This catalog is an official publication of Johnson & Wales University. As such, it is subject to revision at any time. The university reserves the right to add, withdraw or revise any course, program of study, provision or requirement described within the catalog as may be deemed necessary.

Occasionally, program requirements will vary by the printing date of the catalog. Requirements stated in the edition published closest to the September enrollment date will take precedence.

Students should read and fully understand the rules, regulations and policies described in this catalog. Additionally, all enrolled students are expected to be familiar with the contents of the Student Handbook. The Student Handbook contains important information concerning the academic performance and personal conduct of students as well as university grievance procedures. It also outlines the conditions under which students may be placed on probation or suspension from the university. The North Miami Student Handbook is available online at www.jwu.edu. Copies of the handbook are also available at the Student Activities Office.

THE MISSION STATEMENT OF THE UNIVERSITY

The mission of Johnson & Wales University is to empower its diverse student body to succeed in today’s dynamic world by integrating general education, professional skills and career-focused education. To this end, the university employs its faculty, services, curricula and facilities to equip students with the conceptual and practical tools required to become contributing members of society.

PURPOSES OF THE UNIVERSITY

Johnson & Wales University supports the following purposes in accordance with the mission:

• to enroll students with potential from varied backgrounds and to give them every opportunity to excel in their academic and professional lives;
• to develop and assess sound programs and curricula that allow students to attain proficiencies in general education and relevant professional disciplines;
• to evaluate and assess regularly the rigor of all academic programs;
• to provide experiential education opportunities that are curriculum-driven and include practical experiences for students in every program;
• to support diversity in the curricula, activities and services for students, and in the employment of faculty and staff;
• to provide students with opportunities that support intellectual development, personal growth and civic engagement;
• to monitor the external and internal environment of the university through regular and effective planning and assessment;
• to hold each academic, administrative and support department accountable for the achievement of the mission;
• to plan for and provide facilities and resources that meet the needs of students, faculty and staff.

CORE VALUES

Johnson & Wales University is
Student Centered
We are strongly student centered, stressing personal development as well as career management skills.

Experientially Based
We integrate hands-on learning with a career-focused curriculum, to enable our students to gain real-world experience.

Industry Relevant
We are industry relevant, focusing both on the needs of our students and the needs of our students’ future employers.

Employment Focused
Our business is developing employment-ready, motivated graduates for world-class employers in all industries.

Globally Oriented
We respond to the increasingly global nature of business by fostering multiculturalism and providing an international educational experience.

OUTCOMES ASSESSMENT STATEMENT OF PURPOSE

The definition of a well-educated college graduate will continue to evolve throughout this new millennium. In accordance with our mission to empower students to succeed in today’s dynamic world, and to become contributing members of society, Johnson & Wales University integrates general education, professional skills and career-focused education.

Johnson & Wales University is committed to outcomes assessment. Faculty and students are therefore part of an ongoing effort to determine and refine the effectiveness of instruction and learning.
A PHILOSOPHY OF CAREER EDUCATION

Johnson & Wales University, founded in 1914, is a nonprofit, private institution. A recognized leader in career education, the university offers accredited degrees in business, hospitality, culinary arts, technology and education.

A variety of undergraduate and graduate degree programs permit students to select the educational path best suited to their career interests and objectives.

Graduate programs leading to the degrees of master of arts, teaching; master of education; master of business administration; and doctor of education are also offered at JWU. For details on these programs, please request the graduate and doctoral catalogs.

The educational philosophy of JWU is to deliver a multidisciplinary educational experience for students who are serious about success. A JWU education integrates rigorous academics and professional skills, community leadership opportunities and our unique career education model. This model includes a focus on career competencies, a career management Web site, work experience tied to a field of study, and on-campus recruitment opportunities.

The goal of all academic programs at JWU is for our students to graduate with the knowledge and expertise to succeed in their chosen field of study in a global economy.

EDUCATION FOR LIFE

Today’s employers want employees who will succeed in tomorrow’s economy not only because they possess important specialized job skills, but also through their ability to think critically, communicate clearly, manage ethically and contribute to the community. To meet these needs, Johnson & Wales University offers a wide selection of liberal arts courses including logic, psychology, communication skills, leadership studies, environmental science and ethics. Students may also participate in in-depth studies through concentrations.

In addition to academic courses, the university emphasizes the importance of community service through volunteer activities and required service learning courses. One of JWU’s priorities is developing students who have the skills, training and personal commitment to be strong, ethical leaders in industry and in their communities.

THE JOHNSON & WALES DIFFERENCE

Our differences are what set an education at Johnson & Wales University apart. Unique programs and facilities, in addition to flexible program options, allow Johnson & Wales students access to unparalleled career education opportunities.

Flexible, Specialized Programs
Johnson & Wales has designed options into its educational programs so that students can choose the right path to their future.

BUSINESS: Johnson & Wales offers a variety of four-year degree programs, ranging from more traditional majors like Management and Marketing to the most innovative programs like Criminal Justice, and Fashion Merchandising & Retail Marketing.

CULINARY ARTS: Our pioneering approach combines culinary skills with management education, work experience, social responsibility and a foundation in the liberal arts. Choose from among the broadest selection of culinary degree programs, including Culinary Arts, Baking & Pastry Arts and Culinary Arts & Food Service Management, and customize your degree with our innovative concentrations. Johnson & Wales also offers some of these programs at JWU campuses in Providence, R.I.; Denver, Colo.; and Charlotte, N.C.

HOSPITALITY: The North Miami Campus offers bachelor’s degrees in Hotel & Lodging Management; Restaurant, Food & Beverage Management; Sports/Entertainment/Event Management; and Travel-Tourism & Hospitality Management. Johnson & Wales offers some of these programs at the Providence, R.I.; Charlotte, N.C.; and Denver, Colo. campuses.
Once a student chooses a program, there are still more options. Hands-on training facilities at the university provide the opportunity for a practicum, or students may apply for cooperative education positions with prestigious participating employers — locally, nationally or internationally.

Students who want to accelerate their studies can apply for the Culinary Arts Advanced Standing Program.

Three-Term Schedule
Johnson & Wales University’s academic calendar is divided into terms. Three 11-week sessions in an academic year enable students to take three or four classes at a time, instead of the usual four or five. The reduced course load gives students more time to focus on each course.

Upside-Down Curriculum
In Johnson & Wales’ programs, students begin courses in their major from the first day, learning right away if their career choices are the right ones for them.

Learning by Doing
“Learning by doing” is an important part of education at Johnson & Wales University. Many programs provide students with valuable experiential education — both in the classroom and on the job.

Practicums including internships, externships and career co-ops, in such areas as Culinary Arts, Baking & Pastry Arts, Fashion, Criminal Justice and Marketing, all place students within a practical situation to further develop their career knowledge and skills.

Student Success
Helping students to succeed is our number one priority at Johnson & Wales University. The Student Success team is dedicated to making sure each student is given every opportunity for success, with special courses and workshops, tutoring, and personal, career and academic advising. Students with disabilities can also find assistance at Student Success, with special programs, adaptations, and reasonable accommodations to help provide every opportunity for their success in college. All support services are available without extra charge to all Johnson & Wales students.

Certain accommodations (such as alternative format and interpreters) require more time to arrange, so students who need accommodations are urged to provide as much advance notice as possible to Student Success.

HANDS-ON LEARNING: COOPERATIVE EDUCATION AND EXTERNSHIP

Selective Career Cooperative Education (Co-op)
The Career Development Office offers a career co-op program to selective majors. A GPA of 2.75 is required to participate in the co-op program, and must be maintained throughout the application process. The co-op learning experiences are competitive. Students must successfully complete the application process and demonstrate academic achievement.

These cooperative placements provide a term-long experience within the student’s career field. Co-op offers students an opportunity to learn more about their chosen field, gain on-the-job experience and make contacts for future full-time employment. Students also receive academic credit for their work.

Formal cooperative learning agreements exist between the university and several major employers. Co-op placements are arranged on an individual basis to fit both student and employer needs.

Culinary, baking & pastry, hospitality and business co-op agreements exist with many hotels, dining establishments, retail stores, marketing firms, travel agencies, C.P.A. firms and other prestigious companies nationwide.

Students participate in co-op assignments domestically and internationally. Co-op students have worked in special assignments overseas in Belgium, France, Germany, Ireland, Japan, Switzerland, United Kingdom and Sweden. A 3.25 GPA, language proficiency and cross-cultural training are required of all students working on overseas co-ops.
College of Business
THE BUSINESS CENTER
This 11-week externship program is delivered at the university-owned and operated Business Center. Students work on projects that expose them to marketing and management tactics as well as executing tax returns. Projects are implemented for the City of North Miami, Johnson & Wales University and various businesses in the area.

FASHION MERCHANDISING EXTERNSHIP
One of the most important parts of the Fashion Merchandising & Retail Marketing program is the Fashion Merchandising externship. Students learn and experience actual fashion and retailing work through course assignments, field trips and employment within the local fashion industry, as well as a trip to the fashion district of New York City. The externship program lasts an entire term and includes classes and hands-on work that involve and enhance students’ knowledge, employment opportunities, career goals, and buying, merchandising and technology skills used in retailing.

Highlighting this program is a field trip to New York City, the “Merchandising Capital of the U.S.” The New York trip includes visits to fashion showrooms, fabric manufacturers, trade shows, fashion and retailing publishers and major department stores. The retail internship and seminar total 13.5 quarter credit hours.

INTERNATIONAL EXPERIENTIAL LEARNING
Students choose from a range of study abroad options including short-term 3 1/2 to four-week summer programs or four-to-five month independent exchanges. Each program has its own academic focus and prerequisites. Students apply for their program of choice through the Study Abroad Office. After selection into a program, students engage in orientation and academic pre-departure work before embarking on their immersion into foreign cultural and business settings. In some cases, JWU faculty lead the program and travel with the students. In other cases local hosts lead the program, but in all programs students participate in a rigorous study and travel experience. The purpose of these study abroad experiences is to increase students’ global awareness as they explore their program’s specific academic focus. Course delivery consists of lecture, industry visits and cultural excursions. Eligible students are guided by the Study Abroad Office to register for the appropriate course(s) specific to their program.
The Hospitality College
HOTEL MANAGEMENT/RESTAURANT MANAGEMENT/FOOD & BEVERAGE MANAGEMENT EXTERNSHIPS

Hotel & Lodging Management and Restaurant, Food & Beverage Management majors at the JWU North Miami Campus will complete an 11-week externship program that allows the student an opportunity for a hands-on learning experience in one of the university-approved externship sites. The Hotel & Lodging Management externship is designed to give students practical experience in both lodging and food & beverage areas. Rotational assignments will incorporate the five core program rotations of front desk, night audit, housekeeping, kitchen and dining room, and a day of community service.

Restaurant, Food & Beverage Management externships offer students an in-depth practical experience in the food and beverage areas of commercial culinary institutions to include rotational assignments within the front- and back-of-the-house operations; students will be placed in a food & beverage operation and rotate through the dining room and kitchen. The externship programs afford students an opportunity to integrate theoretical learning with practical experience at some of South Florida’s premier properties in the hospitality industry.

INTERNATIONAL EXPERIENTIAL LEARNING
Students choose from a range of study abroad options including short-term 3 1/2 to four-week summer programs, Spring term three-month programs, or four-to-five month independent exchanges. Each program has its own academic focus and prerequisites. Students apply for their program of choice through the Study Abroad Office. After selection into a program, students engage in orientation and academic pre-departure work before embarking on their immersion into foreign cultural and business settings. In some cases, JWU faculty lead the program and travel with the students. Eligible students are guided by the Study Abroad Office to register for the appropriate course(s) specific to their program.

SPORTS/ENTERTAINMENT/EVENT MANAGEMENT (SEE) EXTERNSHIPS
Senior-level SEE students who have successfully completed the prerequisites are eligible to participate in an 11-week externship program within some of South Florida’s premier properties. This unique program allows students with an interest in working in professional sports, events or the entertainment world including music, television, radio and casinos to gain valuable hands-on experience.

TRAVEL-TOURISM EXTERNSHIPS
One of the most exciting aspects of the Travel-Tourism & Hospitality Management program is the externship students complete at the campus. The term-long assignment affords them the opportunity to put their classroom-learned skills to work in a “hands-on” experience.

Students participate in a term-long externship at the university’s North Miami Campus working at one or more industry partner sites, including travel agencies, international tour operators, local international airports, airlines, tourism offices and cruise lines.

The highlight of the program is the Familiarization (FAM) trip, a class project to a domestic or international destination. Students are required to research, budget, plan, promote and actually implement the tasks of a tour manager while on tours.

THE SCHOOL OF ARTS & SCIENCES
The mission of the School of Arts & Sciences is to integrate liberal arts courses with career education to prepare students to be productive and responsible citizens. As a leader in career education among American universities, Johnson & Wales University has placed its School of Arts & Sciences in this key role of providing general education to enable
its students to achieve career success and personal fulfillment. To accomplish these objectives, students take at least one-third of all their credits in arts and sciences.

The Writing Across the Curriculum program at Johnson & Wales was developed to integrate the “writing to learn” concept across all majors. All students may take writing-intensive (WI) courses as they are offered in general studies and elective areas.

Students at JWU may also elect 13.5 quarter credit hour concentrations in History, Leadership Studies, Political Science, Psychology and Sociology. These concentrations allow students to concentrate their electives in a particular area of personal or professional interest. Please note that concentrations vary by campus.

The School of Arts & Sciences administers the Honors Program, which challenges students to excel beyond the traditional course offerings. Specific honors courses are offered in English, mathematics, economics, leadership and psychology, and an honors option is available in all course offerings.

The School of Arts & Sciences offers a Summer Abroad Program which is currently situated in England. Students can earn 13.5 credits of general education courses. The course offerings may vary each summer, including history, sociology, literature, science and art. The experience includes three weeks in England with excursions to historical cities, such as Bath, Cambridgeport and London. The academic component of the summer program is challenging, and students will benefit from innovative teaching strategies including team teaching and collaborative learning.

In recognition of the importance of leadership in today’s world, the School of Arts & Sciences requires all students to complete LEAD2001, a course designed to help students understand and practice leadership theory, and to help them prepare to assume leadership roles in both the workplace and in the community. At Johnson & Wales University, leadership is part of our institutional culture, and our students are prepared to become the business leaders of the future.

**HISTORY OF THE UNIVERSITY**

The special approaches to career education at Johnson & Wales University (JWU) have evolved over more than 90 years’ time and continue to adapt as the university responds to the changing needs of business and industry. Johnson & Wales was founded as a business school in 1914 in Providence, R.I. by Gertrude I. Johnson and Mary T. Wales. From its origins as a school devoted to business education, JWU has grown to a junior college, to a senior college, and ultimately to university status.

The university became well established because of its strong commitment to specialized business education and the high ideals of its founders. In 1993, JWU received regional accreditation from the Commission on Institutions of Higher Education of the New England Association of Schools and Colleges (NEASC). Accredited since 1954 by the Accrediting Council for Independent Colleges and Schools (ACICS), the university consolidated its institutional accreditation efforts under NEASC on June 30, 2000.

In 1963, the State of Rhode Island granted a charter which authorized the university to operate as a nonprofit, degree-granting institution of higher learning and to award associate degrees in the arts and sciences. In 1970, the State of Rhode Island approved a revision in the university’s charter to award baccalaureate degrees. In 1980, the Governor and General Assembly of the State of Rhode Island granted a legislative charter to the university, authorizing the awarding of advanced degrees.

The charter was amended in 1988, changing the institution’s name to Johnson & Wales University. In 1992, the governor of the State of Rhode Island signed into law a new legislative charter with university status.

A new career emphasis was introduced at JWU in 1973, when the university announced the opening of what is now known as the College of Culinary Arts and the addition of a new associate degree program in that field. This proved to be one of the most far-reaching changes in the educational expansion of the university, leading to additional two- and four-year degree programs in the hospitality and food service fields.
In 1984, a JWU campus was established in Charleston, S.C., which offered a variety of two- and four-year programs in food service, hospitality and travel-tourism. The Norfolk, Va. Campus, opened to the public in 1986. It offered one- and two-year food service programs.

In 1985, graduate degree programs were introduced at the university. The Alan Shawn Feinstein Graduate School now offers an M.B.A. degree program in Global Business Leadership with concentrations in accounting, financial management, international trade, marketing and organizational leadership. It also offers an M.B.A. degree program in Hospitality with concentrations in event leadership and marketing. A Certificate of Advanced Graduate Study (CAGS) is offered in hospitality, human resources and finance.

The School of Education offers an M.A.T. in Teacher Education leading to certification in business education, food service education, elementary education, elementary special education, or secondary special education. It also offers an M.Ed. in Teaching and Learning, an M.Ed. in Early Childhood Administration and Leadership, and an Ed.D. in Educational Leadership.

In 1992, a joint educational agreement allowed the university to begin programs on the campus of the Institute of Higher Marketing (IHM) Business School in Göteborg, Sweden. JWU established a formal, independent learning site there from 1994–2004, giving business and hospitality students the opportunity to complete one year of study in Sweden and finish their degrees at one of the university’s domestic campuses.

Also in 1992, JWU opened another campus in North Miami, Fla., which now offers two- and four-year food service, business and hospitality programs.

That year also marked the university’s formal establishment of the College of Business, The Hospitality College, the College of Culinary Arts and the School of Technology. A new emphasis on general studies was introduced in 1992 as well, with the development of the School of Arts & Sciences.

The university’s School of Technology also offered courses in Worcester, Mass. from 1992–2002.

In 1993, JWU opened a campus in Vail, Colo., which offered an accelerated associate degree program in culinary arts to college graduates. That year also marked the beginning of a four-year bachelor’s degree offering in culinary arts.

In 1995, the university created an International Hotel & Tourism Management program which offers unprecedented opportunities in international hotel management education. Students from around the world may choose from a variety of options both at JWU and abroad.

Technology programs offered by the university include Network Engineering, Graphic Design & Digital Media, Computing Technology Services, Engineering Design and Configuration Management, and Technology Services Management.

September 2000 marked the opening of the Denver, Colo. campus, which offers two- and four-year degrees in baking & pastry arts, culinary arts, hospitality, business, and criminal justice, as well as the “Garnish Your Degree” accelerated associate degree program originally offered in Vail. In 2000, the Vail Campus was merged with the Denver Campus.

In 2002, the university made a strategic decision to consolidate its smaller Charleston and Norfolk campuses to build a campus in Charlotte, N.C. JWU’s Charlotte Campus opened in fall 2004 and offers associate and bachelor’s degree programs in business, culinary arts and hospitality. The Charleston and Norfolk campuses officially closed in May 2006.

In keeping with its tradition of focusing on the best interests of students and responding to industry, it was determined in April 2006 that beginning with the 2008–2009 academic year, JWU’s College of Business and The Hospitality College would move away from offering associate degrees and instead have
students customize their education through specializations or concentrations at the baccalaureate level alone. This decision did not impact the College of Culinary Arts and the School of Technology where the two-year degree continues to be relevant.

Each year the university grows in program offerings and physical facilities. At the same time, JWU also grows in recognition and prestige, making contributions to the community, government and industry.

**NORTH MIAMI CAMPUS**

The North Miami Campus opened its doors in 1992. Today the campus offers associate and bachelor’s degrees in culinary arts, business, and hospitality. The campus also boasts a library which includes a collection of books, journals, magazines, newspapers, full-text databases, videos, DVDs and other resources to serve the research needs of Johnson & Wales students. The library is a member of SEFLIN (Southeast Florida Library Information Network), which is dedicated to cooperative library services.

The Johnson & Wales University North Miami Campus is located at 1701 NE 127th Street, North Miami, Fla. The main phone number of this campus is 305-892-7000. The toll-free number is 1-866-JWU-FLORIDA (598-3567). Facilities include a library, laboratory kitchen facilities, academic classrooms, computer laboratories, and administrative offices. Student housing, both dormitory and apartment style, and a multi-level parking garage are available as well.

On the North Miami Campus, students attend classes in full uniform or professional attire, depending on their major. Faculty and administrators of the campus believe strongly in establishing a professional attitude and image for the campus.

**NORTH MIAMI, FLORIDA**

Johnson & Wales University’s North Miami Campus is located conveniently close to the tourism-rich areas of Fort Lauderdale and Miami, offering a superb setting for a business, food service or hospitality education. Fort Lauderdale Airport, Miami International Airport and Interstate 95 are just minutes away. Students enjoy the sun and fun of Fort Lauderdale, as well as the culture and diversity of Miami — truly an international city.

Festivals celebrating boats, arts, architecture and ethnic America abound in the Fort Lauderdale and Greater Miami area. The Junior Orange Bowl Festival, which runs for eight weeks in the fall, is one of the largest sports and cultural festivals in the country.

Southern Florida is home to several professional sports teams including the Miami Heat (NBA basketball), Miami Dolphins (NFL football), the Florida Marlins (National League baseball) and the Florida Panthers (NHL hockey).

The North Miami Campus offers easy access to South Florida markets, shopping centers, palm-fringed beaches and numerous hotels and restaurants. Leisure and night life are highlights in the area which has been growing by leaps and bounds in recent years.

**ADDITIONAL CAMPUSES**

Johnson & Wales University, in an effort to expand its educational outreach, has established several additional campuses. For more information, please consult the catalog for each campus at www.jwu.edu. Click on Academics, then Catalogs.
DENVER, COLORADO

JWU’s campus in Denver, Colorado offers undergraduate culinary arts, business and hospitality programs. Denver, named the “second best city in America to work and live” by Fortune magazine, offers an exciting range of cooperative education opportunities in fine restaurants and mountain resorts.

For more information about the Johnson & Wales Denver Campus, write the Admissions Office, Johnson & Wales University, 7150 Montview Boulevard, Denver, CO 80220 or call 1-877-JWU-DENVER (598-3368).

Johnson & Wales University seeks students who have a true desire for practical career preparation in their chosen field and who have the ability to achieve academic success.

Although academic qualifications are important, students’ motivation and interest in succeeding in their chosen careers are given strong consideration. The educational methods of the university are designed to assist students who qualify for admission to succeed in the career programs of their choice. Graduation from high school or equivalent education as certified by state departments of education is required for undergraduate admission.

It is also recommended that students submit employment information, letters of recommendation and test scores for admission consideration.

Due to the technical standards and requirements essential to certain technical programs at the university, applicants with special needs or physical limitations should contact the Office of Student Success prior to enrolling at the university. For more information about technical standards see Pages 93–94. Copies of the technical standards applicable to various programs are available from the Office of Student Success.

APPLICATION PROCEDURE

Applications for admission should be completed in full and sent to the Admissions Office, Johnson & Wales University, 1701 NE 127th Street, North Miami, FL 33181.

Students applying for admission to the Providence, Denver or Charlotte campuses should refer to their campus catalog for admissions information.

There is no deadline for submitting applications, but students are advised to apply as early as possible before their intended date of enrollment for full consideration.

An official application form is available online at www.jwu.edu. Click on Prospective Students > Apply. No application fee is required.

In completing the application form, students must indicate the term in which they wish to enroll. Applications are accepted for terms beginning in September, December and March. NOTE: Certain programs of study may be limited to fall enrollment.

Certain bachelor’s degree programs are selective and require submission of an application at the end of the associate degree program. Students should check program descriptions if they are interested in applying for both an associate and a bachelor’s degree program.

After completing the application form, students are responsible for requesting that their high school guidance office forward to the university an official copy of the secondary school record for admissions consideration.

Graduation verification documents must be submitted to the admissions office. Verification documents include at least one of the following: a letter from an authorized high school administrator, a high school diploma recognized by their state department of education or a G.E.D. certificate. It is the student’s responsibility to provide verification of high school completion. Without such verification, the student may not be allowed to register for the current term or continue enrollment.*

*This paragraph was revised after the catalog was printed.

When possible, Johnson & Wales University would prefer to receive the applicant’s high school transcripts at the same time as the application for admission. Transfer students must also submit official transcripts from all colleges attended.

Test Scores
SAT and ACT scores are not required for general admission to the university, but are recommended.
Candidates for the university’s Honors Program must submit ACT or SAT scores for acceptance consideration. Admission standards may vary for international and transfer students.

Admissions Decision
The rolling admissions policy of the university makes it possible to notify students of admissions decisions, of their acceptance, or of any additional conditions necessary for admission, soon after all of their academic records have been received and reviewed.

Upon receiving notice of acceptance, students are required to forward to the university a $300 reservation fee which will be applied to the student’s account and will reserve a place in class and on-campus housing.

Students requesting residence hall accommodations must submit their online housing contract as soon as possible after submitting their reservation fee. Residence hall and room assignments are based on a first-fee-and-contract-received, first-resident-placed basis. The student’s account must also be cleared by Student Academic & Financial Services by the payment deadline to guarantee a room assignment.

Requests for refunds of the reservation fee will be granted upon written request to the university prior to May 1, 2009. After May 1, 2009 the reservation fee of $300 (or $150 of such fee in the case of applicants to the North Miami Campus) is nonrefundable.

The university may revoke any student’s acceptance or enrollment if any information or documentation provided by the student is false or incomplete or if the university learns of any past or present misconduct by the student that would affect the student’s ability to represent and uphold the high standards of the university.

Advanced Placement Credit
Students entering Johnson & Wales University with an Advanced Placement test score of “3” or greater will be granted 4.5 quarter credits for the equivalent JWU course. Students must submit an official AP Grade Report from the College Board Advanced Placement Program. For more information about AP credit contact the Transfer and University Testing Office.

Transfer Students
Transfer students are eligible to apply for most JWU majors; however, they are not guaranteed credit. Credit is usually granted for courses completed with a grade of “C” or better (with a numeric value of 2.0) at another accredited institution (U.S. Department of Education). Grades of “pass” are also acceptable for transfer if credit was awarded (and a grade of “P” has the numeric value of 2.00 or greater). Credits earned in developmental and remedial courses (or CEUs) are nontransferable. Transfer credit evaluations are based on previous college work as it relates to the student’s intended field of study.

As with prospective freshmen, acceptances are made on a rolling basis as an application becomes complete.

Transfer candidates must submit official college transcripts from all colleges previously attended prior to enrolling at Johnson & Wales. Students must also submit final official high school transcripts.

It is the responsibility of those candidates who are currently attending another college to have their updated transcripts sent to JWU as soon as final grades become available and no later than the first term of enrollment. If official transcripts or other requested materials are not received within that designated time period, tentative transfer credit will be forfeited.

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

Early Admissions/Dual Enrollment
The Early Enrollment Program gives high school seniors an opportunity to enroll full-time in college courses at Johnson & Wales during their senior year of high school. Students should apply for admission to the Early Enrollment Program during their junior year of high school.
To apply for a Portfolio Assessment, students must meet the university’s residency requirements and complete the Portfolio Development non-credit seminar. This seminar is scheduled at the request of the student and will meet for three two-hour sessions. Students must discuss this option with a Student Success counselor before they are eligible to enroll.

The seminar assists students with the development of a portfolio that describes and documents how the learning took place. The completed portfolio is submitted to the appropriate department designee for review. The assessor will review the portfolio and either validate the student’s learning by awarding college credits, request additional information, or deny the request for credits. Portfolios will not be returned to the students; they become the property of the university.

Once the seminar is completed, eligible students, in consultation with a Student Success counselor, may submit additional portfolios. Refer to the Prior Learning Assessment Brochure, available at Student Academic & Financial Services, for more information on required fees.

**FACTS FOR MILITARY**

Johnson & Wales University is approved for the training of veterans in accordance with the rules and regulations administered by the U.S. Veteran’s Administration.

Eligible veterans should contact the Department of Veterans Affairs. Those living in the U.S. should look in the Government Listings section of the Verizon White Pages to obtain the telephone number for their state’s Department of Veterans Affairs office.

**STANDARDIZED TESTING AFTER ADMISSION**

**PLACEMENT TESTS (NON-CREDIT, NO FEES):** These tests are administered for placement purposes only to all new students, including transfer students, upon entrance. In situations where two or more levels of a subject are required for graduation, the student’s academic career in this subject begins at the level determined by the placement test. This is particularly true when a student has previous academic experience in a subject. Placement tests are currently administered by Student Success to determine math and English placement. Contact Student Success at 305-892-7026 for more information.

**PRIOR LEARNING ASSESSMENT**

**PORTFOLIO ASSESSMENT:** Students may earn credits for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel programs, organizations or other comparable sources.
they feel they have completed the requirements of a specific JWU course. Some testing options require specific criteria in order to take tests. Refer to the Prior Learning Assessment Brochure, available at Student Academic & Financial Services, for criteria and fees, or contact the testing office.

For annual examination schedules with examination dates and application deadlines, refer to the university’s Prior Learning Assessment Brochure. This brochure may be obtained from Student Academic & Financial Services and from the Office of Student Success.

In all cases, the academic department determines policy as it relates to the testing options for each course in the department. Several options may be available to students, and it is recommended that students seek the advice of a counselor.

**Policies for Portfolio Assessment, Challenge and CLEP Examinations:**

1. Portfolio Assessment and Challenge Examinations cannot be repeated if failed.
2. Portfolio Assessment, CLEP Exams and Challenge Exams may not be substituted for a class previously failed or one where a withdrawal (W) or a withdrawal/fail (WF) grade has been issued.
3. The standardized examinations or portfolios mentioned above must fall within the residency requirement for each degree.
4. Seminar, application and processing fees are nonrefundable.
5. The university recognizes up to a maximum of 45 quarter credits earned through Prior Learning Assessment.
6. Students must present a valid picture ID when testing.

After being determined eligible to test or enroll in a seminar, students will be notified by e-mail of the time and location of their test or seminar. The Prior Learning Assessment Brochure listing course options may be obtained from Student Academic & Financial Services. For additional policies/information for Portfolio, Challenge and CLEP options, refer to the brochure.

**Culinary Arts Advanced Standing**

Prospective students who possess advanced knowledge and skills in food-related areas may apply for the Culinary Arts Advanced Standing examination. The results of the examination are considered in addition to academic records and a letter of recommendation from a food-related employer and/or teacher.

It is generally recommended that applicants have completed advanced food service curriculum or have a minimum of two years of extensive food service work experience.

Students must be accepted for admission to Johnson & Wales University prior to applying for Advanced Standing. The Advanced Standing program begins in September. Contact the Admissions Office for further information.

**FAST and Credit for College Programs**

Johnson & Wales offers students an opportunity to earn credits toward a JWU degree while they are still in high school through approved articulation agreements between Johnson & Wales University and the student’s high school. Culinary Arts students enrolled in an approved tech-prep program who meet academic requirements may be eligible to earn up to nine quarter credits toward their Culinary Arts associate degree through our Freshman Advanced Study Track (FAST). Students enrolled in approved hospitality, business and technology programs who meet the academic requirements may also be eligible to earn transfer credits through our Credit for College Program.

For more information about the Freshman Advanced Studies Track, articulation agreements or Credit for College programs, contact the Admissions Office.

**International Baccalaureate**

Johnson & Wales University recognizes International Baccalaureate credentials and awards credits and other special program status on an individual basis to students who have achieved a grade of four or better on International Baccalaureate exams, up to a maximum of 45 credits or equivalent, in accordance with transfer (departmental) policies.
INTERNATIONAL STUDENTS

International Admissions Requirements
Listed below are the requirements for applying for undergraduate admission to Johnson & Wales University. In order to expedite the admission process, students must enclose ORIGINAL or CERTIFIED documents (with English translations) when submitting an application. Please note that photocopies, fax copies, scanned or e-mailed documents are not valid.

1. An accurate, complete and legible International Application form that has been signed and dated by the applicant. Please list all schools attended, even if you do not wish to have transfer credits reviewed.

2. Certified bank statement or government sponsorship letter verifying financial support for one academic year.

3. The results of the Test of English as a Foreign Language (TOEFL) or other acceptable proof of English proficiency. (See “English Language Proficiency” and “TOEFL Requirements” on this page.)

4. Official documentation of higher secondary (high school) graduation, subjects taken and grades earned.

5. Complete transcripts, marks sheets, diplomas or certificates from previous study, along with course descriptions and syllabus (for transfer credit).

6. Copy of biographical section of applicant’s current passport.

Please note that all documents and information should be clear and legible; if important information cannot be read by the International Admissions staff, the admissions process is delayed and, as a result, so is the acceptance/Form I-20 process.

All documents must be sent to:
 Johnson & Wales University
  1701 NE 127th Street
  N. Miami, FL 33181 USA
  Telephone: 305-892-7000
  Fax: 305-892-7020

English Language Proficiency
Applicants whose native language is not English must provide proof of English proficiency. English language proficiency is required for admission to all programs of study at Johnson & Wales University, regardless of country of citizenship or residency.

Students who need to develop English proficiency are accepted into the English as a Second Language program (ESL) at Johnson & Wales University prior to beginning regular degree studies.

Johnson & Wales University’s English as a Second Language (ESL) program allows students to focus on the areas where they need the most improvement, and some advanced-level ESL students may take a regular undergraduate degree class in place of an ESL class which has been exempted because of proficiency in a particular area. This flexibility provides students with the most efficient transition into college.

English Language Placement testing for new ESL students will be given before the beginning of each term. JWU uses the students’ scores from this testing to place students into the appropriate level of ESL. The Institutional TOEFL will be also offered to students who score at a high level in their ESL placement tests, to be determined by the English Language Institute’s departmental policy.

TOEFL Requirements
Johnson & Wales University recognizes the TOEFL (Test of English as a Foreign Language) as proof of English proficiency. TOEFL scores must be received as official ETS scores. The Johnson & Wales University Designated Institution (D.I.) code is: 3465. This code should be used on your TOEFL registration form so that your scores will be sent to us directly.

Minimum TOEFL requirements (all levels, undergraduate and graduate) are as follows:

- TOEFL score of 80 (Internet-based or iBT)
- TOEFL score of 550 (paper/paper or PPT)
- TOEFL score of 210 (computerized or CBT)

Individual section scores must also meet minimum score requirements.
Acceptable proof of English proficiency may also include one of the following comparable English proficiency examinations:
- IELTS (Cambridge), Band 6.5
- City & Guilds Pitman ESOL Examinations — Higher Intermediate or Expert Level
- ELS Level 112 Certificate of Completion and Academic Report
- The London Tests of English LTE, Level 4 (Advanced)
- MELAB (Michigan English Language Battery) — 77
- S.T.E.P. Eiken — (Society for Testing English Proficiency) — Grade 1

Other English language examination results will also be considered, and experience studying in the English language, as documented through school transcripts, will be taken into consideration.

To meet English Proficiency requirements, all English Language examination results must be submitted on an official test transcript which is no more than two years old.

Students may be exempted from individual ESL classes based on their individual TOEFL Test (or equivalent test) section scores. Individual section scores and total scores must also meet minimum score requirements; Johnson & Wales University also reserves the right to require ESL classes to increase proficiency in a particular area, regardless of total TOEFL or other test scores.

Students who do not submit one of the above tests at the required level of proficiency will be enrolled in the English as a Second Language program (see “English Language Proficiency” on previous page) and registered for ESL classes.

International Transfer Credit
Students who wish to transfer to JWU should submit an application for admission and grades or transcripts from all post-secondary schools attended. Transfer credit is determined through an individual course-by-course evaluation of each transcript submitted. Credit is generally awarded for courses you have completed with grades of “C” or better (or equivalent) which are similar in level, content and duration to JWU courses in your intended major. Accepted transfer students will be sent a Transfer Credit Allowance (TCA) showing the credit accepted toward your chosen major.

JWU has many approved formal transfer credit agreements with institutions in more than 40 countries. Consult with officials at your school to see if they have an agreement with Johnson & Wales University.

Articulation Agreements
JWU is proud to have a large number of international articulation agreements and transfer credit equivalencies in place with schools and programs which facilitate student transfer to Johnson & Wales University for bachelor’s degree completion. The university is continuously working to develop partnerships with schools around the world for the purpose of offering diverse educational opportunities for transfer students.

In addition, JWU recognizes and grants transfer credit exemptions for a number of diplomas and qualifications provided by accredited colleges, universities and educational organizations throughout the world. Some of these include

- ACT Global Assessment Certificate (GAC)
- Barbados Community College, Barbados
- Bermuda College, Bermuda
- BITC – Prima: Diploma and National ITE Certification in Baking, Singapore

**REGIONAL ADMISSIONS REPRESENTATIVES**

The admissions staff of the university includes regional admissions representatives who visit high schools and personally assist students from their areas.

The admissions representative from your area will be happy to meet with you and answer any questions you may have about the university, application procedures and financial aid programs. A full listing of the regional admissions representatives and their phone numbers can be found at www.jwu.edu. Click on Admissions & Aid > Your Admissions Rep.

**QUESTIONS & ANSWERS**

When students come to Johnson & Wales for an admissions interview, they ask a variety of questions about the university. Here are some of the most commonly asked questions.

**CAN I REQUEST A PARTICULAR ROOMMATE?**
Yes, it is possible to specify who you would like to live with. You and your friend must each indicate your preference on your residence contract. Every attempt will be made to honor a roommate request, but only if both students have paid their reservation fees. Please note that all placements are based on space availability. The university does not accept or place co-ed room requests.

**HOW DOES THE UNIVERSITY MATCH ROOMMATES?**
When you complete the Residential Life Housing Contract, you will be asked to fill out a survey with questions concerning your study habits, the hours you keep, whether you smoke cigarettes, etc. The information you provide will be used to match you with a compatible roommate.

**WHERE DO I WASH MY CLOTHES?**
Coin-operated laundry facilities are located in each residence hall.

**DO I BRING MY OWN BED LINEN AND TOWELS?**
Yes. The beds are extra-long twin-size. You should also bring a pillow, desk lamp, wastebasket and coat hangers. Limit what you bring until you see the size of your room and what your roommates bring.

**WHAT KIND OF CLOTHES SHOULD I BRING?**
Closet and drawer space is limited, so you should bring clothes for a mild to warm climate. You’ll find that outside of class you will wear mostly casual clothing.

**WHAT HALLS ARE AVAILABLE TO ME?**
New students reside in Tropical Pointe or Flamingo Hall. Lakeside Towers, Palm Gardens and Emerald Lake Hall are reserved for upperclass and transfer students with Arch Creek Place being designated as Greek Housing.
WHAT KIND OF SECURITY IS PROVIDED ON CAMPUS?
The traditional residence halls — Flamingo Hall, Lakeside Tower and Tropical Pointe — have 24-hour supervision and no one is allowed to enter unless he or she has a student ID or is accompanied by a student living in the building. Emerald Lake Hall and Arch Creek Place, adjacent to the university, have 24-hour security patrol.

CAN I HAVE OVERNIGHT GUESTS?
A student may sponsor a visitor to the residential facilities provided the student advises the visitor of university rules and the visitor agrees to follow those rules.

Both the visitor and his or her sponsoring resident must leave a picture ID card with the attendant at the front desk while the visitor is in the hall. Overnight visitors are not permitted in the residence halls during school nights (i.e. nights when university classes will be held the next day). Non-JWU-student visitors may generally stay as a visitor for only two consecutive nights. The residential life professional staff may make exceptions to this limitation based on extraordinary circumstances in specific cases. Johnson & Wales University reserves the right to deny and/or limit this visitation privilege.

CAN I HAVE A REFRIGERATOR?
All rooms in Flamingo Hall and Tropical Pointe are equipped with a refrigerator and freezer. Full kitchens are available at Emerald Lake Hall, Arch Creek Place, Lakeside Tower and Palm Gardens.

WHAT IS THE UNIVERSITY’S POLICY REGARDING ALCOHOL AND DRUGS ON CAMPUS?
The possession or use of alcoholic beverages anywhere on university premises is prohibited except for lawful use at events, operations, or programs sanctioned by university officials. The possession or use of illegal drugs, narcotics or drug paraphernalia is absolutely forbidden.

IS THERE A CURFEW?
There is no curfew, but students must respect “quiet hours,” which are from 10 p.m. to 8 a.m.

WHAT’S THE FOOD LIKE?
The dining center is managed by Chartwells, a division of the Compass Group specializing in college and university food service. The majority of the food preparation is handled by culinary arts majors as part of their experiential education, and supervision is provided by both Chartwells professional staff and Johnson & Wales teaching assistants and fellows. This partnership allows the university to provide outstanding quality of food and service, coupled with an exciting educational environment. Wide varieties of dining options, from full meals to sandwiches, coffee, snacks or a “grab-and-go” dinner are available to students through the dining center.

Though it is difficult to provide special menus for religious, health or personal reasons, the staff of the dining center makes every effort to accommodate students in need of such diets. Please make your interests and menu requests known to any member of the management team and they will be happy to discuss them with you.

ARE MEALS INCLUDED IN MY ROOM CHARGE?
Resident students, as part of their room and board charges, are provided with a declining balance meal plan which allows them to purchase meals, snacks and take-out food. These declining accounts are replenished on a weekly basis throughout the term. Students may select from the Standard Room and Board Plan, which provides $60 per week when classes are in session or the optional Premium Room and Board Plan, which provides $94 per week in purchasing power. On average, the Standard Plan will provide approximately nine meals per week, while the Premium Plan will provide an average of 13 meals per week. The dining center is open on class days only. Students may also purchase Add-On Dollars for their board plan, which allows even greater flexibility and purchasing ability.
WHERE CAN I CONDUCT PERSONAL BANKING?

WILL I BE PENALIZED FOR MISSING CLASS BECAUSE OF A RELIGIOUS OBSERVANCE?
In accordance with the Johnson & Wales University attendance policy, “all absences, regardless of circumstances, are recorded daily and become a part of the student’s permanent attendance record.” The maximum number of absences for valid reasons is based on the quarter credit hours for the course, with the exception of experiential education assignments and laboratories, which have their own specific attendance criteria.

As with all academic matters including attendance, extenuating circumstances are handled on an individual basis. The intent of the attendance policy is not to penalize students but to help them develop a businesslike attitude toward their studies. The university believes that such an attendance policy serves the student population’s best interest. With appropriate planning, students should be able to observe religious holidays within the absence policy. Excessive absences may result in reduction of grades in accordance with stated faculty policy given at the beginning of each course and may also result in a punitive withdrawal or withdrawal/pass from the course. Attendance policies for experiential education assignments and laboratories are more rigid and will be fully explained during orientations.
WHAT KIND OF PUBLIC TRANSPORTATION IS AVAILABLE IN NORTH MIAMI?
Miami-Dade County provides an extensive network of bus and rail service. Johnson & Wales is conveniently served by a number of public bus routes. For more information, call Metrobus at 305-638-6700. Students may purchase discounted bus passes at the campus bookstore.

WHERE ARE THE AIRPORT, BUS AND TRAIN STATIONS?
The Hollywood-Ft. Lauderdale Airport is located approximately 25 minutes north of the campus. Most major airlines fly in and out of Hollywood-Ft. Lauderdale. To make travel arrangements, contact your local travel agent or the airline of your choice.

The Greyhound Bus Lines terminal is located at 1707 Tyler Street in Hollywood, a short Metrobus ride from our campus. For schedule information, call 305-922-8228.

Amtrak Rail Passenger Service is available to Hollywood, Florida. For general information and reservations, call 800-872-7245.

WHAT DO I DO IF I GET SICK WHILE IN SCHOOL?
The Health Services Office, located on the second floor of the Academic and Student Center, is available to both resident and commuter students. The nurse can be reached at 305-892-7594.

Cases not treatable by the nurse are referred to a physician. Emergency cases are transported to an area hospital. Local hospitals include:

Jackson North Medical Center
160 NW 170th Street
North Miami Beach
305-651-1100

North Shore Medical Center
1100 NW 95th Street
Miami

CAN I HAVE A CAR ON CAMPUS?
Yes, you may bring a car to school, but keep in mind that available parking is limited.

Students, both resident and commuter, who plan to bring a vehicle on university property must register this vehicle with the Campus Safety Office upon arrival.

To receive a parking permit, you must report to the Student Life Office and present the following:
• Current university ID
• Valid driver’s license
• Valid automobile registration

The university is not responsible for any vehicle or its contents while it is parked on university property.
Financing Your Education

TUITION AND FEES

The following tuition and fees schedule is effective for the 2009–2010 academic year. Tuition and fees are subject to change annually.

**Annual Tuition** $22,149
**General Fee** $1,065
**Room and Board** $8,274
**Premium Meal Plan (Optional)** $1,068

**Tuition** is applicable to all students, including those on approved off-campus programs, including co-ops, study abroad, internships and externships. Students enrolled in courses in excess of a normal full-time schedule will be assessed an additional tuition charge. For purposes of tuition billing and financial aid eligibility, full-time status is determined on a term basis and consists of 12 to 21 quarter credit hours per term. Students carrying more than 21 quarter credit hours will be charged for each quarter credit over 21. When repeating courses already attempted, students may be assessed a fee for those courses. Students are fee assessed tuition upon course registration each term. Summer is considered a separate term.

The **General Fee**, which is nonrefundable, includes social and athletic activities, student health and accident insurance, student publications and graduation.

**Room and Board** is for the academic year, and includes residence hall accommodations and some meals.

The optional **Premium Board Plan** provides additional Dining Dollars each week for students who wish to have the ability to purchase more meals, snacks and take-out food in the dining center than the Standard Plan allows. Students **may only make changes to the plan through the first two weeks** of each term. After that time, the charge **can’t be removed for that term**.

RESERVATION FEE AND OTHER FEES

**Reservation Fee** $300
Required of all new students after receipt of official acceptance from the university, this reservation fee will reserve the student’s seat in class and is credited to the student’s account.

Upon submitting a university reservation fee, students become eligible to select an on-campus room assignment. Students who submit their reservation fee by April 2009 will optimize their chances to secure a residence hall of their preference. If a reservation fee is received after April 2009, residence hall preferences cannot be guaranteed. Students must also have an approved payment plan with Student Academic & Financial Services by July 10, 2009 in order to guarantee a room assignment. Students who establish an approved payment plan after July 10, 2009 could be placed in a temporary assignment regardless of fee payment date, although Residential Life will make every effort to assign students to permanent room assignments.

Requests for refunds of the reservation fee will be granted upon written request to the university prior to May 1, 2009. After May 1, 2009 the reservation fee of $300 (or $150 of such fee in the case of applicants to the North Miami Campus) is nonrefundable.

**Orientation Fee** $276
This nonrefundable fee, which is uniformly charged, is required of all first-time students for orientation and term start activities. It is charged to students who start during the fall, winter or spring term.

**Extension Students**
Tuition rates for extension students are billed based on the number of quarter credit hours scheduled.
**II. Term Payments**

Students may choose to make three payments a year, which are payable by the publicized due dates established prior to each term. The published due date for September 2009 is July 10, 2009.

**III. Monthly Payments**

Students may choose to pay the annual amount due in convenient monthly payments. This option is available through Tuition Management Systems (TMS) at www.afford.com. There is an enrollment fee to participate; however, the payments are interest free. Students interested in this option must contract with TMS and pay the first payment, in addition to the enrollment fee, by the published due date of July 10, 2009.

All Johnson & Wales University students must fulfill their financial obligations to the university by the published due date of July 10, 2009. (All off-term entrants must meet the financial obligation by the publicized due date for that term.)

To meet your financial obligation you must do one of the following by the published due date:

- Make a full term payment
- Contract with TMS and pay the first monthly payment, as well as the enrollment fee
- Have an approved loan which covers the annual balance
- Have an approved payment plan with Student Academic & Financial Services using a combination of the above options

If you do not fulfill your financial obligation by the published due date, your housing assignment will be removed. In addition, your acceptance to enroll for the 2009–2010 academic year may also be revoked.
REFUND POLICIES

General Policy: To the extent that any charges due to the university remain unpaid, no refund check will be issued. No tuition or fees (other than the reservation fee) will be assessed for terms that the student does not begin. Students who withdraw from the university prior to the end of the academic year will have their financial aid adjusted.* Institutional grants and scholarships will be reduced in proportion to any tuition credit received as defined in the university’s Withdrawal Credit Policy. Full-term eligibility for institutional loans will be credited to the student’s account to the extent that any charges are due the university. The distribution formula for the institutional refund to the Federal Student Financial Aid program shall be calculated according to federal regulations. The university’s Withdrawal Credit Policy applies to all withdrawals from the university, voluntary or involuntary.

Term charges, institutional merit scholarships and institutional aid are subject to the university’s Withdrawal Credit Policy upon withdrawal from the university. Term charges are defined as tuition, and if applicable, room only, room and board, weekend meal plan, the general fee and orientation fee. Tuition is applicable to all students, including those on approved off-campus programs including co-ops, study abroad and externships. Merit scholarships and institutional aid are defined as any source of funding from Johnson & Wales University. The General Fee is non-refundable. The official notice of withdrawal from the university may be done in person or by written notification through Student Academic & Financial Services. Refunds are calculated by the date of termination which is based on the date Student Academic & Financial Services receives notification of withdrawal from the student or faculty member. Any refund due will be issued within 45 days after the date that the university was first notified of the withdrawal, or such shorter period as necessary to comply with applicable law.

University Withdrawal Credit Policy
If a student terminates during:
• the first or second week of the term, the university will credit 90 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 10 percent.
• the third or fourth week of the term, the university will credit 50 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 50 percent.
• the fifth or sixth week of the term, the university will credit 25 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 75 percent.

After the sixth week of the term, students will be responsible for 100 percent of the term charges and will receive 100 percent of that term’s eligible institutional aid/scholarships.

Examples of university refund policies are available upon request in the Student Academic & Financial Services Office.

FINANCIAL OBLIGATIONS

Continued enrollment as a student in good standing and certain other student benefits (diploma, transcript, etc.) are conditioned upon being current in all financial obligations to the university, including loans in which the university appears as a holder or guarantor.

* Any student enrolled solely in culinary lab courses, who fails to attempt any of the scheduled courses, will be considered to have withdrawn from the university.
Important Note: There is a cap on the total dollar amount of scholarships, grants, awards, prizes and other aid that the university will award to a single student during a given academic year. The maximum amount is determined prior to each year’s financial aid awarding process and includes both university funded and university administered monies. Please contact Student Academic & Financial Services for further information regarding this cap.

HOW TO APPLY
To be considered for financial assistance, complete the steps listed below and submit all required documentation as soon as possible after January 1.

1. Personal Identification Number (PIN)
Students and their parents can apply for a PIN at www.pin.ed.gov. The PIN allows students and parents to sign the FAFSA electronically and to correct previously processed FAFSA information online. Both the student and at least one parent must apply for a PIN.

2. Free Application for Federal Student Aid (FAFSA)
The Free Application for Federal Student Aid is available online at www.fafsa.ed.gov. This form must be completed as soon as possible after January 1. To complete this form, the student must be a U.S. citizen or eligible non-citizen. (Refer to the FAFSA instructional booklet for the definition of “eligible non-citizen.”) The information for financial assistance is then processed by the Federal Processor and sent to the Student Academic & Financial Services Office at the university. The FAFSA code is 003404.

2. Independent Students
To be considered independent for financial aid purposes for the 2009–2010 academic year, students must answer yes to one of the following questions:

1. Were you born before January 1, 1986?
2. As of today, are you married?  
   (Answer yes if you are separated, but not divorced.)
3. At the beginning of the 2009–2010 school year, will you be working on a master’s or doctorate program (such as an M.A., M.B.A., M.D., J.D., Ph.D., Ed.D. or graduate certificate, etc.)?
4. Are you currently serving on active duty in the U.S. Armed Forces for purposes other than training?
5. Are you a veteran of the U.S. Armed Forces?
6. Do you have children who will receive more than half of their support from you between July 1, 2009 and June 30, 2010?
7. Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2010?
8. When you were age 13 or older, were both your parents deceased, were you in foster care or were you a dependent/ward of the court?
9. As of today, are you an emancipated minor as determined by a court in your state of legal residence?
10. As of today, are you in legal guardianship as determined by a court in your state of legal residence?
11. At any time on or after July 1, 2008, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless?
12. At any time on or after July 1, 2008, did the director of an emergency shelter program funded by the U.S. Department of Housing and Urban Development determine that you were an unaccompanied youth who was homeless?
13. At any time on or after July 1, 2008, did the director of a runaway or homeless youth basic center or transitional living program determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?

Students who cannot answer yes to one of the above questions are considered dependent and must complete their Free Application for Federal Student Aid as a dependent student. Please feel free to contact the Financial Aid Office with any questions.

4. Verification and Other Documentation
The Financial Aid Office may request additional documentation to verify information provided on the FAFSA. The student and his/her parents may be required to submit signed and dated copies of their Federal Income Tax Returns (1040). The student’s financial aid package will not be complete until all requested documentation has been received and reviewed by the Student Academic & Financial Services Office. In addition, all student loan borrowers must attend an entrance and exit counseling session, during which the student will be advised on his/her loan obligations.

STUDENT ELIGIBILITY REQUIREMENTS
Financial aid will be distributed to the student based upon the student’s financial need. All eligible students seeking financial assistance must file a FAFSA with the Federal Processor. The FAFSA is used to determine the student’s financial need.

Financial need is the difference between the cost of the student’s education (tuition and fees, room and board, books, supplies, transportation and personal expenses) and the total contribution expected from the student and his/her family. The student’s total family contribution is based on an analysis of the information which the student supplied on the FAFSA. Among the items considered are total family income, assets, the number of people in the household, the number of siblings in college, and the student’s own resources, such as earnings, savings and untaxed income which the student may receive. Johnson & Wales also considers these items when determining eligibility for university funds.

Campus-based financial aid programs, including the Federal Supplemental Educational Opportunity Grant (SEOG), Federal Perkins Loan and Federal Work-Study programs are administered by Johnson & Wales University. Students apply for these programs through the filing of the FAFSA.
Federal Academic Competitiveness Grant (ACG)
This federally funded program provides financial assistance to students who are U.S. citizens or eligible non-citizens and are eligible for the Federal Pell Grant. The ACG is available to first-year students who have completed a rigorous secondary high school program of study after January 1, 2006. (Johnson & Wales will evaluate criteria.) First-year students may receive up to $750 for their first academic year. Second-year students may be eligible for up to $1,300 if they have completed a rigorous high school program of study after January 1, 2005, have a cumulative 3.00 GPA and are eligible to receive a Pell Grant.

Federal Pell Grant
The Federal Pell Grant is a federally funded entitlement program to assist needy undergraduate students. Eligibility for these grants is determined by the U.S. Department of Education based on the information provided on the FAFSA. Federal Pell Grant recipients can have a less than half-time status. Students with a previous bachelor’s degree are not eligible for a Federal Pell Grant. The maximum Pell Grant award for the 2008–09 award year (July 1, 2008 to June 30, 2009) was $4,731. The maximum Pell Grant award can change each award year and depends on program funding. Further information may be obtained by visiting the Web site of the U.S. Department of Education at http://studentaid.ed.gov.

Federal Supplemental Educational Opportunity Grant (SEOG)
This federally funded program provides financial assistance to students who demonstrate exceptional financial need. The amount Johnson & Wales University awards ranges from $100 up to a maximum of approximately $1,000 per academic year and is based on financial need and the availability of funds. Students with a previous bachelor’s degree are not eligible for a Federal Supplemental Educational Opportunity Grant.

Federal Work-Study Program
Federal Work-Study is a federally funded program that provides part-time employment to students with financial need. Positions are available throughout the university and with selected off-campus community service agencies.

Work-study gives students the opportunity to earn money to help pay their educational expenses. Students are paid at an hourly rate for actual hours worked. The amount earned cannot exceed the total work-study award. Work-study funds are paid biweekly directly to the student; therefore, funds will not be applied to the student’s account unless arrangements are made with Student Academic & Financial Services.

Federal Perkins Loan
This low-interest loan is funded by the federal government and administered directly by the university. A Master Promissory Note for this loan will be mailed to all eligible students. Students may borrow up to $4,000 for each year of undergraduate study (the total a student can borrow as an undergraduate is $20,000). However, the amount a student may borrow may be less than the maximum available. The university receives a certain amount of Perkins funds each year from the U.S. Department of Education. When all available funds for that award year have been distributed, no more award funds can be made for that year. The amount a student will receive depends on financial need and the availability of funds.

Students must begin to repay these loans nine months after they leave college or drop below half-time status. The repayment of principal and interest may be extended over a 10-year period. The amount of each payment depends upon the amount of a student’s debt and the length of repayment period, but the student must pay a minimum of $40 per month.

Federal Subsidized Stafford Loan
This loan program provides low-interest loans to students who demonstrate financial need. A Master Promissory Note for these loans will be mailed to all eligible students with their financial aid award packets.
Students may borrow up to a maximum of $3,500 per academic year for the first year of undergraduate study, $4,500 for the second year and $5,500 per year for the third and fourth years. The student must begin repayment six months after he/she leaves college or drops below half-time status, and the student’s payment will be a minimum of $50 per month. The amount of the student’s monthly payment will be determined based upon the amount of student debt and the length of the repayment period.

**Federal Unsubsidized Stafford Loan**

This loan program offers low-interest loans to students who demonstrate little or no “financial need.” The terms and loan limits are the same as for the Federal Subsidized Stafford Loan except that the federal government does not pay interest on the borrower’s behalf while the borrower is enrolled in school. During that time, the student borrower can choose either to make quarterly interest payments or to “capitalize” interest. “Capitalizing” interest means the lender will add interest accrued to the principal balance. This will eliminate the need for interest payments while in school.

Independent students are also eligible to borrow Federal Unsubsidized Stafford Loans. Students may borrow up to a maximum of $4,000 per academic year for the first and second years, and $5,000 per year for the third and fourth years. These amounts are in addition to the Federal Subsidized/Unsubsidized Stafford Loan amounts discussed above.

**The Parent Loan Program for Undergraduate Students (PLUS)**

The Federal PLUS Program provides loans to parents of dependent students to attend college. PLUS borrowers do not have to demonstrate need, but are subject to a credit analysis by the lending institution. The parent applying for the loan must fill out a PLUS Master Promissory Note as well as a Loan Amount Request Form. Repayment of this loan must begin within 30 days of the time the loan is fully disbursed annually, or the borrower can contact the lender to request a deferment. The borrowing limit is the total cost of attendance, minus any financial aid being received.

Borrowers have the right to select any U.S. Department of Education approved lenders for Stafford loans and PLUS loans. The university is required to process the documentation to obtain these loans from any U.S. Department of Education approved lender selected by students or parents of dependent students, as applicable.

Please note that the loan information described in this catalog is based upon the available information as of the date of the production of this catalog. Updated information regarding federal grants and loans may be obtained by visiting the U.S. Department of Education Web site at http://studentaid.ed.gov.

Applications for these loans are available in Student Academic & Financial Services or on your selected lender’s Web site.
Aid from these programs is awarded on the basis of financial need. In order to receive maximum consideration for financial assistance, students should apply as soon as possible after January 1. The award process for first-year students begins in March of each academic year. Renewal of financial aid is not automatic. Recipients are required to reapply each year by the announced deadline.

To be eligible for these programs, the student must meet the following criteria:

1. demonstrate financial need;
2. maintain satisfactory academic progress (financial aid will be suspended until satisfactory academic progress is again achieved);
3. be enrolled in an eligible degree or certificate program;
4. be enrolled on at least a half-time (at least 6.0 quarter credit hours) basis (students enrolled on a less-than-full-time basis may have their financial aid reduced; some students enrolled on a less-than-half-time basis may qualify for a Federal Pell Grant);
5. be a U.S. citizen, permanent resident, or eligible non-citizen;
6. not owe a refund on a Federal Pell Grant or be in default on a Federal Perkins Loan, Federal Subsidized Stafford Loan, Federal Unsubsidized Stafford Loan, Parent Loan for Undergraduate Students (PLUS) or Supplemental Loan for Students (SLS); and
7. sign a Statement of Educational Purpose, a Statement of Registration Status and a Statement on Overpayments and Defaults.

Students are eligible to receive financial aid as long as they maintain satisfactory academic progress as defined in the Student Handbook. Students who fail to maintain satisfactory academic standing will be notified by Student Academic & Financial Services. All financial aid will be suspended until satisfactory academic progress is again achieved.

Return of Title IV Funds (federal aid)

When students withdraw during a payment period or period of enrollment, the amount of student financial aid program assistance earned up to that point is determined by a specific formula. If the student receives (or the university receives on the student’s behalf) less assistance than the amount earned, the student will be able to receive those additional funds. Students who received more assistance than what they earned must return the excess funds.

The amount of federal assistance earned is determined on a pro-rata basis. That is, if a student completes 30 percent of the payment period or period of enrollment, the student earns 30 percent of the federal assistance he or she was originally scheduled to receive. Once the student completes more than 60 percent of the payment period or period of enrollment, the student earns all scheduled federal assistance.

The student’s loan monies (subsidized, unsubsidized and PLUS) must be received by Johnson & Wales University before the student’s notification date, in order for the money to be considered within the formula. If the student is eligible for a post disbursement, a written notice will be mailed requesting the consent of the borrower to post to the student’s account. The amount of institutional assistance earned is based on the week that the student withdraws from the university and follows the percentage the university credits the student’s charges (Page 32).

If a student receives excess funds that must be returned, Johnson & Wales University must return a portion of the excess equal to the lesser of

- the student’s institutional charges multiplied by the unearned percentage of the student’s funds
- the entire amount of the excess funds.

If the university is not required to return all excess funds, the student must return the remaining amount. Any loan funds that the student must return, must be repaid by the student (or his or her parents for a PLUS Loan) in accordance with the terms of the promissory note.
If a student is responsible for returning grant funds, the student does not have to return the full amount. Students are not required to return 50 percent of the grant assistance received that is the student’s responsibility to pay. Any amount not returned is a grant overpayment, and the student must make arrangements with the university or Department of Education to return the funds.

Federal regulations establish the following allocation for students who receive Title IV, HEA program funds:

A refund owed to a student who received funds under any Title IV, HEA program will be returned to the Title IV, HEA programs from which the student received aid in the following order until the amounts received by the student from these programs is eliminated: the Perkins Loan, the Unsubsidized/Subsidized Stafford Loan, the Parent PLUS Loan, the Pell Grant, Academic Competitiveness Grant, the National SMART Grant, the FSEOG program, all other sources of aid, and the student.

FINANCIAL AID PROGRAMS

The following programs are the major financial aid resources available to students. Students may receive assistance from any one of these, or from a combination of all of these programs, in what is called a financial aid package. Student eligibility for these programs is based on completion and submission of the form(s) described in the How to Apply section. Since awards are not automatically renewable, students must reapply each year. All financial aid awards are determined based on an academic year (fall/winter/spring terms). Financial aid awards are disbursed based on this term system, which equates to three disbursements.

Federal loan programs are usually applied to the student’s account with the university in equal disbursements per term based on the loan period, the student’s entrance date and the charges incurred each term.

Johnson & Wales Grant

This grant is awarded to students based on the annual financial aid awarding process and the student’s financial need.

FINANCIAL ASSISTANCE, SCHOLARSHIPS AND WORK PROGRAMS

Last year, Johnson & Wales University awarded more than $94 million in institutional aid to students. Awards range from $500 to full tuition. Scholarships, grants, loans and work programs awarded depend on the university budget, and are dependent on students meeting program eligibility requirements. These programs are only available to full-time, undergraduate, day school students during the academic year and are not available during the summer term. Note: Scholarship funds are applied to the student’s account with the university in three equal disbursements by term (e.g., a $3,000 Presidential Academic Scholarship recipient would receive $1,000 per term).

Most scholarships are renewable for up to four consecutive years of enrollment. For many of the programs listed below, a minimum grade point average is required for continued eligibility. Scholarships and grants are not awarded based on athletic ability or participation.

Important Note: There is a cap on the total dollar amount of scholarships, grants, awards, prizes and other aid that the university will award to a single student during a given academic year. The maximum amount is determined prior to each year’s financial aid awarding process and includes both university funded and university administered monies. Please contact Student Academic & Financial Services for further information regarding this cap.

Alpha Beta Gamma (International Honor Society) Scholarship: A scholarship worth up to $5,000 is awarded to outstanding transfer students who are members of Alpha Beta Gamma. The application for this scholarship is the application for admission to the university.
Business Professionals of America Scholarship (BPA): The university offers a number of BPA scholarships ranging from $1,000 up to full tuition. Awards are based on BPA activities and academic record, and are renewable based on continued involvement in and support of BPA. Apply for admission online at www.jwu.edu. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Careers through Culinary Arts Program (C-CAP) Scholarship: The university awards these scholarships of up to full tuition to incoming students who participate in C-CAP’s competition events. Applications are available through C-CAP. All documentation must be submitted to C-CAP and all finalists are selected by C-CAP.

Culinary Essentials Scholarship: The university awards a number of $1,000 renewable scholarships to students who have participated in the Culinary Essentials program. Apply for admission online at www.jwu.edu. Amount of scholarships awarded for participation in specific high school curricula is limited to one per student.

DECA Scholarship: The university awards a number of DECA scholarships ranging from $1,000 up to full tuition. Awards are based on DECA activities and academic record, and are renewable based on continued involvement in and support of DECA. Apply for admission online at www.jwu.edu. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Distinguished Visiting Chef Scholarship: Advanced Standing Culinary Arts and Baking & Pastry Arts students are eligible to receive this up-to-$2,000 scholarship based on academic records and involvement in the food service industry, including past employment and any culinary awards received. The scholarship is renewable for up to two years.

Distinguished Visiting Professor Scholarship: The School of Arts & Sciences, The Hospitality College and the College of Business offer this tuition scholarship of up to $2,000 to enrolled hospitality and business students based upon academic standing and faculty recommendation. Financial need is considered. The scholarship is renewable for up to two years.

Employee Tuition Scholarship: These scholarships are based on institutional policy, with qualifying criteria stated in the Johnson & Wales employee handbook. Applications are available at the Human Resources & Payroll Department; an application is required only once as it rolls over to the next academic year unless there is a break in class attendance, change in degree program, or change between day and evening programs. In such cases a new application will be required to continue the tuition waiver benefit.

Family, Career and Community Leaders of America (FCCLA) Scholarship: The university awards a number of FCCLA (formerly FHA-HERO) scholarships ranging from $1,000 up to full tuition. Awards are based on FCCLA activities and academic record, and are renewable based on continued involvement in and support of FCCLA activities. Apply for admission online at www.jwu.edu. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Family Scholarship: If two or more members of your family are simultaneously enrolled in full-time undergraduate day school degree programs at Johnson & Wales University, each enrolled student is granted as much as a $2,000 university scholarship per academic year (September–May). For more information, contact Student Academic & Financial Services.

Future Business Leaders of America (FBLA) Scholarship: The university awards a number of FBLA scholarships ranging from $1,000 up to full tuition. Awards are based on FBLA activities and academic record, and are renewable based on continued involvement in and support of FBLA. Apply for admission online at www.jwu.edu. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.
Gaebe Eagle Scout Award: A number of nonrenewable grants of $1,000 are available to entering freshmen who have achieved the rank of Eagle Scout in the Boy Scouts of America. Applications are available from the National Student Organizations Office at JWU or online at www.jwu.edu. The deadline for application is February 1, prior to enrollment.

Girl Scout Gold Award Grant: A number of nonrenewable grants of $1,000 are available to entering freshmen who have earned the Girl Scout Gold Award. Applications are available from the National Student Organizations Office at JWU or online at www.jwu.edu. The deadline for application is February 1, prior to enrollment.

Junior Achievement (JA) Scholarship: The university offers a number of JA scholarships ranging from $1,000 up to full tuition. Awards are based on JA activities and academic record, and are renewable based on continued involvement in and support of JA activities. Apply for admission online at www.jwu.edu. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Lodging Management Scholarship: JWU offers a number of $1,000 renewable scholarships for students who have participated in the Lodging Management program. Apply for admission online at www.jwu.edu. Amount of scholarships awarded for participation in specific high school curricula is limited to one per student.

National Academy Foundation (NAf) Scholarship: The university awards a number of $1,000 scholarships to students who have participated in a National Academy Foundation program. Apply for admission online at www.jwu.edu. Amount of scholarships awarded for participation in specific high school curricula is limited to one per student.

National FFA Scholarship: Johnson & Wales University awards a number of FFA scholarships ranging from $1,000 up to full tuition. Awards are based on FFA activities and academic record, and are renewable based on continued involvement in and support of FFA. Apply for admission online at www.jwu.edu. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

National High School Chef of the Year Contest: This annual contest is Johnson & Wales’ search for the best young chefs. Winners will receive tuition scholarships ranging from $1,000 up to full tuition. Applications are available from the Admissions Office.

Phi Theta Kappa (International Honor Society) Scholarship: A scholarship up to $5,000 is awarded to outstanding transfer students who are members of Phi Theta Kappa. The application for this scholarship is the application for admission to the university.

Presidential Academic Scholarships: JWU awards academic scholarships to incoming students who are in the top third of their class, have a 3.00 high school GPA and demonstrate academic excellence. Awards range from $2,500 to full tuition and are renewable provided the recipient’s GPA does not fall below 2.75.

Pro-Start Scholarship: JWU offers a number of $1,000 renewable scholarships for students who have participated in the Pro-Start program. Apply for admission online at www.jwu.edu. Amount of scholarships awarded for participation in specific high school curricula is limited to one per student.

SkillsUSA Scholarship: The university awards a number of SkillsUSA scholarships ranging from $1,000 up to full tuition. Awards are based on SkillsUSA activities and academic record, and are renewable based on continued involvement in and support of SkillsUSA. Apply for admission online at www.jwu.edu. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.
Technology Student Association (TSA) Scholarship: The university awards a number of TSA scholarships ranging from $1,000 up to full tuition. Awards are based on TSA activities and academic record, and are renewable based on continued involvement in and support of TSA. Apply for admission online at www.jwu.edu. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Transfer Scholarship: An unlimited number of transfer scholarships up to $3,000 are awarded to students who plan to continue their education at Johnson & Wales in an associate or bachelor’s degree program. Students must have completed 30 semester hours at another institution and maintained a minimum 3.00 cumulative average. Students must maintain a GPA of 2.75 in order for the scholarship to be renewed. The scholarship application is the application for admission to the university.

Tuition Exchange Scholarship: Students who meet the qualifications of both Johnson & Wales and the participating exchange college or university may be awarded up to full tuition. Applications are available at the participating institutions which are listed on the tuition exchange Web site, www.tuitionexchange.org.

FUNDED/DONATED SCHOLARSHIPS
Johnson & Wales University administers donated scholarships which are funded by businesses, individuals and professional organizations. In many cases, students must have completed at least one term of enrollment at Johnson & Wales to be considered. These funds are awarded to eligible candidates based on established criteria.

OUTSIDE SCHOLARSHIPS
There are many other potential scholarship sources that students should consider to help finance their education. Students should contact the Higher Education Assistance Agency in their home states for information about the possibility of state grants or scholarships.

Scholarship aid is often available from high school and community organizations with which students or their parent(s) may be affiliated. Local libraries are an excellent resource for finding information on scholarships from organizations throughout the United States.

There are also a number of Web sites available to assist students in the scholarship search. To view a guide to free scholarship searches online, please visit the Johnson & Wales Web site at www.jwu.edu.

Many companies provide scholarship aid for children of their employees, while others provide aid directly to students who work for them part-time while in school.

Access to Better Learning and Education Grant: The Florida Department of Education provides JWU grant resources to distribute to Florida residents. Eligible students may receive up to $1,250 annually (approximately $416 per term, not available for the summer term). Students must be enrolled in a four-year bachelor’s degree program. Eligible students are required to file a Free Application for Federal Student Aid (FAFSA). Funding is limited and not every student that meets the requirements will receive a grant. Priority is given based upon FAFSA filing date, so it is strongly recommended that students apply as soon as possible. Students must maintain satisfactory academic progress according to JWU guidelines. Students with a previous bachelor’s degree or seeking a second associate degree are not eligible for this grant. To renew the grant, students must continue to meet the above criteria, earn an average of at least 12 credits for each term they are enrolled and maintain a 2.0 grade point average (GPA).

Florida Student Assistance Grant: The Florida Department of Education provides JWU grant resources to distribute to Florida residents. Eligible students may receive up to $1,000 annually (approximately $333 per term, not available for the summer term). Eligible students are required to file a Free Application for Federal Student Aid (FAFSA). Funding is limited and not every student that meets the requirements will receive a grant.
Priority is given based upon FAFSA filing date, so it is strongly recommended that students apply as soon as possible. Students must maintain satisfactory academic progress according to JWU guidelines. Students with a previous bachelor’s degree or seeking a second associate degree are not eligible for this grant. To renew the grant, students must continue to meet the above criteria, earn an average of at least 12 credits for each term they are enrolled and maintain a 2.0 grade point average (GPA).

**Other State Grants/Scholarships:** In addition, students from the following states may be eligible for state grant money:
- Delaware
- Maryland
- Maine
- Pennsylvania
- Rhode Island
- Vermont

Contact the Higher Education Authority in your home state for more information.

**The American Hotel Foundation:** Scholarship aid is allocated each year by the foundation to The Hospitality College. Awards are made on the basis of student intent to work in the hotel industry, cumulative average and need. Sophomores who are continuing their education should contact their hospitality advisor for further information.

**Broward County B.R.A.C.E. Scholarship:** These scholarships are available to students who will (or did) graduate from a Broward County public high school. The individual must attend Johnson & Wales University’s North Miami Campus and meet the eligibility requirements as determined by B.R.A.C.E. The university matches up to 50 percent of the B.R.A.C.E. award, not to exceed the recipient’s unmet need.

**College Assistance Program (CAP) of Dade County:** These grants are available to students who will (or did) graduate from a Dade County public high school. The individual must attend Johnson & Wales University’s North Miami Campus, and meet the eligibility requirements as determined by the College Assistance Program.

Johnson & Wales will also grant students who are eligible to receive CAP grants an additional award of up to half the amount granted by CAP. However, the university grant will not exceed the recipient’s unmet need.

Applications are available in April from the CAP Office at 1500 Biscayne Blvd., Room 341, Miami, FL 33132; high school guidance counselors’ offices; or the Johnson & Wales Admissions Office. All applications must be returned to the CAP Office and must be postmarked no later than June 28.

**Dollars for Scholars:** Johnson & Wales University will match scholarship awards made to entering students by affiliated Dollars for Scholars chapters of Scholarship America.

**The Educational Foundation of the National Restaurant Association:** The Educational Foundation administers approximately 150 scholarships, ranging from $750 to $2,000, with one $10,000 tuition-only award. These scholarships are awarded to qualified undergraduate students of food service/hospitality management. Eligibility requirements include full-time status for each term in a degree-granting program starting with the fall term, attendance at one college or university for a full academic year starting with the fall term, and interest in food service as demonstrated through industry work experience. A completed application package must be received by March 1. For more information, please contact the Educational Foundation at 175 West Jackson Blvd., Suite 1500, Chicago, IL 60604-1010; 312-715-1010.
Resident Assistant Program: Students are selected for this program based on strong academic performance and residence hall experience. Applications are available at the Office of Residential Life. Awards range from $6,600 to $9,300 and are renewable based on annual employee performance.

Student Assistant Employment Program: Scholarships are awarded to all students selected for this program. No application is necessary, but a résumé is requested by the hiring department for consideration. Selection is based on strong academic performance and the possession of necessary skills. Awards for 2009–2010 are up to $3,000 and are renewable based on annual employee performance and 2.50 GPA maintenance.

Teaching Assistant Program: Selection for this program is based on strong academic performance and successful completion of the internship. Applications are available at Practicum Properties or the Culinary Administration Office. Awards for 2009–2010 are up to $7,500 and are renewable based on annual employee performance and 2.75 GPA maintenance.

Florida Bright Futures Scholarship Program/Florida Merit Scholars Award/Florida Vocational Gold Seal Endorsement Scholarship: These merit-based, nonrenewable scholarship programs are administered cooperatively by OSFA (Office of Student Financial Aid), a branch of the Florida Department of Education, and Johnson & Wales University. Students should contact their high school guidance office or OSFA for eligibility requirements and applications. Applications must be submitted to OSFA by April 10 of the student’s senior year of high school. The scholarship amount varies depending on the Department of Education’s allocation of funds for that year.

International Association of Culinary Professionals Foundation Scholarship (IACP): The IACP Foundation awards one $2,500 scholarship per campus, which is matched by Johnson & Wales. All criteria are determined by IACP. Applications are available through IACP, with an application deadline of December 1.

International Food Service Executives Association (IFSEA): Scholarship aid is available to students enrolled full time in food service and hospitality programs. For more information, contact the International Food Service Executives Association, 1100 South State Road, #7, Suite 103, Margate, FL 33065, or call 305-977-0767; fax 305-977-0884.

WORK PROGRAMS

Fellowship Program: Selection for this program is based on strong academic performance and successful completion of the internship. Applications are available at Practicum Properties or the Culinary Administration Office. Awards for 2009–2010 are up to $9,000 and are renewable based on annual employee performance and 2.75 GPA maintenance.
Academic Information

SATISFACTORY ACADEMIC PROGRESS

A student must meet the listed standards while enrolled at Johnson & Wales University. Students in certificate or degree programs may receive financial aid for not more than 150 percent of normal program completion time.

If a student exceeds the established 150 percent Completion Time Credit Limit before completing all degree requirements, the student will lose (and be ineligible to receive) financial aid for future terms. Programs vary; consult with Student Academic & Financial Services regarding your particular program.

In addition, students must maintain a specific Grade Point Average (GPA) throughout the maximum 150 percent time frame of program completion (see chart below). Credits attempted include awarded transfer, attempted, and completed credits.

Student may be allowed up to two consecutive probationary terms of satisfactory academic progress. Student loses financial aid eligibility the third time they are not making satisfactory academic progress.

Students will be reviewed at the end of each enrolled term to determine they are meeting the aforementioned satisfactory academic progress criteria. If a student is nearing stated credit and GPA requirements, the student will be notified in writing and placed on probation for up to two consecutive terms. Following the two terms, if the student has exceeded the 150 percent completion requirement and/or has not met the GPA requirement, the student will not be eligible for financial aid for the future term(s), and will be notified in writing of their loss of eligibility. Students may remain eligible to register classes; however, alternative payment arrangements with Student Academic & Financial Services will need to be made.

Students who have extenuating circumstances during a period of probation may appeal to Student Academic & Financial Services. The appeal must be filed within two weeks upon notification of probation. The Review Committee will then respond to the appeal, in writing, within two weeks of receipt. Specific guidelines can be obtained by contacting Student Academic & Financial Services.

LEAVES OF ABSENCE

Time for an approved leave of absence will not be included in the calculation of a student’s maximum program length.

REMEDIAL COURSES

Remedial courses are not included in a student’s program of study or GPA and therefore, will not affect satisfactory academic progress.
CLASS SCHEDULES

Undergraduate classes for students are generally scheduled two-to-four days per week, Monday through Thursday. The typical schedule for all business, hospitality and technology students, and culinary students not taking labs, is three or four courses per term. Students who are eligible to Web register are advised to maintain full-time status (12 credits) to be eligible for financial aid.

Occasionally, make-up classes are scheduled, due to holidays or other missed days, to meet minimum classroom hour requirements. The dates of these rescheduled classes are available on uconnect. It is possible that at times a course may not be rescheduled and the student will be responsible for all work as outlined in the syllabus.

SUMMER SESSIONS

Optional summer session courses are offered by the university. Individual courses may not be offered in the summer if student interest or enrollment is not sufficient; as a result, summer degree completion cannot be guaranteed.

Students matriculating at Johnson & Wales are not granted credit for summer session courses taken at other institutions unless prior permission has been granted by Student Academic & Financial Services.

COURSES TAKEN AT OTHER INSTITUTIONS

Undergraduate students requesting to take courses at another institution must submit their requests in writing to obtain prior written approval from the Director of Academic Services. The following guidelines must be met:

- Grades of “C” or better (2.0 or equivalent) from an accredited institution may be accepted for transfer.
- The courses must be taken within one year of permission being granted.
- Courses cannot be taken locally unless JWU does not expect to offer the class before the student’s anticipated graduation date.

Students must submit a request to take classes elsewhere form (which may be sent by fax or e-mail) which includes their ID number, descriptions of the courses they desire to take at another institution, the name of the institution, and any other pertinent details of their situation.

Students, as always, are responsible for meeting the requirements of satisfactory academic progress.

ATTENDANCE

Students are expected to attend every meeting of every class in which they are enrolled. The maximum number of absences for valid reasons is based on the quarter credit hours for the course, with the exception of internships and laboratories, which have their own specific attendance criteria. Absences beyond the stated maximum for each course may jeopardize academic standing.

The Academic Support Services Office should be notified immediately of any necessary prolonged absences. The Student Handbook contains rules and regulations for frequent or prolonged absences from class.

Students are expected to familiarize themselves with attendance requirements outlined in the Student Handbook. The Student Handbook can be found online at www.jwu.edu. Select the N. Miami Campus, then click on Student Life.

Grad reports are viewable on uconnect.

Honors Option (H)
If a course was taken as an Honors Program requirement, the grade received will be followed by “H” (for example, AH, B+H).

Failure (F)
Issued if a student maintains required attendance but fails to achieve adequate scholastic progress. The grade is recorded permanently on the student’s academic record. Upon successful completion of the course at a later date, the cumulative average is adjusted to reflect only the passing grade. However, both grades will appear on the academic transcript. This system allows students to recover academically from poor terms and graduate within a reasonable amount of time.

Withdrawal (W), Withdrawal/Pass (WP), Withdrawal/Fail (WF)
In order to record attempted credits (including for purposes of determining satisfactory academic progress), a grade of W, WP or WF is recorded when a student withdraws, or is withdrawn due to excessive absences, from a registered course after its add/drop period has ended. Students withdrawing from graduate and postgraduate level courses are eligible for a W grade only. A W is a punitive and failing grade issued at the instructor’s discretion, and is entered permanently into the term and cumulative grade point averages. In order to qualify for a WP, the student must have an estimated grade of 60 or higher at the time of withdrawal. This grade is not entered into the term and cumulative grade point averages. If the estimated grade is below 60, the student will be issued a WF, which is entered into the term and cumulative grade point averages as a failing grade until successful completion of the course at a later date.

Incomplete (I)
Issued to students if they are unable to complete course requirements (because of authorized absences due to service commitment or illness). Outstanding work must be completed within two weeks of the exam class day or the grade will automatically become an “F.”

No Credit (NC)
A non-punitive designation issued to a student who has been authorized to withdraw from class, or the university, due to extenuating circumstances documented with a Student Academic & Financial Services counselor, or who has withdrawn from the university prior to mid-term.

Grade Pending (GP)
A temporary mark given when the completion of course requirements is still underway. A grade pending is not calculated into the cumulative average and is generally used under extreme, extenuating circumstances. If a grade is not submitted to replace the “GP” within one year, it will automatically become an “F.”

Audit (AU)
Issued when no academic credit is granted. The academic work required in an audit situation is at the discretion of the individual faculty member. Audited classes require normal tuition fees, and must be scheduled during the regular scheduling process. Prerequisite course requirements must be met. Not applicable for laboratory classes.
Official transcripts are printed on official paper and then placed in sealed envelopes issued directly to the student or authorized designee. Official transcripts may be released only upon written request of the student; this is done in accordance with the Family Educational Rights and Privacy Act (FERPA). The university does not charge a fee for transcripts. Students are only allowed 10 transcripts per year. Transcripts will not be released if a student is not current in all financial obligations to the university. Transcripts are not official if faxed. Allow three business days for processing. Students intending to pick up transcripts in person must make the request in person at Student Academic & Financial Services or complete a transcript request.

Unofficial transcripts may be obtained on uconnect.

ACADEMIC STANDARDS

The university expects all students, part time or full time, to meet minimum standards of academic achievement. Students are in good academic standing if they maintain a 2.0 or better cumulative grade point average, which is a graduation requirement. All freshman students begin in good academic standing. Withdrawals (Page 46), grades of “incomplete” (Page 46), failures (Page 46), repeated courses (Page 48), and transfer courses (Page 50) may affect a student’s academic standing and progress. Remedial courses are not included in a student’s program of study and therefore will not be reflected in the student’s GPA. Johnson & Wales does not offer courses on a pass/fail basis.

ACADEMIC PROBATION

The student will be placed on academic probation if his or her GPA is less than 2.0, but higher than suspension standards. All students placed on probation will be advised by their academic counselor and will be offered appropriate resources. Students may matriculate on probationary status for no more than three consecutive terms.
During the time of academic probation, the student’s progress is monitored by the Committee on Academic Standing. This committee determines whether to impose academic suspension or permanent academic dismissal if academic achievement standards are not met.

Students on probation who achieve a GPA of 2.00 or better will return to good academic standing. Students on academic probation will need to meet with academic counselors before registering for courses. Web registration is not available to students on academic probation until they meet with an academic counselor.

SUSPENSION
Students will be placed on suspension if the student’s GPA is below a 1.00 after the first term; if the student’s GPA is below a 1.25 after the second term; if the student’s GPA is below a 1.50 after the third term. The suspended student is not allowed to matriculate at the university and is expected to work on academic deficiencies. The student must petition the Committee on Academic Standing in order to reinstate and matriculate at the university. The student must provide documentation of academic improvement.

COURSE REPETITIONS AND INCOMPLETES
Grades earned or skills developed as a regular student, or during the continuation period as a nonregular student, may be substituted for previous course failures in the calculation of the student’s grade point average. The repeated course will be calculated as a course attempted for purposes of determining satisfactory academic progress. The student may not extend their program beyond one-and-one-half times the normal program length.

MITIGATING CIRCUMSTANCES
The Committee on Academic Standing may waive interim satisfactory standards for circumstances of poor health, family crisis, or other significant occurrences beyond the control of the student. Documentation of the mitigating event and demonstration by the student of the adverse impact on the student’s satisfactory progress must be provided.

Suspended students, after one term of non-matriculation, may appeal in writing to the Committee on Academic Standing. Dismissed students may appeal in writing to the Academic Appeals Committee. All letters should be received in Student Success no later than six weeks after dismissal. Committee decisions are final.

Students who reinstated into the university will be placed on “Academic Warning” and will be allowed to schedule for 13.5 credits in academic classes or 15 in laboratory classes. In addition, students are required to attend a mandatory study skills strategies seminar and tutoring in the content areas. Failure to complete this requirement will result in immediate dismissal. These students risk permanent dismissal from the university if they are unable to meet the academic guidelines.

COURSE REPEAT PROBATION

Undergraduate students will be allowed no more than three (3) attempts to complete each course successfully. Students who pass a course, but wish to improve their grade, may repeat the course if it is available. The highest grade earned will be calculated into the grade point average.

REQUIRED COURSES

Students who fail a course after a second attempt will be assigned an academic standing hold and will be placed on academic probation. Basic Mathematics, CSL, CAR and ENG0001 English Writing Workshop courses are not included in this policy and students have the opportunity to retake these courses more than three times.

DISMISSAL

Students who fail the same course after a third attempt may be academically dismissed.

SUSPENSION

Students who attempt the same course three times and earn grades of W, WP, WF or any combinations of W’s, WP’s, WF’s or F’s will be assigned an academic standing hold; these students may be subject to academic suspension if the course is not successfully completed during the next course offering.

APPEALS

Students can appeal their academic suspension or dismissal if extenuating circumstances exist. These appeals are made to the Academic Appeal Committee. A student may appeal only once, and the decision of the committee is final.

CONCENTRATIONS

In programs that require a concentration, students will be given the following options in the event that they cannot successfully complete a concentration course requirement at the third attempt:

1. Make an alternate concentration course selection (if available) or
2. Select a new concentration to meet degree requirements.

COURSES NOT REQUIRED

If the attempted course is not a specific degree requirement, the student will be unable to attempt the course again. The student must then select an alternate course to meet degree requirements.

GRADUATION REQUIREMENTS

If the attempted course is a mandated graduation requirement such as Community Service Learning, Career Capstone (CAR0010), Sanitation Certification or Writing Workshop, the student has a maximum of nine (9) terms to complete the course.

UNIT OF CREDIT

The university measures academic progress using the quarter credit hour system. Courses are offered in three formats and may combine two or more of those formats, which are: lecture, laboratory and experiential.

Generally, one quarter credit represents 10 hours of instruction, which includes class lecture and additional activities; one quarter credit hour equals two laboratory hours or three experiential hours. Furthermore, all courses require additional hours of study and preparation outside of the classroom or learning environment.

RESIDENCY REQUIREMENT

Candidates for the associate degree must earn their final 31.5 quarter hours of credit as enrolled students, half of which must be in the major area of study. Candidates for the bachelor of science degree must earn their final 45 quarter hours of credit as enrolled students, of which 22.5 quarter hours credit must be in the major area of concentration.

GRADUATION REQUIREMENTS

All students must submit an online diploma application one academic year prior to their graduation term in order to receive a diploma. Students must file one application for each expected degree (i.e. associate, bachelor’s).
The application ensures that students are reviewed for graduation at the correct time, that correct information is presented on the diploma and that it is mailed to the correct address.

Graduation requires successful completion of a prescribed sequence of study and a minimum 2.00 grade point average. Students with a cumulative GPA below 2.00 will be in noncompliance with the criteria for good academic standing and may be subject to academic dismissal. Furthermore, as required by your program, all students must successfully complete community service learning requirement (CSL1001), Career Capstone (CAR0010), and any and all requirements as indicated in the catalog (for example, culinary/pastry/hospitality students are required to take Food Safety & Sanitation Management, FSM1065, and must pass a national certification exam recognized by the Conference for Food Protection to fulfill graduation requirements).

All associate level degrees require the completion of a minimum of 90 quarter credits. All bachelor’s level degrees require a minimum of an additional ninety (90) quarter credits, for a total of 180 quarter credits. While most major programs have variations that require slightly more quarter credits for completion, no program requires fewer than the 90/180 quarter credit minimum.

All students must be current in all financial obligations to the university, including tuition, fees and other expenses, before a diploma will be issued.

Permission to participate in commencement exercises does not imply that graduation requirements have been met.

WRITING REQUIREMENT
Students who graduate with a bachelor of science degree must leave Johnson & Wales with effective writing skills. Thus the university has a graduation writing requirement for all students graduating with a bachelor’s degree. During placement testing, students are evaluated and may be placed into ENG0001, an English review course designed to prepare students for college-level writing.

To further assist students to meet the graduation writing requirement, all students entering or transferring to the university are required to achieve a minimum score of “validated” in a performance transcript assessment prior to graduating with a bachelor of science degree. These writing skills will be assessed in ENG1021 Advanced Composition and Communication. Students who do not achieve a score of “validated” must enroll in ENG0001 until a “validated” score is achieved on the performance transcript assessment.

HONORS
Eligible degree candidates receive cum laude, magna cum laude and summa cum laude recognition according to their academic average. Students with the designated GPA receive honors as follows: cum laude, 3.40–3.60; magna cum laude, 3.61–3.80; and summa cum laude, 3.81–4.00.

TRANSFER & CAREER PREREQUISITES
Students who intend to transfer to other colleges or enroll in graduate school must determine the requirements of those institutions and plan their programs of study accordingly. Johnson & Wales makes no claims or guarantee for transfer credit to other academic institutions. Similarly, students who intend to take state business or foreign business, trade or professional licensing examinations should determine the prerequisites of those jurisdictions prior to selecting programs of study.

Students who are interested in transferring to Johnson & Wales should see Page 21 for information on transfer admissions.
ONLINE LEARNING

The university offers a limited number of online courses. Courses with an online option are identified in the Course Descriptions and Programs of Study sections of the catalog. Policies pertaining to online courses are available in the Student Handbook.

DEAN’S LIST

In recognition of scholastic achievement, full-time students (carrying a minimum of 12 quarter credit hours) at Johnson & Wales who have achieved a term GPA of 3.40 or above receive dean’s list commendation.

HONORS PROGRAM

This program offers academically talented students the opportunity to explore challenging and stimulating courses. Eligible applicants must have taken two college prep mathematics courses and one college prep English course, maintained an average of B+ or better, placed in the top 25 percent of their high school graduating class, submitted SAT or ACT scores above the national average, and entered JWU in the fall of their freshman year.

Honors students enroll in honors sections of some general studies courses and may choose the honors option (H-option) in other courses.

Students enrolled in the Honors Program often receive preference for on-campus interviews, tutorial positions, resident assistant positions, freshman housing and residence hall roommate assignments. Early graduation is possible through accelerated coursework.

Two honors designations are available upon graduation. To receive the “Honors Scholar” designation, graduating seniors must successfully complete a number of general studies honors courses in addition to some H-option courses. To receive the “University Honors Scholar” designation, graduating seniors must also successfully complete RSCH3001 and submit an accepted Honors Thesis.

In addition, students who have met the requirements of the Honors Program will have a designation on their transcript and diploma, and will be awarded honors regalia to wear at the commencement exercises.

Business/Hospitality

At the bachelor’s level, students must complete a total of 12 honors/H-option courses for a designation as an “Honors Scholar.” Honors students who also submit an accepted scholarly paper receive the “University Honors Scholar” designation.

Culinary Arts/Baking & Pastry Arts

At the associate level, students must complete a total of nine honors/H-option courses, including labs, for a designation.

At the bachelor’s level, students must complete a total of 16 honors/H-option courses/labs for a designation as an “Honors Scholar.” Honors students who also submit an accepted scholarly paper receive the “University Honors Scholar” designation.

CONCENTRATIONS

The College of Culinary Arts offers 13.5 quarter hour concentrations in Baking & Pastry Arts, Beverage Service Management and Contemporary Pastry Arts.

The Hospitality College offers 13.5 quarter hour concentrations in Beverage Service Management; Cruise Line Management; Entertainment Management; Food and Beverage Management; Golf Management; International Hospitality Operations Management; Resort Management; Sales, Meeting & Event Management; and Sports and Entertainment Marketing.
The School of Arts & Sciences offers 13.5 quarter credit hour concentrations in Environmental Science, Global Perspectives, History, Leadership Studies, Political Science, Psychology and Sociology. These concentrations allow students to pursue in depth areas of general studies in which they have special interest or aptitude.

Successful completion of a concentration is recorded on the student’s transcript upon graduation.

ACADEMIC HONOR SOCIETIES

Alpha Beta Kappa is a national honor society which recognizes superior student academic achievement, character and leadership. The society may also elect a limited number of faculty, staff and alumni as honorary members.

Special Honors And Rewards Program (SHARP)

SHARP is an honors program designed for qualified undergraduate students who wish to accelerate their programs to complete degree requirements in less than the normally required time. This is accomplished by increasing the student’s course load each term as scheduling permits. SHARP results in savings of time and expenses for eligible students. Day program students accepted into SHARP may register for up to 25.0 credits with no additional fees. Interested students must complete a SHARP application, returning the completed form to Student Academic & Financial Services. The following students are eligible for SHARP:

1. Incoming freshmen who are honors graduates of approved secondary schools, have been elected to their state or national honor society, or have maintained a minimum GPA of 3.00
2. New transfer students who maintained full-time enrollment at a previous institution and each term earned a cumulative GPA equivalent to dean’s list status for that institution
3. Students at Johnson & Wales who have maintained a full-time enrollment and a 3.40 cumulative GPA at the end of each term

If a student does not exercise this option, SHARP eligibility may continue provided that the student maintains continuous full-time matriculation while maintaining a cumulative 3.40 GPA after all terms. The benefits provided by SHARP are not applicable during the summer sessions, during full-time practicum or internship terms, for independent studies, or for an additional culinary laboratory class. Preferred scheduling and graduation acceleration are not guaranteed.

Failure to maintain a cumulative GPA of 3.40 or better after each term will cause the student to become permanently ineligible for the benefits provided by SHARP. Student Academic & Financial Services will only notify a student of their withdrawal from the SHARP program via his or her JWU e-mail account, and it is the student’s responsibility to drop extra credits, if registered, to avoid incurring additional charges.

ACADEMIC FUNCTIONS

Orientation is mandatory for all new students, and is held each term before the start of classes. Activities include academic orientation, social activities, distribution of photo identification cards and meetings with administration, faculty and residence hall representatives. Orientation also includes placement testing.

Commencement is held at the end of each academic year. Degree candidates are recognized at these exercises. Participation in commencement exercises does not imply that graduation requirements have been met.

AWARDS

Johnson & Wales University recognizes superior academic achievement and outstanding contributions in extracurricular activities by granting the following awards:

The Founders’ Trophy is presented to upperclass students who, by their serious approach to career education and perseverance in their objectives, embody the ideals and principles expressed by the founders of Johnson & Wales University.
The President’s Trophy is awarded to second-year students who have displayed outstanding academic capacity, extracurricular leadership and purposefulness, cooperation, and strong college spirit.

The Trustees’ Awards, in memory of the faithful service to the university of trustees Gov. Christopher Del Sesto and Dr. Anthony Kemalian, are given to the students who have made the greatest contributions in service to the university.

The Apprenti Cuisinier Awards are given to second-year culinary arts students in recognition of achievement in a particular area of cooking. One award is made in each of the following categories: Classical Cookery, International Cookery, Garde Manger, and Classical Pastry.

Outstanding Johnson & Wales University students are nominated to the national publications of Who’s Who Among Students in American Universities and Colleges on the basis of academic achievement and leadership in extracurricular university and community activities.

The Judith “Hootie” Solt Community Service Award is presented to a student in memory of the outstanding community service exemplified by North Miami Campus student Hootie Solt. The award is presented to the student who best demonstrates a commitment to volunteerism and community service during his or her enrollment.

NOTICE OF NONDISCRIMINATION

Johnson & Wales University does not discriminate unlawfully on the basis of race, religion, color, national origin, age, sex, sexual orientation, gender identity or expression, or disability, in admission to, access to, treatment of, or employment in its programs and activities.

(The term “sexual orientation” shall mean and be limited to having an orientation for or being identified as having an orientation for heterosexuality, bisexuality, or homosexuality. This Nondiscrimination Policy shall not be interpreted to prohibit Johnson & Wales University from maintaining separate facilities, sports teams, housing, university-based social fraternities and sororities, and other programs and facilities, for males and females, in accordance with the provisions of Section 16-38-1.1 of the General Laws of Rhode Island, as the same may be amended from time to time, or similar laws applicable in other states where the university conducts its operations).

The following person has been designated to handle inquiries regarding the nondiscrimination policy: Sandra Lawrence, Compliance Officer, Johnson & Wales University, One Cookson Place, Sixth Floor, Providence, RI 02903, 401-598-1423.

Inquiries concerning the application of nondiscrimination policies may also be referred to the appropriate governmental agencies listed below:

CAREER DEVELOPMENT

The Career Development Office offers a variety of work programs and career services to assist students in building and utilizing career skills to obtain employment and independently navigate their careers.

Programs include an annual Career Conference in the fall, which is open to the entire student body. Each year numerous national and international firms participate.

Part-time and full-time jobs are posted by employers on the university’s online job posting system, “E-recruiting.” Students may access E-recruiting 24 hours a day to receive updated information on part-time and full-time jobs, on-campus interviews and Career Development services, etc.

Career management courses are taught to students to develop effective career planning, and assist in job search and career management skills. Career management educators provide career counseling and guide students in the use of the career management system that provides students with a program for building and demonstrating relevant workplace skills to prospective employers.

Cooperative Education opportunities are available in the business and hospitality colleges, as well as the College of Culinary Arts. Co-op is designed to provide students with practical work experience in their chosen fields of study, while at the same time allowing them to earn academic credit for the experience.

Career Development offers students the opportunity to meet potential employers at part-time fairs, expos and on-campus recruiting. Each year, numerous companies from throughout the United States visit the campus to recruit graduating students. Many off-campus employer programs are also offered, providing graduates the opportunity to pursue several job search strategies.

STUDENT SUCCESS

The Student Success team offers a variety of services to assist each student in preparation for graduation. This team’s goal is to support students in their efforts to develop and maximize their talents, empower them to direct their own learning and lead them to pathways of success. With emphasis on success, graduates acquire lifelong behaviors and attitudes which are valued by employers.

SERVICES OFFERED:
• Personal Advising
• Student Achievement Center — Individual Peer and Professional Tutoring
• Accommodations for students with disabilities with appropriate documentation, including but not limited to
  Preferential Scheduling
  Oral/Extended Time Exams
  Note-taking Assistance
  Tape Recorders Allowed in Class
  Text on Tape

Student Success complements students’ technical training by sharpening their ability to position themselves in today’s competitive marketplace.

This is accomplished with programs centered around personal and career success. Individual and personal advising is available through Student Success. Student Success is a vehicle to assist students to succeed while at Johnson & Wales.

STUDENT SUCCESS — TUTORIAL ASSISTANCE

The university provides tutorial assistance through Student Success. While every effort is made to identify students in need of assistance, students are urged to take the initiative to seek help either with their faculty or through Student Success. In the Student Achievement Center, professional tutoring in writing is available, and peer tutoring is available in all courses. Tutoring services are available on a drop-in basis and are free.
STUDENTS WITH DISABILITIES

Johnson & Wales University is dedicated to providing reasonable accommodations to facilitate students with learning disabilities, physical disabilities or other disabilities to succeed in their academic pursuits. While maintaining the highest academic integrity, the university strives to balance academic rigor with support services which will assist students with disabilities. Consult the Student Handbook for more information.

Because some programs of study at the university have technical standards and requirements, applicants and students with learning or physical disabilities should contact the Department of Student Success, at 305-892-7026 to discuss the availability of reasonable accommodations where appropriate. For more information on technical standards, see Page 93.

PERSONAL COUNSELING

Student Success advisors at Johnson & Wales provide referrals for personal counseling services as well as group counseling. Students having difficulty with any aspect of college life are encouraged to make an appointment.

HEALTH SERVICES

JWU maintains a Health Services Office on the second floor of the Academic and Student Center where health care is provided to students.

The JWU nurse provides limited health care services, maintains student medical records, and makes provisions for students requiring special medication, etc. In addition, the nurse may refer students to an independent physician.

JWU’s health services are available to resident and commuting students.

MEDICAL RECORDS

Prior to the first term of enrollment, the university requires all new, full-time undergraduate students — residents and commuters alike — to submit proof of a complete physical exam within the past year, including documented proof of two doses of the MMR vaccine, a tetanus-diphtheria booster within the past 10 years, a negative tuberculosis test or chest X-ray within the last six months, three doses of hepatitis B vaccine, and completion of the chicken pox vaccine series or proof of physician-diagnosed disease. Pursuant to Florida law, resident students must also show proof of meningococcal meningitis immunization or a waiver may be signed in lieu of immunization. These forms may be obtained by contacting the university at 305-892-7000. A strongly recommended but not required immunization is hepatitis A.

For more information about Health Services, consult the Student Handbook.

INTERNATIONAL STUDENT SERVICES

The university assists international students to adhere to USCIS regulations, maintain their student visa status and access all the benefits permitted by their student visa. In addition, information sessions on employment, tax and other immigration and orientation issues will be offered on an as-needed basis.

Study Abroad Programs

The Study Abroad Office at the Providence Campus works with all academic colleges at every campus to offer a portfolio of study abroad programs to Johnson & Wales students at all campuses. Program information and applications are available at www.jwu.edu/studyabroad.aspx. Students attending other campuses should contact the department chair of their college for specific program information. In addition, interested students can contact the Study Abroad Office at 401-598-1406 for personal study abroad counseling.
ORIENTATION

Johnson & Wales University's Orientation Program is designed to help students become acquainted with college life and to facilitate a successful freshman year experience. Students are introduced to many university administrators, faculty, staff and student leaders who provide valuable information on academic studies, student life, university policies and financial services.

Students who have been convicted of certain felonies (or have had certain felony-type charges sustained in a juvenile proceeding), such as crimes of violence, serious drug offenses and sex offenses, are not eligible to live in university housing.
SAFETY & SECURITY

The university’s Office of Safety & Security is responsible for the enforcement of school policies, security on campus, and providing service for the university’s students, faculty and staff. Some of the services provided by the Office of Safety & Security include Operation ID, engraving, and safety and security presentations. Students are encouraged to take advantage of the services and programs offered by the Office of Safety & Security, which is open 24 hours a day, 365 days a year. Students who need help or have questions should call ext. 7011 from a university phone or 305-892-7011 from a non-university phone.

Safety & Security officers patrol the campus at all times and utilize an integrated electronic access control and digital camera system. Emergency blue-light telephones are strategically located on campus and directly connect callers to the Safety & Security dispatcher on duty. Safety & Security also has the ability to issue timely alerts to the campus community if necessary via an emergency notification mass-messaging system.

In compliance with the Crime Awareness and Campus Security Act of 1990, Johnson & Wales publishes an Annual Security Report which discloses information about campus security policies and procedures, and statistics concerning reported crimes that occurred on campus, on public property close to campus, or on other property used or controlled by the university. Copies of the report may be obtained from the Admissions Office and/or the Office of Safety & Security. Students may also visit www.jwu.edu/safetyNMI.aspx to view a copy of the most recent report.
The Office of Student Activities serves multiple functions within the Johnson & Wales community in supporting students’ needs, activities and campus programs. The Office provides professional support for students at Johnson & Wales in their nonacademic pursuits as well as exposure to and participation in social, cultural, educational and recreational programs.

These programs and services emanate from the Office of Student Activities:
- student clubs and organizations
- program advisement
- reservation of facilities

The Office of Student Activities maintains bulletin boards for student organizations to publicize and promote special programs. All postings are to be turned in to the Office of Student Activities where they will be stamped. Students may then post the material in designated areas.

STUDENT ORGANIZATION SPACE, WORK AREA AND OFFICE USE

The Office of Student Activities has resource areas available to all recognized student clubs or organizations. The Office of Student Activities is located in the Student Life Center.

ANTI-HAZING POLICY

Hazing or any action or situation which recklessly endangers an individual’s mental or physical health and/or involves the forced consumption of alcohol or drugs is prohibited under the university’s Student Code of Conduct. The Student Code of Conduct is outlined in the Student Handbook which is distributed at new student orientation.

CLUBS AND ORGANIZATIONS

Opportunities abound for students to become involved in a club or organization that suits their interests and curiosities. Guidelines for starting a new organization are outlined in the Student Handbook. The following is a partial list of the many clubs and organizations that are recognized and active at Johnson & Wales University.

Alpha Sigma Tau Sorority’s (AST) purpose is to promote ethical, cultural and social development among sisters. AST is a very active organization with a strong presence on campus. It is difficult to miss a tau in her emerald green & gold, working hard to contribute her share to mankind.

American Criminal Justice Association provides awareness of development in the field of criminal justice and gives students hands-on experience in the industry.

The purpose of the American Culinary Federation is to increase culinary knowledge through activities on campus. Major activities include Taste of the Nation and the ACF Southeastern Regional Conference.

Campus Activities Board (CAB) is the North Miami Campus’ chief programming board and plans most of the major events on campus, including Homecoming, Welcome Week, Family Weekend and Bash at the Beach.

Campus Crusade for Christ gives students an opportunity to increase their spiritual awareness.

Capital Punishment Dance Theater (Competitive Dance Team) provides an organization in which people can express themselves through dance performances.

Caribbean Connections exists to promote unity and equality among students of Caribbean decent. Each year the group takes part in Miami Carnival and the Florida Caribbean Student Association conferences.
Club Managers Association of America is the oldest, most respected association representing the club management profession. This organization promotes and advances friendly relations among persons connected with the management of clubs and other associations and encourages the education and advancement of its members, among other benefits.

Collegiate Ambassador Team (CAT) is an organization that assists the Admissions Office in meeting the needs of prospective students. The goal is to create a group of students to represent the university student body during tours, special events and recruitment efforts. Members will develop leadership skills and enhance their résumés. For further information call the Admissions Office at 305-892-7001. Please note that CAT is a selective organization; an application process is involved and terms of service vary.

Da Senate Drumline & Da Divas Dance Squad are JWU’s drumline and dance team and are dedicated to performing melodicious, marching band-style music and dance routines.

DECA (Delta Epsilon Chi) assists its members in their growth and development. It also helps them to develop a respect for education in marketing, which will contribute to occupational competence and career success.

Delta Sigma Theta Sorority Inc. is an organization of college-educated women committed to constructive development of its members and to public service with a primary focus on the African-American community.

Eta Sigma Delta is the international honor society for Hospitality Management. It recognizes hospitality students for outstanding academic achievements and professionalism.

FCCLA (Family Career Community Leaders of America) is an organization that teaches individuals how to be strong and positive leaders in their families, communities and careers.

The purpose of a Few Good Men (FGM) is to unite the young men at Johnson & Wales University, assist them in pursuing their areas of interest, and encourage them to reach their highest potential. FGM educates its members on fraternal brotherhood in the hope that one day, each will be an honorable member of an organization of their strongest desire.

Future Cruise and Travel Industry Professionals promotes the cruise line industry and assists students with career opportunities in travel and tourism.

The Herb Society exists to cultivate a designated area for herbs, spices and vegetables to be grown and cultivated on campus, and for students to take part in caring for these plants. The flavorful group aims to broaden students’ awareness of varieties, flavors, and aromas of herbs.

Hillel facilitates an awareness of Judaism. It provides support and a number of activities that help to build a better understanding of Jewish tradition, events and rituals.

Honors Scholastic Society promotes academic excellence, community leadership and the Honors Program at the North Miami Campus of Johnson & Wales University.

Hospitality Club fosters a greater understanding of the hospitality industry through interaction with industry professionals. It also promotes learning and fun outside of the classroom through activities and field trips.

The International Community is a diverse organization that encourages participation of international students on campus in fundraising efforts, social gatherings, and trips within Florida. You never know what is coming next!

Iota Phi Theta Fraternity Inc. continues the development and preservation of scholarship, leadership, citizenship, fidelity and brotherhood among men.

Jr. ACF (American Culinary Federation) engages in fundraising for the American Culinary Federation, scholarships, guest lectures, certification procedures, field trips, seminars and demonstrations.

The charge of Kappa Sigma Fraternity is, “The ideals we pursue determine what we are and what we will become,” and its goal is to build better men. The Pi Gamma chapter of Kappa Sigma fraternity at JWU helps to promote awareness of alcohol abuse, as well as healthy living for individuals with diabetes, including participation in the American Diabetes Association’s annual walk-a-thon.
Lambda Sigma Upsilon Fraternity is an organization that strongly believes that many individual and collective successes can be achieved through the efforts of a culturally diverse brotherhood of college and university men who, through close association with each other, maintain honesty, commitment, respect and trust.

National Society of Minorities in Hospitality builds and maintains a working relationship between minority hospitality students and industry professionals. It also aids in the recruitment and retention of minorities in the hospitality program.

Omega Tau Alpha Fraternity is a private fraternity devoted to the personal and collective needs of its members. The organization is dedicated to cultivation of a unique environment which instills a lifelong commitment to brotherhood.

The Paintball Club’s purpose is to educate people about the sport of paintball, to play paintball (of course) and have fun. Their members, the JWU Fatcatz, are high energy all the time! Newcomers only need to be willing to have fun and try a new sport.

PBL/FBLA (Phi Beta Lambda) brings business and education together in a positive working relationship through innovative leadership and career-development programs.

Society for Advancement of Management (SAM) works to assist in communicating the practice of professional management through the interaction of students, faculty, and practicing managers. The major focus each year is to send students to the annual Management Seminar.

Special Functions Team is a culinary-based student volunteer club focusing on all aspects of the culinary profession. The club provides opportunities for its members to gain experience by participating in various on- and off-campus events throughout the academic year.

Students Promoting Awareness Responsibility Knowledge and Service (SPARKS) is committed to educating students through service projects. SPARKS members sponsor community and campus service events throughout the school year and help promote civic responsibility on campus.

VICA (Vocational Industry Club of America) helps to encourage young professionals in business, hospitality and culinary arts as they pursue life and career goals.

Yearbook Committee gives students the opportunity to get involved with designing and creating the annual yearbook.

ATHLETICS

- Yoga/Pilates
The associate degree program in Baking & Pastry Arts provides students with practical education in baking and pastry production, while developing professionalism and excellence in academic achievement. Hands-on training is paired with academic courses resulting in a curriculum that is both dynamic and directly aligned with industry needs.

First-year Baking & Pastry Arts students rotate through one term of academics, which includes Baking Science, Food Safety and Sanitation, communication skills and two terms of hands-on laboratory classes. Emphasis is placed on skills development and techniques of combining basic ingredients to produce classical pastries, basic chocolate, confections, breads, cakes and plated desserts.

The second year emphasizes advanced techniques in classical and international preparation and production of cakes, tortes, sugar artistry, advanced breads and plated desserts. Academic courses include leadership studies, a science elective, and food and beverage cost control. Students have a choice, based on grade point average, of working off-campus in a cooperative program in pastry arts or within the internship/externship program.

Baking & pastry internships/externships integrate general education, professional skill enhancement, and career focused education within an industry setting. During the 11-week term, students’ schedules are based on a five-day, 40-hour work week which may include early mornings, late evenings and weekend shifts. Students who participate in baking & pastry externships will be placed at the university externship program site. This program gives students an opportunity to integrate theoretical learning with practical experience at university-approved properties in the hospitality industry. These sites provide students with hands-on experience, an opportunity to develop a relationship with industry, and exposure to a reputable operation.

Upon graduation from the Baking & Pastry Arts associate degree program, a variety of positions are attainable in hotels, clubs and resorts, retail bakeries, restaurants and wholesale pastry shops.

Eligible graduates may apply for entrance into the bachelor of science degree program in Baking & Pastry Arts and Food Service Management or Food Marketing at the North Miami Campus, or the bachelor of science degree program in Baking & Pastry Arts, Food Service Entrepreneurship or Culinary Nutrition at the Providence Campus. Certain requirements pertain to each of these bachelor’s degree programs, which are noted in their respective program descriptions.

COOPERATIVE EDUCATION

Eligible second-year Baking & Pastry Arts students may apply for a Selective Career Cooperative Education assignment in place of the Baking & Pastry Arts Internship. These cooperative education assignments allow students to gain academic credit as well as invaluable work experience. Selected students work a minimum of 40 hours per week on a schedule established by their co-op employer. To be eligible to apply for the domestic co-op program, students must maintain a cumulative grade point average of 2.75, maintain a clean record of behavior as defined by the Student Code of Conduct, and must have completed all prerequisite course work.

Selected students are assigned to a pre-qualified co-op employer that represents most segments of the food service industry. These include hotels, restaurants, country clubs, resorts, spas, casinos, contract food service providers and retail bakeries.
The international co-op experience offers a select group of Baking & Pastry Arts students a practical, work-related, experiential training opportunity at host company sites throughout the world, which are chosen by the university. In addition to meeting specific college eligibility requirements, students interested in completing co-op in a targeted country must exhibit the necessary conversational language skills of that country, must maintain a 3.25 cumulative grade point average and have a minimum of one year of work experience in a full-service bakery or similar experience in a hotel, resort or restaurant.

TEACHING ASSISTANT AND FELLOW SCHOLARSHIP PROGRAM

Each year, administrators at the College of Culinary Arts select Teaching Assistant candidates from among the top students of the graduating class in the Culinary Arts and Baking & Pastry Arts associate degree programs. Students who are continuing their education at the university as Teaching Assistants must be enrolled in a day school program. Qualified Teaching Assistants may advance to Fellow during their senior year. These opportunities allow students to help defray the costs of advanced study while developing their supervisory/management skills.

GARNISH YOUR DEGREE
12-MONTH PROGRAM IN BAKING & PASTRY ARTS

Johnson & Wales University offers a specialized, limited enrollment, baking & pastry arts program. This program leads to the associate in science degree, and is designed for students who have already been awarded a bachelor’s degree. Students will receive transfer credit for most of the general studies course work.

The Garnish Your Degree Baking & Pastry Arts degree program is designed to provide practical education in baking and pastry production, through a program of study that builds proficiency in baking and pastry production, cost control, and sanitation. Students are introduced to techniques of combining basic ingredients to produce classical pastries, basic breads, cakes and plated desserts. Included are advanced techniques in classical and international preparation and production of cakes, tortes, sugar artistry, advanced breads and plated desserts.

The program consists of four terms beginning in September. Terms I, II and III consist of laboratory and related professional studies classes. During Term IV, students will take co-op or externship. Academic areas include baking science, food and beverage cost control and sanitation, as well as professional development, where students are introduced to a career management system.

Students begin to use skills acquired in the first, second and third terms by participating in a cooperative education experience. Cooperative education at approved sites will provide practical, on-the-job training with opportunities for a variety of experience in a segment of the food industry, including hotels, resorts, spas, restaurants, country clubs, contract food service providers and casinos.

BAKING & PASTRY ARTS AND FOOD SERVICE MANAGEMENT
(College of Culinary Arts and The Hospitality College)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Baking & Pastry Arts and Food Service Management program combines the strength of baking & pastry arts and management in order to prepare students for a management career in front- or back-of-the-house. Graduates of the Baking & Pastry Arts and Food Service Management program can obtain positions in a variety of areas that include, but are not limited to, bakeshop manager, executive pastry chef, catering manager, pastry chef, and beverage manager.

The curriculum provides ample opportunity for the food service professional of tomorrow to build upon their leadership and management abilities, baking techniques, critical thinking, personal accountability and ethical behavior, problem-solving techniques, strong financial analysis skills and customer awareness. The Baking & Pastry Arts and Food Service Management degree develops a solid baking & pastry foundation and management philosophy in its graduates and prepares them for bright and rewarding careers.

As a reflection of the university’s strategic plan, FOCUS 2011, which supports innovative pedagogies and technologies to enhance active learning, this program currently offers a limited number of courses online. Online courses are equivalent in content and rigor to traditional face-to-face courses. Residential day school students in the program are eligible to take online courses.

This program allows students to receive a world-class baking & pastry arts and hospitality education. Its strength is that students receive several senior-level capstone experiences in baking & pastry arts, hospitality operations and strategic management.

BUSINESS ADMINISTRATION

(College of Business)

The Business Administration one-year program prepares students for a variety of business career options. Students enrolled in the one-year program may elect to continue their education toward any College of Business bachelor of science degree. It is an ideal course of study for those students who plan to pursue a bachelor’s degree but have not yet chosen a business career specialization.

Courses in the one-year program are carefully integrated to include an overall introduction to business administration with a number of complementary areas of study.

Through the university’s career management system, experienced faculty are available to assist students in making an educated decision in the selection of their bachelor’s degree curriculum in alignment with each student’s future career goals.

Students enrolled in the program must elect to continue their education toward any College of Business bachelor of science degree during their second term of enrollment.

BUSINESS ADMINISTRATION

All students enrolled in the Business Administration program pursue the following program of study for one year (three terms). Students must declare a major no later than the second term of study.

CRIMINAL JUSTICE
(College of Business)

BACHELOR OF SCIENCE (B.S.) DEGREE

The goal of the criminal justice program is to graduate students who are prepared for meaningful careers in law enforcement, the court system or corrections. Through this course of study, students will acquire the communication, logic, critical thinking, and ethical reasoning skills essential for the understanding of criminal justice issues and for effective career performance. The program’s judicious mix of criminal justice, business, technology, and arts & sciences courses, is intended to enhance each student’s appreciation of diversity, citizenship, leadership, science and technology, and social and business culture.

The criminal justice program, in keeping with its unique curriculum and the varied career opportunities available to its graduates, and with the advice of both academic and career coaches, encourages students to concentrate in one or more of the concentrations offered by the School of Arts & Sciences or to pursue a collection of criminal justice electives which target the student’s interests and goals. In addition, each criminal justice student has the opportunity to participate in an externship.

The bachelor of science degree is beneficial when competing for a first job placement and for career advancement. Typical career tracks for graduates of the criminal justice program may include policing on the local, state or federal levels; court administration; corrections, probation or parole officers; private security and loss prevention managers; and social service providers.

**CULINARY ARTS**  
*(College of Culinary Arts)*

**ASSOCIATE IN SCIENCE (A.S.) DEGREE**

The associate degree program in Culinary Arts provides students with practical education in food production, while developing professionalism and excellence in academic achievement. Students progress through a program of study that builds proficiency in food production and cooking, cost control, nutrition, sanitation, food safety and food marketing. Hands-on training is paired with traditional academic courses resulting in a curriculum that is both dynamic and directly aligned with industry needs.

The focus of the first-year culinary lab classes is development and practice of cooking skills, complemented with the development of baking, dining and beverage service skills, which includes national certification in alcohol intervention procedures. The academic areas include mathematics, science, English composition, professional development and a national food safety certification.

Second-year laboratories include advanced techniques in classical and international cuisines, garde manger, patisserie/dessert and dining room, as well as the academic areas of leadership studies, Introduction to Nutrition, communication skills, and introduction to menu planning and cost control. Students will experience one term of experiential education.

Graduates of the associate degree program in Culinary Arts have the opportunity to gain immediate, successful employment in the food service industry, which would include a variety of positions in full service restaurants, hotels, clubs and resorts catering operations, quantity food production facilities, health spas and cruise lines.

Graduates who wish to pursue their bachelor’s degrees may select Culinary Arts & Food Service Management or Food Marketing at the North Miami Campus, or may choose from Baking & Pastry Arts, Culinary Nutrition or Food Service Entrepreneurship bachelor’s degree program options at the Providence Campus.

**COOPERATIVE EDUCATION**

Eligible second-year Culinary Arts students may apply for a Selective Career Cooperative Education assignment in place of the Culinary Arts Internship. These cooperative education assignments allow students to gain academic credit as well as invaluable work experience. Selected students work a minimum of 40 hours per week on a schedule established by their co-op employer. To be eligible to apply for the domestic co-op program, students must maintain a cumulative grade point average of 2.75, maintain a clean record of behavior as defined by the Student Code of Conduct, and must have completed all prerequisite course work.

Selected students are assigned to a pre-qualified co-op employer that represents most segments of the food service industry. These include hotels, restaurants, country clubs, resorts, spas, contract food service providers and casinos.

The international co-op experience offers a select group of Culinary Arts students a practical, work-related, experiential training opportunity at host company sites throughout the world, which are chosen by the university. In addition to meeting specific college eligibility requirements, students interested in completing co-op in a targeted country must exhibit the necessary conversational language skills of that country, must maintain a 3.25 cumulative grade point average, and have a minimum of one year of work experience in a full-service restaurant or similar experience in a hotel or resort.

**CULINARY INTERNATIONAL EXCHANGE**

Each year, a select group of second-year students is chosen to participate in a student international exchange program with culinary arts schools in Ireland or France. For one term, JWU students attend classes in either Ireland or France. In exchange, students from these schools attend culinary classes at Johnson & Wales University. Selected students receive full academic credit for the term abroad.
TEACHING ASSISTANT AND FELLOW SCHOLARSHIP PROGRAM

Each year, administrators at the College of Culinary Arts select Teaching Assistant candidates from among the top students of the graduating class in the Culinary Arts and Baking & Pastry Arts associate degree programs. Students who are continuing their education at the university as Teaching Assistants must be enrolled in a day school program. Qualified Teaching Assistants may advance to Fellow during their senior year. These opportunities allow students to help defray the costs of advanced study while developing their supervisory/management skills.

GARNISH YOUR DEGREE
12-MONTH PROGRAM IN CULINARY ARTS

Johnson & Wales University offers a specialized, limited enrollment, culinary arts program. This program leads to the associate in science degree, and is designed for students who have already been awarded a bachelor’s degree. Students will receive transfer credit for most of the general studies course work.

The Garnish Your Degree Culinary Arts degree program is designed to provide hospitality graduates an opportunity to expand their knowledge in the area of food service, and graduates of other disciplines an opportunity to acquire the education they need for a career change.

The program consists of four terms beginning in September. Terms I, II and III consist of laboratory and related professional studies classes. During Term IV, students will take co-op or externship. Academic areas include menu planning and cost controls, nutrition and sanitation, as well as professional development, where students are introduced to a career management system.

Students begin to use skills acquired in the first, second and third terms by participating in a cooperative educational experience. Cooperative education at approved sites will provide practical, on-the-job training with opportunities for a variety of experiences in both kitchen preparation areas and front-of-the-house operations.

CULINARY ARTS & FOOD SERVICE MANAGEMENT

(College of Culinary Arts and The Hospitality College)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Culinary Arts & Food Service Management program combines the strength of culinary arts and management in order to prepare students for a management career in front- or back-of-the-house. Graduates of the Culinary Arts & Food Service Management program can obtain positions in a variety of areas that include, but are not limited to, restaurant manager, kitchen manager, executive chef, food and beverage director, catering manager, room service manager, sous chefs, beverage manager and dining room manager.

The curriculum provides ample opportunity for the food service professional of tomorrow to build upon their leadership and management abilities, cooking techniques, critical thinking, personal accountability and ethical behavior, problem-solving techniques, strong financial analysis skills and customer awareness. The Culinary Arts & Food Service Management degree develops a solid culinary foundation and management philosophy in its graduates and prepares them for bright and rewarding careers.

As a reflection of the university's strategic plan, FOCUS 2011, which supports innovative pedagogies and technologies to enhance active learning, this program currently offers a limited number of courses online. Online courses are equivalent in content and rigor to traditional face-to-face courses. Residential day school students in the program are eligible to take online courses.

The program allows students to receive a world-class culinary arts and hospitality education. The program’s strength is that students receive several senior-level capstone experiences in culinary arts, hospitality operations and strategic management.

Students may choose to focus their studies by selecting their electives in such areas as baking & pastry arts, resort or cruise line management. The Resort Management and Beverage Service Management concentrations allow students to focus on these two rapidly growing segments of the hospitality industry. The Food & Beverage Management concentration allows students to focus on this vital area of the hospitality industry. Courses are ideal for candidates interested in working with beverages, non-commercial, chain, franchises or restaurant operations.

FOOD MARKETING
( College of Business )

BACHELOR OF SCIENCE (B.S.) DEGREE

The Food Marketing bachelor’s degree program provides Baking & Pastry Arts or Culinary Arts associate degree program graduates with specialized courses in the marketing discipline.

Upon completion of the program, graduates will demonstrate the ability to
• develop, implement, analyze, interpret and make recommendations based on secondary and primary research data using qualitative and quantitative methods
• develop a targeted business-to-business marketing plan

Specific skills developed include managing market research projects, developing business-to-business marketing programs, and developing and executing brand strategies. Students have the opportunity to hone these skills while participating in a term-long externship, held at a wide variety of host sites.

Upon graduation, students may be employed in marketing positions in the food industry either for a purveyor or for the marketing department of a restaurant, food catalog or beverage producer as well as food products companies. Students should use their electives to create a meaningful, customized career concentration.

An important component of the program’s educational experience is the general studies courses taught by the School of Arts & Sciences. Graduates are expected to show competencies in higher order thinking, communications, ethics, global diversity, responsible citizenship, leadership and artistic responsibility. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

HOTEL & LODGING MANAGEMENT  
(The Hospitality College)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Hotel & Lodging Management bachelor’s degree program focuses on current best practices for operational, strategic and staff management in lodging properties and companies. Lodging is defined as activities related to commercial, overnight accommodations of all types, including hotels, resorts and smaller lodging properties (e.g., boutique hotels, country inns, B&Bs, etc.).

The degree prepares graduates for employment in operational management or professional staff positions within commercial lodging companies of all types, as well as positioning them to move up to higher-level positions such as general manager and various corporate staff positions. Possible career tracks might relate to front office management, housekeeping, food and beverage management and affiliated activities such as concierge, spa management, property sales and marketing, convention services, meeting and event planning, resort activities, revenue management, controller, development, regional management, etc.

Graduates are expected to be able to utilize their technical and management skills, as well as apply critical thinking skills, ethical standards and problem-solving techniques within a lodging organization.

CONCENTRATIONS FOR HOTEL & LODGING MANAGEMENT MAJORS

This program allows students to select concentrations or co-ops that can lead to career growth within lodging companies or to enhance their initial and subsequent career opportunities. Students may elect to use their hospitality and free elective credits for a second concentration, a co-op experience or a summer abroad program.

At least one three-course Hospitality College concentration is required for graduation. While all Hospitality College concentrations are available to students in this degree (see Pages 89–91), the following concentrations are recommended: Resort Management; International Hospitality Operations Management (summer program only); Sales, Meeting & Event Management; Beverage Service Management; or Cruise Line Management.

MANAGEMENT
(College of Business)

BACHELOR OF SCIENCE (B.S.) DEGREE

The goal of the four-year Management program is to prepare graduates for a career in a variety of entry-level managerial position in a wide range of firms. Students will acquire the communication, critical thinking, and ethical reasoning skills essential for today’s managers. The content of the program and course work provide students with a broad understanding of the issues facing the business world.

An important component of the program’s educational experience is the general studies courses taught by the School of Arts & Sciences. Graduates are expected to show competencies in higher order thinking, ethics, global diversity, responsible citizenship and leadership. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

Students who maintain a grade point average of at least a 2.75 may have the opportunity to participate in experiential education by completing a co-op in their area of interest. Also available is foreign travel through the study abroad program.

Regardless of what industry the student chooses to enter, an understanding of key business principles is critical to a successful career. A student may focus on studies leading to management positions in production operations, human resource, financial services and other service industries.

Students will choose one concentration from the following options. The university’s career management system will facilitate these selections.

* Students meeting eligibility criteria may elect a Management Career Co-op or Summer Study Abroad to satisfy requirements. Otherwise, students must take three additional career electives from the College of Business.

NOTES: Students must have MATH0001 (Basic Mathematics) or equivalent placement scores to enroll in the math requirement.

Students must earn a performance transcript writing assessment of "validated" or "mastered" in order to graduate with a bachelor's degree.

Study Abroad programs may satisfy a variety of History, Sociology, English and other elective requirements. Contact the Study Abroad Office for details.
The Marketing bachelor’s degree program provides students with a broad range of knowledge and practical skills related to the fundamentals of marketing including product, pricing, promotion, distribution and customer relationship management.

Upon completion of the program, graduates should be able to demonstrate the ability to:

- develop, implement, analyze, interpret, and make recommendations based on secondary and primary research data using qualitative and quantitative methods
- analyze consumer decision-making and behavior
- prepare and conduct a professional sales presentation
- develop e-commerce, international and strategic marketing plans

Specific skills developed include managing market research projects, developing Web-based marketing programs, developing and executing brand strategies, and developing and managing comprehensive marketing plans. Students have the opportunity to enhance these skills while participating in a term-long externship, held at a wide variety of host sites.

Upon graduation, students may be employed by retail, consumer goods, industrial or advertising companies in positions that utilize these skills. Typical areas of interest include entry-level positions in sales, market research, market analysis, product development or brand management.

Students should use their career electives and free electives to create a meaningful, customized career concentration.

An important component of the program’s educational experience is the general studies courses taught by the School of Arts & Sciences. Graduates can show competencies in higher order thinking, communications, ethics, global diversity, responsible citizenship, leadership and artistic responsibility. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

RESTAURANT, FOOD & BEVERAGE MANAGEMENT  
(The Hospitality College)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Restaurant, Food & Beverage Management bachelor’s degree program provides a unique combination of culinary skills and hospitality management. The focus is on current restaurant and food service management industry topics. The program also develops proficiency in the area of beverage management. Other areas of study include critical thinking, financial analysis, leadership and customer awareness in order to prepare students for a management career in the food service industry. According to the National Restaurant Association, the food and beverage industry is the largest U.S. employer besides the government. This program includes a unique hands-on rotational externship experience.

Graduates are expected to be able to utilize their technical and management skills as well as apply critical thinking skills, ethical standards and problem-solving techniques within a food service operation. Graduates will also identify and communicate long-range vision and strategy for a food service company.

Value-added certifications within the degree include an industry-recognized responsible alcohol service certification, the national sanitation certification (a graduation requirement) recognized by the Conference for Food Protection, and the International School of Mixology Bartending Certificate.

Students can enhance their degree by selecting from one of The Hospitality College concentrations. These include Cruise Line Management, Entertainment Management and Resort Management.

SPORTS/ENTERTAINMENT/EVENT MANAGEMENT
(The Hospitality College)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Sports/Entertainment/Event Management bachelor’s degree program prepares students to manage many areas of major sports facilities and resorts, as well as organize national and international events like the World Cup, the Grammy Awards or the Olympics. Course work enables graduates to apply the primary tools and fundamental understanding of the four basic areas of sport, entertainment or event development, planning and management.

In this four-year program the curriculum includes core courses in event management, facilities management, media relations, trade show/expo management, and entertainment management.

Students tailor their degrees toward their chosen careers by complementing the core curriculum with such electives as professional sports management, sports and entertainment marketing, ceremony and protocol, athletic coaching administration, and hospitality sales and meeting management. This enables them to demonstrate personal discipline, professionalism, accountability, and ethical behavior in a sport, entertainment or event management environment.

Students further specialize by choosing a hospitality concentration. This experience allows them to use analytical thinking skills to create, develop, plan, manage, operate and evaluate the critical elements of a successful sport, entertainment or event organization.

The program culminates in an exciting, term-long, off-site externship under the direction of an industry professional that allows students to apply the skills they’ve learned and prepares them to launch their careers. The externship focuses on the ability to identify, document and successfully communicate personal and professional short- and long-term vision and strategies for a successful career in sport, entertainment or event management. Graduates have worked for professional sports teams, entertainment venues, resorts and conference centers.

TRAVEL-TOURISM & HOSPITALITY MANAGEMENT
(The Hospitality College)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Travel-Tourism & Hospitality Management bachelor’s degree program provides a broad-based option for students incorporating the hotel, travel/tourism and food segments of the hospitality industry with special focus given to travel/tourism.

This bachelor’s degree program places an emphasis on tourism as the glue that holds the industry together — especially in course offerings and the term-long practicum experiential program. Students participate in various hospitality and tourism site rotations. The culmination of the practicum experience is a tour to a selected destination, for which students research, negotiate and develop a highly anticipated journey.

Graduates are expected to be able to utilize their technical and management skills as well as apply critical thinking skills, ethical standards and problem-solving techniques within a tourism setting. Graduates will also identify and communicate long-term vision and strategy within a tourism business environment.

Graduates of the program will be employed in all industry segments due to its more generalized curriculum, but the emphasis on travel/tourism will provide specific career options in destination marketing organizations such as CVBs and tourism offices, resorts, tour operators, travel industry suppliers such as airlines, cruise lines or ground transportation, and various international operators. Students can further customize their degree by selecting a concentration option specific to their area(s) of interest.

* Students must pass a national exam that is recognized by the Conference for Food Protection as a graduation requirement.

** Elective courses allow students to enhance their education by earning a second concentration or by participating in a career co-op or in a study abroad program. Students use two Hospitality Electives and one Free Elective towards this option.

**NOTES:** Students must have MATH0001 (Basic Mathematics) or equivalent placement scores to enroll in the math requirement.

Students must earn a performance transcript writing assessment of “validated” or “mastered” in order to graduate with a bachelor’s degree.

Study Abroad programs may satisfy a variety of History, Sociology, English and other elective requirements. Contact the Study Abroad Office for details.
CONCENTRATIONS

Students may choose to focus their electives in any of the following three-course concentrations. Beyond the enrichment a concentration provides, students’ transcripts will reflect commitment to a particular area which may be impressive to prospective employers.

Declaring Your Concentration
Each student should consult with his/her faculty advisor in order to determine which concentration(s) will best further the student’s career goals. Students then need to formally declare their concentration(s) by completing a concentration form in Student Academic & Financial Services. A student may declare up to a maximum of three concentrations per degree program.

COLLEGE OF BUSINESS

Courses already required in a student’s individual program cannot be selected to fulfill a COB concentration requirement. Students are responsible for completing any prerequisites necessary for courses listed in a concentration in order to complete the concentration.

### THE HOSPITALITY COLLEGE

As a condition of baccalaureate graduation, all students enrolled in Hospitality College degrees must complete a three-course concentration in their junior and senior years.

When completing a concentration in The Hospitality College, students may not use required core courses (or their equivalent) from within their chosen major. Additionally, students may not apply the same course to different Hospitality College concentrations.

Hospitality majors have three concentration electives and two hospitality electives. Transfer students who transfer in three or more hospitality elective courses are not required to use their remaining electives toward a concentration.

* Required for students who are not in the Restaurant, Food & Beverage Management or Culinary Arts program.

## Definitions of Elective Attributes

Elective courses, as designated by each program, allow students to personalize their program of study by selecting courses that will strengthen and support their individual or career aspirations. Eligible elective course offerings are defined by attribute type and are identified by appropriate colleges or schools. Special note: Individual program requirements will detail any exceptions when specific courses may not satisfy an elective requirement.

When selecting an elective, students must register the appropriate type of elective and are responsible for satisfying any prerequisites or restrictions that may be present on the elective course offering. Furthermore, the elective may not be a required course in the student’s program of study.

COOPERATIVE EDUCATION

Co-op
Eligible students may apply for a Selective Career Cooperative Education assignment. These cooperative education assignments allow students to gain academic credit for an invaluable work experience within their chosen profession. Upon completion of this term-long course, students have a more global understanding of the demands and expectations of business and industry.

To be eligible to apply for the domestic co-op program, students must: 1) maintain a cumulative grade point average of 2.75 during the entire pre-program application process, 2) maintain a clean record of behavior as defined by the Student Code of Conduct, 3) have completed 130 credits of coursework, 4) have appropriate elective or practicum credit available in their degree audits, and 5) have the sponsorship of a faculty advisor.

In addition to the traditional eligibility requirements, students desiring placement outside of the United States must maintain a 3.25 GPA.

ECONOMICS

ECON1001 MACROECONOMICS
This course is designated as the first of two courses serving as an introduction to economics. It is a survey course covering the foundations of economics and focusing on macroeconomic concepts and issues such as the features and goals of capitalism, the market system, national income, business cycles, macroeconomic theories, and monetary and fiscal policy. (GS)
Quarter Credit Hours 4.5

ECON1901 HONORS ECONOMICS
This course is designed to provide an overview of both macroeconomics and microeconomic concepts. Topics such as the economizing problem, the household, business, and government sectors, the national income, banking systems, and current macroeconomic problems are examined. Course content also analyzes product and resource markets, costs of production and market models, and international economic issues. (GS)
Quarter Credit Hours 4.5

ECON2002 MICROECONOMICS
This course consists of microeconomic principles and issues. Course content examines and analyzes both the product and resource markets with emphasis on demand, supply and elasticities. In addition, the costs of production and the basic market models of firms' short run and long run operations are discussed. Other topics covered include various current domestic microeconomic problems, as well as international economic issues such as international trade and foreign exchange. Prerequisite: ECON1001. (GS)
Quarter Credit Hours 4.5

ECON3030 MANAGERIAL ECONOMICS
This course introduces business students to the application of economic principles at the decision-making level in a business organization. This course demonstrates how economic concepts can be applied to decisions involving business strategy and the attainment of organizational objectives. Prerequisites: ECON2002, MGMT1001.
Quarter Credit Hours 4.5

FINANCIAL SERVICES MANAGEMENT

FISV2010 FINANCE
This course is designed to cover the financial management of the business entity and the role of the financial manager in creating value. Major topics include financial statement analysis, risk and return, time value of money, capital budgeting, cost of capital, business valuation, capital structure policy and the evaluation of alternative forms of financing. This course is not available to accounting majors. Prerequisite: ACCT1002 or ACCT1012 or ACCT1022. (PT)
Quarter Credit Hours 4.5

INTERNATIONAL BUSINESS

IBUS2002 INTERNATIONAL BUSINESS
This course's goal is to provide structured approaches for analyzing the rapidly evolving field of international business. The nature of international business, the international monetary system, the foreign environment, and strategies of how management can deal with environmental forces are some of the main topics. Selected case studies should encourage students to evaluate and discuss courses of action taken by companies and industries in the global marketplace. Theoretical foundations to international business and real-world scenarios prepare students to operate more effectively in the changing global business environment. Prerequisite: MGMT1000 or MGMT1001. (PT)
Quarter Credit Hours 4.5

IBUS2030 FOREIGN AREA STUDIES
This course is designed as a seminar course with topics changing from term to term, depending upon the dynamics of change in key global markets. Topic areas include China (IBUS2031), Pacific Rim (IBUS2032), Latin America (IBUS2033), Russia (IBUS2034), Eastern Europe (IBUS2035) or Africa (IBUS2036). The course is structured to focus on four primary components: business, economics, politics and culture, essentially in this priority. Prerequisite: ECON1001 or ECON1901.
Quarter Credit Hours 4.5

IBUS2040 INTERNATIONAL CULTURE AND PROTOCOL
Cultural diversity is a business reality today. The ability to build bridges between people from different countries and with different ethnic backgrounds is as important as any other business function. This course focuses on cultural diversity and provides students with knowledge of international cultures and protocol, the building blocks of success in doing business internationally. Prerequisite: ECON1001 or ECON1901. (PT)
Quarter Credit Hours 4.5
IBUS3050 EXPORT PROCEDURES AND PRACTICES
This course provides students with the basic body of knowledge and mechanics that are needed to successfully undertake and explore every avenue of exporting. A description of the essentials as well as the parameters of exporting are given. The course applies to an entrepreneurial export situation, to businesses expanding through foreign sales, and to companies simply trying to improve the operations of an existing export department. The emphasis on finance stems from the experience that frequently, a successful export effort is unnecessarily blocked or frustrated by finance problems. Such problems can arise from accumulating foreign receivables or the additional working capital required to handle the extra large sales that exporting often generates. Prerequisite: ACCT1002 or ACCT1012 or ACCT1022. (PT)
Quarter Credit Hours: 4.5

IBUS4090 INTERNATIONAL BUSINESS EXPERIENCE
This course refers to a series of options available that total 13.5 credits:

1) Students choose from a range of study abroad options including short-term 3 1/2 to four-week summer programs, spring term three-month programs, or four-to-five month independent exchanges. Each program has its own academic focus and prerequisites. Students apply for their program of choice through the Study Abroad Office. After selection into a program, students engage in orientation and academic pre-departure work before embarking on their immersion into foreign cultural and business settings. In some cases, JWU faculty lead the program and travel with the students. In other cases local hosts lead the program, but in all programs students participate in a rigorous study and travel experience. The purpose of these study abroad experiences is to increase students’ global awareness as they explore their program’s specific academic focus. Course delivery consists of lecture, industry visits and cultural excursions. Eligible students are guided by the Study Abroad Office to register for the appropriate course(s) specific to their program.

2) Eligible students may opt to take a co-op(s) within their major (4097, 4098, 4099).

3) Eligible students may opt to take IBUS4020 Summer Work Abroad International Seminar and a specific course from the IBUS4080 Series of Summer Work Abroad Programs: IBUS4082 or IBUS4086.

4) Students not eligible to take the international business programs, co-op programs or SWAP programs take three additional career electives from the College of Business or School of Technology.

Students should consult with their faculty advisor to make their selection.

LEAD2001 FOUNDATIONS OF LEADERSHIP STUDIES
This course draws upon a variety of research-based theories and applications germane to the study of leadership. Theoretical paradigms of motivation are discussed and applied to communication styles, decision making, risk taking, team building, conflict resolution, negotiation, diversity and inclusion. Leadership traits, leadership styles and roles are examined in the context of ethics, power and social responsibility.
Prerequisite: Sophomore status. (HO) (SL)
Quarter Credit Hours 4.5
LEAD2010 SPECIAL TOPICS IN LEADERSHIP
The field of leadership studies encompasses a wide and complex range of topics. This course presents students and faculty alike with a unique opportunity to examine revolving areas of current and relevant leadership theories and practices. Areas of specialized leadership interest include, but are not limited to: Global Issues, Women in History (LEAD2011), Power and Leadership (LEAD2012), Entrepreneurial, Sub-Saharan Leadership or Business and Religion. Prerequisite: LEAD2001 or LEAD2901. Quarter Credit Hours 4.5

LEAD2901 HONORS FOUNDATIONS OF LEADERSHIP STUDIES
This upper-level course seeks to integrate fundamental leadership principles with their practical application in business and/or community settings. Students engage in in-depth assignments designed to expand their leadership development as both individuals and team members. They also develop comprehensive projects that address important and relevant leadership issues. Quarter Credit Hours 4.5

LEAD3010 LEADERSHIP THROUGH FILM AND LITERATURE
This course is an examination of contemporary theories pertaining to leadership in group, organizational and societal settings. The content of the course draws from the humanities as viewed through film and literature selections to illustrate different leadership styles and concepts. The course is based on the premise that leadership, like literature and film, is an art form whose effectiveness is enabled and enhanced through visual presentation. Prerequisite: LEAD2001 or LEAD2901 or SEE2015 or permission of instructor. (WI) Quarter Credit Hours 4.5

LEAD3020 CREATIVE LEADERSHIP
Creativity can be a valuable tool for leadership in the 21st century. The objective of this course is to develop and to enhance one’s own creativity, allowing each individual the opportunity to become a more productive leader of tomorrow. Extensive classroom participation and a variety of activities allow each student to experience personal growth and to influence the growth of others. Prerequisite: LEAD2001 or LEAD2901 or SEE2015 or permission of instructor. (HO) (WI) Quarter Credit Hours 4.5

LITERATURE

LIT2030 AFRICAN-AMERICAN LITERATURE
This course examines African-American literature in a variety of genres from its conception in the days of slavery to contemporary times. Emphasis is placed on the historical and social significance of major works of African-American literature, as well as on the unique artistic contributions of African-American authors to the American literature canon. Prerequisite: ENG1020 or ENG1920. (SL) (WI) Quarter Credit Hours 4.5

LIT3001 STUDIES IN DRAMA
This is an introductory course in the history of drama. Critical analyses of literary elements are conducted in the context of genres from the ancient Greeks to contemporary drama. Both written works and performances are examined and analyzed. Prerequisite: ENG1020 or ENG1920. (WI (HO) Quarter Credit Hours 4.5

LIT3015 FOOD IN FILM AND LITERATURE
This course is designed to acquaint the student with the art forms of film and literature with a focus on food as its primary subject. The course focuses on the important books, essays, short stories, plays and films that have made major achievements in film and literature. Students develop the critical skills necessary to increase their understanding of the experience of film and literature. Prerequisite: ENG1020 or ENG1920. (HO) (WI) Quarter Credit Hours 4.5

LIT3020 STUDIES IN THE SHORT STORY
This course prepares students to read, analyze, and write about the short story from different critical perspectives. Students study representative authors and are exposed to a variety of forms and styles of the short story from a wide range of historical periods. Prerequisite: ENG1020 or ENG1920. (WI) (HO) Quarter Credit Hours 4.5

LIT3040 SPORTS IN FILM AND LITERATURE
This course focuses on the significant inspiration of athletic endeavors upon the literary and cinematic imagination. Writers of fiction and non-fiction, prose writers, and poets have discovered in the athletic experience a useful metaphor to express the very purpose and meaning of life. Modern film explores both the realism and romanticism of sports in popular culture. This course is designed to acquaint the student with the essence of games as myth and metaphor and develop an appreciation of the historical context in which the stories are constructed and heard. Prerequisite: ENG1021 or ENG1921. (WI) Quarter Credit Hours 4.5

LIT4010 SCIENCE FICTION
This course analyses the evolution of science fiction from its early origins to the present. Fantastic and futuristic elements of plot are examined as social commentary. A variety of styles in several genres are studied, including traditional science fiction, fantasy, horror and cyberpunk. Prerequisite: ENG1020 or ENG1920. (WI) (HO) Quarter Credit Hours 4.5

LIT4030 MULTI-ETHNIC LITERATURE
This course introduces students to fiction, autobiography, poetry, drama and many other forms of literature by writers from many racial and ethnic backgrounds including African American, Asian American, Latino, Chicano, American Indian and more. Emphasis is placed on the historical context in which the writings have evolved as well as the problems encountered by these various cultural groups as they intersect with American culture. Through reading the literature of many cultures and countries, students search for the common themes that unite humanity across the globe. Prerequisite: ENG1020 or ENG1920. (WI) (HO) Quarter Credit Hours 4.5

MATHEMATICS

MATH0001 BASIC MATHEMATICS
Students are assigned to this course based on placement tests given prior to taking MATH1002. The course is designed to teach students the basic mathematical concepts and methods that prepare them for studying college level mathematics. Topics include a review of basic arithmetic, an introduction to algebra, and problem-solving techniques. Quarter Credit Hours 1.5 (Institutional)
POLITICAL SCIENCE

PSCI3001 INTRODUCTION TO POLITICAL SCIENCE
Political science is the rigorous and disciplined study of government and politics. This is a “gateway” course designed to reveal to students the ubiquity of political phenomena in their lives. The workings of politics, viewed alternatively as the authoritative allocation of values, or as the study of who gets what, when, where, why and how, are studied in a variety of incarnations, in small and large groups, and in private and public dress. The rational choice perspective is used to formulate and analyze theoretical issues in political analysis. Prerequisite: Sophomore status. (WI) Quarter Credit Hours 4.5

PSCI3010 INTRODUCTION TO WORLD POLITICS
This course provides a comprehensive introduction to the study of world politics. Analytical tools and philosophical doctrine are first discussed to lay a foundation for understanding the driving forces in international relations. The chronic nature of war and ceaseless search for peace are discussed next, with special emphasis on 20th century history. Next examined are the theory and practice of economic relations among advanced industrial economies, and the pace of development in the third world, or the “South.” Special problems posed by multilingual and multinational diversity within nations are an important theme of the course. Other possible topics, time allowing, include different historical and possible future systems of international relations; imperialism; cold war politics; national security theory, including deterrence, and the success of international political and monetary organizations. Prerequisite: Sophomore status. (WI) Quarter Credit Hours 4.5

PSYCHOLOGY

PSYC2001 INTRODUCTORY PSYCHOLOGY
This course is designed to allow the individual student the opportunity to develop an understanding of human behavior in its origins, development and manifestations. The three major theories — psychoanalysis, behaviorism and humanism — are presented so that the student is knowledgeable in their major tenets. The student also determines his or her own view of these schools and why they find them acceptable or unacceptable. The course also proposes to alert the student to signs and symptoms of mental distress in themselves, their families, friends and co-workers. What to do about stress is also considered in terms of seeking the simplest solution first. Applications of this information on both a personal and professional level are introduced and discussed. Prerequisite: Sophomore status. (HO) (SL) (OL) Quarter Credit Hours 4.5

PSYC2002 ABNORMAL PSYCHOLOGY
This course examines the major theoretical approaches to mental and emotional disorders. Included are definitional criteria and current treatment programs for both children and adults. Prerequisites: PSYC2001 or PSYC2901 and sophomore status. Quarter Credit Hours 4.5
PSYC2010 PERSONALITY
This course is designed to acquaint the student with the more salient and prevailing theories of personality. The major psychosocial problems that arise in considering personality anchor the discussion of each theory throughout the course. Application of theories to current life situations is also discussed. Prerequisites: PSYC2001 or PSYC2901 and sophomore status.
Quarter Credit Hours 4.5

PSYC2040 PSYCHOLOGICAL ISSUES OF ADDICTION AND COMPULSIVE BEHAVIOR
This course examines the various types of addictions and accompanying compulsive behaviors and symptomatology related to these disorders. It focuses on problems related to the addictive process. Topics include but are not limited to: compulsive gambling, alcohol and substance abuse, sexual addictions, eating disorders and other compulsive behaviors. Relevant topics such as the addictive process and personality are addressed along with the familial effects and psychosocial impact of addiction on business and industry. Various treatment approaches and methods of recovery are discussed. Methods of awareness, identification and distinction between various compulsive disorders and addiction along with the biopsychosocial model of addiction are delineated. Prerequisites: PSYC2001 or PSYC2901.
Quarter Credit Hours 4.5

PSYC2901 HONORS INTRODUCTORY PSYCHOLOGY
The honors section of Introductory Psychology is designed to expand and enrich the students’ first experience in psychology. Besides accomplishing all the course objectives of the non-honors sections, honors students are expected to analyze, synthesize and evaluate complex psychological concepts and information. A major topic in psychology (such as stress, health, peace or violence) is investigated each term within the context of each unit. The class engages in a collaborative project or design and conducts an action research project centered on the psychological topic under investigation. Prerequisites: Enrollment in university Honors Program or permission of department chair, MATH2001 and sophomore status.
Quarter Credit Hours 4.5

PSYC3001 SOCIAL PSYCHOLOGY
This course features a study of individual behavior in relation to the social stimuli of modern life. The course involves the extension of general psychological principles and methods in the study of social behavior. Prerequisites: PSYC2001 or PSYC2901 and sophomore status. (WI)
Quarter Credit Hours 4.5

REL2001 COMPARATIVE STUDY OF WORLD RELIGIONS: AN INTERDISCIPLINARY APPROACH
This course introduces the students to the world’s great religions; Hinduism, Buddhism, Judaism, Christianity and Islam are emphasized. The focus is interdisciplinary and includes history, cultural traditions and textual analysis of each religion’s literature in relation to these religions. (WI)
Quarter Credit Hours 4.5

SCIENCE
SC11015 INTRODUCTION TO LIFE SCIENCE
This course describes basic scientific principles that apply to all living things. Evolution and natural selection are studied as an explanation for the history of life on Earth. Students examine cells and cell functions, genetics, as well as structure and function of the systems of the human body. Application of scientific methodology is included. (HO)
Quarter Credit Hours 4.5

SC11055 BAKING SCIENCE
This course introduces basic scientific principles through an understanding of the functionality of ingredients in baking and pastry. Students run controlled experiments following the scientific method to learn about food ingredients and to understand the physical and chemical changes that occur during production. Emphasis is placed on explaining how the chemical and physical structure of ingredients affects the functions and their interactions with other ingredients.
Quarter Credit Hours 4.5

SC12040 MARINE BIOLOGY
This course is an introduction to the biological and physical aspects of the marine environment, including a survey of the organisms that inhabit the world’s oceans, their ecology, species evolution and distribution, and the human impact of commercial marine-related industries. Of particular interest are seafood, shellfish, and marine plants as marine food sources, as well as the shipping and maritime industries. (HO)
Quarter Credit Hours 4.5

SC13010 ENVIRONMENTAL SCIENCE
This course presents major scientific concepts dealing with the physical and biological nature of the world we live in. A major theme is the impact of human population and economic growth on the biodiversity and ecosystems of our planet, considering how sustainable use of the world’s resources may be achieved for both developing and developed nations. Topics such as energy, air, water or resource use, land use and agriculture are discussed. (HO)
Quarter Credit Hours 4.5

SC13030 INTRODUCTION TO ECOLOGY
This course combines biology and other sciences to study how living things interact with each other and with their non-living environment. Topics such as competition and predation, the one-way flow of energy, and the cycling of nutrients through ecological communities are examined. Other topics such as biodiversity, major terrestrial and aquatic biomes, succession, and the methods and goals of environmental conservation are discussed. (HO)
Quarter Credit Hours 4.5

SC13910 HONORS ENVIRONMENTAL SCIENCE
This honors course presents major scientific concepts dealing with the biological and physical nature of the world we live in. A major theme focuses on environmental health where students gain an understanding of the relationships between human populations, economic growth, ecosystem biodiversity and the health of human and biological populations. It examines the sustainable use of the world’s resources and the scientific dialogues in understanding the potential remedies available for both developing and developed nations.
Quarter Credit Hours 4.5
SOCIOLOGY

SOC2001 SOCIOLOGY I
This course provides an introduction to sociology with the focus of study on how humans interact within a society, both as individuals and in groups. Stress is placed on sociological methods and paradigms. Prerequisite: Sophomore status. (HO) (SL)
Quarter Credit Hours 4.5

SOC2002 SOCIOLOGY II
This course is a continuation of Sociology I focusing on patterns of behavior or institutions that our culture has established. Emphasis is placed on studying those institutions which are essential to the survival of the individual and the group. Prerequisites: SOC2001 or SOC2901; sophomore status. (SL)
Quarter Credit Hours 4.5

SOC2010 SOCIOLOGY OF DIGITAL ENVIRONMENTS
This course provides an introduction to the digital world as both a setting of social interaction and as a social and historical phenomenon. Attention is given to the ways that virtuality has both transformed and been influenced by other institutional domains such as family, media, art and work. This focus on the digital world advances students' sociological understanding of the human experience. Prerequisite: Sophomore status.
Quarter Credit Hours 4.5

SOC2020 CULTURE AND FOOD
This course engages the student in an in-depth social scientific analysis of the role of food in the human experience. Students explore how the relationship of food to society has changed over time in terms of importance, selection and preparation. The significance and function of food in diverse societies is discussed to advance students' sociological and anthropological understanding of humankind. Prerequisite: Sophomore status. (HO) (SL) (WI) (OL)
Quarter Credit Hours 4.5

SOC2025 CULTURAL TAPESTRY: PERSPECTIVES IN DIVERSITY
This course approaches the study of diversity by offering students an opportunity to understand the meaning of difference from a multitude of perspectives. Students study how categories of diversity are created, the experience of being perceived as different in society, and the consequences of difference as gauged by the allocation of privilege and resources to differing groups within society. Such categories as race, ethnicity and national identity, socioeconomic status, gender differences, sexual orientation, learning styles and religious affiliation are addressed. Similarities between ethnic groups and cultures are also examined. The sociological paradigms/perspectives are also utilized in the study of diversity. Students shape a presentation that addresses diverse subject matter in an experiential manner. As the course concludes, attention is directed towards identifying strategies that can be employed both on a macro-level in society and on a micro-level within the students' realm of influence, to broaden the acceptance of differing perspectives in a pluralistic society. Prerequisites: SOC2001 or SOC2901; sophomore status.
Quarter Credit Hours 4.5

SOC2035 SOCIOLOGY OF AGING
Aging is a life-long process that affects individuals, families and cultures across the globe. It encompasses a multitude of dimensions — physiological, emotional, cognitive, economic and interpersonal — that influence a person’s physical and social well-being. This course examines aging from multiple perspectives and addresses the roles that individuals, families, service industries, and government play in attempting to meet the needs of this growing population. Prerequisites: SOC2001 or SOC2901, sophomore status.
Quarter Credit Hours 4.5

SOC2040 COMMUNITY LEADERSHIP: AN APPLIED SOCIOLOGY
This interdisciplinary course [sociology, leadership and service learning] provides students with the opportunity to combine theoretical learning with actual volunteer work at a non-profit organization. Through student initiated placement at one of many pre-designated sites, students are exposed to various aspects of the not-for-profit industry including administrative, fundraising, and community outreach responsibilities as well as having personal contact with the organization’s clientele. Students are also expected to utilize leadership skills by initiating a substantial agency-based project, in conjunction with their on-site supervisor, that will serve as a tangible contribution to the overall organization. (SL) (WI)
Quarter Credit Hours 4.5

SOC2060 DEVIANT BEHAVIOR
The purpose of this course is to provide students with a clear understanding of the nature and meaning of deviance. Students learn what is considered the norm in society, what is outside the norm, and how each is relative in nature. Theoretical explanations, cross cultural references and in-depth analyses of deviant behavior are studied from the three dominant sociological paradigms. Who defines deviance, what is deviant, why deviance persists, the effect of labels, and the personal and social effects of deviance are discussed. Prerequisites: SOC2001 or SOC2901; sophomore status.
Quarter Credit Hours 4.5

SOC2901 HONORS SOCIOLOGY I
This honors course is a reading-intensive introduction to sociology. Students are introduced to the basic concepts and propositions underlying the sociological perspective and are taught to apply this perspective in an analysis of events taking place in contemporary society. The focus of study is how humans interact within a society, both as individuals and as members of groups. Stress is placed on sociological methods and on the terminology used. The attention to both the macro-issues of stratification, inequality and social structure, as well as the micro-issues of socialization, acculturation and the social construction of reality are combined with “real-life” events, making the learning process even more relevant. Prerequisites: Enrollment in the university’s Honors Program or permission of department chair; sophomore status.
Quarter Credit Hours 4.5

SOC3010 SOCIAL ISSUES IN CONTEMPORARY AMERICA
This course is designed to provide the student with a realistic understanding of contemporary social issues. The focus of the course is on the origins, nature and interrelationships between the various topics. Students are encouraged to consider people and conditions in society that pose problems, and to attempt to develop solutions to those problems. Prerequisites: SOC2001 or SOC2901; sophomore status. (SL)
Quarter Credit Hours 4.5
SOC3070 VISUAL LITERACY AND THE SOCIOLOGY OF PERCEPTION

Human perception of the social world is studied from both a communications and sociological perspective. Elements of “picture-based media” as a means of molding cultural perceptions, social biases, and personal views of reality are studied. Through a series of exercises, students critically examine images in art, still photographs, television, advertising, film and documentaries to determine their sociological messages. Using the language of visual literacy and an understanding of perception, students test assumptions about their world. Prerequisite: Junior status. Quarter Credit Hours 4.5

SPANISH

SPAN1001 CONVERSATIONAL SPANISH I
This course is an introduction to the Spanish language. Emphasis is placed on vocabulary acquisition, basic grammar construction and oral communication. Quarter Credit Hours 4.5

SPAN1011 CONVERSATIONAL SPANISH I: SPECIALIZED VOCABULARY
