JWU ELI offers small classes, caring faculty, personal attention and many resources and support services. ELI students are part of the JWU community with full access to all campus amenities including on-campus housing, dining, libraries and more. English language programs are also offered to students attending the Denver and Charlotte campuses through ELS Language centers and other English language organizations close to the campuses.

## ATHLETICS AND STUDENT ORGANIZATIONS

As an international student, you can enjoy integrating into the U.S. lifestyle by participating in one of JWU's many NCAA Division III athletic teams including soccer, ice hockey, basketball and volleyball, as well as many club sports and fitness programs. And with more than 200 student organizations offered universitywide, including the Global Citizen Program and the Cultural Connections Club, you're sure to find something to match your interests.
