This catalog is an official publication of Johnson & Wales University. As such, it is subject to revision at any time. The university reserves the right to add, withdraw or revise any course, program of study, provision or requirement described within the catalog as may be deemed necessary.

Occasionally, program requirements will vary by the printing date of the catalog. Requirements stated in the edition published closest to the September enrollment date will take precedence.

Students should read and fully understand the rules, regulations and policies described in this catalog. Additionally, all enrolled students are expected to be familiar with the contents of the North Miami Campus Student Handbook. The North Miami Campus Student Handbook contains important information concerning the academic performance and personal conduct of students as well as university grievance procedures. It also outlines the conditions under which students may be placed on probation or suspension from the university. The North Miami Campus Student Handbook is available online at www.jwu.edu. Copies of the handbook are also available at Student Activities.

THE JWU DIFFERENCE

Johnson & Wales University is a recognized leader in career education for driven students seeking a competitive advantage in the global economy. Our pioneering education model combines academics with hands-on learning, related work experiences, leadership opportunities and career services. Our industry-experienced faculty brings real-life knowledge to the classroom, adding mentorship, networking opportunities and current business practices to the academic experience.

Founded in 1914, JWU is a nonprofit, private, accredited institution with distinct campuses in Providence, R.I.; North Miami, Fla.; Denver, Colo.; and Charlotte, N.C. More than 17,000 students from all 50 states and 93 countries are pursuing accredited undergraduate and graduate degrees in business, hospitality, culinary arts, technology and education. Our graduates join a network of more than 83,000 alumni from 140 countries.

A variety of undergraduate degree programs permit students to select the educational path best suited to their career interests and objectives. Graduate programs leading to the degrees of master of arts in teaching, master of education, master of business administration and doctor of education are also offered at JWU’s Providence Campus. For details on these programs, request the graduate and doctoral catalogs or visit www.jwu.edu.

Other features of the JWU difference include our career-focused programs, hands-on learning, a suite of career services and a variety of opportunities for students to build their leadership skills.

CAREER-FOCUSED PROGRAMS

JWU’s educational approach is designed to help students identify a field of interest and acquire the knowledge, skills and experience to excel in that field. Students develop academic schedules and work experience plans relevant to their career goals, starting in their first term. To learn more about our undergraduate programs of study in business, hospitality and culinary arts, see Pages 63–90 or visit www.jwu.edu.

The School of Arts & Sciences

Today’s employers want employees who, along with specialized job skills, have the ability to think critically, communicate clearly, manage ethically and contribute to the community. To meet these needs, JWU offers a wide selection of liberal arts courses including logic, psychology, communication skills, leadership studies, environmental science and ethics. Our students take at least one-third of their credits in arts and sciences to help develop the skills necessary for long-term career progression.

Many courses offered by the School of Arts & Sciences are designated writing intensive (WI). The Writing Across the Curriculum program at JWU was developed to integrate the “writing to learn” concept across all majors. Students are encouraged to use writing both to learn and communicate, and as a tool to develop and refine skills needed for professional success.

The School of Arts & Sciences offers two minors (22.5 credits) that are designed to enhance the qualifications of graduates: Environmental Sustainability and Technical Communications. Real-world applications are incorporated in each of these minors, which give students opportunities to develop expertise in an area that complements their major.

Students at JWU may study a subject in more depth by electing concentrations. Concentrations vary by campus. See Page 51 for a complete list of the concentrations offered.
In recognition of the importance of leadership in today’s world, the School of Arts & Sciences requires all students to complete LEAD2001, a course designed to help them understand and practice leadership theory, and prepare to assume leadership roles in both the workplace and in the community. Leadership is part of our institutional culture at JWU, and our students are prepared to become the business leaders of the future.

To learn more about the School of Arts & Sciences at JWU, including honors courses, cultural events programming, internships, study abroad and degree programs, visit www.jwu.edu.

Study Abroad and International Programming
JWU responds to the increasingly global nature of business by fostering multiculturalism and providing an international educational experience. An important component of this experience is the opportunity to study abroad. Students choose from a range of options including four-week summer programs, three-month spring term programs or four-to-five month independent exchanges. Each has its own academic focus and prerequisites. After selection into a study abroad program, students engage in orientation and academic pre-departure work before embarking on their immersion into foreign cultural and business settings. In some cases, JWU faculty lead the program and travel with students. In other cases local hosts lead the program, but in all programs students participate in a rigorous study and travel experience. These study abroad experiences increase students’ global awareness as they explore their program’s specific academic focus. Course delivery consists of lecture, industry visits and cultural excursions. Study Abroad guides eligible students to register for the appropriate course(s) specific to their program.

Visit www.jwu.edu/studyabroad for program information and applications. Interested students may contact Study Abroad at 401-598-1406 for personal study abroad counseling.

In addition to study abroad, students can participate in on-campus experiences that add an international component to their education. Opportunities vary by campus. Contact your campus international advisor for more information.

Three-Term Schedule
While most schools’ academic calendars are divided into two semesters, Johnson & Wales University’s academic year is divided into three terms. These 11-week sessions enable students to take three or four classes at a time, instead of the usual four or five.

Upside-Down Curriculum
JWU students take classes in their major from day one. From their first term they are immersed into courses and experiences directly related to their field of study, which also means getting a head start on their career choice.

The Center for Academic Support
The Center for Academic Support team is dedicated to providing students every opportunity for success by offering special courses and workshops, tutoring, and personal, career and academic advising. Students with disabilities can also find assistance with special programs and reasonable accommodations. All support services are available without extra charge to all Johnson & Wales students.

Certain accommodations (such as alternative format and interpreters) require more time to arrange, so students who need accommodations are urged to provide as much advance notice as possible to the Center for Academic Support.

LEARNING BY DOING
Experiential education plays a major role in every student’s JWU education. Through hands-on learning and work experiences related to their field of study, students may learn more about their chosen field, gain on-the-job experience and develop networking contacts for future employment. Examples of hands-on learning include internships, study abroad,
Experiential Education & Career Services offers a variety of internship programs and career services to assist students in building career skills to obtain employment and independently navigate their careers.

Work Experience Programs
Through the types of work experience programs described below, JWU students gain valuable career skills by integrating their classroom studies with practical work experiences in a field related to their academic and career goals.

INTERNSHIPS
Internships are term-long work experiences in a student’s field of study for which the student earns academic credit. Internships
- are conducted in a university-approved, professional setting under supervision
- meet specific educational objectives based on the academic program requirements
- are generally administered and monitored by Experiential Education & Career Services
- may be paid or unpaid
- provide an in-depth work experience in a professional role at the employer’s organization. Students have the opportunity to develop professional skills and positive work-related habits while gaining first-hand insight into an organization’s operation.

DIRECTED WORK EXPERIENCES
Directed work experiences provide an opportunity to apply newly acquired skills and knowledge in a supervised, non-paid industry setting. The experience focuses on a specific industry-based or functional area-based project.

Refer to specific programs of study on Pages 63–90 for examples of the work experiences that JWU provides its students. Opportunities to participate vary by campus.

CAREER SERVICES
At JWU, we’re dedicated to building careers. Unlike other universities, our approach is designed to help students identify a field of interest and acquire the knowledge, skills and experience to excel in that field.

LEADERSHIP OPPORTUNITIES
Clubs and Organizations
Student Activities provides many ways for students to connect with their campus. Dozens of clubs and organizations range from cultural arts, athletics, and community service to leadership programs, student government, and Greek life.

Participating in a student club or organization helps students build their leadership skills and career-related experience while making friends and taking part in activities they’re passionate about. See Page 59 or visit www.jwu.edu/studentlife and click on Get Involved to find out more.
The special approaches to career education at Johnson & Wales University (JWU) have evolved for more than 90 years and continue to adapt as the university responds to the changing needs of business and industry. JWU was founded as a business school in 1914 in Providence, R.I. by Gertrude I. Johnson and Mary T. Wales. From its origins as a school devoted to business education, JWU has grown to a junior college, to a senior college, and ultimately to university status.

The university is well established because of its strong commitment to specialized business education and the high ideals of its founders. In 1993, JWU received regional accreditation from the Commission on Institutions of Higher Education of the New England Association of Schools and Colleges (NEASC). Accredited since 1954 by the Accrediting Council for Independent Colleges and Schools (ACICS), the university consolidated its institutional accreditation efforts under NEASC on June 30, 2000.

In 1963, the State of Rhode Island granted a charter which authorized the university to operate as a nonprofit, degree-granting institution of higher learning and to award associate degrees in the arts and sciences. In 1970, the State of Rhode Island approved a revision in the university’s charter to award baccalaureate degrees. In 1980, the governor and General Assembly of the State of Rhode Island granted a legislative charter to the university, authorizing the awarding of advanced degrees.

The charter was amended in 1988, changing the institution’s name to Johnson & Wales University. In 1992, the governor of the State of Rhode Island signed into law a new legislative charter with university status.

A new career emphasis was introduced at JWU in 1972 and 1973, when the university announced the addition of new associate degree programs in the fields of hospitality and culinary arts. This proved to be one of the most far-reaching changes in the educational expansion of the university, leading to additional two- and four-year degree programs in the hospitality and food service fields.

In 1984, a JWU campus was established in Charleston, S.C., which offered a variety of two- and four-year programs in food service, hospitality and travel-tourism. A JWU campus opened in Norfolk, Va. in 1986. It offered one- and two-year food service programs.

In 1985, graduate degree programs were introduced at the university. Today the Alan Shawn Feinstein Graduate School offers an MBA degree program with optional concentrations in accounting and hospitality, as well as an M.S. degree program in criminal justice. It also offers an M.A.T. in Teacher Education leading to certification in business education, culinary arts, food service education, elementary education, elementary special education or secondary special education, as well as an M.Ed. in Teaching and Learning and an Ed.D. in Educational Leadership.

In 1992, a joint educational agreement allowed the university to begin programs on the campus of the Institute of Higher Marketing (IHM) Business School in Göteborg, Sweden. JWU established a formal, independent learning site there from 1994–2004, giving business and hospitality students the opportunity to complete one year of study in Sweden and finish their degrees at one of the university’s domestic campuses.

Also in 1992, JWU opened a campus in North Miami, Fla., offering two- and four-year food service, business and hospitality programs.
That year also marked the university’s formal establishment of the College of Business, The Hospitality College, the College of Culinary Arts and the School of Technology. A new emphasis on general studies was introduced in 1992 as well, with the development of the School of Arts & Sciences.

The university’s School of Technology also offered courses in Worcester, Mass. from 1992–2002.

In 1993, JWU opened a campus in Vail, Colo., which offered an accelerated associate degree program in culinary arts to college graduates. That year also marked the beginning of a four-year bachelor’s degree offering in culinary arts.

In 1995, the university created an International Hotel & Tourism Management program which offers unprecedented opportunities in international hotel management education. Students from around the world may choose from a variety of options both at JWU and abroad.

Technology programs offered by the university include Engineering Design and Configuration Management, Graphic Design & Digital Media, Network Engineering, Robotic Engineering Technology and Software Engineering.

September 2000 marked the opening of the Denver, Colo. campus, which offers two- and four-year degrees in baking & pastry arts, culinary arts, hospitality, business and criminal justice, as well as the “Garnish Your Degree” accelerated associate degree program originally offered in Vail. In 2000, the Vail Campus was merged with the Denver Campus.

In 2002, the university made a strategic decision to consolidate its smaller Charleston and Norfolk campuses to build a campus in Charlotte, N.C. JWU’s Charlotte Campus opened in fall 2004 and offers associate and bachelor’s degree programs in business, culinary arts and hospitality. The Charleston and Norfolk campuses officially closed in May 2006.

In keeping with its tradition of focusing on the best interests of students and responding to industry, it was determined in April 2006 that beginning with the 2008–2009 academic year, JWU’s College of Business and The Hospitality College would move away from offering associate degrees and instead have students customize their education through specializations or concentrations at the baccalaureate level alone. This decision did not impact the College of Culinary Arts and the School of Technology where the two-year degree continues to be relevant.

In 2009–2010 JWU recruited, admitted and enrolled the entering class for the online bachelor’s degree programs in Culinary Arts and Food Service Management and Baking & Pastry Arts and Food Service Management. In September 2010 students started in the fully online programs.

JWU’s Denver Campus also launched its Adult & Continuing Education program in September 2010.

Each year the university grows in program offerings and physical facilities. At the same time, JWU also grows in recognition and prestige, making contributions to the community, government and industry.
THE MISSION STATEMENT OF THE UNIVERSITY

The mission of Johnson & Wales University is to empower its diverse student body to succeed in today's dynamic world by integrating general education, professional skills and career-focused education. To this end, the university employs its faculty, services, curricula and facilities to equip students with the conceptual and practical tools required to become contributing members of society.

The North Miami Campus

NORTH MIAMI CAMPUS

The North Miami Campus opened its doors in 1992. Today the campus offers associate and bachelor’s degrees in culinary arts, business and hospitality. The campus also boasts a library which includes a collection of books, journals, magazines, newspapers, full-text databases, videos, DVDs and other resources to serve the research needs of Johnson & Wales students. The library is a member of SEFLIN (Southeast Florida Library Information Network), which is dedicated to cooperative library services.

The Johnson & Wales University North Miami Campus is located at 1701 NE 127th Street, North Miami, Fla. The main phone number of this campus is 305-892-7000. The toll-free number is 1-866-JWU-FLORIDA (598-3567). Facilities include a library, laboratory kitchen facilities, academic classrooms, computer laboratories and administrative offices. Student housing, both dormitory and apartment style, and a multi-level parking garage are available as well.

On the North Miami Campus, students attend classes in full uniform or professional attire, depending on their major. Faculty and administrators of the campus believe strongly in establishing a professional attitude and image for the campus.

NORTH MIAMI, FLORIDA

Johnson & Wales University’s North Miami Campus is located conveniently close to the tourism-rich areas of Fort Lauderdale and Miami, offering a superb setting for a business, food service or hospitality education. Fort Lauderdale Airport, Miami International Airport and Interstate 95 are just minutes away. Students enjoy the sun and fun of Fort Lauderdale, as well as the culture and diversity of Miami — truly an international city.

Festivals celebrating boats, arts, architecture and ethnic America abound in the Fort Lauderdale and Greater Miami area. The Junior Orange Bowl Festival, which runs for eight weeks in the fall, is one of the largest sports and cultural festivals in the country.

Southern Florida is home to several professional sports teams including the Miami Heat (NBA basketball), Miami Dolphins (NFL football), the Florida Marlins (National League baseball) and the Florida Panthers (NHL hockey).

The North Miami Campus offers easy access to South Florida markets, shopping centers, palm-fringed beaches and numerous hotels and restaurants. Leisure and nightlife are highlights in the area which has been growing by leaps and bounds in recent years.
ONLINE LEARNING

The university offers a limited number of online courses to students enrolled at any JWU campus. Courses with an online option are identified in the Course Descriptions and Programs of Study sections of the catalog. Policies pertaining to online courses are available in the North Miami Campus Student Handbook. Students interested in registering for an online course should consult with their academic counselor.

This catalog does not apply to students enrolled in online-only degree programs. The university offers online degree completion programs for individuals with associate degrees in culinary arts and baking & pastry arts. For more information on these programs, contact Online Admissions at 1-800-225-2454 or visit www.jwu.edu/onlinelearning.

GRADUATE DEGREE PROGRAMS

Applying for Admission

Johnson & Wales University seeks students who have a true desire for practical career preparation in their chosen field and who have the ability to achieve academic success.

Although academic qualifications are important, students’ motivation and interest in succeeding in their chosen careers are given strong consideration. The educational methods of the university are designed to assist students who qualify for admission to succeed in the career programs of their choice.

Students are also recommended to submit employment information and letters of recommendation for admission consideration.

Due to the technical standards and requirements essential to certain technical programs at the university, students with disabilities should contact the Center for Academic Support prior to enrolling at the university. For more information about technical standards see Pages 97–98. Copies of the technical standards applicable to various programs are available from the Center for Academic Support.

APPLICATION PROCEDURE

Applications for admission should be completed in full and sent to Admissions, Johnson & Wales University, 1701 NE 127th Street, North Miami, FL 33181.

Students applying for admission to the Providence, Denver or Charlotte campuses should refer to their campus catalog for admissions information.

There is no deadline for submitting applications, but students are advised to apply as early as possible before their intended date of enrollment for full consideration, as some programs may fill up.

An official application form is available online at www.jwu.edu/apply. No application fee is required.

In completing the application form, students must indicate the term in which they wish to enroll. Applications are accepted for terms beginning in September, December and March. NOTE: Certain programs of study may be limited to fall enrollment.

Certain bachelor’s degree programs are selective and require submission of an application at the end of the associate degree program. Students should check program descriptions if they are interested in applying for both an associate and a bachelor's degree program.

After completing the application form, students are responsible for requesting that their high school guidance office forward to the university an official copy of the secondary school record for admissions consideration.

High School Completion Verification

Graduation from high school or equivalent education as certified by state departments of education is required for undergraduate admission. Graduation verification documents must be submitted to Admissions. Verification documents include at least one of the following: a letter from an authorized high school administrator, a high school diploma recognized by their state department of education or a G.E.D. certificate. For additional methods of verification of high school completion for home-schooled students, see Page 21. It is the student’s responsibility to provide verification of high school completion. Without such verification, the student may not be allowed to register for the current term or continue enrollment.

When possible, Johnson & Wales University would prefer to receive the applicant’s high school transcripts at the same time as the application for admission. Transfer students must also submit official transcripts from all colleges attended.

Test Scores

SAT and ACT scores are not required for general admission to the university, but are recommended.
Candidates for the university’s Honors Program must submit ACT or SAT scores for acceptance consideration. Admission standards may vary for international and transfer students.

**Admissions Decision**
The rolling admissions policy of the university makes it possible to notify students of admissions decisions, of their acceptance, or of any additional conditions necessary for admission, soon after all of their academic records have been received and reviewed.

The $300 reservation fee is payable upon acceptance to the university. The university observes the May 1 reservation fee/deposit deadline and encourages students to research all schools before placing a reservation fee. Reservation fees received after May 1, 2011 will be accepted on a space available basis. Reservation fees received prior to May 1, 2011 are refundable. The student’s account must also be cleared by Student Academic & Financial Services by the July payment deadline to guarantee a room assignment.

Requests for refunds of the reservation fee will be granted upon written request to the university prior to May 1, 2011. After May 1, 2011 the reservation fee of $300 (or $150 of such fee in the case of applicants to the North Miami Campus) is nonrefundable.

The university may revoke any student’s acceptance or enrollment if any information or documentation provided by the student is false or incomplete or if the university learns of any past or present misconduct by the student that would affect the student’s ability to represent and uphold the high standards of the university.

**Deferred Enrollment**
Johnson & Wales offers a two-year deferred enrollment to students who have applied and been accepted to the university but, for various reasons, wish to postpone their enrollment. Johnson & Wales University retains student application material and will honor the admissions decision for up to two years; after that time frame, the applicant will need to submit a new application and transcript for review. Reservation fees will remain effective during the deferment period. Merit scholarships awarded through the application process will be honored for up to two years from the time of initial acceptance. Federal student aid monies are awarded annually; a student may need to reapply for federal funds through the Free Application for Federal Student Aid (FAFSA).

**Advanced Placement Credit**
Students entering Johnson & Wales University with an Advanced Placement test score of “3” or greater will be granted 4.5 quarter credits for the equivalent JWU course. Students must submit an official AP Grade Report from the College Board Advanced Placement Program. For more information about AP credit contact Transfer and University Testing.

**Transfer Students**
Transfer students are eligible to apply for most JWU majors; however, they are not guaranteed credit. Credit is usually granted for courses completed with a grade of “C” or better (with a numeric value of 2.0) at another accredited institution (U.S. Department of Education). Grades of “pass” are also acceptable for transfer if credit was awarded (and a grade of “P” has the numeric value of 2.00 or greater). Credits earned in developmental and remedial courses (or CEUs) are nontransferable. Transfer credit evaluations are based on previous college work as it relates to the student’s intended field of study.

As with prospective freshmen, acceptances are made on a rolling basis as an application becomes complete.

Transfer candidates must submit official college transcripts from all colleges previously attended prior to enrolling at Johnson & Wales. Students must also submit final official high school transcripts.

It is the responsibility of those candidates who are currently attending another college to have their updated transcripts sent to JWU as soon as final grades become available and no later than the first term of enrollment. If official transcripts or other requested materials are not received within that designated
time period, tentative transfer credit will be forfeited.

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

**Home-schooled Students**

Home-schooled students will be required to provide a high school transcript and a copy of their ACT or SAT test scores. Both the grades on the transcript and the ACT/SAT test scores will be reviewed to determine admissions and scholarship eligibility. Combined SAT scores of 1000 (reading and math, 500 each) or ACT equivalent are required for admittance.

A home-schooled student must be able to document that he or she has completed high school. Verification documents for home-schooled students include at least one of the following:

- a high school diploma recognized by their state department of education;
- a G.E.D. certificate

or, with respect to home-schooled students who are above the compulsory age of school attendance,

- a secondary school completion credential for home school (other than a high school diploma or its recognized equivalent) provided for under state law;

or

- if state law does not require a home-schooled student to obtain the credential described in the preceding bullet, a certification that the student has completed a secondary school education in a home school setting that qualifies as an exemption from compulsory attendance requirements under state law.

It is the student’s responsibility to provide verification of high school completion. Without such verification, the student may not be allowed to register for the current term or continue enrollment.

**Early/Dual Enrollment Students**

The Early Enrollment Program gives high school seniors an opportunity to enroll full-time in college courses at Johnson & Wales during their senior year of high school. Students should apply for admission to the Early Enrollment Program during their junior year of high school.

The Early Enrollment Program was designed to help students investigate the variety of college and career options available to them. Students in the Early Enrollment Program earn college credits while completing high school graduation requirements.

For more information on the Early Enrollment Program, please request a brochure from Admissions.

**Honors Program**

This program offers academically talented students the opportunity to explore challenging and stimulating courses. Eligible applicants must have taken a college prep curriculum, maintained an average of B+ or better, placed in the top 25 percent of their high school graduating class and submitted SAT/ACT scores above the national average. For more information on the Honors Program, see Page 50.

**SHARP**

Students who wish to accelerate their studies can apply for SHARP (Special Honors And Rewards Program). See Page 51 for more information on SHARP.

**FACTS FOR MILITARY**

Johnson & Wales University is approved for the training of veterans by the state approving agency.

Eligible veterans should contact the Department of Veterans Affairs toll free at 1-888-442-4551 or online at www.gibill.va.gov.
INTERNATIONAL STUDENTS

International Admissions Requirements
Listed below are the requirements for applying for undergraduate admission to Johnson & Wales University. In order to expedite the admission process, students must enclose ORIGINAL or CERTIFIED documents when submitting an application. Please note that photocopies, fax copies, scanned or e-mailed documents are not valid.

1. An accurate, complete and legible International Application form that has been signed and dated by the applicant. All schools attended must be listed, with dates of attendance.
2. Certified bank statement or government sponsorship letter verifying financial support for one academic year.
3. The results of the Test of English as a Foreign Language (TOEFL), IELTS or other proof of English proficiency. (See “English Language Proficiency” and “TOEFL Requirements” on this page.)
4. Official secondary school transcript showing subjects and marks received with graduation date. External examination results should be submitted, if applicable. If you have not yet graduated from secondary school, a transcript showing all completed work and expected results/graduation date may be submitted for review.
5. Transfer candidates must submit transcripts, marks sheets, diplomas or certificates from all post-secondary institutions attended, along with course descriptions for transfer review.
6. Copy of biographical section of applicant’s current passport.
7. Certified word-for-word translations of all credentials issued in any other language other than English must be submitted along with those credentials.

All documents and information should be clear and legible; if important information cannot be read by the International Admissions staff, the admissions process is delayed and, as a result, so is the acceptance/Form I-20 process.

All documents must be sent to:
Johnson & Wales University
1701 NE 127th Street
N. Miami, FL 33181 USA
Telephone: 305-892-7000
Fax: 305-892-7020

English Language Proficiency
Applicants whose native language is not English must provide proof of English proficiency. English language proficiency is required for admission to all programs of study at Johnson & Wales University, regardless of country of citizenship or residency.

Students who need to develop English proficiency are accepted into the English as a Second Language program (ESL) at Johnson & Wales University’s English Language Institute prior to beginning regular degree studies.

Johnson & Wales University’s English as a Second Language (ESL) program allows students to focus on the areas where they need the most improvement, and some advanced-level ESL students may take a regular undergraduate degree class in place of an ESL class which has been exempted because of proficiency in a particular area. This flexibility provides students with the most efficient transition into college.

English Language Placement testing for new ESL students will be given before the beginning of each term. JWU uses the students’ scores from this testing to place students into the appropriate level of ESL. The Institutional TOEFL will be also offered to students who score at a high level in their ESL placement tests, to be determined by the English Language Institute’s departmental policy.

TOEFL Requirements
Johnson & Wales University recognizes the TOEFL (Test of English as a Foreign Language) as proof of English proficiency. TOEFL scores must be received as official ETS scores. The Johnson & Wales University Designated Institution (D.I.) code is: 3441. This code should be used on your TOEFL registration form so that your scores will be sent to us directly.
Minimum TOEFL requirements (all levels, undergraduate and graduate) are as follows:
TOEFL score of 80 (Internet-based or IBT)
TOEFL score of 550 (pen/paper or PPT)

Individual section scores must also meet minimum score requirements.

Acceptable proof of English proficiency may also include one of the following comparable English proficiency examinations:
• IELTS (Cambridge), Band 6.5
• ELS Level 112 Certificate of Completion and Academic Report
• City & Guilds Pitman ESOL Examinations – Higher Intermediate or Expert Level
• The London Tests of English LTE, Level 4 (Advanced)
• MELAB (Michigan English Language Battery) – 77
• S.T.E.P. Eiken (Society for Testing English Proficiency) – Grade 1

Other English language examination results will also be considered, and experience studying in the English language, as documented through school transcripts, will be taken into consideration.

To meet English proficiency requirements, all English language examination results must be submitted on an official test transcript which is no more than two years old.

Students may be exempted from individual ESL classes based on their individual TOEFL Test (or equivalent test) section scores. Individual section scores and total scores must also meet minimum score requirements; Johnson & Wales University also reserves the right to require ESL classes to increase proficiency in a particular area, regardless of total TOEFL or other test scores.

Students who do not submit one of the above tests at the required level of proficiency will be enrolled in the English as a Second Language program (see “English Language Proficiency” on previous page) and registered for ESL classes.

International Transfer Credit
Students who wish to transfer to JWU should submit an application for admission listing all schools attended with dates of attendance and degrees or diplomas completed or in progress.

Certified word-for-word translations of all credentials issued in any other language other than English must be submitted along with those credentials.

To assist with the transfer credit review process, course descriptions, syllabus and program information should also be submitted.

Credit is generally awarded for courses a student completed with grades of “C” or better (or equivalent) which are similar in level, content and duration to JWU courses in the student’s intended major. Accepted transfer students will be sent a copy of their degree audit showing the credit accepted toward their chosen major.

Articulation Agreements
JWU is proud to have a large number of international articulation agreements and transfer credit equivalencies in place with schools and programs which facilitate student transfer to Johnson & Wales University for bachelor’s degree completion. The university is continuously working to develop partnerships with schools around the world for the purpose of offering diverse educational opportunities for transfer students. International Articulation Agreements include

At-Sunrice GlobalChef Academy, Singapore
CIBT School of Business (AH&LA Hospitality Management Diploma), China
Woosong University, Korea
Taylor’s University College, Malaysia
Barbados Community College, Barbados
Bermuda College, Bermuda
College of the Bahamas, Bahamas
DCT, International Hotel & Business Management School, Switzerland
Seojeong College, Korea
Turks and Caicos Islands Community College (TCICC), Turks & Caicos Islands
In addition, JWU recognizes and grants transfer credit exemptions for a number of diplomas and qualifications provided by accredited colleges, universities and educational organizations throughout the world. Some of these include:

- Educational Institute of the American Hotel & Lodging Association (E.I. of AH&LA)
- Caribbean Examinations Council — Advanced Proficiency (CAPE) Examinations
- ACT Education Solutions Ltd. — Global Assessment Certificate (GAC)
- EDXCEL International, Higher National Diplomas (HND)
- Industrie — und Handleskammer (IHK), Germany — Professional Diplomas in Culinary Arts, Hotel Management, Restaurant Management
- National Council for Hotel Management and Catering Technology (IHMCTAN), India — Hotel Management Diploma
- Failte Ireland, National Tourism Development Authority, Ireland — Certificate in Professional Cookery

STANDARDIZED TESTING AFTER ADMISSION

PLACEMENT TESTS (NON-CREDIT, NO FEES): These tests are administered for placement purposes only to all new students, including transfer students, upon entrance. In situations where two or more levels of a subject are required for graduation, the student’s academic career in this subject begins at the level determined by the placement test. This is particularly true when a student has previous academic experience in a subject. Placement tests are currently administered by the Center for Academic Support to determine math and English placement. Contact the Center for Academic Support at 305-892-7026 for more information.

PRIOR LEARNING ASSESSMENT

PORTFOLIO ASSESSMENT: Students may earn credits for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel programs, organizations or other comparable sources.

To apply for a Portfolio Assessment, students must meet the university’s residency requirements and complete the Portfolio Development non-credit seminar. This seminar is scheduled at the request of the student and will meet for three two-hour sessions. Students must discuss this option with the director of the Center for Academic Support before they are eligible to enroll.

The seminar assists students with the development of a portfolio that describes and documents how the learning took place. The completed portfolio is submitted to the appropriate department designee for review. The assessor will review the portfolio and either validate the student’s learning by awarding college credits, request additional information, or deny the request for credits. Portfolios will not be returned to the students; they become the property of the university.

Once the seminar is completed, eligible students, in consultation with the director of the Center for Academic Support, may submit additional portfolios. Refer to the Standardized Testing and Prior Learning Assessment Brochure, available at Student Academic & Financial Services, for more information on required fees.

CLEP EXAMINATION (FOR-CREDIT, WITH FEES): The College-Level Examination Program of the College Board tests are widely accepted national examinations in various subjects. The American Council on Education’s recommended score is required to earn credit. JWU subject equivalencies are determined by each department for each exam. These exams are treated as transfer credit for entering freshmen and juniors transferring to JWU, or from one JWU college or school to another. Florida International University and Miami Dade College are the CLEP examination sites in Miami. Consult the CLEP application for required fees.

DEPARTMENTAL CHALLENGE EXAMINATIONS (CREDIT BY EXAMINATION: FOR-CREDIT, WITH FEES): Departmental exams may be taken for specifically designated courses within a department. Because of previous academic and/or work experience, all matriculating students may request such an exam when they feel they have completed the requirements of a specific JWU course. Some testing options require...
specific criteria in order to take tests. Refer to the Standardized Testing and Prior Learning Assessment Brochure, available at Student Academic & Financial Services, for criteria and fees, or contact the testing office.

For annual examination schedules with examination dates and application deadlines, refer to the university’s Standardized Testing and Prior Learning Assessment Brochure. This brochure may be obtained from Student Academic & Financial Services and from the Center for Academic Support.

In all cases, the academic department determines policy as it relates to the testing options for each course in the department. Several options may be available to students, and it is recommended that students seek the advice of a counselor.

Policies for Portfolio Assessment, Challenge and CLEP Examinations:

1. Portfolio Assessment and Challenge Examinations cannot be repeated if failed.
2. CLEP Exams, if failed, can be repeated in six months.
3. Portfolio Assessment, CLEP Exams and Challenge Exams may not be substituted for a class previously failed or one where a withdrawal (W) or a withdrawal/fail (WF) grade has been issued. They may not be substituted for a class previously taken or a class in which the student is presently scheduled.
4. The standardized examinations or portfolios mentioned above must fall within the residency requirement for each degree.
5. Seminar, application and processing fees are nonrefundable.
6. The university recognizes up to a maximum of 45 quarter credits earned through Prior Learning Assessment.
7. Students must present a valid picture ID when testing.

After being determined eligible to test or enroll in a seminar, students will be notified by e-mail of the time and location of their test or seminar. The Standardized Testing and Prior Learning Assessment Brochure listing course options may be obtained from Student Academic & Financial Services. For additional policies/information for Portfolio, Challenge and CLEP options, refer to the brochure.

Culinary Arts Advanced Standing
Prospective students who possess advanced knowledge and skills in food-related areas may apply for the Culinary Arts Advanced Standing examination. The results of the examination are considered in addition to academic records and a letter of recommendation from a food-related employer and/or teacher.

It is generally recommended that applicants have completed advanced food service curriculum or have a minimum of two to five years of extensive food service work experience.

Students must be accepted for admission to Johnson & Wales University prior to applying for Advanced Standing. The Advanced Standing program begins in September. Contact Admissions for further information.

FAST and Credit for College Programs
Johnson & Wales offers students an opportunity to earn credits toward a JWU degree while they are still in high school through approved articulation agreements between Johnson & Wales University and the student’s high school. Culinary Arts students enrolled in an approved tech-prep program who meet academic requirements may be eligible to earn up to nine quarter credits toward their Culinary Arts associate degree through our Freshman Advanced Study Track (FAST). Students enrolled in approved hospitality and business programs who meet the academic requirements may also be eligible to earn transfer credits through our Credit for College Program.

For more information about the Freshman Advanced Studies Track, articulation agreements or Credit for College programs, contact Admissions.

International Baccalaureate
Johnson & Wales University recognizes the International Baccalaureate Diploma and Certificate Examination. JWU will award 4.5–9.0 quarter credits for standard and
Students must submit an official I.B.O. examination transcript from the International Baccalaureate Organization.

GENERAL CERTIFICATE OF EDUCATION ADVANCED LEVEL (A-LEVEL)
Johnson & Wales University will award up to 12 quarter credits per subject for GCE Advanced Level Examinations (excluding General Paper) passed with grade equivalents of C or better. Up to 6 quarter credits may be awarded for GCE A.S. (Advanced Subsidiary) examinations. Students must submit an official or verified certificate or statement of results issued by the U.K. examinations board.

CARIBBEAN ADVANCED PROFICIENCY EXAMINATIONS (CAPE)
Johnson & Wales University will award up to 13.5 quarter credits per subject for two-year CAPE examinations passed with a grade of IV or better. Up to 4.5 quarter credits may be awarded for single unit CAPE examinations. Students must submit an official or verified statement of results issued by the Caribbean Examinations Council (CXC).

REGIONAL ADMISSIONS REPRESENTATIVES
The admissions staff of the university includes regional admissions representatives who visit high schools and personally assist students from their areas.

The admissions representative from your area will be happy to meet with you and answer any questions you may have about the university, application procedures and financial aid programs. A full listing of the regional admissions representatives and their phone numbers can be found at www.jwu.edu. Click on Admissions & Aid > Your Admissions Rep.

QUESTIONS & ANSWERS
When students come to Johnson & Wales for an admissions interview, they ask a variety of questions about the university. Here are some of the most commonly asked questions.

HOW WILL CLASSES BE SELECTED MY FIRST YEAR?
All freshmen are registered for courses first term by Student Academic Services. Students register for courses online via jwuLink, the university's Web services site, in their second term and throughout their JWU academic career.

CAN I REQUEST A PARTICULAR ROOMMATE?
Yes, you may request with whom you would like to live. You and your preferred roommate must have paid the university reservation fee and have completed the online housing application. Your preferred roommate must also accept your request in order for you be placed into the same room. The university does not accept or place co-ed room requests. Roommate requests are not guaranteed.

HOW DOES THE UNIVERSITY MATCH ROOMMATES?
When you complete the Residential Life Housing Contract, you will be asked to fill out a survey with questions concerning your study habits, the hours you keep, whether you smoke cigarettes, etc. The information you provide will be used to match you with a compatible roommate.

CAN I REQUEST A SPECIFIC RESIDENCE HALL?
The online housing system allows you filter for the hall of your choice, provided it is available at the time you select a room and it is a hall in which you are eligible to live. Please note that space on campus fills up quickly, so the sooner you log on to select, the better your chances of securing your preferred hall.

CAN I LIVE OFF CAMPUS?
Generally, you may live off campus as a freshman if you meet at least one of the following criteria: you are married or have a same sex domestic partner relationship that meets certain eligibility requirements; are a parent; are at least 21 years of age; are living
at home with a relative, parent, or guardian and commuting within a 50-mile radius of campus; are a transfer student; are not a U.S. citizen, a permanent resident, or an eligible non-citizen able to receive federal financial aid; or are not eligible to live on campus.

WHERE DO I WASH MY CLOTHES?
Card-operated laundry facilities are located in each residence hall.

DO I BRING MY OWN BED LINEN AND TOWELS?
Yes. The beds are extra-long twin-size. You should also bring a pillow, desk lamp, wastebasket and coat hangers. Limit what you bring until you see the size of your room and what your roommates bring.

WHAT KIND OF CLOTHES SHOULD I BRING?
Closet and drawer space are limited, so you should bring clothes for a mild to warm climate. You’ll find that outside of class you will wear mostly casual clothing.

WHAT HALLS ARE AVAILABLE TO ME?
New students reside in Tropical Pointe or Flamingo Hall. Lakeside Towers, Palm Gardens and Emerald Lake Hall are reserved for upperclass and transfer students with Arch Creek Place being designated as Greek Housing.

WHAT KIND OF SECURITY IS PROVIDED ON CAMPUS?
The traditional residence halls — Flamingo Hall, Lakeside Towers and Tropical Pointe — have 24-hour supervision and no one is allowed to enter unless he or she has a student ID or is accompanied by a student living in the building. Emerald Lake Hall and Arch Creek Place, adjacent to the university, have 24-hour security patrol.

CAN I HAVE OVERNIGHT GUESTS?
A student may sponsor a visitor to the residential facilities provided the student advises the visitor of university rules and the visitor agrees to follow those rules.

Both the visitor and his or her sponsoring resident must leave a picture ID card with the attendant at the front desk while the visitor is in the hall. Overnight visitors are not permitted in the residence halls during school nights (i.e., nights when university classes will be held the next day). Non-JWU-student visitors may generally stay as a visitor for only two consecutive nights. The residential life professional staff may make exceptions to this limitation based on extraordinary circumstances in specific cases. Johnson & Wales University reserves the right to deny and/or limit this visitation privilege.

CAN I HAVE A REFRIGERATOR?
You may bring your own refrigerator to Flamingo Hall and Tropical Pointe. The size may not exceed 4.4 cubic feet. Full kitchens are available at Emerald Lake Hall, Arch Creek Place, Lakeside Towers and Palm Gardens.

WHAT IS THE UNIVERSITY’S POLICY REGARDING ALCOHOL AND DRUGS ON CAMPUS?
In accordance with Federal Drug-Free Workplace Act and Drug-Free Schools and Communities Act, Johnson & Wales University prohibits the unlawful manufacture, distribution, dispensation, possession or use of narcotics, drugs, other controlled substances or alcohol at the workplace and in the educational setting. Possession or use of alcoholic beverages anywhere on university premises is prohibited except for lawful use at events, operations or programs sanctioned by university officials. Unlawful for these purposes means in violation of federal, state or local statutes, regulations or ordinances. Workplace is defined as either university premises or any place where university business is conducted away from university premises. Educational setting includes both university premises and approved educational sites off campus. Possession or use of illegal drugs, narcotics or drug paraphernalia is absolutely forbidden. Johnson & Wales is not, and cannot be considered, a protector or sanctuary from the existing laws of the city, state and federal governments. To review the university’s Drug and Alcohol Policy, please see the Student Handbook available at www.jwu.edu.
IS THERE A CURFEW?
There is no curfew, but students must respect “quiet hours,” which are from 10 p.m. to 8 a.m.

WHAT’S THE FOOD LIKE?
The dining center is managed by Chartwells, a division of the Compass Group specializing in college and university food service. The majority of the food preparation is handled by culinary arts majors as part of their experiential education, and supervision is provided by both Chartwells professional staff and Johnson & Wales teaching assistants and fellows. This partnership allows the university to provide outstanding quality of food and service, coupled with an exciting educational environment. Wide varieties of dining options, from full meals to sandwiches, coffee, snacks or a “grab-and-go” dinner are available to students through the dining center.

Though it is difficult to provide special menus for religious, health or personal reasons, the staff of the dining center makes every effort to accommodate students in need of such diets. Please make your interests and menu requests known to any member of the management team and they will be happy to discuss them with you.

305-891-5508

Students can also visit www.WorshipQuest.org to find a local place of worship. The site lists places of worship from many religious denominations.
WILL I BE PENALIZED FOR MISSING CLASS BECAUSE OF A RELIGIOUS OBSERVANCE?
As with all academic matters including attendance, extenuating circumstances are handled on an individual basis. The intent of the attendance policy is not to penalize students but to help them develop a businesslike attitude toward their studies. The university believes that such an attendance policy serves the student population’s best interest. With appropriate planning, students should be able to observe religious holidays within the absence policy. Excessive absences may result in reduction of grades in accordance with stated faculty policy given at the beginning of each course and may also result in a punitive withdrawal or withdrawal/pass from the course. Attendance policies for experiential education assignments and laboratories are more rigid and will be fully explained during orientations.

WHAT KIND OF PUBLIC TRANSPORTATION IS AVAILABLE IN NORTH MIAMI?
Miami-Dade County provides an extensive network of bus and rail service. Johnson & Wales is conveniently served by a number of public bus routes. For more information, call Metrobus at 305-638-6700. Students may purchase discounted bus passes at the campus bookstore.

WHERE ARE THE AIRPORT, BUS AND TRAIN STATIONS?
The Hollywood-Ft. Lauderdale Airport is located approximately 25 minutes north of the campus. Most major airlines fly in and out of Hollywood-Ft. Lauderdale. To make travel arrangements, contact your local travel agent or the airline of your choice.

The Greyhound Bus Lines terminal is located at 1707 Tyler Street in Hollywood, a short Metrobus ride from our campus. For schedule information, call 305-922-8228.

Amtrak Rail Passenger Service is available to Hollywood, Florida. For general information and reservations, call 800-872-7245.

CAN I HAVE A CAR ON CAMPUS?
Yes, you may bring a car to school, but keep in mind that available parking is limited.

Students, both resident and commuter, who plan to bring a vehicle on university property must register this vehicle with Campus Safety & Security upon arrival.

To receive a parking permit, you must report to Student Life and present the following:

• Current university ID
• Valid driver’s license
• Valid automobile registration

The university is not responsible for any vehicle or its contents while it is parked on university property.
Financing Your Education

TUITION AND FEES

The following tuition and fees schedule is effective for the 2011–2012 academic year. Tuition and fees are subject to change annually.

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Annual Tuition</td>
<td>$23,955</td>
</tr>
<tr>
<td>General Fee</td>
<td>$1,152</td>
</tr>
<tr>
<td>Room and Board*</td>
<td>$9,261</td>
</tr>
</tbody>
</table>

* The fee for certain residence halls may include board. For more information contact Residential Life at 305-892-7055.

Tuition is applicable to all students, including those on approved off-campus programs, including study abroad and internships. Students enrolled in courses in excess of a normal full-time schedule will be assessed an additional tuition charge. For purposes of tuition billing and financial aid eligibility, full-time status is determined on a term basis and consists of 12 to 21 quarter credit hours per term. Students carrying more than 21 quarter credit hours will be charged for each quarter credit over 21. When repeating courses already attempted, students may be assessed a fee for those courses. Students are fee assessed tuition upon course registration each term. Summer is considered a separate term.

The General Fee, which is nonrefundable, includes social and athletic activities, student health and accident insurance, student publications and graduation.

Room and Board is for the academic year and selected rooms have access to 15 meals per week. This applies to all resident students. For more information contact Residential Life at 305-892-7055.

RESERVATION FEE AND OTHER FEES

Reservation Fee $300

The $300 reservation fee is payable upon acceptance to the university. The university observes the May 1 reservation fee/deposit deadline and encourages students to research all schools before placing a reservation fee. Reservation fees received after May 1, 2011 will be accepted on a space available basis. Reservation fees received prior to May 1, 2011 are refundable. Students must also have an approved payment plan with Student Academic & Financial Services by July 8, 2011 in order to guarantee a room assignment. Students who establish an approved payment plan after July 8, 2011 could be placed in a temporary assignment regardless of fee payment date, although Residential Life will make every effort to assign students to permanent room assignments.

Requests for refunds of the reservation fee will be granted upon written request to the university prior to May 1, 2011. After May 1, 2011 the reservation fee of $300 (or $150 of such fee in the case of applicants to the North Miami Campus) is nonrefundable.

Orientation Fee $300

This nonrefundable fee, which is uniformly charged, is required of all first-time students for orientation and term start activities. It is charged to students who start during the fall, winter or spring term.

Extension Students

Tuition rates for extension students are billed based on the number of quarter credit hours scheduled.

Early Enrollment Program Tuition

Early Enrollment Program tuition is 50 percent of the 2011–2012 tuition charge. Refer to Page 21 for a description of the Early Enrollment Program. Early Enrollment Program students are also subject to appropriate university fees, including full general fees and full room and board charges. Early Enrollment Program students are not eligible
for any federal financial aid or institutional need-based aid while enrolled in the program. Early Enrollment Program students should contact Student Academic & Financial Services for information on alternative funding and to determine how eligible scholarships will be affected while in the Early Enrollment Program.

English as a Second Language (ESL) Students
Students who are studying in the English as a Second Language (ESL) program will be charged $5,300 tuition per term. This program charge will be applied for each term the student remains in the ESL program. ESL students are not eligible for Johnson & Wales University scholarships or grants.

Student Health and Accident Insurance
All registered day program and graduate students taking credit hours are covered by a health and accident insurance plan for the terms enrolled during the academic year. This does not include the summer term. Insurance brochures are available at several locations throughout the university. Refer to the insurance brochure for a definition of the effective date of coverage, policy limits, policy termination and the opportunity to continue coverage over the summer. Online courses do not fulfill this requirement. Students that are not eligible for the university Student Health and Accident program can apply for short term medical insurance through the Gallagher Koster website: www.gallagherekoster.com.

Books and Supplies
The cost of books and supplies is approximately $1,800 per academic year. These costs are not applied to the student’s invoice. Books and supplies must be paid for at the university’s bookstores at the time of purchase. The bookstores operate a textbook sales/buy-back program to help students minimize these costs.

General Transportation Expenses
The cost of attendance includes a reasonable transportation allowance. These costs are determined annually by the university and are not applied to the student’s invoice.

PAYMENT OPTIONS

I. Annual Payments
The student may make one payment in full for the entire academic year. Students are responsible for paying all charges in full or making appropriate arrangements by the published due date of July 8, 2011.

II. Term Payments
Students may choose to make three payments a year, which are payable by the publicized due dates established prior to each term. The published due date for September 2011 is July 8, 2011.

III. Monthly Payments
Students may choose to pay the annual amount due in convenient monthly payments. This option is available through Tuition Management Systems (TMS) at www.afford.com. There is an enrollment fee to participate. Many such plans are essentially interest free, but some accounts may incur late fees, reinstatement fees or other fees. Students interested in this option must contract with TMS and pay the first payment, in addition to the enrollment fee, by the published due date of July 8, 2011.

All Johnson & Wales University students must fulfill their financial obligations to the university by the published due date of July 8, 2011. (All off-term entrants must meet the financial obligation by the published date for that term.)

To meet your financial obligation you must do one of the following by the published due date:

- Make a full term payment
- Contract with TMS and pay the first monthly payment, as well as the enrollment fee
- Have an approved loan which covers the annual balance
- Have an approved payment plan with Student Academic & Financial Services using a combination of the above options

If you do not fulfill your financial obligation by the published due date, your housing assignment will be removed. In addition, your acceptance to enroll for the 2011–2012 academic year may also be revoked.
REFUND POLICIES

General Policy: To the extent that any charges due to the university remain unpaid, no refund check will be issued. No tuition or fees (other than the reservation fee) will be assessed for terms that the student does not begin. Students who withdraw from the university prior to the end of the academic year will have their financial aid adjusted.* Institutional grants and scholarships will be reduced in proportion to any tuition credit received as defined in the university’s Withdrawal Credit Policy. Full-term eligibility for institutional loans will be credited to the student’s account to the extent that any charges are due the university. The distribution formula for the institutional refund to the Federal Student Financial Aid program shall be calculated according to federal regulations. The university’s Withdrawal Credit Policy applies to all withdrawals from the university, voluntary or involuntary.

Term charges, institutional merit scholarships and institutional aid are subject to the university’s Withdrawal Credit Policy upon withdrawal from the university. Term charges are defined as tuition, and if applicable, room and board, the general fee and orientation fee. Tuition is applicable to all students, including those on approved off-campus programs including study abroad and internships. Merit scholarships and institutional aid are defined as any source of funding from Johnson & Wales University. The General Fee is non-refundable. The official notice of withdrawal from the university may be done in person or by written notification through Student Academic & Financial Services. Refunds are calculated by the date of termination which is based on the date Student Academic & Financial Services receives notification of withdrawal from the student or faculty member. Any refund due will be issued within 45 days after the date that the university was first notified of the withdrawal, or such shorter period as necessary to comply with applicable law.

University enrollment disputes must be submitted online within 30 days after the end of the term during which the student was enrolled. To submit a dispute, students must complete the appropriate form online. No adjustments to tuition and fees or financial aid will be made until the dispute is researched and either approved or denied. No disputes will be considered after 30 days from the end of the term in which the student was enrolled. Decisions will be made within 10 business days and students will receive notification via the e-mail address provided on the dispute form.

Refund Policy for Georgia Residents
The following refund policy is applicable to prospective students and students attending Johnson & Wales University who are legal residents of the state of Georgia.

1. An accepted applicant will receive a refund of any amount paid to the university with respect to a term if, prior to the commencement of classes for that term, he or she makes a request for a refund to Student Academic & Financial Services within three business days after making the payment.

2. A student who provides official notice of withdrawal following the commencement of the academic term will receive a pro rata refund of tuition and fees (other than the orientation fee which is used for the purposes of orientation) as follows:

<table>
<thead>
<tr>
<th>Percent of total class days in the academic term elapsed prior to date of official notice of withdrawal</th>
<th>Refund of tuition and fees</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 day – 5%</td>
<td>95%</td>
</tr>
<tr>
<td>6% – 10%</td>
<td>90%</td>
</tr>
<tr>
<td>11% – 25%</td>
<td>75%</td>
</tr>
<tr>
<td>26% – 50%</td>
<td>50%</td>
</tr>
<tr>
<td>More than 50%</td>
<td>No refund</td>
</tr>
</tbody>
</table>

In the event that a refund is made under this policy, all institutional aid/scholarships for that term will be adjusted on a pro rata basis based upon the applicable refund.

* Any student enrolled solely in culinary lab courses, who fails to attempt any of the scheduled courses, will be considered to have withdrawn from the university.
Official notice of withdrawal must be made by a student under this policy in person or by written notification to Student Academic & Financial Services. The date of an official notice of withdrawal is the date that it is received by Student Academic & Financial Services.

Refunds are paid to students within 30 days of the official notice of withdrawal.

3. In the event that the University Withdrawal Credit Policy is more favorable than this Refund Policy for Georgia Residents, the university will refund to the student the greater amount in accordance with the university Withdrawal Credit Policy.

Notice Regarding Georgia Nonpublic Postsecondary Education Commission (NPEC) Student Complaint Process

Any person/student claiming damage or loss against Johnson & Wales University may file a verified complaint with the executive director of NPEC after going through the university Complaints and Grievances process. The complaint must contain a detailed description of the claim, including dates, times, and full names of all involved. Verification means that the complaint must be signed by the student/person filing the complaint and notarized, and state that the matters set forth in the complaint are true and correct. The complaint shall be investigated by the appropriate Standards Administrator (SA) of NPEC. The SA shall attempt to resolve the complaint between the university and the student. If the complaint cannot be resolved, the SA will issue a decision and inform each party that either has a right to request a hearing in writing before the executive director of NPEC within 10 days of receipt of the SA's decision. The executive director may set a date and time for a hearing which shall be delivered to both parties by certified mail.

University Withdrawal Credit Policy

If a student terminates during:

- the first or second week of the term, the university will credit 90 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 10 percent.
- the third or fourth week of the term, the university will credit 50 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 50 percent.
- the fifth or sixth week of the term, the university will credit 25 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 75 percent.

After the sixth week of the term, students will be responsible for 100 percent of the term charges and will receive 100 percent of that term’s eligible institutional aid/scholarships.

Examples of university refund policies are available upon request in Student Academic & Financial Services. Refer to Page 38 for the Federal Withdrawal Policy.

FINANCIAL OBLIGATIONS

Continued enrollment as a student in good standing and certain other student benefits (diploma, transcript, etc.) are conditioned upon being current in all financial obligations to the university, including loans in which the university appears as a holder or guarantor.

STUDENT FINANCIAL SERVICES (SFS)

FINANCIAL PLANNING

The university understands that financing an education can be a very complex process for many students. To assist students and their families in these matters, Johnson & Wales has established Student Academic & Financial Services at its North Miami Campus. Representatives are available to work with students and their families on an individual basis to help them best utilize their own funds and other available resources to meet educational expenses. For more information and assistance call 1-866-JWU-FLORIDA (598-3567) toll free or 305-892-7006.
FINANCIAL AID

To assist students in meeting their educational expenses, Johnson & Wales University offers several types of financial assistance — scholarships and grants, low-interest loans and employment opportunities. In many cases, qualified students receive a financial aid package which includes all three types of financial aid. Financial aid is awarded on an annual basis and is disbursed in three equal installments (fall/winter/spring).

Descriptions of Johnson & Wales financial assistance scholarship and work programs are included in this catalog.

Students participating in Study Abroad programs may be eligible for financial aid. For more information, please contact Student Academic & Financial Services.

In an effort to reduce the loan burden during the student’s first year, Johnson & Wales University will attempt to package students with a higher percentage of grant aid.

Important Note: There is a cap on the total dollar amount of scholarships, grants, awards, prizes and other aid that the university will award to a single student during a given academic year. The maximum amount is determined prior to each year’s financial aid awarding process and includes both university funded and university administered monies. Please contact Student Academic & Financial Services for further information regarding this cap.

HOW TO APPLY

To be considered for financial assistance, complete the steps listed below and submit all required documentation as soon as possible after January 1. Students must reapply for financial aid each academic year. Financial Aid and Student Academic & Financial Services hold all information in strict confidence.

1. Personal Identification Number (PIN)

Students and their parents can apply for a PIN at www.pin.ed.gov. The PIN allows students and parents to sign the FAFSA electronically and to correct previously processed FAFSA information online. Both the student and at least one parent must apply for a PIN.

2. Free Application for Federal Student Aid (FAFSA)

The Free Application for Federal Student Aid is available online at www.fafsa.ed.gov. This form must be completed as soon as possible after January 1. The information for financial assistance is then processed by the Federal Processor and sent to Student Academic & Financial Services at the university. The FAFSA code is 003404.

3. Independent Students

To be considered independent for financial aid purposes for the 2011–2012 academic year, students must answer yes to one of the following questions:

1. Were you born before January 1, 1988?
2. As of today, are you married? (Answer yes if you are separated, but not divorced.)
3. At the beginning of the 2011–2012 school year, will you be working on a master’s or doctorate program (such as an M.A., MBA, M.D., J.D., Ph.D., Ed.D. or graduate certificate, etc.)?
4. Are you currently serving on active duty in the U.S. Armed Forces for purposes other than training?
5. Are you a veteran of the U.S. Armed Forces?
6. Do you have children who will receive more than half of their support from you between July 1, 2011 and June 30, 2012?
7. Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2012?
8. When you were age 13 or older, were both your parents deceased, were you in foster care or were you a dependent/ward of the court?
9. As of today, are you an emancipated minor as determined by a court in your state of legal residence?
10. As of today, are you in legal guardianship as determined by a court in your state of legal residence?
11. At any time on or after July 1, 2010, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless?
12. At any time on or after July 1, 2010, did the director of an emergency shelter program funded by the U.S. Department of Housing and Urban Development determine that you were an unaccompanied youth who was homeless?

13. At any time on or after July 1, 2010, did the director of a runaway or homeless youth basic center or transitional living program determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?

Students who cannot answer yes to one of the above questions are considered dependent and must complete their Free Application for Federal Student Aid as a dependent student. Please feel free to contact Student Academic & Financial Services with any questions.

4. Verification and Other Documentation
Student Academic & Financial Services may request additional documentation to verify information provided on the FAFSA (i.e. verification worksheet and untaxed income worksheet). The student and his/her parents may be required to submit signed and dated copies of their Federal Income Tax Returns (1040). The student’s financial aid package will not be complete until all requested documentation has been received and reviewed by Financial Aid. In addition, all student loan borrowers must attend an entrance and exit counseling session during which the student will be advised on his/her loan obligations.

STUDENT ELIGIBILITY REQUIREMENTS
Financial aid will be distributed to the student based upon the student’s financial need. All students seeking financial assistance must file a FAFSA with the Federal Processor. The FAFSA form is used to determine the student’s financial need.

Financial need is the difference between the cost of the student’s education (tuition and fees, room and board, books and supplies, transportation and personal expenses) and the total contribution expected from the student and his/her family. The student’s total family contribution is based on an analysis of the information which the student and/or parent supplied on the FAFSA. Some of the items considered are total family income, assets, the number of people in the household, the number of siblings in college, and the student’s own resources, such as earnings, savings, and untaxed income which the student may receive. Johnson & Wales University also considers these items when determining eligibility for university funds.

Campus-based financial aid programs, including the Federal Supplemental Educational Opportunity Grant (SEOG), Federal Perkins Loan and Federal Work-Study programs are administered by Johnson & Wales University. Students apply for these programs through the filing of the FAFSA.

Federal Pell Grant
The Federal Pell Grant is a federally funded entitlement program to assist needy undergraduate students. Eligibility for these grants is determined by the U.S. Department of Education based on the information provided on the FAFSA. Pell recipients can attend at less than half-time status and remain eligible for a portion of their Pell Grant. Students with a previous bachelor’s degree are not eligible for a Federal Pell Grant.

The maximum Pell Grant award for the 2010–11 award year (July 1, 2010 to June 30, 2011) was $5,550. The maximum Pell Grant award can change each award year and depends on program funding. Further information may be obtained by visiting the website of the U.S. Department of Education at http://studentaid.ed.gov.

Federal Supplemental Educational Opportunity Grant (SEOG)
This federally funded program provides financial assistance to students who demonstrate exceptional financial need. The amount Johnson & Wales University awards ranges from $100 up to a maximum of approximately $500 per academic year and is based on financial need and the availability of funds. Students with a previous bachelor’s degree are not eligible for a Federal Supplemental Educational Opportunity Grant.
Federal Work-Study Program
Federal Work-Study is a federally funded program that provides part-time employment to students with financial need. Positions are available throughout the university and with selected off-campus community service agencies.

Work-study gives students the opportunity to earn money to help pay educational expenses. Students are paid an hourly rate for actual hours worked. The amount earned cannot exceed the total work-study award. Work-study funds are paid biweekly directly to the student; therefore, funds will not be applied to the student’s account unless arrangements are made with Student Academic & Financial Services.

Federal Perkins Loan
This low-interest loan is funded by the federal government and administered directly by the university. Master Promissory Notes for this loan are available at www.jwu.edu > Admissions & Aid > Forms & Applications. Students may borrow up to $4,000 for each year of undergraduate study (the total a student can borrow as an undergraduate is $20,000). However, the amount a student may borrow may be less than the maximum available. The university is authorized to award a certain amount of Perkins funds each year from the U.S. Department of Education. When all available funds for that award year have been distributed, no additional award funds can be made for that year. The amount a student will receive depends on financial need and the availability of funds.

Students must begin to repay this loan nine months after they leave the university or drop below half-time status. The repayment of principal and interest may be extended over a 10-year period. The amount of each payment depends upon the amount of the student’s debt and the length of the student’s repayment period.

William D. Ford Federal Direct Subsidized Stafford Loan
This loan program provides low-interest loans to students who demonstrate financial need. A Master Promissory Note for these loans is available on line at www.studentloans.gov. First-time borrowers are required to complete an entrance interview at www.studentloans.gov. Students may borrow up to a maximum of $3,500 per academic year for the first year of undergraduate study, $4,500 for the second year and $5,500 per year for the third and fourth years. The student must begin repayment six months after he/she leaves the university or drops below half-time status. The amount of the student’s monthly payment will be determined based upon the amount of student debt and the length of the repayment period. Please contact Direct Lending at 1-800-557-7394 for more information on repayment options.

William D. Ford Federal Direct Unsubsidized Stafford Loan
Like the Direct Subsidized Stafford Loan program, this Direct Unsubsidized Stafford Loan program also offers low-interest loans to students. While most of the loan terms are the same as the Subsidized Loan program, there are several major differences: (1) students do not have to demonstrate financial need to receive a Direct Unsubsidized Stafford Loan, and (2) the federal government does not pay interest on the borrower’s behalf while the borrower is enrolled in school. During that time, the student borrower can choose between making quarterly interest payments or “capitalizing” interest. “Capitalizing” interest means that the lender will add interest accrued to the principal balance. This will eliminate the need for interest payments while in school, but will result in a larger principal amount owed upon repayment.

William D. Ford Federal Direct Parent Loan Program for Undergraduate Students (PLUS)
The Direct PLUS Program provides loans to parents of dependent students to attend college. PLUS borrowers do not have to demonstrate need, but are subject to a credit analysis by the Department of Education. The parent applying for the loan must fill out a Direct PLUS Master Promissory Note (MPN); an MPN can be completed online at www.studentloans.gov. In addition the parent must indicate how much they want to borrow. Repayment of this loan will begin within 30 days of the time the loan is fully disbursed annually, or the borrower can contact the Department of Education to request a deferment. The borrowing limit is the total cost of attendance, minus any financial aid being received.
Increased Unsubsidized Stafford Limits for Independent Students and Dependent Students Whose Parents Don’t Qualify for a PLUS

There are higher additional unsubsidized annual loan limits for independent undergraduate students. These higher additional unsubsidized loan limits also apply to dependent undergraduate students whose parents are unable to borrow PLUS loans due to adverse credit or other documented exceptional circumstances.

- $3,500 combined subsidized and/or unsubsidized plus $6,000 additional unsubsidized for independent first-year undergraduates;
- $4,500 combined subsidized and/or unsubsidized plus $6,000 additional unsubsidized for independent second-year undergraduates; and
- $5,500 combined subsidized and/or unsubsidized plus $7,000 additional unsubsidized for independent third-, fourth- or fifth-year undergraduates.

Subsidized Total (Subsidized and Unsubsidized)

DEPENDENT UNDERGRADUATES (excluding dependent students whose parents don’t qualify for a PLUS)

First Year: $3,500–$5,500
Second Year: $4,500–$6,500
Third Year and Beyond: $5,500–$7,500

INDEPENDENT UNDERGRADUATES AND DEPENDENT STUDENTS WHOSE PARENTS DON’T QUALIFY FOR A PLUS

First Year: $3,500–$9,500
Second Year: $4,500–$10,500
Third Year and Beyond: $5,500–$12,500

NOTE: All undergraduate annual loan amounts are subject to proration.

Please note that a student/borrower remains responsible for the repayment of educational loans that he/she borrows even if the student is not successful in completing the educational program and/or obtaining employment.

No student is required to apply for, or accept, any particular type of financial aid.

Johnson & Wales University participates in the William D. Ford Federal Direct Loan Program. All Direct Stafford Loans and parent PLUS loans will be borrowed from the U.S. Department of Education.

Please note that the loan information described in this catalog is based upon the available information as of the date of the production of this catalog. Updated information regarding federal grants and loans may be obtained by visiting the U.S. Department of Education website at http://studentaid.ed.gov.

Applications for these loans are available in Student Academic & Financial Services or on the Direct Lending website at www.studentloans.gov.

Aid from these programs is awarded on the basis of financial need. In order to receive maximum consideration for financial assistance, students should apply as soon as possible after January 1. The award process for first-year students begins in March of each academic year. Renewal of financial aid is not automatic. Recipients are required to reapply each year by the announced deadline.

To be eligible for these programs, the student must meet the following criteria:

1. demonstrate financial need;
2. maintain satisfactory academic progress (financial aid will be suspended until satisfactory academic progress is again achieved);
3. be enrolled in an eligible degree or certificate program;
4. be enrolled on at least a half-time (at least 6.0 quarter credit hours) basis (students enrolled on a less-than-full-time basis may have their financial aid reduced; some students enrolled on a less-than-half-time basis may qualify for a Federal Pell Grant);
5. be a U.S. citizen, permanent resident, or eligible non-citizen;
6. not owe a refund on a Federal Pell Grant or be in default on a Federal Perkins Loan, Federal Subsidized Stafford Loan, Federal Unsubsidized Stafford Loan, Parent Loan for Undergraduate Students (PLUS) or Supplemental Loan for Students (SLS); and
If a student receives excess funds that must be returned, Johnson & Wales University must return a portion of the excess equal to the lesser of:

- the student’s institutional charges multiplied by the unearned percentage of the student’s funds
- the entire amount of the excess funds.

If the university is not required to return all excess funds, the student must return the remaining amount. Any loan funds that the student must return, must be repaid by the student (or his or her parents for a PLUS Loan) in accordance with the terms of the promissory note.

If a student is responsible for returning grant funds, the student does not have to return the full amount. Students are not required to return 50 percent of the grant assistance received that is the student’s responsibility to pay. Any amount not returned is a grant overpayment, and the student must make arrangements with the university or Department of Education to return the funds.

Federal regulations establish the following allocation for students who receive Title IV, HEA program funds:

A refund owed to a student who received funds under any Title IV, HEA program will be returned to the Title IV, HEA programs from which the student received aid in the following order until the amounts received by the student from these programs is eliminated: the Perkins Loan, the Unsubsidized/Subsidized Stafford Loan, the Parent PLUS Loan, the Pell Grant, the FSEOG program, all other sources of aid, and the student.

FINANCIAL AID PROGRAMS
The following programs are the major financial aid resources available to students. Students may receive assistance from any one of these, or from a combination of all of these programs, in what is called a financial aid package. Student eligibility for these programs is based on completion and submission of the form(s) described in the How to Apply section. Since awards are not automatically renewable, students must
reapply each year. All financial aid awards are determined based on an academic year (fall/winter/spring terms). Financial aid awards are disbursed based on this term system, which equates to three disbursements. All annual awards are posted in three equal amounts.

Federal loan programs are usually applied to the student’s account with the university in equal disbursements per term based on the loan period and the student’s entrance date.

**Johnson & Wales University Grant**
This grant is awarded to students based on the annual financial aid awarding process and the student’s financial need.

**FINANCIAL ASSISTANCE, SCHOLARSHIPS AND WORK PROGRAMS**
Last year, Johnson & Wales University awarded more than $120 million in institutional aid to students. Awards range from $500 to full tuition. Scholarships, grants, loans and work programs awarded depend on the university budget, and are dependent on students meeting program eligibility requirements. These programs are only available to full-time, undergraduate, day school students during the academic year and are not available during the summer term. **Note:** Scholarship funds are applied to the student’s account with the university in three equal disbursements by term (e.g., a $3,000 Presidential Academic Scholarship recipient would receive $1,000 per term).

Most scholarships are renewable for up to four consecutive years of enrollment. For many of the programs listed below, a minimum grade point average is required for continued eligibility. Scholarships and grants are not awarded based on athletic ability or participation.

**Important Note:** There is a cap on the total dollar amount of scholarships, grants, awards, prizes and other aid that the university will award to a single student during a given academic year. The maximum amount is determined prior to each year’s financial aid awarding process and includes both university funded and university administered monies. Please contact Student Academic & Financial Services for further information regarding this cap.

**Alpha Beta Gamma (International Honor Society) Scholarship:** A scholarship worth up to $5,000 is awarded to outstanding transfer students who are members of Alpha Beta Gamma. The application for this scholarship is the application for admission to the university.

**Business Professionals of America Scholarship (BPA):** The university offers a number of BPA scholarships ranging from $1,000 up to full tuition. Awards are based on BPA activities and academic record, and are renewable based on continued involvement in and support of BPA. Apply for admission online at www.jwu.edu/apply and indicate membership. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

**Careers through Culinary Arts Program (C-CAP) Scholarship:** The university awards scholarships of up to full tuition to incoming students who participate in C-CAP’s competition events. Applications are available through C-CAP. All documentation must be submitted to C-CAP and all finalists are selected by C-CAP.

**The Circle of Academic Excellence Awards** include the Pioneer’s Award, the Founder’s Award and the President’s Award. The University Awards Committee, working with Student Financial Services, selects students for these awards, which are given to enrolled upperclass students who are excelling academically and who meet certain minimum academic criteria. These renewable scholarships are up to $5,000 per academic year. For more information on the Circle of Academic Excellence Awards, please see Page 52.

**Culinary Essentials Scholarship:** The university awards a number of $1,000 renewable scholarships to students who have participated in the Culinary Essentials program. Apply for admission online at www.jwu.edu/apply and indicate your participation. **Amount of scholarships awarded for participation in specific high school curricula is limited to one per student.**
DECA Scholarship: The university awards a number of DECA scholarships ranging from $1,000 up to full tuition. Awards are based on DECA activities and academic record, and are renewable based on continued involvement in and support of DECA. Technology Student Association (TSA) Scholarship: The university awards a number of TSA scholarships ranging from $1,000 up to full tuition. Awards are based on TSA activities and academic record, and are renewable based on continued involvement in and support of TSA. Apply for admission online at www.jwu.edu/apply and indicate membership. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Transfer Scholarship: An unlimited number of transfer scholarships up to $3,000 are awarded to students who plan to continue their education at Johnson & Wales in an associate or bachelor’s degree program. Students must have completed 30 semester hours at another institution and maintained a minimum 3.00 cumulative average. Students must maintain a GPA of 2.75 in order for the scholarship to be renewed. The scholarship application is the application for admission to the university.

Tuition Exchange Scholarship: Johnson & Wales University extends to children of eligible employees at participating Tuition Exchange (TE) institutions the opportunity to apply for a TE scholarship. TE is a reciprocal scholarship program for qualified children of faculty and staff employed at more than 600 participating colleges and universities. A student accepted as a Tuition Exchange scholarship recipient may be awarded up to full tuition at JWU. Applications are available at the participating institution. A complete list of colleges and universities that are part of the program is available at http://tuitionexchange.org.

FUNDED/DONATED SCHOLARSHIPS
Johnson & Wales University administers donated scholarships which are funded by businesses, individuals and professional organizations. In many cases, students must have completed at least one term of enrollment at Johnson & Wales to be considered. These funds are awarded to eligible candidates based on established criteria.
OUTSIDE SCHOLARSHIPS

There are many other potential scholarship sources that students should consider to help finance their education. Students should contact the Higher Education Assistance Agency in their home states for information about the possibility of state grants or scholarships. It is recommended that students apply for outside scholarships as soon as possible because most organizations have an application deadline as early as March 10.

Scholarship aid is often available from high school and community organizations with which students or their parent(s) may be affiliated. Local libraries are an excellent resource for finding information on scholarships from organizations throughout the United States. There are also a number of websites available to assist students in the scholarship search. To view a guide to free scholarship searches online, please visit the JWU website at www.jwu.edu.

Many companies provide scholarship aid for children of their employees, while others provide aid directly to students who work for them part-time while in school.

Access to Better Learning and Education Grant: The Florida Department of Education provides JWU grant resources to distribute to Florida residents. Eligible students may receive up to $945 annually (approximately $315 per term, not available for the summer term). Students must be enrolled in a four-year bachelor’s degree program. Eligible students are required to file a Free Application for Federal Student Aid (FAFSA). Funding is limited and not every student that meets the requirements will receive a grant. Priority is given based upon FAFSA filing date, so it is strongly recommended that students apply as soon as possible. Students must maintain satisfactory academic progress according to JWU guidelines. Students with a previous bachelor’s degree or seeking a second associate degree are not eligible for this grant. To renew the grant, students must continue to meet the above criteria, earn an average of at least 12 credits for each term they are enrolled and maintain a 2.0 grade point average (GPA).

Florida Student Assistance Grant: The Florida Department of Education provides JWU grant resources to distribute to Florida residents. Eligible students may receive up to $1,000 annually (approximately $333 per term, not available for the summer term). Eligible students are required to file a Free Application for Federal Student Aid (FAFSA). Funding is limited and not every student that meets the requirements will receive a grant. Priority is given based upon FAFSA filing date, so it is strongly recommended that students apply as soon as possible. Students must maintain satisfactory academic progress according to JWU guidelines. Students with a previous bachelor’s degree or seeking a second associate degree are not eligible for this grant. To renew the grant, students must continue to meet the above criteria, earn an average of at least 12 credits for each term they are enrolled and maintain a 2.0 grade point average (GPA).

Other State Grants/Scholarships: In addition, students from the following states may be eligible for state grant money:
- Delaware
- Maryland
- Maine
- Pennsylvania
- Rhode Island
- Vermont

Contact the higher education authority in your home state for more information.

The American Hotel Foundation: Scholarship aid is allocated each year by the foundation to The Hospitality College. Awards are made on the basis of student intent to work in the hotel industry, cumulative average and need. Sophomores who are continuing their education should contact their hospitality advisor for further information.

Broward County B.R.A.C.E. Scholarship: These scholarships are available to students who will (or did) graduate from a Broward County public high school. The individual must attend Johnson & Wales University’s North Miami Campus and meet the eligibility requirements as determined by B.R.A.C.E. The university matches up to 50 percent of the B.R.A.C.E. award, not to exceed the recipient’s unmet need.
College Assistance Program (CAP) of Dade County: These grants are available to students who will (or did) graduate from a Dade County public high school. The individual must attend Johnson & Wales University’s North Miami Campus, and meet the eligibility requirements as determined by the College Assistance Program.

Johnson & Wales will also grant students who are eligible to receive CAP grants an additional award of up to half the amount granted by CAP. However, the university grant will not exceed the recipient’s unmet need.

Applications are available in April from the CAP Office at 1500 Biscayne Blvd., Room 341, Miami, FL 33132; high school guidance counselors’ offices; or Johnson & Wales Admissions. All applications must be returned to the CAP Office and must be postmarked no later than June 28.

Dollars for Scholars: Johnson & Wales University will match scholarship awards made to entering students by affiliated Dollars for Scholars chapters of Scholarship America.

The Educational Foundation of the National Restaurant Association: The Educational Foundation administers approximately 150 scholarships, ranging from $750 to $2,000, with one $10,000 tuition-only award. These scholarships are awarded to qualified undergraduate students of food service/hospitality management. Eligibility requirements include full-time status for each term in a degree-granting program starting with the fall term, attendance at one college or university for a full academic year starting with the fall term, and interest in food service as demonstrated through industry work experience. A completed application package must be received by March 1. For more information, please contact the Educational Foundation at 175 West Jackson Blvd., Suite 1500, Chicago, IL 60604-1010; 312-715-1010.

Florida Bright Futures Scholarship Program/Florida Merit Scholars Award/Florida Vocational Gold Seal Endorsement Scholarship: These merit-based, renewable scholarship programs are administered cooperatively by OSFA (Office of Student Financial Aid), a branch of the Florida Department of Education, and Johnson & Wales University. Students should contact their high school guidance office or OSFA for eligibility requirements and applications. Applications must be submitted to OSFA by April 10 of the student’s senior year of high school. The scholarship amount varies depending on the Department of Education’s allocation of funds for that year.

International Association of Culinary Professionals Foundation Scholarship (IACP): The IACP Foundation awards one $2,500 scholarship per campus, which is matched by Johnson & Wales. All criteria are determined by IACP. Applications are available through IACP, with an application deadline of December 1.

International Food Service Executives Association (IFSEA): Scholarship aid is available to students enrolled full time in food service and hospitality programs. For more information, contact the International Food Service Executives Association, 1100 South State Road, #7, Suite 103, Margate, FL 33065, or call 305-977-0767; fax 305-977-0884.

WORK PROGRAMS

Resident Assistant Program: Students are selected for this program based on strong academic performance and residence hall experience. Applications are available at Residential Life. Awards range from $8,200 to $9,500 and are renewable based on annual employee performance.

Note: There are many complex IRS regulations regarding the taxability of scholarships and grants. The university is not in a position to determine the tax consequences of such awards in the case of any particular student. It is recommended that all students consult IRS publication 970 entitled “Tax Benefits for Education” and their tax advisor to determine how these rules apply to them. Non-resident alien students with an F-1, J-1 or Q-1 visa will be subject to U.S. income tax withholding on any grant received for room and board.
**Student Assistant Employment Program:** Scholarships are awarded to all students selected for this program. No application is necessary, but a résumé is requested by the hiring department for consideration. Selection is based on strong academic performance and the possession of necessary skills. Awards for 2011–2012 are up to $3,000 and are renewable based on annual employee performance and 2.50 GPA maintenance.

**Teaching Assistant Program:** Selection for this program is based on strong academic performance and successful completion of the internship. Applications are available at Culinary Events. Awards for 2011–2012 are up to $7,500 and are renewable based on annual employee performance and 2.75 GPA maintenance.

**Important notice for international students:** Please be aware that some of the above programs offer a room and board grant for eligible summer participants. Non-resident alien students with an F-1, J-1 or Q-1 visa will be subject to U.S. income tax withholding on any grant received for room and board.

**Satisfactory Academic Progress**

At the time of printing, the Satisfactory Academic Progress policy had not been finalized due to new federal regulations. The finalized policy will be available in the 2011–2012 North Miami Campus Student Handbook and on the Johnson & Wales University website, www.jwu.edu. If you would like a written copy of the policy, please contact Student Academic & Financial Services.
**CLASS SCHEDULES**

Undergraduate classes for students are generally scheduled two-to-four days per week, Monday through Thursday. The typical schedule for all business and hospitality students, and culinary students not taking labs, is three or four courses per term. Students who are eligible to Web register are advised to maintain full-time status (12 quarter credits) to be eligible for financial aid.

Occasionally, make-up classes are scheduled, due to holidays or other missed days, to meet minimum classroom hour requirements. The dates of these rescheduled classes are available in jwuLink. It is possible that at times a course may not be rescheduled and the student will be responsible for all work as outlined in the syllabus.

**SUMMER SESSIONS**

Optional summer session courses are offered by the university. Individual courses may not be offered in the summer if student interest or enrollment is not sufficient; as a result, summer degree completion cannot be guaranteed.

Students matriculating at Johnson & Wales are not granted credit for summer session courses taken at other institutions unless prior permission has been granted by Student Academic & Financial Services.

**COURSES TAKEN AT OTHER INSTITUTIONS**

Undergraduate students requesting to take courses at another institution must submit their requests in writing to obtain prior written approval from the Director of Academic Services. The following guidelines must be met:

- The student may not have taken the course(s) previously at the university and received a grade of “F,” “W,” “WF,” “I” or “GP.”
- Grades of “C” or better (2.0 or equivalent) from an accredited institution may be accepted for transfer.
- The courses must be taken within one year of permission being granted.
- Courses cannot be taken locally unless JWU does not expect to offer the class before the student’s anticipated graduation date.
- A student will not be granted credit (transfer credit or otherwise) for any academic work done during the period of a disciplinary suspension.

Students must submit a request to take classes elsewhere form (which may be sent by fax or e-mail) which includes their ID number, descriptions of the courses they desire to take at another institution, the name of the institution, and any other pertinent details of their situation.

Students, as always, are responsible for meeting the requirements of satisfactory academic progress.

**ATTENDANCE AND TARDINESS**

All students are expected to attend each meeting of every class in which they are enrolled on time. The maximum number of absences for valid reasons is based on the quarter credit hours for the course, with the exception of internships and laboratories, which have their own specific attendance criteria. Absences beyond the stated maximum for each course may jeopardize academic standing.

The Center for Academic Support should be notified immediately of any necessary prolonged absences. The North Miami Campus Student Handbook contains rules and regulations for frequent or prolonged absences from class.
Students are expected to familiarize themselves with attendance requirements outlined in the North Miami Campus Student Handbook, which can be found online at www.jwu.edu. Select the North Miami Campus, then click on Student Life.

Grade reports are viewable in jwuLink.

**Honors Option (H)**

If a course was taken as an Honors Program requirement, the grade received will be followed by “H” (for example, AH, B+H).

**Failure (F)**

Issued if a student fails to achieve adequate scholastic progress. The grade is recorded permanently on the student’s academic record. Upon successful completion of the course at a later date, the cumulative average is adjusted to reflect only the passing grade. However, both grades will appear on the academic transcript. This system allows students to recover academically from poor terms and graduate within a reasonable amount of time.

**Withdrawal (W), Withdrawal/Pass (WP), Withdrawal/Fail (WF)**

In order to record attempted credits (including for purposes of determining satisfactory academic progress), a grade of W, WP or WF is recorded when a student withdraws, or is withdrawn due to excessive absences, from a registered course after its add/drop period has ended. Students withdrawing from graduate and postgraduate level courses are eligible for a W grade only. A W is a punitive and failing grade issued at the instructor’s discretion, and is entered permanently into the term and cumulative grade point averages. In order to qualify for a WP, the student must have an estimated grade of 60 or higher at the time of withdrawal. This grade is not entered into the term and cumulative grade point averages. If the estimated grade is below 60, the student will be issued a WF, which is entered into the term and cumulative grade point averages as a failing grade until successful completion of the course at a later date.

**Incomplete (I)**

Issued to students if they are unable to complete course requirements (because of authorized absences due to service commitment or illness). Outstanding work must be completed within two weeks of the final exam class day or the grade will automatically become an “F” and the grade will be included in the grade point average. For classes graded “S/U” (Satisfactory/Unsatisfactory), an Incomplete (“I”) will change to a “U.”

**No Credit (NC)**

A non-punitive designation issued to a student who has been authorized to withdraw from class, or the university, due to extenuating circumstances.

**Grade Pending (GP)**

A temporary mark given when the completion of course requirements is still underway. A grade pending is not calculated into the cumulative average and is generally used under extreme, extenuating circumstances. If a grade is not submitted to replace the “GP” within one year, it will automatically become an “F.”
Audit (AU)
An audit occurs when no academic credit is granted. This grade is not calculated into the cumulative average.

Proficiency (P)
Granted for achievement of multiple levels of skills in progression where the self-paced approach is in effect. This grade is not calculated into the cumulative average.

Prior Learning (PL)
Students may earn credits for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel, professional training and seminars or other comparable sources.

Satisfactory/Unsatisfactory (S/U)
Used for designated courses throughout the university.

Challenge Exam (CX)
Granted for specifically designated courses upon successful completion of department challenge exams.

No Grade (NG)
“No Grade” is issued temporarily when there is no grade provided by the faculty member. This grade is not factored into the student’s GPA. Once a grade is submitted, the cumulative average and transcript will reflect only the new grade. If a grade is not submitted to replace the “NG” within one year, it will automatically become an “F” and the grade will be included in the grade point average.

ACADEMIC AND PERFORMANCE TRANSCRIPTS

A transcript is a representation of a student’s entire academic record while at Johnson & Wales. The university employs two types of transcripts: academic and performance. An academic transcript reflects a student’s unabridged academic history at the institution, including all letter grades. A performance transcript identifies the practical skills, including writing, associated with a student’s academic coursework. Skills are graded as “developing,” “validated,” “mastered” or “not tested.” The purpose of a performance transcript is to better represent the practical skills obtained by the student.

Official transcripts are printed on official paper and then placed in sealed envelopes issued directly to the student or authorized designee. Official transcripts may be released only upon written request of the student; this is done in accordance with the Family Educational Rights and Privacy Act (FERPA). The university does not charge a fee for transcripts. Students are only allowed 20 transcripts per year. Official transcripts will not be released if a student is not current in all financial obligations to the university. Transcripts are not official if faxed. Allow three business days for processing. Students intending to pick up transcripts in person must make the request in person at Student Academic & Financial Services or complete a transcript request form.

Unofficial transcripts may be obtained in jwuLink.

ACADEMIC STANDARDS

The university expects all students, part time or full time, to meet minimum standards of academic achievement. Students are in good academic standing if they maintain a cumulative GPA of 2.0 or better, which is a graduation requirement. All freshman students begin in good academic standing.

ACADEMIC PROBATION

The student will be placed on academic probation if his or her cumulative GPA is less than 2.0, but higher than suspension standards. All students placed on probation will be counseled by their academic counselor and will be offered appropriate resources. While on probation, a student may matriculate at the university and is eligible for financial aid. Students may matriculate on probationary status for no more than three consecutive terms.

During the time of academic probation, the student’s progress is monitored by the Committee on Academic Standing. This committee determines whether to impose
academic suspension or permanent academic dismissal if academic achievement standards are not met.

Students on probation who achieve a cumulative GPA of 2.0 or better will return to good academic standing. Students on academic probation must meet with their academic counselor in order to register for courses. Web registration is not available to students on academic probation until they meet with an academic counselor.

NOTE: At the time of printing, the Academic Achievement Standards had not been finalized due to new federal regulations. The finalized policy will be available in the 2011–2012 North Miami Campus Student Handbook and on the Johnson & Wales University website, www.jwu.edu. If you would like a written copy of the policy please contact Student Academic & Financial Services.

REPEAT OF COURSES

Undergraduate students will be allowed no more than three (3) attempts to successfully complete each course. Students who passed the course but wish to improve their grade may repeat the course if it is available. The highest grade earned will be calculated into the grade point average. When a student has repeated a course previously applied to an awarded degree, both grades will be included in the grade point average.

REQUIRED COURSES

Students who fail a course after a second attempt will be assigned an academic standing hold and will be placed on academic probation. Students who fail the same course after a third attempt may be academically dismissed.

Students who attempt the same course three times and earn a combination of “W”, “WF” and “F” grades will be assigned an academic standing hold; these students may be subject to academic suspension if the course is not successfully completed during the next course offering.

APPEALS

Appeals regarding academic suspension or dismissal can be made to the Academic Appeals Committee after one term of nonmatriculation if extenuating circumstances exist. A student may appeal only once, and the decision of the committee is final.

CONCENTRATIONS

In programs of study that require a concentration, students will be given the following options in the event that they cannot successfully complete a concentration course requirement at the third attempt:
1. Make an alternate concentration course selection (if available) or
2. Select a new concentration to meet degree requirements.

COURSES NOT REQUIRED

If the attempted course is not a specific degree requirement, the student will be unable to attempt the course again. The student must then select an alternate course to meet degree requirements.

GRADUATION REQUIREMENTS

If the attempted course is a mandated graduation requirement such as career management course sequences or Sanitation Certification, the student has nine (9) terms to complete the course.

ACADEMIC COUNSELING

Academic counselors are available in Student Academic & Financial Services to assist students with preparation for graduation. Their goal is to assist students in evaluating, developing and maximizing their potential by providing guidance and support.

All students are encouraged to meet with an academic counselor. Such a meeting is required for students experiencing academic difficulty. Appointments are recommended.
UNIT OF CREDIT

The university measures academic progress using the quarter credit hour system. Courses are offered in three formats and may combine two or more of those formats, which are: lecture, laboratory and experiential.

Generally, one quarter credit represents 10 hours of instruction, which includes class lecture and additional activities; one quarter credit hour equals two laboratory hours or three experiential hours. Furthermore, all courses require additional hours of study and preparation outside of the classroom or learning environment.

RESIDENCY REQUIREMENT

The undergraduate residency requirement refers to the number of courses and credits students must take at JWU, whether they are transfer students or JWU students acquiring an additional degree. The residency requirement for all students at Johnson & Wales University pursuing an associate degree is a minimum of 31.5 quarter credit hours, half of which must be within the major field. For students pursuing a bachelor’s degree, the minimum is 45 quarter credit hours, half of which must be within the major field. Upon review, certain related professional studies courses and program electives may be considered when determining residency. Standardized testing credits are not considered when determining residency requirements.

Diploma/certificate candidates will be allowed to transfer a maximum of 9.0 quarter credits (including JWU courses) towards diploma/certificate program requirements.

GRADUATION REQUIREMENTS

Each student is required to submit an online diploma application at least two to three terms prior to program completion. Students must file one application for each expected degree (i.e. associate, bachelor’s, master’s). The application ensures that the student’s name is printed correctly on the diploma, the diploma is sent to the correct address and the information is reviewed at the end of the correct term.

Graduation requires successful completion of a prescribed sequence of study and a minimum 2.00 grade point average. Students with a cumulative GPA below 2.00 will be in noncompliance with the criteria for good academic standing and may be subject to academic dismissal. Furthermore, as required by your program, all students must successfully complete CAR0010 Career Capstone and any and all requirements as indicated in the catalog (for example, culinary/pastry/hospitality students are required to take FSM1065 Food Safety & Sanitation Management, and must pass a national certification exam recognized by the Conference for Food Protection to fulfill graduation requirements).

All associate-level degrees require the completion of a minimum of 90 quarter credits. All bachelor’s-level degrees require a minimum of an additional ninety (90) quarter credits, for a total of 180 quarter credits. While most major programs have variations that require slightly more quarter credits for completion, no program requires fewer than the 90/180 quarter credit minimum.

All students must be current in all financial obligations to the university, including tuition, fees and other expenses, before a diploma will be issued.

Permission to participate in commencement exercises does not imply that graduation requirements have been met.

WRITING REQUIREMENT

Students who graduate with a bachelor of science degree must leave Johnson & Wales with effective writing skills. Thus the university has a graduation writing requirement for all students graduating with a bachelor’s degree. During placement testing, students are evaluated and may be placed into ENG0001, an English review course designed to prepare students for college-level writing.

To further assist students to meet the graduation writing requirement, all students entering or transferring to the university are required to achieve a minimum score of “validated” in a performance transcript
assessment prior to graduating with a bachelor of science degree. These writing skills will be assessed in ENG1021 Advanced Composition and Communication. Students who do not achieve a score of “validated” must enroll in ENG0001 Writing Workshop until a “validated” score is achieved on the performance transcript assessment.

HONORS

Eligible degree candidates receive cum laude, magna cum laude and summa cum laude recognition according to their academic average. Students with the designated graduating GPA receive honors as follows: cum laude, 3.40–3.60; magna cum laude, 3.61–3.80; and summa cum laude, 3.81–4.00.

TRANSFER AND CAREER PREREQUISITES

Students who intend to transfer to other colleges or enroll in graduate school must determine the requirements of those institutions and plan their programs of study accordingly. Johnson & Wales makes no claims or guarantee for transfer credit to other academic institutions. Similarly, students who intend to take state business or foreign business, trade or professional licensing examinations should determine the prerequisites of those jurisdictions prior to selecting programs of study.

Students who are interested in transferring to Johnson & Wales should see Page 20 for information on transfer admissions.

DEAN’S LIST

In recognition of scholastic achievement, full-time students (carrying a minimum of 12 quarter credit hours) at Johnson & Wales University who have achieved a term GPA of 3.40 or above receive dean’s list commendation.

HONORS PROGRAM

This program offers academically talented students the opportunity to explore challenging and stimulating courses. Eligible applicants must have taken two college prep mathematics courses and one college prep English course, maintained an average of B+ or better, placed in the top 25 percent of their high school graduating class, submitted SAT or ACT scores above the national average, and entered JWU in the fall of their freshman year.

Honors students enroll in honors sections of some general studies courses and may choose the honors option (H-option) in other courses. Early graduation is possible through accelerated course work in the SHARP program.

Students enrolled in the Honors Program often receive preference for on-campus interviews, tutorial positions and resident assistant positions.

Two honors designations are available upon graduation. To receive the “Honors Scholar” designation, graduating seniors must successfully complete a number of general studies honors courses in addition to some H-option courses. To receive the “University Honors Scholar” designation, graduating seniors must also submit an accepted Honors Thesis and successfully complete RSCH3001.

In addition, students who have met the requirements of the Honors Program will have a designation on their transcript and diploma, and will be awarded honors regalia to wear at the commencement exercises.

Business/Hospitality

At the bachelor’s level, students must complete a total of 12 honors/H-option courses for a designation as an “Honors Scholar.” Honors students who also submit an accepted scholarly paper and successfully complete RSCH3001 Honors Advisory Seminar receive the “University Honors Scholar” designation.

Culinary Arts/Baking & Pastry Arts

At the associate level, students must complete a total of nine honors/H-option courses to receive the Honors Scholar designation.
At the bachelor’s level, students must complete a total of 16 honors/H-option courses/labs to receive the Honors Scholar designation. Honors students who also submit an accepted scholarly paper and successfully complete RSCH3001 Honors Advisory Seminar receive the “University Honors Scholar” designation.

**MINORS**

The School of Arts & Sciences offers 22.5 quarter credit hour minors in Environmental Sustainability and Technical Communications.

**CONCENTRATIONS**

The College of Culinary Arts offers 15.0 quarter credit hour concentrations in Baking & Pastry Arts, Beverage Service Management, Contemporary Pastry Arts, Culinary Capstone Labs, and Wellness & Sustainability.

The Hospitality College offers 13.5 quarter credit hour concentrations in Adventure, Sport and Nature-based Tourism; Beverage Service Management; Cruise Line Management; Entertainment Management; Food and Beverage Management; Golf Course Operations, Golf Management; International Hospitality Operations Management; Resort Management; Sales, Meeting & Event Management; and Sports and Entertainment Marketing.

The School of Arts & Sciences offers concentrations in Environmental Science, Global Perspectives, History, Leadership Studies, Political Science, Psychology and Sociology. These concentrations allow students to pursue in depth areas of general studies in which they have special interest or aptitude.

Successful completion of a concentration is recorded on the student’s transcript upon graduation.

**ACADEMIC HONOR SOCIETIES**

**Alpha Beta Kappa** is a national honor society which recognizes superior student academic achievement, character and leadership. The society may also elect a limited number of faculty, staff and alumni as honorary members.

**Special Honors And Rewards Program (SHARP)**

SHARP is an honors program designed for qualified full-time undergraduate students in a day program who wish to accelerate their program to complete degree requirements in less than the normally required time. This is accomplished by increasing the student’s course load each term as scheduling permits. SHARP results in savings of time and expenses for eligible students. Day program students accepted into SHARP may register for up to 25.0 quarter credits each term with no additional fees. Interested students must complete a SHARP application, returning the completed form to Student Academic & Financial Services. The following students are eligible for SHARP:

1. Incoming freshmen who are honors graduates of approved secondary schools, have been elected to their state or national honor society, or have maintained a minimum GPA of 3.00
2. New transfer students who maintained full-time enrollment at a previous institution and each term earned a cumulative GPA equivalent to dean’s list status for that institution
3. Students at Johnson & Wales who have maintained full-time enrollment and a 3.40 cumulative GPA at the end of each term

**Note:** The only exception to this policy is the first term of enrollment, during which the cumulative GPA may be less than 3.40.

If a student does not exercise this option, SHARP eligibility may continue provided that the student maintains continuous full-time matriculation while maintaining a cumulative 3.40 GPA after all terms. The benefits provided by SHARP are not applicable during the summer sessions, during full-time internship
Pioneer’s Award
Established to honor Audrey Gaebe, this award is presented to rising junior or senior students enrolled in a concentration in the School of Arts & Sciences who have displayed outstanding academic achievement and actively participate in the JWU community. Students must have a minimum 3.4 cumulative GPA to be considered for this award.

President’s Award
This award is given to rising juniors in business, hospitality, culinary arts and technology who have displayed outstanding academic achievement, extracurricular leadership and purposefulness, cooperation, and strong college spirit. Students must have a minimum 3.4 cumulative GPA to be considered for this award.

The Trustees’ Awards, in memory of the faithful service to the university of trustees Gov. Christopher Del Sesto and Dr. Anthony Kemalian, are given to the students who have made the greatest contributions in service to the university.

The Apprenti Cuisinier Awards are given to second-year culinary arts students in recognition of achievement in a particular area of cooking. One award is made in each of the following categories: Classical Cookery, International Cookery, Garde Manger, and Classical Pastry.

Outstanding Johnson & Wales University students are nominated to the national publications of Who’s Who Among Students in American Universities and Colleges on the basis of academic achievement and leadership in extracurricular university and community activities.

The Judith “Hootie” Solt Community Service Award is presented to a student in memory of the outstanding community service exemplified by North Miami Campus student Hootie Solt. The award is presented to the student who best demonstrates a commitment to volunteerism and community service during his or her enrollment.
NOTICE OF NONDISCRIMINATION

Johnson & Wales University does not discriminate unlawfully on the basis of race, religion, color, national origin, age, sex, sexual orientation, gender identity or expression, genetic information, or disability, in admission to, access to, treatment of, or employment in its programs and activities.

(The term “sexual orientation” shall mean and be limited to having an orientation for or being identified as having an orientation for heterosexuality, bisexuality or homosexuality. This Nondiscrimination Policy shall not be interpreted to prohibit Johnson & Wales University from maintaining separate facilities, sports teams, housing, university-based social fraternities and sororities, and other programs and facilities, for males and females, in accordance with the provisions of Section 16-38-1.1 of the General Laws of Rhode Island, as the same may be amended from time to time, or similar laws applicable in other states where the university conducts its operations.)

CAMPUS SAFETY & SECURITY

Campus Safety & Security is responsible for the enforcement of school policies, security on campus, and providing service for the university’s students, faculty and staff. Some of the services provided by Campus Safety & Security include Operation ID, engraving, and safety and security presentations. Students are encouraged to take advantage of the services and programs offered by Campus Safety & Security, which is open 24 hours a day, 365 days a year. Students who need help or have questions should call ext. 7011 from a university phone or 305-892-7011 from a non-university phone.

Campus Safety & Security officers patrol the campus at all times and utilize an integrated electronic access control and digital camera system. Emergency blue-light telephones are strategically located on campus and directly connect callers to the Campus Safety & Security dispatcher on duty. Campus Safety & Security also has the ability to issue timely alerts to the campus community if necessary via an emergency notification mass-messaging system.

In compliance with the Higher Education Act, Johnson & Wales University publishes an Annual Security Report and an Annual Fire Safety Report. The Annual Security Report discloses information about campus security and statistics concerning reported crimes that occurred on campus, on university-controlled property, and on public property immediately adjacent to campus. The Annual Fire Safety Report discloses information about the campus fire safety policies and procedures and fire statistics for each residence hall. A copy of the reports may be obtained from Campus Safety & Security. You may also visit www.jwu.edu/northmiami/safety to view a copy of the most recent reports.

The university maintains a log of all fires that occur in on-campus housing.

THE CENTER FOR ACADEMIC SUPPORT

The Center for Academic Support team offers a variety of services to assist each student in preparation for graduation. This team’s goal is to support students in their efforts to develop and maximize their talents, empower them to direct their own learning and lead them to pathways of success. With emphasis on success, graduates acquire lifelong behaviors and attitudes which are valued by employers.

SERVICES OFFERED:
- Personal Advising
- Individual Peer and Professional Tutoring
- Accommodations for students with disabilities with appropriate documentation as described below.

The Center for Academic Support complements students’ technical training by sharpening their ability to position themselves in today’s competitive marketplace.

This is accomplished with programs centered around personal and career success. Individual and personal advising is available through the Center for Academic Support. The Center for Academic Support is a vehicle to assist students to succeed while at Johnson & Wales.

THE CENTER FOR ACADEMIC SUPPORT — TUTORIAL ASSISTANCE

The university provides tutorial assistance through the Center for Academic Support. While every effort is made to identify students in need of assistance, students are urged to take the initiative to seek help either with their faculty or through the Center for Academic Support. Professional tutoring in writing and peer tutoring in all subjects are available on a drop-in basis and are free.

STUDENTS WITH DISABILITIES

JWU is dedicated to providing reasonable accommodations to allow students with learning, physical or other disabilities to succeed in their academic pursuits. While maintaining the highest academic integrity, the university
strives to balance scholarship with support services that will assist students with disabilities in functioning in the university’s academic environment.

Because some programs of study at the university have technical standards and requirements, applicants and students with disabilities should contact the Center for Academic Support at 305-892-7026 to discuss the availability of reasonable accommodations or to obtain documentation guidelines, when appropriate. For more information on technical standards, see Pages 97–98.

Available reasonable accommodations for students with disabilities with appropriate documentation, include, but are not limited to: Decelerated Course Load, Preferential Scheduling, Individualized Exams, Note-taking Assistance, Tape Recorders in Class, Digital Texts, Classroom Relocation, Housing Accommodations, Medically Excused Absences, Scribes, Assistive Technology.

For further information regarding available reasonable accommodations and the accommodations procedure, please see the Academic Support section of the North Miami campus website at www.jwu.edu or call the Center for Academic Support at 305-892-7026.

COUNSELING SERVICES
Center for Academic Support advisors at Johnson & Wales provide referrals for personal counseling services as well as group counseling. Students having difficulty with any aspect of college life are encouraged to make an appointment.
EXPERIENTIAL EDUCATION & CAREER SERVICES

Experiential Education & Career Services offers a variety of internship programs and career services to assist students in building and utilizing career skills to obtain employment and independently navigate their careers.

Experiential Education & Career Services components include

- internship opportunities available in the College of Business, The Hospitality College and the College of Culinary Arts. Internship is designed to provide eligible students with practical work experience in their chosen field of study while they earn academic credit for the experience.
- a career capstone course for juniors and seniors that prepares them to navigate the job search process.
- career workshops that allow students to select specific skill-building topics.
- networking opportunities with industry professionals through on-campus recruiting events.
- career coaching resources providing personalized advising on a variety of career-related topics.
- online job postings by employers who are looking to hire students for part-time and full-time jobs (on and off campus) as well as internships. Go to http://link.jwu.edu > Careers > Find a Job.
- hundreds of employers, representing the business, hospitality and culinary fields, that visit campus each year to participate in recruiting events and serve as guest lecturers and classroom speakers. These activities provide students with a real-world view of industry as well as opportunities to connect with industry professionals and career options.

HEALTH SERVICES

JWU maintains a Health Services office on the second floor of the Academic and Student Center where health care is provided to students.

The JWU nurse provides limited health care services, maintains student medical records, and makes provisions for students requiring special medication, etc. In addition, the nurse may refer students to an independent physician.

JWU’s health services are available to resident and commuting students.

MEDICAL RECORDS

Prior to the first term of enrollment, the university requires all new, full-time undergraduate students — residents and commuters alike — to submit proof of a complete physical exam within the past year, including documented proof of two doses of the MMR vaccine, a tetanus-diphtheria booster within the past 10 years, a negative tuberculosis test or chest X-ray within the last six months, three doses of hepatitis B vaccine, and completion of the chicken pox vaccine series or proof of physician-diagnosed disease. Pursuant to Florida law, resident students must also show proof of meningococcal meningitis immunization or a waiver may be signed in lieu of immunization. These forms may be obtained by contacting the university at 305-892-7000. A strongly recommended but not required immunization is hepatitis A.

For more information about Health Services, consult the North Miami Campus Student Handbook.
INTERNATIONAL STUDENT SERVICES

The university assists international students to adhere to USCIS regulations, maintain their student visa status and access all the benefits permitted by their student visa. In addition, information sessions on employment, tax and other immigration and orientation issues will be offered on an as-needed basis.

Study Abroad Programs

Study Abroad at the Providence Campus works with all academic colleges at every campus to offer a portfolio of study abroad programs to Johnson & Wales students at all campuses. Program information and applications are available at www.jwu.edu/studyabroad. Students attending other campuses should contact their college chair for specific program information. In addition, interested students can contact Study Abroad at 401-598-1406 for personal study abroad counseling.

ORIENTATION

Johnson & Wales University’s Orientation Program is designed to help students become acquainted with college life and to facilitate a successful freshman year experience. Students are introduced to many university administrators, faculty, staff and student leaders who provide valuable information on academic studies, student life, university policies and financial services.

RESIDENTIAL LIFE

Freshman students are primarily housed in either Tropical Pointe or Flamingo Hall. These accommodations contain the following:

TROPICAL POINTE
- 220 residents
- Reserved for freshmen
- Swipe card access
- Cable
- Private bath
- Laundry facilities and vending
- TV lounge
- Computer lab with Internet access
- Wireless Internet access in the rooms

FLAMINGO HALL
- Connected to the classrooms
- 222 residents
- Code access
- Cable
- Two TV lounges
- Showers, laundry and vending facilities on every floor
- Wireless Internet capabilities in the rooms

Freshman and upperclass students who prefer apartment living may request to live at Biscayne Commons, Emerald Lake Hall, Arch Creek Place, Lakeside Towers or Palm Gardens. These accommodations contain the following:

BISCAYNE COMMONS
- 202 residents
- Freshmen and upperclass students
- Swipe card access
- Cable
- Private bath
- Laundry facilities and vending
- TV lounge
- Wireless Internet access in the rooms

EMERALD LAKE HALL AND ARCH CREEK PLACE
- 3 students per apartment
- Easy access to the university
- Laundry facilities

- TV lounge
- Wireless Internet access in the rooms

Students may select their housing assignment online, once their reservation fee is received by the university.

Resident Assistants are assigned to the residence hall to assist with a student’s college living experience. They are upperclass students who are selected because of their ability to understand and work with fellow resident students.

Students who have been convicted of certain felonies (or have had certain felony-type charges sustained in a juvenile proceeding), such as crimes of violence, serious drug offenses and sex offenses, are not eligible to live in university housing.
Student Activities

Student Activities serves multiple functions within the Johnson & Wales community in supporting students’ needs, activities and campus programs. Student Activities provides professional support for students at Johnson & Wales in their nonacademic pursuits as well as exposure to and participation in social, cultural, educational and recreational programs.

These programs and services emanate from Student Activities:

- student clubs and organizations
- program advisement
- reservation of facilities

Student Activities maintains bulletin boards for student organizations to publicize and promote special programs. All postings are to be turned in to Student Activities where they will be stamped. Students may then post the material in designated areas.

STUDENT ORGANIZATION SPACE, WORK AREA AND OFFICE USE

Student Activities has resource areas available to all recognized student clubs or organizations. Student Activities is located in the Student Life Center.

ANTI-HAZING POLICY

Hazing or any action or situation which recklessly endangers an individual’s mental or physical health and/or involves the forced consumption of alcohol or drugs is prohibited under the university’s Student Code of Conduct. The Student Code of Conduct is outlined in the North Miami Campus Student Handbook which is distributed at new student orientation.

CLUBS AND ORGANIZATIONS

Opportunities abound for students to become involved in a club or organization that suits their interests and curiosities. Guidelines for starting a new organization are outlined in the North Miami Campus Student Handbook. The following is a partial list of the many clubs and organizations that are recognized and active at JWU.

Alpha Sigma Tau Sorority’s (AST) purpose is to promote ethical, cultural and social development among sisters. AST is a very active organization with a strong presence on campus. It is difficult to miss a tau in her emerald green & gold, working hard to contribute her share to mankind.

American Criminal Justice Association provides awareness of development in the field of criminal justice and gives students hands-on experience in the industry.

The purpose of the American Culinary Federation is to increase culinary knowledge through activities on campus. Major activities include Taste of the Nation and the ACF Southeastern Regional Conference.

Campus Activities Board (CAB) is the North Miami Campus’ chief programming board and plans most of the major events on campus, including Homecoming, Welcome Week, Family Weekend and Bash at the Beach.

Campus Crusade for Christ gives students an opportunity to increase their spiritual awareness.

Capital Punishment Dance Theater (Competitive Dance Team) provides an organization in which people can express themselves through dance performances.

Caribbean Connections exists to promote unity and equality among students of Caribbean decent. Each year the group takes part in Miami Carnival and the Florida Caribbean Student Association conferences.
Club Managers Association of America is the oldest, most respected association representing the club management profession. This organization promotes and advances friendly relations among persons connected with the management of clubs and other associations and encourages the education and advancement of its members, among other benefits.

Coexist (LGBTQ&S) allies in the campus community embraces differences in sexual orientation. The group’s objective is to build awareness, understanding and acceptance of individuals with different sexual orientation.

Collegiate Ambassador Team (CAT) is an organization that assists Admissions in meeting the needs of prospective students. The goal is to create a group of students to represent the university student body during tours, special events and recruitment efforts. Members will develop leadership skills and enhance their résumés. For further information call Admissions at 305-892-7001. Please note that CAT is a selective organization; an application process is involved and terms of service vary.

Baking & Pastry Arts

(College of Culinary Arts)

Associate in Science (A.S.) Degree

The associate degree program in Baking & Pastry Arts provides students with practical education in baking and pastry production, while developing professionalism and excellence in academic achievement. Hands-on training is paired with academic courses resulting in a curriculum that is both dynamic and directly aligned with industry needs.

First-year Baking & Pastry Arts students rotate through one term of academics which includes Food Safety and Sanitation, and two terms of hands-on laboratory classes. Emphasis is placed on skills development and techniques of combining basic ingredients to produce classic pastries, basic breads, cakes and plated desserts.

The second year emphasizes advanced techniques in classical and international preparation and production of cakes, tortes and sugar work. Academic courses include leadership studies, nutrition, communication skills, and food and beverage cost control.

Baking & Pastry Internship

During pastry internships, students participate in actual public food service operations in preparation for future careers. Possible sites include university-owned or operated practicum educational facilities, hotels, restaurants, country clubs, resorts, casinos, contract food service providers and bakeries. Eligibility requirements for certain sites include a 2.75 cumulative GPA and completion of all prerequisite course work. Additionally, select students have the opportunity to participate in international internships at host company sites throughout the world, which are chosen by the university. In addition to meeting specific college eligibility requirements, students interested in completing internship in a targeted country must maintain a 3.25 cumulative grade point average and have a minimum of one year of work experience in a full-service bakery or similar experience in a hotel, resort or restaurant.

Upon graduation from the Baking & Pastry Arts associate degree program, a variety of positions are attainable in hotels, clubs and resorts, retail bakeries, restaurants and wholesale pastry shops.

Graduates of this program are eligible, or may apply, for entrance into the following bachelor of science degree programs: Baking & Pastry Arts (Providence Campus), Baking & Pastry Arts and Food Service Management, Culinary Nutrition (Providence or Denver Campus) or Food Service Entrepreneurship (Providence Campus). Certain requirements pertain to each of these bachelor’s degree programs, which are noted in their respective program descriptions.

Teaching Assistant and Fellow Scholarship Program

Each year, administrators at the College of Culinary Arts select Teaching Assistant candidates from among the top students of the graduating class in the Culinary Arts and Baking & Pastry Arts associate degree programs. Students who are continuing their education at the university as Teaching Assistants must be enrolled in a day school program. Qualified Teaching Assistants may advance to Fellow during their senior year. These opportunities allow students to help defray the costs of advanced study while developing their supervisory/management skills.

**12-MONTH PROGRAM IN BAKING & PASTRY ARTS**

Johnson & Wales University offers a specialized, limited enrollment, baking & pastry arts program. This program leads to the associate in science degree, and is designed for students who have already been awarded a bachelor’s degree. Students will receive transfer credit for most of the general studies course work.

The Garnish Your Degree Baking & Pastry Arts degree program is designed to provide practical education in baking and pastry production, through a program of study that builds proficiency in baking and pastry production, cost control, and sanitation. Students are introduced to techniques of combining basic ingredients to produce classical pastries, basic breads, cakes and plated desserts. Included are advanced techniques in classical and international preparation and production of cakes, tortes, sugar artistry, advanced breads and plated desserts.

The program consists of four terms beginning in September. Terms I, II and III consist of laboratory and related professional studies classes. During Term IV, students will take internship. Academic areas include nutrition, food and beverage cost control and sanitation, as well as professional development, where students are introduced to a career advising system.

Students begin to use skills acquired in the first, second and third terms by participating in an internship. The internship experience at approved sites will provide practical, on-the-job training with opportunities for a variety of experience in a segment of the food industry, including hotels, resorts, spas, restaurants, country clubs, contract food service providers and casinos.

BAKING & PASTRY ARTS AND FOOD SERVICE MANAGEMENT
(College of Culinary Arts and The Hospitality College)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Baking & Pastry Arts and Food Service Management program combines the strength of baking & pastry arts and management in order to prepare students for a management career in front- or back-of-the-house. Graduates of the Baking & Pastry Arts and Food Service Management program can obtain positions in a variety of areas that include, but are not limited to, bakeshop manager, executive pastry chef and pastry chef.

The curriculum provides ample opportunity for the food service professional of tomorrow to build upon their leadership and management abilities, baking techniques, critical thinking, personal accountability and ethical behavior, problem-solving techniques, strong financial analysis skills and customer awareness. The Baking & Pastry Arts and Food Service Management degree develops a solid baking & pastry foundation and management philosophy in its graduates and prepares them for bright and rewarding careers.

As a reflection of the university's strategic plan, FOCUS 2011, which supports innovative pedagogies and technologies to enhance active learning, this program currently offers a limited number of courses online. Online courses are equivalent in content and rigor to traditional face-to-face courses. Residential day school students in the program are eligible to take online courses.

This program allows students to receive a world-class baking & pastry arts and hospitality education. Its strength is that students receive several senior-level capstone experiences in baking & pastry arts, hospitality operations and strategic management.

BUSINESS ADMINISTRATION

(College of Business)

The Business Administration one-year program prepares students for a variety of business career options. Students enrolled in the one-year program may elect to continue their education toward any College of Business bachelor of science degree. It is an ideal course of study for those students who plan to pursue a bachelor’s degree but have not yet chosen a business career specialization.

Courses in the one-year program are carefully integrated to include an overall introduction to business administration with a number of complementary areas of study.

Through the university’s advising system, experienced faculty are available to assist students in making an educated decision in the selection of their bachelor’s degree curriculum in alignment with each student’s future career goals.

Students enrolled in the program must elect to continue their education toward any College of Business bachelor of science degree during their third term of enrollment.

BUSINESS ADMINISTRATION

All students enrolled in the Business Administration program pursue the following program of study for one year (three terms). Students must declare a major no later than the third term of study.

CRIMINAL JUSTICE

(College of Business)

BACHELOR OF SCIENCE (B.S.) DEGREE

The goal of the criminal justice program is to graduate students who are prepared for meaningful careers in law enforcement, the court system or corrections. Through this course of study, students will acquire the communication, logic, critical thinking, and ethical reasoning skills essential for the understanding of criminal justice issues and for effective career performance. The program’s judicious mix of criminal justice, business, technology, and arts & sciences courses, is intended to enhance each student’s appreciation of diversity, citizenship, leadership, science and technology, and social and business culture.

In keeping with the unique curriculum and varied career opportunities available to graduates of the criminal justice program, and with the advice of the student’s faculty advisor and career coach, students are encouraged to concentrate in one or more of the programs offered by the School of Arts & Sciences and/or the College of Business. A student may also pursue a collection of criminal justice electives which target their interests and goals. Criminal justice students also have the opportunity to participate in an internship.

Selected criminal justice students may participate in an internship. Students must possess a 2.75 GPA overall and a 2.75 GPA in the Criminal Justice major to take this option.

The bachelor of science degree is beneficial when competing for a first job placement and for career advancement. Typical career tracks for graduates of the criminal justice program may include policing on the local, state or federal levels; court administration; corrections, probation or parole officers; private security and loss prevention managers; and social service providers.

CULINARY ARTS

(College of Culinary Arts)

ASSOCIATE IN SCIENCE (A.S.) DEGREE

The associate degree program in Culinary Arts provides students with practical education in food production, while developing professionalism and excellence in academic achievement. Students progress through a program of study that builds proficiency in food production and cooking, cost control, nutrition, sanitation, food safety and food marketing. Hands-on training is paired with traditional academic courses resulting in a curriculum that is both dynamic and directly aligned with industry needs.

The focus of the first-year culinary lab classes is development and practice of cooking skills, complemented by the development of baking, dining and beverage service skills, which includes national certification in alcohol intervention procedures. The academic areas include mathematics, communication skills, English composition and a national food safety certification.

Second-year laboratories include advanced techniques in classical and international cuisines, garde manger, patisserie/dessert and dining room, as well as the academic areas of leadership studies, personalized nutrition management and introduction to menu planning and cost control.

CULINARY INTERNSHIP

During the culinary internship, students participate in actual public food service operations in preparation for future careers. Possible sites include university-owned or operated practicum educational facilities, hotels, restaurants, country clubs, resorts, casinos, spas and contract food service providers. Eligibility requirements for certain sites include a 2.75 cumulative GPA and completion of all prerequisite course work. Additionally, select students have the opportunity to participate in international internships at host company sites throughout the world, which are chosen by the university. In addition to meeting specific college eligibility requirements, students interested in completing internship in a targeted country must maintain a 3.25 cumulative grade point average and have a minimum of one year of work experience in a full-service restaurant or similar experience in a hotel or resort.

Graduates of the associate degree program in Culinary Arts have the opportunity to gain immediate, successful employment in the food service industry, which would include a variety of positions in full service restaurants, hotels, clubs and resorts catering operations, quantity food production facilities, health spas and cruise lines.

Graduates of this program are eligible, or may apply, for entrance into the following bachelor of science degree programs: Baking & Pastry Arts (Providence Campus), Culinary Arts and Food Service Management, Culinary Nutrition (Providence or Denver Campus) or Food Service Entrepreneurship (Providence Campus). Certain requirements pertain to each of these bachelor degree programs, which are noted in their respective program descriptions.
**CULINARY INTERNATIONAL EXCHANGE**

Each year, a select group of second-year students is chosen to participate in a student international exchange program with culinary arts schools in Ireland or France. For one term, JWU students attend classes in either Ireland or France. In exchange, students from these schools attend culinary classes at Johnson & Wales University. Selected students receive full academic credit for the term abroad.

**TEACHING ASSISTANT AND FELLOW SCHOLARSHIP PROGRAM**

Each year, administrators at the College of Culinary Arts select Teaching Assistant candidates from among the top students of the graduating class in the Culinary Arts and Baking & Pastry Arts associate degree programs. Students who are continuing their education at the university as Teaching Assistants must be enrolled in a day school program. Qualified Teaching Assistants may advance to Fellow during their senior year. These opportunities allow students to help defray the costs of advanced study while developing their supervisory/management skills.

GARNISH YOUR DEGREE
12-MONTH PROGRAM IN CULINARY ARTS

Johnson & Wales University offers a specialized, limited enrollment, culinary arts program. This program leads to the associate in science degree, and is designed for students who have already been awarded a bachelor’s degree. Students will receive transfer credit for most of the general studies course work.

The Garnish Your Degree Culinary Arts degree program is designed to provide hospitality graduates an opportunity to expand their knowledge in the area of food service, and graduates of other disciplines an opportunity to acquire the education they need for a career change.

The program consists of four terms beginning in September. Terms I, II and III consist of laboratory and related professional studies classes. During Term IV, students will take internship. Academic areas include menu planning and cost controls, nutrition and sanitation.

Students begin to use skills acquired in the first, second and third terms by participating in an internship. The internship experience at approved sites will provide practical, on-the-job training with opportunities for a variety of experiences in both kitchen preparation areas and front-of-the-house operations.

CULINARY ARTS AND FOOD SERVICE MANAGEMENT

(College of Culinary Arts and The Hospitality College)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Culinary Arts and Food Service Management program combines the strength of culinary arts and management in order to prepare students for a management career in front- or back-of-the-house. Graduates of the Culinary Arts and Food Service Management program can obtain positions in a variety of areas that include, but are not limited to, restaurant manager, kitchen manager, executive chef, food and beverage director, catering manager, room service manager, sous chefs, beverage manager and dining room manager.

The curriculum provides ample opportunity for the food service professional of tomorrow to build upon their leadership and management abilities, cooking techniques, critical thinking, personal accountability and ethical behavior, problem-solving techniques, strong financial analysis skills and customer awareness. The Culinary Arts and Food Service Management degree develops a solid culinary foundation and management philosophy in its graduates and prepares them for bright and rewarding careers.

As a reflection of the university’s strategic plan, FOCUS 2011, which supports innovative pedagogies and technologies to enhance active learning, this program currently offers a limited number of courses online. Online courses are equivalent in content and rigor to traditional face-to-face courses. Residential day school students in the program are eligible to take online courses.

The program allows students to receive a world-class culinary arts and hospitality education. The program’s strength is that students receive several senior-level capstone experiences in culinary arts, hospitality operations and strategic management.

Students may choose to focus their studies by selecting their electives in such areas as baking & pastry arts, resort or cruise line management. The Resort Management and Beverage Service Management concentrations allow students to focus on these two rapidly growing segments of the hospitality industry. The Food and Beverage Management concentration allows students to focus on this vital area of the hospitality industry. Courses are ideal for candidates interested in working with beverages, non-commercial, chain, franchises or restaurant operations.

History One HIST-designated course

Literature ENG1001 or one LIT-designated course
An important component of the program’s educational experience is the general studies courses taught by the School of Arts & Sciences. Graduates are expected to show competencies in higher order thinking, communications, ethics, global diversity, responsible citizenship, leadership and artistic responsibility. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

**FASHION MERCHANDISING & RETAIL MARKETING**
*(College of Business)*

**BACHELOR OF SCIENCE (B.S.) DEGREE**

The Fashion Merchandising & Retail Marketing degree prepares students for middle-management or executive trainee opportunities within the retail or retail support industries.

Upon completion of the program, graduates will demonstrate

- the ability to perform the necessary procedures required for retail operations
- knowledge of global fashion markets, designer contributions to the industry and manufacturing categories of fashion goods
- knowledge of marketing principles as applied to fashion goods
- the ability to identify, analyze and forecast future retail trends

Specific skills developed include retail merchandising, management, buying, promotion, advertising and stock control. Students have the opportunity to master these skills while participating in a term-long internship, held at a wide variety of host sites. During this internship, students have the opportunity to apply their learning in multiple phases of retail store operations firsthand, such as sales, merchandise presentation, catalog operations, inventory control, receiving and marking, and buyer’s clerical duties.

Upon graduation, students may be employed by retail organizations in positions that utilize these skills. Students possess the combination of academic theory and practical experience necessary for entry-level positions in retail management, merchandise buying, visual merchandising, distribution, product development and sales.

Students should use their electives to create a meaningful, customized career concentration.

HOTEL & LODGING MANAGEMENT
(The Hospitality College)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Hotel & Lodging Management bachelor’s degree program focuses on current best practices for operational, strategic and staff management in lodging properties and companies. Lodging is defined as activities related to commercial, overnight accommodations of all types, including hotels, resorts and smaller lodging properties (e.g., boutique hotels, country inns, B&Bs, etc.).

The degree prepares graduates for employment in operational management or professional staff positions within commercial lodging companies, as well as positioning them to move up to higher-level positions such as general manager and various corporate staff positions. Possible career tracks might relate to front office management, housekeeping, food and beverage management and affiliated activities such as concierge, spa management, property sales and marketing, convention services, meeting and event planning, resort activities, revenue management, controller, development, regional management, etc.

Graduates are expected to be able to utilize their technical and management skills, as well as apply critical thinking skills, ethical standards and problem-solving techniques within a lodging organization.

CONCENTRATIONS FOR HOTEL & LODGING MANAGEMENT MAJORS

This program allows students to select concentrations or internships that can lead to career growth within lodging companies or to enhance their initial and subsequent career opportunities. Students may elect to use their hospitality and free elective credits for a second concentration, an internship or a summer abroad program.

At least one three-course Hospitality College concentration is required for graduation. While all Hospitality College concentrations are available to students in this degree (see Pages 93–94), the following concentrations are recommended: Beverage Service Management; Cruise Line Management; International Hospitality Operations Management (summer program only); Resort Management or Sales, Meeting and Event Management.

MANAGEMENT
(College of Business)

BACHELOR OF SCIENCE (B.S.) DEGREE

The goal of the four-year Management program is to prepare graduates for a career in a variety of entry-level managerial positions in a wide range of firms. Students will acquire the communication, critical thinking, and ethical reasoning skills essential for today’s managers. The content of the program and course work provide students with a broad understanding of the issues facing the business world.

An important component of the program’s educational experience is the general studies courses taught by the School of Arts & Sciences. Graduates are expected to show competencies in higher order thinking, ethics, global diversity, responsible citizenship and leadership. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

Students who maintain a grade point average of at least a 2.75 may have the opportunity to participate in an internship and gain experiential education in their area of interest. Also available is foreign travel through the study abroad program.

Regardless of what industry the student chooses to enter, an understanding of key business principles is critical to a successful career. A student may focus on studies leading to management positions in production operations, human resource, financial services and other service industries.

Students will choose one concentration from the university’s offerings. The university’s faculty advising system will facilitate these selections.

MARKETING

(College of Business)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Marketing bachelor’s degree program provides students with a broad range of knowledge and practical skills related to the fundamentals of marketing including product, pricing, promotion, distribution and customer relationship management.

Upon completion of the program, graduates should be able to demonstrate the ability to

- develop, implement, analyze, interpret, and make recommendations based on secondary and primary research data using qualitative and quantitative methods
- analyze consumer decision-making and behavior
- prepare and conduct a professional sales presentation
- develop e-commerce, international and strategic marketing plans

Specific skills developed include managing market research projects, developing Web-based marketing programs, developing and executing brand strategies, and developing and managing comprehensive marketing plans. Students have the opportunity to enhance these skills while participating in a term-long internship, held at a wide variety of host sites. This is a one-term, 4.5–13.5 credit experience with a business partner anywhere in the world. Students complete a specific business-building project, which is reviewed by the faculty advisor and the business partner.

A traditional internship experience is also offered. This is a one-term, 13.5 credit experience with a business partner anywhere in the world. Students complete a specific, business-building project, which is reviewed by the faculty advisor and the business partner.

Upon graduation, students may be employed by retail, consumer goods, industrial or advertising companies in positions that utilize these skills. Typical areas of interest include entry-level positions in sales, market research, market analysis, product development or brand management.

Students should use their career electives and free electives to create a meaningful, customized career concentration. The university’s faculty advising system will facilitate these selections.

An important component of the program’s educational experience is the general studies courses taught by the School of Arts & Sciences. Graduates can show competencies in higher order thinking, communications, ethics, global diversity, responsible citizenship, leadership and artistic responsibility. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

RESTAURANT, FOOD & BEVERAGE MANAGEMENT
(The Hospitality College)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Restaurant, Food & Beverage Management bachelor’s degree program provides a unique combination of culinary skills and hospitality management. The focus is on current restaurant and food service management industry topics. The program also develops proficiency in the area of beverage management. Other areas of study include critical thinking, financial analysis, leadership and customer awareness in order to prepare students for a management career in the food service industry. According to the National Restaurant Association, the food and beverage industry is the largest U.S. employer besides the government. This program includes a unique hands-on rotational internship experience.

Graduates are expected to be able to utilize their technical and management skills as well as apply critical thinking skills, ethical standards and problem-solving techniques within a food service operation. Graduates will also identify and communicate long-range vision and strategy for a food service company.

Value-added certifications within the degree include an industry-recognized responsible alcohol service certification, the national sanitation certification (a graduation requirement) recognized by the Conference for Food Protection, and the International School of Mixology Bartending Certificate.

Students can enhance their degree by selecting from one of The Hospitality College concentrations. These include Cruise Line Management, Entertainment Management and Resort Management.

SPORTS/ENTERTAINMENT/EVENT MANAGEMENT
(The Hospitality College)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Sports/Entertainment/Event Management bachelor’s degree program prepares students to manage many areas of major sports facilities and resorts, as well as organize national and international events like the World Cup, the Grammy Awards or the Olympics. Course work enables graduates to apply the primary tools and fundamental understanding of the basic areas of sport, entertainment or event development, planning and management.

In this four-year program the curriculum includes core courses in event management, facilities management, media relations, ancillary services management, and entertainment management.

Students tailor their degrees toward their chosen careers by complementing the core curriculum with such electives as professional sports management, sports and entertainment marketing, special event protocol, concert and event production, wedding and other ceremonies, and athletic coaching administration. This enables them to demonstrate personal discipline, professionalism, accountability, and ethical behavior in a sport, entertainment or event management environment.

Students further specialize by choosing a hospitality concentration. This experience allows them to use analytical thinking skills to create, develop, plan, manage, operate and evaluate the critical elements of a successful sport, entertainment or event organization.

The program culminates in an exciting, term-long, off-site internship under the direction of an industry professional that allows students to apply the skills they’ve learned and prepares them to launch their careers. The experience enables students to gain valuable work experience in the areas of sales/marketing, facility operations and financial management. The internship focuses on the ability to identify, document and successfully communicate personal and professional short- and long-term vision and strategies for a successful career in sport, entertainment or event management. Graduates have worked for professional sports teams, entertainment venues, resorts and conference centers.

TRAVEL-TOURISM & HOSPITALITY MANAGEMENT
(The Hospitality College)

BACHELOR OF SCIENCE (B.S.) DEGREE

The Travel-Tourism & Hospitality Management bachelor’s degree program provides a broad-based option for students incorporating the hotel, travel/tourism and food segments of the hospitality industry with special focus given to travel/tourism.

This bachelor’s degree program places an emphasis on tourism as the glue that holds the industry together — especially in course offerings and the term-long practicum experiential program. Students participate in various hospitality and tourism site rotations. The culmination of the practicum experience is a tour to a selected destination, for which students research, negotiate and develop a highly anticipated journey.

Graduates are expected to be able to utilize their technical and management skills as well as apply critical thinking skills, ethical standards and problem-solving techniques within a tourism setting. Graduates will also identify and communicate long-term vision and strategy within a tourism business environment.

Graduates of the program will be employed in all industry segments due to its more generalized curriculum, but the emphasis on travel/tourism will provide specific career options in destination marketing organizations such as CVBs and tourism offices, resorts, tour operators, travel industry suppliers such as airlines, cruise lines or ground transportation, and various international operators. Students can further customize their degree by selecting a concentration option specific to their area(s) of interest.

FREE ELECTIVE**

One course selected from 1002–4999 numbered offerings within the university (except ACCT1005, CJS1002, MGMT2001). It is important to save this elective if you plan to participate in a Hospitality study abroad program. 4.5

Total Credits 193.5

* Students must pass a national exam that is recognized by the Conference for Food Protection as a graduation requirement.

** Elective courses allow students to enhance their education by earning a second concentration or by participating in an internship or in a study abroad program. Students use two Hospitality Electives and one Free Elective towards this option.

NOTES: Students must have MATH0001 (Basic Mathematics) or equivalent placement scores to enroll in the math requirement.

Students must earn a performance transcript writing assessment of “validated” or “mastered” in order to graduate with a bachelor’s degree.

Study Abroad programs may satisfy a variety of History, Sociology, English and other elective requirements. Contact Study Abroad at 401-598-1406 or www.jwu.edu/studyabroad for details.
CONCENTRATIONS

Students may choose to focus their electives in any of the following three-course concentrations. Beyond the enrichment a concentration provides, students’ transcripts will reflect commitment to a particular area which may be impressive to prospective employers.

Declaring Your Concentration
Each student should consult with his/her faculty advisor in order to determine which concentration(s) will best further the student’s career goals. Students then need to formally declare their concentration(s) by completing a concentration form in Student Academic & Financial Services. A student may declare up to a maximum of three concentrations per degree program.

COLLEGE OF BUSINESS

Courses already required in a student’s individual program cannot be selected to fulfill a COB concentration requirement. Students are responsible for completing any prerequisites necessary for courses listed in a concentration in order to complete the concentration.

The School of Arts & Sciences offers two minors (22.5 credits) that enhance and strengthen the qualifications of graduates moving into business: Environmental Sustainability and Technical Communications.* These are intended to give students opportunities to develop expertise in an area that complements their major. Real-world applications are embedded in both minors.

ENVIRONMENTAL SUSTAINABILITY

This minor prepares students to understand the scientific, public policy and economic challenges of current environmental problems such as global climate change and renewable energy. Faced with balancing social, economic and environmental concerns, industry and community leaders are exploring sustainable business practices. Through course work and field research, students develop the knowledge and skills needed to address sustainability issues and to navigate the emerging green economy.

The internship is designed to give students the opportunity to apply their formal education to actual work situations. The student intern works under the supervision of a criminal justice professional. The student intern shall maintain a written log throughout the term of the internship.

To be eligible for this internship, students must: 1) maintain a cumulative grade point average of 2.75 during the entire pre-program application process, 2) have completed 130 hours of course work, 3) have appropriate elective or internship credit available in their degree audits, and 4) have the sponsorship of a faculty advisor. Quarter Credit Hours 4.5–13.5

FINANCE

FISV2010 FINANCE
This course is designed to cover the financial management of the business entity and the role of the financial manager in creating value. Major topics include financial statement analysis, risk and return, time value of money, capital budgeting, cost of capital, business valuation, capital structure policy and the evaluation of alternative forms of financing. This course is not available to accounting majors. Prerequisite: ACCT1002 or ACCT1012 or ACCT1022. (PT) Quarter Credit Hours 4.5

INTERNATIONAL BUSINESS

IBUS2002 INTERNATIONAL BUSINESS
This course’s goal is to provide structured approaches for analyzing the rapidly evolving field of international business. The nature of international business, the international monetary system, the foreign environment, and strategies of how management can deal with environmental forces are some of the main topics. Selected case studies should encourage students to evaluate and discuss courses of action taken by companies and industries in the global marketplace. Theoretical foundations to international business and real-world scenarios prepare students to operate more effectively in the changing global business environment. Prerequisite: MGMT1001. (PT) Quarter Credit Hours 4.5

IBUS2030 FOREIGN AREA STUDIES
This course is designed as a seminar course with topics changing from term to term, depending upon the dynamics of change in key global markets. Topic areas include China (IBUS2031), Pacific Rim (IBUS2032), Latin America (IBUS2033), Russia (IBUS2034), Eastern Europe (IBUS2035) or Africa (IBUS2036). The course is structured to focus on four primary components: business, economics, politics and culture, essentially in this priority. Prerequisite: ECON1001 or ECON1901. Quarter Credit Hours 4.5
IBUS2040 INTERNATIONAL CULTURE AND PROTOCOL
Cultural diversity is a business reality today. The ability to build bridges between people from different countries and with different ethnic backgrounds is as important as any other business function. This course focuses on cultural diversity and provides students with knowledge of international cultures and protocol, the building blocks of success in doing business internationally.
Prerequisite: ECON1001 or ECON1901. (PT) (WI)
Quarter Credit Hours 4.5

IBUS3050 EXPORT PROCEDURES AND PRACTICES
This course provides students with the basic body of knowledge and mechanics that are needed to successfully undertake and explore every avenue of exporting. A description of the essentials as well as the parameters of exporting are given. The course applies to an entrepreneurial export situation, to businesses expanding through foreign sales, and to companies simply trying to improve the operations of an existing export department. The emphasis on finance stems from the experience that frequently, a successful export effort is unnecessarily blocked or frustrated by finance problems. Such problems can arise from accumulating foreign receivables or the additional working capital required to handle the extra large sales that exporting often generates. Prerequisite: ACCT1002 or ACCT1012 or ACCT1022. (PT)
Quarter Credit Hours 4.5

IBUS4090 INTERNATIONAL BUSINESS EXPERIENCE
This course refers to a series of options available that total 13.5 credits:

1) Students choose from a range of study abroad options including short-term 3 1/2 to four-week summer programs, spring term three-month programs, or four-to-five month independent exchanges. Each program has its own academic focus and prerequisites. Students apply for their program of choice through Study Abroad. After selection into a program, students engage in orientation and academic pre-departure work before embarking on their immersion into foreign cultural and business settings. In some cases, JWU faculty lead the program and travel with the students. In other cases local hosts lead the program, but in all programs students participate in a rigorous study and travel experience. The purpose of these study abroad experiences is to increase students’ global awareness as they explore their program’s specific academic focus. Course delivery consists of lecture, industry visits and cultural excursions. Eligible students are guided by Study Abroad to register for the appropriate course(s) specific to their program.
2) Eligible students may opt to take IBUS4020 Summer Work Abroad International Seminar and a specific course from the IBUS4080 Series of Summer Work Abroad Programs: IBUS4082 or IBUS4086.
3) Students not eligible to take the international business programs, internship programs or SWAP programs take three additional career electives from the College of Business or School of Technology. Students should consult with their faculty advisor to make their selection.

PHIL3020 CRISIS AND CONTROVERSY: A CRITICAL THINKING APPROACH
This course encourages students to use critical thinking skills in order to make decisions, solve problems, develop new ideas, evaluate arguments and tolerate ambiguity while exploring complex social questions. Emphasis is placed on understanding the elements of reasoning, imposing criteria and intellectual standards upon reasoning, and assessing individual thinking processes. Students hone critical thinking skills by actively engaging the study of social conflicts and controversies that operate at individual, communal and global levels. Prerequisite: ENG1020 or ENG1920. (HO) (SL) (OL)
Quarter Credit Hours 4.5

PHIL3040 ETHICS OF BUSINESS LEADERSHIP
This course examines the basic principles of ethics and their philosophical foundations, particularly as they apply to institutions, environments, leadership and other activities and pursuits of business. It examines those aspects of human behavior which can be labeled right and wrong. It considers the moral obligations of leaders and followers when discussing actual cases from a variety of business organizations that have presented management and subordinates with difficult moral dilemmas. It considers also the particular responsibilities of leadership in fostering and implementing ethical awareness within a corporate culture. Prerequisite: ENG1020 or ENG1920. (HO) (OL)
Quarter Credit Hours 4.5

POLITICAL SCIENCE
PSCI3001 INTRODUCTION TO POLITICAL SCIENCE
Political science is the rigorous and disciplined study of government and politics. This is a “gateway” course designed to reveal to students the ubiquity of political phenomena in their lives. The workings of politics, viewed alternatively as the authoritative allocation of values, or as the study of who gets what, when, where, why and how, are studied in a variety of incarnations, in small and large groups, and in private and public dress. The rational choice perspective is used to formulate and analyze theoretical issues in political analysis. Prerequisite: Sophomore status. (WI)
Quarter Credit Hours 4.5

PSCI3010 INTRODUCTION TO WORLD POLITICS
This course provides a comprehensive introduction to the study of world politics. Analytical tools and philosophical doctrine are first discussed to lay a foundation for understanding the driving forces in international relations. The chronic nature of war and ceaseless search for peace are discussed next, with special emphasis on 20th century history. Next examined are the theory and practice of economic relations among advanced industrial economies, and the pace of development in the third world, or the “South.” Special problems posed by multietnic and multinational diversity within nations are an important theme of the course. Other possible topics, time allowing, include different historical and possible future systems of international relations; imperialism; cold war politics; national security theory, including deterrence, and the success of international political and monetary organizations. Prerequisite: Sophomore status. (WI)
Quarter Credit Hours 4.5

PSYCHOLOGY
PSYC2001 INTRODUCTORY PSYCHOLOGY
This course is the scientific study of behavior and mental processes. Ethical application of the scientific method is used to examine nervous system structures and functions, learning, memory, intelligence and states of consciousness. (HO) (SL) (OL)
Quarter Credit Hours 4.5

PSYC2002 ABNORMAL PSYCHOLOGY
This course examines the major theoretical approaches to psychological and other behavior disorders. Included are definitional criteria, causes, prevalence, related conditions and current treatment programs for both children and adults. Emphasis is placed on the sociocultural context of psychological disorders as well as on correcting common stereotypes about mental and emotional illness. Prerequisite: PSYC2001 or PSYC2901.
Quarter Credit Hours 4.5

PSYC2010 PERSONALITY
This course is designed to acquaint the student with the more salient and prevailing theories of personality. The major psychophiloosophical problems that arise in considering personality anchor the discussion of each theory throughout the course. Application of theories to current life situations is also discussed. Prerequisites: PSYC2001 or PSYC2901 and sophomore status.
Quarter Credit Hours 4.5

PSYC2040 PSYCHOLOGICAL ISSUES OF ADDICTION AND COMPULSIVE BEHAVIOR
This course examines the various types of addictions and accompanying compulsive behaviors and symptoms related to these disorders. It focuses on problems related to the addictive process. Topics include but are not limited to: compulsive gambling, alcohol and substance abuse, sexual addictions, eating disorders and other compulsive behaviors. Relevant topics such as the addictive process and personality are addressed along with the familial effects and psychosocial impact of addiction on business and industry. Various treatment approaches and methods of recovery are discussed. Methods of awareness, identification and distinction between various compulsive disorders and addiction along with the biopsychosocial model of addiction are delineated. Prerequisite: PSYC2001 or PSYC2901.
Quarter Credit Hours 4.5
PSYC2901 HONORS INTRODUCTORY PSYCHOLOGY
The honors section of Introductory Psychology is designed to expand and enrich the students’ first experience in psychology. Besides accomplishing all the course objectives of the non-honors sections, honors students are expected to analyze, synthesize and evaluate complex psychological concepts and information. A major topic in psychology (such as stress, health, peace or violence) is investigated each term within the context of each unit. The class engages in a collaborative project or design and conducts an action research project centered on the psychological topic under investigation. Prerequisites: Enrollment in university Honors Program or permission of department chair, sophomore status. Quarter Credit Hours 4.5

PSYC3001 SOCIAL PSYCHOLOGY
This course features a study of individual behavior in relation to the social stimuli of modern life. The course involves the extension of general psychological principles and methods in the study of social behavior. Prerequisites: PSYC2001 or PSYC2901 and sophomore status. (WI) Quarter Credit Hours 4.5

RELIGION
REL2001 COMPARATIVE STUDY OF WORLD RELIGIONS: AN INTERDISCIPLINARY APPROACH
This course introduces the students to the world’s great religions; Hinduism, Buddhism, Judaism, Christianity and Islam are emphasized. The focus is interdisciplinary and includes history, cultural traditions and textual analysis of each religion’s literature in relation to these religions. (WI) Quarter Credit Hours 4.5

RESEARCH
RSCH3001 HONORS ADVISORY SEMINAR
This course prepares honors students to conduct the necessary research to successfully complete the scholarly paper requirements for graduation from the Honors Program. The professor guides students in their choice of feasible research projects and serves as the major advisor for the scholarly paper requirement. Students review MLA and APA documentation forms and engage in exercises in primary source techniques. Descriptive statistics as well as an overview of the publication process are also covered. Prerequisite: ENG1920. Quarter Credit Hours 1.0

SCIENCE
SCI1915 HONORS INTRODUCTION TO LIFE SCIENCE
This course describes key biological and chemical principles that apply to all living things. Evolution and natural selection are studied as an explanation for the history of life on Earth. Students examine cells and cell functions, genetics, as well as structure and function of the systems of the human body. Application of scientific methodology is included. (HO) Quarter Credit Hours 4.5

SCI2040 MARINE BIOLOGY
This course is an introduction to the biological and physical aspects of the marine environment, including a survey of the organisms that inhabit the world’s oceans, their ecology, species evolution and distribution, and the human impact of commercial marine-related industries. Of particular interest are seafood, shellfish, and marine plants as marine food sources, as well as the shipping and maritime industries. (HO) Quarter Credit Hours 4.5

SCI3010 ENVIRONMENTAL SCIENCE
This course presents major scientific concepts dealing with the biological and physical nature of the world we live in. A major theme is the impact of human population and economic growth on the biodiversity and ecosystems of our planet, considering how sustainable use of the world’s resources may be achieved for both developing and developed nations. Topics such as energy, air, water or resource use, land use and agriculture are discussed. (HO) Quarter Credit Hours 4.5

SCI3020 SUSTAINABILITY POLICY AND PLANNING
In this course students are introduced to the application of scientifically sound sustainability policies and their effects. Through the study of relevant case studies, this course demonstrates how corporate leaders can gain a strategic advantage by fostering sustainable development principles within their organizations. Businesses have typically been viewed as major contributors to environmental problems but they have also been extremely important participants in solutions. Students investigate policy efforts that promote responsible management of social, economic, and environmental resources and examine the roles of governments, markets, and nonprofit organizations in the implementation of sustainable development laws and policies. Prerequisite: SCI3010. (This course is only offered online.) (HO) Quarter Credit Hours 4.5

SCI3030 INTRODUCTION TO ECOLOGY
This course combines biology and other sciences to study how living things interact with each other and with their non-living environment. Topics such as competition and predation, the one-way flow of energy, and the cycling of nutrients through ecological communities are examined. Other topics such as biodiversity, major terrestrial and aquatic biomes, succession, and the methods and goals of environmental conservation are discussed. (HO) Quarter Credit Hours 4.5
SCI3070 FOOD SUSTAINABILITY
This course introduces students to the natural science aspects of sustainability in food production, agriculture, aquaculture, food distribution and environmental considerations. Topics include such emerging areas as: organic food industry, slow food movement, local food production, and sustainable food production practices. The class integrates theoretical principles of agricultural and aquaculture sustainability with hands-on learning exercises and evaluates the environmental, social, and economic aspects of sustainable food production issues. Prerequisite: SCI3010. (This course is only offered online.) (HO) Quarter Credit Hours 4.5

SCI3080 THE BUSINESS OF SUSTAINABILITY
This course reveals the business advantages of integrating the scientific principles of environmental sustainability in commerce. The application of the principles of sustainability to business management are investigated. How environmental issues can drive markets and be used to manage risks and costs is examined. The economic necessity of sustainable business practices is analyzed. Business practices are evaluated to determine their true environmental impact. Prerequisite: SCI3010. (This course is only offered online.) (HO) Quarter Credit Hours 4.5

SCI3090 RESEARCH SEMINAR IN SUSTAINABILITY
This course is a capstone of the student’s undergraduate work in the sustainability minor and an introduction to the professional practice of sustainability. The Research Seminar in Sustainability is designed to provide students with opportunities to experience the methods used in business, nonprofit, and government sustainable development initiatives and programs by approaching a single issue from a variety of perspectives. Student groups select topics related to the main issue. Topics are clustered within the categories of policies and sociology, economics, or health and environment. Each group analyzes its topic, discovers relationships to the main issue and other group’s topics, and presents their findings to the entire class. This multi-disciplinary seminar serves as an integrative course employing the strategies that will build a sustainable future. Prerequisites: PHIL3040, SCI3010, SCI3070, SCI3080. (This course is only offered online.) (HO) Quarter Credit Hours 4.5

SCI3091 HONORS ENVIRONMENTAL SCIENCE
This honors course presents major scientific concepts dealing with the biological and physical nature of the world we live in. A major theme focuses on environmental health where students gain an understanding of the relationships between human populations, economic growth, ecosystem biodiversity and the health of human and biological populations. It examines the sustainable use of the world’s resources and the scientific dialogues in understanding the potential remedies available for both developing and developed nations. Quarter Credit Hours 4.5

SOCILOGY

SOC2001 SOCIOLOGY I
This course provides an introduction to sociology with the focus of study on how humans interact within a society, both as individuals and in groups. Stress is placed on sociological methods and paradigms. (HO) (SL) (OL) Quarter Credit Hours 4.5

SOC2002 SOCIOLOGY II
This course is a continuation of Sociology I focusing on patterns of behavior or institutions that our culture has established. Emphasis is placed on studying those institutions which are essential to the survival of the individual and the group. Prerequisites: SOC2001 or SOC2901; sophomore status. (SL) Quarter Credit Hours 4.5

SOC2010 SOCIOLOGY OF DIGITAL ENVIRONMENTS
This course provides an introduction to the digital world as both a setting of social interaction and as a social and historical phenomenon. Attention is given to the ways that virtuality has both transformed and been influenced by other institutional domains such as family, media, art and work. This focus on the digital world advances students’ sociological understanding of the human experience. Prerequisite: Sophomore status. Quarter Credit Hours 4.5

SOC2020 CULTURE AND FOOD
This is a course on the sociology of food. Students are challenged to think and rethink the place of food in the human experience. The course explores how the discipline of sociology, and its borrowing from anthropology and other fields, examines food as a cultural and social artifact and how food and social identity intersect. Prerequisite: Sophomore status. (HO) (SL) (WI) (OL) Quarter Credit Hours 4.5

SOC2025 CULTURAL TAPESTRY: PERSPECTIVES IN DIVERSITY
This course approaches the study of diversity by offering students an opportunity to understand the meaning of difference from a multitude of perspectives. Students study how categories of diversity are created, the experience of being perceived as different in society, and the consequences of difference as gauged by the allocation of privilege and resources to differing groups within society. Such categories as race, ethnicity and national identity, socioeconomic status, gender differences, sexual orientation, learning styles and religious affiliation are addressed. Similarities between ethnic groups and cultures are also examined. The sociological paradigms/perspectives are also utilized in the study of diversity. Students shape a presentation that addresses diverse subject matter in an experiential manner. As the course concludes, attention is directed towards identifying strategies that can be employed both on a macro-level in society and on a micro-level within the students’ realm of influence, to broaden the acceptance of differing perspectives in a pluralistic society. Prerequisites: SOC2001 or SOC2901; sophomore status. Quarter Credit Hours 4.5

SOC2035 SOCIOLOGY OF AGING
Aging is a life-long process that affects individuals, families and cultures across the globe. It encompasses a multitude of dimensions — physiological, emotional, cognitive, economic and interpersonal — that influence a person’s physical and social well-being. This course examines aging from multiple perspectives and addresses the roles that individuals, families, service industries, and government play in attempting to meet the needs of this growing population. Prerequisites: SOC2001 or SOC2901; sophomore status. Quarter Credit Hours 4.5
SOC2040 COMMUNITY LEADERSHIP: AN APPLIED SOCIOLOGY
This interdisciplinary course [sociology, leadership and service learning] provides students with the opportunity to combine theoretical learning with actual volunteer work at a non-profit organization. Through student initiated placement at one of many pre-designated sites, students are exposed to various aspects of the not-for-profit industry including administrative, fundraising, and community outreach responsibilities as well as having personal contact with the organization’s clientele. Students are also expected to utilize leadership skills by initiating a substantial agency-based project, in conjunction with their on-site supervisor, that will serve as a tangible contribution to the overall organization. (SL) (WI)
Quarter Credit Hours 4.5

SOC2060 DEVIANT BEHAVIOR
The purpose of this course is to provide students with a clear understanding of the nature and meaning of deviance. Students learn what is considered the norm in society, what is outside the norm, and how each is relative in nature. Theoretical explanations, cross cultural references and in-depth analyses of deviant behavior are studied from the three dominant sociological paradigms. Who defines deviance, what is deviant, why deviance persists, the effect of labels, and the personal and social effects of deviance are discussed. Prerequisites: SOC2001 or SOC2901; sophomore status.
Quarter Credit Hours 4.5

SOC2901 HONORS SOCIOLOGY I
This honors course is a reading-intensive introduction to sociology. Students are introduced to the basic concepts and propositions underlying the sociological perspective and are taught to apply this perspective in an analysis of events taking place in contemporary society. The focus of study is how humans interact within a society, both as individuals and as members of groups. Stress is placed on sociological methods and on the terminology used. The attention to both the macro-issues of stratification, inequality and social structure, as well as the micro-issues of socialization, acculturation and the social construction of reality are combined with “real-life” events, making the learning process even more relevant. Prerequisites: Enrollment in the university’s Honors Program or permission of department chair; sophomore status.
Quarter Credit Hours 4.5

SOC3010 SOCIAL ISSUES IN CONTEMPORARY AMERICA
This course is designed to provide the student with a realistic understanding of contemporary social issues. The focus of the course is on the origins, nature and interrelationships between the various topics. Students are encouraged to consider people and conditions in society that pose problems, and to attempt to develop solutions to those problems. Prerequisites: SOC2001 or SOC2901; sophomore status. (SL)
Quarter Credit Hours 4.5

SOC3070 VISUAL LITERACY AND THE SOCIOLOGY OF PERCEPTION
Human perception of the social world is studied from both a communications and sociological perspective. Elements of “picture-based media” as a means of molding cultural perceptions, social biases, and personal views of reality are studied. Through a series of exercises, students critically examine images in art, still photographs, television, advertising, film and documentaries to determine their sociological messages. Using the language of visual literacy and an understanding of perception, students test assumptions about their world. Prerequisite: Junior status.
Quarter Credit Hours 4.5

SPANISH
SPAN1001 CONVERSATIONAL SPANISH I
This course is an introduction to the Spanish language. Emphasis is placed on vocabulary acquisition, basic grammar construction and oral communication.
Quarter Credit Hours 4.5

SPAN1011 CONVERSATIONAL SPANISH I: SPECIALIZED VOCABULARY
This course is designed as an introduction to the Spanish language and is tailored specifically to the needs of culinary and hospitality students. Emphasis is placed on basic sentence structure and oral communication, skills that students can use in the workplace. (HO) (OL)
Quarter Credit Hours 4.5

School of Technology

GRAPHIC DESIGN & DIGITAL MEDIA

DME1000 FOUNDATION DRAWING AND DIGITAL TOOLS
As a prerequisite to all design thinking, drawing skills offer an effective means of prototyping visual solutions before committing them to software. Students practice the essential visual elements of design including shape, line, value and perspective. Based on graphics industry models, students actively experience compositional and thematic principles as a means of developing flexible approaches to design strategy. Students create initial sketches on paper then learn techniques to digitize files into common software applications. Drawings are integrated into digital portfolios. (This course is only offered online.) (PT)
Quarter Credit Hours 4.5

FOUNDATIONS IN TECHNOLOGY

FIT1000 INFORMATION TECHNOLOGY FOR BUSINESS PROFESSIONALS I
This course provides basic understanding of computer equipment and procedures necessary for business professionals. Students gain practical knowledge of operations and terminology of computer systems as well as hands-on use of word processing, digital presentations, spreadsheet software and using the Internet. Computer-based assessment software may be used as both a learning and skills measurement tool. (PT)
Quarter Credit Hours 4.5

FIT1020 INFORMATION TECHNOLOGY FOR BUSINESS PROFESSIONALS II
This course presents microcomputer applications chosen on the basis of local market demand. Students gain a working knowledge of spreadsheet skills and apply those skills to problem-solving cases. Students are also introduced to databases with a focus on creating a simple database as well as manipulating data to produce meaningful reports. Computer-based assessment software is used as both a learning and skills measurement tool. Prerequisite: FIT1000 or FIT1012 or equivalent. (PT)
Quarter Credit Hours 4.5
PROJECT MANAGEMENT

PRMG2010 INTRODUCTION TO PROJECT MANAGEMENT
This course gives students an understanding of project management practices, concepts, and tools using projects in the real world. Students focus on successfully organizing a single project using the knowledge areas associated with the project life cycle. Learning to identify potential projects based on strategic business planning, they produce portions of a basic project plan, scope statement, work breakdown structure, and Gantt charts. Other course topics discussed in a broader context include forming and leading a project team, project manager competencies, project organization, time and resource management, cost management, quality management, human resource management, communications management, and risk management. (This course is only offered online.)
Quarter Credit Hours 4.5

PRMG3010 ADVANCED PROJECT MANAGEMENT
This course trains students to initiate, plan, execute, monitor, control and close a project in the real world. Using a real world project plan, students become competent in the following areas of project management: project integration, project scope, project time, project cost, project quality, project human resources, project communications, project risk management. They practice these skills individually and in teams, applying them to a real-world project. They also gain understanding of the application of project management processes. Prerequisite: PRMG2010. (This course is only offered online.)
Quarter Credit Hours 4.5

Study Abroad

ABRD4080 OVERSEAS EXCHANGE PROGRAM
This refers to courses of varying credit amounts used by students participating in overseas exchange programs at a foreign institution through an exchange agreement with JWU. Students apply for the exchange program through Study Abroad in Providence, which determines the partner institution from the available options based on a student’s academic department, approves a planned course of study at the foreign institution. Typically, students study upper level courses in their major, combined with cultural and/or language courses, depending on the location. Students register at JWU for the appropriate ABRD4080 course(s) during the term(s) they are on exchange. Prerequisite: 2.75 cumulative GPA and 90 quarter credit hours completed prior to departure.
