Staying Connected

Where to get important Johnson & Wales University information and updates.

Important Information

Each JWU student receives an email account for sending and receiving email. Students use Microsoft Office 365, a Web-based email program. Students are expected to monitor their accounts frequently for official communications from faculty and the university.

JWU students have access to the IT Service Desk (<http://it.jwu.edu>) for assistance, and conveniently located computer labs (http://it.jwu.edu/stu_labs.htm) on campus. Questions about the services mentioned here should be directed to the IT Service Desk at 866-JWU-HELP (866-598-4357) or by email (it@jwu.edu).

JWU Communications with Students

Johnson & Wales University is committed to providing communication that is timely and relevant to students. The university sends communications by regular mail and/or via the university email system, with the full expectation that students will receive and read them in a timely manner. Any correspondence sent by mail or university email is deemed to be an official notification.

Email

The university email system is considered to be the primary medium of formal communication with students. Accordingly, **each enrolled student is required to monitor their university email account on a frequent and consistent basis.**

Students experiencing technical difficulties when accessing their university email account must contact the IT Service Desk for assistance via email (it@jwu.edu) or at 866-JWU-HELP (866-598-4357).

Emergency Notification System (Blackboard Connect)

This system is used for JWU to quickly provide notice and accurate information and instructions to the entire university community during an unforeseen event or emergency. All students will be required to supply the university with a valid phone number, preferably a cellphone, so each student can be contacted in person or by voice mail, notifying them of a course of action.

Mailing Address

A mailing address is classified as the preferred mailing address during enrollment. Most correspondence from the university will be sent to this address. If no mailing address exists on file, the permanent address will be used.

On-campus/Commuter Address (Required)

An on-campus or commuter address is classified as the address of residence during enrollment. Post office box addresses will not be accepted for this address. If no address is supplied during the enrollment period, a Schedule Hold will be placed on the student's account.

Permanent Home Address (Required)

A permanent home address is classified as the student's home address. If no address is supplied during the enrollment period, a Schedule Hold will be placed on the student's account.

Internship Programs Address

Any student participating in an internship or internship abroad must provide Experiential Education & Career Services with any change(s) in contact information.

Work-study and Student Employees

Students who are employed by the university must also notify Student Employment of any change in address.

International Students

The United States Citizenship and Immigration Services (USCIS) requires that all aliens residing in the United States report all changes of address to the USCIS within 10 days of any move that takes place within the United States by completing form AR-11 (available in the International Center). Post office box addresses will not be accepted in any address for international students.

jwuLink

Students should log in frequently to jwuLink (<http://link.jwu.edu>) to review timely announcements, news and events.

Social Media

Whether it's Facebook, Twitter, Instagram, Tumblr or another site, following Johnson & Wales University across social media is easy (<http://gomobile.jwu.edu>).

General Information and Policies

Important information and policies for students in the JWU community.

Advising

Students may have an assigned faculty advisor who will work with them throughout their academic career. Students may also utilize academic counselors in Student Academic & Financial Services as an additional academic resource to discuss curriculum changes, course sequencing and graduation planning. For personal and clinical counseling services, students may seek the support of Counseling Services. Students may view their assigned primary advisor in jwuLink (<https://link.jwu.edu/cp/home/displaylogin>).

Automobiles on Campus

The university is not responsible for any vehicle or its contents while the vehicle is parked on university property.

All students and visitors who park a vehicle on campus must display a university parking permit and abide by all rules listed on the permit application and traffic signs throughout the campus. Parking permits can be obtained at Campus Safety & Security or Student Academic & Financial Services.

Parking Permits

All students who park on campus must obtain a university parking permit. Visitors must park in designated visitor areas and sign in at the admissions front desk located on the first floor of Aspen Hall. Possession of a parking permit establishes permission for students to park on campus, but does not guarantee that a parking space will be available. Permits may be purchased online (<https://denparking.afford.com>) or through the cashier in Student Academic & Financial Services located on the first floor of the Academic Center. To obtain a parking permit, students must do the following:

1. Complete an application (<http://www.jwu.edu/content.aspx?id=580>) online or with the cashier in Student Academic & Financial Services. All vehicles using the permit must be listed on the application.
2. Pay the required fee for the permit requested.

Parking permits are nonrefundable and only transferable to vehicles listed on the parking permit application for that person.

Students are not authorized to share or sell parking permits to other students. Unused permits must be returned to the Campus Safety & Security dispatch center. Visitor parking permits are only available to faculty and staff and can be obtained by contacting Campus Safety & Security. These permits are valid for one day only and will be distributed in electronic format.

All permits must be visibly displayed from the front of the vehicle and hung from the rear view mirror. Permits must be visible from the outside and not blocked by any sun visors or dashboard covers.

Once a permit is issued, the vehicle operator must possess and maintain, at all times, a

1. valid driver's license
2. valid vehicle registration
3. valid vehicle insurance

During inclement weather months, students, faculty and staff may be asked to move their vehicles to help facilitate the snow removal process.

Parking Areas

Visitor Parking

Visitors should park at the visitor parking lot at 18th and Olive streets. Follow the signs to the Admissions office, located in Aspen Hall. All visitors must sign in at the admissions front desk.

Student Parking

The university provides parking to students on a first-come, first-served basis.

Student parking permits can be obtained from the cashier's window in Student Academic & Financial Services located on the first floor of the Academic Center.

Before students bring a car to campus, they must first register their vehicle. As a permit holder, students must maintain a valid driver's license, valid vehicle insurance and a valid vehicle registration, as well as obey all local and campus traffic regulations.

On-campus Parking Areas

Please refer to the Denver Campus map (<http://www.jwu.edu/denver/campusmap>) for designated parking areas.

Parking Regulations

Campus Safety & Security issues monetary fines to individuals who park vehicles in violation of Denver Campus parking rules. Fines are due within 30 calendar days of issue and are subject to change at the discretion of the university. The following are the parking rules and regulations for the Denver Campus:

1. All vehicles must be parked properly within a designated space so as not to interfere with another parking space or obstruct a lane of travel or pedestrian walkway. Vehicles that fail to park correctly in marked spaces will receive a \$15 fine.
2. Maximum speed limit on university property is 10 miles per hour. Operating your vehicle without a reasonable amount of care may result in receiving a \$60 fine for reckless or careless driving, revocation of parking privileges and/or additional disciplinary action.
3. Vehicles illegally parked in fire lanes will receive a \$50 fine and be towed at the owner's expense.
4. Vehicles parked in handicapped spaces without a valid handicapped placard will receive a \$60 fine and will be booted immediately.
5. Vehicles parked in a loading zone or metered time space longer than 30 minutes will receive a \$15 fine. Vehicles left in these spaces for more than two hours will be booted.
6. Vehicles left in a driveway or thoroughfare will receive a \$15 fine and are subject to tow at the owner's expense.
7. Vehicles parked on the lawn will receive a \$15 fine and are subject to tow at the owner's expense.
8. Vehicles parked in reserved spaces (such as "Resident Students Only," "Visitors of the President," "University Vehicles Only" or "Reserved for Campus Safety & Security") will receive a \$15 fine and are subject to tow at the owner's expense.
9. Moving or defacing any university traffic sign will result in disciplinary action.
10. Vehicles shall not be abandoned in campus parking areas and must be in good working condition at all times. Failure to comply will result in the vehicle being towed at the owner's expense.
11. Vehicles parked on campus not displaying any permit will receive a \$25 fine.
12. Vehicles parked on university property are subject to search in the event a violation of the Student Code of Conduct (p. 57) or other university rules involving the vehicle has occurred or is believed to have occurred.
13. There is no overnight parking allowed in the North Chapel Lot, South Chapel Lot, Aspen Hall Lot and Wildcat Lot at any time. Any vehicles parked in these lots between midnight and 6 a.m. will receive a \$15 fine.

Payment of Parking Fines

Fines must be paid in person at the cashier's window in Student Academic & Financial Services (first floor of the Academic Center). All fines must be paid within 30 calendar days of issue. If payment has not been received within 37 days of issue, the vehicle will be booted. If a vehicle receives a boot, a \$75 boot fee must be paid at the cashier's window to remove the boot. The boot fee is in addition to any outstanding violation fines and/or late fees. Vehicle boots will not be removed until the boot fee and all outstanding violations are paid in full. If fees are not paid in full within 72 hours of the boot being placed on the vehicle, the vehicle will be towed at the owner's expense. Vehicle boots are property of Johnson & Wales University and can only be removed by authorized personnel. Unauthorized removal of a vehicle boot is strictly prohibited. Violators will be referred to Student Conduct for further action. Damage resulting in unauthorized removal of the vehicle boot and/or theft of the vehicle boot will be prosecuted to the full extent of the law.

Payment for Campus Safety & Security

All fines may be paid by cash, check or credit card during Student Academic & Financial Services' business hours. IOUs will not be accepted. After-hours payments may be made at Campus Safety & Security in the form of credit card/debit card; cash or checks will not be accepted. Maxx Towing is the provider for all tow services on the Denver Campus. Tow and storage charges are at the sole discretion of Maxx Towing and must be paid directly to them.

Maxx Towing will only hold vehicles for a maximum of 30 days. After 30 days, any vehicles still in their possession are considered to be abandoned and will be sold or disposed of at the discretion of Maxx Towing.

If an owner of any permitted vehicle receives more than five violations in an academic year, the owner will be subject to loss of parking privileges for the remainder of that year. The decision to suspend parking privileges will be reviewed and decided by the dean of students.

Parking Appeal Process

Parking appeals may be submitted in writing to the Campus Safety & Security Dispatch Center during normal business hours. Appeals may also be emailed (blyninger@jwu.edu) to the assistant director of Campus Safety & Security. To file a parking appeal regarding a violation or vehicle boot discrepancy, the following must be completed:

1. Students should write a formal letter outlining why they disagree with the issuance of the violation or vehicle boot.
2. Include the violation number, date, time and reason you received the violation and/or vehicle boot.
3. Include a return address, phone number and valid email address.
4. Submit to Campus Safety & Security within 30 calendar days of the date the violation or vehicle boot was issued.

Parking appeals will be reviewed by the Parking Appeals Committee. The committee will make a decision on a case-by-case basis and notify the person submitting the appeal within five business days of their decision. If the committee grants the parking appeal, the violation will be voided. If the vehicle was booted as a result of the violation, the boot fee will be returned to the payee. If the committee denies the parking appeal, all fees relating to the violation must be paid within five calendar days of notification that the appeal was denied. If a parking appeal is issued, the violation fee will be waived until the Parking Appeals Committee has made a decision regarding the appeal. This does not apply to vehicle boots. All vehicle boot fees must be paid up front and will be returned if the appeal is granted by the committee.

Complaints and Grievances

It is the intention of Johnson & Wales University to resolve complaints and grievances quickly, informally and as close as possible to the point of origin. The complaint and grievance process set forth below is not intended to be a forum to challenge university policy, but rather a means by which an individual can seek a timely and fair review of his or her concerns.

Exempt from Johnson & Wales' complaint and grievance process are those areas for which there presently exists a separate complaint or grievance process or built-in review or appeal. Those exempt areas include, but are not limited to, the following:

1. Actions by the dean of students, including matters that have been referred to Student Conduct
2. Actions by Residential Life concerning contract release or room relocations
3. Actions by the Academic & Financial Appeals Committee
4. Actions by a faculty member, staff member or third party which may constitute harassment or discrimination (which should be referred to the nondiscrimination and Title IX coordinator, a nondiscrimination campus liaison, or Human Resources & Payroll as set forth in the Prohibited Discrimination and Harassment Policy (p. 12))
5. Actions relating to voluntary medical withdrawal (p. 30)
6. Actions relating to the review of accommodation decisions (<http://catalog.jwu.edu/handbook/studentservices/centerforacademicsupport/services>)
7. Actions relating to Academic Integrity (p. 34)

Complaint and Grievance Process

For the resolution of academic and administrative issues outside of the exempt areas, please follow the following process.

Step One

A student should first address the complaint or grievance orally with the faculty or staff member involved within five days of the incident. The faculty or staff member will consider the complaint or grievance and notify the student of the faculty or staff member's decision within a reasonable time, usually five days.

Step Two

If the complaint or grievance cannot be resolved at the previous level, the student should present the complaint or grievance, in writing, to the appropriate department chair or department director within five days of receipt of the faculty or staff member's decision. The department chair or department director will document his or her decision and provide a copy to the student, faculty or staff member, and dean of the appropriate school or college (in the case of an academic complaint or grievance) or the dean of students (in the case of an administrative complaint or grievance) within a reasonable time, usually five days.

Step Three

If the complaint or grievance is still unresolved, the student may request a final review at the dean's level by submitting a written request for review to the dean of the appropriate college or school (in case of an academic complaint or grievance) or the dean of students (in case of an administrative complaint or grievance) or their designees. The written request should set forth the reasons that the student is seeking a review of the earlier decision and, in particular, should specify if the student feels that relevant, new information has come to light since the decision was made or that the decision was unjust or inconsistent with the circumstances of the incident. The request will be considered by the appropriate dean or designee. The decision of the reviewing dean will be final and a written copy of the decision will be given to the student.

Expedited Review

If there is a legitimate need for an immediate or expedited review of an academic or administrative decision, then written complaints and grievances or requests for review and decisions may not be required. The determination of whether an expedited review is appropriate is determined in the sole discretion of the dean of the appropriate college or school (in case of an academic complaint or grievance), the dean of students (in case of an administrative complaint or grievance) or their designees.

Note: Retaliation against any individual who has made a good faith complaint or grievance or who has cooperated in the investigation of such a complaint or grievance is a violation of university policy. Anyone found to have engaged in retaliation will be subject to disciplinary action up to and including termination or dismissal.

Computer and Technology Use

All students are required to comply with the university's Computer and Technology Use Policy (<http://helpdesk.jwu.edu/policies.htm>).

The university's Computer and Technology Use Policy prohibits students from uploading, downloading, posting, publishing, transmitting, retaining, reproducing, sharing or distributing in any way information, software, movies, music, books, articles or any other material which is protected by copyright or other proprietary right, without obtaining permission of the owner. Violation of this policy may result in the termination of the student's access to the Internet via the university's Internet system and constitutes a violation of the Student Code of Conduct (<http://catalog.jwu.edu/handbook/studentaffairs/studentcodeofconduct>).

Copyright Infringement

Students should be aware that unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may subject the student to civil and criminal liabilities. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, at its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal

penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense. Individuals, groups or departments wishing to promote events or announcements must use other existing campus communication tools. For further information, please contact the individuals designated above.

Drug and Alcohol Policy

In accordance with the Federal Drug-Free Workplace Act and Drug-Free Schools and Communities Act, Johnson & Wales University prohibits the unlawful manufacture, distribution, dispensation, possession or use of narcotics, drugs, other controlled substances or alcohol at the workplace and in the educational setting. Possession or use of alcoholic beverages anywhere on university property is prohibited except for legal use at events, operations, programs, premises or facilities sanctioned by the university. Unlawful for these purposes means in violation of federal, state or local statutes, regulations or ordinances. Workplace is defined as either university premises or any place where university business is conducted away from university premises. Educational setting includes both university premises and approved educational sites off campus.

Possession or use of illegal drugs, narcotics or drug paraphernalia is absolutely forbidden. Johnson & Wales may impose sanctions on students and employees for violations of this policy up to and including dismissal, termination of employment and/or referral for prosecution. Johnson & Wales is not and cannot be considered a protector or sanctuary from the existing laws of the local, state and/or federal government.

University Sanctions

Disciplinary sanctions which may be imposed on a student found to be in violation of the above policy include, but are not limited to, revocation of certain privileges, community service, conduct warning, conduct probation, fine or restitution for loss, suspension or dismissal from the university and/or university housing, and referral to alcohol education classes. The university also reserves the right to notify parents of violations by students who are under the applicable legal drinking age. Please see the Student Code of Conduct (p. 57) and Sanctions (p. 61) for more information.

Alcohol and Its Effects

Alcohol abuse is defined as any drinking that harms or endangers the drinker or other people. It can be a single episode or a regular pattern. Alcohol consumption causes a number of marked changes in behavior. Thought processes are slowed as alcohol numbs and destroys brain cells.

Symptoms of Drug Abuse

The key is change. It is important to watch for any significant changes in physical appearance, personality, attitude or behavior. Behavior signs include a change in overall personality or attitude with no other identifiable cause; a general lack of motivation, energy or self-esteem; sudden oversensitivity, temper tantrums or resentful behavior, moodiness, irritability or nervousness.

Possible Effects of Drug Abuse

Narcotics (opium, morphine, heroin) may cause euphoria, drowsiness, respiratory distress and nausea. Depressants (barbiturates) may cause slurred speech, disorientation and drunken behavior without the odor of alcohol. Stimulants (cocaine, amphetamines) may cause increased alertness, increased blood pressure and pulse, insomnia and loss of appetite. Hallucinogens (LSD, mescaline) may cause illusions, hallucinations and poor perception of time and distance. Cannabis (marijuana, hashish) may cause euphoria, relaxed inhibitions and disoriented behavior.

JWU's Substance Abuse Prevention Program

Several programming initiatives and alternatives are available to help students examine their own behavior related to alcohol and other drugs (AOD):

- Counseling Services provides an assessment of AOD usage for all students who seek counseling.
- Referrals to community resources are available for individuals with more long-term or complex needs. A number of AA/NA/Al-Anon groups hold meetings close to campus and in the larger local community.
- Counseling and Health & Wellness offer AOD prevention through programming efforts with various student groups and Student Affairs departments.
- Counseling and Health & Wellness also collaborate with Student Conduct to provide educational and other resources for students with problematic drinking behavior and drug use.
- A number of programming initiatives take place each year.

Johnson & Wales University students are subject to state criminal prosecution and penalties for drug and alcohol offenses, including

- possession or delivery of marijuana, cocaine, heroin, LSD or PCP
- possession of a needle and syringe
- driving under the influence of alcohol and/or drugs

FERPA

Family Educational Rights and Privacy Act

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. These rights include

1. The right to inspect and review the student's education records within 45 days after the day the university receives a written request. A student should submit a written request to the department that maintains the record(s) the student wishes to inspect. The department will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be made.
2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the university to amend a record should write the university

official responsible for the record, clearly identify the part of the record the student wants amended and specify why it should be amended. If the university decides not to amend the record as requested, the university will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the university discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. The university discloses education records without a student's prior written consent under the FERPA exception for disclosure to university officials with legitimate educational interests. A university official is a person employed by the university in an administrative, supervisory, academic, research or support staff position; a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A university official also may include a volunteer or contractor outside of the university who performs an institutional service or function for which the university would otherwise use its own employees and who is under the direct control of the university with respect to the use and maintenance of PII from education records, such as an attorney, auditor or collection agent or a student volunteering to assist another university official in performing his or her tasks. A university official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the university. Upon request, the university also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the university to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC, 20202. Phone: 202-260-3887.

***Disclosures in Case of Emergency**

The university only discloses personally identifiable information from an education record to appropriate parties in connection with an emergency *if* knowledge of the information is necessary to protect the health or safety of the student or other individuals. The university complies with the changes made to FERPA as a result of the USA Patriot Act.

Directory Information Public Notice

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that the university, with certain exceptions, obtain a student's written consent prior to the disclosure of personally identifiable information from the student's education records. The university may, however, disclose appropriately designated "directory information" without the student's written consent, unless the student specifically requests otherwise in writing. To prevent disclosure of directory information, a student must submit a written request for nondisclosure to Student Academic & Financial Services.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can be disclosed to outside organizations and individuals without a student's prior written consent.

The university has designated the following information as directory information:

- Student's name
- Address
- Telephone listing
- Email address
- Photographic, video or electronic images
- Date and place of birth
- Major
- Fields of study
- Anticipated degree and degree date
- Dates of attendance
- Dates and place of employment
- Grade level

- Credits earned
- Enrollment status
- Class schedule
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Degrees, honors and awards received
- Vehicle description and registration
- The most recent educational agency or institution attended

Financial Obligations

Continuation as a student in good financial standing is conditional upon being current in all financial obligations to the university, including loans in which the university appears as a holder or guarantor. Diplomas will not be granted, nor transcripts released, and enrollment in future terms will be prohibited until a student's financial obligations have been deemed current.

Repaying loans helps establish favorable credit ratings that make it easier for students to buy homes, rent apartments, purchase cars, obtain credit cards, find employment, further their education or open checking accounts. Students should call Student Academic & Financial Services to review how much they have borrowed or for more information about their student loans. Developing a budget that considers loan payments is highly recommended. Students should notify their loan holder and JWU if there are any changes to their address and/or phone number.

Firearms

Except as set forth below, no person shall possess a firearm, gun or explosive device of any kind on university property or in any buildings or facilities owned, controlled or used by the university. Exceptions to this policy are limited to the following:

- Licensed and authorized possession and use by federal, state and municipal law enforcement officials ("law enforcement officials") in the course of their official duties.
- Firearms and guns of off-duty law enforcement officials that have been properly disarmed and secured in vehicles outside of university buildings.
- In instances where an off-duty law enforcement official is required to carry a firearm or gun while off duty as a condition of employment, after prior written notification to the executive director of Campus Safety & Security, or his or her designee, provided that such instances may be limited as directed by the executive director of Campus Safety & Security or his or her designee.
- In instances where there is a demonstrated operational or administrative need, such as to allow courier services to pick up or deliver currency and to allow financial institutions to service automated teller machines located on campus, but only to the extent authorized, in writing, by the executive director of Campus Safety & Security or his or her designee.

Hazing Policy

It is the goal of Johnson & Wales University to provide an educational environment free from all forms of hazing. Such conduct violates not only university policies, but also state law.

Hazing is inappropriate and will not be tolerated at Johnson & Wales University. Such behavior or the tolerance of such behavior on the part of any student violates the Student Code of Conduct (p. 57) and may result in student conduct sanctions (individual (p. 61)/group (p. 62)) up to and including dismissal from the university.

Consent is not a defense to hazing and will not absolve an individual or group from a finding of responsibility for hazing under the Student Code of Conduct.

What is Hazing?

Hazing is any severe, persistent or pervasive behavior that, for purposes of initiation or admission into or affiliation with any organization or group, endangers an individual's mental or physical health, well-being or safety, or unreasonably interferes with an individual's ability to freely participate in university life.

Hazing may take many forms, and while it is not always easy to define precisely what behavior constitutes hazing, examples of behavior that may constitute hazing include, but are not limited to

- the explicit or implicit pressuring or coercing of a student into violating law or university policy
- any brutality of a physical nature, such as whipping, paddling, beating, branding, exposure to the elements, abandonment, forced or encouraged consumption of any food, liquor, drug, or other substance, or other forced physical activity
- any activity that is likely to subject the student to substantial mental stress, such as sleep deprivation, conduct that could result in extreme embarrassment, or other activity that could adversely affect the mental health, academic pursuits or dignity of the student
- prohibiting individuals to speak for extended periods of time and/or forced exclusion from social contact, prohibition from speaking with university officials, faculty, employers/clients, roommates, family/friends, club members or leadership, etc.
- requiring a regimented public demeanor (e.g., marching, military-like demeanor, restricting walking patters, prescribing set walking formations)
- confinement
- kidnapping
- verbal abuse
- carrying any items (shields, paddles, bricks, etc.) that serve no constructive purpose or that are designed to punish or embarrass the carrier
- misleading prospective members into believing that they will be hurt during induction or initiation
- interrogating an individual in an intimidating or threatening manner
- assigning or endorsing pranks such as borrowing or stealing items, painting property and objects of others, or harassing other individuals or groups
- requiring any personal servitude to another individual or group such as running errands, cleaning, making food runs, performing someone else's academic work
- simulating activity of a sexual nature, or threatening to do so

What should I do if I think I am the victim of, a witness to, or learn of hazing?

Anyone who is aware of or believes he or she has witnessed or has been subjected to hazing should immediately report the behavior to Campus Safety & Security.

- Providence Campus Safety & Security: 401-598-1103
- North Miami Campus Safety & Security: 305-892-7011
- Denver Campus Safety & Security: 303-256-9500
- Charlotte Campus Safety & Security: 980-598-1900

Silent Witness

Anyone who is aware of or believes they have witnessed or have been subjected to hazing may also make a Silent Witness Report online. Please note that the Silent Witness Program is not designed to replace the need to contact Campus Safety & Security directly about an emergency or potential harmful situation. The ability to respond appropriately may be limited if the report is anonymous; therefore, students are encouraged to provide an email and/or phone number so that Campus Safety & Security may follow-up with questions if necessary.

Retaliation

Johnson & Wales University prohibits retaliation against any individual who has made a good faith complaint, who has cooperated in the investigation of such a complaint, or who has participated in the Conduct Review Process (p. 59). Anyone found to have engaged in retaliation will be subject to disciplinary action up to and including dismissal from the university.

Identification Cards

Official university student identification (ID) cards are issued to all students and must be carried at all times. Primarily serving as students' official university ID, the card is part of the JWU campus electronic security system, campus dining meal plan and free transportation ridership.

All campus buildings are equipped with electronic card-access devices for security purposes. Your ID card enables you to gain access to all campus administrative and academic buildings by simply passing the card before the reader device located near the entrance door. Residential student ID cards will also be programmed for 24-hour access to the individual's assigned residence hall. Your ID card is also programmed with your meal plan for ease of transaction at a variety of campus dining service locations. Finally, the campus bus transportation service, and any public transportation service afforded by the university, can only be utilized with your university ID.

Other uses of the ID card include accessing online university library services, print services at the university computer labs, purchasing tickets at Student Involvement & Leadership and attending various campus-related events held both on and off campus.

Use of the issued university ID is restricted to the person to whom the card is issued and whose photograph appears thereupon. Transferring your card to another person or using another person's card for any reason is strictly prohibited. Any violation of this card-use rule will be referred to Student Conduct.

Once you receive your university ID, the following conditions shall apply:

- Immediately report a lost or stolen card to Campus Safety & Security.
- Lost or damaged ID cards will incur a \$15 replacement fee.
- Students are only permitted one ID.

All university-issued ID cards remain the property of Johnson & Wales University.

Posting Policy

All posted advertisements for student clubs and organizations must be approved through Student Involvement & Leadership or their designee. All student club and organization flyers must be reviewed for content by a Student Involvement & Leadership staff member. Student Affairs and/or Student Involvement & Leadership reserve the right to reject any flyer. Only active or petitioning recognized student clubs and organizations may have items approved. University departments are responsible for ensuring their own promotions follow the requirements stated below.

As a general rule, any material or flyer that is determined to be illegal, unethical, harassing, or targets an individual or group in a demeaning manner, or promotes the use of alcohol, its consumption or sale, illegal drug use, hazing or other violation of the student code of conduct, will not be approved. All flyers must bear the name of the sponsoring organization and will be stamped and numbered, if approved. All apartment listings must be approved through the appropriate campus-designated department.

Any posted materials on campus must follow the requirements below:

- Any hallway posting at the Providence campus must be contained within a glass-enclosed bulletin board.
- Any materials hung in the hallways, on doors, walls or windows of any building and classroom, or on trees, telephone poles, etc., or other unauthorized areas, whether they carry the appropriate approval or not, will be immediately removed. “Special marketing” can be approved if agreed upon by a designated facility manager and Student Involvement & Leadership representative.
- Only authorized bulletin boards or designated posting locations are to be used to display approved posters and flyers. There are a number of bulletin boards or other designated posting locations throughout the university campus that are reserved for the specific use of one office or department. Students may not use these restricted bulletin boards for posting notices.
- Any requests to post a document within an enclosed board must be made through the administrator in charge of the building or floor.

All postings must have an end date when the information is no longer valid. This may often be the date of the event promoted on a flyer. However, if no specific event date is listed, an end date that eliminates the expectation that the flyer would be posted for an indefinite period must be included on the documents to be posted.

Prohibited Discrimination and Harassment (including Sexual Harassment) Policy

It is the goal of Johnson & Wales University to provide an educational and employment environment free from all forms of intimidation, hostility, offensive behavior, discrimination and harassment, including sexual harassment. The university prohibits unlawful discrimination, including harassment, on the basis of race, religion, color, national origin, age, sex, sexual orientation, gender identity or expression, genetic information, disability, status as a protected veteran, pregnancy or marital status, or any other unlawful basis in admission to, access to, treatment of, or employment in its programs and activities. Such conduct violates not only university policy, but may also violate federal and state laws.

Harassment may take many forms, including physical, verbal, and nonverbal acts and written statements. Harassment does not have to include intent to harm, be directed at a specific target or involve repeated incidents. A single incident involving severe misconduct may sometimes rise to the level of harassment.

Discrimination and harassment are inappropriate and will not be tolerated at Johnson & Wales University. Such behavior or the tolerance of such behavior on the part of an employee violates university policy and may result in disciplinary action up to and including termination of employment. Such

behavior on the part of a student also violates the Student Code of Conduct (p. 57) and may result in student conduct sanctions (p. 61) up to and including dismissal from the university.

What Is Sexual Harassment?

Sexual harassment is a form of sex discrimination prohibited by federal and state laws and university policy. Under this policy, sexual harassment is defined as: unwelcome words, conduct or actions of a sexual or gender-based nature, and (1) submission to such behavior is made either explicitly or implicitly a term or condition of employment or education at Johnson & Wales University, (2) submission to or rejection of such behavior is used as the basis for employment, academic or other decisions, or (3) it is sufficiently severe, pervasive or persistent and has the purpose or effect of unreasonably interfering with work or academic performance, denying or limiting the ability to participate in or to receive benefits, services or opportunities in the university's programs, or creating an intimidating, hostile or offensive working or educational environment.

Sexual harassment includes the misuse of authority to emphasize the sexuality of an individual in a manner that prevents or impairs that individual's full enjoyment of employment or educational benefits, environment or opportunities. While sexual harassment may take the form of physical conduct, it may also appear in verbal or written derogatory or discriminatory statements that may affect recommendations, status, promotions, raises or favorable work assignments for employees, or campus life, class assignments, grades or recommendations for students.

While sexual harassment often takes place in relationships with a power differential between the persons involved, the university also recognizes that sexual harassment may occur between persons in the absence of such a relationship.

Sexual harassment does not include words, conduct or action of a reasonably socially acceptable nature. However, some behavior which is appropriate in a social setting may not be appropriate in the workplace or academic environment. Additionally, sexual harassment does not include words, conduct or actions with reasonable educational or professional justification.

It is not always easy to define precisely what behavior constitutes sexual harassment; however, examples of conduct which may constitute sexual harassment include, but are not limited to

- unwelcome sexual advances and requests for sexual favors;
- sexual teasing, joking, suggestive looks, gestures or staring;
- peer harassment that creates a hostile environment, such as spreading rumors about sexual behavior, sexually charged name calling, or inappropriate sexual text messages, emails, social media posts and/or inappropriate communications in any other manner or media;
- direct or implied threats that submission to sexual advances will be a condition of employment, promotion, grades, status in a course or program, letters of recommendation, or participation in an activity;
- unwelcome touching of any nature, including patting, embracing, caressing or pinching;
- improper brushing against another's body, or "friendly" arms around the shoulders;
- offers of money or other consideration, including an employment-related or education-related reward, for sexual activity;
- repeated requests for dates despite being asked to stop;
- suggestive sexual remarks or innuendos;
- improper or unwelcome inquiries about someone's sexual or personal life, or sharing information about one's own sexual or personal life;
- overt or subtle pressure for sexual activity or direct or implied propositions of a sexual nature;

- sexual assault and relationship violence prohibited by the university's Sexual Assault and Relationship Violence Policy, and the Student Code of Conduct (p. 57);
- the use or display of pornographic or sexual materials without reasonable educational justification. In the educational setting, judgment must be used in determining the appropriate content when the presentation of academic material is required; or
- epithets, slurs, quips or negative stereotyping that relate to sex and/or gender.

What Are Other Types of Prohibited Harassment?

In addition to sexual harassment, offensive conduct on the basis of one or more of the other listed protected categories (race, religion, color, national origin, age, sexual orientation, gender identity or expression, genetic information, disability, status as a protected veteran, pregnancy or marital status, or any other unlawful basis) may constitute prohibited harassment. Under this policy, harassment is defined as unwelcome words, conduct or actions based on any protected category that are sufficiently severe, pervasive or persistent and have the purpose or effect of unreasonably interfering with work or academic performance, denying or limiting the ability to participate in or to receive benefits, services or opportunities in the university's programs, or creating an intimidating, hostile or offensive working or educational environment.

Harassment does not include behavior of a reasonably socially acceptable nature. However, some behavior which is appropriate in a social setting may not be appropriate in the workplace or academic environment. It is not always easy to define precisely what conduct constitutes harassment; however, examples of conduct which may constitute harassment include, but are not limited to

- epithets, slurs, quips or negative stereotyping that relate to any protected category;
- threatening, intimidating or hostile acts that relate to any protected category;
- written or graphic material (including graffiti) that denigrates or shows hostility or aversion toward an individual or group because of actual or perceived membership in any protected category and that is placed on walls, bulletin boards or elsewhere on a university premises, or circulated or displayed in the workplace;
- teasing, joking, pranks or other forms of "humor" that are demeaning or hostile with regard to any protected category; or
- the use or display of offensive or discriminatory materials without reasonable educational justification. In the educational setting, judgment must be used in determining the appropriate content when the presentation of academic material is required.

What To Do

What should I do if I think I am the victim of, a witness to, or learn of discrimination or harassment?

There is no obligation to address the matter directly with the offending party. Occasionally, people are able to resolve a potentially harassing situation by speaking with the offending party directly about the conduct they find offensive and/or unwelcome. Informal discussions will sometimes resolve the problem; however, the university strongly advises anyone who has a concern of discrimination or harassment to report the incident if they are not comfortable discussing it directly with the offending party or if the behavior they find unwelcome and/or offensive continues. For information regarding reporting a complaint or concern, please see Filing A Complaint (p. 14), Investigation and Resolution (p. 14) and Retaliation (p. 14).

Anyone who is aware of or believes they have witnessed or have been the subject of discrimination or harassment, including sexual harassment or relationship violence, should immediately notify the nondiscrimination coordinator, a nondiscrimination campus liaison, Human Resources & Payroll or Campus Safety & Security as set forth under Filing A Complaint (p. 14).

For a list of state and federal government enforcement agencies, please see Enforcement Agencies (p. 14).

Filing a Complaint

Any employee, student or applicant for employment or admission who is aware or believes that he or she has witnessed or has been subjected to any form of unlawful discrimination or harassment may make a complaint as outlined below. The complaint should be as specific as possible regarding the circumstances, including the dates and places of the incidents, the individuals involved, the names of any witnesses and any other relevant information.

Discrimination or Harassment Complaints Against Students

Campus Safety & Security investigates complaints about student behavior. Concerns about the behavior of student-employees are reported as set forth below (p.).

Anyone who is aware of or believes they have witnessed or been the subject of discrimination or harassment, including sexual harassment, sexual assault and relationship violence, by a student, should immediately report the behavior to Campus Safety & Security. Reports can also be made to the nondiscrimination coordinator, to any nondiscrimination campus liaison, Residential Life or any other trusted university employee who will then report the incident to Campus Safety & Security.

Discrimination or Harassment Complaints Against Employees, Student Employees and Third Parties

The nondiscrimination coordinator (who is also the Title IX and Section 504 coordinator) investigates complaints about the behavior of employees, student employees (acting in their capacity as employees) and third parties (e.g., a visitor to campus or an individual doing business with the university).

Anyone who is aware of or believes they have witnessed or been the subject of discrimination or harassment, including sexual harassment, sexual assault or relationship violence, by any employee of the university, by a student employee or by a third party should immediately report the discrimination or harassment to the nondiscrimination coordinator, any nondiscrimination campus liaison or Human Resources & Payroll. Reports can also be made to Campus Safety & Security, Residential Life or any other trusted university employee who will then report the incident to the nondiscrimination coordinator.

Who are the nondiscrimination coordinator and the nondiscrimination campus liaisons?

The nondiscrimination coordinator (who is also the title IX coordinator and section 504 coordinator) and the nondiscrimination campus liaisons are university employees who are specially trained and authorized to take reports of discrimination, harassment, sexual assault and relationship violence, and to conduct discrimination, harassment, sexual assault and relationship violence investigations. Refer online (<https://www.jwu.edu/content.aspx?id=30064775503>) for more information about the nondiscrimination coordinator and the nondiscrimination campus liaisons.

In the event of a conflict of interest or other circumstances where reporting to the university nondiscrimination coordinator or a nondiscrimination campus liaison would not be appropriate, reports of discrimination or harassment may be made to the vice president of human resources (401-598-1845), any campus vice president or the senior vice president of administration on the Providence Campus (401-598-1754).

Who coordinates the university's compliance with Title IX, Section 504 and other discrimination laws?

The nondiscrimination coordinator has been designated to carry out the university's responsibilities under all federal and state discrimination laws, including, but not limited to, Title IX of the Education Amendments of 1972 (Title IX), Section 504 of the Rehabilitation Act of 1973 (504), the Age Discrimination Act of 1975, the Civil Rights Act of 1964 and the Americans with Disabilities Act of 1990. Refer online (<https://www.jwu.edu/content.aspx?id=30064775503>) more information about the nondiscrimination coordinator.

What should I do if I have a complaint about gender equity in athletics?

If you have a complaint about gender equity in university athletics programs, you should contact the nondiscrimination coordinator and title IX coordinator (<https://www.jwu.edu/content.aspx?id=30064775503>).

Sexual Assault and Relationship Violence

In addition to the procedures described above, employees or students who are victims of sexual assault or relationship violence (including dating violence, domestic violence or stalking) may seek assistance as described in the university's Sexual Assault and Relationship Violence Policy (p. 16).

Please also see Investigation and Resolution (p. 14), Retaliation (p. 14), the Student Code of Conduct (p. 57) and the Conduct Review Process (p. 59).

Investigation and Resolution

Once discrimination or harassment has been reported, the university will promptly begin an investigation. The investigation may involve meeting with and interviewing the parties, providing the parties the opportunity to identify witnesses or present other information, interviewing witnesses with relevant knowledge, and reviewing other relevant materials and documents. Reasonable efforts are made to preserve confidentiality and to protect the rights of all parties; however, the university cannot guarantee confidentiality or anonymity if disclosure is necessary to investigate or resolve the situation or put an end to any discriminatory and/or harassing behavior in compliance with applicable law.

Reasonable efforts will be made to complete the investigation and determine an outcome within 60 days of receipt of the complaint; and, upon a determination of responsibility, the university will take action to prevent the recurrence of the harassing or discriminatory behavior and to mitigate its effects, including providing appropriate remedies or sanctions up to or including termination or dismissal from the university. In some instances, immediate interim action may be taken to help protect an individual or the community.

Retaliation

University's Prohibition Against Retaliation

Johnson & Wales University prohibits retaliation, including intimidation, threats, coercion or discrimination, against any individual who has made a good faith complaint, who has cooperated as a witness or a complainant in the investigation of such a complaint, or who has participated as a witness or complainant in any university proceeding. Any person found to have engaged in retaliation, or to have encouraged others to engage in retaliation, will be subject to disciplinary action up to and including termination of employment or dismissal from the university.

Satisfactory Academic Progress

Satisfactory Academic Progress

To be eligible for financial aid, all students must satisfy Satisfactory Academic Progress (SAP), which is required by federal law. SAP measures a student's completion of coursework toward a degree. JWU evaluates SAP at the end of each term, including summer, for each student. Students who do not meet all SAP criteria may lose their eligibility to receive all types of financial aid (e.g., federal, state, private, institutional and other aid). Students will be notified of the decision both verbally and in writing.

Maximum Time Frame Criteria

Completion of undergraduate or graduate programs cannot exceed 150 percent of the published length of the program measured in credit hours attempted as determined by the student's program requirements.

Pace Measure of Academic Progress Criteria

- Students must complete a specified percentage of all credit hours attempted; see below.
- This percentage includes all credit hours attempted regardless of whether or not financial aid was received.
- This pace measurement is calculated by dividing the cumulative number of hours that the student has successfully completed by the cumulative number of hours that the student has attempted.
- Credits attempted are defined as all classes for which a student receives a grade (D or better), or an F, I, W, WP, WF, NC, GP, S, U, PL, CX, NG, AU, etc.
- All transfer credit hours accepted from another institution toward the student's educational program at JWU will be counted as both attempted and completed hours.

- The student's GPA and pace of completion are negatively impacted by course incompletes, withdrawals, failures or repetitions (incompletes, failures and withdrawals count in attempted credits, but not completed).

Grade Point Average Criteria

- All undergraduate and graduate students must maintain a minimum Grade Point Average (GPA).
- The student's cumulative GPA for financial aid eligibility must be calculated on all grades received.
- All students, regardless of their enrollment status (e.g., full or part time), must meet the following minimum academic standards to remain eligible for financial aid.

Program	Total Credit Hours Attempted	Minimum Cumulative Pace	Minimum Cumulative GPA
Undergraduate	0–21	45%	1.00
Undergraduate	21.1–42	50%	1.26
Undergraduate	42.1–106.9	60%	1.50
Undergraduate	107 or higher	67%	2.00
Graduate	0 or higher	67%	2.00
Doctoral	0 or higher	67%	3.25

Warning Period

Students who fail to meet SAP criteria will be placed on financial aid warning for one academic term and a hold will be placed on the student's record, which will prevent them from course registration for all future terms. Students remain eligible for financial aid during the warning term. If SAP criteria are not satisfied at the end of the warning term, the student will be ineligible for financial aid. Students on warning must meet with an academic counselor to clear the hold prior to course registration, and/or to pursue an appeal. Students on warning must submit their appeal and supporting documentation before the eighth week of the warning term.

Ineligible for Financial Aid Period

Students who fail to meet SAP criteria after the warning period are ineligible for financial aid. If the student does not have an approved appeal, the student is no longer eligible for financial aid. Students may continue to take courses without financial aid to re-establish SAP standards; however, a payment plan must be established for the tuition and applicable fees associated with the course(s). Once a student is meeting JWU's minimum SAP standards, he or she may regain financial aid eligibility. Students who are interested in reestablishing aid eligibility should meet with an academic counselor to determine what they would need to do to meet JWU's minimum SAP standards.

Appeal Process/Probationary Period

If extenuating circumstances impacted successful adherence to SAP criteria, the student may pursue an appeal. The appeal will require the student to indicate why he or she did not make SAP and what has changed in the student's situation that will allow the student to demonstrate SAP by the next term. Circumstances and required documentation are illustrated below. The appeal process begins with the student's academic counselor in Student Academic Services. If an academic plan can be created that allows the student to meet SAP criteria within two terms, the counselor will present it to the appeals committee. Appeals must include complete documentation and are reviewed during the warning period; incomplete appeals will be denied. Appeal decisions are final. Students will be notified of the decision both verbally and in writing. This notification will take place after final grades are reviewed for the warning period.

If an appeal is approved, the student will be placed on a Financial Aid Probation Period, which is a status assigned by JWU to a student who fails to make SAP and who has successfully appealed and has had eligibility for financial aid reinstated. To continue receiving financial aid, the student will need to satisfy both the academic plan as outlined in their appeal and the SAP criteria.

Circumstance	Required Documentation
The student's own mental or physical illness or injury or condition	Provide documentation (e.g., a physician's statement, police report or documentation from a third party professional, such as a hospital bill)
Death of a family member or significant person in the student's life	Provide a copy of a death certificate

Illness, accident or injury of a significant person in the student's life	Provide documentation (e.g., a physician's statement, police report or documentation from a third party professional such as a hospital bill) related to the individual for whom the student provided care or support
The student's own divorce or separation or the divorce or separation of the student's parent(s)	Provide an attorney's letter on a law firm's letterhead, petition for dissolution or copy of divorce decree
Personal problems other than the student's own mental or physical illness or injury or condition with the student's spouse, family, roommate, or other significant person in the student's life	Provide a written statement from an attorney, professional advisor or other individual describing the circumstances
Natural disaster	Provide a written statement and/or supporting documentation
Military deployment	Provide active duty service orders

Sexual Assault and Relationship Violence Policy

Johnson & Wales University prohibits sexual assault and relationship violence, which may include dating violence, domestic violence, stalking and sexual exploitation. These offenses constitute violations of university policy, including the Prohibited Discrimination and Harassment (including Sexual Harassment) Policy and the Student Code of Conduct (p. 57). These offenses can also constitute violations of State and Federal Laws.

The university provides proceedings and resources for community members affected by sexual assault and relationship violence (see Getting Help (p. 18)), and offers programming designed to educate the community and prevent the occurrence of such offenses (see Education and Prevention (p. 17)).

Definitions

Dating violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. Dating violence includes, but is not limited to, sexual or physical abuse or threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence.

Domestic violence means crimes of violence committed

- by a current or former spouse or intimate partner of the victim;
- by a person with whom the victim shares a child in common;
- by a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner;
- by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or
- by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

Sexual assault means any sexual act directed against another person, by force, threat of force, coercion or without consent, including instances where the person is incapable of giving consent. Sexual assault includes rape, fondling, incest and statutory rape.

Fondling means the touching (with a hand or any other part of the body) of another person's clothed or unclothed sex organs, breasts, groin, buttocks or anus for the purpose of sexual arousal, sexual gratification or abuse, without consent of the person, including instances where the person is incapable of giving consent. Fondling also includes being forced to touch (with a hand or any other part of the body) another person's clothed or unclothed sex organs, breasts, groin, buttocks or anus, without consent, including instances where the person is incapable of giving consent.

Consent means conduct that signifies through words or behaviors that the parties have indicated agreement to engage in sexual activity.

- Past consent does not imply future consent.
- Silence or absence of resistance, by itself, does not imply consent.
- Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another.
- Consent can be withdrawn at any time.
- Coercion, force or threat of force invalidates consent.

Coercion means express or implied threats of any harm that would place a reasonable individual in fear of immediate or future harm and that is employed to make someone engage in sexual activity.

Force means the actual use or threat of physical violence that is employed to make someone engage in sexual acts.

Incapable of giving consent means that because of the person's age or because of the person's temporary or permanent mental incapacity they cannot give intelligent, knowing and voluntary consent.

Incest means sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

Rape means the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person without consent, including instances where the person is incapable of giving consent.

Statutory rape means sexual intercourse with a person who is under the statutory age of consent.

Sexual exploitation means taking sexual advantage of another individual's nudity or sexuality without consent and includes

- causing, or attempting to cause, the incapacitation of another person in order to make that person vulnerable to sexual acts;
- recording or photographing of private sexual activity and/or an individual's intimate parts (including genitalia, groin, breasts or buttocks);
- dissemination, streaming or posting of recordings, photos or other images of an individual's sexual acts and/or intimate parts (including genitalia, groin, breasts or buttocks);
- voyeurism (watching or taking pictures, videos or audio recordings of another person engaging in sexual acts);
- allowing third parties to observe private sexual acts;
- knowingly or recklessly exposing another person to a significant risk of sexually transmitted infection or virus; and/or
- exposing one's genitals to another individual.

Stalking means a course of conduct directed at a specific person that would cause a reasonable person to

- fear for the person's safety or the safety of others; or
- suffer substantial emotional distress.

Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly or through third parties, by any action, method, device or means, follows, monitors, observes, surveils, threatens or communicates to or about a person, or interferes with a person's property.

Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim.

Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

If there is reason to believe that Johnson & Wales University's rules prohibiting sexual assault and relationship violence have been violated, either on or off campus, the administration may pursue disciplinary action through the university's Conduct Review Process (p. 59), Human Resources & Payroll, and/or through any other available proceedings.

In considering these offenses, the university will, if required by law, refer to the laws of Rhode Island, Florida, Colorado, North Carolina and/or Massachusetts.

Education and Prevention

Johnson & Wales University takes a proactive stance to educate its community regarding issues of sexual assault and relationship violence, including retaliation, and methods of prevention.

Johnson & Wales University's education and prevention programming includes programs, initiatives, strategies and campaigns intended to address sexual assault, dating violence, domestic violence and stalking. These programs are both in-person and online. In addition, the programs are a mix of guest speakers, university staff members, externally-created programs and university-created programs.

For students, education about sexual assault and relationship violence awareness and prevention begins at new student orientation, where new students and their parents participate in sessions dedicated to illustrating Johnson & Wales University's stance against sexual assault and relationship violence. New student orientation staff members are trained to handle issues of sexual violence and relationship violence and participate in programming designed to help students understand university expectations and policy; the intersection between alcohol, sexual assault and relationship violence; and ways to reduce the risk of sexual assault, dating violence, domestic violence and stalking. As part of the education on risk reduction, programming explores options designed to decrease perpetration and bystander inaction, and to increase empowerment for victims to promote safety and help individuals and communities address conditions that facilitate violence.

Students also learn about safe and effective forms of bystander intervention to prevent harm or intervene when there is a risk of sexual assault, dating violence, domestic violence or stalking. Bystander intervention means safe and positive options that may be carried out by an individual or individuals that proactively promote safe and respectful interactions before the precursors to harm are ever witnessed. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene. Examples of bystander intervention include

- walking someone home
- distracting the parties by engaging in conversation with them
- involving others, including the friends of the parties
- inviting one of the parties to go get a glass of water or redirect their attention
- calling Campus Safety & Security
- providing someone with information on university policies and resources, including providing them with a copy of this Sexual Assault and Relationship Violence Policy.

To promote a safe and engaged community, the university addresses bystander behavior by participating in Green Dot as a core component of its comprehensive violence prevention efforts. Each campus has Green Dot certified staff member(s). These individuals promote safe and effective bystander intervention through presentations and training. Each term, community members have the opportunity to participate in an eight-hour bystander intervention training program.

Prevention and education efforts continue throughout the year and are supported by multiple departments such as Student Involvement & Leadership (including student clubs and organizations and fraternities and sororities), Residential Life and Athletics. These efforts are targeted at awareness raising, self-defense, alcohol use, definition of consent, healthy sexuality and relationships, risk reduction and bystander behavior. The university provides education through its "Consent is..." campaign, which educates students about the university's policies related to sexual assault; the definition of consent; the intersection between alcohol, sexual assault and relationship violence; where to obtain resources; and where to report violations. Literature addressing issues of sexual assault and relationship violence is available from multiple departments including Campus Safety & Security, Counseling Services, Health Services, Health Education, the Gender Equity Center, Student Involvement & Leadership, Athletics, Residential Life and the Title IX Coordinator.

Many of the educational programs and events offered to students are open to all community members, and employees have the opportunity to participate

in a variety of educational programs. In addition, employees are offered programming on the Prohibited Discrimination and Harassment (including Sexual Harassment) Policy, and the Sexual Assault and Relationship Violence Policy. These programs inform employees of the university's stance against sexual assault and relationship violence and the university's prohibition against retaliation.

For information regarding sexual assault and relationship violence awareness and prevention programming, contact the Title IX Coordinator (<https://www.jwu.edu/content.aspx?id=30064775503>) or the director of the Gender Equity Center (<http://www.jwu.edu/content.aspx?id=11590>). For more information about Green Dot contact the director of the Gender Equity Center. Upcoming programs can also be found on [juwLink](https://link.jwu.edu) (<https://link.jwu.edu>) and the student calendar.

Steps to Follow if an Offense Occurs

If you believe you are the victim of sexual assault or relationship violence (including dating violence, domestic violence, stalking or sexual exploitation), you are encouraged to take the following steps:

1. **Go to a safe place.**
2. **You may seek medical attention. Immediate medical attention is strongly encouraged for any possible injuries.** Medical attention is critical so that any injuries (including internal injuries) or infections which may have resulted from the offense can be treated. Getting an exam does not mean that you have to press charges; however, a medical exam will help to preserve evidence if you should choose to press charges or seek a protective order at some point.

Time sensitive steps: Some actions are more effective or only may be taken within a few days after a sexual offense. **You may wish to consult with medical personnel quickly regarding these items:**

- Preventative treatments for pregnancy and sexually transmitted infections
- Evidence collection
- Toxicology testing if there are signs that drugs or alcohol may have facilitated the assault/violence

Individuals of any gender can be victims of sexual assault or relationship violence. JWU encourages victims to go to the appropriate hospitals for their campus listed in Getting Help (p. 18).

3. **Consider your reporting options.** Your options include
 - reporting the offense to law enforcement authorities by dialing 911 or contacting the appropriate police at the numbers listed in Getting Help (p. 18). Campus authorities will assist you with notifying law enforcement authorities, if desired; and/or
 - filing a disciplinary complaint and reporting the offense to the university for investigation by Campus Safety & Security (see Getting Help (p. 18) for your campus information):
 - reporting the offense directly to Campus Safety & Security;
 - reporting the offense confidentially to Campus Safety & Security (silent witness (<https://www.jwu.edu/forms.aspx?id=33582&ekfrm=33582>), online only);
 - reporting the offense to a Residential Life staff member (such as your R.A. or R.D.);
 - reporting the offense to the university's Title IX coordinator, deputy Title IX coordinators or nondiscrimination campus liaisons (<http://www.jwu.edu/content.aspx?id=30064775503>); and/or
 - reporting the offense to any of the other organizations or departments listed in Getting Help (p. 18).

Johnson & Wales University strongly urges students to report criminal offenses to local police and Campus Safety & Security so that the university can take appropriate measures to provide help to the victim and prevent future crimes.

However, you have the right not to report the matter.

4. **Consider steps to preserve and record evidence.** If you wish to press charges or seek a protective order, it is important to preserve and record

evidence, including recording a description of the perpetrator (including type of clothing, race, age, height, weight, hair color, eye color, distinguishing marks, etc.), details of events, where events occurred and the direction of travel of any vehicle involved. Best practices to preserve evidence with respect to sexual offenses include seeking medical attention shortly after the event and

- avoid washing anything (including your hands, mouth and face)
- avoid washing or combing your hair
- avoid showering, going to the bathroom, brushing your teeth, eating, drinking, douching or changing your clothes. It is recommended that you bring an extra set of clothes with you to the hospital.

You may also consider preserving other relevant information such as communications from the perpetrator (i.e., social media posts, emails, texts or other materials). If you do change or have access to other materials like sheets or blankets present during the assault/violence, those materials can be brought to the hospital or given to law enforcement for evidence collection. Please use a paper bag, not plastic bag, if you choose to transport any of these materials on your own.

5. You may seek free confidential counseling services. You can obtain free confidential counseling assistance whether or not you file a report:

- Contact Counseling Services directly (see Getting Help (p. 18) for your campus information as well as assistance available in the community)
- Without disclosing any details of the incident, ask a Residential Life staff member or Campus Safety & Security to contact the on-call counselor. Campus Safety & Security will also provide you with written information about university counseling resources.

6. You may seek assistance regarding obtaining interim or protective measures at the university, including no contact orders and changes to university academic, living, student financial aid, visa and immigration, working, and transportation situations, regardless of whether you choose to report the crime to local law enforcement. Campus Safety & Security will provide you with written information about university and community resources for changing situations or addressing needs.

7. You may also wish to create a safety plan with the assistance of people and organizations listed as offering this service under Getting Help (p. 18).

8. You may seek an order of protection, a court-ordered no contact order, a restraining order or similar lawful orders from a court. Please note that the local police are responsible for the enforcement of these items and not Campus Safety & Security, but Campus Safety & Security will provide you with assistance. When an allegation of sexual assault or relationship violence is made against a student, that student will receive a university issued “no contact” order, which will remain in effect until at least the Conduct Review Process has been completed.

9. You may seek additional help, counseling, advocacy, legal assistance and other assistance. People and organizations offering these services are listed under Getting Help (p. 18).

Reporting Offenses to the University

Johnson & Wales University strives to be supportive and accommodating for all victims of sexual assault and relationship violence. University representatives will make every effort to help in these ways:

1. We will meet with you privately at a place of your choice on campus to take a statement, explain your options and provide you with a written list of rights and resources.
2. We will treat information that you share with the highest level of discretion.
3. **CONFIDENTIALITY:** We will do our best to honor your request to maintain confidentiality, provided your request does not interfere with our obligation to provide a safe, non-discriminatory environment for all students.
 - The university’s crime log will not include identifying information about the complainant to the extent permissible by law.
 - Please be advised that if we honor a request to maintain confidentiality, our ability to meaningfully investigate the incident and pursue disciplinary action against the respondent may be limited.

- Any accommodations or protective measures provided to you will be kept confidential, to the extent that maintaining such confidentiality will not impair the ability of the university to provide the accommodation or protective measures.
- If we cannot honor your request to maintain confidentiality, we will inform you and, to the extent possible, only share information with people responsible for handling our response to the incident.

4. We will not prejudice you.
5. We will treat you and your particular situation with courtesy, sensitivity, dignity, understanding and professionalism.
6. If you feel more comfortable talking with either a counselor or representative of a specific gender, we will do our best to accommodate your request.
7. We will assist you in arranging for any hospital treatment or medical needs.
8. We can assist you in privately contacting local law enforcement officials, counseling, Campus Safety & Security, advising and other available resources, both on campus and in the community as set forth in Getting Help (p. 18).
9. We will fully investigate your report with respect and discretion.
10. We will continue to be available for you — to answer your questions, explain the systems and processes involved, and be willing listeners.
11. We will consider your report seriously, without bias based on a protected category.
12. We will provide written notification of rights and options, including interim and protective measures.

See additional information: Sexual Assault and Relationship Violence Policy (p. 16), Education and Prevention (p. 17), Getting Help (p. 18), Criminal and Disciplinary Action (p. 22) and Retaliation (p. 14).

Getting Help

After a sexual assault or an incident of dating violence, domestic violence, stalking, sexual exploitation and/or retaliation, there are many options. Understanding and choosing between these options can feel confusing and overwhelming. You are not alone.

Criminal and Disciplinary Action

What Action May Be Taken

1. **Criminal Prosecution:** If you choose to pursue criminal prosecution through the courts, the incident should be reported to the police. Remember, a police report does not require a victim to prosecute and campus personnel are available to assist you when notifying the police. Please see Getting Help (p. 18) for sources of assistance for victims when moving through the prosecution process.
2. **University Disciplinary Action:** If you choose to report the matter to the university, the incident should be reported to Campus Safety & Security. Please see Getting Help (p. 18) for contacting Campus Safety & Security. Sexual assault and relationship violence (including dating violence, domestic violence, stalking and sexual exploitation) are violations of the university's Sexual Assault and Relationship

Violence Policy (p. 16), the Prohibited Discrimination and Harassment (including Sexual Harassment) Policy (p. 12), the Student Code of Conduct (p. 57), as well as state and federal law, including Title IX of the Education Amendments of 1972 (Title IX). Sexual assault, sexual harassment and relationship violence alleged to have been committed by students are addressed through the university's Conduct Review Process (p. 59) and, as applicable, in accordance with Title IX and relevant state and federal law. Please see the Conduct Review Process (p. 59) for more information about the rights of parties related to complaints of sexual assault and relationship violence. Possible sanctions for a violation of the Student Code of Conduct regarding sexual assault and relationship violence are set forth in Sanctions (p. 61).

When any one of the options above is pursued, you do not forfeit your right to pursue the remaining options. Compliance with the items listed above does not constitute a violation of the Family Educational Rights and Privacy Act (20 U.S.C. 1232g).

If applicable, students must also

1. Satisfy the Financial Aid Requirements.
2. Satisfy high school requirements and receive a high school diploma (all new undergraduate students), B.S. requirements (all new graduate students) or master's requirements (all new postgraduate students) by submitting final, official documentation.
3. Satisfy the Health Services Requirement (all new students).
4. Satisfy the International Student Services Requirement.

Payment Deadline Requirement

A payment deadline has been established for each term. Prior to this deadline, all students must establish (or confirm) an appropriate and approved payment plan with Student Academic & Financial Services. Failure to satisfy this requirement will result in immediate and permanent deletion of the student's schedule, and a financial hold will be placed on the student's account. In this instance, students will be permitted to register only when holds no longer exist on their record. Students who have not registered by a term's deadline for completing term start requirements will be required to complete their payment arrangements, as well as satisfy all other hold(s) if applicable, before being able to register for courses. Students who subsequently satisfy their payment arrangements shall have no guarantee that they will be able to re-register for the same course(s) and/or section(s) from which they were dropped.

Financial planning representatives are available in Student Academic & Financial Services to help students and families satisfy the Payment Deadline Requirement (visit the website (<http://www.jwu.edu/sfs>) for contact information). One, or a combination, of the following options constitutes an appropriate payment plan:

- Pay the entire annual balance due to Johnson & Wales University.
- Make a term payment in full to Johnson & Wales University.
- Pay the enrollment fee and the first month's payment to Tuition Management Systems (TMS), the university's monthly payment plan company.
- Apply for and receive approval for a loan that covers the entire annual balance due to Johnson & Wales University.
- Submit company authorization for tuition reimbursement.

Financial Aid Requirement

To receive financial aid, students must first complete the FAFSA (Free Application for Federal Student Aid) with the U.S. Department of Education; the completed FAFSA must then be on file with Student Academic & Financial Services. If selected for verification, all requested documentation (e.g., parents' federal tax transcript, student's federal tax transcript, verification worksheets, etc.) must be received in Student Academic & Financial Services by the posted term's deadline for completing term start requirements. Failure to satisfy this requirement will result in the placement of holds on the student's account and will prohibit the student from entering class or changing their schedule.

Health Services Requirement

Prior to the first term of studies, the university requires all new, full-time undergraduate students (residents and commuters), all graduate students, and all culinary continuing education students to submit documentation verifying the following:

- Complete physical exam (signed by doctor) within the last year including documented proof of
 - two doses MMR (measles, mumps, rubella) vaccine (or titers if applicable)
 - three doses hepatitis B vaccine (or titers if applicable)
 - three doses of a tetanus-diphtheria vaccine (including at least one Tdap dose within the past 10 years)
 - two doses of chicken pox vaccine (or titers if applicable) or proof of physician-diagnosed disease

- one dose of meningitis vaccine, required for students residing in university residence halls (a waiver of the meningitis vaccine requirement is available for students 22 years of age and older. Please contact Health Services for further information.)
- negative tuberculosis test or chest X-ray within the last year, required for entering students who are from highly endemic countries and have been residents of the United States for less than five (5) years. A list of countries where tuberculosis is highly endemic is available upon request from Health Services.
- signature of a parent or legal guardian (if under 18 years of age)
- **Charlotte Campus only:** Any student who is under the age of 18 upon enrollment must also submit proof of the polio vaccine series.

The hepatitis A vaccine is strongly recommended but not required. Please note that further immunization requirements apply to students enrolled in the physician assistant program.

Failure to satisfy this requirement will result in the placement of a Health Services Hold on the student's account and prohibit the student from entering class or changing their schedule.

International Student Services Requirement

Johnson & Wales University, in accordance with federal regulations, requires that all international students maintain current and complete documentation with International Student Services. Students should contact the office directly to verify that their records are complete. Failure to satisfy this requirement will result in the placement of an International Student Hold on the student's account and will prohibit the student from entering class or changing their schedule.

University Holds

Holds are placed when students are not in compliance with payment deadlines, term start requirements or university policy. Holds will prevent a number of activities, including (but not limited to) course registration, entry to class, graduation and transcript requests. Students are advised to review holds in jwuLink frequently, especially after each term's deadline for completing term start requirements and before the start of each term.

Academic Progress Warning Hold

The Academic Progress Warning hold prevents course registration. This hold will be placed if the student is in danger of losing financial aid eligibility due to noncompliance with satisfactory academic progress requirements. This hold will be removed once the student has contacted and met with an academic counselor in Student Academic & Financial Services.

Academic Standing Hold

The Academic Standing Hold prevents course registration. This hold will be placed if the student failed to meet the requirements for good academic standing. This hold will be removed once the student has contacted and met with their assigned academic counselor in Student Academic & Financial Services.

Athletic Hold

The Athletic Hold for unreturned university athletic gear prevents course registration and release of diploma. This hold will be placed if the student has unreturned athletic gear or owes replacement fees. This hold will be removed when the student has returned the athletic gear or paid replacement fees to the equipment coordinator.

Collections Hold

The Collections Hold prevents course registration, entrance to class, access to/release of official transcripts and release of diploma. This hold will be placed on a student's account if a student is no longer enrolled at the university and has outstanding charges for tuition, fees, room, meals, etc. with the university. A Collections Hold will be removed from a student's account once the outstanding balance is paid in full.

Student Loan Entrance Counseling (Interview) Hold

The Entrance Counseling Hold prevents course registration and entrance to class. This hold will be placed if a first-time borrower for the Federal Direct Loan program has not completed entrance counseling. Entrance counseling can be completed online (<http://www.studentloans.gov>). An Entrance Counseling Hold will be removed once the student has completed the entrance counseling. If this hold is not cleared by the end of the add/drop

period, the student's schedule will be immediately and permanently deleted and the student will be considered withdrawn from the term.

Financial Aid Hold

The Financial Aid Hold prevents course registration and entrance to class. This hold will be placed if the Financial Aid area of Student Academic & Financial Services has requested documentation (e.g., parent tax transcripts, student tax transcripts, dependent verification worksheet, etc.) from a student and that documentation was not provided to Financial Aid prior to the term's posted deadline for completing term start requirements. This hold will be removed once all requested documentation has been received by the Financial Aid area of Student Academic & Financial Services. If this hold is not cleared by the end of the add/drop period, the student's schedule will be immediately and permanently deleted and the student will be considered withdrawn from the term.

Financial Hold (Fall, Winter, Spring and Summer)

The Financial Hold prevents course registration (if this hold is in place, the student's schedule is deleted and, if applicable, student-athletes will not be able to participate in their team's activities). In addition, a financial hold will prevent a student from securing a residence hall. This hold will be placed on the student's record if they have not established an acceptable payment plan with the university prior to each term's posted deadline for completing term start requirements. All payment plans must remain in good standing prior to the deadline for completing term start requirements in order to avoid a hold. This hold will be removed once a payment plan has been established and/or payments are up-to-date.

Health Services Hold

The Health Services Hold prevents course registration and entrance to class. This hold is applied to the records of new and returning full-time undergraduate, graduate, culinary day and culinary continuing education students who have failed to comply with the university's medical documentation/immunization requirements. This hold is released only after ALL requirements have been met. If this hold is not cleared by the end of the add/drop period, the returning student's schedule will be immediately and permanently deleted and the student will be considered withdrawn from the term. New students will not be allowed to enroll for the next term. In addition, this hold may be applied to the records of students who are approved for a campus transfer and have not complied with the medical documentation/immunization requirements of their new campus. This hold is released after all health services requirements of the new campus (destination campus) are satisfied. Students will have no more than one term to meet these requirements.

Home-School Verification Hold

The Home-School Verification Hold prevents course registration.

Home-schooled students will be required to provide a high school transcript and a copy of their ACT or SAT test scores. Both the grades on the transcript and the ACT/SAT test scores will be reviewed to determine admissions and scholarship eligibility. Combined SAT scores of 1000 (reading and math, 500 each) or ACT equivalent are required for admittance.

A home-schooled student must be able to document that he or she has completed high school. Verification documents for home-schooled students include at least one of the following:

- a high school diploma recognized by their state department of education
- high school equivalency exam

or, with respect to home-schooled students who are above the compulsory age of school attendance,

- a secondary school completion credential for home school (other than a high school diploma or high school equivalency exam) provided for under state law;

or

- if state law does not require a home-schooled student to obtain the credential described in the preceding bullet, a certification from a party acceptable to the university that the student has completed a secondary school education in a home-school setting that qualifies as an exemption from compulsory attendance requirements under state law

It is the student's responsibility to provide verification of high school completion. Without such verification, the student may not be allowed to

register for the current term or continue enrollment and will be in jeopardy of revocation of admission to the university as well as losing all financial aid.

This hold will be removed once the student has provided documentation to Student Academic & Financial Services or Admissions.

International Student Hold

The International Student Hold prevents course registration and entrance to class. This hold is applied by International Student Services to the records of any student who has not completed all required documentation, in accordance with federal regulations. This hold is released only after ALL documentation requirements have been met. If this hold is not cleared by the end of the add/drop period, the student's schedule will be immediately and permanently deleted and the student will be considered withdrawn from the term.

Judicial Hold

The Judicial Hold prevents course registration, entrance to class, transcript requests and graduation. This hold is applied to the records of students who have been suspended and/or dismissed from the university or have other outstanding obligations with Student Conduct. A Judicial Hold for suspended students will be released after the term of the suspension has expired and upon notice from the director of student conduct that the student has been approved for reinstatement. Judicial holds for dismissed students will not be released. Judicial holds for other outstanding obligations with Student Conduct will be released upon a student's fulfillment of any such obligations and upon notice from the director of student conduct.

Library Hold

The library hold for unreturned materials prevents release of diploma. This hold will be placed if the student has unreturned library materials or owes replacement fees for unreturned materials. This hold will be removed when the student has returned the materials or paid replacement fees to the library.

Loan Delinquent Hold

The Loan Delinquent Hold prevents course registration, entrance to class, access to/release of transcripts and release of diploma. This hold will be placed on a student's account if a student is delinquent and/or is in default with a Federal Perkins Loan and/or Johnson & Wales Achievement Loan. This hold will be removed once the loan is in good standing.

Medical Hold (A or B)

Medical Hold A (issued by Health Services) and Medical Hold B (issued by Counseling Services) prevent course registration and entrance to class. These holds will be removed when the student has contacted the appropriate university office and satisfied requested requirements.

North Carolina Residency Application Hold

The North Carolina Residency Application hold prevents course registration and entrance to class. This hold will be placed if a student attending the Charlotte Campus was awarded a North Carolina Need-Based Scholarship and has not submitted a requested North Carolina Need-Based Scholarship Residency Questionnaire and/or the North Carolina Long Form prior to the term's posted deadline for completing term start requirements. This hold will be removed when the residency form is received.

Perkins Loan Master Promissory Note (MPN) Hold

The Federal Perkins Loan MPN Hold prevents course registration and entrance to class. This hold will be placed on a student's account if a student was awarded a Federal Perkins Loan and has not completed the Federal Perkins Loan MPN prior to the term's deadline for completing term start requirements. This hold will be removed once Student Academic & Financial Services has received a completed Federal Perkins Loan MPN. If this hold is not cleared by the end of the add/drop period, the student's schedule will be immediately and permanently deleted and the student will be considered withdrawn from the term.

Previous Balance Hold

The Previous Balance Hold prevents course registration and entrance to class. This hold will be placed on a student's account if the student is delinquent and/or is not in compliance with the current established payment plan with the university by the posted term deadline for completing term start requirements. All payment plans must remain in good standing in order to avoid a hold. This hold will be removed once the payment plan has been brought up-to-date.

Schedule Hold

The Schedule Hold prevents course registration. This hold may be assigned by Student Academic & Financial Services when requirements or policy are not satisfied. A Schedule Hold may also be placed on students who are enrolled in certain programs. The reason the hold was applied is viewable in jwuLink. Student Academic & Financial Services will remove the hold when the student satisfied the requirements of the hold.

Self-certification Hold

The Self-certification Hold prevents course registration and entrance to class. This hold will be placed on a student's account by Student Academic & Financial Services if the student was approved for a loan with a private lender but did not complete the required self-certification form. This hold will be removed once Student Academic & Financial Services has received confirmation from the private lender or the student that the self-certification form was completed and submitted to the private lender.

Federal Direct Loan Master Promissory Note (MPN) Hold

A Federal Direct Loan MPN Hold prevents course registration and entrance to class. This hold will be placed on a student's account if a student was awarded a Federal Subsidized and/or Unsubsidized Direct Loan and the student has not completed the required Direct Loan MPN prior to the term's posted deadline for completing term start requirements. Students can complete their Direct Loan MPN online (<http://www.studentloans.gov>). This hold will be removed once Student Academic & Financial Services has received a completed Direct Loan MPN. If this hold is not cleared by the end of the add/drop period, the student's schedule will be immediately and permanently deleted and the student will be considered withdrawn from the term.

Verify Final Grades Received Hold

The Verify Final Grades Received Hold prevents course registration and entrance to class. This hold will be placed if an undergraduate student has not provided the university with final, official documentation that verifies high school diploma completion or equivalent; or a graduate student has not provided the university with final, official documentation that verifies bachelor's degree completion.

Undergraduate students should see High School Completion Verification (<http://catalog.jwu.edu/admissions/applying/highschoolverification>) for additional information on acceptable documentation.

This hold will be removed once the student has provided documentation to Admissions or Student Academic & Financial Services.

Withdrawal

Before withdrawing from a course or the university, students must visit Student Academic & Financial Services (online program students must contact Online Student Services) to address the impact of withdrawal on their status. Withdrawal should be a last resort, so students should consult with their course instructor and take advantage of university resources, such as tutoring or study skills assistance. Withdrawing from a course (especially one that is a prerequisite requirement) could result in extra time at the university, additional charges and payments and potentially more student loans. Any student enrolled solely in culinary lab courses who fails to attempt any of the scheduled courses will be considered to have withdrawn from the university.

Withdrawal may jeopardize or impact

- academic standing
- graduation date
- eligibility to remain in university housing
- eligibility to participate in athletic events
- financial aid eligibility (satisfactory academic progress)
- immigration status
- Veterans Administration benefits

It is the student's responsibility to notify Student Academic & Financial Services or Online Student Services in person or in writing (via JWU email, fax or letter) of their intent to withdraw from a course, a term or the university. Students are not permitted to withdraw from a course or the university during final exams. If students do not officially withdraw, they will remain registered for courses and will be graded accordingly. Academic Advising & Counseling hours and locations can be found in

Requirements & Advising (http://linkweb.jwu.edu/Registration_and_Grades/Requirements_and_Advising).

Discontinuing attendance (e.g., not showing up for class or not accessing course materials in ulearn) or notifying an instructor does not constitute an official course withdrawal. Students who notify an instructor are still responsible for notifying Student Academic & Financial Services or Online Student Services to be considered officially withdrawn. Students may be withdrawn by an instructor from courses with specific attendance policies. Students should review Attendance (p. 36) for additional policies.

The date the withdrawal notification is received shall be the date used in determining the refund of fees, if applicable, in accordance with the Tuition and Fees Credit Policy (p. 31).

A student who does not officially withdraw due to extenuating circumstances may submit a university enrollment dispute. Enrollment disputes must be submitted online within 30 days after the end of the term in dispute. To submit a dispute, students must complete the appropriate form (<http://www.jwu.edu/forms.aspx?id=55199&ekfrm=55199>). No adjustments to tuition and fees or financial aid will be made until the dispute is researched and either approved or denied. No enrollment disputes will be considered after 30 days from the end of the term in which the students intended withdrawal. Decisions will be made within 10 business days and students will receive notification via an email sent to the email address provided on the dispute form. The student must present supporting documentation that demonstrates serious and compelling reasons justifying the withdrawal and extenuating circumstances justifying its retroactive nature.

See additional sections for more information regarding withdrawals.

Course Withdrawal

Course Withdrawal

After the add/drop period has ended, students may withdraw from a course by consulting with Student Academic & Financial Services or Online Student Services. A student who withdraws from a course will be issued a WP or WF by the instructor in order to record attempted credits. A student who remains enrolled in one or more courses in the term will not be eligible for a tuition credit. Students who withdraw from all courses will be withdrawn from the term and are subject to the Term/University Withdrawal policy.

Students must officially withdraw from a course by the course withdrawal deadline; otherwise they will not be permitted to withdraw from the course and will be graded accordingly.

A withdrawal request after the deadline will only be permitted for extenuating conditions beyond the student's control. Students must provide documentation of the condition, which must be approved by an academic advisor/counselor. The course grade under these circumstances will be NC.

Withdrawal deadlines for academic courses and courses with an experiential education component are as follows:

- Four-week courses: 12th day of session
- Five-week courses: 15th day of session
- Full-term courses: 6th week of the term

Term/University Withdrawal

Term/University Withdrawal

Term/university withdrawal is defined as a complete withdrawal from all classes in a term. A complete withdrawal before the beginning of the term start date will result in no financial responsibility for that term.

Withdrawal from the university after the start of the term, voluntary or not, will result in tuition charges in accordance with the Tuition and Fees Credit Policy (p. 31). The date the withdrawal notification is received shall be the date used in determining the refund of fees, if applicable, in accordance with the Tuition & Fees Credit Policy. Grades of WP or WF will be issued by each course instructor in order to record attempted credits. Students withdrawing from the term/university should note the following:

- Students receiving financial aid are required to complete an exit interview with Student Academic & Financial Services to discuss the impact of withdrawal on tuition charges and financial aid; the financial aid award (including grants, scholarships, loans and outside awards) for the current or subsequent terms may be affected.
- Students living in on-campus housing are required to contact Residential Life prior to the submission of their notice to discuss the impact of

withdrawal on housing status. Students must vacate university housing within 24 hours of withdrawal, removing all personal belongings, returning keys and signing out at the front desk of their residence hall.

- When (or if) enrollment resumes, graduation date and academic progress are impacted. The university cannot guarantee when or if courses may be re-offered or if the student can resume enrollment in their original program of study. Withdrawal from a prerequisite course may impact future course registration, if scheduled, and may impact the sequencing of remaining requirements.

Students may return to the university to register for a future term, but are subject to the university's Readmittance Policy (p. 42).

The university reserves the right to withdraw students who fail to meet financial or specific attendance requirements or who, because of misconduct, disrupt the academic process in violation of the Student Code of Conduct (p. 57).

In compliance with federal regulations, Student Academic & Financial Services will submit an enrollment update to the National Student Clearinghouse within 30 days of the withdrawal notification date, which is the date the student notified Student Academic & Financial Services of their intent to withdraw from the university.

Unofficial Withdrawal

Federal financial aid regulations state that a student who earns no passing grades in all courses for a term must be considered an unofficial withdrawal, unless the institution can document that the student engaged in some academic activity beyond the 60% point of that term. A student must be engaged in academically related activities beyond the 60 percent of the enrollment period to retain eligibility for federal, institutional and external financial aid. If a student was not engaged in any academically related activities beyond the 60 percent, they will be assigned a withdrawal date based on the last date of an academically related activity.

A student who does not earn at least one passing grade during a term for which federal funds were disbursed will have a Return of Title IV Funds calculation performed to determine how much of the federal funds were earned. Unearned federal funds must be returned to the source, in most cases with a charge to the student's university account.

Medical Withdrawal

Voluntary Medical Withdrawal

In addition to requesting a leave of absence under the Financial Aid Leave of Absence (p. 31) policy, students may choose to apply for a voluntary medical withdrawal if they need to leave school for a period of time to address illness or physical or mental health conditions that significantly impair their ability to function successfully or safely as a member of the university community. Students who are granted voluntary medical withdrawals may be eligible for an additional tuition credit to their student account upon their return to the university. A voluntary medical withdrawal is intended only for serious medical or psychological conditions, which may involve hospitalizations, intensive treatment, or other similar conditions or events. In these instances, time away from the university for treatment and recovery can often restore functioning to a level that will enable a student to return to the university and be successful.

Students considering a voluntary medical withdrawal for health-related conditions are encouraged to contact campus Health Services (for physical health issues) or Counseling Services (for mental health issues) to discuss the appropriateness of a voluntary medical withdrawal.

Requests (including required documentation) will be reviewed in a timely fashion and either approved or denied by the appropriate Health Services or Counseling Services staff and the associate dean of Counseling, Health & Wellness, or his/her designee. Medical documentation must be provided to certify the severity of the condition. Requested documentation may include a written recommendation from a university health care provider or an appropriately qualified medical or mental health professional from the community.

A student who is returning to the university after an approved voluntary medical withdrawal may be eligible for a tuition credit equal to the amount of adjusted tuition charged for the term the student was unable to complete due to the voluntary medical withdrawal. This credit can only be applied toward tuition charges for the term in which the student returns. In addition,

the university allows students enrolled in the JWU Student Health Insurance Plan, who have been granted a voluntary medical withdrawal, to continue such enrollment for a maximum of one term; however, students must complete an enrollment application, available at campus Health Services and/or Counseling Services and pay separately the current premium for that term to the university's insurance agency. International students may be able to continue to remain in the United States in compliance with applicable immigration regulations. Please consult with International Student Services.

A student approved for a voluntary medical withdrawal will be notified in writing, at the time of the student's withdrawal, of any conditions that must be satisfied (in addition to the university's Readmittance Policy (p. 42)) for the student to return to the university. Such conditions will be determined on an individual basis and in accordance with law.

These conditions may include, but are not limited to, documentation or other evidence satisfactory to university Health Services or Counseling Services staff and the associate dean of Counseling, Health & Wellness or his/her designee, that the student is qualified and ready to resume studies and function safely and successfully as member of the university community, with or without reasonable accommodations. To fulfill such requirements, students are typically required to provide medical documentation from their individual treatment providers. The university relies heavily on the information received from the student's treatment providers. Students will be asked to provide an authorization form to allow Health Services and Counseling Services and the associate dean of Counseling, Health & Wellness or his/her designee to communicate with such treatment providers, university deans, the Center for Academic Support and other university personnel, where appropriate, regarding the student's return. The university may also require further information from the student if it determines that the information provided by the student's treatment provider is not sufficient (e.g., if information provided by the treatment provider is incomplete, requires further explanation or clarification or when there is a disconnect between the medical information provided by the treatment provider and other information in the student's files) to make a determination that the student is ready to resume studies and function safely and successfully as member of the university community, with or without reasonable accommodations.

In addition, in unusual circumstances (e.g., where the university is concerned about the provider's credentials), the associate dean of Counseling, Health & Wellness or his/her designee may request that the student undergo an additional assessment to allow the university to make a determination about the student's return. In those cases, the university will provide the student with a written explanation for such determination.

Students who are out of school on a voluntary medical withdrawal should submit such documentation to the applicable office (campus Health Services or Counseling Services) at least two weeks prior to their desired return date to allow the university the time to evaluate it. The documentation will be evaluated by a designated professional in the Health Services or Counseling Services office, as appropriate, who will provide a recommendation to the associate dean of Counseling, Health & Wellness or his/her designee. The associate dean of Counseling, Health & Wellness or his/her designee will make the final determination of whether the student has satisfied the conditions of reinstatement and will inform the student in writing of such determination.

Students with disabilities may be eligible for reasonable accommodations. Students are responsible for communicating their requests for accommodations to the Center for Academic Support. See Services (<http://catalog.jwu.edu/handbook/student-services/center-for-academic-support/services>) for more information.

Appeal

Students may appeal a decision regarding voluntary medical withdrawals by submitting a request in writing, by hand delivery or certified mail, to the dean of students or his/her designee. The request must be submitted within 10 days of the date of the decision and must state clearly the basis for the appeal. The appeal will be reviewed upon receipt, and a decision concerning the appeal will be available within a reasonable time. The decision of the appeal officer will be final.

Military Withdrawal

Students who are members of any branch of the United States Armed Services, including the National Guard, who are called to active duty while enrolled are entitled to the following options:

- Students may work with each individual instructor to determine if an incomplete grade is appropriate. If an incomplete grade is not a viable option, the student will be permitted to withdraw either from individual courses or from the university. A credit of tuition and fees will be issued for those courses from which the student has withdrawn.
- Students who are called to active duty while enrolled should contact an academic advisor/counselor (http://linkweb.jwu.edu/Registration_and_Grades/Requirements_and_Advising) to initiate the withdrawal process. An official copy of the military orders must be presented to invoke this special withdrawal and refund process. Students may also consider adding an authorized user (<http://www.jwu.edu/content.aspx?id=30064773309>) to view portions of their academic and financial records via a separate, secure login and website.

Financial Aid Leave of Absence

In accordance with applicable financial aid regulations, under certain conditions (such as personal, military service, illness or health, employment, humanitarian or church service, family responsibilities, and financial obligations) students may request a leave of absence from the university. A leave of absence will allow the student's status to remain as "in school," making the student eligible for a deferment on student loans during the approved time while not actively registered with the university. However, the specific requirements by which the student agreed to abide at the time any financial aid was accepted will remain in effect (approved students are advised to contact their loan servicer(s) for repayment information and grace period expiration policy).

Please note:

- Students considering a leave of absence must submit an application with Student Academic & Financial Services (online program students must contact Online Student Services (Sas.onl@jwu.edu)) by no later than the day prior to the start of a term/semester or lab segment (applications will be accepted at any time during the term as long as the student has not entered the segment for which the leave is being requested). Note: students who are non-U.S. citizens must contact the International Center first, prior to pursuing a leave of absence.
- Requests (including required documentation) will be reviewed in a timely fashion and either approved or rejected by Student Academic & Financial Services or Online Student Services.
- An approved leave may last for no more than one term/semester during an academic year; furthermore, students are not absolved from any other university policies by which they would ordinarily be bound.
- If the student does not return at the expiration of the approved leave of absence, the student will be considered withdrawn from all registration and the last date of the student's previous term/semester or lab segment attended will become the student's last date of attendance, and the loan deferment will expire as of that date.

Tuition and Fees Credit Policy

Term/semester charges are defined as tuition and, if applicable, room and meals, room only, student health insurance fee and orientation fee. Tuition is applicable to all students, including those in approved off-campus programs, which include internships and study abroad programs. The student health insurance fee and orientation fee are nonrefundable, if applicable. To the extent that any charges due to the university remain unpaid, no refund check will be issued. No tuition or fees will be assessed for terms/semesters that the student does not register. Students who withdraw (or become withdrawn) from the university prior to the end of the academic year may have their financial aid adjusted. Institutional grants and scholarships will be reduced in proportion to any tuition credit received. The distribution formula for the institutional refund to the Federal Student Financial Aid program shall be calculated according to federal regulations. Any refund due will be issued within 45 days after the date that the university was first notified of the withdrawal.

A student who does not officially withdraw due to extenuating circumstances may submit a withdrawal dispute. Withdrawal disputes must be submitted online within 30 days after the end of the term in dispute. To submit a dispute, students must complete the online form (<http://www.jwu.edu/forms.aspx?id=55199&ekfrm=55199>). No adjustments to tuition and fees or financial aid will be made until the dispute is researched and either approved or denied. No withdrawal disputes will be considered after 30 days from the

end of the term in which the students intended withdrawal. Decisions will be made within 10 business days and students will receive notification via an email sent to the email address provided on the dispute form. The student must present supporting documentation that demonstrates serious and compelling reasons justifying the withdrawal and extenuating circumstances justifying its retroactive nature.

- A student who provides official notice of withdrawal following the commencement of the academic term will receive a pro rata refund of tuition and fees* (other than the orientation fee which is used for the purposes of orientation) as follows:

Official notice of withdrawal must be made by a student under this policy in person or by written notification to Student Academic & Financial Services. The date of an official notice of withdrawal is the date that it is received by Student Academic & Financial Services. Refunds are paid to students within 30 days of the official notice of withdrawal.

- In the event that the Tuition and Fees Credit Policy is more favorable than this Refund Policy for Georgia residents, the university will refund to the student the greater amount in accordance with the Tuition and Fees Credit Policy.

Return of Title IV Funds

When a student withdraws (or becomes withdrawn) during a payment period or period of enrollment, the amount of student financial assistance earned is

determined by a specific formula. The unearned portion(s) is returned to the student financial assistance program(s). The amount of assistance earned is determined on a pro rata basis. That is, if the student completed 30 percent of the payment period or period of enrollment, the student earns 30 percent of the assistance originally scheduled. Once the student has completed more than 60 percent of the payment period or period of enrollment, the student earns all of the assistance to which they were originally entitled. If the student received excess funds that must be returned, Johnson & Wales University must return a portion of the excess equal to the lesser of the student's institutional charges multiplied by the unearned percentage of the student's funds, or the entire amount of the excess funds.

Allocation of Title IV Refunds

A refund owed to a student who received funds under any Title IV, HEA program will be returned to the Title IV, HEA programs from which the student received aid in the following order until the amounts received by the student from these programs are eliminated: the Federal Unsubsidized Direct Loan program, the Federal Subsidized Direct Loan program, the Federal Perkins Loan program, the Federal PLUS Loan program, the Federal Pell Grant program, the Federal SEOG program, all other sources of aid, any unpaid institutional aid.

Academic Policies

The following academic policies apply to students enrolled in undergraduate and graduate programs at JWU.

Academic Decisions

Students who wish to appeal an academic decision should seek the help of the following people, in the following order:

1. Professor or instructor
2. Department chairperson
3. Academic dean of appropriate college or school (final appeal)

For more information, see Complaints and Grievances (p. 8).

Academic Integrity

Academic Integrity Review Process

If a faculty member suspects that a violation of academic integrity (including but not limited to cheating, plagiarism or unauthorized collaboration) has occurred, the faculty member will communicate with the student regarding the alleged violation. If the student acknowledges responsibility for the alleged violation, the faculty member will impose a sanction(s), inform the department chair and document the sanction(s) in the Academic Integrity Review Form (found on jwuLink (<https://link.jwu.edu>)), which the student will sign. The faculty member will then submit the signed Academic Integrity Review form to Student Conduct for inclusion in the student's file.

If the student denies responsibility or fails to respond to the faculty member's request to communicate about the alleged violation, the faculty member will submit the Academic Integrity Review Form and any supplemental materials to Student Conduct and the student will participate in the Conduct Review Process (p. 59).

If, as a result of the Conduct Review Process, it is determined that the student is responsible for the alleged violation, the sanction(s) recommended by the faculty member on the Academic Integrity Review Form will be imposed. The faculty member and the student will be notified in writing of the outcome of the Conduct Review Process.

•The Academic Integrity Review Process should only be used for violations of academic integrity. Disruptive behavior in the classroom, labs or other learning environments, including practicum properties, should be immediately reported to Campus Safety & Security. Students who are disruptive in the classroom, labs or other learning environments, including practicum properties, may be intermily suspended from the classroom, labs or other learning environments, including practicum properties, pending the outcome of the Conduct Review Process. Please see the Student Code of Conduct (p. 57), the Conduct Review Process (p. 59) and Sanctions (p. 61) for more information.

•Students agree that by taking courses at Johnson & Wales University, papers may be subject to submission for textual similarity review to Turnitin.com for the detection of plagiarism. All submitted papers will be included as source documents in the Turnitin.com reference database solely for the purpose of detecting plagiarism of such papers. Use of the Turnitin.com service is subject to the Usage policy posted on the website (<http://turnitin.com>).

Academic Standards

A student's academic standing is based on grade point average (GPA) in conjunction with total attempted credits (including transfer credits) and is evaluated after the completion of each term of enrollment. Academic standing standards differ by program of study. Please refer to the following academic standing standards charts. If students are not in good academic standing or have questions about the requirements for graduation, they should make an appointment with an academic counselor for assistance in assessing their situation.

Students who meet the following criteria are considered to be in good academic standing:

- Undergraduate students need a minimum GPA of 2.0.
- Graduate students need a minimum GPA of 3.0.
- Doctoral students need a minimum GPA of 3.25.
- 4+1 B.S./MBA/M.S. program students need a minimum GPA of 3.0 in graduate-level coursework.

According to the following academic standing standards, students who do not satisfy good academic standing requirements will be placed on probation, suspended (undergraduate students only) or dismissed.

Note: Doctoral students will be dismissed if their GPA is less than 3.25, or when they earn a grade of F, WF or W in any course. No classes may be repeated.

Academic Probation

Probation may affect a student's ability to register and/or graduate. Graduate program students and 4+1 B.S./MBA/M.S. program students are allowed one term only on probation.

Academic Suspension

Suspended students may not matriculate at the university for at least one term and are expected to work on academic deficiencies. To return to the university, these students must petition the Academic Appeals Committee, providing a letter of intent and documentation of academic improvement. The committee will consider appeals that document mitigating circumstances.

Academic Dismissal

Dismissed students may no longer matriculate at the university and are expected to work on academic deficiencies. To return to the university, students may petition the Academic Appeals Committee, providing a letter of intent and documentation of academic improvement. The committee will consider appeals that document mitigating circumstances.

Academic Warning

Students who are reinstated into the university will be placed on Academic Warning. These students risk permanent dismissal from the university if they are unable to meet academic standing guidelines. The warning designation is sometimes used to override academic standing decisions at the end of the term due to mitigating circumstances.

These undergraduate students will be allowed to register for a maximum of 13.5 credits in academic classes or 15 credits in laboratory classes. In addition, these students will be required to attend a mandatory student skills strategies seminar and tutoring in identified content areas. Failure to complete these requirements will result in immediate dismissal.

Attendance

(See the Add/Drop Policy (p.) below for more information.)

The purpose of the university's attendance policy is to help students develop a self-directed, professional attitude toward their studies and to maximize their educational opportunities. Regular class attendance provides fundamental educational value and offers the most effective means to gain command of the course concepts and materials.

Students are expected to attend all classes, arrive on time and remain for the entire class period, and report to class fully prepared with all required materials. To meet these expectations, students must arrange course schedules that minimize conflict with other commitments, including personal commitments, work or participation in athletics or other university-sanctioned events. When students encounter difficulty meeting these requirements, they must actively engage their faculty member to discuss the concern.

Individual faculty define the specific role that class attendance plays in the calculation of final grades for each course. Additionally, excessive absences in certain courses may result in withdrawal from the course at the instructor's discretion. Students should consult the course syllabus and course instructor for specific faculty policies on attendance and make-up work within a course.

For the purposes of financial aid and verification of enrollment, a student is considered enrolled in the term by the census date if they are in attendance by the second class meeting or, for online courses, by completing the first stated assignment or activity by the due date. If students do not meet these criteria, they will be withdrawn without academic penalty from the course (i.e., as never attended) and, when appropriate, issued a tuition adjustment in accordance with the Tuition and Fees Credit Policy (p. 31).

It is the student's responsibility to notify Student Academic & Financial Services of any courses that they wish to drop from their schedule, as well as any intent to leave the university. Discontinuing attendance or notifying an instructor does not constitute an official course or university withdrawal.

College of Culinary Arts (Laboratory Courses)

The culinary/baking and pastry arts laboratories are professionally focused, skill-oriented learning experiences. The daily exercises in each laboratory are unique and are not repeated. Each student must attend every class to maximize his or her educational opportunities. Excessive absence will result in withdrawal from the laboratory segment by the instructor. In the day program, one absence is permissible, regardless of lab delivery schedule. In the continuing education program, the student may miss one-half of one laboratory day in a 4-week segment. The period between 7 a.m. and 12:45 p.m. constitutes one half-day; the period between 12:45 p.m. and 6:30 p.m. constitutes one half-day. No other combination of hours is permitted. Any tardiness beyond 30 minutes for laboratory classes will be considered excessive and may result in punitive action taken by the course instructor.

For the purposes of financial aid and verification of enrollment, a student must be in attendance by the second meeting of each lab segment. Students who are not in attendance by the second meeting of each lab segment will not be withdrawn from the university if they are also enrolled in at least one academic course that meets for the full term. If a student is enrolled solely in laboratory segments and is not in attendance by the second meeting of each lab segment, or fails to meet attendance requirements, they will be officially withdrawn from the university. When appropriate, the student may be issued a tuition and/or financial aid adjustment in accordance with the Tuition and Fees Credit Policy. Additionally, students will receive full charges for the culinary/baking and pastry segments not attended unless a Leave of Absence (p. 31) is approved.

The university has a leave of absence policy intended for students with an extreme, short-term personal problem (i.e., death in the family, short-term illness, etc.) that would prevent the student from entering a scheduled culinary/baking and pastry laboratory course segment within a term and subsequently result in the student being withdrawn from the university.

Internships

Attendance policies for internships are quite strict and are intended to help students transition into the working world. Students are expected to adhere to the attendance policy and term dates as outlined in the Student Guide to Internship (<http://www.jwu.edu/uploadedFiles/Documents/Careers/JWUCareersStudentGuideInternships.pdf>) and student data sheet.

Online, Hybrid and Self-paced Courses

Students are expected to meet stated due dates and/or meeting requirements as provided by the faculty member at the beginning of each course. Students confirm enrollment by completing the first stated task (e.g., posting an introduction in the Discussion Board).

Add/Drop Policy

Add/Drop is defined as adding and dropping any number of courses but maintaining active registration in at least one other course in a term. Students may add or drop a course prior to its second class meeting; however, culinary/baking and pastry laboratory segments that are not dropped by Wednesday of the first week of the term will result in full charges unless a Leave of Absence is approved. For online and hybrid courses, students may add by the first Saturday or drop by the second Saturday of the term. An official add or drop must be completed via jwuLink (<https://link.jwu.edu>) or with Student Academic Services.

Whenever students participate in Add/Drop, their financial aid and account charges may be adjusted. Students are encouraged to visit or consult Student Academic & Financial Services to review the potential impact, especially if their enrollment status changes to or from part-time/full-time.

When students drop a course during this time, the course is removed entirely from the student's schedule (there is no record of the course on the academic transcript), and if the course becomes closed it may not be added back to their schedule. Most importantly, students are strongly advised to stay on track and maintain their graduation date, especially to avoid incurring unnecessary financial debt. Learn more about repaying loans (start dates, repayment options, avoiding default) and review debt management resources online (<http://www.jwu.edu/content.aspx?id=51237>).

Illness- and Injury-related Class Absences due to Participation in University Sanctioned Events

Students adversely affected by illness and injury due to participation in a university sanctioned event will be allowed to make up all necessary work without prejudice. However, students must notify their faculty of any such issue.

Participation in Athletics or Other University-Sponsored Events

Students participating in university sanctioned events, including but not limited to, athletics (games and related travel), student government, student clubs and organizations, etc., on occasion may have to miss class. Students must notify the faculty member in advance of the missed class. Any student who misses class for this reason should not be penalized and any work should be allowed to be made up in a timely fashion as discussed between the faculty and the student. Students in this situation are responsible for all material missed in class. Student-athletes are not allowed to miss class for practice.

Occasionally the dates and/or times of events may change and these changes are beyond the student's control. The student must notify faculty immediately should such a change occur.

Change of Program

Students may request a program change by completing a Change of Status form with Student Academic & Financial Services. Students requesting a change into the culinary nutrition bachelor's degree program must complete a separate application and be accepted into the program. The ability to enter a new program is not guaranteed and is subject to space availability and the student meeting eligibility criteria (as applicable).

Students can view the list of available programs in the current catalog (<http://catalog.jwu.edu/programsofstudy/denver>). It is recommended that students meet with an academic counselor if they are unsure of their choices.

It is recommended that students request to change their program (or declare their bachelor's degree program) or catalog as early as possible so that they may seek proper advice as well as facilitate new program registration. Program changes cannot be guaranteed and are subject to space and course availability. Any program change may delay graduation and impact satisfactory academic progress (<http://catalog.jwu.edu/financingyourdegree/academicprogress>). Students are encouraged to use the What If (http://linkweb.jwu.edu/Registration_and_Grades/Grad_Planning_System) feature in GPS to determine how their coursework applies to a new program or current catalog.

Approved changes will become effective for the subsequent term if requested after the add/drop period. Registering for courses in the new program is the student's responsibility; registration is subject to availability.

Note: Students who have met the degree requirements for their program of study but continue to enroll in courses in a subsequent term will automatically be enrolled as an extension student and will be ineligible for financial aid.

Please review the following information carefully regarding program changes:

- Students may request to follow the curriculum requirements as published in the current catalog for their program of study. Students may not combine program requirements from multiple catalogs.
- Students are responsible for the curriculum specified in the catalog in place at the time of program change. **Note:** Associate degree students declaring a bachelor's degree will follow the same catalog year in which their associate degree was declared.
- Courses that no longer apply to the student's new program will be calculated in the cumulative GPA as well as counted as credits attempted for the purposes of determining satisfactory academic progress.
- Prior college transcripts and/or previous transfer credits will be reviewed and may be adjusted based on the student's new program of study.
- Students enrolled in a degree program may not declare a certificate in that same discipline.
- Students may not request to transfer into a program that has been discontinued.
- Students enrolled in an extension program may declare a program of study, but must first be accepted through admissions.

At the discretion of the deans or department chairs, revised curricula may be implemented.

Students on academic probation are not eligible to change their program without the approval of an academic counselor in Student Academic & Financial Services.

Class Cancellations

Faculty Absence

Unless an announcement is made to the contrary, classes are considered dismissed if the instructor does not appear within 15 minutes of the beginning of the class period.

Inclement Weather

Any cancellation of classes due to inclement weather will be announced over radio and television stations. Cancellations will also be sent via JWU email and posted in the emergency alerts section of jwuLink (<https://link.jwu.edu>) and the Denver Campus website (<http://www.jwu.edu/alerts/denver>).

In addition, Campus Safety & Security utilizes this number for school closings: 303-256-9348. Call it for the most current storm and cancellation information.

Please refrain from calling other university numbers for information on cancellations or closings due to inclement weather.

Class Schedules

The course schedule (https://uconnect.jwu.edu/prod/bwckschd.p_disp_dyn_sched) is published before registration begins for each term. The course schedule will include course meeting days and times, seat capacity, course prerequisites and additional information for courses meeting the search criteria.

Occasionally, make-up classes are scheduled, due to holidays or other missed days, to meet minimum classroom hour requirements. It is possible that at times a course may not be rescheduled and the student will be responsible for all work as outlined in the syllabus.

Please note that students enrolled in courses at the university may be required to participate in online discussion forums, student-to-student collaborations and student presentations with other students as part of course requirements.

Summer Session

The university may offer an optional summer session (due to course sequencing, certain programs may require summer enrollment). Summer course offerings are limited and may not provide students with the

opportunity to complete program requirements or to accelerate the completion of program requirements. Specific course offerings cannot be guaranteed. Please note that accelerating the completion of program requirements may negatively impact future enrollment (i.e., part-time enrollment during a term in the next academic year). Students are strongly advised to review course projections (i.e., which term each course is offered) and to plan accordingly. Students who are interested in summer study abroad programs should contact Study Abroad (<http://catalog.jwu.edu/academicinformation/studyabroad>) for more information.

Normally, undergraduate students are allowed to register for up to 21.0 credits in a term; however, due to the offerings of two sessions and evening classes, during the summer students (as applicable) may register for a maximum of 27 credits. Students may not attempt more than a course load of four courses at the same time. In accordance with the Tuition and Fees (<http://catalog.jwu.edu/financingyourdegree/tuitionfees>) policy, however, students carrying more than 21 quarter credit hours will be charged for each quarter credit over 21. Students who intend to register more than 21.0 credits must meet with an academic counselor in Student Academic Services for approval.

Students registering for summer courses should contact Student Financial Services to discuss in detail the charges for summer tuition (including fees, room and meals) and to discuss eligibility to receive financial aid. Undergraduate day program students are assessed the traditional tuition rate. Students who register a half-time schedule (fewer than 12.0 credits) will be charged a percentage of their tuition charge. Continuing education and graduate program students are charged according to published tuition and fees.

To be eligible for any federal financial aid, undergraduate students must register for a minimum of 6.0 credits. Undergraduate students registered for a full-time schedule may be eligible for available merit scholarships (based on eligibility requirements) as well as the Johnson & Wales Grant. Students interested in using a portion of their future year financial aid (if eligible) must complete the FAFSA for the next academic year; eligibility for summer financial aid is based on the student's continuing enrollment for the next academic year. In compliance with federal guidelines, JWU students are able to apply aid for a maximum of three terms during an academic year; the summer term is an optional fourth term.

Curriculum Modifications

In an effort to improve and modify curricula, university administration may modify course requirements and programs of study. These changes in curricula are not always reflected in the current university catalog.

At the discretion of the deans or department chairs, the university will implement the revised curricula when deemed appropriate and notify students of the change via their JWU email account. A student's degree audit will reflect these changes. Students should contact their dean and/or department chairperson with any questions about curriculum modifications.

Teachout Policy

In the event of program discontinuation, the university will make every effort to teach out currently enrolled students and to discontinue admission of students to the program once the decision is made to terminate the program. The university will ensure that those students already enrolled in the program are able to complete the program in a timely fashion, with minimal disruption, and with faculty who have the appropriate credentials and experience. Students will be notified of potential program discontinuation considerations and the time frame for phasing out programs, so that students and the university can seek acceptable solutions for the protection of enrolled students.

Before terminating a degree program, every reasonable effort will be made to allow students to complete their degrees. Transfers to comparable programs at external institutions will be considered and facilitated, if mutually acceptable to the student and the receiving institution. Students will be provided advising assistance with respect to their academic program options.

Enrollment Verification

For the purposes of financial aid and verification of enrollment, a student is considered enrolled in the term by the census date if they are in attendance by the second class meeting or, for online courses, by meeting the first stated task deadline (e.g., posting an introduction in the Discussion Board).

Students may print their own enrollment certificates conveniently and easily via jwuLink (<https://link.jwu.edu>). These certificates can be viewed or printed by the student and then sent to student service providers. Students can also view deferments sent to lenders.

The official provider of enrollment certification for the university is the National Student Clearinghouse. Enrollment data is reported to the clearinghouse every 30 days. If a student has registered late, this information may not be reported until the submission of the next file.

The enrollment certificate will provide details on whether a student is enrolled full time, half time or less than half time for the current term or for all of the terms they have been enrolled at the university. Certifications can be used for insurance companies, scholarships, good student discounts, prospective employment and all other services that require proof of being enrolled at the university. Each certification that the National Student Clearinghouse supplies is an official university document.

The following are the criteria for classification of enrollment by level of program and credit hours of registration:

Status	Undergraduate	Graduate	Post Graduate
Full-time	12 or more	9 or more	12 or more
Three-quarter time	9-11.99	n/a	n/a

National Student Clearinghouse

Johnson & Wales University has authorized the National Student Clearinghouse to provide degree and enrollment verification. Potential employers or services providers are directed to verify a student's status through degree verification. Refer to The National Student Clearinghouse (http://www.studentclearinghouse.org/contact_us.php) for contact information.

The university began submitting data to the National Student Clearinghouse in September 1999.

Final Exam Schedule

All final exams are administered during the exam period. No student will be excused from a final exam in any course for any reason except for illness, participation in athletics, or other university sanctioned event. In this case, students must contact the faculty member regarding the absence.

Grade Appeals

Final grades are generally not appealable. In the case of clerical or mathematical error in the calculation or recording of a grade, students have one calendar year from the term end date within which they may appeal an official grade. This appeal must be addressed to the faculty member in writing. Any change to a student's final grade is only viewable by accessing the student's academic transcript or degree audit.

Grade Point Average

A term GPA and a cumulative GPA are calculated for each term.

Formula

The formula for calculating the GPA is as follows:

1. $GPA = \frac{\text{Total Quality Points}}{\text{Total GPA Hours}}$
2. $GPA\ Hours = \text{Course's Grade Quality Point Value} \times \text{Course's Credit Hours}$
(Note: GPA calculation does not use all grades.)

See Grading System (p. 38) for a list of Grade Quality Point Values.

Repeated Courses

If a student chooses to repeat a course (when a grade other than W has been assigned) only the highest grade earned will be calculated into the student's overall GPA, as well as credits attempted for the purposes of determining satisfactory academic progress. However, students are eligible for financial aid for only one repetition of a previously passed course. Both grades will appear on the academic transcript. Earlier attempts will be noted on the transcript as excluded from the cumulative GPA as well as credits attempted for the purposes of determining satisfactory academic progress. Additionally, the repeated course will not count towards meeting an additional degree

requirement. When a student has repeated a course previously applied to an awarded degree, both grades will be included in the cumulative GPA.

Grade Reports

A student must be officially registered in a course for a grade to be issued. The university does not mail grade reports. All grades are available online via jwuLink (<https://link.jwu.edu>). All students have the convenience and security to access their grades online and print them at their discretion. Once grades are available (generally by the Thursday after final exam week), students are sent a notification to their JWU email account. Grades are considered official and final only when listed on the academic transcript.

Grading System

Unit of Credit

The university measures undergraduate and graduate academic progress using the quarter credit hour system with the exception of the doctoral and physician assistant studies program, which operate under a semester credit hour system. Courses are offered in three formats and may combine two or more of those formats, which are lecture, laboratory and experiential.

Generally, one quarter credit represents 10 hours of instruction, which includes class lecture and additional activities; one quarter credit hour equals two laboratory hours or three experiential hours. Furthermore, all courses require additional hours of study and preparation outside of the classroom or learning environment.

Please select the appropriate tab to review the respective grading system.

No Grade	NG	
Prior Learning Assessment	PL	
Proficiency	P	
Satisfactory	S	
Unsatisfactory	U	

Grade reports are viewable in jwuLink (<http://link.jwu.edu>).

Honors Option (H)

If a course was taken as an Honors Program requirement, the grade received will be followed by H (e.g., AH, BH).

Failure (F)#

Issued if a student fails to achieve adequate scholastic progress. The grade is recorded permanently on the student's academic record. Upon successful completion of the course at a later date, the term and cumulative grade point averages are adjusted to reflect only the passing grade. However, both grades will appear on the academic transcript.

Withdrawal/Pass (WP), Withdrawal/Fail (WF)#

To record attempted credits, a grade of WP or WF is recorded when a student withdraws from a culinary/baking & pastry laboratory course or a course with an experiential education component, or is withdrawn due to excessive absences from a registered course after its add/drop period has ended. To qualify for a WP, the student must have an estimated grade of 60 or higher at the time of withdrawal. This grade is not entered into the term and cumulative grade point averages. If the estimated grade is below 60, the student will be issued a WF, which is entered into the term and cumulative grade point averages as a failing grade until successful completion of the course at a later date.

Audit (AU)#

An Audit occurs when no academic credit is granted. This grade is not calculated into the term and cumulative grade point averages.

Challenge Exam (CX)

Granted for specifically designated courses upon successful completion of department challenge exams. This grade is not calculated into the term and cumulative grade point averages.

Grade Pending (GP)#

A temporary mark given when the completion of course requirements is still underway. A Grade Pending is not calculated into the term and cumulative grade point averages and is generally used under extreme, extenuating circumstances. If a grade is not submitted to replace the GP within one year, it will automatically become an F.

Incomplete (I)#

Issued to students if they are unable to complete course requirements because of authorized absences due to service commitment or illness. Outstanding work must be completed within two weeks of the final exam class day or the grade will automatically become an F and will be included in the term and cumulative grade point averages. For classes graded S/U (Satisfactory/Unsatisfactory), an Incomplete (I) will change to a U.

No Credit (NC)#

A non-punitive designation issued to a student who has been authorized to withdraw from class, or the university, due to extenuating circumstances. This grade is not calculated into the term and cumulative grade point averages.

No Grade (NG)#

Issued temporarily when there is no grade provided by the faculty member. This grade is not factored into the student's GPA. Once a grade is submitted, the cumulative average and transcript will reflect only the new grade. If a grade is not submitted to replace the NG within one year, it will automatically become an F and the grade will be included in the term and cumulative grade point averages.

Prior Learning (PL)

Students may earn credit for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel, professional training and seminars or other comparable sources. This grade is not calculated into the term and cumulative grade point averages.

Proficiency (P)

Granted for achievement of multiple levels of skills in progression where the self-paced approach is in effect. This grade is not calculated into the cumulative grade point average.

Satisfactory/Unsatisfactory (S/U)

Used for designated courses throughout the university. These grades are not calculated into the term and cumulative grade point averages.

These grades will be counted as attempted but not earned credits for the purposes of determining satisfactory academic progress.

Grade reports are viewable in jwuLink (<http://link.jwu.edu>).

PLEASE NOTE:

Any courses taken at the undergraduate level to satisfy foundation requirements follow the undergraduate grading system and will not be counted in the graduate-level grade point average (GPA). MBA foundation courses with grades below a C will need to be repeated.

Failure (F)#

Issued if a student fails to achieve adequate scholastic progress. The grade is recorded permanently on the student's academic record. Upon successful completion of the course at a later date, the term and cumulative grade point averages are adjusted to reflect only the passing grade. However, both grades will appear on the academic transcript.

Withdrawal/Pass (WP), Withdrawal/Fail (WF)#

In order to record attempted credits, a grade of WP or WF is recorded when a student withdraws from a culinary/baking & pastry laboratory course or a course with an experiential education component, or is withdrawn due to excessive absences from a registered course after its add/drop period has ended. To qualify for a WP, the student must have an estimated grade of 70 or higher at the time of withdrawal. This grade is not entered into the term and cumulative grade point averages. If the estimated grade is below 70, the student will be issued a WF, which is entered into the term and cumulative grade point averages as a failing grade until successful completion of the course at a later date.

Audit (AU)#

An Audit occurs when no academic credit is granted. This grade is not calculated into the term and cumulative grade point averages.

Grade Pending (GP)#

A temporary mark given when the completion of course requirements is still underway. A Grade Pending is not calculated into the term and cumulative grade point averages and is generally used under extreme, extenuating circumstances. If a grade is not submitted to replace the GP within one year, it will automatically become an F.

Incomplete (I)#

Issued to students if they are unable to complete course requirements because of authorized absences due to service commitment or illness. Outstanding work must be completed within two weeks of the final exam class day or the grade will automatically become an F and the grade will be included in the term and cumulative grade point averages. For classes graded S/U (Satisfactory/Unsatisfactory), an Incomplete (I) will change to a U.

No Credit (NC)#

A non-punitive designation issued to a student who has been authorized to withdraw from class, or the university, due to extenuating circumstances. This grade is not calculated into the term and cumulative grade point averages.

No Grade (NG)#

Issued temporarily when there is no grade provided by the faculty member. This grade is not factored into the student's GPA. Once a grade is submitted, the cumulative average and transcript will reflect only the new grade. If a grade is not submitted to replace the NG within one year, it will automatically become an F and the grade will be included in the term and cumulative grade point average.

Satisfactory/Unsatisfactory (S/U)

Used for designated courses throughout the university. These grades are not calculated into the term and cumulative grade point averages.

These grades will be counted as attempted but not earned credits for the purposes of determining satisfactory academic progress.

Graduate Studies Prerequisites

Graduate Prerequisite and Foundation Courses

Prerequisite courses are undergraduate classes required for students who need to prepare for graduate study. Course descriptions for undergraduate prerequisite courses are listed in the university catalog (<http://catalog.jwu.edu>).

Foundation courses are graduate-level courses that may be required of some students whose previous academic background does not reflect the course content described. Foundation courses with grades below a C will need to be repeated. The academic standards (p. 34) for students in foundation courses are the same as stated for students in the MBA program.

Students should refer to Testing for Credit (http://linkweb.jwu.edu/Registration_and_Grades/Testing_for_Credit) regarding policies and procedures for satisfying prerequisite and foundation requirements through testing options. These options may not be exercised after the first term of enrollment in a graduate program. Contact Graduate Admissions (pvdgrad@admissions.jwu.edu) or Online Admissions (online@admissions.jwu.edu), if you are an online student, for more information on prerequisite and foundation courses.

Graduation Requirements

Please see the appropriate section for detailed information regarding graduation requirements.

Rules to Determine Catalog Year for Graduation

- The catalog in effect for the term a student is admitted to the university for their program of study is assigned as the student's "catalog year." Students will follow the program requirements specified in their catalog year to progress toward graduation.
- Students who are continuously enrolled will maintain their catalog year. Students with a break in enrollment exceeding one or more years will follow the catalog in effect at the time of re-admittance.
- When the university discontinues a program, students who are currently enrolled in the program will be allowed a specified amount of time to complete the requirements as long as continuous enrollment is maintained. Additional students may not declare a program that has been discontinued.

Graduation Application

Each student is required to submit an online graduation application in jwuLink (<https://link.jwu.edu/cp/home/displaylogin>) for each expected degree (i.e., associate, bachelor's, master's, doctoral) at least two terms prior to completion. This application ensures that (1) the student is reviewed at the end of the correct term, (2) the student's name is printed correctly on his/her diploma and (3) the student receives his/her diploma at the correct address. Please note the following:

- Failure to submit an application may result in delayed graduation.
- Before submitting an application (submission does not imply completion or attendance at commencement), students should refer to their degree audit (http://linkweb.jwu.edu/Registration_and_Grades/Grad_Planning_System/Audit) to review program requirements and confirm their expected degree completion term.
- Students completing a certificate program must complete a graduation application, but are reminded that, as non-degree recipients, they are not eligible to participate in commencement.

- In the event that degree requirements were not met, students are required to submit a new graduation application for the term in which they expect to complete the outstanding requirements; failure to submit a new application may result in delayed graduation.
- When a graduation application has not been submitted, the student's name will be printed on the diploma as listed in university records and the permanent home address on file will be used for diploma mailing.

Diplomas

Generally, diplomas are issued six to eight business weeks after degree completion. Only one diploma is issued per degree.

Students may purchase an e-diploma which is an official electronic copy of an issued diploma. This is available through our diploma vendor Michael Sutter who will email students an e-diploma link after their diploma has been issued. Students may also contact Michael Sutter via phone at 435-654-2300 or website (<http://www.michaelsutter.com/jwu>) to order an e-diploma. The cost of an e-diploma is \$5 (paid directly to Michael Sutter). The e-diploma will be accessible to the student for life. Please note: students with a graduation year prior 2007 must first submit a Diploma Reissue Request form (http://www.jwu.edu/uploadedFiles/Documents/Forms/Academic_Services/DiplomaReissueRequest.pdf) to Student Academic Services and may then obtain an e-diploma of the reissued diploma.

Diplomas may be reissued when lost, stolen or the graduate has an authorized name change. Completion of a Diploma Reissue Request form is required; duplicate diplomas include a reissue date. Replacement diplomas are ordered weekly and are generally delivered within 5-10 business days for domestic addresses. International addresses may take up to six weeks. Rush delivery is available through our diploma vendor. There is an additional charge for rush delivery. There is an immediate \$25 charge in addition to the cost of shipping and handling in accordance with UPS Worldwide Express. Students must contact Student Academic & Financial Services to speak with the diploma ordering representative for pricing information.

Diplomas will be issued provided all financial and library obligations with the university have been met and there are no other holds or outstanding issues on the student's record (e.g., outstanding library fee, unreturned athletic gear). Review holds frequently in jwuLink (<https://link.jwu.edu/cp/home/displaylogin>).

Students may check the status of their diploma order online (<http://www.michaelsutter.com/jwu>). Students should log in using their last name and student ID.

Notarization of Official University Documents (Apostille)

An apostille may be required for a diploma, a transcript, or other university documents being sent to an entity in another country. The entity may refer to the required document as needing to be "certified," "notarized" or "authenticated." For students planning to study, teach or work abroad, the country may require this extra step for certifying educational documents.

The process for requesting an apostille begins with the completion and submission of an Apostille Request (http://www.jwu.edu/uploadedFiles/Documents/Student_Life/forms/JWUApostilleRequest.pdf) form (with accompanying payment and documentation) to Student Academic & Financial Services. Once Student Academic & Financial Services receives the request with the appropriate payment and documentation, we will complete the process on behalf of the student and return the documents as directed on the Apostille Request form. The apostille is issued by the Rhode Island Secretary of State, not the university.

Additional Graduation Obligations

In addition to submitting a graduation application, students must complete Exit Counseling online and attend an exit counseling session with Student Academic & Financial Services during the last term of enrollment. Completion of these steps does not imply degree completion or attendance at graduation ceremonies; refer to the commencement (<http://www.jwu.edu/commencement>) website for information on the ceremonies.

Undergraduate

Graduation is not recorded until after the term has ended, grades have been received, and the degree audit of each expected graduate has been reviewed. Confirmation of graduation will occur approximately 30 days after final term grades have been submitted.

Upon verification, the degree or certificate is awarded and noted in the student information system so that it displays on official JWU transcripts. Diplomas are printed and mailed after the degree or certificate verification process is complete.

A.S. and B.S. (Undergraduate) Degree Candidates

Graduation requires successful completion of a prescribed sequence of study and a minimum 2.00 grade point average. Students with a cumulative GPA below 2.00 will be in noncompliance with the criteria for good academic standing and may be subject to academic dismissal. Furthermore, as required by their program, all students must successfully complete any and all requirements as indicated on their degree audit.

All associate-level degrees require the completion of a minimum of ninety (90) quarter credits. All bachelor's-level degrees require the completion of a minimum of 180 quarter credits. While most major programs have variations that require slightly more quarter credits for completion, no program requires fewer than the 90/180 quarter credit minimum.

Students who graduate with a bachelor of science degree must leave Johnson & Wales University with effective writing skills. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication. If competency is not achieved at this point, students must successfully complete ENG0001 Writing Workshop and achieve competency. This, in effect, is a graduation writing requirement for all students pursuing a bachelor of science degree from JWU.

Undergraduate Latin Honors

The following undergraduate Latin honors are issued upon graduation, based on students' graduating grade point averages:

- cum laude, 3.40–3.60
- magna cum laude, 3.61–3.80
- summa cum laude, 3.81–4.00

When determining Latin honors status for publication purposes (e.g., commencement program, newspaper releases, etc.), the student's cumulative GPA **at the end of the winter term** of the current year is used for students completing their remaining course requirements during or following the spring term. A student's final GPA will be used to record graduating honors, as applicable on the student's diploma and academic transcript.

Note: Students who have met the degree requirements for their program of study but continue to enroll in courses in a subsequent term will automatically be enrolled as an extension student in the subsequent term and will be ineligible for financial aid.

Graduate

Graduation is not recorded until after the term has ended, grades have been received and the degree audit of each expected graduate has been reviewed. Confirmation of graduation will occur approximately 30 days after final term grades have been submitted.

Upon verification, the degree or certificate is awarded and noted in the student information system so that it displays on official JWU transcripts. Diplomas are printed and mailed after the degree or certificate verification process is complete.

Master's Degree Candidates

Graduation requires successful completion of a prescribed sequence of study and a minimum grade point average of 3.00. Students with a cumulative GPA below 3.00 will be not be in compliance with the criteria for good academic standing and may be subject to academic dismissal.

Hand Washing and Food Handling

Proper personal hygiene is essential to the prevention of foodborne illness; therefore, the university has adopted the following policy on the handling of food and hand washing. Every student and employee is required to adhere strictly to this policy.

Preventing Contamination from Hands

Food employees and students may not touch ready-to-eat food with their bare hands. They must use utensils such as deli tissue, spatulas, tongs or single-use gloves.

Single-Use Gloves

Single-use gloves shall be used for only one task (such as working with ready-to-eat food), used for no other purpose, and discarded when damaged or soiled, or when interruptions occur in the operation. Hands must be washed prior to wearing gloves. Thorough hand washing is important in keeping gloves or other utensils from becoming vehicles for transferring microbes to food.

Ready-to-Eat Food

Food that is in a form that is edible without washing, cooking or additional preparation by the food establishment or the consumer and that is reasonably expected to be consumed in that form includes, but is not limited to the following:

1. Unpackaged, potentially hazardous food that is cooked to the proper temperature and for the time required for the specific food;
2. Raw, washed, cut fruits and vegetables;
3. Whole, raw fruits and vegetables that are presented for consumption without the need for further washing, such as at a buffet; and
4. Other food presented for consumption which has previously been washed and handled appropriately, and where no further washing or cooking is required. This includes foods from which rinds, peels, husks or shells have been removed in a properly controlled manner.

Special Hand Washing Procedures

Food employees and students must wash their hands and exposed portions of their arms with a cleaning compound in a lavatory for at least 20 seconds and thoroughly rinse with clean water.

When To Wash

Before donning gloves for working with food, all food employees and students shall clean their hands and exposed portions of their arms as indicated above at the following times:

1. After touching bare human body parts other than clean hands and clean, exposed portions of arms;
2. After using the restroom;
3. After coughing, sneezing, using a handkerchief or disposable tissue, using tobacco, or eating or drinking;
4. After handling soiled equipment or utensils;
5. Immediately before engaging in food preparation, including working with exposed food, clean equipment and utensils, and unwrapped single-service and single-use articles;
6. During food preparation, as often as necessary to remove soil and contamination and to prevent cross-contamination when changing tasks;
7. When switching between working with raw foods and working with ready-to-eat foods; and
8. After engaging in other activities that contaminate the hands.

Fingernails

All food handlers (employees and students) shall keep their fingernails trimmed, filed and maintained so the edges and surfaces are smooth and cleanable. Food employees are not allowed to have nail polish or false fingernails on their fingernails while working.

Food Handlers Reporting Policy

To help reduce the risk of foodborne disease transmission, all students who prepare or handle food in the course of their studies or student employment must sign and abide by a food handlers reporting agreement. This agreement requires you to notify the person in charge of your food service site and university Health Services when you experience certain symptoms or have been diagnosed with or exposed to certain illnesses. The purpose of this reporting requirement is so that the university can take appropriate steps to reduce the risk of foodborne disease transmission. Failure to comply with the terms of the reporting agreement may not only jeopardize the health of people who consume food handled by you, but could also lead to legal action and/or other action by the university and/or the state Department of Health or termination of your student or employment status. The reporting agreement requires students to immediately report to the person in charge of their food service site and to university Health Services for any of the following:

Symptoms

If you have any of the following symptoms:

- Vomiting
- Diarrhea
- Jaundice
- Sore throat with fever

Lesions

If you have a lesion containing pus (such as a boil or infected wound) which is open or draining and is on

- your hand or wrist (unless an impermeable cover such as a finger cot or stall protects the lesion and a single-use glove is worn over the impermeable cover),
- exposed portions of your arms (unless the lesion is protected by an impermeable cover), or
- other body parts (unless the lesion is covered by a dry, durable, tight-fitting bandage).

Typhoid Fever

If a health practitioner has diagnosed you with typhoid fever within the past three months and you did not receive antibiotic therapy.

Foodborne Diseases

If you have been

- diagnosed by a health practitioner with an illness due to one of the following diseases, or
- identified as the suspected source of an outbreak of one of the following diseases, or
- “exposed” (see below) to one of the following diseases in the last 60 days:
 - Norovirus,
 - Hepatitis A virus infection,
 - Shigellosis (*Shigella* spp.),
 - Typhoid fever (*Salmonella* Typhi),
 - EHEC/STEC (Enterohemorrhagic or Shiga Toxin-Producing *E. coli* [*Escherichia coli*]),
 - *E. coli* (*Escherichia coli* O157:H7),
 - *Entamoeba histolytica*,
 - *Campylobacter* spp.,
 - *Vibrio cholera* spp.,
 - *Cryptosporidium parvum*,
 - *Giardia lamblia*,
 - Hemolytic Uremic Syndrome,
 - *Salmonella* spp. (non-typhi),
 - *Yersinia enterocolitica*,
 - *Cyclospora cayetanensis*, or
 - Any other disease transmissible through food, including
 - Amebiasis
 - Diphtheria
 - Norwalk virus, Norwalk-like virus or any other calicivirus, or
 - Shiga toxin-producing organisms

“Exposed” means

1. you have consumed food prepared by a person who is ill or infected with the disease, or
2. you have consumed or prepared food implicated in a confirmed disease outbreak, or
3. someone you live with has been diagnosed with an illness caused by the disease, or
4. you or anyone you live with has attended or worked in a setting where there is a confirmed disease outbreak.

Hat Policy

In the College of Culinary Arts, while in full chef’s or dining room uniform, no hat or head covering other than a university-approved hairnet and chef’s hat is to be worn inside any laboratory building. These accessories, including baseball caps, nylons, scarves or ‘do-rags,’ are not part of the culinary uniform

and, therefore, should not be worn. Leisure hats are not permitted in any laboratory at Johnson & Wales.

Honor Code

As honor is the foundation of the pursuit of knowledge, a Johnson & Wales student will commit to acting with honor in all aspects of campus life. This commitment to honor is demonstrated through intellectual curiosity, community awareness and strong citizenship, and leads to excellence. This promise includes acting with integrity with original academic work; fostering an environment rich with civil debate and discourse; celebrating the rich, diverse student body; upholding ethical and professional standards; engaging in all aspects of the university community; and behaving in a responsible and respectful manner in and out of the classroom. A Johnson & Wales student recognizes that he or she is bound to this community and promises to assist others in upholding these same high standards. It is with pride that a student commits to this code.

Name Tags

A name tag is part of the culinary uniform and is issued during the first orientation session along with knife kits and textbooks. If your name tag is lost, you will be required to pay \$5 for a replacement at RICOH printing in the Academic Center.

Continuing education students will be issued name tags, knife kits and textbooks on day one of their session. Again, if a name tag is lost, you will be required to pay \$5 for a replacement at RICOH printing in the Academic Center.

Occupancy In Class

Occupancy in class is limited to faculty, officially registered students, aides authorized by the Center for Academic Support, and invited guests approved by the vice president of academic affairs or the dean of the respective school, college or campus. No grade will be issued to any student unauthorized in any course.

Outcomes Assessment

University Outcomes

Professional Competence

Graduates will demonstrate the knowledge and skills required to succeed in their chosen profession.

Foundation for Lifelong Learning

Graduates will demonstrate the knowledge and skills necessary for lifelong learning, including competence in communication, critical and creative thinking, quantitative and scientific reasoning, and the ability to evaluate, integrate and apply knowledge from multiple perspectives when making decisions and solving problems.

Global and Community Citizenship

Graduates will demonstrate the necessary skills, including an awareness of ethical responsibility and cultural/global diversity, to live and work collaboratively as contributing members of society.

JWU is committed to outcomes assessment. Faculty and students are therefore part of an ongoing effort to determine and refine the effectiveness of instruction and learning. Names of individual students will not be used when reporting results.

Readmittance Policy

Students may enroll and leave during any term of an academic year. Students who are considering a withdrawal or break in enrollment should review the university’s policies regarding Withdrawal from the University (p. 29).

If returning for the winter, spring or summer term, a readmittance request is not required if the student was enrolled for a term in that academic year. If returning for the fall term, a request is not required if the student attended in the preceding spring or summer term. Otherwise, the student must complete a readmittance request before they can participate in course registration.

Students approved for readmittance will be assessed the current tuition rate and are responsible for any changes to their program of study that may have occurred during their period of absence.

If the break in enrollment exceeds one year or more, the student's program of study may follow the requirements as listed in the current year catalog. A review of previously awarded transfer credit will also be conducted and may be adjusted.

Readmittance requests are not guaranteed, are subject to availability of space and must satisfy additional readmittance criteria (p. 43).

Readmission of Service Members

The university complies with Readmission Requirements for Service Members as outlined in the Higher Education Opportunity Act (HEOA). The HEOA provides that an institution may not deny readmission to a service member of the uniformed services for reasons relating to that service. In addition, a student who is readmitted under this section must be readmitted with the same academic status as the student had when they last attended the institution. Academic status is defined by a student's grade level and whether or not the student was in a degree/certificate or non-degree/certificate program at the time of separation.

This policy applies to service in the uniformed services, whether voluntary or involuntary, on active duty in the Armed Forces, including service as a member of the National Guard or Reserve, for a period of more than 30 days under a call or order to active duty of more than 30 days. The university will readmit such a student as long as the following conditions are met:

- The student gives advance notice (written or verbal) of the call to active duty or, upon seeking readmission, submits a written verification that such service was performed, requiring their absence.
- The absence from school for active duty does not exceed five years.
- The student submits a notification of intent to re-enroll within three years after the completion of service or within two years after recovery from an illness or injury incurred during the service.
- The separation from service was not dishonorable.

Tuition and Fees

A returning student must be charged the same tuition and fees in effect during the last academic year the student attended, unless veterans' education benefits or other service member education benefits will pay the amount in excess. For subsequent academic years, the returning student may not be charged tuition and fees in excess of what other students in the program are charged.

Readmission Requirements

A returning student will be permitted to re-enroll in the next class(es) scheduled in the same academic program, unless the student requests a later date of re-enrollment or agrees to a different program. A returning student will be readmitted into the same academic program the student was enrolled in prior to the military service obligation. If the exact program no longer exists, the student must be admitted to the program that is most similar, unless the student requests or agrees to admission to a different program. Returning students will be re-enrolled with the same enrollment status, number of completed credit hours and academic standing as the last academic year of attendance.

If the university determines that a returning student is not prepared to resume the program or is unable to complete the program, the university must make reasonable efforts to enable the student to resume or complete the program at no additional cost to the student. If such efforts are unsuccessful or place an undue hardship on the university, the university is not required to readmit the student.

In accordance with federal regulations, returning students who receive a dishonorable or bad conduct discharge from the Armed Forces (including the National Guard and Reserves) are not eligible for readmission under this policy. However, service members who receive dishonorable or bad conduct discharge may remain eligible for readmission even though they will not be entitled to the benefits outlined in this policy.

The returning student may be required to provide supporting documentation.

Additional Readmittance Criteria

- Any readmittance to the university is subject to the university's current admissions requirements.
- Students will not be readmitted into a program that has been discontinued.

- Students seeking readmittance after academic suspension must include documentation in their request that indicates improvement in areas of deficiency. A decision will be determined by the Academic Appeals Committee.
- Readmittance after suspension must be done so in accordance with the process outlined by Student Conduct.
- Students seeking readmittance after a voluntary medical withdrawal must forward required medical documentation and any other documentation to Health Services or Counseling Services. The documentation must be evaluated and approved as described in Voluntary Medical Withdrawal (p. 30) to determine whether the student is ready to return to the university.
- Students requesting readmittance after attending another institution must meet residency requirements (p. 49). Students must submit an official college transcript to Student Academic & Financial Services within the first term of their readmittance for the university to review transfer credit.
- International students must be cleared and approved by International Student Services.
- Students must have submitted verification of high school completion and/or bachelor's degree completion (as applicable) in order to be approved for readmittance.

To submit a request for readmittance, students must complete an On-Campus Program Readmittance Request (<https://www.jwu.edu/forms.aspx?id=55197&ekfrm=55197>) or Online Program Readmittance Request (<https://www.jwu.edu/forms.aspx?id=55198&ekfrm=55198>) form. The readmittance request should be submitted at least six weeks prior to the requested term start date.

Following a completed review, the student will receive notification regarding the status of the request. Please allow up to 10 business days for processing. If approved, the student will receive instructions regarding course registration, as well as the presence of any holds, which must be cleared prior to being permitted to participate in course registration.

Awards and Honors

Undergraduate

Johnson & Wales University recognizes high-level scholastic achievement in a variety of ways.

Latin Honors

Eligible degree candidates receive cum laude, magna cum laude and summa cum laude recognition according to their academic program average. Students with the designated graduating GPA are eligible to receive honors as follows: cum laude, 3.40–3.60; magna cum laude, 3.61–3.80; and summa cum laude, 3.81–4.00.

Dean's List

In recognition of scholastic achievement, full-time students (carrying a minimum of 12 quarter credit hours) at Johnson & Wales University who have achieved a term GPA of 3.40 or above receive Dean's List commendation. Upon processing of approved grade changes, student records will be re-evaluated for Dean's List eligibility.

Awards

Johnson & Wales University recognizes superior academic achievement and outstanding contributions in extracurricular activities by granting awards at a private ceremony held prior to commencement. These awards, which include the Trustee Award, Academic Performance Award and Dean's Award, are based on decisions made by an Awards Committee consisting of faculty and administration members from each college and/or school. A complete listing of awards is available in the university catalog (<http://catalog.jwu.edu>).

Class

Student Class Level

The following criteria determine a student's class level based on credit hours earned.

Undergraduate

Freshman	0 to 40.49 credits
Sophomore	40.5 to 89.99 credits
Junior	90 to 130.49 credits
Senior	130.5 credits and higher

Graduate

Graduate Level 1	0 to 26.99 credits
Graduate Level 2	27 to 999.99 credits

Commencement

Commencement is the formal ceremony that is held to recognize and honor candidates for graduation. Commencement is the most significant academic event for students and the entire university community, as it is the culmination of years of hard work and personal and financial investment for students and families alike. These ceremonies celebrate the traditional observances that accompany one of the highest rewards of academic achievement.

Visit the commencement website (<http://www.jwu.edu/commencement>) for information on commencement ceremonies.

The Difference Between Graduation and Commencement

Commencement is not the same as graduation.

Graduation refers to actually receiving a degree or certificate of completion once Johnson & Wales University has verified a student has met all degree or certificate requirements. Upon verification, the degree or certificate is awarded and noted in the student information system so that it displays on the student's official transcript. Diplomas are printed and mailed after the degree or certificate verification process is complete, approximately six to eight business weeks after the end of the term (see Graduation Requirements (<http://catalog.jwu.edu/handbook/academicpolicies/graduationrequirements>)).

Commencement is a ceremony. It is an opportunity for students, families, friends and the JWU community to celebrate their academic accomplishments. Participation in commencement does not mean that students have graduated, and they will not receive their diploma on that day. Students must satisfy all graduation requirements before officially graduating and receiving a diploma.

Commencement Ceremony Eligibility

For participation in the May 2016 Commencement Ceremony and inclusion in the commencement program, degree-seeking students must fall into one of the following categories:

- The student is awarded a degree in the fall 2015 term or winter 2015-16 term.
- The student is enrolled in the spring 2016 term and, as of March 18, has an expected degree completion term of spring 2016, summer 2016 or fall 2016.

Names of eligible doctoral candidates are submitted by the director of doctoral studies (Providence only).

Participation

To participate in the May commencement ceremony, students must

- submit an online graduation application via jwuLink (<https://link.jwu.edu>) for the term in which they expect to complete their requirements
- complete exit counseling online and attend an exit counseling session
- obtain their cap and gown. After the student loan exit counseling session, students will receive a cap and gown form. Pickups can be made at the campus bookstore(s) during normal business hours.

Note: Students who have borrowed student loans and have not completed student loan exit counseling will not receive a cap and gown. Students will not be allowed to participate in the ceremony without a cap and gown.

The Commencement Program

The commencement program listing contains the names of students meeting eligibility criteria. When determining honors status for publication purposes, the student's cumulative GPA at the end of the winter term of the current year is used for students completing their remaining course requirements in or following the spring term. A student's final GPA will be used to record graduating honors, as applicable on the student's diploma and academic transcript.

Note: Names that are printed in the commencement program should not be used as an indicator of degree completion. Students must satisfy all graduation requirements before officially graduating and receiving a diploma. Students should review their degree audit to ensure they have met all graduation requirements.

Students Enrolled in Online Programs

Students will be invited to participate in commencement ceremonies at the Providence Campus. However, students can also choose to attend commencement at an alternate campus. Students are encouraged to refer to the commencement website (<http://www.jwu.edu/commencement>) for information on commencement ceremonies. Graduate students are invited to the Graduate Studies commencement ceremony at the Providence Campus or the Denver Campus.

Concentrations

Undergraduate concentrations are only available to students entering the university prior to summer 2014. Students may only select a concentration if it is required to meet a degree requirement. Not all concentrations are available for all programs, and students are responsible for meeting all course prerequisite requirements. Concentrations are not guaranteed and are subject to availability of space. A listing of current concentrations can be obtained in Student Academic & Financial Services.

When selecting a concentration to meet a specific degree requirement, students may not apply a course in their program toward a concentration requirement. Additionally, the same course cannot be applied to different College of Management concentrations.

Students should consult with their faculty advisor to determine which concentration(s) will best further their career goals. Students then need

to formally declare their concentration(s) by submitting a Concentration Request form to Student Academic & Financial Services.

The successful completion of a maximum of three concentrations will be recorded on the student's academic transcript. A concentration will not be applied to a student's academic transcript after their degree has been awarded. Upon completion of a concentration, no form of honors or GPA is issued for the concentration.

Note: Transfer students may apply two transfer courses toward a declared concentration, except for the School of Hospitality which permits one course.

Course Cancellation Policy

Student Academic & Financial Services reserves the right to limit, cancel or change classes in the term offerings at any time. Student Academic & Financial Services will contact students affected by cancellations via their JWU email account **only**. It is the students' responsibility to obtain cancellation information, as well as to review and manage their course schedule. Students affected by course cancellations may adjust their course registration on jwuLink (<https://link.jwu.edu>) as long as there are no holds preventing registration on their account.

Course Registration

The following reflects general policy information regarding registration. Detailed registration information and steps can be found through Course Planning (http://linkweb.jwu.edu/Registration_and_Grades/Course_Planning).

Undergraduate and Continuing Education

First-term day program students will be registered for courses by Student Academic & Financial Services. Students are then required to register themselves for courses after one term of enrollment. Undergraduate day program students may not register for more than 21 credit hours.

Continuing education (CE) students are required to register themselves beginning with their first term of enrollment. CE students may not register for more than 21 credit hours. Under special circumstances, a CE student may enroll in one day class if space is available as long as they are also enrolled in an evening class. Students seeking this option must meet with a Student Academic & Financial Services representative to be granted an override to register for the day class through jwuLink (<https://link.jwu.edu>).

Students may not register for more than 13.5 credits in online courses in any given term.

Internship Courses

Refer to Internship Programs (p. 48) for information regarding internship registration.

Graduate Programs

Graduate students are required to register themselves beginning with their first term of enrollment. Students may not register for more than 13.5 credit hours per term. Specific graduate programs may require students to enroll in additional credit hours. Students can review program requirements and suggested course sequencing by using their degree audit and planner in the Grad Planning System (http://linkweb.jwu.edu/Registration_and_Grades/Grad_Planning_System) (GPS).

Once accepted into a graduate program, students may not register for courses at the undergraduate level to satisfy graduate foundation requirements.

Online Courses

The university offers a select number of online courses to undergraduate students at all JWU campuses. Before students register for an online course, they should review what to expect in online classes (<http://online.jwu.edu/uploadedFiles/Content/Documents/WhatToExpectOnlineClasses.pdf>). Students may not register for more than 13.5 credits in online courses in any given term.

International Students

International students who are enrolled and in residence in the United States for the term must not exceed a maximum of 4.5 credits of online course credit as part of their full-time course load requirement (12 credits for undergraduates, 9 credits for graduate students). Students who enroll in excess of their full-time course load requirement can study the excess credit

in online courses. Students who are on their term off (summer break) may take online courses with no limit.

Extension Students

Extension students (also called "non-degree" or "non-matriculating") are those who are not enrolled in a degree-earning program. These students register for courses on a space available basis.

Students not meeting prerequisite requirements for a course should contact Student Academic & Financial Services to discuss waiving the prerequisite. Students should be aware that credits taken as an extension student may not be applicable to current program requirements.

Students subsequently wishing to enroll in a degree program must apply through Admissions (<http://admissions.jwu.edu/apply>) and will be subject to the university's current admissions requirements. If accepted into a degree program, the student is responsible for all courses prescribed in that program, regardless of previously waived prerequisites.

Please note that extension students are not eligible to receive federal, state or institutional financial aid and are subject to the Tuition and Fees policy (p. 53).

Course Audit

Students may choose to register for classes on an audit basis. Students who are auditing a class are not eligible to receive financial aid for that class. No credit or grade is earned for an audited course, but it will be recorded on the student's academic transcript with a grade marker of AU (Audit). Subsequently, an audited course cannot satisfy program requirements.

GPA calculation is not impacted by an audited class. The academic work required in an audit situation is at the discretion of the course's instructor (laboratory, doctoral and online courses may not be audited). Satisfactory academic progress may be impacted if the student is registered for a class as an audit but then subsequently withdraws from the audited class. If this change causes the student to complete less than the required pace completion, the student will fail to meet the pace standard. Audited classes do impact a student's maximum time frame as they are considered attempted hours.

Interested students must meet with Student Academic & Financial Services to complete a Course Audit request form (note: prerequisite course requirements must be completed). Online program students must contact Online Student Services.

Audited courses are subject to normal tuition fees, and must be registered by the end of the add/drop period.

Note: Students who have met the degree requirements for their program of study but continue to enroll in courses in a subsequent term will automatically be enrolled as an extension student in the subsequent term and will be ineligible for financial aid.

Courses Taken at Other Institutions

Undergraduate Courses

Enrolled students requesting to take courses elsewhere (at U.S. schools) must submit a Request to Take Classes Elsewhere form (http://www.jwu.edu/uploadedFiles/Documents/Forms/Academic_Services/JWURequestToTakeClassesElsewhere.pdf) to obtain prior approval from Student Academic & Financial Services. Enrolled students requesting to take courses at an international institution must contact Study Abroad. The following requirements must be met:

1. The student must have an overall grade point average above 2.0.
2. There is a limit of 18 quarter credits, which may be taken during enrollment at the university.
3. The course(s) must not be in the major field.
4. The courses(s) must not be one(s) previously taken at JWU and for which a grade of W was issued.
5. The course(s) must be taken within one year of permission being granted.
6. Course credits from other institutions must equate to JWU-requested course credit.
7. Grades of C or better (2.00 or equivalent) from an accredited institution may be accepted for transfer. Transfer credits are not calculated into the cumulative grade point average.

- Students are responsible for tuition and fees for approved course(s) at the other institution.
- A student will not be granted credit (transfer credit or otherwise) for work done during the period of disciplinary suspension.

For each approved course, students must receive a minimum grade of C (2.00 equivalent) for Johnson & Wales to award transfer credit. Transfer credits are not calculated into the cumulative GPA.

Accelerating the completion of program requirements may negatively impact future enrollment (i.e., part-time enrollment during a term in the next academic year); students are strongly advised to review course projections and to plan accordingly.

Note: Any exceptions to criteria 1–5 will be made by a director in Student Academic & Financial Services or Online Student Services (Sas.onl@jwu.edu), if the student is in an online program.

Full-time Status

For the purposes of financial aid and verification of enrollment, a student is considered enrolled in the term by the census date if they are in attendance by the second class meeting or, for online courses, by meeting the first stated task deadline (e.g., posting an introduction in the Discussion Board).

Certification of full-, three-quarter-, half-, or less than half-time enrollment status for loan deferment, medical insurance, etc. is based on hours of enrollment in a term as of the census date. Listed below are the requirements that constitute full-time student status for official enrollment certification purposes and for financial assistance.

Status	Undergraduate	Graduate	Post Graduate
Full-time	12 or more	9 or more	12 or more
Three-quarter time	9-11.99	n/a	n/a
Half-time	6-8.99	4.5-8.99	6-11.99
Less than half-time	0-5.99	0-4.49	0-5.99

Students should realize that in order to receive maximum financial aid they must maintain full-time status. Additionally, insurance companies and scholarship foundations frequently require students to maintain full-time status.

If a student who is receiving veteran's benefits or participating in athletics receives a grade of WP, WF or NC in a course, that course will not count toward full-time status.

Note: Undergraduate students must maintain a minimum of 6.0 credits each term for purposes of financial aid only with the exception of the Federal Pell Grant.

Graduate Planning System (GPS)

Understanding Degree Requirements

As a member of the Johnson & Wales University student body, you are in a position to graduate with an impressive class of students. To reach that goal, you first need to be familiar with your degree requirements and how to register them. To help guide you, JWU offers the Grad Planning System (GPS) (http://linkweb.jwu.edu/Registration_and_Grades/Grad_Planning_System).

Honors Program

The Honors Program at Johnson & Wales provides academically talented undergraduate day students with an opportunity to explore stimulating and challenging courses. Eligible applicants must have

- taken a college prep curriculum
- maintained an average of B or better
- submitted ACT/SAT scores at or above the national average or equivalent
- placed in the top 25 percent of their high school graduating class
- entered Johnson & Wales University in the fall of their first year

To begin the program, all honors students enroll in two honors-level composition courses. The program continues with all students enrolling in four small, student-centered honors courses. The Honors Program culminates for all students in a two-term research course sequence, in which students

produce an honors thesis or capstone project under the guidance of a Faculty Mentor.

Upon successful completion of this enhanced curriculum, students earn the University Honors Scholar designation, which appears on their diplomas and transcripts.

Selected students must maintain a 3.40 GPA to remain in the Honors Program. Honors students must receive a grade of B or better for a course to count toward their required course total within the Honors Program. Non-honors students may apply to the program upon faculty recommendation, provided they carry a 3.40 GPA or higher, first-year or sophomore status, and have completed at least a term of study at Johnson & Wales University.

For more information, contact the honors program director or coordinator at the appropriate campus.

Internship Programs

Internship opportunities are available in all colleges and schools. In many cases, the internship is a required part of the college or school curriculum. Internship is designed to provide eligible students with practical work experience in their chosen field of study while earning academic credit. For details regarding specific programs, please refer to the current catalog (<http://catalog.jwu.edu/denver>).

Consult with Experiential Education & Career Services (EE&CS) for details regarding internships for specific academic programs or refer to careers (<http://www.jwu.edu/departments.aspx?id=53294>).

Registration

Beginning in January, eligible day program students register for the term in which they wish to take an internship in the upcoming academic year via jwuLink (<https://link.jwu.edu>). Students are urged to register early to secure their internship in their chosen term, as selection is on a first-come, first-served basis. Students who are required to select an internship and don't register by the stated deadline will be automatically registered for a term by Experiential Education & Career Services.

Students who do not meet prerequisites six months prior to the selected term may be dropped from internship and reassigned a new term. Additionally, internship registration will be removed if a student withdraws or fails to enroll in any term prior to their selected internship term.

Continuing education students need to meet with EE&CS prior to registering for internship. These students register for internships based on their applicable registration start date (http://linkweb.jwu.edu/Registration_and_Grades/Registration_Start_Dates) for the term in which they intend to enroll in their internship.

To learn more about internships and additional requirements, refer to jwuLink (<https://link.jwu.edu/cp/home/displaylogin>) (Jobs & Internships > Find an Internship).

To speak with an advisor and/or receive contact information and office location, refer to jwuLink (<https://link.jwu.edu/cp/home/displaylogin>) (Jobs & Internships > Experiential Education & Career Services).

Grade Point Average (GPA)

- Some academic programs and/or sites require a 2.75 GPA.
- International internships require a 3.25 GPA

Credits

Internships generally vary between 4.5 and 13.5 credits depending on the academic program of study.

Academic Programs

College of Management

School of Business internship opportunities are available primarily for students who have completed 130 credits. Students use their elective credits to complete internships.

School of Hospitality internship opportunities are available. In some academic programs within the school, a 3000-level, 13.5 credit internship is required as part of the curriculum. Students who have completed 130 credits also have the opportunity to complete a 4000-level internship using their elective credits.

College of Culinary Arts

All students participate in a 13.5 credit, 2000-level internship as a required part of the curriculum. Completion of all freshman-level courses is required for this program. Students who have completed 130 credits also have the opportunity to complete a second, 4000-level internship or study abroad using their elective credit. Note: Students accepted into the nutrition program will only complete a 4000-level internship.

College of Arts & Sciences

College of Arts & Sciences internship opportunities are available. In some academic programs, a 3000- or 4000-level internship is required as part of curriculum. In other academic programs, students can use their elective credits to complete an internship.

Internships for International Students

Due to immigration regulations, international students are only permitted to participate in an internship if it is included in their curriculum program. If international students are enrolled in a program that does not include an internship but are interested in participating in one, they are encouraged to meet with the international student advisor or experiential education coordinator. Options will be considered based on approval from the dean or department chair of their college. All internship assignments are subject to an application process and subsequent approval. Note: International students who work on-campus must consult with Student Employment to determine eligibility to work on campus while completing an internship.

Minors

A minor is a series of courses in a second area of study apart from the major. Minors consists of a minimum of 22.5 quarter credits. Credits earned toward a major cannot be applied to the minor. A maximum of 9.0 quarter credit hours of transfer credit can be applied to a minor. The successful completion of a minor will be recorded on the student's academic transcript when degrees are awarded. A minor will not be applied to a student's academic transcript after their degree has been awarded. Upon completion of a minor, no form of honors or grade point average is issued for the minor.

Repeat of Courses

Courses may be repeated to earn a better grade, if the appropriate course is available. Upon successful completion of the course at a later date, the cumulative average is adjusted to reflect the highest grade earned. However, each grade earned will appear on the academic transcript. Students are required to pay normal tuition charges for all repeated course work.

Students are eligible for financial aid for only one repetition of a previously passed course. The highest grade earned will be calculated into the grade point average. When a student has repeated a course previously applied to an awarded degree, each grade earned will be included in the cumulative grade point average. However, the grade point average recorded at the time of degree conferral will not be recalculated.

Course Deficiency

A course deficiency occurs when a student fails to complete a course with a satisfactory grade, either by failing the course or by receiving a grade that does not meet the minimum required by the student's program. Academic

warning, probation and dismissal are not determined from one course but by the cumulative GPA.

Students who fail a course after a second attempt will be assigned a course deficiency hold and will be required to meet with an academic counselor/advisor in Student Academic & Financial Services. Academic counselors/advisors will review the following options with the student:

- Consider a change of program.
- Repeat the same course which will result in only the highest grade earned being calculated in the cumulative average.
- Student may be advised to take a pre-approved course at another institution outside Johnson & Wales University. The original grade will remain on the student's transcript but will be excluded from the cumulative average.

Students opting to repeat the course will be required to attend content tutoring. The course deficiency hold will be removed once the student has satisfied the course requirement.

Academic Counseling

Academic counselors/advisors are available in Student Academic & Financial Services to assist students with preparation for graduation. Their goal is to assist students in evaluating, developing and maximizing their potential by providing guidance and support.

Residency Requirement

Please see the appropriate section for information regarding residency requirements.

Undergraduate

The undergraduate residency requirement refers to the number of courses and credits students must take at JWU, whether they are transfer students or JWU students acquiring an additional degree. The residency requirement for all students at Johnson & Wales University pursuing an associate degree is a minimum of 31.5 quarter credit hours, half of which must be within the major field.

For students pursuing a bachelor's degree, the minimum is 45.0 quarter credit hours, half of which must be within the major field.

Diploma/certificate candidates will be allowed to transfer a maximum of 9.0 quarter credits (including JWU courses) toward diploma/certificate program requirements.

Upon review, certain related professional studies courses and program electives may be considered when determining residency. Standardized testing credits are not considered when determining residency requirements.

Additional Degrees

Students may pursue one additional associate in science undergraduate degree by completing a Change of Status Form in consultation with an academic counselor in Student Academic & Financial Services. The additional degree must be in a program that has a minimum of 31.5 credits that are not in the student's primary major. (There must be a 31.5 credit difference between the two associate degrees.) Half of the credits must be within the major field of the additional associate degree. Classes in the additional associate degree may not be used as electives in the primary major if residency requirements have not been met.

Students may pursue one additional bachelor of science degree in a program that has a minimum of 45 credits that are not in their primary majors. (There must be a 45 credit difference between the two bachelor's degrees.) Half of the credits must be within the major field of the additional bachelor's degree. Classes in the additional bachelor's degree may not be used as electives in the primary major if residency requirements have not been met.

Graduate

Residency requirement refers to the number of courses and credits a student must take at Johnson & Wales University.

A maximum of 20% of the program's credits can be awarded as transfer credit. Credit may be awarded for graduate-level courses that were completed with a grade of B or better (3.00 GPA) at another institution accredited by an accrediting agency recognized by the U.S. Department of Education or International Ministry of Education.

Due to the overlap in core curriculum, students who complete an MBA at the university are not eligible to complete a second MBA at Johnson & Wales

University. However, any student who received a master's degree from Johnson & Wales University may apply for admittance to an M.S. program at the university through Graduate Admissions. Students must meet the entrance requirements for the prospective program to gain admittance.

Only one doctoral degree is allowed.

SHARP

Special Honors and Rewards Program (SHARP) is an honors program designed for qualified full-time undergraduate students in a day program who wish to accelerate their program to complete degree requirements in less than the normally required time. This is accomplished by increasing the student's course load each term as scheduling permits. SHARP results in savings of time and expenses for eligible students. Day program students accepted into SHARP may register for up to 25.0 quarter credits each term with no additional fees. Interested students must complete a SHARP application, returning the completed form to Student Academic & Financial Services. The following students are eligible for SHARP:

1. Incoming freshmen who are honors graduates of approved secondary schools, have been elected to their state or national honor society, or have maintained a minimum GPA of 3.0
2. New transfer students who maintained full-time enrollment at a previous institution and each term earned a cumulative GPA equivalent to Dean's List status for that institution
3. Students who have maintained full-time enrollment at JWU and a cumulative GPA of 3.40 at the end of each term

Note: The only exception to this policy is the first term of enrollment at JWU, during which the cumulative GPA may be less than 3.40.

If a student does not exercise this option, SHARP eligibility may continue provided that the student maintains continuous full-time matriculation while maintaining a cumulative 3.40 GPA after all terms. The benefits provided by SHARP are not applicable during full-time internship terms or for an additional culinary/pastry laboratory class. Preferred scheduling and graduation acceleration are not guaranteed.

Failure to maintain a cumulative GPA of 3.40 or better after each term will cause the student to become permanently ineligible for the benefits provided by SHARP. Student Academic & Financial Services will only notify a student of their withdrawal from the SHARP program via their JWU email account, and it is the student's responsibility to drop extra credits, if registered, to avoid incurring additional charges.

Standardized Testing and Prior Learning Assessment

By successfully completing one of the options offered (Challenge, CLEP or Portfolio Assessment) students may earn undergraduate course credit for previous academic and/or prior learning experiences.

Policies for Prior Learning Assessment

1. Students must consult with an academic counselor prior to applying for Challenge Examinations or Portfolio Development.
2. Course prerequisite requirements must be completed before permission to take Challenge Examinations or Portfolio Development will be granted.
3. Students may not apply for an assessment as a substitute for a class where a withdrawal (W) grade has been issued. They may not be substituted for a class previously taken or a class in which the student is presently registered.
4. Assessments are for academic credit and carry nonrefundable fee(s).
5. Assessments must fall within the residency requirement (p. 49) for each degree.
6. The CLEP Exam requires a passing score of 50 or higher for CLEP credit to be awarded.
7. CLEP Exams, if failed, can be repeated in three months.
8. Portfolio Assessment and Challenge Exams cannot be repeated if failed.
9. The university recognizes up to a maximum of 45 undergraduate credits earned through Prior Learning Assessment.
10. Students must present a valid picture ID when testing.

Visit Testing Services (http://linkweb.jwu.edu/Registration_and_Grades/Testing_for_Credit) for complete policies, course options, deadlines, examination dates and fees.

In all cases, the academic department determines policy as it relates to the testing options for each course in the department. Several options may be available to students, and it is recommended that students seek the advice of an academic counselor.

Placement Testing

(non-credit, no fees)

Placement tests are used to place students into appropriate mathematics and English classes. Modern language tests (French, German and Spanish) as well as English as a Second Language are also available.

Mathematics and English

Mathematics and English placement tests are required for all new undergraduate students, including transfer students, prior to orientation or attending classes. Transfer students may be exempt from placement testing if transfer credit has been awarded for the appropriate mathematics and English courses.

The university administers ACCUPLACER mathematics and English placement tests to assess students' skills in these areas. The mathematics test is designed to evaluate skills in relation to those required for college math courses. English placement testing includes a reading comprehension test which evaluates comprehension skills, and a sentence skills test which evaluates writing skills. The ACCUPLACER exams are computer based tests (CBT) developed by College Board.

All of these tests are placement tests - students do not pass or fail them and they do not affect admission to the university. They are used to place students in the appropriate courses, based upon their skills.

After acceptance, students will be emailed information about completing required mathematics and English placement testing online with a virtual proctor. Virtual proctoring allows students to take placement tests online in a quiet and distraction-free location, such as home. Online testing appointments are available seven days a week, 24 hours a day, and require no software installs. All that is needed is a simple webcam, access to the internet and a voucher code that will be provided by the university. There is no charge for virtual proctoring. Students will receive a score report immediately following ACCUPLACER administration. Students will also be contacted by an academic counselor in Student Academic & Financial Services a week after they have completed placement testing to discuss their placement and course registration.

Students requesting to retake their placement exam may do so by contacting Student Academic & Financial Services. Students will be allowed one retake 30 days after their initial testing and at no charge.

Modern Languages

All undergraduate students who have studied more than one year of French, German or Spanish are required to take a placement exam for that language. The placement exam will be scheduled at the beginning of each term. Students whose placement score indicates they have met a particular level of language proficiency will not be allowed to enroll in that language level. Students placing out of a required level of a language will be given the option to apply for the Departmental Challenge Examination to earn these credits (fees apply) or replace these credits with arts and sciences electives.

English as a Second Language

Students admitted into the ESL Program (Providence and North Miami campuses only) are required to complete the Levels of English Proficiency (LOEP) Test to assess their English language proficiency prior to registering for courses in their intended program of study. This test includes three sections: reading, language usage and sentence meaning. The placement test will be scheduled at the beginning of each term. The university uses the ACCUPLACER computer-based placement testing system.

Results of the LOEP placement testing will determine whether students are placed into the beginner, intermediate or advanced levels of ESL courses. Students with a score of 315 or higher on the LOEP Test can take the Institutional TOEFL Test (ITT) and with a minimum test score of 550, can exit the program and enroll directly in their degree program courses. Students with a test score under 550 on the ITT will have their individual section scores reviewed in the areas of listening, grammar and reading. Section scores with a minimum of 550 on the ITT will exempt the student from the corresponding ESL class. Students who do not complete the required LOEP test will automatically be placed into beginner-level ESL courses.

Academic Support and Disability Accommodations

Students with a documented disability requiring special accommodations must forward documentation to the Center for Academic Support (<http://catalog.jwu.edu/student-services/academicsupport>) at least two weeks prior to placement testing to ensure that accommodations can be made. No accommodations will be provided without appropriate documentation submitted prior to testing. Students who have already participated in placement testing and submit appropriate documentation will have the opportunity to retest with the accommodations in place.

Portfolio Assessment

(for credit, with fees)

Undergraduate students may earn credits for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel programs, organizations or other comparable sources.

Students are required to meet with an academic counselor to discuss these options as well as have successfully completed ENG1020 English Composition prior to applying for the Portfolio Assessment.

Students must complete the mandatory online Portfolio Development Seminar before submitting a finalized portfolio for review. While there are no regularly scheduled meetings, students are expected to participate in the seminar activities that lead toward the completion of the portfolio. The individual components of the portfolio are covered in self-paced segments.

Portfolios must be submitted within one year of the application date. Completed Portfolios will be submitted electronically to the appropriate department designee for review. Students will be notified of outcome once assessment is completed. If a portfolio is denied for credit, students have 10 days upon notification to file a written appeal for review.

Once the seminar is completed, eligible students, in consultation with an academic counselor, may submit additional portfolios.

Visit Testing Services (http://linkweb.jwu.edu/Registration_and_Grades/Testing_for_Credit) to review the full testing brochure for policies, course options, deadlines, examination dates and fees.

CLEP

(for credit, with fees)

The College-Level Examination Program (CLEP) is a credit-by-examination program, sponsored by the College Board, that gives students the opportunity to earn college credit by earning qualifying scores on a variety of exams.

JWU subject equivalencies for each CLEP examination are determined by the respective academic department at the university. The university accepts the American Council on Education (ACE) recommended passing score of 50.

Dependent on their benefits election, some veterans can claim reimbursement for CLEP exams and exam administration fees. For more information, please visit the website (<http://clep.collegeboard.org/military/veterans>).

Visit Testing Services (http://linkweb.jwu.edu/Registration_and_Grades/Testing_for_Credit) for complete policies, course options, deadlines, examination dates and fees.

Departmental Challenge Examinations

(credit by examination: for credit, with fees)

Departmental exams may be taken for specifically designated undergraduate courses within a department. All matriculating students with previous academic and/or work experience may request such an exam when they feel they have acquired the knowledge of a specific JWU course.

Some testing options require specific criteria in order to take tests. Visit Testing Services (http://linkweb.jwu.edu/Registration_and_Grades/Testing_for_Credit) for complete policies, course options, deadlines, examination dates and fees.

Transcripts

A transcript is a representation of a student's entire academic record while at Johnson & Wales University. In accordance with the Family Educational Rights and Privacy Act (FERPA), a transcript may be released only upon written request of the student. Students can also submit transcript requests online through jwuLink (<https://link.jwu.edu/cp/home/displaylogin>). Students intending to pick up transcripts in person must make the request in person at Student Academic & Financial Services or complete a transcript request form.

The university does not charge a fee for transcripts; however, official transcripts will not be released if a student is not current in all financial obligations to the university. Within three business days of receipt of an authorized request, official transcripts will be printed on official paper and then placed in sealed envelopes issued directly to the student or authorized designee. The university does not email transcripts. Transcripts are not official if faxed. A maximum of 20 official transcripts may be requested per year. Official transcripts are not produced while grade processing and posting is in progress at the end of each term.

Unofficial transcripts may be obtained in jwuLink (<http://link.jwu.edu>).

FedEx Delivery Options

FedEx delivery is used if next business day delivery is needed. There is an additional charge for FedEx delivery. A complete street address (P.O. Box is not acceptable) and destination phone number are required. The charge is \$15 for delivery in the continental U.S., \$20 to Canada and Mexico, and \$30 for international FedEx delivery. Requests must be received by 3 p.m. EST. Checks and money orders should be made payable to Johnson & Wales University.

Notarization of Transcripts (Apostille)

An apostille may be required for a transcript being sent to an entity in another country. That entity may refer to the required transcript as needing to be "certified," "notarized" or "authenticated." For students planning to study, teach or work abroad, the country may require this extra step for certifying educational documents.

An apostille is issued by the Rhode Island Secretary of State, not the university. Students requesting an apostille must complete an Apostille Request (<https://www.jwu.edu/content.aspx?id=35578>) form. Once Student Academic & Financial Services receives the request with the appropriate payment and documentation, it will complete the process on behalf of the student and return the documents as directed on the Apostille Request form.

Transcripts from Other Schools

Transcripts reflecting a student's secondary or previous college education that have been submitted to Johnson & Wales University as a requirement for admission become a part of the student's official file. Johnson & Wales University does not provide copies of other institutions' transcripts. Transcripts must be ordered directly from the institution where the coursework was completed.

Transfer Credit

Please see the appropriate section (undergraduate or graduate) for information regarding transfer credit.

Undergraduate

Course work completed at institutions recognized by a U.S. Department of Education accrediting agency or international Ministry of Education is eligible for transfer credit; however, transfer credit is not guaranteed.

Transfer credit evaluations are based on previous college work as it relates to the student's intended program of study. It is the university's policy to accept credits, but not grades. Only grades earned at Johnson & Wales University are calculated into the cumulative grade point average. Students must meet

the residency requirement (<http://catalog.jwu.edu/academicinformation/requirements>) for their intended degree.

JWU has a number of articulation agreements (<https://www.jwu.edu/content.aspx?id=53299>) and transfer credit equivalencies in place that facilitate student transfer to Johnson & Wales University. The university works closely with all colleges who wish to articulate with JWU and continuously works to develop new partnerships. The Transfer Evaluation System (https://tes.collegesource.com/view/tes_view01.asp?rid=%7B145040A7-7365-4840-8A90-B20C0B6FFB26%7D&aid=%7B5C721B0F-0E7E-4E91-9399-06A81322B340%7D) provides students with information on the courses (domestic institutions only) that have previously been evaluated and accepted at Johnson & Wales University.

Transfer applicants should submit official college transcripts from any colleges and universities previously attended prior to enrolling at the university. It is the responsibility of those candidates who are currently attending another college to have their updated official transcripts sent to Johnson & Wales University as soon as final grades become available and no later than the first term of enrollment.

Transcripts must be in English; students are responsible for providing official word-for-word English translations, if needed. The student must also have earned a grade of C or better (2.00 GPA), and courses must be similar in level, content and duration to JWU courses in the student's intended program of study. Grades of "pass" are also acceptable for transfer if credit was awarded (and a grade of "P" has the numeric GPA value of 2.00 or greater). Credits earned in developmental and remedial courses or CEUs (continuing education units) are nontransferable. In some cases, official course descriptions or syllabi will be required for evaluation.

Accepted students will be sent a copy of their degree audit showing the credit accepted toward their program of study. Students wishing to review transfer credits must contact a transfer student advisor in Student Academic & Financial Services (for domestic institution transcripts) or International Admissions (for international institution transcripts).

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

If a student completes a course at Johnson & Wales University that was previously accepted as transfer credit, the course taken at Johnson & Wales University will be excluded from the grade point average, and will not count toward any degree requirements, so that duplicate credit is not granted.

Graduate

Master's degree applicants with graduate-level course work taken at approved colleges and universities will be evaluated for possible transfer credit. Transfer credit evaluations are based on previous college work as it relates to the student's intended program of study. It is the university's policy to accept credits, but not grades. Only grades earned at Johnson & Wales University are calculated into the cumulative grade point average.

Applicants should submit official college transcripts from any colleges and universities previously attended prior to enrolling at the university. It is the responsibility of those candidates who are currently attending another college to have their updated official transcripts sent to Johnson & Wales University as soon as final grades become available and no later than the first term of enrollment.

Transcripts must be in English; students are responsible for providing official word-for-word English translations, if needed. The student must also have earned a grade of B or better (3.00 GPA), and courses must be similar in level, content and duration to JWU courses in the student's intended program of study. In some cases, official course descriptions or syllabi will be required for evaluation. Courses will be approved by the dean.

A maximum of 20% of the program's credits can be awarded as transfer credit for courses completed with a grade of B or better (3.00 GPA) at another institution accredited by an accrediting agency recognized by the U.S. Department of Education or International Ministry of Education.

Accepted students will be sent a copy of their degree audit showing the credit accepted toward their program of study. Students wishing to review transfer credits must contact a transfer student advisor in Student Academic & Financial Services (for domestic institution transcripts) or International Admissions (for international institution transcripts).

Once enrolled in a JWU master's degree program, a student may not take courses elsewhere and apply them for transfer credit. Transfer credits should

be requested prior to initial matriculation into a JWU master's degree program.

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

Prerequisite and Foundation Courses

Prerequisite courses are undergraduate classes required for students who need to prepare for graduate study. For possible exemption from prerequisite courses, candidates must ensure all official college and university transcripts are submitted prior to enrolling at JWU. In some cases, official course descriptions or syllabi will be required for evaluation. Transcripts must be in English; students are responsible for providing official translations, if needed. Only courses similar in level, content and duration to JWU courses in the student's intended major, and where the student has earned a grade of C or better (2.00 GPA), are eligible for possible exemption. Specific graduate degree program prerequisite requirements are listed in Admissions Requirements (<http://catalog.jwu.edu/admissions/applying/admissionsrequirements/#graduatetext>).

Foundation courses are graduate-level courses that may be required of some students whose previous academic background does not reflect the course content described. For possible exemption from foundation courses, candidates must ensure all official college and university transcripts are submitted prior to enrolling at JWU. In some cases, official course descriptions or syllabi will be required for evaluation. Transcripts must be in English; students are responsible for providing official translations, if needed. Only courses similar in level, content and duration to JWU courses in the student's intended major, and where the student has earned a grade of B or better (3.00 GPA), are eligible for possible exemption. Specific graduate degree program foundation requirements are listed in Admissions Requirements (<http://catalog.jwu.edu/admissions/applying/admissionsrequirements/#graduatetext>).

Students will be sent a copy of their degree audit reflecting any foundation requirements towards their program of study. Students wishing to review credits for foundation courses must contact a transfer student advisor in Student Academic & Financial Services (for domestic institution transcripts) or International Admissions (for international institution transcripts).

If a student completes a course at Johnson & Wales University that was previously accepted as transfer credit, the course taken at Johnson & Wales University will be excluded from the grade point average, and will not count toward any degree requirements, so that duplicate credit is not granted.

Transfer Within JWU

It is possible to transfer from one Johnson & Wales campus to another. The following conditions apply:

- Students must consult with Student Academic & Financial Services if they are interested in transferring.
- Campus transfers cannot be guaranteed and are subject to space and course availability. Additionally, not all programs of study are available at each campus.
- Financial obligations at the originating campus must be satisfied to be eligible for transfer. Students should consult with a financial planner in Student Academic & Financial Services to determine eligibility.
- Students with less than a 2.00 GPA must have their transfer approved by Student Academic & Financial Services.
- Students with a Judicial Hold must also be approved by the dean of students.
- Students must have submitted verification of high school completion or equivalent to be eligible for transfer.
- Students are required to follow the curriculum required for their major based on their new campus catalog requirements as reflected on their degree audit.
- It is the student's responsibility to register for courses at their new campus in jwuLink (<https://link.jwu.edu>).
- It is the student's responsibility to address housing concerns and proper dress codes at their new campus.
- Students are required to comply with the medical documentation/immunization requirements of their new campus. A Health Services Hold will be placed on the student's account if the proper documentation has

not been submitted. Students will have no more than one term to meet these requirements.

Transfer Outside JWU

Students who intend to transfer to other colleges or enroll in graduate school after attending Johnson & Wales University must determine the requirements of those institutions and plan their programs of study accordingly. Johnson & Wales University makes no claim or guarantee for transfer credit to other academic institutions. Similarly, students who intend to take state or foreign business, trade or professional licensing examinations should determine the prerequisites of those jurisdictions prior to selecting programs of study.

Tuition and Fees

Tuition is applicable to all students, including those in approved off-campus programs (e.g., study abroad programs and internships). Students enrolled in courses in excess of a normal full-time schedule will be charged an additional tuition charge. For purposes of tuition billing and financial aid eligibility, full-time status is determined on a term basis and consists of 12 to 21 quarter credit hours per term. Students carrying more than 21 quarter credit hours and not part of the Special Honors and Rewards Program (SHARP) will be charged for each quarter credit over 21. Students are charged tuition upon course registration each term. Summer is also considered a term. Other fees will also be applied each term (e.g., student health insurance) and, if applicable, room and meals.

Veterans

All students seeking to utilize educational benefits must apply through the Department of Veterans Affairs (VA). Students with questions about their eligibility should contact the VA first to determine the specific programs for which they may qualify.

Processing of the veterans application by the VA takes approximately six to 10 weeks. The VA will mail the student a Certificate of Eligibility. This must be provided to the campus certifying official in Student Academic & Financial Services to receive benefits for upcoming terms.

Each new student utilizing veteran benefits should submit

1. an application for admission
2. official documentation that verifies high school diploma completion or equivalent
3. official college transcripts from all colleges previously attended and military training transcripts, as applicable
4. Certificate of Eligibility and any other necessary VA paperwork

Students enrolling under the GI Bill for the first time may experience a delay of up to two months before they receive their first check(s). Students should contact the Veterans Affairs Office if no check has been received by the seventh week of a term.

Courses that are not required for the student's degree program will not be certified. However, if a student needs to maintain full-time status, they may take courses outside their degree program only in the last term before graduating.

Federal regulations pertaining to the veterans' education benefits program require schools to certify a student's dates of enrollment to enable that student to receive the appropriate benefits. JWU certifies veteran students enrolled in academic courses from the start date of the term to the end date of the term. JWU is also required to certify all lab courses based on the actual start and end date within the term. Certifying courses and or labs in this manner should not have any impact on a student's tuition benefits. If there is a break in enrollment between lab segments, however, it could impact housing stipends.

The VA requires strict compliance with a number of other regulations. It is the student's responsibility to be informed of the requirements the Department of Veterans Affairs has in place regarding educational benefits. Students who have any questions or concerns regarding their eligibility under Chapter 33 (Post 9/11 GI Bill) should contact the U.S Department of Veterans Affairs (<http://www.benefits.va.gov/gibill>) for more information.

Counseling Services

Counseling Services is located on the second floor of Centennial Hall and is open during the academic year, Monday through Friday, 9 a.m.–4 p.m. Services are free and confidential except as otherwise provided by applicable law. Clinical counselors provide a variety of services to students and the university community. Services include assessment, individual and group counseling, crisis intervention, community referrals, consultation, and psycho-educational programming. Students typically come to the center to discuss issues such as relationship difficulties, family issues, adjustment issues, depression, anxiety, sexual identity and alcohol/substance abuse. These concerns may impact a student's quality of life as well as their ability to succeed academically.

The center operates on a short-term treatment model, and referrals are made to providers in the Denver community for more long-term or specialized needs. To schedule an appointment, call 303-256-9626. An after-hours, on-call service for psychological emergencies is available by calling 1-888-222-4805 directly, or by contacting Campus Safety & Security at 303-256-9500.

Gender Equity Center

Originally opened in 1997 as the Women's Center, the Gender Equity Center changed its name in 2009 to reflect its evolving purpose in furthering an inclusive campus culture by engaging our community in issues relating to gender, gender identity/expression, sexual orientation and violence prevention.

The center promotes gender and sexual orientation parity through programs, practices and policies that support feminism, a broad view of healthy masculinity, and the spectrum of sexual orientation, gender identity and gender expression. The center also strives to prevent sexual assault, dating/domestic violence and stalking, as well as maintain a supportive environment through education and resources for those who have already experienced sexual assault, dating/domestic violence or stalking.

The center is staffed by a professional director and two student assistants, as well as work-study student staff and student volunteers. All students are welcome to volunteer in a variety of capacities. The center also collaborates and can help foster connections to student-led gender issues clubs and organizations.

Students from all JWU campuses who are seeking support and assistance for a range of personal issues can contact the Gender Equity Center via email (genderequity@jwu.edu) or phone at 401-598-1138, or contact the director via email (korina.ramslandshort@jwu.edu) or phone at 401-598-2248. Respecting individual experience and privacy are paramount; however, the director is not a licensed clinical counselor and is obligated to report certain crimes and violations of university policy to Campus Safety & Security. The center can also help navigate university resources and services available to support transgender, non-gender conforming or non-cisgender students.

The center provides educational programming to the university community, including co-advising the ASK! Student to Student Wellness & Equity Educator program. The center oversees the Green Dot (<http://livethegreendot.com/>

[gd_strategy.html](#)) violence-prevention strategy and offers bystander training each term during the academic year. The office library features a clearinghouse of resources relevant to gender and sexual orientation, including books, videos, resource files, brochures and magazines. The center can provide referrals to resources within the university and Providence community.

The Gender Equity Center is located in Providence on the Downcity Campus, Wales Hall, first floor. Hours are Monday through Thursday, 9 a.m.-7:30 p.m. and Friday, 9 a.m.-4:30 p.m. during the academic year; summer hours and meetings with the director are by appointment.

Students at the North Miami, Denver and Charlotte campuses are also encouraged to contact their campus dean of students for more local information and resources regarding gender, gender identity and expression, sexual orientation, and sexual assault and relationship violence prevention.

Good Neighbor Policy

Living off-campus is a maturing experience, which carries certain responsibilities. Students living in the community are representatives of Johnson & Wales and their behavior reflects directly on the university.

Off-campus students must understand and appreciate that residents of a particular community have made a long-term commitment to their neighborhood; students are transient members of the community and usually remain only for the duration of their academic tenure. The quality of life and the overall character of a neighborhood can be greatly influenced by the behavior exercised by student residents. Displaying a respectful and courteous attitude may make the neighborhood a more pleasant place to live. In fact, some students may find participating in community service activities furthers their sense of belonging in their neighborhood.

Families living in the neighborhoods around campus have the right to enjoy a reasonable level of peace and quiet. Students' academic and personal schedules often conflict with the more routine schedules of families. Students are expected to exercise good judgment and be sensitive to the needs of their neighbors.

Rowdiness, public drunkenness, disorderly conduct, and people partying outside with loud music or other noise late into the night is inconsistent with the university's behavioral expectations.

Johnson & Wales University Campus Safety & Security will respond to complaints from neighbors and others when behavior occurs off-campus that is inconsistent with the behavioral expectations of the university and students will be subject to the university's Conduct Review Process and resulting sanctions when a violation of the Student Code of Conduct (p. 57) occurs.

The following are some examples of the behavioral expectations of the university with regard to off-campus living:

Noise

Music and general noise should be maintained at reasonable levels and in accordance with relevant laws and ordinances. Music should be directed toward the interior of the residence. Students should remind visitors to exercise common courtesy when visiting, to refrain from excessive shouting between the street and the house, and to limit vehicle noise whenever possible.

Automobiles

Students are expected to observe all city ordinances and exercise courtesy and common sense. Students and their visitors should not obstruct the street or private driveways or park on someone else's property without permission. For students' own safety, as well as that of their neighbors, students must abide by all traffic laws and drive responsibly.

Property

Students and their guests shall respect the property of their landlord, host and neighbors. They are to refrain from the destruction, defacing or littering of property.

Verbal Harassment

Students should not engage in verbal harassment, profanity and fighting words directed towards others. Rather, when the potential for conflict develops, students are encouraged to seek assistance from off-campus student services.

Fighting/Assault

Physical assault and confrontational behavior are unacceptable. If a volatile situation occurs, students are expected to walk away until the concerns can be appropriately addressed. Additionally, students can seek assistance from off-campus student services.

Alcoholic Beverages

The use of alcoholic beverages should be in accordance with all state and local laws.

Responsibility and the Social Host

When entertaining guests, students must understand that, in addition to the Conduct Review Process, students may also be subject to civil and criminal liability if their guests act irresponsibly. As a social host, a student assumes significant risks associated with state and local laws regulating drinking age, noise and public safety when the student hosts a party. Court decisions have found the social host to be liable for personal injury and property damage caused to third-parties as a result of the irresponsible service of alcohol to guests. This liability is compounded when minors are involved.

Health Services

The following sections of the Student Handbook describe the various health services and policies applicable to students.

Health and Wellness Programs

The Wildcat Wellness Council on the Denver Campus provides comprehensive and preventative health and wellness education to the campus community through a variety of programming efforts. The council is comprised of students, faculty and staff who meet monthly to discuss health and wellness topics, plan programs and seek out collaboration across campus from various student groups and departments.

Vaccination Policy

It is vital that students provide the university with an accurate health record. As a prerequisite to Term Start, all new full- and part-time students (excluding non-culinary continuing education students and students taking classes exclusively online) must submit proof of a complete physical exam conducted within the last year, including documented proof of

- two doses of the MMR (measles, mumps and rubella) vaccine (or titers if applicable)
- three doses of hepatitis B vaccine (or titers if applicable)
- three doses of a tetanus-diphtheria vaccine (including at least one Tdap dose within the past 10 years)
- two doses of the chicken pox vaccine (or titers if applicable) or proof of physician-diagnosed disease
- one dose of meningitis vaccine, required for students residing in university residence halls (A waiver of the meningitis vaccine requirement is available for students 22 years of age and older. Please contact Health Services for further information.)

In addition, a negative tuberculosis test or chest X-ray within the last year is required for entering students who are from highly endemic countries and have been residents of the United States for less than five years. A list of countries where tuberculosis is highly endemic is available upon request from Health Services.

Meningitis is a serious bacterial illness involving an infection of the covering of the brain and the spinal cord. It can also cause blood infections. According to the Centers for Disease Control and Prevention (CDC), 10 to 15 percent of individuals with meningococcal disease die, in spite of treatment with antibiotics.

The CDC's Advisory Committee on Immunization Practices has issued the following recommendations regarding the use of vaccines for college students:

"College freshmen living in dorms are recommended to be vaccinated with meningococcal conjugate vaccine. If they received this vaccine before their 16th birthday, they should get a booster dose before going to college for maximum protection. . . . The risk for meningococcal disease among non-freshmen college students is similar to that for the general population. However, the vaccine is safe and effective and therefore can be provided to non-freshmen."

For further information regarding meningitis and the meningococcal vaccine, including vaccine safety information, refer to the CDC (<http://www.cdc.gov/meningococcal/vaccine-info.html>).

The hepatitis A vaccine is strongly recommended but not required. Please note that further immunization requirements apply to students enrolled in the Physician Assistant Program.

All medical information is confidential and will not be released by Health Services without the student's written consent, except as otherwise provided by law.

Failure to satisfy this requirement will result in the placement of a Health Services Hold on the students' account and will prohibit students from entering class or changing their schedule.

Class Absence

Health Services does not provide routine "sick notes" to students due to brief absences from class because of illness or fatigue. Students are encouraged to discuss absences directly with their faculty member(s) and to take personal responsibility for class attendance decisions. In the event of illness due to a communicable disease or contagious illness (other than a routine "cold") that necessitates class absence for public health reasons, Health Services will notify the student's faculty member(s) of the medical absence directly via the university email system.

Treatment

Health & Counseling Services is located on the second floor of Centennial Hall. Students are encouraged to schedule appointments for non-emergent medical needs. Health & Counseling Services hours, as well as the hours for the medical provider, will be posted at the beginning of each term.

Walk-in services are available for emergent medical needs. Students are encouraged to schedule an appointment for all non-emergent needs. Walk-ins will be seen on a first-come, first-served basis with exceptions for emergency care and scheduled appointments. In the event of a medical problem of a non-emergent nature that requires treatment at an off-campus medical facility, please contact Health & Counseling Services for a referral. Health & Counseling Services is staffed by a full-time registered nurse, part-time physician assistant, full-time mental health therapist and a part-time mental health therapist. To schedule a medical appointment, contact Health Services at 303-256-9448. To schedule a counseling appointment, call Counseling Services at 303-256-9626. There is no charge for on-campus medical or counseling services.

Medical Emergencies

In the event of a medical emergency, dial 911 (or 8-911 from a university phone) first for emergency assistance and then contact Campus Safety & Security at 303-256-9500 and Health & Counseling Services at 303-256-9448.

An after-hours, on-call service for psychological emergencies is available and may be accessed by contacting Campus Safety & Security at 303-256-9500.

Severe Allergies

Students who have been medically identified as being prone to anaphylaxis (severe allergic reaction) may authorize the university to administer their own epinephrine (EpiPen®) in an emergency. They should provide a doctor's letter or prescription notifying Health Services of their allergy and the need to administer epinephrine in an allergic emergency. Please contact Health Services. Students should also be aware that, in the event that the university administers the student's epinephrine in an emergency, the university may also call 911.

In addition, students with allergies who wish to seek reasonable accommodations should provide documentation to the Center for Academic Support (p. 65).

New Student Orientation and First-Year Initiatives

The New Student Orientation & First-Year Initiatives program on the Denver Campus is designed to help new students transition into the intellectual, cultural and social climate of Johnson & Wales University and prepare students for a career-focused education. Students are introduced to many university administrators, faculty, staff and student leaders who provide valuable information on academic studies, student life and university policies.

Social activities are also scheduled throughout the orientation program. Many are designed to help students meet other incoming students. Families are also invited to participate in a family orientation program held concurrently with Student Orientation. Family Orientation provides an opportunity for families to learn how to support their students' transition to college, get their questions answered, meet university administration and connect with the Johnson & Wales University community.

Residential Life

Residential Life is a home that encourages active participation in a diverse and inclusive community, emphasizing strong relationships.

Additional information pertaining to Residential Life rules, policies and procedures is outlined in the Guide to On-Campus Living, which is available in jwuLink (<https://link.jwu.edu>) (Student Life > On-Campus Housing).

Student Code of Conduct

The purpose of the Student Code of Conduct and the Conduct Review Process that supports it is to help the university maintain a safe, healthy and positive campus community and online environment for living, learning and working where individuals act lawfully and in compliance with university policies and rules, and act with honesty, integrity, civility and respect for themselves and others and for the university community and the communities in which we live. Conduct Review Process

The Johnson & Wales Conduct Review Process, like the Student Code of Conduct (p. 57), is designed to help the university maintain a safe, healthy and positive environment for living, learning and working, where individuals act lawfully and in compliance with university policies and rules, and act with honesty, integrity, civility and respect for themselves and others and for the university community and the communities in which we live. The Conduct Review Process is used to support and enforce the Student Code of Conduct by providing procedures for determining whether a student is responsible or not responsible for a violation of the Student Code of Conduct.

The university administers the Conduct Review Process in good faith, making every reasonable effort to be fair to all involved. Students have the right to participate in the Conduct Review Process without having past student conduct violations discussed or used when a decision of responsibility is being made concerning a current alleged violation; however, past violations may be considered when determining a sanction for an individual found to be responsible for a violation of the Student Code of Conduct. All students have the obligation to participate in the Conduct Review Process, as a witness or otherwise, when asked by a university representative.

Student Conduct generally follows the procedures under JWU Communications with Students (p. 6) whenever contact with students is necessary.

The university's Conduct Review Process does not serve as an extension of or replacement for the local, state or federal civil or criminal court system. In addition, the outcome of civil or criminal proceedings concerning a violation will not control or be binding on the outcome of the Conduct Review Process for the same violation.

All students should be aware that it is the policy of the university to cooperate with local, state and federal law enforcement authorities in the investigation of crime. The university will not provide a sanctuary against criminal prosecution.

How the Conduct Review Process Works

Reports of Violations and Notification

Any individual who witnesses or becomes aware of an alleged violation of the Student Code of Conduct should report the violation to Campus Safety & Security, any member of the Residential Life staff, the dean of students or Student Conduct. Once an alleged violation is reported, an incident report will be prepared by Campus Safety & Security (or by a faculty member when appropriate) describing the nature and circumstances of the incident and the parties involved. Campus Safety & Security may conduct further investigation if additional or supplemental information is needed. All incident reports are reviewed in Student Conduct and those that warrant action are then referred for either an educational conversation or a hearing, depending upon the nature of the alleged violation.

There are two types of hearings at Johnson & Wales: administrative hearings and panel hearings. Administrative hearings are held before a single hearing officer from Residential Life or Student Conduct, depending on the nature of the violation. Panel hearings are conducted in front of a panel made up of trained faculty and staff. In both cases, the role of the hearing officer or panel is to consider information provided from the investigation, from the respondent and, to the extent necessary, from any complainants or witnesses, in order to make a finding of "responsible" or "not responsible." More serious violations that may result in a sanction of dismissal or suspension, and violations of academic integrity, are referred to a panel hearing, while less serious violations are referred for an administrative hearing.

When an incident report is referred for a hearing, the student will receive a notification describing the alleged violation and indicating the time and place for the hearing or pre-hearing conference. Students have the right to access their education records under certain conditions (see Family Educational Rights and Privacy Act (p. 9) for university policies on access to and release of student records).

Student Conduct will consult the student's academic schedule prior to scheduling any conferences or hearings. Any unexcused failure to attend a hearing or conference will result in the hearing being held in the student's absence, at which the hearing officer or panel will not have heard the student's side of the story. If there is a legitimate need to reschedule a hearing or conference, the student must contact the hearing officer as early as possible before the scheduled date to request rescheduling.

Hearing Procedures

A student may bring any relevant materials and witnesses with personal, relevant knowledge of the incident to the hearing. A student may also bring an advisor. Advisors may attend the hearing with the student, but cannot participate in any manner. Other than witnesses and advisors, other people may not attend the hearing with the student.

At a pre-hearing conference (for panel hearings) or before the hearing gets underway (for administrative hearings), the student may be asked whether the student wishes to waive the hearing by acknowledging responsibility. If the student acknowledges responsibility, sanctions will be imposed and the student will not be entitled to an appeal. If the student does not acknowledge responsibility, the hearing will proceed and the hearing officer or panel will

1. Outline the process
2. Review the incident report and/or allegations, and any supplemental information
3. Hear any statements relating to the incident
4. Hear or review the statements of witnesses with personal, relevant knowledge of the incident (but other witnesses, such as character witnesses, will not be allowed to attend or be heard)
5. Hear or review the statements of other relevant witnesses (and where confidentiality is a consideration, the identity of such witnesses will not be disclosed to the student)
6. Either defer the decision or render a decision of responsible or not responsible. Hearing officers and panels use the "more likely than not" standard to evaluate alleged violations
7. If the student is found responsible, recommend one or more sanctions to the director of student conduct

The director of student conduct will review the recommendation and make a final determination of appropriate sanction(s) (taking into consideration prior conduct violations). The student will receive a final written decision, which will set forth the final result and the sanction(s) imposed. The written decision will include information regarding the appeal process and the deadline for filing an appeal.

**A student who acknowledges responsibility is not entitled to an appeal.*

Appeal

The decision of the hearing officer (for administrative hearings) or the panel (for panel hearings) is final unless it can be demonstrated that one of the following has occurred:

1. Relevant, new information has come to light since the decision was made, or
2. The Conduct Review Process, as outlined, was not followed.

To request an appeal, a student must submit a request in writing to Student Conduct. The request must be submitted within three business days after the date of notification of the outcome of the hearing and must state clearly the basis for the appeal. The appeal will be reviewed upon receipt, and a decision concerning the appeal will be available within a reasonable time. The decision of the appeal officer will be final.

The student will receive a final written decision from the appeal officer, which will set forth the outcome of the appeal.

Rights of the Complainant and Respondent (the "Parties") for Complaints of Sexual Harassment, Sexual Assault, Sexual Exploitation, Dating Violence, Domestic Violence and Stalking

For complaints of sexual harassment, sexual assault, sexual exploitation, dating violence, domestic violence and stalking, the Parties will have the following rights in connection with the Conduct Review Process:

- The right to an investigation and resolution that is prompt, fair and impartial from the initial investigation to the final result as required by applicable law
- The right to a hearing conducted by unbiased university officials who receive annual training on issues related to sexual harassment, sexual assault, sexual exploitation, dating violence, domestic violence and stalking and how to conduct an investigation
- The right to a hearing process that protects the safety of the Parties and promotes accountability. Hearing officers and panels use the "more likely than not" standard to evaluate alleged violations

- The right to present relevant materials and witnesses with personal, relevant knowledge of the incident as outlined above
- The right to be accompanied to the hearing and any related meeting by an advisor of their choice. The advisor may accompany the student, but may not participate in any manner
- The right to be informed in writing of the outcome of the hearing and any appeal, including when such results become final. This includes disclosure to the Parties of any sanction imposed that pertains to a sex offense and any sanction imposed that directly relates to the Complainant with respect to other alleged sexual harassment violations. The Parties do not need to submit a request for such information. In addition, for any crime of violence, the university will, upon written request and in accordance with applicable law, disclose to the complainant all sanctions imposed against the respondent. If the complainant is deceased as a result of the crime of violence, the outcome of the hearing and sanctions will be provided to the complainant's next of kin if so requested.
- The right to request an appeal as outlined above under "Appeal." A student who acknowledges responsibility will not be entitled to an appeal.

The university will take steps to prevent the recurrence of any harassment, correct any discriminatory effects on the complainant and others, and implement protective or interim measures (such as no contact orders, room relocations, classroom relocations, interim suspensions, etc.) as requested and as required by law. The university will complete the Conduct Review Process within a reasonably prompt time frame, usually within sixty days, but will allow for the extension of time frames for good cause with written notice to the Complainant and Respondent of the delay and the reason for the delay.

Retaliation, including intimidation, threats, coercion or discrimination, against any individual who has made a good faith complaint, or who has participated in the Conduct Review Process, is unlawful and in violation of university policy. Anyone found to have engaged in retaliation will be subject to disciplinary action up to and including dismissal or termination from the university.

Group Conduct Review Process

Our students are held to high standards as defined in the Student Code of Conduct and other university policies, procedures and rules. Students remain subject to the provisions of the Student Code of Conduct and university policies, procedures and rules at all times, including while engaged in activities of university recognized student clubs and organizations (each, a "Group"), whether on or off campus.

In addition, Groups are also held to the same high standards of conduct. The Group's president or his/her designee and members of the Group should at all times be aware that the actions of the Group and its leaders and members, as well as individuals who are authorized or permitted to represent themselves as connected to the Group ("Group Representatives") and guests of the Group ("Group Guests"), reflect on both the university and the Group. As a result, a Group may be held responsible for both the Group's misconduct and for the misconduct of any one or more of its leaders, members, Group Representatives and/or Group Guests. Such misconduct includes any violation of the Student Code of Conduct or any other university policy, rule or procedure, including but not limited to

- hazing
- theft
- assault
- vandalism
- discrimination and harassment
- dishonesty
- any violation of the Drug and Alcohol Policy (p. 9)

- any violation of the Good Neighbor Policy (p. 55)
- any violation of Residential Life policies and rules
- any violation of Student Involvement & Leadership rules governing student organizations, club sports, fraternities, sororities and social fellowships
- any violation of any academic policies
- any misappropriation or misuse of Group funds or university funds
- any violation of any federal, state or local law, regulation, rule or ordinance

When

- members of the Group act in concert with respect to misconduct;
- the individual committing the misconduct was either acting on behalf of the Group or engaged in a Group-sponsored, financed or endorsed activity;
- the misconduct grows out of, occurs during, or is related to any Group-sponsored, -financed or -endorsed activity or event or environment created by the Group;
- the Group's leaders have knowledge of the misconduct or incident before or while it occurred and failed to take corrective action; or
- a pattern of individual misconduct by Group members is found to exist.

The university administers the Group Conduct Review Process in good faith, making every reasonable effort to be fair to all involved. Groups have the right to participate in the Group Conduct Review Process without having past conduct violations discussed or used when a decision is being made concerning a current alleged violation; however, past violations may be considered when determining a sanction for a Group found responsible for a violation of the Student Code of Conduct. All students have the obligation to participate in the Group Conduct Review Process, as a witness or otherwise, when asked by a university representative.

Student Conduct generally follows the procedures under JWU Communications with Students (p. 6) whenever contact with students or a Group is necessary.

The Group Conduct Review Process does not replace the Conduct Review Process with respect to individual students, nor does it serve as an extension of or replacement for the local, state or federal civil or criminal court system. In addition, the outcome of civil or criminal proceedings concerning a violation will not control or be binding on the outcome of the university's Group Conduct Review Process for the same violation.

All Groups should be aware that it is the policy of the university to cooperate with local, state and federal law enforcement authorities in the investigation of crime. The university will not provide a sanctuary against criminal prosecution.

How the Group Conduct Review Process Works

Reports of Violations and Notification

Any individual who witnesses or becomes aware of an alleged violation of the Student Code of Conduct should report the violation to Campus Safety & Security, any member of the Student Involvement & Leadership staff, the dean of students, or Student Conduct. Once an alleged violation is reported, an incident report will be prepared by Campus Safety & Security describing the nature and circumstances of the incident and the parties involved. Campus Safety & Security may conduct further investigation if additional or supplemental information is needed. All incident reports that imply Group involvement are reviewed in Student Conduct and those that warrant action are then referred for either an educational conversation or a hearing, depending upon the nature of the alleged violation.

There are two types of Group Conduct Review hearings at Johnson & Wales: administrative hearings and panel hearings. Administrative hearings are held before a single hearing officer. Panel hearings are conducted in front of a panel made up of trained faculty and staff. In both cases, the role of the hearing officer or panel is to consider information provided from the investigation, from the Group and, to the extent necessary, from any complainants, participants or witnesses, in order to make a finding of "responsible" or "not responsible." More serious violations that may result in a sanction of withdrawal or suspension of recognition are referred for a panel hearing, while less serious violations are referred for an administrative hearing.

When an incident report is referred for a hearing, the Group's president or his/her designee will receive a notification describing the alleged violation and indicating the time and place for the hearing or a pre-hearing conference.

Any unexcused failure to attend a hearing or conference will result in the hearing being held in the absence of the Group's president or his/her designee, at which the hearing officer or panel will not have heard the Group's side of the story. If the Group has a legitimate need to reschedule a hearing or conference, the Group's president or his/her designee must contact the hearing officer as early as possible before the scheduled hearing or conference date to request rescheduling.

Hearing Procedures

The Group's president or his/her designee may participate in the Group Conduct Review Process. The Group may bring any relevant materials and witnesses with personal, relevant knowledge of the incident to the hearing. The Group may also bring an advisor. Advisors may attend the hearing, but cannot participate in any manner. Except for witnesses and advisors, other people may not attend the hearing with the Group.

At a pre-hearing conference (for panel hearings) or before the hearing gets underway (for administrative hearings), the Group's president or his/her designee may be asked whether the Group wishes to waive the hearing by acknowledging the Group's responsibility in the incident. If the Group acknowledges responsibility, sanctions will be imposed and the Group will not be entitled to an appeal. If the Group does not acknowledge responsibility, the hearing will proceed and the hearing officer or panel will

- outline the process
- review the incident report and/or allegations and any supplemental information
- hear any statements relating to the incident
- hear or review the statements of witnesses with personal, relevant knowledge of the incident (but other witnesses, such as character witnesses, will not be allowed to attend or be heard)
- hear or review the statements of other relevant witnesses (and where confidentiality is a consideration, the identity of such witnesses will not be disclosed to the Group)
- either defer the decision or render a decision of responsible or not responsible. Hearing officers and panels use the "more likely than not" standard to evaluate alleged violations.
- if the Group is found responsible, recommend one or more sanctions to the director of student conduct

The director of student conduct will review the recommendation and make a final determination of appropriate sanction(s) after consultation with the director of student involvement & leadership (taking into consideration the Group's prior conduct violations). The Group will receive a final written decision, which will set forth the final result and the sanction(s) imposed. The written decision will also include information regarding the appeal process and the deadline for filing an appeal.

**A Group that acknowledges responsibility is not entitled to an appeal.*

Appeal

The decision of the hearing officer (for administrative hearings) or the panel (for panel hearings) is final unless it can be demonstrated that one of the following has occurred:

1. Relevant, new information has come to light since the decision was made; or
2. The Group Conduct Review Process, as outlined, was not followed.

To request an appeal, a Group must submit a request in writing to Student Conduct. The request must be submitted within three business days after the date of notification of the outcome of the hearing and must state clearly the basis for the appeal. The appeal will be reviewed upon receipt, and a decision concerning the appeal will be available within a reasonable time. The decision of the appeal officer will be final.

The Group will receive a final written decision from the appeal officer, which will set forth the outcome of the appeal.

Retaliation, including intimidation, threats, coercion or discrimination, against any individual who has made a good faith complaint, or who has participated in the Group Conduct Review Process, is unlawful and in violation of university policy. Anyone found to have engaged in retaliation will be subject to disciplinary action up to and including dismissal or termination from the university.

Sanctions for Individuals

If a student is found responsible for a violation of the Student Code of Conduct, the student will be given one or more sanctions. Sanctions are designed to help prevent future Student Code of Conduct violations, to educate students on appropriate behavior required to succeed in the workplace and live in society, and where appropriate, to remedy any damage done.

University Dismissal

Permanent dismissal from the university (noted in the student's education records), which prohibits the student from attending the university (at any campus or learning site) or any university events and from entering or being present without permission on any property of the university. A student who is dismissed from the university will still be responsible for certain tuition and housing charges, subject to any applicable refund policy.

University Suspension

A temporary suspension from the university, which prohibits the student from attending the university (at any campus or learning site) or any university events and from entering or being present without permission on any property of the university. During a university suspension, a Student Conduct Hold is placed on the student's academic record, which prevents the student from registering for classes and/or graduating. Requests for reinstatement after a university suspension will not be granted until all conditions of the suspension have been met and all other sanctions have been completed. As with dismissal, a student who is suspended from the university will still be responsible for certain tuition and housing charges, subject to any applicable refund policy. When a student returns from suspension, the student will be placed on conduct probation for a minimum of two terms. In certain instances, a student may be suspended until the complainant graduates.

Dismissal from Housing

Permanent dismissal from university housing, which prohibits the student from living or being a guest in any university or campus housing. In the case of dismissal from housing, the student is required to pay room and board charges for the remainder of the term during which the dismissal takes effect.

Suspension from Housing

A temporary suspension from university housing, which prohibits the student from living or being a guest in any university or campus housing and from entering into a new housing contract for the duration of the suspension. Requests for new housing contracts after a suspension are handled by the dean of students or his/her designees; a new student housing contract will be permitted only if the student is able to demonstrate to the satisfaction of the dean or his/her designees that the student will not engage in any further violations of the Student Code of Conduct, and that all other conditions of the suspension, if any, have been met and all sanctions have been completed. As with dismissal from housing, the student will be responsible to pay room and board charges for the remainder of the term during which the suspension takes effect.

Suspension of Privileges

A suspension of privileges, which prohibits the student from participating in specified activities (such as intercollegiate or intramural athletics, campus events, extracurricular activities, student life activities, student leadership positions, student clubs or organizations, etc.) or from entering certain university buildings or facilities (such as residence halls, dining centers, university fitness or athletic facilities, certain administrative or academic buildings, parking garages/lots, etc.) or other areas of the university during the period of the suspension.

Interim Suspensions

An immediate, temporary suspension that remains in effect until the Conduct Review Process has been completed. An interim suspension can be a suspension from the university, from housing, from a classroom, from an academic course, lab, practicum, and/or a suspension of privileges. Interim suspensions are used when the university perceives that because of the nature of the alleged violation or other factors, an interim suspension is advisable to help protect an individual or the university community, property or the normal operations of the university until the Conduct Review Process has been completed. Since the university may, at the request of a student who is facing both Student Conduct and criminal proceedings for the same violation, delay the Conduct Review Process while the criminal proceedings take place, an interim suspension may also be used until that student's criminal proceedings have been completed.

Conduct Probation

A student who receives a sanction of conduct probation will, at a minimum, be suspended from the university if the student is found responsible for the same or for a similar violation of the Student Code of Conduct while on conduct probation.

Conduct Warning

A warning given to the student, which indicates that additional sanctions will be imposed if the student engages in future violations of the Student Code of Conduct.

Fines/Fees

Monetary penalties, which must be paid by the date specified when the sanction is given.

Restitution

The purpose of restitution is to make good or compensate the university for loss, damage or injury. Restitution can take the form of a monetary payment, the repair or replacement of damaged property, or participation in a campus or community work or service project. Restitution must be completed by the date specified when the sanction is given.

Letters of Apology

Letters of apology must be submitted to Student Conduct, and Student Conduct may forward them to the appropriate parties. Letters of apology must be submitted by the date specified when the sanction is given.

Campus/Community Service

Campus/community service includes providing services to the university or to a recognized nonprofit agency of the student's choice for a specified number of hours or for a particular work or service project. Campus/community service must be completed by the date specified when the sanction is given.

No Contact Order

A no contact order is a requirement to avoid another person or persons and not have any direct or indirect contact with such person(s), including email, text messages, mail, telephone, instant messaging, face-to-face contact, social media interactions or any contact through a third party. A no contact order requires the student to take action to avoid encounters with the other person(s). In cases where a no contact order impacts class, lab or work activities, the student should notify the student's professors and/or supervisors to address any situations that may conflict with the No Contact Order. A no contact order may also be imposed as an interim action while a case is pending. If a student fails to abide by the no contact order, the student may be placed on interim suspension from the university.

Housing Relocation

Required relocation to another room within the university housing system.

Educational Sanctions

In addition to other sanctions, a student found responsible for violating the Student Code of Conduct may be assigned educational sanctions, such as: required attendance at an educational program relevant to the violation for which the student was found responsible, reflective/research papers, classes, seminars, interviews, presentations, projects and/or other creative sanctions. Educational sanctions must be completed by the date specified when the sanction is given.

Sanctions for Groups

If a group is found responsible for a violation of the Student Code of Conduct, the group will be given one or more sanctions. Sanctions are designed to help prevent future Student Code of Conduct violations, to educate the group and its leaders and members on appropriate behavior required to succeed in the workplace and live in society, and, where appropriate, to remedy any damage done.

Withdrawal of University Recognition

Withdrawal of university recognition for a group means that the group may no longer exist as a group at the university and that students may no longer participate in that group as members, leaders or otherwise. Any student who continues to participate in or accept members into any group for which the university has withdrawn recognition will be subject to the Conduct Review Process. Withdrawal of university recognition will require the group to reapply for any university recognition, which may not take place prior to four calendar years after the sanction is imposed. Conditions for future recognition may also be specified.

Suspension of University Recognition

Suspension of university recognition for a group means that the group may not exist as a group at the university during the stated period of the suspension, and that students may not participate in that group as members, leaders or otherwise during the stated period of the suspension. Additional conditions may be imposed upon the group's return to the university. Any student who continues to participate in or accept members into any group, which the university has suspended, will be subject to the Conduct Review Process.

Suspension of Group Privileges

Suspension of a group's privileges includes, but is not limited to, suspension of university funding, holding events and/or meetings, accepting new members, participating as a group in university/campus events during the stated period of the suspension, etc. The group may not participate in any of the suspended privileges during the stated period of the suspension. Any group that continues to participate in any of the suspended privileges during the period of the suspension will be subject to additional sanctions.

Interim Suspension of University Recognition or Group Privileges

An immediate, temporary suspension which remains in effect until the group Conduct Review Process has been completed, unless otherwise stated. An interim suspension can be a suspension of university recognition or a suspension of group privileges. Interim suspensions are used when the university perceives that because of the alleged violation or other factors, an interim suspension is advisable to help protect an individual or the university community, property or the normal operations of the university, until the group Conduct Review Process has been completed. Any student who continues to participate in or accept members into any group, which the university has placed on interim suspension (other than as part of the group Conduct Review Process), will be subject to the Conduct Review Process. For questions regarding interim suspensions, please contact Student Conduct.

Conduct Probation

A group who receives a sanction of conduct probation will be placed on suspension of university recognition if the group is found responsible for the same or for a similar violation of the Student Code of Conduct within the stated period of conduct probation.

Fines

Fines/fees are monetary penalties, which must be paid from the group's funds by the date specified when the sanction is given.

Restitution

The purpose of restitution is to make good or compensate the university for loss, damage, or injury. Restitution can take the form of a monetary payment, the repair or replacement of damaged property, or participation in a campus or community work or service project. Restitution must be completed by the date specified when the sanction is given.

Campus/Community Service

Campus/community service includes the group providing services to the university or to a recognized nonprofit agency of the group's choice for a specified number of hours or for a particular work or service project. Campus/

community service must be completed by the date specified when the sanction is given.

Educational Sanctions

In addition to other sanctions, a group found responsible for violating the Student Code of Conduct may be assigned educational sanctions, such as: required attendance at an educational program relevant to the violation for which the Group was found responsible, reflective/research papers, classes, seminars, interviews, presentations, projects and/or other creative sanctions. Educational sanctions must be completed by the date specified when the sanction is given.

Conduct Warning

A warning given to the group, which indicates that additional sanctions will be imposed if the group engages in future violations of the Student Code of Conduct.

Student Government Association

The Student Government Association (SGA) is the senior student governing body at Johnson & Wales University. SGA is an organization of students committed to enhancing the student experience in and out of the classroom at Johnson & Wales University.

SGA was established to listen, represent and act on the concerns that affect students within the entire Johnson & Wales University community. The group acts as a voice for students and works to maintain open lines of communication between students, faculty and administration.

Senators are elected from various constituencies on campus to represent the student body. SGA sponsors open forums and meetings for discussion, represents the student body during university administration meetings, and sponsors activities throughout the school year for all members of the JWU community. All students are encouraged to participate.

For more information, contact the appropriate campus.

Student Services

Academic and community-related services for students enrolled at JWU.

Campus Dining

The Wildcat Dining Center (<http://www.dineoncampus.com/jwudenver>), managed by Compass Group USA Inc. through its Chartwells division, is the on-campus dining facility at the Denver Campus.

Those students who have allergies or sensitivities to particular food items are encouraged to contact Chartwells dining services management at 303-256-9491 immediately upon arriving on campus. Dining Services is located on the first floor of the Wildcat Center in the dining center.

Meal Plans

There are a variety of meal plan options available to campus residents.

Resident students are required to select a meal plan when they make their residence hall selection. Meal plan offerings vary based on class year and residence hall and may include 10, 14 or 18 meals per week. Students have access to their meal plans Sunday through Saturday, one swipe per meal period. Unused meals do not roll over from week-to-week or from term-to-term.

Every meal plan also offers flex dollars that are loaded onto the student's ID card and can be used at any dining location. This allows students to make smaller purchases rather than utilizing a full meal swipe. Flex dollars can also be used for guest meals. The balance will decline as flex dollars are used. Flex dollars are allotted each term and unused dollars roll over from week-to-week but expire at the end of the term and cannot be rolled over to a new term.

All students also have the ability to purchase individual meals at the door or Wildcat Meals in blocks of 10, 25 or 50. Additional flex dollars in increments of \$25 may also be purchased. Wildcat Meal blocks and additional flex dollars may be purchased online (<http://www.dineoncampus.com/jwudenver>). All Wildcat Meals and additional flex dollars roll over from term-to-term but expire at the end of the academic year in which they are purchased. The cost of the Wildcat Meal plan and additional flex dollars is nonrefundable.

Once a student has paid for the plan, they can check the status of meals and flex dollars by visiting campus dining. The student must present a valid student ID to receive this information.

Commuters

Commuter students have the ability to purchase Wildcat Meals in blocks of 10, 25 or 50 as well as additional flex dollars in increments of \$25. Wildcat Meal blocks and additional flex dollars may be purchased online (<http://www.dineoncampus.com/jwudenver>). All Wildcat Meals and additional flex dollars roll over from term-to-term but expire at the end of the academic year in which they are purchased. The cost of the Wildcat Meal Plan and additional flex dollars is nonrefundable.

Guests

Guests may purchase a single meal at the door or use Wildcat Meals or flex dollars from their escort's card at the Wildcat Dining Center or Outtakes.

Policies

Students are expected to act and dress in an appropriate manner while in campus dining facilities. Specific rules may be posted at each facility. Students must present their student ID card to gain entrance into Wildcat Dining Center. Lost or stolen cards must be reported to Campus Safety & Security to prevent unauthorized use.

Food may not be taken out of the dining hall unless an eco-clam shell (to-go container) is purchased for \$5. Students may keep the container and exchange it daily for a clean container for no additional cost.

The dining hall is only for students, faculty and staff who have purchased a meal or anyone who has purchased a meal at the door.

Hours

Dining services are closed during class and holiday breaks. Up-to-date listings are posted in the student dining center and on the Dining Services website (<http://www.dineoncampus.com/jwudenver>).

Campus Safety & Security

Campus Safety & Security promotes the safety and well-being of JWU students, faculty, staff and property. Campus Safety & Security contributes to the quality of university life by fostering an environment in which security is balanced with freedom of movement, and individual rights are balanced with community needs. JWU strongly encourages the prompt and accurate reporting of all suspicious or criminal activity that occurs on or near university property. Students and staff should report this activity immediately by calling 303-256-9500. In an emergency situation, students should dial 911. Officers are available 24 hours a day, 365 days a year.

Campus Safety & Security distributes crime alerts and community notices describing incidents to keep students informed of any serious and continuing threat on or near campus. A daily log of all crimes is maintained in Campus Safety & Security. The log is available to view.

Campus Safety & Security has crime prevention officers and community outreach officers. The crime prevention officers administer the university's Project ID program, which provides students with an opportunity to engrave culinary knife kits and personal items brought to the university at no cost. In addition, the officers conduct formal and informal safety training sessions.

For medical and other serious emergencies, dial 911 first for emergency assistance and then call Campus Safety & Security at 303-256-9500.

Students who would like to file a report with Campus Safety & Security because they witnessed a crime or were a victim of one should call 303-256-9500 and an officer will be dispatched to them.

Students who wish to file a report or handle a routine business matter in person should visit the Campus Safety & Security headquarters in the Academic Center (open 24 hours a day, 365 days a year).

In compliance with the Higher Education Act, Johnson & Wales University publishes an Annual Security Report and an Annual Fire Safety Report. The Annual Security Report discloses information about campus security and statistics concerning reported crimes that occurred on campus, on public property close to campus or on other property used or controlled by the university. The Annual Fire Safety Report discloses information about the campus fire safety policies and procedures and statistics concerning the number of fires, deaths, injuries, fire drills and fire-related property damage within each residence hall. Copies of the reports may be obtained by calling 303-256-9500 or through Campus Safety & Security (<http://www.jwu.edu/denver/safety>). The university maintains a log of all fires that occur in on-campus housing.

Any student who resides in a university residence hall has the option to designate a contact person to be notified if the student is determined to be missing for more than 24 hours. The option is only available to students who are living in JWU residence halls. If a student registers a confidential contact, the identity of the contact will be kept confidential and cannot be accessed by anyone except Campus Safety & Security, a limited number of authorized JWU officials and local law enforcement personnel if needed for the investigation of the student's disappearance. Confidential contacts may be registered by email from a student's JWU-issued email account. Instructions for registering a confidential contact and further information regarding confidential contacts can be found on the Campus Safety & Security website (<http://www.jwu.edu/denver/safety>).

CARE Team

The CARE (Crisis Aversion and Response Evaluation) Team is comprised of university staff and faculty members. This group meets regularly to share and coordinate information relative to the behavior of any student who appears to pose a risk of harm to self or others and to develop strategies as necessary for early intervention in accordance with existing university policies.

Any concerns about a student whose behavior appears to pose a risk of harm should be directed to Campus Safety & Security at the appropriate campus. The information shared will be treated with the highest level of discretion. The CARE Team members have the utmost regard for the safety, rights and well-being of all students as they evaluate and develop responses to potential issues that are referred to the team.

Leadership Programming and Community Service

Leadership Programming is comprised of the following:

- The **Leadership Speakers Series** kicks off leadership programming by inviting a variety of speakers to campus to discuss their unique and interesting leadership positions, experiences and how they serve as leaders in their professional endeavors. The Leadership Speakers

Series encompasses all majors and/or interests with the help of campus collaboration.

- The **Emerging Leaders Series** (ELS) introduces students to leadership opportunities on the Denver Campus. ELS helps prepare its members to pursue student leadership roles in Student Government, Student Involvement & Leadership, Residential Life, Student Organizations, New Student Orientation and Campus Activities Board.
- **LEAD0001 Resident Assistant Leadership** is our specially designed, for-credit leadership class for all students who have been accepted as Resident Assistants and Wildcat Interest Groups for Incoming Students (WIGIS) Leaders. This class helps prepare student leaders for the roles for which they have been selected by providing a theoretical foundation with practical skill development specific to their new service roles.

Leadership Programming provides students with opportunities to learn and practice leadership through a variety of skill-building, group-development and practical-application opportunities.

Community Service

Nonprofit organizations, schools and public agencies frequently reach out to JWU students to fulfill volunteer roles. Community Service serves as a central coordination point for these opportunities and connects students, faculty, staff and student organizations to volunteer-based service events and activities throughout the year.

The Community Service Network (CSN) is a student-led, student-driven organization that acts as the main hub on campus for students to learn about and take part in co-curricular service projects. In addition to regular volunteer opportunities, their efforts include putting on the annual MLK Day of Service in January and Spring Day of Service in April. CSN gives students an opportunity to gain and build on their leadership skills, become educated and understand root causes of community issues.

Denver Campus students also have the opportunity to participate in a service-based Alternative Spring Break program that engages them in volunteer work over a period of consecutive days accompanied by guided reflection activities.

Service Learning

In addition to co-curricular activities involving service learning, there are also a variety of academic service learning opportunities on the Denver Campus. LEAD1010 Foundations of Leadership Studies, a course common to many majors, requires a beginner-level service learning experience that is integrated with course material in an effort to enhance learning outcomes. Please refer to the catalog (<http://catalog.jwu.edu/academicinformation/servicelearning>) for more information about this and other academic service learning opportunities.

Emergency Procedures

Effective emergency response requires the coordinated efforts of students, staff and faculty. Each member of the Johnson & Wales community should be prepared to act promptly when faced with an emergency. The Denver Campus has developed an emergency management plan that contains information on building evacuation procedures; emergency responses related to explosions, hazardous materials release and other threatening situations; and actions that should be taken if the campus is in "lockdown" or "shelter-in-place" condition.

This information can be found on the university's public folders ([_Emergency Procedures > Denver Campus > JWU Emergency Plan and Procedures](#)) or students may request a paper copy through Campus Safety & Security. Students may also want to print copies of the Emergency Procedures Quick Reference and Emergency Evacuations and Rally Points to have handy at all times when they are on campus. Emergency preparedness involves everyone on campus. Students should do their part by reading all of the documents in the public folder. The emergency quick reference procedures are also included in the Annual Security Report and Annual Fire Safety Report (<http://www.jwu.edu/uploadedFiles/Documents/General/Reports/JWUSecurityReport2014DEN.pdf>) posted through Campus Safety & Security (<http://www.jwu.edu/denver/safety>).

Johnson & Wales University uses a number of systems to notify the university community in the event of an emergency. These systems include the following:

Emergency Notification System (Blackboard Connect)

This system quickly provides notice and accurate information and instructions to the entire university community during an unforeseen event or emergency. Emergency notifications are sent via voice and text messages; students are encouraged to update their contact information with a valid phone number (preferably a cellphone) through jwuLink (<https://link.jwu.edu>).

JWU Alerts Denver Campus Web Page

Should an incident (natural or man-made) occur on or near the Denver Campus, the Denver Campus will post relevant information when appropriate through the JWU Alerts Denver Campus page (<http://www.jwu.edu/alerts/denver>) and jwuLink (<https://link.jwu.edu>) (Emergency Alerts).

Alert Information Line

The Denver Campus alert information line announces inclement weather cancellations and other important information regarding interruptions in normal campus activities. Call 303-256-9348 (24 hours a day, seven days a week) to reach the information line.

University Email

JWU email accounts are another way the university may communicate with the university community in times of an emergency. Each JWU student is assigned a JWU email account.

Experiential Education & Career Services

The purpose of Experiential Education & Career Services is to support the university's mission to integrate general education, professional skills and career-focused education by providing students with customized services and support for experiential education and career planning. Experiential Education & Career Services achieves its purpose through a team of qualified career professionals by providing expert advising, an array of career services and strategic partnerships with employers, faculty, and staff. Our goal is to empower students to make effective career choices and identify and pursue internships, secure employment and navigate lifelong career direction.

Career services components include

- a career capstone course for juniors that prepares them to navigate the job search process
- career workshops that allow students to select specific skill-building topics
- networking opportunities with industry professionals through on-campus interviews and recruiting events
- one-on-one career advising on a variety of career-related topics
- work experience programs designed to provide practical experience in a student's chosen field of study while they earn academic credit
- an online job posting system that students can use to search for jobs and internships

Opportunities for internship are available in the College of Management, the College of Culinary Arts, the College of Arts & Sciences, and the School of Engineering & Design (Providence Campus only). Internship is designed to provide eligible students with practical work experience in their chosen field of study while earning academic credit.

Employers representing a broad range of fields visit campus each year to participate in recruiting events, conduct interviews and serve as guest lecturers and classroom speakers. These activities provide students with a real-world view of industry as well as opportunities to connect with industry professionals and career options.

Students should log into jwuLink (<https://link.jwu.edu>) and click on the Jobs & Internships tab for a variety of resources and tools, such as the internship and job postings database, upcoming career events schedule, résumé guides, access to information on the internship and job search process, and more.

Experiential Education & Career Services offices are typically open 8:30am to 4:30pm, Monday through Friday. Some offices may be open later depending on the campus.

Information Technology

The Johnson & Wales Information Technology team offers a variety of computing and telecommunication services. Their website has answers to many questions about the services provided. Students who have any technology-related questions should contact the IT Service Desk at 866-JWU-HELP (866-598-4357) or via email.

Email Services

Each student at Johnson & Wales University receives an email account. Students may use this email account anywhere they have Internet access, on or off campus. The student email account not only serves as a tool for sending and receiving email, but also provides access to important university resources. Students are required to use their email username and password to log into computer center services. Johnson & Wales University also offers a utility that allows students to securely reset their own forgotten password. To use this service, students must first create an account profile.

Students should obtain an email user name and password as a new user to begin using JWU email services. They can check their email by logging into jwuLink or Wildcat Email. Also, students can set up their email account on their phone or mobile device.

Note: Once a student's account receives an inactive status from Student Academic & Financial Services, their email and network accounts are disabled within one business day. If a student's account returns to an active status within 30 days, their email and network account will be reactivated. If a student's account returns to active after 30 days, a new email and network account will be created for the student 24 hours after they have registered for courses. This may or may not be the same as the student's previous account, depending on availability.

IT Service Desk

The IT Service Desk is available to assist students with email, Internet, telephone, jwuLink and other technology-related questions. Students can visit the IT Service Desk website for answers to many questions. Students can also reach the IT Service Desk via telephone at 866-JWU-HELP (866-598-4357) or via email.

For students taking online courses, ulearn support is provided via email and phone, as well as through self-help user guides. See the help links in ulearn for details on ulearn support.

When visiting a JWU campus, wireless Internet access is available. For more information, please refer to the appropriate campus' student handbook.

Internet Services

Internet access is available in all computer centers and all residence facilities. Students' computers must have a network card installed and configured to access the Internet from their residence hall room. Students who would like more information on Internet connectivity for their specific room assignment should contact the IT Service Desk.

JWU has implemented a network authentication system on the student wireless network (WIFIJWU). This is to ensure that only authorized users (those with valid JWU email accounts) can access the system.

For more information about this system, call the IT Service Desk at 866-JWU-HELP (866-598-4357) or refer to their website.

Johnson & Wales University has also implemented a wireless network for students with coverage throughout campus. Students need a WiFi-compliant wireless card and valid JWU email account to access the network.

Anyone who uses the Johnson & Wales University internet system and related facilities must agree to the policies and procedures set forth by the

university. These policies can be found through the IT Service Desk. Violations or attempted violations will subject the violator to disciplinary and/or legal action by the university.

jwuLink Services

Every Johnson & Wales student receives access to jwuLink (<https://link.jwu.edu>), a single sign-in resource to all things JWU, upon receipt of the reservation fee. It helps students stay connected and informed by giving quick access to

- email, news and announcements
- academic, library, career and financial resources
- scheduling, grades and more

To begin using the system, students must follow the new user steps by visiting the webpage listed under the Email Services section (see above). Upon graduation or leaving the university, students will continue to have access to their records via jwuLink.

Students with limited access to a personal computer may use on-campus resources, including computer labs and jwuLink self-service kiosks located throughout the university.

Protect Your Information

Identity theft is a concern and the university strongly suggest that all students take necessary precautions to prevent access to their jwuLink or email accounts by a prohibited user. It is each user's responsibility to safeguard their login and password information; the university strongly cautions students against freely sharing this information. Contact the IT Service Desk immediately if unauthorized access has occurred or is suspected.

Telephones

Telephone service is no longer available in students' residence hall rooms (with the exception of Harborside Village at the Providence Campus). However, there are community phones located in every residence hall. This telephone may be used to call staff, faculty and any JWU office by dialing the four-digit extension.

At the North Miami Campus, security phones are located in every corridor on every floor of the residence hall, and dial directly to Campus Safety & Security. To place local and toll-free calls, courtesy phones are provided in the lounge or recreation rooms of each residence hall. To make a long-distance call from the courtesy phone, residents are required to use a prepaid calling card or a card which bills directly to them or their home telephone number. Most courtesy telephones may be used to call staff, faculty and any JWU office by dialing the four-digit extension.

For medical and other serious emergencies, these telephones may be used to dial 9-911 (8-911 at the Denver Campus) for assistance, and then Campus Safety & Security at

- North Miami: 305-892-7011
- Denver: 303-256-9500
- Charlotte: 980-598-1900

Faculty and staff are no longer able to contact students by calling their JWU room extensions. Alternate means of communication, such as cellphone numbers or email addresses, will need to be provided by students so they can stay in touch with their professors during the academic year

International Student Services

International Student Services coordinates special orientation sessions for new international students. It also offers nonlegal advice on matters relating to immigration and visas, and information on cultural adaptation, housing and university services. Over the course of the year, many seminars are conducted to familiarize students with issues such as immigration, taxes, culture and employment.

International students must abide by the rules and regulations set forth by the U.S. Department of Homeland Security. The 10 rules that international students are personally responsible for upholding are as follows:

1. Students must attend the school for which they are authorized. Make sure to use the Johnson & Wales University I-20 to enter the United States.
2. Students must keep their passport and I-20 valid at all times. I-20s must be reissued when any information on them changes (e.g., name, major, sponsor, etc.).

- Students must carry a full course of study every term from September to May. (Undergraduates: minimum of 12.0 quarter credit hours. Graduate students: minimum of 9.0 quarter credit hours.)
- When continuing from one educational level to another (i.e., associate to bachelor's or bachelor's to master's) within Johnson & Wales University, students will need a new I-20 issued for the next degree level.
- On-campus employment must be limited to a total of 20 hours per week while school is in session.
- Off-campus employment may only be granted after applying to United States Citizenship and Immigration Services (USCIS) through the International Center. Students may not work off campus without authorization from USCIS.
- All trips outside the U.S. require a signature from the DSO at the International Center on a student's I-20 to re-enter the United States. Travel signatures require updating each term.
- Students should be aware of the expiration date on their I-20. Remember: if necessary, I-20s can be extended.
- Students must report a change of residence to the International Center and USCIS within 10 days of the change.
- Everyone, whether employed during the previous year or not, must file a tax form by April 15 for each year in the United States. To assist students, the university has established a relationship with a firm that specializes in foreign nationals' U.S. tax matters. **Note:** Please note the limitations in the firm's terms of use. JWU assumes no liability for students' use of this service and cannot provide students with tax advice. If preferred, students may use a firm or tax preparer of their own choice. For such advice, students should contact the IRS or a professional tax preparer.

Libraries

The Johnson & Wales University Library network (<http://library.jwu.edu>) is comprised of libraries on the JWU campuses in Providence, R.I.; North Miami, Fla.; Denver, Colo.; and Charlotte, N.C. The network combines traditional library services with a dynamic online information environment tailored to meet the needs of Johnson & Wales students regardless of their geographic location. Staffed by graduates of ALA-accredited master's degree programs in library and information science, an important aspect of the library is the access it provides to resources, services and facilities shared by the Higher Education Library Information Network (HELIN), a consortium of 11 academic libraries and 15 health sciences libraries in southern New England. Another notable characteristic of the JWU Library network is the dedication of its resources to the development of lifelong learning and information literacy skills for all JWU graduates.

The Denver Campus Library is located on the ground floor of the Academic Center and serves the academic needs of the university. The library provides curriculum-related and recreational materials in print, multi-media and electronic format. The facility includes group and individual study space as well as one open computer lab and two classrooms. A photocopier (\$0.05/copy) and a public fax machine are available. The library is open seven days a week during the academic year. Exceptions apply for holidays and student breaks. During operating hours, full-time staff is available to offer assistance on how to effectively use library resources and in finding the most pertinent information for assignments. Students can begin their research from anywhere they have access to the Internet by visiting the library's website (<http://jwudenver.libguides.com>).

Additionally, students can use the following features:

- Search the library catalog (<http://library.uri.edu>) to find books, videos, magazines and electronic resources available at the Denver Campus Library.
- Full-text articles are available from the library's Databases by Name (<http://jwudenver.libguides.com/databasesbyname>) guide. Off-campus access requires a 14-digit Denver Campus Library barcode number (25159XXXXXXX) located on the front of the JWU student ID card.
- Get research assistance and find the most relevant information for papers, projects and other assignments through the library's subject, class and research guides. Access the guides via the Quick Links box on the library's homepage (<http://jwudenver.libguides.com>).
- Materials not available at the Denver Campus Library can be obtained from another library via Interlibrary Loan (<http://jwudenver.libguides.com/ill>).

Access to article databases and borrowing library materials are privileges available to currently registered students. Library barcodes are located on the front of the JWU student ID card. By borrowing materials from the library, you are agreeing to its borrowing policies (<http://jwudenver.libguides.com/borrowing>). Loan periods vary depending on the type of resource; fees are charged for overdue materials.

Lost and Found

Johnson & Wales University is not responsible for loss or damage to personal property.

Lost and found items should be turned in to Campus Safety & Security, ground floor of the Academic Center. The staff will make every effort to determine the ownership of lost items. Check to see if your insurance policy (homeowner's, family or personal) covers loss or damage to personal property. Items not retrieved by the end of the academic year will be donated or discarded.

Student Academic & Financial Services

Student Academic & Financial Services is comprised of several departments that assist students with a variety of academic and financial matters, such as maintaining student records, course scheduling, degree audits and progress, and providing academic counseling, as well as applying for financial aid, payment plans, invoicing, financial aid award notifications, financial questions and procedures.

Student Academic Services

Academic Services ensures the accuracy, integrity and security of academic records in compliance with federal laws and regulations while advising students to achieve their educational goals, transition to new academic and social communities, develop sound academic and career goals, and, ultimately, become successful learners.

Student Financial Services

Financial Aid and Planning

To assist students in meeting their educational expenses, Johnson & Wales University offers several types of financial assistance — scholarships, grants, low-interest loans and federal work-study. In many cases, qualified students receive a financial aid package which may include a combination of these awards. Students are reminded to file for financial aid each year and as soon as possible after January 1 to gain access to the maximum amount of financial aid. Priority filing deadline for many state grants is March 1.

Financial planners are available on a walk-in basis to assist students with the Free Application for Federal Student Aid (FAFSA), which determines eligibility for federal, state and institutional need-based aid. Financial planners also advise students on options to pay for educational expenses after financial aid,

including term payment plans, monthly payment plans and additional loan options.

For assistance in selecting payment options or making financial arrangements to meet educational expenses, contact Student Financial Services at the appropriate campus.

Financial Aid Notes

1. Students must reapply for financial aid each academic year as soon as possible after January 1.
2. If a student has ever been convicted of the possession or sale of illegal drugs for an offense that occurred while he or she was receiving federal student aid (such as grants, loans or work-study), the student may be in jeopardy of losing his or her aid.
3. Code of Conduct for Education Loan Practices: Johnson & Wales University's student loan policies take borrowers interest into consideration. The university has adopted the Code of Conduct for Education Loan Practices requiring all university employees and agents to act lawfully, ethically and with integrity and to avoid actual or potential conflicts of interest in connection with education loans made to prospective, current or former students and their families.
4. All undergraduate annual loan amounts are subject to pro-ration (i.e., off-term graduation, etc.). Please note that a student/borrower remains responsible for the repayment of education loans that he/she borrows even if the student is not successful in completing the educational program and/or obtaining employment. No student is required to apply for, or accept, any particular type of financial aid; however, it is strongly recommended that a student accept all grants.
5. For student loan borrowers, prior to leaving Johnson & Wales University, you are required to complete student loan exit counseling. For more information on your loan responsibilities and to complete student loan exit counseling, refer to loan repayment (<http://www.jwu.edu/content.aspx?id=51237>).
6. Students and parents of students are advised that if they enter into a Title IV, HEA loan, the loan data will be submitted to the National Student Loan Data System (NSLDS), and will be accessible by guaranty agencies, lenders and institutions determined to be authorized users of the data system.
7. Cap on Aid: There is a cap on the total amount of JWU scholarships and grant that the university will award to a single student during a given academic year. The maximum amount is determined prior to each year's financial aid awarding process and includes both university-funded and university-administered monies. Please contact Student Academic & Financial Services for further information regarding this cap.
8. Students participating in programs that are not assessed at full-price tuition (e.g. study abroad) may not be eligible for all of their institutional grants, scholarships or loans, and the award may be pro-rated.

Please consult the university catalog (<http://catalog.jwu.edu>) for a complete listing of scholarships and grants that are available to Johnson & Wales University students. Available scholarships may also be posted in Student

Academic & Financial Services, and on the Scholarships from Outside Agencies page (<http://www.jwu.edu/content.aspx?id=11772>) of the JWU website.

Refunds for Overpayment

A student may request a refund if their account is overpaid. Refund requests must be made via jwuLink (<https://link.jwu.edu>) (Financial > My Statement > Refund Request Form). Once eligibility is determined, refunds can take up to 10 business days for processing. The student only needs to request the refund once per academic year; the eligible refund will be processed each term. All refunds due to an overpayment will be disbursed to the jwuSource card if card has been requested. Students can also request a hard copy check. Exception: if one or both parents applied for and were approved for a Federal PLUS loan and did not authorize the release of funds to the student, the refund will be made payable to the borrower and mailed to the address shown on the PLUS application. The parent(s) with an approved PLUS loan can authorize the release of the refund to the student in writing with Student Academic & Financial Services and that refund will be processed on the jwuSource card if requested. If a student does not request a refund, the funds will remain on the student's account until the expiration of that academic year at which time the refund will be processed.

Credit Balances

Students who are eligible for a refund due to Title IV Federal Funds exceeding tuition and fees are processed automatically, without a request by the student. These refunds are processed within 14 days upon receipt of the Title IV Federal Funds. Students may apply for the jwuSource card for a quick, convenient way to receive their funds. Students may also opt to receive their funds in the form of a check. Students with a credit balance due to federal funds exceeding their charges have the ability to receive a book voucher two weeks prior to the start of the term.

Student Alumni Association

The Student Alumni Association (SAA) seeks to enhance the sense of community at Johnson & Wales University. Students are encouraged to view their role as students today and alumni forever, and to serve as a link in connecting students and alumni on the local and national levels. This is accomplished through hosting unique campus activities designed to foster institutional pride, spirit and tradition, and to educate students about philanthropy. The SAA also provides an opportunity for current students to work directly and network with alumni through campus and local events.

Student Employment

Human Resources provides a centralized location for students to learn about on-campus student employment programs in addition to processing the university's student payrolls.

The university provides on-campus student employment opportunities to eligible students through the following:

- Teaching Assistant Program
- Student Assistant Employment Program
- Federal Work-Study Program (FWS)/Community Work-Study (CWS)

These programs provide a variety of part-time employment opportunities throughout the university. FWS/CWS is part of a student's financial aid package and must be applied for by completing the Free Application for Federal Student Aid (FAFSA). Johnson & Wales University offers on-campus positions as well as off-campus community work-study service positions to enable eligible students to earn their FWS awards.

The Human Resources office is located on the first floor of Aspen Hall. Hours of operation during the academic year are Monday–Friday, 8:30 a.m.–4 p.m. Summer hours of operation are Monday–Thursday, 8:30 a.m.–4 p.m., and Friday, 8:30 a.m.–1 p.m. Contact Human Resources at 303-256-9310 for more information about on-campus employment opportunities.

Student Health Insurance Plan

All registered undergraduate day students, both domestic and international; all students enrolled in the Physician Assistant Program; all students enrolled in the M.S. in Counseling program; and all international graduate/doctoral students attending Johnson & Wales University and taking credit hours (excluding full-time Johnson & Wales employees) are eligible and enrolled in the plan on a hard waiver basis. If university policy requires students to have health insurance and the coverage is through another means (i.e., parent's health insurance or an employer program), the student does not have to utilize the university student health insurance plan and may opt out of/waive it. All current insurance must be accepted and fully comprehensive for all of the student's needs in the U.S. and the state in which the student attends class. Students can opt out of/waive the university plan by submitting the online waiver form to demonstrate evidence of coverage. A new waiver form must be submitted each academic year. Students who are required to have health insurance and do not waive the Johnson & Wales University plan will be charged for it. The online waiver form and details of the plan, including the full brochure and benefit flyer, can be found on the University Health Plans (<http://www.universityhealthplans.com>) website.
