This catalog is an official publication of Johnson & Wales University. As such, it is subject to revision at any time. The university reserves the right to add, withdraw or revise any course, program of study, provision or requirement described within the catalog as may be deemed necessary.

Occasionally, program requirements will vary by the printing date of the catalog. Requirements stated in the edition published closest to the September enrollment date will take precedence.

Students should read and fully understand the rules, regulations and policies described in this catalog. Additionally, all enrolled students are expected to be familiar with the contents of the Student Handbook. The Student Handbook contains important information concerning the academic performance and personal conduct of students as well as university grievance procedures. It also outlines the conditions under which students may be placed on probation or suspension from the university. The Charlotte Student Handbook is available online at www.jwu.edu. Copies of the handbook are also available at the Student Affairs Office and the Student Academic & Financial Services Office.

THE MISSION STATEMENT OF THE UNIVERSITY

The mission of Johnson & Wales University is to empower its diverse student body to succeed in today’s dynamic world by integrating general education, professional skills and career-focused education. To this end, the university employs its faculty, services, curricula and facilities to equip students with the conceptual and practical tools required to become contributing members of society.

PURPOSES OF THE UNIVERSITY

Johnson & Wales University supports the following purposes in accordance with the mission:

- to enroll students with potential from varied backgrounds and to give them every opportunity to excel in their academic and professional lives;
- to develop and assess sound programs and curricula that allow students to attain proficiencies in general education and relevant professional disciplines;
- to evaluate and assess regularly the rigor of all academic programs;
- to provide experiential education opportunities that are curriculum-driven and include practical experiences for students in every program;
- to support diversity in the curricula, activities and services for students, and in the employment of faculty and staff;
- to provide students with opportunities that support intellectual development, personal growth and civic engagement;
- to monitor the external and internal environment of the university through regular and effective planning and assessment;
- to hold each academic, administrative and support department accountable for the achievement of the mission;
- to plan for and provide facilities and resources that meet the needs of students, faculty and staff.

CORE VALUES

Johnson & Wales University is

Student Centered
We are strongly student centered, stressing personal development as well as career management skills.

Experientially Based
We integrate hands-on learning with a career-focused curriculum, to enable our students to gain real-world experience.

Industry Relevant
We are industry relevant, focusing both on the needs of our students and the needs of our students’ future employers.

Employment Focused
Our business is developing employment-ready, motivated graduates for world-class employers in all industries.

Globally Oriented
We respond to the increasingly global nature of business by fostering multiculturalism and providing an international educational experience.

OUTCOMES ASSESSMENT STATEMENT OF PURPOSE

The definition of a well-educated college graduate will continue to evolve throughout this new millennium. In accordance with our mission to empower students to succeed in today’s dynamic world, and to become contributing members of society, Johnson & Wales University integrates general education, professional skills and career-focused education.

Johnson & Wales University is committed to outcomes assessment. Faculty and students are therefore part of an ongoing effort to determine and refine the effectiveness of instruction and learning.
A PHILOSOPHY OF CAREER EDUCATION

Johnson & Wales University, founded in 1914, is a nonprofit, private institution. A recognized leader in career education, the university offers accredited degrees in business, hospitality, culinary arts, technology and education.

A variety of undergraduate and graduate degree programs permit students to select the educational path best suited to their career interests and objectives.

Graduate programs leading to the degrees of master of arts, teaching; master of education; master of business administration; and doctor of education are also offered at JWU. For details on these programs, please request the graduate and doctoral catalogs.

The educational philosophy of JWU is to deliver a multidisciplinary educational experience for students who are serious about success. A JWU education integrates rigorous academics and professional skills, community leadership opportunities and our unique career education model. This model includes a focus on career competencies, a career management Web site, work experience tied to a field of study, and on-campus recruitment opportunities.

The goal of all academic programs at JWU is for our students to graduate with the knowledge and expertise to succeed in their chosen field of study in a global economy.

EDUCATION FOR LIFE

Today’s employers want employees who will succeed in tomorrow’s economy not only because they possess important specialized job skills, but also through their ability to think critically, communicate clearly, manage ethically and contribute to the community. To meet these needs, Johnson & Wales University offers a wide selection of liberal arts courses including logic, psychology, communication skills, leadership studies, environmental science and ethics. Students may also participate in in-depth studies through concentrations.

In addition to academic courses, the university emphasizes the importance of community service through volunteer activities and required service learning courses. One of JWU’s priorities is developing students who have the skills, training and personal commitment to be strong, ethical leaders in industry and in their communities.

THE JOHNSON & WALES DIFFERENCE

Our differences are what set an education at Johnson & Wales University apart. Unique programs and facilities, in addition to flexible program options, allow Johnson & Wales students access to unparalleled career education opportunities.

Flexible, Specialized Programs
Johnson & Wales has designed options into its educational programs so that students can choose the right paths to their futures.

BUSINESS: Johnson & Wales offers a wide variety of four-year business programs ranging from more traditional majors like Management and Marketing to the most innovative programs like Fashion Merchandising & Retail Marketing and Management Accounting. JWU also offers some of these programs at its campuses in Providence, R.I.; North Miami, Fla.; and Denver, Colo.

CULINARY ARTS: Our pioneering approach combines culinary skills with management education, work experience, social responsibility and a foundation in the liberal arts. Choose from among the broadest selection of culinary degree programs, including Culinary Arts, Baking & Pastry Arts, and Culinary Arts & Food Service Management, and customize your degree with our innovative concentrations. Johnson & Wales also offers some of these programs at its campuses in Providence, R.I.; North Miami, Fla.; and Denver, Colo.

The Charlotte Campus also offers Garnish Your Degree, an associate degree program completed in a 12-month period in Culinary Arts or Baking & Pastry Arts for students who already have a bachelor’s degree.
Culinary Arts students who wish to accelerate their studies can apply for Advanced Standing starting in June.

HOSPITALITY: Through various centers and schools within Johnson & Wales’ Hospitality College, students can choose such majors as Restaurant, Food & Beverage Management, Hotel & Lodging Management, Sports/Entertainment/Event Management, and International Hotel & Tourism Management. Some of these programs may be taken at additional campuses in Providence, R.I.; North Miami, Fla.; and Denver, Colo.

Once a student chooses a program, there are still more options. Hands-on training at university-affiliated sites provides the opportunity for experiential learning, and senior-level students may apply for cooperative education positions with prestigious participating employers on the local and national level.

Students who wish to accelerate their studies can apply for such programs as Advanced Standing, Garnish Your Degree or SHARP (Special Honors and Rewards Program). See Page 54 for more information on SHARP.

Three-Term Schedule
Johnson & Wales University’s academic calendar is divided into terms. Three 11-week sessions in an academic year enable students to take three or four classes at a time, instead of the usual four or five. The reduced course load gives students more time to focus on each course.

Upside-Down Curriculum
In Johnson & Wales’ programs, students begin courses in their major from the first day, learning right away if their career choice is the right one for them.

Learning by Doing
“Learning by doing” is an important part of education at Johnson & Wales University. Many programs provide students with valuable experiential education — both in the classroom and on the job.

Experiential education programs including externships and career co-ops, as well as culinary arts and baking & pastry arts laboratories, all place students within a practical situation to further develop their career knowledge and skills.

Johnson & Wales utilizes numerous experiential education facilities, from hotels and restaurants to various business enterprises.

Academic Support
Helping students to succeed is our number-one priority at Johnson & Wales University. The Center for Academic Support is dedicated to making sure each student is given every opportunity for success, with special courses, workshops and tutoring. Special needs students can also find assistance at the Center for Academic Support with special programs and reasonable accommodations to help provide every opportunity for their success. All support services are available without extra charge to all Johnson & Wales students.

Certain accommodations (such as alternative format and interpreters) require more time to arrange, so students who need accommodations are urged to provide as much advance notice as possible to the center.

HANDS-ON LEARNING

Externship
Externship is designed to provide students with a comprehensive knowledge of industry concepts. Students experience rotations in a variety of areas during the 11-week program. This foundation positions a student to focus on Best Fit Employment through a network of educators that closely monitor the administration of the program, and are able to deliver the necessary framework for the student’s success.

College of Business
FASHION MERCHANDISING & RETAIL MARKETING EXTERNSHIP
During the spring term of their junior year, Fashion Merchandising & Retail Marketing majors participate in a term-long externship at a university-approved site.
During this externship, students will apply their learning about all phases of retail store operations firsthand, including sales, merchandise presentation, catalog operations, inventory control, receiving and marking, and buyer’s clerical duties. Students will also complete sales and inventory analysis from the computerized inventory control system and take field trips to Charlotte market centers, selected manufacturers and various retail outlets.

INTERNATIONAL EXPERIENTIAL LEARNING
Students choose from a range of study abroad options including short-term 3 1/2 to four-week summer programs, spring term three-month programs, or four-to-five month independent exchanges. Each program has its own academic focus and prerequisites. Students apply for their program of choice through the Study Abroad Office. After selection into a program, students engage in orientation and academic pre-departure work before embarking on their immersion into foreign cultural and business settings. In some cases, JWU faculty lead the program and travel with the students. In other cases local hosts lead the program, but in all programs students participate in a rigorous study and travel experience. The purpose of these study abroad experiences is to increase students’ global awareness as they explore their program’s specific academic focus. Course delivery consists of lecture, industry visits and cultural excursions. Eligible students are guided by the Study Abroad Office to register for the appropriate course(s) specific to their program.

MARKETING EXTERNSHIP
By participating in the Marketing Externship during their senior year, students have the opportunity to apply basic knowledge in actual, ongoing marketing research projects for employers. The externship is completed at university-approved sites.

College of Culinary Arts
BAKING & PASTRY ARTS EXTERNSHIP
During their sophomore year as Baking & Pastry Arts majors, students will be registered for term-long assignments at university-approved sites; these may include Chartwell’s dining center, Panera Bread, Tizzerts and DePalo Bakery.

CULINARY ARTS EXTERNSHIP
During their sophomore year as Culinary Arts majors, students will be scheduled for term-long assignments at university-approved sites; these may include the Chartwell’s dining center, Ballantyne Resort, Marriott, Omni and Westin hotels.

The Hospitality College
FOOD SERVICE MANAGEMENT EXTERNSHIP
During the fall or spring terms of their sophomore year as Restaurant, Food & Beverage Management majors, students will be scheduled for term-long assignments at university-approved sites; these may include the Charlotte City Club, Hilton Charlotte Center City or the Omni Charlotte Hotel.

HOTEL & LODGING MANAGEMENT EXTERNSHIP
As a part of their academic experience, Hotel & Lodging Management students will enjoy unique opportunities for hands-on learning during their sophomore year. Students have an opportunity to gain practical experience during an 11-week rotation through all aspects of lodging and food service operations.
This externship is completed at university-approved sites which may include Marriott, Westin, Hilton and Doubletree properties.

SPORTS/ENTERTAINMENT/EVENT MANAGEMENT EXTERNSHIP
This senior-level capstone work experience is designed to allow students to apply what they have learned within a supervised industry-based setting. While the externship focus and job position vary depending on site selection, the externship will enable students to gain valuable work experience in the areas of sales/marketing, facility operations and financial management. In addition to their work experience, students will have the opportunity to complete a comprehensive, site-based management project. The externship is completed at university-approved sites.

Selective Career Cooperative Education (Co-op)
Eligible students may apply for a Selective Career Cooperative Education assignment through the Career Development Office. These cooperative education assignments allow students to gain academic credit for a work experience within their chosen profession, to gain valuable knowledge about their profession and to develop a professional network within their industry. A traditional co-op experience is a one-term 13.5 credit experience with a university partner. Upon completion of their co-op, students will have a more global understanding of the demands and expectations of business and industry.

To be eligible to apply for the domestic co-op program, students must maintain a cumulative grade point average of 2.75 during the entire pre-program application process, have a clean record of behavior as defined by the Student Code of Conduct, have completed all prerequisite coursework, have appropriate elective or experiential education credit available in their degree audits and have the sponsorship of a faculty advisor. In addition to the traditional eligibility requirements, students who desire to participate in the International Co-op Program must maintain a 3.25 GPA. This is a highly selective program with limited opportunities.

Students from every college or school at the university may be eligible to apply for the co-op program. Selection or assignment to the co-op sites is competitive and only those students demonstrating the best fit are chosen by the co-op staff to represent the university. The Career Development Office reserves the right to determine eligibility for co-op based on the Student Code of Conduct.

THE SCHOOL OF ARTS & SCIENCES
The mission of the School of Arts & Sciences is to deepen students’ understanding of themselves and the world around them. Integrating liberal arts courses with career education prepares students to be productive and responsible citizens. As a leader in career education among American universities, Johnson & Wales University has placed its School of Arts & Sciences in this key role of providing general education to enable its students to achieve career success and personal fulfillment. To accomplish these objectives, students take at least one-third of all their credits in arts and sciences.
Writing-Across-the-Curriculum is a university-wide program that encourages students to use writing as a way of learning and communicating knowledge, thereby enabling students to acquire skills empowering them to pursue their professional goals. The Writing-Across-the-Curriculum program at Johnson & Wales was developed to integrate the “writing to learn” concept across all majors. All students may take writing-intensive (WI) courses as they are offered in general studies and elective areas.

Students at JWU may also elect 13.5 quarter credit hour concentrations in Global Perspectives, History, Interdisciplinary Studies, Leadership Studies or Literature. They are also encouraged to attend the Cultural Events Series featuring appearances by artists, performers, authors and musicians. Please note that concentrations vary by campus.

The School of Arts & Sciences offers honors courses in the freshman year as well as a few upper-level classes. In addition, honors options are offered in many other courses.

The School of Arts & Sciences offers a Summer Abroad Program which is currently situated in England. Students can earn 13.5 credits of general education courses. The course offerings may vary each summer, including history, sociology, literature, science and art. The experience includes three weeks in England with excursions to historical cities, such as Bath, Cambridgeport and London. The academic component of the summer program is challenging, and students will benefit from innovative teaching strategies including team teaching and collaborative learning.

HISTORY OF THE UNIVERSITY

The special approaches to career education at Johnson & Wales University (JWU) have evolved over more than 90 years’ time and continue to adapt as the university responds to the changing needs of business and industry. Johnson & Wales was founded as a business school in 1914 in Providence, R.I. by Gertrude I. Johnson and Mary T. Wales. From its origins as a school devoted to business education, JWU has grown to a junior college, to a senior college, and ultimately to university status.

The university became well established because of its strong commitment to specialized business education and the high ideals of its founders. In 1993, JWU received regional accreditation from the Commission on Institutions of Higher Education of the New England Association of Schools and Colleges (NEASC). Accredited since 1954 by the Accrediting Council for Independent Colleges and Schools (ACICS), the university consolidated its institutional accreditation efforts under NEASC on June 30, 2000.

In 1963, the State of Rhode Island granted a charter which authorized the university to operate as a nonprofit, degree-granting institution of higher learning and to award associate degrees in the arts and sciences. In 1970, the State of Rhode Island approved a revision in the university’s charter to award baccalaureate degrees. In 1980, the Governor and General Assembly of the State of Rhode Island granted a legislative charter to the university, authorizing the awarding of advanced degrees.

The charter was amended in 1988, changing the institution’s name to Johnson & Wales University. In 1992, the governor of the State of Rhode Island signed into law a new legislative charter with university status.

A new career emphasis was introduced at JWU in 1973, when the university announced the opening of what is now known as the College of Culinary Arts and the addition of a new associate degree program in that field. This proved to be one of the most far-reaching changes in the educational expansion of the university, leading to additional two- and four-year degree programs in the hospitality and food service fields.

In 1984, a JWU campus was established in Charleston, S.C., which offered a variety of two- and four-year programs in food service, hospitality and travel-tourism. The Norfolk, Va. Campus, opened to the public in 1986. It offered one- and two-year food service programs.

In 1985, graduate degree programs were introduced at the university. The Alan Shawn Feinstein Graduate School now offers an M.B.A. degree program in Global Business Leadership with concentrations in accounting,
financial management, international trade, marketing and organizational leadership. It also offers an M.B.A. degree program in Hospitality with concentrations in event leadership and marketing. A Certificate of Advanced Graduate Study (CAGS) is offered in hospitality, human resources and finance.

The School of Education offers an M.A.T. in Teacher Education leading to certification in business education, food service education, elementary education, elementary special education, or secondary special education. It also offers an M.Ed. in Teaching and Learning, an M.Ed. in Early Childhood Administration and Leadership, and an Ed.D. in Educational Leadership.

In 1992, a joint educational agreement allowed the university to begin programs on the campus of the Institute of Higher Marketing (IHM) Business School in Göteborg, Sweden. JWU established a formal, independent learning site there from 1994–2004, giving business and hospitality students the opportunity to complete one year of study in Sweden and finish their degrees at one of the university’s domestic campuses.

Also in 1992, JWU opened another campus in North Miami, Fla., which now offers two- and four-year food service, business and hospitality programs.

That year also marked the university’s formal establishment of the College of Business, The Hospitality College, the College of Culinary Arts and the School of Technology. A new emphasis on general studies was introduced in 1992 as well, with the development of the School of Arts & Sciences.

The university’s School of Technology also offered courses in Worcester, Mass. from 1992–2002.

In 1993, JWU opened a campus in Vail, Colo., which offered an accelerated associate degree program in culinary arts to college graduates. That year also marked the beginning of a four-year bachelor’s degree offering in culinary arts.

In 1995, the university created an International Hotel & Tourism Management program which offers unprecedented opportunities in international hotel management education. Students from around the world may choose from a variety of options both at JWU and abroad.

Technology programs offered by the university include Network Engineering, Graphic Design & Digital Media, Computing Technology Services, Engineering Design and Configuration Management, and Technology Services Management.

September 2000 marked the opening of the Denver, Colo. campus, which offers two- and four-year degrees in baking & pastry arts, culinary arts, hospitality, business, and criminal justice, as well as the “Garnish Your Degree” accelerated associate degree program originally offered in Vail. In 2000, the Vail Campus was merged with the Denver Campus.

In 2002, the university made a strategic decision to consolidate its smaller Charleston and Norfolk campuses to build a campus in Charlotte, N.C. JWU’s Charlotte Campus opened in fall 2004 and offers associate and bachelor’s degree programs in business, culinary arts and hospitality. The Charleston and Norfolk campuses officially closed in May 2006.

In keeping with its tradition of focusing on the best interests of students and responding to industry, it was determined in April 2006 that beginning with the 2008–2009 academic year, JWU’s College of Business and The Hospitality College would move away from offering associate degrees and instead have students customize their education through specializations or concentrations at the baccalaureate level alone. This decision did not impact the College of Culinary Arts and the School of Technology where the two-year degree continues to be relevant.

Each year the university grows in program offerings and physical facilities. At the same time, JWU also grows in recognition and prestige, making contributions to the community, government and industry.
THE CAMPUS

Johnson & Wales University’s Charlotte Campus is located near the center of uptown activity in the Gateway Village development in the city’s third ward. It’s an exciting area with a vibrant mix of residential, retail and commercial spaces. Campus facilities include two residence halls, a dining facility operated by industry partner Compass Group, N.A., and an academic center with state-of-the-art culinary laboratories as well as classrooms, computer labs and a 180-seat amphitheater with demonstration kitchen.

Seven new specialty classrooms have been constructed in Gateway Center to accommodate program expansion in the College of Business. In addition, a student services complex located in the existing Gateway Village includes a bookstore and library as well as Career Development, the Student Academic & Financial Services offices and the Cyber Lounge. The full-service, university-owned Doubletree Hotel — Gateway Village is also conveniently located in the heart of the campus area.

JWU’s library includes a collection of books, journals, magazines, newspapers, full-text databases, videos and other resources to serve the research needs of Johnson & Wales students. The library also provides a photocopier, computer terminals, printers, televisions with VHS and DVD players, and other appropriate equipment for student use. In addition to the resources located on campus, students also have access to the Charlotte Public Library system whose main branch is located just blocks away.

CHARLOTTE, NORTH CAROLINA

Located in the western part of North Carolina, Charlotte is within a day’s drive of over 50 percent of the population of the United States. Even though it’s the second largest financial center in the country, and home to eight Fortune 500 companies, Charlotte maintains a distinctive small town feel that makes it the perfect place for Johnson & Wales to continue its tradition of market-driven education and genuine career preparation.

Charlotte is served by an international airport that is a main U.S. hub. It is a city of opportunity with a practical, businesslike approach to life that meshes nicely with the career focus of the university. When it’s time to have fun, the city abounds with extra-curricular activities. Charlotte boasts a lively arts scene, as well as a number of professional sports teams including the Carolina Panthers, Charlotte Bobcats, NASCAR racing, and the Charlotte Knights AAA baseball team. What’s more, Charlotte is conveniently situated between beautiful, warm beaches a few hours drive to the east and cool, relaxing mountains a couple of hours’ drive to the west.

RESIDENCE HALLS

Generally, Johnson & Wales University’s Charlotte Campus requires all full-time students to live on campus for their first two years of enrollment. Cedar Hall North (CHN) and Cedar Hall South (CHS) are the on-campus options for the first year. City View Towers is the primary residence for second-year students as CHN and CHS are designated primarily for first-year students (although there is limited availability for second-year students at CHN and CHS).

Generally, a student may live off campus as a freshman or sophomore if they meet at least one of the following criteria: they are married; are a parent; are at least 21 years of age; are living at home with a relative, parent, or guardian and commuting within a 50-mile radius of campus; are a transfer student; are an international student; or are not eligible to live on campus.
Note: Students admitted for the winter and spring terms are required to live on campus for the remainder of the academic year and the following academic year only.

Students who have been convicted of certain felonies (or have had certain felony-type charges sustained in a juvenile proceeding), such as crimes of violence, serious drug offenses and sex offenses, are not eligible to live in university housing.

Cedar Hall North  
725 West 4th Street  
Charlotte, NC 28202

Cedar Hall South  
215 South Cedar Street  
Charlotte, NC 28202

These suite-style residence halls accommodate four students per suite with bathroom facilities being shared among the four residents. Each suite has two rooms, each with two students per room. All rooms/suites are non-smoking and include basic cable, Internet and local phone service (phones are not provided). Common areas within each hall include game rooms, TV/recreation lounges, study rooms and laundry facilities.

**Apartments**

City View Towers  
425 West 5th Street  
Charlotte, NC 28202

City View Towers, located two blocks from campus, has unique four-bedroom floor plans where each student has his/her own private bedroom. Each apartment is fully furnished (including the bedrooms), has a full kitchen and appliance package, and includes a full-size washer and dryer. Residents have access to a game room, a complete fitness center and an outdoor patio. There are a limited number of two- and three-bedroom floor plans available.

Visit the Office of Residential Life’s Web site at www.jwu.edu/charlotte/reslife or e-mail us at reslife.clt@jwu.edu.

**Dining Facilities**

A state-of-the-art dining hall is located in Cedar Hall North. It is operated by Chartwell’s, a division of Compass Group, N.A., a Johnson & Wales Covenant partner.

**Additional Campuses**

Johnson & Wales University, in an effort to expand its educational outreach, has established several additional campuses. For more information, please consult the catalog for each campus at www.jwu.edu. Click on Academics > Catalogs.
**NORTH MIAMI, FLORIDA**

The North Miami Campus offers undergraduate degree programs in business, culinary arts and hospitality. This campus is conveniently close to the tourism-rich areas of Fort Lauderdale and Miami, offering a superb setting for a JWU education.

For more information about Johnson & Wales’ North Miami Campus, write the Admissions Office, Johnson & Wales University, 1701 N.E. 127th Street, North Miami, FL 33181, or call 1-866-JWU-FLORIDA (598-3567).

Applying for Admission

Johnson & Wales University seeks students who have a true desire for practical career preparation in their chosen fields and who have the ability to achieve academic success.

Although academic qualifications are important, students’ motivation and interest in succeeding in their chosen careers are given strong consideration. The educational methods of the university are designed to assist students who qualify for admission to succeed in the career programs of their choice. Graduation from high school or equivalent education as certified by state departments of education is required for undergraduate admission.

It is also recommended that students submit a personal statement, employment information, letters of recommendation and test scores for admission consideration.

Due to the technical standards and requirements essential to certain technical programs at the university, applicants with special needs or physical limitations should contact the Center for Academic Support prior to enrolling at the university. For more information about technical standards see Pages 92–93. Copies of the technical standards applicable to various programs are available from the Center for Academic Support.

APPLICATION PROCEDURE

Applications for admission should be completed in full and sent to the Admissions Office, Johnson & Wales University, 801 West Trade Street, Charlotte, NC 28202.

Students applying for admission to the Providence, North Miami or Denver campuses should refer to their campus catalog for admissions information.

There is no deadline for submitting applications, but students are advised to apply as early as possible before their intended date of enrollment for full consideration.

An official application form is available online at www.jwu.edu. Click on Prospective Students > Apply. No application fee is required.

In completing the application form, students must indicate the term in which they wish to enroll. Applications are accepted for terms beginning in September, December and March.

Certain bachelor’s degree programs are selective and require submission of an application at the end of the associate degree program. Students should check program descriptions if they are interested in applying for both an associate and a bachelor’s degree program.

After completing the application form, students are responsible for requesting that their high school guidance office forward to the university an official copy of the secondary school record for admissions consideration.

Graduation verification documents must be submitted to the admissions office. Verification documents include at least one of the following: a letter from an authorized high school administrator, a high school diploma recognized by their state department of education or a G.E.D. certificate. It is the student’s responsibility to provide verification of high school completion. Without such verification, the student may not be allowed to register for the current term or continue enrollment.

When possible, Johnson & Wales University would prefer to receive the applicant’s high school transcripts at the same time as the application for admission. Transfer students must also submit official transcripts from all colleges attended.

Test Scores
SAT and ACT scores are not required for general admission to the university, but are recommended.

Candidates for the university’s honors program must submit SAT or ACT scores for acceptance consideration. Admission standards may vary for international and transfer students.
Minimum Grade Requirements
Students within The Hospitality College who are interested in pursuing a bachelor’s degree in International Hotel & Tourism Management must apply through their department chair. Preference is given to students who achieve a 3.20 GPA or higher upon completion of their freshman year.

Admissions Decision
The rolling admissions policy of the university makes it possible to notify students of the admissions decision, of their acceptance or of any additional conditions necessary for admission, soon after all of their academic records have been received and reviewed.

Upon receiving notice of acceptance, students will forward to the university a $300 reservation fee, which will be applied to the student’s account and will reserve a place in class and in student housing.

Students requesting residence hall accommodations must submit their online housing contract as soon as possible after submitting their reservation fee. Residence hall and room assignments are based on a first-fee-and-contract-received, first-resident-placed basis. The student’s account must also be cleared by Student Academic & Financial Services by the payment deadline to guarantee a room assignment.

Requests for refunds of the reservation fee will be granted upon written request to the university prior to May 1, 2009. After May 1, 2009 the reservation fee of $300 (or $150 of such fee in the case of applicants to the North Miami Campus) is nonrefundable.

The university may revoke any student’s acceptance or enrollment if any information or documentation provided by the student is false or incomplete or if the university learns of any past or present misconduct by the student that would affect the student’s ability to represent and uphold the high standards of the university.

Advanced Placement Credit
Students entering Johnson & Wales University with an Advanced Placement test score of “3” or greater will be granted 4.5 quarter credits for the equivalent JWU course. Students must submit an official AP Grade Report from the College Board Advanced Placement Program. For more information about AP credit contact the Transfer and University Testing Office.

Transfer Students
Transfer students are eligible to apply for most JWU majors; however, they are not guaranteed credit. Credit is usually granted for courses completed with a grade of “C” or better (with a numeric value of 2.00) at another accredited institution (U.S. Department of Education). Grades of “pass” are also acceptable for transfer if credit was awarded (and a grade of “P” has the numeric value of 2.00 or greater). Credits earned in developmental and remedial courses or CEUs are nontransferable. Transfer credit evaluations are based on previous college work as it relates to the student’s intended field of study.

As with prospective freshmen, acceptances are made on a rolling basis as an application becomes complete.

Transfer candidates must submit official college transcripts from all colleges previously attended prior to enrolling at Johnson & Wales. Students must also submit final official high school transcripts.

It is the responsibility of those candidates who are currently attending another college to have their updated transcripts sent to JWU as soon as final grades become available and no later than the first term of enrollment. If official transcripts or other requested materials are not received within that designated time period, tentative transfer credit will be forfeited.

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.
Early Admissions/Dual Enrollment
The Early Enrollment Program gives high school seniors an opportunity to enroll full time in college courses at Johnson & Wales during their senior year of high school. Students should apply for the Early Enrollment Program during their junior year of high school.

The Early Enrollment Program was designed to help students investigate the variety of college and career options available to them. Students earn college credits while completing high school graduation requirements.

For more information on the Early Enrollment Program, please request a brochure from the Admissions Office.

Honors Program
This program offers academically talented students the opportunity to explore challenging and stimulating courses. Eligible applicants must have taken a college prep curriculum, maintained an average of B or better, placed in the top 25 percent of the high school graduating class, submitted SAT scores above the national average, and entered JWU in the fall. For more information on the Honors Program, please see Page 52.

FACTS FOR MILITARY
Johnson & Wales University is approved for the training of veterans in accordance with the rules and regulations administered by the U.S. Veteran’s Administration.

Eligible veterans should contact the Department of Veterans Affairs. Those living in the U.S. should look in the Government Listings section of the Verizon White Pages to obtain the telephone number for their state’s Department of Veterans Affairs office.

STANDARDIZED TESTING AFTER ADMISSION

PLACEMENT TESTS (NON-CREDIT, NO FEES): These tests are administered for placement purposes only to all new students, including transfer students who do not have transfer credit for math or English, upon entrance. In situations where two or more levels of a subject are required for graduation, the student’s academic career in this subject begins at the level determined by the placement test. This is particularly true when a student has previous academic experience in a subject. Placement tests are currently administered to determine math and English placement. Students with documented special needs must provide documentation two weeks prior to testing to receive accommodations.

PRIOR LEARNING ASSESSMENT

PORTFOLIO ASSESSMENT: Students may earn credits for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel programs, organizations or other comparable sources.

To apply for a Portfolio Assessment, students must meet the university’s residency requirements and complete the Portfolio Development non-credit seminar. This seminar is scheduled at the request of the student and will meet for three two-hour sessions. Students must discuss this option with a counselor in the Center for Academic Support before they are eligible to enroll.

The seminar assists students with the development of a portfolio that describes and documents how the learning took place. The completed portfolio is submitted to the appropriate department designee in Providence for review. The assessor will review the portfolio and either validate the student’s learning by awarding college credits, request additional information, or deny the request for credits. Portfolios will not be returned to the students; they become the property of the university.
Once the seminar is completed, eligible students, in consultation with a Center for Academic Support counselor, may submit additional portfolios. Refer to the Prior Learning Assessment Brochure, available at the Center for Academic Support, for more information on required fees.

**CLEP EXAMINATION (FOR-CREDIT, WITH FEES):**
The College-Level Examination Program of the College Board tests are widely accepted national examinations in various subjects. The American Council on Education’s recommended score is required to earn credit. JWU subject equivalencies are determined by each department for each exam. These exams are treated as transfer credit for entering freshmen and juniors transferring to JWU, or from one JWU college or school to another. Central Piedmont Community College (CPCC) and Strayer University are local examination sites. The Center for Academic Support can provide contact information for these sites. Consult the CLEP application for required fees.

**DEPARTMENTAL CHALLENGE EXAMINATIONS (CREDIT BY EXAMINATION; FOR-CREDIT, WITH FEES):**
Departmental exams may be taken for specifically designated courses within a department. Because of previous academic and/or work experience, all matriculating students may request such an exam when they feel they have completed the requirements of a specific JWU course. Some testing options require specific criteria in order to take tests. Refer to the Prior Learning Assessment Brochure, available at the Center for Academic Support, for criteria and fees, or contact the testing office.

For annual examination schedules with examination dates and application deadlines, refer to the university’s Prior Learning Assessment Brochure. This brochure may be obtained from Student Academic & Financial Services or the Center for Academic Support.

In all cases, the academic department determines policy as it relates to the testing options for each course in the department. Several options may be available to students, and it is recommended that students seek the assistance of a counselor in the Center for Academic Support.

### Policies for Portfolio Assessment, Challenge and CLEP Examinations:
1. Portfolio Assessment and Challenge Examinations cannot be repeated if failed.
2. Portfolio Assessment, CLEP Exams and Challenge Exams may not be substituted for a class previously failed or one where a withdrawal (W) or a withdrawal/fail (WF) grade has been issued.
3. The standardized examinations or portfolios mentioned above must fall within the residency requirement for each degree.
4. Seminar, application and processing fees are nonrefundable.
5. The university recognizes up to a maximum of 45 quarter credits earned through Prior Learning Assessment.
6. Students must present a valid picture ID when testing.

After being determined eligible to test or enroll in a seminar, students will be notified by e-mail of the time and location of their test or seminar. The Prior Learning Assessment Brochure listing course options may be obtained from Student Academic & Financial Services. For additional policies/information for Portfolio, Challenge and CLEP options, refer to the brochure.

### Culinary Advanced Standing
Prospective students who possess advanced knowledge and skills in these food-related areas may apply for the Culinary Arts or Baking & Pastry Arts Advanced Standing Examination. The results of the examination are considered in addition to academic records and a letter of recommendation from a food-related employer and/or teacher.

It is generally recommended that applicants have completed advanced food service curriculum or have a minimum of two years of extensive food service work experience.

Students who are selected for this accelerated program are required to complete a 10-week summer program. Upon successful completion of the summer program, students attain sophomore standing in the fall.

**Students must be accepted for admission to Johnson & Wales University prior to applying for Advanced Standing.** Contact the Admissions Office for further information.
FAST and Credit for College Programs

Johnson & Wales University offers students an opportunity to earn credits toward a Johnson & Wales degree while they are still in high school through approved articulation agreements between Johnson & Wales University and the student’s high school. Culinary arts students enrolled in approved tech-prep programs who meet academic requirements may be eligible to earn up to nine quarter credits toward their Culinary Arts associate degree through our Freshman Advanced Study Track (FAST). Students enrolled in approved hospitality, business and technology programs who meet the academic requirements may also be eligible to earn transfer credits through our Credit for College Program.

For more information about the Freshman Advanced Study Track, articulation agreements or Credit for College programs, contact the Admissions Office.

International Baccalaureate

Johnson & Wales University recognizes International Baccalaureate credentials and awards credits and other special program status on an individual basis to students who have achieved a grade of four or better on the International Baccalaureate exams, up to a maximum of 45 credits or equivalent, in accordance with department policies.

INTERNATIONAL STUDENTS

International Admissions Requirements

Listed below are the requirements for applying for undergraduate admission to Johnson & Wales University. In order to expedite the admission process, students must enclose ORIGINAL or CERTIFIED documents (with English translations) when submitting an application. Please note that photocopies, fax copies, scanned or e-mailed documents are not valid.

1. An accurate, complete and legible International Application form that has been signed and dated by the applicant. Please list all schools attended, even if you do not wish to have transfer credits reviewed.

2. Certified bank statement or government sponsorship letter verifying financial support for one academic year.

3. The results of the Test of English as a Foreign Language (TOEFL) or other acceptable proof of English proficiency. (See “English Language Proficiency” and “TOEFL Requirements” on Pages 25–26.)

4. Official documentation of higher secondary (high school) graduation, subjects taken and grades earned.

5. Complete transcripts, marks sheets, diplomas or certificates from previous study, along with course descriptions and syllabus (for transfer credit).

6. Copy of biographical section of applicant’s current passport.

Please note that all documents and information should be clear and legible; if important information cannot be read by the International Admissions staff, the admissions process is delayed and, as a result, so is the acceptance/Form I-20 process.

All documents must be sent to:
Johnson & Wales University
International Admissions
801 West Trade Street
Charlotte, NC 28202 USA
Telephone: 980-598-1105
Fax: 980-598-1111

English Language Proficiency

Applicants whose native language is not English must provide proof of English proficiency. English language proficiency is required for admission to all programs of study at Johnson & Wales University, regardless of country of citizenship or residency.

TOEFL Requirements

Johnson & Wales University recognizes the TOEFL (Test of English as a Foreign Language) as proof of English proficiency. TOEFL scores must be received as official ETS scores. The Johnson & Wales University Designated Institution (D.I.) code is: 3465. Students should use this code on their TOEFL registration form so their scores will be sent directly to Johnson & Wales University.
Minimum TOEFL requirements (all levels, undergraduate and graduate) are as follows:
TOEFL score of 80 (Internet-based or IBT)
TOEFL score of 550 (pen/paper or PPT)
TOEFL score of 210 (computerized or CBT)

Individual section scores must also meet minimum score requirements.

Acceptable proof of English proficiency may also include one of the following comparable English proficiency examinations:
• IELTS (Cambridge), Band 6.5
• City & Guilds Pitman ESOL Examinations — Higher Intermediate or Expert Level
• ELS Level 112 Certificate of Completion and Academic Report
• The London Tests of English LTE, Level 4 (Advanced)
• MELAB (Michigan English Language Battery) — 77
• S.T.E.P. Eiken — (Society for Testing English Proficiency) — Grade 1

Other English language examination results will also be considered, and experience studying in the English language, as documented through school transcripts, will be taken into consideration.

To meet English Proficiency requirements, all English Language examination results must be submitted on an official test transcript which is no more than two years old.

Students may be exempted from individual ESL classes based on their individual TOEFL Test (or equivalent test) section scores. Individual section scores and total scores must also meet minimum score requirements; Johnson & Wales University also reserves the right to require ESL classes to increase proficiency in a particular area, regardless of total TOEFL or other test scores.

ESL Program
Johnson & Wales University's affiliation with the ELS Language Center in Charlotte, N.C. is designed to help students satisfy the school's English proficiency requirement. The center provides an intensive English language program and is authorized to issue an I-20 to all qualified students. The center provides housing assistance throughout the course of study. Upon completion of the center's Level 112, students are prepared to meet the university's language requirement, as well as receive a $1,000 tuition grant. The grant applies to any program of study at JWU's Charlotte Campus.

International Transfer Credit
Students who wish to transfer to JWU should submit an application for admission and grades or transcripts from all post-secondary schools attended. Transfer credit is determined through an individual course-by-course evaluation of each transcript submitted. Credit is generally awarded for courses completed with grades of "C" or better (or equivalent) which are similar in level, content and duration to JWU courses in the student’s intended major. Accepted transfer students will be sent a Transfer Credit Allowance (TCA) showing the credit accepted toward their chosen major.

JWU has many approved formal transfer credit agreements with institutions in more than 40 countries. Consult with officials at your school to see if they have an agreement with Johnson & Wales University.

Articulation Agreements
JWU is proud to have a large number of international articulation agreements and transfer credit equivalencies in place with schools and programs which facilitate student transfer to Johnson & Wales University for bachelor’s degree completion. The university is continuously working to develop partnerships with schools around the world for the purpose of offering diverse educational opportunities for transfer students.

In addition, JWU recognizes and grants transfer credit exemptions for a number of diplomas and qualifications provided by accredited colleges, universities and educational organizations throughout the world. Some of these include

REGIONAL ADMISSIONS REPRESENTATIVES

The admissions staff of the university includes regional admissions representatives who visit high schools and personally assist students from their areas.

The admissions representative from your area will be happy to meet with you and answer any questions you may have about the university, application procedures and financial aid programs. A full listing of the regional admissions representatives and their phone numbers can be found at www.jwu.edu. Click on Admissions & Aid, then Your Admissions Rep.

QUESTIONS & ANSWERS

When students come to Johnson & Wales for admissions interviews, they ask a variety of questions about the university. Here are some of the most commonly asked questions.

CAN I REQUEST A PARTICULAR ROOMMATE/
HOW ARE ROOMMATES MATCHED?
The housing application process is completed online. Once the university reservation fee has been paid students will be able to create a profile, find compatible roommates or make specific roommate requests.

CAN I REQUEST A SPECIFIC RESIDENCE HALL?
Students are able to select the hall and room according to availability through the online housing application process. The university reservation fee must be paid before selections can be made.

CAN I LIVE OFF CAMPUS?
Generally, you may live off campus as a freshman or sophomore if you meet at least one of the following criteria: you are married; are a parent; are at least 21 years of age; are living at home with a relative, parent, or guardian and commuting within a 50-mile radius of campus; are a transfer student; are an international student; or are not eligible to live on campus. Additionally, students who are required to live on campus must either live in Cedar Hall North, Cedar Hall South or City View Towers during their second year. Please refer to Pages 16–17 for more information.

Traveling to Charlotte
The nearest international ports of entry to Charlotte are Atlanta, Ga.; Charlotte, N.C.; and Charleston, S.C. Train, airline and bus services to Charlotte are available from these cities.
WHERE DO I WASH MY CLOTHES?
All residence halls have card-operated laundry facilities. City View Towers includes a washer and dryer in each apartment.

DO I BRING MY OWN BED LINENS AND TOWELS?
Yes. The beds in Cedar Hall North and Cedar Hall South are regular twin size and the beds in City View Towers are full-size. You should also bring a pillow, bedspread and/or quilt, desk lamp, mirror and coat hangers. Limit what you bring until you see the size of your room and what your roommates bring.

WHAT KIND OF CLOTHES SHOULD I BRING?
Closet and drawer space is limited, so you should bring seasonal clothing. You’ll find that you will wear mostly casual clothing when not in class.

Culinary Arts and Baking & Pastry Arts students receive three chef coats and two pairs of chef pants, and are responsible for keeping them clean. When in lab classes, Culinary Arts and Baking & Pastry Arts students must wear their full chef’s uniform. These students will be provided with new uniforms at each academic level. Additional chef’s uniforms may be purchased at the Village Bookstore. While in academic classes, all students (including culinary) are required to conform to the campus’ professional dress policy.

WHAT KIND OF SECURITY IS PROVIDED ON CAMPUS?
All residence halls have 24-hour supervision and no one is authorized to enter unless he or she has a student ID or is accompanied by a student living in the building. For more information on the Safety & Security Office, see Page 60.

CAN I HAVE OVERNIGHT GUESTS?
Both of the residence halls and City View Towers have visitor/guest policies. For complete policy details, please refer to the Residential Life Web site at www.jwu.edu/charlotte/reslife.

IS THERE A CURFEW?
There is no curfew, but students must respect quiet hours, which are from 8 p.m. to 8 a.m., Sunday through Wednesday; and midnight to 8 a.m., Thursday through Saturday. During final exam weeks, 24-hour quiet hours are in effect.

WHAT’S THE FOOD LIKE?
Although it is not always possible to provide special menus for religious, health or personal reasons, Johnson & Wales University’s dining center makes every effort to accommodate students in need of such diets. A wide variety of food is available in the university’s dining center, providing students with many opportunities to find the types of foods they enjoy.

HOW DOES THE WEEKEND MEAL PLAN WORK?
The Weekend Meal Plan is an optional plan that provides two meals daily Friday through Sunday for students who wish to have weekend meals in a university dining facility (excluding designated holiday periods and breaks between terms). If you elect this plan and later wish to discontinue, you must notify Residential Life in person with your student identification card prior to the next term. Students may only drop this plan during the first two weeks of the term.

WHERE CAN I CONDUCT PERSONAL BANKING?
The following are some of the larger banks in the area, with branches close to JWU residence halls.

Bank of America, 100 North Tryon Street, 704-386-5478 or 2823 South Blvd., 704-386-5326

BB&T, 200 South College Street, 704-375-5356 or 101 Queens Road, 704-954-2005

First Citizens Bank, 128 South Tryon Street, 704-338-4000 or 5400 South Boulevard, 704-338-4112

Wachovia Bank, 301 South College Street, 704-383-5111 (walk-up teller) or 401 South Tryon Street (full service), 704-374-6025 or 2910 South Blvd., 704-523-3113
WHERE CAN I ATTEND RELIGIOUS SERVICES?
The Charlotte Metro area provides many opportunities for students to pursue their religious choices. While we could never provide a complete list, below is a sampling of some of the denominations both large and small in the uptown and metro area. For a complete listing of choices, we suggest the Charlotte Yellow Pages.

WILL I BE PENALIZED FOR MISSING CLASS BECAUSE OF A RELIGIOUS OBSERVANCE?
In accordance with the Johnson & Wales University attendance policy, “all absences, regardless of circumstances, are recorded daily and become a part of the student’s permanent attendance record.” The maximum number of absences for valid reasons is based on the quarter credit hours for the course, with the exception of experiential education assignments and laboratories, which have their own specific attendance criteria.

As with all academic matters including attendance, extenuating circumstances are handled on an individual basis. The intent of the attendance policy is not to penalize students but to help them develop a businesslike attitude toward their studies. The university believes that such an attendance policy serves the student population’s best interest. With appropriate planning, students should be able to observe religious holidays within the absence policy. Excessive absences may result in reduction of grades in accordance with stated faculty policy given at the beginning of each course and may also result in a punitive withdrawal or withdrawal/pass from the course.

Attendance policies for experiential education assignments and laboratories are more rigid and will be fully explained during orientations.

DO I NEED TO TAKE PUBLIC TRANSPORTATION TO GET AROUND THE CAMPUS?
No, the Charlotte Campus buildings are all located within a three-block radius of each other. Most classes are located in the center of campus and services like the bookstore, Student Academic & Financial Services, Safety & Security and the library are very close and require just a short walk to get there.
WHAT KIND OF PUBLIC TRANSPORTATION IS AVAILABLE IN CHARLOTTE?
Charlotte Area Transit System (CATS) runs the public transit system in Mecklenburg County. To travel to uptown Charlotte, students can use the free Gold Rush Trolley that runs during the business day. In addition, CATS operates a public bus system as well as the new light rail. All lines and trains are accessible from the CATS Transportation Center located next to the Time Warner Cable Arena and accessible via the Gold Rush. The Village Bookstore offers discounted monthly student passes.

WHERE ARE THE LOCAL AIRPORT, BUS AND TRAIN STATIONS?
Charlotte Douglas International Airport is located approximately 20 minutes from the campus. Most major airlines fly in and out of Charlotte Douglas. To make travel arrangements, contact your local travel agent or the airline of your choice.

The Greyhound Bus Lines terminal is located at 601 West Trade Street. For a Greyhound Bus schedule, call 800-231-2222.

Amtrak Passenger Service has a Charlotte terminal located at 1914 N. Tryon Street. For general information and reservations, call 1-800-872-7245 or 704-376-4416.

WHAT DO I DO IF I GET SICK WHILE IN SCHOOL?
The Health Services Office is located on the second floor of the Academic Center. Both resident and commuter students may use these facilities.

Should you become ill when a nurse is not on duty, speak to your resident assistant — he or she will seek help if necessary.

Commuting students can likewise seek assistance from the resident assistant at any residence hall when a nurse is not on duty. Cases not treatable by the nurses will be referred to the university physician. Emergency cases will be transported to an area hospital.

CAN I HAVE A CAR ON CAMPUS?
Yes, you may bring a car to school, but keep in mind that limited parking is available. Students, both resident and commuter, who plan to bring a vehicle on university property must register this vehicle with the Safety & Security Office upon arrival. Parking permits are purchased on a yearly or term basis. The fee for residents is $400 per year or $150 per term.

Parking permits are obtained from the Safety & Security Office. Students must complete the permit application, make the annual or term payment, and present the following documents:
- Current university ID
- Valid driver’s license
- Proof of minimum liability insurance
- Valid automobile registration

The university is not responsible for any vehicle or its contents while it is parked on university property.

IS THERE PARKING AVAILABLE OFF CAMPUS?
There are several parking lots and garages near the campus. Plan to spend $75 to $150 a month to rent a space.

HOW WILL CLASSES BE SELECTED MY FIRST YEAR?
All freshmen are registered for courses first term by Student Academic & Financial Services. Students register for courses online via the university’s uconnect system in their second term and throughout their JWU academic career.

## Tuition and Fees

The following tuition and fees schedule is effective for the 2009–2010 academic year. Tuition and fees are subject to change annually.

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Annual Tuition</td>
<td>$22,149</td>
</tr>
<tr>
<td>General Fee</td>
<td>$1,065</td>
</tr>
<tr>
<td>Room and Board</td>
<td></td>
</tr>
<tr>
<td>Standard Room</td>
<td>$9,249</td>
</tr>
<tr>
<td>City View Towers</td>
<td>$6,828</td>
</tr>
<tr>
<td>Weekend Meal Plan (Optional)</td>
<td>$1,068</td>
</tr>
</tbody>
</table>

**Tuition** is applicable to all students, including those on approved off-campus programs including co-ops, study abroad, internships and externships. Students enrolled in courses in excess of a normal full-time schedule will be assessed an additional tuition charge. For purposes of tuition billing and financial aid eligibility, full-time status is determined on a term basis and consists of 12 to 21 quarter credit hours per term. Students carrying more than 21 quarter credit hours will be charged for each quarter credit over 21. When repeating courses already attempted, students may be assessed a fee for those courses. Students are fee assessed on course registration each term. Summer is considered a separate term.

The **General Fee**, which is nonrefundable, includes social and athletic activities, student health and accident insurance and student publications.

**Room and Board** is for the academic year and includes residence hall accommodations and three meals daily on class days only (generally Monday through Thursday).

The **Optional Weekend Meal Plan** provides two meals daily from Friday through Sunday for students who wish to have weekend meals in a university dining facility (excluding designated holiday periods). Residence hall students may only remove the plan through the first two weeks of each term.

After that time, the charge cannot be credited for that term. The weekend meal plan can be added at any time during the term but will be charged a prorated fee.

## Reservation Fee and Other Fees

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Reservation Fee</td>
<td>$300</td>
</tr>
</tbody>
</table>

Required of all new students after receipt of official acceptance from the university, this reservation fee will reserve the student’s seat in class and is credited to the student’s account.

Upon submitting a university reservation fee, students become eligible to select an on-campus room assignment. Students who submit their reservation fee by April 2009 will optimize their chances to secure a residence hall of their preference. If a reservation fee is received after April 2009, residence hall preferences cannot be guaranteed. Students must also have an approved payment plan with Student Academic & Financial Services by July 10, 2009 in order to guarantee a room assignment. Students who establish an approved payment plan after July 10, 2009 could be placed in a temporary assignment regardless of fee payment date, although Residential Life will make every effort to assign students to permanent room assignments.

Requests for refunds of the reservation fee will be granted upon written request to the university prior to May 1, 2009. After May 1, 2009 the reservation fee of $300 (or $150 of such fee in the case of applicants to the North Miami Campus) is nonrefundable.

**Orientation Fee**

This nonrefundable fee, which is uniformly charged, is required of all new students for orientation and term start activities. It is charged to students who start during the fall, winter or spring term.

**Extension Students**

Tuition rates for extension students are billed based on the number of quarter credit hours scheduled.
Early Enrollment Program Tuition
Early Enrollment Program tuition is 50 percent of the 2009–2010 tuition charge. Refer to Page 23 for a description of the Early Enrollment Program. Early Enrollment Program students are also subject to appropriate university fees, including full general fee and full room and board charges. Early Enrollment Program students are not eligible for any federal financial aid or institutional need-based while enrolled in the program. Early Enrollment Program students should contact Student Academic & Financial Services for information on alternative funding and to determine how scholarships they are receiving will be affected while in the Early Enrollment Program.

Student Health and Accident Insurance
All day school students are covered by a health and accident insurance plan. Insurance information sheets are available at several locations throughout the university. Insurance cards and brochures are mailed to students within four weeks of their enrollment. Refer to the insurance brochure for a definition of the effective date of coverage and the opportunity to continue coverage over the summer.

Books and Supplies
The cost of books and supplies is approximately $700–$900 per academic year. These costs are not applied to the student’s invoice. Books and supplies must be paid for at the university’s bookstore at the time of purchase. The bookstore operates a textbook sales/buy-back program to help students minimize these costs.

PAYMENT OPTIONS

I. Annual Payments
Students may make one payment in full for the entire academic year. Students are responsible for paying all charges in full or making appropriate arrangements by the published due date of July 10, 2009.

II. Term Payments
Students may choose to make three payments a year, which are payable by the publicized due dates established prior to each term. The published due date for September 2009 is July 10, 2009.

III. Monthly Payments
Students may choose to pay the annual amount due in convenient monthly payments. This option is available through Tuition Management Systems (TMS) at www.afford.com. There is an enrollment fee to participate; however, the payments are interest free. Students interested in this option must contract with TMS and pay the first payment, in addition to the enrollment fee, by the published due date of July 10, 2009.

All Johnson & Wales University students must fulfill their financial obligations to the university by the published due date of July 10, 2009. (All off-term entrants must meet the financial obligation by the published date for that term.)

To meet your financial obligation you must do one of the following by the published due date:

• Make a full term payment
• Contract with TMS and pay the first monthly payment, as well as the enrollment fee
• Have an approved loan which covers the annual balance
• Have an approved payment plan with Student Academic & Financial Services using a combination of the above options

Students who do not fulfill their financial obligation by the published due date will have their housing assignment removed. In addition, their acceptance to enroll for the 2009-2010 academic year may also be revoked.
REFUND POLICIES

General Policy: To the extent that any charges due to the university remain unpaid, no refund check will be issued. No tuition or fees (other than the reservation fee) will be assessed for terms that the student does not begin. Students who withdraw from the university prior to the end of the academic year will have their financial aid adjusted.* Institutional grants and scholarships will be reduced in proportion to any tuition credit received as defined in the university’s Withdrawal Credit Policy. Full-term eligibility for institutional loans will be credited to the student’s account to the extent that any charges are due the university. The distribution formula for the institutional refund to the Federal Student Financial Aid program will be calculated according to federal regulations. The university’s Withdrawal Credit Policy applies to all withdrawals from the university, voluntary or involuntary.

Term charges, institutional merit scholarships and institutional aid are subject to the university’s Withdrawal Credit Policy upon withdrawal from the university. Term charges are defined as tuition, and if applicable, room only, room and board, weekend meal plan, the general fee and orientation fee. Tuition is applicable to all students, including those on approved off-campus programs including co-ops, study abroad and externships. Merit scholarships and institutional aid are defined as any source of funding from Johnson & Wales University. The General Fee is non-refundable. The official notice of withdrawal from the university may be done in person or by written notification through Student Academic & Financial Services. Refunds are calculated by the date of termination which is based on the date Student Academic & Financial Services receives notification of withdrawal from the student or faculty member. Any refund due will be issued within 45 days after the date that the university was first notified of the withdrawal.

University Withdrawal Credit Policy
If a student terminates during:
• the first or second week of the term, the university will credit 90 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 10 percent.
• the third or fourth week of the term, the university will credit 50 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 50 percent.
• the fifth or sixth week of the term, the university will credit 25 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 75 percent.

After the sixth week of the term, students will be responsible for 100 percent of the term charges and will receive 100 percent of that term’s eligible institutional aid/scholarships.

Examples of university refund policies are available upon request in the Student Academic & Financial Services Office. Refer to Page 33 for the Federal Withdrawal Policy.

FINANCIAL OBLIGATIONS

Continued enrollment as a student in good standing and certain other student benefits (diplomas, transcripts, etc.) are conditioned upon being current in all financial obligations to the university, including loans in which the university appears as a holder or guarantor.

* Any student enrolled solely in culinary lab courses, who fails to attempt any of the scheduled courses, will be considered to have withdrawn from the university.
STUDENT FINANCIAL SERVICES (SFS)

FINANCIAL PLANNING

The university realizes that financing an education may be a very complex process for many students. In order to assist students and their families in these matters, Johnson & Wales has established a staff of financial planning counselors. These counselors are available to work with students and their families on an individual basis to help them best utilize their own funds and other available resources to meet educational expenses.

For more information and assistance, call 1-866-598-2427 and ask to be connected with Student Academic & Financial Services.

FINANCIAL AID

To assist students in meeting their educational expenses, Johnson & Wales University offers several types of financial assistance — scholarships and grants, low-interest loans and employment opportunities. In many cases, qualified students receive a financial aid package which includes all three types of financial aid. Financial aid is awarded on an annual basis and is disbursed in three equal installments (fall/winter/spring).

Descriptions of Johnson & Wales financial assistance scholarship and work programs are included in this catalog.

Students participating in Study Abroad programs may be eligible for financial aid. For more information, please contact Student Academic & Financial Services.

In an effort to reduce the loan burden during the student’s first year, Johnson & Wales University will attempt to package students with a higher percentage of grant aid.

Important Note: There is a cap on the total dollar amount of scholarships, grants, awards, prizes and other aid that the university will award to a single student during a given academic year. The maximum amount is determined prior to each year’s financial aid awarding process and includes both university funded and university administered monies. Please contact Student Academic & Financial Services for further information regarding this cap.

HOW TO APPLY

To be considered for financial assistance, complete the steps listed below and submit all required documentation as soon as possible after January 1. Students must reapply for financial aid each year. Student Academic & Financial Services holds all information in strict confidence.

1. Personal Identification Number (PIN)
   Students and their parents can apply for a PIN at www.pin.ed.gov. The PIN allows students and parents to sign the FAFSA electronically and to correct previously processed FAFSA information online. Both the student and at least one parent must apply for a PIN.

2. Free Application for Federal Student Aid (FAFSA)
   The Free Application for Federal Student Aid is available online at www.fafsa.ed.gov. This form must be completed as soon as possible after January 1. The information for financial assistance is then processed by the Federal Processor and sent to the Student Academic & Financial Services Office at the university. The FAFSA code is 003404.

3. Independent Students
   To be considered independent for financial aid purposes for the 2009–2010 academic year, students must answer yes to one of the following questions:
   1. Were you born before January 1, 1986?
   2. As of today, are you married? (Answer yes if you are separated, but not divorced.)
   3. At the beginning of the 2009–2010 school year, will you be working on a master’s or doctorate program (such as an M.A., M.B.A., M.D., J.D., Ph.D., Ed.D. or graduate certificate, etc.)?
   4. Are you currently serving on active duty in the U.S. Armed Forces for purposes other than training?
5. Are you a veteran of the U.S. Armed Forces?

6. Do you have children who will receive more than half of their support from you between July 1, 2009 and June 30, 2010?

7. Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2010?

8. When you were age 13 or older, were both your parents deceased, were you in foster care or were you a dependent/ward of the court?

9. As of today, are you an emancipated minor as determined by a court in your state of legal residence?

10. As of today, are you in legal guardianship as determined by a court in your state of legal residence?

11. At any time on or after July 1, 2008, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless?

12. At any time on or after July 1, 2008, did the director of an emergency shelter program funded by the U.S. Department of Housing and Urban Development determine that you were an unaccompanied youth who was homeless?

13. At any time on or after July 1, 2008, did the director of a runaway or homeless youth basic center or transitional living program determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?

Students who cannot answer yes to one of the above questions are considered dependent and must complete their Free Application for Federal Student Aid as a dependent student. Please feel free to contact Student Academic & Financial Services with any questions.

4. Verification and Other Documentation

Student Academic & Financial Services may request additional documentation to verify information provided on the FAFSA. The student and his/her parents may be required to submit signed and dated copies of their Federal Income Tax Returns (1040). The student’s financial aid package will not be complete until all requested documentation has been received and reviewed by the Financial Aid Office. In addition, all student loan borrowers must attend an entrance and exit counseling session during which the student will be advised on his/her loan obligations.

STUDENT ELIGIBILITY REQUIREMENTS

Financial aid will be distributed to the student based upon the student’s financial need. All students seeking financial assistance must file a FAFSA with the Federal Processor. The FAFSA form is used to determine the student’s financial need.

Financial need is the difference between the cost of the student’s education (tuition and fees, room and board, books and supplies, transportation and personal expenses) and the total contribution expected from the student and his/her family. The student’s total family contribution is based on an analysis of the information which the student supplied on the FAFSA. Among the items considered are total family income, assets, the number of people in the household, the number of siblings in college, and the student’s own resources, such as earnings, savings, and untaxed income which the student may receive. Johnson & Wales University also considers these items when determining eligibility for university funds.

Campus-based financial aid programs, including the Federal Supplemental Educational Opportunity Grant (SEOG), Federal Perkins Loan and Federal Work-Study programs are administered by Johnson & Wales University. Students apply for these programs through the filing of the FAFSA.
Federal Academic Competitiveness Grant (ACG)

This federally funded program provides financial assistance to students who are U.S. citizens or eligible non-citizens and are eligible for the Federal Pell Grant. The ACG is available to first-year students who have completed a rigorous secondary high school program of study after January 1, 2006. (Johnson & Wales will evaluate criteria.) First-year students may receive up to $750 for their first academic year. Second-year students may be eligible for up to $1,300 if they have completed a rigorous high school program of study after January 1, 2005, have a cumulative 3.00 GPA and are eligible to receive a Pell Grant.

Federal Pell Grant

The Federal Pell Grant is a federally funded entitlement program to assist needy undergraduate students. Eligibility for these grants is determined by the U.S. Department of Education based on the information provided on the FAFSA. Pell recipients can have a less than half-time status. Students with a previous bachelor’s degree are not eligible for a Federal Pell Grant.

The maximum Pell Grant award for the 2008–09 award year (July 1, 2008 to June 30, 2009) was $4,731. The maximum Pell Grant award can change each award year and depends on program funding. Further information may be obtained by visiting the Web site of the U.S. Department of Education at http://studentaid.ed.gov.

Federal Supplemental Educational Opportunity Grant (SEOG)

This federally funded program provides financial assistance to students who demonstrate exceptional financial need. The amount Johnson & Wales University awards ranges from $100 up to a maximum of approximately $1,000 per academic year and is based on financial need and the availability of funds. Students with a previous bachelor’s degree are not eligible for a Federal Supplemental Educational Opportunity Grant.

Federal Work-Study Program

Federal Work-Study is a federally funded program that provides part-time employment to students with financial need. Positions are available throughout the university and with selected off-campus community service agencies.

Work-study gives students the opportunity to earn money to help pay educational expenses. Students are paid at an hourly rate for actual hours worked. The amount earned cannot exceed the total work-study award. Work-study funds are paid bi-weekly directly to the student; therefore, funds will not be applied to the student’s account unless arrangements are made with Student Academic & Financial Services.

Federal Perkins Loan

This low-interest loan is funded by the federal government and administered directly by the university. A Master Promissory Note for this loan will be mailed to all eligible students. Students may borrow up to $4,000 for each year of undergraduate study (the total a student can borrow as an undergraduate is $20,000). However, the amount a student may borrow may be less than the maximum available. The university receives a certain amount of Perkins funds each year from the U.S. Department of Education. When all available funds for that award year have been distributed, no more award funds can be made for that year. The amount a student will receive depends on financial need and the availability of funds.

Students must begin to repay this loan nine months after they leave college or drop below half-time status. The repayment of principal and interest may be extended over a 10-year period. The amount of each payment depends upon the amount of the student’s debt and the length of the student’s repayment period, but the student must pay a minimum of $40 per month.

Federal Subsidized Stafford Loan

This loan program provides low-interest loans to students who demonstrate financial need. A Master Promissory Note for these loans will be mailed to all eligible students with their financial aid award packets.
Students may borrow up to a maximum of $3,500 per academic year for the first year of undergraduate study, $4,500 for the second year and $5,500 per year for the third and fourth years. The student must begin repayment six months after he/she leaves college or drops below half-time status, and the student’s payment will be a minimum of $50 per month. The amount of the student’s monthly payment will be determined based upon the amount of student debt and the length of the repayment period.

Federal Unsubsidized Stafford Loan
This loan program offers low-interest loans to students who demonstrate little or no “financial need.” The terms and loan limits are the same as for the Federal Subsidized Stafford Loan except that the federal government does not pay interest on the borrower’s behalf while the borrower is enrolled in school. During that time, the student borrower can choose either to make quarterly interest payments or to “capitalize” interest. “Capitalizing” interest means the lender will add interest accrued to the principal balance. This will eliminate the need for interest payments while in school.

Independent students are also eligible to borrow Federal Unsubsidized Stafford Loans. Students may borrow up to a maximum of $4,000 per academic year for the first and second years, and $5,000 per year for the third and fourth years. These amounts are in addition to the Federal Subsidized/Unsubsidized Stafford Loan amounts discussed above.

The Parent Loan Program for Undergraduate Students (PLUS)
The Federal PLUS Program provides loans to parents of dependent students to attend college. PLUS borrowers do not have to demonstrate need, but are subject to a credit analysis by the lending institution. The parent applying for the loan must fill out a PLUS Master Promissory Note as well as a Loan Amount Request Form. Repayment of this loan must begin within 30 days of the time the loan is fully disbursed annually, or the borrower can contact the lender to request a deferment. The borrowing limit is the total cost of attendance, minus any financial aid being received.

Borrowers have the right to select any U.S. Department of Education approved lenders for Stafford loans and PLUS loans. The university is required to process the documentation to obtain these loans from any U.S. Department of Education approved lender selected by students or parents of dependent students, as applicable.

Please note that the loan information described in this catalog is based upon the available information as of the date of the production of this catalog. Updated information regarding federal grants and loans may be obtained by visiting the U.S. Department of Education Web site at http://studentaid.ed.gov.

Applications for these loans are available in Student Academic & Financial Services or on your selected lender’s Web site.

Aid from these programs is awarded on the basis of financial need. In order to receive maximum consideration for financial assistance,
it is recommended that the student apply as soon as possible after January 1. The award process for first-year students begins in March of each academic year. Renewal of financial aid is not automatic. Recipients are required to reapply each year by the announced deadline.

To be eligible for these programs, students must meet the following criteria:
1. demonstrate financial need;
2. maintain satisfactory academic progress (financial aid will be suspended until satisfactory academic progress is again achieved);
3. be enrolled in an eligible degree or certificate program;
4. be enrolled on at least a half-time (at least 6.0 quarter credit hours) basis (students enrolled on a less-than-full-time basis may have their financial aid reduced; some students enrolled on a less-than-half-time basis may qualify for a Federal Pell Grant);
5. be a U.S. citizen, permanent resident, or eligible non-citizen;
6. not owe a refund on a Federal Pell Grant or be in default on a Federal Perkins Loan, Federal Subsidized Stafford Loan, Federal Unsubsidized Stafford Loan, Parent Loan for Undergraduate Students (PLUS) or Supplemental Loan for Students (SLS); and
7. sign a Statement of Educational Purpose, a Statement of Registration Status and a Statement on Overpayments and Defaults.

Students are eligible to receive financial aid as long as they maintain satisfactory academic progress as defined on Page 45 of this catalog, and in the Student Handbook. Students who fail to maintain satisfactory academic standing will be notified by Student Academic & Financial Services. All financial aid will be suspended until satisfactory academic progress is again achieved.

Return of Title IV Funds (federal aid)
When students withdraw during a payment period or period of enrollment, the amount of financial aid program assistance earned up to that point is determined by a specific formula. If the student receives (or the university receives on the student’s behalf) less assistance than the amount earned, the student may be able to receive those additional funds. Students who received more assistance than what they earned must return the excess funds.

The amount of federal assistance earned is determined on a pro-rata basis. That is, if a student completes 30 percent of the payment period or period of enrollment, the student earns 30 percent of the federal assistance he or she was originally scheduled to receive. Once the student completes more than 60 percent of the payment period or period of enrollment, the student earns all scheduled federal assistance.

The student’s loan monies (subsidized, unsubsidized and PLUS) must be received by Johnson & Wales University before the student’s notification date, in order for the money to be considered within the formula. If the student is eligible for a post disbursement, a written notice will be mailed requesting the consent of the borrower to post to the student’s account. The amount of institutional assistance earned is based on the week that the student withdraws from the university and follows the percentage the university credits the student’s charges (Page 33).

If a student receives excess funds that must be returned, Johnson & Wales University must return a portion of the excess equal to the lesser of
• the student’s institutional charges multiplied by the unearned percentage of the student’s funds
• the entire amount of the excess funds

If the university is not required to return all excess funds, the student must return the remaining amount. Any loan funds that the student must return, must be repaid by the student (or his or her parents for a PLUS Loan) in accordance with the terms of the promissory note.

If a student is responsible for returning grant funds, the student does not have to return the full amount. Students are not required to return 50 percent of the grant assistance received that is the student’s responsibility to pay. Any amount not returned is a grant overpayment and the student must make arrangements with the university or Department of Education to return the funds.
Federal regulations establish the following allocation for students who receive Title IV, HEA program funds:

A refund owed to a student who received funds under any Title IV, HEA program will be returned to the Title IV, HEA programs from which the student received aid in the following order until the amounts received by the student from these programs is eliminated: the Perkins Loan, the Unsubsidized/Subsidized Stafford Loan, the Parent PLUS Loan, the Pell Grant, Academic Competitiveness Grant, the National SMART Grant, the FSEOG program, all other sources of aid, and the student.

FINANCIAL AID PROGRAMS

The following programs are the major financial aid resources available to students. Students may receive assistance from any one of these, or from a combination of all of these programs, in what is called a financial aid package. Student eligibility for these programs is based on completion and submission of the form(s) described in the How to Apply section. Since awards are not automatically renewable, students must reapply each year. All financial aid awards are determined based on an academic year (fall/winter/spring terms). Financial aid awards are disbursed based on this term system, which equates to three disbursements.

Federal loan programs are applied to the student’s account with the university in equal disbursements per term based on the loan period and the student’s entrance date.

Johnson & Wales Grant

This grant is awarded to students based on the annual financial aid awarding process and the student’s financial need.

FINANCIAL ASSISTANCE, SCHOLARSHIPS AND WORK PROGRAMS

Last year, Johnson & Wales University awarded more than $94 million in institutional aid to students. Awards range from $500 to full tuition. Scholarships, grants, loans and work programs awarded depend on the university budget, and are dependent on students meeting program eligibility requirements. These programs are only available to full-time, undergraduate, day school students during the academic year and are not available during the summer term. Note: Scholarship funds are applied to the student’s account with the university in three equal disbursements by term (e.g., a $3,000 Presidential Academic Scholarship recipient would receive $1,000 per term).

Most scholarships are renewable for up to four consecutive years of enrollment. For many of the programs listed below, a minimum grade point average is required for continued eligibility. Scholarships and grants are not awarded based on athletic ability or participation.

Important Note: There is a cap on the total dollar amount of scholarships, grants, awards, prizes and other aid that the university will award to a single student during a given academic year. The maximum amount is determined prior to each year’s financial aid awarding process and includes both university funded and university administered monies. Please contact Student Academic & Financial Services for further information regarding this cap.

Students must maintain a GPA of 2.75 in order for the scholarship to be renewed. The scholarship application is the application for admission to the university.
**Tuition Exchange Scholarship:** Students who meet the qualifications of both Johnson & Wales and the participating exchange college or university may be awarded up to full tuition. Applications are available at the participating institutions which are listed on the tuition exchange Web site, www.tuitionexchange.org.

**FUNDED/DONATED SCHOLARSHIPS**

Johnson & Wales University administers donated scholarships which are funded by businesses, individuals and professional organizations. In many cases, students must have completed at least one term of enrollment at Johnson & Wales to be considered. These funds are awarded to eligible candidates based on established criteria.

**OUTSIDE SCHOLARSHIPS**

There are many other potential scholarship sources that students should consider to help finance their education. Students should contact the Higher Education Assistance Agency in their home states for information about the possibility of state grants or scholarships.

Scholarship aid is often available from high school and community organizations with which students or their parent(s) may be affiliated. Local libraries are an excellent resource for finding information on scholarships from organizations throughout the United States. There are also a number of Web sites available to assist students in the scholarship search. To view a guide to free scholarship searches online, please visit the Johnson & Wales Web site at www.jwu.edu.

Many companies provide scholarship aid for children of their employees, while others provide aid directly to students who work for them part-time while in school.

**North Carolina Legislative Tuition Grant:**

Eligible students may receive up to $700 annually. This award is based on financial need. Students must submit the FAFSA by March 14, 2009 and have a $0 Expected Family Contribution (EFC). Prior to September enrollment at Johnson & Wales University, students must demonstrate that they are U.S. citizens, permanent residents of North Carolina and enrolled as full-time students. Students must maintain satisfactory academic progress in accordance with JWU guidelines for continued eligibility and be eligible to receive Title IV funds. Award recipients, initial eligibility and amount of awards are determined by the College Foundation of North Carolina.

**Important Note:** There is a cap on the total dollar amount of scholarships, grants, awards, prizes and other aid that the university will award to a single student during a given academic year. The maximum amount is determined prior to each year’s financial aid awarding process and includes both university funded and university administered monies. Please contact Student Academic & Financial Services for further information regarding this cap.

**North Carolina Student Incentive Grant:**

The state of North Carolina provides JWU grant resources to distribute to permanent N.C. residents. All permanent North Carolina residents, regardless of financial need, are eligible to receive up to $1,950 annually ($650 per term, not available for the summer term). Students must meet the current N.C. residency requirements of the University of North Carolina and be enrolled full time in a degree-granting program at a private college or university in North Carolina. Students must maintain satisfactory academic progress according to JWU guidelines. Students with a previous bachelor’s degree or seeking a second associate degree are not eligible for this grant.
North Carolina Education Lottery Scholarship: Eligible students may receive up to $2,500 annually. This award is based on financial need. Students must complete a FAFSA and have an $1,801 to $5,000 Expected Family Contribution (EFC). Prior to September enrollment at Johnson & Wales, students must demonstrate that they are U.S. citizens, permanent residents of North Carolina and enrolled as full-time students. Students must maintain satisfactory academic progress in accordance with JWU guidelines for continued eligibility and be eligible to receive Title IV funds. Award recipients, initial eligibility and amount of awards are determined by the College Foundation of North Carolina.

State Contractual Scholarship Fund: North Carolina provides additional resources to JWU to distribute to permanent residents based on financial need. This evaluation is based on the information filed in the student’s FAFSA. Eligible students may receive $1,350 annually, although this amount is subject to change. Students must meet the current N.C. residency requirements of the University of North Carolina, be enrolled full time in a degree-granting program at JWU’s Charlotte Campus and maintain satisfactory academic progress according to JWU guidelines. Students with a previous bachelor’s degree or seeking a second associate degree are not eligible for this grant.

Education Access Rewards North Carolina Scholars Fund Program (EARN): Eligible students may receive up to $4,000 annually (not available for summer term) to replace college loans. This award is based on financial need. To be eligible students must file a Free Application for Federal Student Aid (FAFSA), be North Carolina residents, meet federal guidelines to be eligible to receive Title IV funds, have family income that is at or below 200% of the federal poverty level, and enroll as a full-time undergraduate student immediately following graduation from a North Carolina high school, home school or receipt of a GED. EARN Scholarships are only renewable for those students who received an EARN in their first academic year and continue to meet all eligibility requirements including Satisfactory Academic Progress (SAP) as set forth by JWU. EARN Scholarships are available for two academic years. Initial eligibility is determined annually by the College Foundation of North Carolina.

State Grants/Scholarships: Students from the following states may be eligible for state grant money:

- Delaware
- Maryland
- Maine
- Pennsylvania
- Rhode Island
- Vermont

Contact the Higher Education Authority in your home state for more information.

The American Hotel Foundation: Scholarship aid is allocated each year by the foundation to The Hospitality College. Awards are made on the basis of student intent to work in the hotel industry, cumulative average and need. Sophomores who are continuing their education should contact their hospitality advisor for further information.

Dollars for Scholars: Johnson & Wales University will match scholarship awards made to entering students by affiliated Dollars for Scholars chapters of Scholarship America.

The Educational Foundation of the National Restaurant Association: The Educational Foundation administers approximately 150 scholarships, ranging from $750 to $2,000, with one $10,000 tuition-only award. These scholarships are awarded to qualified undergraduate students of food service/hospitality management. Eligibility requirements include full-time status for each term in a degree-granting program starting with the fall term, attendance at one college or university for a full academic year starting with the fall term, and interest in food service as demonstrated through industry work experience. A completed application package must be received by March 1. For more information, please contact the Educational Foundation at 175 West Jackson Blvd., Suite 1500, Chicago, IL 60604-1010; 312-715-1010.
International Association of Culinary Professionals Foundation Scholarship (IACP): The IACP Foundation awards one $2,500 scholarship per campus, which is matched by Johnson & Wales. All criteria are determined by IACP. Applications are available through IACP, with an application deadline of December 1.

International Food Service Executives Association (IFSEA): Scholarship aid is available to students enrolled full time in food service and hospitality programs. For more information, contact the International Food Service Executives Association, 1100 South State Road, #7, Suite 103, Margate, FL 33065, or call 305-977-0767; fax 305-977-0884.

WORK PROGRAMS
Fellowship Program: Selection for this program is based on strong academic performance and successful completion of the externship. Applications are available in the Culinary Administration Office. Awards for 2009–2010 are up to $9,000 and are renewable based on annual employee performance and 2.75 GPA maintenance.

 Resident Assistant Program: Students are selected for this program based on strong academic performance and residence hall experience. Applications are available at the Office of Residential Life. Awards range from $8,200 to $9,500 and are renewable based on annual employee performance.

Student Assistant Employment Program: Scholarships are awarded to all students selected for this program. No application is necessary, but a résumé is requested by the hiring department for consideration. Selection is based on strong academic performance and the possession of necessary skills. Awards for 2009–2010 are up to $3,000 and are renewable based on annual employee performance and 2.50 GPA maintenance.

Teaching Assistant Program: Selection for this program is based on strong academic performance and successful completion of the externship. Applications are available in the Culinary Administration Office. Awards for 2009–2010 are up to $7,500 and are renewable based on annual employee performance and 2.75 GPA maintenance.

Important notice for international students: Please be aware that some of the above programs offer a room and board grant for eligible summer participants. Non-resident alien students with an F-1, J-1 or Q-1 visa will be subject to U.S. income tax withholding on any grant received for room and board.
SATISFACTORY ACADEMIC PROGRESS

A student must meet the listed standards while enrolled at Johnson & Wales University. Students in certificate or degree programs may receive financial aid for not more than 150 percent of normal program completion time.

Student may be allowed up to two consecutive probationary terms of satisfactory academic progress. Student loses financial aid eligibility the third time they are not making satisfactory academic progress.

Students will be reviewed at the end of each enrolled term to determine they are meeting the aforementioned satisfactory academic progress criteria. If a student is nearing stated credit and GPA requirements, the student will be notified in writing and placed on probation for up to two consecutive terms. Following the two terms, if the student has exceeded the 150 percent completion requirement and/or has not met the GPA requirement, the student will not be eligible for financial aid for the future term(s), and will be notified in writing of their loss of eligibility. Students may remain eligible to register classes; however, alternative payment arrangements with Student Academic & Financial Services will need to be made.

Students who have extenuating circumstances during a period of probation may appeal to Student Academic & Financial Services. The appeal must be filed within two weeks upon notification of probation. The Review Committee will then respond to the appeal, in writing, within two weeks of receipt. Specific guidelines can be obtained by contacting Student Academic & Financial Services.

**LEAVES OF ABSENCE**

Time for an approved leave of absence will not be included in the calculation of a student’s maximum program length.

**REMEDIAL COURSES**

Remedial courses are not included in a student’s program of study or GPA and therefore, will not affect satisfactory academic progress.
class schedules

Undergraduate classes for students are generally scheduled two-to-five days per week, Monday through Friday. The typical schedule for all business and hospitality students, and culinary students not taking labs, is three or four courses per term. Students who are eligible to Web register are advised to maintain full-time status (12 credits) to be eligible for financial aid.

Occasionally, make-up classes are scheduled, due to holidays or other missed days, to meet minimum classroom hour requirements. The dates of these rescheduled classes are available on uconnect. It is possible that at times a course may not be rescheduled and the student will be responsible for all work as outlined in the syllabus.

summer sessions

Optional summer session courses may be offered by the university. Individual courses may not be offered in the summer if student interest or enrollment is not sufficient; as a result, summer completion cannot be guaranteed.

Students matriculating at Johnson & Wales are not granted credit for summer session courses taken at other institutions unless prior permission has been granted by Student Academic & Financial Services.

courses taken at other institutions

Undergraduate students requesting to take courses at another institution must submit their requests in writing to obtain prior written approval from Student Academic & Financial Services. The following guidelines must be met:

• The student may not have taken the course(s) previously at the university and received a grade of “F,” “W,” “WF,” “I” or “GP.”
• Grades of “C” or better (2.0 or equivalent) from an accredited institution may be accepted for transfer.
• The course(s) must be taken within one year of permission being granted.
• Courses cannot be taken locally unless JWU does not expect to offer the class before the student’s anticipated graduation date.

Students must submit a request to take classes elsewhere form (which may be sent by fax or e-mail) which includes their ID number, descriptions of the courses they desire to take at another institution, the name of the institution, and any other pertinent details of their situation.

Students, as always, are responsible for meeting the requirements of satisfactory academic progress.

attendance

Students are expected to attend every meeting of every class in which they are enrolled. The maximum number of absences for valid reasons is based on the quarter credit hours for the course, with the exception of experiential education assignments and laboratories, which have their own specific attendance criteria. Absences beyond the stated maximum for each course may jeopardize academic standing or financial aid.

Student Academic & Financial Services should be notified immediately of any necessary prolonged absences. The Student Handbook contains rules and regulations for frequent or prolonged absences from class.

Students are expected to familiarize themselves with attendance requirements outlined in the Student Handbook. The Student Handbook can be found online at www.jwu.edu. Select Charlotte Campus > Student Life.

Grade reports are viewable on uconnect.

Honors Option (H)

If a course was taken as an Honors Program requirement, the grade received will be followed by “H” (for example, AH, BH).

Failure (F)

Issued if a student maintains required attendance but fails to achieve adequate scholastic progress. The grade is recorded permanently on the student’s academic record. Upon successful completion of the course at a later date, the cumulative average is adjusted to reflect only the passing grade. However, both grades will appear on the academic transcript. This system allows students to recover academically from poor terms and graduate within a reasonable amount of time.

Withdrawal (W), Withdrawal/Pass (WP), Withdrawal/Fail (WF)

In order to record attempted credits (including for purposes of determining satisfactory academic progress), a grade of W, WP, or WF is recorded when a student withdraws, or is withdrawn due to excessive absences, from a registered course after its add/drop period has ended. Students withdrawing from graduate and postgraduate level courses are eligible for a W grade only. A W is a punitive and failing grade issued at the instructor’s discretion, and is entered permanently into the term and cumulative grade point averages. In order to qualify for a WP, the student must have an estimated grade of 60 or higher at the time of withdrawal. This grade is not entered into the term and cumulative grade point averages. If the estimated grade is below 60, the student will be issued a WF, which is entered into the term and cumulative grade point averages as a failing grade until successful completion of the course at a later date.

Incomplete (I)

Issued to students if they are unable to complete course requirements (because of authorized absences due to service commitment or illness). Outstanding work must be completed within two weeks of the exam class day or the grade will automatically become an “F.”

No Credit (NC)

A non-punitive designation issued to a student who has been authorized to withdraw from class, or the university, due to extenuating circumstances documented with a Student Academic & Financial Services counselor, or who has withdrawn from the university prior to mid-term.

Grade Pending (GP)

A temporary mark given when the completion of course requirements is still underway. A grade pending is not calculated into the cumulative average and is generally used under extreme, extenuating circumstances. If a grade is not submitted to replace the “GP” within one year, it will automatically become an “F.”

Audit (AU)

Issued when no academic credit is granted. The academic work required in an audit situation is at the discretion of the individual faculty member. Audited classes require normal tuition fees, and must be scheduled during the regular scheduling process. Prerequisite course requirements must be met. Not applicable for laboratory classes.
**Proficiency (P)**
 Granted for achievement of multiple levels of skills in progression where the self-paced approach is in effect. This grade is not calculated into the cumulative average.

**Prior Learning (PL)**
 Students may earn credits for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel programs, organizations or other comparable sources.

**Satisfactory/Unsatisfactory (S/U)**
 Used for designated courses throughout the university.

**Challenge Exam (CX)**
 Granted for specifically designated courses upon successful completion of department challenge exams.

**No Grade (NG)**
 “NG” is issued temporarily when there is no grade provided by the faculty member. This grade is not factored into the student’s GPA. Once a grade is submitted, the cumulative average and transcript will reflect only the new grade.

**ACADEMIC AND PERFORMANCE TRANSCRIPTS**
 A transcript is a representation of a student’s entire academic record while at Johnson & Wales. The university employs two types of transcripts: academic and performance. An academic transcript reflects a student’s unabridged academic history at the institution, including all letter grades. A performance transcript identifies the practical skills, including writing, associated with a student’s academic course work. Skills are graded as “developing,” “validated,” “mastered” or “not tested.” The purpose of a performance transcript is to better represent the practical skills obtained by the student.

Official transcripts are printed on official paper and then placed in sealed envelopes issued directly to the student or authorized designee. Official transcripts may be released only upon written request of the student; this is done in accordance with the Family Educational Rights and Privacy Act (FERPA). The university does not charge a fee for transcripts. Students are only allowed 10 transcripts per year. Transcripts will not be released if a student is not current in all financial obligations to the university. Transcripts are not official if faxed. Allow three business days for processing. Students intending to pick up transcripts in-person must make the request in person at Student Academic & Financial Services or complete a transcript request.

Unofficial transcripts may be obtained on uconnect.

**ACADEMIC STANDARDS**
 The university expects all students, part time or full time, to meet minimum standards of academic achievement. Students are in good academic standing if they maintain a 2.0 or better cumulative grade point average, which is a graduation requirement. All freshman students begin in good academic standing.

Withdrawals (Page 48), grades of “incomplete” (Page 48), failures (Page 48), repeated courses (Page 50), and transfer courses (Page 52) may affect a student’s academic standing and progress. Remedial courses are not included in a student’s program of study and therefore will not be reflected in the student’s GPA. Johnson & Wales does not offer courses on a pass/fail basis.

**ACADEMIC PROBATION**
 The student will be placed on academic probation if his or her GPA is less than 2.0, but higher than suspension standards. All students placed on probation will be advised by their academic counselor and will be offered appropriate resources. Students may matriculate on probationary status for no more than three consecutive terms.
During the time of academic probation, the student’s progress is monitored by the Committee on Academic Standing. This committee determines whether to impose academic suspension or permanent academic dismissal if academic achievement standards are not met.

Students on probation who achieve a GPA of 2.0 or better will return to good academic standing. Students on academic probation will need to meet with academic counselors before registering for courses. Web registration is not available to students on academic probation until they meet with an academic counselor.

**SUSPENSION**

Students will be placed on suspension if the student’s GPA is below a 1.00 after the first term; if the student’s GPA is below a 1.25 after the second term; if the student’s GPA is below a 1.50 after the third term. The suspended student is not allowed to matriculate at the university and is expected to work on academic deficiencies. The student must petition the Committee on Academic Standing in order to reinstate and matriculate at the university. The student must provide documentation of academic improvement.

**COURSE REPETITIONS AND INCOMPLETES**

Grades earned or skills developed as a regular student, or during the continuation period as a nonregular student, may be substituted for previous course failures in the calculation of the student’s grade point average. The repeated course will be calculated as a course attempted for purposes of determining satisfactory academic progress. The student may not extend their program beyond one-and-one-half times the normal program length.

**MITIGATING CIRCUMSTANCES**

The Committee on Academic Standing may waive interim satisfactory standards for circumstances of poor health, family crisis, or other significant occurrences beyond the control of the student. Documentation of the mitigating event and demonstration by the student of the adverse impact on the student’s satisfactory progress must be provided.

Suspended students, after one term of non-matriculation, may appeal in writing to the Committee on Academic Standing. Dismissed students may appeal in writing to the Academic Appeals Committee. All letters should be received in Student Academic & Financial Services no later than six weeks after dismissal. Committee decisions are final.

Students who reinstated into the university will be placed on “Academic Warning” and will be allowed to schedule for 13.5 credits in academic classes or 15 in laboratory classes. In addition, students are required to attend a mandatory study skills strategies seminar and tutoring in the content areas. Failure to complete this requirement will result in immediate dismissal. These students risk permanent dismissal from the university if they are unable to meet the academic guidelines.

**ACADEMIC ACHIEVEMENT STANDARDS**

**Status: first term of enrollment**

(Attempting 0–21 credits)

End of Term Outcome

below 1.00 = suspension

1.00–1.99 = 1st term on probation

2.00 or higher = good standing

**Status: first term on probation**

End of Term Outcome

below 1.00 = dismissal

1.00–1.25 = suspension

1.26–1.99 = 2nd term on probation

2.00 or higher = return to good standing

**Status: second consecutive term on probation**

End of Term Outcome

0–1.25 = dismissal

1.26–1.49 = suspension

1.50–1.99 = 3rd term on probation

2.00 or higher = return to good standing

**Status: third consecutive term on probation**

End of Term Outcome

0–1.50 = dismissal

1.51–1.99 = suspension

2.00 or higher = return to good standing
**COURSE REPEAT PROBATION**

Undergraduate students will be allowed no more than three (3) attempts to complete each course successfully. Students who pass a course, but wish to improve their grade, may repeat the course if it is available. The highest grade earned will be calculated into the grade point average.

**REQUIRED COURSES**

Students who fail a course after a second attempt will be assigned an academic standing hold and will be placed on academic probation. Basic Mathematics, CAR and ENG0001 English Writing Workshop courses are not included in this policy and students have the opportunity to retake these courses more than three times.

**DISMISSAL**

Students who fail the same course after a third attempt may be academically dismissed.

**SUSPENSION**

Students who attempt the same course three times and earn grades of W, WP, WF or any combinations of W's, WP's, WF's, or F's will be assigned an academic standing hold; these students may be subject to academic suspension if the course is not successfully completed during the next course offering.

**APPEALS**

Students can appeal their academic suspension or dismissal if extenuating circumstances exist. These appeals are made to the Academic Appeals Committee. A student may appeal only once, and the decision of the committee is final.

**CONCENTRATIONS**

In programs that require a concentration, students will be given the following options in the event that they cannot successfully complete a concentration course requirement at the third attempt:

1. Make an alternate concentration course selection (if available) or
2. Select a new concentration to meet degree requirements.

**COURSES NOT REQUIRED**

If the attempted course is not a specific degree requirement, the student will be unable to attempt the course again. The student must then select an alternate course to meet degree requirements.

**GRADUATION REQUIREMENTS**

If the attempted course is a mandated graduation requirement such as Career Capstone (CAR0010), Sanitation Certification or Writing Workshop, the student has a maximum of nine (9) terms to complete the course.

**UNIT OF CREDIT**

The university measures academic progress using the quarter credit hour system. Courses are offered in three formats and may combine two or more of those formats, which are: lecture, laboratory and experiential.

Generally, one quarter credit represents 10 hours of instruction, which includes class lecture and additional activities; one quarter credit hour equals two laboratory hours or three experiential hours. Furthermore, all courses require additional hours of study and preparation outside of the classroom or learning environment.

**RESIDENCY REQUIREMENT**

Candidates for associate degrees must earn their final 31.5 quarter hours of credit as enrolled students, half of which must be in the major area of study. Candidates for the bachelor of science degree must earn their final 45 quarter hours of credit as enrolled students, of which 22.5 quarter hours of credit must be in the major area of study.

**COMMUNITY SERVICE LEARNING**

All full-time undergraduate students at the Charlotte Campus of Johnson & Wales University have the opportunity to complete a Community Service Learning (CSL) experience. The CSL experience is embedded in the LEAD2001 Foundations of Leadership Studies course.
CSL is designed to introduce students to the concepts behind service learning, volunteerism and civic responsibility while participating in a hands-on service experience at a local community-based organization. Failure to fulfill this requirement, as outlined in class, will have a negative impact on the student’s grade.

**GRADUATION REQUIREMENTS**

All students must submit an online diploma application one academic year prior to their graduation term in order to receive a diploma. Students must file one application for each expected degree (i.e. associate, bachelor’s). The application ensures that students are reviewed for graduation at the correct time, that correct information is presented on the diploma and that it is mailed to the correct address.

Graduation requires successful completion of a prescribed sequence of study and a minimum 2.00 grade point average. Students with a cumulative GPA below 2.00 will be in noncompliance with the criteria for good academic standing and may be subject to academic dismissal. Furthermore, as required by their program, all students must successfully complete Career Capstone (CAR0010), and any and all requirements as indicated in the catalog (for example, culinary/pastry/hospitality students are required to take FSM1065 Food Safety and Sanitation Management and must pass a national certification exam recognized by the Conference for Food Protection to fulfill graduation requirements).

All associate-level degrees require the completion of a minimum of 90 quarter credits. All bachelor’s-level degrees require a minimum of an additional ninety (90) quarter credits, for a total of 180 quarter credits. While most major programs have variations that require slightly more quarter credits for completion, no program requires fewer than the 90/180 quarter credit minimum.

All students must be current in all financial obligations to the university, including tuition, fees and other expenses, before a diploma will be issued.

Permission to participate in commencement exercises does not imply that graduation requirements have been met.

**WRITING REQUIREMENT**

Students who graduate with a bachelor of science degree must leave Johnson & Wales with effective writing skills. To help them meet this requirement, all students entering or transferring to the university are required to achieve a minimum score of “validated” in a Performance Transcript assessment prior to graduating with a bachelor of science degree. Depending on the major, these writing skills will be assessed at the completion of ENG1021 Advanced Composition. If a “validated” assessment is not achieved at this point, students must successfully complete ENG0001, a Performance Transcript Writing course, and achieve a “validated” score. This, in effect, is a graduation writing requirement for all students pursuing a bachelor of science degree from JWU.

**HONORS**

Eligible degree candidates receive cum laude, magna cum laude and summa cum laude recognition according to their academic program average. Students with the designated GPA are eligible to receive honors as follows: cum laude, 3.40–3.60; magna cum laude, 3.61–3.80; and summa cum laude, 3.81–4.00.

**TRANSFER & CAREER PREREQUISITES**

Students who intend to transfer to other colleges or enroll in graduate schools after graduation must determine the requirements of those institutions and plan their programs of study accordingly. Johnson & Wales University makes no claim or guarantee for transfer credit to other academic institutions. Similarly, students who intend to take state or foreign business, trade, or professional licensing examinations should determine the prerequisites of those jurisdictions prior to selecting programs of study.

Students who are interested in transferring to JWU should see Page 22 for information on transfer admissions.
ONLINE LEARNING

The university offers a limited number of online courses. Courses with an online option are identified in the Course Descriptions and Programs of Study sections of the catalog. Policies pertaining to online courses are available in the Student Handbook.

DEAN’S LIST

In recognition of scholastic achievement, full-time students (carrying a minimum of 12 quarter credit hours) at Johnson & Wales who have achieved a term GPA of 3.40 or above receive Dean’s List commendation.

HONORS PROGRAM

This program offers academically talented students the opportunity to explore challenging and stimulating courses. Eligible applicants must have taken two college prep mathematics courses and one college prep English course, maintained an average of B or better, placed in the top 25 percent of their high school graduating class, submitted SAT or ACT scores above the national average, and entered JWU in the fall of their freshman year.

Honors students enroll in honors sections of some general studies courses and may choose the honors option (H-option) in other courses.

Students enrolled in the Honors Program often receive preference for on-campus interviews, tutorial positions, resident assistant positions, freshman housing and residence hall roommate assignments. Early graduation is possible through accelerated course work.

Two honors designations are available upon graduation. To receive the “Honors Scholar” designation, graduating seniors must successfully complete a number of general studies honors courses in addition to some H-option courses. To receive the “University Honors Scholar” designation, graduating seniors must also successfully complete RSCH3001 and submit an accepted Honors Thesis.

Business/Hospitality

At the bachelor’s level, students must complete a total of 12 honors/H-option courses for a designation as an “Honors Scholar.” Honors students who also submit an accepted scholarly paper receive the “University Honors Scholar” designation.

Culinary Arts/Baking & Pastry Arts

At the associate level, students must complete a total of nine honors/H-option courses, including labs, for a designation.

At the bachelor’s level, students must complete a total of 16 honors/H-option courses/labs for a designation as an “Honors Scholar.” Honors students who also submit an accepted scholarly paper receive the “University Honors Scholar” designation.

CONCENTRATIONS

The College of Business offers 13.5 quarter credit hour concentrations in Advertising; Entrepreneurship; Financial Services Management; Human Resources Management; Marketing Communications and Operations Management.

The Hospitality College offers 13.5 quarter credit hour concentrations in Beverage Service Management; Entertainment Management; Entrepreneurship; Food and Beverage Management; International Hospitality Operations Management; Sales, Meeting and Event Management; Sports and Entertainment Facility Management; and Sports Management.

The School of Arts & Sciences offers 13.5 quarter credit hour concentrations in Global Perspectives, History, Interdisciplinary Studies, Leadership Studies, Literature, Psychology and Sociology. These concentrations allow students to pursue in depth areas of general studies in which they have special interest or aptitude.

NOTE: Particular majors which are not eligible for specific concentrations are listed in the “notes” section following each concentration’s requirements.

Successful completion of a concentration is recorded on the student’s transcript upon graduation.
ACADEMIC COUNSELING

Academic counselors are available in the Student Academic & Financial Services Office to assist students with preparation for graduation. Their goal is to assist students in evaluating, developing, and maximizing their potential by providing guidance and support.

All students are encouraged to meet with an academic counselor. Such a meeting is required for students experiencing academic difficulty. Appointments are recommended.

ACADEMIC HONOR SOCIETIES

Special Honors and Rewards Program (SHARP)

SHARP is an honors program designed for qualified undergraduate students who wish to accelerate their programs to complete degree requirements in less than the normally required time. This is accomplished by increasing the student’s course load each term as scheduling permits. SHARP results in savings of time and expenses for eligible students. Students accepted into SHARP may register for up to 25.0 credits during the fall, winter and spring terms with no additional fees. Interested students must complete a SHARP application and return the completed form to Student Academic & Financial Services. The following students are eligible for SHARP:

1. Incoming freshmen who are honors graduates of approved secondary schools, have been elected to their state or national honor society, or have maintained a minimum GPA of 3.0.
2. New transfer students who maintained full-time enrollment at a previous institution and each term earned a cumulative GPA equivalent to dean’s list status for that institution.
3. Students at Johnson & Wales who have maintained full-time enrollment and achieved a 3.40 cumulative GPA by the end of their second term.

If a student does not exercise this option, SHARP eligibility may continue provided that the student maintains continuous full-time matriculation while maintaining a cumulative 3.40 GPA after all terms. The benefits provided by SHARP are not applicable during the summer sessions, during full-time practicum or internship terms, for independent studies, or for an additional culinary laboratory class. Preferred scheduling and graduation acceleration are not guaranteed.

Failure to maintain a cumulative GPA of 3.40 or better after each term will cause the student to become permanently ineligible for the benefits provided by SHARP. Student Academic & Financial Services will only notify a student of their withdrawal from the SHARP program via his or her JWU e-mail account, and it is the student’s responsibility to drop extra credits, if registered, to avoid incurring additional charges.

ACADEMIC FUNCTIONS

Attendance at a New Student Orientation program is mandatory for all new students. Summer Orientation is offered to all new students entering Johnson & Wales in the fall term. At Summer Orientation, students meet with academic representatives in their chosen school or college and take academic placement exams. Students also learn about campus resources, network with upper class student leaders, familiarize themselves with the campus and make new friends.

An abbreviated orientation program is also offered for all new students each term prior to the start of classes. Activities include Check-In, academic orientation, social activities, distribution of photo identification cards, placement testing, and meetings with administration, faculty and residence hall representatives.

Please note: New Student Orientation is a distinct program that is separate from the Check-In process. Students will receive further instruction specific to their chosen college during opening weekend. Students are expected to attend New Student Orientation and opening weekend activities.
**Academic Convocation** is held the first weekend before classes begin in the fall. This academic ceremony brings together all facets of the university to celebrate and commence the academic year.

**Student Recognition Night** is held annually in the spring to honor students and organizations that have displayed a high level of performance in academic achievement or in service to Johnson & Wales University.

**Commencement** is held at the end of each academic year. At these exercises, degree candidates are recognized. Participation in commencement exercises does not imply that graduation requirements are met.

**AWARDS**

Johnson & Wales University recognizes superior academic achievement and outstanding contributions in extracurricular activities by granting the following awards at a private ceremony held prior to commencement:

The **Founders’ Trophy** is presented to the upperclass student who, by his or her serious approach to career education and perseverance in his or her objectives, embodies the ideals and principles expressed by the founders of Johnson & Wales University.

The **President’s Trophy** is awarded to the second-year student who has displayed outstanding academic capacity, extracurricular leadership and purposefulness, cooperation, and strong college spirit.

The **Trustees’ Awards**, in memory of the faithful service to the university of Trustees Gov. Christopher Del Sesto and Dr. Anthony Kemalian, are given to the students who have made the greatest contributions in service to the university.

The **Dean’s Award** is presented to a graduating College of Culinary Arts student who, by a sincere desire to obtain a career education, has exemplified his or her career by example and dedication.

The **Academic Performance Awards** recognize the graduating students in associate and baccalaureate degree programs who have achieved the highest cumulative GPA and are recommended by the faculty.

The **Alumni Award** is given to the individual whose activities have best enhanced the reputation of Johnson & Wales.

The **Apprenti Cuisinier Awards** are awarded to second-year culinary arts students in recognition of achievement in a particular area of cooking. One award is made in each of the following categories: Classical Cookery, International Cookery, Garde Manger, and Classical Pastry.

The **Baking & Pastry Award** is presented to a sophomore baking & pastry student who has excelled artistically in the Baking & Pastry Arts curriculum.

The recipient of the **Dr. Morris J.W. Gaebe Award** is an excellent first-year student who positively influences classmates, exhibits leadership qualities, and has strong speaking and writing skills.

The **Special Functions Team Award** is presented to a College of Culinary Arts student who has consistently volunteered to assist with special functions and events at the university during the year.

The **Student Life Awards** have been established to acknowledge and recognize student leaders who have made significant contributions to the Johnson & Wales community. Student Organization of the Year, Community Service Program of the Year, Campus Program of the Year, and Advisor of the Year of examples of the award categories.
NOTICE OF NONDISCRIMINATION

Johnson & Wales University does not discriminate unlawfully on the basis of race, religion, color, national origin, age, sex, sexual orientation, gender identity or expression, or disability, in admission to, access to, treatment of, or employment in its programs and activities.

(The term “sexual orientation” shall mean and be limited to having an orientation for or being identified as having an orientation for heterosexuality, bisexuality or homosexuality. This Nondiscrimination Policy shall not be interpreted to prohibit Johnson & Wales University from maintaining separate facilities, sports teams, housing, university-based social fraternities and sororities, and other programs and facilities, for males and females, in accordance with the provisions of Section 16-38-1.1 of the General Laws of Rhode Island, as the same may be amended from time to time, or similar laws applicable in other states where the university conducts operations.)

The following person has been designated to handle inquiries regarding the nondiscrimination policy: Sandra Lawrence, Compliance Officer, Johnson & Wales University, One Cookson Place, Providence, RI 02903, 401-598-1423.

**Student Services**

**CAREER DEVELOPMENT**

The Career Development Office offers a variety of work programs and career services to assist students in building and utilizing career skills to obtain employment and independently navigate their careers.

Programs include an annual Career Conference which is a mandatory event for the entire student body, as well as a part-time job fair.

At JWU, we’re dedicated to building careers. Unlike other universities, our approach is designed to help you identify a field of interest and acquire the knowledge, skills and experience to excel in that field. Our goal is to help you find the right job in the right field with the right employer. The Career Development Office at each campus offers a suite of services to complement our pioneering approach to academics. Through our relationships with hundreds of industry-leading companies, we offer a variety of networking opportunities with employers on campus in addition to co-op programs. The result? You will gain industry experience related to your major.

**Cooperative Education/Externship** opportunities are available to eligible students in the business, hospitality and culinary arts programs. Co-op/externship is designed to provide eligible students with practical work experience in their chosen field of study, while allowing them to earn academic credit for the experience.

In the fall and spring terms, companies from throughout the United States visit the campus for On-Campus Recruiting (OCR). Students utilize an Internet-based recruiting and employment software package, jwu.erecruiting.com, for researching job openings.

**CENTER FOR ACADEMIC SUPPORT**

The Center for Academic Support offers a variety of services to assist each student in preparation for graduation and career placement. The Center’s goals are to support students in their efforts to develop and maximize their talents, empower them to direct their own learning, and lead them to pathways of success. With emphasis on success, graduates acquire lifelong behaviors and attitudes which are recognized by employers.

**SERVICES OFFERED:**

- Center for Academic Support — individual and group tutoring by peer and professional tutors is offered in a variety of content areas.
- Workshops in Learning Styles, Reading to Learn, Time Management, Test-taking Strategies, Test Preparation, Note-taking, Diverse Learning Techniques, Locus of Control and Culinary Math are offered.
- Writing Center — offers individual appointments in improving written expression, research and designing papers, and using MLA format. Workshops are also offered in research, MLA format and punctuation.
- Peer and professional tutoring is available in accounting, math, science and most major courses. Tutors provide individual and/or group sessions as students’ needs and resources dictate.
- Accommodations for special needs students with appropriate documentation, including, but not limited to:
  - Decelerated course load
  - Preferential scheduling
  - Extended time for tests
  - Note-taking accommodations
  - Tape recorders allowed in class
  - Reader or scribe for tests
  - Kurzweil 3000 reading performance technology
  - Textbooks in alternate text
The academic support services complement students’ academic and technical training by sharpening their ability to position themselves in today’s competitive marketplace. This is accomplished with programs centered around personal and career success.

SPECIAL NEEDS/DISABLED STUDENTS
Johnson & Wales is dedicated to providing reasonable accommodations to allow learning disabled, physically disabled and other challenged students to succeed in academic pursuits. While maintaining the highest academic integrity, the university strives to balance scholarship with support services which will assist special needs students in functioning in the university’s academic environment.

Because some programs of study at the university have technical standards and requirements, applicants and students with special needs or physical disabilities should contact the director of academic support services at 980-598-1500 to discuss the availability of reasonable accommodations where appropriate. Copies of the technical standards applicable to various programs are available from this office. For more information on technical standards, see Pages 92–93.

HEALTH AND COUNSELING SERVICES
COUNSELING SERVICES
Counseling Services is a confidential, accepting and compassionate environment staffed by professionals dedicated to the support of students’ emotional, social and personal growth. Counseling Services partners with Health Services in a combined-center service model to bring students individualized holistic care. Counseling Services provides a variety of services to students and the university community. These include individual and group counseling, crisis intervention, community referrals, consultation and psychoeducational programming. Students typically come to counseling to discuss problems such as relationship difficulties, family issues, adjustment concerns, depression, anxiety, sexual identity and substance abuse issues. These concerns may negatively impact students’ quality of life, as well as their ability to succeed academically.

Counseling Services operates on a short-term treatment model and referrals are made to the community for more long-term or specialized needs. Services are free and confidential. Appointments for counseling may be scheduled by calling 980-598-1710. Crisis services may be accessed in-person at the Health & Counseling Services offices located on the second floor of the Academic Center or by calling 980-598-1700 during normal clinic hours. After-hours emergency on-call services may be accessed by calling Safety & Security at 980-598-1900. For more information, visit www.jwu.edu. Select Charlotte Campus, then click on Student Life to access the Health Services link.

HEALTH SERVICES
An onsite health care clinic is available to Johnson & Wales students. Nurses are available to provide basic health care services for students, including minor injuries, illnesses and triage, management of medical records, and immunization compliance. In addition, a physician is available twice weekly by appointment.

MEDICAL RECORDS
Prior to the first term of enrollment, the university requires all new, full-time undergraduate students — residents and commuters alike — to submit proof of a complete physical exam within the past year, including documented proof of two doses of the MMR vaccine, a tetanus-diphtheria booster within the past 10 years, a negative tuberculosis test or chest X-ray within the last six months, three doses of hepatitis B vaccine, and completion of the chicken pox vaccine series or proof of physician-diagnosed disease. In addition, pursuant to North Carolina law, any student who has not received a tetanus-diphtheria booster within the past 10 years is required to receive a booster of tetanus/diphtheria/pertussis vaccine, any student under the age of 18 upon enrollment must submit proof of completion of the polio vaccine series, and each student will receive a form with a space to indicate whether or not he/she has received the meningococcal vaccination. These forms may be obtained by contacting the university at 980-598-1700. A strongly recommended but not required immunization is hepatitis A.
For more information about Health Services, consult the Student Handbook.

INTERNATIONAL STUDENT SERVICES
The university assists international students to adhere to USCIS regulations, maintain their student visa status, and access all the benefits permitted by their student visa. In addition, information sessions on employment, tax and other immigration and cultural adjustment issues will be offered on an as-needed basis by the international student advisor in Student Academic & Financial Services.

Study Abroad Programs
The Study Abroad Office at the Providence Campus works with all academic colleges at all campuses to offer a portfolio of study abroad programs to Johnson & Wales students. Program information and applications are available at www.jwu.edu/studyabroad.aspx. Students attending other campuses should contact the department chair of their college for specific program information. In addition, interested students can contact the Study Abroad Office at 401-598-1406 for personal study abroad counseling.

NEW STUDENT ORIENTATION AND SUPPORT PROGRAMS
Johnson & Wales University’s orientation program is designed to help students become acquainted with college life and to facilitate a successful first-year experience. Students are introduced to many university administrators, faculty, staff and student leaders who provide valuable information on academic studies, student life and university policies. Social activities are also scheduled throughout the program to help students meet other new students and experience campus life. Students will participate in academic assessment during orientation (test scores may require class schedule adjustments).

RESIDENTIAL LIFE
Johnson & Wales University residence facilities include Cedar Hall North, Cedar Hall South and City View Towers, all of which are convenient to the Academic Center and Charlotte’s uptown area.

Room assignments take place online. Students are able to apply for housing, find compatible roommates and select a room. Students currently residing in the residence halls will have an opportunity to apply for housing for the next year during the winter term. Accommodations vary with each facility.

Each residence hall has a professional, live-in residential life coordinator. Resident assistants or community managers are assigned to each residence hall to assist students with the residential living experience and transition to college. They have been selected because of their ability to understand and work with fellow resident students.

Additional information can be found on our Web site, www.jwu.edu/reslife/charlotte.

OFF-CAMPUS HOUSING
Generally, all freshman students are required to live in university housing unless they meet one of the following criteria: they are married, are a parent, are at least 21 years of age, are living at home with a relative, parent, or guardian and commuting within a 50 mile radius of campus, are a transfer student, are an international student, or are not eligible to live on campus.

Second-year students are required to live in Cedar Hall North, Cedar Hall South or City View Towers. The exemption categories listed on Page 16 apply to the two-year residency requirement.

Students who have been convicted of certain felonies (or have had certain felony-type charges sustained in a juvenile proceeding), such as crimes of violence, serious drug offenses and sex offenses, are not eligible to live in university housing.
The university’s Safety & Security Office is responsible for the enforcement of school policies, security on campus, and providing service for the university’s students, faculty and staff. Some of the services provided by the Safety & Security Office include Operation ID, engraving, and safety and security presentations. Students are encouraged to take advantage of the services and programs offered by the Safety & Security Office. The Safety & Security Office is open 24 hours a day, 365 days a year. Students who need help or have questions should call ext. 1900 from a university phone or 980-598-1900 from a non-university phone.

Safety & Security officers patrol the campus at all times and utilize an integrated electronic access control and digital camera system. Emergency blue-light telephones are strategically located throughout the campus and directly connect callers to the Safety & Security dispatcher on duty. Safety & Security also has the ability to issue timely alerts to the campus community if necessary via an emergency notification mass-messaging system.

In compliance with the Crime Awareness and Campus Security Act of 1990, Johnson & Wales University publishes an Annual Security Report, which discloses information about campus security policies and procedures, and statistics concerning reported crimes that occurred on campus, on public property close to campus, or on other property used or controlled by the university. A copy of the report may be obtained from the Admissions Office or Campus Safety & Security Office. You may also visit www.jwu.edu/safetyCLT.aspx to view a copy of the most recent report.
The Office of Student Activities seeks to foster student development by providing firsthand experience in leadership, organizational management, decision making and event planning. This office recognizes what a vital and enjoyable role student involvement plays in campus life. By encouraging all students to be active participants on campus and in the community, the result is an array of cultural, educational, social and recreational programs that complement academic life and ultimately give students a more holistic experience.

The office is located in Cedar Hall South, next to the Safety & Security Office. Office hours are 8:30 a.m.–5 p.m.

LEADERSHIP DEVELOPMENT

The Office of Student Activities Leadership Development programs highlight our commitment to nurturing leadership ability and preparing students for successful involvement in community life. The various programs offer an opportunity to complement academic endeavors and contribute to the overall collegiate experience while meeting new people, learning new skills and developing a sense of personal integrity. Leadership programs include Emerging Leader Series, Advanced Leader Series, LEAD Team, Club & Organization Leadership Workshops, and more. Additional information can be found at www.jwu.edu. Select the Charlotte Campus, then click on Student Life.

MONTHLY EVENT CALENDAR

The Office of Student Activities produces a monthly student event calendar that highlights the events each month. This calendar is provided to students in hard copy at various locations on campus and online in a downloadable format.

For more information about upcoming events and information about the Office of Student Activities, visit www.jwu.edu. Select the Charlotte Campus, then click on Student Life.
RECREATION SERVICES

Recreational programs on the Charlotte Campus are offered by the Department of Recreational Services. The major program areas covered by this department are

- Intramural Sports
- Sport Clubs
- Fitness

Intramural Sports
The intramural sports program on the Charlotte Campus covers a variety of competitive opportunities that are scheduled and supervised by the Recreational Services staff. These competitive opportunities range from the more high-intensity events such as basketball and flag football leagues, to lower-activity events such as spades or poker tournaments. Many of the events have preregistration deadlines for interested participants. However, there are also open competitive events that allow participants to arrive the day the event takes place without preregistration. All together, there are more than 40 different intramural events offered through the intramural sports program.

Sport Clubs
Recreational Services also offers students the option of creating, or participating in, a sport club. Sport clubs are geared toward students who wish to participate in a particular sport throughout the academic year. These clubs are organized and led by the participating students themselves. They establish their own leadership structure and, with the help of an advisor, operate their own budget. Currently, there are five active sport clubs on the JWU Charlotte Campus: Cheerleading, Lacrosse, Soccer, Paintball and Pool/Billiards. Students wishing to learn how to start other sport clubs should call or come by the Recreational Services Office.

Fitness
Students currently have access to two fitness facilities owned by Mecklenburg County Parks and Recreation. These facilities offer students the opportunity to improve their strength and overall fitness.

In addition to the county facilities, group fitness classes are offered at the Gateway YMCA (directly across the street from campus). Five one-hour classes just for JWU students are offered each week. The classes are pre-selected for the entire term from a larger menu of classes offered by the YMCA. The classes are adjusted on a term-by-term basis according to student feedback and participation.

Those seeking additional information regarding the programs offered through the Department of Recreational Services should call 980-598-1840.
BAKING & PASTRY ARTS
(College of Culinary Arts)

ASSOCIATE IN APPLIED SCIENCE
(A.A.S.) DEGREE

The associate degree program in Baking & Pastry Arts provides students with practical education in baking and pastry production, while developing professionalism and excellence in academic achievement. Hands-on training is paired with academic courses resulting in a curriculum that is both dynamic and directly aligned with industry needs.

First-year Baking & Pastry Arts students rotate through one term of academics, which includes Baking Science, Food Safety and Sanitation and two terms of hands-on laboratory classes. Emphasis is placed on skills development and techniques of combining basic ingredients to produce classical pastries, basic breads, cakes, plated desserts, chocolate and confections.

The second year emphasizes advanced techniques in classical and international preparation and production of cakes, tortes and sugar work. Academic courses include leadership studies, introduction to life science, communication skills, and food and beverage cost control. During pastry externships at university-approved facilities including Chartwell’s dining center, Tizzerts and City Sweets, students participate in actual public food service operations in preparation for future careers.

Upon graduation from the Baking & Pastry Arts associate degree program, a variety of positions are attainable in hotels, clubs and resorts, retail bakeries, restaurants and wholesale pastry shops.

Eligible graduates may apply for entrance into the bachelor of science in Baking & Pastry Arts and Food Service Management.

COOPERATIVE EDUCATION

Eligible second-year Baking & Pastry Arts students may apply for a Selective Career Cooperative Education assignment in place of the Baking & Pastry Arts Externship. These cooperative education assignments allow students to gain academic credit as well as invaluable work experience. Selected students work a minimum of 40 hours per week on a schedule established by their co-op employer. To be eligible to apply for the domestic co-op program, students must maintain a cumulative grade point average of 2.75, maintain a clean record of behavior as defined by the Student Code of Conduct and must have completed all prerequisite coursework.

Selected students are assigned to a pre-qualified co-op employer that represents most segments of the food service industry. These include hotels, restaurants, country clubs, resorts, spas, casinos, contract food service providers and retail bakeries.

The international co-op experience offers a select group of Baking & Pastry Arts students a practical, work-related, experiential training opportunity at host company sites throughout the world, which are chosen by the university. In addition to meeting specific college eligibility requirements, students interested in completing co-op in a targeted country must exhibit the necessary conversational language skills of that country, must maintain a 3.25 cumulative grade point average and have a minimum of one year of work experience in a full-service bakery or similar experience in a hotel, resort or restaurant.
TEACHING ASSISTANT AND FELLOW SCHOLARSHIP PROGRAM

Each year, administrators in the College of Culinary Arts, in conjunction with the administration of Practicum Properties, select Teaching Assistant candidates from among the top students of the graduating class in the Culinary Arts and Baking & Pastry Arts associate degree programs. Students who are continuing their education at the university as Teaching Assistants must be enrolled in a day school program. Qualified Teaching Assistants may advance to Fellow during their senior year. These opportunities allow students to help defray the costs of advanced study while developing their supervisory/management skills.

BAKING & PASTRY ARTS AND FOOD SERVICE MANAGEMENT  
(College of Culinary Arts and The Hospitality College)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Baking & Pastry Arts and Food Service Management program combines the strength of baking & pastry arts and management in order to prepare students for a management career in front- or back-of-the-house. Graduates of the Baking & Pastry Arts and Food Service Management program can obtain positions in a variety of areas that include, but are not limited to, bakeshop manager, executive pastry chef, catering manager, pastry chef, and beverage manager.

The curriculum provides ample opportunity for the food service professionals of tomorrow to build upon their leadership and management abilities, baking techniques, critical thinking, personal accountability and ethical behavior, problem-solving techniques, strong financial analysis skills and customer awareness. The Baking & Pastry Arts and Food Service Management degree develops a solid baking & pastry foundation and management philosophy in its graduates and prepares them for bright and rewarding careers.

As a reflection of the university’s strategic plan, FOCUS 2011, which supports innovative pedagogies and technologies to enhance active learning, this program currently offers a limited number of courses online. Online courses are equivalent in content and rigor to traditional face-to-face courses. Residential day school students in the program are eligible to take online courses.

This program allows students to receive a world-class baking & pastry arts and hospitality education. Its strength is that students receive several senior-level capstone experiences in baking & pastry arts, hospitality operations and strategic management.

The Business Administration one-year program prepares students for a variety of business career options. Students enrolled in the one-year program may elect to continue their education toward any College of Business bachelor of science degree. It is an ideal course of study for those students who plan to pursue a bachelor’s degree but have not yet chosen a business career specialization.

Courses in the one-year program are carefully integrated to include an overall introduction to business administration with a number of complementary areas of study.

Through the university’s career management system, experienced faculty are available to assist students in making an educated decision in the selection of their bachelor’s degree curriculum in alignment with each student’s future career goals.

Students enrolled in the program must elect to continue their education toward any College of Business bachelor of science degree during their third term of enrollment.

Bachelor of Science Degree Options:
- Fashion Merchandising & Retail Marketing
- Management
- Management Accounting
- Marketing

All students enrolled in the Business Administration program pursue the following program of study for one year (three terms). Students must declare a major no later than the second term of study.

CULINARY ARTS
(College of Culinary Arts)

ASSOCIATE IN APPLIED SCIENCE
(A.A.S.) DEGREE

The associate degree program in Culinary Arts provides students with practical education in food production, while developing professionalism and excellence in academic achievement. Students progress through a program of study that builds proficiency in food production and cooking, cost control, nutrition, sanitation, food safety and food marketing. Hands-on training is paired with traditional academic courses resulting in a curriculum that is both dynamic and directly aligned with industry needs.

The focus of the first-year culinary lab classes is development and practice of cooking skills, complemented with the development of baking, dining and beverage service skills, which includes national certification in alcohol intervention procedures. The academic areas include mathematics, introduction to life science, English composition, career management and a national food safety certification.

Second-year laboratories include advanced techniques in classical and international cuisines, garde manger, patisserie/dessert and dining room, as well as the academic areas of leadership studies, personalized nutrition management, communication skills, and introduction to menu planning and cost control.

Students will experience one term of experiential education, which includes externships. During a Culinary Arts Externship at university-approved facilities including Chartwell’s dining center, Ballantyne Resort, Marriott, Omni and Westin hotels, students participate in actual public food service operations in preparation for future careers.

Graduates of the associate degree program in Culinary Arts have the opportunity to gain immediate, successful employment in the food service industry, which would include a variety of positions in full service restaurants, hotels, clubs and resorts catering operations, quantity food production facilities, health spas and cruise lines.

Eligible graduates may apply for entrance into the bachelor of science degree program in Culinary Arts & Food Service Management through the College of Culinary Arts and The Hospitality College.

COOPERATIVE EDUCATION

CULINARY INTERNATIONAL EXCHANGE

Each year, a select group of second-year students is chosen to participate in a student international exchange program with culinary arts schools in Ireland and France. For one term, JWU students attend classes in any of these countries. In exchange, students from these schools attend culinary classes at Johnson & Wales University. Selected students receive full academic credit for the study abroad.

TEACHING ASSISTANT AND FELLOW SCHOLARSHIP PROGRAM

Each year, administrators at the College of Culinary Arts, in conjunction with the administration of Practicum Properties, select Teaching Assistant candidates from among the top students of the graduating class in the Culinary Arts and Baking & Pastry Arts associate degree programs. BACHELOR OF SCIENCE (B.S.) DEGREE

The Culinary Arts & Food Service Management program combines the strength of culinary arts and management in order to prepare students for a management career in front- or back-of-the-house. Graduates of the Culinary Arts & Food Service Management program can obtain positions in a variety of areas that include, but are not limited to, restaurant manager, kitchen manager, executive chef, food and beverage director, catering manager, room service manager, sous chefs, beverage manager and dining room manager.

The curriculum provides ample opportunity for the food service professionals of tomorrow to build upon their leadership and management abilities, cooking techniques, critical thinking, personal accountability and ethical behavior, problem-solving techniques, strong financial analysis skills and customer awareness. The Culinary Arts & Food Service Management degree develops a solid culinary foundation and management philosophy in its graduates and prepares them for bright and rewarding careers.

As a reflection of the university’s strategic plan, FOCUS 2011, which supports innovative pedagogies and technologies to enhance active learning, this program currently offers a limited number of courses online. Online courses are equivalent in content and rigor to traditional face-to-face courses. Residential day school students in the program are eligible to take online courses.

The program allows students to receive a world-class culinary arts and hospitality education. The program’s strength is that students receive several senior-level capstone experiences in culinary arts, hospitality operations and strategic management.

Students may choose to focus their studies by selecting their electives in such areas as food & beverage, entertainment and entrepreneurship. The Food and Beverage Management concentration allows students to focus on this vital area of the hospitality industry. Courses are ideal for candidates interested in working with beverages, non-commercial, chain, franchises or restaurant operations.

**FASHION MERCHANDISING & RETAIL MARKETING**

*(College of Business)*

**BACHELOR OF SCIENCE (B.S.) DEGREE**

The Fashion Merchandising & Retail Marketing degree prepares students for middle-management or executive trainee opportunities within the retail or retail support industries.

Upon completion of the program, graduates are expected to demonstrate

- the ability to perform the necessary procedures required for retail operations
- knowledge of global fashion markets, designer contributions to the industry and manufacturing categories of fashion goods
- knowledge of marketing principles as applied to fashion goods
- the ability to identify, analyze and forecast future retail trends

Specific skills developed include retail merchandising, management, buying, promotion, advertising and stock control. Students have the opportunity to master these skills while participating in a term-long externship, held at a wide variety of host sites.

Upon graduation, students may be employed by retail organizations in positions that utilize these skills. Students possess the combination of academic theory and practical experience necessary for entry-level positions in retail management, merchandise buying, visual merchandising, distribution, product development and sales.

HOTEL & LODGING MANAGEMENT
(The Hospitality College)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Hotel & Lodging Management bachelor’s degree program focuses on current best practices for operational, strategic and staff management in lodging properties and companies. Lodging is defined as activities related to commercial, overnight accommodations of all types, including hotels, resorts and smaller lodging properties (e.g., boutique hotels, country inns, B&Bs, etc.).

The degree prepares graduates for employment in operational management or professional staff positions within commercial lodging companies of all types, as well as positioning them to move up to higher-level positions such as general manager and various corporate staff positions. Possible career tracks might relate to front office management, housekeeping, food and beverage management and affiliated activities such as concierge, spa management, property sales and marketing, convention services, meeting and event planning, resort activities, revenue management, controller, development, regional management, etc.

Graduates are expected to be able to utilize their technical and management skills, as well as apply critical thinking skills, ethical standards and problem-solving techniques within a lodging organization.

CONCENTRATIONS FOR HOTEL & LODGING MANAGEMENT MAJORS

This program allows students to select concentrations or co-ops that can lead to career growth within lodging companies or to enhance their initial and subsequent career opportunities. Students may elect to use their hospitality and free elective credits for a second concentration, a co-op experience or a summer abroad program.

At least one three-course Hospitality College concentration is required for graduation. While all Hospitality College concentrations are available to students in this degree (see Pages 89–90), the following concentrations are recommended: Beverage Service Management; International Hospitality Operations Management (summer program only); Sales, Meeting & Event Management or Food and Beverage Management.

INTERNATIONAL HOTEL & TOURISM MANAGEMENT
(The Hospitality College)

BACHELOR OF SCIENCE (B.S.) DEGREE

The International Hotel & Tourism Management bachelor of science degree provides students with the opportunity to experience the broad nature of the hospitality and tourism industries on a global scale. Students prepare to enter international hospitality corporations as well as tourism planning and marketing organizations as entry-level managers or staff professionals.

Students spend one term abroad integrating their previous studies with new experiences and knowledge about different countries and cultures. The program exposes them to the principles and practices of international hospitality management, marketing, strategic planning, tourism, and financial and operational management for both lodging and food and beverage management. Three terms of study of another language are required for the degree.

The required study abroad and the language requirement provide students with a unique global perspective, as well as a competitive advantage when seeking employment with international hospitality organizations. By participating in a summer abroad, international co-op or international exchange program a student may have a second international experience.

Graduates are expected to be able to utilize their technical and management skills, as well as apply critical thinking skills, ethical standards and problem-solving techniques within a global business environment.

Applications are accepted during a student’s freshman year through The Hospitality College. Preference is given to students who achieve a 3.2 GPA or higher during their freshman year. Selection is based upon academic performance, community and university service, industry experience, a personal interview, and professional and professorial recommendations. Once in the program, students must maintain a minimum GPA of 2.85. Contact The Hospitality College for more details.

CONCENTRATIONS FOR INTERNATIONAL HOTEL & TOURISM MANAGEMENT MAJORS

While a concentration is not required for this degree, it is possible to use hospitality electives to obtain a concentration. Concentrations help students focus their studies and develop stronger career credentials. While all Hospitality College concentrations are available to students in this degree (see Pages 89–90), the following concentrations are recommended: International Hospitality Operations (summer program only); Sales, Meeting & Event Management or Food & Beverage Management.

MANAGEMENT
(College of Business)

BACHELOR OF SCIENCE (B.S.) DEGREE

The goal of the four-year Management program is to prepare graduates for a career in a variety of entry-level managerial position in a wide range of firms. Students are expected to acquire the communication, critical thinking, and ethical reasoning skills essential for today’s managers. The program’s mix of coursework provides students with a broad understanding of the issues facing the business world.

An important component of the program’s educational experience is the general studies courses taught by the School of Arts & Sciences. Graduates are expected to show competencies in higher order thinking, ethics, global diversity, responsible citizenship and leadership. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

Students who maintain a GPA of at least 2.75 may have the opportunity to participate in a Management Career Focus and gain experiential education by completing a co-op in their area of interest. Options are also available for foreign travel through the study abroad program.

Regardless of what industry the student chooses to enter, an understanding of key business principles is critical to a successful career, whether it is vying for a first job placement or success later in life. A student may focus on studies leading to management positions in production operations, human resource, financial services and other service industries.

Students will choose one concentration from the following options. The university’s career management system will facilitate these selections.

* Students meeting eligibility criteria may elect a Management Career Co-op, Summer Study Abroad, Internship or SWAP (Students Working Abroad Program) to satisfy requirements. Otherwise, students must take three additional career electives from the College of Business.

NOTES: Students must have MATH0001 (Basic Mathematics) or equivalent placement scores to enroll in the math requirement. Students must earn a performance transcript writing assessment of "validated" or "mastered" in order to graduate with a bachelor’s degree.

Study Abroad programs may satisfy a variety of History, Sociology, English and other elective requirements. Contact the Study Abroad Office at 401-598-1406 or www.jwu.edu/studyabroad.aspx for details.
MANAGEMENT ACCOUNTING

(Bachelor of Science (B.S.) Degree)

The bachelor of science in Management Accounting consists of extensive specialized accounting courses as well as related business subjects and general studies. The program is designed to prepare students for the Certified Management Accountant Exam (CMA). Students completing this degree will have the opportunity to sit for and pass the exam portion of the CMA certification prior to graduation. In addition, the program offers interested students the ability to work toward their Certified Public Accountant certification (CPA).

Students who maintain a GPA of 2.75 or higher have the opportunity to participate in an accounting career co-op.

Students in the management accounting program will be given the opportunity to join the Institute of Management Accountants (IMA). The Charlotte Chapter of the IMA holds its monthly chapter meetings on our campus. Students have the opportunity to attend and participate in meetings, as well as network with industry executives. As student members, students can participate in student competitions, attend regional conferences and compete for scholarships.

The program provides a solid foundation in managerial accounting, as well as financial accounting and taxation. Students will be prepared for entry-level positions in banking, finance and other management accounting specialities.

Graduates of the program should be able to demonstrate the professional competency and skills necessary to analyze and record business transactions, prepare financial statements, and perform other functions required by the profession effectively using their comprehension of Generally Accepted Accounting Principles (GAAP). In addition, students should be able to demonstrate an ability to use logic and critical thinking to assist in the decision-making process as well as to make recommendations to individuals and organizations relying on financial information.

An important component of the program’s educational experience is the general studies courses taught by the School of Arts & Sciences. Graduates are expected to show competencies in higher order thinking, communications, ethics, global diversity, responsible citizenship, leadership and artistic responsibility. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

MARKETING
(College of Business)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Marketing bachelor’s degree program provides students with a broad range of knowledge and practical skills related to the fundamentals of marketing including product, pricing, promotion, distribution and customer relationship management.

Upon completion of the program, graduates are expected to demonstrate the ability to
• develop, implement, analyze, interpret, and make recommendations based on secondary and primary research data using qualitative and quantitative methods
• analyze consumer decision-making and behavior
• prepare and conduct a professional sales presentation
• develop e-commerce, international and strategic marketing plans

Specific skills developed include managing market research projects, developing Web-based marketing programs, developing and executing brand strategies, and developing and managing comprehensive marketing plans. Students have the opportunity to hone these skills while participating in a term-long externship, held at a wide variety of host sites.

Upon graduation, students may be employed by retail, consumer goods, industrial or advertising companies in positions that utilize these skills. Typical areas of interest include entry-level positions in sales, market research, market analysis, product development or brand management.

Students should use their career electives and free electives to create a meaningful, customized career concentration. The university's career management system will facilitate these selections.

An important component of the program's educational experience is the general studies courses taught by the School of Arts & Sciences. Graduates are expected to show competencies in higher order thinking, communications, ethics, global diversity, responsible citizenship, leadership and artistic responsibility. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

RESTAURANT, FOOD & BEVERAGE MANAGEMENT
(The Hospitality College)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Restaurant, Food & Beverage Management bachelor’s degree program provides a unique combination of culinary skills and hospitality management. The focus is on current restaurant and food service management industry topics. The program also develops proficiency in the area of beverage management. Other areas of study include critical thinking, financial analysis, leadership and customer awareness in order to prepare students for a management career in the food service industry. According to the National Restaurant Association, the food and beverage industry is the largest U.S. employer besides the government.

This program includes a unique hands-on rotational externship experience at one of our partner properties.

Graduates are expected to be able to utilize their technical and management skills as well as apply critical thinking skills, ethical standards and problem-solving techniques within a food service operation. Graduates will also identify and communicate long-range vision and strategy for a food service company.

Value-added certifications within the degree include an industry-recognized responsible alcohol service certification, the national sanitation certification (a graduation requirement), recognized by the Conference for Food Protection, and the International School of Mixology Bartending Certificate.

SPORTS/ENTERTAINMENT/EVENT MANAGEMENT
(The Hospitality College)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Sports/Entertainment/Event Management bachelor’s degree program prepares students to manage many areas of major sports facilities and resorts, as well as organize national and international events like the World Cup, the Grammy Awards or the Olympics. Coursework enables graduates to apply the primary tools and fundamental understanding of the four basic areas of sport, entertainment or event development, planning and management.

In this four-year program the curriculum includes core courses in event management, facilities management, media relations, trade show/expo management, and entertainment management.

Students tailor their degrees toward their chosen careers by complementing the core curriculum with such electives as professional sports management, concert and event production, ceremony and protocol, athletic coaching administration, and hospitality sales and meeting management. This enables them to demonstrate personal discipline, professionalism, accountability, and ethical behavior in a sport, entertainment or event management environment.

Students further specialize by choosing a hospitality concentration. This experience allows them to use analytical thinking skills to create, develop, plan, manage, operate and evaluate the critical elements of a successful sport, entertainment or event organization.

The program culminates in an exciting, term-long, off-site externship under the direction of an industry professional that allows students to apply the skills they’ve learned and prepares them to launch their careers. The externship focuses on the ability to identify, document and successfully communicate personal and professional short- and long-term vision and strategies for a successful career in sport, entertainment or event management. Graduates have worked for professional sports teams, entertainment venues, resorts and conference centers.

CONCENTRATIONS

Students may choose to focus their electives in any of the following concentrations. Beyond the enrichment a concentration provides, students’ transcripts will reflect commitment to a particular area which may be impressive to prospective employers.

Declaring Your Concentration
Each student should consult with his/her faculty advisor in order to determine which concentration(s) will best further the student’s career goals. Students then need to formally declare their concentration(s) by completing a concentration form in Student Academic & Financial Services. A student may declare up to a maximum of three concentrations per degree program.

COLLEGE OF BUSINESS

Courses already required in a student’s individual program cannot be selected to fulfill a COB concentration requirement. Students are responsible for completing all prerequisites necessary for courses listed in a concentration in order to complete the concentration.

THE HOSPITALITY COLLEGE

As a condition of baccalaureate graduation, all students (except for International Hotel & Tourism Management majors) enrolled in Hospitality College degrees must complete a three-course concentration during their junior and senior years.

When completing a concentration in The Hospitality College, students may not use required core courses (or their equivalent) from within their chosen major. Additionally, students may not apply the same course to different Hospitality College concentrations.

Hospitality majors have three concentration electives and two hospitality electives. Transfer students who transfer in three or more hospitality elective courses are not required to use their remaining electives toward a concentration.

This course is designed to combine the concepts of accounting theory and practice with the specialized requirements of the hospitality industry. The course introduces the nature and purpose of accounting, the double-entry system, hospitality accounting documents and special journals, inventories, adjusting entries, financial statements and the closing process. Students learn the accounting cycle for proprietorship and corporate forms of business. (OL) Quarter Credit Hours 5.5

ACCT2022 INTERMEDIATE ACCOUNTING II
This course is a continuation of Intermediate Accounting I. Students are exposed to the remaining asset groups including non-current operating assets and long-term investments. Coverage also includes the entire spectrum of liabilities and stockholders equity. Prerequisite: ACCT2021. (WI) Quarter Credit Hours 4.5

ACCT2023 INTERMEDIATE ACCOUNTING III
This course serves as a continuation of Intermediate Accounting II. Special topics are studied such as accounting for earnings per share, income taxes, leases, pensions and the statement of cash flows. Prerequisite: ACCT2022. (HO) (PT) Quarter Credit Hours 4.5

ACCT3011 FEDERAL TAXES I
A study is made of federal tax laws and treasury regulations and their application to the income of individuals. Practice is given in the preparation of the tax returns, supplemental forms, and schedules required to be filed by individuals. Prerequisite: ACCT1002 or ACCT1012 or ACCT1022. (PT) Quarter Credit Hours 4.5

ACCT3020 MANAGERIAL FINANCE
The procedures and practices that successful managers use to prepare financial plans and forecasts, manage their finances, and evaluate their financial performance are examined in this course. Topics include budgeting, cash flows, and financial statement analysis. This course is not available to accounting majors. Prerequisites: ACCT1002 or ACCT1022, FIT1020 or FIT1014 or SEE3008. Quarter Credit Hours 4.5
ACCT3023 MANAGERIAL ACCOUNTING
Designed for business students, this course focuses on the informational needs of internal users of financial information such as company officers, company executives, human resource managers, marketing managers, program directors and production operation managers. Emphasis is placed on acquiring and analyzing the financial and nonfinancial information that is needed by these users to plan, direct and control the business. This course is not available to accounting majors. Prerequisites: MGMT1001 and ACCT1002 or ACCT1022.
Quarter Credit Hours 4.5

ACCT3025 HOSPITALITY FINANCIAL MANAGEMENT
This course presents how accounting information is used by management to analyze and measure the efficiency and profitability of a hospitality business. The course emphasizes the managerial uses of accounting data in decision making, preparation of budgets and variance analysis, relevant cost analysis, regression analysis and cost-volume-profit relationships. Prerequisite: ACCT1002 or ACCT1012. (OL) Quarter Credit Hours 4.5

ACCT3031 COST ACCOUNTING I
This course provides an introduction to accounting in a manufacturing business. Costing procedures covered include activity based costing, job order cost, process cost, joint cost, standard cost and variance analysis. Prerequisite: ACCT1002 or ACCT1012 or ACCT1022. (PT) Quarter Credit Hours 4.5

ACCT3040 AUDITING
This course is designed to acquaint the student with methods of verification, analysis and interpretation of generally accepted auditing procedures. The mechanics of planning and implementing an audit and the preparation of reports are studied. Prerequisite: ACCT2023. Quarter Credit Hours 4.5

ACCT3050 ADVANCED ACCOUNTING
Advanced Accounting is designed to provide the student with a sound foundation in partnership accounting and consolidated financial statements. Prerequisite: ACCT2023. (HO) (PT) Quarter Credit Hours 4.5

ACCT3060 ACCOUNTING INFORMATION SYSTEMS
This course is designed to prepare students to utilize current technology in addition to planning for growth with new innovations in technology. Students study several typical accounting information system application areas. Topics include the relationship between the organization’s accounting information system and existing and planned future information architecture, the effects that new technology may have on the accounting information system, pertinent information systems control issues, documenting information systems, database management systems and e-Commerce. Prerequisite: ACCT3040. Quarter Credit Hours 4.5

ACCT4060 ACCOUNTING SEMINAR
This course is delivered in a seminar format and serves as the capstone course for seniors majoring in Accounting. Using knowledge obtained through previous accounting course work, students analyze and report on contemporary issues in accounting and auditing. Computer software is used extensively throughout the course. Prerequisites: ACCT3040, ACCT3050, senior status. (WI) Quarter Credit Hours 4.5

ACCT4090 ACCOUNTING EXTERNSHIP
Management Accounting students may participate in a term-long externship at a university-approved site. This course provides students with the opportunity to earn academic credit, develop professional skills, build a professional résumé and create portfolio items by applying knowledge gained in the academic setting to an actual work environment. Prerequisites: Minimum 2.0 GPA, senior status.
Quarter Credit Hours 13.5

ACCT4099 ACCOUNTING CAREER CO-OP
Eligible students may apply for a cooperative education Assignment. These are industry experiences that allow students to gain academic credit for an invaluable work experience in the area of accounting. Upon completion of this term-long course, students have an understanding of the demands and expectations of business and industry.
To be eligible to apply for the domestic co-op program, students must: 1) maintain a cumulative grade point average of 2.75 during the entire pre-program application process, 2) maintain a clean record of behavior as defined by the Student Code of Conduct, 3) have completed 130 hours of course work, 4) have appropriate elective or practicum credit available in their degree audits, and 5) have the sponsorship of a faculty advisor.
ACCT4099 Quarter Credit Hours 13.5

ADVERTISING COMMUNICATIONS

INTERNATIONAL BUSINESS

IBUS2030 FOREIGN AREA STUDIES
This course is designed as a seminar course with topics changing from term to term, depending upon the dynamics of change in key global markets. Topic areas include China (IBUS2031), Pacific Rim (IBUS2032), Latin America (IBUS2033), Russia (IBUS2034), Eastern Europe (IBUS2035) or Africa (IBUS2036). The course is structured to focus on four primary components: business, economics, politics and culture, essentially in this priority. Prerequisite: ECON1001 or ECON1901. Quarter Credit Hours 4.5

IBUS2040 INTERNATIONAL CULTURE AND PROTOCOL
Cultural diversity is a business reality today. The ability to build bridges between people from different countries and with different ethnic backgrounds is as important as any other business function. This course focuses on cultural diversity and provides students with knowledge of international cultures and protocol, the building blocks of success in doing business internationally. Prerequisite: ECON1001 or ECON1901. (PT) (W) Quarter Credit Hours 4.5
IBUS3050 EXPORT PROCEDURES AND PRACTICES
This course provides students with the basic body of knowledge and mechanics that are needed to successfully undertake and explore every avenue of exporting. A description of the essentials as well as the parameters of exporting are given. The course applies to an entrepreneurial export situation, to businesses expanding through foreign sales, and to companies simply trying to improve the operations of an existing export department. The emphasis on finance stems from the experience that frequently, a successful export effort is unnecessarily blocked or frustrated by finance problems. Such problems can arise from accumulating foreign receivables or the additional working capital required to handle the extra large sales that exporting often generates. Prerequisite: ACCT1002 or ACCT1012 or ACCT1022. (PT)
Quarter Credit Hours 4.5

IBUS4020 SWAP INTERNATIONAL SEMINAR
This is an upper-level College of Business course dealing with environmental analysis, objective setting, positioning and implementation of examining the concept of quality and tactical approaches used to manage quality improvement efforts in organizations. IBUS4090 INTERNATIONAL BUSINESS EXPERIENCE
This course refers to a series of options available that total 13.5 credits:

1) Students choose from a range of study abroad options including short-term 3 1/2 to four-week summer programs, spring term three-month programs, or four-to-five month independent exchanges. Each program has its own academic focus and prerequisites. Students apply for their program of choice through the Study Abroad Office. After selection into a program, students engage in orientation and academic pre-departure work before embarking on their immersion into foreign cultural and business settings. In some cases, JWU faculty lead the program and travel with the students. In other cases local hosts lead the program, but in all programs students participate in a rigorous study and travel experience.

The purpose of these study abroad experiences is to increase students’ global awareness as they explore their program’s specific academic focus. Course delivery consists of lecture, industry visits and cultural excursions. Eligible students are guided by the Study Abroad Office to register for the appropriate course(s) specific to their program.

2) Eligible students may opt to take a co-op(s) within their major (4097, 4098, 4099).

3) Eligible students may opt to take IBUS4020 Summer Work Abroad International Seminar and a specific course from the IBUS4080 Series of Summer Work Abroad Programs: IBUS4082 or IBUS4098.

4) Students not eligible to take the international business programs, co-op programs or SWAP programs take three additional career electives from the College of Business.

Students should consult with their faculty advisor to make their selection.
Quarter Credit Hours: 13.5

IBUS4097 INTERNATIONAL BUSINESS CAREER CO-OP
IBUS4098 INTERNATIONAL BUSINESS CAREER CO-OP

MATHEMATICS

MATH0001 BASIC MATHEMATICS
Students are assigned to this course based on placement tests given prior to taking MATH1020 or MATH1002. The course is designed to teach students the basic mathematical concepts and methods that prepare them for studying college-level mathematics. Topics include problem solving, sets, probability, statistics, and the rudiments of college algebra. Prerequisite: MATH0001 or placement. (HO) (PT) (HY)
Quarter Credit Hours 4.5

MATH1002 A SURVEY OF COLLEGE MATHEMATICS
This course is designed to teach students the basic mathematical concepts and methods that assist them in using mathematics in both their personal and professional lives. Topics include problem solving, sets, probability, statistics, and the rudiments of college algebra. Prerequisite: MATH0001 or placement. (HO) (PT) (HY)
Quarter Credit Hours 4.5

MATH1020 COLLEGE ALGEBRA
This course provides students with a working knowledge of the basic elements of college algebra. Topics covered include functions, exponents and radicals, the solution of linear and quadratic equations, inequalities, matrices and systems of linear equations. Prerequisite: MATH0001 or equivalent, or permission of department chair, or placement. (PT) (HY)
Quarter Credit Hours 4.5

MATH1930 QUANTITATIVE ANALYSIS I
A continuation of Algebra, this course begins with the study of linear equations and their applications to business and economics. Matrices are covered in detail along with their applications to Leonalt models. Linear programming, quadratic models and a brief introduction to differential calculus are also presented. Prerequisite: MATH1102 or equivalent, or permission of department chair, or placement. (PT)
Quarter Credit Hours 4.5

MATH2001 STATISTICS
This course is designed to provide students with the basic statistical concepts and techniques that assist them in both their personal and professional lives. Topics include measures of central tendency and dispersion, probability distributions of both discrete and continuous random variables, sampling distributions, and estimation theory. Prerequisite: MATH1002 or MATH1020 (minimum grade of C in MATH1002 or MATH1020 required for hybrid sections of MATH2001) or equivalent. (HO) (HY)

Quarter Credit Hours 4.5

PSYCHOLOGY

PSYC2001 INTRODUCTORY PSYCHOLOGY
This course is designed to allow the individual student the opportunity to develop an understanding of human behavior in its origins, development and manifestations. The three major theories — psychoanalysis, behaviorism and humanism — are presented so that students are knowledgeable in their major tenets. Students also determine their own view of these schools and why they find them acceptable or unacceptable. The course also proposes to alert the student to signs and symptoms of mental distress in themselves, their families, friends and co-workers. What to do about stress is also considered in terms of seeking the simplest solution first. Applications of this information on both a personal and professional level are introduced and discussed. Prerequisite: Sophomore status. (HO) (SL) (OL)
Quarter Credit Hours 4.5

PSYC2002 ABNORMAL PSYCHOLOGY
This course examines the major theoretical approaches to mental and emotional disorders. Included are definitional criteria and current treatment programs for both children and adults. Prerequisites: PSYC2001 or PSYC2901, sophomore status.
Quarter Credit Hours 4.5

PSYC2010 PERSONALITY
This course is designed to acquaint the student with the more salient and prevailing theories of personality. The major psycho philosophical problems that arise in considering personality anchor the discussion of each theory throughout the course. Application of theories to current life situations are also discussed. Prerequisites: PSYC2001 or PSYC2901, sophomore status.
Quarter Credit Hours 4.5

PSYC3001 SOCIAL PSYCHOLOGY
This course features a study of individual behavior in relation to the social stimuli of modern life. The course involves the extension of general psychological principles and methods in the study of social behavior. Prerequisites: PSYC2001 or PSYC2901, sophomore status. (WI)
Quarter Credit Hours 4.5
RELIGION

REL2001 COMPARATIVE STUDY OF WORLD RELIGIONS: AN INTERDISCIPLINARY APPROACH
This course introduces the students to the world’s great religions; Hinduism, Buddhism, Judaism, Christianity and Islam are emphasized. The focus is interdisciplinary and includes history, cultural traditions and textual analysis of each religion’s literature in relation to these religions. (WI)
Quarter Credit Hours 4.5

RESEARCH

RSCH3001 HONORS ADVISORY SEMINAR
This course prepares honors students to conduct the necessary research to successfully complete the scholarly paper requirements for graduation from the Honors Program. The professor guides students in their choice of feasible research projects and serves as the major advisor for the scholarly paper requirement. Students review MLA and APA documentation forms and engage in exercises in primary source techniques. Descriptive statistics as well as an overview of the publication process are also covered. Prerequisite: ENG1920.
Quarter Credit Hours 1.0

SCIENCE

SCI1015 INTRODUCTION TO LIFE SCIENCE
This course describes key biological and chemical principles that apply to all living things. Evolution and natural selection are studied as an explanation for the history of life on Earth. Students examine cells and cell functions, genetics, as well as structure and function of the systems of the human body. Application of scientific methodology is included. (HO)
Quarter Credit Hours 4.5

SCI1055 BAKING SCIENCE
This course introduces basic scientific principles through an understanding of the functionality of ingredients in baking and pastry. Students run controlled experiments following the scientific method to learn about food ingredients and to understand the physical and chemical changes that occur during production. Emphasis is placed on explaining how the chemical and physical structure of ingredients affects the functions and their interactions with other ingredients.
Quarter Credit Hours 4.5

SCI2010 NUTRITION
This course in basic human nutrition examines metabolic energy derived from carbohydrates, proteins and lipids. Pathways for the utilization of this energy to build new biomolecules, including nucleic acids, are discussed, as are the consequences of nutrient deficiencies. Ways to achieve and maintain nutrient balance are a central part of the course. The significance of vitamins and minerals and possible toxicity due to overabundance is also discussed. (HO)
Quarter Credit Hours 4.5

SCI2020 EXERCISE PHYSIOLOGY
This course introduces topics in the physiology and anatomy of exercise, cardiovascular fitness, nutrition and weight control. Emphasis is placed on understanding the scientific basis for a wellness program. (HO)
Quarter Credit Hours 4.5

SC13010 ENVIRONMENTAL SCIENCE
This course presents major scientific concepts dealing with the biological and physical nature of the world we live in. A major theme is the impact of human population and economic growth on the biodiversity and ecosystems of our planet, considering how sustainable use of the world’s resources may be achieved for both developing and developed nations. Topics such as energy, air, water or resource use, land use and agriculture are discussed. (HO)
Quarter Credit Hours 4.5

SC13050 SCIENCE AND CIVILIZATION: PROGRESS AND PROBLEMS
This course explores the social, political and historic contexts and implications of several scientific and technological developments through a variety of genres including textbooks, newspaper and magazine articles, film, music, art, literature and the Internet. This is an interdisciplinary course cross-listed as SCI3050, SOC3050 and HUM3050. Prerequisites: Successful completion of any SCI course, sophomore status. (OL)
Quarter Credit Hours 4.5

SOCIOLOGY

SOC2001 SOCIOLOGY I
This course provides an introduction to sociology with the focus of study on how humans interact within a society, both as individuals and in groups. Stress is placed on sociological methods and paradigms.
Prerequisite: Sophomore status. (HO) (SL) (WI) (OL)
Quarter Credit Hours 4.5

SOC2020 CULTURE AND FOOD
This course engages students in an in-depth social scientific analysis of the role of food in the human experience. Students explore how the relationship of food to society has changed over time in terms of importance, selection and preparation. The significance and function of food in diverse societies are discussed to advance students’ sociological and anthropological understanding of humankind. Prerequisite: Sophomore status. (HO) (SL) (WI) (OL)
Quarter Credit Hours 4.5

SOC2025 CULTURAL TAPESTRY: PERSPECTIVES IN DIVERSITY
This course approaches the study of diversity by offering students an opportunity to understand the meaning of difference from a multitude of perspectives. Students study how categories of diversity are created, the experience of being perceived as different in society, and the consequences of difference as gauged by the allocation of privilege and resources to differing groups within society. Such categories as race, ethnicity and national identity, socioeconomic status, gender differences, sexual orientation, learning styles and religious affiliation are addressed. Similarities between ethnic groups and cultures are also examined. The sociological paradigms/perspectives are also utilized in the study of diversity.
Students shape a presentation that addresses diverse subject matter in an experiential manner. As the course concludes, attention is directed towards identifying strategies that can be employed both on a macro-level in society and on a micro-level within the students’ realm of influence, to broaden the acceptance of differing perspectives in a pluralistic society. Prerequisites: SOC2001 or SOC2901; sophomore status.
Quarter Credit Hours 4.5
SOC2035 SOCIOLOGY OF AGING
Aging is a life-long process that affects individuals, families and cultures across the globe. It encompasses a multitude of dimensions — physiological, emotional, cognitive, economic and interpersonal — that influence a person’s physical and social well-being. This course examines aging from multiple perspectives and addresses the roles that individuals, families, service industries, and government play in attempting to meet the needs of this growing population. Prerequisites: SOC2001 or SOC2901; sophomore status.
Quarter Credit Hours 4.5

SOC2040 COMMUNITY LEADERSHIP: AN APPLIED SOCIOLOGY
This interdisciplinary course [sociology, leadership and service learning] provides students with the opportunity to combine theoretical learning with actual volunteer work at a non-profit organization. Through student initiated placement at one of many pre-designated sites, students are exposed to various aspects of the not-for-profit industry including administrative, fundraising, and community outreach responsibilities as well as having personal contact with the organization’s clientele. Students are also expected to utilize leadership skills by initiating a substantial agency-based project, in conjunction with their on-site supervisor, that will serve as a tangible contribution to the overall organization. (SL) (WI)
Quarter Credit Hours 4.5

SOC2060 DEVIANT BEHAVIOR
The purpose of this course is to provide students with a clear understanding of the nature and meaning of deviance. Students learn what is considered the norm in society, what is outside the norm, and how each is relative in nature. Theoretical explanations, cross cultural references and in-depth analyses of deviant behavior are studied from the three dominant sociological paradigms. Who defines deviance, what is deviant, why deviance persists, the effect of labels, and the personal and social effects of deviance are discussed. Prerequisites: SOC2001 or SOC2901; sophomore status.
Quarter Credit Hours 4.5

SPANISH

SPAN1001 CONVERSATIONAL SPANISH I
This course is an introduction to the Spanish language. Emphasis is placed on vocabulary acquisition, basic grammar construction and oral communication.
Quarter Credit Hours 4.5

SPAN1002 CONVERSATIONAL SPANISH II
This advanced elementary-level course is designed to further develop conversational ability by expanding both the vocabulary and the exposure to Spanish-speaking cultures. This course concentrates greatly on advanced verb forms and idiomatic expressions. Prerequisite: SPAN1001 or SPAN1011 or equivalent placement score.
Quarter Credit Hours 4.5

SPAN1003 CONVERSATIONAL SPANISH III
This advanced intermediate course is designed to perfect the usage of advanced grammar through extensive conversational drill, directed reading, composition and laboratory practice. Prerequisite: SPAN1002 or equivalent placement score.
Quarter Credit Hours 4.5

SPAN1011 CONVERSATIONAL SPANISH I: SPECIALIZED VOCABULARY
This course involves an introduction to the Spanish language with emphasis on vocabulary acquisition and specialized culinary vocabulary, basic grammar construction and oral communication. (HO)

School of Technology

FOUNDATIONS IN TECHNOLOGY

FIT1000 INFORMATION TECHNOLOGY FOR BUSINESS PROFESSIONALS I
This course provides basic understanding of computer equipment and procedures necessary for business professionals. Students gain practical knowledge of operations and terminology of computer systems as well as hands-on use of word processing, digital presentations, spreadsheet software and using the Internet. Computer-based assessment software may be used as both a learning and skills measurement tool. (PT)
Quarter Credit Hours 4.5

FIT1020 INFORMATION TECHNOLOGY FOR BUSINESS PROFESSIONALS II
This course presents microcomputer applications chosen on the basis of local market demand. Students gain a working knowledge of spreadsheet skills and apply those skills to problem-solving cases. Students are also introduced to databases with a focus on creating a simple database as well as manipulating data to produce meaningful reports. Computer-based assessment software is used as both a learning and skills measurement tool. Prerequisite: FIT1000 or FIT1010 or equivalent. (PT)
Quarter Credit Hours 4.5

Study Abroad

ABRD4080 OVERSEAS EXCHANGE PROGRAM
This refers to courses of varying credit amounts used by students participating in overseas exchange programs at a foreign institution through an exchange agreement with JWU. Students apply for the exchange program through the Study Abroad Office, which determines the partner institution from the available options based on a student’s academic department, and approves a planned course of study at the foreign institution. Typically, students study upper-level courses in their major, combined with cultural and/or language courses, depending on the location. Students register at JWU for the appropriate ABRD4080 course(s) during the term(s) they will be on exchange. Prerequisite: 2.75 cumulative GPA and 90 quarter credit hours completed prior to departure.
ABRD4083 Quarter Credit Hours 4.5
ABRD4086 Quarter Credit Hours 9.0
ABRD4088 Quarter Credit Hours 18.0
