This catalog is an official publication of Johnson & Wales University. As such, it and any other publications or policies on JWU's website are subject to revision at any time. The university reserves the right to add, withdraw or revise any course, program of study, provision or requirement described within the catalog as may be deemed necessary. Occasionally, program requirements will vary by the publication date of the catalog. Requirements stated in the edition published closest to the September enrollment date will take precedence.

Students should read and fully understand the rules, requirements and policies described in this catalog. Additionally, all enrolled students are expected to be familiar with the contents of the North Miami Campus Student Handbook. The North Miami Campus Student Handbook contains important information regarding academic performance and personal conduct of students as well as university grievance procedures. It also outlines the conditions under which students may be placed on probation or suspension from the university. The North Miami Campus Student Handbook (http://catalog.jwu.edu/handbook/miami) is available online. Copies of the North Miami Campus Student Handbook and this catalog are also available at Student Academic & Financial Services.
Located between the fast-paced cities of Miami and Fort Lauderdale, North Miami is hemmed in by the beaches of Biscayne Bay. The area is a thriving international business and travel destination and a dynamic hub of sports, events, shopping, culture and restaurants that draws an energetic influx of world travelers, celebrities and outdoor enthusiasts.

 Appropriately referred to as the “Gateway to the Americas,” South Florida’s mix of cultures, international influences and urban setting makes the North Miami Campus an ideal place to prepare for your career — and at Johnson & Wales University, your career preparation begins from the moment you step foot on campus. Whether you choose to pursue a degree through our College of Management, College of Arts & Sciences or College of Culinary Arts, you’ll benefit from the depth of knowledge of our faculty members and the industry experience you’ll gain, combined with coursework designed to prepare you to begin your career.

 Our emphasis on developing future leaders extends beyond the classroom. Our students are encouraged to gain a broader understanding of the civic and business needs facing the community through volunteer service projects like Join Work Unite and various events throughout the South Florida community. Their exemplary service contributions have resulted in our campus regularly being named to the President’s Higher Education Community Service Honor Roll.

 As a JWU graduate, I know firsthand how JWU’s focus on experiential education and professional preparation benefit students. I am proud to serve as the president of the North Miami Campus and look forward to welcoming you.

 Sincerely,

 Larry A. Rice Ed.D., ’90
 President, North Miami Campus

Updated February 18, 2016
Founded in 1914, Johnson & Wales University is a private, nonprofit, accredited institution with approximately 16,000 graduate, undergraduate and online students at its four campuses in Providence, R.I.; North Miami, Fla.; Denver, Colo.; and Charlotte, N.C. An innovative educational leader, the university offers degree programs in arts and sciences, business, culinary arts, education, nutrition, hospitality, physician assistant studies, engineering and design. Its unique model integrates arts and sciences and industry-focused education with work experience and leadership opportunities, inspiring students to achieve professional success and lifelong personal growth. The university’s impact is global, with alumni from 119 countries pursuing careers worldwide.

Here’s what makes JWU different.

• Degree programs are designed to provide you with the knowledge and skills employers have identified as necessary in your field of choice. And you don’t have to wait to build your career skills, as you’ll have the opportunity to take courses in your major in your first year.

• Students learn by doing. Faculty, many with industry experience, bring professional knowledge and networking opportunities into small classroom settings.

• JWU’s programs provide opportunities for real-world experience, which can include internships, classroom projects with actual companies and community service learning. You’ll learn industry best practices and train on career-specific tools and software.

• Dedicated faculty and career advisors help you set professional goals and develop an educational plan designed for you to best attain those goals. In addition, specialized workshops help you build your résumé, highlight your skills and develop a portfolio of work to help set you apart.

• You’ll have the opportunity to network with employers who visit campus each year, including career fairs, on-campus interviews and career events geared to your major.

• JWU students intern at nearly 1,500 sites related to their major each year worldwide.

• At least one-third of credits in each JWU program are in the arts and sciences to help you develop the critical thinking, communication and analytical skills necessary for long-term career progression.

• JWU offers 40 study abroad programs and independent exchanges, all of which include study such as lecture, industry visits and cultural excursions. Study Abroad staff members will help you identify programs that best fit your academic and career goals.

• Participation in competitions as a member of DECA, BPA, FCCLA and other nationally recognized student organizations help build leadership, career skills and your résumé.

• Community service is integral to our educational philosophy. Our ongoing commitment to community service has repeatedly earned JWU a place on the President’s Higher Education Community Service Honor Roll.

History of JWU

Johnson & Wales University (JWU) was founded as a business school in 1914 in Providence, R.I., by Gertrude I. Johnson and Mary T. Wales. From its origins as a school devoted to business education, JWU has grown to a junior college, to a senior college, and ultimately to university status.

JWU was accredited in 1954 by the Accrediting Council for Independent Colleges and Schools (ACICS). In 1963 the State of Rhode Island granted a charter that authorized the university to operate as a nonprofit, degree-granting institution of higher learning and to award associate degrees in accounting, business administration, court reporting and secretarial sciences.

In 1970 the State of Rhode Island approved a revision in the university’s charter allowing it to award baccalaureate degrees as well as associate degrees.

In 1972 and 1973 the university announced the addition of new associate degree programs in the fields of hospitality and culinary arts. This led to additional two- and four-year degree programs in the hospitality and food service fields.

In 1980 the university was granted a legislative charter to replace its previous charter and became authorized to award advanced degrees.

In 1984, a JWU campus was established in Charleston, S.C., which offered a variety of two- and four-year programs in food service, hospitality and travel-tourism. A JWU campus opened in Norfolk, Va., in 1986, offering one- and two-year food service programs.

In 1985, graduate degree programs were introduced at the university, and the university officially changed its name to Johnson & Wales University in 1988.

In 1992, JWU opened a campus in North Miami, Fla. That year also marked the university’s formal establishment of the College of Business, The Hospitality College, the College of Culinary Arts and the School of Technology. A new emphasis on general studies was introduced with the development of the School of Arts & Sciences.

JWU received regional accreditation from the Commission on Institutions of Higher Education of the New England Association of Schools and Colleges (NEASC) in 1993. In that same year, JWU opened a campus in Vail, Colo., which offered an accelerated associate degree program in culinary arts to college graduates. The year also marked the beginning of a four-year bachelor’s degree offering in culinary arts.

From 1994–2004 JWU offered programs at the Institute of Higher Marketing (IHM) Business School in Göteborg, Sweden. This joint educational agreement allowed business and hospitality students to complete one year of study in Sweden and finish their degrees at one of the university’s domestic campuses.

The university consolidated its institutional accreditation efforts under NEASC on June 30, 2000.

September 2000 marked the opening of the Denver, Colo., campus. In 2000, the Vail Campus merged with the Denver Campus.

In 2002, the university made a strategic decision to consolidate its smaller Charleston and Norfolk campuses to build a campus in Charlotte, N.C. JWU’s Charlotte Campus opened in fall 2004. The Charleston and Norfolk campuses officially closed in May 2006.

Beginning with the 2008–2009 academic year, JWU’s College of Business and The Hospitality College eliminated associate degrees and began offering only bachelor of science degrees that allowed students to customize their education. This decision did not impact the College of Culinary Arts and the School of Technology.

In 2009–2010 JWU recruited, admitted and enrolled the entering class for two online bachelor’s degree programs in food service management.

In fall 2012 the university began offering a degree in counseling psychology, the first bachelor’s degree program offered through the John Hazen White School of Arts & Sciences. This was followed in fall 2013 by the addition of two more arts and sciences degree programs.

That same year, the university restructured into three colleges and three schools: the College of Culinary Arts, College of Management, John Hazen White College of Arts & Sciences, School of Engineering & Design, College of Online Education, and Center for Physician Assistant Studies (to be incorporated into the College of Health & Wellness).

Today the university is offering a variety of new degree programs that reflect the growing industries of tomorrow.

Accreditations and Approvals
Johnson & Wales University (JWU) is accredited by the New England Association of Schools and Colleges Inc. (NEASC), through its Commission on Institutions of Higher Education. This accreditation encompasses the university’s four campuses in Providence, Rhode Island; North Miami, Florida; Denver, Colorado; Charlotte, North Carolina; and its online programs. Inquiries regarding JWU’s accreditation status should be directed to the Office of the Provost, Johnson & Wales University, One Weybosset Hill, Sixth Floor, 33 Broad Street, Providence RI, 02903; phone: 401-598-1410. Individuals may also contact:

Commission on Institutions of Higher Education New England Association of Schools and Colleges 3 Burlington Woods Drive, Suite 100 Burlington, MA 01803-4531 Toll-free phone: 888-88-NEASC Email (cihe@neasc.org)
Legal control is vested in the Board of Trustees of Johnson & Wales University. The university is authorized under federal law to enroll nonimmigrant alien students.

JWU is listed in the Education Directory of Colleges & Universities issued by the U.S. Department of Education.

JWU, its faculty, and members of the administrative staff hold affiliation with numerous organizations.

Johnson & Wales University will make available for review to any enrolled or prospective student, upon request, a copy of the documents describing the institution's accreditation, approval or licensing. This information, as well as contact information for accreditors, may be obtained by contacting the Associate Provost for Planning and Institutional Effectiveness, Office of the Provost, Johnson & Wales University, One Weybosset Hill, Sixth Floor, 33 Broad Street, Providence, RI, 02903; phone: 401-598-1359.

Providence Campus: The State of Rhode Island has chartered Johnson & Wales University as a nonprofit degree-granting institution of higher learning.

North Miami Campus: JWU is licensed by the Commission for Independent Education, Florida Department of Education. Additional information regarding the institution may be obtained by contacting the Commission at 325 West Gaines Street, Suite 1414, Tallahassee, FL, 32399-0400; toll-free phone: 888-224-6684.

Denver Campus: The Colorado Commission on Higher Education has authorized JWU under the Degree Authorization Act to offer instruction leading to the award of credits and/or degrees in Colorado.

Charlotte Campus: The Board of Governors of the University of North Carolina has licensed JWU under G.S. 116-15(b) to conduct degree activity in North Carolina.

Providence and Denver Campuses — B.S. in Culinary Nutrition Program: The Providence Campus and Denver Campus Culinary Nutrition programs are accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND), 120 South Riverside Plaza, Suite 2000, Chicago, IL, 60606-6995; phone: 312-899-0040, ext. 5400. The Providence Campus and Denver Campus Didactic Programs in Dietetics (DPD) meet the standards of education set by ACEND.

Providence Campus — M.S. in Physician Assistant Studies: The Accreditation Review Commission on Education for the Physician Assistant (http://www.arc-pa.org) (ARC-PA), the accrediting agency that defines the standards for PA education within the territorial U.S., has granted Accreditation-Provisional status to the Physician Assistant Studies Program at Johnson & Wales University.

About Provisional Status: Accreditation-Provisional is an accreditation status. The status indicates that the plans and resource allocation for the proposed program appear to demonstrate the program’s ability to meet the ARC-PA Standards, if fully implemented as planned. Accreditation-Provisional does not ensure any subsequent accreditation status. It is limited to no more than five years from matriculation of the first class. Successful graduates will receive a Master of Science in Physician Assistant Studies (M.S.P.A.S.) from JWU and will be qualified to take the Physician Assistant National Certification Exam (PANCE) that is required for licensure as a physician assistant.

Online Campus: Johnson & Wales University offers online B.S. and master's degree programs in business and hospitality and is required to publish information regarding certain state approvals of these programs. Johnson & Wales University is registered as a private institution with the Minnesota Office of Higher Education pursuant to sections 136A.61 and 136A.71. Registration with the Minnesota Office of Higher Education is not an endorsement of the institution. Credits earned at the institution may not transfer to all other institutions.

The South Carolina Commission on Higher Education, 1122 Lady Street, Suite 300, Columbia, SC, 29201 (phone: 803-737-2260), licenses Johnson & Wales University to recruit South Carolina students into its programs. Licensure indicates only that minimum standards have been met; it is not an endorsement or guarantee of quality.

Criminal Justice - BS

The Criminal Justice bachelor's degree program prepares students for professional careers in the field of criminal justice. Through this course of study, students are expected to acquire the communication, logic, critical thinking, and ethical reasoning skills essential for both the understanding of complex global and domestic criminal justice issues and for effective career performance and progression.

Upon completion of the program, graduates are expected to:

- Explain the historical backgrounds, agencies, professions, purposes, functions and administration of the American criminal justice system.
- Analyze, evaluate and apply social science research methods to complex issues within the criminal justice system.
- Apply criminological theories and causes of crime, and appropriate methods of control and prevention of criminal behavior to situational contexts within the American criminal justice system.
- Explain the complex responsibilities, procedures and policies of law enforcement agencies operating in the American criminal justice system.
- Critically evaluate evidence used to support criminal justice issues and generate appropriate recommendations.
- Explain conflicts that arise in diverse communities in relation to criminal justice administration.

The program’s judicious mix of Criminal Justice and Arts & Sciences courses is intended to develop and enhance each student’s critical thinking and effective communication skills, as well as their appreciation for diversity, citizenship, leadership and public service. In keeping with the unique curriculum and varied career opportunities available to graduates of the Criminal Justice program, students are encouraged to take advantage of available internship, study abroad and elective course opportunities that target their specific interests and goals.

Graduates of the program are prepared for a wide variety of criminal justice employment at the local, national and federal levels including careers in court administration, private investigation, airport security and social services, or as a federal agent, police officer or border patrol agent, among many others.

NOTE: Students must pass MATH0010 Basic Mathematics or have equivalent placement scores to enroll in required math course(s).

Students who graduate with a bachelor of science degree must leave Johnson & Wales University with effective writing skills. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication.

In collaboration with schools and colleges on all campuses, JWU Study Abroad programs offer a variety of options for major, Arts & Science and elective credit at many price points for students during the academic year and summer. Financial aid is applicable to most programs. Visit the study abroad website (http://studyabroad.jwu.edu) for information, program descriptions and online applications.
The English Language Institute provides international students with an opportunity to learn English as a Second Language and to earn academic credit. The English Language Institute offers intensive English instruction and weekly enhancement activities for students preparing for admission to undergraduate and graduate degree programs. Instruction is also offered to those students who wish solely to improve their English language skills. Students are placed in four different skill area classes: Oral Communications, Reading, Writing, and Grammar.

Course objectives are academically oriented with the aim of preparing students to function at the university level. In addition, students are given opportunities for social and cultural experiences designed to assist their cultural transition.

Dedicated to student success, the English Language Institute places students in the program at their level of English proficiency. Students are expected to take a placement exam when entering the university. Placement test scores determine what level a student is placed into. Students are placed into one of three different proficiency levels: Beginner, Intermediate or Advanced. Every student is scheduled for a class in each of the four skill areas: Oral Communications, Grammar, Reading and Writing.

Environmental Sustainability - MINOR

The College of Arts & Sciences offers three minors (22.5 credits) that enhance and strengthen the qualifications of graduates: Economics, Environmental Sustainability and Professional Communication.* These are intended to give students opportunities to develop expertise in an area that complements their major. Real-world applications are embedded in the minors.

This minor prepares students to understand the scientific, public policy and economic challenges of current environmental problems such as global climate change and renewable energy. Faced with balancing social, economic and environmental concerns, industry and community leaders are exploring sustainable business practices. Through coursework and field research, students develop the knowledge and skills needed to address sustainability issues and to navigate the emerging green economy.

* The only minors offered are those listed in the catalog. Students cannot elect to create their own minors.

Professional Communication - MINOR

The College of Arts & Sciences offers three minors (22.5 credits) that enhance and strengthen the qualifications of graduates: Economics, Environmental Sustainability and Professional Communication.* These are intended to give students opportunities to develop expertise in an area that complements their major. Real-world applications are embedded in the minors.

Having strong communication skills is essential for success in many fields of business and industry. Whether making decisions, analyzing performance, designing user-friendly systems or managing a project, effective communication of business and technical details is needed. This minor focuses on building written and oral communication, use of new media, collaboration and problem-solving skills as part of career education.

* The only minors offered are those listed in the catalog. Students cannot elect to create their own minors.

Baking & Pastry Arts - AS

The associate degree program in Baking & Pastry Arts provides students with practical education in baking and pastry production, while developing professionalism and excellence in academic achievement. Hands-on training is paired with academic courses resulting in a curriculum that is both dynamic and directly aligned with industry needs.

Upon completion of the program, graduates are expected to:

- Utilize multiple classical and contemporary cooking and baking techniques to prepare, produce, and present baked products, pastries, and desserts
- Perform the skills and techniques of professional artisanal bread baking and viennoiserie
- Apply FDA recommended food safety and sanitation principles to food and beverage products, tools and equipment used throughout the flow of the food and beverage operation
- Implement cost control measures to track goods, services and costs through the cycle of cost control and to evaluate revenue and expenses and their effect on profitability
- Communicate professionally and exhibit appropriate decision making skills with respect for individual and team diversity as it applies to the food service industry

First-year Baking & Pastry Arts students rotate through two terms of hands-on laboratory classes. Emphasis is placed on skills development and techniques of combining basic ingredients to produce pastries, breads, cakes, frozen desserts, and chocolates. Second-year laboratories emphasize advanced techniques in the preparation and production of cakes, entremets, artisan breads, plated desserts and sugar work. The baking and pastry lab experience is complemented by a sound general education core and professional studies which include food and beverage cost control, nutrition, and a food safety course that, upon successful completion, results in a Food Safety Manager certification recognized by the Conference for Food Protection.

Baking & Pastry Internship

Associate degree students will participate in one term of experiential education which allows students to participate in food service operations in preparation for future careers. Possible sites include university owned or operated practicum educational facilities, hotels, restaurants, country clubs, resorts, casinos, spas and contract food service providers. International internship opportunities at host company sites throughout the world may also be available for students who have met specific college eligibility requirements, have a minimum of one year work experience in a full-service restaurant, hotel or resort, and who maintain a 3.25 cumulative grade point average.

Culinary Arts - AS

The associate degree program in Culinary Arts provides students with practical education in food production, while developing professionalism and excellence in academic achievement. Students progress through a program of study that builds proficiency in food production and cooking, cost control, nutrition, food safety and sanitation. Hands-on training is paired with traditional academic courses resulting in a curriculum that is both dynamic and directly aligned with industry needs.

Upon completion of the program, graduates are expected to:

- Execute professional cooking techniques and skills needed to produce, present and serve quality food and beverages utilizing ingredients and flavor profiles of the major world cuisines
- Apply sound nutritional practices related to healthful cooking by incorporating traditional ingredients and adapting classical and contemporary techniques to yield products that meet universal recognized federal and private dietary recommendations
- Apply FDA recommended food safety and sanitation principles to food and beverage products, tools and equipment used throughout the flow of the food and beverage operation
- Implement cost control measures to track goods, services and costs through the cycle of cost control and to evaluate revenue and expenses and their effect on profitability
- Communicate professionally and exhibit appropriate decision making skills with respect for individual and team diversity as it applies to the food and service industry

The focus of the first-year culinary lab classes is the development and practice of cooking skills, baking, dining and beverage service skills, which includes national certification in alcohol intervention procedures. Second-year laboratories include advanced techniques in classical and international cuisines, garde manger, patisserie/dessert and dining room.

The culinary lab experience is complemented by a sound general education core and professional studies which include menu planning and cost control, nutrition and a food safety course that, upon successful completion, results in a Food Safety Manager certification recognized by the Conference for Food Protection.

Culinary Internship

Associate degree students will participate in one term of experiential education which allows students to participate in food service operations in preparation for future careers. Possible sites include university-owned or -operated practicum educational facilities, hotels, restaurants, country clubs, resorts, casinos, spas and contract food service providers. Eligibility requirements for certain sites include a 2.75 cumulative GPA and completion of all prerequisite coursework. International internship opportunities at host company sites throughout the world may also be available for students who have met specific college eligibility requirements, have a minimum of one year work experience in a full-service restaurant, hotel or resort, and who maintain a 3.25 cumulative grade point average.

Additionally each year, a select group of second-year students is chosen to participate in a student Culinary International Exchange program with culinary arts schools in Ireland and the Azores. For one term, JWU students attend classes in either of these countries, as students from these schools attend culinary classes at Johnson & Wales University. Selected students receive full academic credit for an internship term abroad.

Graduates of the associate degree program in Culinary Arts are eligible, or may apply, for entrance into the following Bachelor of Science degree programs: Baking & Pastry Arts, Culinary Arts and Food Service Management, Culinary Nutrition, Food Service Entrepreneurship or Business Studies. Certain requirements pertain to each of these bachelor degree programs, which are noted in their respective program descriptions.

Graduates of the program have the opportunity to gain employment in the food service industry, which would include a variety of positions in full-service restaurants, hotels, clubs and resorts catering operations, quantity food production facilities, health spas and cruise lines.

Teaching Assistant and Fellow Scholarship Program

Each year, administrators at the College of Culinary Arts, in conjunction with the administration of university-owned or -operated practicum educational facilities, select teaching assistant candidates from among the top students of the graduating class in the Culinary Arts and Baking & Pastry Arts associate degree programs. Students who are continuing their education at the university as teaching assistants must be enrolled in a day school program. Qualified teaching assistants may advance to fellow during their senior year. These opportunities allow students to help defray the costs of advanced study while developing their supervisory/management skills.

Baking & Pastry Arts and Food Service Management - BS

The Baking & Pastry Arts and Food Service Management program combines the strengths of baking and pastry arts and management to prepare students for a management career in front- or back-of-the-house. Graduates of the Baking & Pastry Arts and Food Service Management program with sufficient experience may obtain positions in a variety of areas that include, but are not limited to, restaurant manager, kitchen manager, pastry chef, executive chef, food and beverage director, catering manager, room service manager, sous chef, beverage manager and dining room manager.

Upon completion of the program, graduates are expected to:
- Apply the major concepts, skills and values of the food service management profession to address industry problems both locally and globally.
- Communicate effectively to diverse audiences, purposes and situations in food service operations.
- Use decision-support tools and technology to solve problems and facilitate organizational processes within the food service operation.
- Comprehend and apply industry specific operational standards.
- Analyze and interpret pertinent information when making decisions within food service operations.

The curriculum provides ample opportunity for students to build upon their leadership and management abilities, cooking techniques, critical thinking, personal accountability and ethical behavior, problem-solving techniques, strong financial analysis skills and customer awareness. The Baking & Pastry Arts and Food Service Management degree program develops a culinary foundation and management philosophy in its graduates.

The program allows students to receive a world-class baking and pastry and hospitality education. Students receive several senior-level capstone experiences in culinary arts, hospitality operations and strategic management.

Business Administration - BS

The Business Administration bachelor’s degree program provides a balanced combination of required core courses to ensure students can achieve a solid business and general studies education, and electives to inspire students to customize their program to best fit their unique interests.

Upon completion of the program, graduates are expected to:

• Apply the major concepts, skills and values of business administration,
• Communicate effectively to diverse audiences, purposes and situations through a variety of professional methods within business administration.
• Use decision-support tools to resolve contemporary business issues using ethical business practices.
• Solve business problems by generating alternatives and justifying decisions using qualitative and quantitative methods.
• Propose and defend business positions integrating the effects of current global forces on the business environment.

This program’s business-related core builds a solid foundation by exposing students to relevant areas of accounting, economics, information technology, business law, finance, marketing and management. Arts and sciences courses also provide opportunities for students to acquire the skills important for professional success and lifelong personal and intellectual growth.

Students also tailor their degree by working with a faculty advisor to select 45 credits of electives. In doing so, students have the freedom to choose from extensive options to best suit their goals. For example, students can pursue internships, directed experiential education, and/or study abroad credits to prepare for a more specific career.

Business Studies - BS

The Business Studies bachelor’s degree program offers a general business education to individuals already holding an associates degree or equivalent in any field. Earning the bachelor’s degree will generally require two additional years of study.

The program’s coursework builds a basic foundation by exposing students to relevant areas of accounting, business law, economics, information technology, marketing and management. Students also tailor their degree by selecting a focus area that best suits their unique goals. Potential focus areas may include operations management, human resources, international business, marketing and entrepreneurship. Students also take courses through the College of Arts & Sciences to help ensure they acquire skills important for professional success and lifelong personal and intellectual growth.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of business administration.
- Communicate effectively to diverse audiences, purposes and situations through a variety of professional methods within business administration.
- Use decision-support tools to resolve contemporary business issues using ethical business practices.
- Present alternative solutions to business problems.
- Identify and analyze the effects of global forces within the business environment.

Upon graduation, students may navigate into one of many industries. In addition to gaining the general business competencies and skills desired by employers, students may use their Business Studies focus area and/or associate degree education and training to position themselves for unique careers of interest.

Culinary Arts and Food Service Management - BS

The Culinary Arts and Food Service Management program combines the strengths of culinary arts and management to prepare students for a management career in front- or back-of-the-house. Graduates of the Culinary Arts and Food Service Management program with sufficient experience may obtain positions in a variety of areas that include, but are not limited to restaurant manager, kitchen manager, executive chef, food and beverage director, catering manager, room service manager, sous chef, beverage manager and dining room manager.

Upon completion of the program, graduates are expected to:
- Apply the major concepts, skills and values of the food service management profession to address industry problems both locally and globally.
- Communicate effectively to diverse audiences, purposes and situations in food service operations.
- Use decision-support tools and technology to solve problems and facilitate organizational processes within the food service operation.
- Comprehend and apply industry specific operational standards.
- Analyze and interpret pertinent information when making decisions within food service operations.

The curriculum provides opportunities for students to build upon their leadership and management abilities, cooking techniques, critical thinking, personal accountability and ethical behavior, problem-solving techniques, strong financial analysis skills and customer awareness. The Culinary Arts and Food Service Management degree develops a culinary foundation and management philosophy in its graduates.

The program allows students to receive a world-class culinary arts and hospitality education. The program’s strength is that students receive several senior-level capstone experiences in culinary arts, hospitality operations and strategic management.

The Management bachelor’s degree program prepares students for careers in a variety of managerial and professional positions at a wide range of firms. Students learn general management concepts and have the opportunity to select a specialty area, as available on their campus.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of management.
- Effectively communicate within the contemporary business environment.
- Use decision-support tools to resolve contemporary management issues using ethical business practices.
- Analyze and interpret management issues in an increasingly multicultural and multinational world.
- Select appropriate strategies necessary for managing and leading teams.

As part of the program, students are offered the opportunity to develop expertise in the following concepts: business planning, SWOT analysis and strategic planning, business process analysis, development of human capital, financial literacy, information technology, and operations and supply chain management.

Students may apply these skills in internships and study abroad programs. These programs are tailored based on student learning and professional goals, jointly designed in collaboration with students, faculty advisors and business partners. Students also meet with faculty advisors to determine a specialty area and career focus that best suits their desired professional objectives.

Graduates are prepared for professional management positions in disciplines such as operations, human resources, finance and information technology. Graduates may also pursue entrepreneurial paths or careers in for-profit, nonprofit and government settings.

Professional Golf Management - MINOR

The College of Management offers a minor in Professional Golf Management (22.5 credits) that prepares students to take on leadership roles in golf management and golf related industries. By combining classes in golf skills and golf management with traditional management classes, students will have a solid foundation with which to succeed in this growing industry. Moreover, students will have opportunities to deepen their knowledge in the specific areas which are the most appealing to them including, but not limited to, knowing how to teach golf, manage a golf facility, private club management, or sponsorship, and marketing. Students can choose classes in the minor which they feel will be most beneficial to advancing their career in the golf industry.

Restaurant, Food & Beverage Management - BS

The Restaurant, Food & Beverage Management bachelor’s degree program provides a unique combination of culinary skills and hospitality management. The focus is on current restaurant and food service management industry topics. The program also develops proficiency in the area of beverage management. Other areas of study include critical thinking, financial analysis, industry technology, social media, leadership and customer awareness to prepare students for a management career in the food service industry.

According to the National Restaurant Association, the food and beverage industry is the largest U.S. employer besides the government.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of the restaurant, food and beverage profession to address industry problems both locally and globally.
- Communicate effectively to diverse audiences, purposes and situations in the restaurant and food and beverage operations.
- Use decision-support tools to solve problems and facilitate organizational processes within the food and beverage environment.
- Integrate current industry technologies in all aspects of food and beverage management.
- Attain relevant industry-recognized certifications.
- Integrate industry-specific knowledge and skills in managing food and beverage operations.

As part of this program, all students complete a mandatory, term-long internship.

Value-added certifications within the degree include an industry-recognized responsible alcohol service certification, the national sanitation certification (a graduation requirement) recognized by the Conference for Food Protection, and the International School of Mixology Bartending Certificate.

Sports/Entertainment/Event Management - BS

The Sports/Entertainment/Event Management bachelor’s degree program prepares students to enter the multi-billion dollar sports, entertainment and event management industry with the skills and knowledge to excel in their career. A managerial foundation coupled with a solid core of industry-relevant courses provides students with a theoretical background. Coursework is coupled with professional preparation, active learning classrooms and access to industry professionals.

During the first year of this four-year program, students begin taking foundational courses in sports, entertainment and event management. As they progress into more advanced coursework in areas such as media literacy, ticketing methods, venue management, negotiations and agreements, and ancillary services, they also have the option to begin tailoring their degree to best meet their future goals. Opportunities exist to enroll in specialized classes such as professional sports management, weddings and ceremonies, golf operations management, sports and entertainment marketing, tournament management, or concert and event production.

Students also have the option to participate in one or two term-long, off-site internships under the direction of an industry professional. This experience allows students to actively participate in the real-world setting of sales and marketing, venue management, event production, and golf course operations.

Upon completion of the program, graduates are expected to:

• Apply the major concepts, skills and values of the sports, entertainment and event management industry by integrating the concepts of marketing, finance, operations and ancillary services in the management of a range of events.

• Communicate effectively to diverse audiences, purposes and situations in a variety of contexts within the sports, entertainment and event management industry.

• Use decision-support tools to solve problems and facilitate organizational processes by applying critical thinking and ethical problem solving to management decisions within the sports, entertainment and event management industry.

• Apply the principles of management to current issues in the sports, entertainment and event management industry.

• Demonstrate leadership skills and adapt them to a diverse global market in the sports, entertainment and event management industry.

Graduates of the Sports/Entertainment/Event Management degree program are prepared for a variety of careers with amateur and professional sports teams, entertainment venues, conferences and trade shows, event planners, and production companies. Options exist both nationally and internationally for graduates of this program.

Tourism & Hospitality Management - BS

The Tourism & Hospitality Management bachelor's degree program provides a broad-based option for students, incorporating the hotel, travel-tourism and food segments of the hospitality industry with special focus given to travel-tourism.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of the tourism and hospitality industry.
- Communicate effectively to diverse audiences, purposes and situations in the travel and hospitality industry.
- Use decision–support tools to solve problems and facilitate organizational processes in the travel and hospitality industry.
- Identify, analyze and apply critical thinking using industry trends to enhance the guest experience.
- Produce travel and tourism plans that have the potential to maximize the positive effect of tourism on a destination.

This program places an emphasis on tourism as the glue that holds the industry together, especially in course offerings and the term-long experiential learning program. The highlight of the degree is the Familiarization (FAM) Tour, a class project that includes planning a trip to a domestic or international destination. Students are required to research, budget, plan, promote and implement the tasks of a tour escort and tour guide.

Graduates may be employed in all industry segments due to the program’s more generalized curriculum, but the emphasis on travel-tourism provides specific career options in destination marketing organizations such as CVBs and tourism offices, resorts, tour operators, travel industry suppliers such as airlines, cruise lines or ground transportation, and various international operators.

This course considers the now global problem of obesity from the biological, psychological and sociological perspectives. Since the 1970s there has been a rapid increase in the incidence of overweight and obesity in the United States with 65% of adults now overweight. Childhood obesity rates have tripled in the last 20 years producing the first generation of Americans who are predicted to have a shorter life span than their parents. The obesity epidemic is widely acknowledged in the United States, but in the past two decades, this problem has also spread to developing countries as they accelerate their nutrition transition to more mass produced and processed foods. The roles of government and business will be explored, influencing access to foods and in defining obesity vs. health. The study of this now global problem is relevant from a personal health perspective as well as a political and economic perspective. Individuals empowered with knowledge can modify their own food environments and that of their children. A well-educated populace may wish to support initiatives to make progress on this societal problem to avoid economic losses in productivity and health care costs that will compromise America’s competitiveness.
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status. Offered at Charlotte, Denver, North Miami, Providence, Providence CE

ILS2385 Visual Literacy and the Sociology of Perception
This course studies human perception of the social world from both a communications and sociological perspective. Elements of picture-based media as a means of molding cultural perceptions, social biases and personal views of reality are studied. Through a series of exercises, students critically examine images in art, still photographs, television, advertising, film and documentaries to determine their sociological messages. Using the language of visual literacy and an understanding of perception, students test assumptions about their world.
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status. Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ILS2390 The XX Factor
The XX Factor takes an integrative learning approach to gender role development that foregrounds psychology and literature. This approach provides multiple lenses through which to examine current and historical concepts of women’s psychological and social development. It prioritizes close textual analysis of gender identity and sexuality as figured in literature across a broad spectrum. The course considers both conformity and resistance to societal biases, stereotyping, and the imposition of gender and sexual norms. In doing so, it promotes critical thinking about the diverse possibilities for women’s identities.
Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status. Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

ILS2435 Leonardo da Vinci: Culture, Art and Math
This course covers a portion of the movement in Europe known as the Renaissance. The works of Leonardo da Vinci are explored. Students discover how da Vinci’s insatiable hunger for understanding impacted the culture of Florence and Milan, Italy, as well as the entire world. Students learn about da Vinci himself and his place in society. Some of da Vinci’s works of art, writings on architectural design and war machines are examined culturally, historically and mathematically.
Prerequisite(s): ENG1020 or ENG1024 or English placement, MATH1002 or MATH1020 or math placement, sophomore status. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE

ILS2440 Logic, Reasoning and Nonsense: How to Tell the Difference
This course introduces students to logic, a discipline that straddles public policy, philosophy, law and mathematics. Students are empowered to use logic in their personal and professional lives to make informed decisions, identify invalid arguments and debate current topics. Topics include formal structures of thought as they can be readily applied to the organization of thought in written and spoken language. Students identify the logical errors or fallacies that are most frequently made in written and oral discourse.
Prerequisite(s): ENG1020 or ENG1024 or English placement, MATH1002 or math placement, sophomore status. Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

ILS4070 Nostalgia, Memory and Hybrid Identity
As individuals, we need not be immigrants to understand, and even identify with, the search for home and belonging. As global citizens, most of whose families have at some point been immigrants, whether by choice or displacement, we recognize the powerful and complicated impact of migration on all aspects of identity. Nostalgia, Memory and Hybrid Identity examines diasporic literature in the context of cultural theory, history, psychology, philosophy and popular culture (such as music, film and art) to better understand these cultural negotiations. Students explore the ways diasporic literature of the last century has significantly transformed the literary, theoretical and cultural landscape of the U.S, and has raised a range of complex issues relating to identity, language, border crossings (geographical, linguistic and gender, etc.) hybridity, and acculturation and resistance. Readings will range across such genres as memoir, fiction, essay, drama, and poetry to consider how issues of identity and tradition are represented and contested by immigrant writers in the context of displacement and diaspora.
Prerequisite(s): ENG1021 or ENG1027, senior status. Offered at Charlotte, Denver, North Miami, Providence
4.5 Quarter Credit Hours

ILS4115 Contemporary Approaches to Classical and World Mythology
This course introduces students to classical and world mythology in order to understand the eternal, timeless nature of universal archetypes and themes while also exploring how they acquire new, contemporary meanings. Students learn to interpret myth using elements of literature as well as through the theories of myth interpretation. From Homer to Harry Potter, emphasis is placed upon analysis of primary readings as well as their interpretations within the context of a variety of disciplines. Class discussions and student writing encourage critical thinking, synthesis and application of the terminology of the study of mythology.
Prerequisite(s): ENG1021 or ENG1027, senior status. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ILS4140 The Legal Imagination
This course introduces students to the textual nature of the law. Through intensive study of literary, persuasive and legal texts, students explore the commonalities between what we call “literature” and what we call “law.” Students begin to see the “constitutive rhetoric” of those texts, through which an author creates a social and political community with words.
Prerequisite(s): ENG1021 or ENG1027, one LAW-designated course, one LIT-designated course or MCST2030, senior status. Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

ILS4170 Passion, Power and Principle: Lessons at Play in Shakespeare
This course employs the still-relevant insights of the Shakespearean canon as a means of understanding and resolving contemporary ethical dilemmas, social tensions and the conflicting demands of citizenship in today’s world. Focus is on the resolution of moral dilemmas involving divisions of power, the use of authority, familial obligations and conflicting loyalties. This course takes an integrative learning approach that draws on literature, philosophy (ethics) and history to promote analysis and meaningful comparisons between the problems confronted in the world of Shakespeare’s plays (and the society they reflect) and those faced by us today.
Prerequisite(s): ENG1021 or ENG1027, senior status. Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours
ILS4176 Sports in Film and Literature
This interdisciplinary course focuses on the significant inspiration of athletic endeavors upon the literary and cinematic imagination. Writers of fiction and nonfiction, prose writers and poets have discovered in the athletic experience a useful metaphor to express the purpose and meaning of life. Modern film explores both the realism and romanticism of sports in popular culture. This course is designed to acquaint the student with the essence of games as myth and metaphor and develop an appreciation of the historical context in which the stories are constructed and heard. The interdisciplinary considerations of history and culture allow for a richer understanding and appreciation of sports and sports literature.
Prerequisite(s): ENG1021 or ENG1027, senior status. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ILS4178 Studies in Nostalgia, or the Way Things Never Were
This course allows students to explore the tendency to look back with fondness on some distant, wonderful past. Is nostalgia a basic human condition? Students explore this question across cultures and through the lenses offered by biology, psychology, literature, history and other academic disciplines. Nostalgia as a type of fiction writing is discussed, along with the consequences of those "stories". The work of nostalgia as it engages discourses of political ideology, race, gender, sexuality, class, etc. is discussed. Students study a few particular examples of American nostalgia before turning their attention to the work nostalgia is doing now and the consequences of that work.
Prerequisite(s): ENG1021 or ENG1027, senior status.
Offered at Charlotte, Denver, North Miami, Providence 4.5 Quarter Credit Hours

ILS4210 Colors
This course explores the role and importance of colors in the natural world, astronomy, geology, human society, culture, psychology, art and many other disciplines. Topics include the physics of color and its perception by animals and the color of the ocean, rocks, minerals, stars and galaxies. In addition, the various uses of color by plants is examined, including the utilization of colored pigments by plants for light absorption in photosynthesis. The various ways that animals use color are also explored, including how colors are used by both predators and prey and how they are used to attract mates. Additional topics include the affect of colors on humans, including mood, language, musical expression, and as a symbol of national or group identity in politics and religion. Colors have a profound influence in artistic expression and in the food and fashion industries. The importance of colors in all of these different disciplines are examined. With the knowledge and skills learned in this course, students are able to explore the use and application of colors in their own chosen field of interest.
Prerequisite(s): ENG1021 or ENG1027, any BIO, CHM, PHY or SCI-designated course, senior status.
Offered at Charlotte, Denver, North Miami, Providence 4.5 Quarter Credit Hours

ILS4320 (De)Constructing Race and Color
This course addresses the racialization processes involved in the social construction of the color of race — White, Yellow, Brown, Red and Black — through interdisciplinary studies including the arts, humanities, social sciences, biology, law and education. The course identifies the key parameters of the racialization process (historical subjugation through involuntary immigration and migration, voluntary immigration, prejudice, stereotypes, scientific racism, cultural racism, and systemic) of institutional racism and how various groups in the United States were raced into a color. Students are tasked with thinking about why race matters within educational, economic, political and social institutions. The course involves intentional discourse on the complexity of the color of race through scientific interrogation, analysis and interpretation of the course materials to understand the social construction of the color of race and how race can be deconstructed in the 21st century.
Prerequisite(s): ENG1021 or ENG1027, senior status.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

ILS4330 Economic Explorations in American History
This course seeks to explain American history through the lens of economics. Emphasis is placed on how changing economic modes of production influenced outcomes at the societal level. In each episode, students focus on the relevant economic background and institutional structure and then deduce how this in turn informed historical change in activities ranging from agriculture, household production, industrialization, social movements, political response and the new information economy.
Prerequisite(s): ECON1001 or ECON1002, ENG1021 or ENG1027, senior status.
Offered at Charlotte, North Miami 4.5 Quarter Credit Hours

IBUS4090 International Business Experience
This course refers to a series of options available that total 13.5 credits: 1) Students choose from a range of study abroad options including short-term 3 1/2 to four-week summer programs, spring term three-month programs, or four-to-five month independent exchanges. Each program has its own academic focus and prerequisites. Students apply for their program of choice through Study Abroad. After selection into a program, students engage in orientation and academic pre-departure work before embarking on their immersion into foreign cultural and business settings. In some cases, JWU faculty lead the program and travel with the students. In other cases local hosts lead the program, but in all programs students participate in a rigorous study and travel experience. The purpose of these study abroad experiences is to increase students’ global awareness as they explore their program’s specific academic focus. Course delivery consists of lecture, industry visits and cultural excursions. Eligible students are guided by Study Abroad to register for the appropriate course(s) specific to their program. 2) Eligible students may opt to take IBUS4020 Summer Work Abroad International Seminar and a specific course from the IBUS4080 Series of Summer Work Abroad Programs: IBUS4082 or IBUS4086. 3) Students not eligible to take the international business programs, internships or SWAP programs take three additional electives from the School of Business or the School of Engineering & Design. Students should consult with their faculty advisor to make their selection.

Mathematics (MATH) Courses

MATH0010 Basic Mathematics
Students are assigned to this course based on placement tests given prior to taking MATH1020 or MATH1002. The course is designed to teach students the basic mathematical concepts and methods that will prepare them for studying college-level mathematics. Topics include a review of basic arithmetic, an introduction to algebra, and problem-solving techniques. (OL) Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence, Providence CE 2.25 Quarter Credit Hours

MATH1002 A Survey of College Mathematics
This course is designed to teach students the basic mathematical concepts and methods that will assist them in using mathematics in both their personal and professional lives. Topics include problem solving, sets, probability, statistics, consumer mathematics, and the rudiments of college algebra. Prerequisite(s): MATH0010 or math placement. (HY) (OL) Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MATH1020 Fundamentals of Algebra
This course provides students with a working knowledge of the basic elements of algebra. Topics covered include equations and inequalities, graphing, systems of equations, exponents and logarithms, factoring, rational expressions, and radicals. Prerequisite(s): MATH0010 or math placement. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MATH1030 Precalculus
This course features the concepts and techniques essential for the study of calculus. Topics include functional notation, algebraic, trigonometric, exponential and logarithmic functions, analytic trigonometry, and matrix algebra. Prerequisite(s): MATH1020 or math placement. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MATH1035 Quantitative Analysis I
A continuation of Algebra, this course begins with the study of linear equations and their applications to business and economics. Matrices are covered in detail. Linear programming, quadratic models and a brief introduction to differential calculus are also presented. Prerequisite(s): MATH1020 or math placement. (HY) (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MATH2001 Statistics
This course is designed to provide students with the basic statistical concepts and techniques that will assist them in both their personal and professional lives. Topics include measures of central tendency and dispersion, probability distributions of both discrete and continuous random variables, sampling distributions, estimation theory, and an introduction to hypothesis testing. Prerequisite(s): MATH1002 or MATH1020 or MATH1030 or MATH1035 (minimum grade of C in MATH1002 or MATH1020 required for hybrid sections of MATH2001) or math placement. (HY) (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MATH2002 Statistics II
This course is a continuation of Statistics I. It is designed to provide students with the statistical concepts and techniques of inferential statistics. Topics include hypothesis testing; testing the difference between two means, two proportions and two variances; correlation and regression; Chi-square tests; analysis of variance; sampling techniques; and an introduction to simulation techniques. Prerequisite(s): MATH2001. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

MATH4800 Special Topics in Mathematics
This course presents a specialized area of mathematics in great detail. Each academic year, a specialized topic is chosen which is of interest to both students and faculty. Typical specialized topics which may be chosen include, but are not limited to, number theory, numerical analysis, matrix theory, mathematical logic, abstract algebra and geometry. Prerequisite(s): MATH1002 or math placement. May vary depending on topic. Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

Philosophy (PHIL) Courses

PHIL3020 Crisis and Controversy: A Critical Thinking Approach
This course encourages students to use critical thinking skills in order to make decisions, solve problems, develop new ideas, evaluate arguments and tolerate ambiguity while exploring complex social questions. Emphasis is on understanding the elements of reasoning, imposing criteria and intellectual standards upon reasoning, and assessing individual thinking processes. Students hone critical thinking skills by actively engaging in the study of social conflicts and controversies that operate at individual, communal and global levels. Prerequisite(s): ENG1020 or ENG1024 or English placement. (SL) Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

PHIL3040 Ethics of Business Leadership
This course examines the basic principles of ethics and their philosophical foundations, particularly as they apply to institutions, environments, leadership and other activities and pursuits of business. It examines those aspects of human behavior that can be labeled right and wrong. Consideration is given to the moral obligations of leaders and followers when discussing actual cases from a variety of business organizations that have presented management and subordinates with difficult moral dilemmas. Emphasis is also on the particular responsibilities of leadership in fostering and implementing ethical awareness within a corporate culture. Prerequisite(s): ENG1020 or ENG1024 or English placement. (OL) Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

PHIL3045 Honors Seminar: Ethics
This Honors Seminar examines central figures in the history of moral philosophy, such as Aristotle, Hobbes, Hume, Mill and Kant. While the primary focus will be on understanding these influential thinkers in their historical contexts and their distinctive approaches to ethics, we will also seek to show the relevance of their views to timeless questions. What is the best way to live? How do we distinguish good from evil? Should we be moral? We will discuss these thinkers’ answers to these questions, and apply those answers to contemporary moral discourse, including public policy, environmental issues and business ethics. Prerequisite(s): ENG1024 or English placement, honors status. Offered at Charlotte, Denver, North Miami, Providence 4.5 Quarter Credit Hours

Political Science (PSCI) Courses

PSCI1001 Introduction to Political Science
Political Science is the study of how human beings create governments, leaders, laws and policies. This foundational course explores how and why politics involves all aspects of our everyday lives. The dynamics of politics center on acquiring, distributing, and/or restricting access to power held by citizens and states. From local politics to international relations, the study of politics enables understandings of who ultimately gets what, when, where, why and how - or not. This course therefore explores the major ideas that drive the ways in which leaders govern, the systems in which they operate, motivations and barriers for citizens to participate in political life, how institutions of government work, and the role of money and media in the making of politics, from Main Street to Wall Street. This course also considers the modes by which citizens drive change in their governments, from Facebook and the ballot box to mass-scale protests driving political revolutions of the 21st century. Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours
PSCI2001 International Relations and World Politics
This course provides a comprehensive introduction to the study of international relations, core concepts and key theories of world politics. Presented in this course are foundational ideas for understanding major historical and contemporary events in world politics, the behavior of states, and their relationship to the global order. This course prepares students to interpret world politics through analysis of particular trends, patterns, crises and global change. The chronic nature of war and ceaseless search for peace are considered, exploring how twentieth century historical events contribute to the twenty-first century nature of international relations. Politics and economics are also considered, focusing on economic relations among advanced post-industrial economies and issues of development of non-western nations, emphasizing the Global South. The role of post-colonial legacies and the failure of states is an important theme of the course. Additional topics include critical and emerging analyses that imagine possible future systems of international relations; imperialism; cold war politics and its legacies; national security theory including deterrence and the role of international political and monetary organizations in world politics. Offered at Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

Project Management (PRMG) Courses

PRMG2010 Introduction to Project Management
This course gives students an understanding of project management practices, concepts, and tools using projects in the real world. Students focus on successfully organizing a single project using the knowledge areas associated with the project life cycle. Learning to identify potential projects based on strategic business planning, they produce portions of a basic project plan, scope statement, work breakdown structure, and Gantt charts. Other course topics to be discussed in a broader context include: forming and leading a project team, project manager competencies, project organization, time and resource management, cost management, quality management, human resource management, communications management, and risk management. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

PRMG3010 Advanced Project Management
This course teaches students to initiate, plan, execute, monitor, control and close a project in the real world. Using a real-world project plan, students become competent in the following areas of project management: project integration, project scope, project time, project cost, project quality, project human resources, project communications and project risk management. Students practice these skills individually and in teams by applying them to a real-world project. Students also gain understanding of the application of project management processes. Prerequisite(s): PRMG2010. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

Religion (REL) Courses

REL3001 Comparative Study of World Religions: An Interdisciplinary Approach
This course introduces the students to the world’s great religions; Hinduism, Buddhism, Judaism, Christianity and Islam are emphasized. The focus is interdisciplinary and includes history, cultural traditions and textual analysis of each religion’s literature in relation to these religions. Prerequisite(s): ENG1021 or ENG1027. Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

Research (RSCH) Courses

RSCH3020 Honors Research Seminar
This course prepares honors students to conduct the necessary research to successfully complete the Honors Thesis requirements for graduation from the Honors Program. Students evaluate a variety of research methods, engage in exercises in working with primary and secondary sources, and review appropriate documentation forms. The professor guides students in their choice of feasible research projects and serves as the major advisor during the development of an Honors Thesis Prospectus. Students complete the Honors Thesis in RSCH 4020, the Honors Directed Academic Experience. Prerequisite(s): ENG1024 or English placement, honors status. (HY)
Offered at Charlotte, Denver, North Miami, Providence 4.5 Quarter Credit Hours

RSCH4020 Honors Directed Academic Experience
The Honors Directed Academic Experience offers Honors students the opportunity to develop and complete a capstone project begun in the Honors Research Seminar (RSCH3020). This project will be completed under the direct supervision of an individual Faculty Mentor appropriate to the specialized field of research or other work undertaken by the student. Though students will submit portions of the project to the Faculty Mentor at regular intervals, it is expected that students will devote a substantial amount of time to research, writing, and other appropriate forms of independent engagement with their chosen subject. Prerequisite(s): RSCH3020, honors status.
Offered at Charlotte, Denver, North Miami, Providence 4.5 Quarter Credit Hours
Retail (RTL) Courses

RTL1005 Retailing
This course is designed to introduce the student to the field of retailing. Emphasis is placed on basic principles of the retail environment, retail operations and retail administration. Career paths and leadership styles are incorporated into this course. Current conditions and newer concepts and practices in the field are highlighted, with special attention focused on industry terminology.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE

Students investigate the impact of specific environmental issues on tourism, including water pollution, air pollution, habitat destruction, etc., and focus on the impact of tourism on the physical, biological and cultural environment. The role of the tourism industry as it relates to the provision of ecotourism experiences is also discussed.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

TRVL3030 International Policies of Tourism
This intermediate-level course is designed to provide the student with an increased understanding in the area of international tourism development. Emphasis is placed on the definitive study of the essential components for a successful national tourism program.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

TRVL3035 Tour Management Operations
This course is designed for students planning careers in tour guiding or tour operations. Topics include tour operations, components of a tour, tour management positions, characteristics of professional tour guides, the psychology of tour management and internal communications. The culmination of this course is a tour to a selected international destination, where each student researches, negotiates and develops a highly anticipated journey.
Offered at North Miami, Providence, Providence CE 4.5 Quarter Credit Hours

TRVL3040 Adventure, Sport and Nature-Based Tourism
This course provides the student with a solid foundation of knowledge related to adventure, sport and nature-based tourism and focuses on key considerations necessary for its implementation. The course offers an opportunity for a field project.
Offered at Charlotte, Denver, North Miami, Providence, Providence CE 4.5 Quarter Credit Hours
TRVL3080 Dynamics of the Cruise Industry
This course acquaints students with the modern cruise industry. Students identify the role of cruise lines in the travel and tourism industry, develop a detailed foundation and knowledge of the various cruise line products and destinations, understand the various career opportunities available, as well as recognize how to sell a cruise. Ship inspections are offered during the course.
Offered at North Miami, Providence
4.5 Quarter Credit Hours

TRVL3081 Cruise Operations
This course presents a survey of both onboard and shoreside cruise operations. Examination of onboard activities includes embarkation/debarkation, hotel staff, entertainment, shore excursions, security, etc. Shoreside operations include reservations, air/sea, finance, purchasing, itinerary development, legal, human resources, etc. The process of how cruise lines negotiate with various outside vendors and agents is also examined.
Prerequisite(s): TRVL3080.
Offered at North Miami
4.5 Quarter Credit Hours

TRVL3082 Cruise Marketing and Sales
This course deals with the broad scope of marketing a cruise line product. Emphasis is placed on the analysis, structure and the strategies of the cruise marketing department. Various promotional activities are examined including TV, radio and print advertising as well as direct mail, the Internet and the retail travel agency distribution system. Students have an opportunity to visit and meet with cruise line marketing and sales departments.
Prerequisite(s): TRVL3080.
Offered at North Miami
4.5 Quarter Credit Hours

TRVL3099 Tourism & Hospitality Internship
This internship is designed to give students practical experience in the tourism and hospitality industry. Students acquire insight into the practical aspects of an organization’s operation by observing and participating in day-to-day activities.
Prerequisite(s): HOSP1080, to be eligible for this internship, students must: 1) maintain a cumulative GPA of 2.0 during the entire pre-program application process, and 2) have completed 90 hours of course work.
Offered at North Miami, Providence, Providence CE
6.75-13.5 Quarter Credit Hours

TRVL3801 Special Topics in Adventure Resort Management
This course provides the student with a solid foundation of knowledge related to the Adventure Resort and focuses on all aspects of operation and program development. The course will also offer opportunities for a field project. Students are required to participate in all off-campus activities with the designated industry partners.
Prerequisite(s): Sophomore status.
Offered at Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

TRVL4011 Destination Management Organization
This course integrates the administrative functions of a destination management or marketing organization (DMO). The interrelationships of operations, marketing and finance are analyzed and evaluated. A Directed Experiential Education (DEE) opportunity may be an integral part of this course. DEE opportunities are based on project availability with community partners and student eligibility. For more information, visit Experiential Education & Career Services.
Prerequisite(s): MRKT1001.
Offered at Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

TRVL4160 Travel and Tourism Strategic Management Seminar
This capstone course culminates the theoretical training for the advanced student of hospitality and tourism studies. The course is designed to provide insight into the policy formulation and strategic management of travel and tourism entities. Essential elements of the course include a variety of teaching methods; analysis of current issues and situations in the travel and tourism field; keeping up to date and current by utilizing different web sites; and research projects and case analyses that will improve the understanding of the strategic planning process, critical thinking and decision-making capabilities of the student.
Prerequisite(s): FISV2000, MRKT1001.
Offered at North Miami, Providence, Providence CE
4.5 Quarter Credit Hours
Academic Information

This section of the catalog contains important information about the academic requirements and policies of Johnson & Wales University, as well as additional educational components including experiential education and study abroad opportunities, and available honors programs and academic societies.

Class Schedules

The course schedule (https://uconnect.jwu.edu/prod/bwckschd.p_disp_dyn_sched) is published before registration begins each term. The course schedule will include course meeting days and times, seat capacity, course prerequisites and additional information for courses meeting the search criteria.

Occasionally, make-up classes are scheduled, due to holidays or other missed days, to meet minimum classroom hour requirements. It is possible that at times a course may not be rescheduled and the student will be responsible for all work as outlined in the syllabus.

Please note that students enrolled in courses at the university may be required to participate in online discussion forums, student-to-student collaborations and student presentations with other students as part of course requirements.

Summer Sessions

Optional summer session courses are offered for students enrolled in undergraduate programs. Individual courses may not be offered in the summer if student interest or enrollment is not sufficient; as a result, summer degree completion cannot be guaranteed. Summer session enrollment may be required in certain graduate programs.

Students matriculating at Johnson & Wales are not granted credit for summer session courses taken at other institutions unless prior permission has been granted by Student Academic & Financial Services.

Academic Policies

This section of the catalog contains important information about academic policies, grading systems and other academic requirements.

Additional policies and procedures: Not all university policies and procedures affecting students are described in this catalog. For further information, please refer to the Student Handbook (http://catalog.jwu.edu/handbook).

Academic Standing

A student's academic standing is based on grade point average (GPA) in conjunction with total attempted credits (including transfer credits) and is evaluated after the completion of each term of enrollment. Academic standing standards differ by program of study. Please refer to the following academic standing standards charts. If students are not in good academic standing or have questions about the requirements for graduation, they should make an appointment with an academic counselor/advisor for assistance in assessing their situation.

Students who meet the following criteria are considered to be in good academic standing:

- Undergraduate students need a minimum GPA of 2.0.
- Graduate students need a minimum GPA of 3.0.
- Doctoral students need a minimum GPA of 3.25.
- 4+1 B.S./MBA/M.S. program students need a minimum GPA of 3.0 in graduate-level coursework.

According to the following academic standing standards, students who do not satisfy good academic standing requirements will be placed on probation, suspended (undergraduate students only) or dismissed.

Note: Doctoral students will be dismissed if their GPA is less than 3.25, or when they earn a grade of F or WF in any course. No classes may be repeated.

Academic Probation

Probation may affect a student’s ability to register and/or graduate. Graduate program students and 4+1 B.S./MBA/M.S. program students are allowed one term only on probation.

Academic Suspension

Suspension students may not matriculate at the university for at least one term and are expected to work on academic deficiencies. To return to the university, these students must petition the Academic Appeals Committee, providing a letter of intent and documentation of academic improvement. The committee will consider appeals that document mitigating circumstances.

Academic Dismissal

Dismissed students may no longer matriculate at the university and are expected to work on academic deficiencies. To return to the university, students may petition the Academic Appeals Committee, providing a letter of intent and documentation of academic improvement. The committee will consider appeals that document mitigating circumstances.

Academic Warning

Students who are reinstated into the university will be placed on Academic Warning. These students risk permanent dismissal from the university if they are unable to meet academic standing guidelines. The warning designation is sometimes used to override academic standing decisions at the end of the term due to mitigating circumstances.

These undergraduate students will be allowed to register for a maximum of 13.5 credits in academic classes or 15 credits in laboratory classes. In addition, these students will be required to attend a mandatory student skills strategies seminar and tutoring in identified content areas. Failure to complete these requirements will result in immediate dismissal.

Attendance

Students are expected to attend all classes, arrive on time and remain for the entire class period, and report to class fully prepared with all required materials. To meet these expectations, students must arrange course schedules that minimize conflicts with other commitments, including personal commitments, work or participation in athletics or other university-sanctioned events. When students encounter difficulty meeting these requirements, they must actively engage their faculty member to discuss the concern.
Individual faculty define the specific role that class attendance plays in the calculation of final grades for each course. Additionally, excessive absences in certain courses may result in withdrawal from the course at the instructor’s discretion. Students should consult the course syllabus and course instructor for specific faculty policies on attendance and make-up work within a course.

Students are expected to familiarize themselves with attendance requirements outlined in the Student Handbook (http://catalog.jwu.edu/handbook).

Credits and Grades

Unit of Credit

The university measures undergraduate and graduate academic progress using the quarter credit hour system with the exception of the doctoral and physician assistant studies program, which operate under a semester credit hour system. Courses are offered in three formats and may combine two or more of those formats, which are lecture, laboratory and experiential.

Generally, one quarter credit represents 10 hours of instruction, which includes class lecture and additional activities; one quarter credit hour equals two laboratory hours or three experiential hours. Furthermore, all courses require additional hours of study and preparation outside of the classroom or learning environment.

Please see the appropriate section to review the respective grading system.

Note: not all grades are used by all colleges or schools.

Honors Option (H)

If a course was taken as an Honors Program requirement, the grade received will be followed by H (e.g., AH, BH).

Failure (F) *

A grade of F is issued if a student fails to achieve adequate scholastic progress. The grade is recorded permanently on the student’s academic record. Upon successful completion of the course at a later date, the term and cumulative grade point averages are adjusted to reflect only the passing grade. However, both grades will appear on the academic transcript.

Withdrawal/Pass (WP), Withdrawal/Fail (WF) *

To record attempted credits, a grade of WP or WF is recorded when a student withdraws from a culinary/baking & pastry laboratory course or a course with an experiential education component, or is withdrawn due to excessive absences from a registered course after its add/drop period has ended.

To qualify for a WP, the student must have an estimated grade of 60 or higher at the time of withdrawal. This grade is not entered into the term and cumulative grade point averages. If the estimated grade is below 60, the student will be issued a WF, which is entered into the term and cumulative grade point averages as a failing grade until successful completion of the course at a later date.

Audit (AU) *

An audit occurs when no academic credit is granted. This grade is not calculated into the term and cumulative grade point averages.

Challenge Exam (CX)

A grade of CX is granted for specifically designated courses upon successful completion of department challenge exams. This grade is not calculated into the term and cumulative grade point averages.

Grade Pending (GP) *

This is a temporary mark given when the completion of course requirements is still underway. A GP is not calculated into the term and cumulative grade point averages and is generally used under extreme, extenuating circumstances. If a grade is not submitted to replace the GP within one year, it will automatically become an F.

Incomplete (I) *

A grade of I is issued to students if they are unable to complete course requirements because of authorized absences due to service commitment or illness. Outstanding work must be completed within two weeks of the final exam class day or the grade will automatically become an F and will be included in the term and cumulative grade point averages. For classes graded S/U (Satisfactory/Unsatisfactory), an Incomplete (I) will change to a U.

No Credit (NC) *

This is a non-punitive designation issued to a student who has been authorized to withdraw from class, or the university, due to extenuating circumstances. This grade is not calculated into the term and cumulative grade point averages.

No Grade (NG) *

A grade of NG is issued temporarily when there is no grade provided by the faculty member. This grade is not factored into the student’s GPA. Once a grade is submitted, the cumulative average and transcript will reflect only the new grade. If a grade is not submitted to replace the NG within one year, it will automatically become an F and the grade will be included in the term and cumulative grade point averages.

Prior Learning (PL)

Students may earn credit for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel, professional training and seminars, or other comparable sources. This grade is not calculated into the term and cumulative grade point averages.

Proficiency (P)

A grade of P is granted for achievement of multiple levels of skills in progression where the self-paced approach is in effect. This grade is not calculated into the cumulative grade point average.

Satisfactory/Unsatisfactory (S/U)

A grade of S/U is used for designated courses throughout the university. These grades are not calculated into the term and cumulative grade point averages.

* These grades will be counted as attempted but not earned credits for the purposes of determining satisfactory academic progress.

Full-time Status

Certification of full-, half- or less than half-time enrollment status is based on the number of credits registered in a term. Listed below are the requirements that constitute full-time student status for official enrollment certification purposes and for financial assistance.

Students should realize that to receive maximum financial aid they must maintain full-time status.

If a student who is receiving veteran’s benefits or participating in athletics receives a grade of WP, WF or NC in a course, that course will not count toward full-time status.

Readmittance Policy

If a student has previously attended the university, a Readmittance Request is only required if the student’s absence from the university will be more than four consecutive terms (including summer).

Readmittance to undergraduate and graduate programs must be requested at least six weeks prior to the desired term start date, and no earlier than:
- summer term: March 1
- fall term: April 1
- winter term: September 1
- spring term: December 1

Students approved for readmittance will be assessed the current tuition rate and are responsible for any changes to their program of study that may have occurred during their period of absence. If the break in enrollment exceeds one year or more, the student’s program of study may follow the requirements listed in the current year catalog. A review of previously awarded transfer credit will also be conducted and may be adjusted.

Readmission of Service Members

The university complies with Readmission Requirements for Service Members as outlined in the Higher Education Opportunity Act (HEOA). The HEOA provides that an institution may not deny readmission to a service member of the uniformed services for reasons relating to that service. In addition, a student who is readmitted under this section must be readmitted with the same academic status as the student had when they last attended the institution. Academic status is defined by a student’s grade level and whether or not the student was in a degree/certificate or non-degree/certificate program at the time of separation.

This policy applies to service in the uniformed services, whether voluntary or involuntary, on active duty in the Armed Forces, including service as a member of the National Guard or Reserve, for a period of more than 30 days under a call or order to active duty of more than 30 days. The university will readmit such a student as long as the following conditions are met:
- The student gives advance notice (written or verbal) of the call to active duty or, upon seeking readmission, submits a written verification that such service was performed, requiring their absence.
- The absence from school for active duty does not exceed five years.
- The student submits a notification of intent to re-enroll within three years after the completion of service or within two years after recovery from an illness or injury incurred during the service.
- The separation from service was not dishonorable.

Tuition and Fees

A returning student must be charged the same tuition and fees in effect during the last academic year the student attended, unless veterans’
education benefits or other service member education benefits will pay the amount in excess. For subsequent academic years, the returning student may not be charged tuition and fees in excess of what other students in the program are charged.

Readmission Requirements

A returning student will be permitted to re-enroll in the next class(es) scheduled in the same academic program, unless the student requests a later date of re-enrollment or agrees to a different program. A returning student will be readmitted into the same academic program the student was enrolled in prior to the military service obligation. If the exact program no longer exists, the student must be admitted to the program that is most similar, unless the student requests or agrees to admission to a different program. Returning students will be re-enrolled with the same enrollment status, number of completed credit hours and academic standing as the last academic year of attendance. If the university determines that a returning student is not prepared to resume the program or is unable to complete the program, the university must make reasonable efforts to enable the student to resume or complete the program at no additional cost to the student. If such efforts are unsuccessful or place an undue hardship on the university, the university is not required to readmit the student.

In accordance with federal regulations, returning students who receive a dishonorable or bad conduct discharge from the Armed Forces (including the National Guard and Reserves) are not eligible for readmission under this policy. However, service members who receive dishonorable or bad conduct discharge may remain eligible for readmission even though they will not be entitled to the benefits outlined in this policy.

The returning student may be required to provide supporting documentation.

Complete policies regarding readmittance can be found in the Student Handbook (http://catalog.jwu.edu/handbook/academicpolicies/readmittancepolicy).

Repeat of Courses

When the appropriate course is available, the course, when a grade other than W has been assigned, may be repeated to earn a better grade. Upon successful completion of the course at a later date, the cumulative average is adjusted to reflect the highest grade earned. However, each grade earned will appear on the academic transcript. Students are required to pay normal tuition charges for all repeated coursework. Students are eligible for financial aid for only one repetition of a previously passed course.

*NOTE: When a student has repeated a course previously applied to an awarded degree, each grade earned will be included in the cumulative point average.

Course Deficiency

A course deficiency occurs when a student fails to complete a course with a satisfactory grade, either by failing the course or by receiving a grade that does not meet the minimum required by the student’s program. Academic warning, probation and dismissal are not determined from one course, but by the cumulative GPA.

Students who fail a course after a second attempt will be assigned a course deficiency hold and will be required to meet with an academic counselor/advisor in Student Academic & Financial Services. Academic counselors/advisors will review the following options with the student:

• Consider a change of program.
• Repeat the same course, which will result in only the highest grade earned being calculated in the cumulative average.
• Student may be advised to take a pre-approved course at another institution outside of Johnson & Wales University. The original grade will remain on the student’s transcript but will be excluded from the cumulative average.

Students opting to repeat the course will be required to attend content tutoring. The course deficiency hold will be removed once the student has satisfied the course requirement.

Transfer and Career Prerequisites

Students who intend to transfer to other colleges or enroll in graduate schools after attending Johnson & Wales University must determine the requirements of those institutions and plan their programs of study accordingly. Johnson & Wales University makes no claim or guarantee for transfer credit to other academic institutions. Similarly, students who intend to take state, foreign business, trade or professional licensing examinations should determine the prerequisites of those jurisdictions prior to selecting their programs of study.

Students who are interested in transferring to JWU should review transfer admissions (http://catalog.jwu.edu/admissions/applying/transferstudents) for information.

Graduate

Once enrolled in a JWU graduate program, students may not take core or concentration courses elsewhere with the intent of transferring them into their JWU program, except when there are extenuating circumstances, and permission is granted by the dean’s office. Should a student be granted permission to take a course under these conditions, a grade of B or higher must be earned in order for the transfer credit to be awarded.

Arts & Sciences Core Experience

Johnson & Wales University is committed to providing its students with the learning necessary for professional and personal success. A Johnson & Wales University education prepares students to become engaged citizens, equipped with the intellectual and practical skills needed to address complex issues in a diverse and dynamic world.

In addition to development of lifelong learning skills, the university’s A&S general education core curriculum provides breadth of learning by introducing students to multiple ways of understanding the world through explorations in the natural sciences, social sciences and humanities.

Sequential Learning

Foundational skills are introduced early on and reinforced throughout the curriculum: oral and written communication, quantitative literacy, critical thinking, ethical reasoning, and integrative learning.

Students build on these foundational skills in many disciplines in the arts and humanities, social sciences and natural sciences as well as in their major courses. All students must fulfill a university graduation requirement for college-level writing proficiency.

Building Integrative Habits of Mind

An essential component of the A&S Core Experience is the development of integrative learning that requires thinking across boundaries, applying knowledge and skills in new situations, and synthesizing information from various perspectives to explore complex issues or problems. All Johnson & Wales University undergraduates are required to complete two Integrative Learning courses, one at the sophomore level and another in the senior year. These courses approach a big idea or question from the perspective of multiple disciplines. Developing the habit of connected inquiry throughout the four years of their undergraduate experience allows Johnson & Wales University graduates to apply the sort of adaptive, innovative thinking needed for professional success and lifelong learning.

Through the A&S Core Experience, Johnson & Wales University students are expected to:

• Effectively apply oral and written communication strategies appropriate for a particular situation and/or audience.
• Solve mathematical problems and to apply mathematical reasoning to problems in other fields of study.
• Apply appropriate disciplinary criteria to examine complex issues, make decisions, analyze arguments, conduct credible research, solve problems and create original ideas and/or approaches.
• Apply ethical standards and reasoning to complex issues in personal, academic and professional decisions.
• Demonstrate knowledge of the complexities of human behavior and society. Interpret human behavior from various social science perspectives.
• Analyze and interpret human history, philosophy, literature and the arts.
• Demonstrate knowledge and application of the scientific principles that govern the natural world.
• Synthesize and apply knowledge from multiple perspectives to complex issues and real world problems.
Regardless of their majors, all undergraduates are required to complete at least 63 credit hours of general education. Some of these courses may be determined by specific program requirements. The A&S core curriculum requirements are summarized below.

Integrative Learning

Two ILS courses, one at the 2000 level, one at the 4000 level

Arts and Humanities – Two courses from ART, HIST, HUM, LIT, PHIL or REL

One course required by program

Additional AH course in a different discipline

Math – Two courses

MATH One course at level of placement, 1002 or higher, minimum set by program

MATH2001 Statistics (or other required by program)

Science – At least one course from BIO, CHM, PHY, SCI (may be a program requirement)

Social Sciences – Two courses from ECON, LEAD, PSCI, PSYC, SOC

One course required by program

Additional SS course in a different discipline

A&S Electives

Two courses with an EASC attribute, at least one at 3000 level or higher.

Total Credits 63.0

NOTE: Students must pass MATH0010 Basic Mathematics or have equivalent placement scores to enroll in required math course(s).

Students who graduate with a bachelor of science degree must leave Johnson & Wales University with effective writing skills. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication.

In collaboration with schools and colleges on all campuses, JWU Study Abroad programs offer a variety of options for major, Arts & Science and elective credit at many price points for students during the academic year and summer. Financial aid is applicable to most programs. Visit the study abroad website (http://studyabroad.jwu.edu) for information, program descriptions and online applications.

Academic Events

Attendance at orientation is mandatory for all new students. Summer Orientation is offered to all new incoming full-time undergraduate day students entering Johnson & Wales University in the fall term. At Summer Orientation, students meet with academic representatives in their chosen school or college. Students learn about campus resources, network with upper-class student leaders, familiarize themselves with the campus and make new friends. An abbreviated orientation program is offered for all new incoming full-time undergraduate day students each term prior to the start of classes.

Commencement is held at the end of each academic year in May. At these exercises, degree candidates are recognized. Participation in commencement exercises does not imply that graduation requirements are met.

Experiential Education & Career Services

Experiential Education & Career Services (EE&CS) supports the university’s mission to integrate general education, professional skills and career-focused education by providing students with customized services and support for experiential education and career planning. Experiential Education & Career Services achieves this purpose through a team of qualified career professionals by providing expert advising, an array of career services and strategic partnerships with employers, faculty and staff. The goal is to empower students to make effective career choices and identify and pursue internships, secure employment and navigate lifelong career direction.

Experiential Education & Career Services offers a variety of internship programs and career services including a career capstone course, résumé critiques, mock interviews, career fairs, exposure to industry professionals, on-campus interviews and more. These services assist students in building skills to obtain employment and independently manage their careers.

Global Learning Distinction

The Global Learning Distinction program offers JWU students an enhanced transcript designation that highlights their globally-focused experiences. Students can document participation and achievements to which designated points are assigned. The Global Learning Distinction is earned upon completion of established benchmarks, and noted on a student’s final transcript.

Global learning opportunities are available to students through a variety of academic and co-curricular pathways, including the following:

• Global/Intercultural Academic and Professional Experience (Study Abroad, international internships, coursework)
• Community Engagement Experiences (the BRIDGE Center, Student Involvement & Leadership)
• Cultural Events (the International Center, the BRIDGE Center)
• Leadership Development Experiences (Student Involvement and Leadership, the Gender Equity Center, University Involvement Board, Student Government Association)

The Global Learning Distinction is available to students on all four campuses and in all majors. For more information, please contact Loren Intolubbe-Chmil (Loren.IntolubbeChmil@jwu.edu), director of international and intercultural engagement.

Graduation Requirements

Please see the appropriate section for information regarding graduation requirements.

Undergraduate

Undergraduate Degree Candidates

Graduation requires successful completion of a prescribed sequence of study and a minimum 2.00 grade point average. Students with a cumulative GPA below 2.00 will be in noncompliance with the criteria for good academic standing and may be subject to academic dismissal. Furthermore, as required by their program, all students must successfully complete any and all requirements as indicated on their degree audit.

All associate-level degrees require the completion of a minimum of ninety (90) quarter credits. All bachelor’s-level degrees require the completion of a minimum of 180 quarter credits. While most major programs have variations that require slightly more quarter credits for completion, no program requires fewer than the 90/180 quarter credit minimum.

Students are reviewed for graduation when they have completed all requirements in their program of study. Graduation is not recorded until after the term has ended, grades have been received, and the degree audit of each
expected graduate has been reviewed. Confirmation of graduation will occur approximately 30 days after final term grades have been submitted.

Additional information regarding graduation requirements can be found in the Student Handbook (http://catalog.jwu.edu/handbook).

Graduate

Graduation requires successful completion of a prescribed sequence of study and a minimum grade point average of 3.00 (3.25 for doctoral program students). Students with a cumulative GPA below 3.00 will not be in compliance with the criteria for good academic standing and may be subject to academic dismissal. In addition, doctoral program students must not receive a grade of F in a course.

Students are reviewed for graduation when they have completed all requirements in their program of study. Graduation is not recorded until after the term has ended, grades have been received, and the degree audit of each expected graduate has been reviewed. Confirmation of graduation will occur approximately 30 days after final term grades have been submitted.

Additional information regarding graduation requirements can be found in the Student Handbook (http://catalog.jwu.edu/handbook).

Honors

Johnson & Wales University recognizes high-level scholastic achievement in a variety of ways. This section of the catalog contains information about the different types of academic recognition.

Dean’s List

In recognition of scholastic achievement, full-time undergraduate students (carrying a minimum of 12 credit hours) who have achieved a term GPA of 3.40 or above receive dean’s list commendation. Upon processing of approved grade changes, student records will be evaluated for dean’s list eligibility. Dean’s list notation will appear on the student’s academic transcript.

Honors Program

The Honors Program offers academically talented day program students seeking bachelor’s degrees the opportunity to explore challenging and stimulating courses. Eligible applicants must have taken a college prep curriculum, maintained an average of 8 or better, placed in the top 25 percent of their high school graduating class, and submitted SAT or ACT scores.

Honors students enroll in honors sections of several courses in the arts and sciences core and their program of study, including smaller, student-centered honors seminars in their sophomore and junior years. All honors students complete a two-term research course sequence, culminating in an honors thesis or other honors capstone project. Through these experiences, they have the opportunity to work closely with some of the university’s most dedicated and accomplished faculty, join a community of academically motivated students, and pursue original and individually directed study.

Students who complete the Honors Program requirements will graduate with the University Honors Scholar designation. The college-specific requirements for this honors designation are as follows:

College of Culinary Arts

Honors students must complete a total of eight honors courses and submit an accepted honors thesis to earn the University Honors Scholar designation. These courses include ENG1024 Honors Composition: Writing in the Academy; ENG1027 Honors Advanced Composition and Communications: Civic Discourse; four honors seminars; RSCH3020 Honors Research Seminar; and RSCH4020 Honors Directed Academic Experience, culminating in an honors thesis.

Joint Degree Programs

Honors students who begin their studies in the College of Culinary Arts and complete their studies in the College of Management will carry their honors work forward, completing a total of four honors courses (including the optional Culinary Arts or Baking & Pastry Arts Honors Experience) in addition to ENG1024 Honors Composition: Writing in the Academy; ENG1027 Honors Advanced Composition and Communications: Civic Discourse; RSCH3020 Honors Research Seminar; and RSCH4020 Honors Directed Academic Experience, culminating in an honors thesis.

Transfer Students

Transfer students may enter the Honors Program if they can provide documentation of Honors Program enrollment at their former institution, provided their GPA is 3.40 or higher at the time of their acceptance to Johnson & Wales University.

Non-honors students at Johnson & Wales may apply to the program, provided they carry a 3.40 GPA or higher, first year or sophomore status, and have completed at least a term of study at JWU. Students must provide a faculty recommendation.

Students who transfer into the Honors Program may be eligible to waive some honors course requirements. Contact the Honors Program director for application details.

Latin Honors

Eligible undergraduate degree candidates receive cum laude, magna cum laude and summa cum laude recognition according to their academic program average. Students with the designated graduating GPA are eligible to receive honors as follows: cum laude, 3.40–3.60; magna cum laude, 3.61–3.80; and summa cum laude, 3.81–4.00.

Residency Requirement

Please see the appropriate section for information regarding residency requirements.

Undergraduate

The undergraduate residency requirement refers to the number of courses and credits students must take at JWU, whether they are transfer students or JWU students acquiring an additional degree. The residency requirement for all students at Johnson & Wales University pursuing an associate degree is a minimum of 31.5 quarter credit hours, half of which must be within the major field.

For students pursuing a bachelor’s degree, the minimum is 45.0 quarter credit hours, half of which must be within the major field.

Diploma/certificate candidates will be allowed to transfer a maximum of 9.0 quarter credits (including JWU courses) toward diploma/certificate program requirements.

Upon review, certain related professional studies courses and program electives may be considered when determining residency. Standardized testing credits are not considered when determining residency requirements.

Additional Degrees

Students may pursue one additional associate’s degree in a program that has a minimum of 31.5 credits that are not in their primary major (there must be a 31.5 credit difference between the two associate degrees). Half of the credits must be within the major field of the additional associate degree. Classes in the additional associate degree may not be used as electives in the primary major if residency requirements have not been met.

Students may pursue one additional bachelor’s degree in a program that has a minimum of 45 credits that are not in their primary major (there must be a 45 credit difference between the two bachelor’s degrees). Half of the credits must be within the major field of the additional bachelor’s degree. Classes in the additional bachelor’s degree may not be used as electives in the primary major if residency requirements have not been met.

Please note: students pursuing additional degrees may also incur additional tuition and fees.
Graduate

Residency requirement refers to the number of courses and credits a student must take at Johnson & Wales University.

A maximum of 20 percent of the program’s credits can be awarded as transfer credit. Credit may be awarded for graduate-level courses that were completed with a grade of B or better (3.00 GPA) at another institution accredited by an accrediting agency recognized by the U.S. Department of Education or international Ministry of Education.

Additional Degrees

Due to the overlap in core curriculum, students who complete an MBA at the university are not eligible to complete a second MBA at Johnson & Wales University. However, any student who received a master’s degree from Johnson & Wales University may apply for admittance to another M.S., MAT or M.Ed. program at the university through Graduate Admissions. A maximum of 20 percent of coursework may be shared between the graduate programs. Students must meet the entrance requirements for the prospective program to gain admittance.

Only one doctoral degree is allowed.

Please note, students pursuing additional degrees may also incur additional tuition and fees.

Study Abroad

JWU Study Abroad is a way for students of all majors to earn academic credit while taking classes and studying internationally. Study abroad promotes global citizenship and interconnectedness through international study. Programs are available that allow students to delve into many different areas of interest (i.e., explore farm-to-table cuisine and learn from elite chefs in Paris; practice leadership and nature tour guiding skills in South Africa; study fashion and design in Italy; learn regional Asian culinary skills in Singapore; or expand the freshman experience in Berlin).

In collaboration with schools and colleges on all campuses, JWU Study Abroad programs offer a variety of options for major, Arts & Science and elective credit at many price points for students during the academic year and summer. Financial aid is applicable to most programs. Visit the study abroad website (http://studyabroad.jwu.edu) for information, program descriptions and online applications.

Academic Transcripts

A transcript is a representation of a student’s entire academic record while at Johnson & Wales University. In accordance with the Family Educational Rights and Privacy Act (FERPA), a transcript may be released only upon written request of the student. Students must submit transcript requests online through jwuLink (https://link.jwu.edu/cp/home/displaylogin). Students intending to pick up transcripts in person must visit Student Academic & Financial Services or complete a transcript request form (http://www.jwu.edu/content.aspx?id=35578/#fbid=nWB9IGV-P_).

Official transcripts will not be released if a student is not current on all financial obligations to the university. Within three business days of receipt of an authorized request, official transcripts will be processed. However, a longer period of time may be required for processing at the end of a term or during peak enrollment periods. Records prior to 2000 may be located on microfilm; if applicable, please allow 5–15 business days for processing.

A maximum of 20 official transcripts may be requested per year. Official transcripts are not produced while grade processing and posting is in progress at the end of each term.

Unofficial transcripts may be obtained in jwuLink (http://link.jwu.edu).
Admissions

Johnson & Wales University’s admissions process goes beyond simply looking for academically accomplished students. The university seeks to attract and retain highly motivated and demonstrably capable students. Students’ motivation and interest in succeeding in their chosen careers are given consideration along with their academic achievements.

Applying for Admission

Please see the appropriate undergraduate or graduate section for information regarding applying.

Undergraduate

How to Apply

Students are encouraged to apply online (https://apply.jwu.edu) for quicker processing. Paper applications are also accepted. For either method, no application fee is required.

To submit your application on paper, you may request an application to be mailed to you by contacting the Johnson & Wales Admissions office noted below.

Completed paper applications should be mailed to the following campus addresses:

Providence Campus
Admissions
Johnson & Wales University
8 Abbott Park Place
Providence, RI 02903

North Miami Campus
Admissions
Johnson & Wales University
1701 NE 127th Street
North Miami, FL 33181

Denver Campus
Admissions
Johnson & Wales University
7150 Montview Boulevard
Denver, CO 80220

Charlotte Campus
Admissions
Johnson & Wales University
801 W. Trade Street
Charlotte, NC 28202

Be sure to complete your application in full, as an incomplete application could affect eligibility for Johnson & Wales scholarship programs. Additional information submitted after the initial application has been received will not be considered for additional scholarships. For U.S. students, eligibility for university need-based and federal aid is determined through the Free Application for Federal Student Aid (FAFSA).

In completing the application form, students must indicate the term in which they wish to enroll. Applications are accepted for terms beginning in the fall, winter and spring.

There is no deadline for submitting applications, but students are advised to apply as early as possible before their intended date of enrollment for full consideration, as some programs may become full.

Certain bachelor’s degree programs are selective and require submission of an application at the end of the associate degree program before acceptance into a program. Students should check program descriptions if they are interested in applying for both an associate and a bachelor’s degree program.

After completing the application form, students are responsible for requesting that their high school guidance office forward to the university an official copy of the secondary school record for admissions consideration.

When possible, Johnson & Wales University would prefer to receive the applicant’s high school transcripts at the same time as the application for admission. Transfer students must also submit official transcripts from all high schools and colleges attended.

Students applying for admission to a continuing education program at JWU’s Providence (http://catalog.jwu.edu/admissions/applying/providence-ce) or Denver (http://catalog.jwu.edu/admissions/applying/denver-ce) campuses should refer to these catalogs for admissions information.

Be sure to complete your application in full. For U.S. students, eligibility for federal aid is determined through the Free Application for Federal Student Aid (FAFSA).

Applicants for the Physician Assistant program must apply through the Central Application Service for Physician Assistants (CASPA) application. By submitting a CASPA application, the applicant certifies to Johnson & Wales University that all information in their application and supporting documentation is true, correct, and complete. Please note that Johnson & Wales University does not retain all application material submitted by the applicant.

High School Completion Verification

Graduation from high school or equivalent education as certified by state departments of education is required for undergraduate admission. Graduation verification documents must be submitted to Admissions. Official verification documents include at least one of the following: correspondence from an authorized high school administrator, a high school diploma/transcript recognized by the student’s state department of education or high school equivalency exam. Additional methods of verification of high school completion exist for home-schooled students (p. 80). It is the student’s responsibility to provide verification of high school completion. Without such verification, the student may not be allowed to register for the current term or continue enrollment and will be in jeopardy of revocation of admission to the university as well as losing all financial aid.

International students should refer to the International (http://catalog.jwu.edu/admissions/international) section of this catalog for admissions information.

Admissions Requirements

For students entering as a first-year student, a high school transcript is required for admission review.

For students entering as a transfer student, a high school and college transcript is required for admission review.

Test Scores

JWU is test optional but SAT and ACT submission is strongly encouraged. The SAT or ACT is required for home-schooled students (p. 80).
Candidates for the university’s honors program must submit SAT or ACT scores for acceptance consideration. Admission standards for honors students may vary for international (http://catalog.jwu.edu/admissions/international) and transfer students (http://catalog.jwu.edu/admissions/applying/transferstudents).

Minimum Grade Requirements

There are certain majors that may have grade point average, course, academic or other requirements. For further information, please contact the admissions office.

Program Requirements

Certain programs of study include technical standards in the academic requirements essential to the program. Students with disabilities should contact the Center for Academic Support for information about the technical standards. See Technical (p. 81) Standards (p. 81) for descriptions of the applicable technical standards. Copies of the technical standards applicable to various programs are also available from the Center for Academic Support.

For additional admissions requirements please review the other topics listed in the Applying (p. 79) section of this catalog.

Admissions Decisions

The rolling admissions policy of the university makes it possible to notify students of the admissions decision, of their acceptance or of any additional conditions necessary for admission, soon after all of their academic records have been received and reviewed.

The $300 reservation fee is payable upon acceptance to the university. The university observes the May 1 reservation fee deadline and encourages students to research all schools before placing a reservation fee. Reservation fees received after May 1, 2016 will be accepted on the basis of space availability. Reservation fees received prior to May 1, 2016 are refundable.

The student’s account must be cleared by Student Financial Services by the July deadline to receive a room assignment. To best ensure consideration for on-campus housing, it is important to meet all deadlines throughout the enrollment process.

Requests for refunds of the reservation fee will be granted upon written request to the university prior to May 1, 2016. After May 1, 2016 the reservation fee of $300 (or $150 of such fee in the case of applicants to the North Miami Campus) is nonrefundable.

The university may revoke any student’s acceptance or enrollment if any information or documentation provided by the student is false or incomplete, or if the university learns of any past or present misconduct by the student that would affect the student’s ability to represent and uphold the high standards of the university.

Medical Records

Prior to the first term of enrollment, the university requires all new, full-time undergraduate students — residents and commuters alike — to submit proof of a complete physical exam conducted within the past year, including documented proof of two doses of the MMR (measles, mumps and rubella) vaccine (or titers if applicable), three doses of hepatitis B vaccine (or titers if applicable), three doses of tetanus-diphtheria vaccine (including at least one Tdap dose within the past 10 years), two doses of the chicken pox vaccine (or titers if applicable) or proof of physician-diagnosed disease, and one dose of meningitis vaccine. If you received your first meningitis vaccine prior to age 16, a booster is required. A waiver of the meningitis vaccine requirement is available for students 22 years of age or older (please contact Health Services for further information). Additionally, please check with your primary care provider as to whether the new meningitis Type B vaccine is appropriate for you. In addition, a negative tuberculosis test or chest x-ray within the last year is required for entering students who are from highly endemic countries and have been residents of the United States for less than five years. A list of countries where tuberculosis is highly endemic is available upon request from Health Services.

The hepatitis A vaccine is strongly recommended but not required.

Deferred Enrollment

Johnson & Wales offers a two-year deferred enrollment to students who have applied and been accepted to the university but, for various reasons, wish to postpone their enrollment. Johnson & Wales University retains student application material and will honor the admissions decision for up to two years; after that time frame, the applicant will need to submit a new application and transcript for review. Reservation fees will remain effective during the deferment period. Merit scholarships awarded through the application process will be honored for up to two years from the time of initial acceptance. Federal student aid is awarded annually; a student must reapply for federal funds through the Free Application for Federal Student Aid (https://fafsa.ed.gov) (FAFSA).

Advanced Placement Credit

Students entering Johnson & Wales University with Advanced Placement test scores of 3 or greater will be granted 4.5 quarter credits for the equivalent JWU course. In order to obtain credit, students must submit official AP Grade Reports from the College Board Advanced Placement Program. To view the currently approved AP courses equivalencies, go to the Transfer Evaluation System (TES) (https://tes.collegesource.com/view/tes_view01.asp?rid=%7B145040A7-7365-4840-8A90-B20C0B6FB26%7D&aid=%785C72180F-0E7E-4E91-9399-06A81322B340%7D) and type College Board in the search box. Exam titles are listed alphabetically preceded by the designation of AP. For more information about AP credit, contact University Transfer and Testing.

The Physician Assistant program does not accept CLEP, DSST or Advanced Placement (AP) credits to fulfill prerequisite courses. Admissions will consider AP credits for one of the English course prerequisites on a case-by-case basis.

Transfer Credit

Applicants with transfer credit should submit official college transcripts from any colleges and universities previously attended prior to enrolling at the university. It is the responsibility of those candidates who are currently attending other colleges to have their updated official transcripts sent to Johnson & Wales University as soon as final grades become available and no later than the first term of enrollment. In some cases, an official course outline or syllabus will be required for evaluation.

All non-English documents must be accompanied by certified word-for-word English translations. In addition, course descriptions/syllabus (subject details or content outline) are required for transfer credit evaluations of all courses taken at foreign universities.

In order to be eligible for transfer credit, courses must be similar in level, content and duration to JWU courses in the student’s intended program of study. Additionally, only courses with earned grades of C or higher (2.00 GPA) will be accepted. Courses that carry grades of “pass” are also acceptable for transfer provided credit was awarded, and a grade of P carries a numeric GPA value of 2.00 or greater. Credits earned in developmental and remedial, English as a Second Language courses, or CEUs (continuing education units) are nontransferable.

Upon completion of the transfer credit evaluation, accepted students will receive a copy of their degree audit (international students receive a transfer credit allowance) showing the credit accepted toward their program of study. Students with domestic transfer credit wishing to review such credits must contact a transfer advisor in Student Academic & Financial Services. Those with transcripts from foreign institutions must contact International Admissions.

JWU has a number of articulation agreements (https://www.jwu.edu/content.aspx?id=53299) and transfer credit equivalencies in place that facilitate student transfers to Johnson & Wales University. The university works closely with all colleges who wish to articulate with JWU and continuously works to develop new partnerships. The Transfer Evaluation System (https://tes.collegesource.com/view/tes_view01.asp?rid=%7B145040A7-7365-4840-8A90-B20C0B6FB26%7D&aid=%785C72180F-0E7E-4E91-9399-06A81322B340%7D) provides students with information on courses (domestic institutions only) that have previously been evaluated and accepted by Johnson & Wales University.

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

The transfer of credit is not guaranteed.

Home-Schooled Students

Home-schooled students will be required to provide a high school transcript and a copy of their ACT or SAT test scores. Both the grades on the transcript would be required upon acceptance to the university.
and the ACT/SAT test scores will be reviewed to determine admissions and scholarship eligibility. Combined SAT scores of 1000 (reading and math, 500 each) or ACT equivalent are required for admittance.

A home-schooled student must be able to document that he or she has completed high school. Verification documents for home-schooled students include at least one of the following:

- a high school diploma recognized by their state department of education
- high school equivalency exam

or, with respect to home-schooled students who are above the compulsory age of school attendance,

- a secondary school completion credential for home school (other than a high school diploma or high school equivalency exam) provided for under state law

or

- if state law does not require a home-schooled student to obtain the credential described in the preceding bullet, a certification from a party acceptable to the university that the student has completed a secondary school education in a home-school setting that qualifies as an exemption from compulsory attendance requirements under state law

It is the student’s responsibility to provide verification of high school completion. Without such verification, the student may not be allowed to register for the current term or continue enrollment and will be in jeopardy of revocation of admission to the university as well as losing all financial aid.

Early Enrollment

The Early Enrollment Program gives high school seniors an opportunity to enroll full time in college courses at JWU during their senior year of high school. Students should apply for admission to the Early Enrollment Program during their junior year of high school.*

The Early Enrollment Program was designed to help students investigate the variety of college and career options available to them. Early Enrollment Program students earn college credits while completing high school graduation requirements.

* International students on an F-1 visa are not eligible for the Early Enrollment Program.

Talent Advancement Program

The Talent Advancement Program is designed to help students create greater success in college and in life. Students will learn many proven strategies for creating greater academic, professional and personal success. They will become empowered with confidence to develop their natural inner strengths that will help them make wise choices. The accumulation of these wise choices will create the outcomes and experiences needed to be successful in college and in life. Through active participation in TAP, students will explore questions, issues, and practical techniques regarding Responsibility, Motivation, Self-Management, Interdependence, Self-Awareness, Life-Long Learning, Emotional Intelligence, and Self-Esteem.

Military & Veterans
Johnson & Wales University is approved for the training of veterans by the state approving agency.

Johnson & Wales University (JWU) is honored to support our nation’s military members and veterans as they pursue their education. JWU is proud to be a Yellow Ribbon school and a participant of the Principles of Excellence. JWU is dedicated to help ensure that our students are maximizing the full potential of their VA education and Military benefits. This includes students who are veterans, active duty, and military dependents. JWU works with students who qualify for the Montgomery GI Bill (Chapter 30), MGIB Selected Reserve Chapter (1606), Reserve Educational Assistance Program (Chapter 1607), Dependants Education Assistance (CH 33), Post-9/11 GI Bill (Chapter 33), Yellow Ribbon Program, Vocational Rehabilitation (Chapter 31), Tuition Assistance and other programs/benefits.

JWU thanks you for your commitment and service! For more information please visit our Military and Veterans Web page (https://www1.jwu.edu/future-students/military-and-veterans). To determine eligibility please contact the Department of Veterans Affairs toll free at 1-888-442-4551 or online (http://www.benefits.va.gov/gibill).

International Admissions Requirements
Applicants who are not U.S. citizens or permanent residents (holding a “green card” or permanent resident card) of the U.S. must meet the same admissions requirements as all other applicants, including some additional documentation. To expedite the admissions process, applicants must enclose OFFICIAL or CERTIFIED documents from the institution or authorizing body when submitting an application. Photocopies, fax copies, U.S. notary copies, scanned or emailed documents are not valid. Note: Currently the university is not accepting applications for online degree programs from international students.

These international applicants must submit the following:
1. An accurate, complete and legible international application form that has been signed and dated by the applicant. All schools attended must be listed, with dates of attendance.
2. Certified bank statement or government sponsorship letter verifying financial support for one academic year. Bank statements cannot be older than three months from the time of issue.
3. Completed financial declaration (http://admissions.jwu.edu/uploadedFiles/Content/Documents/JWUIntlUgradDeclarationFinancialSupportUNIV.pdf) signed by both the applicant and the sponsor
4. English Language Proficiency test results (See English Language Proficiency (p. 83) and English Proficiency Requirements (p. 83))
5. Official secondary school transcript showing subjects and marks received with graduation date. Diplomas and any external examination results should be submitted, if applicable. Students who have not yet graduated from secondary school must submit a transcript showing all completed work, and expected results and graduation date may be submitted for review.
6. Applicants who have attended any college or university must submit transcripts, marks sheets, diplomas or certificates from all post-secondary institutions attended, along with course descriptions and credit values for transfer review.
7. Copy of biographical section of applicant’s current passport.
8. Certified word-for-word translations of all non-English credentials must be submitted.

All documents and information should be clear and legible; if important information cannot be read by the International Admissions staff, the admissions process is delayed and, as a result, so is the acceptance/Form I-20 process.

All documents must be sent to the campus where you intend to enroll:

Form I-20/Visa

Initial Form I-20

Responsibility for obtaining the approved visa classification rests entirely with students. Students entering the United States to study will need an F-1 international student visa. In order to obtain the necessary visa, students must submit the valid Form I-20 for an F-1 visa to the United States Embassy or Consulate in the country of residence. In addition to these forms, students will have to present a passport and evidence of financial support.

Johnson & Wales University will send the Form I-20 after students have been accepted and have submitted evidence of financial support. International students must register for the term for which admission is offered and must maintain full-time status during the academic year.

Students are admitted to the United States to attend the school that issued their I-20 form. Using an initial attendance I-20 from one school to gain admission to the United States to attend another school is a violation of U.S. immigration law. Students must attend the institution that they are authorized to attend. Violators will be reported to Homeland Security.

International Transfer Students

International students currently studying in the U.S. who seek enrollment in a JWU program are required to submit a Transfer Release Form (completed by the foreign student advisor at the institution last attended) prior to receiving a Form I-20.

English Language Proficiency

Applicants whose primary language is not English must provide proof of English proficiency. English language proficiency is required for admission to all programs of study at Johnson & Wales University, regardless of country of citizenship or residency.

Students who do not provide proof of English proficiency will be enrolled in the English as a Second Language (ESL) program and registered for ESL classes prior to beginning regular degree studies.

Johnson & Wales University’s English as a Second Language (ESL) program allows students to focus on the areas where they need the most improvement. Some advanced-level ESL students may take a regular undergraduate degree class in place of an ESL class that has been exempted because of proficiency in a particular area. This flexibility provides students with the most efficient transition into college.

English Language Placement testing for new ESL students will be given before the beginning of each term. JWU uses the students’ scores from this testing to place students into the appropriate level of ESL.

English Proficiency Requirements

Johnson & Wales University recognizes a number of examinations as proof of English proficiency (p. 83). Acceptable proof of English proficiency may include one of the following comparable English proficiency examinations (English proficiency examinations cannot be older than two years). Please note that total exemption from ESL requires meeting both the overall score and the individual subscores.

<table>

<td>18 or higher</td>
</tr>
</tbody>
</table>

Other English language examination results will also be considered, and experience studying in the English language, as documented through school transcripts, will be taken into consideration.

To meet English proficiency requirements, all English language examination results must be submitted on an official test transcript that is no more than two years old. TOEFL scores must be received as official ETS scores. The Johnson & Wales University Designated Institution (DI) code is 3465. Students should use this code on their TOEFL registration form so that their scores will be sent directly to Johnson & Wales University.

Students may be exempted from individual ESL classes based on their individual test section scores. Individual section scores and total scores must also meet minimum score requirements; Johnson & Wales University also reserves the right to require a student to take ESL classes to increase proficiency in a particular area, regardless of total test scores.

High School/College Verification

All students who have been accepted for admission to Johnson & Wales University must provide verification of high school completion. International students need to submit an official final transcript and diploma or official examination results. Transfer students must submit official high school transcripts/diploma as well as official final transcripts from previous colleges/universities attended. International Graduate Studies students must submit official transcripts/mark sheets from all institutions attended and diploma showing bachelor’s degree conferred. Without such verification, students will not be allowed to register for the current term or continue enrollment and will be in jeopardy of losing their academic status with the university as well as their immigration status. For international students, a loss of immigration status will require their immediate departure from the U.S.

Examinations

International Baccalaureate

Johnson & Wales University recognizes the International Baccalaureate Diploma and Certificate Examination. JWU will award 4.5–9.0 quarter credits for standard and higher-level exams with a score of 4 or better as applicable for the intended JWU major. Students must submit an official IBO examination transcript from the International Baccalaureate Organization.
General Certificate of Education Advanced Level (A-level)

Johnson & Wales University will award up to 12 quarter credits per subject for GCE Advanced Level Examinations (excluding General Paper) passed with grade equivalents of C or better. Up to six quarter credits may be awarded for GCE AS (Advanced Subsidiary) examinations. Students must submit an official or verified certificate or statement of results issued by the U.K. examinations board.

Caribbean Advanced Proficiency Examinations (CAPE)

Johnson & Wales University will award up to 13.5 quarter credits per subject for two-year CAPE examinations passed with a grade of IV or better. Up to 4.5 quarter credits may be awarded for single-unit CAPE examinations. Students must submit an official or verified statement of results issued by the Caribbean Examinations Council (CXC).

Articulation Agreements

Johnson & Wales University is proud to maintain a variety of international relationships through articulation agreements and transfer equivalencies with institutions and programs that facilitate student transfer to JWU for bachelor's degree completion. The university is continuously working to develop partnerships with institutions around the world for the purpose of offering diverse educational opportunities for transfer students. Please note that not all majors are offered at every campus, which may affect articulation agreement eligibility. Contact Admissions at the specific campus for more information. International Articulation Agreements include the following:

- At-Sunrice Global Chef Academy, Singapore
- Barbados Community College, Barbados
- Bermuda College, Bermuda
- College of the Bahamas (COB), Bahamas
- Florence University of the Arts (Apicius), Italy

NOTE: Currently the university is not accepting applications for online degree programs from international students.

International Undergraduate Transfer Credit

Applicants with transfer credit should submit official college transcripts from any colleges and universities previously attended prior to enrolling at the university. It is the responsibility of those candidates who are currently attending other colleges to have their updated official transcripts sent to Johnson & Wales University as soon as final grades become available and no later than the first term of enrollment. In some cases, an official course outline or syllabus will be required for evaluation.

All non-English documents must be accompanied by certified word-for-word English translations. In addition, course descriptions/syllabus (subject details or content outline) are required for transfer credit evaluations of all courses taken at foreign universities.

In order to be eligible for transfer credit, courses must be similar in level, content and duration to JWU courses in the student's intended program of study. Additionally, only courses with earned grades of C or higher (2.00 GPA) will be accepted. Courses that carry grades of "pass" are also acceptable for transfer provided credit was awarded, and a grade of P carries a numeric GPA value of 2.00 or greater. Credits earned in developmental and remedial, English as a Second Language courses, or CEUs (continuing education units) are nontransferable.

Upon completion of the transfer credit evaluation, accepted students will receive a copy of their degree audit (international students receive a transfer credit allowance) showing the credit accepted toward their program of study. Students with domestic transfer credit wishing to review such credits must contact a transfer advisor in Student Academic & Financial Services. Those with transcripts from foreign institutions must contact International Admissions.

JWU has a number of articulation agreements (https://www.jwu.edu/content.aspx?id=53299) and transfer credit equivalencies in place that facilitate student transfers to Johnson & Wales University. The university works closely with all colleges who wish to articulate with JWU and continuously works to develop new partnerships. The Transfer Evaluation System (https://tes.collegesource.com/view/tes_view01.asp?rid=%7B145040A7-7365-4840-8A90-B20C0B6FFB26%7D&aid= %7B85C721B0F-0E7E-4E91-9399-06A81322B340%7D) provides students with information on courses (domestic institutions only) that have previously been evaluated and accepted by Johnson & Wales University.

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

The transfer of credit is not guaranteed.

Placement Testing

Placement testing is used to place students into appropriate course levels and to determine the student's course schedule.
Although it is critical that students do their best, placement test results do not affect the student's admission to the university. See the appropriate section to review specific placement testing requirements.

**Academic Support and Disability Accommodations**

Students with a documented disability requiring special accommodations must forward the appropriate documentation to the Center for Academic Support (p. 98), at their campus, at least two weeks prior to scheduling a placement test in order to ensure that accommodations can be provided. No accommodations will be allowed unless the required documentation is submitted prior to testing. Students who have already participated in placement testing and submit appropriate documentation will have the opportunity to retest with the accommodations in place.

**Mathematics and English**

Mathematics and English placement tests are required for all new undergraduate students, including transfer students, prior to orientation or attending classes. Transfer students may be exempt from mathematics and English placement testing only if Johnson & Wales University has awarded them transfer credit for both, first level mathematics and English courses.

The university administers ACCUPLACER mathematics and English placement tests to assess students' skills in these areas. The mathematics test is designed to evaluate skills in relation to those required for college math courses. English placement testing includes a sentence skills test which evaluates writing skills. The ACCUPLACER exams are computer based tests (CBT) developed by College Board.

All of these tests will result in placement into a course rather than in grades of "pass or fail".

After acceptance, students will be emailed instructions for completing the required mathematics and English placement testing online with a virtual proctor. Virtual proctoring allows students to take placement tests online in a quiet and distraction-free location, such as home. Online testing appointments are available 7 days a week, 24 hours a day, and require no software installs. All that is needed is a simple webcam, access to the internet, and a voucher code that will be provided by the university. There is no charge for virtual proctoring or for the ACCUPLACER assessment. Students will receive a score report immediately following ACCUPLACER administration. Students will also be contacted by an academic counselor from the Academic Support and Disability Accommodations program.

Students requesting to retake their placement exam may do so by contacting Student Academic & Financial Services. Students will be allowed one retake 30 days after their initial test at no charge.

Visit Testing Services (http://linkweb.jwu.edu/Registration_and_Grades/Testing_for_Credit) for additional information.

**Modern Languages**

All undergraduate students are required to take a placement exam prior to registering for a language course for which they studied more than one year in high school. Modern Language placement exams are required for Spanish, French and German.

Modern Language placement exams will be scheduled at the beginning of each term. Students whose placement score indicates they have met a particular level of language proficiency will not be allowed to enroll in that level of the language. Students placing out of a required level of a language will be given the option to apply for the Departmental Challenge Examination to earn the language credits (fees apply), or to have the language credits replaced with arts and sciences electives.

For additional information, visit Testing & Placement dates (http://linkweb.jwu.edu/Registration_and_Grades/Testing_Services).

**English as a Second Language (ESL)**

Students admitted into the ESL Program are required to complete the Levels of English Proficiency (LOEP) Test to assess their English Language proficiency prior to registering for courses in their intended program of study. This test includes three sections: reading, language usage, and sentence meaning. LOEP tests will be scheduled at the beginning of each term, and are administered via the ACCUPLACER computer-based placement testing system.

Results of the LOEP placement test will determine whether students are placed into the Beginner, Intermediate, or Advanced levels of ESL courses.

Students with a score of 315 or higher on the LOEP Test are eligible to take the Institutional TOEFL Test (ITT). Students who obtain a score of 550 or higher in the ITT can exit the ESL program and enroll directly in their degree program courses. Students with a test score under 550 on the ITT will have their individual section scores reviewed in the areas of listening, grammar and reading. Section scores with a minimum of 550 on the ITT will exempt the student from the corresponding ESL class. Students who do not complete the required LOEP test will automatically be placed into beginner-level ESL courses.

**Prior Learning Assessment**

By successfully completing one of the Prior Learning Assessment options (Portfolio Assessment, College Level Examination Program (CLEP) or Departmental Challenge Examinations), students may earn undergraduate course credit for previous academic and/or prior learning experiences.

**Policies for Prior Learning Assessment**

1. Students must consult with an academic counselor prior to applying for Challenge Examinations or Portfolio Development.
2. Course prerequisite requirements must be completed before permission to take Challenge Examinations or Portfolio Development is granted.
3. Prior Learning Assessments are for academic credit and carry nonrefundable fee(s).
4. CLEP exam credit will only be awarded for passing scores of 50 or higher, and when the JWU course equivalent to the exam title is degree applicable.
5. Official College Board transcripts are required for CLEP exam credit to be awarded.
6. CLEP exams, if failed, can be repeated three months after the initial testing date.
7. Portfolio Assessment and Challenge Exams cannot be repeated if failed.
8. The university recognizes up to a maximum of 45 undergraduate credits earned through Prior Learning Assessment.
9. Prior Learning Assessment credits are not considered when determining residency requirement (http://catalog.jwu.edu/handbook/academicinformation/residencyrequirement). Students with a 4 year degree will be evaluated at the institution.
10. Portfolio Assessment and Challenge Exams cannot be repeated if failed.

**Portfolio Assessment**

Undergraduate students may earn credits for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel programs, organizations or other comparable sources.

Students are required to meet with an academic counselor to discuss these options.

Prior to applying for the Portfolio Assessment option of Prior Learning, students are required to successfully complete ENG1020 English Composition, or a higher level writing course.

Students must complete the mandatory online Portfolio Development Seminar before submitting a finalized portfolio for review. While there are no regularly scheduled meetings, students are expected to participate in the seminar activities that lead toward the completion of the portfolio. The individual components of the portfolio are covered in self-paced segments.

Portfolios must be submitted within six months of the application date. Completed Portfolios will be submitted electronically to the appropriate department designee for review. Students will be notified of the outcome once the assessment is completed. If credit is denied for a portfolio, the student has 10 days upon notification to file a written appeal for review.
Once the seminar is completed, eligible students, in consultation with an academic counselor, may submit additional portfolios.

Visit Testing Services (http://linkweb.jwu.edu/Registration_and_Grades/Testing_for_Credit) to review the full testing brochure for policies, course options, deadlines and fees.

College Level Examination Program (CLEP)
(for credit, with fees)

College-Level Examination Program (CLEP) exams are widely accepted national standardized exams sponsored by the College Board. These credit-by-examination tests give students the opportunity to earn college credit for a variety of subjects by obtaining qualifying test scores.

While the university accepts the American Council on Education (ACE) recommended passing score of 50, subject equivalencies for each CLEP examination are determined by the respective academic department at the university. To view the currently approved CLEP/JWU courses equivalencies, go to the Transfer Evaluation System (TES) (https://tes.collegesource.com/view/tes_view01.asp?rid=%7B145040A7-7365-4840-BA90-B20C86FFB26%7D&aid=%7B5C721B0F-0E7E-4E91-9399-06A81322B340%7D) and type “College Board” in the search box. Exam titles are listed alphabetically preceded by the designation of CLEP.

U.S. Military personnel and U.S. Veterans may be eligible to receive funding or reimbursement for CLEP exams. For more information, please visit CLEP for Military (http://clep.collegeboard.org/military/veterans). JWU waives the CLEP administration fee for its U.S. Military and U.S. Veteran students.

Visit Testing Services (http://linkweb.jwu.edu/Registration_and_Grades/Testing_for_Credit) for complete policies, course options, deadlines, examination dates and fees.

Departmental Challenge Examination
(credit by examination: for credit, with fees)

Departmental Challenge exams are exams created by the Johnson & Wales University department in which the course is taught and are designed based on its content. Exams may be taken for specifically designated undergraduate courses within a department. All matriculating students with previous academic and/or work experience may request such an exam when they feel they possess the knowledge required to meet the course’s objectives as listed in the outline for the respective course.

Students may be required to meet additional prerequisites to take certain challenge exams. Visit Testing Services (http://linkweb.jwu.edu/Registration_and_Grades/Testing_for_Credit) for complete policies, course options, deadlines, examination dates and fees.

Accelerated Programs

Johnson & Wales University offers the following accelerated programs. For more information, contact Admissions at the campus of your choice.

3+3 B.S./J.D. Law Program

The 3+3 B.S./J.D. Law program allows JWU Liberal Studies and Political Science students who meet specified admissions criteria to earn a bachelor’s degree from Johnson & Wales University and a juris doctor degree from Roger Williams University in six years. Qualified, accepted students may enroll in graduate-level law classes at Roger Williams University (Rhode Island) during their senior year at JWU, while fulfilling bachelor’s degree requirements simultaneously. Students may complete remaining graduate degree requirements in two additional years.

Any interested student must contact the College of Arts & Sciences dean’s office at 401-598-1400 to declare intent to pursue the 3+3 program. Pre-law advising is required and a formal application to Roger Williams University’s law school must be submitted before December 1 of the student’s junior year at JWU.

For more information about program requirements, please contact the College of Arts & Sciences dean’s office at the Providence Campus.

4+1 B.S./MBA/M.S. Programs

The five-year B.S. and MBA or M.S. programs allow JWU full-time day seniors to earn a bachelor’s degree in their major plus an MBA or an M.S. Depending on when students enter the program, they may complete their master’s-level study in 12–15 months. Qualified students may enroll in a graduate course each term of their senior year and complete up to three graduate courses (at no additional charge) at Johnson & Wales while completing their bachelor’s degree.

4+1 degree programs are offered at the Providence and Denver campuses. Please see the Admissions Requirements (http://catalog.jwu.edu/admissions/applying/admissionsrequirements/#graduatetext) section of the catalog for more information.

FAST and College Credit

Johnson & Wales University offers students an opportunity to earn credits toward a JWU degree prior to commencing their studies at the university. Eligible students may earn credit by participating in the Freshman Advanced Study Track (FAST) Program sponsored by the College of Culinary Arts. In order to qualify for credit, students must meet the following requirements:

- Be enrolled in an approved FAST school program.
- Complete a minimum of two years in an approved commercial foods secondary school program.
- Earn a minimum of a B (3.0) grade point average in the commercial foods program.
- Meet all of the requirements for acceptance to Johnson & Wales University.
- Successfully pass a three-hour practical exam. Exam fee: $300

Note: FAST applies only to culinary majors. It is not applicable to baking & pastry majors.

Upon successful completion of the above requirements, qualified applicants may receive up to nine (9) quarter credits toward their JWU degree. For more information regarding the requirements to become a FAST-approved school or the FAST practical exam, contact Admissions.

Students enrolling in other JWU programs may be eligible to earn transfer credits through the Prior Learning Assessment Program. Undergraduate students may earn course credit for previous academic and/or other learning experiences by successfully completing Challenge, CLEP, DSST or Portfolio Assessment.

For more information about the FAST or Prior Learning Assessment programs, contact Admissions.

SHARP

Special Honors and Rewards Program (SHARP) is an honors program designed for qualified full-time undergraduate students in a day program who wish to accelerate their program to complete degree requirements in less than the normally required time. This is accomplished by increasing the student’s course load each term as scheduling permits. SHARP results in savings of time and expenses for eligible students.

Day program students accepted into SHARP may register for up to 25.0 credits each term with no additional fees. Interested students must submit a SHARP application to Student Academic & Financial Services. The following students are eligible for SHARP:

1. Incoming freshmen who are honors graduates of approved secondary schools, have been elected to their state or national honor society, or have maintained a minimum GPA of 3.0
2. New transfer students who maintained full-time enrollment at a previous institution and each term earned a cumulative GPA equivalent to dean’s list status for that institution
3. Students who have maintained full-time enrollment at JWU and a cumulative GPA of 3.40 at the end of each term

Note: The only exception to this policy is the first term of enrollment at JWU, during which the cumulative GPA may be less than 3.40.

If a student does not exercise this option, SHARP eligibility may continue provided that the student maintains continuous full-time matriculation while maintaining a cumulative 3.40 GPA after all terms. The benefits provided by SHARP are not applicable during full-time internship terms or for an additional culinary/pastry laboratory class. Preferred scheduling and graduation acceleration are not guaranteed.

Failure to maintain a cumulative GPA of 3.40 or better after each term will cause the student to become permanently ineligible for the benefits provided.
by SHARP. Student Academic & Financial Services will only notify a student of their withdrawal from the SHARP program via their JWU email account, and it is the student’s responsibility to drop extra credits, if registered, to avoid incurring additional charges.
Financing Your Education

This section of the catalog contains information on tuition and fees, financial policies and obligations, financial aid and payment options. There is also information on loans, grants, scholarships and work programs for eligible students depending on campus and degree program.

Tuition and Fees

The following tuition and fees schedule is effective for the 2016–17 academic year. Tuition and fees are subject to change annually.

Tuition is applicable to all students, including those in approved off-campus programs such as study abroad and internships. Students enrolled in courses in excess of a normal full-time schedule will be assessed an additional tuition charge. For purposes of tuition billing and financial aid eligibility, full-time status is determined on a term basis and consists of 12 to 21 quarter credit hours per term. Students carrying more than 21 quarter credit hours will be charged for each quarter credit over 21. When repeating courses already attempted, students may be assessed a fee for those courses. Students are assessed tuition upon course registration each term. Summer is considered a separate term. The quarter credit hour rate is $563.

Reservation Fee and Other Fees

Reservation Fee

The $300 reservation fee is payable upon acceptance to the university. The university observes the May 1 reservation fee/deposit deadline and encourages students to research all schools before placing a reservation fee. Reservation fees received after May 1, 2016 will be accepted on the basis of space availability. Reservation fees received prior to May 1, 2016 are not refundable. Students must also have an approved payment plan with Student Academic & Financial Services by July 15, 2016 to guarantee a room assignment. Students who establish an approved payment plan after July 15, 2016 could be placed in a temporary assignment regardless of fee payment date, although Residential Life will make every effort to assign students to permanent room assignments.

Requests for refunds of the reservation fee will be granted upon written request to the university prior to May 1, 2016. After May 1, 2016 the reservation fee of $300 (or $150 of such fee in the case of applicants to the North Miami Campus) is nonrefundable.

Orientation Fee

This nonrefundable fee, which is uniformly charged, is required of all new students for orientation and term start activities. It is charged to students who start during the fall, winter or spring term.

Medical Health Coverage While Enrolled

All registered undergraduate day students, both domestic and international; all students enrolled in the physician assistant degree program; and all international graduate and doctoral students attending Johnson & Wales University are required to have health insurance coverage that is accepted in the United States. If students have health insurance coverage through other means (i.e., parent’s health insurance or an employer program), they do not have to enroll in the Johnson & Wales student health insurance plan. They can opt out of/waive the university plan by submitting the online waiver form to demonstrate evidence of coverage. A new waiver form must be submitted each academic year. Students who are required to have health insurance and do not waive the Johnson & Wales University plan will be charged for it. The online waiver form and details of the plan, including the full brochure and benefit flyer, can be found on the Health Services (http://www.jwu.edu/content.aspx?id=10320) page of the JWU website.

Extension Students

Tuition rates for extension students are billed based on the number of quarter credit hours scheduled.

Early Enrollment

Early Enrollment Program (p. 81) tuition is 50 percent of the 2016–17 tuition charge. Early Enrollment Program students are also subject to appropriate university fees, including full room, meals, orientation fee and student health insurance. Early Enrollment Program students are not eligible for any federal financial aid or institutional need-based aid while enrolled in the program. Early Enrollment Program students should contact Student Academic & Financial Services for information on alternative funding and to determine how eligible scholarships will be affected while in the Early Enrollment Program.

ESL Students

Students who are studying in the English as a Second Language (ESL) program will be charged $6,883 tuition per term. The quarter credit hour rate is $382. This program charge will be applied for each term the student remains in the ESL program. ESL students are not eligible for Johnson & Wales University scholarships or grants.

Other Fees

Off-campus Housing

The out-of-pocket cost for housing is approximately $5,500 per academic year. These costs are determined annually and are not applied to the student’s invoice.

Off-campus Meals

The out-of-pocket cost for meals is approximately $1,200 per academic year. These costs are determined annually and are not applied to the student’s invoice.

Books and Supplies

The out-of-pocket cost for books and supplies is approximately $1,500 per academic year. These costs are not applied to the student’s invoice. Books and supplies can be purchased at the university’s bookstores, online (http://www.bkstr.com/johnsonwalesstore/home) or through other venues where available. The bookstores operate a textbook sales/buyback program to help students minimize these costs.

General Transportation Expenses

The out-of-pocket transportation expense is approximately $1,000 per academic year. These costs are determined annually by the university and are not applied to the student’s invoice.
Personal Expenses
The out-of-pocket personal expense is approximately $1,000. These costs are determined annually by the university and are not applied to the student’s invoice.

Payment Options

Annual Payments
The student may make one payment in full for the entire academic year. Students are responsible for paying all charges in full or making appropriate arrangements by the published due date.

Term Payments
Students attending a program with terms may make three payments per academic year, and students in a semester program may make two payments per academic year. The fall due dates for each program are listed above. Please refer to your invoice for future due dates.

Monthly Payments
Students may choose to pay the annual amount due in convenient monthly payments. This option is available through Tuition Management Systems (TMS) (https://jwu.afford.com). There is an enrollment fee to participate. Most plans are essentially interest free, but some accounts may incur late fees, reinstatement fees or other fees. Students interested in this option must contract with TMS and pay the first payment, in addition to the enrollment fee, by the fall published due dates listed above.

All Johnson & Wales University students must fulfill their financial obligations to the university by the published due dates listed above. (All off-term entrants must meet the financial obligation by the published date for that term.)

To meet your financial obligation you must do one of the following by the published due date:

• Make a full term payment.
• Contract with TMS and pay the first monthly payment, as well as the enrollment fee.
• Have an approved loan that covers the annual balance.
• Have an approved payment plan with Student Academic & Financial Services using a combination of the above options.

If you do not fulfill your financial obligation by the published due date, your housing assignment may be removed. In addition, your class schedule for the 2016–17 academic year may also be revoked.

Refund Policies

General Policy
To the extent that any charges due to the university remain unpaid, no refund check will be issued. No tuition or fees (other than the reservation fee for undergraduate students) will be assessed for terms that the student does not begin. Students who withdraw from the university prior to the end of the academic year may have their financial aid adjusted.

Institutional grants and scholarships, where applicable, will be reduced in proportion to any tuition credit received as defined in the university’s Withdrawal Credit Policy (p. 89). The distribution formula for refunds to the Federal Student Financial Aid program will be calculated according to federal regulations. The university’s Withdrawal Credit Policy (p. 89) applies to all withdrawals from the university, voluntary or involuntary.

Unofficial Withdrawal from the University
Federal regulations require that a student who begins attendance but fails to earn a passing grade in at least one course in any term and who does not officially withdraw shall be considered as having unofficially withdrawn from the university unless the university can document that the student completed at least 60 percent of the period of enrollment and earned the grade of F. A student must be engaged in academically related activities beyond 60 percent of the enrollment period to retain eligibility for federal, institutional and external financial aid. If a student was not engaged in an academically related activities beyond 60 percent, they will be assigned a withdrawal date based on the last date of an academically related activity. All other instances when a student withdraws without providing official notification will be the 60 percent point of the period of enrollment, as applicable. A student who does not earn at least one passing grade during a term for which federal funds were disbursed will have a Return of Title IV Funds calculation performed to determine how much of the federal funds were earned. Unearned federal funds must be returned to the source, in most cases with a charge to the student’s university account.

University enrollment disputes must be submitted online within 30 days after the end of the term during which the student was enrolled. To submit a dispute, students must complete the appropriate form online (http://www.jwu.edu/forms.aspx?id=55199&ekfrm=55199). No adjustments to tuition and fees or financial aid will be made until the dispute is researched and either approved or denied. No disputes will be considered after 30 days from the end of the term in which the student was enrolled. Decisions will be made within 10 business days and students will receive notification via the email address provided on the dispute form.

• Any student enrolled solely in culinary lab courses, who fails to attempt any of the scheduled courses, will be considered to have withdrawn from the university.

Tuition Refund Policy
Term and semester charges are defined as tuition and, if applicable, room and meals.

Tuition is applicable to all students, including those in approved off-campus programs such as study abroad and internships. Student Health Insurance, Program Fees, Wildcat Meals and Orientation Fee are nonrefundable, if applicable. To the extent that any charges due to the university remain unpaid, no refund check will be issued. No tuition or fees will be assessed for terms and semesters for which the student does not register or enroll. Students who withdraw (or become withdrawn) from the university prior to the end of the academic year may have their financial aid adjusted, if applicable. Institutional grants and scholarships will be reduced in proportion to any tuition credit received. Refunds will be made within 30 days for all non-Title IV students (cash-paying) in Florida.

University Withdrawal Credit Policy
The distribution formula for the institutional refund to the Federal Student Financial Aid program will be calculated according to federal regulations. Any refund due will be issued within 45 days after the date that the university was first notified of the withdrawal.

If a student terminates
• prior to the start of the term, the university will credit 100 percent of the term charges. If eligible, all institutional aid/scholarships for that term will also be returned.
• during the first or second week of the term, the university will credit 90 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 10 percent.
• during the third or fourth week of the term, the university will credit 50 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 50 percent.
• during the fifth or sixth week of the term, the university will credit 25 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 75 percent.

After the sixth week of the term, students will be responsible for 100 percent of the term charges and will receive 100 percent of that term’s eligible institutional aid and scholarships.

Examples of university refund policies are available upon request in Student Academic & Financial Services.
University Enrollment Dispute

If a student leaves the university due to extenuating circumstances without officially withdrawing, they may submit a university enrollment dispute (http://www.jwu.edu/forms.aspx?id=55199) within 30 days after the end of the term in dispute. No withdrawal disputes will be considered after that time. The student must present supporting documentation that demonstrates serious and compelling reasons justifying the withdrawal, and extenuating circumstances justifying its retroactive nature. No adjustments to tuition and fees or financial aid will be made until the dispute is researched and either approved or denied. Decisions will be made within 10 business days and the student will receive notification via an email sent to the email address they provided on the dispute form.

Withdrawal Policy for Study Abroad Programs

If a student withdraws for any reason, either voluntary or involuntary, prior to June 1 for the fall programs, October 1 for the winter programs, December 15 for the spring programs and March 15 for the summer programs, they may be eligible for a refund on the $500 deposit (if applicable) and/or a reduction of the program cost charged to the student's account. A written withdrawal letter or email is required and must be sent to the Study Abroad office. This letter must be written and signed by the student. A telephone call will not be sufficient. The date on which the student’s letter is received will be the formal date of withdrawal.

The $500 study abroad deposit is nonrefundable as of June 1 for fall programs, October 1 for winter programs, December 15 for spring programs and March 15 for summer programs. If a student withdraws after the dates listed above, the student will also be charged for a portion of the program cost. The amount charged (in addition to the $500 deposit) is based on the date of withdrawal as well as the program start date. Please refer to the Withdrawal/Fee chart below for exact amounts.

Financial Obligations

Continued enrollment as a student in good standing and certain other student benefits (diplomas, transcripts, etc.) are conditioned upon being current in all financial obligations to the university, including loans in which the university appears as a holder or guarantor.

Financial Planning

The university understands that financing an education can be a very complex process for many students. To assist with this process, financial planning counselors are available to work with students and their families on an individual basis to help them best utilize their own funds and other available resources to meet educational expenses.

For more information and assistance, contact Student Financial Services (https://www1.jwu.edu/admissions/contact-us/financial-services-team) at the campus where you plan to enroll. Federal financial aid is not available to international students. International students must provide sufficient evidence of financial support to receive an I-20. The university awards scholarships based on academic merit. International students can contact the EducationUSA (http://www.educationusa.info) advising center in their country to learn more about opportunities for financial assistance.

Financial Aid

To assist students in meeting their educational expenses, the federal government offers grants and low-interest loans. Financial aid is awarded on an annual basis and is disbursed in three equal installments (fall/winter/spring). Students interested in financial aid for summer enrollment should contact Student Financial Services on their campus.

Students who register for a course that is not required in their program of study may experience an adjustment/reduction in financial aid. The university cannot award financial aid for classes that do not count toward a student’s degree requirements; therefore, a student’s net tuition expense could be higher.

Undergraduate Financial Aid Programs

Grants and loans are financial aid resources available to students. Students may receive assistance from one or both of these funds. Student eligibility for these programs is based on completion and submission of the Free Application for Federal Student Aid (https://fafsa.ed.gov) (FAFSA) as described in the How to Apply (p. 90) section. Since awards are not automatically renewable, students must reapply each year. All financial aid awards are determined based on an academic year (fall/winter/spring terms). Financial aid awards and federal loan programs are disbursed based on this term system, which typically equates to three disbursements. All annual awards are posted in three equal amounts, or in some cases fewer, based on the student’s entrance date.

### Graduate Financial Aid Programs

Federal financial aid programs are available to U.S. citizens or eligible non-citizens. Students may receive assistance from loans, limited institutional aid and/or work programs. If eligible for any one of these, or a combination of both, it is referred to as the financial aid package. Student eligibility for these programs is based on completion and submission of the Free Application for Federal Student Aid (https://fafsa.ed.gov) (FAFSA) as described in the How to Apply (p. 90) section. Since awards are not automatically renewable, students must reapply each year. All financial aid awards are determined based on an academic year (fall/winter/spring terms). Financial aid awards and federal loan programs are disbursed based on this term system, which typically equates to three disbursements. All annual awards are posted in three equal amounts, or in some cases fewer, based on the student’s entrance date.

For more information call 1-800-343-2565 or 401-598-1468.

### How to Apply

Please see the appropriate section for information regarding how to apply for financial aid.

Undergraduate

To be considered for financial assistance, complete the steps listed below.

1. **Federal Student Aid ID (FSA ID)**
   Students and their parents can apply online for a FSA ID (https://studentaid.ed.gov/aidfilling-out/fsaid/#pin-replacement). The FSA ID allows students and parents to sign the FAFSA electronically and to correct previously processed FAFSA information online. Both the student and at least one parent must apply for a FSA ID.

2. **Free Application for Federal Student Aid (FAFSA)**
   The Free Application for Federal Student Aid (http://www.fafsa.ed.gov) is available online. This form must be completed as soon as possible after January 1.

   The information for financial assistance is then processed by the federal processor and sent to Student Academic & Financial Services at the university. The FAFSA code for JWU is 003404.

3. **Independent Students**
   To be considered independent for financial aid purposes for the 2015-2016 academic year, students must answer “Yes” to one of the following questions:
   1. Were you born before January 1, 1993?
   2. As of today, are you married? (Answer yes if you are separated, but not divorced.)
   3. At the beginning of the 2016–2017 school year, will you be working on a master’s or doctorate program (such as an M.A., MBA, M.D., J.D., Ph.D., Ed.D. or graduate certificate, etc.)?
   4. Are you currently serving on active duty in the U.S. Armed Forces for purposes other than training?
   5. Are you a veteran of the U.S. Armed Forces?
6. Do you have or will you have children who will receive more than half of their support from you between July 1, 2016 and June 30, 2017?
7. Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2017?
8. At any time since you turned age 13, were both your parents deceased, were you in foster care or were you a dependent or ward of the court?
9. As determined by a court in your state of legal residence, are you or were you an emancipated minor?
10. Does someone other than your parent or stepparent have legal guardianship of you, as determined by a court in your state of legal residence?
11. At any time on or after July 1, 2015, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?
12. At any time on or after July 1, 2015, did the director of an emergency shelter or transitional housing program funded by the U.S. Department of Housing and Urban Development determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?
13. At any time on or after July 1, 2015, did the direct of a runaway or homeless youth basic center or traditional living program determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?

If you do not have a determination that you are homeless, but you believe you are an unaccompanied youth who is homeless or self-supporting and at risk of being homeless, answer "No" to the FAFSA questions concerning being homeless. Then contact your financial aid office to explain your situation.

Students who cannot answer "Yes" to one of the above questions are considered dependent and must complete their FAFSA as a dependent student by providing both parent and student information. Please feel free to contact Student Academic & Financial Services with any questions.

4. Verification and Other Documentation
Student Academic & Financial Services may request additional documentation to verify information provided on the FAFSA (i.e., verification worksheet and untaxed income worksheet). The student and his/her parents may be required to submit signed and dated copies of their Tax Return Transcript. The transcript can be obtained online (http://www.irs.gov/Individuals/Get-Transcript) or by calling your local IRS office. The student’s financial aid package will not be complete until all requested documentation has been received and reviewed by Financial Aid. In addition, all student loan borrowers must attend an entrance and exit counseling session during which the student will be advised on his/her loan obligations.

Student Eligibility Requirements
To be eligible for financial aid, the student must meet the following criteria:
1. Be a U.S. citizen or eligible non-citizen.
2. Maintain satisfactory academic progress. (Financial aid will be suspended until satisfactory academic progress is again achieved.)
3. Be enrolled in a degree program.
4. Not owe a refund on a Federal Pell Grant, or be in default on a Federal Student Loan or Parent Loan for Undergraduate Students (PLUS).
5. Sign a Statement of Educational Purpose, a Statement of Registration Status, and a Statement on Overpayments and Defaults.
6. For most programs, must demonstrate financial need.

Students are eligible to receive financial aid as long as they maintain academic standing standards (p. 71) as defined in this catalog. Students who fail to maintain satisfactory academic progress will be notified by Student Academic & Financial Services.

Financial need is the difference between the cost of the student’s education (tuition and fees, room and board, books and supplies, transportation and personal expenses) and the total contribution expected from the student and his/her family. The student’s total family contribution is based on an analysis of the information which the student and/or parent supplied on the FAFSA. Some of the items considered are total family income, assets, the number of people in the household, the number of siblings in college, and the student’s own resources, such as earnings, savings, and untaxed income which the student may receive. Johnson & Wales University also considers these items when determining eligibility for university funds.

Graduate
To be considered for financial assistance, complete the steps listed below.

3. Be enrolled in a degree program.
4. Not owe a refund on a Federal Pell Grant, or be in default on a Federal Student Loan or Parent Loan for Undergraduate Students (PLUS).
5. Sign a Statement of Educational Purpose, a Statement of Registration Status, and a Statement on Overpayments and Defaults.
6. For most programs, must demonstrate financial need.

Students are eligible to receive financial aid as long as they maintain academic standing standards (p. 71) as defined in this catalog. Students who fail to maintain satisfactory academic progress will be notified by Student Academic & Financial Services.

Federal Grants and Loans
Please see the appropriate section for information regarding federal aid.

Undergraduate
Students who register for a course that is not required for their program of study may experience an adjustment/reduction in financial aid. The university cannot award financial aid for classes that do not count toward a student’s degree requirements; therefore, a student’s net tuition expense could be higher.

Federal Pell Grant
The Federal Pell Grant is a federally funded entitlement program to assist qualified undergraduate students with exceptional financial need. Eligibility for these grants is determined by the U.S. Department of Education based on the information provided on the FAFSA. Pell recipients can attend at least half-time status and remain eligible for a portion of their Pell Grant. Students with a previous bachelor's degree are not eligible for a Federal Pell Grant.

The maximum, full-time Pell Grant award for the 2016–17 award year (July 1, 2016 to June 30, 2017) is $5,845. The maximum Pell Grant award can change each award year and depends on program funding. Further information may be obtained from the U.S. Department of Education (http://www.ed.gov).

The amount of Federal Pell Grant funds a student may receive over their lifetime is limited by law to be the equivalent of six years of Pell Grant funding. Since the maximum amount of Pell Grant funding the student can receive each year is equal to 100 percent, the six-year equivalent is 600 percent.

Campus-based financial aid programs, including the Federal Supplemental Educational Opportunity Grant (SEOG), Federal Perkins Loan and Federal Work-Study programs, are administered by Johnson & Wales University. Students must annually apply for these programs through the filing of the FAFSA.
Federal Supplemental Educational Opportunity Grant (SEOG)

This federally funded program provides financial assistance to qualified undergraduate students who demonstrate exceptional financial need. The amount Johnson & Wales University awards ranges from $100 up to a maximum of approximately $250 per academic year and is based on financial need and the availability of funds. Students with a previous bachelor’s degree are not eligible for a Federal Supplemental Educational Opportunity Grant.

Federal Perkins Loan

This 5% interest bearing loan is funded by the federal government and administered directly by the university. Master Promissory Notes for this loan are available (http://catalog.jwu.edu/financingyourdegree/financialaid/ grantsandloans%20https://www.jwu.edu/uploadedFiles/Forms/ Financial_Services/JWUFinServ/PerkinsMPN.pdf). Perkins loans are awarded to qualified students with exceptional financial need. The amount a student will receive depends on financial need and the availability of funds.

Students must begin to repay this loan nine months after they leave the university or drop below half-time status. The repayment of principal and interest may be extended over a 10-year period. The amount of each payment depends upon the amount of the student’s debt and the length of the student’s repayment period.

Federal Work-Study Program

Federal Work-Study is a federally funded program that provides part-time employment to undergraduate students with financial need. Positions are available throughout the university and with selected off-campus community service agencies.

Work-study gives students the opportunity to earn money to help pay educational expenses. Students are paid an hourly rate for actual hours worked. The amount earned cannot exceed the total work-study award. Work-study funds are paid biweekly directly to the student; therefore, funds will not be applied to the student’s account unless arrangements are made with Student Academic & Financial Services.

William D. Ford Federal Direct Subsidized Loan

This loan program provides loans to undergraduate students who demonstrate financial need. First-time borrowers are required to complete a Master Promissory Note and an entrance interview. Both of these requirements (https://studentloans.gov) can be completed online.

Students may borrow up to a maximum of $3,500 per academic year as freshmen for the first year of undergraduate study, $4,500 for the second year as sophomores, and $5,500 per year for the third and fourth years as juniors and seniors. The student must begin repayment six months after he/she leaves the university or drops below half-time status. The amount of the student’s monthly payment will be determined based upon the amount of student debt and the length of the repayment period. Please contact Direct Lending at 1-800-557-7394 for more information on repayment options.

If you are a 1st time borrower on or after July 1st, 2013, there is a limit on the maximum period of time (measured in academic years) during which you can receive Direct Subsidized loans. You may not receive Direct Subsidized loans for more than 150% of the published length of your program, known as your “maximum eligibility period”. For example, if you are enrolled in a four-year bachelor’s degree program, the maximum period for which you can receive Direct Subsidized loan is six years, or 150% of your program length. For more information, please contact the Financial Planning office.

William D. Ford Federal Direct Unsubsidized Loan

Like the Direct Subsidized Loan program, this Direct Unsubsidized Loan program also offers loans to students. While most of the loan terms are the same as the subsidized loan program, there are some major differences:

1. Students do not have to demonstrate financial need to receive a Direct Unsubsidized Loan.
2. The federal government does not pay interest on the borrower’s behalf while the borrower is enrolled in school.

During that time, the student borrower can choose between making quarterly interest payments or “capitalizing” interest. “Capitalizing” interest means that the lender will add interest accrued to the principal balance. This will eliminate the need for interest payments while in school, but will result in a larger principal amount owed upon repayment.

William D. Ford Federal Direct Parent Loan Program for Undergraduate Students (PLUS)

The Direct PLUS Program provides loans to parents of dependent students to attend college. PLUS borrowers do not have to demonstrate need, but must not have an adverse credit history. All students must complete the Free Application for Federal Student Aid (FAFSA) if their parents plan to borrow a PLUS loan. The parent must also complete the Direct PLUS Master Promissory Note (MPN); an MPN can be completed online (https://studentloans.gov).

In addition the parent must indicate how much they want to borrow. Repayment of this loan will begin within 30 days of the time the loan is fully disbursed annually, or the borrower can contact the Department of Education to request a deferment. The borrowing limit is the total cost of attendance, minus any financial aid being received.

Increased Direct Unsubsidized Loan Limits for Independent Students and Dependent Students Whose Parents Don’t Qualify for a PLUS

There are higher additional unsubsidized annual loan limits for independent undergraduate students. These higher additional unsubsidized loan limits also apply to dependent undergraduate students whose parents are unable to borrow PLUS loans due to adverse credit or other documented exceptional circumstances.

- $3,500 combined subsidized and/or unsubsidized plus $6,000 additional unsubsidized for independent first-year undergraduates
- $4,500 combined subsidized and/or unsubsidized plus $6,000 additional unsubsidized for independent second-year undergraduates
- $5,500 combined subsidized and/or unsubsidized plus $7,000 additional unsubsidized for independent third-, fourth- or fifth-year undergraduates

Note: All undergraduate annual loan amounts are subject to proration.

Please note that a student/borrower remains responsible for the repayment of educational loans that he/she borrows even if the student is not successful in completing the educational program and/or obtaining employment.

No student is required to apply for, or accept, any particular type of financial aid.

Johnson & Wales University participates in the William D. Ford Federal Direct Loan Program. All Direct Loans and parent PLUS loans will be borrowed from the U.S. Department of Education.

Please note that the loan information described in this catalog is based upon the available information as of the date of the production of this catalog. Updated information regarding federal grants and loans may be obtained by visiting the U.S. Department of Education (http://studentaid.ed.gov) website.

Applications for these loans are available on the Direct Lending (https://studentloans.gov) website.

Aid from these programs is awarded on the basis of financial need. In order to receive maximum consideration for financial assistance, it is recommended that the student apply as soon as possible after January 1. The award process for first-year students begins in March of each academic year. Renewal of financial aid is not automatic. Recipients are required to reapply each year by the announced deadline.

To be eligible for these programs, students must meet the following criteria:

1. For most programs, students must demonstrate financial need;
2. maintain satisfactory academic progress (financial aid will be suspended until satisfactory academic progress is again achieved);
3. be enrolled in an eligible degree or certificate program;
4. be enrolled on at least a half-time (at least 6.0 quarter credit hours) basis (students enrolled on a less-than-full-time basis may have their financial aid reduced; some students enrolled on a less-than-half-time basis may qualify for a Federal Pell Grant);
5. be a U.S. citizen or eligible non-citizen;
6. not owe a refund on a Federal Student Aid Grant (e.g. Federal Pell Grant, etc.), be in default on a Federal Student Aid loan (e.g., Federal Perkins, etc.); and
7. sign a Statement of Educational Purpose, a Statement of Registration Status and a Statement on Overpayments and Defaults.

Students are eligible to receive financial aid as long as they maintain Satisfactory Academic Progress (SAP) as defined in the SAP (p. 96) section of the catalog, and in the campus Student Handbook (http://catalog.jwu.edu/handbook). Students who fail to maintain SAP will be notified by Student Academic & Financial Services. All financial aid will be suspended until satisfactory academic progress is again achieved.

Return of Title IV Funds (Federal Aid)

When a student withdraws (or becomes withdrawn) during a payment period or period of enrollment, the amount of student financial aid program assistance earned is determined by a specific formula. If the student receives (or the university receives on the student’s behalf) less assistance than the amount earned, the student may be able to receive those additional funds. Students who received more assistance than what they earned must return the excess funds.

The amount of federal assistance earned is determined on a pro-rata basis. That is, if a student completes 30 percent of the payment period or period of enrollment, the student earns 30 percent of the federal assistance he or she was originally scheduled to receive. Once the student completes more than 60 percent of the payment period or period of enrollment, the student earns all scheduled federal assistance.

The student’s loan monies (subsidized, unsubsidized and PLUS) must be on record with the Department of Education before the student’s last day of attendance in order for the money to be considered within the formula. If the student is eligible for a post-withdrawal disbursement, a written notice will be mailed requesting the consent of the borrower to post the funds to the student’s account. The amount of institutional assistance earned is based on the week that the student withdraws from the university and follows the percentage the university credits the student’s charges.

If a student receives excess funds that must be returned, Johnson & Wales University must return a portion of the excess, equal to the lesser of

- the student’s institutional charges multiplied by the unearned percentage of the student’s funds
- the entire amount of the excess funds

If the university is not required to return all excess funds, the student must return the remaining amount. Any loan funds that the student must return, must be repaid by the student (or his or her parents for a PLUS Loan) in accordance with the terms of the promissory note.

If a student is responsible for returning grant funds, the student does not have to return the full amount. Students are not required to return 50 percent of the grant assistance received that is the student’s responsibility to pay. Any amount not returned is a grant overpayment and the student must make arrangements with the university or Department of Education to return the funds.

Federal regulations establish the following allocation for students who receive Title IV, HEA program funds:

A refund owed to a student who received funds under any Title IV, HEA program will be returned to the Title IV, HEA programs from which the student received aid in the following order until the amounts received by the student from these programs is eliminated: the Unsubsidized/Subsidized Direct Loan, the Perkins Loan, the Parent PLUS Loan, the Pell Grant, the FSEOG program, all other sources of aid, and the student.

Graduate

Students who register for a course that is not required in their program of study may experience an adjustment/reduction in financial aid. The university cannot award financial aid for classes that do not count toward a student’s degree requirements; therefore a student’s net tuition expense could be higher.

William D. Ford Federal Direct Unsubsidized Loan

This loan program offers low-interest loans to students who demonstrate little or no financial need. The federal government does not pay the interest on the borrower’s behalf while the borrower is enrolled in school. During that time, the student borrower can choose to make quarterly interest payments, or to “capitalize” interest. “Capitalizing” means the lender will add interest accrued to the principal balance. This will eliminate the need for interest payments while in school. A Master Promissory Note for these loans is located online (http://www.studentloans.gov). Loans made under federal loan programs are applied to the student’s account with the university in equal disbursements per term based on the loan period and the student’s entrance date.

Students should check with their financial planner to determine their maximum annual loan amount. Students must begin repayment six months after they leave college or drop below half-time status. The interest on the loan is not subsidized during the student’s six-month grace period. The amount of the student’s monthly payment will be determined based upon the amount of the student’s debt and the length of the student’s repayment.

Campus-based financial aid programs, including the Federal Perkins Loan and Federal Work-Study programs, are administered by Johnson & Wales University. Students must annually apply for these programs through the filing of the FAFSA.

Federal Work-Study Program

Federal Work-Study is a federally funded program that provides part-time employment to undergraduate students with financial need. Positions are available throughout the university and with selected off-campus community service agencies.

Work-study gives students the opportunity to earn money to help pay educational expenses. Students are paid an hourly rate for actual hours worked. The amount earned cannot exceed the total work-study award. Work-study funds are paid biweekly directly to the student; therefore, funds will not be applied to the student’s account unless arrangements are made with Student Academic & Financial Services.

Return of Title IV Funds

Federal regulations establish the following allocation for students who receive Title IV, HEA program funds:

A refund owed to a student who received funds under any Title IV, HEA program will be returned to the Title IV, HEA programs from which the student received aid in the following order until the amounts received by the student from these programs is eliminated: the Federal Direct Unsubsidized Loan program, all other sources of aid, and the student.

State Grants

Access to Better Learning and Education Grant

The Florida Department of Education provides JWU grant resources to distribute to Florida residents. Eligible students may receive up to $1,500 annually (per term awards may vary, not available for the summer term). Students must be enrolled in a four-year bachelor’s degree program. Eligible students are required to file a Free Application for Federal Student Aid (FAFSA). Funding is limited and not every student who meets the requirements will receive a grant. Priority is given based upon financial need and the FAFSA filing date, so it is strongly recommended that students apply as soon as possible. Students must maintain satisfactory academic progress according to JWU guidelines. Students with a previous bachelor’s degree or seeking a second associate degree are not eligible for this grant. To renew the grant, students must continue to meet the above criteria, earn an average of at least 12 credits for each term they are enrolled and maintain a 2.0 grade point average (GPA).

Florida Student Assistance Grant

The Florida Department of Education provides JWU grant resources to distribute to Florida residents. Eligible students may receive up to $1,000 annually (approximately $333 per term, not available for the summer term). Eligible students are required to file a Free Application for Federal Student Aid (FAFSA). Funding is limited and not every student who meets the requirements will receive a grant. Priority is given based upon financial need
and the FAFSA filing date, so it is strongly recommended that students apply as soon as possible. Students must maintain satisfactory academic progress according to JWU guidelines. Students with a previous bachelor’s degree or seeking a second associate degree are not eligible for this grant. To renew the grant, students must continue to meet the above criteria, earn an average of at least 12 credits for each term they are enrolled and maintain a 2.0 grade point average (GPA).

**Florida Bright Futures Scholarship Program**
**Florida Merit Scholars Award**
**Florida Vocational Gold Seal Endorsement Scholarship**

These merit-based, renewable scholarship programs are administered cooperatively by OSFA (Office of Student Financial Aid), a branch of the Florida Department of Education, and Johnson & Wales University. Students should contact their high school guidance office or OSFA for eligibility requirements and applications. Applications must be submitted to OSFA by April 10 of the student’s senior year of high school. The scholarship amount varies depending on the Department of Education’s allocation of funds for that year.

Students from the following states may be eligible for state grant money:
- Delaware
- Vermont

Contact the higher education authority in your home state for more information.

**Institutional Aid**

Please see the appropriate section for information regarding institutional aid.

**Undergraduate**

**Johnson & Wales University Grant**

This grant is awarded to students based on the annual financial aid awarding process and the student’s financial need.

**Financial Assistance, Scholarship and Work Programs**

Last year, Johnson & Wales University awarded more than $148 million in institutional aid to students. Awards range from $550 to full tuition. Scholarships, grants, loans and work programs awarded depend on the university budget, and are dependent on students meeting program eligibility requirements. These programs are only available to full-time, undergraduate, day school students during the academic year. Check with Student Academic & Financial Services for summer eligibility. Students studying through the College of Online Education are ineligible for JWU institutional scholarships, JWU institutional grants and JWU institutional aid to students. Awards range from $500 to full tuition. Awards are based on JA activities and academic record, and are renewable based on continued involvement in and support of FBLA. Apply for admission online (http://www.jwu.edu/apply) and indicate your participation. Amount of scholarships awarded for participation is based upon academic standing and faculty recommendation. Financial need is considered. The scholarship is renewable for up to two years.

**Future Business Leaders of America (FBLA) Scholarship**

The university awards a number of FBLA scholarships to accepted incoming students ranging from $1,000 up to full tuition. Awards are based on FBLA activities and academic record, and are renewable based on continued involvement in and support of FBLA. Apply for admission online (http://www.jwu.edu/apply) and indicate your participation. Amount of scholarships awarded for participation in specific high school curricula is limited to one per student.

**DECA Scholarship**

The university awards a number of DECA scholarships to accepted incoming students ranging from $1,000 up to full tuition. Awards are based on DECA activities and academic record, and are renewable based on continued involvement in and support of DECA. Apply for admission online (http://www.jwu.edu/apply) and indicate your participation. Amount of scholarships awarded for participation is based upon academic standing and faculty recommendation. Financial need is considered. The scholarship is renewable for up to two years.

**Employee Tuition Scholarship**

These scholarships are based on institutional policy, with qualifying criteria stated in the Johnson & Wales University staff handbook and faculty manual. Applications are available in Human Resources & Payroll or via the “Documents & Forms” page of HRpulse (http://hrpulse.jwu.edu).

**Faculty Scholarship**

Johnson & Wales University awards a number of scholarships to rising seniors, based upon merit, recommendation, need and GPA. The university awards a number of $1,000 renewable scholarships to current full-time undergraduate students who are eligible to apply. These nonrenewable awards range up to the amount of one term’s tuition, which is distributed over three terms.

**Family, Career and Community Leaders of America (FCCLA) Scholarship**

The university awards a number of FCCLA (formerly FHA-HERO) scholarships to accepted incoming students ranging from $1,000 up to full tuition. Awards are based on FCCLA activities and academic record, and are renewable based on continued involvement in and support of FCCLA activities. Apply for admission online (http://www.jwu.edu/apply) and indicate membership. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

**Family Scholarship**

If two or more members of your family are simultaneously enrolled in full-time undergraduate day school degree programs at Johnson & Wales University, each enrolled student is granted as much as a $2,000 university scholarship per academic year (September–May). Whether this scholarship is renewable is contingent upon continued enrollment of both siblings in an eligible program. For more information, contact Student Academic & Financial Services.

**Future Business Leaders of America (FBLA) Scholarship**

The university awards a number of FBLA scholarships to accepted incoming students ranging from $1,000 up to full tuition. Awards are based on FBLA activities and academic record, and are renewable based on continued involvement in and support of FBLA. Apply for admission online (http://www.jwu.edu/apply) and indicate membership. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

**Junior Achievement (JA) Scholarship**

The university offers a number of JA scholarships to accepted incoming students ranging from $1,000 up to full tuition. Awards are based on JA activities and academic record, and are renewable based on continued
involvement in and support of JA activities. Apply for admission online (http://www.jwu.edu/apply) and indicate membership. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Lodging Management Scholarship

JWU offers a number of $1,000 renewable scholarships to accepted incoming students who have participated in the Lodging Management curriculum. Apply for admission online (http://www.jwu.edu/apply) and indicate your participation. Amount of scholarships awarded for participation in specific high school curricula is limited to one per student.

National Academy Foundation (NAF) Scholarship

The university awards a number of $1,000 renewable scholarships to accepted incoming students who have participated in a National Academy Foundation program. Apply for admission online (http://www.jwu.edu/apply) and indicate your participation. Amount of scholarships awarded for participation in specific high school curricula is limited to one per student.

National FFA Scholarship

Johnson & Wales University awards a number of FFA scholarships to accepted incoming students ranging from $1,000 up to full tuition. Awards are based on FFA activities and academic record, and are renewable based on continued involvement in and support of FFA. Apply for admission online (http://www.jwu.edu/apply) and indicate membership. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Presidential Academic Scholarships

JWU awards academic scholarships to accepted incoming students who are in the top third of their class, have a 3.0 high school GPA and demonstrate academic excellence. Awards range from $2,000 to $15,000 and are renewable up to four years of continuous full-time day school enrollment.

ProStart® Scholarship

JWU offers a number of $1,000 renewable scholarships for accepted incoming students who have participated in the ProStart curriculum. Apply for admission online (http://www.jwu.edu/apply). Amount of scholarships awarded for participation in specific high school curricula is limited to one per student.

SkillsUSA Scholarship

The university awards a number of SkillsUSA scholarships to accepted incoming students ranging from $1,000 up to full tuition. Awards are based on SkillsUSA activities and academic record, and are renewable based on continued involvement in and support of SkillsUSA. Apply for admission online (http://www.jwu.edu/apply) and indicate membership. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Technology Student Association (TSA) Scholarship

The university awards a number of TSA scholarships to accepted incoming students ranging from $1,000 up to full tuition. Awards are based on TSA activities and academic record, and are renewable based on continued involvement in and support of TSA. Apply for admission online (http://www.jwu.edu/apply) and indicate membership. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Transfer Scholarship

An unlimited number of transfer scholarships up to $10,000 are awarded to accepted incoming students who plan to continue their education at Johnson & Wales in an associate or bachelor’s degree program. Students must have completed 45 quarter credit hours/30 semester hours at another institution and maintained a minimum 3.0 cumulative average. The scholarship application is the application for admission to the university.

Tuition Exchange Scholarship

Johnson & Wales University extends to children of eligible employees at participating Tuition Exchange (TE) institutions the opportunity to apply for a TE scholarship. TE is a reciprocal scholarship program for qualified children of faculty and staff employed at more than 600 participating colleges and universities. A student accepted as a Tuition Exchange scholarship recipient may be awarded up to full tuition at JWU. Applications are available at the participating institution. A complete list of colleges and universities that are part of the program is available here (http://www.tuitionexchange.org/vnews/display.v/SEC/Families{(Member%20Schools)}).

Funded/Donated Scholarships

Johnson & Wales University administers donated scholarships which are funded by businesses, individuals and professional organizations. In many cases, students must have completed at least one term of enrollment at Johnson & Wales to be considered. These funds are awarded to eligible candidates based on established criteria.

Graduate

The MBA/M.S. Scholarship

Each year, Graduate Admissions awards a limited number of nonrenewable scholarships to MBA/M.S. applicants who are accepted as full-time students and reflect an ability to excel in their chosen program. The total amount of each scholarship is $1,000 and the scholarship will be credited to the student’s account in equal installments over three consecutive terms. The student must maintain full-time status while in receipt of the scholarship. Applicants will be considered for the scholarship at the time of acceptance and notified of the scholarship award at that time. There is no separate scholarship application.

Pre-MBA Scholarship

Students who successfully complete the Pre-MBA program with the required minimum 3.0 GPA needed to enter the MBA program will receive a nonrenewable $2,000 MBA scholarship awarded over the length of the program.

Outside Scholarships

There are many other potential scholarship sources that students should consider to help finance their education. Students should contact the higher education assistance agency in their home states for information about the possibility of state grants or scholarships. It is recommended that students apply for outside scholarships as soon as possible since most organizations have early application deadlines.

Scholarship aid is often available from high school and community organizations with which students or their parent(s) may be affiliated. Local libraries are an excellent resource for finding information on scholarships from organizations throughout the United States. There are also a number of websites available to assist students in the scholarship search. View a guide to free scholarship searches online (https://www1.jwu.edu/admissions/paying-for-college/scholarships-and-grants/outside), and visit iGrad via your jwuLink account to view the Scholarship Center.

Many companies provide scholarship aid for children of their employees, while others provide aid directly to students who work for them part time while in school.

American Hotel & Lodging Educational Foundation

Scholarship aid is allocated each year by the American Hotel & Lodging Educational Foundation (https://www.ahlef.org) to the School of Hospitality. Awards are made on the basis of student intent to work in the hotel industry, cumulative average and need. Sophomores who are continuing their education should contact their faculty advisor for further information. The foundation also offers numerous scholarships for culinary arts majors.

Broward County BRACE Scholarship

These scholarships are available to students who will (or did) graduate from a Broward County public high school. The individual must attend Johnson & Wales University’s North Miami Campus and meet the eligibility requirements as determined by the Broward Advisors for Continuing Education (BRACE). The university matches up to 50 percent of the BRACE award, not to exceed the recipient’s unmet need.

College Assistance Program (CAP) of Dade County

These grants are available to students who will (or did) graduate from a Dade County public high school. The individual must attend Johnson & Wales University’s North Miami Campus and meet the eligibility requirements as determined by the College Assistance Program.

Johnson & Wales will also grant students who are eligible to receive CAP grants an additional award of up to half the amount granted by CAP. However, the university grant will not exceed the recipient’s unmet need.
Applications are available in April from the CAP Office at 1500 Biscayne Blvd., Room 341, Miami, FL 33132; high school guidance counselors’ offices; or Johnson & Wales Admissions. All applications must be returned to the CAP Office and must be postmarked no later than June 28.

Dollars for Scholars
Johnson & Wales University will match up to $2,500 in scholarship awards made to entering students by affiliated Dollars for Scholars chapters of Scholarship America.

National Restaurant Association Educational Foundation
The National Restaurant Association Educational Foundation (http://www.nraef.org/Scholarships) administers and awards various merit scholarships to qualified undergraduate students in food-service-related majors.

Work Programs

Resident Assistant Program
Students are selected for this program based on strong academic performance and residence hall experience. Applications are available at Residential Life. Awards range from $10,500 up to $12,500 and are renewable based on annual performance.

Student Assistant Employment Program
Scholarships are awarded to students selected for this program. No application is necessary, but a résumé is requested by the hiring department for consideration. Selection is based on strong academic performance and the possession of necessary skills. Awards for 2016–17 are up to $3,600 and are renewable based on annual employee performance and 2.50 GPA maintenance.

Teaching Assistant Program
Selection for this program is based on strong academic performance and successful completion of an internship. Applications are available at culinary events. Awards for 2016–17 are up to $7,000 and are renewable based on annual employee performance and 2.75 GPA maintenance.

Important notice for international students: Please be aware that some of the above programs offer a room and board grant for eligible summer participants. Non-resident alien students with an F-1, J-1 or Q-1 visa will be subject to U.S. income tax withholding on any grant received for room and board.

Note: There are many complex IRS regulations regarding the taxability of scholarships and grants. The university is not in a position to determine the tax consequences of such awards in the case of any particular student. It is recommended that all students consult IRS publication 970 entitled “Tax Benefits for Education” and their tax advisor to determine how these rules apply to them. Non-resident alien students with an F-1, J-1 or Q-1 visa will be subject to U.S. income tax withholding on any grant received for room and board.

Academic Progress

Satisfactory Academic Progress
To be eligible for financial aid, all students must satisfy Satisfactory Academic Progress (SAP), which is required by federal law. SAP measures a student’s completion of coursework toward a degree. JWU evaluates SAP at the end of each term, including summer, for each student. Students who do not meet all SAP criteria may lose their eligibility to receive all types of financial aid (e.g., federal, state, private, institutional and other aid). Students will be notified of the decision both verbally and in writing.

Maximum Time Frame Criteria
Completion of undergraduate or graduate programs cannot exceed 150 percent of the published length of the program measured in credit hours attempted as determined by the student’s program requirements.

Pace Measure of Academic Progress Criteria
• Students must complete a specified percentage of all credit hours attempted; see below.

Pace Measure of Academic Progress Criteria
• Students must complete a specified percentage of all credit hours attempted; see below.

• This percentage includes all credit hours attempted regardless of whether or not financial aid was received.
• This pace measurement is calculated by dividing the cumulative number of hours that the student has successfully completed by the cumulative number of hours that the student has attempted.
• Credits attempted are defined as all classes for which a student receives a grade (D or better), or an F, I, W, WP, WF, NC, GP, S, U, PL, CX, NG, AIU, etc.
• All transfer credit hours accepted from another institution toward the student’s educational program at JWU will be counted as both attempted and completed hours.
• The student’s GPA and pace of completion are negatively impacted by course incompletes, withdrawals, failures or repetitions (incompletes, failures and withdrawals count in attempted credits, but not completed).

Grade Point Average Criteria
• All undergraduate and graduate students must maintain a minimum Grade Point Average (GPA).
• The student’s cumulative GPA for financial aid eligibility must be calculated on all grades received.
• All students, regardless of their enrollment status (e.g., full or part time), must meet the following minimum academic standards to remain eligible for financial aid.

Warning Period
Students who fail to meet SAP criteria will be placed on financial aid warning for one academic term and a hold will be placed on the student’s record, which will prevent them from course registration for all future terms. Students remain eligible for financial aid during the warning term. If SAP criteria are not satisfied at the end of the warning term, the student will be ineligible for financial aid. Students on warning must meet with an academic counselor to clear the hold prior to course registration, and/or to pursue an appeal. Students on warning must submit their appeal and supporting documentation before the eighth week of the warning term.

Ineligible for Financial Aid Period
Students who fail to meet SAP criteria after the warning period are ineligible for financial aid. If the student does not have an approved appeal, the student is no longer eligible for financial aid. Students may continue to take courses without financial aid to re-establish SAP standards; however, a payment plan must be established for the tuition and applicable fees associate with the course(s). Once a student is meeting JWU’s minimum SAP standards, he or she may regain financial aid eligibility. Students who are interested in reestablishing aid eligibility should meet with an academic counselor to determine what they would need to do to meet JWU’s minimum SAP standards.

Appeal Process/Probationary Period
If extenuating circumstances impacted successful adherence to SAP criteria, the student may pursue an appeal. The appeal will require the student to indicate why he or she did not make SAP and what has changed in the student’s situation that will allow the student to demonstrate SAP by the next term. Circumstances and required documentation are illustrated below. The appeal process begins with the student’s academic counselor in Student Academic Services. If an academic plan can be created that allows the student to meet SAP criteria within two terms, the counselor will present it to the appeals committee. Appeals must include complete documentation and are reviewed during the warning period; incomplete appeals will be denied. Appeal decisions are final. Students will be notified of the decision both verbally and in writing. This notification will take place after final grades are reviewed for the warning period.

If an appeal is approved, the student will be placed on a Financial Aid Probation Period, which is a status assigned by JWU to a student who fails to make SAP and who has successfully appealed and has had eligibility for
financial aid reinstated. To continue receiving financial aid, the student will need to satisfy both the academic plan as outlined in their appeal and the SAP criteria.

Complaints and Grievances

It is the intention of Johnson & Wales University to resolve complaints and grievances quickly, informally and as close as possible to the point of origin. The complaint and grievance process set forth below is not intended to be a forum to challenge university policy, but rather a means by which an individual can seek a timely and fair review of his or her concerns.

Exempt from Johnson & Wales’ compliant and grievance process are those areas for which there presently exists a separate complaint or grievance process or built-in review or appeal. Those exempt areas include, but are not limited to, the following:

1. Actions by the dean of students, including matters that have been referred to Student Conduct
2. Actions by Residential Life concerning contract release or room relocations
3. Actions by the Academic & Financial Appeals Committee
4. Actions by a faculty member, staff member or third party which may constitute harassment or discrimination (which should be referred to the nondiscrimination and Title IX coordinator, a nondiscrimination campus liaison, or Human Resources & Payroll as set forth in the Prohibited Discrimination and Harassment Policy (http://catalog.jwu.edu/handbook/generalinformationandpolicies/discriminationandharassment))
5. Actions relating to voluntary medical withdrawal (http://catalog.jwu.edu/handbook/generalinformationandpolicies/withdrawalfromjwu/medicalwithdrawal)
6. Actions relating to the review of accommodation decisions (http://catalog.jwu.edu/handbook/studentservices/centerforacademicsupport/services)
7. Actions relating to Academic Integrity (http://catalog.jwu.edu/handbook/academicpolicies/academicmisconduct)

Complaint and Grievance Process

For the resolution of academic and administrative issues outside of the exempt areas, please follow the following process.

Step One

A student should first address the complaint or grievance orally with the faculty or staff member involved within five days of the incident. The faculty or staff member will consider the complaint or grievance and notify the student of the faculty or staff member’s decision within a reasonable time, usually five days.

Step Two

If the complaint or grievance cannot be resolved at the previous level, the student should present the complaint or grievance, in writing, to the appropriate department chair or department director within five days of receipt of the faculty or staff member’s decision. The department chair or department director will document his or her decision and provide a copy to the student, faculty or staff member, and dean of the appropriate school or college (in the case of an academic complaint or grievance) or the dean of students (in the case of an administrative complaint or grievance) within a reasonable time, usually five days.

Step Three

If the complaint or grievance is still unresolved, the student may request a final review at the dean’s level by submitting a written request for review to the dean of the appropriate college or school (in case of an academic complaint or grievance) or the dean of students (in case of an administrative complaint or grievance) or their designees. The written request should set forth the reasons that the student is seeking a review of the earlier decision and, in particular, should specify if the student feels that relevant, new information has come to light since the decision was made or that the decision was unjust or inconsistent with the circumstances of the incident. The request will be considered by the appropriate dean or designee. The decision of the reviewing dean will be final and a written copy of the decision will be given to the student.

Expedited Review

If there is a legitimate need for an immediate or expedited review of an academic or administrative decision, then written complaints and grievances

Student Services

Student Services at JWU provides personal and professional development support for students across various aspects of campus life, from academic support to meals and housing, health services, and involvement in campus programs and student clubs and organizations. See a topic for specific information.

Academic Support

Center for Academic Support

The Center for Academic Support on the Downcity Campus and the Alan Shawn Feinstein Center for Academic Support on the Harborside Campus offer a variety of services to assist students in preparing for graduation and their careers. The centers complement students’ academic and technical training by providing services that help sharpen their ability to position themselves in today’s competitive marketplace.

The centers’ goals are to support students in their efforts to develop and maximize their talents, empower them to direct their own learning, and help them acquire lifelong behaviors and attitudes that employers value — ultimately leading students on pathways to success.

Examples of services offered:

- tutoring
- supplemental instruction
- workshops in stress management, time management, test-taking strategies and other learning strategies
- accommodations for students with disabilities with appropriate documentation

Students are urged to take the initiative in seeking out-of-class help during faculty office hours as well as in the Center for Academic Support (http://catalog.jwu.edu/handbook/studentservices/centerforacademicsupport).

Students with Disabilities

JWU is dedicated to providing reasonable accommodations to allow students with learning, physical or other disabilities to succeed in their academic pursuits. While maintaining the highest academic integrity, the university strives to balance scholarship with support services that assist students with disabilities with functioning in the university’s academic environment.

Because some programs of study at the university have technical standards (p. 81) and requirements, applicants and students with disabilities should contact the Center for Academic Support to discuss the availability of reasonable accommodations or to obtain documentation guidelines, when appropriate.

For further information regarding available reasonable accommodations and the accommodations procedure, visit the Center for Academic Support website (https://www.jwu.edu/providence/academicsupport) or call the Center for Academic Support at your campus of choice.

Food Allergy Accommodation for College of Culinary Arts and School of Hospitality Students

The College of Culinary Arts and the School of Hospitality have technical standards (p. 81) that must be met for participation in their academic programs. All College of Culinary Arts programs and some School of Hospitality programs include the requirement that the student, with or without reasonable accommodations, must be able to safely and effectively produce and evaluate the quality of all food and beverage products, and maneuver in professional or commercial kitchens, dining rooms and related facilities.

Applicants with a food allergy who have been accepted for admission to JWU and intend to pursue studies in the College of Culinary Arts or the School of Hospitality are strongly urged to call or visit the Center for Academic Support prior to attending their first class to discuss any reasonable accommodations that might be available during their academic studies. While the university will provide reasonable accommodations in compliance with applicable law, the university cannot guarantee it will be able to meet all requests for accommodations or remove allergens from its curriculum.
or requests for review and decisions may not be required. The determination of whether an expedited review is appropriate is determined in the sole discretion of the dean of the appropriate college or school (in case of an academic complaint or grievance), the dean of students (in case of an administrative complaint or grievance) or their designees.

Note: Retaliation against any individual who has made a good faith complaint or grievance or who has cooperated in the investigation of such a complaint or grievance is a violation of university policy. Anyone found to have engaged in retaliation will be subject to disciplinary action up to and including termination or dismissal.

Student Complaint Process for Online Students: If you are enrolled as an online student and you have a complaint or grievance that cannot be resolved through Johnson & Wales University’s complaint and grievance process, you may file a complaint with the State Agencies (http://www.jwu.edu/uploadedFiles/Documents/Policies_and_Procedures/JWUState-by-StateInformationforOnlineStudentComplaintProcess.pdf).

Health Services

JWU’s health services are available to commuting and resident students.

- Providence (http://www.jwu.edu/content.aspx?id=288)
- North Miami (http://www.jwu.edu/northmiami/health)
- Denver (http://www.jwu.edu/content.aspx?id=564)
- Charlotte (http://www.jwu.edu/charlotte/health)

International Student Services

International Student Services is housed in Providence’s International Center, which also includes Study Abroad and the BRIDGE Center. There are International Student Services staff on each of the four campuses. The main focus of International Student Services is to help international students adhere to Department of Homeland Security regulations, maintain their student status, and access all the benefits permitted by their student visa status. A variety of other programs and services have also been created to assist students from the moment they enroll in the university until the day they graduate and beyond. Information sessions on employment, tax and other cultural adjustment issues are conducted every year. International Student Services also offers orientation and cultural programming for international students and the university community. The BRIDGE Center collaborates on much of this programming designed to support students with acclimating to campus life.

Policies

Please see the appropriate section for the university’s Computer and Technology Use and Drug and Alcohol Policies.

Additional policies and procedures: Not all university policies and procedures affecting students are described in this catalog. For further information, please refer to the Student Handbook (http://catalog.jwu.edu/handbook).

Computer and Technology Use

All students are required to comply with the university’s Computer and Technology Use Policy (http://it.jwu.edu/Security/policies/Computer-and-Technology-Use-Policy).

The university’s Computer and Technology Use Policy prohibits students from uploading, downloading, posting, publishing, transmitting, retaining, reproducing, sharing or distributing in any way information, software, movies, music, books, articles or any other material which is protected by copyright or other proprietary right, without obtaining permission of the owner. Violation of this policy may result in the termination of the student’s access to the Internet via the university’s Internet system and constitutes a violation of the Student Code of Conduct (http://catalog.jwu.edu/handbook/studentaffairs/studentcodeofconduct).

Copyright Infringement

Students should be aware that unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may subject the student to civil and criminal liabilities. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than $750 and not more than $30,000 per work infringed. For "willful" infringement, a court may award up to $150,000 per work infringed. A court can, at its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to $250,000 per offense. For more information, please see the website of the U.S. copyright office (http://www.copyright.gov), especially their FAQs (http://www.copyright.gov/help/faq). Please refer to the Computer and Technology Use Policy for a further description of prohibited activities regarding the use of university technology resources.

Unauthorized peer-to-peer file sharing is a violation of law, as well as university policy, including the Student Code of Conduct. Students engaging in unauthorized peer-to-peer file sharing, including illegal downloading and unauthorized distribution of copyrighted materials, will be subject to disciplinary action up to and including suspension or dismissal from the university. Please see Frequently Asked Questions About File Sharing (http://it.jwu.edu/Security/File-Sharing) for more information.

Drug and Alcohol Policy

In accordance with the Federal Drug-Free Workplace Act and Drug-Free Schools and Communities Act, Johnson & Wales University prohibits the unlawful manufacture, distribution, dispensation, possession or use of narcotics, drugs, other controlled substances or alcohol at the workplace and in the educational setting. Possession or use of alcoholic beverages anywhere on university property is prohibited except for legal use at events, operations, programs, premises or facilities sanctioned by the university. Unlawful for these purposes means in violation of federal, state or local statutes, regulations or ordinances. Workplace is defined as either university technology resources.

and employees for violations of this policy up to and including dismissal, termination of employment and/or referral for prosecution. Johnson & Wales is not and cannot be considered a protector or sanctuary from the existing laws of the local, state and/or federal government.

**University Sanctions**

Disciplinary sanctions which may be imposed on a student found to be in violation of the above policy include, but are not limited to, revocation of certain privileges, community service, conduct warning, conduct probation, fine or restitution for loss, suspension or dismissal from the university and/or university housing, and referral to alcohol education classes. The university also reserves the right to notify parents of violations by students who are under the applicable legal drinking age. Please see the Student Code of Conduct (http://catalog.jwu.edu/handbook/studentaffairs/studentcodeofconduct) and Sanctions (http://catalog.jwu.edu/handbook/studentaffairs/studentcodeofconduct/sanctions) for more information.

**Alcohol and Its Effects**

Alcohol abuse is defined as any drinking that harms or endangers the drinker or other people. It can be a single episode or a regular pattern. Alcohol consumption causes a number of marked changes in behavior. Thought processes are slowed as alcohol numbs and destroys brain cells.

**Symptoms of Drug Abuse**

The key is change. It is important to watch for any significant changes in physical appearance, personality, attitude or behavior. Behavior signs include a change in overall personality or attitude with no other identifiable cause; a general lack of motivation, energy or self-esteem; sudden oversensitivity, temper tantrums or resentful behavior, moodiness, irritability or nervousness.

**Possible Effects of Drug Abuse**

Narcotics (opium, morphine, heroin) may cause euphoria, drowsiness, respiratory distress and nausea. Depressants (barbiturates) may cause slurred speech, disorientation and drunken behavior without the odor of alcohol. Stimulants (cocaine, amphetamines) may cause increased alertness, increased blood pressure and pulse, insomnia and loss of appetite. Hallucinogens (LSD, mescaline) may cause illusions, hallucinations and poor perception of time and distance. Cannabis (marijuana, hashish) may cause euphoria, relaxed inhibitions and disoriented behavior.

**JWU’s Substance Abuse Prevention Program**

Several programming initiatives and alternatives are available to help students examine their own behavior related to alcohol and other drugs (AOD):

- Counseling Services provides an assessment of AOD usage for all students who seek counseling.
- Referrals to community resources are available for individuals with more long-term or complex needs. A number of AA/NA/Al-Anon groups hold meetings close to campus and in the larger local community.
- Counseling and Health & Wellness offer AOD prevention through programming efforts with various student groups and Student Affairs departments.
- Counseling and Health & Wellness also collaborate with Student Conduct to provide educational and other resources for students with problematic drinking behavior and drug use.
- A number of programming initiatives take place each year.

**State Penalties for Drug and Alcohol Offenses**

Johnson & Wales University students are subject to state criminal prosecution and penalties for drug and alcohol offenses, including:

- possession or delivery of marijuana, cocaine, heroin, LSD or PCP
- possession of a needle and syringe
- driving under the influence of alcohol and/or drugs
- driving under the influence, death resulting

Criminal penalties for drug and alcohol offenses can include:

- mandatory drug or alcohol counseling
- alcohol and/or drug treatment
- driver retraining
- suspension or loss of driver’s license
- community service
- fines ranging from $200 up to $1,000,000
- imprisonment for various periods of time up to life imprisonment

**Residential Life**

The North Miami Campus highly encourages all first-year students to live in campus housing. Campus housing offers residents an opportunity to be more closely linked with the ongoing university activities, including heightened interactions with faculty and staff. This helps the student truly create a home away from home while also having quicker access to campus support and overall fun.

Students who have been convicted of certain felonies (or have had certain felony-type charges sustained in a juvenile proceeding), such as crimes of violence, serious drug offenses and sex offenses, are not eligible to live in university housing.

Residential Life (http://www.jwu.edu/northmiami/reslife) provides information regarding a variety of living accommodations on and near campus, as well as programs for students and opportunities for involvement. For additional opportunities to get involved on campus, please contact Student Involvement & Leadership (p. 100).

Students requesting reasonable accommodations should contact the Center for Academic Support (http://www.jwu.edu/content.aspx?id=416).

**Safety and Security**

Campus Safety & Security (http://www.jwu.edu/northmiami/safety) is responsible for the enforcement of university policies, security on campus, and providing a variety of services to the university’s students, faculty and staff. The director of campus safety & security also serves as the leader of the campus emergency operations team, which conducts drills and exercises in emergency preparedness and response strategies. Some of the services provided by Campus Safety & Security include Operation ID, self defense and crime prevention presentations. Students are encouraged to take full advantage of the services and crime prevention programs offered by Campus Safety & Security, which is open 24 hours a day, 365 days a year. Students who need help or have questions should call ext. 7011 from a university phone or 305-892-7011 from a non-university phone. Incidents of an emergency nature should be reported to the North Miami Police at 911, followed by contacting Campus Safety & Security at the above number.

Campus Safety & Security officers are available to patrol the campus at all times and utilize an integrated electronic access control and surveillance system. Emergency telephones are strategically located on campus and directly connect callers to the Campus Safety & Security dispatcher on duty. Campus Safety & Security issues timely alerts to the campus community, and when necessary, has the ability to issue these timely alerts via an emergency notification mass-messaging system.

In compliance with the Higher Education Act, Johnson & Wales University publishes an Annual Security Report and an Annual Fire Safety Report. The Annual Security Report discloses information about campus security policies and statistics concerning reported crimes that occurred on campus, on university-controlled property, and on public property immediately adjacent to campus. The Annual Fire Safety Report discloses information about the campus fire safety policies and procedures and fire statistics for each residence hall. A copy of the report may be obtained from Campus Safety & Security in person or online (http://www.jwu.edu/northmiami/safety).

The university maintains a log of all fires that occur in on-campus housing, and a daily log of all reported crimes.
• developing and supporting programs that promote collaborative learning, character development and social responsibility
• promoting a student-centered culture that encourages a strong sense of pride and tradition
• empowering students to embrace and strengthen an inclusive community
• fostering collaborative partnerships to support and deliver successful campus events

Some programs and services include
• student clubs and organizations
• fraternities and sororities
• leadership workshops
• student government
• program advising and support
• campus activities and off-campus trips
• campus traditions such as World Celebrations, Family Weekend, Homecoming and Sugar Shack

Clubs and Organizations
Opportunities abound for students to get involved in clubs and organizations and become engaged in the Wildcat community at JWU's North Miami Campus. See Clubs and Organizations (http://www.jwu.edu/content.aspx?id=18046) to learn more about ways to get involved in our student organizations and access the Student Organization Handbook for information about starting new organizations on campus.

Fraternity and Sorority Life
Getting involved in the fraternity and sorority community at JWU's North Miami Campus is a fantastic way to build a network of resources that lasts a lifetime. See Fraternity and Sorority Life (http://www.jwu.edu/content.aspx?id=12176) for currently available sororities and fraternities.
