contact an adviser before scheduling free elective credits.

NOTE: Students must pass MATH0010 Basic Mathematics or have equivalent placement scores to enroll in required math course(s).

Students who graduate with a bachelor’s degree must leave Johnson & Wales University with effective writing skills to fulfill the graduation writing requirement. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication. Students who have met the requirement of ENG1021 Advanced Composition and Communication or ENG1027 Honors Advanced Composition and Communications: Civic Discourse outside of Johnson & Wales University must fulfill the graduation writing requirement through successful completion of ENG0001 Writing Workshop.

In collaboration with academic colleges across all JWU campuses, JWU Study Abroad programs offer a variety of international options for major, minor, Arts & Sciences, and elective credit at many price points for students during the academic year and summer. Faculty-led, exchange, affiliate, and direct-enroll programs range in duration from one week to a full semester. Financial aid is applicable and scholarships are available. Visit the study abroad website for information, program descriptions and online applications.
Liberal Studies - B.S.

Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.

Through the required and elective courses in the Liberal Studies bachelor’s degree program, students acquire knowledge and experience in the arts, cultural studies, history, philosophy, behavioral sciences, math and science. With a required minor in either Business or Technology, students are prepared to enter the workforce in business, nonprofit, government, and arts and cultural organizations. The degree also prepares them for further graduate studies. In addition, the program includes experiential learning through an internship, service learning and an optional study abroad.

Key differentiators of the JWU Liberal Studies degree program include a requirement that students complete a minor in Business or Technology, the inclusion of a heightened form of experiential learning, and in-depth advising in fulfillment of the mission. The required minor is intended to ensure that students have an introduction to a profession or set of professional skills prior to program completion.

Upon completion of the program, graduates are expected to:

- Apply oral and written rhetorical strategies to communicate complex arguments.
- Apply appropriate disciplinary criteria to examine complex issues, analyze arguments, conduct credible research, solve problems, make ethical decisions and create original ideas and/or approaches.
- Synthesize and apply knowledge from multiple perspectives to evaluate complex issues and address real-world problems.
- Critically examine and interpret the complexities of human culture, expression and/or behavior using the theories and methods of various disciplines in the humanities, social sciences and natural sciences.

* The Technology (Project Management) minor is offered only at the Providence Campus.

Liberal Studies

A four-year program leading to the bachelor of science degree

**Major Courses**

- ART, HIST, LIT, PHIL, REL: One course 2000 level or higher 4.5
- BIO, CHMN, PHY or SCI: One course 1000 level or higher 4.5
- ECON, PSYC, PSYC: One course 2000 level or higher 4.5
- Foreign Language: 4.5 credits as determined by language placement 4.5
- LBS4900: Liberal Studies Capstone: The Great Conversation 4.5

**Major Focus**

Choose one of the following: 22.5

- Arts & Culture
  - ART, HIST, LIT, PHIL, REL: One course 2000 level or higher
  - ART, HIST, LIT, PHIL, REL: One course 3000 level or higher
  - Or
  - Science & Society
  - MATH: One course 1000 level or higher
  - BIO, CHMN, ECON, PHY, PSYC: One course 3000 level or higher

**Applied/Experiential Learning**

Choose one of the following: 13.5

- Option 1: ASCH4799, College of Arts & Sciences Internship
- Option 2: Study Abroad Program
- Option 3: Three Elevens of Language Studies
- Option 4: Three courses from the course offerings in the minor, Professional Communication

**Required Minor**

22.5

**General Business**

Choose five of the following:

- ACCT1210: Financial Accounting
- ACCT1220: Managerial Accounting
- ECON1001: Macroeconomics
- ECON1002: Microeconomics
- FIN2000: Finance
- FIT1040: Spreadsheet Design for Business Solutions

**LAW2001: The Legal Environment of Business I**

**MGMT1001: Contemporary Business Management I**

**MGMT1002: Contemporary Business Management II**

**MGMT2001: Human Resource Management**

**MRKT1001: Principles of Marketing**

**Or**

**Project Management**

- PRMG2010: Introduction to Project Management
- PRMG3010: Advanced Project Management

Choose three of the following:

- CSIS1000: Problem Solving and Programming Concepts
- CSIS1040: Fundamentals of Visual Basic
- FIT1050: Digital Technology for the Creative Industries
- FIT2030: Access Database Design for Business Solutions

**ANTH courses are not offered in North Miami or Charlotte.

# In addition to classes, free elective credit can be applied to a number of options such as Directed Experiential Education (DEE), Internship, Minor or Study Abroad. For Accelerated Master’s program students, up to three graduate-level courses may apply. Students are strongly encouraged to contact an adviser before scheduling free elective credits.

NOTE: Students must pass MATH0010 Basic Mathematics or have equivalent placement scores to enroll in required math course(s).

Students who graduate with a bachelor’s degree must leave Johnson & Wales University with effective writing skills to fulfill the graduation writing requirement. These writing skills will be assessed at the completion of ENGL1021 Advanced Composition and Communication. Students who have met the requirement of ENGL1021 Advanced Composition and Communication or ENGL1027 Honors Advanced Composition and Communications: Civic Discourse outside of Johnson & Wales University must fulfill the graduation writing requirement through successful completion of ENG0001 Writing Workshop.

In collaboration with academic colleges across all JWU campuses, JWU Study Abroad programs offer a variety of international options for major, minor, Arts & Sciences, and elective credit at many price points for students during the academic year and summer. Faculty-led, exchange, affiliate, and direct-enroll programs range in duration from one week to a full semester. Financial aid is
applicable and scholarships are available. Visit the study abroad website for information, program descriptions and online applications.
Psychology - B.S.

Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.

The Psychology bachelor's degree program offers students the opportunity to learn about and understand the complex relationships between human behavior and the world in which we live. This program also emphasizes awareness, understanding and appreciation for diversity, culture and global perspectives. This degree program incorporates career-related knowledge, skills and abilities, as well as opportunities for experiential learning, that prepare graduates for lifelong learning and professional success.

Upon completion of the program, graduates are expected to:

- Apply key concepts, theories and research findings in the discipline of psychology to understand, explain and evaluate human behavior.
- Use creative and critical thinking to evaluate, interpret, design and conduct basic psychological research in accordance with ethical principles of the field.
- Integrate ethical practice, sociocultural factors and diversity considerations when addressing the needs of individuals in complex multicultural environments.
- Demonstrate written, oral and interpersonal communication skills required of psychology professionals.
- Articulate a plan to establish a professional identity, and to pursue professional development in the field of psychology.

Upon completion of the Counseling specialization, graduates are expected to:

- Demonstrate effective counseling skills/techniques within a supervised clinical setting and explain the roles and functions of human service agencies within the community.

Graduates of the program are expected to demonstrate knowledge of the ways in which psychological theories explain human behavior, professional and ethical practices, social and cultural diversity, and psychological research methods. Graduates are prepared to enter graduate school in a variety of psychology disciplines (e.g., counseling, clinical, industrial/organizational), or immediately enter the workforce in fields such as human resources, public affairs, business and the helping professions.

Accounting - B.S.

Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.

The Accounting bachelor’s degree program prepares students for the wide range of career opportunities available to accounting professionals. Students in the program receive a solid foundation in accounting theory and practice as well as in the areas of business, communication and general studies.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of the accounting profession.
- Communicate effectively to diverse audiences, purposes and situations through a variety of professional methods required in the field of accounting.
- Use decision-support tools to solve problems and facilitate organizational processes.
- Identify, analyze and resolve ethical issues related to accounting decisions.
- Identify and analyze global business issues and transactions and apply the appropriate accounting technical skills necessary to address issues and record transactions.

Students completing the program are well positioned for entry-level opportunities in public accounting firms and similarly challenging opportunities in private, governmental and nonprofit organizations. Positions include staff accountants, cost accountants, tax accountants and auditors.

Students wishing to satisfy the 150 Hours of College Education requirement, now required in many states before being allowed to take the Uniform Certified Public Accountants Examination, may achieve this objective and at the same time earn a master’s degree by applying for acceptance to the university’s MBA program at the end of their junior year. Acceptance will be granted provided the student receives the recommendation of two undergraduate faculty members, successfully completes an interview process, fulfills the requirements for the bachelor of science degree and meets the minimum GPA requirement. Students wishing to pursue CPA licensure can learn about specific licensure requirements by visiting https://nasba.org/cpaeexam/.

To maximize the benefits of choosing electives, and because of different state requirements, students desiring to sit for the Uniform CPA examination are urged to contact their faculty advisor early in the program.

Students who maintain at least a 2.75 grade point average may have the opportunity to participate in internship opportunities either on or off campus. By participating in an internship, students receive professionally focused experience by performing accounting functions for various departments within the university and organizations outside the university, and may graduate with experience in such areas as accounts payable, accounts receivable and general ledger.

Business Administration - B.S.B.A.

Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.

The Business Administration Bachelor of Science in Business Administration (BSBA) degree program provides a balanced combination of required core courses to ensure students can achieve a solid business and general studies education, and electives to inspire students to customize their program to best fit their unique interests.

Upon completion of the program, graduates are expected to:
- Apply the major concepts, skills and values of business administration.
- Communicate effectively to diverse audiences, purposes and situations through a variety of professional methods within business administration.
- Use decision-support tools to resolve contemporary business issues using ethical business practices.
- Analyze the risks and opportunities of doing business in a global environment.

This program’s business-related core builds a solid foundation by exposing students to relevant areas of accounting, economics, information technology, business law, finance, marketing and management. Arts and sciences courses also provide opportunities for students to acquire the skills important for professional success and lifelong personal and intellectual growth.

Students also tailor their degree by working with a faculty advisor to select 40.5 credits of electives. In doing so, students have the freedom to choose from extensive options to best suit their goals. For example, students can pursue internships, directed experiential education, and/or study abroad credits to prepare for a more specific career.

The Business Studies bachelor’s degree program offers a general business education to individuals already holding an associate degree or equivalent in any field. Earning the bachelor’s degree will generally require two additional years of study.

The program’s curriculum builds on the College of Business foundation courses to establish a broad overview of traditional business areas including management, accounting, marketing and operations. Students also take courses through the College of Arts & Sciences to help ensure they acquire skills important for professional success and lifelong personal and intellectual growth.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of business administration.
- Communicate effectively to diverse audiences, purposes and situations through a variety of professional methods within business administration.
- Use decision support tools to resolve contemporary business issues using ethical business practices.

The general business competencies and skills gained through this program are designed to complement the candidate’s associate degree education.

### General Education Requirements

All students are required to complete MATH1002 A Survey of College Mathematics (or higher, based on student’s placement) or its equivalent.

For students without an awarded Associate in Science degree from a regionally accredited institution, the following courses are required in order to meet minimum accreditation standards.

Transcripts for these students will be evaluated to determine transfer credit eligibility for the following courses:

<table>

</tbody>
</table>

** Students must complete 14 courses (at least 60-63 credits) of general studies within the BS degree.

### Visit Courses by Subject Code for a listing of all campus courses.

°°ANTH courses are not offered in North Miami or Charlotte.

±BIO courses are not offered in North Miami, Charlotte or Online.

*RCH courses are only offered in Providence.

‡HUM courses are not offered in North Miami or Online.

**PHY courses are not offered in Charlotte.

**ANTH courses are not offered in North Miami or Charlotte.

Students who graduate with a bachelor’s degree must leave Johnson & Wales University with effective writing skills to fulfill the graduation writing requirement. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication. Students who have met the requirement of ENG1021 Advanced Composition and Communication or ENG1027 Honors Advanced Composition and Communications: Civic Discourse outside of Johnson & Wales University must fulfill the graduation writing requirement through successful completion of ENG0001 Writing Workshop.

In collaboration with academic colleges across all JWU campuses, JWU Study Abroad programs offer a variety of international options for major, minor, Arts & Sciences, and elective credit at many price points for students during the academic year and summer. Faculty-led, exchange, affiliate, and direct-enroll programs range in duration from one week to a full semester. Financial aid is applicable and scholarships are available. Visit the study abroad website for information, program descriptions and online applications.
A four-year program leading to the bachelor of science degree in Finance abroad program. Additional options are also available for foreign travel through the study of finance by completing a work experience in their area of interest. Students who maintain a grade point average of at least 2.75 may also have financial planning.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of the finance profession.
- Communicate effectively to diverse audiences, purposes and situations through a variety of professional methods required in the field of finance.
- Use decision-support tools to solve problems and facilitate organizational processes.
- Identify and analyze ethical issues related to financial decisions and recommend ethical responses and solutions.
- Utilizing critical thinking and decision-making skills, apply common finance theories and concepts to changing global financial issues.

The finance curriculum is designed to meet the needs of some of the most prestigious industry certifications. As finance majors, students gain exposure to a broad range of financial practices with studies focusing on areas leading to positions in investment analysis, corporate finance, risk management and financial planning.

Students who maintain a grade point average of at least 2.75 may also have the opportunity to participate in a finance internship to gain experiential education by completing a work experience in their area of interest. Additional options are also available for foreign travel through the study abroad program.

- Finance major electives will only be offered online for Continuing Education students.
- Students that do not place in MATH1035 Quantitative Analysis I will need to take an extra course, MATH1020 Fundamentals of Algebra, as prerequisite. If needed this will count as an A&S elective.
- Visit Courses by Subject Code for a listing of all campus courses.
- HUM courses are not offered in North Miami or Online.
- BIO courses are not offered in North Miami, Charlotte or Online.
- CAD courses are only offered in Providence.
- CHM courses are not offered in North Miami or Online.
- PHY courses are not offered in Charlotte.
- ANTH courses are not offered in North Miami or Charlotte.
- In addition to classes, free elective credit can be applied to a number of options such as Directed Experiential Education (DEE), Internship, Minor or Study Abroad. For Accelerated Master’s program students, up to three graduate-level courses may apply. Students are strongly encouraged to contact an adviser before scheduling free elective credits.

NOTE: Students must pass MATH0010 Basic Mathematics or have equivalent placement scores to enroll in required math course(s).

Students who graduate with a bachelor’s degree must leave Johnson & Wales University with effective writing skills to fulfill the graduation writing requirement. Students who have met the requirement of English Composition and Communication or ENG1027 Honors Advanced Composition and Communication: Civic Discourse outside of Johnson & Wales University must fulfill the graduation writing requirement through successful completion of ENG0001 Writing Workshop.

In collaboration with academic colleges across all JUW campuses, JUW Study Abroad programs offer a variety of international options for major, minor, Arts & Sciences, and elective credit at many price points for students during the academic year and summer. Faculty-led, exchange, affiliate, and direct-enroll programs range in duration from one week to a full semester. Financial aid is applicable and scholarships are available. Visit the study abroad website for information, program descriptions and online applications.
Human Resource Management - B.S.B.A.

Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.

The Human Resource Management Bachelor of Science in Business Administration (BSBA) degree program prepares students for careers in a variety of managerial and professional positions within the human resource profession. Graduates are prepared for entry- and mid-level positions and advanced coursework in human resource management or business administration.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of business administration.
- Communicate effectively to diverse audiences, purposes and situations through a variety of professional methods within business administration.
- Use decision-support tools to resolve contemporary business issues using ethical business practices.
- Differentiate the functional areas of Human Resource Management at both the strategic and operational level.
- Develop sound Human Resource Management theory addressing diversity management, ethical management and the impact of global forces.

The program was designed with industry-relevant guidelines as determined by both the Society for Human Resource Management (SHRM) and the Human Resource Certification Institute (HRCI).

Human Resource Management - MINOR

Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.

Students may declare a minor in Human Resource Management. Courses prepare students for careers within the field and align with industry standards. A minor in Human Resource Management complements many of the current degree offerings, and provides expanded career opportunities. Some examples of degrees which could benefit from a minor in Human Resource Management are Organizational Risk and Cyber Security Management, International Business and Management.

Management - B.S.B.A.

Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.

The Management Bachelor of Science in Business Administration (BBSA) degree program prepares students for careers in a variety of managerial and professional positions at a wide range of firms. Students learn general management concepts and have the opportunity to select a specialty area, as available on their campus.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of business administration.
- Communicate effectively to diverse audiences, purposes and situations through a variety of professional methods within business administration.
- Use decision-support tools to resolve contemporary business issues using ethical business practices.
- Apply strategies to effectively manage teams.

As part of the program, students are offered the opportunity to develop expertise in the following concepts: business planning, SWOT analysis and strategic planning, business process analysis, development of human capital, financial literacy, information technology, and operations and supply chain management.

Students may apply these skills in internships and study abroad programs. These programs are tailored based on student learning and professional goals, jointly designed in collaboration with students, faculty advisors and business partners. Students also meet with faculty advisors to determine a specialty area and career focus that best suits their desired professional objectives.

Graduates are prepared for professional management positions in disciplines such as operations, human resources, finance and information technology. Graduates may also pursue entrepreneurial paths or careers in for-profit, nonprofit and government settings.

The Management certificate program is designed for students who want to explore management or practicing professionals who wish to increase their effectiveness in a variety of managerial roles. The program provides an opportunity for advancing or refreshing existing skills. The program’s mix of coursework provides students with a broad understanding of the issues facing the business world.

Upon successful completion of the initial courses, students apply their knowledge in courses such as strategy, behavioral modification, production operations, managerial technology and human resources.

The program prepares completers for a career in a variety of entry-level managerial positions in business and industry. The program serves to enhance advancement and development opportunities for those already in the field.

All credits successfully earned in the certificate program can be applied towards a Bachelor of Science Degree in Management.

NOTE: Students who enroll in this certificate program are ineligible for financial aid. Contact Student Financial Services for options.

Marketing - B.S.

Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.

The Marketing bachelor’s degree program prepares students for careers in a variety of managerial and professional positions in the marketing industry. Students learn general marketing concepts and various functional specialities in fields such as digital marketing and research and creative strategy.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of marketing in business situations.
- Communicate effectively to diverse audiences, purposes and situations through a variety of professional methods required in the marketing industry.
- Use decision-support tools to resolve contemporary business issues using ethical business practices.
- Analyze research and use critical thinking to identify and recommend appropriate solutions for client/brand marketing challenges.
- Develop marketing and marketing strategies that are ethically sound and align with business objectives for local, national and global brands.

As part of the program, students are offered the opportunity to develop expertise in consumer behavior, marketing analysis, strategic marketing, marketing communications, brand marketing and design, professional selling, international marketing, and marketing technologies such as data-driven marketing, digital media planning and search engine marketing.

Students may apply these skills in programs such as directed experiential education, internships, and summer work or study abroad programs. These programs are tailored based on student learning and interests, and professional goals, designed jointly in collaboration with students, faculty advisors and business partners. Students also meet with faculty advisors to determine a career focus that best suits their desired professional objectives.

The Marketing program in Providence offers 2 specializations (22.5 credits) that enhance and strengthen the qualifications of graduates interested in Digital Marketing and Analytics and Creative Advertising. These specializations are intended to give students opportunities to develop expertise in a functional area that complements their major. Real-world applications are embedded in both specializations.

The Digital Marketing and Analytics specialization affords students who are either Marketing or Advertising & Marketing Communications majors the opportunity to gain additional knowledge and skills in the expanding digital marketing and research analytics industry. Students can pursue careers in digital media planning, digital analytics, database management, research management, search engine marketing and content marketing.

Upon completion of the Digital Marketing and Analytics specialization, students are expected to:

- Develop online optimization strategies for paid and organic search marketing using analytics and digital platforms.

The Creative Advertising specialization is suitable for students who are interested in careers in art direction and copywriting, branded content production, digital display, brand design and development, blogger or content manager.

Upon completion of the Creative Advertising specialization, students are expected to:

- Write, design and produce creative advertising and branded content in both digital and traditional media.

In addition to classes, free elective credit can be applied to a number of options such as Directed Experiential Education (DDE), Internship, Minor or Study Abroad. For Accelerated Master's program students, up to three graduate-level courses may apply. Students are strongly encouraged to contact an adviser before scheduling free elective credits.

Note: Students must pass MATH0010 Basic Mathematics or have equivalent placement scores to enroll in required math course(s).

Students who graduate with a bachelor's degree must leave Johnson & Wales University with effective writing skills to fulfill the graduation writing requirement. These writing skills will be assessed at the completion
of ENG1021 Advanced Composition and Communication. Students who have met the requirement of ENG1021 Advanced Composition and Communication or ENG1027 Honors Advanced Composition and Communications: Civic Discourse outside of Johnson & Wales University must fulfill the graduation writing requirement through successful completion of ENG0001 Writing Workshop.

In collaboration with academic colleges across all JWU campuses, JWU Study Abroad programs offer a variety of international options for major, minor, Arts & Sciences, and elective credit at many price points for students during the academic year and summer. Faculty-led, exchange, affiliate, and direct-enroll programs range in duration from one week to a full semester. Financial aid is applicable and scholarships are available. Visit the study abroad website for information, program descriptions and online applications.
College of Culinary Arts

• Associate in Science (A.S.) Degree
  • Baking & Pastry Arts (p. 43)
  • Culinary Arts (p. 44)
• Certificate
  • Professional Craft Brewing (p. 45)
Baking & Pastry Arts - A.S.

Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.

The Baking & Pastry Arts associate degree program provides students with a practical, skill-based baking and pastry education that explores both traditional and contemporary techniques in the production of breads, pastries, cakes and desserts. The baking and pastry arts students, using the medium of food, progress through a program of study that builds competency in celebration cakes, artisan breads, chocolate confections, plated desserts and classic pastries in state-of-the-art laboratory classrooms.

Upon completion of the program, graduates are expected to:

• Utilize multiple classical and contemporary cooking and baking techniques to prepare, produce and present baked products, pastries and desserts.
• Perform the skills and techniques of professional artisanal bread baking and viennoiserie.
• Apply FDA recommended food safety and sanitation principles to food and beverage products, tools and equipment used throughout the “flow of the food” in food and beverage operations.
• Implement cost control measures to track goods, services and costs through the cycle of cost control and to evaluate revenue and expenses and their effect on profitability.
• Communicate professionally and exhibit appropriate decision making skills with respect for individual and team diversity as it applies to the food service industry.

The first-year baking and pastry laboratory focuses on skill development and the combining of ingredients to produce pastries, breads, cakes, frozen desserts and chocolates. The second year focuses on advanced techniques for the production of cakes, entremets, artisan breads and plated desserts.

Craft-based training is paired with traditional academic courses resulting in a curriculum that is both dynamic and directly aligned with industry needs. Students learn to develop recipes, implement cost controls, apply food safety and achieve a Conference for Food Protection approved Food Safety Manager Certification. General studies courses engage students in critical thinking and communication practices that align with industry expectations. The associate degree includes an internship experience that helps students gain industry experience. Students may engage in the internship experience locally, nationally and internationally if specified requirements are met.

Graduates of the Baking & Pastry Arts associate degree are eligible or may apply for entrance into the following Bachelor of Science degree programs: Baking & Pastry Arts, Baking & Pastry Arts and Food Service Management, Culinary Science & Product Development, Culinary Arts, Food & Beverage Entrepreneurship, or Business Studies. Certain requirements pertain to each of these bachelor degree programs, which are noted in their respective program descriptions.

* Students must pass a national exam that is recognized by the Conference for Food Protection as a graduation requirement.

NOTE: Students must pass MATH0010 Basic Mathematics or have equivalent placement scores to enroll in required math course(s).

In collaboration with academic colleges across all JWU campuses, JWU Study Abroad programs offer a variety of international options for major, minor, Arts & Sciences, and elective credit at many price points for students during the academic year and summer. Faculty-led, exchange, affiliate, and direct-enroll programs range in duration from one week to a full semester. Financial aid is applicable and scholarships are available. Visit the study abroad website for information, program descriptions and online applications.

Four-Year Options:

• Applied Food Science, Innovation & Technology
• Baking & Pastry Arts
• Baking & Pastry Arts and Food Service Management
• Business Studies
• Food & Beverage Entrepreneurship

Please note the following campus considerations when choosing a Four-Year Option:

• Applied Food Science, Innovation & Technology is only offered at the Charlotte Campus.
• Baking & Pastry Arts bachelor’s degree program is only offered at the Providence Campus for day students.
• Baking & Pastry Arts and Food Service Management is not available for Denver CE.
• Business Studies is not available for Denver CE.
• Food & Beverage Entrepreneurship is only offered Online and at the Charlotte, North Miami and Providence campuses for day students.
Culinary Arts - A.S.

Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.

The Culinary Arts associate degree program prepares students for careers in food production and other career paths where food production serves as the foundation of success. Culinary laboratory courses focus on the progressive development and practice of culinary craft skills, product identification, and cooking methods, then expands to the study of classical and contemporary techniques and flavor profiles used in the production of the major world cuisines. Students also engage in a dining and beverage service laboratory which complements the kitchen laboratory experience and provides students with a comprehensive food production and service experience.

Upon completion of the program, graduates are expected to:

- Execute professional cooking techniques and skills needed to produce, present and serve quality food and beverages utilizing ingredients and flavor profiles of the major world cuisines
- Apply sound nutritional practices related to healthful cooking by incorporating traditional ingredients and adapting classical and contemporary techniques to yield products that meet universal recognized federal and private dietary recommendations
- Apply FDA recommended food safety and sanitation principles to food and beverage products, tools and equipment used throughout the “flow of the food” in food and beverage operations.
- Implement cost control measures to track costs, services and costs through the cycle of cost control and to evaluate revenue and expenses and their effect on profitability
- Communicate professionally and exhibit appropriate decision making skills with respect for individual and team diversity as it applies to the food and service industry

Hands-on food production laboratory experiences are paired with professional studies courses resulting in a curriculum that is both dynamic and directly aligned with industry needs. Students learn to develop recipes, implement cost controls, apply food safety standards, and achieve a Conference for Food Protection approved Food Safety Manager Certification. General education courses engage students in critical thinking and communication practices that meet industry expectations.

The associate degree culminates with an internship experience where students gain industry experience which assists in their preparation for future careers. Students may engage in the internship experience at hotels, restaurants, country clubs, resorts, casinos, spas and workplace dining venues, and sites may be local, national or international if specific requirements are met.

Upon graduation, graduates of the program have the opportunity to gain employment in the food service industry or to further their education by continuing on to a Bachelor of Science degree program.

Graduates of the Culinary Arts associate degree program are eligible, or may apply, for entrance into the following Bachelor of Science degree programs: Culinary Arts; Culinary Arts and Food Service Management; Culinary Science & Product Development; Applied Food Science, Innovation and Technology; Culinary Nutrition; Food & Beverage Entrepreneurship or Business Studies. Certain requirements pertain to each of these bachelor degree programs, which are noted in their respective program descriptions.

Four-Year Options:

- Applied Food Science, Innovation & Technology
- Baking & Pastry Arts
- Business Studies
- Culinary Arts and Food Service Management
- Food & Beverage Entrepreneurship

Please note the following campus considerations when choosing a four-year option:

- Applied Food Science, Innovation & Technology is only offered at the Charlotte Campus.
- Baking & Pastry Arts bachelor’s degree program is only offered at the Providence Campus for day students.
- Business Studies is not available for Denver CE.
- Culinary Arts and Food Service Management is not available for Denver CE.
- The Culinary Nutrition program is offered as a 2+2 program at the Charlotte Campus. The Providence, North Miami and Denver campuses offer a four-year bachelor’s degree program.
- Food & Beverage Entrepreneurship is only offered Online and at the Charlotte, North Miami and Providence campuses for day students.
Professional Craft Brewing - CERT

Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.

The Professional Craft Brewing certificate program is designed for students who want to explore craft brewing or practicing professionals who wish to advance within their professional roles. The program provides an opportunity for advancing or refreshing existing skills. The program's mix of coursework provides students with a broad understanding of the issues facing the brewing industry, as well as hands-on experience working in commercial craft breweries.

Upon successful completion of the initial courses, students will have the opportunity to apply their theoretical brewing knowledge in real world settings, and to develop, craft and serve their own original recipes.

Successful completion of the certificate will prepare candidates for a career in a variety of entry level positions within mid-sized breweries, or assistant brewer positions within smaller breweries, across the industry. This program serves to enhance advancement and development of opportunities for those already in the field, or to provide a means for avid home brewers to hone their knowledge and skills to enter the industry professionally.

All credits successfully earned in the certificate program can be applied towards the following Bachelor of Science degree programs: Culinary Arts and Food Service Management; Baking & Pastry Arts and Food Service Management; Beverage Industry Operations and Retail Management; Food & Beverage Entrepreneurship; Culinary Nutrition; Business Studies; Hotel & Lodging Management; Restaurant, Food & Beverage Management; Sports, Entertainment, Event - Management.

NOTE: Students who enroll in this certificate program are ineligible for financial aid. Contact the Financial Planning office for options. Costs for this program do not include any additional costs or fees, such as travel or supplies.

Baking & Pastry Arts and Food Service Management - B.S.

Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.

The Baking & Pastry Arts and Food Service Management bachelor’s degree program combines the strengths of baking and pastry arts and management to prepare students for a management career in front- or back-of-the-house. Graduates of the Baking & Pastry Arts and Food Service Management program with sufficient experience may obtain positions in a variety of areas that include, but are not limited to, restaurant manager, kitchen manager, pastry chef, executive chef, food and beverage director, catering manager, room service manager, sous chef, beverage manager and dining room manager.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of the food service management profession to address industry problems both locally and globally.
- Communicate effectively to diverse audiences, purposes and situations in food service operations.
- Analyze and interpret insights gained from decision-support tools and relevant sources to solve problems and improve organizational performance within the food service operations.
- Comprehend and apply industry specific operational standards.

The curriculum provides ample opportunity for students to build upon their leadership and management abilities, cooking techniques, critical thinking, personal accountability and ethical behavior, problem-solving techniques, strong financial analysis skills and customer awareness. The Baking & Pastry Arts and Food Service Management degree program develops a culinary foundation and management philosophy in its graduates.

The program allows students to receive a world-class baking and pastry and hospitality education. Students receive several senior-level capstone experiences in culinary arts, hospitality operations and strategic management.

# In addition to classes, free elective credit can be applied to a number of options such as Directed Experiential Education (DEE), Internship, Minor or Study Abroad. For Accelerated Master’s program students, up to three graduate-level courses may apply. Students are strongly encouraged to contact an adviser before scheduling free elective credits.

Students who graduate with a bachelor's degree must leave Johnson & Wales University with effective writing skills to fulfill the graduation writing requirement. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication. Students who have met the requirement of ENG1021 Advanced Composition and Communication or ENG1027 Honors Advanced Composition and Communications: Civic Discourse outside of Johnson & Wales University must fulfill the graduation writing requirement through successful completion of ENG0001 Writing Workshop.

In collaboration with academic colleges across all JWU campuses, JWU Study Abroad programs offer a variety of international options for major, minor, Arts & Sciences, and elective credit at many price points for students during the academic year and summer. Faculty-led, exchange, affiliate, and direct-enroll programs range in duration from one week to a full semester. Financial aid is applicable and scholarships are available. Visit the study abroad website for information, program descriptions and online applications.
Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.

The Food and Beverage Management minor is intended to provide students with a foundation of operational knowledge, skills and industry-recognized certifications in areas such as safe service of alcohol, food allergy concerns and dining operations needed to manage successfully within a wide variety of hospitality industry segments. The minor exposes students to commercial and non-commercial operations and explores the operational cycle of control, potential career paths and the current technologies utilized by leading businesses.

## Hotel & Lodging Management - B.S.

**Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.**

The Hotel & Lodging Management bachelor’s degree program focuses on a strong hotel business core that prepares students for a variety of management careers at the forefront of the hotel industry.

Students in the program learn current global operations initiatives and strategic management business practices to help prepare them for a data driven, innovative and personalized-service-oriented world. Students then apply their knowledge during their required internship experience to gain important practical knowledge.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of the hotel and lodging industry to address industry problems both locally and globally.
- Communicate professionally with various stakeholders of the hospitality industry.
- Use decision-support tools to solve problems and facilitate organizational processes within the hotel and lodging industry environment.
- Maximize resources to promote sustainable operations through ethically responsible decision-making.
- Perform effectively as a global manager in the multinational hospitality industry.
- Apply financial reasoning and performance analysis to evaluate issues in the hotel environment.

Hotel & Lodging Management degree program graduates have pursued careers in property management, including resort and spa management, hotel operations, sales and marketing, revenue management, finance and accounting, asset management, food and beverage management, sustainability management, and human resources; regional and corporate leadership and in related fields managing online reservation/distribution channels; and meeting and event planning.

Restaurant, Food & Beverage Management - B.S.

Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.

The Restaurant, Food & Beverage Management bachelor’s degree program provides a unique combination of culinary skills and hospitality management. The focus is on current restaurant and food service management industry topics. The program also develops proficiency in the area of beverage management. Other areas of study include critical thinking, financial analysis, industry technology, social media, leadership and customer awareness to prepare students for a management career in the food service industry. According to the National Restaurant Association, the food and beverage industry is the largest U.S. employer besides the government.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of the restaurant, food and beverage professions to address industry problems both locally and globally.
- Communicate effectively to diverse audiences, purposes and situations in the restaurant and food and beverage operations.
- Analyze and interpret insights gained from decision-support tools and relevant sources to solve problems and improve organizational performance within the food service operations.
- Integrate current industry technologies in all aspects of food and beverage management.
- Attain relevant industry-recognized certifications.
- Integrate industry-specific knowledge and skills in managing food and beverage operations.

As part of this program, all students complete a mandatory, term-long internship.

Value-added certifications within the degree include an industry-recognized responsible alcohol service certification, the national sanitation certification (a graduation requirement) recognized by the Conference for Food Protection, and the International School of Mixology Bartending Certificate.

Tourism & Hospitality Management - B.S.

Effective Fall 2020, Johnson & Wales University will complete its transition from a term calendar to a semester calendar. Starting with the 2020–21 catalog, all programs will represent course requirements in semester credit hours rather than quarter credit hours. Students who started on terms and will finish their degree requirements on semesters should consult with their assigned academic counselor in Student Academic Services or faculty advisor on semester transition academic planning.

The Tourism & Hospitality Management bachelor’s degree program provides a broad-based option for students, incorporating the hotel, travel-tourism and food segments of the hospitality industry with special focus given to travel-tourism.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of the tourism and hospitality industry.
- Communicate effectively to diverse audiences, purposes and situations in the travel and hospitality industry.
- Use decision–support tools to solve problems and facilitate organizational processes in the travel and hospitality industry.
- Leverage critical thinking and knowledge of industry trends and conditions to enhance guest experience within the travel and hospitality industry.
- Produce travel and tourism plans that have the potential to maximize the positive effect of tourism on a destination.

This program places an emphasis on tourism as the glue that holds the industry together, especially in course offerings and the term-long experiential learning program. The highlight of the degree is the Familiarization (FAM) Tour, a class project that includes planning a trip to a domestic or international destination. Students are required to research, budget, plan, promote and implement the tasks of a tour escort and tour guide.

Graduates may be employed in all industry segments due to the program’s more generalized curriculum, but the emphasis on travel-tourism provides specific career options in destination marketing organizations such as convention and visitors bureaus (CVBs) and tourism offices, resorts, tour operators, travel industry suppliers such as airlines, cruise lines or ground transportation, and various international operators.

Academic Int'l Programs (ABRD) Courses

ABRD4080 Study Abroad - Exchange Program
This course is a variable-credit placeholder course used to maintain JWU student status while participating in a JWU exchange program. Students apply for the exchange program through JWU Study Abroad, which identifies the approved exchange university institutions. Students are enrolled in exchange university courses overseas. The international host university courses are not from the JWU catalog, so students schedule for this course (4.5-22.5 credits) to maintain registration at Johnson & Wales. Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 1.25-22.5 Quarter Credit Hours

ABRD4180 Study Abroad - Affiliate Program
This course is a variable-credit placeholder course used to maintain JWU student status while participating in a JWU affiliate program. Students apply for the affiliate program through JWU Study Abroad, which identifies the approved affiliate organizations and specific approved programs. Students are enrolled in an affiliate’s partner university courses overseas. The international host institution or university courses are not from the JWU catalog, so students schedule for ABRD4180 (4.5-22.5 credits) to maintain registration at Johnson & Wales. Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 1.5-22.5 Quarter Credit Hours

Accounting (ACCT) Courses

ACCT1210 Financial Accounting
This introductory course acquaints students with the basic principles, practices and theories of financial accounting. Topics include the identification, measurement and recording of the financial effects of economic events on enterprises. Emphasis is placed on the understanding and use of financial statements for the corporation and interpretation and use of financial statement information in business decisions, and a study of the system that produces this information. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ACCT1220 Managerial Accounting
This course is the second of two required accounting courses to be completed by students pursuing degrees in business and hospitality. Students learn the nature, application and behavior of costs in both the goods-producing sector and service-producing sector. Various approaches to preparing budgets are also discussed. Decision making utilizing the topics discussed is emphasized. Prerequisite(s): ACCT1210 or (ACCT1002 or ACCT1007 or ACCT1012 or ACCT1022 or ACCT1002 or ACCT2002 or ACCT2004). (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ACCT2021 Intermediate Accounting I
This course provides an introduction to theories, practice and the conceptual framework in financial accounting. Students expand their knowledge of revenue recognition, cash, and accounts receivable, including account valuation and the impact of related transactions on periodic net income and financial position. Prerequisite(s): ACCT1210, FIT1040. (OL) Offered at Charlotte, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ACCT2022 Intermediate Accounting II
This course is a continuation of Intermediate Accounting I. Students expand their knowledge of remaining asset groups, including inventory and non-current assets, as well as the entire spectrum of liabilities. Prerequisite(s): ACCT2021. (OL) Offered at Charlotte, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ACCT2023 Intermediate Accounting III
This course serves as a continuation of Intermediate Accounting II. Special topics are studied such as accounting for stockholders' equity, earnings per share, income taxes, leases, investments, accounting for changes and errors, and the statement of cash flows. Prerequisite(s): ACCT2022. (OL) Offered at Charlotte, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ACCT2035 Accounting Software
In this interactive course, students gain experience with a commercial accounting software package. The course is conducted in a laboratory setting. The software program is selected based on local market demand and designed for small- to medium-sized businesses. Basic through advanced setup, maintenance and the entire accounting cycle are completed using the software. Students master the reporting function and also work with payroll, sales and pricing transactions by customer and/or job. Advanced topics such as the audit trail, closing the books and reversing journal entries are explored. Prerequisite(s): ACCT1210 or (ACCT1002 or ACCT1007 or ACCT1012 or ACCT1022 or ACCT1202 or ACCT2002 or ACCT2004). (OL) Offered at Charlotte, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ACCT3011 Federal Taxes I
This course is a study of federal tax laws and treasury regulations and their application to the income of individuals. Practice is given in the preparation of tax returns, supplemental forms and schedules required to be filed by individuals. Prerequisite(s): ACCT1210 or (ACCT1002 or ACCT1007 or ACCT1012 or ACCT1022 or ACCT1202 or ACCT2002 or ACCT2004). (OL) Offered at Charlotte, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ACCT3012 Federal Taxes II
This course involves the study of federal tax laws pertaining to sole proprietorships, advanced personal tax situations, partnerships and corporations. Prerequisite(s): ACCT3011. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

ACCT3030 Not-For-Profit Accounting
This course introduces students to the accounting procedures of local and state governments. It also introduces students to the accounting standards of organizations that exist and operate for purposes other than to provide goods and services at a profit. The Single Audit Act (OMB Circular A-133), government auditing standards (the “yellow book”) and preparation of federal form 990 are also studied. Prerequisite(s): ACCT1220 or ACCT2023. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

ACCT3031 Cost Accounting I
This course provides an introduction to accounting in a manufacturing business. Costing procedures covered include activity-based costing, job order cost, process cost, joint cost, standard cost and variance analysis. Prerequisite(s): ACCT1220 or ACCT3023 or (ACCT1002 or ACCT1007 or ACCT1012 or ACCT1022 or ACCT1202 or ACCT2002 or ACCT2004). (OL) Offered at Charlotte, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ACCT3032 Cost Accounting II
This course focuses on a study of more advanced problems encountered in a manufacturing environment. Topics covered include process costing, standard costing, joint product costing, manufacturing budgeting, overhead rate calculation (plant-wide and departmental), and activity-based overhead rates. Prerequisite(s): ACCT3031. Offered at Providence, Providence CE 4.5 Quarter Credit Hours
ACCT3040 Auditing
This course is designed to acquaint the student with methods of verification, analysis and interpretation of generally accepted auditing procedures. The mechanics of planning and implementing an audit and the preparation of reports are studied.
Prerequisite(s): ACCT2023. (OL)
Offered at Charlotte, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3045 Internal Auditing
The internal audit function of the modern organization is the subject of this course, with a concentration on the nature of operational auditing, its objectives, procedures and standards. Attention is given to the analysis of the various administrative and accounting controls on which management depends for efficiency and effectiveness of operations.
Prerequisite(s): ACCT3040. (OL)
Offered at Online, Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3050 Advanced Accounting
This course is designed to provide students with an introduction to international accounting and the knowledge to prepare consolidated financial statements.
Prerequisite(s): ACCT2023. (OL)
Offered at Charlotte, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3055 Casino Accounting
This course focuses on the characteristics of casino accounting by providing a history of the gaming industry. This history describes the evolution of the systems of internal control used in casino operations, and illustrates the accounting methods used to comply with state and federal regulations according to generally accepted accounting principles and the AICPA Guide to the Casino and Gaming Industry.
Prerequisite(s): ACCT1210 or (ACCT1002 or ACCT1007 or ACCT1012 or ACCT1202 or ACCT2002 or ACCT2004). (OL)
Offered at Online, Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3060 Accounting Information Systems
This course prepares accounting majors for the technology issues they will face in their careers and effective communications with information technology personnel within organizations. Topics covered include transaction and data processing cycles, systems analysis and design, computer fraud and internal control, and auditing accounting information systems.
Prerequisite(s): ACCT1220 or ACCT3040. (OL)
Offered at Charlotte, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3065 Advanced Accounting Software
In this interactive course, students expand their knowledge of accounting software. The software program is selected based on local market demand and designed for larger, multi-location business. Students learn how accounting functions are performed in a more advanced accounting software package. Students perform set up and maintenance of the software, enter accounting transactions and prepare reports. The course is conducted in a computer lab setting.
Prerequisite(s): ACCT2035, ACCT3040.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3080 Fraud Examination: Theory and Practice
This course covers accounting and legal concepts along with the procedures that are necessary to accomplish fraud detection, fraud investigation and fraud prevention duties. Students learn how to analyze allegations of fraud and how to utilize accounting and investigative skills during a fraud investigation. Computerized application development assists in case analysis. Expert witness testimony is also discussed along with a review of the variety of ways to communicate findings.
Prerequisite(s): ACCT1210 or (ACCT1002 or ACCT1007 or ACCT1012 or ACCT1202 or ACCT2002 or ACCT2004), FIT1040. (OL)
Offered at Charlotte, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ACCT4012 Taxes and Business Decisions
This course examines the income tax issues that must be considered by managers prior to making business decisions. Topics include tax aspects of selecting a type of business entity; acquisition, use and disposal of fixed assets; investments; capital gains and losses; nontaxable transactions; payroll taxes; and income tax planning. This course is elective for non-accounting majors only.
Prerequisite(s): ACCT1210 or (ACCT1002 or ACCT1007 or ACCT1012 or ACCT1202 or ACCT2002 or ACCT2004).
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

ACCT4040 International Accounting
Accounting for and reporting upon the financial aspects of a multinational corporation are addressed in this course. Topics include foreign currency transactions, foreign currency translation (FASB 52), and accounting policies and practices of countries other than the United States.
Prerequisite(s): ACCT2023.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ACCT4045 Internal Auditing
This course is delivered in a seminar format and serves as the capstone course for seniors majoring in Accounting. Using knowledge obtained through previous accounting coursework, students analyze and report on contemporary issues in accounting and auditing. Computer software is used extensively throughout the course.
Prerequisite(s): ACCT2035, ACCT3011, ACCT3031, ACCT3040, senior status. (OL)
Offered at Online, Providence, Providence CE
4.5 Quarter Credit Hours

Advertising Comm (ADVC) Courses

ADVC1010 Marketing Communications
This course focuses on the role of integrated marketing communications in the overall marketing process. Emphasis is on the integration of advertising, sales promotion, public relations, direct marketing, personal selling and interactive marketing in the creation of effective relationships, communication theory and the creative process in achieving marketing objectives for brands. Students learn how advertising messages are created using consumer insights and how messages are placed in a variety of media channels. Students also learn how each of the promotional mix elements can be used for specific purposes.
Prerequisite(s): (DME1020 or GDES1020) or (MCST1010 or COMM1010) or (MRKT1001 or HOSP3050). (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ADVC1011 Media Strategy
This course focuses on the process of media planning and buying and with particular emphasis on traditional media. Students learn to use media research tools to select appropriate media vehicles that reach specific audiences. Topics include media strategy development, agency/media relations, reach and frequency optimization, and establishing budgets and costs.
Prerequisite(s): ADVC1010. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ADVC1021 Public Relations and Corporate Communications
This course introduces students to the basic writing requirements and functions of public relations and communications within contemporary organizations, including marketing communications, media relations and corporate communication documents. Particular emphasis is on the production of both traditional and new media correspondence, such as press releases, media kit documents and client correspondence including agendas and meeting reports.
Prerequisite(s): MRKT1001. (OL)
Offered at Charlotte, Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours
ADVC2001 Creative Concepts and Strategy
This course prepares students to develop creative concepts based on research and sound selling positioning strategies. Emphasis is on teaching students to think both strategically and creatively for the wide range of media and communication tools used by today’s advertiser. Students gain experience in developing creative concepts for magazines, newspapers, radio, television, billboards, brochures, catalogs and infomercials in traditional and new media. Particular emphasis is on developing strategies and writing creative strategy statements from which concepts are developed and executed. 
Prerequisite(s): ADVC1010. (OL) 
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ADVC3003 Advertising Campaigns
This advanced course covers the strategies employed to develop and implement successful communication campaigns using advertising, sales promotion, public relations and multimedia tools. Extensive analysis of successful communication campaign models is used to aid students in the development of creative and effective ideas. Students are responsible for developing several advertising campaigns for various marketing organizations, including a multilevel campaign that is chronicled in a comprehensive plan book. 
Prerequisite(s): ADVC2001. (HY) (OL) 
Offered at Charlotte, Denver, Online, Providence, Providence CE 4.5 Quarter Credit Hours

Anthropology (ANTH) Courses

ANTH1050 Cultural Anthropology
Anthropology is the study of humankind in all of its diversity. It is divided into four subfields: physical (biological) anthropology, archeology, linguistic anthropology, and cultural anthropology. This course is focused primarily on cultural anthropology, which pays particular attention to culture and its pivotal influence on the social institutions and life experiences that make us human. Culture refers to the values, traditions and social practices shared by a group of people at a particular time and place. This course uses anthropology with its holistic approach and its emphasis on the ethnographic method (participant observation) to examine the richness and complexity of the human experience. 
Prerequisite(s): ENG1020 or ENG1024 or English placement. (OL) 
Offered at Denver, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ANTH3060 Indigenous Perspectives in Global Context
This course offers the opportunity to better understand indigenous peoples within historic and contemporary contexts and as citizens of the world with enduring lives of order and meaning, even as indigenous worldviews remain marginalized in contrast to the power and privilege of dominant cultures worldwide. Key components of this course are explaining indigenous peoples, perspectives and knowledge and examining the diverse social landscapes that tell a deeper, more complex story of resistance, resilience and contribution. Through various modalities representing a spectrum of scholarship and expression, this course is designed to critically examine competing narratives through a global lens to position indigenous perspectives within broader spheres of influence. 
Prerequisite(s): ANTH1050. 
Offered at Providence, Providence CE 4.5 Quarter Credit Hours

Art (ART) Courses

ART2010 Introduction to Film
This course is designed to give students an in-depth introduction to the motion picture medium. Students gain an understanding of the technical aspects of filmmaking and the ways in which movies express meaning through cinematography, production design, actor performance, editing, sound design, and narrative. The ideology of film and film theory are also explored. 
Prerequisite(s): ENG1020 or ENG1024 or English placement. (HY) (OL) 
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ART2030 Music Appreciation
This survey course of the history of music covers the elements of music, terminology, composition, form and style. It also explores the instruments, voices and ensembles that interact to create the art of music, focusing on periods of music after 1500 - Renaissance, Baroque, Classical, Romantic and Modern. American musical theater, jazz and music of world cultures are also studied. Emphasis is on developing critical listening skills and on developing an appreciation of music of many genres. 
Prerequisite(s): ENG1020 or ENG1024 or English placement. 
Offered at Denver, Providence, Providence CE 4.5 Quarter Credit Hours

Baking and Pastry Arts (BPA) Courses

BPA1010 Fundamental Skills and Techniques
This course provides students with fundamental cooking and baking techniques, knife skills, piping skills and mixing methods. Emphasis is placed on proper receiving, handling and identification of fruits and other ingredients used in the pastry kitchen. 
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA1015 Classic Pastry
This course is designed to give the student fundamental working knowledge of the traditional methods of producing puff pastry, pâte à choux, creams and custards. This course also includes practical techniques of platter design and presentations. Students plan, organize and set up pastry buffets. 
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA1020 Pies and Tarts
This course is designed to provide students with the knowledge of traditional methods of producing pies and tarts. Emphasis is on the production of basic pie dough, short dough, pâte sablée, and a variety of pie and tart fillings. 
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA1025 Cookies and Petits Fours
This course provides students with a fundamental working knowledge of the traditional methods of producing cookies and petits fours. Fundamentals of production, finishing techniques and platter presentations are introduced. 
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA1035 Chocolates and Confections
This course provides students with the skills and knowledge of chocolate tempering methods. Hand-dipped and molded pralines and truffles (candies) are produced utilizing different chocolates, fillings and decorating techniques. Emphasis is placed on the history and manufacturing techniques of the different qualities in chocolate. 
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE 3 Quarter Credit Hours

Travel Tourism (TRVL) Courses
BPA1045 Principles of Artisan Bread Baking
This course provides an introduction to the skills and techniques of artisan bread production. Products covered include commercially yeasted breads, rolls and savory quick breads. Properties and characteristics of ingredients, the baker's percentage system and scaling methods are studied, as well as proper mixing techniques, controlled fermentation, and baking methodology. Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
3 Quarter Credit Hours

BPA1050 Viennoiserie
This course provides students with the knowledge and application of the principles and techniques of viennoiserie production. Yeasted and enriched breads, laminated doughs and quick breads are introduced in this class. Properties and characteristics of ingredients, the baker's percentage system and scaling methods are introduced. Emphasis is placed on mixing techniques, controlled fermentation, hand shaping skills and baking methodology. Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
3 Quarter Credit Hours

BPA1060 How Baking Works
This course introduces how baking works through an understanding of the ingredients used in baking and pastry. Students run experiments in order to learn about ingredients and understand how ingredients change during production and interaction with other ingredients. Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
3 Quarter Credit Hours

BPA1710 Principles of Cake Production and Design
This course provides students with the skills and knowledge of producing a variety of cakes using the appropriate mixing method. Students produce different types of buttercreams and icings to be used as fillings and for decorating. Students assemble, ice, stack, tier and finish using a variety of techniques to include buttercream, rolled fondant and glazing. Students develop skills in making various flowers using a range of mediums such as buttercream, modeling chocolate, marzipan, rolled fondant and gum paste. Students are introduced to principles of cake economics which includes costing, pricing and contracts. Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

BPA1720 Plated Desserts
This course covers preparation and presentation of individual hot and cold plated desserts using a variety of plating techniques. Plate design and menu concepts for banquet and a la minute service are emphasized. Flavor and textural development are highlighted. Dietary restrictions are introduced and applied to menu creation. Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

BPA2015 Entremets and Petits Gâteaux
This course provides students with advanced methods of creating entremets and petits gateaux that are contemporary and relevant to industry. Different components and modern finishing techniques are applied in creating molded entremets and petits gateaux. Prerequisite(s): Completion of all freshman baking labs (or concurrent). Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
3 Quarter Credit Hours

BPA2025 Advanced Artisan Bread Baking
This course introduces students to the advanced skills and techniques of artisan bread production that includes commercially and naturally leavened breads; decorative breads, crackers and flat breads. Properties and characteristics of grains other than wheat and sustainability are covered. Yeasted and enriched breads, laminated doughs and quick breads are introduced in this class. Properties and characteristics of ingredients, the baker's percentage system and scaling methods are introduced. Emphasis is placed on mixing techniques, controlled fermentation, hand shaping skills and baking methodology. Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
3 Quarter Credit Hours

Chemistry (CHM) Courses

CHM1000 Foundations in Chemistry
This is a comprehensive course for those fields requiring knowledge of general chemical concepts. Emphasis is on applied areas of interest where aspects of atomic and molecular structure and function are particularly important. Topics covered include stoichiometry of chemical reactions, energy interrelationships between reactants, atomic structure and chemical bonding. Prerequisite(s): MATH1020 or math placement, Corequisite: CHM1005. Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

CHM1005 Foundations in Chemistry Laboratory
This is a laboratory companion course coordinated with CHM1000. Emphasis is on inquiry-based exercises that illustrate and demonstrate important skills and principles of theoretical chemistry and applied chemistry. Topics covered include stoichiometry of chemical reactions, energy interrelationships between reactants, atomic and molecular structure, and chemical bonding. Prerequisite(s): MATH1020 or math placement, Corequisite: CHM1000. Offered at Denver, Providence, Providence CE
2.25 Quarter Credit Hours

CHM2040 Introduction to General and Organic Chemistry
This course examines the chemistry of carbon-containing molecules relevant to biological systems such as the human body, beginning with basic atomic structure, chemical bonding and reactions, and the chemistry of acids, bases, buffers and salts. Organic chemistry of all functional groups are examined, including saturated/unsaturated hydrocarbons, aldehydes and ketones, carboxylic acids, amines and alcohols. Emphasis is given to those compounds of biochemical importance. Offered at Charlotte, Denver, Providence, Providence CE
4.5 Quarter Credit Hours

CHM2050 Introduction to Organic Chemistry
This course is a one-term overview of organic chemistry intended for students in the health science fields. Nomenclature, properties and reactivity are covered for major organic functional groups, including alkanes, alkenes, alkynes, aromatics, aldehydes and ketones, carboxylic acids, amines, amides, alcohols, thiois, and sulfides. Emphasis is on those compounds, reactions and properties of biochemical importance. Prerequisite(s): CHM1000, CHM1005. Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

CHM3040 Biochemistry
This course introduces basic concepts of chemistry and organic/biological chemistry with emphasis on applications of chemistry to human biology, structure of biological molecules and metabolism. Typical topics include: chemical bonds and energy, electrolytes, structure and metabolism of carbohydrates and lipids, protein and enzyme function, and structure and function of nucleic acids. Prerequisite(s): CHM2040 or SCI2045, SCI1015. Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

College of Arts & Science (ASCI) Courses

ASC4799 College of Arts & Sciences Internship
Students enrolled in the College of Arts & Sciences Internship engage in experiential learning to integrate knowledge and theory learned in the classroom with practical application and skills development in a professional setting. Through the internship, students gain valuable experience and the opportunity to make connections within their chosen field/industry. Additionally, students gain firsthand experience with workplace challenges, nuances and contemporary expectations associated with a variety of functions within the workplace. Through the internship and reflective assignments, students gain greater insight regarding their own career-readiness and what is required for success in their chosen profession. Prerequisite(s): To be eligible for this internship, students must: 1) maintain a cumulative GPA of 2.75 during the entire pre-program application process, and 2) have completed 90 hours of course work, (except for Media Communications Studies students with a required internship, GPA 2.0). (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5-13.5 Quarter Credit Hours
College of Business (BUS) Courses

BUS4799 College of Business Internship
Students enrolled in the College of Business Internship engage in experiential learning to integrate knowledge and theory learned in the classroom with practical application and skills development in a professional setting. Through the internship, students gain valuable applied experience and have the opportunity to make connections within their chosen professional field/industry. Additionally, students gain firsthand experience with the challenges, nuances and everyday expectations associated with a variety of functions within the workplace. Through the internship and reflective assignments, students gain greater insight regarding their own career-readiness and what is required for success within their chosen profession.

Prerequisite(s): To be eligible for this internship, students must: 1) maintain a cumulative GPA of 2.75 during the entire pre-program application process, and 2) have completed 90 hours of course work. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5-13.5 Quarter Credit Hours

College of Culinary Arts (COCA) Courses

COCA2699 College of Culinary Arts Intermediate Internship
Students enrolled in the College of Culinary Arts Intermediate Internship engage in experiential learning to integrate knowledge and skills learned in the classroom within a professional setting. Through the internship, students gain valuable applied experience and have the opportunity to make connections within their chosen professional field/industry. Additionally, students gain firsthand experience with the challenges, nuances and everyday expectations within the food industry. Through the internship and reflective assignments, students gain greater insight regarding their own career-readiness.

Prerequisite(s): To be eligible for this internship, students must: 1) maintain a cumulative GPA of 2.75 during the entire pre-program application process, and 2) have completed all freshman courses, and 3) successful completion of FSM1065 Food Safety Sanitation.
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
6.75-13.5 Quarter Credit Hours

COCA2799 College of Culinary Arts Intermediate Internship
Students enrolled in the College of Culinary Arts Intermediate Internship engage in experiential learning to integrate knowledge and skills learned in the classroom within a professional setting. Through the internship, students gain valuable applied experience and have the opportunity to make connections within their chosen professional field/industry. Additionally, students gain firsthand experience with the challenges, nuances and everyday expectations within the food industry. Through the internship and reflective assignments, students gain greater insight regarding their own career-readiness.

Prerequisite(s): To be eligible for this internship, students must: 1) maintain a cumulative GPA of 2.0 during the entire pre-program application process, 2) have completed all freshman courses, and 3) successful completion of FSM1065 Food Safety Sanitation.
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
6.75-13.5 Quarter Credit Hours

College of Hospitality Management (COHM) Courses

COHM3799 College of Hospitality Management Intermediate Internship
Students enrolled in the College of Hospitality Management Intermediate Internship engage in experiential learning to integrate knowledge and skills learned in the classroom within a professional setting. Through the internship, students gain valuable applied experience and have the opportunity to make connections within their chosen professional field/industry. Additionally, students gain firsthand experience with the challenges, nuances and everyday expectations associated with a variety of functions within the hospitality industry. Through the internship and reflective assignments, students gain greater insight regarding their own career-readiness.

Prerequisite(s): To be eligible for this internship, students must: 1) maintain a cumulative GPA of 2.0 during the entire pre-program application process, and 2) have completed 90 hours of course work. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
3.5 Quarter Credit Hours

COHM4799 College of Hospitality Management Advanced Internship
Students enrolled in the College of Hospitality Management Advanced Internship engage in experiential learning to integrate knowledge and theory learned in the classroom with practical application and managerial skills development in a professional setting. Through the internship, students gain valuable applied experience and have the opportunity to leverage connections within their chosen field/industry. Additionally, students gain firsthand experience with the challenges, nuances and everyday expectations associated with a variety of functions within the field of hospitality management. Through the internship and reflective assignments, students gain greater insight regarding their own career-readiness and what is required for success in their chosen profession.

Prerequisite(s): To be eligible for this internship, students must: 1) maintain a cumulative GPA of 2.0 during the entire pre-program application process, and 2) have completed 90 hours of course work. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5-13.5 Quarter Credit Hours

Computer Science (CSIS) Courses

CSIS1000 Problem Solving and Programming Concepts
This introductory course teaches students the fundamentals of problem solving in computer programming. Students learn to use both textual and graphic algorithms as problem-solving tools. In experience-based learning exercises, students work from a problem statement, conduct a task analysis to solve the problem, decide what data is needed to solve the problem, create a visual representation of their solution, and then convert the visual representation to a textual step-by-step statement of their solution. Students use a range of tools currently used in industry, including functional decomposition diagrams, flowcharts, UML diagrams, use cases, metadata charts, data flow documents and pseudocode. (OL)
Offered at North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

CSIS1020 Fundamentals of C Programming
This introductory programming course teaches students how to program in the C computer language, a fundamental skill for technology professionals. Students learn how to design and develop computer programs using standard strategies and techniques used in industry. Topics covered include how programs are structured, how arrays and strings can be processed, and how files are manipulated.

Prerequisite(s): CSIS1000 or FIT1012 or FIT1025 or ENGN1015.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS1040 Fundamentals of Visual Basic
This course provides an introduction to visual programming and GUI development. Students learn to use a multitude of visual tools, statements, properties and events to create and execute applications in a Visual Studio.NET environment. File access for various file types is presented. Relational databases are examined in relation to how they are created and can be accessed using visual basic programming.

Prerequisite(s): FIT1012.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
CAD1025 Parametric Modeling
This is an introductory course in which students use commands and techniques related to 3D modeling and analysis, and parametric drafting using parametric modeling software to create parts, assemblies and drawings to industry standards. Related lab projects are included where rapid prototyping methods such as laser cutting and 3D printing will be explored.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CAD2080 CAD for Network Systems Design
This course is an introduction to computer-aided design of logical and physical network layouts. The core of this course is basic networking documentation control and standardization as used in industry to develop a generic method of system and product development and revision procedures. Topics include, but are not limited to, standardization procedures within an organization, schematic and block diagrams of networks, bill of materials, revision of drawings, use of universal symbols, floor plans and blueprints and use of Internet sources to obtain information and send and receive electronic files.
Prerequisite(s): ITEC2081.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

Counseling (CSLG) Courses

CSLG2030 Counseling Theories and Techniques
This course is an introduction to the methods, major theories and techniques of counseling. A wide range of settings are considered, as well as a large range of topics, including dysfunctional families, domestic violence, incest, suicide prevention, drug and alcohol abuse, sociopathic personalities and multicultural issues.
Prerequisite(s): PSYC1001. (OL)
Offered at Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

CSLG2035 Foundations of Mental Health Counseling
This course provides an introduction to the nature of the work, as well as the qualifications and knowledge required of mental health counselors by the U.S. Department of Labor. The intent of this course is to provide students with basic information on the principles and practices of mental health counseling. Topics include the history and philosophy of mental health counseling, professional identity, roles of the mental health counselor, professional ethics, managed care, various contexts of practice and organizational structures, mandated clients, crisis intervention services, prevention, consultation, and an understanding of how diversity influences the practice of mental health counseling. Particular attention is given to the practice of mental health counseling in a range of such urban settings as homeless shelters and outpatient centers.
Prerequisite(s): CSLG2030, PSYC1001.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

CSLG2040 Introduction to Career and School Counseling
This course is designed to help students become competent in the use of educational and occupational information in counseling-related activities. Particular emphasis is on how information is processed in planning, establishing and managing careers from a life-span perspective.
Prerequisite(s): CSLG2030, PSYC1001.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSLG2110 Introduction to Family Treatment for Addictions Counselors
This foundational course addresses the treatment of families with substance abuse and other addictive disorders. It introduces various models and theories of counseling for families with addictive disorders; the focus is on a family systems approach, exploring the dynamic roles that each family member plays in a multicultural society. It also examines the skills, strategies, techniques and approaches appropriate to intervention treatment as well as the twelve core functions of an addictions counselor.
Prerequisite(s): CSLG2030, PSYC1001, PSYC2040.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS1060 GUI Concepts
This course provides students with an understanding of a Graphical User Interface environment. Students are introduced to how Windows works with the file hardware. All students customize and configure the Windows environment. Topics include ini file, program, winfile, control panel, device managers, terminal, paintbrush, creating shortcuts, and X windows.
Prerequisite(s): FIT1000 or FIT1012.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS2030 Database Concepts
This course introduces students to the function of a database environment. The importance of databases to modern systems development provides the motivation for examining data structures and models as they relate to user needs. Relational data models are emphasized along with query languages and user-friendly packages. The various data structures and file storage techniques used with hierarchical, network and relational data management issues are developed. Out-of-class assignments are completed by all students.
Prerequisite(s): CSIS1000 or CSIS1101 or FIT1014 or FIT1040. (OL)
Offered at North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

CSIS2045 Introduction to Operating Systems
This course includes a survey of the functional characteristics of complex operating systems and an introduction to the basic techniques of operating systems design. The course discusses the topics of hardware configuration, channel operation, interrupts, register functions, multiprogramming, multiprocessing, timesharing and JCL.
Prerequisite(s): CSIS1020 or CSIS1040 or CSIS1101. (OL)
Offered at North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

CSIS2050 Advanced Programming Concepts
This course is designed to provide the student with an advanced understanding of the relationship between hardware and software through the use of higher level language (C programming language) facilities. Students learn how to create programs that interface with computer peripherals. Program design, coding, debugging, testing, execution and documentation are reinforced.
Prerequisite(s): CSIS1020 or CSIS1101.
Offered at North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CSIS2080 Database Design
This course provides a foundation for the systems-development effort of using fourth and fifth generation tools in database environments by systematically examining the procedures and tools used in designing a database. This course emphasizes the relational model. Students study normal forms, decomposition, synthesis, semantic modeling, network and hierarchical models. All students complete out-of-class assignments.
Prerequisite(s): CSIS2030. (OL)
Offered at Online, Providence, Providence CE
4.5 Quarter Credit Hours

Computerized Drafting (CAD) Courses

CAD1025 Parametric Modeling
This is an introductory course in which students use commands and techniques related to 3D modeling and analysis, and parametric drafting using parametric modeling software to create parts, assemblies and drawings to industry standards. Related lab projects are included where rapid prototyping methods such as laser cutting and 3D printing will be explored.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
CSLG3001 Introduction to Case Management
This course introduces students to the required case management responsibilities for counselors. Its focus is on the skills and attitudes needed to meet accepted principles of patient management and the necessity of adhering to ethical guidelines. It concentrates specifically on such major aspects of case management as patient privacy rights and confidentiality, accuracy in intake preparation, assessment and screening reports, progress reports and treatment goals, discharge summaries and aftercare planning, and general documentation. The student gains a general knowledge of state and federal regulations for counselors as they apply to record keeping. Focus is also on understanding the referral process and identifying linkages to other community settings.
Prerequisite(s): CSLG2030, PSYC1001.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

CSLG3005 Introduction to Crisis Intervention
This course offers students an introduction to clinical crisis intervention by examining the theories, strategies and skills essential to de-escalating and resolving conflict in crisis situations. Theories on suicide prevention, addictions and suicide, violence and addictions and aggression management are explored. Models for assessing and responding to crises are explored. Topics such as medical and psychological trauma, posttraumatic stress disorder and professional burnout are part of the curriculum as well as theoretical and ethical implications in crises.
Prerequisite(s): CSLG2030, PSYC1001.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

CSLG3010 Principles of Group Counseling
This course provides students with fundamental knowledge of the dimensions of group counseling through attention to its process, dynamics and practice. It focuses on such topics as the development of group counseling as well as the ethical issues and theoretical approaches central to an understanding of the practice. This course also offers experiential training in group facilitation, with opportunities to practice effective strategies by exploring task facilitation, psycho-educational counseling and psychotherapy groups.
Prerequisite(s): CSLG2030, PSYC1001.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

CSLG3040 Counseling Techniques for Addictions and Other Behavioral Disorders
This course focuses on the special skills and techniques required to effectively counsel the addicted and behaviorally disordered client. Development and utilization of advanced treatment planning and client management training are featured. In addition, it addresses the wide range of ethical issues inherent in all steps identified within the scope of practice for addiction professionals and found in recovery support services. The course examines issues that may arise during initial screening, during treatment planning, and as a client progresses through treatment implementation and moves into recovery. Throughout this course, students are asked to relate various points to their own situations, consider the various perspectives presented, and develop an ongoing awareness of their choices, decisions and behaviors in light of the ethical standards outlined by NAADAC.
Prerequisite(s): CSLG2030, PSYC1001.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

CSLG3050 Introduction to Marriage and Family Therapy
This course is designed to provide students with an introduction to conducting couples and family therapy. The primary objective of the class is to assist students with translating theories into practice. Students study issues such as divorce, remarriage, step-parenting, couples therapy, drug and alcohol abuse in couples and families, and the LGBTQ couple and family dynamics. In addition, each student presents a family therapy case, providing students the opportunity to learn from their own practical therapy case experiences.
Prerequisite(s): CSLG2030.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

CSLG4099 Internship in Counseling Psychology
This is a capstone course focusing on the practice of applied psychology in various service agency settings. The course requires students to demonstrate an ability to integrate theory, research and practice in the context of a supervised counseling experience. The internship is a placement directed by a supervisor on site as well as by a program faculty member who meets with students in a weekly seminar in which counseling methods and techniques are critically analyzed and further developed. Students must complete 204–220 hours at the community agency placement site. Prerequisite(s): To be eligible for this internship, students must: 1) have a GPA of 2.75 in their major courses, 2) have completed 130 hours of course work, 3) have the permission of the program director and faculty adviser and 4) have successfully completed the courses: CSLG2030, CSLG3001 and PSYC2002.
Offered at Denver, Providence, Providence CE
9 Quarter Credit Hours

Criminal Justice (CJS) Courses

CJS1002 Introduction to Criminal Justice
This course presents an overview and analysis of the American criminal justice system. The concept of crime and the roles of police, courts, defense attorneys, prosecuting attorneys and corrections are considered. In addition, an overview of the causes of crime, the problems associated with the measurement of crime, and the concept of “justice” in the American criminal system is examined.
Offered at Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS1070 Criminal Courts
This course is an examination of the problems, policies and practices of the criminal court system with emphasis placed on the structure and organization of the court system. The role of the courts, from arrest to conviction and appeal, is explored.
Offered at Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS1090 Law Enforcement
This course is a survey of law enforcement agencies, their role, history and development within the field of criminal justice. Emphasis is placed on police administration, organization, management culture, relations within the community and technology.
Offered at Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS2040 Corrections
This course is an introduction to corrections. It presents an historical look at punishment through the ages. Justification for punishment is explored including: retribution, deterrence, incapacitation, and rehabilitation. Various dispositions of prisoners are presented from capital punishment, transportation, galley slavery, and the eventual development of the prison. The evolution of prisons and acceptable conditions are discussed along with the advent of the prisoner rights movement.
Offered at Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS2050 Criminology
This course is an overview of the study of criminal behavior. Major theories of the causes of crime are explored through an interdisciplinary approach emphasizing the sociological, psychological, scientific, medical, biological, psychiatric, psychoanalytic, economic, political, cultural, and other social and behavioral approaches. (OL)
Offered at Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

Travel Tourism (TRVL) Courses
CJS208S Juvenile Justice
This course presents an analysis of the historical development of the juvenile justice system in the United States. The student is introduced to the changing view of juveniles from early America, when children were treated as little adults, through the nineteenth and twentieth centuries where they came to be considered as children and adolescents that had to be protected from abusive families and their environment. Socializing agents such as the family, schools and peers are studied as to their influence on the development of delinquency. Youth are studied as victims of crime, as perpetrators of crime, and their likelihood to become involved with gangs. Additionally, law enforcement, the courts and corrections are studied to show their impact on delinquency.
Prerequisite(s): Sophomore status.
Offered at Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS2150 Criminal Justice Ethics
At the core of every aspect of the field of criminal justice is an ethical dilemma involving human behavior and individual decision-making. As such, this course will provide an in-depth examination of the three major schools of ethical thought (virtue, formalism, and utilitarianism) in order to illustrate how individual ethics directly influences decision-making, and to help students develop comprehensive ethical reasoning skills. Through the examination of hypothetical case studies, actual criminal justice events, and extensive debate, this course will explore the three major areas of criminal justice to include law enforcement, courts, and corrections, in order to provide students with the opportunity to observe and evaluate the direct connection between ethics and specific aspects of the criminal justice system.
Offered at Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS3033 Community Policing
This course is a historical examination of the strategies utilized by the police in America. It examines Sir Robert Peel and the development of the first paid police department in London in 1829. The course presents the evolution of policing as emigration in America increased and its population became more diversified. Students will come to understand how policing is a partnership with the community and how the roles of all must be considered in the development of a policing program.
Prerequisite(s): CJS1090.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

CJS3075 Criminal Investigation
In this course, the student is exposed to the fundamentals of criminal investigation. Emphasis is placed on the collection and evaluation of crime scene evidence related to specific crimes (i.e., homicide, arson, burglary, etc.). Since criminal investigation must be conducted within the framework of our constitutional system of government, opinions of the United States Supreme Court that affect the collection of evidence are emphasized.
Prerequisite(s): CJS1090.
Offered at Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS3450 Comparative Criminal Justice
This course comparatively examines major criminal justice institutions within the United States and around the world, and also provides an in-depth examination of existing international criminal justice systems and the shared critical issues existing both domestically and internationally. The course offers a comprehensive examination of a variety of transnational crime-related issues, and explains the systems currently in place globally for addressing issues involving crime prevention, law enforcement, adjudication and corrections. Students identify and analyze the common and differing procedural aspects involved in investigating, prosecuting, defending and adjudicating criminal cases in international jurisdictions, as well as the differing global definitions of appropriate punishment including concepts of financial, corporal and capital punishment.
Offered at Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS3820 Cyber Crimes
In this course, students explore the rise and evolution of crimes involving computers and the Internet that are fast becoming the most prolific area of criminal activity in the 21st century. This course distinguishes between crimes in cyberspace and cyber-terrorism as a form of warfare upon the global community. It defines cyber crimes (including type, nature, and origin) and the expanding criminalization of computer and Internet conduct involving concepts of privacy violation, information protection and unauthorized access of digital data. An analysis of existing and new domestic and international law enforcement innovations that prohibit digital crimes is also covered.
Prerequisite(s): LAW3025. (OL)
Offered at Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

CJS3850 Homeland Security
This course provides an in-depth foundation for understanding the wide range of agencies and activities involved in the field of homeland security, and the varying roles that individual terrorists, terrorist groups and state sponsors of terrorism play in the formulation of the domestic and international homeland security policy of the United States. Students are provided with a comprehensive overview of the legal aspects of homeland security, and the role that intelligence and counterintelligence play in the formulation of the domestic and international homeland security policy. Additional topics include the proliferation of weapons of mass destruction, border security and immigration, and the financing of terrorist activity via a wide range of highly organized criminal activities occurring both domestically and internationally. (OL)
Offered at Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

CJS4030 Criminal Justice Research Methods
This course provides students with an understanding of the purposes behind criminal justice research, the concepts and logic of research designs, and experimental research designs. This course includes an in-depth presentation of sampling in social science research. The goal is to familiarize students with research methods in order to lay the groundwork for designing research projects, as well as to interpret research designs in depth.
Prerequisite(s): Senior status. (HY)
Offered at Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS4033 Terrorism
This course is a study of terrorism from its earliest history into the post-9/11 21st century. It examines religious and political motivations for terrorism as well as the rationalization for such activity. It looks at the networking of nations, states and organizations in the acquisition of goods and finances to fund their organization. The course also looks at weapons of mass destruction, security measures and counterterrorism.
Prerequisite(s): Junior status.
Offered at Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS4045 Criminalistics with Lab
This course is designed to provide the student with a broad outline of key topic areas that encompass the study of forensic science. Focus is on the application of forensic sciences and their role in criminal investigation. Topics include the scope, history and basic methods of evidence recognition, collection, identification and preservation. Basic forms of physical evidence most commonly encountered at crime scenes are discussed along with their respective value in the investigative process.
Prerequisite(s): CJS3075.
Offered at North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS4050 Advanced Topics in Criminal Justice
This course is a forum for special issues and emerging areas of criminal justice. It is taught by faculty members and visiting experts in the areas of focus. Topics covered (which may change each offering) may include, but are not limited to: Public & Private Security, Victimology, Child Abuse & Neglect, and Organized Crime.
Prerequisite(s): CJS2050, junior status.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours
CJS4065 Advanced Topics in Criminalistics with Lab
This course provides students with specific topics in the advanced study of forensic science as part of a two-term format. Emphasis is on the application of advanced and specialized areas of forensic science encountered during criminal investigations. Topics include advanced topics of forensic pathology, pattern and impression evidence, blood spatter analysis, photography, fingerprint examination, and forensic applications of the social science and legal/ethical issues in forensic science.
Prerequisite(s): CJS4040 or CJS4045.
Offered at North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS4080 Criminal Justice Senior Seminar
This course presents an overview and analysis of the American criminal justice system in a capstone seminar format. The course examines criminal and constitutional law, criminology, law enforcement and investigation, courts, corrections and juvenile justice through the use of critical thinking, research, writing and discussion.
Prerequisite(s): CJS430.
Offered at Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

Culinary Arts (CUL) Courses

CUL1015 Introduction to Culinary Foundations
This course introduces students to techniques practiced in the professional kitchen: the craft, tools, food safety and sanitation, basic knife skills and mise en place. Students are introduced to moist cooking techniques of boiling, simmering, poaching, steaming, blanching/shocking and sweating while the basic preparations of stocks, soups and classic sauces are introduced. Culinary science, sensory analysis and sustainability are explored.
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
3 Quarter Credit Hours

CUL1035 Culinary Fundamentals
Students investigate and practice the cooking techniques of grilling, sautéing, braising, braising, stewing, broiling, roasting and frying while producing and tasting complimenting contemporary sauces. Vegetable and starch cuts and cookery are demonstrated and practiced. Students practice reading and writing standardized recipes, as well as recipe scaling and costing.
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
3 Quarter Credit Hours

CUL1055 Cooking in Today's Restaurant: Breakfast & Lunch
Students practice the cooking techniques introduced in Foundations and Fundamentals using breakfast, brunch and lunch cookery. Product preparations include eggs, sandwiches, quick breads, soups, and vegetable cookery. Standard plate presentation, recipe costing and discussion of nutritional needs are explored.
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
3 Quarter Credit Hours

CUL1075 Cooking in Today's Restaurant: Dinner
Students continue to develop the ability to competently execute the production skills required for a successful culinary career. Emphasis is on braising, stewing and roasting and the preparation of accompanying sauces.
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
3 Quarter Credit Hours

CUL1095 Cooking in the Global Marketplace
Basic nutrition and healthy eating concepts are investigated as students explore traditional ethnic ingredients from cuisines around the world to produce meat-minimalistic menus and recipes highlighting vegetables, legumes and grains. Sourcing food locally, seasonal menus, and sustainability in the foodservice industry are discussed.
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
3 Quarter Credit Hours

CUL1115 The Science of Cooking and Sensory Analysis
This course introduces students to the basic functions of ingredients and cooking processes. Students conduct experiments and think critically to compare, contrast and evaluate how ingredients change through the use of various cooking techniques. This course will explore recipe modification, ingredient substitution, and problem solving in the kitchen. Emphasis is placed on the sensory evaluation of food, the development and use of sensory terminology, and real-world restaurant applications.
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
3 Quarter Credit Hours

CUL1135 Purchasing, Product Identification & Protein Fabrication
This course presents students with the flow of goods and food safety concepts within the purchasing, receiving, storing and distribution functions. Comprehensive purchasing is discussed. Through demonstrations and experience-based production, students engage in identifying, handling and fabricating proteins, dry-goods and staples. Students review and discuss quality standards, yields, costing, packaging and labeling.
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
3 Quarter Credit Hours

CUL1325 Essentials of Dining Service
Learn and practice the skills of front-of-the-house (FOH) operations and professional dining and beverage service techniques reflecting contemporary practices. Etiquette, quality service and guest relations, effective communication skills, critical thinking, check handling and point of sale systems are emphasized.
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
3 Quarter Credit Hours

CUL1345 Foundations of Baking & Pastry
Production includes basic breads and rolls, laminated dough, muffins, quick breads, cookies and pies. Proper use of the baker's scale, liquid measurement and equipment identification are a primary focus for this course.
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
3 Quarter Credit Hours

CUL2215 The Craft of Garde Manger
Learn and develop the craft of garde manger utilizing both traditional and contemporary techniques in cooking, preservation, charcuterie, while applying the concept of "total utilization". Using marketable displays, the preparation and presentation of hot and cold hors d'oeuvres, fresh cheeses and cold sauces is practiced.
Prerequisite(s): Completion of all freshman culinary labs (or concurrent).
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
3 Quarter Credit Hours

CUL2255 Advanced Pastry
This course covers the preparation of individual plated desserts, using a variety of traditional and modern plating techniques incorporating design, flavor, and textural components. Station organization, portion control and cost determination are emphasized.
Prerequisite(s): CUL1345 (or concurrent).
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
3 Quarter Credit Hours

CUL2510 Contemporary Restaurant Operations and Management
Students explore front-of-the-house operations and practice professional dining, beverage service, and supervisory skills. Etiquette, guest relations, communication skills, teamwork, critical thinking, and professionalism are emphasized. Students practice management concepts including operational procedures and financial responsibilities. Students are introduced to the production and sensory evaluation of beverages and the principles of food and beverage pairings.
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours
CUL2810 Global à la Carte
Students apply diverse skills to produce contemporary, globally influenced à la carte menus through the exploration of flavor profiles, culture, and cuisines with an emphasis on healthful, appropriate and modern professional cooking skills and ingredients.
Prerequisite(s): (CUL1015, CUL0135, CUL1055, CUL1075, CUL1095, CUL1115, CUL1135) or (CUL1100, CUL1320), sophomore status.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CUL3020 Foundations of Wine
This course introduces the student to a systematic approach to wines and develops the student's ability to describe them in a marketable way. The course teaches a fundamental understanding of the relationship between location, climate, terrain, soils, viticulture, vinification and grape varieties and the differentiation between quality levels of wine. Wine tastings incorporate structured analysis leading students to identify regional and varietal organoleptic differences in wines. Tastings incorporate discussions on the pairing of food and wine. Representative wines are tasted.
Prerequisite(s): Online students must be of legal drinking age -21 years of age in the US- or of minimum legal drinking age in the country where they are attending the course. Please note that we periodically ask students to provide us with a government ID showing their date of birth. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

CUL3030 Exploring Cheese
This course provides an opportunity for students to explore the world of cheese. Cheese history, production and trends are analyzed within a worldwide business context. Course components include sensory evaluation, classification, ripening, storage, purchasing, service and applications in today's kitchens. Students learn how to best purchase and serve cheese to enhance profitability in restaurant menu programs or retail outlets. Students also evaluate the principles of beer and wine pairings with cheese. Students are prepared to pass the Wisconsin Cheeseencyclopedia, a cheese education course exam.
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

CUL3082 Exploring Mead and Honey
This course provides students the opportunity to explore the origins and history of honey and honey fermentation, as well as challenges to the apairy industry and the effects of terroir on honey quality. Students learn about the role and importance of bees and honey in the global food industry. Various types of mead, the world’s oldest documented fermented beverage, are analyzed and produced. Packaging, labeling, licensing and regulatory compliance, as well as sales and marketing aspects, are also explored. Successful students should be prepared to sit for the BJCP Mead Judge Certification exam.
Prerequisite(s): Online students must be of legal drinking age -21 years of age in the US- or of minimum legal drinking age in the country where they are attending the course. Please note that we periodically ask students to provide us with a government ID showing their date of birth. (HY) (OL)
Offered at Online, Providence, Providence CE
4.5 Quarter Credit Hours

CUL3092 Brewing Arts
This course helps students develop an understanding of traditional and modern styles of beer and brewed alcoholic beverages by examining production methods and ingredients, and through sensory analysis. Students explore historical context, as well as modern industry structures and trends. Students learn how to brew an all-grain beer recipe and to identify common beer faults and their causes. Upon completion of this course, students are prepared to sit for the Certified Beer Server exam from the Cicerone Certification program.
Prerequisite(s): Online students must be of legal drinking age -21 years of age in the US- or of minimum legal drinking age in the country where they are attending the course. Please note that we periodically ask students to provide us with a government ID showing their date of birth. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

CUL3223 A Peruvian Culinary Experience
This course seeks to demonstrate the richness of Peruvian cuisine by recognizing the basic characteristics that are part of Peruvian food and culture. The course provides the demonstration of techniques, classroom practice, and real-world experiences in the wide range of food and beverages, culture and nuances of ancient Peruvian and South American cuisine, traditional, contemporary and avant-garde.
Prerequisite(s): FSM1065, completion of all sophomore baking pastry or culinary labs.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE
13.5 Quarter Credit Hours

CUL3244 Culture and Cuisine of the Mediterranean
This course introduces students to Mediterranean cuisine and culture through activity-related experiences. Guided by local specialists, students explore archaeological and historical sites; nature reserves, organic farms, vineyards and farmers' markets; village ports, taverns, bakeries and artisan food production facilities; and participate in cooking/baking classes taught by local chefs. Through activities and exploration students engage with the local community to learn how culture, community and cuisine intersect.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CUL4045 Spirits and Mixology Management
This course offers the student an advanced understanding of spirits, liqueurs, cocktails and mixology to design and supervise a successful bar operation. Spirits, liqueurs, cocktails and mixology principles are discussed within a cultural, historical and business context. Sensory analysis, cocktail recipe creation and production methods, inventory, cost analysis and merchandising are major components of this course. Alcohol liability and server training are reviewed. Students may be offered the practical exam for the International School of Mixology Bartending Certification.
Prerequisite(s): Online students must be of legal drinking age -21 years of age in the US- or of minimum legal drinking age in the country where they are attending the course. Please note that we periodically ask students to provide us with a government ID showing their date of birth. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

CUL4080 Beer Sommelier Capstone
This course explores modern beer sales and service methods through case studies and real-world application of beer service principles. Students employ critical thinking to troubleshoot and critique issues concerning production, storage, service and sales. Students evaluate the management of retail beer operations through analysis of facilities and menu design, beer and food pairing strategies, accurate sales descriptions, and responsible alcohol service.
Upon successful completion of this course, students may be prepared to sit for the Certified Cicerone examination.
Prerequisite(s): CUL3092 or Certified Beer Server certification or its equivalent. Online students must be of legal drinking age -21 years of age in the US- or of minimum legal drinking age in the country where they are attending the course. Please note that we periodically ask students to provide us with a government ID showing their date of birth. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

CUL4416 British Practical Brewing
This rigorous, experience-based course is ideal for students who want to work in or develop their own microbrewery or brewpub. The course enables students to enhance their knowledge of brewing theory and develop their skills in practical brewing, recipe formulation, sensory analysis, marketing and brewery design. Students work alongside professional brewers, chemists and industry professionals in both laboratory and field settings to earn practical professional brewing experience. Students gain an in-depth knowledge of traditional and modern ale-brewing technology both on-site and at local craft breweries. Students attend evening and weekend excursions to regional malsters, hop yards and breweries, and other historic and cultural sites. There is a comprehensive written exam at the completion of the course. Successful candidates earn the Brewlab Practical Brewing Certificate.
Prerequisite(s): CUL3092.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE
9 Quarter Credit Hours
CUL4417 Applied American Craft Brewing
This rigorous, experience-based course is ideal for students who want to work in or develop their own microbrewery or brewpub. The course enables students to enhance their knowledge of brewing theory and develop their skills in practical brewing, recipe formulation, sensory analysis, marketing and brewery design. Students work alongside professional brewers, chemists and industry professionals in both laboratory and field settings to earn practical professional brewing experience. Students gain an in-depth knowledge of traditional and modern craft brewing technology both on-site and at local craft breweries. Students attend evening and weekend excursions to regional maltsters, hop yards and breweries, and other historic and cultural sites. There is a comprehensive written exam at the completion of the course.
Prerequisite(s): CUL3092, legal drinking age. (HY)
Offered at Charlotte, Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

CUL4460 Advanced Brewing Theory and Analysis
This course allows students to explore brewing theory in depth, as preparation for a career in craft brewing and beer judging. Students explore topics such as malting science, water chemistry, hop growing technology and yeast microbiology as they relate to the art of craft brewing. Students describe variations in classic and contemporary beer styles in detail, with a special emphasis on ingredient and process variables as they relate to flavor and style accuracy. Advanced sensory analysis skills and critical thinking through case studies are developed throughout the class. This course prepares students to take the Beer Judge Certification Program Entrance Exam to become a BJCP Provisional Judge.
Prerequisite(s): CUL3092 (OL)
Offered at Charlotte, Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

Directed Experiential Ed (DEE) Courses
DEE3999 Directed Experiential Education
Directed Experiential Education (DEE) offers students an intensive, term-long, project-based experiential learning opportunity conducted under the supervision of a faculty member. Experiences are driven by a specific industry-based or functional-area-based project completed for a nonprofit or for-profit DEE partner. Through weekly group seminar meetings, extensive field work (independent and/or group-based) and purposeful reflection, students apply acquired discipline-specific skills and knowledge, develop leadership and collaborative abilities, and refine critical thinking, problem-solving and active citizenship skills. The course culminates in a formal presentation to the DEE partner. This course is recognized as an Experiential Education (EE) course, indicating that experiential learning is used as a primary method of achieving the course objectives. Students can take up to 3 terms of this course at 4.5 credits per term.
Prerequisite(s): Faculty recommendation and approval by the department chair. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

Economics (ECON) Courses
ECON1001 Macroeconomics
This course is designated as the first of two courses serving as an introduction to economics. It is a survey course covering the foundations of economics and focusing on macroeconomic concepts and issues such as the features and goals of capitalism, the market system, national income, business cycles, macroeconomic theories, and monetary and fiscal policy.
Prerequisite(s): MATH1002 or math placement. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ECON1002 Microeconomics
This course consists of microeconomic principles and issues. Course content examines and analyzes both the product and resource markets with emphasis on demand, supply and elasticities. In addition, the costs of production and the basic market models of firms’ short run and long run operations are discussed. Other topics covered include various current domestic microeconomic problems, as well as international economic issues such as international trade and foreign exchange.
Prerequisite(s): MATH1002 or math placement. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ECON2010 World Economic Geography
The purpose of this course is to provide an understanding of the economic resources at our disposal and the natural conditions under which the utilization of these resources may be achieved. Locations, characteristics, and relationships of economic activities will be discussed and analyzed to permit better insight into these issues.
Prerequisite(s): ECON1001 or ECON1002.
Offered at Charlotte, Denver, Providence, Providence CE
4.5 Quarter Credit Hours

ECON3025 The Global Economy in the 21st Century
This course introduces students to the economic problems that have emerged as a result of the process of globalization. Various issues such as the growth of world population, availability of resources, problems with the environment and climate change, the state of the global economy, and problems of global security are analyzed.
Prerequisite(s): ECON1001 and ECON1002. (OL)
Offered at Charlotte, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ECON3030 Managerial Economics
This course introduces business students to the application of economic principles at the decision-making level in a business organization. This course demonstrates how economic concepts can be applied to decisions involving business strategy and the attainment of organizational objectives.
Prerequisite(s): ECON1002, MGMT1001. (HY)
Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

ECON3070 Contemporary Economic Issues
This course is a topical examination of current macroeconomic and microeconomic issues that impact the U.S. economy. Course content examines and analyzes topics such as government finance, health care, the environment, energy, poverty and welfare, social economic issues, the housing market, terrorism, casino gambling, and the stock market.
Prerequisite(s): ECON1001 and ECON1002.
Offered at Charlotte, Online, Providence, Providence CE
4.5 Quarter Credit Hours

Education (EDUC) Courses
EDUC3050 How We Learn: An Introduction to Teaching
This course is designed for the student who is considering a career that includes classroom teaching. Through course readings, discussion and activities, students examine the interactive nature of teaching and learning in which the teacher/trainer proactively acts to support students and their learning. Emphasis is on knowing how people learn and the use of this knowledge to support student learning and design effective learning environments. Another theme of this course is the importance of teachers knowing their students and how students’ backgrounds, learning styles and challenges affect teaching and learning. Research-based strategies and examples of lesson design, student accommodations and modifications are presented.
Prerequisite(s): ENG1021 or ENG1027, sophomore status.
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

EDUC3100 Critical Issues in American Education
This course is designed for students who are considering teaching and/or for students who are interested in exploring some of the major issues that impact American schools today. Through a combination of research, discussion and debate, students learn about topics that are impacting education today, such as Common Core Standards, high-stakes testing, vocational education and online learning. Students look closely at issues from multiple perspectives, and through that process, begin to build a foundation for their own beliefs about education and gain understanding about the complex systems we call American education.
Prerequisite(s): ENG1021 or ENG1027, sophomore status.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ECON2010 World Economic Geography
This course is designed for students who want to learn about economics and related topics. Through a combination of research, discussion and debate, students learn about topics that are impacting education today, such as Common Core Standards, high-stakes testing, vocational education and online learning. Students look closely at issues from multiple perspectives, and through that process, begin to build a foundation for their own beliefs about education and gain understanding about the complex systems we call American education.
Prerequisite(s): ENG1021 or ENG1027, sophomore status.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
English (ENG) Courses

ENG0001 Writing Workshop
This course affords an opportunity to students to complete the Graduation Writing Requirement at Johnson & Wales University. Students will review sentence structure, paragraph development and essay organization with the goal of applying these skills to the classroom and the workplace.
Prerequisite(s): Writing proficiency assessed as Unsatisfactory in ENG1000, or ENG1021/ENG1027 equivalency has been satisfied outside of Johnson Wales University. (HY) (OL)
Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence, Providence CE
0 Quarter Credit Hours

ENG0100 Writing Assessment
Writing Assessment serves as the vehicle by which a student’s Graduation Writing Requirement Assessment score is recorded. This course is a co-requisite of ENG1021 Advanced Composition and Communication Skills and ENG1027 Honors Advanced Composition and Communications: Civic Discourse. Students begin preparation for the Graduation Writing Requirement Assessment in ENG1020 English Composition or ENG1024 Honors Composition: Writing in the Academy and continue preparation for the assessment in ENG1021 or ENG1027. Administration of the assessment occurs in the latter part of ENG1021 and ENG1027. (HY) (OL)
Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence, Providence CE
0 Quarter Credit Hours

ENG1020 English Composition
This course provides students with basic writing skills in a variety of genres and contexts. Instruction begins with a review of the fundamentals of writing through the use of personal narratives. The focus widens to forms of public writing, including informative and research-based writing. Research techniques and MLA documentation are covered. Class work includes lecture, writing workshops, and peer critique. Course requirements include five or six different writing projects as well as a final exam. (OL)
Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ENG1021 Advanced Composition and Communication
This course is a continuation of ENG1020 English Composition. Building on the research and audience skills from ENG1020, students develop more complex and rhetorically advanced papers. All work – written and oral – is aimed at persuading an audience. Instruction begins with the essential components of a logically constructed and articulated argument. Critical thinking skills are reinforced throughout the course as students develop, peer critique, and present projects to the class. Research and MLA skills are expected of students, and all projects require research from a variety of sources.
Prerequisite(s): ENG1020 or ENG1024 or English placement. (OL)
Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ENG1030 Communication Skills
This introductory course focuses on communication skills essential to career and personal success. Emphasis is placed upon awareness of and adaptation to the audience, ethical responsibility and cultural diversity. Students progress in gradual stages, gaining an understanding of the communication process along with confidence and experience in numerous speaking, listening and small group interactions. (OL)
Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ENG2010 Introduction to Technical Communication
Commonly defined as workplace communication that enables people to make decisions and perform tasks, technical communication spans a broad range of fields in which individuals and teams create a range of compositions including reports, proposals and instructions for a variety of audiences, purposes and circumstances. In this introductory course, students combine individual and collaborative work to advance their skill in analyzing rhetorical situations to enable planning and executing compositions for a variety of workplace audiences, purposes, and circumstances for delivery in multiple media.
Prerequisite(s): ENG1021 or ENG1027. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ENG2030 Introduction to Newswriting
This course provides students with a practical introduction to basic news and feature writing and emphasizes writing for the specific fields of business, culinary, hospitality and technology.
Prerequisite(s): ENG1020 or ENG1024 or English placement. (OL)
Offered at Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ENG3012 Report and Proposal Writing
This course prepares students to write effective reports and proposals in a variety of workplace environments including business and industry, government, academic and nonprofit. Students learn to analyze the needs of various audiences including clients, supervisors, and investors or funding agencies, and apply the appropriate rhetorical conventions to create a range of informative and/or persuasive documents. Communication tasks include written reports, proposals and related correspondence, as well as oral presentation.
Prerequisite(s): ENG1021 or ENG1027, ENG2010. (OL)
Offered at Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ENG3016 Advanced Business Communication
This course prepares students to perform high-stakes written and oral communication tasks in organizational or entrepreneurial settings in a 21st-century global economy. Building on skills introduced in earlier composition and communication courses, students plan, compose and deliver documents and presentations for a diverse range of external and internal audiences. The course requires the highest level of professionalism not only in producing quality documents but also in interacting with external and in-house contacts.
Prerequisite(s): ENG1021 or ENG1027, ENG1030. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ENG3030 Introduction to Food Writing
This course provides students with an opportunity to concentrate on food writing for cookbooks, magazines, newspapers and websites. In addition to becoming familiar with the genre, students are introduced to the protocol for getting published. Students learn how to develop and compose food features and restaurant reviews, as well as construct and edit recipes. Interview techniques, query letters and tailoring work to various publications are also taught.
Prerequisite(s): ENG1021 or ENG1027. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ENG3050 Introduction to Travel Writing
This course provides students with an opportunity to concentrate on travel writing for books, magazines, newspapers and websites. In addition to becoming familiar with the genre, they are introduced to the protocol for getting published. Students learn how to develop and compose travel features and guidebook entries. Interview techniques, query letters, and tailoring work to various publications are also taught.
Prerequisite(s): ENG1021 or ENG1027, sophomore status. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

64 English (ENG) Courses
Entrepreneurship (ENTR) Courses

ENTR1001 Introduction to Entrepreneurship
This is an introductory course in entrepreneurship, demonstrating how entrepreneurs recognize business opportunities, develop ideas and identify markets. Students learn about different entrepreneurial business models, business planning, the components of a vibrant entrepreneurial ecosystem, and the crucial role of entrepreneurs to business and society. This course also introduces students to the university’s business pitch contest as well as other resources available on and off campus. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ENTR2030 Pitching & Planning New Ventures
This course teaches students how to develop and present a business plan for ventures they may launch. Students will learn about the contents of a business plan, the importance of concise executive summaries and presentations, and how entrepreneurial ventures must adjust their business plans as they receive feedback from the real-world.
Prerequisite(s): ENTR1001. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ENTR3010 Small Business Consulting
This course is conducted as an independent study. Participants in the program formulate an agreed-upon plan with their sponsor and educator to counsel small businesses on problems dealing with marketing/sales, management, finance/accounting, and other relevant tactical/strategic issues.
Prerequisite(s): ENTR2040 or ENTR3060.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

ENTR3030 Marketing for Entrepreneurs
This course prepares students to effectively conduct market research and engage in marketing for small businesses and start-ups. Focus is on providing students with tools to evaluate business opportunities and make better decisions based on appropriate research methods. Topics include the importance of positioning and verbal branding as a necessary skill for entrepreneurs as they begin their ventures and discuss their new ideas with others.
Prerequisite(s): ENTR2030 or ENTR3015. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ENTR3060 Financing New Ventures
This course covers the business, legal and tactical issues surrounding the financing of new business ventures. Topics include determining how much capital new ventures need, identifying potential sources of that capital and evaluating different financing structures. In addition to studying the economics behind early-stage financings, students engage in mock negotiations and consider early-stage investments being made in the real world.
Prerequisite(s): ENTR2030. (OL)
Offered at Charlotte, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ENTR4010 Change and Innovation Management
This course explores the process of change and innovation as it relates to the development and implementation of knowledge to improve organizational competencies and enhance business performance. Change, both incremental and disruptive, is related to innovation through the analysis of its effect on the organization’s ecosystem to include its customers, employees, suppliers, etc. Topics include knowledge as a meaningful resource and competitive advantage; the innovation gate process; the difference between a knowledge creation organization and an information-processing one; change as an instrument of innovation; and the various concepts and strategies of change to include Lewin’s Three Step Theory, Lippett’s Phases of Change Theory and the Disruptive Innovation Theory.
Prerequisite(s): ENTR2030 or ENTR3015. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ENTR4050 Food & Beverage Ventures Capstone
This course allows students to apply the knowledge gained in their previous coursework while covering case studies that focus on food- and beverage-related ventures and issues, and engaging in entrepreneurship simulations. Students also consider major problems and opportunities in the food- and beverage-related industries as well as how entrepreneurs might solve those problems and capitalize on those opportunities.
Prerequisite(s): ENTR2040 or ENTR3050 or ENTR3060. (OL)
Offered at Charlotte, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

Finance (FISV) Courses

FISV2000 Finance
This course is an introduction to the fundamental principles of finance, with a focus on financial statement analysis and decision making. The course encourages active learning through cases, concept questions and problem solving. Students are exposed to traditional financial statements as well as managerial financial reports for use in learning essential decision making processes. Major topics include financial statement analysis, fundamentals of risk and return, time value of money, various budgeting models, and alternative forms of financing. The use of spreadsheets in applications such as Excel is emphasized in this course.
Prerequisite(s): ACCT1210, FIT1040. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

FISV2012 Introduction to Financial Institutions
This course serves as an introduction to financial services, financial markets and financial institutions. The banking, brokerage, insurance and investment industries are described and analyzed. In addition, the economic environment of financial institutions is addressed with focus on the regulatory framework and the tax environment.
Prerequisite(s): ACCT1210 or (ACCT1007 or ACCT2002 or ACCT1202 or ACCT1002 or ACCT10021 or ACCT1022 or ACCT10021). (OL)
Offered at Online, Providence, Providence CE 4.5 Quarter Credit Hours

FISV3001 Investments
This course introduces students to investing and financial planning. Topics include the nature of capital markets and the roles that investment companies play between the investor and the corporation. Different asset classes, including equities and bonds, are covered. The role of the financial planning process, taxes and regulations are also considered.
Prerequisite(s): FISV2000 or FISV2010. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

FISV3005 International Finance
This course provides students with an overview of international banking and finance. Topics include the international dimensions of finance, foreign exchange rates, international sources of funds, international banking regulations, and the contrasts between European, Asian and American banking.
Prerequisite(s): ACCT1210 or (ACCT1007 or ACCT2002 or ACCT1202 or ACCT1002 or ACCT10021 or ACCT1022 or ACCT10021). (OL)
Offered at Charlotte, Denver, Online, Providence, Providence CE 4.5 Quarter Credit Hours

FISV3010 Credit Risk Analysis and Management
This course examines the role of credit and analyzes its impact on the economic and social environments. Both consumer credit and business credit are studied in depth, with emphasis placed on sources and uses of credit, credit reporting and credit analysis.
Prerequisite(s): ACCT1210 or (ACCT1007 or ACCT2002 or ACCT1202 or ACCT1002 or ACCT10021 or ACCT1022 or ACCT10021). (OL)
Offered at Charlotte, Online, Providence, Providence CE 4.5 Quarter Credit Hours
FISV3015 Fundamentals of Financial Planning
This course introduces students to the financial planning process, client/planner interactions and personal financial statements development and assessment. Topics include cash flow and debt management, education planning, planning elements of risk management, investment planning and retirement planning. This course is specifically of interest to those students who wish to pursue careers as financial planners.
Prerequisite(s): ACCT1210 or (ACCT1007 or ACCT2002 or ACCT1202 or ACCT1002 or ACCT1022 or ACCT10021). (OL)
Offered at Online, Providence, Providence CE
4.5 Quarter Credit Hours

FISV3040 Money and Capital Markets
The purpose of this course is to provide the student with knowledge of a broad range of subjects related to the nature and functions of money and credit. Money creation, the demand for money and the relation of money to inflation and financial flows, the role and functions of financial institutions, and consumer financing and business capitalization are each examined. This course emphasizes the changing role of competitive financial institutions and the effects of these changes on the flow of funds and monetary policy implementation by the Federal Reserve System to regulate and control money and financial institutions. Real-world examples are used to focus student learning to applications of theory and consequential economic impacts both nationally and internationally.
Prerequisite(s): ECON1001. (OL)
Offered at Online, Providence, Providence CE
4.5 Quarter Credit Hours

FISV3080 Financial Statement Analysis
This course includes the analysis and interpretation of external financial statements for various business entities as seen through the eyes of professional investors and creditors. The course explores various analytical techniques including comparative financial statement, trend and ratio analyses.
Prerequisite(s): ACCT2022 or (ACCT3023 and ACCT1007), (FISV2000 or FISV2010). (OL)
Offered at Charlotte, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FISV3199 Experiential Education Projects in Financial Modeling and Valuation
This course aims to provide students with the skills and knowledge required to be successful in today's fast paced and highly regulated financial environment. The key benefit for students taking this course is the experiential education they receive by developing (from scratch) a comprehensive 3-statement Financial & Valuation Model using various supporting schedules, real time company and employing the same tools and methodologies they would on the job to a variety of analyses commonly performed by investment bank and financial analysts. Students complete 8 hours of advanced Excel training, followed by a 2-day seminar conducted by an industry recognized leader (Wall Street Prep) in Financial Modeling and Valuation. Students develop leadership and collaborative abilities and refine critical thinking, problem-solving and active citizenship skills. The course culminates in a formal presentation to the Finance & Investment Academy.
This course uses experiential learning as a primary method of achieving the course objectives.
Prerequisite(s): ACCT1007 or ACCT1220, (ACCT2023, ACCT3040) or (FISV3001, FISV3040), 90 credit hours of completed coursework. (OL)
Offered at Online, Providence, Providence CE
4.5 Quarter Credit Hours

FISV4010 Bank Management
This course examines the banking industry from the perspective of both a bank customer and a bank manager. Focus is on policies developed and procedures used to make decisions on providing loans to businesses and consumers. Additional topics addressed include risk management, interstate banking, technological advancements and the regulatory environment.
Prerequisite(s): FISV2012 or FISV3005 or FISV3040.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

FISV4015 Fundamentals of Estate Planning
This course focuses on the efficient conservation and transfer of wealth, consistent with the client’s goals. It is a study of the legal, tax, financial and non-financial aspects of this process, covering topics such as trusts, wills, probate, advanced directives, charitable giving, wealth transfers and related taxes.
Prerequisite(s): FISV3015. (OL)
Offered at Online, Providence, Providence CE
4.5 Quarter Credit Hours

FISV4020 Risk Management and Insurance
This course provides an understanding of the procedures and concepts of risk management as a precedent to the study of insurance, which is an important tool in risk management. The balanced treatment of both risk management and insurance provides a broad introduction to the field. Students learn risk identification, analysis, measurement, control and financing, and study insurance markets, functions, coverage and benefits.
Prerequisite(s): ACCT1210 or (ACCT1007 or ACCT2002 or ACCT1202 or ACCT1002 or ACCT1022 or ACCT10021). (OL)
Offered at Charlotte, Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FISV4025 Corporate Finance
This course expands on previous finance courses by introducing more advanced topics, including capital structure, working capital management, capital budgeting and forecasting. Additional topics include operating and financial leverage, working capital management, capital budgeting, leasing and long-term financing.
Prerequisite(s): ACCT2022 or ACCT3031 or (ACCT3023 and ACCT1007), (FISV2000 or FISV2010). (OL)
Offered at Online, Providence, Providence CE
4.5 Quarter Credit Hours

FISV4030 Real Estate
This course is designed for students seeking a clear presentation of the numerous investment decisions involved in real estate. Topics include how to lease, buy, sell or mortgage a property; how to analyze and predict the forces in the market and determine real estate values; whether and when to renovate, rehabilitate or demolish; and when and how to divest of property.
Prerequisite(s): FISV2000 or FISV2010. (OL)
Offered at Online, Providence, Providence CE
4.5 Quarter Credit Hours

FISV4040 Futures and Options
This course includes a thorough foundation of options, futures, swaps, and other derivative securities. Topics include theoretical and normative pricing methods as well as the use of derivatives in portfolio and corporate risk management.
Prerequisite(s): FISV3001, MATH2001.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FISV4050 Portfolio Management and Analysis
This course includes a thorough foundation in the process of portfolio management, from individual security evaluation to broad asset allocation decision making. Topics covered include the portfolio management process including asset allocation, benchmarking, evaluation and reporting, as well as the manner in which trading takes place. An analysis of alternative assets is also explored including real estate, investment companies, private equity and venture capital, hedge funds, closely-held securities, distressed securities, tangible assets, commodities and derivatives.
Prerequisite(s): FISV3001, MATH2001.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FISV4060 Fixed Income Analysis
This course includes the analysis of fixed income securities and all securities whose valuation and hedging are related to interest rates. Topics include the bond market and its various instruments including U.S. treasuries, corporate bonds, mortgage-backed securities and emerging market bonds. The course also covers bond portfolio management techniques such as interest rate forecasting, yield curve anticipation and security selection. This course is appropriate for students interested in financial analyst careers.
Prerequisite(s): FISV3001.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
Food Service Management (FSM) Courses

FSM1001 Introduction to the Food Service Field
This introductory course examines career opportunities, organizational structures, history, and front- and back-of-the-house operations in the food service industry. Specific segments are also examined in commercial, industrial and institutional areas of food service. (OL)
Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

FSM1065 Food Safety and Sanitation Management
Students explore the fundamentals of food safety and environmental sanitation. Students will identify the origins of food contamination and recognize proper food safety practices used to keep food safe during the flow of food from vendor to consumer. Students must pass a national food safety manager certification exam that is recognized by the Conference for Food Protection (CFP) to fulfill the graduation requirement. (HY)
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE
1.5 Quarter Credit Hours

FSM2005 Technology in the Food and Beverage Industry
This course prepares students for the current trends in food service technologies. Emphasis is placed on emerging technologies used in the industry from both a managerial and strategic perspective.
Prerequisite(s): FIT1003 or FIT1040 (or concurrent). (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
2.25 Quarter Credit Hours

FSM2025 Food and Beverage Cost Control
Food and Beverage Cost Control is an introductory course designed to acquaint the student with the control problems of the food and beverage industry. Emphasis is placed on profit planning through menu planning, the control cycle and forecasting.
Prerequisite(s): MATH0010 (or concurrent) or math placement, sophomore status. (HY) (OL)
Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM2045 Introduction to Menu Planning and Cost Controls
This course allows students the opportunity to evaluate sales menus and apply the skills relevant to the development and design of the sales menu in a food service operation, while also learning the importance and use of the proper tools and documents needed to control food and beverage costs and analyze sales. Additionally, the course introduces a practical approach to managerial accounting through the exploration of labor and overhead expenses, as well as an introduction to the income statement as a method of evaluating a business's success.
Prerequisite(s): MATH0010 (or concurrent) or math placement, sophomore status. (HY) (OL)
Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM2055 Beverage Appreciation
This intermediate course refines the student's knowledge of beverages served in a variety of hospitality operations. Emphasis is on beverage sensory perception and food pairings. Students develop and analyze strategies to effectively manage, market and set standards for beverage operations. Both alcoholic and non-alcoholic beverages are examined.
Prerequisite(s): Online students must be of legal drinking age -21 years of age in the US- or of minimum legal drinking age in the country where they are attending the course. Please note that we periodically ask students to provide us with a government ID showing their date of birth. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM2065 Food and Beverage in the Hospitality Industry
This course introduces students to the significance of food and beverage as it relates to the hospitality industry. Students build a fundamental knowledge to effectively communicate with travel tourism/hospitality planners and food service staff. Emphasis is on linking food, wine and tourism, and the impact related to destination development internationally. This course also examines international service styles, cultural etiquette, food terminology, and basic food and wine pairings. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM2080 Food Service Operations
This intermediate course is designed to complete the student's foundation in purchasing as well as food and beverage operational controls. Emphasis is on mastering the purchasing cycle functions and back-of-the house menu management systems and operations. Students also develop income statements using current technology and utilize spreadsheet applications to analyze food and beverage operations.
Prerequisite(s): ACCT1210 or ACCT2004 (or concurrent).
Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

FSM2110 Food and Beverage Operations in the Sports, Entertainment and Event Management Industry
This course introduces students to the management of different areas of food and beverage operations within the sports, entertainment and event industry. Emphasis is on food product and preparation types, beverage types, food and beverage delivery systems, costing and pricing strategies, and food and beverage pairings as they apply to the different divisions of the industry. Students obtain approved Food Safety Handler and Food Allergy certifications.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

FSM2130 The Businesses of Non-Commercial Foodservice
This course examines the non-commercial segment of the foodservice industry from the unit manager, client, guest and employment perspectives. Students explore how the operational cycle of control and the use of technologies are applied in a wide variety of businesses. The principal companies and the available career paths in the segment are discussed.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
FSM2180 Hotel Food and Beverage Operations Control
This course introduces students to the roles and standard operating procedures used for food and beverage operations in lodging settings. Emphasis is placed on food preparation techniques, basic purchasing procedures, kitchen and dining equipment, product identification and guest service styles and standards used in various lodging operations. Additionally, methods used by hotel managers to increase food and beverage operational profits through maximizing revenues and controlling costs are explored. Students utilize spreadsheet applications in developing and analyzing operational income statements.
Prerequisite(s): ACCT1210. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM3001 Food Service Management Systems and Human Resource Applications
This course prepares students to apply sound human resource management principles to situations encountered within the hospitality industry. Students examine the complex and integrated nature of the hospitality industry and how various segments, such as lodging and tourism, impact the operation of food service establishments.
Prerequisite(s): BPA2626 or CUL2626 or CUL2386 or FSM1001. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM3012 Advanced Menu Analysis
This course focuses on researching current market trends and discovering their impact on commercial food service operations. Students analyze the effectiveness of current menu designs to specific operational data. Students also apply basic menu design techniques to enhance classroom assignments.
Prerequisite(s): FSM2080 or FSM3001 or SEE3008. (OL)
Offered at Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM3030 Facilities Design and Analysis
This intermediate course introduces students to the fundamentals of facilities planning for the commercial, institutional and industrial food service industry. Students are introduced to the need for proper planning, layout and design of production and service areas. Students become familiar with computer systems designed in restaurant planning. The major portion of the course is student involvement in individual projects on kitchen layout.
Prerequisite(s): FSM1001 or HOSP1001 or SEE1001 or Associate degree in Culinary Arts or Baking Pastry Arts.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

FSM3035 Supervision for Food Service Professionals
This course is designed to allow students the opportunity to learn and explore human resource management theory and procedures as it applies to the food service industry. Students learn proper procedures to hire, train, motivate and discipline employees, as well as to perform employee appraisals. Current human resource management issues and labor legislation law are discussed as they apply to preparing future chefs and managers for successful leadership roles in the food service industry.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

FSM3060 Front of the House Operations Management
This intermediate course focuses on the comprehensive study of dining service management within the food and beverage industry. Emphasis is placed on service theory and delivery, current technology and its application, customer feedback and process improvement, human resource development and training, staffing, physical space and layout, marketing, and fiscal accountability. Students have the opportunity to obtain industry-specific certification.
Prerequisite(s): ACCT1210. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM3075 Food Service and Hospitality Strategic Marketing
This upper-level course provides students with a broad scope of food service and hospitality marketing. Emphasis is on the analysis, structure and strategy of food service and hospitality marketing; departmental budgeting; allocation of resources; market research; media selection; and effectiveness of the marketing plan. Case studies and assigned readings examine current marketing issues. A directed work project may be incorporated into this course.
Prerequisite(s): FSM3001 or HOSP2011, junior status. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM3080 Food & Beverage Marketing and Distribution
This course introduces students to the many facets of food marketing in commercial applications. Students will explore the various segments of the food and beverage marketing industry, including marketing for food and beverage manufacturing and distribution companies. Special emphasis will be placed on the integration of food service and marketing competencies.
Prerequisite(s): FSM1001.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

FSM4040 On-Site Foodservice
This upper-level course emphasizes the contract or noncommercial segment of the food service industry. The traditional contract fields of business/industry, university/school, healthcare, recreation areas and catering are explored in depth. Contracts for these food service areas are evaluated from the client, contractor, guest and unit manager’s perspectives.
Prerequisite(s): FSM2080 or FSM3001 or SEE3008. (HY) (OL)
Offered at Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM4060 Hospitality Operations Management
This upper-level capstone course combines a working knowledge of food production techniques and management skills necessary to operate a food service facility. Students further enhance these skills in a small-quantity food service setting in which they have full control over the food service operation.
Prerequisite(s): FSM1065 or approved sanitation certificate (or concurrent), FSM2080, senior status.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE
9 Quarter Credit Hours

FSM4061 Advanced Food Service Operations Management
This upper-level capstone course concentrates on integrating critical competencies of management in a small food service setting. Emphasis is placed on menu development, marketing, staff scheduling, production planning and implementation, service, and fiscal accountability. Students manage the food and beverage service operations.
Prerequisite(s): FSM1065 or approved sanitation certificate (or concurrent), FSM2080 or FSM3099 or FSM3001, senior status. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM4070 The Business of Alcohol Distribution, Retail and Sales
This course offers the student a comprehensive overview of the costs of producing, distributing and selling licensed alcoholic beverages in the U.S. and the relationship between costs, profit margins and sales. Each segment of the three-tiered distribution system is analyzed and the legal aspects of producing, distributing and selling licensed beverages are examined. Internet sales and the challenge it poses to the current system are also evaluated. The impact of the current system on the consumer and how the consumer’s needs are addressed is the focus of the course.
Prerequisite(s): CUL1365 or CUL3092 or FSM2055 or MRKT1001. (OL)
Offered at Charlotte, Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours
FSM4160 Food and Beverage Strategies and Logistics
This senior-level capstone course is designed to give students insight into strategic management and decision making in the food and beverage industry. Students develop critical-thinking and decision-making skills by employing a variety of methods to examine the strategies of a number of food and beverage organizations. Special emphasis is on the impact of internal and external factors on strategy, current market conditions in the food and beverage industry, and the unique importance of the supply chain as it relates to food and beverage organizations.
Prerequisite(s): FISV2000, FSM3075 or MRKT1001. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

FSM4880 Beverage Operations Management
This upper-level course examines the creation and management of a beverage operation. Planning topics include concept, identification of target market and bar business creation. The creation of a business plan is discussed. Management topics include bar layout and operations, trend identification and product selection, basic production methods, costing and pricing, inventory methods and human resources management. The creation of wine lists, beer lists and cocktail menus is also discussed. Responsible Beverage Service is stressed.
Prerequisite(s): CUL4045 or FSM4070. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

Foundations in Tech (FIT) Courses

FIT1000 Information Technology for Business Professionals
This course provides basic understanding of computer software, policies and procedures necessary for business professionals. Students gain practical knowledge of operations and terminology as well as hands-on use of personal information management systems, word processing, and digital presentations. Students are also introduced to using databases as a decision-making tool. Computer-based assessment software may be used as both a learning and skills measurement tool.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

FIT1040 Spreadsheet Design for Business Solutions
This course provides students with a working knowledge of spreadsheet skills and apply those skills to problem-solving cases. Computer-based assessment software may be used as both a learning and skills measurement tool. (OL)
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

FIT1050 Digital Technology for the Creative Industries
This course focuses on the core concepts and software technologies at the heart any creative industries profession. Students gain hands-on experience in digital citizenship, basic technical literacy, the fundamentals of relevant software applications and online resources. Project-based solutions often in the context of workplace scenarios drive student learning.
Offered at Providence, Providence CE 4.5 Quarter Credit Hours

FIT2030 Access Database Design for Business Solutions
Students gain a working knowledge of database concepts and design and apply skills to problem-solving cases. Computer-based assessment software may be used as both a learning and skills measurement tool.
Offered at North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

FIT2040 Emerging Technologies in the Workplace
This course introduces students to how social media has evolved and how it can be used as an effective tool to enhance and develop business marketing and sales. Social media has established itself as the pre-eminent focal point for social interaction using web-based technologies, with people generating their own content, social commentary and opinions reaching a wide audience through friends, recommendations and same interest groups. Businesses from small to large are using social media to engage with their customers on an entirely new level, helping promote their products and services and keep in touch with them on a personal level. Social media is displacing the established leaders as major traffic drivers for new business.
Offered at North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

French (FREN) Courses

FREN1001 Conversational French I
This course is an introduction to the French language, with emphasis on vocabulary acquisition, basic grammar construction and oral communication. Students who have previously studied this language are required to take the foreign language placement exam.
Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

FREN1002 Conversational French II
This lower, intermediate-level course is designed to further develop conversational ability by expanding both the vocabulary and exposure to French-speaking cultures. This course concentrates greatly on advanced verb forms and idiomatic expressions.
Prerequisite(s): FREN1001 or language placement.
Offered at Providence, Providence CE 4.5 Quarter Credit Hours

FREN2001 Conversational French III
This advanced intermediate course is designed to perfect the usage of advanced grammar through extensive conversational drill, directed reading, composition and laboratory practice.
Prerequisite(s): FREN1002 or language placement.
Offered at Providence, Providence CE 4.5 Quarter Credit Hours

German (GER) Courses

GER1001 Conversational German I
This course is an introduction to the German language, with emphasis on vocabulary acquisition, basic grammar construction and oral communication. Students who have previously studied this language are required to take the foreign language placement exam.
Offered at Providence, Providence CE 4.5 Quarter Credit Hours

GER1002 Conversational German II
This course is for advanced beginners in German language, building upon the basic speaking, listening, reading and writing skills covered in German I. Students' vocabulary is expanded to 2,000 commonly used vocabulary words used in conjunction with the present and perfect tenses, adjectives and adverbs. In addition to grammar, students are exposed to many aspects of life in present-day Germany, Switzerland and Austria.
Prerequisite(s): GER1001 or language placement.
Offered at Providence, Providence CE 4.5 Quarter Credit Hours

GER2001 Conversational German III
This advanced intermediate course in German language is designed to further develop conversational ability by expanding the vocabulary covered in German II. In addition to grammar, students will be exposed to the many aspects of life in present-day Germany, Switzerland and Austria.
Prerequisite(s): GER1002 or language placement.
Offered at Providence, Providence CE 4.5 Quarter Credit Hours

Global Studies (GLS) Courses

GLS2200 Asia in Global Perspective: Peoples, Cultures and Politics
Asia is a vast geographical region that encompasses several sub-regions, peoples, cultures, countries, economic and political systems. Asia remains a crucial site of global economic and geopolitical interest for the U.S., Europe and Russia. This course explores the cultures, languages and patterns of living in this diverse region in order to grasp more deeply the ways in which the global, local and regional intersect and shape patterns of everyday life in Asia. Students explore specific themes distinct to particular areas of Asia, and its relationship to the world. Topics include human diversity of Asia and its cultural lifeways; China, Japan and India and their role in global geopolitics; tourism and urban hubs; economic change and globalization; conflict and post-conflict societies; climate change; natural disasters; and religion.
Offered at Providence, Providence CE 4.5 Quarter Credit Hours
HIST2100 U.S. History from Colonial Times to 1876
This course is a survey and analysis of United States history and those institutions that contributed to the evolution of the American nation since Reconstruction. Emphasis is on the rise of industrialization, urbanization and immigration; the coming of imperialism; the development of American foreign policy; the rise of big business; the growth of reform movements as seen in Populism, Progressivism and the New Deal; the Women's Movement; the Civil Rights Movement; and recent developments. Prerequisite(s): ENG1020 or ENG1024 or English placement. Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

HIST2200 U.S. History Since 1877 (to the Present)
This course is a survey and analysis of United States history and those institutions that contributed to the evolution of the American nation since Reconstruction. Emphasis is on the rise of industrialization, urbanization and immigration; the coming of imperialism; the development of American foreign policy; the rise of big business; the growth of reform movements as seen in Populism, Progressivism and the New Deal; the Women's Movement; the Civil Rights Movement; and recent developments. Prerequisite(s): ENG1020 or ENG1024 or English placement. Offered at Charlotte, Providence, Providence CE 4.5 Quarter Credit Hours

HIST2200 World History to 1500
This survey of people and their cultures focuses on the two major historical traditions (Western and Eastern) from pre-history to 1500. The varying political events, institutions, technologies and cultures of the East and West are highlighted. Prerequisite(s): ENG1020 or ENG1024 or English placement. Offered at Charlotte, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HIST2201 World History Since 1500
Major developments in world history from the 16th century and on are considered, with an emphasis on the impact of ideas and influences from Asia and the New World upon European culture and society and the European impact upon Asia, Africa and the Americas. The various periods and kinds of revolution -- industrial, democratic, political, technological, military and cultural -- are surveyed. Prerequisite(s): ENG1020 or ENG1024 or English placement. Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HIST2205 Food in World History
This course examines the important role that food has played in human history from the Neolithic Revolution to the present. The course analyzes the ways in which historical events and cultural movements (e.g., wars, revolutions, religious conflicts, industrialization, exploration and colonization) have affected the human diet. The course also studies the manner in which dietary constraints and the need or desire for certain foods have, in turn, influenced world history. Prerequisite(s): ENG1020 or ENG1024 or English placement. Offered at Charlotte, Providence, Providence CE 4.5 Quarter Credit Hours

HIST2240 History of the Atlantic World
This course explores the history of the process of globalization from its beginnings in the ancient world to the 21st century. It examines the spread of economic, political, intellectual and religious developments that brought together diverse societies across the world and bound them together in the economic, political, diplomatic and cultural institutions and networks (both formal and informal) that exist today. Topics include colonialism, imperialism, and the exploitation of both free and unfree labor in Latin America, Africa and Asia by industrialized nations. Particular attention is paid to seminal moments in history when peaceful contacts, violent clashes and/or ideological conflict led to new connections or altered existing ones among various regions of the globe. Prerequisite(s): ENG1020 or ENG1024 or English placement. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HIST2300 History of Globalization
This course explores the history of the process of globalization from its beginnings in the ancient world to the 21st century. It examines the spread of economic, political, intellectual and religious developments that brought together diverse societies across the world and bound them together in the economic, political, diplomatic and cultural institutions and networks (both formal and informal) that exist today. Topics include colonialism, imperialism, and the exploitation of both free and unfree labor in Latin America, Africa and Asia by industrialized nations. Particular attention is paid to seminal moments in history when peaceful contacts, violent clashes and/or ideological conflict led to new connections or altered existing ones among various regions of the globe. Prerequisite(s): ENG1020 or ENG1024 or English placement. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HIST2340 History of the Mediterranean World
This course is a survey history of the Mediterranean world — the societies and nations that border the Mediterranean Sea from pre-history to the 1960s. Among the nations and societies to be studied are Portugal, Spain, France, Italy, Greece, the Balkan states, Malta, Cyprus, Turkey, Israel/Palestine, Egypt, Libya, Morocco, Tunisia and Algeria. Focus is on the ways in which the civilizations and nations of the Mediterranean world have interacted with and influenced one another with particular emphasis on religion, gender roles, art and architecture, technological innovation, commerce, migration, slavery, government, political ideology and war. The influence of contacts between the Mediterranean world and the Atlantic and Pacific worlds are also considered. Prerequisite(s): ENG1020 or ENG1024 or English placement. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

HIST2400 History of the Atlantic World
This course examines the development of the Atlantic World from the 15th century to the end of the 19th century. In this course students investigate the connections forged among the major components of the Atlantic World: North America, Latin America, the Caribbean, Africa and Europe. The course examines not only interactions between the “Old” World and “New” World and between the European core and the American and African periphery, but also intra-regional connections between local cultures. Focus is on the development of both trans-Atlantic and intra-regional economies, the Atlantic slave trade and its eventual abolition, the impact of colonization on indigenous communities in the Americas and the Caribbean, the creation of creole societies in the Western hemisphere, and the effect of colonization on gender roles. This course ends with an analysis of post-Atlantic intellectual movements such as the Enlightenment and the Atlantic Revolutions that brought independence to most of the countries of the Western hemisphere by the mid-19th century. Prerequisite(s): ENG1020 or ENG1024 or English placement. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

HIST2420 History of the Mediterranean World
This course is a survey history of the Mediterranean world — the societies and nations that border the Mediterranean Sea from pre-history to the 1960s. Among the nations and societies to be studied are Portugal, Spain, France, Italy, Greece, the Balkan states, Malta, Cyprus, Turkey, Israel/Palestine, Egypt, Libya, Morocco, Tunisia and Algeria. Focus is on the ways in which the civilizations and nations of the Mediterranean world have interacted with and influenced one another with particular emphasis on religion, gender roles, art and architecture, technological innovation, commerce, migration, slavery, government, political ideology and war. The influence of contacts between the Mediterranean world and the Atlantic and Pacific worlds are also considered. Prerequisite(s): ENG1020 or ENG1024 or English placement. Offered at Providence, Providence CE 4.5 Quarter Credit Hours
HIST2440 History of the Pacific World
This course is a survey history of the Pacific world — the societies and nations that border on the Pacific Ocean or that have been active in settling in the Pacific, from pre-history to the 1970s. Among the nations and societies to be studied are China, Japan, Korea, Vietnam, India, Indonesia, Fiji, Tonga, Tahiti, Samoa, New Guinea, Australia, New Zealand, the Philippines, Russia, the United States and Mexico. Focus is on the ways in which the societies, cultures and nations of the Pacific world have interacted with one another with particular emphasis on religion, commerce, exploration, colonization, labor and war, and the effect that these interactions have had on individual societies. The relationships between Europe and Africa and the Pacific world are also studied.
Prerequisite(s): ENG1021 or ENG1024 or English placement. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

HIST3010 Modern History
This course provides an in-depth analysis of the major ideas and forces in the Western world during the 20th century. It reviews significant figures and events, as well as the seminal forces that have led to current conditions.
Prerequisite(s): ENG1021 or ENG1027. Offered at Charlotte, Denver, Providence, Providence CE 4.5 Quarter Credit Hours

HIST3020 A Multicultural History of America
In this class students survey the broad currents of American history through the lens of immigration, race and ethnicity. Beginning with the colonization of North America, students study the experiences of Native Americans and immigrants from diverse points of origin across four centuries. Students use firsthand narratives, period fiction, contemporary journalism, and historical scholarship to interrogate the shifting nature of American identity from colonial “contact” through the present day.
Prerequisite(s): ENG1021 or ENG1027. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HIST3100 Contemporary American History: The United States in a Global Age
This course addresses the recent history of the United States from the end of World War II to the present day, taking as its focus America’s increasingly dominant role in world affairs. It traces America’s rise as a global military and economic power and explores the implications of such might and influence on American culture, foreign policy and liberation struggles here and abroad. Topics addressed include the Cold War, Vietnam War and Iraq War, liberal and conservative presidential politics, and the critiques that emerged from the left and the right.
Prerequisite(s): ENG1021 or ENG1027. (OL) Offered at Charlotte, Denver, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HIST3200 American Government
This course involves an examination of the political and governmental system of the United States, the principles upon which it is founded, and the institutions and systems which comprise it. Topics to be discussed are constitutional foundations, federalism, political parties, public opinion, interest group activities, civil liberties and decision-making in institutions of American national government, such as Congress, the presidency and the Supreme Court.
Prerequisite(s): ENG1021 or ENG1027. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

Hospitality Management (HOSP) Courses

HOSP1001 Orientation to the Hospitality Industry
This course is an introduction to the various segments within the hospitality industry (lodging, food service, travel and tourism, and sports, entertainment and event management). Students are prepared to apply sound management principles to the challenges encountered within the industry. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HOSP1015 Managing the Hotel Guest Experience
This course familiarizes students with the foundations of managing the guest experience within a hotel rooms division. Students focus on the critical management components and operational procedures of the front-of-the-house including: management of guest expectations, selling guest rooms and services, rooms forecasting, basic revenue management, teamwork, and interdepartmental relationships.
Prerequisite(s): FSM1001 or FSM3001 or HOSP1001 or SEE1001. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HOSP1080 Technology in the Tourism/Hospitality Industry
This introductory course provides students with comprehensive knowledge of the various information systems in the hospitality industry. Students gain a basic understanding in the use of property management systems, global distribution systems, point of service systems, internet distribution systems, mobile apps, and any other current technology available to the travel, tourism and hospitality industry. In addition, students learn about future technological trends in the industry.
Prerequisite(s): TRVL1010 or TRVL1011 or TRVL2801. (OL) Offered at North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HOSP2011 Hospitality Sales and Meeting Management
This course familiarizes students with the scope of sales, meeting and convention management within the hospitality industry. The reciprocal relationship between selling and service is presented within the context of hospitality marketing practices. 
Prerequisite(s): FSM1001 or FSM3001 or HOSP1001 or MRKT1001 or SEE1001, sophomore status. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HOSP2050 International Tour and Hotel Operations
This course is taught only on a campus outside of the United States during a term abroad program. The course focuses on cultural, political, legal and economic forces and their impact on tourism and how hospitality management practices differ among countries. Students plan and participate in a variety of tours and professional site visits in order to gain first-hand knowledge of the international travel experience.
Prerequisite(s): Must be accepted in Study Abroad program. Offered at Charlotte, Denver, North Miami, Providence, Providence CE 9-13.5 Quarter Credit Hours

HOSP3005 Leading Service Excellence in the Hospitality Industry
This upper-level guest service management course is designed to familiarize the student with principles of leading change, process improvement methodologies and how they affect organizations, and employees within hospitality organizations. Focusing exclusively on the unique challenges of the intangible service delivery requirements of the hospitality industry, this course incorporates Six Sigma and Lean methodologies. Emphasis is on root cause identification, problem-solving techniques, process effectiveness measurements in the service environment, and decision-making skills using relevant analytical tools.
Prerequisite(s): Junior status. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HOSP3012 Sustainable Hotel Support Operations
This course gives students a working knowledge of hotel support services, including facilities operations within a lodging context. Essential elements of engineering, housekeeping, and safety and security are discussed from a sustainability perspective. Students focus on managerial, financial and legal issues related to these departments. Current issues of sustainable operations with regard to environmental, social and ecological aspects affecting the hospitality industry are addressed.
Prerequisite(s): HOSP1015. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

Travel Tourism (TRVL) Courses
HOSP3060 Private Club Management
This upper-level course examines the private club industry and its specific challenges. Emphasis is placed upon the manager's role with the governing board, membership, staff and management of the clubhouse and recreation activities.
Prerequisite(s): FSM1001 or FSM3001 or HOSP1001 or SEE1001. (HY) Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

HOSP3065 Hospitality Security and Risk Management
This course is designed to familiarize the student with the various elements of risk management throughout the hospitality industry. It is intended to supply the student with a strong foundation in the elements necessary to provide a safe and secure venue and to reduce ownership liability.
Prerequisite(s): Junior status. (OL) Offered at Charlotte, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HOSP3075 Hotel Strategic Marketing and Brand Management
This is an upper-level course focusing on hotel strategic planning, brand management and the use of integrated marketing communications to build relationships. Topics include strategic planning, consumer/organizational buying, market segmentation/targeting/positioning, brand strategies and digital marketing.
Prerequisite(s): HOSP1015, MKRT1001. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HOSP3077 Revenue Management
This course examines and illustrates the strategies, principles and techniques of revenue management as they relate to lodging, travel/tourism, food service and facilities management. The relationship between accurate forecasting, overbooking, reservation systems, marketing issues, pricing and e-commerce as they relate to financial decision making is investigated. Students are required to analyze revenue management scenarios.
Prerequisite(s): ECON1001 or ECON1002, HOSP1010 or HOSP1015. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HOSP3085 International Hotel Operations, Development and Management
This course focuses on the development and management of multinational hotel properties. Students will participate in a week-long study abroad experience. Students learn the skills and abilities necessary to become a global hospitality manager, including managing a diverse, multicultural staff; developing strategies to satisfy international guests; and working as an expatriate manager. Trends in the global hotel industry are also examined.
Prerequisite(s): MGMT2001, junior status. Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HOSP3087 International Hotel Development
The course focuses on the development and management of multinational hotel properties. Students learn the skills and abilities necessary to become a global hospitality manager, including managing a diverse, multi-cultural staff; developing strategies to satisfy international guests; and working as an expatriate manager. Trends in the global hotel industry are also examined.
Prerequisite(s): MGMT2001, junior status. Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HOSP3089 International Hotel Operations, Development and Management
This course focuses on the development and management of multinational hotel properties. Students learn the skills and abilities necessary to become a global hospitality manager, including managing a diverse, multi-cultural staff; developing strategies to satisfy international guests; and working as an expatriate manager. Trends in the global hotel industry are also examined.
Prerequisite(s): MGMT2001, junior status. Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HOSP3420 Introduction to Residential Property Operations Management
This course familiarizes students with the foundations of managerial competencies necessary to direct and supervise property-related duties involving such residential properties as condominiums, apartments and long-term care facilities. Students learn to manage operations and resolve issues and problems encountered in day-to-day management situations in any type of residential organization.
Prerequisite(s): MGMT1001, MGMT2001. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HOSP3440 Resort, Vacation Ownership and Spa Management
This course examines the concepts and issues regarding resort management in such areas as ski, beach and golf resorts. The principles and concepts of the marketing and management of vacation ownership properties and spas are covered.
Prerequisite(s): Junior status. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HOSP4011 Hospitality Management Consulting
This upper-level course is designed to give students insight into management consulting for enterprises in the hospitality industry. Using a variety of teaching methods, including the case study approach, simulated consulting assignments are introduced into the classroom to fine-tune the critical thinking and decision-making abilities of the student. The spectrum of management consulting providers, ranging from large international firms to sole practitioners, is reviewed.
Prerequisite(s): (ACCT3020 or ACCT3025 or FISV2000 or FISV2010 or FISV3001), (FMS3075 or HOSP3050 or HOSP3075 or MRKT3045 or TRVL4011 or (SEE3010 and SEE3160)). Offered at Providence, Providence CE 4.5 Quarter Credit Hours

HOSP4012 Developing and Managing a Small Hospitality Lodging Property
This course is designed to familiarize students with the challenges and rewards of the entrepreneurial development and management of a small lodging property. Concepts for establishing the business, financial operations, daily operational procedures and marketing the business are covered.
Prerequisite(s): ACCT1210, FMS3075 or MRKT1001. Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

HOSP4040 Hotel Asset Management
This course focuses on the issues related to the maximization of hotel asset value. Processes of feasibility analysis and benchmarking are covered. Capital investment decision tools, value proposition of franchising and marketing affiliations, and the role of the asset management professional in the hotel environment are also discussed.
Prerequisite(s): HOSP3077 (or concurrent). (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

HOSP4060 Hospitality Strategy Design and Execution Seminar
This senior-level capstone course is designed to give students insight into hospitality strategy. Using a variety of teaching methods including the case study approach, realism is introduced into the classroom, improving the critical thinking and decision-making abilities of students both individually and within the framework of a team.
Prerequisite(s): ACCT3020 or ACCT3025 or FISV2000 or FISV2010, FMS3075 or HOSP3050 or HOSP3075 or MRKT1001, senior status. (HY) (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

Information Technology (ITEC) Courses
ITEC1000 Help Desk Concepts
This introductory course provides students with an overview of the topics relevant to working at a help desk or customer support center. Four major components are covered: people, processes, technology and information. Emphasis is placed on the design and management of each component as an integral and mandatory part of the support function.
Offered at Providence, Providence CE 4.5 Quarter Credit Hours

ITEC1020 Introduction to Data Communications
This is an introductory course to the concepts and components of a data communications system. Hardware and software features are reviewed to present the elements of and interactions in a data communications network. Communications interfaces, industry standards and communications protocols are presented in reference to understanding the actual throughput of data in a communications environment. Students are introduced to network topologies and their various application areas. (OL) Offered at Online, Providence, Providence CE 4.5 Quarter Credit Hours
ITEC2081 Network Protocols I
This course develops students’ knowledge of computer networks, network appliances and network protocols. They are introduced to methods of developing protocols, including interpretation of standards, finite state machines and state-full transition. Students gain a conceptual framework useful in the adaptation of network protocols to network appliances and internetworking design. Through the use of network protocol analyzers students conduct in-depth examinations of the 802.3, ARP, IP (versions 4 and 6), ICMP and RIP protocols. Comparison of protocols is made by type. Students develop a basic understanding of the software paradigms used to construct protocols. In homework and lab assignments, students develop skill competencies needed to troubleshoot protocol issues. Students connect, configure and program a range of network devices; work with network protocol analyzers; examine the software internals of protocol implementations; and map the path of a data packet on a network.
Prerequisite(s): CSS11101 or CSIS1020. (OL)
Offered at North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ITEC2082 Network Protocols II
This course expands on the core network engineering and protocol concepts developed in Network Protocols I through an in-depth examination of the Internet Protocol (IP), RIP II and OSPF, ICMP, and VOIP. Students examine the details of software implementation of these protocols. Students understand the interplay of these protocols and the associated end node, enterprise, autonomous region and Internet backbone structures in support of efficient and effective movement of information across the Internet. Students use network design simulation software to explore the complex interactions of these protocols with each other and with the architectures they support.
Prerequisite(s): ITEC2081, MATH2001 (or concurrent).
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC2090 IT Call Management Systems
This course explores in detail the processes and the underlying related technologies and techniques that are used in industry settings in order to deliver better customer support. Students gain practical knowledge in an industry standard call management software package. Through a combination of lecture and lab-based work, they become familiar and adept in activities related to telephone customer service skills, call logging, call and work assignment, monitoring and management, report creation and utilization, and asset management.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3020 Information Science I
This course provides a general introduction to information science. Topics include an introduction to information systems, the role of information in organizations and decision making and the role of computers in information processing.
Prerequisite(s): FIT1000 or FIT1012.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3040 Systems Analysis
This course presents a systematic approach to the development of business systems. By following this approach, students learn to design business systems that efficiently meet the goals and objectives of management. A major element of this course is a team project, where students utilize the systems approach in analyzing and designing a business system. This class is required for majors in this program and highly recommended for non-computer majors.
Prerequisite(s): CSIS1112 or FIT1014 or FIT1040.
Offered at North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3050 Information Security
This course presents all aspects of computer and information security including data encryption, zero-knowledge based proofs, public key coding and security procedures. This course makes students aware of the various threats to computers and data and identifies methods and techniques for providing counter-measures to those threats. (OL)
Offered at North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3070 Systems Modeling and Simulation
This course addresses the process of modeling systems, including business systems, network systems, dynamic vehicle systems and client-server systems, to name a few. The modeling process is the prerequisite for the simulation and subsequent analysis, design and assessment of a system with respect to specific performance criteria. The roles of modeling in simulation are presented within the context of the systems engineering process. Modeling encompasses everything from functional through mathematical modeling; simulation includes the development and use of software for systems analysis and design. Team projects from students’ areas of interest are an integral part of the course.
Prerequisite(s): MATH2001. (OL)
Offered at North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3075 Network Security
This course provides the students with a comprehensive introduction to the field of network security. Critical network security aspects are identified and examined from the standpoint of both the user and the attacker. Network vulnerabilities are examined, and mitigating approaches are identified and evaluated. Concepts and procedures for network risk analysis are introduced. Network architectures and protocols and their impact on security are examined. TCP/IP security is examined in conjunction with the IPSec and IKE protocols. Integration of network and computer security is introduced. The course also discusses the building of trust networks, key management systems, and physical network security. The course emphasizes the implementation of intrusion detection and prevention methods.
Prerequisite(s): ITEC2081, ITEC3050.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3080 Information Management
Information management techniques are presented with an emphasis on file-accessing methods, database systems, text retrieval systems, paperless computing and the Internet. The management of records on stand alone and networked systems is examined along with the issues relative to managing information on the World Wide Web. Students are made aware of the various theories and options available for text and information storage and retrieval. Security and communication issues are covered along with the issues related to the World Wide Web.
Prerequisite(s): ITEC3020.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3083 Wireless Networking
This course covers the design and implementation of wireless networks and mobile systems. Students are acquainted with best industry practices and standards. Topics include practical wireless communication systems, cellular and wireless mesh networks, antenna theory, signal transmission basics, wireless network security, and management. This course also discusses recent advances in wireless such as network coding, interference alignment and cancellation, and emerging security and management techniques.
Prerequisite(s): ITEC2082 or ITEC2085, MATH2020.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3085 Systems Design
This course is both a theoretical approach to the development of information systems as well as an immersion into the real-world implementation in the context of a business case. The student learns the basic design tools, as well as gains an appreciation for the larger context of the organization in which the application generates value. Readings and case studies highlight the need to consider systems integration issues, external constraints in the form of regulatory issues, organizational process change, learning and training requirements as well as development of a systems maintenance and obsolescence plan.
Prerequisite(s): ITEC3040.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
ILS2003 The American Dream
This course will address the broad theme and question of "What is the American Dream" and also ask "Have we achieved it?" "Has it changed" and, "what is the cost of pursuing it?" We will explore this topic through various themes, including "Manifest Destiny," "The Immigrant Experience," "Civil Rights," "Gender Rights," "The Pursuit of Happiness," "Work and Business," and "Class and Culture." While this course will primarily be a literature course, it will use a multidisciplinary approach to explore this topic from various perspectives, including history, economics, ethics, culture, psychology, and political science.
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status. (OL)
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

ILS2010 Modern Identities: 20th Century Literature and Beyond
This integrative learning course explores the relationships between modern world literature and its historical, social and/or political contexts through the study of the 20th century literary works. Fiction, poetry, drama and/or the essay are used as vehicles for exploring major movements, trends and events of the 20th century. Themes of racial, ethnic and gender identity, political opposition and/or war are explored. Emphases vary.
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status. (OL)
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

ILS2090 The Working Life
This course focuses on the important and complicated role of work for individuals and societies. One of the most common everyday questions is, "What do you do for a living?" That question, when thoroughly examined, reveals a great deal about how people view themselves and each other, and how much work shapes the human experience. Through the lenses of history, sociology and literature, students examine how working lives have changed over time, the experience of the worker in various contexts and how work shapes identity.
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status. (OL)
Offered at Online, Providence, Providence CE 4.5 Quarter Credit Hours

ILS2110 The Atomic Age
This course provides an overview of how the emergence of nuclear science (and the catastrophic consequences of its military use on Japan to end the Second World War) marked the beginning of an Atomic Age. How is it that the world's greatest scientific thinkers could produce a technological innovation capable of destruction on a global scale? From August 1945 forward, no longer could one draw simple connections between "science" and "progress." And yet nuclear developments continued to shape every aspect of human existence: from international diplomacy and energy policy to the "nuclear family" and popular culture. Drawing on scientific discourse, world history, international relations theory, Cold War studies, policy analysis, energy and environmental studies, and gender and cultural studies, this course explores the multiple ways in which we continue to live in an Atomic Age.
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status. (OL)
Offered at Denver, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ILS2140 History of Science
This course explores human thought about the natural world from the earliest civilizations to the present. Students investigate a central question: From where did our ideas about the scientific process arise? At the heart of this course is the idea that science and technology are not isolated from the rest of society. Rather, they are shaped by historical and societal forces even as they influence civilization. In this course, students discuss the evolution of great scientific ideas of the past and the effects of religious, political, economic and social contexts on the development of scientific principles. Through close reading, analysis, discussion and integration of primary and secondary source materials, students make connections among the disciplines of history, theology, philosophy and science.
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status. (OL)
Offered at North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ILS2150 Introduction to American Studies
This course introduces students to the major themes in American culture, both past and emerging. Students are given a sense of the tensions running through the identity and image of Americans here and around the world. As an integrative learning seminar, this course also serves as an introduction to the idea and practice of interdisciplinary scholarship. This course gives students a wide range of tools to make sense of what America is, has been and can be. Topics include traditional disciplines that help illuminate American culture. Focus is on art, music, literature, history and anthropology.
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status.
Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

ILS2180 Sexuality: Science/Culture/Law
Since 1950, there have been multiple revolutions in the way sexuality is conceptualized. In biology, evidence has mounted that sexual orientation is genetically and physiologically hardwired rather than a choice or preference. Literature and popular culture have moved from portraying homosexuality as a joke to treating it as a serious topic of personal liberation. The law has moved from criminalizing homosexual acts to granting same-sex marriage licenses. This course explores the links, or lack thereof, between these different developments. Is law more open to sexual variety because of the findings of brain science? Is popular culture more inclusive because of the increased economic clout of non-straights? Or did these things occur independently? How do we relate these developments to the post-structural analysis of sexuality that sexual identity is a modern invention?
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status.
Offered at Charlotte, Denver, Providence, Providence CE 4.5 Quarter Credit Hours

ILS2213 The Earth in Peril: A Literary and Scientific Analysis
This course examines environmental issues created by unrealistic views about the earth's capabilities. Relationships among people, environments and natural resources are analyzed through literature and scientific writings. Students examine why and how world views affect the natural world's destruction and preservation.
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

ILS2235 Economics of Sin
This course integrates economic, sociological and psychological principles to examine price gouging, cheating, illegal drugs, sex and gambling. Emphasis is on examining these "sinful" behaviors in the context of moral development and theories of motivation. Students also examine how government seeks to change and penalize such behavior and the consequences of these interventions.
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status. (OL)
Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ILS2280 Sexuality: Science/Culture/Law
Since 1950, there have been multiple revolutions in the way sexuality is conceptualized. In biology, evidence has mounted that sexual orientation is genetically and physiologically hardwired rather than a choice or preference. Literature and popular culture have moved from portraying homosexuality as a joke to treating it as a serious topic of personal liberation. The law has moved from criminalizing homosexual acts to granting same-sex marriage licenses. This course explores the links, or lack thereof, between these different developments. Is law more open to sexual variety because of the findings of brain science? Is popular culture more inclusive because of the increased economic clout of non-straights? Or did these things occur independently? How do we relate these developments to the post-structural analysis of sexuality that sexual identity is a modern invention?
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status.
Offered at Charlotte, Denver, Providence, Providence CE 4.5 Quarter Credit Hours

ILS2213 The Earth in Peril: A Literary and Scientific Analysis
This course examines environmental issues created by unrealistic views about the earth's capabilities. Relationships among people, environments and natural resources are analyzed through literature and scientific writings. Students examine why and how world views affect the natural world's destruction and preservation.
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

ILS2235 Economics of Sin
This course integrates economic, sociological and psychological principles to examine price gouging, cheating, illegal drugs, sex and gambling. Emphasis is on examining these "sinful" behaviors in the context of moral development and theories of motivation. Students also examine how government seeks to change and penalize such behavior and the consequences of these interventions.
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status. (OL)
Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours
ILS2370 Obesity
This course considers the now global problem of obesity from biological, psychological and sociological perspectives. Since the 1970s there has been a rapid increase in the incidence of overweight and obese individuals in the United States with 65 percent of adults now overweight. Childhood obesity rates have tripled in the last 20 years, producing the first generation of Americans who are predicted to have a shorter life span than their parents. The obesity epidemic is widely acknowledged in the United States, but in the past two decades, this problem has also spread to developing countries as they accelerate their nutrition transition to more mass-produced and processed foods. The roles of government and business are explored, influencing access to foods and in defining obesity vs. health. The study of this now global problem is relevant from a personal health perspective as well as a political and economic perspective. Individuals empowered with knowledge can modify their own food environments and that of their children. A well-educated populace may wish to support initiatives to make progress on this societal problem to avoid economic losses in productivity and healthcare costs that will compromise America's competitiveness.
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status.
Offered at Denver, North Miami, Online, Providence, Providence CE (OL)
4.5 Quarter Credit Hours

ILS2385 Visual Literacy and the Sociology of Perception
This course studies human perception of the social world from both a communications and sociological perspective. Elements of picture-based media as a means of molding cultural perceptions, social biases and personal views of reality are studied. Through a series of exercises, students critically examine images in art, still photographs, television, advertising, film and documentaries to determine their sociological messages. Using the language of visual literacy and an understanding of perception, students test assumptions about their world.
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status.
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE (OL)
4.5 Quarter Credit Hours

ILS2390 The XX Factor
The XX Factor takes an integrative learning approach to gender role development that foregrounds psychology and literature. This approach provides multiple lenses through which to examine current and historical concepts of women's psychological and social development. It prioritizes close textual analysis of gender identity and sexuality as figured in literature across a broad spectrum. The course considers both conformity and resistance to societal biases, stereotyping, and the imposition of gender and sexual norms. In doing so, it promotes critical thinking about the diverse possibilities for women's identities.
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE (OL)
4.5 Quarter Credit Hours

ILS2435 Leonardo da Vinci: Culture, Art and Math
This course covers a portion of the movement in Europe known as the Renaissance. It explores the works of one particular man, Leonardo da Vinci, and how his insatiable hunger for understanding impacted the culture of Florence and Milan, Italy. The course begins by examining da Vinci himself and his place in society, then moves on to examine some of his works of art and writings on architectural design and war machines culturally, historically and mathematically.
Prerequisite(s): ENG1020 or ENG1024 or English placement, MATH1002 (or higher), sophomore status. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE (OL)
4.5 Quarter Credit Hours

ILS2440 Logic, Reasoning and Nonsense: How to Tell the Difference
This course introduces students to logic, a discipline that straddles public policy, philosophy, law and mathematics. Students are empowered to use logic in their personal and professional lives to make informed decisions, identify invalid arguments and debate current topics. Topics include formal structures of thought as they can be readily applied to the organization of thought in written and spoken language. Students identify the logical errors or fallacies that are most frequently made in written and oral discourse.
Prerequisite(s): ENG1020 or ENG1024 or English placement, MATH1002 (or higher), sophomore status.
Offered at Denver, North Miami, Providence, Providence CE (OL)
4.5 Quarter Credit Hours

ILS2450 The Mathematics of Art
This course examines the use and appearance of mathematical principles and structures in art, architecture, sculpture and music throughout the history of the Western world. Topics include the Golden Ratio, the Fibonacci Sequence, linear perspective, two- and three-dimensional geometry, and the arithmetic behind music and music composition.
Prerequisite(s): ENG1020 or ENG1024 or English placement, MATH1002 (or higher), sophomore status.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ILS4110 Capital Punishment in America
From the colonization of America to the present, over 18,000 individuals have been executed under lawful and/or territorial authority. This course reviews the use and application of capital punishment in the United States from the colonial period to the present. Emphasizing the multidisciplinary approach, it assesses the rationales and justifications for state-sponsored executions and the efficacy of that reasoning in the modern world. The course examines the historical, social, ethical, judicial, legislative and political events that have led to the present patchwork approach to executions in the United States.
Prerequisite(s): ENG1021 or ENG1027, LAW2001, any ILS 2000-level course, senior status.
Offered at Denver, Online, Providence, Providence CE (OL)
4.5 Quarter Credit Hours

ILS4113 Coming on Strong: A Cultural Approach to Diet, Health and Fitness
This course takes a chronological approach to the topics of diet, health and fitness, and examines how scientific, religious, philosophical and cultural ideas regarding health and fitness have changed over time. Students investigate how changing ideas regarding gender and ethnicity, economic and technological changes, scientific discoveries, political ideology, and religious and philosophical beliefs have influenced and been influenced by concerns with health and well-being.
Prerequisite(s): ENG1021 or ENG1027, any ILS 2000-level course, senior status.
Offered at Denver, Providence, Providence CE (OL)
4.5 Quarter Credit Hours

ILS4115 Contemporary Approaches to Classical and World Mythology
This course introduces students to classical and world mythology in order to understand the eternal, timeless nature of universal archetypes and themes while also exploring how they acquire new, contemporary meanings. Students learn to interpret myth using elements of literature as well as through the theories of myth interpretation. From Homer to Harry Potter, emphasis is placed upon analysis of primary readings as well as their interpretations within the context of a variety of disciplines. Class discussions and student writing encourage critical thinking, synthesis and application of the terminology of the study of mythology.
Prerequisite(s): ENG1021 or ENG1027, any ILS 2000-level course, senior status. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE (OL)
4.5 Quarter Credit Hours

ILS4119 Mythology: The Quest for Understanding in Ancient and Modern Times
This course offers an introduction to the study of mythological thought and its influence on human behavior. It explores the interplay between myth and reality and the role of myth in the human experience. The course investigates the development of myth from prehistoric times through modern interpretations.
Prerequisite(s): ENG1021 or ENG1027, any ILS 2000-level course, senior status.
Offered at Providence, Providence CE (OL)
4.5 Quarter Credit Hours
ILS4130 History of Digital Art
This course surveys the emerging world of digitally originated and exhibited artwork. A wide range of digital art formats are examined, including (but not limited) to 2-D, 3-D, motion, interactive, immersive, sensor-based, internet-based and “gamification.” Key art historical influences in the technology of art creation from the Renaissance to the 21st century are explored. Major art periods such as Fluxus, Conceptual, Dada and Post-Modernism are reviewed as they relate to the development and growth of the late 20th-century digital art movement. Students investigate the history and growth of international public art paradigms and practices and their connections to digital art through civic, public and private institutions. Students also examine the relationship between digital art and the industry of creative design and media. Through active visual research of curated digital art pieces students discover a wide array of critically noted digital artists and their work. Finally, students consider the new aesthetics of digital art, comparing and contrasting them to more conventional art formats and exhibition models. Prerequisite(s): ENG1021 or ENG1027, any ILS 2000-level course, senior status. (OL) Offered at Denver, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ILS4140 The Legal Imagination
This course introduces students to the textual nature of the law. Through intensive study of literary, persuasive and legal texts, students explore the commonalities between what we call “literature” and what we call “law.” Students begin to see the “constitutive rhetoric” of those texts, through which an author creates a social and political community with words. Prerequisite(s): ENG1021 or ENG1027, any ILS 2000-level course, one LAW-designated course, one LIT-designated course or MCST2030, senior status. Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

ILS4170 Passion, Power and Principle: Lessons at Play in Shakespeare
This course employs the still-relevant insights of the Shakespearean canon as a means of understanding and resolving contemporary ethical dilemmas, social tensions and the conflicting demands of citizenship in today’s world. Focus is on the resolution of moral dilemmas involving divisions of power, the use of authority, familial obligations and conflicting loyalties. This course takes an integrative learning approach that draws on literature, philosophy (ethics) and history to promote analysis and meaningful comparisons between the problems confronted in the world of Shakespeare’s plays (and the society they reflect) and those faced by us today. Prerequisite(s): ENG1021 or ENG1027, any ILS 2000-level course, senior status. Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

ILS4176 Sports in Film and Literature
This interdisciplinary course focuses on the significant inspiration of athletic endeavors upon the literary and cinematic imagination. Writers of fiction and nonfiction, prose writers and poets have discovered in the athletic experience a useful metaphor to express the purpose and meaning of life. Modern film explores both the realism and romanticism of sports in popular culture. This course is designed to acquaint the student with the essence of games as myth and metaphor and develop an appreciation of the historical context in which the stories are constructed and heard. The interdisciplinary considerations of history and culture allow for a richer understanding and appreciation of sports and sports literature. Prerequisite(s): ENG1021 or ENG1027, any ILS 2000-level course, senior status. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ILS4180 Things That Go Bump In the Night: An Interdisciplinary Approach to the Supernatural
This course explores the deeper meanings of supernatural creatures in works of film and literature from the perspectives of history, science, philosophy, literature and film. The course addresses the question of why certain supernatural creatures (e.g., vampires, zombies, werewolves, ghosts, the demonically possessed, Frankenstein’s monster and extraterrestrial creatures) have featured so prominently in human thought, human fears and works of literature and film from antiquity to the present day. In doing so, the course addresses the historical context in which such beliefs have arisen and how they have changed. Students are encouraged to apply interpretive skills to an analysis of supernatural creatures with which they are familiar and to draw connections between the monsters of the 21st century and societal changes and hidden conflicts in the contemporary world. Prerequisite(s): ENG1021 or ENG1027, any ILS2000-level course, senior status. (OL) Offered at Charlotte, Denver, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ILS4190 The Problem With Evil
This course takes an interdisciplinary approach to the examination of evil as a concept that has fascinated and horrified humans throughout history. Through religions, social norms, philosophies and literatures, people have attempted to define evil in order to explain, and make meaningful, aspects of life that seem otherwise incomprehensible or unbearably senseless. The course explores the construction and uses of evil as a defining term, and its impact on nations, communities and individuals. Students read a wide range of texts across broad historical and cultural spectrums, looking for the answers to this question that continues to perplex and captivate us. Prerequisite(s): ENG1021 or ENG1027, any ILS 2000-level course, senior status. (OL) Offered at Charlotte, Denver, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ILS4302 Abuse of Power: Corruption in Contemporary Society
This course examines how (in the hands of certain individuals and groups and under “favorable” social, political, historical and economic conditions) the abuse of power and corruption impacts lives in all social strata. Students analyze this question and propose research-based recommendations for transforming dysfunctional systems into sustainable and productive models. Prerequisite(s): ENG1021 or ENG1027, any ILS2000-level course, senior status. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ILS4320 (De)Constructing Race and Color
This course addresses the racialization processes involved in the social construction of the color of race — White, Yellow, Brown, Red and Black — through interdisciplinary studies including the arts, humanities, social sciences, biology, law and education. The course identifies the key parameters of the racialization process (historical subjugation through involuntary immigration and migration, voluntary immigration, prejudice, stereotypes, scientific racism, cultural racism, and systemic) of institutional racism and how various groups in the United States were raced into a color. Students are tasked with thinking about why race matters within educational, economic, political and social institutions. The course involves intentional discourse on the complexity of the color of race through scientific interrogation, analysis and interpretation of the course materials to understand the social construction of the color of race and how race can be deconstructed in the 21st century. Prerequisite(s): ENG1021 or ENG1027, any ILS2000-level course, senior status. Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

ILS4430 Explorations in Symmetry
This course introduces the student to the basic concept of symmetry and its important role as a unifying agent in the understanding of mathematics, nature, art, architecture and music. Topics covered include an introduction to group theory, the mathematical language of symmetry, transformations, general symmetry principles and applications. Prerequisite(s): ENG1021 or ENG1027, any ILS 2000-level course, MATH1040 or MATH2001 or MATH2010 or MATH2020, senior status. Offered at Charlotte, Providence, Providence CE 4.5 Quarter Credit Hours
International Business (IBUS) Courses

IBUS2002 International Business
This course is designed to provide structured approaches for analyzing the rapidly evolving field of international business. Topics include the nature of international business, the international monetary system, the foreign environment, and strategies of how management can deal with environmental forces. Selected case studies should encourage students to evaluate and discuss courses of action taken by companies and industries in the global marketplace. Theoretical foundations of international business and real-world scenarios help prepare students to operate more effectively in the changing global business environment.
Prerequisite(s): ECON1001. 
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 
4.5 Quarter Credit Hours

IBUS2030 Foreign Area Studies
This course is designed as a seminar course with topics changing from term to term, depending upon the dynamics of change in key global markets. Topic areas include China (IBUS2031), Pacific Rim (IBUS2032), Latin America (IBUS2033), Russia (IBUS2034), Eastern Europe (IBUS2035) or Africa (IBUS2036). The course is structured to focus on four primary components: business, economics, politics and culture, essentially in this priority.
Prerequisite(s): ECON1001. 
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 
4.5 Quarter Credit Hours

IBUS2031 Foreign Area Studies: China
This course is designed as a seminar course with topics changing from term to term, depending upon the dynamics of change in key global markets. Topic area includes China.
Prerequisite(s): ECON1001. 
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 
4.5 Quarter Credit Hours

IBUS2032 Foreign Area Studies: Pacific Rim
This course is designed as a seminar course with topics changing from term to term, depending upon the dynamics of change in key global markets. Topic area includes Pacific Rim.
Prerequisite(s): ECON1001. 
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 
4.5 Quarter Credit Hours

IBUS2033 Foreign Area Studies: Latin America
This course is designed as a seminar course with topics changing from term to term, depending upon the dynamics of change in key global markets. Topic area includes Latin America.
Prerequisite(s): ECON1001. 
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 
4.5 Quarter Credit Hours

IBUS2034 Foreign Area Studies: Russia
This course is designed as a seminar course with topics changing from term to term, depending upon the dynamics of change in key global markets. Topic area includes Russia.
Prerequisite(s): ECON1001. 
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 
4.5 Quarter Credit Hours

IBUS2035 Foreign Area Studies: Eastern Europe
This course is designed as a seminar course with topics changing from term to term, depending upon the dynamics of change in key global markets. Topic area includes Eastern Europe.
Prerequisite(s): ECON1001. 
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 
4.5 Quarter Credit Hours

IBUS2036 Foreign Area Studies: Africa
This course is designed as a seminar course with topics changing from term to term, depending upon the dynamics of change in key global markets. Topic area includes Africa.
Prerequisite(s): ECON1001. 
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 
4.5 Quarter Credit Hours

IBUS2040 International Culture and Protocol
This course focuses on cultural diversity. Students gain knowledge of international cultures and protocol, which are the critical building blocks of success in conducting business internationally. The ability to build bridges between people from different countries and with different ethnic backgrounds is emphasized in this course.
Prerequisite(s): MGMT1001, sophomore status. 
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 
4.5 Quarter Credit Hours

IBUS3055 International Resource Management
Slow economic growth and sovereign debt mark an era of economic and managerial reorientation and renewal. Students will explore the opportunities of efficient resource use and innovation as a creative response to changed international economic and trade conditions. The course will analyze environmental realities on 5 continents and use methods of environmental economics and business management to explore the effects of trade patterns and their impact on the quality of life internationally. Alternative approaches to energy production, trash management, and other resource relevant issues will be discussed. Students completing this course will have a better understanding of the new, post-material economy and its demands on individual and managerial change.
Prerequisite(s): IBUS2002 or ECON1002, junior status. 
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 
4.5 Quarter Credit Hours

IBUS4023 International Marketing Communications Seminar
This course allows students to prepare an integrated marketing communications case for a multinational organization and make a presentation of their recommendations to that host organization and/or their advertising agency abroad. The plan includes recommendations based on primary and secondary research findings, as well as a fully integrated marketing communications plan. Upon completing the initial stage of the case, students travel to the international partner site where they continue to work on the implementation of this plan. Faculty from both Johnson & Wales and the partner work with students on the case.
Prerequisite(s): ADVC2001. 
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 
4.5 Quarter Credit Hours

IBUS4082 Operations Management and Process Improvement Abroad
In this course, students actively participate in an operations continuous improvement project with an international corporation abroad. Hosted by an international partner, students spend a week in classes and lectures, preparing for an intensive project week. Students focus on a continuous improvement and cost management project, working directly with the corporation's executives and staff. Along the way students have a chance to tour the host country and visit key cultural sites. This experience provides a professionally focused work experience in their future field and opportunities to learn about cultural barriers when working with an international management team.
Prerequisite(s): MGMT2030 or ACCT3031, 3.0 cumulative GPA. 
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 9 Quarter Credit Hours

IBUS4083 International Marketing Communications Abroad
Students work on an international marketing campaign and make a presentation of their recommendations to the host organization and/or their advertising agency abroad. The plan includes recommendations based on primary and secondary research findings, as well as a fully integrated marketing communications plan. Students continue to work on the implementation of this plan at the international partner site. Faculty from both Johnson & Wales and the partner work with students on the case.
Prerequisite(s): ADVC2001, IBUS4023. 
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 9 Quarter Credit Hours
IBUS4091 Economics and Trade in an International Context
This course is taught only as part of a short-term summer study abroad program. Students examine international economics and business, management, entrepreneurship and comparative economics and issues such as international trade and foreign exchange. Before departure, students explore basic of the host country history and culture to help understand country better and learn the context for people, society and international business. While in the host country, students discuss case studies and take lectures offered by professors and business people. Classroom-based presentations are augmented with frequent excursions to various business, government and financial institutions.
Prerequisite(s): 2.75 cumulative GPA, 90 credit hours of completed coursework.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 13.5 Quarter Credit Hours

IBUS4093 Intercultural Management in the Korean Context
This course is taught as a short-term summer study abroad program. Students are placed in an international context to study how culture impacts management practices while developing their own intercultural management competencies through the study of intercultural management theories and practice. Differences between the United States and South Korean practices are analyzed. Industry visits, cultural excursions and experiential projects are included in the course to provide students with a comprehensive and immersive learning experience.
Prerequisite(s): LAW2001 or LAW2010. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 13.5 Quarter Credit Hours

IBUS4150 Intercultural Management
This faculty-led course places students in an international context to study how culture impacts management practices while developing their own intercultural management competencies through the study of intercultural management theories and practice. Differences between the United States and the host country’s practices will be analyzed. Industry visits, cultural excursions and experiential projects are utilized in the course to provide students with a comprehensive and immersive learning experience, while challenging the students to apply and reflect upon the topics studied. Host country (or countries) are dependent on the lead faculty and the desired geographic area of study. The course is open to all students who meet the criteria.
Prerequisite(s): MGMT1001.
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5-13.5 Quarter Credit Hours

Law (LAW) Courses

LAW2001 The Legal Environment of Business I
This course provides an overview of the legal, regulatory and ethical environment in which business decisions must be made. Students are exposed to a variety of legal topics; basic concepts, such as court procedures, contracts and torts, are followed by a selection of more advanced related fields which may include sales, intellectual property, real property law, constitutional law and alternate dispute resolution. Attention is paid to both the letter of the law and its practical effect on business decision-making and managerial policy. This course relies on, and develops, the student’s ability to read and reason critically.
Prerequisite(s): Sophomore status. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

LAW3015 Criminal Procedure
This course presents an overview, analysis and critique of American criminal procedure in the context of the U.S. Constitution, with special emphasis on the Fourth Amendment with respect to search and seizure, stop and frisk, arrest, evidence, interrogations, confessions, identification, and remedies such as the exclusionary rule. Other constitutional issues relevant to the foregoing, including the Fifth and Fourteenth Amendments’ due process and equal protection doctrines, shall be examined.
Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

LAW3025 Criminal Law
This course is an introduction to the basic elements of, and defenses to, criminal liability. Topics include the basic crimes against the person (homicide, assault, battery, rape, etc.), the basic crimes against property (larceny, fraud, embezzlement, burglary, etc.), and the basic defenses and justifications (diminished capacity, self-defense, mistake, etc.). (OL)
Offered at Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

LAW3055 International Business Law
This course introduces the student to the principles of public and private international law. It addresses the legal problems of doing business in developed, developing, and non-market economy countries, together with the economic and political issues that commonly arise.
Prerequisite(s): LAW2001. (OL)
Offered at Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

LAW3065 Employment Law
This course acquaints students with the different legal rules governing the employer/employee relationship. Topics include employment discrimination, sexual harassment, employment contracts, labor relations, Fair Labor Standards Act, The Americans with Disabilities Act (ADA), OSHA and vicarious liability. There is heavy emphasis on discussion and written work.
Prerequisite(s): LAW2001 or LAW2010. (OL)
Offered at Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

LAW3005 Adjudication Workshop I
This workshop course presents an overview of the adjudicative process as practiced in a variety of American venues including, but not necessarily limited to, trial courts, government agencies, and appellate forums. The course emphasizes the preparation of students to compete in the American Mock Trial Association annual competition (note: only student volunteers will enter the competition; each enrolled student is not required to do so). The course provides the opportunity for students to prepare, present, participate, and preside over “real-life” contested matters with an emphasis on judicial hearings (e.g., trial and appeal).
Prerequisite(s): CJS1002 or LAW2001, sophomore status.
Offered at Denver, Providence, Providence CE 2.25 Quarter Credit Hours

LAW3006 Adjudication Workshop II
This workshop course presents an overview of the adjudicative process as practiced in a variety of American venues including, but not necessarily limited to, trial courts, government agencies, and appellate forums. The course will provide the opportunity for students to prepare, present, and preside over “real-life” contested matters with an emphasis on non-judicial hearings (e.g., parole and police hearings).
Prerequisite(s): CJS1002 or LAW2001, sophomore status.
Offered at Denver, Providence, Providence CE 2.25 Quarter Credit Hours

LAW3010 Business Law for Accountants
This course provides the Accounting major with an understanding of the legal framework within which accountants must operate. The course will concentrate on the following topics: business organizations, professional responsibilities, contracts, government regulation of business, the Uniform Commercial Code (Articles 2, 3 and 9) property and debtor-creditor relationships.
Prerequisite(s): LAW2001.
Offered at Providence, Providence CE 4.5 Quarter Credit Hours

LAW3055 International Business Law
This course introduces the student to the principles of public and private international law. It addresses the legal problems of doing business in developed, developing, and non-market economy countries, together with the economic and political issues that commonly arise.
Prerequisite(s): LAW2001. (OL)
Offered at Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

LAW3065 Employment Law
This course acquaints students with the different legal rules governing the employer/employee relationship. Topics include employment discrimination, sexual harassment, employment contracts, labor relations, Fair Labor Standards Act, The Americans with Disabilities Act (ADA), OSHA and vicarious liability. There is heavy emphasis on discussion and written work.
Prerequisite(s): LAW2001 or LAW2010. (OL)
Offered at Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

LEAD3020 Creative Leadership
The objective of this course is to develop and enhance one's own creativity, allowing each individual the opportunity to become a more productive leader of tomorrow. Extensive classroom participation and a variety of activities allow each student to experience personal growth and influence the growth of others.
Prerequisite(s): LEAD1010 or SEE2015. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

Liberal Studies (LIBS) Courses

LIBS4900 Liberal Studies Capstone: The Great Conversation
This seminar draws on coursework from the Liberal Studies major and synthesizes it in the form of a research-based project on an original topic. Projects focus on substantive issues that explore the seminal works of Western civilization and the questions that they raise: Where did we come from? What does it mean to be free? What is justice? What is truth? What does it mean to be virtuous? Students explore substantive areas of scholarship and creative works throughout history encompassing philosophy, politics, science, religion, literature, film, music and the arts. Through problem-based learning, students develop the characteristics of self-reliant thinkers and learners and demonstrate their capacity to cultivate a rich intellectual experience.
Prerequisite(s): Senior status. (HY) (OL)
Offered at Charlotte, Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

Literature (LIT) Courses

LIT1020 Introduction to Literary Genres
This survey course prepares students to read, analyze and write about the major literary genres: poetry, fiction and drama. Students are exposed to a variety of forms and styles in each genre from a wide range of historical periods. Literary selections represent a diverse group of classic and contemporary writers, poets and playwrights. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

LIT2030 African-American Literature
This course examines African-American literature in a variety of genres from its conception in the days of slavery to contemporary times. Emphasis is on the historical and social significance of major works of African-American literature as well as the unique artistic contributions of African-American authors to the American literature canon. Literary movements are examined in their historical, political, intellectual and social contexts through a number of contemporary theoretical perspectives.
Prerequisite(s): ENG1020 or ENG1024 or English placement.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours
LIT2040 American Literature I
This course surveys American literature from its pre-Colonial origins through the mid-19th century. Literary movements are examined in their historical, political, intellectual and social contexts through a number of contemporary theoretical perspectives. Students engage with major issues, past and present, as constructed and revealed through literary texts. Students study representative authors, poets and playwrights working in a variety of forms, styles and genres. Special attention is paid to the formation of the American literary tradition.
Prerequisite(s): ENG1020 or ENG1024 or English placement.
Offered at Denver, Providence, Providence CE 4.5 Quarter Credit Hours

LIT2050 American Literature II
This course surveys American literature from Reconstruction to the present. Literary movements are examined in their historical, political, intellectual and social contexts through a number of contemporary theoretical perspectives. Students engage with major issues, past and present, as constructed and revealed through literary texts. Students study representative authors, poets and playwrights working in a variety of forms, styles and genres. Special attention is paid to the formation of the American literary tradition.
Prerequisite(s): ENG1020 or ENG1024 or English placement.
Offered at Charlotte, Denver, Providence, Providence CE 4.5 Quarter Credit Hours

LIT2070 Studies In The Short Story
This course prepares the student to read, analyze, and write about the short story from different critical perspectives. Students study representative authors and are exposed to a variety of forms and styles of the short story from a wide range of historical periods.
Prerequisite(s): ENG1020 or ENG1024 or English placement.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

LIT2090 Multi-Ethnic Literature
This course introduces students to fiction, autobiography, poetry, drama and many other forms of literature by writers from many racial and ethnic backgrounds including African American, Asian American, Latino, Chicano, American Indian and more. Emphasis is placed on the historical context in which the writings have evolved as well as the problems encountered by these various cultural groups as they intersect with American culture. Through reading the literature of many cultures and countries, students search for the common themes that unite humanity across the globe.
Prerequisite(s): ENG1020 or ENG1024 or English placement.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

LIT3001 Studies In Drama
This is an introductory course in the history of drama. Critical analyses of literary elements are conducted in the context of genres from the ancient Greeks to contemporary drama. Both written works and performances are examined and analyzed.
Prerequisite(s): ENG1021 or ENG1027.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

LIT3015 Food In Film And Literature
This course is designed to acquaint the student with the art forms of film and literature with a focus on food as its primary subject. The course focuses on the important books, essays, short stories, plays and films that have made major achievements in film and literature. Students develop the critical skills necessary to increase their understanding of the experience of film and literature.
Prerequisite(s): ENG1021 or ENG1027. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

LIT3018 Honors Seminar: Food in Film and Literature
This reading and writing-intensive honors seminar will trace the use of food as both subject and metaphor in literature and film throughout the ages. The first half of the course examines the relationships between food and philosophy, food and politics and food and history as portrayed through a wide variety of literary and film genres. The second half of the course focuses on analytical comparisons of food-centered texts and their film adaptations. Through discussion of course readings & screenings students develop an analytical perspective on the study of food in film & literature that they apply to a research project of their own design.
Prerequisite(s): ENG1027, honors status, sophomore status.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

LIT3030 Studies In Poetry
This course prepares the student to read, analyze, and write about poetry from different critical perspectives. Students study representative poets and are exposed to a variety of forms and techniques of poetry from the Middle Ages to the contemporary.
Prerequisite(s): ENG1021 or ENG1027. (OL)
Offered at Charlotte, Denver, Online, Providence, Providence CE 4.5 Quarter Credit Hours

LIT4010 Science Fiction
This course analyses the evolution of science fiction from its early origins to the present. Fantastic and futuristic elements of plot are examined as social commentary. A variety of styles in several genres include traditional science fiction, fantasy, horror and cyberpunk.
Prerequisite(s): ENG1021 or ENG1027.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

LIT4040 Shakespeare
This course presents an introduction to the world of William Shakespeare by examining the historical contexts of his work, his life and his theatre. Works read and analyzed during the course are representative of Shakespeare’s achievements in history, tragedy, comedy and poetry. Students trace Shakespeare’s continuing relevance and influence on modern art and thought.
Prerequisite(s): ENG1021 or ENG1027. (OL)
Offered at Denver, Online, Providence, Providence CE 4.5 Quarter Credit Hours

Management (MGMT) Courses

MGMT1001 Contemporary Business Management I
This course provides students with the fundamental understanding of business, management and the different disciplines within business. The history of management and the evolution of organizations are examined. The course addresses the different functions of business and management while identifying the impact of business strategy and ethics on stakeholders. Integral to this course is career exploration and development of professional interest. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MGMT1002 Contemporary Business Management II
This course provides students with the opportunity to apply business knowledge within the context of simulations, business projects and/or business cases while developing personal and professional planning skills, as well as written and oral communication skills. The appropriate use of decision-making frameworks and best practices to stimulate creativity and innovation are reviewed. Students are introduced to the concepts and skills associated with management, group facilitation, team development and leadership as applied to contemporary business issues.
Prerequisite(s): MGMT1001. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours
MGMT2001 Human Resource Management
This foundation course provides students with knowledge, skills and understanding of human resource management and workforce development. Students learn about major human resource functions and how each impacts the performance of the organization. Organizational psychology and management research informs students' understanding of how best to manage human resource functions.
Prerequisite(s): FSM1001 or HOSP1001 or MGMT1001 or SEE1001. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT2020 Organizational Behavior
This course surveys current concepts regarding organizational and behavioral theory. Focus is on the roles of individuals and teams and their impact on the contemporary business environment. Students explore how leaders and employees act and react to various challenges. A particular emphasis is placed on employee development in an ever-changing, global work environment. Topics include learning, motivation, leadership, communications, interpersonal relationships, personality and culture, and their impact on job performance, organizational commitment and organizational performance.
Prerequisite(s): Sophomore status. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT2030 Operations and Supply Chain Management I
This course acquaints students with the fundamentals of operations and supply chain management in both the manufacturing and service sectors. The course recognizes the changing face of operations from an internally focused supportive function to a strategic part of the enterprise value chain. Topics include the supply chain model, product and process design, project management, process analysis, total quality management, and sustainability.
Prerequisite(s): MGMT1001, sophomore status. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT2040 Purchasing and Supply Chain Management
This course examines the dynamic field of production and the management of the entire supply chain. Major areas of study include purchasing's role in the organization, global sourcing, new models for supplier involvement and management, and new product development. The role of purchasing and total quality management is a pervasive theme throughout the course. Students are exposed to the theoretical and practical issues to prepare them for the National Association of Purchasing Managers (NAPM) certification exam.
Prerequisite(s): ENTR1001 or MGMT1001.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT3005 Workforce Planning and Deployment
This course explores the human resource processes of workforce planning, including sourcing, recruiting, hiring and retaining and mobilizing talent within the organization. Subtopics include developing and evaluating sources of talent, succession planning, and the legal environment's impact on such managerial actions.
Prerequisite(s): MGMT2001. (HY) (OL)
Offered at North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT3015 Labor Relations
This course explores labor relations within organizations and the processes used to clarify and manage relationships with employees, specifically in unionized environments. Emphasis is on assessing how union, governmental and workforce policies, practices, history and functions relating to labor management in the public and private sectors affect business and human resource management.
Prerequisite(s): MGMT2001. (OL)
Offered at North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT3030 Managerial Technology
This course surveys the relationship of technology with the managerial process, strategic competitiveness, operational effectiveness and the business enterprise. The course explores technologies typically available to business managers, and how those technologies can be leveraged to increase organizational and professional success. Students are also exposed to approaches and managerial practices through demonstrations, case studies, simulations and experience-based exercises.
Prerequisite(s): FIT1003 or FIT1040, MGMT2030. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT3035 Operations and Supply Chain Management II
This course expands on students' knowledge of operations and the supply chain by introducing students to qualitative and quantitative methodologies used by operations and supply chain professionals. The course covers key concepts in the areas of forecasting, capacity, utilization, scheduling, inventory management, and planning including MRP and ERP. Students apply these concepts and their associated methodologies to common problems faced by organizations.
Prerequisite(s): MATH1035, MGMT2030. (HY) (OL)
Offered at Charlotte, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT3040 Process and Quality Management
This course thoroughly examines the concept of quality management as well as tools and approaches used to manage quality improvement efforts in organizations. Students are exposed to the theoretical and practical issues to prepare them to initiate quality and process improvements in their business careers, suitable for operations management and other functional professionals.
Prerequisite(s): MGMT2030, MATH2001. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT3045 Logistics
This course acquaints students with the basic concepts of product distribution and the terminology used in the logistics field. The course recognizes the changing face of logistics from an internally focused supportive function to a strategic part of the enterprise value chain. Students learn the process of planning effective product distribution and discuss methods of transportation and traffic management techniques. Emphasis is on the following major areas: the supply chain model, product and process design, project management, inventory and inventory management, warehouse management, global logistics and sustainability and risk management.
Prerequisite(s): MGMT2030. (HY) (OL)
Offered at Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT3050 Compensation, Benefits and Total Rewards
This course explores the dynamic profession of compensation, benefits and total rewards management. Topics are explored through the perspective of the human resources professional, which provides a view of the ever-changing world of employee reward development, government and regulatory changes, and expectations of both the employer and employee in a competitive business arena.
Prerequisite(s): MGMT2001. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT3055 Procurement
This course acquaints students with the basic concepts of purchasing and supply chain management. Emphasis is on the organization and operation of the procurement department, principles and procedures in purchasing processes, strategy, and planning (ERP, MRP, WMS, etc.). This course covers price considerations, quality, commodity management/sourcing, the negotiation process, legal aspects in purchasing, social responsibilities/ethics, supplier selection, supplier management and e-commerce/technology management.
Prerequisite(s): MGMT2030. (OL)
Offered at Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours
MGMT3060 Training and Development
This course explores training and development in a competitive global business environment. The course reviews research findings that support training and development as an essential component of effective business performance. Students explore the relationship between business strategy and strategic training and development, as well as the relationship between learning theory and effective training and development. Students design and deliver training in the classroom setting.
Prerequisite(s): MGMT2001. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT3070 Special Topics in Human Resource Management
This course is a forum for special issues and emerging areas within the field of human resource management. Students examine current research and commentary on the selected special topics. Practical skill exercises (such as in-class exercises), case studies, site visits and visiting experts in the field enhance learning. Students apply theory and concepts from earlier coursework, and benefit from the opportunity to think critically and assess current human resource issues.
Prerequisite(s): Two of the following: MGMT3005, MGMT3035, MGMT3050, MGMT3060. (HY) (OL)
Offered at Charlotte, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT4001 Process Planning and Control
This course offers a quantitative approach to operations and supply chain management problems. Key areas of focus include the management of waiting lines, forecasting, inventory, location/scheduling and project management. Particular emphasis is placed on the application of tools and techniques to solve problems such as linear programming and other methodologies widely used in business settings.
Prerequisite(s): MGMT2030 or MGMT3035, MGMT3040. (HY) (OL)
Offered at Charlotte, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT4020 Strategic Management
This course provides students with the fundamentals of business strategy. The first part of the course addresses environmental analyses and the tools used to assess these environments. The second part of the course addresses the different strategies a firm may choose at both the firm- and business-unit level, and how the chosen strategic position is strengthened through internal alignment. The third part addresses the theories behind developing sustainable competitive advantage. Leadership and corporate ethics are also discussed.
Prerequisite(s): Senior status. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT4030 Senior Business Capstone
This capstone course requires students to synthesize knowledge gained from previous coursework in business strategy, operations, finance, production, marketing, information technology, human resource management and corporate social responsibility to make decisions in a simulated business environment.
Prerequisite(s): MGMT4020, senior status. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT4050 Contemporary Issues in Operations and Supply Chain Management Strategy
This course examines the operations and supply chain function as an organization’s source for developing a sustainable, competitive advantage. The concept of operations is viewed from the perspective of the firm’s entire value chain. The impacts of technology, globalization and contemporary issues are examined in depth. Through the use of business cases and/or simulations, students apply operations management techniques and tools to determine strategies and make operational and supply chain decisions.
Prerequisite(s): MGMT4020, senior status. (HY) (OL)
Offered at Charlotte, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT4070 Strategic Human Resource Management
This capstone course focuses on the strategic deployment of human capital to support organizational strategy. Students engage in case study and team exercises to develop human resource strategies and arguments to advocate for their implementation. Students are asked to assess the competitive environment and align human resource systems behind these strategies while building a high-performance work system. Students are also asked to identify the appropriate changes within the human resource systems to support day-to-day operations.
Prerequisite(s): MGMT4020, senior status. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

Marketing (MRKT) Courses

MRKT1001 Principles of Marketing
This is an introductory course in the study of marketing with an emphasis on marketing theory and basic marketing principles and practices. Topics include introduction of the marketing mix: price, product, promotion and place; knowing your customer; services marketing; socially responsible marketing; and ethics, plus the importance of marketing in the domestic and global economies in both profit and nonprofit organizations. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MRKT1002 Consumer Behavior
The purpose of this course is to introduce the student to the various facets of consumer behavior, including the decision making process, problems, needs and goals, the consumer’s search for information, and the evaluation of the purchase decision.
Prerequisite(s): MRKT1001. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MRKT1011 Principles of Professional Selling
This course is a hybrid of theory and training. Students learn about buying processes and personalities, and how to target, prospect, approach and interview customers in order to determine unmet needs and potential opportunities. Consultative selling replaces the outdated transactional approach to selling. Students learn through role-plays and skills-based training to build relationships with customers and other business partners in a relationship-oriented world.
Offered at Charlotte, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MRKT2050 Marketing Research
This course provides a broad overview of marketing research methods and the marketing research industry. Covering both qualitative and quantitative research techniques, the course familiarizes students with the appropriate uses and limitations of marketing research. This course increases student understanding of various marketing research techniques, gaining insights into data-driven decision making.
Prerequisite(s): MRKT1002, sophomore status. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MRKT3002 Brand Design
This is an advanced course with an emphasis on corporate brand identity development. The course sequence focuses on the development of research, strategy and design, in particular the areas of organization, culture and identity. Students study how complex organizations are defined by their public identities, and how those identities can be strategized and designed to support organizational strategy. Students engage in case study and team exercises to develop human resource strategies and arguments to advocate for their implementation. Students are asked to assess the competitive environment and align human resource systems behind these strategies while building a high-performance work system. Students are also asked to identify the appropriate changes within the human resource systems to support day-to-day operations.
Prerequisite(s): MGMT4020, senior status. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

Marketing (MRKT) Courses
MRKT3005 Brand Marketing
This course examines the role of a brand as an asset to an organization and the advantages of creating strong brands. Emphasis is placed on the creation, measurement and strategic applications of brand equity. Topics covered include choosing brand elements, designing supporting marketing programs, leveraging secondary associations, building brand portfolios, and adjusting brand strategy over time and geographic boundaries. Particular emphasis is placed on the role of promotional mix elements in the communication of brand equity.
Prerequisite(s): MRKT1001. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT3011 Data-Driven Marketing
This course is designed to give students an understanding of the elements of data-driven marketing as an integrated part of a total marketing program. Upon completion of this course, students should have an understanding of databases, data-driven marketing, email marketing, social media advertising, direct mail, catalog marketing and other forms of electronic media as they are used in data-driven marketing programs.
Prerequisite(s): MRKT1001, sophomore status. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT3020 Product Development
This course examines the role of product development as a function of an integrated marketing system. Students explore the synergy of design and technology to create consumer value. Topics include innovation, concept generation, global sourcing and manufacturing processes.
Prerequisite(s): MRKT1001, MRKT1002. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT3025 Business-to-Business Marketing
This course is a study of the development and maintenance of relationships in the business-to-business marketing channel. Special emphasis is on understanding various forms and appropriate uses of power in the channel. Topics also include the marketing of services as well as tangible goods in the business-to-business channel.
Prerequisite(s): MRKT1001 or HOSP3050, junior status.
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT3045 Social Media Marketing
This course focuses on the strategic use of current and future social media platforms. Students develop a social media marketing plan using the major social media platforms and user-generated content tools for business. Students explore the use of social media for creating personal and professional branding goals with measured results. Students are expected to have a basic understanding of various online and offline marketing strategies.
Prerequisite(s): MRKT1001, sophmore status. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT3050 Techniques in Sales Management
This course introduces students to the selling profession and process from the perspective of the sales manager, a role that relates to marketing communication and marketing strategy. Students explore the client needs assessment, consultative problem solving, and win-win negotiation strategies that enhance internal and external customer relationships. In addition to selling knowledge and skills, students gain an understanding of the roles and responsibilities of the sales manager. Important responsibilities such as territory management, account management, leadership, influence, motivation, recruiting, selection, training, compensation, forecasting and budgeting are addressed.
Prerequisite(s): ENGL30, (MGMT1001 or MGH1100 or MRKT1001), junior status. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT3055 Survey Research
This course provides an overview of contemporary topics in quantitative research such as competitive intelligence, survey design and scale measurement. Students utilize current technology and software tools to create, distribute, analyze and interpret quantitative data. Students gain an understanding of modern market research techniques used to make sound business decisions.
Prerequisite(s): MRKT2050, MATH2001, junior status.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT3084 Customer Care Strategies
This course is designed to change student perceptions of customer service. Students compare and contrast "minimum standards" with surpassing the customer's expectations of value. Students learn to focus their creativity and energy on developing attitudes and using systems that will increase customer satisfaction and lead to customer referral. Students learn about the systems and technology that drive the best organizations, at all levels, at any stage of customer relations.
Offered at Providence, Providence CE 4.5 Quarter Credit Hours

MRKT3085 Marketing Analytics
This course is designed to teach students how to read and analyze marketing dashboards, which provide key insights about consumers that align with organizational objectives. Students compare and contrast different types of marketing metrics categories. Students learn how to understand brand loyalty from the customer's data profile. Students gain experience with dashboard systems, which better prepares them for positions in the world of big data and the marketing analytics field.
Prerequisite(s): MRKT1001, junior status. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT3150 Special Topics in Marketing
This course is a study of selected current topics in the field of marketing. The course helps students understand how marketing impacts and is part of consumers, business and society. Emphasis is on exploring current literature, advanced problems and research tools applicable to the chosen topic. Focus is on a different area, issue or theme each year, depending on student interest. The topic area may not be usually found in the conventional classroom course. The description for each topic is noted in each of the specific course outlines.
Prerequisite(s): ADV1010, junior status. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT4030 International Marketing
This course deals with various differences in cultural, economic and legal factors as they relate to the marketing process. This is a systematic treatment of marketing on a global scale, extending basic principles into foreign marketing requirements.
Prerequisite(s): MRKT1001, junior status. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT4055 Strategic Marketing
This capstone course aids students in developing the skills essential to anticipating and responding to the changing needs of customers and markets in the global economy and culture. The course explores marketing strategy using a combination of texts, readings, visiting speakers, websites, cases, a marketing simulation and field assignments. It is recommended that students complete all related professional studies courses before attempting this capstone course.
Prerequisite(s): MRKT1002, MRKT2050, MRKT3005 or ADVC2001, senior status. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours
Mathematics (MATH) Courses

MATH0010 Basic Mathematics
Students are assigned to this course based on placement tests given prior to taking MATH1020 or MATH1002. The course is designed to teach students the basic mathematical concepts and methods that will prepare them for studying college-level mathematics. Topics include a review of basic arithmetic, an introduction to algebra, and problem-solving techniques. (OL) Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence, Providence CE 2.25 Quarter Credit Hours

MATH1002 A Survey of College Mathematics
This course is designed to teach students the basic mathematical concepts and methods that will assist them in using mathematics in both their personal and professional lives. Topics include problem solving, sets, probability, statistics, consumer mathematics, and the rudiments of college algebra. Prerequisite(s): MATH0010 or math placement. (HY) (OL) Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MATH1020 Fundamentals of Algebra
This course provides students with a working knowledge of the basic elements of algebra. Topics covered include graphing, inequalities, exponents and roots, logarithms, and factoring, and the solution of linear, quadratic, logarithmic, rational and radical equations, as well as systems of linear equations. Prerequisite(s): MATH0010 or math placement. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MATH1030 Precalculus
This course features the concepts and techniques essential for the study of calculus. Topics include functional notation; algebraic, trigonometric, exponential and logarithmic functions; analytic trigonometry; and matrix algebra. Prerequisite(s): MATH1020 or math placement. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MATH1035 Quantitative Analysis I
A continuation of Algebra, this course begins with the study of linear equations and their applications to business and economics. Matrices are covered in detail. Linear programming, quadratic models and a brief introduction to differential calculus are also presented. Prerequisite(s): MATH1020 or math placement. (HY) (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MATH1040 Calculus I
This course provides students with an introduction to the basic elements of differential and integral calculus. Topics include functions and limits, continuity, differentiation and its applications, relative extrema, and an introduction to integration. Prerequisite(s): MATH1030 or math placement. Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

MATH2001 Statistics
This course is designed to provide students with the basic statistical concepts and techniques that will assist them in both their personal and professional lives. Topics include measures of central tendency and dispersion, probability distributions of both discrete and continuous random variables, sampling distributions, estimation theory, and an introduction to hypothesis testing. Prerequisite(s): MATH1002 or higher (minimum grade of C in MATH1002 or MATH1020 required for hybrid sections of MATH2001). (HY) (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MATH2002 Statistics II
This course is a continuation of Statistics I. It is designed to provide students with the statistical concepts and techniques of inferential statistics. Topics include hypothesis testing; testing the difference between two means, two proportions and two variances; correlation and regression; Chi-square tests; analysis of variance and sampling techniques. Prerequisite(s): MATH2001 or MATH2010. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MATH2010 Introduction to Biostatistics
This course is an introductory statistics course with a focus on applications to biomedical and related fields such as nutrition, pharmacology, ecology, genetics, health and physiology. Topics include descriptive statistics, correlation and regression, statistical studies, elementary probability theory, probability and sampling distributions, estimation theory, and hypothesis testing. Prerequisite(s): MATH1002 or MATH1020 or math placement. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MATH2020 Discrete Mathematics
This course is designed to give students the basic mathematical concepts and methods that are prevalent in information science. Topics include logic, sets, relations, functions, algorithms, recurrence relations, elementary graph theory and trees. Prerequisite(s): MATH1020 or math placement. (OL) Offered at North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MATH2035 Quantitative Analysis II
A continuation of MATH1035, this course further examines the applications of the derivative such as maxima and minima, and marginal analysis. Both indefinite and definite integration are discussed along with their application to business and economics. Partial differentiation and functions of several variables are also presented. Prerequisite(s): MATH1035 or math placement. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

MATH2040 Calculus II
This course is a continuation of MATH1040. Topics include a detailed treatment of the calculus of transcendental functions, formal integration methods, improper integrals, infinite series, and further topics in analytic geometry. Prerequisite(s): MATH1040. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

MATH2043 Ordinary Differential Equations
This course introduces the student to the field of ordinary differential equations. Topics include methods for solving linear differential equations and their applications, Laplace Transform Methods, and the solution of systems of linear differential equations along with their applications. Prerequisite(s): MATH2040. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

MATH3040 Calculus III
This course introduces the student to the field of ordinary differential equations. Topics include methods for solving linear differential equations and their applications, Laplace Transform Methods, and the solution of systems of linear differential equations along with their applications. Prerequisite(s): MATH2040. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

MATH3040 Special Topics in Mathematics
This course presents a specialized area of mathematics in great detail. Each academic year, a specialized topic is chosen which is of interest to both students and faculty. Typical specialized topics which may be chosen include, but are not limited to, number theory, numerical analysis, matrix theory, mathematical logic, abstract algebra and geometry. Prerequisite(s): MATH1002 or math placement. May vary depending on topic. Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

**PHIL3015 History of Philosophy**

This course is a survey of the development of Western philosophic thought. A clear sense is gained of the relative richness and poverty of philosophic interpretation of different periods. The thinking and works of outstanding philosophers of each period are considered, and the major schools of philosophic thought and their adherents are reviewed. Some of the major problems of philosophy are examined: appearance versus reality, determinism versus free will, knowledge and existence, body-mind relations, truth and error, good and evil, space and time, reality and what we can know. Prerequisite(s): ENGL1021 or ENGL1027. Offered at Online, Providence, Providence CE 4.5 Quarter Credit Hours

**PHIL3020 Crisis and Controversy: A Critical Thinking Approach**

This course encourages students to use critical thinking skills in order to make decisions, solve problems, develop new ideas, evaluate arguments and tolerate ambiguity while exploring complex social questions. Emphasis is on understanding the elements of reasoning, imposing criteria and intellectual standards upon reasoning, and assessing individual thinking processes. Students hone critical thinking skills by actively engaging in the study of social conflicts and controversies that operate at individual, communal and global levels. Prerequisite(s): ENGL1020 or ENGL1024 or English placement. Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

**PHIL3240 Ethics: A Global Perspective**

This course examines the basic principles of ethics and their philosophical foundations particularly as they apply to contemporary global issues. Students explore such important topics as business, labor conditions, war and refugee crises, gender and gender orientation inequality, environmental damage, and famine, poverty and the unequal distribution of wealth. Through the examination of philosophical texts and case studies, including case studies drawn from business organizations, students learn to identify ethical issues of global significance, analyze the causes of these problems, and propose practical, ethical solutions to these problems. Prerequisite(s): ENGL1020 or ENGL1024 or English placement. Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

**PHIL3025 General Physics II Laboratory**

This course is the second in a two-part introductory physics course sequence using algebra-based mathematical approaches to analyze physics phenomena. Students are introduced to heat, wave propagation, wave energy, reflection, refraction, electricity, magnetism, circuits, and semiconductors. This course must be taken concurrently with General Physics II Laboratory. Prerequisite(s): MATH1020, PHY1011, PHY1015 or SCI1011, SCI1041), Corequisite: PHY1025. Offered at Denver, Providence, Providence CE 4.5 Quarter Credit Hours

**PHY1012 General Physics II**

This course is the second in a two-part introductory physics course sequence using algebra-based mathematical approaches to analyze physics phenomena. Students are introduced to heat, wave propagation, wave energy, reflection, refraction, electricity, magnetism, circuits, and semiconductors. This course must be taken concurrently with General Physics II Laboratory. Prerequisite(s): MATH1020, (PHY1011, PHY1015 or SCI1011, SCI1041), Corequisite: PHY1025. Offered at Denver, Providence, Providence CE 4.5 Quarter Credit Hours

**PHY1025 General Physics II Laboratory**

This course is an introductory algebra- and inquiry-based physics laboratory coordinated with PHY1022 General Physics II. Small teams of students work together to solve practical Newtonian physics problems by conducting a sequence of observations and tests. Students are responsible for developing their own experiments and task assignments as they work within collaborative team structures, using the collected data to construct original models of physical phenomena. Students practice skills employed by professional engineers and scientists. The laboratory exercises reinforce theories discussed in class, including error analysis, heat transfer, electric and magnetic fields, circuits, digital instruments and optics. Prerequisite(s): MATH1020, (PHY1011, PHY1015 or SCI1011, SCI1041), Corequisite: PHY1022. Offered at Denver, Providence, Providence CE 1.5 Quarter Credit Hours

**PHY2011 Physics I**

PHY2011 is the first of a two part introductory Physics course sequence using calculus-based approaches to analyze physics phenomena. It introduces students to vectors and the basic principles of classical mechanics, applying the concepts of work, energy, linear momentum, and angular momentum, to physical phenomena. PHY2011 must be taken concurrently with the laboratory section (see PHY2015, Physics I Laboratory). Prerequisite(s): MATH1040 (or concurrent), Corequisite: PHY2015. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

**PHY2015 Physics I Laboratory**

PHY2015 is an introductory calculus based Physics Laboratory class that meets three hours per week. It is an inquiry-based laboratory course coordinated with PHY2011 Physics I. Small teams of students work together to solve practical Newtonian physics problems by conducting a sequence of observations and tests. Students are responsible for developing their own experiments and task assignments as they work within collaborative team structures, using the collected data to construct original models of physical phenomena. Students practice skills employed by professional engineers and scientists. The laboratory exercises reinforce theories discussed in class, including error analysis, vector algebra, kinematics, conservation of energy, momentum, and rotational motion. Prerequisite(s): MATH1040 (or concurrent), Corequisite: PHY2011. Offered at Providence, Providence CE 1.5 Quarter Credit Hours

**PHY2022 Physics II**

PHY2022 is the second of a two part introductory Physics course sequence using calculus-based mathematical approaches to analyze physics phenomena. It introduces students to heat, wave propagation, wave energy, reflection, refraction, electricity, magnetism, circuits, and semiconductors. PHY2022 must be taken concurrently with the laboratory section (see PHY2025, Physics II Laboratory). Prerequisite(s): MATH1040, (PHY1011, PHY1015) or (PHY2011, PHY2015) or (SCI1011, SCI1041) or (SCI2011, SCI2041), Corequisite: PHY2025. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

**PHY2025 Physics II Laboratory**

This course is the second in a two-part introductory Physics course sequence using calculus-based mathematical approaches to analyze physics phenomena. Students are introduced to heat, wave propagation, wave energy, reflection, refraction, electricity, magnetism, circuits, and semiconductors. This course must be taken concurrently with General Physics II Laboratory. Prerequisite(s): MATH1020, (PHY1011, PHY1015 or SCI1011, SCI1041), Corequisite: PHY1025. Offered at Denver, Providence, Providence CE 4.5 Quarter Credit Hours

**PHY1011 General Physics I**

This course is the first in a two-part introductory physics course sequence using algebra-based approaches to analyze physics phenomena. Students are introduced to vector algebra and the basic principles of classical mechanics, applying the concepts of work, energy, linear momentum and angular momentum to physical phenomena. This course must be taken concurrently with General Physics I Laboratory. Prerequisite(s): MATH1020 (or concurrent) or math placement, Corequisite: PHY1015. (OL) Offered at Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

**PHY1015 General Physics I Laboratory**

This is an introductory algebra- and inquiry-based physics laboratory course coordinated with PHY1011 General Physics I. Small teams of students work together to solve practical Newtonian physics problems by conducting a sequence of observations and tests. Students are responsible for developing their own experiments and task assignments as they work within collaborative team structures, using the collected data to construct original models of physical phenomena. Students practice skills employed by professional engineers and scientists. The laboratory exercises reinforce theories discussed in class, including error analysis, vector algebra, kinematics, conservation of energy, momentum and rotational motion. Prerequisite(s): MATH1020 (or concurrent) or math placement, Corequisite: PHY1011. (OL) Offered at Denver, North Miami, Online, Providence, Providence CE 1.5 Quarter Credit Hours

**Physics (PHY) Courses**

**PHY1011 General Physics I**

This course is the first in a two-part introductory physics course sequence using algebra-based approaches to analyze physics phenomena. Students are introduced to vector algebra and the basic principles of classical mechanics, applying the concepts of work, energy, linear momentum and angular momentum to physical phenomena. This course must be taken concurrently with General Physics I Laboratory. Prerequisite(s): MATH1020 (or concurrent) or math placement, Corequisite: PHY1015. (OL) Offered at Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

**PHY1015 General Physics I Laboratory**

This is an introductory algebra- and inquiry-based physics laboratory course coordinated with PHY1011 General Physics I. Small teams of students work together to solve practical Newtonian physics problems by conducting a sequence of observations and tests. Students are responsible for developing their own experiments and task assignments as they work within collaborative team structures, using the collected data to construct original models of physical phenomena. Students practice skills employed by professional engineers and scientists. The laboratory exercises reinforce theories discussed in class, including error analysis, vector algebra, kinematics, conservation of energy, momentum and rotational motion. Prerequisite(s): MATH1020 (or concurrent) or math placement, Corequisite: PHY1011. (OL) Offered at Denver, North Miami, Online, Providence, Providence CE 1.5 Quarter Credit Hours

**Travel Tourism (TRVL) Courses**

85
PHY2025 Physics II Laboratory
PHY2025 is an introductory calculus based Physics Laboratory class that meets three hours per week. It is an inquiry-based laboratory course coordinated with PHY2022 Physics II. Small teams of students work together to solve practical Newtonian physics problems by conducting a sequence of observations and tests. Students are responsible for developing their own experiments and task assignments as they work within collaborative team structures, using the collected data to construct original models of physical phenomena. Students practice skills employed by professional engineers and scientists. The laboratory exercises reinforce theories discussed in class, including error analysis, heat transfer, electric and magnetic fields, circuits, digital instruments, and optics. Prerequisite(s): MATH1040, ((PHY1011, PHY1015) or (PHY2011, PHY2015) or (SCI1011, SCI1041) or (SCI2011, SCI2041)), Corequisite: PHY2022. Offered at Providence, Providence CE 1.5 Quarter Credit Hours

Political Science (PSCI) Courses

PSCI1001 Introduction to Political Science
Political Science is the study of how human beings create governments, leaders, laws and policies. This foundational course explores how and why politics involves all aspects of our everyday lives. The dynamics of politics center on acquiring, distributing, and/or restricting access to power held by citizens and states. From local politics to international relations, the study of politics enables understandings of who ultimately gets what, when, where, why and how - or not. This course therefore explores the major ideas that drive the ways in which leaders govern, the systems in which they operate, motivations and barriers for citizens to participate in political life, how institutions of government work, and the role of money and media in the making of politics, from Main Street to Wall Street. This course also considers the modes by which citizens drive change in their governments, from Facebook and the ballot box to mass-scale protests driving political revolutions of the 21st century. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

PSCI2001 International Relations and World Politics
This course provides a comprehensive introduction to the study of international relations, core concepts and key theories of world politics. Presented in this course are foundational ideas for understanding major historical and contemporary events in world politics, the behavior of states, and their relationship to the global order. This course prepares students to interpret world politics through analysis of particular trends, patterns, crises and global change. The chronic nature of war and ceaseless search for peace are considered, exploring how twentieth century historical events contribute to the twenty-first century nature of international relations. Politics and economics are also considered, focusing on economic relations among advanced post-industrial economies and issues of development of non-western nations, emphasizing the Global South. The role of post-colonial legacies and the failure of states is an important theme of the course. Additional topics include critical and emerging analyses that imagine possible future systems of international relations; imperialism; cold war politics and its legacies; national security theory including deterrence and the role of international political and monetary organizations in world politics. (OL) Offered at Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

PSCI3005 Political Ideologies and the 21st Century
Historical events and processes of the 20th century help us to grasp the rising political ideologies of the 21st century and the emerging ways in which these ideologies are expressed as organizations, such as ISIS. Political ideologies of the past and of this century often stand in opposition to each other, as demonstrated in globalization/anti-globalization movements. Movements such as anarchism, perceived as marginal in the U.S., play a considerable role in shaping political events abroad. Digital movements of disruption, such as Anonymous, represent new modes of ideology, power and expression. The fate of ideologies with their roots in the 19th and 20th centuries, such as environmentalism, feminism, fascism, and radical-right-wing and anti-government groups in the 21st century is explored. Emerging and splinter hate groups, insurgent, anti-state movements and alternative political models and organizations are examined in global context, from Canada to New Caledonia. Prerequisite(s): ENG1021 or ENG1027, sophomore status. (OL) Offered at Online, Providence, Providence CE 4.5 Quarter Credit Hours

Project Management (PRMG) Courses

PRMG2010 Introduction to Project Management
This course gives students an understanding of project management practices, concepts, and tools using projects in the real world. Students focus on successfully organizing a single project using the knowledge areas associated with the project life cycle. Learning to identify potential projects based on strategic business planning, they produce portions of a basic project plan, scope statement, work breakdown structure, and Gantt charts. Other course topics to be discussed in a broader context include: forming and leading a project team, project manager competencies, project organization, time and resource management, cost management, quality management, human resource management, communications management, and risk management. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

PRMG3010 Advanced Project Management
This course teaches students to initiate, plan, execute, monitor, control and close a project in the real world. Using a real-world project plan, students become competent in the following areas of project management: project integration, project scope, project time, project cost, project quality, project human resources, project communications and project risk management. Students practice these skills individually and in teams by applying them to a real-world project. Students also gain understanding of the application of project management processes. Prerequisite(s): PRMG2010. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

Psychology (PSYC) Courses

PSYC1001 Introductory Psychology
Introductory Psychology is the scientific study of behavior and mental processes. Ethical application of the scientific method is used to examine nervous system structures and functions, learning, memory, intelligence and states of consciousness. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

PSYC1020 Introduction to Professional Issues and Ethics in Psychology
This course explores the identity, professional values and diverse work settings in the field of psychology. Students learn about the scope of the broad field of psychology, as well as a variety of sub-disciplines. Fundamental skills for psychology students, such as scientific literacy and critical thinking, are explored, enabling students to critically evaluate research in the social sciences. Students also learn about ethical behavior, as well as examine critical historical events, contributors and landmark studies that shaped the field of psychology. The course illustrates the various roles that psychology plays in the understanding and shaping of modern society. (OL) Offered at Denver, Online, Providence, Providence CE 4.5 Quarter Credit Hours
PSYC2002 Abnormal Psychology
This course examines the major theoretical approaches to psychological and other behavior disorders. Included are definitional criteria, causes, prevalence, related conditions and current treatment programs for both children and adults. Emphasis is placed on the sociocultural context of psychological disorders as well as on correcting common stereotypes about mental and emotional illness.
Prerequisite(s): PSYC1001. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2015 Human Sexuality
This course is an exploration of human sexuality from a biological, psychological and socio-cultural perspective. It examines major theoretical perspectives that influence the scientific study of sexuality. Critical issues discussed include but are not limited to sexual identity and gender, sexuality and relationships, contemporary and cross-cultural views on human sexuality, rape and sexual exploitation and sexuality across the lifespan.
Prerequisite(s): PSYC1001. (OL)
Offered at Charlotte, Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2020 Industrial/Organizational Psychology
This course emphasizes the psychological principles involved in group performance, power, leadership styles and behavioral motivation. It includes discussion and analysis of organizational research and the application of the results to businesses and industrial situations. It is designed to assist the business student in incorporating psychological knowledge into his or her managerial and leadership style in order to increase on-the-job productivity.
Prerequisite(s): PSYC1001. (OL)
Offered at Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2030 Developmental Psychology
This survey course is designed to introduce the student to the concepts, theories, and recent research in the area of human life span from conception to late adulthood. The integrative process of physical cognitive and developmental issues, engage in collaborative problem solving, and promote community development. Using a scientific approach, key areas of focus include the various family, friendship, neighborhood, work, and community systems in which they live. Using a scientific approach, key areas of focus include the application of psychological principles to understand and address social issues, engage in collaborative problem solving, and promote community development.
Prerequisite(s): PSYC2002, SCI2031. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2040 Introduction to Neuropsychology and Psychopharmacology
This course considers the function and dysfunction of the human central nervous system with respect to higher order cognition and behavior. This course surveys the neuroanatomical, neuropathological, neurocognitive and neurobehavioral aspects of the brain, and provides an introduction to the psychopharmacological aspects of treatment in mental health counseling.
Prerequisite(s): PSYC2002, SCI2031. (OL)
Offered at Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2050 Professional & Ethical Issues in Applied Psychology
This course introduces students to the diverse career and professional development opportunities in the field of Applied Psychology. Grounded in the American Psychological Association's Ethical Principles of Psychologists and Code of Conduct, this course will introduce students to professional standards, communication styles in the discipline, values of the profession, and strategies to achieving career goals. A case study approach is used to highlight various applications of psychology to a range of scientific research, educational attainment, and career options.
Prerequisite(s): PSYC1001.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC3001 Social Psychology
This course features a study of individual behavior in relation to the social stimuli of modern life. The course involves the extension of general psychological principles and methods in the study of social behavior.
Prerequisite(s): ENG1021 or ENG1027, PSYC1001. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC3010 Personality
This course is a study of various personality theories in the context of psycho-philosophical differences in personality. Personality development, assessment methods, theoretical application, integration and critical evaluation of each theory are analyzed. Application of theory to actual and hypothetical cases is expected throughout the course.
Prerequisite(s): PSYC1001. (OL)
Offered at Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC3040 Community Psychology
This course examines the historical and theoretical perspectives of community psychology: the interrelationship between individuals and the various family, friend, neighborhood, work, and community systems in which they live. Using a scientific approach, key areas of focus include the application of psychological principles to understand and address social issues, engage in collaborative problem solving, and promote community development.
Prerequisite(s): PSYC1001.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC3050 Health Psychology
This course examines the impact of psychological and behavioral factors on individual health and wellness. The application of theory in understanding and designing health education materials, behavioral interventions, prevention strategies, and improving access to health systems is emphasized.
Prerequisite(s): PSYC1001. (OL)
Offered at Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC3060 Psychology of Motivation and Leadership in the Workplace
This course examines current research and theories for motivation at work and how they affect the achievement of organizational goals and objectives. A chronological review of the field is included, as well as discussions around such topics as the importance of money, the relationship between job satisfaction and job performance, and the distinction between intrinsic and extrinsic motivation. A focus on understanding theories of leadership and their roles in creating and maintaining a psychologically healthy workplace is emphasized.
Prerequisite(s): PSYC1001. (OL)
Offered at Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours
PSYC4100 Brain, Environment, & Behavior
This course explores the complex interrelationships between the biological basis of behavior and the environment with a focus on application of psychological principles to address current issues. Students will draw on previous knowledge of brain structures and functions and the interplay between environment and biology affecting cognition and behavior. Students will select an approved topic, conduct interdisciplinary research and propose alternative strategies to improve quality of life. Prerequisite(s): PSYC3200. Offered at Denver, Providence, Providence CE 4.5 Quarter Credit Hours

PSYC4150 Psychology of Conflict Resolution
This course explores the definition, causes and methods used for resolution of conflicts. Causes for conflicts such as communication, beliefs and values, and lack of trust are discussed, as well as the approaches toward resolution of conflicts, such as the adversarial and non-adversarial approaches. Advantages and limitations are identified for each method. Prerequisite(s): PSYC1001. (OL) Offered at Denver, Online, Providence, Providence CE 4.5 Quarter Credit Hours

PSYC4200 Cultural Psychology
This course offers knowledge, practice, and application of the principles of Cultural Psychology. It examines the major theorists in this field and the application of their theories to human behaviors and interactions. It critically examines cultural psychological theories in both traditional western and non-western psychological models. Accordingly, the course elucidates the particular research methods that are specific to the study of psychology and culture. By examining the developmental processes of cultural identity, the course demonstrates the necessity of cultural psychology as a specific domain of inquiry. In addition, the course examines the divergent frameworks for understanding abnormal behavior and mental illness, as well as mental health and wellness, in a cultural setting. Finally, the course focuses on application and analysis of the themes of cultural psychology for their use in specific work situations and in our global world today. Prerequisite(s): PSYC1001, junior status. (OL) Offered at Denver, Online, Providence, Providence CE 4.5 Quarter Credit Hours

PSYC4300 Contemporary & Critical Issues In Applied Psychology
The culminating capstone experience in the major, this senior seminar asks students to synthesize the major theoretical perspectives of their field and apply these paradigms to their research on a specific critical issue. Through this course, students reinforce their knowledge of the field of applied psychology, explore contemporary issues and hone their professional communication skills. In addition, students reflect on their professional identity and develop a plan for professional development. Prerequisite(s): RSCH2050, senior status. Offered at Denver, Providence, Providence CE 4.5 Quarter Credit Hours

Religion (REL) Courses

REL2001 Comparative Study of World Religions
This course introduces students to the world’s great religions: Hinduism, Buddhism, Judaism, Christianity and Islam. Focus of the course is interdisciplinary and includes history, sociology, philosophy, psychology and textual/cultural analysis of each religion’s literature in relation to these religions. The course highlights the diversity and commonalities of religious experience and expression as religions face 21st-century challenges. Students examine both the specific contexts and conditions in which a variety of religious traditions exist in the global era. Prerequisite(s): ENGL1020 or ENGL1024 or English placement. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

REL3100 Food, Philosophy and Religion
This course examines the role of food, alcohol, eating and cooking in the world’s major philosophies and religions and the belief systems of antiquity and of many indigenous cultures in the Americas, the Arctic, Africa and Oceania, past and present. The course begins with a study of the religions and philosophies of animistic, pantheistic and polytheistic cultures in the ancient world and in historical and contemporary indigenous communities. The course ends with an investigation of how food’s role in religious practice has changed over time to accommodate such forces as urbanization, industrialization and immigration. Among the topics to be covered are sacred and taboo foods, food as an object of sacrifice, fasting, the role of food and dining in the formation of religious identities and communities, monastic cuisines and dining practices, and food as a representation of the cosmos. Throughout this course, comparisons among religious traditions and between traditional practices and contemporary practices are drawn. Prerequisite(s): ENG1021 or ENG1027. Offered at Charlotte, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

Research (RSCH) Courses

RSCH2050 Workshop in Acquiring Social Research Skills
This course explores the concepts, steps and skills required for conducting research grounded in the scientific method. The emphasis of this course is on acquiring research skills through practice-based learning. Students attain an understanding of the roles and approaches that distinguish quantitative and qualitative research methods. Students explore how the goals of science accord with the methodological choices available within qualitative and quantitative research design options. Students learn how to plan and write a research project prospectus, and how to select and interpret data. The course provides students with the required knowledge to conduct and evaluate basic research in an array of disciplines, including Global Studies, Health Studies and the Social Sciences. Students acquire a working understanding of the analytical approaches necessary for evaluating the validity and credibility of primary and secondary research, learning also to use and interpret statistics in specific applied contexts. Students explore the meanings of being a responsible consumer of science and how this matters to the safety and well-being of the public sector. Students investigate vital concerns regarding the protection of research participants. This includes identifying and engaging current professional ethical norms and practices for developing, implementing and evaluating research designs as well as protocols and methodological choices made by researchers. Students develop an appreciation for the ethics codes established by a variety of professional organizations, including the American Psychological Association, the American Counseling Association, and the American Sociological Association. Students practice APA documentation and explore the components of journal articles as well as the significance of the peer review process. Students gain appreciation for understanding how research and society are vitally linked, while grasping the importance of the role of public scrutiny in research. How research is funded, published and disseminated is examined. Prerequisite(s): MATH2001 or MATH2010, PSYC1001 or SOC1001 or SOC2005, sophomore status. (OL) Offered at Denver, Online, Providence, Providence CE 4.5 Quarter Credit Hours

RSCH3100 Experimental Design in the Social and Behavioral Sciences
This course is focused on the various quantitative research methodologies that can be utilized to conduct and interpret scientific research in the social and behavioral sciences. In addition to advanced research design and corresponding statistical techniques (e.g., ANOVA, MANOVA, Structural Equation Modeling, Meta-Analysis), students will explore complex ethical, socio-cultural, and geo-political issues that impact the design, interpretation, and use of scientific results. Prerequisite(s): MATH2002, RSCH2050. (OL) Offered at Denver, Online, Providence, Providence CE 4.5 Quarter Credit Hours
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE

RSLH2100 Trends (OL)
Sources of information to establish fashion statements and forecast fashion. The motivations of observation, research and analysis of fashion. Students learn the vocabulary incorporated into this course. (OL)

RSLH2050 Fashion Promotion
The theory of fashion promotion is explored as it relates to the selling and marketing of fashion merchandise to the public. This course explores the nature of the fashion promotion industry and its use of various media to make consumers aware of current trends and styles. The text addresses itself to the career-minded student who wants to be involved in the marketing, merchandising and promotion of fashion. Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

RSLH3300 Community Action Research
Through identifying real world research questions and corresponding community agents, students will design and propose a community action research project. This course focuses on hypothesis generation, comprehensive literature review and the utilization of both quantitative and qualitative research methodologies to prepare students to execute the proposal in RSLH4400: Integrative Applied Research Seminar. Communication skills in the discipline are emphasized including oral and written presentations to faculty, class, and community.

Prerequisite(s): RTLH300, RSLH2200. (OL)
Offered at Denver, Online, Providence, Providence CE

4.5 Quarter Credit Hours

RSLH4400 Integrative Applied Research Seminar
This capstone course is designed to complete the major program of study by integrating the student's prior academic experiences in psychology. A seminar format is used to encourage student participation and interaction with peers and faculty. Each participant chooses a topic within their area of interest. The topic is explored through individual research, periodic presentations and discussion. Discussion focuses on both substantive and methodological concerns as well as interconnections among areas of study.

Prerequisite(s): RSLH2050, senior status. (OL)
Offered at Denver, Online, Providence, Providence CE

4.5 Quarter Credit Hours

Retail (RTL) Courses

RTL1005 Introduction to Retailing
This course is designed to introduce the student to the field of retailing. Current industry practices, such as multi-channel retailing, omni-channel retailing, organizational structures and technology are emphasized. Recent concepts and practices in the field are highlighted, with special attention focused on industry terminology. Career paths and leadership styles are also incorporated into this course. (OL)

Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE

4.5 Quarter Credit Hours

RTL1020 The Business of Fashion
This introductory course is designed to increase students' powers of observation, research and analysis of fashion. Students learn the vocabulary of the field, the structure of the industry, domestic and foreign designers, and historical as well as contemporary influences on fashion. The motivations of dress, theories of fashion adoption and the fashion lifecycle are explored as sources of information to establish fashion statements and forecast fashion trends. (OL)

Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE

4.5 Quarter Credit Hours

RTL2005 Global Sourcing
This course allows students to examine the import marketing process, import regulations, sources of supply, supplier management and development, and transportation in order to learn how to participate in the global marketplace and negotiate in cross-cultural situations.

Prerequisite(s): MRKT1001 or RTL1005, sophomore status.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours

RTL2050 Fashion Promotion
The theory of fashion promotion is explored as it relates to the selling and marketing of fashion merchandise to the public. This course explores the nature of the fashion promotion industry and its use of various media to make consumers aware of current trends and styles. The text addresses itself to the career-minded student who wants to be involved in the marketing, merchandising and promotion of fashion.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

RTL3010 Merchandise Buying
This course provides the student with the principles that govern the movement of merchandise. Students are expected to know the environmental factors that influence the behavior of consumers and the techniques for determining and predicting merchandise cycles. This course outlines the merchandising activities and marketing trends of those industries involved with producing and providing goods in the marketplace. The options of the buyer in making merchandise budgets, plans and decisions are presented. This background provides the basis for examining the merchandising activities and decisions expected of a buyer at the retail level. Buying activities are compared for a variety of retail settings.

Prerequisite(s): RTL1005.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours

RTL3020 Merchandise Mathematics
This course is designed to examine the philosophies, theories and techniques underlying the allocation of merchandise investments, control of sales and control of inventory (including planning and pricing) in retail stores. The course approaches retail management from the standpoint of the retail businessperson and is intended to serve as a tool for the student of retailing or merchandising.

Prerequisite(s): RTL1005. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE

4.5 Quarter Credit Hours

RTL3030 Cases in Fashion and Retail
This course analyzes and compares fashion and retail merchandise and management techniques used in specialty store, department store, chain store and mass merchandising operations. A case study approach is used in evaluating merchandise and management decisions in a variety of cases involving issues, types of operations and levels of management.

Prerequisite(s): RTL2063, junior status. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE

4.5 Quarter Credit Hours

RTL3060 Fashion Forecasting
This course introduces the student to the field of fashion forecasting. Emphasis is on the framework of fashion forecasting, fashion and market dynamics of fashion forecasting and utilizing these dynamics in the global retail workplace. Current conditions, concepts, practices and research in the retail field are focused on throughout the course with special attention placed on industry terminology; case studies utilizing market research and competitive analysis are incorporated into this course.

Prerequisite(s): RTL1005, RTL1020. (HY)
Offered at Charlotte, Denver, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours
RTL3070 Textile Design for the Apparel and Home Furnishings Industry
This hands-on course focuses on textile design techniques used by designers and manufacturers. Topics include motif development, croquis design, and repeat patterns. Methods of surface design include direct painting, block printing, and surface manipulation. Basic weaving or knitting patterns, embroidery, beading and applique are also explored. Students develop an appreciation for the historic and cultural value relevant to each method, and create collections of textile samples as they solve design problems.
Prerequisite(s): RTL1010, sophomore status.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

RTL3150 Special Topics in Fashion, Retailing and Marketing
This course is a study of how fashion, retailing and marketing trends today impact consumers, business and society. Emphasis is on current literature, advanced problems and research tools applicable to the chosen topic. This course focuses on a different area, issue or theme each year, depending on student interest. The topic area may not be usually found in the conventional classroom course.
Prerequisite(s): MRKT1001, sophomore status.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

Risk Management (RMGT) Courses

RMGT2001 Enterprise Risk Management
This course focuses on the aspects of enterprise risk management (ERM) in business, including the methods and processes used by organizations to manage risks and seize opportunities related to the achievement of their objectives. The course provides a framework for the identification, assessment, monitoring and mitigation of risk as it relates to the business enterprise including identification and mitigation of health and safety risks.
Prerequisite(s): MGMT1001, sophomore status. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

RMGT3001 Emergency Planning and Business Continuity
This is a survey course of the practical implications of emergency planning with a particular focus on business continuity during a crisis situation. The focus of this course is applied and case-study rich, and provides students with a detailed understanding of the various considerations in emergency and continuity situations frequently encountered during a crisis.
Prerequisite(s): MGMT1001, RMGT2001. (HY) (OL)
Offered at Online, Providence, Providence CE
4.5 Quarter Credit Hours

RMGT4010 Risk Analysis and Loss Prevention
This course focuses on risk management and loss prevention. Risk countermeasures and their pros and cons are addressed. Students are provided with a systematic approach to logical decision-making about the allocation of scarce security resources. This course describes the risk management methodology as a specific process, theory or procedure for determining assets, vulnerabilities and threats, and how security professionals can protect them.
Prerequisite(s): RMGT2001. (HY) (OL)
Offered at Online, Providence, Providence CE
4.5 Quarter Credit Hours

Science (SCI) Courses

SCI1005 Introduction to Botany
This course provides a comprehensive description of the structure, physiology and reproduction of plants of economic value. Focus is on the relationship between plants and humans, including the role of plants as food sources such as rice, corn and wheat, as well as industries which are plant based. The importance of plants in maintaining environmental balance is also discussed with an emphasis on topics of current interest.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

SCI1010 Environmental Science
This course presents major scientific concepts dealing with the biological and physical nature of the world we live in. A major theme is the impact of human population and economic growth on the biodiversity and ecosystems of our planet, considering how sustainable use of the world’s resources may be achieved for both developing and developed nations. Topics such as energy, air, water or resource use, land use and agriculture will be discussed. (OL)
Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

SCI1015 Introduction to Life Science
This course describes key biological and chemical principles that apply to all living things. Evolution and natural selection are studied as an explanation for the history of life on Earth. Students examine cells and cell functions, genetics, as well as structure and function of human body systems. Application of scientific methodology is included. (OL)
Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

SCI1030 Marine Biology
This course is an introduction to both the biological and physical aspects of the marine environment, including a survey of the organisms that inhabit the world’s oceans, their ecology, species evolution and distribution, and the human impact of commercial marine-related industries. Of particular interest are seafood, shellfish and marine plants as marine food sources, as well as shipping and maritime industries. (HY)
Offered at Denver, Denver CE, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SCI1050 Nutrition
This course in basic human nutrition examines metabolic energy derived from carbohydrates, proteins and lipids. Pathways for utilization of this energy to build new biomolecules, including nucleic acids, are discussed, as are the consequences of nutrient deficiencies. Ways to achieve and maintain nutrient balance are a central part of the course. The significance of vitamins and minerals and possible toxicity due to overabundance are also discussed. Computer-based dietary analysis is a key component of this course. (OL)
Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

SCI2020 Exercise Physiology
This course introduces topics in the physiology and anatomy of exercise, cardiovascular fitness, nutrition, and weight control. Emphasis is placed on understanding the scientific basis for a wellness program. (OL)
Offered at Charlotte, Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

SCI2030 Introduction to Ecology
This course combines biology and other sciences to study how living things interact with each other and with their nonliving environment. Topics such as competition and predation, the one-way flow of energy and the cycling of nutrients through ecological communities are examined. Other topics such as biodiversity, major terrestrial and aquatic biomes, succession, and the methods and goals of environmental conservation are discussed. (OL)
Offered at North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

SCI2031 Anatomy and Physiology
This basic course covers the anatomy and physiology of the human organism, based on the cell, tissue, organ and system structures of the body. An integral part of this course is the learning of medical terminology. (OL)
Offered at Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours
SCI2040 Community Leadership: An Applied Sociology
This course provides students with the opportunity to combine theoretical learning with actual volunteer work at a nonprofit organization. Through student-initiated placement at one of many pre-designated sites, students are exposed to various aspects of the not-for-profit industry including administrative, fundraising and community outreach responsibilities, as well as having personal contact with the organization’s clientele. Additionally, students are expected to utilize their leadership skills by initiating a substantial agency-based project, in conjunction with their on-site supervisor, which serves as a tangible contribution to the overall organization.
Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

SOC2050 Cultures of Africa
This course gives students a grounding in the cultures of Sub-Saharan Africa. Students consider how the lives of Africans have been shaped by many forces: geographic, economic, religious, historical, political, linguistic and social. Students become more familiar with many Sub-Saharan African cultures by examining films, television programs, literature and newspapers from around the continent, in addition to more traditional academic sources.
Offered at Charlotte, Providence, Providence CE 4.5 Quarter Credit Hours

SOC2070 Social Issues in Contemporary America
This course is designed to provide the student with a realistic understanding of contemporary social issues. The course focuses on the origins, nature and interrelationships between the various topics. Students are encouraged to consider people and conditions in society that pose problems, and to attempt to develop solutions to those problems.
Prerequisite(s): SOC1001 or SOC2005. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

SOC3020 Culture and Food
This course is on the sociology of food. Students think and rethink the place of food in the human experience and consider topics such as how food and gender intersect, symbolic group boundaries affect how people eat and drink, and cultures share and adapt each other’s foods. Students explore how the discipline of sociology examines food as a cultural and social artifact and the role that it plays in societies today.
Prerequisite(s): ENG1020 or ENG1024 or English Placement or SOC1001 or SOC2005. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

SOC3025 Cultural Tapestry: Perspectives in Diversity
This course approaches the study of diversity by offering students an opportunity to understand the meaning of difference from a multitude of perspectives. Students study how categories of diversity are created, the experience of being perceived as different in society, and the consequences of difference as gauged by the allocation of privilege and resources to differing groups within society. Such categories as race, ethnicity and national identity, socioeconomic status, gender differences, sexual orientation, learning styles and religious affiliation are addressed. Similarities between ethnic groups and cultures are also examined. The sociological paradigms/perspectives are also utilized in the study of diversity. Students shape a presentation that addresses diverse subject matter in an experiential manner.
As the course concludes, attention is directed towards identifying strategies that can be employed both on a macrolevel in society and on a micro-level within the students’ realm of influence, to broaden the acceptance of differing perspectives in a pluralistic society.
Prerequisite(s): SOC1001 or SOC2005. (OL)
Offered at Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

Spanish (SPAN) Courses
SPAN1001 Conversational Spanish I
This course is an introduction to the Spanish language with emphasis on vocabulary acquisition, basic grammar construction and oral communications. Students who have studied more than one year of this language are required to take the foreign language placement exam. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours
Sport/Ent/Event Mgmt (SEE) Courses

**SPN1002 Conversational Spanish II**
This lower, intermediate-level course is designed to further develop conversational ability by expanding both the vocabulary and the exposure to Spanish-speaking cultures. Emphasis is on advanced verb forms and idiomatic expressions.
Prerequisite(s): SPAN1001 or SPAN1011 or language placement. (OL)
Offered at Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

**SPN2001 Conversational Spanish III**
This proficiency-based course is designed for students who are at the ACTFL Novice Mid proficiency level in Spanish. This course requires active participation from students as they develop their skills in written and oral communication and reading and listening comprehension. Students learn at least 250 new vocabulary words, foundational grammar and basic verb tenses, and reach an ACTFL Novice High proficiency level. Students are introduced to the culture and geography of the Hispanic-speaking world.
Prerequisite(s): SPAN1002 or language placement. (OL)
Offered at Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

**SEE2015 Leadership in Recreation/Leisure Settings**
This course explores leadership qualities, styles and group dynamics. Students examine a selection of program activities and guidelines for presenting and developing them effectively. Focus is on developing, leading and evaluating activities based on varying participant requirements. Aspects of group facilitation, activity sequencing and debriefing are discussed. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

**SEE2020 The Business of Event Management**
This course introduces students to the methods utilized in researching, planning, organizing and delivering sustainable major events. The roles of global events in sub-fields such as sports, tourism, entertainment, celebrations, civic and hallmark events are also explored.
Prerequisite(s): FSM1001 or FSM3001 or HOSP1001 or MGMT1000 or MGMT101 or SEE1001. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

**SEE2030 The Business of the Entertainment Industry**
This course is designed to provide students with core knowledge of the diverse and dynamic entertainment industry. Topics include the historical development of the entertainment industry, current trends and industry regulations, theater and the arts, music, cinema, sports entertainment, television, and alternative entertainment. Issues related to industry best practices, effective artist/performer management and entertainment event production are also discussed.
Prerequisite(s): FSM1001 or FSM3001 or HOSP1001 or MCST1010 or MGH1000 or MGMT1000 or SEE1001. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

**SEE2040 Outdoor Recreation Planning**
This course provides an introduction to the concept of outdoor recreation, outdoor recreation planning and the specific use of our environment for recreation by individuals, private agencies and government agencies. The study of federal programs including the National Park Service is an integral part of this course.
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

**SEE2070 The Gaming Industry**
This introductory course is designed to familiarize students with the many facets of the gaming industry. Students gain an understanding of the development of the gaming industry in the United States and a comprehension of the primary forms of gambling. This course delves into the current gaming environment in the United States and researches international gaming destinations. Students are introduced to a variety of career opportunities within the industry. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

**SEE3015 Casino Operations Management**
This course provides students with the tools and techniques necessary to achieve optimal control of a casino operation. The organization of casinos and casino hotels and resorts is illustrated and students explore the areas of licensing, regulations and oversight for these operations. Throughout this course students are exposed to the reporting techniques used to circumvent money laundering, control credit and ensure internal operational control.
Prerequisite(s): SEE2070. (HY) (OL)
Offered at Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

**SEE3041 Special Event Protocol**
Students in this course examine the specifics of social and professional business etiquette and the event protocol. Official protocol and the order of precedence for governmental, military and social organizations are investigated as well. The unique challenges presented by official ceremonial events such as state dinners, flag ceremonies, inaugurations, dedications, parades, state and military funerals, and memorial services, etc. are discussed, and students formulate effective strategies for managing such events.
Prerequisite(s): SEE2020 or HOSP2011 or FSM3001. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

**SEE3042 Weddings & Ceremonies**
This course examines the unique aspects of planning and executing various ceremonial events such as weddings (traditional and nontraditional), bar/bat mitzvahs, quinceanera parties, debutante balls, anniversaries and civilian funerals. Special emphasis is on adapting the traditional event cycle to the challenges presented by these social life-cycle events and the numerous ethnic and religious traditions associated with them. Industry best practices for custom event design including decor, entertainment, catering and budgeting are explored. In addition, strategies for attracting, managing and retaining clients are discussed.
Prerequisite(s): SEE2020 or HOSP2011 or FSM3001. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

**SEE3045 New Media Literacy in Sports, Entertainment and Event Management**
This course develops the skills necessary to proactively interact with mass communication within the sports, entertainment and event industry. Emphasis is on the ethical responsibilities of a spokesperson and the experience needed to communicate to the media in a variety of situations, including the development and creation of a press conference and communicating the brand and image to the consumer base.
Prerequisite(s): ENG1021 or ENG1027, ENG1030. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

**SEE3055 International Special Event Management**
This upper-level course, taught only on a campus outside of the United States during a term abroad program, focuses on the development, planning and management of international special events. Emphasis is on research and development, site selection, social and cultural issues, marketing and sponsorship, and human resource management. In addition, the challenges presented by producing an event in a non-domestic venue are explored in detail.
Prerequisite(s): SEE2020, must be accepted in Study Abroad program.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE
9 Quarter Credit Hours

**SEE3060 Concert and Event Production**
This course focuses on event and concert tour production. Emphasis is on managing a show on stage, back stage and on the road. In addition, tools for set building, lighting, sculpting sound with microphones and mixers, reviewing basic electrical formula, performance contracts, technical riders and a production checklist are explored.
Prerequisite(s): MCST2010 or SEE2030. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours
**SEE3120 Fitness and Wellness Center Management**
This course focuses on the skills necessary to manage a fitness and wellness center. Emphasis is on the development and design of the facility layout, daily operations, and fitness/wellness programs located in private, public, corporate, hotel, resort, university and recreational facilities. Students learn program development skills necessary to operate and manage a fitness/wellness facility. A Directed Experiential Education (DEE) opportunity may be incorporated into this course. DEE opportunities are based on project availability with community partners and student eligibility. (OL)
Offered at Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

**SEE3850 Negotiations and Agreements in Hospitality, Sports, Entertainment and Event Management**
This course explores the theory and practice of negotiations within the sports, entertainment, event, hotel, tourism and food service industries. Topics include discussion and presentation of the skills necessary to be a successful negotiator of agreements and contracts within the hospitality industry domestically and internationally. This course also explores labor relations and articulates the union/management negotiation process, including collective bargaining.
Prerequisite(s): LAW2001 or LAW2010. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

**SEE4020 Sports and Entertainment Marketing**
This course exposes students to marketing concepts relating to the sports and entertainment industries. It addresses various products, consumer markets, strategic market analysis and valuation within the sports/entertainment industries. Major topics include the negotiation process, promotions, public relations, market research and sponsorships.
Prerequisite(s): MRKT1001. (HY) (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

**Technology Experiential Education (TECX) Courses**

**TECX4020 Technology Solo Project**
This course allows each student to design, build, implement, or research an actual technology project related to his or her degree program. Under the supervision of a faculty advisor, each student selects an appropriate project (often from a list of project requests submitted to the School of Engineering & Design), sets a completion schedule, reports on project progress, and finally writes an extensive final report on the results of the project. Students defend their work and report in an oral presentation before a faculty panel.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

**TECX4045 Technical Solutions Team I**
In this course, students act as part of a working technology project team. During the term prior to the beginning of this course (TSI), each student applies for a position on a particular team working on a specific project; only students accepted for such positions are admitted into the course. Students begin TSI with a series of lectures and workshops that familiarize them with the project methods and protocols used by TSI. They then work under the supervision of a faculty project manager and subject matter advisors. Teams submit their work for regular phase reviews; set and conform to explicit schedules for project work; monitor and assure project quality; assess and mitigate project risks; draft, update and maintain all project documentation; and are ultimately responsible for the outcome of the project. This course is one of several options in the School of Engineering & Design for students to fulfill their experiential education requirements.
Prerequisite(s): PRMG2010.
Offered at North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

**TECX4046 Technical Solutions Team II**
This course is an optional continuation of TECX4045 Technical Solutions Team I, working on new or previously started projects. Students work in cross-functional teams under the supervision of faculty project managers and subject matter advisors. Teams submit their work for regular phase reviews; set and conform to explicit schedules for project work; monitor and assure project quality; assess and mitigate project risks; draft, update and maintain all project documentation; and are ultimately responsible for the outcome of the project. This course is one of several options in the School of Engineering & Design for students to fulfill their experiential education requirements.
Prerequisite(s): TECX4045.
Offered at North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

**Travel Tourism (TRVL) Courses**

**TRVL1035 Travel Information Systems**
This course provides a comprehensive, hands-on system learning experience. Students become proficient in the use of current Airline Reporting Corporation (ARC) documentation, simulated CRS systems, Internet resources, as well as other technologies used for the management of related travel services. Students are able to understand the technological interactions within a Global Distribution System (GDS).
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

**TRVL2040 Travel Sales Management**
This course emphasizes service as an integral part of the selling process. The reciprocal relationship between selling and service is presented within the context of the total travel sales effort.
Prerequisite(s): FSM1001 or HOSP1001 or SEE1001.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

**TRVL2081 World Geography for Tourism and Hospitality**
This course is designed to provide the student with the knowledge and skills necessary to work and travel in a global environment. Students explore both current and emerging destinations from around the world. The course discusses the cultural, recreational and social significance to the traveler and the economy. (OL)
Offered at Charlotte, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

**TRVL2080 The Aviation and Airline Industries**
This course familiarizes students with the US and international airline industry. The course focuses on the organization and management functions of the airlines, and emphasizes the application of class material to current industry issues.
Prerequisite(s): Sophomore status.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

**TRVL3010 Dynamics of Tourism and Sustainability**
This is a management-oriented course covering the economic, cultural and social functions in the planning and development of the tourism industry. Emphasis is on organizational concepts. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

**TRVL3020 Ecotourism**
This upper-level course explores an emerging dimension of tourism: ecotourism. Students investigate the impact of specific environmental issues on tourism, including water pollution, air pollution, habitat destruction, etc., and focus on the impact of tourism on the physical, biological and cultural environment. The role of the tourism industry as it relates to the provision of ecotourism experiences is also discussed.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

**TRVL3030 International Policies of Tourism**
This intermediate-level course is designed to provide the student with an increased understanding in the area of international tourism development. Emphasis is placed on the definitive study of the essential components for a successful national tourism program.
Prerequisite(s): TRVL3010. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours
TRVL3035 Tour Management Operations
This course is designed for students planning careers in tour guiding or tour operations. Topics include tour operations, components of a tour, tour management positions, characteristics of professional tour guides, the psychology of tour management and internal communications. The culmination of this course is a tour to a selected international destination, where each student researches, negotiates and develops a highly anticipated journey.
Prerequisite(s): TRVL2801, junior status. (OL)
Offered at North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

TRVL3040 Adventure, Sport and Nature-Based Tourism
This course provides the student with a solid foundation of knowledge related to adventure, sport and nature-based tourism and focuses on key considerations necessary for its implementation. The course offers an opportunity for a field project.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

TRVL3801 Special Topics in Adventure Resort Management
This course provides the student with a solid foundation of knowledge related to the Adventure Resort and focuses on all aspects of operation and program development. The course offers an opportunity for a field project. Students are required to participate in all off-campus activities with the designated industry partners.
Offered at Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

TRVL4011 Destination Management Organization
This course integrates the administrative functions of a destination management or marketing organization (DMO). The interrelationships of operations, marketing and finance are analyzed and evaluated. A Directed Experiential Education (DEE) opportunity may be an integral part of this course. DEE opportunities are based on project availability with community partners and student eligibility.
Prerequisite(s): MRKT1001. (OL)
Offered at Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

TRVL4160 Travel and Tourism Strategic Management Seminar
This capstone course culminates the theoretical training for the advanced student of hospitality and tourism studies. The course is designed to provide insight into the policy formulation and strategic management of travel and tourism entities. Essential elements of the course include a variety of teaching methods; analysis of current issues and situations in the travel and tourism field; keeping up to date and current by utilizing different web sites; and research projects and case analyses that improve the understanding of the strategic planning process, critical thinking and decision-making capabilities of the student.
Prerequisite(s): FISV2000, MRKT1001. (OL)
Offered at North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours
Programs (including English as a Second Language) probations or dismissed. Students who do not satisfy good academic standing requirements will be placed on academic probation or dismissed.

According to the following academic standing standards, students who do not meet the following criteria are considered to be in good academic standing.

**Good Standing**
- Undergraduate students need a minimum GPA of 2.0.
- Graduate students need a minimum GPA of 3.0.
- Doctor of Business Administration and Occupational Therapy Doctorate students need a minimum GPA of 3.0. In addition, students must earn grades of B- or higher in each course. No classes may be repeated.
- Doctor of Education students need a minimum GPA of 3.25 and earn grades higher than F in each course. No classes may be repeated.
- Accelerated Master’s Program students need a minimum GPA of 3.0 in graduate-level coursework.

According to the following academic standing standards, students who do not satisfy good academic standing requirements will be placed on academic probation or dismissed.

Note: Students will be dismissed if their GPA is less than 3.00, or when they earn a grade lower than B- in any course. No classes may be repeated.

### Academic Standing Standards: Doctor of Education

<table>
<thead>
<tr>
<th>Status at Start of Term</th>
<th>Total Credit Hours Attempted</th>
<th>Cumulative GPA</th>
<th>Status after Term Completion</th>
</tr>
</thead>
<tbody>
<tr>
<td>Good Standing</td>
<td>0–higher</td>
<td>3.25–4.0</td>
<td>Good Standing</td>
</tr>
<tr>
<td>Good Standing</td>
<td>0–higher</td>
<td>0–3.24</td>
<td>Academic Dismissal</td>
</tr>
</tbody>
</table>

Note: Students will be dismissed if their GPA is less than 3.25, or when they earn a grade of F in any course. No classes may be repeated.

### Academic Probation

Probation may affect a student’s ability to register and/or graduate. Graduate program students and Accelerated Master's Program students are allowed a maximum of two terms on probation.

First-term undergraduate students earning a cumulative GPA less than 1.0 are strongly encouraged to attend study skills strategy seminars and tutoring in identified content areas.

### Academic Dismissal

Dismissed undergraduate and graduate students may no longer matriculate at the university for at least one term/semester and are expected to work on academic deficiencies. To return to the university, students may petition the Academic Appeals Committee, providing a letter of intent and documentation of academic improvement. All students should be discussing this process with their assigned academic counselor/advisor. The committee will also consider appeals that document mitigating circumstances. Students may only appeal their dismissal once and the decision of the committee is final.

Undergraduate student requirements:

- Take one term off from Johnson & Wales University. The summer term is not counted as a term off.
- Take a minimum of two classes at an accredited college or university within the same term. Students must earn a minimum GPA of 2.50 and only one grade of C (70) in one class is permitted.
- Submit their official transcript.
- Submit a written statement about the circumstances of the dismissal and their plan for academic success if approved to return to Johnson & Wales University.

Graduate student requirements:

- To return to the university, students may petition the Academic Appeals Committee, providing a letter of intent and documentation of academic improvement. All students should be discussing this process with their assigned academic counselor/advisor.

Doctoral student requirements:

- To return to the university, students may petition the appropriate doctoral program director, through the written appeals process.
- Individuals who have been dismissed from a doctoral program for poor academic performance or progress may appeal the dismissal decision to the appropriate doctoral program director.
- A written appeal of academic dismissal must be submitted to the doctoral program director in writing no later than 30 days after the date of the notice of dismissal. The letter of appeal should include a) the basis for the appeal; b) a summary of discussions, if any, between the student and representatives of the student’s program such as the student’s major advisor and/or the student’s doctoral program director; and c) outcome or remedy proposed by the student. The letter may
include additional or new relevant information. The doctoral program director will communicate with the dean of the appropriate college by transmitting the student’s letter of appeal.

- **Grounds:** The following are grounds for appeal: 1) incorrect calculation of grade point average; 2) misapplication of standards for academic performance and satisfactory progress by the appropriate college; 3) circumstances which had not been known which might be relevant to the dismissal.

- **Disposition:** The dean of the appropriate college may 1) act on the appeal, 2) appoint a designee to collect additional information for the dean, or 3) constitute a 3-person ad hoc review committee from the college. The purpose of the ad hoc committee is to provide an opinion and recommendation to the dean regarding the appeal. The ad hoc committee will review all materials and communications related to the case. Additional information may be requested.

- The dean will inform the student and the doctoral program director in writing of the method of disposition of the appeal. If a dean’s designee is appointed, the student and the doctoral program director will be informed of the name and contact information for the dean’s designee.

- The dean’s decision with respect to a student’s appeal shall be final. The student and the doctoral program director will be informed in writing of the dean’s decision.

### Academic Warning

Students who are reinstated into the university will be placed on Academic Warning. These students risk permanent dismissal from the university if they are unable to meet academic standing guidelines. The warning designation is sometimes used to override academic standing decisions at the end of the term/semester due to mitigating circumstances.

These undergraduate students will be allowed to register for a maximum of 13.5 credits in academic classes or 15 credits in laboratory classes. In addition, these students may be required to attend mandatory study skills strategy seminars and tutoring in identified content areas. Failure to complete these requirements will result in immediate dismissal.

### Attendance

The purpose of the university’s attendance policy is to help students develop a self-directed, professional attitude toward their studies and to maximize their educational opportunities. Regular class attendance provides fundamental educational value and offers the most effective means to gain command of the course concepts and materials.

Students are expected to attend all classes, arrive on time and remain for the entire class period, and report to class fully prepared with all required materials. To meet these expectations, students must arrange course schedules that minimize conflicts with other commitments, including personal commitments, work or participation in athletics or other university-sanctioned events. When students encounter difficulty meeting these requirements, they must actively engage their faculty member to discuss the concern.

Individual faculty define the specific role that class attendance plays in the calculation of final grades for each course. Additionally, excessive absences in certain courses may result in withdrawal from the course at the instructor’s discretion. Students should consult the course syllabus and course instructor for specific faculty policies on attendance and make-up work within a course.

Students are expected to familiarize themselves with attendance requirements outlined in the Student Handbook.

### Credits and Grades

#### Definition of Credit Hour

As of July 1, 2011, federal law (Title 34, Code of Federal Regulations, sections 600.2 and 600.4) requires all accredited institutions to comply with the federal definition of the credit hour. Accordingly, for all Johnson & Wales University degree programs and courses bearing academic credit, the “credit hour” is defined as “the amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than:

1. one hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately 15 weeks for one semester or trimester hour of credit, or 10 to 12 weeks for one quarter hour of credit, or the equivalent amount of work over a different amount of time; or
2. at least an equivalent amount of work as required in paragraph (1) of this definition for other academic activities as established by the institution, including laboratory work, internships, practice, studio work, and other academic work leading to the award of credit hours.”

A credit hour is assumed to be a 50-minute period. In courses in which “seat time” does not apply, a credit hour may be measured by an equivalent amount of work, as demonstrated by student achievement.

Please see the appropriate tab to review the respective grading system.

### Undergraduate

#### Undergraduate Grading System

The grading system is as follows:

<table>
<thead>
<tr>
<th>Grade Range</th>
<th>Letter Grade</th>
<th>Quality Points</th>

- **Grade Pending**
- **Incomplete**
- **No Credit**
- **No Grade**
- **Prior Learning Assessment**
- **Proficiency**
- **Satisfactory**
- **Unsatisfactory**
- **Withdrawal**

Note: Not all grades are used by all colleges or schools.

### Honors Option (H)

If a course was taken as an Honors Program requirement, the grade received will be followed by H (e.g., AH, BH).

### Failure (F)

A grade of F is issued if a student fails to achieve adequate scholastic progress. The grade is recorded permanently on the student’s academic record. Upon successful completion of the course at a later date, the term and cumulative grade point averages are adjusted to reflect only the passing grade. However, both grades will appear on the academic transcript.

### Withdrawal (W)

To record attempted credits, a grade of W is recorded when a student withdraws from a registered course after its add/drop period has ended or is withdrawn from a culinary/baking & pastry laboratory course or a course with an experiential education component due to excessive absences. This grade is not entered into the term and cumulative grade point averages.

### Audit (AU)

An audit occurs when no academic credit is granted. This grade is not calculated into the term and cumulative grade point averages.

### Challenge Exam (CX)

A grade of CX is granted for specifically designated courses upon successful completion of department challenge exams. This grade is not calculated into the term and cumulative grade point averages.

### Grade Pending (GP)

This is a temporary mark given when the completion of course requirements is still underway. A GP is not calculated into the term and cumulative...
grade point averages and is generally used under extreme, extenuating circumstances. If a grade is not submitted to replace the GP within 1 year, it will automatically become an F.

Incomplete (I) *
A grade of I is issued to students if they are unable to complete course requirements because of authorized absences due to service commitment or illness. Outstanding work must be completed within 2 weeks of the final exam class day or the grade will automatically become an F and be included in the term and cumulative grade point averages. For classes graded S/U (Satisfactory/Unsatisfactory), an Incomplete (I) will change to a U.

No Credit (NC) *
This is a non-punitive designation issued to a student who has been authorized to withdraw from class, or the university, due to extenuating circumstances. This grade is not calculated into the term and cumulative grade point averages.

No Grade (NG) *
A grade of NG is issued temporarily when there is no grade provided by the faculty member. This grade is not factored into the student’s GPA. Once a grade is submitted, the cumulative average and transcript will reflect only the new grade. If a grade is not submitted to replace the NG within 1 year, it will automatically become an F and the grade will be included in the term and cumulative grade point averages.

Prior Learning (PL)
Students may earn credit for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel, professional training and seminars, or other comparable sources. This grade is not calculated into the term and cumulative grade point averages.

Proficiency (P)
A grade of P is granted for achievement of multiple levels of skills in progression where the self-paced approach is in effect. This grade is not calculated into the cumulative grade point average.

Satisfactory (S)
A grade of S is used for designated courses throughout the university. These grades are not calculated into the term and cumulative grade point averages.

Unsatisfactory (U) *
A grade of U is used for designated courses throughout the university. These grades are not calculated into the term and cumulative grade point averages.

Note: Not all grades are used by all colleges.
Any courses taken at the undergraduate level to satisfy foundation requirements follow the undergraduate grading system and will not be counted in the graduate-level grade point average (GPA).

Failure (F) *
A grade of F is issued if a student fails to achieve adequate scholastic progress. The grade is recorded permanently on the student’s academic record. Upon successful completion of the course at a later date, the term and cumulative grade point averages are adjusted to reflect only the passing grade. However, both grades will appear on the academic transcript.

Withdrawal (W) *
To record attempted credits, a grade of W is recorded when a student withdraws from a registered course after its add/drop period has ended or is withdrawn from a culinary/baking & pastry laboratory course or a course with an experiential education component due to excessive absences. This grade is not entered into the term and cumulative grade point averages.

Audit (AU) *
An audit occurs when no academic credit is granted. This grade is not calculated into the term and cumulative grade point averages.

Grade Pending (GP) *
This is a temporary mark given when the completion of course requirements is still underway. A GP is not calculated into the term and cumulative grade point averages and is generally used under extreme, extenuating circumstances. If a grade is not submitted to replace the GP within one year, it will automatically become an F.

Incomplete (I) *
A grade of I is issued to students if they are unable to complete course requirements because of authorized absences due to service commitment or illness. Outstanding work must be completed within two weeks of the final exam class day or the grade will automatically become an F and will be included in the term and cumulative grade point averages. For classes graded S/U (Satisfactory/Unsatisfactory), an I will change to a U.

No Credit (NC) *
This is a non-punitive designation issued to a student who has been authorized to withdraw from class, or the university, due to extenuating circumstances. This grade is not calculated into the term and cumulative grade point averages.

No Grade (NG) *
A grade of NG is issued temporarily when there is no grade provided by the faculty member. This grade is not factored into the student’s GPA. Once a grade is submitted, the cumulative average and transcript will reflect only the new grade. If a grade is not submitted to replace the NG within 1 year, it will automatically become an F and the grade will be included in the term and cumulative grade point averages.

Unsatisfactory (U)  
Withdrawal (W)  

* These grades will be counted as attempted but not earned credits for the purposes of determining satisfactory academic progress.

Full-time Status
For the purposes of financial aid and verification of enrollment, a student is considered enrolled in the term/semester by the census date if they are in attendance by the second class meeting or, for online courses, by submitting the first graded assignment in the initial two weeks of the course.

Certification of full-, three-quarter-, half- or less-than-half-time enrollment status for loan deferment, medical insurance, etc. is based on hours of enrollment in a term/semester as of the census date. Listed below are the requirements that constitute full-time student status for official enrollment certification purposes and for financial assistance.
Students should realize that in order to receive maximum financial aid they must maintain full-time status. Additionally, insurance companies and scholarship foundations frequently require students to maintain full-time status.

If a student who is receiving veteran's benefits or participating in athletics receives a grade of W or NC in a course, that course will not count toward full-time status.

Note: Undergraduate students must maintain a minimum of 6.0 credits each term for purposes of financial aid only with the exception of the Federal Pell Grant.

Readmittance

If an undergraduate student has previously attended the university, a Readmittance Request is only required if the student's absence from the university will be more than four consecutive terms (including summer). Readmittance to undergraduate programs must be requested at least six weeks prior to the desired term start date, and no earlier than

- summer term: February 1
- fall term: March 1
- winter term: September 1
- spring term: October 1

If a graduate student has previously attended the university, a Readmittance Request is only required if the student's absence from the university will be more than three consecutive semesters (including summer).

- summer semester: February 1
- fall semester: March 1
- spring semester: October 1

Students approved for readmittance will be assessed the current tuition rate and are responsible for any changes to their program of study that may have occurred during their period of absence. If the break in enrollment exceeds one year or more, the student's program of study may follow the requirements listed in the current year catalog. A review of previously awarded transfer credit will also be conducted and may be adjusted. Students are responsible for reviewing additional readmittance criteria.

Readmission of Service Members

The university complies with Readmission Requirements for Service Members as outlined in the Higher Education Opportunity Act (HEOA). The HEOA provides that an institution may not deny readmission to a service member of the uniformed services for reasons relating to that service. In addition, a student who is readmitted under this section must be readmitted with the same academic status the student had when they last attended the institution. Academic status is defined by a student's grade level and whether or not the student was in a degree/certificate or non-degree/certificate program at the time of separation.

This policy applies to service in the uniformed services, whether voluntary or involuntary, on active duty in the Armed Forces, including service as a member of the National Guard or Reserve, for a period of more than 30 days under a call or order to active duty of more than 30 days. The university will readmit such a student as long as the following conditions are met:

- The student gives advance notice (written or verbal) of the call to active duty or, upon seeking readmission, submits a written verification that such service was performed, requiring their absence.
- The absence from school for active duty does not exceed five years.
- The student submits a notification of intent to re-enroll within three years after the completion of service or within two years after recovery from an illness or injury incurred during the service.
- The separation from service was not dishonorable.

Tuition and Fees

A returning student must be charged the same tuition and fees in effect during the last academic year the student attended, unless veterans' education benefits or other service member education benefits will pay the amount in excess. For subsequent academic years, the returning student may not be charged tuition and fees in excess of what other students in the program are charged.

Readmission Requirements

A returning student will be permitted to re-enroll in the next class(es) scheduled in the same academic program, unless the student requests a later date of re-enrollment or agrees to a different program. A returning student will be readmitted into the same academic program the student was enrolled in prior to the military service obligation. If the exact program no longer exists, the student must be admitted to the program that is most similar, unless the student requests or agrees to admission to a different program. Returning students will be re-enrolled with the same enrollment status, number of completed credit hours and academic standing as the last academic year of attendance.

If the university determines that a returning student is not prepared to resume the program or is unable to complete the program, the university must make reasonable efforts to enable the student to resume or complete the program at no additional cost to the student. If such efforts are unsuccessful or place an undue hardship on the university, the university is not required to readmit the student.

In accordance with federal regulations, returning students who receive a dishonorable or bad conduct discharge from the Armed Forces (including the National Guard and Reserves) are not eligible for readmission under this policy. However, service members who receive dishonorable or bad conduct discharge may remain eligible for readmission even though they will not be entitled to the benefits outlined in this policy.

The returning student may be required to provide supporting documentation.

Repeat of Courses

When the appropriate course is available, the course may be repeated to earn a better grade. In order for a repeated course to apply to a student's degree, the course must be repeated prior to their last term/semester of enrollment. Students who have met the degree requirements for their program of study but chose to repeat a course in a subsequent term will automatically be enrolled as an extension student in the subsequent term and will be ineligible for financial aid.

Upon successful completion of the course at a later date, the cumulative grade point average (GPA) is adjusted to reflect the highest grade earned.* However, each grade earned will appear on the academic transcript and count toward attempted credits. Students are required to pay any applicable tuition charges for all repeated coursework. Students are eligible for financial aid for only one repetition of a previously passed course.**

- A W grade issued prior to June 2017 will still be included in the student's GPA after the same course is successfully completed.
- When a student has repeated a course previously applied to an awarded degree, each grade earned will be included in the cumulative point average.

The above policy is not applicable to English as a Second Language Courses (ESL).

Course Deficiency

A course deficiency occurs when a student fails to complete a non-English as a Second Language course with a satisfactory grade, either by failing the course or by receiving a grade that does not meet the minimum required by the student's program. Academic warning, probation and dismissal are not determined from one course but by the cumulative GPA.

Students who fail a course after a second attempt will be assigned a course deficiency hold and will be required to meet with an academic counselor/adviser in Student Academic & Financial Services. Academic counselors/advisers will review the following options with the student:

- Consider a change of program.
- Repeat the same course, which will result in only the highest grade earned being calculated in the cumulative average.
- Student may be advised to take a pre-approved course at another institution outside Johnson & Wales University. The original grade
THE A&S CORE EXPERIENCE

Communications Foundation Courses 13.5
ENG1020 English Composition
ENG1021 Advanced Composition and Communication
ENG1030 Communication Skills

Integrative Learning 9
Two ILS courses, one at the 2000 level, one at the 4000 level

Arts and Humanities – Two courses from ART, HIST, HUM, LIT, PHIL or REL 9
One course required by program
Additional AH course in a different discipline

Math – Two courses 9
MATH One course at level of placement, 1002 or higher, minimum set by program
MATH2001 Statistics (or other required by program)

Science – At least one course from BIO, CHM, PHY or SCI (may be a program requirement) 4.5

Social Sciences – Two courses from ANTH, ECON, LEAD, PSCI, PSYC, SOC 9
One course required by program
Additional SS course in a different discipline

A&S Electives 9
Two courses with an EASC attribute, at least one at 3000 level or higher.

Total Credits 63.0

Visit Courses by Subject Code for a listing of all campus courses.
• HUM courses are not offered in North Miami or Online.
• BIO courses are not offered in North Miami, Charlotte or Online.
• CAD courses are only offered in Providence.
• CHM courses are not offered in North Miami or Online.
• PHY courses are not offered in Charlotte.
• ANTH courses are not offered in North Miami or Charlotte.

NOTE: Students must pass MATH1001 Basic Mathematics or have equivalent placement scores to enroll in required math course(s).

Students who graduate with a bachelor’s degree must leave Johnson & Wales University with effective writing skills to fulfill the graduation writing requirement. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication. Students who have met the requirement of ENG1021 Advanced Composition and Communication or ENG1027 Honors Advanced Composition and Communications: Civic Discourse outside of Johnson & Wales University must fulfill the graduation writing requirement through successful completion of ENG0001 Writing Workshop.

In collaboration with academic colleges across all JWU campuses, JWU Study Abroad programs offer a variety of international options for major, minor, Arts & Sciences, and elective credit at many price points for students during the academic year and summer. Faculty-led, exchange, affiliate, and direct-enroll programs range in duration from one week to a full semester. Financial aid is applicable and scholarships are available. Visit the study abroad website for information, program descriptions and online applications.

Academic Events

Johnson & Wales University hosts two evening orientation sessions for all new Continuing Education students at the start of each academic term. One session is delivered at the Downcity Campus for those in the College of Arts & Sciences, College of Hospitality Management and College of Business. Another is held at the Harborside Campus for all College of Culinary Arts students.

Students are introduced to university administrators and staff who provide valuable information on academic, student life and university policies. Activities include campus tours, bookstore visits, distribution of photo identification and parking permits.

Students seeking re-admittance to the university are also encouraged to attend these orientation sessions for new information and to help ease the transition back to campus. Information about orientation programs and services is emailed to all incoming students.

Commencement is held at the end of each academic year in May. At these exercises, degree candidates are recognized. Participation in commencement exercises does not imply that graduation requirements are met.

AICU Language Consortium

Johnson & Wales University is a member of the Association of Independent Colleges & Universities (AICU) of Rhode Island. This organization facilitates...
the AICU Language Consortium, a collaborative program that allows undergraduates enrolled at one of Rhode Island’s private institutions of higher education to take language courses at any of the other AICU schools if those courses are unavailable at their home institution. JWU students who wish to study languages, such as Korean or Italian, that are not offered at the Providence Campus may enroll in courses at member institutions, including Brown University, Providence College and others.

Participation in this program is subject to availability of courses and to grading and transfer credit policies of the AICU partner institution. JWU students need to plan well in advance in order to take a course at another school with a semester calendar.

For more information about this language program and how to apply, please contact the College of Arts & Sciences dean’s office.

Course Numbering System

Numeric Values:
- 0001–0999: Non-credit or institutional credit courses
- 1000–1999: Introductory courses
- 2000–3999: Intermediate courses
- 4000–4999: Advanced courses
- 5000–6999: Graduate courses
- 7000–9999: Doctoral courses

First Digit:
- 1: Freshman level
- 2: Sophomore level
- 3: Junior level
- 4: Senior level
- 5–6: Graduate level
- 7–9: Doctoral level

Experiential Education & Career Services

Experiential Education & Career Services (EE&CS) supports the university’s mission to integrate general education, professional skills and career-focused education by providing students with services and support for experiential education and career planning. Experiential Education & Career Services achieves this purpose through a team of qualified career professionals by providing expert advising, an array of career services and strategic partnerships with employers, faculty and staff. The goal is to empower students to make effective career choices and identify and pursue internships, secure employment and navigate lifelong career direction.

Experiential Education & Career Services offers a variety of internship programs and career services including a career management course, résumé critiques, mock interviews, career fairs, exposure to industry professionals, on-campus interviews and more. These services assist students in building skills to obtain employment and independently manage their careers.

EE&CS components include:
- Internship opportunities available in all colleges. Internship is designed to provide eligible students with practical work experience in their chosen field of study while they earn academic credit for the experience
- One-on-one advising and workshops from career professionals who assist with résumé development, networking skills, mock interviews, job search strategies and planning for graduate-level programs
- A career management course for juniors that focuses on building customized résumés for individual job opportunities, developing a professional online professional profile, and gaining effective interviewing skills
- Career planning tools and resources including major-specific résumé examples vetted by industry, career-related guidebooks, and career and industry research subscriptions
- Online job postings by employers who are looking to hire students for part- and full-time jobs (on and off campus) as well as internships
- Networking opportunities with employers and industry professionals representing a broad range of fields, who visit campus each year to participate in on-campus interviewing and recruiting events and serve as guest lecturers and classroom speakers

Note: The Experiential Education & Career Services department does not guarantee employment.

Students are encouraged to contact the office of Experiential Education & Career Services for more details. For locations, hours and contact information, please consult the JWU Directory.

Global Learning Distinction

The Global Learning Distinction offers JWU students at both the undergraduate and graduate levels an enhanced transcript designation that highlights their globally-focused experiences. Students can document participation and achievements to which points are assigned based on length and depth of experience. The Global Learning Distinction is earned upon completion of established benchmarks, and noted on a student’s final transcript.

Global learning opportunities are available to students through a variety of academic and co-curricular pathways, including:
- Global/Intercultural Academic and Professional Experiences (e.g., Study Abroad, international internships, coursework)
- Community Engagement Experiences (e.g., experiences sponsored by the BRIDGE, Student Involvement & Leadership)
- Cultural Events (e.g., events hosted by JWU Global and the BRIDGE)
- Leadership Development Experiences (e.g., opportunities with Student Involvement & Leadership, the Gender Equity Center, University Involvement Board, Student Government Association)

The Global Learning Distinction is available to students on all campuses and in all majors. For more information, please email (JWUGlobal@jwu.edu) the JWU Global office.

Graduation Requirements

Please see the appropriate section for information regarding graduation requirements.

Undergraduate

Undergraduate Degree Candidates

Graduation requires successful completion of a prescribed sequence of study and a minimum grade point average. Students with a cumulative GPA below 2.00 will not be in compliance with the criteria for good academic standing and may be subject to academic dismissal. Furthermore, as required by their program, all students must successfully complete any and all requirements as indicated on their degree audit.

All associate-level degrees require the completion of a minimum of 90 quarter credits. All bachelor’s-level degrees require the completion of a minimum of 180 quarter credits. While most programs have variations that require slightly more quarter credits for completion, no program requires fewer than the 90/180 quarter credit minimum.

Additional information regarding graduation requirements can be found in the Student Handbook.

Graduate

Graduation requires successful completion of a prescribed sequence of study and a minimum grade point average of 3.00 (3.25 for Ed.D. candidates). Students with a cumulative GPA below 3.00 (3.25 for Ed.D. candidates) will not be in compliance with the criteria for good academic standing and may be subject to academic dismissal. In addition, Ed.D. students must not receive a grade of F; DBA and OTD students must not receive a grade lower than B- in any course.

Students are reviewed for graduation when they have completed all requirements in their program of study. Graduation is not recorded until after the term/semester has ended, grades have been received, and the degree audit of each expected graduate has been reviewed. Confirmation of graduation will occur approximately 30 days after final term/semester grades have been submitted.

Additional information regarding graduation requirements can be found in the Student Handbook.

Honors

Johnson & Wales University offers many opportunities for high-level scholastic achievement. This section of the catalog contains information
for students interested in an academically advanced curriculum (Honors Program), an expedited academic program (SHARP), and academic recognition for high-performing students (Dean’s List and Latin Honors).

Dean’s List

Full-time undergraduate students who demonstrate academic excellence by achieving a term grade point average (GPA) of at least 3.40 while also earning a minimum of 12 or more credit hours, receive dean’s list commendation. Upon processing of approved grade changes, student records will be evaluated for dean’s list eligibility. Dean’s list notation will appear on the student’s academic transcript.

Dean’s list is not calculated for students enrolled in English as a Second Language programs.

Latin Honors

Eligible undergraduate degree candidates receive cum laude, magna cum laude and summa cum laude recognition according to their academic program average. Students with the designated graduating GPA are eligible to receive honors as follows: cum laude, 3.40–3.60; magna cum laude, 3.61–3.80; and summa cum laude, 3.81–4.00.

Minors

A minor provides students the opportunity to acquire knowledge and understanding in a secondary area of inquiry independent of the academic major for the purpose of personal enrichment and/or to enhance options for both for career employment and graduate studies.

• To earn a minor, a student must complete a minimum of 22.5 quarter credits in a single prescribed area of study concurrently with his or her bachelor’s degree requirements.
• Internships and individual courses offered through study abroad may apply.
• A student may not create their own minor.
• Credits earned toward a major cannot be applied to the minor.
• A maximum of 9.0 quarter credit hours of transfer credit can be applied to the attainment of a minor.
• Pursuing a minor may extend the amount of time needed to complete a degree program.
• The successful completion of a minor will be recorded on the student’s academic transcript when the degree is awarded. A minor will not be applied to a student’s academic transcript after the degree has been awarded. No form of honors or grade point average will be issued for the minor.

Residency Requirement

Residency requirement refers to the number of credits that students must take at JWU to be eligible for a degree or certificate, whether they are transfer students or JWU students acquiring an additional degree. Please see the appropriate tab for information regarding residency requirements.

Undergraduate

The residency requirement for all students pursuing an associate degree is a minimum of 31.5 quarter credit hours, half of which must be within the major field.

For students pursuing a bachelor’s degree, the minimum is 45.0 quarter credit hours, half of which must be within the major field.

Students pursuing a certificate program will be allowed to transfer a maximum of 9.0 quarter credits (including JWU courses) toward certificate program requirements.

Upon review, certain related professional studies courses and program electives may be considered when determining residency. Standardized testing credits are not considered when determining residency requirements.

Additional Degrees

Students may pursue one additional associate degree in a program that has a minimum of 31.5 credits which are not in their primary major (there must be a 31.5-credit difference between the two associate degrees). Half of the credits must be within the major field of the additional associate degree. Classes in the additional associate degree may not be used as electives in the primary major if residency requirements have not been met.

Students may pursue one additional bachelor’s degree in a program that has a minimum of 45 credits which are not in their primary major (there must be a 45-credit difference between the two bachelor’s degrees). Half of the credits must be within the major field of the additional bachelor’s degree. Classes in the additional bachelor’s degree may not be used as electives in the primary major if residency requirements have not been met.

Note: Students pursuing additional degrees may also incur additional tuition and fees.

Graduate

A maximum of 20 percent of the program’s credits can be awarded as transfer credit in accordance with the university’s Graduate Transfer Credit Policy (p. 104).

Additional Degrees

Due to the overlap in core curriculum, students who complete an MBA at Johnson & Wales University are not eligible to complete a second MBA at Johnson & Wales University. However, any student who received a master’s degree from Johnson & Wales University may apply for admittance to additional master’s degree programs at the university through Graduate Admissions. A maximum of 20 percent of coursework may be shared between the graduate programs. Students must meet the entrance requirements for the prospective program to gain admittance.

Note: Students pursuing additional degrees may also incur additional tuition and fees.

Study Abroad

JWU Study Abroad offers students of all majors the opportunity to earn JWU academic credit while taking classes and living internationally. Study abroad promotes global citizenship and community engagement through international study of programs that suit students’ learning styles and professional goals. Study Abroad opportunities are available that allow students to delve into many different areas of interest all over the world (i.e., explore farm-to-table cuisine and learn from elite chefs in Paris; practice leadership in Nepal; explore nature tour guiding skills in South Africa; study fashion and design in Italy; learn regional culinary skills in Asia, Europe and South America; learn about culinary nutrition and public health in Argentina; discover volcanic wines in the Azores; or expand the first-year experience with general studies in Berlin).

In collaboration with academic colleges across all JWU campuses, JWU Study Abroad programs offer a variety of international options for major, minor, Arts & Sciences, and elective credit at many price points for students during the academic year and summer. Faculty-led, exchange, affiliate, and direct-enroll programs range in duration from one week to a full semester. Financial aid is applicable and scholarships are available. Visit the study abroad website for information, program descriptions and online applications.

Academic Transcripts

A transcript is a representation of a student’s entire academic record while at Johnson & Wales University. In accordance with the Family Educational Rights and Privacy Act (FERPA), a transcript may be released only upon written request of the student. Students must submit transcript requests through jwuLink. Students intending to pick up transcripts in person must visit Student Academic & Financial Services or complete a Transcript Request Form.

Official transcripts will not be released if a student is not current on all financial obligations to the university. Within three business days of receipt of an authorized request, official transcripts will be processed. However, a longer period of time may be required for processing at the end of a term/semester or during peak enrollment periods. Records prior to 2000 may be located on microfilm; if applicable, please allow 5–15 business days for processing.

A maximum of 20 official transcripts may be requested per year. Official transcripts are not produced while grade processing and posting is in progress at the end of each term/semester.

Unofficial transcripts may be obtained in jwuLink.
JWU Admissions

Johnson & Wales University’s admissions process goes beyond simply looking for academically accomplished students. The university seeks to attract and retain highly motivated and demonstrably capable students. Students’ motivation and interest in succeeding in their chosen careers are given consideration along with their academic achievements.

Applying

Graduation from high school or equivalent education is required for admission to Continuing Education programs.

Students may apply online. There is no deadline for submitting applications, but students are advised to apply as early as possible before their intended date of enrollment to ensure full consideration, as some programs may fill up. No application fee is required.

In completing the application form, students must indicate the term in which they wish to enroll. Applications are accepted for terms beginning in September, December, March and June. There are no culinary or baking & pastry arts courses offered during the summer term. However, students in these majors may take academic courses in the summer term.

After completing the application form, students are responsible for requesting that their high school guidance office forward to the university an official copy of the secondary school record for admissions consideration. Specific verification documents must be submitted to Continuing Education Admissions.

Paper applications are also accepted for no fee. Students may request an application be mailed to them by calling 401-598-2300 or by emailing ce@admissions.jwu.edu Continuing Education Admissions.

Applications for admission should be completed in full and sent to the address below:

Providence Campus
Continuing Education Admissions
Johnson & Wales University
8 Abbott Park Place
Providence, RI 02903

Extension Student

In some cases, students may wish to take classes without matriculating into a JWU degree program. These students may want to further their degree at another institution or to develop their own personal enrichment. To apply for non-degree admission, the following must be completed:

1. A CE undergraduate application with the non-degree/extension program selected in the degree table

Please note the following policies regarding non-degree/extension enrollment at JWU:

- Non-degree/extension CE undergraduate students may register for a maximum of 21 credits.
- Non-degree/extension students are not eligible to receive federal, state or institutional financial aid.
- Non-degree/extension students are subject to the Tuition and Fees policy.
- Students not meeting prerequisite requirements for a course should contact Student Academic & Financial Services to discuss waiving the prerequisite.

If a non-degree student chooses to enroll in a major at JWU, that student will be responsible for all courses prescribed in that major, regardless of waived prerequisites. In addition, students must submit official documentation verifying high school completion or GED, as well as any prior college transcripts. Acceptance will be subject to the university's current admissions requirements.

For additional information, contact CE Admissions at 401-598-2300 or by email (ce@admissions.jwu.edu).

Admissions Decision

The rolling admissions policy of the university makes it possible to notify students of the admissions decision, their acceptance or any additional conditions necessary for admission soon after all of their academic records have been received and reviewed.

The university may revoke any student’s acceptance or enrollment if any information or documentation provided by the student is false or incomplete, or if the university learns of any past or present misconduct by the student that would affect the student’s ability to represent and uphold the standards of the university.

Admissions Requirements

Minimum Grade Requirements

There are certain majors that may have grade point average, course, academic or other requirements. For further information, please contact the Admissions office.

Program Requirements

Certain programs of study include technical standards as part of academic requirements essential to the program. Students with disabilities should contact Accessibility Services/Center for Academic Support for information regarding the feasibility of reasonable accommodations and the technical standards. See Technical Standards (p. 110) for descriptions of the applicable technical standards. Copies of the technical standards applicable to various programs are also available from Accessibility Services/Center for Academic Support.

For additional admissions requirements please review the other topics listed in the Applying section of this catalog.

Advanced Placement Credit

Students entering Johnson & Wales University with Advanced Placement test scores of 3 or greater will be granted transfer credit for the equivalent JWU course or courses, based on the score levels attained. In order to obtain credit, students must submit official AP Grade Reports from the College Board Advanced Placement Program. To view the currently approved AP course equivalencies and the respective required scores, go to the Transfer Evaluation System (TES) and type "College Board" in the search box. Exam titles are listed alphabetically preceded by the designation "AP." For more information about AP credit, contact University Transfer and Testing through Student Academic Services.

JWU's Physician Assistant program does not accept CLEP, DSST or Advanced Placement (AP) credits to fulfill prerequisite courses. Admissions will consider AP credits for one of the English course prerequisites on a case-by-case basis. Policies regarding the treatment of AP, CLEP or DSST transfer credit vary among graduate, professional and medical schools.

Deferred Enrollment

Please see the appropriate section for information regarding deferred enrollment.

Undergraduate

Johnson & Wales University offers a two-year deferred enrollment to students who have applied and been accepted to the university but, for various reasons, wish to postpone their enrollment. JWU retains student application material and will honor the admissions decision for up to two years; after that time frame, the applicant will need to submit a new application and transcript for review. Reservation fees will remain effective during the deferment period. Merit scholarships awarded through the application process will be honored for up to two years from the time of initial acceptance. Federal student aid is awarded annually; a student must reapply for federal funds through the Free Application for Federal Student Aid (FAFSA).

Graduate

Johnson & Wales University (JWU) retains student application material for all graduate programs except the Physician Assistant and Occupational Therapy Doctorate programs for up to two years. An admissions decision will be honored for up to two years from the date of acceptance, if the student has not attended another university in the meantime. If the student has earned college credit at another institution since being accepted at JWU, they must submit updated transcripts showing that course work. After two years, the applicant will need to submit a new application and all supporting
documents for review. Reservation fees paid will remain effective during the deferment period.

For Physician Assistant and Occupational Therapy Doctorate students on the Providence Campus, an acceptance is only applicable for the semester originally accepted. To apply for another semester, applicants must reapply through the Central Application Service for Physician Assistants (CASPA) or the Occupational Therapy Central Application Service (OT-CAS) application. All CASPA and OT-CAS applications and supporting documentation on file will be destroyed upon matriculation of the current class.

Students wishing to change their selected date of enrollment should forward a request to Graduate Admissions stating the semester in which they wish to enroll. International applicants must submit an updated bank statement demonstrating financial support. JWU will issue a maximum of two I-20 forms to graduate international students. Please note that some programs start only once each year. Federal student aid is awarded annually; a student must reapply for federal funds through the Free Application for Federal Student Aid (FAFSA).

High School/College Verification

Graduation from high school or equivalent education as certified by state departments of education is required for undergraduate admission. Graduation verification documents must be submitted to Admissions. Official verification documents include at least one of the following:

- Correspondence from a high school/college administrator. Approved correspondence includes letter, email or final transcript received directly from the institution (copy/fax/email/pdf/sealed envelope)
- Final high school/college diploma received directly from the institution that shows the date the diploma was awarded (copy/fax/email/pdf/sealed envelope)
- High school equivalency certificate received directly from the testing site (copy/fax/email/pdf/sealed envelope)
- Secondary school leaving certificate (for students who completed secondary education in a foreign country)

Additional methods of verification of high school completion exist for home-schooled students (p. 104). It is the student’s responsibility to provide verification of high school completion.

Students do not need to provide high school verification if at least one of the following situations pertains to them:

- Successful completion of an associate degree program
- Successful completion of at least 60 semester or trimester credit hours or 72 quarter credit hours that did not result in the awarding of an associate degree, but that is acceptable for full credit toward a bachelor’s degree at any institution
- Enrollment in a bachelor’s degree program where at least 60 semester or trimester credit hours or 72 quarter credit hours have been successfully completed, including credit hours transferred into the bachelor’s degree program. The student must provide an official college transcript for verification of completed college earned hours.

Without such verification, the student may not be allowed to register for the current term or continue enrollment and will be in jeopardy of revocation of admission to the university as well as losing all financial aid.

International students should refer to the International section for admissions information.

Home-Schooled Students

Home-schooled students are required to provide their high school transcripts and copies of their SAT or ACT test scores. Both the grades on the transcript and the SAT/ACT test scores will be reviewed to determine admissions and scholarship eligibility. SAT scores of 27 in Reading and 530 Math or ACT equivalent are required for admittance.

Home-schooled students must be able to document that they have completed high school. Verification documents for home-schooled students include at least one of the following:

- A high school diploma/transcript recognized by their state department of education
- High school equivalency exam

or, with respect to home-schooled students who are above the compulsory age of school attendance,

- A secondary school completion credential for home school (other than a high school diploma or high school equivalency exam) provided for under state law; or
- If state law does not require a home-schooled student to obtain the credential described in the preceding bullet, a certification letter that the student has completed a secondary school education in a home-school setting that qualifies as an exemption from compulsory attendance requirements under state law.

It is the student’s responsibility to provide verification of high school completion. Without such verification, the student may not be allowed to register for the current term or continue enrollment and will be in jeopardy of revocation of admission to the university as well as losing all financial aid.

Transfer Credit

Generally, both graduate and undergraduate coursework completed at institutions recognized by a U.S. Department of Education accrediting agency or at foreign institutions chartered and authorized by their national governments (usually through a ministry of education) are eligible for transfer credit; however, transfer credit is not guaranteed. Transfer credit evaluations are based on previous college work as it relates to the student’s intended program of study. It is the university’s policy to accept credits, but not grades. Only grades earned at Johnson & Wales University are calculated into the cumulative grade point average. Students must meet the university’s residency requirements (p. 102).

Graduate programs are offered at the Providence, North Miami and Denver campuses.

Undergraduate

Applicants with transfer credit should submit official college transcripts from any colleges and universities previously attended prior to enrolling at the university. It is the responsibility of those candidates who are currently attending other colleges to have their updated official transcripts sent to Johnson & Wales University as soon as final grades become available and no later than the first term of enrollment. In some cases, an official course outline or syllabus will be required for evaluation.

All non-English documents must be accompanied by certified word-for-word English translations. In addition, course descriptions or syllabus (subject details, module descriptors or content outline) are generally required for transfer credit evaluation.

In order to be eligible for transfer credit, courses must be similar in level, content and duration to JWU courses in the student’s intended program of study. Additionally, only courses with earned grades of C or higher (2.00 GPA) or equivalent will be accepted. Courses that carry grades of “Pass” (P) are also acceptable for transfer, provided credit was awarded and the grade of P carries a numeric GPA value of 2.00 or greater. Credits earned in developmental and remedial, English as a Second Language courses, or CEUs (continuing education units) are nontransferable.

Upon completion of the transfer credit evaluation, accepted students will receive a copy of their degree audit showing the credit accepted toward their program of study. Students with domestic transfer credit wishing to review such credits must contact a transfer adviser in Student Academic & Financial Services. Those with transcripts from foreign institutions must contact International Admissions.

JWU has a number of articulation agreements and transfer credit equivalencies in place that facilitate student transfers to Johnson & Wales University. The Transfer Evaluation System provides students with information on courses (domestic institutions only) that have previously been evaluated and accepted by Johnson & Wales University.

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

The transfer of credit is not guaranteed.

Graduate

Graduate program applicants with prior graduate-level coursework taken at approved colleges and universities may be eligible for transfer credit. A maximum of 20 percent of the program’s credits can be awarded as transfer credit for courses completed with a grade of B or better (3.00 GPA)
or equivalent. In some cases, an official course outline or syllabus will be required in order to determine if the course(s) is similar in level, content and duration to courses in the student’s intended program of study at JWU. Graduate transfer credit will be approved by the dean of the respective college.

Applicants with transfer credit should submit official college transcripts from any colleges and universities previously attended prior to enrolling at the university. It is the responsibility of those candidates who are currently attending other colleges to have their updated official transcripts sent to Johnson & Wales University as soon as final grades become available and no later than the first term of enrollment.

All non-English documents must be accompanied by certified word-for-word English translations. In addition, course descriptions/syllabi (subject details, module descriptors or content outline) are generally required for transfer credit evaluation.

Upon submission of all of the required documents and completion of the transfer credit evaluation, accepted students will be notified that the evaluation is complete and the degree audit is available for review.

Once enrolled in a JWU master’s degree program, a student may not take courses elsewhere and apply them for transfer credit. Transfer credits should be requested prior to initial matriculation into a JWU master’s degree program.

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

Prerequisite and Foundation Courses

Prerequisite courses are required undergraduate classes for students who need such courses to prepare for graduate study.

Foundation courses are graduate-level courses that may be required of some students whose previous academic background does not reflect the course content described. Foundation courses with grades below a C or equivalent will need to be repeated.

For possible exemption from prerequisite and/or foundation courses, candidates must ensure that all official college and university transcripts are submitted prior to enrollment at JWU. In some cases, the official course outline or syllabus will be required in order to complete the evaluation.

Only courses similar in level, content and duration to JWU’s prerequisite courses, and for which the student has earned a grade of C or higher (2.00 GPA) or equivalent, may be used to exempt the student from the respective prerequisite. Specific graduate degree program prerequisite and foundation requirements are listed in the catalog under each program of study.

Upon transcript review, domestic students may view their degree audit online in jwuLink > Academics > Grad Planning System (GPS), and will be sent a copy of their degree audit reflecting any prerequisites and/or foundation courses met as well as the remaining requirements of their program of study. International students who enroll in a JWU program can also access their degree audit online in jwuLink.

Students with domestic transcripts wishing to review transfer credit, prerequisite or foundation course credits must contact a transfer adviser in Student Academic & Financial Services. International students should contact a graduate student academic counselor in Student Academic & Financial Services upon enrollment into the graduate school major. Those with transcripts from foreign institutions may be referred to an international credentials evaluator.

Transfer and Career Prerequisites

Students who intend to transfer to other colleges or enroll in graduate school after attending Johnson & Wales University must determine the requirements of those institutions and plan their programs of study accordingly. Johnson & Wales University makes no claim or guarantee for transfer credit to other academic institutions. Similarly, students who intend to take state, foreign business, trade or professional licensing examinations should determine the prerequisites of those jurisdictions prior to selecting their programs of study.

Students who are interested in transferring to JWU should review Transfer Credit (p. 104) for information.

Vaccination Policy

Prior to the first term of enrollment, the university requires all new, full-time undergraduate and graduate students, part-time undergraduate students in a health science program, and all culinary students to submit proof of a complete physical exam conducted within the past year, including documented proof of the following:

Vaccination Requirements

- Two (2) doses of MMR (measles, mumps and rubella) vaccine (or titers if applicable)
- Three (3) doses of hepatitis B vaccine (or titers if applicable)
- Two (2) doses chicken pox vaccine (or titers if applicable) or proof of physician-diagnosed disease
- One (1) Tdap dose within the past 10 years (except Charlotte campus, see below)
- One (1) dose of meningitis vaccine. If you received your first meningitis vaccine prior to age 16, a booster is required. A waiver of the meningitis vaccine requirement is available for students 22 years of age and older (please contact Health Services for further information).
- A negative tuberculosis test or chest x-ray within the last year is required for entering students who are from highly endemic countries and have been residents of the United States for less than five years. A list of countries where tuberculosis is highly endemic is available upon request from Health Services.

Charlotte Campus Only

- Any student who is under the age of 18 upon enrollment must also submit proof of the polio vaccine series.
- Three (3) doses of tetanus-diphtheria vaccine (including at least one Tdap dose within the past 10 years)

Recommended, But Not Required

- Students should check with their primary care provider as to whether the meningitis type B vaccine is appropriate for them.
- Hepatitis A vaccine

Failure to satisfy this requirement will result in the placement of a Health Services Hold on the students’ account and will prohibit students from entering class or changing their schedule. Visit Health Requirements for additional information and required forms.

International

International students on an F-1 student visa from another university are eligible to apply to Johnson & Wales University's Continuing Education programs. However, international students seeking a student visa must apply to the Johnson & Wales University Day program. All students who are resident aliens must provide proof of their status to Continuing Education Admissions.

Form I-20/Visa

Initial Form I-20 - Undergraduate

Responsibility for obtaining the approved visa classification rests entirely with students. Students entering the United States to study will need an F-1 international student visa. In order to obtain the necessary visa, students must submit the valid Form I-20 for an F-1 visa to the United States Embassy or Consulate in the country of residence. In addition to these forms, students will have to present a passport and evidence of financial support.

Johnson & Wales University will send the Form I-20 after undergraduate international students have been accepted, have paid their $500 reservation fee, and have submitted evidence of financial support. International students must register for the term for which admission is offered and must maintain full-time status during the academic year.

Additionally, F-1 International students currently studying in the U.S. who seek enrollment in a JWU program are required to submit a Transfer Release Form (completed by the international student advisor at the institution last attended) prior to receiving an I-20 form issued from JWU.

Students are admitted to the United States to attend the school that issued their I-20 form. Using an initial attendance I-20 from one school to gain admission to the United States to attend another school is a violation of U.S. immigration law. Students must attend the institution that they are authorized to attend. Violators will be reported to Homeland Security.

Travel Tourism (TRVL) Courses

105
Initial Form I-20 - Graduate

Responsibility for obtaining the approved visa classification rests entirely with students. Students entering the United States to study will need an F-1 international student visa. International Transfer Students

International students currently studying in the U.S. who seek enrollment in a JWU program are required to submit a Transfer Release Form (completed by the international student advisor at the institution last attended) prior to receiving a Form I-20 issued from JWU.

English Language Proficiency

Applicants whose primary language is not English must provide proof of English proficiency. English language proficiency is required for admission to all programs of study at Johnson & Wales University, regardless of country of citizenship or residency. Students who do not provide proof of English proficiency will be enrolled in the English as a Second Language (ESL) program and registered for ESL classes prior to beginning regular degree studies.

Johnson & Wales University’s English as a Second Language (ESL) program allows students to focus on the areas where they need the most improvement.

English as a Second Language (ESL) Program admission requirements are as follows:

- Transcript, diploma, certificate or examination results from last program completed or attended. If the student plans to continue matriculating via an academic pathway after ESL, the student must complete the undergraduate or graduate application/enrollment process.

Types of ESL programs:

- ESL only (with no degree intention) - There is no GPA requirement for this program.
- ESL (with undergraduate degree intention) - The GPA requirement is the same as the intended undergraduate major.
- ESL (with graduate degree intention) - The GPA requirement is the same as the intended graduate major.

English Language Placement testing for new ESL students will be given before the beginning of each term. JWU uses the students’ scores from this testing to place students into the appropriate level of ESL.

English Proficiency Requirements

Johnson & Wales University recognizes a number of examinations as proof of English proficiency. Acceptable proof of English proficiency may include one of the following comparable English proficiency examinations (English proficiency examinations cannot be older than two years). Please note that total exemption from ESL may require meeting both the overall score and individual subscores.

To meet English proficiency requirements, all English language examination results must be submitted on an official test transcript that is no more than two years old. TOEFL scores must be received as official ETS scores. The Johnson & Wales University Designated Institution (DI) code is 3465. Students
High School/College Verification

All students who have been accepted for admission to Johnson & Wales University must provide verification of high school completion. International students need to submit an official, final transcript, diploma and/or official examination results, with original stamps, signatures and award date.

Students do not need to provide high school verification if at least one of the following situations pertains to them:

- Successful completion of an associate degree program
- Successful completion of at least 60 semester or trimester credit hours or 72 quarter credit hours that does not result in the awarding of an associate degree, but that is acceptable for full credit toward a bachelor's degree at any institution
- Enrollment in a bachelor's degree program where at least 60 semester or trimester credit hours or 72 quarter credit hours have been successfully completed, including credit hours transferred into the bachelor's degree program. The student must provide a college transcript for verification of completed college earned hours.

Transfer students must submit official transcripts from previous colleges/universities attended. Graduate students must submit official transcripts/mark sheets from all institutions attended and diploma showing bachelor's degree conferral.

Without such verification, students will not be allowed to register for the current term or continue enrollment and will be in jeopardy of losing their academic status with the university as well as their immigration status. For international students, a loss of immigration status will require their immediate departure from the US.

Examinations

International Baccalaureate

Johnson & Wales University recognizes International Baccalaureate (IB) Diploma and Certificate Examinations for advanced placement credit and will award 4.5–9.0 quarter credits for standard and higher-level exams with a score of 4 or better as applicable for the intended JWU major. Students must request an official IBO examination transcript to be sent from the International Baccalaureate Organization.

General Certificate of Education Advanced Level (A-level)

Johnson & Wales University recognizes UK Advanced Level examinations for advanced placement credit and will award up to 12 quarter credits per subject for GCE Advanced Level Examinations (excluding General Paper) passed with grade equivalents of C or better. Up to six quarter credits may be awarded for GCE AS (Advanced Subsidiary) examinations. Students must submit an official or verified certificate or statement of results issued by the UK examinations board.

Caribbean Advanced Proficiency Examinations (CAPE)

Johnson & Wales University recognizes Caribbean Advanced Proficiency Examinations for advanced placement credit and will award up to 12 quarter credits per subject for two-year CAPE examinations passed with a grade of IV or better. Up to six quarter credits may be awarded for single-unit CAPE examinations. Students must submit an official or verified statement of results issued by the Caribbean Examinations Council (CXC).

Articulation Agreements

Johnson & Wales University is proud to maintain a variety of international relationships through articulation agreements and transfer equivalencies with institutions and programs that facilitate student transfer to JWU for bachelor's degree completion. The university is continuously working to develop partnerships with institutions around the world for the purpose of offering diverse educational opportunities for transfer students. Please note that not all majors are offered at every campus, which may affect articulation agreement eligibility. Contact Admissions at the specific campus for more information.

International Transfer Credit

Post-secondary coursework completed at foreign institutions chartered and authorized by their national governments, usually through a ministry of education, is generally eligible for transfer credit; however, transfer credit is not guaranteed.

- St. Vincent and the Grenadines (STV)
- Trinidad and Tobago (TRT)
- Turks and Caicos Island (TCI)
- United Kingdom (UNK)
- Virgin Islands
Graduate programs are offered at the Providence, North Miami and Denver campuses.

Undergraduate

Applicants with transfer credit should submit official college transcripts from any colleges and universities previously attended prior to enrolling at the university. It is the responsibility of those candidates who are currently attending other colleges to have their updated official transcripts sent to Johnson & Wales University as soon as final grades become available and no later than the first term of enrollment. In some cases, an official course outline or syllabus will be required for evaluation.

All non-English documents must be accompanied by certified word-for-word English translations. In addition, course descriptions or syllabus (subject details, module descriptors or content outline) are generally required for transfer credit evaluation.

In order to be eligible for transfer credit, courses must be similar in level, content and duration to JWU courses in the student’s intended program of study. Additionally, only courses with earned grades of C or higher (2.00 GPA) or equivalent will be accepted. Courses that carry grades of “Pass” (P) are also acceptable for transfer, provided credit was awarded and the grade of P carries a numeric GPA value of 2.00 or greater. Credits earned in developmental and remedial English as a Second Language courses, or CEUs (continuing education units) are not transferable.

Upon completion of the transfer credit evaluation, accepted students will receive a copy of their degree audit showing the credit accepted toward their program of study. Students with domestic transfer credit wishing to review such credits must contact a transfer adviser in Student Academic & Financial Services. Those with transcripts from foreign institutions must contact International Admissions.

JWU has a number of articulation agreements and transfer credit equivalencies in place that facilitate student transfers to Johnson & Wales University. The Transfer Evaluation System provides students with information on courses (domestic institutions only) that have previously been evaluated and accepted by Johnson & Wales University.

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

The transfer of credit is not guaranteed.

Graduate

Graduate program applicants with prior graduate-level coursework taken at approved colleges and universities may be eligible for transfer credit. A maximum of 20 percent of the program’s credits can be awarded as transfer credit for courses completed with a grade of B or better (3.00 GPA) or equivalent. In some cases, an official course outline or syllabus will be required in order to determine if the course(s) is similar in level, content and duration to courses in the student’s intended program of study at JWU. Graduate transfer credit will be approved by the dean of the respective college.

Applicants with transfer credit should submit official college transcripts from any colleges and universities previously attended prior to enrolling at the university. It is the responsibility of those candidates who are currently attending other colleges to have their updated official transcripts sent to Johnson & Wales University as soon as final grades become available and no later than the first term of enrollment.

All non-English documents must be accompanied by certified word-for-word English translations. In addition, course descriptions/syllabi (subject details, module descriptors or content outline) are generally required for transfer credit evaluation.

Upon submission of all of the required documents and completion of the transfer credit evaluation, accepted students will be notified that the evaluation is complete and the degree audit is available for review.

Once enrolled in a JWU master’s degree program, a student may not take courses elsewhere and apply them for transfer credit. Transfer credits should be requested prior to initial matriculation into a JWU master’s degree program.

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

Prerequisite and Foundation Courses

Prerequisite courses are required undergraduate classes for students who need such courses to prepare for graduate study.

Foundation courses are graduate-level courses that may be required of some students whose previous academic background does not reflect the course content described. Foundation courses with grades below a C or equivalent will need to be repeated.

For possible exemption from prerequisite and/or foundation courses, candidates must ensure that all official college and university transcripts are submitted prior to enrollment at JWU. In some cases, the official course outline or syllabus will be required in order to complete the evaluation. Only courses similar in level, content and duration to JWU’s prerequisite courses, and for which the student has earned a grade of C or higher (2.00 GPA) or equivalent, may be used to exempt the student from the respective prerequisite. Specific graduate degree program prerequisite and foundation requirements are listed in the catalog under each program of study.

Upon transcript review, domestic students may view their degree audit online in jwuLink > Academics > Grad Planning System (GPS), and will be sent a copy of their degree audit reflecting any prerequisites and/or foundation courses met as well as the remaining requirements of their program of study. International students who enroll in a JWU program can also access their degree audit online in jwuLink.

Students with domestic transcripts wishing to review transfer credit, prerequisite or foundation course credits must contact a transfer adviser in Student Academic & Financial Services. International students should contact a graduate student academic counselor in Student Academic & Financial Services upon enrollment into the graduate school major. Those with transcripts from foreign institutions may be referred to an international credentials evaluator.

Military and Veterans

Johnson & Wales University (JWU) is honored to support our nation’s military members and veterans as they pursue their education. JWU is proud to be a Yellow Ribbon Program-participating institution and a participant of the Principles of Excellence. JWU is dedicated to help ensure that our students are maximizing the full potential of their VA education and military benefits. This includes students who are veterans, active duty and military dependents. JWU works with students who qualify for the Montgomery GI Bill (Chapter 30), MGIB Selected Reserve (Chapter 1606), Reserve Educational Assistance Program (Chapter 1607), Dependents Education Assistance (Chapter 35), Post-9/11 GI Bill (Chapter 33), Yellow Ribbon Program, Vocational Rehabilitation (Chapter 31), Tuition Assistance and other programs/benefits.

All students seeking to utilize educational benefits must apply through the Department of Veterans Affairs (VA). Students with questions about their eligibility should contact the VA first to determine the specific programs for which they may qualify.

Processing of the veterans application by the VA takes approximately 6–10 weeks. The VA will mail the student a Certificate of Eligibility. This must be provided to the campus certifying official in Student Academic & Financial Services to receive benefits for upcoming terms.

Each new student utilizing veteran benefits should submit

1. an application for admission
2. official documentation that verifies high school diploma completion or equivalent
3. official college transcripts from all colleges previously attended and military training transcripts, as applicable
4. Certificate of Eligibility and any other necessary VA paperwork

Students enrolling under the GI Bill for the first time may experience a delay of up to two months before they receive their first check(s). Students should contact the Veterans Affairs Office if no check has been received by week 7 of a term.

Courses that are not required for the student’s degree program will not be certified. However, if a student needs to maintain full-time status, they may take courses outside their degree program only in the last term before graduating.

Federal regulations pertaining to the veterans’ education benefits program require schools to certify a student’s dates of enrollment to enable that
required for Spanish, French and German.

All undergraduate students who studied a language for more than one year Modern Languages

Visit Testing Services

30 days after their initial test at no charge.

Students requesting to retake their placement exam may do so by contacting discuss their placement and course registration.

counselor from Student Academic & Financial Services after they have ACCUPLACER administration, and will also be contacted by an academic assessment.

university. There is no charge for virtual proctoring or for the ACCUPLACER access to the internet and a voucher code that will be provided by the online testing appointments are available seven days a week, 24 hours a day, and require no software installs. All that is needed is a simple webcam, access to the internet and a voucher code that will be provided by the university. There is no charge for virtual proctoring or for the ACCUPLACER assessment. Students will receive a score report immediately following ACCUPLACER administration, and will also be contacted by an academic counselor from Student Academic & Financial Services after they have completed placement testing and prior to their first term of enrollment to discuss their placement and course registration.

Students requesting to retake their placement exam may do so by contacting Student Academic & Financial Services. Students will be allowed one retake 30 days after their initial test at no charge.

Visit Testing Services for additional information.

Modern Languages

All undergraduate students who studied a language for more than one year in high school are required to take a placement exam prior to registering for a course in the respective language. Modern language placement exams are required for Spanish, French and German.

Modern language placement exams are scheduled at the beginning of each term. Students whose placement score indicates they have met a particular level of language proficiency will not be allowed to enroll in that level of the language. Students placing out of a required level of a language will be given the option to take the CLEP exam to earn the language credits (fees apply), or to have the language credits replaced with an arts and sciences elective course.

For additional information, visit Testing Services.

English as a Second Language (ESL)

Students admitted into the ESL Program are required to complete the Levels of English Proficiency (LOEP) Test to assess their English-language proficiency. This test includes three sections: reading, language usage and sentence meaning. LOEP tests are scheduled at the beginning of each term and administered via the ACCUPLACER computer-based placement testing system.

Results of the LOEP placement test will determine whether students are placed into the beginner, intermediate or advanced levels of ESL courses. Students with a score of 315 or higher on the LOEP test are eligible to take the Institutional TOEFL Test (ITT). Students who obtain a score of 550 or higher in the ITT can exit the ESL program and enroll directly in their degree program courses. Students with a test score under 550 on the ITT will have their individual section scores reviewed in the areas of listening, grammar and reading. Section scores with a minimum of 550 on the ITT will exempt the student from the corresponding ESL class. Students who do not complete the required LOEP test will automatically be placed into beginner-level ESL courses.

Prior Learning Assessment

By successfully completing one of the Prior Learning Assessment options [Portfolio Assessment, College Level Examination Program (CLEP)/DANTES Subject Standardized Tests (DSST) or Departmental Challenge Examinations], students may earn undergraduate course credit for previous academic and/or prior learning experiences.

Policies for Prior Learning Assessment

1. Students must consult with an academic counselor prior to applying for Challenge Examinations or Portfolio Development.

2. Course prerequisite requirements must be completed before permission to take Challenge Examinations or Portfolio Development is granted.

3. Prior Learning Assessments are for academic credit and carry nonrefundable fee(s).

4. CLEP exam credit will only be awarded for passing scores of 50 or higher, and when the JWU course equivalent to the exam title is degree applicable.

5. DSST exam credit will only be awarded for scores which meet the minimum ACE recommended score, and when the JWU course equivalent to the exam title is degree applicable.

6. Official College Board transcripts are required for CLEP exam credit to be awarded.

7. Official Prometric transcripts are required for DSST exam credit to be awarded.

8. CLEP and DSST exams, if failed, can be repeated three months after the initial testing date.

10. The university recognizes up to a maximum of 45 undergraduate credits for bachelor's degrees and 22.5 for associate degrees earned through Prior Learning Assessment.

11. Prior Learning Assessment credits cannot be used to meet residency requirements.

12. Students may not take Challenge/CLEP/DSST exams for a lower level course after completing higher level courses in the same discipline.

13. Students may not request to take a Challenge Exam or Portfolio Development for a course that is a prerequisite to a course for which they have already received credit or in which they are currently enrolled.

14. Students must present a valid picture ID when testing.

Visit Testing Services for additional policies, course options, deadlines, examination dates and fees.
In all cases, the academic department determines policy as it relates to the testing options for each course in the department. Several options may be available to students, and it is recommended that students seek the advice of an academic counselor.

**CLEP/DSST Examination**

Both CLEP and DSST are forms of Prior Learning Assessment that allow students with knowledge obtained outside the classroom to earn college credit by examination.

**College Level Examination Program (CLEP)**

The College-Level Examination Program (CLEP) is a standardized, college-credit-granting exam program maintained by the College Board. CLEP offers 33 exams in five subject areas: business, composition and literature, foreign languages, history and social sciences, science and mathematics.

While the university accepts the American Council on Education (ACE) recommended passing score of 50, subject equivalencies for each CLEP examination are determined by the respective academic department at the university. To view the currently approved CLEP/JWU course equivalencies, go to the Transfer Evaluation System (TES) and type “College Board” in the search box. Exam titles are listed alphabetically preceded by the designation of CLEP.

U.S. military personnel and U.S. veterans may be eligible to receive funding or reimbursement for CLEP exams. For more information on CLEP, visit a student for Military JWU waives the CLEP administration fee for its U.S. military and U.S. veteran students.

Visit Testing Services for additional policies, course options, deadlines, examination dates and fees.

**DANTES Subject Standardized Test (DSST)**

DANTES Subject Standardized Tests (DSST) are standardized college-credit-granting exams maintained by Prometric. There are 37 DSSTs available in six subject areas (business, humanities, math, physical science, social sciences and technology), covering material taught in both lower- and upper-level college courses.

While the university accepts ACE recommended scores, subject equivalencies for each DSST examination are determined by the respective academic department at the university. To view the currently approved DSST/JWU course equivalencies, go to the Transfer Evaluation System (TES) and type “DSST Program Exams” in the search box.

U.S. military personnel and U.S. veterans may be eligible to receive funding or reimbursement for DSST exams. For more information on DSST, please visit Get College Credit.

Visit Testing Services for additional policies, course options, deadlines, examination dates and fees.

**Departmental Challenge Examination**

Departmental Challenge exams are exams created by the Johnson & Wales University department in which the course is taught and are designed based on the course’s content. Exams may be taken for specifically designated undergraduate courses within a department. All matriculating students with previous academic and/or work experience may request such an exam when they feel they possess the knowledge required to meet the course’s objectives as listed in the outline for the respective course.

Students may be required to meet additional prerequisites to take certain challenge exams. Visit Testing Services for complete policies, course options, deadlines, examination dates and fees.

**Portfolio Assessment**

Undergraduate students may earn credits for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel programs, organizations or other comparable sources.

Students are required to meet with an academic counselor to discuss these options.

Prior to applying for the Portfolio Assessment option, students are required to successfully complete ENG1020 English Composition, or a higher-level writing course.

Students must complete the mandatory online Portfolio Development Seminar before submitting a finalized portfolio for review.

While there are no regularly scheduled meetings, students are expected to participate in the seminar activities that lead toward the completion of the portfolio. The individual components of the portfolio are covered in self-paced segments.

Portfolios must be submitted within six months of the application date. Completed portfolios are submitted electronically to the appropriate department designee for review. Students are notified of the outcome once the assessment is completed. If credit is denied for a portfolio, the student has 10 days upon notification to file a written appeal for review.

Once the seminar is completed, eligible students, in consultation with an academic counselor, may submit additional portfolios.

Visit Testing Services to review additional policies, course options, deadlines and fees.

**Technical Standards**

**College of Culinary Arts**

To participate in any program in the College of Culinary Arts, each student, with or without reasonable accommodations, must be able to safely and effectively

- communicate appropriately with fellow students, faculty and guests
- participate in industry-relevant activity for up to six continuous hours, often standing and moving in laboratory classes
- lift and transport a minimum weight of 25 pounds
- maneuver in commercial kitchens, dining rooms and industry-related facilities
- lift and transport trays of food and beverages, and serve and clear guest tables
- use knives and commercial cooking utensils, and operate commercial food service equipment
- produce and evaluate the quality of all food and beverage products
- handle and utilize commercial cleaning and sanitizing equipment and materials
- complete physical tasks in a timely manner
- perform multiple-step procedures to produce recipes/formulas and perform industry-relevant tasks within a designated time frame

The foregoing technical standards are essential to all programs of instruction in the College of Culinary Arts and also reflect industry requirements and standards.

**College of Hospitality Management**

**Sports, Entertainment, Event — Management**

To participate in this program, each student, with or without reasonable accommodations, must be able to safely and effectively

- communicate appropriately with faculty, staff, fellow students, university guests and customers, in person and by telephone and email
- input data into and retrieve data from a computer
- complete job responsibilities on both day and night shifts

**Tourism & Hospitality Management**

To participate in this program, each student, with or without reasonable accommodations, must be able to safely and effectively

- communicate appropriately with faculty, staff, fellow students, university guests and customers, in person and by telephone and email
- input data into and retrieve data from a computer
- travel by standard commercial carriers, including airlines, to international destinations, which may not meet US ADA specifications
- carry out tour guide responsibilities (e.g., leading groups to access museums and outdoor tourism destinations, hotels and restaurants) at international destinations, which may not meet US ADA specifications
- complete job responsibilities on both day and night shifts

**Hotel & Lodging Management**

To participate in this program, each student, with or without reasonable accommodations, must be able to safely and effectively

- communicate appropriately with faculty, staff, fellow students, university guests and customers, in person and by telephone and email
- input data into and retrieve data from a computer
- travel by standard commercial carriers, including airlines, to international destinations, which may not meet US ADA specifications
- carry out tour guide responsibilities (e.g., leading groups to access museums and outdoor tourism destinations, hotels and restaurants) at international destinations, which may not meet US ADA specifications
- complete job responsibilities on both day and night shifts
• communicate appropriately with faculty, staff, fellow students, university guests and customers, in person and by telephone and email
• input data into and retrieve data from a computer
• travel by standard commercial carriers, including airlines, to international destinations, which may not meet US ADA specifications
• participate in tours of restaurants and hotels, and tourism at international destinations, which may not meet US ADA specifications
• complete job responsibilities on both day and night shifts

Restaurant, Food & Beverage Management
To participate in this program, each student, with or without reasonable accommodations, must be able to safely and effectively
• communicate appropriately with faculty, staff, fellow students, university guests and customers, in person and by telephone and email
• input data into and retrieve data from a computer
• complete job responsibilities on both day and night shifts
• participate in industry-relevant activity for up to six continuous hours, often standing and moving in laboratory classes
• lift and transport a minimum weight of 25 pounds
• safely and quickly maneuver in commercial kitchens, dining rooms and industry-related facilities
• lift and transport trays of food and beverages, and serve and clear guest tables
• use knives and commercial cooking utensils, and operate commercial food service equipment
• produce and evaluate the quality of all food and beverage products
• handle and utilize commercial cleaning and sanitizing equipment and materials
• complete physical tasks in a timely manner
• perform multiple-step procedures to produce recipes/formulas and perform industry-relevant tasks within a designated time frame

The foregoing technical standards are essential to the programs of instruction in the College of Hospitality Management and also reflect industry requirements and standards.

College of Arts & Sciences

Equine Business Management/Riding
To participate in this program, each student, with or without reasonable accommodations, must be able to safely and effectively
• wear footwear designed specifically for riding in English tack (the footwear must completely enclose the foot and have at least a ¼-inch heel)
• wear helmets that are ASTM/SEI certified (helmets must have verification that they hold such certification)
• be able to receive, understand and readily respond to audio cues while on horseback
• ride a horse without risking the animal's welfare in any way, including overloading the horse
• be able to receive and understand instruction without having to make visual contact with the instructor or take their eyes off the course
• be able to accurately judge the distance between themselves, horses and people in the ring, and obstacles and jumps
• be able to easily mount a horse either with the proper use of an approved mounting block or from the ground without assistance
• be able to properly handle standard grooming equipment, including, but not limited to: curry combs, hard & soft brushes, sweat scrapers, mane combs & braiding equipment
• be able to bend over and lift a horse's hoof and hold it long enough to allow proper examination or cleaning of the hoof
• be able to receive, understand and readily respond to audio cues while working with horses
• be able to properly handle standard grooming equipment including but not limited to: curry combs, hard & soft brushes, sweat scrapers, mane combs & braiding equipment
• be able to bend over and lift a horse's hoof and hold it long enough to allow proper examination or cleaning of the hoof
• be able to safely put a halter and bridle on a horse without assistance and lead
• have the ability to operate horse management equipment such as tractors, trucks and wheelbarrows
• be able to lift, handle and transport tack, feed bags, hay bales and equipment for feeding and watering horses up to 50 pounds for a distance of 50 feet
• be able to move their entire body a distance of no less than three meters within three seconds of a signal to do so
• be able to have sustained contact with horses and work in an environment where dust, hay and grasses are prevalent
• be able to perform all tasks mentioned above either in the saddle or on the ground without losing balance, falling, or becoming dizzy, light-headed or faint

The foregoing technical standards are essential to the programs of instruction in Equine Business Management/Riding and also reflect industry requirements and standards.

Equine Business Management/Non-Riding
To participate in this program, each student, with or without reasonable accommodations, must be able to safely and effectively
• have proof of current, adequate medical and hospitalization insurance
• wear footwear designed specifically for working around horses. The footwear must completely enclose the foot
• be able to receive, understand and readily respond to audio cues while working with horses
• be able to properly handle standard grooming equipment including but not limited to: curry combs, hard & soft brushes, sweat scrapers, mane combs & braiding equipment
• be able to bend over and lift a horse's hoof and hold it long enough to allow proper examination or cleaning of the hoof
• be able to safely put a halter and bridle on a horse without assistance and lead
• have the ability to operate horse management equipment such as tractors, trucks and wheelbarrows
• be able to lift, handle and transport tack, feed bags, hay bales and equipment for feeding and watering horses up to 50 pounds for a distance of 50 feet
• be able to move their entire body a distance of no less than three meters within three seconds of a signal to do so
• be able to have sustained contact with horses and work in an environment where dust, hay and grasses are prevalent

The foregoing technical standards are essential to the programs of instruction in Equine Business Management/Non-Riding and also reflect industry requirements and standards.

Equine Science
To participate in this program, each student, with or without reasonable accommodations, must be able to safely and effectively
• have proof of current, adequate medical and hospitalization insurance
• wear footwear designed specifically for working around horses. The footwear must completely enclose the foot
• be able to receive, understand and readily respond to audio cues while working with horses
• be able to properly handle standard grooming equipment including but not limited to: curry combs, hard & soft brushes, sweat scrapers, mane combs & braiding equipment
• be able to bend over and lift a horse's hoof and hold it long enough to allow proper examination or cleaning of the hoof
• be able to safely put a halter and bridle on a horse without assistance and lead
• have the ability to operate horse management equipment such as tractors, trucks and wheelbarrows
• be able to lift, handle and transport tack, feed bags, hay bales and equipment for feeding and watering horses up to 50 pounds for a distance of 50 feet
• be able to move their entire body a distance of no less than three meters within three seconds of a signal to do so
• be able to have sustained contact with horses and work in an environment where dust, hay and grasses are prevalent

Travel Tourism (TRVL) Courses
• be able to perform all tasks mentioned above without losing balance, falling, or becoming dizzy, light-headed or faint

The foregoing technical standards are essential to the programs of instruction in Equine Science and also reflect industry requirements and standards.

**College of Health & Wellness**

Please visit Technical Standards for a complete list of the technical standards for the Physician Assistant Studies program.
Financing Your Degree

This section of the catalog contains information on tuition and fees, financial policies and obligations, financial aid and payment options. There is also information on loans, grants, scholarships and work programs for eligible students depending on campus and degree program.

Academic Progress

Satisfactory Academic Progress

To be eligible for financial aid, all students must satisfy Satisfactory Academic Progress (SAP), which is required by federal law. SAP measures a student’s completion of coursework toward a degree. JWU evaluates SAP at the end of each term/semester, including summer, for each student. Students who do not meet all SAP criteria may lose their eligibility to receive all types of financial aid (e.g., federal, state, private, institutional and other aid). Students will be notified of the decision both verbally and in writing.

Maximum Time Frame Criteria

Completion of undergraduate or graduate programs cannot exceed 150 percent of the published length of the program measured in credit hours attempted, as determined by the student’s program requirements.

Pace Measure of Academic Progress Criteria

- Students must complete a specified percentage of all credit hours attempted (see below).
- This percentage includes all credit hours attempted regardless of whether or not financial aid was received.
- This pace measurement is calculated by dividing the cumulative number of hours that the student has successfully completed by the cumulative number of hours that the student has attempted.
- Credits attempted are defined as all classes for which a student receives a grade (D or better), or an F, I, W, WP, WF, NC, GP, S, U, PL, CX, NG, AU, etc.
- All transfer credit hours accepted from another institution toward the student’s educational program at JWU will be counted as both attempted and completed hours.
- The student’s GPA and pace of completion are negatively impacted by course incompletes, withdrawals, failures or repetitions (incompletes, failures and withdrawals count in attempted credits, but not completed).

Grade Point Average Criteria

- All undergraduate and graduate students must maintain a minimum Grade Point Average (GPA).
- The student’s cumulative GPA for financial aid eligibility must be calculated on all grades received.
- All students, regardless of their enrollment status (e.g., full or part time), must meet the following minimum academic standards to remain eligible for financial aid.

<table>

Warning Period

Students who fail to meet SAP criteria will be placed on financial aid warning for one academic term/semester and a hold will be placed on the student’s record, which will prevent them from course registration for all future term/semesters. Students remain eligible for financial aid during the warning term/semester. If SAP criteria are not satisfied at the end of the warning term/semester, the student will be ineligible for financial aid. Students on warning must meet with an academic counselor/adviser to clear the hold prior to course registration, and/or to pursue an appeal. Students on warning must submit their appeal and supporting documentation no later than the 11th week of the warning term/semester.

Ineligible for Financial Aid Period

Students who fail to meet SAP criteria after the warning period are ineligible for financial aid. If the student does not have an approved appeal, the student is no longer eligible for financial aid. Students may continue to take courses without financial aid to re-establish SAP standards; however, a payment plan must be established for the tuition and applicable fees associated with the course(s). Once a student is meeting JWU’s minimum SAP standards, the student may regain financial aid eligibility. Students who are interested in reestablishing aid eligibility should meet with an academic counselor/adviser to determine what they would need to do to meet JWU’s minimum SAP standards.

Appeal Process/Probationary Period

If extenuating circumstances impacted successful adherence to SAP criteria, the student may pursue an appeal. The appeal will require the student to indicate why they did not make SAP and what has changed in the student’s situation that will allow the student to demonstrate SAP by the next term/semester. Circumstances and required documentation are illustrated below.

The appeal process begins with the student’s academic counselor in Student Services. The student should be able to meet the SAP standards by the end of the next term/semester; however based on the appeal, if the student requires more than one term/semester to meet progress standards, the student can be placed on probation and an appropriate academic plan will be created for the student not to exceed two terms/semesters. If this plan allows the student to meet SAP criteria, the counselor will present it to the appeals committee. Appeals must include complete documentation and are reviewed during the warning period; incomplete appeals will be denied. Appeal decisions are final. Students will be notified of the decision both verbally and in writing. This notification will take place after final grades are reviewed for the warning period.

If an appeal is approved, the student will be placed on a Financial Aid Probation Period, which is a status assigned by JWU to a student who fails to make SAP and who has successfully appealed and has had eligibility for financial aid reinstated. To continue receiving financial aid, the student will need to satisfy both the academic plan as outlined in their appeal and the SAP criteria.

Financial Aid

For those who qualify, federal financial aid programs are available to U.S. citizens or eligible non-citizens. To assist students in meeting their educational expenses, the federal government offers grants, low-interest loans and work-study. For term programs, financial aid is awarded on an annual basis and is disbursed in three equal installments (fall, winter and spring). Semester programs have two equal installments (fall and spring). Students interested in financial aid for summer enrollment should contact Student Financial Services on their campus.

Students who register for a course that is not required in their program of study may experience an adjustment/reduction in financial aid. The university cannot award financial aid for classes that do not count toward a student's degree requirements; therefore, a student's net tuition expense could be higher.

Undergraduate Financial Aid Programs

Grants, loans and work-study are available to students who qualify based on completion and submission of the Free Application for Federal Student Aid (FASFA) as described in the How to Apply (p. 114) section. Since awards are not automatically renewable, students must reapply each year. All financial aid awards are determined based on an academic year (fall, winter and spring terms). Financial aid awards and federal loan programs are disbursed based on this term system, which typically equates to three disbursements. All annual awards are posted in three equal amounts, or in some cases fewer, based on the student's entrance date.

Graduate Financial Aid Programs

Limited grants, loans and work-study are available to students who qualify based on completion and submission of the Free Application for Federal Student Aid (FASFA) as described in the How to Apply (p. 114) section. Since awards are not automatically renewable, students must reapply each year. All financial aid awards are determined based on an academic year (fall and spring semesters). Financial aid awards and federal loan programs are disbursed based on a semester system, which typically equates to two disbursements. All annual awards are posted in two equal amounts, or in some cases fewer, based on the student's entrance date.

For more information, please contact Student Financial Services on your respective campus.

How to Apply

Please see the appropriate tab for information regarding how to apply for financial aid.

Undergraduate

To be considered for financial assistance, complete the steps listed below.

1. Federal Student Aid ID (FSA ID)

Students and their parents can apply online for a FSA ID. The FSA ID allows students and parents to sign the FASFA electronically and to correct previously processed FAFSA information online. Both the student and at least one parent must apply for a FSA ID.

2. Free Application for Federal Student Aid (FAFSA)

The Free Application for Federal Student Aid is available online. This form must be completed as soon as possible after October 1.

The information for financial assistance is then processed by the federal processor and sent to Student Academic & Financial Services at the university. The FAFSA code for JWU is 003404.

3. Independent Students

To be considered independent for financial aid purposes, students must answer "yes" to one of the following questions:

1. Were you born before January 1, 1996?
2. As of today, are you married? (Answer yes if you are separated, but not divorced.)
3. At the beginning of the 2019–20 school year, will you be working on a master's or doctorate program (such as an M.A., MBA, M.D., J.D., Ph.D., Ed.D. or graduate certificate, etc.)?
4. Are you currently serving on active duty in the US Armed Forces for purposes other than training?

5. Are you a veteran of the US Armed Forces?
6. Do you have or will you have children who will receive more than half of their support from you between July 1, 2019 and June 30, 2020?
7. Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2020?
8. At any time since you turned age 13, were both your parents deceased, were you in foster care or were you a dependent or ward of the court?
9. As determined by a court in your state of legal residence, are you or were you an emancipated minor?
10. Does someone other than your parent or stepparent have legal guardianship of you, as determined by a court in your state of legal residence?
11. At any time on or after July 1, 2018, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?
12. At any time on or after July 1, 2018, did the director of an emergency shelter or transitional housing program funded by the US Department of Housing and Urban Development determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?
13. At any time on or after July 1, 2018, did the director of a runaway or homeless youth basic center or traditional living program determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?

If you do not have a determination that you are homeless, but you believe you are an unaccompanied youth who is homeless or self-supporting and at risk of being homeless, answer "no" to the FAFSA questions concerning being homeless. Then contact your financial aid office to explain your situation.

Students who cannot answer "yes" to one of the above questions are considered dependent and must complete their FAFSA as a dependent student by providing both parent and student information. Please feel free to contact Student Academic & Financial Services with any questions.

4. Verification and Other Documentation

Student Academic & Financial Services may request additional documentation to verify information provided on the FAFSA (e.g., parent tax transcripts, student tax transcripts, verification worksheet, etc.). Tax transcripts can be obtained online or by calling your local IRS office. The student's financial aid package will not be complete until all requested documentation has been received and reviewed by Financial Aid. In addition, all student loan borrowers must complete an entrance and exit counseling session during which students will be advised on their loan obligations.

Student Eligibility Requirements

To be eligible for financial aid, the student must meet the following criteria:

1. Be a US citizen or eligible non-citizen.
2. Maintain satisfactory academic progress. (Financial aid will be suspended until satisfactory academic progress is again achieved.)
3. Be enrolled in a degree program.
4. Not owe a refund on a Federal Pell Grant, or be in default on a Federal Student Loan or Parent Loan for Undergraduate Students (PLUS).
5. Sign a Statement of Educational Purpose, a Statement of Registration Status, and a Statement on Overpayments and Defaults.
6. For most programs, must demonstrate financial need.

Students are eligible to receive financial aid as long as they maintain satisfactory academic progress (p. 113) as defined in this catalog. Students who fail to maintain satisfactory academic progress will be notified by Student Academic & Financial Services.

Financial need is the difference between the cost of the student's education (tuition and fees, room and board, books and supplies, transportation and personal expenses) and the total contribution expected from the student and his/her family. The student's total family contribution is based on an analysis of the information which the student and/or parent supplied on the FAFSA. Some of the items considered are total family income, assets, the number of people in the household, the number of siblings in college, and the student's own resources, such as earnings, savings and untaxed income which the student may receive. Johnson & Wales University also considers these items when determining eligibility for university funds.
Graduate
To be considered for financial assistance, complete the steps listed below.

1. Federal Student Aid ID (FSA ID)
Students can apply online for a FSA ID. The FSA ID allows students to sign the FAFSA electronically and to correct previously processed FAFSA information online.

2. Free Application for Federal Student Aid (FAFSA)
The Free Application for Federal Student Aid is available online. This form must be completed as soon as possible after October 1.

The information for financial assistance is then processed by the federal processor and sent to Student Academic & Financial Services at the university. The FAFSA code for JWU is 003404.

Student Eligibility Requirements
To be eligible for federal aid programs, the student must meet the following criteria:

1. Be a US citizen or eligible non-citizen.
2. Maintain satisfactory academic progress. (Financial aid will be suspended until satisfactory academic progress is again achieved.)
3. Be enrolled in a degree program.
4. Not owe a refund on a Federal Pell Grant, or be in default on a Federal Student Loan or Parent Loan for Undergraduate Students (PLUS).
5. Sign a Statement of Educational Purpose, a Statement of Registration Status, and a Statement on Overpayments and Defaults.
6. For most programs, must demonstrate financial need.

Students are eligible to receive financial aid as long as they maintain satisfactory academic progress (p. 113) as defined in this catalog. Students who fail to maintain satisfactory academic progress will be notified by Student Academic & Financial Services.

Federal Grants and Loans
Students who register for a course that is not required for their program of study may experience an adjustment/reduction in financial aid. The university cannot award financial aid for classes that do not count toward a student's degree requirements; therefore, a student's net tuition expense could be higher.

Federal Pell Grant
The Federal Pell Grant is a federally funded entitlement program to assist qualified undergraduate students with exceptional financial need. Eligibility for these grants is determined by the U.S. Department of Education based on the information provided on the FAFSA. Pell recipients can attend at less-than-half-time status and remain eligible for a portion of their Pell Grant. Students with a previous bachelor's degree are not eligible for a Federal Pell Grant.

The maximum, full-time Pell Grant award for the 2018–19 award year (July 1, 2018 to June 30, 2019) was $6,095. The maximum Pell Grant award can change each award year and depends on program funding. Further information may be obtained from the U.S. Department of Education.

The amount of Federal Pell Grant funds a student may receive over their lifetime is limited by law to be the equivalent of six years of Pell Grant funding. Since the maximum amount of Pell Grant funding the student can receive each year is equal to 100 percent, the six-year equivalent is 600 percent.

Campus-based Financial Aid Programs
Campus-based financial aid programs, including the Federal Supplemental Educational Opportunity Grant (SEOG) and Federal Work-Study Program, are administered by Johnson & Wales University. Students must annually apply for these programs through the filing of the FAFSA.

Federal Supplemental Educational Opportunity Grant (SEOG)
This federally funded program provides annual financial assistance to qualified undergraduate students who demonstrate exceptional financial need. Amounts may vary based on the availability of funds. Students with a previous bachelor's degree are not eligible for SEOG.

Federal-Work Study Program
This is a federally funded program that provides part-time employment to undergraduate students with financial need. Positions are available throughout the university and with selected off-campus community service agencies.

Work-study gives students the opportunity to earn money to help pay educational expenses. Students are paid an hourly rate for actual hours worked. The amount earned cannot exceed the total work-study award. Work-study funds are paid biweekly directly to the student; therefore, funds will not be applied to the student's account unless arrangements are made with Student Academic & Financial Services.

William D. Ford Federal Direct Subsidized Loan
This loan program provides loans to undergraduate students who demonstrate financial need. First-time borrowers are required to complete a Master Promissory Note and an entrance interview. Both of these requirements can be completed online.

Students may borrow up to a maximum of $3,500 per academic year as first-years for the first year of undergraduate study, $4,500 for the second year as sophomores, and $5,500 per year for the third and fourth years as juniors and seniors. The student must begin repayment six months after he/she leaves the university or drops below half-time status. The amount of the student's monthly payment will be determined based upon the amount of student debt and the length of the repayment period. Please contact the Direct Lending Student Loan Support Center at 1-800-557-7394 for more information on repayment options. The average amount of loan debt for a student completing a 4-year degree at Johnson & Wales University for FY 2018 was $30,098.

For students who are first-time borrowers on or after July 1, 2013, there is a limit on the maximum period of time (measured in academic years) during which they can receive Direct Subsidized loans. Students may not receive Direct Subsidized loans for more than 150% of the published length of their program, known as their "maximum eligibility period." For example, if a student is enrolled in a four-year bachelor's degree program, the maximum period for which the student can receive Direct Subsidized loan is six years, or 150% of the program length. For more information, please contact the Financial Planning office.

William D. Ford Federal Direct Unsubsidized Loan
Like the Direct Subsidized Loan program, this Direct Unsubsidized Loan program also offers loans to students. While most of the loan terms are the same as the subsidized loan program, there are some major differences:

1. Students do not have to demonstrate financial need to receive a Direct Unsubsidized Loan.
2. The federal government does not pay interest on the borrower's behalf while the borrower is enrolled in school.

During that time, the student borrower can choose between making quarterly interest payments or "capitalizing" interest. "Capitalizing" interest means that the lender will add interest accrued to the principal balance. This will eliminate the need for interest payments while in school, but will result in a larger principal amount owed upon repayment.

William D. Ford Federal Direct Parent Loan Program for Undergraduate Students (PLUS)
The Direct PLUS Program provides loans to parents of dependent students to attend college. PLUS borrowers do not have to demonstrate need, but must not have an adverse credit history. All students must complete the Free Application for Federal Student Aid (FAFSA) if their parents plan to borrow a PLUS loan. The parent must also complete the Direct PLUS Master Promissory Note (MPN); an MPN can be completed online. In addition, the parent must indicate how much they want to borrow. Repayment of this loan will begin within 30 days of the time the loan is fully disbursed annually, or the borrower can contact the Department of Education to request a deferment. The borrowing limit is the total cost of attendance, minus any financial aid being received.

Increased Direct Unsubsidized Loan Limits for Independent Students and Dependent Students Whose Parents Don't Qualify for a PLUS
There are higher additional unsubsidized annual loan limits for independent undergraduate students. These higher additional unsubsidized loan limits also apply to dependent undergraduate students whose parents are unable to borrow PLUS loans due to adverse credit or other documented exceptional circumstances.
• $3,500 combined subsidized and/or unsubsidized plus $6,000 additional unsubsidized for independent first-year undergraduates
• $4,500 combined subsidized and/or unsubsidized plus $6,000 additional unsubsidized for independent second-year undergraduates
• $5,500 combined subsidized and/or unsubsidized plus $7,000 additional unsubsidized for independent third-, fourth- or fifth-year undergraduates

Note: All undergraduate annual loan amounts are subject to proration.

Please note that students/borrowers remain responsible for the repayment of educational loans that they borrow, even if they are not successful in completing the educational program and/or obtaining employment.

No student is required to apply for, or accept, any particular type of financial aid.

Johnson & Wales University participates in the William D. Ford Federal Direct Loan Program. All Direct Loans and parent PLUS Loans will be borrowed from the US Department of Education.

Please note that the loan information described in this catalog is based upon the available information as of the date of the production of this catalog. Updated information regarding federal grants and loans may be obtained by visiting the U.S. Department of Education website.

Applications for these loans are available on the Direct Lending website.

Aid from these programs is awarded on the basis of financial need. In order to receive maximum consideration for financial assistance, it is recommended that the student apply as soon as possible after October 1. The award process for first-year students begins in November of each academic year. Renewal of financial aid is not automatic. Recipients are required to reapply each year by the announced deadline.

To be eligible for these programs, students must meet the following criteria:

For most programs, students must
1. Demonstrate financial need;
2. Maintain satisfactory academic progress (financial aid will be suspended until satisfactory academic progress is again achieved);
3. Be enrolled in an eligible degree or certificate program;
4. Be enrolled on at least a half-time (at least 6.0 quarter credit hours) basis (students enrolled on a less-than-full-time basis may have their financial aid reduced; some students enrolled on a less-than-half-time basis may qualify for a Federal Pell Grant);
5. Be a U.S. citizen or eligible non-citizen;
6. Not owe a refund on a Federal Student Aid Grant (e.g., Federal Pell Grant, etc.) or be in default on a Federal Student Aid Loan;
7. Sign a Statement of Educational Purpose, a Statement of Registration Status and a Statement on Overpayments and Defaults.

Students are eligible to receive financial aid as long as they maintain Satisfactory Academic Progress (SAP) as defined in the SAP (p. 113) section of the catalog and Student Handbook. Students who fail to maintain SAP will be notified by Student Academic & Financial Services. All financial aid will be suspended until satisfactory academic progress is again achieved.

Return of Title IV Funds (Federal Aid)

When a student withdraws (or becomes withdrawn) during a payment period or period of enrollment, the amount of student financial aid program assistance earned is determined by a specific formula. If the student receives (or the university receives on the student’s behalf) less assistance than the amount earned, the student may be able to receive those additional funds. Students who received more assistance than what they earned must return the excess funds.

The amount of federal assistance earned is determined on a pro-rata basis. That is, if a student completes 30 percent of the payment period or period of enrollment, the student earns 30 percent of the federal assistance the student was originally scheduled to receive. Once the student completes more than 60 percent of the payment period or period of enrollment, the student earns all scheduled federal assistance.

The student’s loan monies (subsidized, unsubsidized and PLUS) must be on record with the Department of Education before the student’s last day of attendance in order for the money to be considered within the formula. If the student is eligible for a post-withdrawal disbursement, a written notice will be mailed requesting the consent of the borrower to post the funds to the student’s account. The amount of institutional assistance earned is based on the week that the student withdraws from the university and follows the percentage the university credits the student’s charges.

If a student receives excess funds that must be returned, Johnson & Wales University must return a portion of the excess, equal to the lesser of
• the student’s institutional charges multiplied by the unearned percentage of the student’s funds
• the entire amount of the excess funds

If the university is not required to return all excess funds, the student must return the remaining amount. Any loan funds that the student must return must be repaid by the student (or the student’s parent for a PLUS Loan) in accordance with the terms of the promissory note.

If a student is responsible for returning grant funds, the student does not have to return the full amount. Students are not required to return 50 percent of the grant assistance received that is the student’s responsibility to pay. Any amount not returned is a grant overpayment and the student must make arrangements with the university or Department of Education to return the funds.

Federal regulations establish the following allocation for students who receive Title IV, HEA program funds:

A refund owed to a student who received funds under any Title IV, HEA program will be returned to the Title IV, HEA programs from which the student received aid in the following order until the amounts received by the student from these programs is eliminated: the Unsubsidized/Subsidized Direct Loan, Parent PLUS Loan, Pell Grant, FSEOG program, all other sources of aid, and the student.

State Grants

Students from the following states may be eligible for state grants contingent upon residency and campus location. Please refer to a campus catalog for more information.

• Delaware
• Florida
• North Carolina
• Rhode Island
• Vermont

Contact the higher education authority in your home state for more information.

Financial Obligations

Continued enrollment as a student in good standing and certain other student benefits (diplomas, transcripts, etc.) are conditioned upon being current in all financial obligations to the university, including loans in which the university appears as a holder or guarantor.

Financial Planning

The university understands that financing an education can be a very complex process for many students. To assist with this process, financial planning counselors are available to work with students and their families on an individual basis to help them best utilize their own funds and other available resources to meet educational expenses.
For more information and assistance, contact Student Financial Services at the campus where you plan to enroll.

Federal financial aid is not available to international students. International students must provide sufficient evidence of financial support to receive an I-20. The university awards scholarships based on academic merit. International students can contact the EducationUSA advising center in their country to learn more about opportunities for financial assistance.

Other Fees
The fees below are only approximate costs and could be higher or lower depending on the student’s needs. These expenses should be understood prior to enrolling for budget/planning purposes.

**Off-campus Housing**
The out-of-pocket cost for housing is approximately $6,500 per academic year. These costs are determined annually and are not applied to the student’s invoice.

**Off-campus Meals**
The out-of-pocket cost for meals is approximately $1,500 per academic year. These costs are determined annually and are not applied to the student’s invoice.

**Books and Supplies**
The out-of-pocket cost for books and supplies is approximately $1,800 per academic year. These costs are not applied to the student’s invoice. Books and supplies can be purchased at the university’s bookstores, online or through other venues where available. The bookstores operate a textbook sales/buyback program to help students minimize these costs.

**General Transportation Expenses**
The out-of-pocket transportation expense is approximately $1,000 per academic year. These costs are determined annually and are not applied to the student’s invoice.

**Personal Expenses**
The out-of-pocket personal expense is approximately $1,000. These costs are determined annually and are not applied to the student’s invoice.

**Payment Options**

**Annual Payments**
Students may make one payment in full for the entire academic year. Students are responsible for paying all charges in full or making appropriate arrangements by the published due date.

**Term Payments**
Students attending a program with terms may make three payments per academic year. Students should refer to their invoice for future due dates.

**Monthly Payments**
Students may choose to pay the annual amount due in convenient monthly payments. This option is available through Tuition Management Systems (TMS). There is an enrollment fee to participate. Most plans are essentially interest free, but some accounts may incur late fees, reinstatement fees or other fees. Students interested in this option must contact with TMS and pay the first installment, in addition to the enrollment fee, by the fall published due date listed above.

All Johnson & Wales University students must fulfill their financial obligations to the university by the published due date noted above. (All off-term/semester entrants must meet the financial obligation by the published date for that term/semester.)

To meet their financial obligation, students must do one of the following by the published due date:

- Make a full term payment.
- Contract with TMS and pay the first monthly installment, as well as the enrollment fee.
- Have an approved loan that covers the annual balance.

- Have an approved payment plan with Student Academic & Financial Services using a combination of the above options.

**Refund Policies**

**General Policy**
To the extent that any charges due to the university remain unpaid, no refund check will be issued. No tuition or fees (other than the reservation fee for undergraduate students) will be assessed for term/semesters that the student does not begin. Students who withdraw from the university prior to the end of the academic year may have their financial aid adjusted. Institutional grants and scholarships, where applicable, will be reduced in proportion to any tuition credit received as defined in the university’s Withdrawal Credit Policy. The distribution formula for refunds to the Federal Student Financial Aid program will be calculated according to federal regulations. The university’s Withdrawal Credit Policy applies to all withdrawals from the university, voluntary or involuntary.

**Unofficial Withdrawal from the University**
Federal regulations require that a student who begins attendance but fails to earn a passing grade in at least one course in any term/semester and does not officially withdraw shall be considered as having unofficially withdrawn from the university unless the university can document that the student completed at least 60 percent of the period of enrollment and earned the grade of F. A student must be engaged in academically related activities beyond 60 percent of the enrollment period to retain eligibility for federal, institutional and external financial aid. If a student was not engaged in an academically related activities beyond 60 percent, they will be assessed a withdrawal date based on the last date of an academically related activity. All other instances when a student withdraws without providing official notification will be the 60 percent point of the period of enrollment, as applicable. A student who does not earn at least one passing grade during a term for which federal funds were disbursed will have a Return of Title IV Funds calculation performed to determine how much of the federal funds were earned. Unearned federal funds must be returned to the source, in most cases with a charge to the student’s university account.

University enrollment disputes must be submitted online within 30 days after the end of the term/semester during which the student was enrolled. To submit a dispute, students must complete the appropriate form online. No adjustments to tuition and fees or financial aid will be made until the dispute is researched and either approved or denied. No disputes will be considered after 30 days from the end of the term/semester in which the student was enrolled. Decisions will be made within 10 business days and students will receive notification via the email address provided on the dispute form.

* Any student enrolled solely in culinary lab courses, who fails to attempt any of the scheduled courses, will be considered to have withdrawn from the university.

**Tuition Refund Policy**
Tuition is applicable to all students, including those in approved off-campus programs such as study abroad and internships. To the extent that any charges due to the university remain unpaid, no refund check will be issued. No tuition will be assessed for terms/semesters in which the student does not register or enroll. Students who withdraw (or become withdrawn) from the university prior to the end of the academic year may have their financial aid adjusted, if applicable.

**University Withdrawal Credit Policy**
The distribution formula for the institutional refund to the Federal Student Financial Aid program will be calculated according to federal regulations. Any refund due will be issued within 45 days after the date that the university was first notified of the withdrawal. Examples of university refund policies are available upon request in Student Academic & Financial Services.

**If a student withdraws from the university**

- prior to the start of the term and during the first week, the university will credit 100 percent of the term charges. If eligible, all institutional aid/scholarships for that term will also be returned.
- during the second week of the term, the university will credit 90 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 10 percent.
Tuition and Fees

The following tuition is effective for the 2019–20 academic year. Tuition is subject to change annually and is applicable to all students, including those in an approved off-campus program. For purposes of financial aid eligibility, full-time status is determined on a term basis. When repeating courses already attempted, students may be assessed a fee for those courses. Students are assessed tuition upon course registration each term. Summer is considered a separate term.

Disciplines CUL (Culinary Arts) and BPA (Baking & Pastry Arts) mostly designate laboratory courses.

Wildcat Meals

Students may purchase blocks of meals through our Wildcat Meal plan. Wildcat meals may be used at any time and as many times as the student wishes during the academic year. Meals are bought in blocks and can be purchased online.

All meals must be used before the end of the academic year in which they are purchased. The cost of the plan is nonrefundable.
Student Services

Student Services at JWU provides personal and professional development support for students across various aspects of campus life, from academic support to meals and housing, health services, and involvement in campus programs and student organizations. See a topic for specific information.

Academic Success Center

The Academic Success Center offers a wide-range of services that support the success of JWU students. Services are designed to aid students in accomplishing their goals and achieving academic success. The Academic Success Center complements students' learning through the following services:

- Subject-based tutoring
- Writing assistance
- Workshops on time management, test-taking strategies, writing and more
- Peer-Assisted Study Sessions (designed for select core curriculum courses)
- Smarthinking (24/7) online tutoring

All services (p. 119) available in the Academic Success Center are included in tuition. Up-to-date information about Academic Success Center services may be found on the website.

Services

The Academic Success Center offers a variety of services that can be accessed on both the Harborside and Downcity campuses. Below is a description of our services:

Tutoring Services

One-on-one tutoring is offered for many core curriculum courses. From accounting to writing assistance, students can select to meet with a professional or peer tutor to bolster their academic success. Tutoring services are also available online via Smarthinking.

Workshops

Workshops covering time management, study strategies, writing research papers and more are offered to support students throughout the year. A list of workshops can be found on the Academic Success Center workshop website.

Peer-Assisted Study Sessions (PASS)

For selected core curriculum courses, students can select a course section associated with the Peer-Assisted Study Session (PASS) program. These designated courses have special review sessions available for students who wish to study with peers from their course section. PASS is a great way to engage in deeper learning with selected undergraduate course material and meet other students enrolled in the same course section.

PASS sessions are facilitated by a peer who has successfully completed the course and who serves as a resource to those currently enrolled in the course. To participate in PASS, enroll in a course section with a PASS facilitator assigned to it. To learn more about courses associated with the PASS program, visit the PASS website.

Tutoring

Tutoring services at the Academic Success Center are included in tuition and are offered by professional and peer tutors.

Subject-based tutoring is available in the following undergraduate areas:

- Accounting/Business
- Math
- Nutrition
- Science

In addition to subject-based tutoring, the Academic Success Center offers writing assistance via the JWU Writing Lab. The Writing Lab is designed to help students become better writers and position themselves in today’s competitive marketplace.

Writing Coaches are trained to offer students support and feedback at any stage of the writing process, from refining a topic to polishing a final draft. Writing Coaches can provide strategies for revising and editing, as well as ideas to help students further develop their writing process. For up-to-date information on the JWU Writing Lab, please visit the Writing Lab website.

In addition to in-person services, students have access to Smarthinking, a 24-hour online tutoring support service available seven days a week. Smarthinking offers live and virtual support in writing and many undergraduate courses.

Accessibility Services

Accessibility Services promotes equal access for students with disabilities and provides educational resources and opportunities for students to empower them to achieve success and become lifelong learners.

Accessibility Services offers specialized advising for students who self-identify with our department. Accessibility Services advisors advocate for equal access, accommodations and respect for students with disabilities in the campus communities.

Services through the Accessibility Services are provided at no additional cost to students. Please see Services for detailed information offered by Accessibility Services. For locations, hours and contact information for each campus Accessibility Services, please consult the JWU Directory.

Services

Students With Disabilities

Students with disabilities requesting accommodations, including housing accommodations, should contact Accessibility Services. Students requesting accommodations may be asked to provide documentation of their disability, which supports the need for the requested accommodation.

Technical Standards

Some programs of study at the university have technical standards. Students with disabilities who require accommodations in order to meet technical standards must contact Accessibility Services.

Service Animals

JWU encourages students who have service animals to notify Accessibility Services on their campus. Accessibility Services works with students to communicate with campus partners, including faculty, to provide additional support and accommodations as appropriate. Students with service animals will also need to obtain a copy of the university’s Care and Responsibility of Service Animals Procedure.

Emotional Support Animals

Students seeking to bring an emotional support animal into campus housing must meet with an advisor from Accessibility Services on their campus to determine if this is a reasonable accommodation. Students may be asked to provide documentation of their disability which supports the need for an emotional support animal. Emotional support animals are not permitted in any area other than the student’s assigned residence hall room. Students with an emotional support animal will also need to obtain a copy of the university’s Care and Responsibility of Service Animals Procedure.

Review of Accommodation Decisions

Any student with a complaint or grievance about an accommodation decision should submit a written request for review of the decision to the Title IX Coordinator (who also serves as the university’s nondiscrimination coordinator and Section 504 coordinator), Matthias Rubekeil (matthias.rubekeil@jwu.edu), 8 Abbott Park Place, Providence, RI, 02903, 401-598-2703.

Complaints and Grievances

It is the intention of Johnson & Wales University to resolve complaints and grievances quickly, informally and as close as possible to the point of origin. The complaint and grievance process set forth below is not intended to be a
forum to challenge university policy, but rather a means by which individuals can seek a timely and fair review of their concerns.

Exempt from Johnson & Wales’ complaint and grievance process are those areas for which there presently exists a separate complaint or grievance process or built-in review or appeal. Those exempt areas include, but are not limited to, the following:

1. Actions by the dean of students, including matters that have been referred to Community Standards and Conduct
2. Actions by Residential Life concerning contract release or room relocations
3. Actions by the Academic & Financial Appeals Committee
4. Actions by a faculty member, staff member or third party which may constitute harassment or discrimination (which should be referred to the nondiscrimination and Title IX coordinator, a nondiscrimination campus liaison, or Human Resources & Payroll, as set forth in the Prohibited Discrimination and Harassment Policy)
5. Actions relating to voluntary medical withdrawals
6. Actions relating to the review of accommodation decisions
7. Actions relating to academic integrity

**Complaint and Grievance Process**

For the resolution of academic and administrative issues outside of the exempt areas, please follow the following process:

**Step 1**
A student should first address the complaint or grievance orally with the faculty or staff member involved within five days of the incident. The faculty or staff member will consider the complaint or grievance and notify the student of the faculty or staff member’s decision within a reasonable time, usually five days.

**Step 2**
If the complaint or grievance cannot be resolved at the previous level, the student should present the complaint or grievance, in writing, to the appropriate department chair or department director within five days of receipt of the faculty or staff member’s decision. The department chair or department director will document their decision and provide a copy to the student, faculty or staff member, and dean of the appropriate school or college (in the case of an academic complaint or grievance) or the dean of students (in the case of an administrative complaint or grievance) within a reasonable time, usually five days.

**Step 3**
If the complaint or grievance is still unresolved, the student may request a final review at the dean's level by submitting a written request for review to the dean of the appropriate college or school (in case of an academic complaint or grievance) or the dean of students (in case of an administrative complaint or grievance) or their designees. The written request should set forth the reasons that the student is seeking a review of the earlier decision and, in particular, should specify if the student feels that relevant, new information has come to light since the decision was made or that the decision was unjust or inconsistent with the circumstances of the incident. The request will be considered by the appropriate dean or designee. The decision of the reviewing dean will be final and a written copy of the decision will be given to the student.

**Expedited Review**
If there is a legitimate need for an immediate or expedited review of an academic or administrative decision, then written complaints and grievances or requests for review and decisions may not be required. The determination of whether an expedited review is appropriate is determined in the sole discretion of the dean of the appropriate college or school (in case of an academic complaint or grievance), the dean of students (in case of an administrative complaint or grievance) or their designees.

Note: Retaliation against any individual who has made a good faith complaint or grievance or cooperated in the investigation of such a complaint or grievance is a violation of university policy. Anyone found to have engaged in retaliation will be subject to disciplinary action up to and including termination or dismissal.

**Student Complaint Process for Online Students**

**Student Complaint Process for Online Students in SARA States**

Information on student complaint processes for students enrolled in the College of Online Education is below. For additional consumer information related to all other aspects of Johnson & Wales University, please see Student Consumer Information.

If you are enrolled as an online student and you have a complaint or grievance that cannot be resolved through Johnson & Wales University’s complaint and grievance process as set forth above, you may file a complaint with the Rhode Island Council on Postsecondary Education (RI-CPE).

The Rhode Island Council on Postsecondary Education (RI-CPE) has promulgated a policy entitled “Student Complaint Procedure.” That policy is posted on the RI-CPE website. As specified in that policy, JWU students may file the following types of complaints with the Rhode Island Office of the Postsecondary Commissions:

- Allegations of consumer protection violations, including fraud and false advertising
- Allegations of violations of state laws, rules or licensing requirements
- Allegations of violations of accreditation standards
- Allegations of violations of standards established by the National Council for State Authorization Reciprocity Agreement (NC-SARA)
- Complaints about education program quality
- Other complaints as specific in the RI-CPE Student Complaint Policy

As specified in the RI-CPE Policy, such student complaints shall be delivered or mailed to the Rhode Island Office of the Postsecondary Commissioner (OPC) at the following address:

Office of the Postsecondary Commissioner
560 Jefferson Blvd.
Warwick, RI 02886-1304

Students may contact the OPC by phone at 401-736-1100, or visit the website.

**Initial Complaints to be Filed with JWU**

Before filing a complaint with the Rhode Island OPC, online students are expected to first file an internal complaint with JWU by following the process outlined above under the Complaint and Grievance Process. The complaint will be reviewed, evaluated and, whenever possible, resolved by the relevant JWU personnel. If the person bringing the complaint is not satisfied with the outcome of the internal JWU complaint process, complainants may file their complaint within two years of the incident about which the complaint is made with the Rhode Island Office of the Postsecondary Commissioner as described above. The resolution of the complaint by the RI-OPC will be final.

**Student Complaint Process for Online Students in Non-SARA States**

If you are enrolled as an online student and you have a complaint or grievance that cannot be resolved through Johnson & Wales University’s complaint and grievance process, you may file a complaint with the state in which you reside by referring to the following list of State Agencies. To determine whether your state of residence is a SARA member, please refer to the website.

**Notice Regarding Georgia Nonpublic Postsecondary Education Commission (NPEC) Student Complaint Process**

Any person or student who is a legal resident of Georgia claiming damage or loss against Johnson & Wales University may file a verified complaint with the executive director of NPEC after going through the university complaints and grievances process. The complaint must contain a detailed description of the claim, including dates, times and full names of all involved. Verification means that the complaint must be signed by the student or person filing the complaint and notarized, and state that the matters set forth in the complaint are true and correct. The complaint shall be investigated by the appropriate Standards Administrator (SA) of NPEC. The SA shall attempt to resolve the complaint between the university and the student. If the complaint cannot be resolved, the SA will issue a decision and inform each party that either has a right to request a hearing in writing before the executive director of NPEC within 10 days of receipt of the SA’s decision. The executive director may set a date and time for a hearing which shall be delivered to both parties by certified mail.
The Georgia NPEC may be contacted at Georgia Nonpublic Postsecondary Education Commission, 2082 East Exchange Place, Suite 220, Tucker, GA, 30084, (770) 414-3330 or online.

Health Services

JWU’s health services are available to commuting and resident students.

- Providence
- North Miami
- Denver
- Charlotte

International Student Services Office

The International Student Services Office (ISSO) is part of JWU Global, which also includes Study Abroad and the BRIDGE. There are ISSO staff members on each of the four campuses. The main focus of ISSO is to help international students adhere to Department of Homeland Security regulations, maintain their student status and access all the benefits permitted by their student visa status. A variety of other programs and services have been created to assist students from the moment they enroll in the university until the day they graduate and beyond. Information sessions on employment, tax and other cultural adjustment issues are conducted every year. ISSO also offers orientation and cultural programming for international students and the university community.

- Providence
- North Miami
- Denver
- Charlotte

Parking

To park a vehicle on university property, students must have a parking permit. Parking permits are available through the term start/orientation process or can be requested at Student Academic & Financial Services, online or at Campus Safety & Security (depending on campus). It is the responsibility of the person applying for the permit to maintain:

- a current university ID
- a valid driver's license
- proof of minimum liability insurance
- a valid automobile registration

There is no fee charged to Continuing Education students for this parking permit. Parking is available in designated university parking lots on a first-come, first-served basis, and there is no guarantee of available space. The parking privilege extended to Continuing Education students does not apply during daytime business hours. The university is not responsible for any vehicle or its contents while it is parked on university property. For more information please refer to the Johnson & Wales University website.

Policies

Please see the appropriate section for the university’s Computer and Technology Use and Drug and Alcohol policies.

Additional policies and procedures: Not all university policies and procedures affecting students are described in this catalog. For further information, please refer to the Student Handbook.

Computer and Technology Use

All students are required to comply with the university’s Computer and Technology Use Policy.

The university’s Computer and Technology Use Policy prohibits students from uploading, downloading, posting, publishing, transmitting, retaining, reproducing, sharing or distributing in any way information, software, movies, music, books, articles or any other material which is protected by copyright or other proprietary right, without obtaining permission of the owner. Violation of this policy may result in the termination of the student’s access to the internet via the university’s internet system, and constitutes a violation of the Student Code of Conduct.

Copyright Infringement

Students should be aware that unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may subject the student to civil and criminal liabilities. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than $750 and not more than $30,000 per work infringed. For “willful” infringement, a court may award up to $150,000 per work infringed. A court can, at its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to $250,000 per offense. For more information, please see the website of the US copyright office, especially their FAQs. Please refer to the Computer and Technology Use Policy for a further description of prohibited activities regarding the use of university technology resources.

Unauthorized peer-to-peer file sharing is a violation of law, as well as university policy, including the Student Code of Conduct. Students engaging in unauthorized peer-to-peer file sharing, including illegal downloading and unauthorized distribution of copyrighted materials, will be subject to disciplinary action up to and including suspension or dismissal from the university. Please see Frequently Asked Questions About File Sharing for more information.

Drug and Alcohol Policy

Policy Statement

In accordance with these laws, Johnson & Wales University (JWU) prohibits the unlawful manufacture, distribution, dispensation, possession, and use of controlled substances, drug paraphernalia, and alcohol at distribution, dispensation, possession, and use of controlled substances, drug paraphernalia, and alcohol at the workplace and in the educational setting. Possession or use of alcoholic beverages anywhere on university property is prohibited, except for legal use in the workplace or educational settings sanctioned by the university. “Unlawful” for these purposes means in violation of federal, state, or local statutes, regulations, ordinances, or applicable case law. “Workplace” is defined as either university premises or any place where university business is conducted away from university premises. “Educational setting” includes both university premises and approved educational sites off campus.

Johnson & Wales University is not, and cannot be considered, a protector or sanctuary from the existing laws of local, state, or federal governments.

Sanctions

Students: Disciplinary sanctions that may be imposed on a student found to be in violation of this policy include, but are not limited to, revocation of certain privileges, community service, conduct warnings, conduct probation, fines or restitution for loss, suspension or dismissal from the university and/or university housing, referral to alcohol education or other similar classes, and possible referral to local authorities consistent with applicable law. The university reserves the right to notify parents of alcohol and drug violations by students who are under the applicable legal drinking age, consistent with applicable law. Students who are Pell Grant recipients must notify the university within five days of any criminal drug statute conviction for a violation occurring on or off university premises while conducting university business or activities.

Employees: All employees must abide by this policy and must disclose to the university any criminal drug or drug-related conviction. Employees who violate this policy will be subject to disciplinary action up to and including separation of employment and possible referral to the appropriate authorities consistent with applicable law.

All: JWU sanctions will be consistent with local, state, and federal laws.

Effects of Alcohol and Controlled Substances

Please see the attached chart in Appendix A for examples of the effects of alcohol and controlled substances, obtained from https://www.drugabuse.gov/sites/default/files/cadchart.pdf.

JWU’s Substance Abuse Prevention Program
Students:
Several programming initiatives and alternatives are available to help students examine their own behavior related to alcohol and other drugs (AOD).

- Counseling Services provides an assessment of AOD usage for all students who seek counseling.
- Referrals to community resources are available for individuals with more long-term or complex needs. A number of AA/NA/Al-Anon groups hold meetings close to campus and in the larger local community.
- Counseling Services offers AOD prevention through programming efforts with various student groups and Student Affairs departments.
- Counseling Services also collaborates with Community Standards and Conduct to provide educational and other resources for students with problematic drinking behavior and drug use.
- For further information, students should call Counseling Services at 401-598-1016 (Providence Campus), 305-892-7013 (North Miami Campus), 303-256-9448 (Denver Campus) or 980-598-1700 (Charlotte Campus).

Employees:
An Employee Assistance Program (EAP) is available for university (non-student) employees and their family members. This important benefit allows eligible persons the opportunity to access professional and confidential counseling services for help in dealing with personal issues, including alcohol and drug problems. This benefit is administered by Coastline EAP. Coastline EAP can be contacted at 800-445-1195, or at www.coastlineeap.com. For further information regarding this benefit, you may also contact Human Resources & Payroll at 401-598-1034 (Providence Campus), 305-892-5304 (North Miami Campus), 303-256-9306 (Denver Campus) or 980-598-1006 (Charlotte Campus).

For additional information, please review the resources and data available at www.samhsa.gov. The Substance Abuse and Mental Health Services Administration (SAMHSA) is the agency within the U.S. Department of Health and Human Services that leads public health efforts to advance the behavioral health of the nation. SAMHSA’s mission is to reduce the impact of substance abuse and mental illness on America’s communities.

Examples of Potential Violations and Penalties for Drug and Alcohol Offenses
Examples of Violations:

- Federal, state, and local laws prohibit the unlawful manufacture, distribution, dispensation, possession, and use of controlled substances and alcohol.
- It is unlawful for anyone under the age of 21 to possess or purchase alcoholic beverages, for anyone to purchase alcohol for or furnish alcohol to anyone under the age of 21, and for anyone to misrepresent one’s age, such as by falsifying an identification card.
- It is unlawful to operate a motor vehicle under the influence of controlled substances or alcohol.

Examples of Penalties: Depending on the offense involved, potential penalties may include (among others): suspension or loss of the offender’s driver’s license or driving privileges; fines (including fines of hundreds or hundreds of thousands of dollars); and imprisonment for various terms up to a term of life. A student will become ineligible to receive Title IV (Higher Education Act) federal financial aid for a period following conviction for an offense under any federal or state law involving the possession or sale of illegal drugs for conduct occurring during a period of enrollment during which the student received Title IV (Higher Education Act) federal financial aid.

Statutory Citations:

- Please see Appendix B for examples of federal law violations and penalties related to controlled substances, taken from https://www.iecc.edu/files_user/CONS/Files/Federal_Trafficking_Penalties.pdf
- As to state law violations and penalties, examples include the following:
  - Rhode Island: Rhode Island criminal offenses and penalties related to drugs and alcohol are detailed in the Rhode Island General Laws Title 21, Chapter 21-28 (Uniform Controlled Substances Act) and throughout Title 3 (Alcoholic Beverages), which provisions may be accessed online.
  - Florida: The Florida regulations concerning drugs and alcohol are located in Title XLVI, Chapter 893 (Florida Comprehensive Drug Abuse Prevention and Control Act) and Title XXXIV, Chapter 562 (Beverage Law: Enforcement). The provisions of the Florida Statutes regulating drugs and alcohol are available online.
  - Colorado: Colorado Statutes relating to drugs and alcohol, Title 12, Article 47 (Colorado Liquor Code) and Title 18, Article 18 (Uniform Controlled Substances Act of 2013), are available online.
  - North Carolina: North Carolina General Statutes governing drugs and alcohol, Chapter 90, Article 5 (North Carolina Controlled Substances Act), may be accessed online, and Chapter 18B (Regulation of Alcoholic Beverages), may be accessed online.

Please note that this Policy does not contain a comprehensive listing of all potential legal violations and penalties.

Safety & Security

Campus Safety & Security is responsible for the enforcement of university policies, security on campus, and providing a variety of services to the university’s students, faculty and staff. Emergency management is a component of the department, which focuses on crisis preparedness through drills and exercises that promote response capabilities in the event of a campus or university emergency. Johnson & Wales University’s Providence Campus Safety & Security is accredited by the International Association of Campus Law Enforcement Administrators.

Incidents of an emergency nature should be reported to the local police by dialing 911, followed by contacting Campus Safety & Security at extension 1103 from a university phone or 401-598-1103 from a non-university phone. Campus Safety & Security issues timely alerts to the campus community and, when necessary, has the ability to issue alerts of an imminent threat via an emergency notification mass-messaging system.

Students are encouraged to take full advantage of the services and crime prevention programs listed on the Campus Safety & Security webpage.

In compliance with the Higher Education Act, Johnson & Wales University publishes an Annual Security Report and Annual Fire Safety Report. The Annual Security Report discloses information about campus security policies and statistics concerning reported crimes that occurred on campus, university-controlled property and public property immediately adjacent to campus. The Annual Fire Safety Report discloses information about the campus fire safety policies and procedures and fire statistics for each residence hall. A copy of the reports may be obtained from Campus Safety & Security in person or online.

The university maintains a log of all fires that occur in on-campus housing, and a daily log of all reported crimes.

Student Academic & Financial Services

Student Academic & Financial Services is comprised of several departments that assist students with a variety of academic and financial matters, such as maintaining student records, course scheduling, degree audits and progress, and providing academic counseling, as well as applying for financial aid, payment plans, invoicing, financial aid award notifications, financial questions and procedures.

Student Involvement & Leadership

Student Involvement & Leadership strives to cultivate meaningful experiences to inspire personal and professional growth by

- developing and supporting programs that promote collaborative learning, character development and social responsibility
- promoting a student-centered culture that encourages a strong sense of pride and tradition
• empowering students to embrace and strengthen an inclusive community
• fostering collaborative partnerships to support and deliver successful campus events

Student Involvement & Leadership has two locations: the Citizens Bank Center for Student Involvement (CBCSI) on the Downcity Campus and the Wildcat Center on the Harborside Campus. Some programs and services include

• 100+ student organizations
• fraternity and sorority life
• community service and volunteerism
• leadership institutes, workshops and retreats
• fall/Halloween, winter and spring/Founders' Week events
• spiritual life
• student government
• free movie series
• campus traditions such as Wildcat Madness, One-Ton Sundae, Wildcat Wahoo Carnival and more

Organizations
Opportunities abound for students to get involved in student organizations and become engaged in the Wildcat community at JWU's Providence Campus. See Student Organizations to learn more about ways to get involved in student organizations and access the Student Organization Handbook to learn about starting new organizations on campus.

Fraternity and Sorority Life
Getting involved in the fraternity and sorority community at the Providence Campus is a fantastic way to build a network of resources that lasts a lifetime. See Fraternity and Sorority Life for currently available fraternities, sororities and social fellowships.

Leadership Development Programs
Student Involvement & Leadership provides opportunities for students to complement their classroom education with the leadership knowledge, skills and abilities necessary to succeed in a competitive workplace and in life.

Building Relationships, Intercultural Dialogue and Global Engagement (BRIDGE)
As part of JWU Global, BRIDGE brings together JWU's richly diverse community through educational programs, cultural events and social activities designed to promote international and intercultural awareness.

Located across from the main entrance of Xavier Residence Hall on the Providence Campus, the BRIDGE is a place for JWU students, faculty and staff to engage with one another through formal programming and a variety of opportunities for relationship-building.
