This catalog is an official publication of Johnson & Wales University. As such, it and any other publications or policies on JWU’s website are subject to revision at any time. The university reserves the right to add, withdraw or revise any course, program of study, provision or requirement described within the catalog as may be deemed necessary. Occasionally, program requirements will vary by the publication date of the catalog. Requirements stated in the edition published closest to the September enrollment date will take precedence.

Students should read and fully understand the rules, requirements and policies described in this catalog. Additionally, all enrolled students are expected to be familiar with the contents of the North Miami Campus Student Handbook. The North Miami Campus Student Handbook contains important information regarding academic performance and personal conduct of students as well as university grievance procedures. It also outlines the conditions under which students may be placed on probation or suspension from the university. The North Miami Campus Student Handbook (http://catalog.jwu.edu/handbook/miami) is available online. Copies of the North Miami Campus Student Handbook and this catalog are also available at Student Academic & Financial Services.
Located between the fast-paced cities of Miami and Fort Lauderdale, North Miami is hemmed in by the beaches of Biscayne Bay. The area is a dynamic hub of sports, events, shopping, culture and restaurants that draws an energetic influx of world travelers, celebrities and outdoor enthusiasts.

 Appropriately referred to as the “Gateway to the Americas,” South Florida’s mix of cultures, international influences and urban setting makes the North Miami Campus an ideal place to prepare for your career — and at Johnson & Wales University, your career preparation begins from the moment you step foot on campus. Whether you choose to pursue a degree through our College of Management, College of Arts & Sciences, or the College of Culinary Arts, you’ll benefit from the depth of knowledge of our faculty members and the industry experience you’ll gain, combined with coursework designed to prepare you to begin your career.

 Our emphasis on developing future leaders extends beyond the classroom. Our students are encouraged to gain a broader understanding of the civic and business needs facing the community through volunteer service projects like Join Work Unite and various events throughout the South Florida community. Their exemplary service contributions have resulted in our campus regularly being named to the President’s Higher Education Community Service Honor Roll.

 As a JWU graduate, I know firsthand how JWU’s focus on experiential education and professional preparation benefit students. I am proud to serve as the president of the North Miami Campus and look forward to welcoming you.

 Sincerely,

 Loreen Chant ’89
 North Miami Campus President

About JWU

Founded in 1914, Johnson & Wales University is a private, nonprofit, accredited institution with approximately 16,000 graduate, undergraduate and online students at its four campuses in Providence, R.I.; North Miami, Fla.; Denver, Colo.; and Charlotte, N.C. An innovative educational leader, the university offers degree programs in arts and sciences, business, culinary arts, education, nutrition, hospitality and technology. Its unique model integrates arts and sciences and industry-focused education with work experience and leadership opportunities, inspiring students to achieve professional success and lifelong personal growth. The university’s impact is global, with alumni from 119 countries pursuing careers worldwide.

Here’s what makes JWU different.

• Degree programs are designed to provide you with the knowledge and skills employers have identified as necessary in your field of choice. And you don’t have to wait to build your career skills, as you’ll have the opportunity to take courses in your major in your first year.

• Students learn by doing. Faculty, many with industry experience, bring real-life knowledge and networking opportunities into small classroom settings.

• JWU’s programs provide opportunities for real-world experience, which can include internships, classroom projects with actual companies and community service learning. You’ll learn industry best practices and train on career-specific tools and software.

• Dedicated faculty and career advisors help you set professional goals and develop an educational plan designed for you to best attain those goals. In addition, specialized workshops help you build your résumé, highlight your skills and develop a portfolio of work to help set you apart.

• You’ll have the opportunity to network with employers who visit campus each year, including career fairs, on-campus interviews and career events geared to your major.

• JWU students intern at nearly 2,000 sites related to their major each year worldwide.

• At least one-third of credits in each JWU program are in the arts and sciences to help you develop the critical thinking, communication and analytical skills necessary for long-term career progression.

• JWU offers more than 40 study abroad programs and independent exchanges, all of which include study such as lecture, industry visits and cultural excursions. Study Abroad staff members will help you identify programs that best fit your academic and career goals.

• Participation in competitions as a member of DECA, BPA, FCCLA and other nationally recognized student organizations help build leadership, career skills and your résumé.

• Community service is integral to our educational philosophy. Our ongoing commitment to community service has repeatedly earned JWU a place on the President’s Higher Education Community Service Honor Roll.

History of JWU

Johnson & Wales University (JWU) was founded as a business school in 1914 in Providence, R.I. by Gertrude I. Johnson and Mary T. Wales. From its origins as a school devoted to business education, JWU has grown to a junior college, to a senior college, and ultimately to university status.

JWU was accredited in 1954 by the Accrediting Council for Independent Colleges and Schools (ACICS). In 1963 the State of Rhode Island granted a charter that authorized the university to operate as a nonprofit, degree-granting institution of higher learning and to award associate degrees in accounting, business administration, court reporting and secretarial sciences.

In 1970 the State of Rhode Island approved a revision in the university’s charter allowing it to award baccalaureate degrees as well as associate degrees. In 1972 and 1973 the university announced the addition of new associate degree programs in the fields of hospitality and culinary arts. This led to additional two- and four-year degree programs in the hospitality and food service fields.

In 1980 the university was granted a legislative charter to replace its previous charter and become authorized to award advanced degrees.

In 1984, a JWU campus was established in Charleston, S.C., which offered a variety of two- and four-year programs in food service, hospitality and travel-tourism. A JWU campus opened in Norfolk, Va., in 1986, offering one- and two-year food service programs.

In 1985, graduate degree programs were introduced at the university. Today the Alan Shawn Feinstein Graduate School offers an MBA degree program, as well as master’s degrees in criminal justice and education. An Ed.D. in Educational Leadership is also offered.

The university officially changed its name to Johnson & Wales University in 1988.

In 1992, JWU opened a campus in North Miami, Florida, offering two- and four-year food service, business and hospitality programs. That year also marked the university’s formal establishment of the College of Business, The Hospitality College, the College of Culinary Arts and the School of Technology. A new emphasis on general studies was introduced with the development of the School of Arts & Sciences.

JWU received regional accreditation from the Commission on Institutions of Higher Education of the New England Association of Schools and Colleges (NEASC) in 1993. In that same year, JWU opened a campus in Vail, Colo., which offered an accelerated associate degree program in culinary arts to college graduates. The year also marked the beginning of a four-year bachelor’s degree offering in culinary arts.

From 1994–2004 JWU offered programs at the Institute of Higher Marketing (IHM) Business School in Göteborg, Sweden. This joint educational agreement allowed business and hospitality students to complete one year of study in Sweden and finish their degrees at one of the university’s domestic campuses.

The university consolidated its institutional accreditation efforts under NEASC on June 30, 2000.

September 2000 marked the opening of the Denver, Colo., campus, which offers two- and four-year degrees in culinary arts, hospitality and business, as well as an accelerated associate degree program originally offered in Vail. In 2000, the Vail Campus merged with the Denver Campus.

In 2002, the university made a strategic decision to consolidate its smaller Charleston and Norfolk campuses to build a campus in Charlotte, N.C. JWU’s Charlotte Campus opened in fall 2004 and offers associate and bachelor’s degree programs in business, culinary arts and hospitality. The Charleston and Norfolk campuses officially closed in May 2006.

Beginning with the 2008–2009 academic year, JWU’s College of Business and The Hospitality College eliminated associate degrees and began offering only bachelor of science degrees that allowed students to customize their education. This decision did not impact the College of Culinary Arts and the School of Technology.

In 2009–2010 JWU recruited, admitted and enrolled the entering class for two online bachelor’s degree programs in food service management.

In fall 2012 the university began offering a degree in counseling psychology, the first bachelor’s degree program offered through the John Hazen White School of Arts & Sciences. This was followed in fall 2013 by the addition of two more arts and sciences degree programs.

That same year, the university restructured into three colleges and three schools: the College of Culinary Arts, the College of Arts & Sciences, the College of Management, the School of Engineering, the School of Online & Continuing Education, and the Center for Physician Assistant Studies (to be incorporated into a future School of Health Sciences).

Mission and Guiding Principles

Johnson & Wales University … an exceptional education that inspires professional success and lifelong personal and intellectual growth
In support of our mission and recognizing the importance of preserving our unique student-centered culture we will be guided by the following principles:

- Undertake continuous improvement and planning for a sustainable future.
- Foster a teaching-focused university that encourages appropriate scholarship and offers relevant programs that maximize student potential.
- Enrich our academic programs with experiential and work-integrated learning.
- Be cost-conscious in our endeavor to provide an affordable private university education and be a good steward of our resources.
- Embrace diversity for a richly inclusive community.
- Model ethical behavior and local, national and global citizenship.
- Value our faculty and staff by investing in their quality of life and professional development.
- Provide facilities, technology and other resources to meet the needs of students, faculty and staff.

North Miami Campus
North Miami, Florida

The North Miami Campus offers undergraduate degree programs in arts and sciences, business, culinary arts and hospitality. This campus is located conveniently close to the tourism-rich areas of Fort Lauderdale and Miami, offering a superb setting for a JWU education.

For more information about JWU’s North Miami Campus (http://www.jwu.edu/northmiami), contact Admissions 1701 NE 127th Street, North Miami, FL 33181 1-866-JWU-FLORIDA (598-3567)

Campus Facilities

The UNIVERSITY CENTER is home to offices for Student Academic & Financial Services, the College of Culinary Arts, Accounting, Purchasing and Campus Dining. All offices are located on the first floor. This building is also home to lab and classroom space for the College of Culinary Arts and The Mix, the campus’ dining center. The top three floors of the building are home to Flamingo Hall, a residence hall primarily for freshmen.

The ACADEMIC & STUDENT CENTER houses classes for the College of Management and the College of Arts & Sciences as well as several administrative and student service offices. The first floor is home to computer labs, Experiential Education & Career Services, the bookstore and the Center for Academic Support. The second floor is home to classrooms, Facilities Management, Health Services, Counseling Services and the offices for the College of Arts & Sciences. The third floor is home to classrooms, the TLS Faculty Center, the Academic Technology Station and the English Language Institute. The fourth floor includes classrooms and offices for the College of Management. The fifth floor includes administrative offices and meeting space for the President’s Office, Student Affairs, Academic Affairs, Professional Training, Communications & Media Relations, Administration, Human Resources, and Development & Alumni Relations.

The MCGREGOR LIBRARY includes a collection of books, journals, magazines, newspapers, full-text databases and other resources to serve the research needs of all Johnson & Wales students. The facility is named for founding North Miami Campus president Donald G. McGregor, J.D.

Opened in December 2011, WILDCAT CENTER contains a fitness center, gymnasium and office and meeting space for student clubs and organizations. The first floor includes athletic spaces, the gymnasium and an events center. The second floor includes offices for Athletics, Campus Events and Residential Life, and the third floor contains offices for Student Activities and Student Conduct.

Johnson & Wales University is committed to providing its students with the learning necessary for professional and personal success. A Johnson & Wales University education is intended to prepare students to become engaged citizens with the intellectual and practical skills needed to address complex issues in a diverse and dynamic world.

In addition to development of lifelong learning skills, the university's A&S general education core curriculum provides breadth of learning by introducing students to multiple ways of knowing and understanding the world through the natural sciences, social sciences and humanities.

**Sequential Learning**

Foundational skills are taught in the first two years and reinforced throughout the curriculum: oral and written communication, information literacy, critical and creative thinking, scientific reasoning and quantitative literacy.

Students will be required to build on foundational writing skills in many disciplines in the arts and sciences as well as in their major courses. All students must fulfill a university graduation requirement for college level writing proficiency.

**Building Integrative Habits of Mind**

An essential component of the A&S Core Experience is the development of integrative learning which requires thinking across boundaries, applying knowledge and skills in new situations, and synthesizing information from various perspectives to explore complex issues or problems. All Johnson & Wales University undergraduates will be required to complete two integrative learning courses, one at the sophomore level and another in the senior year. These courses will approach a big idea or question from the perspective of two or more disciplines. Developing the habit of connected inquiry throughout the four years of their undergraduate experience will allow Johnson & Wales University graduates to apply and adapt their knowledge in innovative ways. Adaptive thinking is an essential skill for professional success and for lifelong learning.

**Learning Outcomes**

Through the A&S Core Experience, Johnson & Wales University students are expected to meet the following learning outcomes:

**Academic and Professional Skills**

- Effectively apply oral and written communication strategies appropriate for a particular situation and/or audience.
- Demonstrate the ability to solve mathematical problems and to apply mathematical reasoning to problems in other fields of study.
- Apply appropriate disciplinary criteria to examine complex issues, make decisions, analyze arguments, conduct credible research, solve problems and create original ideas and/or approaches.
- Apply ethical standards and reasoning to complex issues in personal, academic and professional decisions.

**Understanding Human History, Cultural Diversity and Creative Expression**

- Demonstrate knowledge of the complexities of human behavior and society. Interpret human behavior from various social science perspectives.
- Demonstrate the ability to analyze and interpret human history, philosophy, literature and the arts.

**Understanding the Natural World**

- Demonstrate knowledge and application of the scientific principles that govern the natural world.

**Integrative Learning**

- Demonstrate the ability to synthesize and apply knowledge from multiple perspectives to complex issues and real world problems.

Criminal Justice - BS

The Criminal Justice degree program prepares students for professional careers in the field of criminal justice. Through this course of study, students are expected to acquire the communication, logic, critical thinking, and ethical reasoning skills essential for both the understanding of complex global and domestic criminal justice issues and for effective career performance and progression.

Upon completion of the program, graduates are expected to demonstrate the ability to:

- Explain the historical backgrounds, agencies, professions, purposes, functions, and administration of the American criminal justice system.
- Develop and apply criminal justice research plans utilizing the scientific method; appropriate sampling, measurement, and data collection techniques; and data analysis techniques including descriptive and inferential statistics, central tendency, variability, analysis of variance, and correlation.
- Apply criminological theories and causes of crime, and appropriate methods of control and prevention of criminal behavior to situational contexts within the American criminal justice system.
- Explain the complex responsibilities, procedures, and policies of law enforcement agencies operating in the American criminal justice system.
- Explain the history and purpose of criminal law, classify crimes and identify criminal liability, and apply legal theory and substantive elements to situational contexts within the American criminal justice system.
- Articulate the philosophy, history, and various perspectives of incarceration, and the development of prisons and other social institutions of penal correction within the American criminal justice system.

From heightened national security to concerns about corporate accountability, our changing world has created a high demand for well-trained criminal justice professionals. The Criminal Justice degree program at the Providence Campus can prepare you for a wide variety of criminal justice careers. Through this course of study, students are encouraged to take advantage of curriculum and varied career opportunities available to graduates of the Citizenship, Leadership, and Public Service. In keeping with the unique effective communication skills, as well as their appreciation for diversity, our changing world has created a high demand for well-trained criminal justice professionals. The Criminal Justice degree program at the Providence Campus can prepare you for a wide variety of criminal justice careers. Through this course of study, students are encouraged to take advantage of curriculum and varied career opportunities available to graduates of the citizenship, leadership, and public service.

The program’s judicious mix of Criminal Justice and Arts & Sciences courses is intended to develop and enhance each student’s critical thinking and effective communication skills, as well as their appreciation for diversity, citizenship, leadership, and public service. In keeping with the unique curriculum and varied career opportunities available to graduates of the Criminal Justice program, students are encouraged to take advantage of available internship, study abroad, and elective course opportunities which target their specific interests and goals.

Through the program, you will have the opportunity to:

- Learn from professionals experienced in a variety of criminal justice fields.
- Develop an appreciation for diversity, citizenship, leadership, science and technology, and qualitative and quantitative analysis.

English as a Second Language - NONDEG

The English Language Institute provides international students with an opportunity to learn English as a Second Language and to earn academic credit.

The English Language Institute offers intensive English instruction and weekly enhancement activities for students preparing for admission to undergraduate and graduate degree programs. Instruction is also offered to those students who wish solely to improve their English language skills. Students are placed in four different skill area classes: Oral Communications, Reading, Writing, and Grammar.

Course objectives are academically oriented with the aim of preparing students to function at the university level. In addition, students are given opportunities for social and cultural experiences designed to assist their cultural transition.

Dedicated to student success, the English Language Institute places students in the program at their level of English proficiency. Students are expected to take a placement exam when entering the university. Placement test scores determine what level a student is placed into. Students are placed into one of three different proficiency levels: Beginner, Intermediate or Advanced. Every student is scheduled for a class in each of the four skill areas: Oral Communications, Grammar, Reading and Writing.

Environmental Sustainability - MINOR

The College of Arts & Sciences offers two minors (22.5 credits) that enhance and strengthen the qualifications of graduates moving into business: Environmental Sustainability and Technical Communications.* These are intended to give students opportunities to develop expertise in an area that complements their major. Real-world applications are embedded in both minors.

This minor prepares students to understand the scientific, public policy and economic challenges of current environmental problems such as global climate change and renewable energy. Faced with balancing social, economic and environmental concerns, industry and community leaders are exploring sustainable business practices. Through coursework and field research, students develop the knowledge and skills needed to address sustainability issues and to navigate the emerging green economy.

* The only minors offered are those listed in the catalog. Students cannot elect to create their own minors.

Media & Communication Studies - BS

As of April 11, 2014, the following degree program has been eliminated:
• Bachelor of Science: Media & Communication Studies

The Media & Communication Studies major focuses on the study of media production, content and reception. Through required and elective courses, students engage with scholarly research to analyze, interpret and evaluate the relationship among media industries, texts and the broader social world. In the tradition of a liberal arts education, the curriculum assumes that students ask and attempt to answer political-economic and social-cultural questions, such as why media products are created in specific ways for particular audiences, how readers and viewers respond to messages and what their responses mean for the human condition in a global society.

Our faculty members expect students to demonstrate a breadth and depth of knowledge. The major has a tripartite structure: 10 required courses that cover media industries, texts, and audiences (breadth); and two strands, one in principles, and another in practices, with five electives per strand (depth). The principles strand induces students to deepen their knowledge of specific media forms, while the practices strand stresses writing, business and production. The major is structured to provide enough flexibility for students to select courses that complement their intellectual and professional interests; for example, students may design their own focus areas in consultation with program advisors.

The university’s longstanding commitment to experiential education continues with coursework in related professional studies and with a media internship. Students may use their internship as a springboard for career opportunities in a variety of media industries, as well as for media-related positions in other industries. Additionally, students will be well positioned to pursue graduate degrees in a variety of fields.

Upon completion of this program, graduates are expected to:
• Demonstrate a working knowledge and understanding of how the major media industries work in all facets, including production, distribution and exhibition.
• Explain the significance of key moments in the history of media.
• Analyze, interpret and evaluate the aesthetic impressions and expressions of media texts.
• Compare and contrast theories that scholars use to explain the beliefs, attitudes, values, opinions and behaviors of media audiences.
• Assess the political-economic and social-cultural influences among media industries, texts and audiences.
• Apply interpretive and critical-cultural methods to the design of original research projects that address issues of race, ethnicity, gender, sexual orientation, class, language, nationality and related identity constructs.
• Collect and analyze primary sources and incorporate them into well-reasoned arguments.
• Exhibit an understanding and appreciation of the ethics underlying best practices in the production of media content.
• Write, design and/or create content for a range of media forms, such as film, radio, television and the Internet.
• Develop the written and oral communication skills associated with a liberal arts education.

Baking & Pastry Arts - AS

The associate degree program in Baking & Pastry Arts provides students with practical education in baking and pastry production, while developing professionalism and excellence in academic achievement. Hands-on training is paired with academic courses resulting in a curriculum that is both dynamic and directly aligned with industry needs.

Upon completion of the program, graduates are expected to demonstrate:
- Preparation, production and presentation of baked products, pastry, and desserts utilizing professional techniques.
- Apply food safety and sanitation principles in the preparation and service of food and beverage products.
- Implement cost control measures to track goods, services, and costs through the cycle of cost control and to evaluate revenue and expenses and their effect on profitability.
- Utilize healthful baking and dessert preparation techniques to modify and develop formulas.
- Exhibit professional leadership attributes necessary for operating responsibly in the food and beverage industry.

First-year Baking & Pastry Arts students rotate through two terms of hands-on laboratory classes. Emphasis is placed on skills development and techniques of combining basic ingredients to produce pastries, breads, cakes, frozen desserts, and chocolates. Second-year laboratories emphasize advanced techniques in the preparation and production of cakes, entremets, artisan breads, plated desserts and sugar work.

The baking and pastry lab experience is complimented by a sound general education core and professional studies which include food and beverage cost control, nutrition, and a food safety course that, upon successful completion, results in a Food Safety Manager certification recognized by the Conference for Food Protection.

Baking & Pastry Internship

Associate degree students will participate in one term of experiential education which allows students to participate in food service operations in preparation for future careers. Possible sites include university owned or operated practicum educational facilities, hotels, restaurants, country clubs, resorts, casinos, spas and contract food service providers. Eligibility requirements for certain sites include a 2.75 cumulative GPA and completion of all prerequisite coursework. International internship opportunities at host company sites throughout the world may also be available for students who have met specific college eligibility requirements, have a minimum of one year work experience in a full-service restaurant, hotel or resort, and who maintain a 3.25 cumulative grade point average.

Culinary Arts - AS

The associate degree program in Culinary Arts provides students with practical education in food production, while developing professionalism and excellence in academic achievement. Students progress through a program of study that builds proficiency in food production and cooking, cost control, nutrition, food safety and sanitation. Hands-on training is paired with traditional academic courses resulting in a curriculum that is both dynamic and directly aligned with industry needs.

Upon completion of the program, graduates are expected to:

- Demonstrate competency in professional cooking techniques and in the skills and abilities needed to produce, present and serve quality food and beverages utilizing ingredients and flavor profiles of the major world cuisines.
- Apply food safety and sanitation principles in the preparation and service of food and beverage products.
- Implement cost control measures to track goods, services, and costs, through the cycle of cost control and to evaluate revenue and expenses and their effect on profitability.
- Utilize healthful cooking techniques and ingredients to modify and develop flavorful recipes.
- Demonstrate professional leadership attributes necessary for operating responsibly in the food and beverage industry.

The focus of the first-year culinary lab classes is the development and practice of cooking skills, baking, dining and beverage service skills, which includes national certification in alcohol intervention procedures. Second-year laboratories include advanced techniques in classical and international cuisines, garde manger, patisserie/dessert and dining room.

The culinary lab experience is complimented by a sound general education core and professional studies which include menu planning and cost control, nutrition and a food safety course that, upon successful completion, results in a Food Safety Manager certification recognized by the Conference for Food Protection.

Culinary Internship

Associate degree students will participate in one term of experiential education which allows students to participate in food service operations in preparation for future careers. Possible sites include university-owned or -operated practicum educational facilities, hotels, restaurants, country clubs, resorts, casinos, spas and contract food service providers. Eligibility requirements for certain sites include a 2.75 cumulative GPA and completion of all prerequisite coursework. International internship opportunities at host company sites throughout the world may also be available for students who have met specific college eligibility requirements, have a minimum of one year work experience in a full-service restaurant, hotel or resort, and who maintain a 3.25 cumulative grade point average.

Additionally each year, a select group of second-year students is chosen to participate in a student Culinary International Exchange program with culinary arts schools in Ireland and the Azores. For one term, JWU students attend classes in either of these countries, as students from these schools attend culinary classes at Johnson & Wales University. Selected students receive full academic credit for an internship term abroad.

Graduates of the associate degree program in Culinary Arts are eligible, or may apply, for entrance into the following Bachelor of Science degree programs: Baking & Pastry Arts, Culinary Arts and Food Service Management, Culinary Nutrition, Food Service Entrepreneurship or Business Studies. Certain requirements pertain to each of these bachelor degree programs, which are noted in their respective program descriptions.

Graduates of the program have the opportunity to gain employment in the food service industry, which would include a variety of positions in full-service restaurants, hotels, clubs and resorts catering operations, quantity food production facilities, health spas and cruise lines.

Teaching Assistant and Fellow Scholarship Program

Each year, administrators at the College of Culinary Arts, in conjunction with the administration of university-owned or -operated practicum educational facilities, select teaching assistant candidates from among the top students of the graduating class in the Culinary Arts and Baking & Pastry Arts associate degree programs. Students who are continuing their education at the university as teaching assistants must be enrolled in a day school program. Qualified teaching assistants may advance to fellow during their senior year. These opportunities allow students to help defray the costs of advanced study while developing their supervisory/management skills.

Business Administration - BS

The Business Administration bachelor’s degree program provides a balanced combination of required core courses to ensure students can achieve a solid business and general studies education and electives to inspire students to customize their programs to best fit their unique interests.

Upon completion of the program, graduates are expected to demonstrate the ability to:

- Exhibit competence in management, marketing, accounting, finance, business law, and economics.
- Solve problems by identifying alternatives and justifying decisions using higher order thinking skills.
- Identify and analyze ethical issues while implementing socially responsible business practices.
- Exhibit effective written and oral communication skills.
- Identify and analyze the effects of global forces within the business environment.

This program’s business-related core builds a solid foundation by exposing students to relevant areas of accounting, economics, information technology, business law, finance, marketing and management. Arts and sciences courses also provide opportunities for students to acquire the skills important for professional success and lifelong personal and intellectual growth.

Students also tailor their degree by working with a faculty advisor to select 27 credits of electives. In doing so, students have the freedom to choose from extensive options to best suit their goals. For example, students can pursue internships, directed work experiences, and/or study abroad credits to prepare for a more specific career.

- Demonstrate knowledge of marketing principles applied to fashion goods.
- Demonstrate the competencies to analyze ethical issues and identify socially responsible practices in retail marketing and management.

Specific skills developed include retail merchandising, management, buying, promotion, advertising and inventory control. Students have the opportunity to master these skills while participating in a term-long internship, held at a wide variety of host sites. During this internship, students have the opportunity to apply their learning in multiple phases of retail store operations firsthand, such as sales, merchandise presentation, catalog operations, inventory control, receiving and marking, and buyer’s clerical duties.

Upon graduation, students may be employed by retail organizations in positions that utilize these skills. Students possess the combination of academic theory and practical experience necessary for entry-level positions in retail management, merchandise buying, visual merchandising, distribution, product development and sales.

Students should use their electives to create a meaningful, specialized area of study. The university’s faculty advising system facilitates these selections. To qualify for the internship, students must have a 2.75 GPA, or have permission of the program director, and a letter of approval from their faculty advisor.

Hotel & Lodging Management - BS

The Hotel & Lodging Management bachelor's degree program focuses on current best practices for operational, strategic and staff management in lodging properties and companies. Lodging is defined as activities related to commercial, overnight accommodations of all types, including hotels, resorts and smaller lodging properties (e.g., boutique hotels, country inns, and bed-and-breakfasts).

Upon completion of the program, graduates are expected to:

• Apply technical skills in a lodging organization.
• Demonstrate personal accountability and professionalism in a lodging environment.
• Apply management skills in a lodging environment.
• Apply creativity and critical thinking skills to solve challenges and make ethically sound decisions.
• Identify and communicate a long-range vision and strategy for a service organization.

The degree program prepares graduates for employment in operational management or professional staff positions within commercial lodging companies, as well as positioning them to move up to higher-level positions such as general manager and various corporate staff positions. Possible career tracks might relate to front office management, housekeeping, food and beverage management and affiliated activities such as concierge, spa management, sales and marketing, convention services, meeting and event planning, resort activities, revenue management, controller, development and regional management.

Hotel & Lodging Management students complete a required internship experience at a commercial lodging venue as part of the program.

Marketing - BS

The Marketing bachelor’s degree program provides students with a broad range of knowledge and practical skills related to the fundamentals of marketing, including product, pricing, promotion, distribution and customer relationship management.

Upon completion of the program, graduates are expected to demonstrate competencies in:

- Direct marketing, e-commerce and business-to-business concepts as they relate to the contemporary marketing environment.
- The qualitative and quantitative fields of marketing research.
- Completing a strategic marketing plan.
- Analyzing consumer decision making in the contemporary marketing environment.
- Conducting a professional sales presentation.
- Analyzing ethical issues and identify socially responsible marketing practices.

Specific skills developed include managing social media market research projects, developing Web-based social media marketing programs, developing and executing brand strategies, and developing and managing comprehensive marketing plans. Students have the opportunity to hone these skills while participating in a term-long internship, held at a wide variety of host sites. This is a one-term, 4.5–13.5 credit experience with a business partner anywhere in the world. Students complete a specific business-building project, which is reviewed by the faculty advisor and the business partner.

A traditional internship experience is also offered. This is a one-term, 13.5 credit experience with a business partner anywhere in the world. Students complete a specific, business-building project, which is reviewed by the faculty advisor and the business partner. To qualify for the internship, students must have a 2.75 GPA, or have permission of the program director, and a letter of approval from their faculty advisor.

Upon graduation, students may be employed by retail, consumer goods, industrial or advertising companies in positions that utilize these skills. Typical areas of interest include entry-level positions in sales, market research, market analysis, product development or brand management.

Professional Golf Management - MINOR

The College of Management offers a minor in Professional Golf Management (22.5 credits) that prepares students to take on leadership roles in golf management and golf related industries. By combining classes in golf skills and golf management with traditional management classes, students will have a solid foundation with which to succeed in this growing industry. Moreover, students will have opportunities to deepen their knowledge in the specific areas which are the most appealing to them including, but not limited to, knowing how to teach golf, manage a golf facility, private club management, or sponsorship, and marketing. Students can choose classes in the minor which they feel will be most beneficial to advancing their career in the golf industry.

Restaurant, Food & Beverage Management - BS

The Restaurant, Food & Beverage Management bachelor’s degree program provides a unique combination of culinary skills and hospitality management. The focus is on current restaurant and food service management industry topics. The program also develops proficiency in the area of beverage management. Other areas of study include critical thinking, financial analysis, leadership and customer awareness in order to prepare students for a management career in the food service industry. According to the National Restaurant Association, the food and beverage industry is the largest U.S. employer besides the government.

Upon completion of the program, graduates are expected to:

- Apply management skills within a food service operation.
- Demonstrate personal accountability and professionalism in a food and beverage environment.
- Use critical thinking skills to identify and solve problems and make ethically sound decisions.
- Identify and communicate long-range vision and strategy for a food service company.
- Apply technical skills in a food service setting.

This program includes a unique hands-on rotational internship experience at a Johnson & Wales-owned facility, or at one of our partner properties.

Value-added certifications within the degree include an industry-recognized responsible alcohol service certification, the national sanitation certification (a graduation requirement), recognized by the Conference for Food Protection and the International School of Mixology Bartending Certificate.

Sports/Entertainment/Event Management - BS

The Sports/Entertainment/Event Management bachelor's degree program prepares students to manage many areas of major sports facilities and resorts, as well as organize national and international events like the World Cup, the Grammy Awards or the Olympics. Coursework enables graduates to apply the primary tools and fundamental understanding of the basic areas of sport, entertainment or event development, planning and management.

Upon completion of the program, graduates are expected to:

• Apply technical skills in the sports, entertainment and event management industry.
• Apply professional ethics as they relate to the sports, entertainment and event management industry.
• Demonstrate knowledge of the four basic areas of finance, operations, marketing and food and beverage as they apply to the sports, entertainment and event management industry.
• Utilize critical thinking and problem solving.
• Identify and communicate a long-range vision and strategy for an organization in the sports, entertainment or event management industry.

In this four-year program the curriculum includes core courses in event management, facilities management, media relations, ancillary services management and entertainment management. Students tailor their degrees toward their chosen careers by complementing the core curriculum with such electives as professional sports management, sports and entertainment marketing, special event protocol, concert and event production, fundraising and philanthropy, wedding and other ceremonies, and athletic coaching administration. This enables students to demonstrate personal discipline, professionalism, accountability and ethical behavior in a sport, entertainment or event management environment.

The program culminates in an exciting, term-long, off-site internship under the direction of an industry professional that allows students to apply the skills they have learned and prepares them to launch their careers. The experience enables students to gain valuable work experience in the areas of sales/marketing, facility operations and financial management. The internship focuses on the ability to identify, document and successfully communicate personal and professional short- and long-term vision and strategies for a successful career in sport, entertainment or event management. Graduates of the program are employed by professional sports teams, entertainment venues, resorts and conference centers.

Travel-Tourism & Hospitality Management - BS

The Travel-Tourism & Hospitality Management bachelor’s degree program provides a broad-based option for students incorporating the hotel, travel-tourism and food segments of the hospitality industry with special focus given to travel-tourism.

Upon completion of the program, graduates are expected to:

• Apply technical and management skills in a global environment.
• Demonstrate personal accountability, ethical behavior and professionalism in a global environment.
• Demonstrate creativity, critical thinking and problem-solving skills.
• Identify and communicate long-range vision and strategy.

This bachelor’s degree program places an emphasis on tourism as the glue that holds the industry together — especially in course offerings and the term-long experiential learning program. The highlight of the program is the Familiarization (FAM) Tour, a class project to a domestic or international destination. Students are required to research, budget, plan, promote and implement the tasks of a tour escort and tour guide. The program is also enhanced by mini-FAM tours and site visits.

Graduates of the program may be employed in all industry segments due to its more generalized curriculum, but the emphasis on travel-tourism provides specific career options in destination marketing organizations such as CVBs and tourism offices, resorts, tour operators, travel industry suppliers such as airlines, cruise lines or ground transportation, and various international operators.

Career Management (CAR) Courses

CAR0010 Career Capstone
This career management course focuses on preparing and empowering students to make effective career choices, identify and pursue internships, secure employment, and navigate lifelong career direction. Students learn ways to enhance and customize their job search materials and to market themselves effectively to employers. Various job search strategies, networking and interview techniques are reinforced. Other topics include personal financial management and graduate school.
Prerequisite(s): Junior status. (OL)
Offered at Charlotte, Denver, North Miami, Providence
1 Quarter Credit Hour
Communication (COMM) Courses

COMM1010 Introduction to Media, Culture & Society
This is a survey course that introduces students to the study of media in contemporary culture and society. The course focuses on three main areas: production, content and reception. Students engage with a variety of concepts from the field of Media Studies, as well as with political-economic and social-cultural analyses of media.
Offered at Denver, North Miami, Providence
4.5 Quarter Credit Hours

COMM1030 History of Media
Media and history are more than scholarly subjects: they are keywords in the principles and practices of public life; taken together, they provide students with ideas and materials needed to make sense of society and culture. We may study historical events through yellowed letters or long-play records (media history), but this course asks students to interpret the meaning of letters or records (the history of media). By the end of the course, students will have refined their understanding of media to include all major forms, from cave art to cell phones.
Prerequisite(s): COMM1010.
Offered at Denver, North Miami, Providence
4.5 Quarter Credit Hours

COMM1070 Writing for Radio, Television and Film
This course teaches students how to successfully write for radio, television and film by introducing them to the key elements of production for each medium. Students become familiar with a broad range of standard formats, acquire fundamental industry terminology, and closely examine a variety of creative techniques for producing professional copy. The course balances theory and practice, providing students with many concrete examples throughout which to learn the essential components of script writing: from commercials, PSAs and talk shows, to documentaries and a host of fictional formats. Students demonstrate their understanding of important concepts, and develop their own skills and talents by writing a series of short scripts for each medium. This is a writing-intensive course in which assignments are designed to cultivate the strengths and interests of each student, while always requiring the student-writer to consider the demands of form and content, as well as audience and marketability.
Prerequisite(s): ENG1021 or ENG1027.
Offered at Denver, North Miami, Providence
4.5 Quarter Credit Hours

COMM1090 Writing in Digital Media
Students in this course examine the theory and practice of writing in a digital age. Special emphasis is placed on ethics and the rhetorical conventions for online communication and the design of information, particularly for professional purposes. Course topics include designing an effective blog; web style and identity online; social media applications; copyright and authorship issues; and participating in collaborative online environments.
Prerequisite(s): ENG1021 or ENG1027.
Offered at Denver, North Miami, Providence
4.5 Quarter Credit Hours

COMM2010 Media Industries
This course provides an in-depth look at the industrial contexts within which media professionals work. Of primary concern are the ways in which a range of factors—such as organizational philosophies, economic structures, regulatory contexts, technological innovations and day-to-day business practices—work to determine the ways in which media organizations operate, as well as how such contexts shape the kinds of media texts these industries produce. Ultimately, the course introduces future media professionals to concepts necessary for understanding and navigating the contemporary media landscape.
Prerequisite(s): COMM1010 or SEE2030.
Offered at Denver, North Miami, Providence
4.5 Quarter Credit Hours

COMM2050 Media Audiences
Students in this course think critically about how they—as well as their friends, families and communities—influence and are influenced by mediated messages. Students compare and contrast the thoughts, feelings, and behaviors of film, radio, television and internet audiences from the nineteenth, twentieth and twenty-first centuries. By reading and writing about media audiences in historical and contemporary contexts, students come to understand the uses or effects of—as well as their own response or resistance to—mediated messages.
Prerequisite(s): COMM1010.
Offered at Denver, North Miami, Providence
4.5 Quarter Credit Hours

COMM2200 Television Studies
This course offers critical perspectives on American television and its complex relationship to contemporary culture and everyday life. Specifically, the course covers several aspects that are crucial to understanding television as a cultural artifact: economic structure; aesthetic practices and technological developments; the consumption habits of audiences; government regulation; and social impact. Along the way, students gain a solid grasp of television's history and speculate deeply about its future.
Prerequisite(s): COMM1010 or SEE2030.
Offered at Denver, North Miami, Providence
4.5 Quarter Credit Hours

COMM3010 Media and Popular Culture
Students in this course analyze the ways in which media texts, from films to television shows, represent contemporary forms of social identity such as gender, race, class and sexual orientation. Specifically, students are encouraged to ponder the role contemporary media play in constructing popular understandings of social identity, as well as how audiences use media representations to form their own sense of identity. Students engage with contemporary theoretical perspectives on media representation, evaluate current research in the field, and perform their own analyses based on this material.
Prerequisite(s): COMM1010, ENG1021 or ENG1027.
Offered at Denver, North Miami, Providence
4.5 Quarter Credit Hours

COMM3050 Media Identities
Students in this course analyze the ways in which media texts, from films to television shows, represent contemporary forms of social identity such as gender, race, class and sexual orientation. Specifically, students are encouraged to ponder the role contemporary media play in constructing popular understandings of social identity, as well as how audiences use media representations to form their own sense of identity. Students engage with contemporary theoretical perspectives on media representation, evaluate current research in the field, and perform their own analyses based on this material.
Prerequisite(s): COMM1010, ENG1021 or ENG1027.
Offered at Denver, North Miami, Providence
4.5 Quarter Credit Hours

COMM3100 Radio, Records & Popular Music
This course is divided into three interlocking sections: genres, industries and technologies. The genres section explores major forms of popular music, such as jazz, blues, country and rock. The industries section examines how the businesses of radio, recording and music produce culture. The technologies section describes the gramophone, phonograph, radio, jukebox, tape recorder and digital files in their social and technical contexts. Borrowing from multiple fields, such as media studies, sociology, anthropology, history and musicology, the course situates these genres, industries and technologies alongside several themes, including: noise and silence; listening and recording; body and voice; regionalism and urbanism; race and class; and creativity and commerce.
Prerequisite(s): ART2030 or COMM1010 or SEE2030, ENG1021 or ENG1027.
Offered at Denver, North Miami, Providence
4.5 Quarter Credit Hours
COMM3300 Media Research Methods

Ever since the rise of mass communication technologies, scholars have refined their approaches to studying type, sound, and still or moving pictures. This course provides essential training on how scholars think by asking students to participate in the process of knowledge creation. Readings focus on interpretive and critical methods, from interviews, focus groups and participant observations, to historical and textual analyses that draw on Marxist, post-structural, psychoanalytic, feminist, queer, postmodern and post-colonial thought. The course will be invaluable for students who wish to pursue research positions in the media industries, as well as for those who plan to continue their studies in graduate school.

Prerequisite(s): COMM2050.
Offered at Denver, North Miami, Providence
4.5 Quarter Credit Hours

COMM3899 Media Internship

Practical skills figure prominently into media studies, which is why this course compels students to connect their academic coursework with industry experience. Positions will vary, but students should be engaged in some facet of media work (e.g. researching, editing, writing, producing, designing, building) in virtually any industry, from architecture to television. Students are expected to begin the application process during their sophomore year. The course may be repeated twice with one or more companies or organizations, but must not exceed 13.5-quarter credits.

Prerequisite(s): COMM1010.
Offered at Denver, North Miami, Providence
4.5-13.5 Quarter Credit Hours

COMM4010 Global Media

Students in this course take a critical look at the practices of media corporations, governments and audiences, mostly through the lenses of nationalism and imperialism. Particular emphasis is placed on the idea of globalization and its connection to contexts of reception at local, national and international levels. The course also addresses key themes, such as trade, tradition, post-colonialism, globalization and localism. Students read political-economic and ethnographic analyses of products such as Nike sneakers, Disney films, Brazilian telenovelas, Japanese anime, and Nigerian popular music, all symbolic texts that bear the imprints of, on the one hand, transnational media corporations, and, on the other, regional audiences.

Prerequisite(s): COMM3010.
Offered at Denver, North Miami, Providence
4.5 Quarter Credit Hours

COMM4050 Critical Perspectives on New Media

This course examines the rise of digital media technology and its impact on contemporary culture. Topics include: industrial issues, such as how new media technologies converge with “old media” content and whether digital technology cultivates new kinds of relationships between media producers and consumers; economic issues, such as how the new digital landscape contributes to the consolidation of media ownership and opens up new possibilities for targeted marketing and data-mining practices by media advertisers; social issues, such as how the internet and social media change the way that individuals interact with one another and re-imagine their own identities; and political issues, such as digital media’s potential to break down some policy barriers, while erecting others. Through critical engagement with these issues, students are encouraged to think deeply about the past, present and future of new media.

Prerequisite(s): COMM2010.
Offered at Denver, North Miami, Providence
4.5 Quarter Credit Hours

COMM4200 Senior Seminar in Media Life

What is the meaning of a mediated life? This seminar conceives of life as entirely mediated, from the language that we use, to the air that we breathe. As media scholar Mark Deuze contends, we no longer live with media—as material technologies or news organizations—but in media, defined here as environments for thinking, feeling, speaking and acting. The seminar draws on most of the coursework from the Communication Studies major and synthesizes it in the form of one research project on an original topic that crosses disciplinary demarcations. Representative topics may include: insect media and beehives; bio-media and pacemakers; green media and e-waste; structural media and shopping malls; and hypermedia and emotion.

Prerequisite(s): COMM2050.
Offered at Denver, North Miami, Providence
4.5 Quarter Credit Hours

COMM4300 Special Topics in Media Studies

How does Media Studies, as a field, intersect with other areas of inquiry? What can media anthropologists learn from media archaeologists? This course focuses on a different area, issue or theme each year, depending on student interest. Possible topics under consideration include: dead media; documentary media; Latin/o media; media and the body; mediated cities; mediated memories; media philosophy; media and war.

Prerequisite(s): COMM1010.
Offered at Denver, North Miami, Providence
4.5 Quarter Credit Hours

Criminal Justice (CJS) Courses

CJS2085 Juvenile Justice

This course presents an analysis of the historical development of the juvenile justice system in the United States. The student is introduced to the changing view of juveniles from early America, when children were treated as little adults, through the nineteenth and twentieth centuries where they came to be considered as children and adolescents that had to be protected from abusive families and their environment. Socializing agents such as the family, schools and peers are studied as to their influence on the development of delinquency. Youth are studied as victims of crime, as perpetrators of crime, and their likelihood to become involved with gangs. Additionally, law enforcement, the courts and corrections are studied to show their impact on delinquency.

Prerequisite(s): Sophomore status.
Offered at Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours
CJS2150 Criminal Justice Ethics
At the core of every aspect of the field of criminal justice is an ethical dilemma involving human behavior and individual decision-making. As such, this course will provide an in-depth examination of the three major schools of ethical thought (virtue, formalism, and utilitarianism) in order to illustrate how individual ethics directly influences decision-making, and to help students develop comprehensive ethical reasoning skills. Through the examination of hypothetical case studies, actual criminal justice events, and extensive debate, this course will explore the three major areas of criminal justice to include law enforcement, courts, and corrections, in order to provide students with the opportunity to observe and evaluate the direct connection between ethics and specific aspects of the criminal justice system. Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

CJS3075 Criminal Investigation
In this course, the student is exposed to the fundamentals of criminal investigation. Emphasis is placed on the collection and evaluation of crime scene evidence related to specific crimes (i.e., homicide, arson, burglary, etc.). Since criminal investigation must be conducted within the framework of our constitutional system of government, opinions of the United States Supreme Court that affect the collection of evidence are emphasized. Prerequisite(s): CJS1090. Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

CJS3450 Comparative Criminal Justice
This course comparatively examines major criminal justice institutions within the United States and around the world, and also provides an in-depth examination of existing international criminal justice systems and the shared critical issues existing both domestically and internationally. The course offers a comprehensive examination of a variety of transnational crime-related issues, and explains the systems currently in place globally for addressing issues involving crime prevention, law enforcement, adjudication and corrections. Students identify and analyze the common and differing procedural aspects involved in investigating, prosecuting, defending and adjudicating criminal cases in international jurisdictions, as well as the differing global definitions of appropriate punishment including concepts of financial, corporal and capital punishment. Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

CJS3810 Topics in National Security
This course provides senior-level students with an analysis of the realignment of law enforcement assets at the federal and local levels providing homeland security in today’s environment. The course also includes historical background information and topics concerning the basic information-gathering process. The focus on the importance and necessity of information intelligence, domestic and international terrorism and counter-terrorism, infrastructure protection and disaster preparedness, is comprehensive in this course. Students are introduced to the planning, process and procedures necessary for the new routes of cooperation and information sharing in law enforcement as well as within federal agency environments. Prerequisite(s): LAW3025, senior status. Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

CJS3820 Cyber Crimes
In this course, students explore the rise and evolution of crimes involving computers and the Internet that are fast becoming the most prolific area of criminal activity in the 21st century. This course distinguishes between crimes in cyberspace and cyber-terrorism as a form of warfare upon the global community. It defines cyber crimes (including type, nature, and origin) and the expanding criminalization of computer and Internet conduct involving concepts of privacy violation, information protection and unauthorized access of digital data. An analysis of existing and new domestic and international law enforcement innovations that prohibit digital crimes is also covered. Prerequisite(s): LAW3025. Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

CJS3850 Homeland Security
This course provides an in-depth foundation for understanding the wide range of agencies and activities involved in the field of homeland security, and the varying roles that individual terrorists, terrorist groups, and state sponsors of terrorism play in the formulation of the domestic and international homeland security policy of the United States. Students are provided with a comprehensive overview of the legal aspects of homeland security, and the role that intelligence and counterintelligence play in the formulation of the domestic and international homeland security policy. Additional topics include the proliferation of weapons of mass destruction, border security and immigration, and the financing of terrorist activity via a wide range of highly organized criminal activities occurring both domestically and internationally. Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

CJS4030 Criminal Justice Research Methods
This course provides students with an understanding of the purposes behind criminal justice research, the concepts and logic of research designs, and experimental research designs. This course includes an in-depth presentation of sampling in social science research. The goal is to familiarize students with research methods in order to lay the groundwork for designing research projects, as well as to interpret research designs in depth. Prerequisite(s): Senior status or permission of department chair. (HY) Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

CJS4040 Criminalistics
This course provides the student with a broad outline of key topic areas that encompass the study of forensic science. It emphasizes the application of forensic sciences and its role in criminal investigation. Topics include the scope, history and basic methods of evidence recognition, collection, identification and preservation. Basic forms of physical evidence most commonly encountered at crime scenes are discussed along with their respective value in the investigative process. Prerequisite(s): CJS3075. Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

CJS4060 Advanced Topics in Criminalistics
This advanced course presents specific topics in the advanced study of forensic science over two terms. Students are presented with the application of advanced and specialized areas of forensic science encountered during criminal investigations. Topics include advanced topics of forensic pathology, pattern and impression evidence, questioned documents, cyber technology, forensic applications of the social science, and legal and ethical issues in forensic science. Prerequisite(s): CJS4040. Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

CJS4080 Criminal Justice Senior Seminar
This course presents an overview and analysis of the American criminal justice system in a capstone seminar format. The course examines criminal and constitutional law, criminology, law enforcement and investigation, courts, corrections and juvenile justice through the use of critical thinking, research, writing and discussion. Prerequisite(s): CJS4030. Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours
CJS4099 Criminal Justice Internship
Selected Criminal Justice students serve a one-term internship in an approved criminal justice facility such as police department, correctional facility, juvenile correction facility, probation and parole department or private security facility. The internship is designed to give students the opportunity to apply their formal education to actual work situations. The student intern works under the supervision of a criminal justice professional. The student intern shall maintain a written log throughout the term of the internship. To be eligible for this internship, students must: 1) maintain a cumulative grade point average of 2.75 during the entire pre-program application process, 2) have completed 130 hours of course work, 3) have appropriate elective or internship credit available in their degree audits, and 4) have the sponsorship of a faculty advisor.

FIT2040 Emerging Technologies in the Workplace
This course introduces students to how social media has evolved and how it can be used as an effective tool to enhance and develop business marketing and sales. Social media has established itself as the pre-eminent focal point for social interaction using web-based technologies, with people generating their own content, social commentary and opinions reaching a wide audience through friends, recommendations and same interest groups. Businesses from small to large are using social media to engage with their customers on an entirely new level, helping promote their products and services and keep in touch with them on a personal level. Social media is displacing the established leaders as major traffic drivers for new business.

Academic Information

This section of the catalog contains important information about the academic requirements and policies of Johnson & Wales University, as well as additional educational components including experiential education and study abroad opportunities, and available honors programs and academic societies.

Class Schedules

The course schedule (https://uconnect.jwu.edu/prod/bwcksched.p_disp_dyn_sched) is published before registration begins for each term/semester. The course schedule will include course meeting days and times, seat capacity, course prerequisites and additional information for courses meeting the search criteria.

Occasionally, make-up classes are scheduled, due to holidays or other missed days, to meet minimum classroom hour requirements. It is possible that at times a course may not be rescheduled and the student will be responsible for all work as outlined in the syllabus.

Please note that students enrolled in courses at the university may be required to participate in online discussion forums, student-to-student collaborations and student presentations with other students as part of course requirements.

Summer Sessions

Optional summer session courses are offered by the university. Individual courses may not be offered in the summer if student interest or enrollment is not sufficient; as a result, summer degree completion cannot be guaranteed.

Students matriculating at Johnson & Wales are not granted credit for summer session courses taken at other institutions unless prior permission has been granted by Student Academic & Financial Services.

Academic Policies

This section of the catalog contains important information about the academic policies of Johnson & Wales University, the grading system and other academic requirements.

Academic Standing

A student’s academic standing is based on grade point average (GPA) in conjunction with total attempted credits (including transfer credits) and is evaluated after the completion of each term of enrollment. Academic standing standards differ by program of study. Please refer to the following academic standing standards charts. If students are not in good academic standing or have questions about the requirements for graduation, they should make an appointment with an academic counselor for assistance in assessing their situation.

Students who meet the following criteria are considered to be in good academic standing:

- Undergraduate students need a minimum GPA of 2.0.
- Graduate students need a minimum GPA of 3.0.
- Doctoral students need a minimum GPA of 3.25.
- 4+1 B.S./MBA/M.S. program students need a minimum GPA of 3.0 in graduate-level coursework.

According to the following academic standing standards, students who do not satisfy good academic standing requirements will be placed on probation, suspended (undergraduate students only) or dismissed.

Note: Doctoral students will be dismissed if their GPA is less than 3.25, or when they earn a grade of F, WF or W in any course. No classes may be repeated.

Academic Probation

Probation may affect a student’s ability to register and/or graduate. Graduate program students and 4+1 B.S./MBA/M.S. program students are allowed one term only on probation.

Academic Suspension

Suspended students may not matriculate at the university for at least one term and are expected to work on academic deficiencies. To return to the university, these students must petition the Academic Appeals Committee, providing a letter of intent and documentation of academic improvement. The committee will consider appeals that document mitigating circumstances.

Academic Dismissal

Dismissed students may no longer matriculate at the university and are expected to work on academic deficiencies. To return to the university, students may petition the Academic Appeals Committee, providing a letter of intent and documentation of academic improvement. The committee will consider appeals that document mitigating circumstances.

Academic Warning

Students who are reinstated into the university will be placed on Academic Warning. These students risk permanent dismissal from the university if they are unable to meet academic standing guidelines. The warning designation is sometimes used to override academic standing decisions at the end of the term due to mitigating circumstances.

These undergraduate students will be allowed to register for a maximum of 13.5 credits in academic classes or 15 credits in laboratory classes. In addition, these students will be required to attend a mandatory student skills strategies seminar and tutoring in identified content areas. Failure to complete these requirements will result in immediate dismissal.

Attendance

All students are expected to attend each meeting of every class in which they are enrolled on time. The maximum number of absences for valid reasons is based on the credit hours for the course, with the exception of experiential education assignments and laboratories, which have their own specific attendance criteria. Absences beyond the stated maximum for each course may jeopardize academic standing or financial aid.

Student Academic & Financial Services should be notified immediately of any necessary prolonged absences. The Student Handbook contains rules and policies for frequent or prolonged absences from class.

Students are expected to familiarize themselves with attendance requirements outlined in the Student Handbook (http://catalog.jwu.edu/handbook).
Credits and Grades

Unit of Credit
The university measures undergraduate and graduate academic progress using the quarter credit hour system with the exception of the doctoral and physician assistant studies program, which operate under a semester credit hour system. Courses are offered in three formats and may combine two or more of those formats, which are lecture, laboratory and experiential.

Generally, one quarter credit represents 10 hours of instruction, which includes class lecture and additional activities; one quarter credit hour equals two laboratory hours or three experiential hours. Furthermore, all courses require additional hours of study and preparation outside of the classroom or learning environment.

Please select the appropriate tab to review the respective grading system.

Honors Option (H)
If a course was taken as an Honors Program requirement, the grade received will be followed by H (e.g., AH, BH).

Failure (F)*
Issued if a student fails to achieve adequate scholastic progress. The grade is recorded permanently on the student’s academic record. Upon successful completion of the course at a later date, the term and cumulative grade point averages are adjusted to reflect only the passing grade. However, both grades will appear on the academic transcript.

Withdrawal (W), Withdrawal/Pass (WP), Withdrawal/Fail (WF)*
In order to record attempted credits, a grade of W, WP or WF is recorded when a student withdraws from a culinary/pastry laboratory course or a course with an experiential education component, or is withdrawn due to excessive absences from a registered course after its add/drop period has ended. A W is a punitive and failing grade issued at the instructor’s discretion as a result of misconduct, and is entered permanently into the term and cumulative grade point averages. To qualify for a WP, the student must have an estimated grade of 60 or higher at the time of withdrawal. This grade is not entered into the term and cumulative grade point averages. If the estimated grade is below 60, the student will be issued a WF, which is entered into the term and cumulative grade point averages as a failing grade until successful completion of the course at a later date.

Audit (AU)*
An audit occurs when no academic credit is granted. This grade is not calculated into the term and cumulative grade point averages.

Challenge Exam (CX)
Granted for specifically designated courses upon successful completion of department challenge exams. This grade is not calculated into the term and cumulative grade point averages.

Grade Pending (GP)*
A temporary mark given when the completion of course requirements is still underway. A Grade Pending is not calculated into the term and cumulative grade point averages and is generally used under extreme, extenuating circumstances. If a grade is not submitted to replace the GP within one year, it will automatically become an F.

Incomplete (I)*
Issued to students if they are unable to complete course requirements because of authorized absences due to service commitment or illness. Outstanding work must be completed within two weeks of the final exam class day or the grade will automatically become an F and the grade will be included in the term and cumulative grade point averages. For classes graded S/U (Satisfactory/Unsatisfactory), an Incomplete (I) will change to a U.

No Credit (NC)*
A non-punitive designation issued to a student who has been authorized to withdraw from class, or the university, due to extenuating circumstances. This grade is not calculated into the term and cumulative grade point averages.

No Grade (NG)*
Issued temporarily when there is no grade provided by the faculty member. This grade is not factored into the student’s GPA. Once a grade is submitted, the cumulative average and transcript will reflect only the new grade. If a grade is not submitted to replace the NG within one year, it will automatically become an F and the grade will be included in the term and cumulative grade point averages.

Prior Learning (PL)
Students may earn credits for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel, professional training and seminars or other comparable sources. This grade is not calculated into the term and cumulative grade point averages.

Proficiency (P)
Granted for achievement of multiple levels of skills in progression where the self-paced approach is in effect. This grade is not calculated into the student’s GPA. Once a grade is submitted, the cumulative average and transcript will reflect only the new grade. If a grade is not submitted to replace the GP within one year, it will automatically become an F and the grade will be included in the term and cumulative grade point averages.

Satisfactory/Unsatisfactory (S/U)
Used for designated courses throughout the university. These grades are not calculated into the term and cumulative grade point averages.

* These grades will be counted as attempted but not earned credits for the purposes of determining satisfactory academic progress.

Once a grade is submitted, the cumulative average and transcript will reflect only the new grade. If a grade is not submitted to replace the NG within one year, it will automatically become an F and the grade will be included in the term and cumulative grade point average.

**Satisfactory/Unsatisfactory (S/U)**

Used for designated courses throughout the university. These grades are not calculated into the term and cumulative grade point averages.

These grades will be counted as attempted but not earned credits for the purposes of determining satisfactory academic progress.

**Full-time Status**

Certification of full, half or less than half-time enrollment status for loan deferment, medical insurance, etc. is based on hours of enrollment in a term. Listed below are the requirements that constitute full-time student status for official enrollment certification purposes and for financial assistance.

Students should realize that in order to receive maximum financial aid they must maintain full-time status. Additionally, insurance companies and scholarship foundations frequently require students to maintain full-time status.

If a student who is receiving veteran’s benefits or participating in athletics receives a grade of “WP,” “WF,” “W” or “NC” in a course, that course will not count toward full-time status.

**Status** | **Undergraduate** | **Graduate** | **Post Graduate**
---|---|---|---
Full-time | 12 or more | 9 or more | 12 or more
Less than half-time | 0–5.99 | 0–4.49 | 0–5.99

**Plagiarism/Turnitin**

Students agree that by taking courses at JWU, required assignments may be subject to submission to Turnitin for the detection of plagiarism. All submitted papers will be included as source documents in the Turnitin reference database solely for the purpose of detecting plagiarism of such papers. Use of the Turnitin service is subject to the Usage Policy posted on Turnitin.com (http://www.turnitin.com).

**Repeat of Courses**

When the appropriate course is available, courses may be repeated in order to earn a better grade. Upon successful completion of the course at a later date, the cumulative average is adjusted to reflect the highest grade earned. However, each grade earned will appear on the academic transcript. Students are required to pay normal tuition charges for all repeated course work.

Students are eligible for financial aid for only one repetition of a previously passed course. The highest grade earned will be calculated into the grade point average. When a student has repeated a course previously applied to an awarded degree, each grade earned will be included in the grade point average.

**Course Deficiency**

A course deficiency occurs when a student fails to complete a course with a satisfactory grade, either by failing the course or by receiving a grade that does not meet the minimum required by the student’s program. Academic warning, probation and dismissal are not determined from one course but by cumulative GPA.

Students who fail a course after a second attempt will be assigned a course deficiency hold and will be required to meet with an academic counseloradvisor in Student Academic & Financial Services. Academic counselorsadvisors will review the following options with the student:

- Consider a change of program.
- Repeat the same course which will result in only the highest grade earned being calculated in the cumulative average.
- Student may be advised to take a pre-approved course at another institution outside Johnson & Wales University. The original grade will remain on the student’s transcript but will be excluded from the cumulative average.

Students opting to repeat the course will be required to attend content tutoring. The course deficiency hold will be removed once the student has satisfied the course requirement.

**Academic Counseling**

Academic counselorsadvisors are available in Student Academic & Financial Services to assist students with preparation for graduation. Their goal is to
assist students in evaluating, developing and maximizing their potential by providing guidance and support.

Transfer and Career Prerequisites

Students who intend to transfer to other colleges or enroll in graduate schools after graduation must determine the requirements of those institutions and plan their programs of study accordingly. Johnson & Wales University makes no claim or guarantee for transfer credit to other academic institutions. Similarly, students who intend to take state or foreign business, trade or professional licensing examinations should determine the prerequisites of those jurisdictions prior to selecting programs of study.

Students who are interested in transferring to JWU should see information on transfer admissions (http://catalog.jwu.edu/admissions/applying/transferstudents).

Graduate

Once enrolled in a JWU graduate program, a student may not take core or concentration courses elsewhere and apply them for transfer credit except in extenuating circumstances, and when permission is granted by the dean’s office. A grade of “B” or better must be earned for the course to transfer.

Academic Transcripts

A transcript is a representation of a student’s entire academic record while at Johnson & Wales University. In accordance with the Family Educational Rights and Privacy Act (FERPA), a transcript may be released only upon written request of the student. Students can also submit transcript requests online through jwuLink (https://link.jwu.edu/CP/home/displaylogin). Students intending to pick up transcripts in person must make the request in person at Student Academic & Financial Services or complete a transcript request form.

The university does not charge a fee for transcripts; however, official transcripts will not be released if a student is not current in all financial obligations to the university. Within three business days of receipt of an authorized request, official transcripts will be printed on official paper and then placed in sealed envelopes issued directly to the student or authorized designee. The university does not email transcripts. Transcripts are not official if faxed. A maximum of 20 official transcripts may be requested per year. Official transcripts are not produced while grade processing and posting is in progress at the end of each term/semester.

Unofficial transcripts may be obtained in jwuLink (http://link.jwu.edu).

Requirements

Please select the appropriate tab for information regarding residency and graduation requirements.

Undergraduate

Residency Requirement

The undergraduate residency requirement refers to the number of courses and credits students must take at JWU, whether they are transfer students or JWU students acquiring an additional degree. The residency requirement for all students at Johnson & Wales University pursuing an associate degree is a minimum of 31.5 quarter credit hours, half of which must be within the major field.

For students pursuing a bachelor’s degree, the minimum is 45 quarter credit hours, half of which must be within the major field.

Diploma/certificate candidates will be allowed to transfer a maximum of 9.0 quarter credits (including JWU courses) towards diploma/certificate program requirements.

Upon review, certain related professional studies courses and program electives may be considered when determining residency. Standardized testing credits are not considered when determining residency requirements.

Additional Degrees

Students may pursue one additional associate in science undergraduate degree by completing a Change of Status Form in consultation with an academic counselor in Student Academic & Financial Services. The additional degree must be in a program that has a minimum of 31.5 credits that are not in the student’s primary major. (There must be a 31.5 credit difference between the two associate degrees.) Half of the credits must be within the major field of the additional associate degree. Classes in the additional associate degree may not be used as electives in the primary major if residency requirements have not been met.

Students may pursue one additional bachelor of science degree in a program that has a minimum of 45 credits that are not in their primary majors. (There must be a 45 credit difference between the two bachelor’s degrees.) Half of the credits must be within the major field of the additional bachelor’s degree. Classes in the additional bachelor’s degree may not be used as electives in the primary major if residency requirements have not been met.

Graduation Requirements

Each student is required to submit an online graduation application at least two terms prior to degree completion. Students must file one application for each expected degree (i.e., associate, bachelor’s, master’s). The application ensures that students are reviewed for graduation at the correct time, that correct information is presented on the diploma, and that it is mailed to the correct address.

Graduation requires successful completion of a prescribed sequence of study and a minimum 2.00 grade point average. Students with a cumulative GPA below 2.00 will not be in compliance with the criteria for good academic standing and may be subject to academic dismissal. Furthermore, as required by their program, all students must hold an active Sanitation Certification.

All associate-level degrees require the completion of a minimum of 90 quarter credits. All bachelor’s-level degrees require a minimum of an additional 90 quarter credits, for a total of 180 quarter credits. While most major programs have variations that require slightly more quarter credits for completion, no program requires fewer than the 90/180 quarter credit minimum.

All students must be current in all financial obligations to the university, including tuition, fees and other expenses, before a diploma will be issued. Permission to participate in commencement exercises does not imply that graduation requirements have been met.

Writing Requirement

Students who graduate with a bachelor of science degree must leave Johnson & Wales with effective writing skills. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication. If competency is not achieved at this point, students must successfully complete ENG0001 Writing Workshop and achieve competency. This, in effect, is a graduation writing requirement for all students pursuing a bachelor of science degree from JWU.

Graduate

Residency Requirement

Residency requirement refers to the number of courses and credits a student must take at Johnson & Wales University. The residency requirement for all students pursuing a master’s degree is a minimum of 45 quarter credit hours.

Due to the overlap in core curriculum, students who complete an MBA at the university are not eligible to complete a second MBA at Johnson & Wales University. However, any student who received a master’s degree from Johnson & Wales University may apply for admittance to an M.S. program at the university through Graduate Admissions. Up to two courses from the first master’s degree may be transferred into the second degree, if applicable. Students must meet the entrance requirements for the prospective program to gain admittance, and be in good academic and financial standing.

The residency requirement for students pursuing a doctorate degree is 60 semester hours. Only one doctorate degree is allowed.

Graduation Requirements

Each student is required to submit an online graduation application at least two terms prior to degree completion. The application ensures that students are reviewed for graduation at the correct time, that correct information is presented on the diploma, and that it is mailed to the correct address.

Graduation requires successful completion of a prescribed sequence of study and a minimum grade point average of 3.00 (3.25 for doctoral program students). Foundation and prerequisite courses are not calculated into the graduating grade point average. Students with a cumulative GPA below 3.00 will not be in compliance with the criteria for good academic standing and may be subject to academic dismissal. In addition, doctoral program students must not receive a grade of “F” or “W” in a course.

All students must be current in all financial obligations to the university, including tuition, fees and other expenses, before a diploma will be issued.
Experiential Education & Career Services

Experiential Education & Career Services (EE&CS) offers a variety of internship programs and career services including a career capstone course, résumé critiques, mock interviews, career fairs, exposure to industry professionals, on-campus interviews and more. These services assist students in building skills to obtain employment and independently manage their careers.

Experiential Education & Career Services components include

- internship opportunities available in the College of Management, College of Culinary Arts, College of Arts & Sciences, and School of Engineering & Design (Providence Campus only). Internship is designed to provide eligible students with practical work experience in their chosen field of study while they earn academic credit for the experience.
- one-on-one advising from our career professionals who assist with résumé development, mock interviews and job search strategies.
- a career capstone course for juniors and seniors that prepares them to navigate the job search process.
- career workshops that allow students to select specific skill-building topics such as building a résumé, networking and interviewing.
- networking opportunities with industry professionals through on-campus recruiting events.
- career advising resources on a variety of topics including résumé examples vetted by industry and approved by faculty.
- online job postings by employers who are looking to hire students for part-time and full-time jobs (on and off campus) as well as internships. Go to jwuLink (https://link.jwu.edu) > Jobs and Internships > Find a Job.
- employers representing a broad range of fields who visit campus each year to participate in recruiting events and serve as guest lecturers and classroom speakers. These activities provide students with a real-world view of industry as well as opportunities to connect with industry professionals and career options.

Study Abroad

Study Abroad works with all schools and colleges at all campuses to offer a portfolio of study abroad programs to Johnson & Wales students. Any interested student is encouraged to contact Study Abroad (http://www.jwu.edu/studyabroad) at 401-598-1406 for personal study abroad advising, program information and applications.

Academic Functions

Orientation is mandatory for all new students, and is held each term before the start of classes. Activities include academic orientation, social activities, distribution of photo identification cards, and meetings with administration, faculty and residence hall representatives. Orientation also includes placement testing.

Commencement is held at the end of each academic year. Degree candidates are recognized at these exercises. Participation in commencement exercises does not imply that graduation requirements have been met.

Honors

Johnson & Wales University recognizes high-level scholastic achievement in a variety of ways.

- Latin Honors (e.g., cum laude, magna cum laude and summa cum laude) are awarded upon graduation to eligible degree candidates based on their graduating grade point average.
- The Honors Program offers students the opportunity to complete an enhanced undergraduate curriculum and to earn the University Honors Scholar designation on their transcripts and diplomas.
- The SHARP program allows eligible students to accelerate their course of study by registering for additional credits each term.
- Additionally, the university recognizes superior academic performance through other honors societies and university awards.

Latin Honors

Eligible degree candidates receive cum laude, magna cum laude and summa cum laude recognition according to their academic program average.

Students with the designated graduating GPA are eligible to receive honors as follows: cum laude, 3.40–3.60; magna cum laude, 3.61–3.80; and summa cum laude, 3.81–4.00.

Dean’s List

In recognition of scholastic achievement, full-time students (carrying a minimum of 12 quarter credit hours) at Johnson & Wales University who have achieved a term GPA of 3.40 or above receive Dean’s List commendation. Upon processing of approved grade changes, student records will be evaluated for Dean’s List eligibility.

Honors Program

The Honors Program offers academically talented day program students seeking bachelor’s degrees the opportunity to explore challenging and stimulating courses. Eligible applicants must have taken a college prep curriculum, maintained an average of B or better, placed in the top 25 percent of their high school graduating class, and submitted SAT or ACT scores.

Honors students enroll in honors sections of several courses in the arts and sciences core and their program of study, including smaller, student-centered honors seminars in their sophomore and junior years and, for students in the College of Culinary Arts, Honors Options (H-options) in select lab sequences. All honors students complete a two-term research course sequence, culminating in an honors thesis or other honors capstone project. Through these experiences, they have the opportunity to work closely with some of the university’s most dedicated and accomplished faculty, join a community of academically motivated students, and pursue original and individually directed study.

Students who complete the Honors Program requirements will graduate with the University Honors Scholar designation. The college-specific requirements for this honors designation are as follows:

College of Culinary Arts

Honors students must complete a total of eight honors courses or H-option lab sequences and submit an accepted honors thesis to earn the University Honors Scholar designation. These courses include ENG1024 Honors Composition: Writing in the Academy; ENG1027 Honors Advanced Composition and Communications: Civic Discourse; two H-option lab sequences; two honors seminars; RSCH3020 Honors Research Seminar; and RSCH4020 Honors Directed Academic Experience, culminating in an honors thesis.

All Other Colleges

Honors students must complete a total of eight honors courses and submit an accepted honors thesis to earn the University Honors Scholar designation. These courses include ENG1024 Honors Composition: Writing in the Academy; ENG1027 Honors Advanced Composition and Communications: Civic Discourse; four honors seminars; RSCH3020 Honors Research Seminar; and RSCH4020 Honors Directed Academic Experience, culminating in an honors thesis.

Joint Degree Programs

Honors students who begin their studies in the College of Culinary Arts and complete their studies in the College of Management will carry their honors work forward, completing a total of four honors courses (any combination of Culinary H-option lab sequences or honors seminars) in addition to ENG1024 Honors Composition: Writing in the Academy; ENG1027 Honors Advanced Composition and Communications: Civic Discourse; four honors seminars; RSCH3020 Honors Research Seminar; and RSCH4020 Honors Directed Academic Experience, culminating in an honors thesis.

Transfer Students

Transfer students may enter the Honors Program if they can provide documentation of Honors Program enrollment at their former institution, provided their GPA is 3.40 or higher at the time of their acceptance to Johnson & Wales University.

Non-honors students at Johnson & Wales may apply to the program, provided they carry a 3.40 GPA or higher, first year or sophomore status, and have completed at least a term of study at JWU. Students must provide a faculty recommendation.

Students who transfer into the Honors Program may be eligible to waive some honors course requirements. Contact the Honors Program director for application details.
Academic Societies

**Alpha Beta Kappa** is a national honor society which recognizes superior student academic achievement, character and leadership. Students with a graduating GPA of 3.9 or higher are eligible. Students are notified in April of their eligibility. A one-time membership fee is required. The society may also elect a limited number of faculty, staff and alumni as honorary members.

Awards

Johnson & Wales University recognizes superior academic achievement and outstanding contributions in extracurricular activities by granting the following awards at a private ceremony held prior to commencement.

Selected by the College of Management, College of Arts & Sciences and College of Culinary Arts, the **Trustee Award**, in memory of the faithful service to the university of trustees Gov. Christopher DelSesto and Dr. Anthony Kemalian, is given to the students who have contributed the most service to the university.

Selected by the College of Management, College of Arts & Sciences and College of Culinary Arts, the **Academic Performance Award** recognizes graduating students in baccalaureate degree programs who have achieved the highest academic average and who have been recommended by the faculty.

The **Dean's Award** is presented to one bachelor's degree student from each College of Management, College of Arts & Sciences and College of Culinary Arts degree program who exemplifies the core values of commitment, leadership, high academic standing and career focus.

University Awards

The **Eugene K. Burns Alumni Award** is given to the individual whose activities have most enhanced the reputation of the university.

The **Apprenti Cuisinier Awards** are given to second-year culinary arts students in recognition of achievement in a particular area of cooking. One award is made in each of the following categories: Classical Cookery, International Cookery, Garde Manger and Classical Pastry.

The **Vollrath Award** is presented to a student who has demonstrated excellence as an employee in the culinary arts industry.

The **Judith "Hootie" Solt Community Service Award** is presented to a student in memory of the outstanding community service exemplified by North Miami Campus student Hootie Solt. The award is presented to the student who best demonstrates a commitment to volunteerism and community service during his or her enrollment.

The **John J. Bowen Experiential Education Award** is given to an individual selected for his or her outstanding work and contributions to industry as a student, as well as demonstration of leadership on and off campus. This award is selected by Experiential Education & Career Services.

Students who graduate with a 4.0 cumulative grade point average (GPA) receive the **Exceptional Academic Achievement** award in recognition of their academic achievement.

Scholarships

The **Founder's Award** is presented to rising sophomore, junior or senior students in the College of Management and College of Culinary Arts who by their serious approach to career education and perseverance in their objectives, represent the ideals and principles expressed by the founders of Johnson & Wales University, Gertrude I. Johnson and Mary T. Wales. Students must have a minimum 3.4 cumulative GPA to be considered for this award.

The **Pioneer's Award** was established to honor Audrey Gaebe. This award is presented to rising sophomores and junior enrolled in the College of Arts & Sciences who actively participate in the JWU campus community. Students must have a minimum 3.4 cumulative GPA to be considered for this award.

The **President's Award** is given to rising juniors in the College of Management and College of Culinary Arts who perform in an outstanding capacity in academic pursuits, display leadership in extracurricular activities and show determination, cooperation and a strong college spirit. Students must have a minimum 3.4 cumulative GPA to be considered for this award.
Admissions

Johnson & Wales University’s admissions process goes beyond simply looking for academically accomplished students. The university seeks to attract and retain highly motivated and demonstrably capable students. Students’ motivation and interest in succeeding in their chosen careers are given consideration along with their academic achievements.

Applying for Admission

Please select the appropriate tab for information regarding applying.

Undergraduate

How to Apply

Students are encouraged to apply online (http://admissions.jwu.edu/apply) for quicker processing. Paper applications are also accepted. For either method, no application fee is required.

To submit your application on paper, you may request an application to be mailed to you by contacting the Johnson & Wales Admissions office noted below.

Completed paper applications should be mailed to the following campus addresses:

Providence Campus
Admissions
Johnson & Wales University
8 Abbott Park Place
Providence, RI 02903

North Miami Campus
Admissions
Johnson & Wales University
1701 NE 127th Street
North Miami, FL 33181

Denver Campus
Admissions
Johnson & Wales University
7150 Montview Boulevard
Denver, CO 80220

Charlotte Campus
Admissions
Johnson & Wales University
801 W. Trade Street
Charlotte, NC 28202

Be sure to complete your application in full, as an incomplete application could affect eligibility for Johnson & Wales scholarship programs. Additional information submitted after the initial application has been received will not be considered for additional scholarships. For U.S. students, eligibility for university need-based and federal aid is determined through the Free Application for Federal Student Aid (FAFSA).

In completing the application form, students must indicate the term in which they wish to enroll. Applications are accepted for terms beginning in the fall, winter and spring. NOTE: Equine majors may only enter in the fall term.

There is no deadline for submitting applications, but students are advised to apply as early as possible before their intended date of enrollment for full consideration, as some programs may become full.

Certain bachelor’s degree programs are selective and require submission of an application at the end of the associate degree program before acceptance into a program. Students should check program descriptions if they are interested in applying for both an associate and a bachelor’s degree program.

After completing the application form, students are responsible for requesting that their high school guidance office forward the university an official copy of the secondary school record for admissions consideration.

When possible, Johnson & Wales University would prefer to receive the applicant’s high school transcripts at the same time as the application for admission. Transfer students must also submit official transcripts from all high schools and colleges attended.

Students applying for admission to a continuing education program at JWU’s Providence (http://catalog.jwu.edu/admissions/applying/providence-ce) or Denver (http://catalog.jwu.edu/admissions/applying/admissions/applying/denver-ce) campuses should refer to these catalogs for admissions information.

High School Completion Verification

Graduation from high school or equivalent education as certified by state departments of education is required for undergraduate admission. Graduation verification documents must be submitted to Admissions. Official verification documents include at least one of the following: correspondence from an authorized high school administrator, a high school diploma/transcript recognized by the student’s state department of education or an official GED certificate. Additional methods of verification of high school completion exist for home-schooled students (p. 74). It is the student’s responsibility to provide verification of high school completion. Without such verification, the student may not be allowed to register for the current term or continue enrollment and will be in jeopardy of revocation of admission to the university as well as losing all financial aid.

International students should refer to the international (http://catalog.jwu.edu/admissions/international) section of this catalog for admissions information.

Admissions Requirements

Test Scores

SAT and ACT scores are not required for general admission to the university, but are strongly recommended. The SAT or ACT is required for home-schooled students (p. 74).

Candidates for the university’s honors program must submit SAT or ACT scores for acceptance consideration. Admission standards may vary for international (http://catalog.jwu.edu/admissions/international) and transfer students (http://catalog.jwu.edu/admissions/applying/transferstudents).

Certain programs of study include technical standards in the academic requirements essential to the program. Students with disabilities should contact the Center for Academic Support for information about the technical standards. See technical (p. 74) standards (p. 74) for descriptions of the applicable technical standards. Copies of the technical standards applicable to various programs are also available from the Center for Academic Support.

For additional admissions requirements please review the other topics listed in the Applying (p. 73) section of this catalog.

Johnson & Wales University 73
Admissions Decisions

The rolling admissions policy of the university makes it possible to notify students of the admissions decision, of their acceptance or of any additional conditions necessary for admission, soon after all of their academic records have been received and reviewed.

The $300 reservation fee is payable upon acceptance to the university. The university observes the May 1 reservation fee deadline and encourages students to research all schools before placing a reservation fee. Reservation fees received after May 1, 2014 will be accepted on a space available basis. Reservation fees received prior to May 1, 2014 are refundable. The student’s account must be cleared by Student Financial Services by the July deadline to receive a room assignment. To best ensure consideration for on-campus housing, it is important to meet all deadlines throughout the enrollment process.

Equine Riding students are asked to submit a $500 reservation fee. These fees are credited to students’ initial billings.

Requests for refunds of the reservation fee will be granted upon written request to the university prior to May 1, 2014. After May 1, 2014 the reservation fee of $300 (or $150 of such fee in the case of applicants to the North Miami Campus) is nonrefundable.

The university may revoke any student’s acceptance or enrollment if any information or documentation provided by the student is false or incomplete, or if the university learns of any past or present misconduct by the student that would affect the student’s ability to represent and uphold the high standards of the university.

Deferred Enrollment

Johnson & Wales offers a two-year deferred enrollment to students who have applied and been accepted to the university but, for various reasons, wish to postpone their enrollment. Johnson & Wales University retains student application material and will honor the admissions decision for up to two years; after that time frame, the applicant will need to submit a new application and transcript for review. Reservation fees will remain effective during the deferment period. Merit scholarships awarded through the application process will be honored for up to two years from the time of initial acceptance. Federal student aid is awarded annually; a student must reapply for federal funds through the Free Application for Federal Student Aid (https://fafsa.ed.gov) (FAFSA).

Advanced Placement Credit

Students entering Johnson & Wales University with an Advanced Placement test score of “3” or greater will be granted 4.5 quarter credits for the equivalent JWU course. Students must submit an official AP Grade Report from the College Board Advanced Placement Program. For more information about AP credit, contact University Testing & Transfer.

Transfer Credit

Transfer students are eligible to apply for most JWU majors; however, they are not guaranteed credit. Credit is usually granted for courses completed with a grade of C or better (2.00 GPA) at another institution accredited by an accrediting agency recognized by the U.S. Department of Education or International Ministry of Education. Grades of “pass” are also acceptable for transfer if credit was awarded (and a grade of P has the numeric GPA value of 2.00 or greater). Credits earned in developmental and remedial courses or CEUs are nontransferable. Transfer credit evaluations are based on previous college work as it relates to the student’s intended field of study. Transfer credits are not calculated into the cumulative grade point average.

Transfer candidates must submit official college transcripts from all colleges previously attended prior to enrolling at JWU. Students must also submit official high school transcripts and provide verification of high school or secondary school completion.

It is the responsibility of those candidates who are currently attending another college to have their updated transcripts sent to JWU as soon as final grades become available and no later than the first term of enrollment. The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

Home-Schooled Students

Home-schooled students will be required to provide a high school transcript and a copy of their ACT or SAT test scores. Both the grades on the transcript and the ACT/SAT test scores will be reviewed to determine admissions and scholarship eligibility. Combined SAT scores of 1000 (reading and math, 500 each) or ACT score of 21 in English and math.

A home-schooled student must be able to document that he or she has completed high school. Verification documents for home-schooled students include at least one of the following:

- a high school diploma recognized by their state department of education
- a GED certificate
- or, with respect to home-schooled students who are above the compulsory age of school attendance,
  - a secondary school completion credential for home school (other than a high school diploma or GED certificate) provided for under state law
  - or
  - if state law does not require a home-schooled student to obtain the credential described in the preceding bullet, a certification from a party acceptable to the university that the student has completed a secondary school education in a home-school setting that qualifies as an exemption from compulsory attendance requirements under state law

It is the student’s responsibility to provide verification of high school completion. Without such verification, the student may not be allowed to register for the current term or continue enrollment and will be in jeopardy of revocation of admission to the university as well as losing all financial aid.

Early Enrollment

The Early Enrollment Program gives high school seniors an opportunity to enroll full time in college courses at JWU during their senior year of high school. Students should apply for admission to the Early Enrollment Program during their junior year of high school. The Early Enrollment Program was designed to help students investigate the variety of college and career options available to them. Early Enrollment Program students earn college credits while completing high school graduation requirements.

*International students on an F1 Visa are not eligible for the Early Enrollment Program.

- lead and control a horse for turnout into a paddock
- operate horse management equipment such as tractors and wheelbarrows
- lift, handle and transport tack, feed bags, hay bales and equipment for feeding and watering horses
- groom horses, including bathing, brushing and picking out hooves
- clean equine equipment, stalls and aisles

Equine Studies and Equine Business Management/Riding (Providence Campus only)

- mount a 15.2 hand horse
- control a moving horse as a rider
- maintain balance and remain alert at all times while riding or handling a horse
- wear an ASTM/SEI-certified riding helmet and standard flat-soled riding boots with at least a 3/4-inch heel
- lead and control a horse for turnout into a paddock
- operate horse management equipment such as tractors and wheelbarrows
- lift, handle and transport tack, feed bags, hay bales and equipment for feeding and watching horses
- groom horses, including bathing, brushing and picking out hooves
- clean equine equipment, stalls and aisles

The foregoing technical standards are essential to the programs of instruction in Equine Business Management and Equine Business Management/Riding and also reflect industry requirements and standards.

Military

Johnson & Wales University is approved for the training of veterans by the state approving agency.

Eligible veterans should contact the Department of Veterans Affairs toll free at 1-888-442-4551 or online at www.gibill.va.gov (http://www.gibill.va.gov).

International Admissions Requirements

Applicants who are not U.S. citizens or permanent residents (holding a “green card” or permanent resident card) of the U.S. must meet the same admissions requirements as all other applicants, including some additional documentation. In order to expedite the admissions process, applicants must enclose ORIGINAL or CERTIFIED documents from the institution or authorizing body when submitting an application. Photocopies, fax copies, U.S. notary copies, scanned or emailed documents are not valid. Note: Currently the university is not accepting applications for online degree programs from international students.

These international applicants must submit the following:

1. An accurate, complete and legible international application form that has been signed and dated by the applicant. All schools attended must be listed, with dates of attendance.
2. Certified bank statement or government sponsorship letter verifying financial support for one academic year. Bank statements cannot be older than three months from the time of issue.
3. English Language Proficiency test results (See English Language Proficiency (p. 76) and English Proficiency Requirements (p. 76).) Official secondary school transcript showing subjects and marks received with graduation date. Diplomas and any external examination results should be submitted, if applicable. Students who have not yet graduated from secondary school must submit a transcript showing all completed work, and expected results and graduation date may be submitted for review.
5. Applicants who have attended any college or university must submit transcripts, marks sheets, diplomas or certificates from all post-secondary institutions attended, along with course descriptions and credit values for transfer review.
6. Copy of biographical section of applicant’s current passport.
7. Certified word-for-word translations of all non-English credentials must be submitted.

All documents and information should be clear and legible; if important information cannot be read by the International Admissions staff, the admissions process is delayed and, as a result, so is the acceptance/Form I-20 process.

All documents must be sent to the campus where you intend to enroll:

English Language Proficiency

Applicants whose primary language is not English must provide proof of English proficiency. English language proficiency is required for admission to all programs of study at Johnson & Wales University, regardless of country of citizenship or residency.

Students who do not provide proof of English proficiency will be enrolled in the English as a Second Language (ESL) program prior to beginning regular degree studies.

Johnson & Wales University’s English as a Second Language (ESL) program allows students to focus on the areas where they need the most improvement. Some advanced-level ESL students may take a regular undergraduate degree class in place of an ESL class that has been exempted based on their individual test section scores. Individual section scores and total scores must also meet minimum score requirements.

Johnson & Wales University reserves the right to require a student to take ESL classes to increase proficiency in a particular area, regardless of total test scores.

International Undergraduate Transfer Credit

Transfer applicants should submit official college transcripts from any colleges and universities previously attended prior to enrolling in undergraduate courses. Transcripts must be in English; students are responsible for providing official word-for-word English translations, if needed. The student must also have earned a grade of C or better (2.00 GPA), and courses must be similar in level, content and duration to JWU courses in the student’s intended major. In some cases, official course descriptions or syllabi will be required for evaluation.

Accepted transfer students will be sent a copy of their degree audit showing the credit accepted toward their chosen major. Students wishing to review transfer credits must contact a transfer student advisor in Student Academic & Financial Services (for domestic institution transcripts) or International Admissions (for international institution transcripts).

Articulation Agreements

Johnson & Wales University is proud to maintain a variety of international relationships through articulation agreements and transfer equivalencies with institutions and programs that facilitate student transfer to JWU for bachelor’s degree completion. The university is continuously working to develop partnerships with institutions around the world for the purpose of offering diverse educational opportunities for transfer students. Please note that all majors are not offered at each campus, which may affect articulation agreement eligibility. Contact Admissions at the specific campus for more information. International Articulation Agreements include:

- At-Sunrice Global Chef Academy, Singapore
- Barbados Community College, Barbados
- Bermuda College, Bermuda
- College of the Bahamas (COB), Bahamas
- Florence University of the Arts (Apicius), Italy
- Guangzhou University, China
- Higher Hotel Institute, Cyprus (HHIC)
- Holland College, Canada
- Humber College, Canada — Memorandum of Understanding only
- Hyejeon College, Korea
- Imperial Hotel Management College, Canada
- Kolej Damansara Utama (KDU), Malaysia

Other English language examination results will also be considered, and experience studying in the English language, as documented through school transcripts, will be taken into consideration.

To meet English proficiency requirements, all English language examination results must be submitted on an official test transcript that is no more than two years old. TOEFL scores must be received as official ETS scores. The Johnson & Wales University Designated Institution (DI) code is 3465. Students should use this code on their TOEFL registration form so that their scores will be sent directly to Johnson & Wales University.

Students may be exempted from individual ESL classes based on their individual test section scores. Individual section scores and total scores must also meet minimum score requirements. Johnson & Wales University also reserves the right to require a student to take ESL classes to increase proficiency in a particular area, regardless of total test scores.

NOTE: Currently the university is not accepting applications for online degree programs from international students.

Placement Testing (non-credit, no fees)

**Mathematics and English**

These tests are administered to all new undergraduate students, including transfer students, prior to term start. Transfer students may be exempt from placement testing if transfer credit has been awarded for the appropriate mathematics and English courses.

**Modern Languages**

All undergraduate students who have studied more than one year of French, German or Spanish are required to take a placement exam for that language. The placement exam will be scheduled at the beginning of each term. Students whose placement score indicates they have met a particular level of language proficiency will not be allowed to enroll in that language level. Students placing out of a required level of a language will be given the option to apply for the Departmental Challenge Examination to earn these credits (fees apply) or replace these credits with arts and sciences electives.

**Academic Support and Disability Accommodations**

Students with a documented disability requiring special accommodations must forward documentation to the Center for Academic Support at least two weeks prior to placement testing to ensure that accommodations can be made. No accommodations will be provided without appropriate documentation submitted prior to testing. Students who have already participated in placement testing and submit appropriate documentation will have the opportunity to retest with the accommodations in place.

**Learning Assessment**

By successfully completing one of the options offered (Challenge, CLEP or Portfolio Assessment) students may earn undergraduate course credit for previous academic and/or prior learning experiences.

For a listing of course options, annual examination schedules with examination dates and application deadlines, refer to the university’s Standardized Testing and Prior Learning Assessment brochure, which may be obtained from Student Academic & Financial Services.

In all cases, the academic department determines policy as it relates to the testing options for each course in the department. Several options may be available to students, and it is recommended that students seek the advice of an academic counselor.

**Policies for Challenge Exams, CLEP Exams and Portfolio Assessment**

1. Course prerequisite requirements must be completed before permission to participate in a standardized testing option will be granted.
2. The university recognizes up to a maximum of 45 undergraduate quarter credits earned through Standardized Testing and Prior Learning Assessment.
3. Portfolio Assessment, CLEP Exams and Challenge Exams must fall within the residency requirement (http://catalog.jwu.edu/handbook/academicinformation/residencyrequirement) for each degree.
4. Portfolio Assessment, CLEP Exams and Challenge Exams may not be substituted for a class in which a Withdrawal (W) grade has been issued. They may not be substituted for a class previously taken or a class in which the student is presently scheduled.
5. The CLEP Exam requires a passing score of 50 or higher for CLEP credit to be awarded.
6. CLEP Exams, if failed, can be repeated in six months.
7. Portfolio Assessment and Challenge Exams cannot be repeated if failed.
8. Seminar, application and processing fees are nonrefundable.
9. Students must present a valid picture ID when testing.

After being determined eligible to test or enroll in a seminar, students will be notified by email of the time and location of their test or seminar. The Standardized Testing and Prior Learning Assessment brochure listing course options may be obtained online (www.jwu.edu >Select Your Campus > Student Life > Academic Services > Testing for Credit) or from Student Academic & Financial Services. For additional policies/information for Portfolio Assessment, Challenge Exam and CLEP Exam options, refer to the brochure.

**Portfolio Assessment**

(for credit, with fees)

Undergraduate students may earn credits for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel programs, organizations or other comparable sources. Students must discuss this option with an academic counselor before they are eligible to enroll.

To apply for a Portfolio Assessment, students must meet the university’s residency requirements and complete the Portfolio Development non-credit seminar. This seminar will meet for three two-hour sessions.

The seminar assists students with the development of a portfolio that describes and documents how the learning took place. The completed portfolio is submitted to the appropriate department designee for review. The assessor will review the portfolio and either validate the student’s learning by awarding college credits, request additional information, or deny the request for credits. Portfolios will not be returned to the students; they become property of the university.

Once the seminar is completed, eligible students, in consultation with an academic counselor, may submit additional portfolios. Refer to the
Standardized Testing and Prior Learning Assessment Brochure, available at Student Academic & Financial Services, for more information on required fees.

**CLEP Examination**

*(for credit, with fees)*

The College-Level Examination Program of the College Board tests are widely accepted national examinations in various subjects. The American Council on Education’s recommended score is required to earn credit. JWU subject equivalencies are determined by each academic department for each exam. These exams are treated as transfer credit. JWU is a national CLEP examination site. Consult the CLEP application for required fees.

**Departmental Challenge Examination**

*(credit by examination: for credit, with fees)*

Departmental exams may be taken for specifically designated undergraduate courses within a department. All matriculating students with previous academic and/or work experience, may request such an exam when they feel they have acquired the knowledge of a specific JWU course. Some testing options require specific criteria in order to take tests. Refer to the Standardized Testing and Prior Learning Assessment Brochure, available at Student Academic & Financial Services, for criteria and fees.

**Accelerated Programs**

Johnson & Wales University offers the following accelerated programs. (See list on left.) For more information, contact Admissions at the campus of your choice.

**FAST and College Credit**

Johnson & Wales University offers students an opportunity to earn credits toward a JWU degree while they are still in high school. The College of Culinary Arts offers credit to students through the Freshman Advanced Study Tract (FAST) Program. Students may qualify for credit by meeting the following requirements:

- Be enrolled in an approved FAST school program.
- Complete a minimum of two years in an approved commercial foods program.
- Earn a minimum of a B (3.0) grade point average for the commercial foods program.
- Meet all of the requirements for acceptance to Johnson & Wales University.
- Students must successfully pass a three-hour practical exam. (There is a $300 fee for this exam.)

**NOTE:** FAST applies only to culinary majors. It is not applicable to baking & pastry majors.

Upon successful completion of the above requirements, qualified applicants may receive a total of nine (9) quarter credits toward their JWU degree. For more information regarding school requirements for the FAST program or the FAST practical exam, contact Admissions.

Students enrolling in programs in other JWU colleges and schools may also be eligible to earn transfer credits through our Credit for College Program. By successfully completing one of the options offered (Challenge, CLEP or Portfolio Assessment), undergraduate students may earn course credit for previous academic and/or prior learning experiences.

For more information about the FAST or Credit for College programs, contact Admissions.

**International High School Credentials for Transfer**

**International Baccalaureate**

Johnson & Wales University recognizes the International Baccalaureate Diploma and Certificate Examination. JWU will award 4.5–9.0 quarter credits for standard and higher-level exams with a score of 4 or better as applicable for the intended JWU major. Students must submit an official IBO examination transcript from the International Baccalaureate Organization.

**General Certificate of Education Advanced Level (A-level)**

Johnson & Wales University will award up to 12 quarter credits per subject for GCE Advanced Level Examinations (excluding General Paper) passed with grade equivalents of C or better. Up to six quarter credits may be awarded for GCE AS (Advanced Subsidiary) examinations. Students must submit an official or verified certificate or statement of results issued by the U.K. examinations board.

**SHARP**

Special Honors and Rewards Program (SHARP) is an honors program designed for qualified full-time undergraduate students in a day program who wish to accelerate their program to complete degree requirements in less than the normally required time. This is accomplished by increasing the student’s course load each term as scheduling permits. SHARP results in savings of time and expenses for eligible students. Day program students accepted into SHARP may register for up to 25.0 quarter credits each term with no additional fees. Interested students must complete a SHARP application, returning the completed form to Student Academic & Financial Services. The following students are eligible for SHARP:

1. Incoming freshmen who are honors graduates of approved secondary schools, have been elected to their state or national honor society, or have maintained a minimum GPA of 3.0
2. New transfer students who maintained full-time enrollment at a previous institution and each term earned a cumulative GPA equivalent to Dean’s List status for that institution
3. Students who have maintained full-time enrollment at JWU and a cumulative GPA of 3.40 at the end of each term

**4+1 B.S./MBA/M.S. Programs**

The five-year B.S. and MBA or M.S. programs allow JWU hospitality, food service management, business or criminal justice full-time seniors to earn a bachelor’s degree in their major plus an MBA (hospitality or business majors) or an M.S. (criminal justice majors). Depending on when students enter the program, they may complete their master’s level study in 12-15 months. Qualified students may enroll in a graduate course each term of their senior year and complete up to three graduate courses (with no additional charge) at Johnson & Wales while completing their bachelor’s degree.

4+1 degree programs are offered at the Providence and Denver campuses. Please see the Admissions Requirements (http://catalog.jwu.edu/admissions/applying/admissionsrequirements/#graduatetext) section of the catalog for more information.
Financing Your Education

This section of the catalog contains information on tuition and fees, financial policies and obligations, financial aid and payment options. There is also information on loans, grants, scholarships and work programs for eligible students depending on campus and degree program.

Tuition and Fees

The following tuition and fees schedule is effective for the 2014–15 academic year. Tuition and fees are subject to change annually.

<table>
<thead>
<tr>
<th>Tuition</th>
<th>Fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>Annual Tuition</td>
<td>$28,239</td>
</tr>
<tr>
<td>Orientation Fee</td>
<td>$300</td>
</tr>
<tr>
<td>Student Health Insurance</td>
<td>$1,326</td>
</tr>
<tr>
<td>Room and Board*</td>
<td>$10,545</td>
</tr>
</tbody>
</table>

* The fee for certain residence halls may include board. For more information contact Residential Life at 305-892-7055.

Tuition is applicable to all students, including those in approved off-campus programs such as study abroad and internships. Students enrolled in courses in excess of a normal full-time schedule will be assessed an additional tuition charge. For purposes of tuition billing and financial aid eligibility, full-time status is determined on a term basis and consists of 12 to 21 quarter credit hours per term. Students carrying more than 21 quarter credit hours will be charged for each quarter credit over 21. When repeating courses already attempted, students may be assessed a fee for those courses. Students are assessed tuition upon course registration each term. Summer is considered a separate term. The quarter credit hour rate is $522.

Room and Board is for the academic year and selected rooms have access to 15 meals per week. This applies to all resident students. For more information contact Residential Life at 305-892-7055.

Reservation Fee and Other Fees

Reservation Fee

The $300 reservation fee is payable upon acceptance to the university. The university observes the May 1 reservation fee/deposit deadline and encourages students to research all schools before placing a reservation fee. Reservation fees received after May 1, 2014 will be accepted on a space available basis. Reservation fees received prior to May 1, 2014 are refundable. Students must also have an approved payment plan with Student Academic & Financial Services by July 18, 2014 in order to guarantee a room assignment. Students who establish an approved payment plan after July 18, 2014 could be placed in a temporary assignment regardless of fee payment date, although Residential Life will make every effort to assign students to permanent room assignments.

Requests for refunds of the reservation fee will be granted upon written request to the university prior to May 1, 2014. After May 1, 2014 the reservation fee of $300 (or $150 of such fee in the case of applicants to the North Miami Campus) is nonrefundable.

Orientation Fee

This nonrefundable fee, which is uniformly charged, is required of all new students for orientation and term start activities. It is charged to students who start during the fall, winter or spring term.

Medical Health Coverage While Enrolled

All registered, undergraduate day students, both domestic and international, all students enrolled in the physician assistant degree program and all international graduate and doctoral students attending Johnson & Wales University are required to have health insurance coverage that is accepted in the United States. If students have health insurance coverage through another means (i.e., parent’s health insurance or an employer program) they do not have to enroll in the Johnson & Wales student health insurance plan. They can opt out of/waive the university plan by submitting the online waiver form to demonstrate evidence of coverage. A new waiver form must be submitted each academic year. Students who are required to have health insurance and do not waive the Johnson & Wales University plan will be charged for it. The online waiver form and details of the plan, including the full brochure and benefit flyer, can be found on the Health Services (http://www.jwu.edu/content.aspx?id=10320) page of the JWU website.

Extension Students

Tuition rates for extension students are billed based on the number of quarter credit hours scheduled.

Early Enrollment

Early Enrollment Program (p. 74) tuition is 50 percent of the 2014–2015 tuition charge. Early Enrollment Program students are also subject to appropriate university fees, including full room and board charges and student health insurance. Early Enrollment Program students are not eligible for any federal financial aid or institutional need-based aid while enrolled in the program. Early Enrollment Program students should contact Student Academic & Financial Services for information on alternative funding and to determine how eligible scholarships will be affected while in the Early Enrollment Program.

ESL Students

Students who are studying in the English as a Second Language (ESL) program will be charged $6,394 tuition per term. The quarter credit hour rate is $535. This program charge will be applied for each term the student remains in the ESL program. ESL students are not eligible for Johnson & Wales University scholarships or grants.

Other Fees

Books and Supplies

The cost of books and supplies is approximately $1,500 per academic year. These costs are not applied to the student’s invoice. Books and supplies must be paid for at the university’s bookstores at the time of purchase. The bookstores operate a textbook sales/buyback program, as well as a rental program, to help students minimize these costs.

Complete textbook pricing and International Standard Book Number (ISBN) information is available via a link on each course registration-related page within JWU link, the university’s online student information system.

General Transportation Expenses

The cost of attendance includes a reasonable transportation allowance. These costs are determined annually by the university and are not applied to the student’s invoice.

Payment Options

Annual Payments

The student may make one payment in full for the entire academic year. Students are responsible for paying all charges in full or making appropriate arrangements by the published due date:

July 18, 2014
- New Undergraduate day
August 8, 2014
- Returning Undergraduate day
- Graduate Studies
- Continuing Education
- Doctoral
- Physician Assistant Studies

August 22, 2014
- Undergraduate International day
- Online

Term Payments

Students attending a program with terms may make three payments per academic year, and students in a semester program may make two payments per academic year. The fall due dates for each program are listed above.

Please refer to your invoice for future due dates.

Monthly Payments

Students may choose to pay the annual amount due in convenient monthly payments. This option is available through Tuition Management Systems
Students attending Johnson & Wales University who are legal residents of the state of Georgia are eligible for the following refund policy.

**Refund Policy for Georgia Residents**

- **Refund of tuition and fees**
  - 1 day–5%: 95%
  - 6–10%: 90%
  - 11–25%: 75%
  - 26–50%: 50%
  - More than 50%: No refund

  *In the event that a refund is made under this policy, all institutional aid and scholarships for that term will be adjusted on a pro rata basis based upon the applicable refund. Official notice of withdrawal must be made by a student under this policy in person or by written notification to Student Academic & Financial Services. The date of an official notice of withdrawal is the date that it is received by Student Academic & Financial Services. Refunds are paid to students within 30 days of the official notice of withdrawal.

**Tuition Refund Policy**

- In the event that the university Withdrawal Credit Policy is more favorable than this Refund Policy for Georgia Residents, the university will refund to the student the greater amount in accordance with the university Withdrawal Credit Policy.

**Notice Regarding Georgia Nonpublic Postsecondary Education Commission (NPEC) Student Complaint Process**

Any person or student claiming damage or loss against Johnson & Wales University may file a verified complaint with the executive director of NPEC after going through the university Complaints and Grievances process. The complaint must contain a detailed description of the claim, including dates, times and full names of all involved. Verification means that the complaint must be signed by the student or person filing the complaint and notarized, and state that the matters set forth in the complaint are true and correct. The complaint shall be investigated by the appropriate Standards Administrator (SA) of NPEC. The SA shall attempt to resolve the complaint between the university and the student. If the complaint cannot be resolved, the SA will issue a decision and inform each party that either has a right to request a hearing which shall be delivered to both parties by certified mail.

**Tuition Refund Policy**

Term and semester charges are defined as tuition and, if applicable, room and board. Students from Georgia should view the Refund Policy for Georgia residents (p. 80).

Tuition is applicable to all students, including those in approved off-campus programs such as study abroad and internships. Student Health Insurance, Program Fees, Wildcat Meals, and Orientation Fee are nonrefundable, if applicable. To the extent that any charges due to the university remain unpaid, no refund check will be issued. No tuition or fees will be assessed for terms and semesters in which the student does not register or enroll. Students who withdraw (or become withdrawn) from the university prior to the end of the academic year may have their financial aid adjusted, if applicable. Institutional grants and scholarships will be reduced in proportion to any tuition credit received.

**University Withdrawal Credit Policy**

The distribution formula for the institutional refund to the Federal Student Financial Aid program will be calculated according to federal regulations. Any refund due will be issued within 45 days after the date that the university was first notified of the withdrawal.

If a student terminates during
- the first or second week of the term, the university will credit 90 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 10 percent.
• the third or fourth week of the term, the university will credit 50 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 50 percent.
• the fifth or sixth week of the term, the university will credit 25 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 75 percent.

After the sixth week of the term, students will be responsible for 100 percent of the term charges and will receive 100 percent of that term’s eligible institutional aid and scholarships.

Examples of university refund policies are available upon request in Student Academic & Financial Services.

University Enrollment Dispute
If a student leaves the university due to extenuating circumstances without officially withdrawing, they may submit a university enrollment dispute (http://www.jwu.edu/forms.aspx?id=55199) within 30 days after the end of the term in dispute. No withdrawal disputes will be considered after that time. The student must present supporting documentation that demonstrates serious and compelling reasons justifying the withdrawal, and extenuating circumstances justifying its retroactive nature. No adjustments to tuition and fees or financial aid will be made until the dispute is researched and either approved or denied. Decisions will be made within 10 business days and the student will receive notification via an email sent to the email address they provided on the dispute form.

Withdrawal Policy for Study Abroad programs and programs jointly administered by Study Abroad and Experiential Education & Career Services
If a student withdraws for any reason, either voluntary or involuntary, prior to June 1 for the fall programs, September 1 for the winter programs, December 1 for the spring programs and March 1 for the summer programs, they may be eligible for a refund on the $500 deposit (if applicable) and/or a reduction of the program cost charged to the student’s account. A written withdrawal letter or email is required and must be sent to the Study Abroad office. This letter must be written and signed by the student. A telephone call will not be sufficient. The date on which your letter is received will be the formal date of withdrawal.

The $500 study abroad deposit is nonrefundable as of June 1 for fall programs, September 1 for winter programs, December 1 for spring programs and March 1 for summer programs.

If a student withdraws after the dates listed above, the student will also be charged for a portion of the program cost. The amount charged (in addition to the $500 deposit) is based on the date of withdrawal as well as the program start date. Please refer to the Withdrawal/Fee chart below for exact amounts.

If you withdraw after the deposit is non-refundable:  The late withdrawal penalty is:

Financial Obligations
Continued enrollment as a student in good standing and certain other student benefits (diplomas, transcripts, etc.) are conditioned upon being current in all financial obligations to the university, including loans in which the university appears as a holder or guarantor.

Financial Planning
The university understands that financing an education can be a very complex process for many students. To assist with this process, financial planning counselors are available to work with students and their families on an individual basis to help them best utilize their own funds and other available resources to meet educational expenses.

For more information and assistance, contact Student Financial Services at the campus where you plan to enroll.
2. Free Application for Federal Student Aid (FAFSA)
The Free Application for Federal Student Aid (http://www.fafsa.ed.gov) is available online. This form must be completed as soon as possible after January 1.
The information for financial assistance is then processed by the federal processor and sent to Student Academic & Financial Services at the university. The FAFSA code for JWU is 003404.

3. Independent Students
To be considered independent for financial aid purposes for the 2014–2015 academic year, students must answer yes to one of the following questions:

1. Were you born before January 1, 1991?
2. As of today, are you married? (Answer yes if you are separated, but not divorced.)
3. At the beginning of the 2014–2015 school year, will you be working on a master’s or doctorate program (such as an M.A., MBA, M.D., J.D., Ph.D., Ed.D. or graduate certificate, etc.)?
4. Are you currently serving on active duty in the U.S. Armed Forces for purposes other than training?
5. Are you a veteran of the U.S. Armed Forces?
6. Do you have children who will receive more than half of their support from you between July 1, 2014 and June 30, 2015?
7. Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2015?
8. At any time since you turned 13, were both your parents deceased, were you in foster care or were you a dependent/ward of the court?
9. As determined by a court in your state of legal residence, are you or were you an emancipated minor?
10. As determined by a court in your state of legal residence, are you or were you in legal guardianship?
11. At any time on or after July 1, 2013, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless?
12. At any time on or after July 1, 2013, did the director of an emergency shelter program funded by the U.S. Department of Housing and Urban Development determine that you were an unaccompanied youth who was homeless?
13. At any time on or after July 1, 2013, did the director of a runaway or homeless youth basic center or transitional living program determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?

Students who cannot answer yes to one of the above questions are considered dependent and must complete their FAFSA as a dependent student by providing both parent and student information. Please feel free to contact Student Academic & Financial Services with any questions.

4. Verification and Other Documentation
Student Academic & Financial Services may request additional documentation to verify information provided on the FAFSA (i.e. verification worksheet and untaxed income worksheet). The student and his/her parents may be required to submit signed and dated copies of their Tax Return Transcript. The transcript can be obtained online (http://www.irs.gov) or by calling 1-800-908-9946. The student’s financial aid package will not be complete until all requested documentation has been received and reviewed by Financial Aid. In addition, all student loan borrowers must attend an entrance and exit counseling session during which the student will be advised on his/her loan obligations.

Student Eligibility Requirements
In order to be eligible for federal financial aid, the student must meet the following criteria:

1. Be a U.S. citizen, permanent resident or eligible non-citizen.
2. Maintain satisfactory academic progress. (Financial aid will be suspended until satisfactory academic progress is again achieved.)
3. Be enrolled in a degree program.
4. Not owe a refund on a Federal Pell Grant or be in default on a Federal Perkins Loan, Federal Subsidized Stafford Loan, Federal Unsubsidized Stafford Loan or Parent Loan for Undergraduate Students (PLUS).
5. Sign a Statement of Educational Purpose, a Statement of Registration Status, and a Statement on Overpayments and Defaults.

Students are eligible to receive financial aid as long as they maintain academic standing standards (p. 66) as defined in this catalog. Students who fail to maintain satisfactory academic progress will be notified by Student Academic & Financial Services.

Financial need is the difference between the cost of the student’s education (tuition and fees, room and board, books and supplies, transportation and personal expenses) and the total contribution expected from the student and his/her family. The student’s total family contribution is based on an analysis of the information which the student and/or parent supplied on the FAFSA. Some of the items considered are total family income, assets, the number of people in the household, the number of siblings in college, and the student’s own resources, such as earnings, savings, and untaxed income which the student may receive. Johnson & Wales University also considers these items when determining eligibility for university funds.

Graduate
To be considered for financial assistance, complete the steps listed below.

1. Personal Identification Number (PIN)
Students and their parents can apply online for a PIN (http://www.pin.ed.gov). The PIN allows students and parents to sign the FAFSA electronically and to correct previously processed FAFSA information online. Both the student and at least one parent must apply for a PIN.

2. Free Application for Federal Student Aid (FAFSA)
The Free Application for Federal Student Aid (http://www.fafsa.ed.gov) is available online. This form must be completed as soon as possible after January 1.

The information for financial assistance is then processed by the federal processor and sent to Student Academic & Financial Services at the university. The FAFSA code for JWU is 003404.

In order to be eligible for federal aid programs, the student must meet the following criteria:

1. Be a U.S. citizen, permanent resident or eligible non-citizen.
2. Maintain satisfactory academic progress. (Financial aid will be suspended until satisfactory academic progress is again achieved.)
3. Be enrolled in a degree program.
4. Not owe a refund on a Federal Pell Grant or be in default on a Federal Perkins Loan, Federal Subsidized Stafford Loan, Federal Unsubsidized Stafford Loan or Parent Loan for Undergraduate Students (PLUS).
5. Sign a Statement of Educational Purpose, a Statement of Registration Status, and a Statement on Overpayments and Defaults.

Students are eligible to receive financial aid as long as they maintain academic standing standards (p. 66) as defined in this catalog. Students who fail to maintain satisfactory academic progress will be notified by Student Academic & Financial Services.

Undergraduate

Federal Pell Grant
The Federal Pell Grant is a federally funded entitlement program to assist needy undergraduate students. Eligibility for these grants is determined by the U.S. Department of Education based on the information provided on the FAFSA. Pell recipients can attend at less than half-time status and remain eligible for a portion of their Pell Grant. Students with a previous bachelor’s degree are not eligible for a Federal Pell Grant.

The maximum, full-time Pell Grant award for the 2013–14 award year (July 1, 2013 to June 30, 2014) was $5,645. The maximum Pell Grant award can change each award year and depends on program funding. Further information may be obtained from the U.S. Department of Education (http://www.ed.gov).

The amount of Federal Pell Grant funds a student may receive. Since the maximum amount of Pell Grant funding the student...
can receive each year is equal to 100 percent, the six-year equivalent is 600 percent.

Campus-based financial aid programs, including the Federal Supplemental Educational Opportunity Grant (SEOG), Federal Perkins Loan and Federal Work-Study programs are administered by Johnson & Wales University. Students apply for these programs through the filing of the FAFSA.

Federal Supplemental Educational Opportunity Grant (SEOG)
This federally funded program provides financial assistance to undergraduate students who demonstrate exceptional financial need. The amount Johnson & Wales University awards ranges from $100 up to a maximum of approximately $275 per academic year and is based on financial need and the availability of funds. Students with a previous bachelor’s degree are not eligible for a Federal Supplemental Educational Opportunity Grant.

Federal Perkins Loan
This low-interest loan is funded by the federal government and administered directly by the university. Master Promissory Notes for this loan are available (http://www.jwu.edu/financialaid). (Select “Forms & Applications.”) Students may borrow up to $4,000 for each year of undergraduate study (the total a student can borrow as an undergraduate is $20,000). However, the amount a student may borrow may be less than the maximum available. The university is authorized to award a certain amount of Perkins funds each year from the U.S. Department of Education. When all available funds for that award year have been distributed, no additional award funds can be made for that year. The amount a student will receive depends on financial need and the availability of funds.

Students must begin to repay this loan nine months after they leave the university or drop below half-time status. The repayment of principal and interest may be extended over a 10-year period. The amount of each payment depends upon the amount of the student's debt and the length of the student's repayment period.

Federal Work-Study Program
Federal Work-Study is a federally funded program that provides part-time employment to undergraduate students with financial need. Positions are available throughout the university and with selected off-campus community service agencies.

Work-study gives students the opportunity to earn money to help pay educational expenses. Students are paid an hourly rate for actual hours worked. The amount earned cannot exceed the total work-study award. Work-study funds are paid biweekly directly to the student; therefore, funds will not be applied to the student's account unless arrangements are made with Student Academic & Financial Services.

William D. Ford Federal Direct Subsidized Stafford Loan
This loan program provides low-interest loans to undergraduate students who demonstrate financial need. First-time borrowers are required to complete a Master Promissory Note and an entrance interview. Both of these requirements (https://studentloans.gov) can be completed online.

Students may borrow up to a maximum of $3,500 per academic year as freshmen for the first year of undergraduate study, $4,500 for the second year as sophomores, and $5,500 per year for the third and fourth years as juniors and seniors. The student must begin repayment six months after he/she leaves the university or drops below half-time status. The interest on the loan is not subsidized during the student’s six-month grace period. The amount of the student’s monthly payment will be determined based upon the amount of student debt and the length of the repayment period. Please contact Direct Lending at 1-800-557-7394 for more information on repayment options.

William D. Ford Federal Direct Unsubsidized Stafford Loan
Like the Direct Subsidized Stafford Loan program, this Direct Unsubsidized Stafford Loan program also offers low-interest loans to students. While most of the loan terms are the same as the subsidized loan program, there are several major differences:

1. Students do not have to demonstrate financial need to receive a Direct Unsubsidized Stafford Loan.
2. The federal government does not pay interest on the borrower’s behalf while the borrower is enrolled in school.

During that time, the student borrower can choose between making quarterly interest payments or “capitalizing” interest. “Capitalizing” interest means that the lender will add interest accrued to the principal balance. This will eliminate the need for interest payments while in school, but will result in a larger principal amount owed upon repayment.

Students in a four-year program will be eligible for Subsidized Stafford loans for the equivalent of six years — three years for students in a two-year program. The student who reaches this limitation could continue to receive Unsubsidized Stafford loans if he or she is otherwise eligible.

Once a borrower has reached the 150 percent limit, their eligibility for an interest subsidy also expires for all outstanding Subsidized Stafford loans that were disbursed on or after July 1, 2013. At that point, interest on those previously borrowed Subsidized Stafford loans would begin to accrue and would be payable in the same manner as interest on Unsubsidized Stafford loans.

William D. Ford Federal Direct Parent Loan Program for Undergraduate Students (PLUS)
The Direct PLUS Program provides loans to parents of dependent students to attend college. PLUS borrowers do not have to demonstrate need, but are subject to a credit analysis by the Department of Education. All students must complete the Free Application for Federal Student Aid (FAFSA) if their parents plan to borrow a PLUS loan. The parent must also complete the Direct PLUS Master Promissory Note (MPN); an MPN can be completed online (https://studentloans.gov). In addition the parent must indicate how much they want to borrow. Repayment of this loan will begin within 30 days of the time the loan is fully disbursed annually, or the borrower can contact the Department of Education to request a deferment. The borrowing limit is the total cost of attendance, minus any financial aid being received.

Increased Unsubsidized Stafford Limits for Independent Students and Dependent Students Whose Parents Don’t Qualify for a PLUS
There are higher additional unsubsidized annual loan limits for independent undergraduate students. These higher additional unsubsidized loan limits also apply to dependent undergraduate students whose parents are unable to borrow PLUS loans due to adverse credit or other documented exceptional circumstances.

- $3,500 combined subsidized and/or unsubsidized plus $6,000 additional unsubsidized for independent first-year undergraduates
- $4,500 combined subsidized and/or unsubsidized plus $6,000 additional unsubsidized for independent second-year undergraduates
- $5,500 combined subsidized and/or unsubsidized plus $7,000 additional unsubsidized for independent third-, fourth- or fifth-year undergraduates

Note: All undergraduate annual loan amounts are subject to proration.

Please note that a student/borrower remains responsible for the repayment of educational loans that he/she borrows even if the student is not successful in completing the educational program and/or obtaining employment.

No student is required to apply for, or accept, any particular type of financial aid.

Johnson & Wales University participates in the William D. Ford Federal Direct Loan Program. All Direct Stafford Loans and parent PLUS loans will be borrowed from the U.S. Department of Education.

Please note that the loan information described in this catalog is based upon the available information as of the date of the production of this catalog.
Updated information regarding federal grants and loans may be obtained by visiting the U.S. Department of Education (http://studentaid.ed.gov) website. Applications for these loans are available in Student Academic & Financial Services or on the Direct Lending (https://studentloans.gov) website.

Aid from these programs is awarded on the basis of financial need. In order to receive maximum consideration for financial assistance, it is recommended that the student apply as soon as possible after January 1. The award process for first-year students begins in March of each academic year. Renewal of financial aid is not automatic. Recipients are required to reapply each year by the announced deadline.

To be eligible for these programs, students must meet the following criteria:

1. demonstrate financial need;
2. maintain satisfactory academic progress (financial aid will be suspended until satisfactory academic progress is again achieved);
3. be enrolled in an eligible degree or certificate program;
4. be enrolled on at least a half-time (at least 6.0 quarter credit hours) basis (students enrolled on a less-than-full-time basis may have their financial aid reduced; some students enrolled on a less-than-half-time basis may qualify for a Federal Pell Grant);
5. be a U.S. citizen, permanent resident, or eligible non-citizen;
6. not owe a refund on a Federal Pell Grant or be in default on a Federal Perkins Loan, Federal Subsidized Stafford Loan, Federal Unsubsidized Stafford Loan, Parent Loan for Undergraduate Students (PLUS) or Supplemental Loan for Students (SLS); and
7. sign a Statement of Educational Purpose, a Statement of Registration Status and a Statement on Overpayments and Defaults.

Students are eligible to receive financial aid as long as they maintain Satisfactory Academic Progress (SAP) as defined in the SAP (p. 87) section of the catalog, and in their campus student handbook (http://catalog.jwu.edu/handbook). Students who fail to maintain SAP will be notified by Student Academic & Financial Services. All financial aid will be suspended until satisfactory academic progress is again achieved.

**Return of Title IV Funds (Federal Aid)**

When a student withdraws (or becomes withdrawn) during a payment period or period of enrollment, the amount of student financial aid program assistance earned is determined by a specific formula. If the student receives (or the university receives on the student’s behalf) less assistance than the amount earned, the student may be able to receive those additional funds. Students who received more assistance than what they earned must return the excess funds.

The amount of federal assistance earned is determined on a pro-rata basis. That is, if a student completes 30 percent of the payment period or period of enrollment, the student earns 30 percent of the federal assistance he or she was originally scheduled to receive. Once the student completes more than 60 percent of the payment period or period of enrollment, the student earns all scheduled federal assistance.

The student’s loan monies (subsidized, unsubsidized and PLUS) must be on record with the Department of Education before the student’s last day of attendance in order for the money to be considered within the formula. If the student is eligible for a post-withdrawal disbursement, a written notice will be mailed requesting the consent of the borrower to post the funds to the student’s account. The amount of institutional assistance earned is based on the week that the student withdraws from the university and follows the percentage the university credits the student’s charges.

If a student receives excess funds that must be returned, Johnson & Wales University must return a portion of the excess, equal to the lesser of

- the student’s institutional charges multiplied by the unearned percentage of the student’s funds
- the entire amount of the excess funds

If the university is not required to return all excess funds, the student must return the remaining amount. Any loan funds that the student must return, must be repaid by the student (or his or her parents for a PLUS Loan) in accordance with the terms of the promissory note.

If a student is responsible for returning grant funds, the student does not have to return the full amount. Students are not required to return 50 percent of the grant assistance received that is the student’s responsibility to pay. Any amount not returned is a grant overpayment and the student must make arrangements with the university or Department of Education to return the funds.

Federal regulations establish the following allocation for students who receive Title IV, HEA program funds:

A refund owed to a student who received funds under any Title IV, HEA program will be returned to the Title IV, HEA programs from which the student received aid in the following order until the amounts received by the student from these programs is eliminated: the Unsubsidized/ Subsidized Stafford Loan, the Perkins Loan, the Parent PLUS Loan, the Pell Grant, the FSEOG program, all other sources of aid, and the student.

**Graduate**

**Federal Direct Unsubsidized Stafford Loan**

This loan program offers low-interest loans to students who demonstrate little or no financial need. The federal government does not pay the interest on the borrower’s behalf while the borrower is enrolled in school. During that time, the student borrower can choose to make quarterly interest payments, or to “capitalize” interest. “Capitalizing” means the lender will add interest accrued to the principal balance. This will eliminate the need for interest payments while in school. A Master Promissory Note for these loans is located online (http://www.studentloans.gov). Loans made under federal loan programs are applied to the student’s account with the university in equal disbursements per term based on the loan period and the student’s entrance date.

Students should check with their financial planner to determine their maximum annual loan amount. Students must begin repayment six months after they leave college or drop below half-time status. The interest on the loan is not subsidized during the student’s six-month grace period. The amount of the student’s monthly payment will be determined based upon the amount of the student’s debt and the length of the student’s repayment.

**Return of Title IV Funds**

Federal regulations establish the following allocation for students who receive Title IV, HEA program funds:

A refund owed to a student who received funds under any Title IV, HEA program will be returned to the Title IV, HEA programs from which the student received aid in the following order until the amounts received by the student from these programs is eliminated: the Federal Subsidized Loan, the Federal Unsubsidized Loan program, all other sources of aid, and the student.

**State Grants**

**Access to Better Learning and Education Grant**

The Florida Department of Education provides JWU grant resources to distribute to Florida residents. Eligible students may receive up to $854 annually (per term awards may vary, not available for the summer term). Students must be enrolled in a four-year bachelor’s degree program. Eligible students are required to file a Free Application for Federal Student Aid (FAFSA). Funding is limited and not every student who meets the requirements will receive a grant. Priority is given based upon financial need and the FAFSA filing date, so it is strongly recommended that students apply as soon as possible. Students must maintain satisfactory academic progress according to JWU guidelines. Students with a previous bachelor’s degree or seeking a second associate degree are not eligible for this grant. To renew the grant, students must continue to meet the above criteria, earn an average of at least 12 credits for each term they are enrolled and maintain a 2.0 grade point average (GPA).

**Florida Student Assistance Grant**

**Florida Bright Futures Scholarship Program**
**Florida Merit Scholars Award**
**Florida Vocational Gold Seal Endorsement Scholarship**

These merit-based, renewable scholarship programs are administered cooperatively by OSFA (Office of Student Financial Aid), a branch of the Florida Department of Education, and Johnson & Wales University. Students should contact their high school guidance office or OSFA for eligibility requirements and applications. Applications must be submitted to OSFA by April 10 of the student’s senior year of high school. The scholarship amount varies depending on the Department of Education’s allocation of funds for that year.

Students from the following states may be eligible for state grant money:
- Delaware
- Pennsylvania
- Rhode Island
- Vermont

Contact the higher education authority in your home state for more information.

**Institutional Aid**

Please select the appropriate tab for information regarding institutional aid.

**Undergraduate**

**Johnson & Wales University Grant**

This grant is awarded to students based on the annual financial aid awarding process and the student’s financial need.

**Financial Assistance, Scholarship and Work Programs**

Last year, Johnson & Wales University awarded more than $140 million in institutional aid to students. Awards range from $500 to full tuition. Scholarships, grants, loans and work programs awarded depend on the university budget, and are dependent on students meeting program eligibility requirements. These programs are only available to full-time, undergraduate, day school students during the academic year and are not available during the summer term. Note: Scholarship funds are applied to the student’s account with the university in three equal disbursements by term (e.g., a $3,000 Presidential Academic Scholarship recipient would receive $1,000 per term).

Most scholarships are renewable for up to four consecutive years of enrollment.

**Important Note:** There is a cap on the total dollar amount of scholarships, grants, awards, prizes and other aid that the university will award to a single student during a given academic year. The maximum amount is determined prior to each year’s financial aid awarding process and includes both university funded and university administered monies. Please contact Student Academic & Financial Services for further information regarding this cap.

**Graduate**

**The MBA/M.S. Scholarship**

Each year, Graduate Admissions awards a limited number of scholarships to MBA/M.S. applicants who are accepted as full-time students and reflect an ability to excel in their chosen program. The total amount of each scholarship is $1,000 and the scholarship will be credited to the student's account in equal installments over three consecutive terms. The student must maintain full-time status while in receipt of the scholarship. Applicants must complete each section of the scholarship form and submit it with a résumé and the graduate school application. Scores from the GMAT or GRE may be included for scholarship consideration. Contact Graduate Admissions at (401) 598-1015 for a scholarship form.

**Pre-MBA Scholarship**

Students who successfully complete the Pre-MBA program with the required minimum 3.0 GPA needed to enter the MBA program will receive a nonrenewable $2,000 MBA scholarship awarded over the length of the program.

**Outside Scholarships**

There are many other potential scholarship sources that students should consider to help finance their education. Students should contact the higher education assistance agency in their home states for information about the possibility of state grants or scholarships. It is recommended that students apply for outside scholarships as soon as possible since most organizations have an application deadline as early as March 10.

Scholarship aid is often available from high school and community organizations with which students or their parent(s) may be affiliated. Local libraries are an excellent resource for finding information on scholarships from organizations throughout the United States. There are also a number of websites available to assist students in the scholarship search. View a guide to free scholarship searches online (http://www.jwu.edu/scholarships).

Many companies provide scholarship aid for children of their employees, while others provide aid directly to students who work for them part time while in school.

**American Hotel & Lodging Educational Foundation**

Scholarship aid is allocated each year by the American Hotel & Lodging Educational Foundation (https://www.ahlef.org) to the School of Hospitality. Awards are made on the basis of student intent to work in the hotel industry, cumulative average and need. Sophomores who are continuing their education should contact their faculty advisor for further information. The foundation also offers numerous scholarships for culinary arts majors.

**Broward County BRACE Scholarship**

These scholarships are available to students who will (or did) graduate from a Broward County public high school. The individual must attend Johnson & Wales University’s North Miami Campus and meet the eligibility requirements as determined by the Broward Advisors for Continuing Education (BRACE). The university matches up to 50 percent of the BRACE award, not to exceed the recipient’s unmet need.

**College Assistance Program (CAP) of Dade County**

These grants are available to students who will (or did) graduate from a Dade County public high school. The individual must attend Johnson & Wales University’s North Miami Campus and meet the eligibility requirements as determined by the College Assistance Program.
Johnson & Wales will also grant students who are eligible to receive CAP grants an additional award of up to half the amount granted by CAP. However, the university grant will not exceed the recipient’s unmet need.

Applications are available in April from the CAP Office at 1500 Biscayne Blvd., Room 341, Miami, FL 33132; high school guidance counselors’ offices; or Johnson & Wales Admissions. All applications must be returned to the CAP Office and must be postmarked no later than June 28.

Dollars for Scholars
Johnson & Wales University will match scholarship awards made to entering students by affiliated Dollars for Scholars chapters of Scholarship America.

National Restaurant Association Educational Foundation
The National Restaurant Association Educational Foundation (http://www.nraef.org/students/scholarships) administers and awards various merit scholarships to qualified undergraduate students in food service related majors.

Work Programs

Resident Assistant Program
Students are selected for this program based on strong academic performance and residence hall experience. Applications are available at Residential Life. Awards range from $10,500 up to $12,500 and are renewable based on annual performance.

Student Assistant Employment Program
Scholarships are awarded to all students selected for this program. No application is necessary, but a résumé is requested by the hiring department for consideration. Selection is based on strong academic performance and the possession of necessary skills. Awards for 2014-15 are up to $3,600 and are renewable based on annual employee performance and 2.50 GPA maintenance.

Teaching Assistant Program
Selection for this program is based on strong academic performance and successful completion of an internship. Applications are available at Culinary Events. Awards for 2014-15 are up to $7,000 and are renewable based on annual employee performance and 2.75 GPA maintenance.

Important notice for international students: Please be aware that some of the above programs offer a room and board grant for eligible summer participants. Non-resident alien students with an F-1, J-1 or Q-1 visa will be subject to U.S. income tax withholding on any grant received for room and board.

Note: There are many complex IRS regulations regarding the taxability of scholarships and grants. The university is not in a position to determine the tax consequences of such awards in the case of any particular student. It is recommended that all students consult IRS publication 970 entitled “Tax Benefits for Education” and their tax advisor to determine how these rules apply to them. Non-resident alien students with an F-1, J-1 or Q-1 visa will be subject to U.S. income tax withholding on any grant received for room and board.

Academic Progress

Satisfactory Academic Progress
To be eligible for financial aid, all students must satisfy Satisfactory Academic Progress (SAP), which is required by federal law. SAP measures a student’s completion of coursework towards a degree. JWU evaluates SAP at the end of each term, including summer, for each student. Students who do not meet all SAP criteria may lose their eligibility to receive all types of financial aid (e.g., federal, state, private, institutional and other aid). Students will be notified of the decision both verbally and in writing.

Maximum Time Frame Criteria
Completion of undergraduate or graduate programs cannot exceed 150 percent of the published length of the program measured in credit hours attempted as determined by the student’s program requirements.

PACE Measure of Academic Progress Criteria
• Students must complete a specified percentage of all credit hours attempted; see below.
• This percentage includes all credit hours attempted regardless of whether or not financial aid was received.
• This pace measurement is calculated by dividing the cumulative number of hours that the student has successfully completed by the cumulative number of hours that the student has attempted.
• Credits attempted are defined as all classes for which a student receives a grade (“D” or better), or an F, I, W, WP, WF, NC, GP, S, U, PL, CX, NG, AU etc.
• All transfer credit hours accepted from another institution towards the student’s educational program at JWU will be counted as both attempted and completed hours.
• The student’s GPA and pace of completion are negatively impacted by course incompletes, withdrawals, failures or repetitions (incompletes, failures and withdrawals count in attempted credits, but not completed).

Grade Point Average Criteria
• All undergraduate and graduate students must maintain a minimum Grade Point Average (GPA).
• The student’s cumulative GPA for financial aid eligibility must be calculated on all grades received.
• All students, regardless of their enrollment status (e.g., full or part time), must meet the following minimum academic standards to remain eligible for financial aid.

Warning Period
Students who fail to meet SAP criteria will be placed on financial aid warning for one academic term and a hold will be placed on the student’s record which will prevent them from course registration for all future terms. Students remain eligible for financial aid during the warning term. If SAP criteria are not satisfied at the end of the warning term, the student will be ineligible for financial aid. Students on warning must meet with an academic counselor to clear the hold prior to course registration, and/or to pursue an appeal. Students on warning must submit their appeal and supporting documentation before the eighth week of the warning term.

Ineligible for Financial Aid Period
Students who fail to meet SAP criteria after the warning period are ineligible for financial aid. If the student does not have an approved appeal, the student is no longer eligible for financial aid. Students may continue to take courses without financial aid to re-establish SAP standards; however, a payment plan must be established for the tuition and applicable fees associate with the course(s). Once a student is meeting JWU’s minimum SAP standards, he/she may regain financial aid eligibility. Students who are interested in re-establishing aid eligibility should meet with an academic counselor to determine what they would need to do to meet JWU minimum SAP standards.

Appeal Process/Probationary Period
If extenuating circumstances impacted successful adherence to SAP criteria, the student may pursue an appeal. The appeal will require the student to indicate why he/she did not make SAP and what has changed in the student’s situation that will allow the student to demonstrate SAP by the next term. Circumstances and required documentation are illustrated below. The appeal process begins with the student’s academic counselor in Student Academic Services. If an academic plan can be created that allows the student to meet SAP criteria within two terms, the counselor will present it to the appeals committee. Appeals must include complete documentation and are reviewed during the warning period; incomplete appeals will be denied. Appeal decisions are final. Students will be notified of the decision both verbally and in writing. This notification will take place after final grades are reviewed for the warning period.
If an appeal is approved, the student will be placed on a Financial Aid Probation Period, which is a status assigned by JWU to a student who fails to make SAP and who has successfully appealed and has had eligibility for financial aid reinstated. To continue receiving financial aid, the student will need to satisfy both the academic plan as outlined in their appeal and the SAP criteria.

Student Services

Student Services at JWU provides professional support for students across various aspects of campus life, from academic support to meals and housing, health services, and student clubs and organizations. Select a topic to view specific information.

Academic Support

Center for Academic Support
Phone: 305-892-7026

The Center for Academic Support (http://www.jwu.edu/content.aspx?id=416) offers a variety of services to assist students in preparing for graduation and their careers. The center complements students’ academic and technical training by providing services that help sharpen their ability to position themselves in today’s competitive marketplace.

The center’s goals are to support students in their efforts to develop and maximize their talents, empower them to direct their own learning, and help them acquire lifelong behaviors and attitudes that employers value — ultimately leading students on pathways to success.

Services Offered

- Academic Support advising
- Individual peer tutoring in all subjects and courses on a drop-in basis free of charge
- Individual professional tutoring in writing on a drop-in basis free of charge
- Individual and personal advising
- Accommodations for students with disabilities who provide appropriate documentation as described below

Students are urged to take the initiative in seeking out-of-class help during faculty office hours as well as through the Center for Academic Support.

Students with Disabilities

JWU is dedicated to providing reasonable accommodations to allow students with learning, physical or other disabilities to succeed in their academic pursuits. While maintaining the highest academic integrity, the university strives to balance scholarship with support services that will assist students with disabilities in functioning in the university’s academic environment.

Because some programs of study at the university have technical standards (p. 74) and requirements, applicants and students with disabilities should contact the Center for Academic Support to discuss the availability of reasonable accommodations or to obtain documentation guidelines, when appropriate.

Available reasonable accommodations for students with disabilities with appropriate documentation, include, but are not limited to

- Reduced Credit Hours
- Priority Registration
- Note-taking Assistance
- Classroom Accommodations
- Testing Accommodations
- Housing Accommodations
- Medical Absences
- Assistive Technology

For further information regarding available reasonable accommodations and the accommodations procedure, visit the Academic Support website or call the Center for Academic Support at your campus of choice.

Food Allergy Accommodation

for College of Culinary Arts and School of Hospitality students

Food allergies can be life threatening. According to the Centers for Disease Control and Prevention, food allergies cause 30,000 cases of anaphylaxis, 2,000 hospitalizations and 150 deaths annually.

Please note that the common food allergens (cow’s milk, egg, peanut, tree nuts, fish, shellfish, soybeans and wheat, as well as less common food allergens) are used regularly in the university’s curriculum in the College of Culinary Arts and the School of Hospitality.

The College of Culinary Arts and the School of Hospitality have technical standards (p. 74) that must be met for participation in their academic programs. All College of Culinary Arts programs and some School of Hospitality programs include the requirement that the student, with or without reasonable accommodations, must be able to safely and effectively test and evaluate the taste, appearance, texture and aroma of food and beverage products, and maneuver in professional or commercial kitchens, dining rooms and related facilities.

Applicants with a food allergy who have been accepted for admission to JWU and intend to pursue studies in the College of Culinary Arts or the School of Hospitality are strongly urged to call or visit the Center for Academic Support prior to attending their first class to discuss any reasonable accommodations that might be available during their academic studies. While the university will provide reasonable accommodations in compliance with applicable law, the university cannot guarantee it will be able to meet all requests for accommodations or remove allergens from its curriculum.

Health Services

Health Services (http://www.jwu.edu/northmiami/health) is located on the second floor of the Academic and Student Center and is available to resident and commuting students.

Medical Records

Prior to the first term of enrollment, the university requires all new, full-time undergraduate students — residents and commuters alike — to submit proof of a complete physical exam conducted within the past year, including documented proof of two doses of the MMR (measles, mumps, and rubella) vaccine (or titers if applicable), three doses of hepatitis B vaccine (or titers if applicable), three doses of tetanus-diphtheria vaccine (including at least one Tdap dose within the past 10 years), two doses of the chickenpox vaccine (or titers if applicable) or proof of physician-diagnosed disease, and one dose of meningitis vaccine (required for students residing in university residence halls (a waiver of the meningitis vaccine requirement is available for students 22 years of age and older. Please contact Health Services for further information)). In addition, a negative tuberculin test or chest X-ray within the last year is required for entering students who are from highly endemic countries and have been residents of the United States for less than five years. A list of countries where tuberculosis is highly endemic is available upon request form Health Services.

The hepatitis A vaccine is strongly recommended, but not required.

International Student Services

The main focus of International Student Services is to help international students adhere to Department of Homeland Security regulations, maintain their student status and access all the benefits permitted by their student visa status. A variety of other programs and services have also been created to assist students from the moment they enroll in the university until the day they graduate and beyond. International Student Services offers orientation programs and cultural programming for international students and the university community. In addition, information sessions on employment, tax and other cultural adjustment issues are conducted every year.

Orientation

Johnson & Wales University’s Orientation Program is designed to help students become acquainted with college life and to facilitate a successful first-year experience. Students are introduced to many university administrators, faculty, staff and student leaders who provide valuable information on academic studies, student life and university policies.

Social activities are scheduled throughout the orientation sessions to assist new students and their families in making connections with each other and their new campus community.

The university also reserves the right to notify parents of violations.

Sanctions

Disciplinary sanctions which may be imposed on a student found to be in violation of the above policy include, but are not limited to, reprimand, revocation of certain privileges, campus service, deferred suspension, fine or restitution for loss, suspension or dismissal from the university and/or university housing, and referral to alcohol education classes. The university also reserves the right to notify parents of violations.

Alcohol and Its Effects

Alcohol abuse is defined as any drinking that harms or endangers the drinker or other people. It can be a single episode or a regular pattern. Alcohol consumption causes a number of marked changes in behavior. Thought processes are slowed as alcohol numbs and destroys brain cells.

Symptoms of Drug Abuse

The key is change. It is important to watch for any significant changes in physical appearance, personality, attitude or behavior. Behavior signs include a change in overall personality or attitude with no other identifiable cause; a general lack of motivation, energy, or self-esteem; sudden oversensitivity, temper tantrums, or resentful behavior, moodiness, irritability or nervousness.

Possible Effects of Drug Abuse

Narcotics (opium, morphine, heroin) may cause euphoria, drowsiness, respiratory distress and nausea. Depressants (barbiturates) may cause slurred speech, disorientation and drunken behavior without the odor of alcohol. Stimulants (cocaine, amphetamines) may cause increased alertness, increased blood pressure and pulse, insomnia and loss of appetite. Hallucinogens (LSD, mescaline) may cause illusions, hallucinations and poor perception of time and distance. Cannabis (marijuana, hashish) may cause euphoria, relaxed inhibitions and disoriented behavior.

JWU’s Substance Abuse Prevention Program

Several programming initiatives and alternatives are available to help students examine their own behavior related to alcohol and other drugs (AOD).

• Counseling Services provides an assessment of AOD usage for all students who seek counseling.
• Counseling Services provides AOD assessments for students who are specifically referred by Student Conduct.
• Referrals to community resources are available for individuals with more long-term or complex needs. A number of AA/NA/Al-Anon groups hold meetings close to campus and in the larger local community.
• Counseling Services offers AOD prevention through programming efforts with various student groups and Student Affairs departments.
• Counseling Services also collaborates with Student Conduct to provide educational and other resources for students with problematic drinking behavior and drug use.
• A number of programming initiatives take place each year as part of Alcohol Awareness Week activities, the campus Wellness Fair, as well as a variety of classroom and Residential Life programs.
• There is also an Alcohol Task Force to address alcohol abuse by students. This group has members from all segments of the university community.

State Penalties for Drug and Alcohol Offenses

Johnson & Wales University students are subject to state criminal prosecution and penalties for drug and alcohol offenses. These offenses include the following:

• Possession or delivery of marijuana, cocaine, heroin, LSD or PCP
• Possession of a needle and syringe
• Driving under the influence of alcohol and/or drugs
• Driving under the influence, death resulting

Criminal penalties for drug and alcohol offenses can include

• Mandatory drug or alcohol counseling
• Alcohol and/or drug treatment
• Driver retraining
• Suspension or loss of driver’s license
• Community service
• Fines ranging from $200 up to $1,000,000
• Imprisonment for various periods of time up to life imprisonment

Residential Life

The North Miami Campus highly encourages all first-year students to live in campus housing. Campus housing offers residents an opportunity to be more closely linked with the ongoing university activities, including heightened interactions with faculty and staff. This helps the student truly create a home away from home while also having quicker access to campus support and overall fun.

Students who have been convicted of certain felonies (or have had certain felony-type charges sustained in a juvenile proceeding), such as crimes of violence, serious drug offenses and sex offenses, are not eligible to live in university housing.

Residential Life (http://www.jwu.edu/northmiami/reslife) provides information regarding a variety of living accommodations on and near campus, as well as programs for students and opportunities for involvement. Students requesting reasonable accommodations should contact the Center for Academic Support (http://www.jwu.edu/content.aspx?id=416).

Safety and Security

Campus Safety & Security (http://www.jwu.edu/content.aspx?id=416). Under the direction of Campus Safety & Security (http://www.jwu.edu/content.aspx?id=416), the student conduct review process is conducted away from university premises. Educational setting includes both defined as either university premises or any place where university business is conducted away from university premises. Educational setting includes both university premises and approved educational sites off campus. Possession or use of illegal drugs, narcotics or drug paraphernalia is absolutely forbidden. Johnson & Wales is not, and cannot be considered, a protector or sanctuary from the existing laws of the city, state and federal governments.

Policies

Computer and Technology Use Policy

All students are required to comply with the university’s Computer and Technology Use Policy (http://helpdesk.jwu.edu/policies.htm).

The university’s Computer and Technology Use Policy prohibits students from uploading, downloading, posting, publishing, transmitting, retaining, reproducing, sharing or distributing in any way information, software, movies, music, books, articles or any other material which is protected by copyright or other proprietary right, without obtaining permission of the owner. Violation of this policy may result in the termination of a student’s access to the Internet via the university’s Internet system and student conduct review actions up to and including dismissal from the university.

In addition, students should be aware that unauthorized distribution of copyrighted material (e.g., songs, music and other materials), such as through peer-to-peer networks, may constitute copyright infringement. Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than $750 and not more than $30,000 per work infringed. For “willful” infringement, a court may award up to $150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to $250,000 per offense. For more information, please see the website of the U.S. Copyright Office (http://www.copyright.gov), especially their FAQs (http://www.copyright.gov/help/faq). Please refer to the Computer and Technology Use Policy for a further description of prohibited activities regarding use of university technology resources.

Drug and Alcohol Policy

In accordance with the Federal Drug-Free Workplace Act and Drug-Free Schools and Communities Act, Johnson & Wales University prohibits the unlawful manufacture, distribution, dispensation, possession or use of narcotics, drugs, other controlled substances or alcohol at the workplace and in the educational setting. Possession or use of alcoholic beverages anywhere on university premises is prohibited except for lawful use at events, operations or programs sanctioned by university officials (see the Student Code of Conduct (http://catalog.jwu.edu/handbook/studentaffairs/studentcodeofconduct)). Unlawful for these purposes means in violation of federal, state or local statutes, regulations or ordinances. Workplace is defined as either university premises or any place where university business is conducted away from university premises. Educational setting includes both university premises and approved educational sites off campus. Possession or use of illegal drugs, narcotics or drug paraphernalia is absolutely forbidden. Johnson & Wales is not, and cannot be considered, a protector or sanctuary from the existing laws of the city, state and federal governments.

Sanctions

Disciplinary sanctions which may be imposed on a student found to be in violation of the above policy include, but are not limited to, reprimand, revocation of certain privileges, campus service, deferred suspension, fine or restitution for loss, suspension or dismissal from the university and/or university housing, and referral to alcohol education classes. The university also reserves the right to notify parents of violations.

of the services provided by Campus Safety & Security include Operation ID, self defense and crime prevention presentations. Students are encouraged to take advantage of the services and programs offered by Campus Safety & Security, which is open 24 hours a day, 365 days a year. Students who need help or have questions should call ext. 7011 from a university phone or 305-892-7011 from a non-university phone. Incidents of an emergency nature should be reported to the North Miami Police at 911, followed by contacting Campus Safety & Security at the above number.

Campus Safety & Security officers are available to patrol the campus at all times and utilize an integrated electronic access control and surveillance system. Emergency telephones are strategically located on campus and directly connect callers to the Campus Safety & Security dispatcher on duty. Campus Safety & Security issues timely alerts to the campus community, and when necessary, has the ability to issue these timely alerts via an emergency notification mass-messaging system.

In compliance with the Higher Education Act, Johnson & Wales University publishes an Annual Security Report and an Annual Fire Safety Report. The Annual Security Report discloses information about campus security policies and statistics concerning reported crimes that occurred on campus, on university-controlled property, and on public property immediately adjacent to campus. The Annual Fire Safety Report discloses information about the campus fire safety policies and procedures and fire statistics for each residence hall. A copy of the report may be obtained from Campus Safety & Security in person or online (http://www.jwu.edu/northmiami/safety).

The university maintains a log of all fires that occur in on-campus housing, and a daily log of all reported crimes.

Student Activities

Student Activities (http://www.jwu.edu/content.aspx?id=58465) creates and promotes diverse environments in which students are engaged in opportunities that foster holistic student development through collective leadership and participation in purposeful campus programs and events.

Some programs and services include

- student clubs and organizations
- leadership workshops
- fraternities and sororities
- student government
- program advising
- campus activities and off-campus trips
- reservation of campus facilities
- campus traditions such as World Celebrations, Family Weekend, Homecoming and Sugar Shack

Clubs and Organizations

Opportunities abound for students to get involved in clubs and organizations and become engaged in the Wildcat community at JWU's North Miami Campus. See clubs and organizations (http://www.jwu.edu/content.aspx?id=18046) for currently available opportunities. Guidelines for starting a new organization are outlined in the Clubs & Organizations Handbook (http://www.jwu.edu/uploadedFiles/Documents/Student_Life/handbooks/JWUCubsOrgsGuideMIA.pdf).

Fraternity and Sorority Life

Getting involved in the fraternity and sorority community at JWU's North Miami Campus is a fantastic way to build a network of resources that lasts a lifetime. See fraternity and sorority life (http://www.jwu.edu/content.aspx?id=12176) for currently available sororities and fraternities.

Athletics

Athletics at JWU’s North Miami Campus serves multiple functions within the campus community such as supporting students’ needs through intercollegiate, recreational and intramural sports programs, as well as fitness programs and facilities. See Athletics (http://northmiami.jwuathletics.com/landing/index) for current Athletics program information.
