This catalog is an official publication of Johnson & Wales University. As such, it and any other publications and policies provided on JWU’s website are subject to revision at any time. The university reserves the right to add, withdraw or revise any course, program of study, provision or requirement described within the catalog as may be deemed necessary. Occasionally, program requirements will vary by the publication date of the catalog. Requirements stated in the edition published closest to the September enrollment date will take precedence.

Students should read and fully understand the rules, requirements and policies described in this catalog. Additionally, all enrolled students are expected to be familiar with the contents of the Providence Campus Student Handbook. The Providence Campus Student Handbook contains important information regarding academic performance and personal conduct of students as well as university grievance procedures. It also outlines the conditions under which students may be placed on probation or suspension from the university. The Providence Campus Student Handbook is available online at www.jwu.edu. Copies of the Providence Campus Student Handbook and this catalog are also available at Student Academic & Financial Services.
Letter from Providence Campus President and Chief Operating Officer

It is my honor to welcome you to Johnson & Wales University’s Providence Campus, the oldest and largest of our four campuses. Combined enrollment at our four campuses is more than 17,000 students from 49 states and 102 countries.

For nearly a century, we’ve been transforming the dreams of career-minded students into reality. From recruiting students who are best prepared for a JWU education, to providing them with a well-rounded, industry-focused curriculum, our strategic objectives embrace quality. Through our academically rigorous, industry-relevant and experientially based programs, we’re developing tomorrow’s industry and civic leaders. In addition, our academic programs, student services and activities, campus facilities and dedication to the community make the Providence Campus comfortable for all types of students from various backgrounds.

Providence is a truly vibrant and cultural city with a small town feel and all the charms of New England. These elements make for an attractive place to live, work and visit. With close proximity to Rhode Island’s famous beaches and larger world-class cities including New York and Boston, Providence is home to six colleges and universities, while the state of Rhode Island is home to five more. I’ve been a part of the JWU community since 1988, and I am proud of our commitment to educational excellence that inspires professional success and lifelong personal and intellectual growth.

I invite you to visit and learn more about our dynamic campus (http://www.jwu.edu/providence/visit) and commitment to excellence.

Sincerely,
Mim L. Runey, LP.D.
Providence Campus President and Chief Operating Officer

Johnson & Wales University is a non-profit, accredited institution founded in 1914. We help you identify a field of interest and create an educational roadmap for you to acquire the knowledge, skills and experience necessary to pursue a career in that field. Our pioneering education model combines academics with industry-focused hands-on learning, related work experiences, leadership opportunities and career services. Here's what makes JWU different.

A Career-Focused Education
- Our accredited degree programs in business, hospitality, culinary arts, counseling psychology and technology are career-focused — designed to provide you with the knowledge and skills employers have identified as necessary in your field of choice. And you don't have to wait to build your career skills, as you’ll have the opportunity to take courses in your major in your first year.
- Faculty with industry experience bring real-life knowledge, hands-on learning and, oftentimes, networking opportunities into small classroom settings. You'll learn industry best practices and train on career-specific tools and software.
- Dedicated faculty advisors and career advisors help you set professional goals and develop an educational plan designed for you to best attain those goals. In addition, specialized workshops help you build your résumé, highlight your skills and develop a portfolio of work to help set you apart.
- You’ll have the opportunity to network with employers who visit campus each year, including career fairs, on-campus interviews and career events geared to your major.

A Full University Experience
- At least one-third of credits in each JWU program are in the arts & sciences to help you develop the critical thinking, communication and analytical skills necessary for long-term career progression.
- JWU offers more than 30 study abroad (http://www.jwu.edu/studyabroad) programs and independent exchanges, all of which include study such as lecture, industry visits and cultural excursions. Study Abroad staff members will help you identify programs that best fit your academic and career goals.

Hands-on Learning
- JWU's programs provide opportunities for real-world experience, which can include internships, community service learning opportunities or classroom projects with actual companies.
- Students learn by doing. Faculty teach through the practical application of theory in the classroom.
- Our students intern at more than 1,600 sites each year, related to their field of study.

Leadership and Community Opportunities
- Participation in competitions as a member of DECA, BPA, FCCLA and other nationally recognized student organizations help build leadership, career skills and your résumé.
- Community service is integral to our educational philosophy. Our ongoing commitment to community service has repeatedly earned JWU a place on the President's Higher Education Community Service Honor Roll.

Four Campuses, One University Ahead of Its Time
- Four distinct campuses — in Providence, North Miami, Denver and Charlotte — offer a full university experience through a variety of student clubs, organizations, Greek life, athletics and more.
- Each campus is uniquely positioned for you to connect with internships and professional opportunities in the region related to your major.

To learn more, visit www.jwu.edu.

History of JWU
Johnson & Wales University (JWU) was founded as a business school in 1914 in Providence, R.I. by Gertrude I. Johnson and Mary T. Wales. From its origins as a school devoted to business education, JWU has grown to a junior college, to a senior college, and ultimately to university status.

JWU was accredited in 1954 by the Accrediting Council for Independent Colleges and Schools (ACICS).

In 1963 the State of Rhode Island granted a charter that authorized the university to operate as a nonprofit, degree-granting institution of higher learning and to award associate degrees in accounting, business administration, court reporting and secretarial sciences.

In 1970 the State of Rhode Island approved a revision in the university's charter allowing it to award baccalaureate degrees as well as associate degrees, and removing the restrictions on the type of undergraduate degree programs that could be offered.

In 1972 and 1973 the university announced the addition of new associate degree programs in the fields of hospitality and culinary arts. This led to additional two- and four-year degree programs in the hospitality and food service fields.

In 1980 the university was granted a legislative charter to replace its previous charter and became authorized to award advanced degrees.

In 1984, a JWU campus was established in Charleston, S.C., which offered a variety of two- and four-year programs in food service, hospitality and travel-tourism. A JWU campus opened in Norfolk, Va., in 1986, offering one- and two-year food service programs.

In 1985, graduate degree programs were introduced at the university. Today the Alan Shawn Feinstein Graduate School offers an MBA degree program, as well as master's degrees in criminal justice and education. An Ed.D. in Educational Leadership is also offered.

The university officially changed its name to Johnson & Wales University in 1988.

In 1992, JWU opened a campus in North Miami, Florida, offering two- and four-year food service, business and hospitality programs. That year also marked the university's formal establishment of the College of Business, The Hospitality College, the College of Culinary Arts and the School of Technology. A new emphasis on general studies was introduced with the development of the School of Arts & Sciences.

JWU received regional accreditation from the Commission on Institutions of Higher Education of the New England Association of Schools and Colleges (NEASC) in 1993. In that same year, JWU opened a campus in Vail, Colo., which offered an accelerated associate degree program in culinary arts to college graduates. The year also marked the beginning of a four-year bachelor's degree offering in culinary arts.

From 1994–2004 JWU offered programs at the Institute of Higher Marketing (IHM) Business School in Göteborg, Sweden. This joint educational agreement allowed business and hospitality students to complete one year of study in Sweden and finish their degrees at one of the university's domestic campuses.

The university consolidated its institutional accreditation efforts under NEASC on June 30, 2000.

September 2000 marked the opening of the Denver, Colo., campus, which offers two- and four-year degrees in culinary arts, hospitality and business, as well as the "Garnish Your Degree" accelerated associate degree program originally offered in Vail. In 2000, the Vail Campus merged with the Denver Campus.

In 2002, the university made a strategic decision to consolidate its smaller Charleston and Norfolk campuses to build a campus in Charlotte, N.C. JWU’s Charlotte Campus opened in fall 2004 and offers associate and bachelor’s degree programs in business, culinary arts and hospitality. The Charleston and Norfolk campuses officially closed in May 2006.

In response to changes in industry needs, beginning with the 2008–2009 academic year JWU’s College of Business and The Hospitality College eliminated associate degrees and began offering only bachelor of science degrees that allowed students to customize their education through specializations or concentrations. This decision did not impact the College of Culinary Arts and the School of Technology.
In 2009–2010 JWU recruited, admitted and enrolled the entering class for the online bachelor’s degree programs. In September 2010 students started classes in the online programs.

In fall 2012 the university began offering a degree in counseling psychology, the first bachelor’s degree program offered through the John Hazen White School of Arts & Sciences.

Mission and Guiding Principles

Johnson & Wales University … an exceptional education that inspires professional success and lifelong personal and intellectual growth.

In support of our mission and recognizing the importance of preserving our unique student-centered culture we will be guided by the following principles:

• Undertake continuous improvement and planning for a sustainable future.
• Foster a teaching-focused university that encourages appropriate scholarship and offers relevant programs that maximize student potential.
• Enrich our academic programs with experiential and work-integrated learning.
• Be cost-conscious in our endeavor to provide an affordable private university education and be a good steward of our resources.
• Embrace diversity for a richly inclusive community.
• Model ethical behavior and local, national and global citizenship.
• Value our faculty and staff by investing in their quality of life and professional development.
• Provide facilities, technology and other resources to meet the needs of students, faculty and staff.

Campus Facilities

Providence, Rhode Island

Since its opening in 1914, Johnson & Wales University’s original campus in Providence, R.I., has grown from a small business school to a large, international university featuring business, culinary arts, hospitality, technology and arts & sciences programs.

For more information about JWU’s Providence Campus (http://www.jwu.edu/providence), contact Admissions 8 Abbott Park Place, Providence, RI 02903 1-800-342-5598 or www.jwu.edu/providence

Providence Campus President and Chief Operating Officer Mim L. Runey, L.P.D.

The City

Providence offers big-city sophistication on a welcoming scale, and is often voted one of the country’s best places to live. A historic yet fast-paced city, Providence is located within the highest per capita concentration of colleges and universities in the U.S., so it’s alive with things to do.

The major business, financial and retail districts of the city are all within walking distance of the Downcity Campus, which is convenient for students who want to look for part-time jobs. Also within walking distance are the Providence Performing Arts Center, Providence Public Library, Dunkin’ Donuts Center, Rhode Island Convention Center, Trinity Repertory Company, Providence Place, outdoor skating at the Bank of America City Center, the Rhode Island State House, Rhode Island School of Design, Brown University and places of worship of many major religious denominations. Restaurants for every taste and budget, many owned or operated by JWU alumni, can be found throughout the city as well.

Providences’s unique geographic location — only an hour’s drive from both Boston and Cape Cod, and three hours’ drive from New York City — makes it an inviting place to live. Interstate bus and train stations are within easy reach of the Downcity Campus, and the state airport in Warwick is only about 10 miles to the south. The Rhode Island Public Transit Authority (RIPTA) provides free transportation within Rhode Island to students with a valid ID.

The Campus

The Downcity Campus is anchored by Gaebe Commons, a popular hub of student activity, and surrounded by a variety of shops, restaurants, cafés, music venues and a picturesque riverfront. This campus is home to students in the College of Business, The Hospitality College, the School of Technology and the John Hazen White School of Arts & Sciences.

The nearby Harborside Campus sits on 80 scenic acres along Narragansett Bay, and houses the College of Culinary Arts, the Alan Shawn Feinstein Graduate School, the Harborside Recreation Center (home of the NCAA Division III Wildcats), and the Culinary Arts Museum at JWU. Residential facilities are located throughout Providence and Cranston. JWU provides free shuttle bus service between the campuses and residence halls.

Academic Facilities and Administrative Offices — Downcity Campus

THE ACADEMIC CENTER at 138 Mathewson Street houses the School of Technology and features classrooms; the media/graphics department; computer, engineering and science laboratories; faculty offices; the dean’s office, Alan Shawn Feinstein Technology & Design Center, and the School of Technology Presentation Room.

The CITIZENS BANK CENTER FOR STUDENT INVOLVEMENT at 232 Weybosset Street houses Student Activities (including the Campus Herald and Johnsonian yearbook offices), Greek Councils, New Student Orientation & Support Programs, Parent Relations and Spiritual Life.

COOKSON PLACE, located at One Weybosset Hill, houses the central administration office of the university on the sixth floor. It is also the home of the University Bookstore, located on the first floor.

3 DAVOL SQUARE, located at the corner of Point and Eddy streets, contains the University Admissions, National Student Organizations and Information Technology.

THE DEL Sexto building, located at 274 Weybosset Street, houses Information Technology Operations.

The JOHN HAZEN WHITE CENTER FOR ARTS & SCIENCES, located at 30 Chestnut Street (the corner of Pine and Chestnut streets), contains the departments of English, English as a Second Language (ESL), Humanities, Mathematics and Social Sciences, as well as the Language Laboratory and Arts & Sciences classrooms. It also houses the Market Place campus dining facility, Inactive Records, the Center for Academic Support for the Downcity Campus, Experiential Education & Career Services for the Downcity Campus, the dean’s office and faculty offices.

JOHNSON HALL, located at 59 Chestnut Street, includes the Accounting department, faculty offices, several accounting classrooms, City Burger (a snack bar and grill for students, faculty and staff) and Starbucks®.

The RICHMOND Building is located at 270 Weybosset Street. It currently houses Information Technology, the Employee Development Institute, and the Rhode Island Small Business Development Center and Student Communications, as well as the Providence Police Department District 1 Substation.

The administrative and operations headquarters for CAMPUS SAFETY & SECURITY are located at 264 Weybosset Street.

The STUDENT SERVICES CENTER, located at 274 Pine Street, houses Student Academic & Financial Services, International Student Services, Student ID cards, Study Abroad and Institutional Research.

The TACO CENTER FOR BUSINESS AND ARTS & SCIENCES, located at 10 Abbott Park Place, houses classrooms and faculty offices for the Economics department, the Science department and the Larry Friedman International Center for Entrepreneurship. The Alan Shawn Feinstein Community Service Center and the Honors Program office are on the fifth floor.

WALES HALL, located at 8 Abbott Park Place, houses the fitness center, shower and locker rooms and the commuter lounge on the lower level; the Pepsi Forum auditorium, Student Payroll, Health Education and the Gender Equity Center on the first floor. The second floor houses the Chancellor’s Office, Counseling Services and Community Relations. The third floor houses Health Services for the Downcity Campus. The fourth and fifth floors are home to JWU’s Human Resources and Payroll.

The XAVIER COMPLEX, located at 259 Pine Street at Broad and Claverick streets, houses classrooms, faculty offices, a variety of computer and word processing labs, and Schneider Auditorium. This complex also houses The Hospitality College and most of the College of Business.

The Hospitality College deans, chairs and faculty reside on the lower three floors. The Statler Dining Room, a hospitality kitchen lab, Bistro 61 and a Hospitality beverage lab are on the first floor.
The College of Business deans, and chairs and faculty for the Equine Studies, Management, Marketing and Legal Studies departments reside on the upper three floors.

Xavier Hall in the Xavier Complex includes an interdenominational chapel and the Intercultural Center, Online Learning, as well as a residence hall with laundry facilities.

THE YENA CENTER, located at 111 Dorrance Street in Downcity Providence, houses the main library and library administrative offices, Admissions (except Culinary), Catering and Special Events, and the university’s Accounts Payable, Accounting, Procurement, Compliance, Internal Audit & Risk Management and Office of General Counsel, We Proudly Serve and Campus Dining.

Academic Facilities and Administrative Offices — Harborside Campus

63 BAKER STREET houses Institutional Advancement, including Alumni Relations, Development, University Advancement, the Providence Campus offices of Development and Alumni Relations, and University Creative Services Group.

The CUISINART CENTER FOR CULINARY EXCELLENCE, located at 333 Shipyard Street, is where the College of Culinary Arts is based. This also includes College of Culinary Arts faculty offices, the deans’ and administrative offices, the Coors Brewing Laboratory and the International Baking & Pastry Institute.

The center includes hot and cold kitchens, bakeshops and pastry shops, dining rooms, meatcutting and meat processing rooms, receiving and storeroom, an oenology and beverage service laboratory, and culinary purchasing offices.

The GRACE WELCOME CENTER at 120 Harborside Boulevard is the new location for Culinary and Graduate Admissions. The facility includes a 70-seat presentation room, Galleria of Culinary Artifacts, conference room and welcome area, as well as staff office space.

HARBOR VIEW, located at 1150 Narragansett Boulevard in Cranston, houses a large student dining hall, kitchen and bakeshop labs and a residence hall with laundry facilities.

THE HARBORSIDE ACADEMIC CENTER (HAC), at 265 Harborside Boulevard houses department faculty offices for the College of Culinary Arts, as well as the department chairs of culinary arts and food service.

Academic facilities include classrooms, the chocolate and sugar lab and the baking technology lab. CAFE, the Culinary Arts Foodservice Exposition, is an addition to the Harborside Academic Center and features state-of-the-art kitchens and laboratories, bakeshops, a food science and product development lab, and the Cintas Dining Room used by culinary arts students. HAC also contains a Starbucks®, Red Sauce Pizza & Pasta, the University Office of Culinary Education, microbiology lab, a multimedia center, the H.A.C. Amphitheater, Culinary Special Services and the Harborside Computer Center, containing 156 computers, five computer labs and an administrative staff area.

The HARBORSIDE RECREATION CENTER, located at 305 Shipyard Street, houses Health Services for the Harborside Campus, Athletics, two gymnasiums, student life programming space, game room, fitness center, the university’s Harborside Bookstore (operated by Follett Higher Education Group), Student Activities, the office of the Vice President of Student Affairs and Student Conduct.

THE FRIEDMAN CENTER, located at 321 Harborside Boulevard, houses several student services that have been located together for student convenience.

These offices and their hours of operation are:

- Residential Life: Monday–Friday, 8:30 a.m. to 4:30 p.m.
- Experiential Education & Career Services: Monday–Friday, 8:30 a.m. to 4:30 p.m.
- Student Academic & Financial Services: Monday–Thursday, 8:30 a.m. to 6 p.m. Friday 8:30 a.m. to 4:30 p.m. Saturday 9 a.m. to noon (first Saturday of each month)

Also located in this building are the Alan Shawn Feinstein Graduate School, the Center for Academic Support, the Culinary Arts Museum at JWU, the Harborside Campus Library, Printing & Mailing Services, the Harborside Substation of Campus Safety & Security, Liberty Market, the warehouse, the administrative offices of Facilities Management, Facilities Engineering and Maintenance, 10 classrooms, department faculty offices for the John Hazen White School of Arts & Sciences and Online Learning, and offices on the second floor.

The ALUMNI HOUSE, at 1146 Narragansett Boulevard in Cranston, is utilized for distinguished visiting professor lodging.

University-owned or-operated Practicum Educational Facilities

JWU is in a unique position to offer students hands-on learning in a variety of industry-related businesses. The following practicum educational facilities are owned or operated by JWU and provide students with internships in their field of study.

The RADISSON HOTEL PROVIDENCE AIRPORT, located in Warwick, R.I. near T.F. Green State Airport, offers internships in culinary, restaurant, food service and lodging operations.

Staffed by JWU travel-tourism internship students, the T.F. Green State Airport INFORMATION BOOTH helps travelers to Rhode Island find their way to the state’s best attractions and learn about lodging and transportation options.

The R.I. SMALL BUSINESS DEVELOPMENT CENTER, located in the Richmond Building, houses a resource center for students, entrepreneurs and small businesses. The center provides small businesses space, technology and access to business professionals and students. Projects range from developing websites to creating marketing plans to full-scale business strategy planning.

The JOHNSON & WALES INN, located in nearby Seekonk, Mass., and open to the public, provides culinary, hotel and restaurant interns with experience in all areas of hotel operations. Culinary and hotel interns are also exposed to food service operations in Audrey’s Restaurant and in banquet and room service departments.

Equine students study horse care and management at the CENTER FOR EQUINE STUDIES, a JWU-owned stable, paddock and ring in Rehoboth, Mass., reserved for the university’s exclusive use, with limited space for students to board their own horses.

In SCHOOL OF TECHNOLOGY LABS including the Feinstein Center for Technology & Design, students perform graphics, Web, programming, networking, database and other technology-based services for a number of clients.

In UNIVERSITY FINANCE AND ACCOUNTING, accounting students have the opportunity to gain experience in a variety of accounting and financial functions including student payroll, accounts payable, accounting clerk functions in inventory and sales reporting, general ledger, financial reporting and budgeting, and accounting cycle functions.

The food service industry spans a range of operational facilities and outlets. Johnson & Wales University provides a variety of food service outlets that serve as practicum educational facilities for students participating in internships. The spectrum of food service operations varies from high quantity, volume production to specialized coffee and retail outlets. Some of the practicum educational facilities available for internships include:

CITY BURGER, located at the corner of Chestnut and Pine streets, is the best place to grab a fresh-ground hamburger, hand-cut fries and a milkshake.

HARBOR VIEW at the Harborside Campus is a quantity-food facility. It serves a wide variety of fresh foods daily.

MARKET PLACE is located in the John Hazen White Center at the corner of Pine and Chestnut streets. It serves great food cooked to order, and features Nature’s Bounty Grill, where all items are sustainable, all natural or organic.

RED SAUCE PIZZA & PASTA, located in the Academic Center at the Harborside Campus, is the new lunch, dinner and late-night dining option. The menu features made-to-order pastas, grilled pizzas, calzones, sandwiches and farm fresh salads.

SNOWDEN DINING CENTER is located on Weybosset Street, and specializes in a variety of grilled and made-to-order items and signature sandwiches.

STARBUCKS® store, operated by Johnson & Wales University pursuant to a license from Starbucks Corporation, is located next to City Burger at the corner of Chestnut and Pine streets. A second Starbucks store is located on the Harborside Campus. We Proudly Serve is located in The Yena Center. Menu items include coffee, tea and pastry selections.

The WEYBOSSET STREET CAFE, located on the corner of Page and Weybosset streets, offers an eclectic menu of international food.

The JOHNSON & WALES BAKERY COMMISSARY is located in Harbor View at the Harborside Campus. This high-volume professional baking facility produces desserts and pastries served universitywide.
University Library Network

The Johnson & Wales University Library Network is comprised of the libraries of the Providence, R.I.; North Miami, Fla.; Denver, Colo.; and Charlotte, N.C. campuses. An important aspect of the network is the access it provides to resources, services and facilities shared by the Higher Education Library Information Network (HELIN), a consortium of academic, law, and health sciences libraries in southern New England. Johnson & Wales University Library is also a key partner with the university’s academic programs in the enhancement of student research skills through the delivery of classroom instruction, online information literacy tutorials, Web-based guides customized to the research outcomes of specific courses and curricula, plus personalized reference services delivered to students in person, over the phone, through email, online chat, or SMS. In addition, the library hosts the Scholar’s Archive@JWU (http://scholararchive.jwu.edu), an open-access digital commons dedicated to preserving and promoting examples of scholarly or artistic works produced at or belonging to the university.

The main Johnson & Wales University Library facility in Providence occupies the first two floors of The Yena Center at 111 Dorrance Street. It houses the largest of the University Library Network’s book, periodical and audiovisual resource collections, as well as the administrative offices of the university dean of libraries. Other resources include access to numerous online databases, computer workstations, group study rooms, private study carrels, soft seating, an electronic classroom and wireless Internet connectivity throughout the facility. Coffee, tea and light snacks can be purchased from the We Proudly Serve Café, generally open according to library hours. During the academic year the library’s hours are Monday through Thursday, 7:30 a.m. to midnight; Friday, 7:30 a.m. to 8 p.m.; Saturday, 10 a.m. to 7 p.m.; and Sunday, 11 a.m. to midnight. Professional reference services are available Monday through Thursday, 8 a.m. to 10 p.m.; Friday and Saturday, 8 a.m. to 6 p.m.; and Sunday, 2 to 10 p.m. Note that schedules are subject to change during exam weeks, term breaks, holidays and over the summer.

Library collections and services at the Harborside Campus are located in The Friedman Center at 321 Harborside Boulevard and primarily support the curricula for the College of Culinary Arts, with ancillary resources available for the Alan Shaw Feinstein Graduate School. Like its downtown affiliate, this facility provides access to online databases, computer workstations, group study rooms and wireless Internet connectivity, as well as numerous books, periodicals and audiovisual resources. In addition, this library holds an important collection numbering in the thousands of restaurant menus from around the world. Hours of operation during the academic year are Monday through Thursday, 7:30 a.m. to midnight; Friday, 7:30 a.m. to 10 p.m.; Saturday, 8 a.m. to 7 p.m.; and Sunday, 11 a.m. to midnight. Professional reference services are available Monday through Thursday, 8 a.m. to 10 p.m.; Friday, 9 a.m. to 5 p.m.; Saturday, 8 a.m. to 3 p.m. and Sunday, 2 to 10 p.m.

Culinary Arts Museum at Johnson & Wales University

Located in The Friedman Center at 315 Harborside Boulevard on the Harborside Campus, the Culinary Arts Museum at JWU is an educational resource for Johnson & Wales University, the community-at-large, food scholars and the food service industry. The Culinary Arts Museum at JWU seeks to both preserve and interpret the broad culinary and hospitality heritage addressed by the university. It is a showcase for the work of students, faculty, alumni and distinguished visiting chefs. Through exhibitions and special events, the museum strives to interpret the evolution of food preparation and presentation, the development of culinary equipment and technology, the diverse menus offered and the places where people dine.

Current and upcoming exhibits include “Diners: Still Cookin’ in the 21st Century,” “Serving the World with Worcester Dining Cars,” “Country Fair to Culinary Olympics,” “Kitchen Stoves and Ranges: From the Open Hearth to the Microwave,” and “Dinner at the White House.”

Operated by JWU, admission to the museum is free for JWU students, staff and faculty.

Computer Laboratories

Johnson & Wales University has computer labs (http://www.jwu.edu/content.aspx?id=6584) available for students to use email, Internet Explorer, Microsoft Office, jwuLink and more. Additional labs are available to students enrolled in classes that teach specialty software or technology.

Students must have an active JWU email account to access lab computers. Documents can be saved to student-acquired USB drives or documents can be attached to and sent through e-mail. Students cannot save files onto computers in the labs.

Lab locations are:

**Downcity Campus**

**Academic Computer Labs**

**Academic Center — 4th floor**

138 Mathewson Street, Providence, R.I. (598-1504)

**Xavier Computer Labs**

Xavier Academic Complex — 2nd floor

259 Pine Street, Providence, R.I. (598-1537)

**Harborside Campus**

Harborside Computer Labs

Harborside Academic Center

265 Harborside Boulevard, Providence, R.I. (598-1592)

**Residence Halls**

**NOTE:** All halls are coeducational and smoke free. All are cable and Internet ready. During the first two weeks of the fall term, each room is provided with a MicroFridge, which students may opt to rent for the rest of the year, with the exception of Renaissance Hall. The Cove and Harborside Village, which feature full-size refrigerators. Students are allowed only one MicroFridge per room.

**Downcity Campus**

**The Cove**

1 Park Row West, Providence, R.I. (880-7780)

The Cove is open to sophomores, juniors and seniors and is located downtown near the train station and a short walk from campus. This hall has two-, three- and four-person apartments which feature gourmet kitchens, stainless steel appliances, granite countertops and hardwood floors. Bedrooms are carpeted and a washer/dryer is provided in each apartment unit (no card or coin required). Residents of The Cove are required to agree to abide by a community policy agreement as a condition to residing in The Cove. There is no meal plan included at this hall. Students can purchase Wildcat Meals from Student Academic & Financial Services.

**Imperial Hall**

15 Hospital Street, Providence, R.I. (598-1166)

Imperial is a residence facility containing single, double, triple and some quad occupancy rooms. Single and double occupancy rooms on the second and third floors have private baths, at a slightly higher cost than the first floor. The first floor of Imperial offers community bathrooms as well as an on-site kitchen, plus community space on the lower level. It is reserved primarily for upperclassmen. There is no university parking.

**McNulty Hall**

101 Pine Street, Providence, R.I. (598-4797)

McNulty Hall is located adjacent to The Yena Center (library) at the Pine Street perimeter of Gaebel Commons. McNulty houses first-year technology, business, hospitality, arts & sciences and culinary arts students, and features double- triple- and quad- occupancy rooms, all of which are air conditioned and have private baths. Also, McNulty features laundry rooms and a variety of common areas for study and recreational use. There is no university student parking at this hall, although private parking is available from vendors in nearby lots.

**Renaissance Hall**

101 Cedar Street, Providence, R.I. (598-2800)
Renaissance Hall is located at the corner of Dean and Cedar streets, near the historic Federal Hill section of Providence. Renaissance houses first-year, international and upperclass students. On a regular university bus route, it is close enough to classes that many students choose to walk together to class. This facility provides suite-style living with primarily four residents in each unit. Equipped with kitchens and private baths, this facility also maintains a recreation room and study rooms, as well as a laundry room. Limited university student parking is available through a lottery process for upperclassmen. There is no meal plan included at this hall. Students can purchase Wildcat Meals from Student Academic & Financial Services.

**Snowden Hall**
32 Page Street, Providence, R.I. (598-1025)

Snowden Hall, available at a slightly higher cost, contains double-, triple- and quad-occupancy rooms with private baths and air conditioning. Residents of this hall are a mix of first-year and upperclassmen. It also houses a dining center featuring grilled-to-order items and signature sandwiches. There is no university parking at this hall.

**Xavier Hall**
60 Broad Street, Providence, R.I. (598-1496)

Xavier Hall, adjacent to the Xavier Academic Complex, has a limited number of single occupancy rooms for upperclass students, and double-, triple- and quad-occupancy rooms available for first-year students. Student parking is not available at this hall.

**Harborside Campus**

**EAST HALL** (598-1189)

**WEST HALL** (598-1155)

**SOUTH HALL** (598-4720)

2 Washington Avenue, Providence, R.I.

East, West and South halls are neighboring residence halls located on the Harborside Campus near academic and student service facilities. Primarily for culinary and baking & pastry arts students, rooms in East Hall and South Hall house four residents. West Hall offers triple rooms. Each hall has community bathrooms, a laundry room, study room and recreation room. University student parking is available to all with a valid sticker.

**Harbor View**
1150 Narragansett Boulevard, Cranston, R.I. (598-1154)

Harbor View is located on the Cranston-Providence line and overlooks Narragansett Bay. It is within walking distance of the Harborside Campus. Harbor View contains triples and some quads with private baths, as well as a dining center, recreation room with a large-screen TV, and study room. It is reserved for upperclassmen and some first-year students. There is limited parking available.

**Harborside Village**
100 Harborside Boulevard, Providence, R.I. (808-6000)

Open to juniors and seniors, Harborside Village is comprised of 12 individual buildings with 12 four-person apartment units in each. Apartments are fully furnished and feature four single, private bedrooms; two private bathrooms; an eat-in kitchen; a common room; and a washer/dryer unit (no card or coin required). An on-site community building houses village resident mailboxes, a function room, a game room, and the community management office. Parking is available through a lottery process. Residents of Harborside Village are required to agree to abide by a community policy agreement as a condition to residing in Harborside Village. There is no meal plan included at this hall. Students can purchase Wildcat Meals from Student Academic & Financial Services.

**Campus Dining**

JWU is in a unique position to provide students with quality food service. Culinary arts and hotel students, as part of their laboratory training, provide much of the food service at the university, under the supervision of professional chef-instructors.

The following dining centers are available for students on a meal plan and their guests: Harbor View Dining Center, Market Place, Red Sauce Pizza & Pasta, Weybosset Street Café, Snowden Dining Center, City Burger, as well as three Starbucks® which are located on the Downcity and Harborside campuses.

All resident students, except for those living in The Cove and Harborside Village, are required to subscribe to the university’s Room and Board plan, which provides 15 meals per week. Commuter and all resident students may make use of the campus dining facilities as well by purchasing commuter meals. Meals can be purchased individually or at a discounted price in blocks of 10, 25 or 50 at Campus Dining, located in The Yena Center, 111 Dorrance Street. For more information, contact Campus Dining at 598-1433.

**Accreditations and Approvals**

Johnson & Wales University (JWU) is accredited by the New England Association of Schools & Colleges, Inc. (NEASC), through its Commission on Institutions of Higher Education. This accreditation encompasses the university’s four campuses in Providence, R.I.; North Miami, Fla.; Denver, Colo.; and Charlotte, N.C. Inquiries regarding JWU’s accreditation status should be directed to the Director of Academic Accountability & Initiatives, University Provost’s Office, Johnson & Wales University, One Cookson Place, Sixth Floor, Providence RI 02903; or at 401-598-1345. Individuals may also contact: Commission on Institutions of Higher Education, New England Association of Schools and Colleges, 209 Burlington Road, Bedford, MA 01730-1433; phone: 617-271-0022, email: che@neasc.org.

Legal control is vested in the Board of Trustees of Johnson & Wales University. The university is approved for the training of veterans. JWU is an institutional member of Service Members Opportunity Colleges.

The university is authorized under federal law to enroll non-immigrant alien students.

JWU is listed in the Education Directory of Colleges & Universities issued by the U.S. Department of Education.

The State of Rhode Island has chartered Johnson & Wales University as a nonprofit degree-granting institution of higher learning.

JWU is licensed by the Commission for Independent Education, Florida Department of Education. Additional information regarding the institution may be obtained by contacting the Commission at 325 West Gaines Street, Suite 1414, Tallahassee, FL 32399-0400; phone toll-free: 888-224-6684.

The Colorado Commission on Higher Education has authorized JWU under the Degree Authorization Act to offer instruction leading to the award of credits and/or degrees in Colorado.

The Board of Governors of the University of North Carolina has licensed JWU under G.S. 116-15(b) to conduct degree activity in North Carolina.

Johnson & Wales University offers online B.S. degree completion programs in Food Service Management and is required to publish information regarding certain state approvals of these programs.

Johnson & Wales University is registered as a private institution with the Minnesota Office of Higher Education pursuant to sections 136A.61 and 136A.71. Registration with the Minnesota Office of Higher Education is not an endorsement of the institution. Credits earned at the institution may not transfer to all other institutions. Private Institution Registration must be renewed annually with the Minnesota Office of Higher Education but remains in effect unless voluntarily surrendered by a school or withdrawn by this office.

The South Carolina Commission on Higher Education, 1122 Lady Street, Suite 300, Columbia, SC 29201 (phone: 803-737-2260), licenses Johnson & Wales University to recruit South Carolina students into its programs. Licensure indicates only that minimum standards have been met; it is not an endorsement or guarantee of quality.

Johnson & Wales University will make available for review to any enrolled or prospective student, upon request, a copy of the documents describing the institution’s accreditation, approval or licensing. This information, as well as contact information for accreditors and state officials and agencies for filing complaints, may be obtained by contacting the Director of Academic Accountability & Initiatives, University Provost’s Office, Johnson & Wales University, One Cookson Place, Sixth Floor, Providence RI 02903; or at 401-598-1345.

The Providence Campus and Denver Campus Culinary Nutrition programs are accredited by the Commission on Accreditation for Dietetics Education (CADE) of the American Dietetics Association, 120 South Riverside Plaza,

10 About JWU
Suite 2000, Chicago, IL 60606-6995; phone: 312-899-0040, ext. 5400. The Providence Campus and Denver Campus Didactic Programs in Dietetics (DPD) meet the standards of education set by CADE.

The Master of Arts in Teaching program is accredited by the Rhode Island Department of Education. Graduates of the M.A.T. may apply for dual certification in one of the following:

- Elementary Education & Elementary Special Education
- Elementary Education & Secondary Special Education
- Business Education & Secondary Special Education
- Food Service Education & Secondary Special Education

The following triple certification requires additional fieldwork and an additional eight weeks of student teaching:

- Elementary Education & Elementary Special Education & Secondary Special Education

Affiliations

JWU, its faculty and members of the administrative staff hold affiliations with numerous organizations.

A description of written arrangements that the university has with other organizations to provide a portion of any university program of study is available upon request. For more information, please contact Student Academic & Financial Services.

Notice of Nondiscrimination

Johnson & Wales University does not discriminate unlawfully on the basis of race, religion, color, national origin, age, sex, sexual orientation, gender identity or expression, genetic information, disability, status as a protected veteran or any other unlawful basis in admission to, access to, treatment of, or employment in its programs and activities.

The term “sexual orientation” shall mean and be limited to having an orientation for or being identified as having an orientation for heterosexuality, bisexuality, or homosexuality. This Nondiscrimination Statement shall not be interpreted to prohibit Johnson & Wales University from maintaining separate facilities, sports teams, housing, university-based social fraternities and sororities, and other programs and facilities, for males and females, in accordance with the provisions of Section 16-38-1.1 of the General Laws of Rhode Island, as the same may be amended from time to time, or similar laws applicable in other states where the university conducts its operations.

The following person has been designated to handle inquiries regarding this statement:

Nondiscrimination Coordinator, Johnson & Wales University, 8 Abbott Park Place, Providence, RI 02903, 401-598-2716

The nondiscrimination coordinator has been designated to carry out the university's responsibilities under all federal and state discrimination laws, including, but not limited to, Title IX of the Education Amendments of 1972 (Title IX), Section 504 of the Rehabilitation Act of 1973 (504), the Age Discrimination in Employment Act of 1967 (ADEA), and Section 508 of the Rehabilitation Act of 1973 as amended in 1998 (Section 508), and all other laws that may apply.

The university's full Policy regarding Prohibited Discrimination and Harassment, including Sexual Harassment and Sexual Misconduct, is included in the student handbook for each campus (available on the university's website or upon request to the nondiscrimination coordinator).

Inquiries concerning the application of the nondiscrimination statement may also be referred to the appropriate governmental agencies listed below:

This office may refer the matter to a regional Office for Civil Rights. You may also visit http://wdcrobcolp01.ed.gov/CFAPPS/OCR/contactus.cfm.

- Kevin W. Poirier, C.A.G.S., C.P.A., associate professor; B.S.B.A., MBA, Bryant College; C.A.G.S., Salve Regina University
- Robert W. Ragsdale, MBA, C.P.A., assistant professor; B.S., St. Peters College; MBA, Fairleigh Dickinson University
- Patricia A. Robinson, M.S.A., C.H.A.E., associate professor; B.S., University of Massachusetts; M.S.A., Bentley College
- Donna Viens, M.S.A., C.H.A.E., associate professor; B.S., University of Rhode Island; M.A., M.S.A., Bryant College; J.D., New England School of Law
- Richard Hoppman, M.A.T.; B.A., M.A.T., Rhode Island College (science)

Accountancy, associate professor of accounting; B.S., Bryant College
• Dirk Fogg, MBA, assistant professor, assistant director of riding; B.A., Skidmore College; MBA, Johnson & Wales University
• Crystal Taylor, M.S., assistant professor; A.S., B.S., M.S., Johnson & Wales University

Management
• Ron Bachman, M.S., assistant professor; A.S., B.S., M.S., Johnson & Wales University
• Christina Coles, Ph.D., associate professor; Diploma, Ph.D., University of Siegen, Germany
• James Desmarais, J.D., assistant professor; A.S., Johnson & Wales University; B.S., Roger Williams University; J.D., New England School of Law
• Daniel Driscoll, M.S., associate professor; B.S., Bryant College; B.A., Roger Williams College; M.S., Salve Regina University
• Frank Duchala, M.P.A., associate professor; B.S., State University of New York - Oneonta; M.A., M.P.A., State University of New York - Albany
• Alison Goodrich, Ph.D., associate professor; B.A., M.A., Salve Regina University; M.A., University of Connecticut; J.D., St. Mary's University School of Law; Ph.D., Capella University
• Mark Goudreau, MBA, associate professor; B.S., Rhode Island College; MBA, Providence College
• John Gounaris, M.S., associate professor; B.A., University of Massachusetts; M.S., New York University
• Paul Gounaris, M.A., associate professor; B.A., Northeastern University; M.A., University of Massachusetts - Amherst
• Kathleen Grady, MBA, assistant professor; B.A., University of New Hampshire; MBA, Boston College
• Gretchen Guertin, M.S., department chair, associate professor; B.S., Rhode Island College; M.S., Johnson & Wales University
• Bernard Kenney, MBA, assistant professor; B.S., Boston College; MBA, Suffolk University
• Allen Kruger, M.S., associate professor; B.S., Wisconsin University; M.S., Salve Regina College; M.S., George Washington University
• Mehdi Moutahir, MBA, associate professor; A.S., B.S., MBA, Johnson & Wales University
• Paul Sylvestre, M.S., assistant professor; A.S., Roger Williams College; B.A., Rhode Island College; M.S., Salve Regina University
• John Varlaro, M.A., assistant professor; B.A., Ithaca College; M.A., University of Hawaii at Manoa
• Paul Zwolenski, MBA, assistant professor; B.S., Bryant University; MBA, Johnson & Wales University

Marketing
• Peter Bortolotti, MBA, associate professor; B.A., University of Connecticut; MBA, Pennsylvania State University
• Rae Caloura, MBA, associate professor; B.S., Carnegie Mellon University; MBA, Providence College
• Elizabeth Carey, MBA, assistant professor; A.B., College of the Holy Cross; MBA, Providence College
• Oscar Chilabato, MBA, associate professor; B.S., MBA, Providence College
• Susan Cox, M.S., associate professor; B.S., University of Rhode Island; M.S., Johnson & Wales University
• Patricia Fisher, MBA, department chair, associate professor, marketing; A.S., B.S., MBA, Johnson & Wales University
• Anthony Fruzzetti, Ed.D., professor; A.S., Bristol Community College; B.S., Johnson & Wales University; MBA, Suffolk University; Ed.D., Johnson & Wales University
• John Krupa, D.B.A., professor; B.S., Bryant College; MBA, Providence College; M.A., Rhode Island College; D.B.A., Northcentral University
• Diane McCrohan, MBA, assistant professor; B.S., University of Rhode Island; MBA, Bryant University
• Michelle Morin, MBA, assistant professor; B.S., University of Massachusetts; MBA, Bryant University
• Phyllis Plunkett, M.S., assistant professor; B.A., M.S., Simmons College
• Kristen Regine, D.B.A., associate professor; B.S., Johnson & Wales University; M.S.M., Lesley College; D.B.A., Argosy University
• Melanie St. Jean, Ph.D., associate professor; A.S., Community College of Rhode Island; B.S., University of Rhode Island; M.S., Ph.D., Madison University
• Christine Ure, MBA, associate professor; B.S., Boston College; MBA, Colorado State University
• Erin Wilkinson, D.B.A., professor; B.A., University of San Diego; MBA, United States International University; D.B.A., Alliant University

Adjoint Faculty
• Blair Barbieri, M.S., C.P.A.; B.S., University of Rhode Island; B.S., M.S., Johnson & Wales University
• Melissa Bilodeau, B.S.; A.A.S., Community College of Rhode Island; B.S., University of Massachusetts - Amherst
• Kenneth Bray, MBA; B.S., Bryant University; MBA, Johnson & Wales University
• William Brennan, MBA; B.S., University of Rhode Island; MBA, Bryant University
• Heath Brightman, Ph.D.; B.S., University of Massachusetts - Amherst; M.S., Boston University; Ph.D., Seton Hall University
• John Capwell, M.S.T.; B.A., University of Massachusetts - Amherst; M.S., Boston University; M.S., Internship
• David Cartwright, M.S.A.; B.S., M.S.A., University of Rhode Island
• Michelle Clay, B.S.; B.S., Rhode Island School of Design
• Gerald Cohen, B.S.; B.S., University of Rhode Island
• Richard Cohen, B.S.; B.S., University of Rhode Island
• James Danielson, B.S.; B.S., University of Massachusetts - Dartmouth
• Michael David, M.S.; Salve Regina University; A.S., Bristol Community College; B.S., Roger Williams University; M.S., Salve Regina University
• Sergio Desousarosa, B.A.; B.A., Rhode Island College
• Lillian Domenicone, M.S.; B.S., University of Rhode Island
• Gerald Elysee, M.S.M.; B.A., M.S.M., Lesley University
• John Fellingham, MBA; B.S., SUNY - Stony Brook; MBA, Ford University
• Judith Ferrari, MBA; B.A., Elmira College; MBA, Rochester Institute of Technology
• Tammy Goodman, MBA; B.S., Bryant University
• Robert Gordon, MBA; B.S., Johnson & Wales University; MBA, University of Rhode Island
• Roberta Gosselin, M.S.; B.S., Bryant University; M.S., University of Rhode Island
• John Grassel, M.S.; B.A. Boston College, M.S.; Boston University
• Diane Lavriha Hunt, M.A.; B.F.A., M.A., Syracuse University
• Edward Hussey, MBA; B.S., MBA, Johnson & Wales University
• Benjamin Kaplan, MBA; B.S., Johnson & Wales University
• James Kelshaw, M.S.F.; B.S., M.S.F., King's College
• Claire Lacoste-Kapstein, Ph.D.; B.S., M.A.T., Ph.D., University of Minnesota
• Natalie Leonard, MBA; B.S., Providence College; MBA, Bryant College
• Doreen Mars, MBA; B.S., MBA, Johnson & Wales University
• Keith Marshall, B.A.; B.A., University of Rhode Island
• Raymond Marzilli, B.A.; B.A., University of Rhode Island
• Michael Mattera, MBA; B.S., Rhode Island College; B.S., MBA, Johnson & Wales University
• Mark Mazmanian, MBA; B.A., Providence College; MBA, Johnson & Wales University
• Mark McCormick, MBA; B.S., M.B.A., Johnson & Wales University
• Louise Paolucci, MBA; B.S., Rhode Island College; MBA, Bryant College
• Josephine Pellegrino, MBA; B.S./B.A., MBA, Providence College
• Michael Quinn, M.A.; B.S., Roger Williams University; M.A., Anna Maria College
• Domenic Rignanese, MBA; B.S., University of Maryland; MBA Certification, Barrington College
• Susan Riley, J.D.; B.A., Manchester College; J.D., New England School of Law
• Samuel Sacco, MBA; A.B., College of the Holy Cross; MBA, Harvard University
• Silke Scholz, MBA; B.S., Johnson & Wales University
• Michael Silva, B.S.; B.S., Franklin Pierce College
• Lynn Smiley, B.S.; A.S., B.S., Johnson & Wales University; B.A., University of Rhode Island
• Corey Smith, MBA; B.S., Bryant University; MBA, University of Massachusetts
• Jared Tomassi, J.D.; B.S., Johnson & Wales University; J.D., Roger Williams University
• Anthony Verducci, MBA; B.S., MBA, Bryant University
• Gerald Willis, Ed.D.; B.A., M.S., Salve Regina University; M.A., Ed.D., University of Massachusetts
• Brad Weissman, MBA; B.S., Bryant College; MBA, Northeastern University
• Mary Wyatt-Conery, B.A.; B.A., University of Massachusetts - Amherst

College of Culinary Arts

Administration
• Karl Guggenmos MBA, WACS Global Master Chef, A.A.C., university dean of culinary education
• Paul J. McVety Ed.D., dean of culinary academics and interim dean, College of Culinary Arts
• Susan Wallace, M.S., executive director of food safety
• Adam Joseph, M.S., director of culinary events
• Matt Tetzner, B.S., director of culinary operations

Department Chairpersons
• William Idell, M.S., department chair, culinary arts
• Dean Lavornia, M.A.T., C.E.P.C., department chair; International Baking & Pastry Institute
• Edward Korry, M.A., C.W.E., W.S.E.T., department chair, dining room and beverage services
• Susan Marshall, Ed.D., department chair, food service academic studies
• Maureen Pothier, MBA, C.E.C., W.S.E.T., department chair, culinary labs
• Gilbert Stansfield, MBA, department chair, culinary arts
• Suzanne Vieira, M.S., R.D., L.D.N., department chair, nutrition program
• Gary Welling, A.S., department chair, International Baking & Pastry Institute

Faculty Emeritus
• Jean-Jacques Dietrich, M.Ed., C.E.C., C.C.E., professor emeritus; A.S., New York City Technological College; B.A., Hunter College; M.Ed., Johnson & Wales University

Dean Emeritus
• Robert M. Nograd, B.S., C.M.C., dean emeritus; B.S., The Technological Institute of Israel

Faculty
• Allison Acquisto, M.A., R.D., associate professor; B.S., University of Rhode Island; M.A., Johnson & Wales University
• Jeffrey Adel, B.S., assistant professor; B.S., Johnson & Wales University Charles Armstrong, A.O.S., instructor; A.O.S., Culinary Institute of America
• Jeffery D. Alexander, B.S., instructor; B.S., Johnson & Wales University
• John Aukstolis, A.S., instructor; A.S., Johnson & Wales University
• Claudia Berube, instructor
• Marina Brancely, A.O.S., associate instructor; A.O.S., Culinary Institute of America
• Christoph Bruehwiler, C.E.P.C., instructor
• Tim Brown, B.S., instructor; B.S., The International Education Council, Sacramento Calif.
• John S. Chiaro, M.S., C.E.C., C.C.E., associate professor; B.A., Rhode Island College; M.S., Johnson & Wales University
• Thomas Choice, W.S.E.T., instructor
• Luminita Cirstea, instructor
• Peter Cooper, B.S., associate instructor; B.S., University of Connecticut
• Cynthia Coston, M.A.T., C.E.P.C., associate professor; A.S., Schoolcraft College; B.S., M.A.T., Johnson & Wales University
• Kevin Crawley, A.S., instructor; A.S., Johnson & Wales University
• Elaine R. Cwynar, M.Ed., associate professor; A.S., M.Ed., Johnson & Wales University; B.A., University of Connecticut; Certificate of Vocational Teaching, University of Massachusetts
• T.J. Delle Donne, M.S., associate instructor; B.S., M.S., Johnson & Wales University
• Marc DeMarchena, M.A.T., W.S.E.T., F.D.R.P., S.W.E., associate professor; A.O.S., B.S., M.A.T., Johnson & Wales University
• Richard DeMaria, M.A., assistant professor; B.S., University of Rhode Island; M.A., Johnson & Wales University
• Jean-Luc Derron, associate instructor; Hotel Schwanen, Switzerland; Steinli Trade School, Switzerland, Apprenticeship; Certification, Department of Labor and Trade, Switzerland; Confiserie Bachmann, Switzerland, Apprenticeship
• John Dion, M.S., associate professor; A.O.S., Culinary Institute of America; B.S., M.S., Johnson & Wales University
• Kim Dolan, B.A., instructor; B.A., Connecticut College
• Roger Dwyer, M.A., W.S.E.T., F.D.R.P., associate professor; B.A., George Washington University; M.A., Johnson & Wales University
• Mary Ann Eaton, Ph.D., professor; B.S., Ph.D., University of Rhode Island
• Paula Figoni, MBA, associate professor; B.S., University of Massachusetts; M.S., University of California; MBA, Simmons College
• James Fuchs, A.A.S., instructor; A.A.S., Johnson & Wales University
• Matthew Gold, MBA, instructor; B.S., University of Massachusetts; MBA, Johnson & Wales University
• Lauren Haas, instructor
• Frederick Haddad, B.S., C.C.E., C.C.E., associate instructor; A.O.S., Culinary Institute of America; B.S., Johnson & Wales University
• Christina Harvey, A.O.S., associate instructor; A.O.S., Culinary Institute of America
• Mark Harvey, A.O.S., instructor; A.O.S., Culinary Institute of America
• Katrina Herold, M.Ed., assistant professor; B.S., M.Ed., Johnson & Wales University
• Rainer Hienerwadel, M.A.T., G.M.C., master instructor; A.O.S., B.S., M.A.T., Johnson & Wales University
• Cecil Hitz, B.F.A., associate instructor; B.F.A, Rhode Island School of Design
• Helene Houde-Trzcinski, B.S., F.D.R.P., instructor; B.S., Johnson & Wales University
• William Idell, M.S., assistant professor; M.S., Tufts University
• Steven Johansson, A.O.S., C.C.C., instructor; A.O.S., Culinary Institute of America
• Peter Kelly, M.L.A., associate professor; B.A., Vermont College of Norwich University; M.L.A., Boston University
• Linda Kender, M.A., C.F.E., associate professor; A.S., B.S., M.A., Johnson & Wales University
• Juergen Knorr, C.E.C., instructor; European Apprenticeship
• Edward Korry, M.A., C.W.E., W.S.E.T., F.D.R.P., associate professor; B.A., University of Chicago; M.A., University of Cairo
• Jean-Louis Lagalle, B.S., associate instructor; A.O.S., B.S., Johnson & Wales University
• Susan Lagalle, B.S., C.E.P.C., instructor; B.S., Johnson & Wales University
• Dean Lavornia, M.A.T., C.E.P.C., associate professor; A.O.S., B.S., M.A.T., Johnson & Wales University
• Branden Lewis, M.A., instructor; A.S., B.S., M.A., Johnson & Wales University
• Robert Lucier, C.E.C., associate instructor
• Michael Makuch, M.A.T., assistant professor; A.S., B.S., M.A.T., Johnson & Wales University
• Susan Marshall, Ed.D., professor; B.S., University of Maine; M.S., Johnson & Wales University; Ed.D., Nova Southeastern University
• Ray Mc Cue, B.S., assistant professor; A.S., B.S., Johnson & Wales University
• Joseph Melanson, M.A.T., instructor; M.A.T., Johnson & Wales University
• Stacy Mirabella, B.S., instructor; B.S., Johnson & Wales University
• Richard Miscovich, MBA, associate professor; B.A., Michigan State University; MBA, Johnson & Wales University
• Valeria Molinelli, M.S., associate instructor; M.S., Johnson & Wales University
• Francis Mullaney, A.O.S., instructor; A.O.S., Culinary Institute of America
• Raymond Olobri, B.S., instructor; B.S., Roger Williams University
Adjunct Faculty

- George O’Palenick, M.S., C.E.C., C.C.E., A.A.C., associate professor; A.O.S., Culinary Institute of America; A.S., Jamestown Community College; B.S., M.S., Johnson & Wales University
- Neath Pal, instructor; Grand Diplome, La Varenne École de Cuisine
- Robert Pekar, M.A.T., associate professor; A.O.S., Culinary Institute of America; A.S., Manchester Community College; B.S., M.A.T., Johnson & Wales University
- Jennifer Pereira, MBA, associate instructor; B.A., New England Culinary Institute; MBA, Johnson & Wales University
- David Petrone, B.S., C.W.C., C.C.E., C.F.E., associate instructor; A.O.S., B.S., Johnson & Wales University
- Craig Piermarini, B.S., associate instructor; A.S., B.S., Johnson & Wales University
- Maureen Pothier, MBA, C.E.C., W.S.E.T., associate professor; B.S., MBA, Johnson & Wales University
- Thomas J. Provost, W.S.E.T., instructor David Ricci, instructor
- Barbara Robinson, M.P.H., assistant professor; M.S., Boston University
- Ronda Robotham, M.A.T., associate professor; A.S., B.S., M.A.T., Johnson & Wales University
- Robert Ross, M.Ed., associate professor; A.S., B.S., M.Ed., Johnson & Wales University
- Janet Rouslin, M.A., R.D., associate professor; B.S., University of Maine; M.A., Johnson & Wales University
- Stephen Scaife, M.A., C.E.C., C.C.E., C.F.E., associate professor; A.O.S., Culinary Institute of America; B.S., M.A., Johnson & Wales University
- Louis Serra, M.A., C.E.C., associate professor; B.S., Johnson & Wales University; M.A., Providence College
- Todd Seyfarth, M.S., associate professor; B.S., Johnson & Wales University; M.S., State University of New York — Stony Brook
- Victor Smurro, M.A.T., associate professor; A.O.S., Westchester Community College; B.A., M.A.T., Johnson & Wales University
- Mark Soliday, A.O.S., associate instructor; A.O.S., Culinary Institute of America
- Nathan M. Stamm, C.E.P.C., associate instructor
- Gilbert Stansfield, MBA, C.E.C., associate instructor; B.S., MBA, Johnson & Wales University
- Frank Ternanova, B.S., C.E.C., C.C.E., senior instructor; B.S., Johnson & Wales University
- Lynn Tripp, M.S., associate professor; B.S., Bridgewater State College; M.S., University of Massachusetts
- Peter Vaillancourt, B.S., instructor; B.S., Roger Williams College Suzanne Vieira, M.S., R.D., L.D.N., associate professor; B.S., Framingham State College; M.S., University of Rhode Island
- Jean-Michel Vienne, C.C.P., associate instructor; European Apprenticeship C.A.P., B.E.P., France
- R. Alonzo Villarreal, MBA, R.D., associate instructor; A.S., B.S., MBA Johnson & Wales University
- Bradley Ware, Ph.D., C.C.C., C.C.E., professor; A.S., Johnson & Wales University; B.A., Michigan State University; M.Ed., Providence College; Ph.D., Salve Regina University

- William Day, Ph.D., C.F.E., professor; B.S., Bryant College; M.S., Johnson & Wales University; Ph.D., University of Connecticut
- Donna J. Faria, M.S., C.H.E., associate professor; A.S., B.S., M.S., Johnson & Wales University
- Fred T. Faria, M.S., F.M.P., C.H.E., C.E.C., C.C.E.; associate professor; A.O.S., Culinary Institute of America; B.S., University of New Haven; M.S., Johnson & Wales University
- William Jarvie, M.A., F.M.P., C.H.E., associate professor; A.O.S., Johnson & Wales University; B.A., Michigan State University; M.A., Empire State College
- Alison Ross, M.A., associate professor; A.S., The Culinary Institute of America; B.S., United States International University; M.A., New York University
- Michael Sabitoni, M.S., C.H.E., F.M.P., department chair, associate professor; A.S., B.S., M.S., Johnson & Wales University
- Matthew Samel, MBA, C.H.E., associate professor; A.S., B.S., MBA, Johnson & Wales University
- Douglas Stuchel, MAT, assistant professor; A.S., B.S., MAT, Harvard University; MBA, University of Rhode Island
- Brian A. Van Gyzen, MBA, assistant professor; A.A., Community College of Rhode Island; B.A., Rhode Island College; MBA, Johnson & Wales University
- Brian J. Warrener, MBA, associate professor; B.A., Harvard University; MBA, University of Rhode Island

The International Hotel School

- Paul Bagdan, Ph.D., C.H.E., professor; A.S., Schenectady County Community College; B.S., University of Massachusetts; M.S., Rochester Institute of Technology; Ph.D., Kansas State University
- Jane Boyland, M.S., F.M.P., C.H.E., department chair, associate professor; A.O.S., Johnson & Wales University; B.S., University of New Hampshire; M.S., University of Massachusetts
• Catherine Davin, M.S., C.H.E., associate professor; B.S., M.S., Cornell University
• Debbie C. Howarth, M.S., C.H.M.E., M.H.A., C.H.E., associate professor; B.S., University of Vermont; M.S., University of Nevada, Las Vegas
• Leslie Kosky, M.Ed., C.H.E., associate professor; B.A., University of Delaware; M.Ed., University of Guam
• Mansour Moussavi, Ph.D., C.H.E., professor; B.S., Sheffield College, England; MBA, University of Scranton; Ph.D., Salve Regina University
• Magnus Thorsson, M.A.T., assistant professor; B.S., Johnson & Wales University; M.A.T., Bennington College
• Robert Wahl, M.S., C.H.E., associate professor; A.S., B.S., M.S., Johnson & Wales University
• Rex Warren, M.S., assistant professor; B.S., M.S., University of Nevada, Las Vegas
• Peter Zacchilli, M.A., C.H.E., associate professor; B.S., University of Massachusetts; M.A., Leslie College

The Center for Sports/Entertainment and Event Management
• Elizabeth Covino, M.S., associate professor; B.A., University of Connecticut; M.S., Springfield College
• Kathleen Drohan, B.S., C.H.E., associate professor; B.S., University of Rhode Island
• Lee A. Esckisen, M.S., C.F.E., associate professor; A.S., Dean College; B.S., Bowling Green State University; M.S., Indiana University
• Andrew Fraser, M.Ed., assistant professor; B.S., M.Ed., Temple University
• Jennifer Adams Galipeau, M.S., C.H.E., associate professor; A.S., B.S., M.S., Johnson & Wales University
• Michael Gilbert, MBA, associate professor; B.S., MBA, Johnson & Wales University
• Patrick Leary, M.S., assistant professor; B.A., Providence College; M.S., Canisius College
• David T. Morris, M.S., C.H.E., associate professor; B.S., Presbyterian College; M.S., Georgia State University
• Louis A. Puliano, M.S., assistant professor; B.S., M.S., University of Rhode Island
• Karen E. Silva, Ed.D., C.H.E., department chair, professor; B.A., Southern Massachusetts University; M.A., Rhode Island College; Ed.D., Boston University
• Robert J. Stewart, M.A., C.F.E., associate professor; B.A., M.A., Arizona State University
• Elizabeth Van Patten, M.S., assistant professor; B.S., M.S., University of Illinois

The Center for Travel/Tourism
• Eldad Boker, Ed.D., C.H.E., professor; B.S., Maryand University; M.A., Ed.D., George Washington University
• Chris DeSessa, M.Ed., C.H.E., associate professor; B.A., M.Ed., Rhode Island College
• Michael Sabitoni, M.S., C.H.E., F.M.P., department chair, associate professor; A.S., B.S., M.S., Johnson & Wales University
• Sandra Tremblay, MBA, assistant professor; B.S., Bryant College; MBA, Johnson & Wales University

Adjunct Faculty
• Robert Billington, Ed.D.; A.S., B.S., MBA, Ed.D., Johnson & Wales University
• Michael D’Amara, M.S.; B.S., Utica College of Syracuse University; M.S., Syracuse University
• Paul E. Martin, M.A.T.; A.S., B.S., M.A.T., Johnson & Wales University
• James H. Masone, B.A.; B.A., University of Massachusetts
• Michael Noel, MBA; A.S., B.S., MBA, Johnson & Wales University
• Erik M. Noack, MBA; B.S., Rochester Institute of Technology; MBA, Johnson & Wales University
• Timothy J. Pimental, B.S.; B.S., Embry-Riddle Aeronautical University
• Augusto Rojas Jr., J.D.; B.A., University of Rhode Island; J.D., Suffolk University Law School
• Meagan M. Sage, M.Ed.; B.A., Roger Williams University; M.Ed., Central Connecticut State University
• Adam Spring, M.A.T.; B.S., University of Rhode Island; M.A.T., Johnson & Wales University
• Evan Villari, M.F.A.; B.A. University of Rhode Island; M.F.A., Lesley University
• Paul Voigt, MBA; A.S., B.S., MBA, Johnson & Wales University

School of Technology

Administration
• Francis X. Tweedie, M.S., dean
• Nicola LaManna, M.Ed., assistant dean

Department Chairpersons
• Brian Alves, M.F.A., department chair, computer graphics
• Lisa Nademlynsky, MBA, department chair, foundations in technology
• Kathryn Parchesco, M.S., department chair, engineering studies
• James C. Sheusi, M.P.A., department chair, computer and information science

Faculty

Computer Graphics
• Brian Alves, M.F.A., assistant professor; B.A., Bradford College; M.A., M.F.A., University of Iowa
• Stephen Andrade, M.Ed., associate professor; B.A., University of Rhode Island; M.Ed., Northeastern University
• Ulrike Gencarelle, F.H., assistant professor; F.H., Fachhochschule Darmstadt
• Karyn Jimenez, M.F.A., assistant professor; B.F.A., Moore College of Art Design; F.A., University of the Arts
• Eugene Santos, M.A., instructor; B.A., Rhode Island College

Computer & Information Science
• Alfred D. Benoit, M.S.C.S., instructor; A.E., Worcester Junior College; B.S.A., Worcester State College; B.S.E.T., Central New England College; M.S.C.S., Worcester State College
• Tom Calabrese, Ph.D., associate professor; B.S., New York University; M.S., Villanova University; Ph.D., University of Connecticut
• Michael Gendron, MBA, assistant professor; B.S., Rhode Island College; MBA, Bryant College; C.N.E., Roger Williams University; C.N.I., Novell
• Eric Oster, M.S., assistant professor; A.S., Bristol Community College; B.A., University of Massachusetts - Boston; M.S., Providence College; Microsoft Certified Application Developer
• James C. Sheusi, M.P.A., department chair; A.A.S., Erie Community College; B.S., Buffalo State College; M.P.A., University of Rhode Island
• Vidyasagar Sivalingam, M.S., instructor; B.S., PSG College of Technology; M.S., Northeastern University; M.S., University of New Haven

Engineering Studies
• Eric Army, M.Arch., instructor; B.S., M.Arch., Northeastern University
• Charles Miller, M.A., associate professor; A.A.S., Community College of the Air Force; B.S., M.A., Johnson & Wales University
• Sol Neeman, Ph.D., professor; B.S., Israel Institute of Technology; M.S., Rhode Island College; M.S., Johnson & Wales University; Ph.D., University of Rhode Island
• Kathryn Parchesco, M.S., department chair; B.A., Marquette University; M.S., Johnson & Wales University
• Wai Yung, M.S., assistant professor; B.S., M.S., University of Rhode Island

Foundations in Technology
• Patricia Arnoldi, M.S.E.T., instructor; B.S., M.S.E.T., Johnson & Wales University
• Deborah Canning, M.S., instructor; B.S., Syracuse University; M.S., California State University
• Gerianne Chapman, MBA, associate professor; A.S., B.S., Johnson & Wales University; B.A., George Washington University; MBA, University of Rhode Island
• Elaine Day, M.A.T., associate professor; A.S., B.S., M.A.T., Johnson & Wales University
• Lisa Nademlynsky, MBA, department chair; A.S., B.S., Johnson & Wales University; MBA, Providence College
• Diane Santurri, M.Ed., assistant professor; B.S., Bryant University; M.Ed., Johnson & Wales University

**Adjunct Faculty**

• Mark Bevington, M.A., B.F.A., SUNY-Buffalo; M.A., Syracuse University
• David Brown, M.S., B.A., Providence College; M.S., Bryant College
• Karen Cardillo, M.S., A.S., Community College of Rhode Island; B.S., Rhode Island College; M.S., Johnson & Wales University
• Robert Carreira, B.S., A.S., New England School of Technology; B.S., Johnson & Wales University
• Deborah Debander, B.S., B.S., Ilma da Fundao, Rio de Janeiro
• Chris Forcino, M.S., B.S., University of Rhode Island; M.S., Johnson & Wales University
• Jesse Friedman, B.S., B.S., Johnson & Wales University
• Patricia A. Hill, MBA, A.S., B.S., MBA, Johnson & Wales University
• Katherine Howell, M.Arch., B.A., Clemson University; M.Arch., University of Kentucky
• Corey Hutchinson, MBA, B.S., University of Rhode Island; MBA, Certificate of Advanced Graduate Studies/Leadership Studies, Nichols College
• David Langevin, M.S., B.S., University of Rhode Island; M.S., Boston University
• Donna Laporte, M.A., A.S., B.S., MBA, Johnson & Wales University
• Ariela McCaffrey, M.L.I.S., B.A. Rhode Island College; B.A. University of Delaware; M.L.I.S., University of Rhode Island
• Kevin McKenna, MBA, B.A., Providence College; MBA, Providence College
• Anthony Moreira Jr., B.F.A., B.F.A., Salem State College
• Diane Morris, M.Ed., B.S., Anna Maria College; M.Ed., Rhode Island College
• Kara Pereira, M.S., B.S., Fitchburg State College; B.S., University of Rhode Island
• Peter Petrone, MBA, B.S., Bryant University; MBA, University of Rhode Island
• Susan Root, M.A.T., B.A., University of Rhode Island; M.A.T., Rhode Island School of Design
• William Shepherd, B.A., A.S., B.A., Rhode Island School of Design
• Gilbert Stringer, B.S., B.S., Johnson & Wales University
• Jeff Tagen, B.A., B.A., University of Rhode Island
• Jesse Thompson, B.F.A., B.F.A., College of New Jersey; B.F.A., Rhode Island School of Design
• Matthew Ventura, MBA, B.S.C.E.E., MBA, University of Rhode Island

**Department Directories** *

**Center for Academic Support**

• Meryl A. Berstein, M.S., director, Center for Academic Support; B.S., M.S., Syracuse University
• Jeannine R. Beauvais, B.S., Learning Center supervisor; B.S., Johnson & Wales University
• Hinda Levin-Kreiger, M.S., special needs advisor; B.A., University of California at San Diego; M.S., University of Rhode Island
• Bette Nee, M.Ed., special needs advisor; B.S., Bridgewater State College; M.Ed., Cambridge College
• Phyllis Parente, M.A., special needs advisor; B.S., M.A., Rhode Island College
• Meryl Precourt, M.S., special needs advisor; B.S., Boston University; M.S., Lesley College
• Ann Roccio, M.A., special needs advisor

**Communications & Media Relations**

• Lisa Pelosi, M.A., director of communications and media relations, Providence Campus
• Miriam S. Weinstein, MBA, communications and media relations manager, Providence Campus
• Madeline Parmenter, B.A., communications and media relations specialist, Providence Campus

**Development & Alumni Relations — Providence Campus**

• TBH, director of development and alumni relations

**Library Administration**

• Rosita Hopper, D.A., dean of university libraries; B.F.A., University of Illinois; M.L.S., D.A., Simmons College

**Librarians**

• Nancy Banta-Norton, M.L.S., acquisitions & cataloging librarian; B.A., M.A., M.L.S., University of Rhode Island
• Frederick Brown, M.L.S., reference management librarian, Harborside; B.S., M.A.T., Johnson & Wales University; M.L.S., University of Rhode Island
• Erika Frank, M.L.S., reference librarian; B.A., Grenade State College; M.L.S., University of Pittsburgh
• Barbara Janson, M.S., chief librarian, Harborside; B.A., University of Massachusetts — Dartmouth; B.S., Johnson & Wales University; M.L.S., University of Rhode Island
• Richard Keogh, M.L.S., head reference librarian; B.A., Tufts University; M.A., M.L.S., University of Rhode Island
• Hilary Kraus, M.L.S., reference management librarian; B.S., Northwestern University; M.L.S., University of Michigan
• Ariela McCaffrey, M.L.S., reference and instruction librarian; B.A., Rhode Island College; M.L.S., University of Rhode Island
• David Meincke, M.L.S., digital services librarian; B.A., College of William and Mary; M.L.S., University of North Carolina—Chapel Hill
• Elizabeth Anne Nelson, M.L.S., cataloging & interlibrary loan librarian; B.A., Rhode Island College; M.L.S., University of Rhode Island
• Sue Reynolds, M.L.S., electronic resource librarian; B.A., University of Rhode Island; M.S., University of Bridgeport; M.L.S., Southern Connecticut State University
• Lisa Spicola, M.L.S., reference librarian; B.S., M.L.S., University of Rhode Island

**Dean Emerita**

• Helena Rodrigues, D.A., dean emerita; B.A., Salve Regina University; M.A., Emmanuel College; M.L.S., D.A., Simmons College

**Administration** *

**Office of the Chancellor**

• John J. Bowen ’77, M.M., DBA (hon.), chancellor
• Thomas L.G. Dwyer, MBA, vice chancellor
• Emily A. Gilcreast, B.S., chief of staff and assistant corporate secretary

**Office of the Providence Campus President and Chief Operating Officer**

• Mim L. Runey, L.P.D., president, Providence Campus and chief operating officer
• Jeffrey Fitton, B.A., director of presidential events
• Diane Millard, B.S., executive assistant to campus president and chief operating officer

**Office of the Provost**

• Veera S. Gaul, Ph.D., ’91 M.S., provost
• James E. Griffin, Ed.D., ’88, ’92 M.S., associate provost
• Susan Pasquale, Ph.D., assistant provost
• Karl Guggenmos, MBA, WACS Global Master Chef, A.A.C., university dean of culinary education
• Paul McAvey ’78, ’09 Ed.D., dean of culinary academics
• Cynthia L. Parker ’09 MBA, director of academic accountability and initiatives
• Amy L. Ricci, M.A., MBA, director of online learning

**Academic Affairs**

• Jeffrey D. Senese, Ph.D., vice president of academic affairs
• Ian Canning, MBA, director of continuing education
• Richard L. Brush, MBA, C.H.E., dean of special projects
• Rosita E. Hopper, M.L.S., dean of university libraries

**Admissions**

• Kenneth DiSaia, MBA, senior vice president of enrollment management
• Jeanne Blanchette, B.S., admissions recruitment analyst
• Allan G. Freedman, Ed.D., director of graduate admissions
• Thomas Gauthier, M.S., director of educator partnerships and scholarship programs
• Cuneyt Isip, MBA, director of admissions systems and operations
• Joanne McQuesten, MBA, director of continuing education admissions
• Rita Mulligan, M.S., director of international admissions operations
• Caroline Pelland, MBA, campus liaison
• Amy Podbelski, B.A., director of undergraduate admissions
• William Priante, B.S., Providence Campus dean of admissions
• James Richard, B.S., director of culinary admissions
• Al Seitz, MBA, director of the admissions representative network
• Manny Tavares, M.Ed., dean of international recruitment and training
• Patricia VanWormer, B.A., director of admissions marketing

**Alumni Relations — University**

- Steven Shipley, M.A.T., executive director of alumni relations
- Terrence Williams, M.S.M., executive director of alumni strategic planning and international relations

**Campus Safety & Security**

- Michael P. Quinn, M.A., executive director of campus safety and security

**College of Culinary Arts — University**

- Karl Guggenmos, MBA, WACS Global Master Chef, A.A.C., university dean of culinary education
- Reggie Dow, A.O.S., director of culinary procurement
- Paul McVety, Ed.D., dean of culinary academics
- Jeannette Scarcella, MBA, culinary relations & programs officer
- Susan Wallace, M.S., executive director of food safety

**Compliance, Internal Audit & Risk Management**

- Rebeka Mazzone, B.S., C.P.A., C.C.E.P., acting director, compliance, internal audit & risk management
- Michael Stuard, C.P.A., internal auditor
- Sandra Lawrence, A.S., compliance officer
- Jayne M. Del Sesto, ’05, ’10 MBA, policy coordinator

**Experiential Education & Career Services**

- Maureen Dumas, M.Ed., vice president of experiential education & career services
- Gregory F. Lorenz, Ph.D., dean of experiential education
- Sheri L. Isip, M.S., director of experiential education & career services
- Akanksha Aga, MBA, assistant director of employer relations
- Andrea Frost, MBA, assistant director of experiential education
- Donna Remington, MBA, assistant director of career services

**Facilities Management/Physical Plant**

- Merlin A. DeConti Jr., M.S., P.E., senior vice president of facilities management
- Christopher O. Placco, A.I.A., N.C.A.R.B., M.S., MBA, vice president of facilities management
- Marc F. Gracie, B.S.C.E., MBA, executive director of facilities

**Finance**

- William F. McArdle, B.S., C.P.A., treasurer and chief financial officer
- Joseph J. Greene Jr., ’88, M.S., C.P.A., assistant treasurer and vice president of finance
- Alan Restivo, MBA, university controller
- Maria Rix, B.S., assistant university controller
- Akhil Gupta, M.S.C., senior financial analyst
- Eileen T. Haskins ’84, ’99 M.S., university budget director

**Human Resources & Payroll**

- Diane D’Ambra, M.S., vice president of human resources
- Rebecca Tondreau, director of human resources
- Christine Oliver, director of benefits
- Frances Harnois, A.S., C.P.P., director of payroll
- Diane Bonin, B.S., director of student employment

**Information Technology**

- John Smithers, B.A., vice president of information technology and chief information officer
- Bill Prew, M.S., executive director of university information systems
- Stephen A. Sabetta, MBA, P.M.P., director of IT project management office
- Nicholas M. Tella, MBA, information security specialist
- Deborah J. Towey, MBA, executive director of IT operations

**Institutional Advancement**

- Page Cooper Sciotto, MBA, executive director of university advancement services
- Ann-Marie Reddy, B.A., director of the annual fund
- Maureen Rooney, M.A., director of prospect research
- Michael J. Schrader, B.A., director of grants & giving

**International Center**

- Shelley Stephenson, Ph.D., dean of international programs and development
- Paul D. Lacroix, D.E.F.M., dean emeritus, international affairs
- Katie Gilbertson, M.A., director of international student services
- Michael Waugh, M.A., director of study abroad programs

**Office of the General Counsel**

- Wayne M. Kezirian, J.D., senior vice president and general counsel
- Elizabeth S. Small, J.D., associate general counsel
- Claire K. Hall, J.D., assistant general counsel
- Bud Remillard, J.D., assistant general counsel

**Office of Law & Policy**

- Barbara L. Bennett, J.D., senior vice president of law & policy and corporate secretary
- Gloria Hill, executive assistant to the senior vice president of law & policy

**Online Learning**

- Amy L. Ricci, MBA, M.A., director of online learning

**Practicum Educational Facilities**

- Michael Downing, M.S., C.H.A., F.M.P., vice president of auxiliary services
- Jose Estrompa, B.A., C.H.A., general manager, Radisson Hotel Airport Providence; managing director, Johnson & Wales Inn
- Katherine Kavanagh, M.S., director of catering and special events
- Steven Sandblom, F.M.P., director of campus dining
- Kenneth Watt, B.S., C.C.E., executive chef, practicum properties

**Special Projects**

- Kenneth R. Levy, M.A., senior vice president of special projects

**Student Academic & Financial Services**

- Marie Bernardo-Sousa, M.S., senior vice president of student services
- Gail Nevedonski, B.S., registrar
- Denise Duval, MBA, coordinator of transfer and testing
- Lynn M. Robinson, M.S., executive director of student academic and financial services
- Dawn Blanchette, B.S., director of financial aid and planning
- Jane Hanna, M.A., director of academic counseling
- Tammy Harrigan, M.S., director of financial aid and counseling
- Kris McManara, M.S., director of student communications
- Shelley Stephenson, Ph.D., dean of international services & programming
- Kathi Tavares, B.S., director of student billing and collections

**Student Affairs**

- Ronald Martel, Ph.D., vice president of student affairs and dean of students
- Joseph Barresi Jr., Ph.D., L.I.S.C.W., L.C.D.P., director of counseling services
- Everett Brooks, B.A., director of community relations
- Robert Ducoff, D.D.S., university dentist
• Nancy Hardendorf, B.S., director of parent relations
• Scott Lyons, M.A., director of student activities
• William Palumbo, M.D., university physician
• John Parente, executive director of athletics
• Korina Ramsland, B.S., director of the gender equity center
• Patricia Rollins Trosclair, M.A., coordinator of the Intercultural Center
• Dameian Slocum, MBA, director of residential life
• Wendy Speck, R.N.C., director of health services
• Jeanine B. Went, M.M., director of new student orientation
• Christopher Zacharda, Ed.D., director of student conduct

**University Creative Services Group**

• Greg DiStefano, MBA, executive director of university marketing
• Dora Kuan, M.S., director of university Web communications
• Catherine Sengel, editor of JWU Magazine

* This is only a partial listing.
Programs of Study

Below is a list of Programs of Study for Johnson & Wales University.

Please note that certain programs of study at the university, including equine programs and programs in the College of Culinary Arts and The Hospitality College, include technical standards (p. 97) in the academic requirements essential to the program. Students with disabilities may contact the Center for Academic Support at the applicable campus for further information about these technical standards.

- **Associate in Science (A.S.) Degree**
  - Baking & Pastry Arts (p. 29)
  - Computerized Drafting (p. 30)
  - Computing Technology Services (p. 31)
  - Culinary Arts (p. 32)

- **Bachelor of Science (B.S.) Degree**
  - Accounting (p. 33)
  - Baking & Pastry Arts and Food Service Management (p. 35)
  - Business Administration (p. 36)
  - Counseling Psychology (p. 37)
  - Criminal Justice (p. 38)
  - Culinary Arts & Food Service Management (p. 39)
  - Finance (p. 40)
  - Hotel & Lodging Management (p. 41)
  - Information Science (p. 42)
  - Management (p. 43)
  - Management (Accelerated) (p. 44)
  - Marketing (p. 45)
  - Restaurant, Food & Beverage Management (p. 46)
  - Risk Management (p. 47)
  - Travel-Tourism & Hospitality Management (p. 48)

- **Certificate**
  - Computer-Aided Drafting (p. 49)
  - Criminal Justice (p. 50)
  - Management (p. 51)
Baking & Pastry Arts
(College of Culinary Arts)

Associate in Science (A.S.) Degree
The associate degree program in Baking & Pastry Arts provides students with practical education in baking and pastry production, while developing professionalism and excellence in academic achievement. Hands-on training is paired with academic courses resulting in a curriculum that is both dynamic and directly aligned with industry needs.

First-year Baking & Pastry Arts students rotate through one term of academics which includes Food Safety and Sanitation, and two terms of hands-on laboratory classes. Emphasis is placed on skills development and techniques of combining basic ingredients to produce classic pastries, basic breads, cakes and plated desserts.

The second year emphasizes advanced techniques in classical and international preparation and production of cakes, tortes and sugar work. Academic courses include leadership studies, nutrition, communication skills, and food and beverage cost control.

Baking & Pastry Internship
During pastry internship, students participate in actual public food service operations in preparation for future careers. Possible sites include university-owned or operated practicum educational facilities, hotels, restaurants, country clubs, resorts, casinos, contract food service providers and bakeries. Eligibility requirements for certain sites include a 2.75 cumulative GPA and completion of all prerequisite course work. Additionally, select students have the opportunity to participate in international internships at host company sites throughout the world, which are chosen by the university. In addition to meeting specific college eligibility requirements, students interested in completing internship in a targeted country must maintain a 3.25 cumulative grade point average and have a minimum of one year of work experience in a full-service bakery or similar experience in a hotel, resort or restaurant.

Upon completion of the Baking & Pastry Arts associate degree program, graduates may find employment in hotels, clubs and resorts, retail bakeries, restaurants and wholesale pastry shops.

Graduates of this program are eligible, or may apply, for entrance into the following bachelor of science degree programs: Baking & Pastry Arts, Baking & Pastry Arts and Food Service Management, Culinary Nutrition or Food Service Entrepreneurship. Certain requirements pertain to each of these bachelor’s degree programs, which are noted in their respective program descriptions.

NUTR2001 Introduction to Nutrition 4.5
Science One SCI-designated course ** 4.5

Total Credits 96.0

* Students must pass a national exam that is recognized by the Conference for Food Protection as a graduation requirement.
** Students who plan to enter the Culinary Nutrition program should select SCI1015 Introduction to Life Science.

NOTE: Students must pass MATH0010 Basic Mathematics or have equivalent placement scores to enroll in required math course(s).

Four-Year Options:
- Baking & Pastry Arts (http://catalog.jwu.edu/programsofstudy/culinary/baking-pastry-arts)
- Baking & Pastry Arts and Food Service Management (http://catalog.jwu.edu/programsofstudy/culinary/baking-pastry-arts-food-service-management)
- Culinary Nutrition (http://catalog.jwu.edu/programsofstudy/culinary/culinary-nutrition)
- Food Service Entrepreneurship (http://catalog.jwu.edu/programsofstudy/business/food-service-entrepreneurship)
Computerized Drafting
(School of Technology)
Associate in Science (A.S.) Degree

The goal of the two-year associate in science degree program in Computerized Drafting is to combine academic theory, basic drafting methods, computer-aided drafting techniques and general communications skills with the practical experience necessary for entry-level CAD drafting skills applicable to engineering fields that utilize mechanical, architectural or electrical applications.

Upon completion of this program, students may seek immediate career opportunities in state and local government public works and transportation departments, or architectural, electronics and manufacturing industries as draftspersons and/or CAD operators. Students may also choose to continue their studies in the Engineering Design & Configuration Management bachelor of science degree program (day program only).

Elective

One course with an EASC attribute selected from offerings within the School of Arts & Sciences 4.5

Total Credits 96.0

NOTE: Students must pass MATH0010 Basic Mathematics or have equivalent placement scores to enroll in required math course(s).

Four-Year Options:

• Engineering Design & Configuration Management (http://catalog.jwu.edu/programsofstudy/technology/engineering-design-configuration-management)
Computing Technology Services

(School of Technology)

Associate in Science (A.S.) Degree

This two-year associate degree program focuses on the technical and computer skills required by entry-level technology support positions. At the same time the curriculum recognizes that technical skills are not the only requirement for technical support professionals. The appropriate balance of business, people and technical skills is vital to the success of today’s information technology support professional. Therefore, the curriculum has been expressly designed to also ensure individuals have the necessary oral, written and critical thinking skills to help them with their professional responsibilities.

Courses include substantial hands-on work with software and hardware commonly used in business environments today, with the successful associate candidate prepared to sit for obtaining both A+ certification and Microsoft Office Specialist certification. Students also work hands-on with software and hardware specifically related to the support function, becoming familiar with common support software and tools.

Upon successful completion of this program students may seek employment in entry-level positions such as help desk analyst, software support specialist, computer use support specialist, and call center specialist in a variety of business settings. Students may continue their studies with junior-year status in the university’s bachelor of science degree program in Information Science.

Four-Year Options:

- Information Science (http://catalog.jwu.edu/programsofstudy/technology/information-science-bs)
Culinary Arts

(College of Culinary Arts)

Associate in Science (A.S.) Degree

The associate degree program in Culinary Arts provides students with practical education in food production, while developing professionalism and excellence in academic achievement. Students progress through a program of study that builds proficiency in food production and cooking, cost control, nutrition, sanitation, food safety and food marketing. Hands-on training is paired with traditional academic courses resulting in a curriculum that is both dynamic and directly aligned with industry needs.

The focus of the first-year culinary lab classes is development and practice of cooking skills, complemented by the development of baking, dining and beverage service skills, which includes national certification in alcohol intervention procedures. The academic areas include mathematics, introduction to menu planning and cost control, English composition, community service, professional development and a national food safety certification.

Second-year laboratories include advanced techniques in classical and international cuisines, garde manger, patisserie/dessert and dining room, as well as the academic areas of leadership studies, personalized nutrition management and communication skills.

Students will experience one term of experiential education, which includes internships.

Culinary Internship

During culinary internships, students participate in actual public food service operations in preparation for future careers. Possible sites include university-owned or operated practicum educational facilities, hotels, restaurants, country clubs, resorts, casinos, spas and contract food service providers.

Eligibility requirements for certain sites include a 2.75 cumulative GPA and completion of all prerequisite coursework. Additionally, select students have the opportunity to participate in international internships at host company sites throughout the world, which are chosen by the university. In addition to meeting specific college eligibility requirements, students interested in completing an internship in a targeted country must maintain a 3.25 cumulative grade point average and have a minimum of one year of work experience in a full-service restaurant or similar experience in a hotel or resort.

Graduates of the associate degree program in Culinary Arts have the opportunity to gain employment in the food service industry, which would include a variety of positions in full-service restaurants, hotels, clubs and resorts catering operations, quantity food production facilities, health spas and cruise lines.

Graduates of this program are eligible, or may apply, for entrance into the following bachelor of science degree programs: Baking & Pastry Arts, Culinary Arts and Food Service Management, Culinary Nutrition or Food Service Entrepreneurship. Certain requirements pertain to each of these bachelor degree programs, which are noted in their respective program descriptions.

Culinary International Exchange

Each year, a select group of second-year students is chosen to participate in a student international exchange program with culinary arts schools in Ireland and France. For one term, JWU students attend classes in either of these countries. In exchange, students from these schools attend culinary classes at Johnson & Wales University. Selected students receive full academic credit for the term abroad.

Teaching Assistant and Fellow Scholarship Program

Each year, administrators at the College of Culinary Arts, in conjunction with the administration of university owned or operated practicum educational facilities, select Teaching Assistant candidates from among the top students of the graduating class in the Culinary Arts and Baking & Pastry Arts associate degree programs. Students who are continuing their education at the university as Teaching Assistants must be enrolled in a day school program. Qualified Teaching Assistants may advance to Fellow during their senior year. These opportunities allow students to help defray the costs of advanced study while developing their supervisory/management skills.

Culinary Arts

A two-year program leading to the associate in science degree:
Accounting

(College of Business)

Bachelor of Science (B.S.) Degree

The Accounting bachelor’s degree program prepares students for the wide range of career opportunities available to accounting professionals. Students in the program receive a solid foundation in accounting theory and practice as well as in the areas of business, communications and general studies.

Graduates of the program should be able to demonstrate the professional competency and skills necessary to analyze and record business transactions, prepare financial statements, and perform other functions required by the profession effectively using their comprehension of Generally Accepted Accounting Principles (GAAP). In addition, students should be able to demonstrate the ability to use logic and critical thinking to assist in the decision-making process as well as to make recommendations to individuals and organizations relying on financial information.

An important component of the program’s educational experience is the general studies courses taught by the School of Arts & Sciences. Graduates are expected to show competencies in higher order thinking, communications, ethics, global diversity, responsible citizenship, leadership and artistic responsibility. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

Students completing the program are well positioned for entry-level opportunities in public accounting firms and similarly challenging opportunities in private, governmental and not-for-profit organizations. Positions include staff accountants, cost accountants, tax accountants and auditors.

Students who maintain at least a 2.75 grade point average may have the opportunity to participate in internship opportunities either on or off campus. By participating in an internship students receive hands-on experience by performing accounting functions for various university operations and may graduate with experience in such areas as accounts payable, accounts receivable and general ledger.

Students are required to complete one 22.5 credit concentration or accounting option per program guidelines. Students are encouraged to meet with their faculty advisor before selecting a concentration so that the concentration selected best prepares the student for his or her career goal. Students may also apply for an internship in place of one term of classroom studies.

Concentrations for Accounting Majors

Students wishing to satisfy the 150 Hours of College Education requirement, now required in many states before being allowed to take the Uniform Certified Public Accountants Examination, may achieve this objective and at the same time earn a master’s degree by applying for acceptance to the university’s Graduate School at the end of their junior year. Acceptance will be granted provided the student receives the recommendation of two undergraduate faculty members, successfully completes an interview process, and fulfills the requirements for the bachelor of science degree.

To maximize the benefits of choosing electives, and because of different state requirements, students desiring to sit for the Uniform CPA Examination are urged to contact their faculty advisor early in the program.

Casino Operations (for Accounting Majors)

ACCT3055 Casino Accounting 4.5
PSYC2040 Psychological Issues of Addiction and Compulsive Behavior 4.5
SEE2030 The Entertainment Industry 4.5

Retail Industry (for Accounting Majors)

ACCT3045 Internal Auditing 4.5
RTL1005 Retailing 4.5
RTL3010 Merchandise Buying 4.5
RTL3020 Merchandise Mathematics 4.5
RTL3030 Competitive Retail Strategies 4.5

Total Credits 22.5

State Boards of Accountancy Examination Requirement

State Boards of Accountancy Examination Requirement*

One accounting elective selected from courses in the General Accounting option above

AND

Four courses with an EASC attribute selected from offerings within the School of Arts & Sciences or any other general studies course.

*Some states require the successful completion of at least 20 courses in liberal arts subjects prior to being allowed to take the Uniform CPA Examination. Students are urged to meet with their faculty advisor by the end of their first term of study to determine if this examination requirement applies for the state in which they plan on becoming certified.

**Total Credits**: 190.0

* Students choosing the Casino Accounting concentration must choose PSYC2001 Introductory Psychology to meet the prerequisite for PSYC2040 Psychological Issues of Addiction and Compulsive Behavior required in the concentration.

** Students choosing the Fraud Examination concentration must choose SOC2001 Sociology I to meet the prerequisite for CJS2050 Criminology in the concentration.

*** Students planning on becoming Certified Public Accountants in those states requiring the successful completion of at least 20 courses in liberal arts subjects prior to being allowed to take the Uniform CPA Examination should complete courses with an EASC attribute selected from offerings within the School of Arts & Sciences or any other general studies course to satisfy the free electives requirement. Students are urged to meet with their faculty advisor by the end of their first term of study to determine the examination requirements for the state in which they plan on becoming certified.

NOTES: Students must pass MATH0010 Basic Mathematics, or have equivalent placement scores to enroll in required math course(s).

Students who graduate with a bachelor of science degree must leave Johnson & Wales University with effective writing skills. These writing skills will be assessed at the completion of ENGL1021 Advanced Composition and Communication.

Study Abroad programs may satisfy a variety of History, Sociology, English and other elective requirements. Visit Study Abroad for details.

Free elective(s) may be satisfied by an internship. Contact EE&CS for details.
Baking & Pastry Arts and Food Service Management

(College of Culinary Arts)
(Hospitality College)

Bachelor of Science (B.S.) Degree

The Baking & Pastry Arts and Food Service Management program combines the strength of baking and pastry arts and management in order to prepare students for a management career in front- or back-of-the-house. Graduates of the Baking & Pastry Arts and Food Service Management program with sufficient experience may obtain positions in a variety of areas that include, but are not limited to, restaurant manager, kitchen manager, pastry chef, executive chef, food and beverage director, catering manager, room service manager, sous chefs, beverage manager and dining room manager. The curriculum provides ample opportunity for students to build upon their leadership and management abilities, cooking techniques, critical thinking, personal accountability and ethical behavior, problem-solving techniques, strong financial analysis skills and customer awareness. The Baking & Pastry Arts and Food Service Management degree develops a culinary foundation and management philosophy in its graduates.

The program allows students to receive a world-class baking and pastry and hospitality education. The program’s strength is that students receive several senior-level capstone experiences in culinary arts, hospitality operations and strategic management.

Baking & Pastry Arts and Food Service Management

* Spanish is the recommended language.
** Students may not choose the combination of MATH2001 Statistics and SOC2001 Sociology I to fulfill this requirement.
+ Course is offered both online and face-to-face.
Business Administration
(College of Business)
Bachelor of Science (B.S.) Degree

The program in Business Administration prepares students for a variety of career options in business. The program and its courses are integrated to include an overall introduction and concentration on business administration and several complementary areas of study. Students will have the opportunity to complete concentrations in a wide range of areas from the university’s offerings while completing other enriching business courses. Through the University’s unique career education model, the faculty will assist students to choose a curriculum that is in alignment with their interests and career goals. Students in this major will also have the ability to engage in study abroad, directed work experiences and internships.

**Free Electives**

Three courses selected from 1002-4999 numbered offerings within the university.

Total Credits 190.0

* Students meeting eligibility criteria may elect a Management or Marketing Internship, SWAP (Students Working Abroad Program) or summer study abroad to satisfy requirements. Otherwise, students must take three additional career electives from the College of Business or School of Technology.

Career electives may be used to satisfy a business concentration. Required courses cannot be used to fulfill a concentration.

** NOTES: Students must pass MATH0010 Basic Mathematics or have equivalent placement scores to enroll in required math course(s).

Study Abroad programs may satisfy a variety of History, Sociology, English and other elective requirements. Visit Study Abroad for details.

Students who graduate with a bachelor of science degree must leave Johnson & Wales University with effective writing skills. These writing skills will be assessed at the completion of ENGL201 Advanced Composition and Communication.
Counseling Psychology

(School of Arts & Sciences)
Bachelor of Science (B.S.) Degree

The Counseling Psychology program prepares students for careers as – case/program workers and managers and aids who assist counselors in resolving clients’ personal, family, educational, mental health or work related issues. Graduates of this program may pursue employment in the public or private sectors working in educational settings, private agencies, hospitals, rehabilitation centers or in non-profit organizations.

Courses have been selected to provide students with a broad foundation of knowledge concerning human thoughts, emotions and behaviors. The program features a significant number of psychology courses which address both the biological and psychological motivations for certain behaviors. Sociology courses also play a major role by exploring the impact that a person’s social environment (i.e., family, culture, religion, etc.) has had on his/her development. Knowledge gained in these disciplines is then examined from the counseling psychology perspective to determine viable modes of intervention and treatment, if such actions are warranted.

Consistent with the Johnson & Wales University experiential education philosophy, Counseling Psychology students also gain practical experience while enrolled in this program. For example, courses like Principles of Group Counseling and Counseling Theories and Techniques provide students with classroom exercises in which they learn about, role play and model various counseling practices. Graduates of this program will be expected to employ critical thinking skills and ethical principles essential to interacting with and successfully treating clients in the professional environment.

To remain in the Counseling Psychology program, students must maintain a 2.75 GPA in their major courses (which is the minimum requirement for internship and capstone) or have permission of the program director.

In addition, students are expected to use the American Counseling Association (ASA) Code of Ethics and Standards of Practice as a guide for ethical behavior throughout the program.

PLEASE NOTE: A Master of Science degree is usually required for licensed positions as professional mental health counselors, marriage and family counselors and social workers. At completion of the bachelor’s degree program in Counseling Psychology, students may also choose to pursue a Master of Science degree in Counseling Psychology. The Bachelor of Science degree program prepares students for entry level case/program workers and managers and aid positions who assist licensed counselors.

Admission Standards
• Preference will be given to applicants who have maintained a B average or higher in a college prep curriculum throughout high school.
• Submission of SAT or ACT scores is strongly recommended.
• Students who wish to transfer into the Counseling Psychology program may do so if they have met the following criteria: a B average or better in all psychology courses and a 2.5 cumulative GPA.

Study Abroad programs may satisfy a variety of History, Sociology, English and other elective requirements. Visit Study Abroad for details.

Students who graduate with a bachelor of science degree must leave Johnson & Wales University with effective writing skills. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication.

Johnson & Wales University 37
Criminal Justice

(College of Business)

Bachelor of Science (B.S.) Degree

The goal of the Criminal Justice program is to graduate students who are prepared for careers in law enforcement, the court system or corrections. Through this course of study, students are expected to acquire the communication, logic, critical thinking, and ethical reasoning skills essential for the understanding of criminal justice issues and for effective career performance.

The program’s judicious mix of criminal justice, business, technology, and arts & sciences courses, is intended to enhance each student’s appreciation of diversity, citizenship, leadership, science and technology, qualitative and quantitative analysis, and social and business culture.

In keeping with the unique curriculum and varied career opportunities available to graduates of the criminal justice program, and with the advice of the student’s faculty advisor and career advisor, students are encouraged to concentrate in one or more of the programs offered by the School of Arts & Sciences and/or the College of Business. A student may also pursue a collection of criminal justice electives which target their interests and goals.

Criminal justice students also have the opportunity to participate in an internship. Selected criminal justice students must possess a 2.75 GPA overall and a 2.75 GPA in the Criminal Justice major to take this option.

The bachelor of science degree is beneficial when competing for a first job placement and for career advancement. Typical career tracks for graduates of the criminal justice program may include policing on the local, state or federal levels; court administration; corrections, probation or parole officers; private security and loss prevention managers; and social service providers.

Criminal Justice Master of Science Program (Providence Campus)

JWU also offers a Master of Science Degree in Criminal Justice that provides a unique combination of management and criminal justice education. This program is relevant to criminal justice students whose goal is to assume management responsibilities at some point in their careers. The criminal justice field requires graduates to have comprehensive analytical skills, and the master of science program teaches not only these skills but also a broad understanding of the global nature of the criminal justice business.

For more information contact Graduate Admissions Ph: 1-800-DIAL-JWU ext. 1015 or 401-598-1015 Fax: 401-598-1286 E-mail: gradschool@admissions.jwu.edu Web: www.jwu.edu/graduate

Students who graduate with a bachelor of science degree must leave Johnson & Wales University with effective writing skills. These writing skills will be assessed at the completion of ENGI021 Advanced Composition and Communication.

Study Abroad programs may satisfy a variety of History, Sociology, English and other elective requirements. Visit Study Abroad for details.
Culinary Arts & Food Service Management

(College of Culinary Arts)
(Hospitality College)

Bachelor of Science (B.S.) Degree

The Culinary Arts and Food Service Management program combines the strength of culinary arts and management in order to prepare students for a management career in front- or back-of-the-house. Graduates of the Culinary Arts and Food Service Management program with sufficient experience may obtain positions in a variety of areas that include, but are not limited to, restaurant manager, kitchen manager, executive chef, food and beverage director, catering manager, room service manager, sous chefs, beverage manager and dining room manager.

The curriculum provides opportunities for students to build upon their leadership and management abilities, cooking techniques, critical thinking, personal accountability and ethical behavior, problem-solving techniques, strong financial analysis skills and customer awareness. The Culinary Arts and Food Service Management degree develops a culinary foundation and management philosophy in its graduates.

The program allows students to receive a world-class culinary arts and hospitality education. The program’s strength is that students receive several senior-level capstone experiences in culinary arts, hospitality operations and strategic management.

Students may choose to focus their studies by selecting their electives in such areas as food and beverage, resort or dining management. The Resort Management and Casino & Gaming Operations concentrations allow students to focus on these two rapidly growing segments of the hospitality industry. The Food & Beverage Management concentration allows students to focus on this vital area of the hospitality industry. Courses are ideal for candidates interested in working with beverages, non-commercial, chain, franchises or restaurant operations.

Culinary/ Hospitality Electives

Three to five courses with an EHSP, ECUL or EBPA attribute selected from offerings within The Hospitality College or the College of Culinary Arts

Electives

Nine courses with an EHSP, ECUL or EBPA attribute selected from offerings within the School of Arts & Sciences which may be used to form an arts & sciences concentration.

NOTES: Students who graduate with a bachelor of science degree must leave Johnson & Wales University with effective writing skills. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication.

Study Abroad programs may satisfy a variety of History, Sociology, English and other elective requirements. Visit Study Abroad for details.
Finance

(College of Business)
Bachelor of Science (B.S.) Degree

The Finance degree program prepares students for careers in corporate finance and/or the financial services industry.

The finance curriculum is designed to meet the needs of some of the most prestigious industry certifications. As finance majors, students gain exposure to a broad range of financial practices with studies focusing on areas leading to positions in investment analysis, corporate finance, risk management and financial planning. Students choose a concentration from approved program options that help them meet their career goal. Students are encouraged to meet with their faculty advisor before selecting a concentration to facilitate choosing a concentration that best matches the student's career goals.

Graduates are expected to demonstrate an ability to use logic, critical thinking and analytical skills to assist in the decision making process as well as to make recommendations to individuals and organizations using financial information.

An important component of the program’s educational experience is the general studies courses taught by the School of Arts & Sciences. Graduates are expected to show competencies in higher order thinking, ethics, global diversity, responsible citizenship and leadership. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

Students who maintain a grade point average of at least 2.75 may also have the opportunity to participate in a Finance Internship to gain experiential education by completing a work experience in their area of interest. Additional options are also available for foreign travel through the study abroad program.

**NOTES:** Students must have MATH0010 Basic Mathematics or equivalent placement scores to enroll in the math requirement.

Students who graduate with a bachelor of science degree must leave Johnson & Wales University with effective writing skills. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication.

Study Abroad programs may satisfy a variety of History, Sociology, English and other elective requirements. Visit Study Abroad for details.
Hotel & Lodging Management

(Hospitality College)

Bachelor of Science (B.S.) Degree

The Hotel & Lodging Management bachelor's degree program focuses on current best practices for operational, strategic and staff management in lodging properties and companies. Lodging is defined as activities related to commercial, overnight accommodations of all types, including hotels, resorts and smaller lodging properties (e.g., boutique hotels, country inns, B&Bs, etc.).

The degree prepares graduates for employment in operational management or professional staff positions within commercial lodging companies, as well as positioning them to move up to higher-level positions such as general manager and various corporate staff positions. Possible career tracks might relate to front office management, housekeeping, food and beverage management and affiliated activities such as concierge, spa management, property sales and marketing, convention services, meeting and event planning, resort activities, revenue management, controller, development, regional management, etc.

Graduates are expected to be able to utilize their technical and management skills, as well as apply critical thinking skills, ethical standards and problem-solving techniques within a lodging organization.

Hotel & Lodging Management students complete a required internship experience at a commercial lodging venue as part of the program.

Concentrations for Hotel & Lodging Management Majors

At least one three-course Hospitality College concentration is required for graduation. This program allows students to select concentrations that can lead to career growth within lodging companies or to enhance their initial and subsequent career opportunities. Students may elect to use their hospitality and free elective credits for a second concentration, an internship or a summer abroad program.

While all Hospitality College concentrations are available to students in this degree, the following concentrations are recommended: Resort Management; International Hospitality Operations (summer program only); Entrepreneurship; Casino & Gaming Operations or Food and Beverage Management.

Free Elective **

One course selected from 1400-4999 numbered offerings within the university (except ACCT1005, CJS1002, MGMT2001). (It is important to save this elective if you plan to participate in a Hospitality study abroad program.)

Total Credits 187.0

* Students must pass a national exam that is recognized by the Conference for Food Protection as a graduation requirement.

** Elective courses allow students to enhance their education by earning a second concentration or by participating in an internship or study abroad program. Students use two Hospitality Electives and one Free Elective toward this option.

NOTES: Students must pass MATH0010 Basic Mathematics or have equivalent placement scores to enroll in required math course(s).

Students who graduate with a bachelor of science degree must leave Johnson & Wales University with effective writing skills. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication.

Study Abroad programs may satisfy a variety of History, Sociology, English and other elective requirements. Visit Study Abroad for details.
Information Science (School of Technology)
Bachelor of Science (B.S.) Degree

The Information Science bachelor’s degree program complements a variety of associate degree programs to allow students greater flexibility in choosing a career in which computer technology plays an integral part. Students build upon the knowledge they have acquired in their associate degree programs, integrating that knowledge with the information science fundamentals of information storage, retrieval, manipulation, transmission, communication, presentation and analysis. Students also study the computer’s impact on business and industry.

As entering technology professionals within industry and the public sector, students require knowledge of the particular industry in which they seek careers. In the Information Science B.S. degree program each student, with the guidance of their faculty advisor, selects three (3) application domain courses relevant to their career goals from any college or school within the university. This provides a foundation for the student to learn how to apply information systems in support of organizational value.

Under the supervision of a faculty advisor, seniors complete a technology solo project that involves designing, building, implementing or researching a technology-based problem related to his or her degree program.

Students graduating from the program may enter the field of information technology as entry-level systems or business analysts, systems modelers or systems designers within the private or public sector.

Information Science

NOTE: Students who graduate with a bachelor of science degree must leave Johnson & Wales University with effective writing skills. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication.
Management

(College of Business)

Bachelor of Science (B.S.) Degree

The goal of the four-year Management program is to prepare graduates for careers in a variety of entry-level managerial positions in a wide range of firms. Students are expected to acquire the communication, critical thinking and ethical reasoning skills essential for today’s managers. The program’s mix of course work provides students with a broad understanding of the issues facing the business world.

An important component of the program’s educational experience is the general studies courses taught by the School of Arts & Sciences. Graduates are expected to show competencies in higher order thinking, ethics, global diversity, responsible citizenship and leadership. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

Students who maintain a GPA of at least 2.75 may have the opportunity to participate in an internship and gain experiential education in their area of interest. Options are also available for foreign travel through the study abroad program.

Regardless of what industry the student chooses to enter, an understanding of key business principles is critical to a successful career, whether it is vying for a first job placement or success later in life. A student may focus on studies leading to management positions in production operations, human resources, financial services and other service industries.

Students will choose one concentration from the university’s offerings. The university’s faculty advising system will facilitate these selections.

Marketing
(College of Business)
Bachelor of Science (B.S.) Degree

The Marketing bachelor’s degree program provides students with a broad range of knowledge and practical skills related to the fundamentals of marketing including product, pricing, promotion, distribution and customer relationship management.

Upon completion of the program, graduates are expected to demonstrate the ability to:

- develop, implement, analyze, interpret, and make recommendations based on secondary and primary research data using qualitative and quantitative methods
- analyze consumer decision-making and behavior
- prepare and conduct a professional sales presentation
- develop e-commerce, international and strategic marketing plans

Specific skills developed include managing market research projects, developing Web-based marketing programs, developing and executing brand strategies, and developing and managing comprehensive marketing plans. Students have the opportunity to hone these skills while participating in a term-long internship, held at a wide variety of host sites. This is a one-term, 4.5–13.5 credit experience with a business partner anywhere in the world. Students complete a specific business-building project, which is reviewed by the faculty advisor and the business partner.

A traditional internship experience is also offered. This is a one-term, 13.5 credit experience with a business partner anywhere in the world. Students complete a specific, business-building project, which is reviewed by the faculty advisor and the business partner.

Upon graduation, students may be employed by retail, consumer goods, industrial or advertising companies in positions that utilize these skills. Typical areas of interest include entry-level positions in sales, market research, market analysis, product development or brand management.

Students should use their career electives and free electives to create a meaningful, customized career concentration. The university’s faculty advising system will facilitate these selections.

An important component of the program’s educational experience is the general studies courses taught by the School of Arts & Sciences. Graduates are expected to show competencies in higher order thinking, communications, ethics, global diversity, responsible citizenship, leadership and artistic responsibility. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

Suggested concentrations for Marketing majors:

Charlotte Campus:
Marketing Communications
Miami Campus:
Fashion
International Business
Providence Campus:
Fashion Product Development

Restaurant, Food & Beverage Management

(Hospitality College)

Bachelor of Science (B.S.) Degree

The Restaurant, Food & Beverage Management bachelor’s degree program provides a unique combination of culinary skills and hospitality management. The focus is on current restaurant and food service management industry topics. The program also develops proficiency in the area of beverage management. Other areas of study include critical thinking, financial analysis, leadership and customer awareness in order to prepare students for a management career in the food service industry. According to the National Restaurant Association, the food and beverage industry is the largest U.S. employer besides the government.

This program includes a unique hands-on rotational internship experience at a Johnson & Wales-owned facility, or at one of our partner properties.

Graduates are expected to be able to utilize their technical and management skills as well as apply critical thinking skills, ethical standards and problem-solving techniques within a food service operation. Graduates will also identify and communicate long-range vision and strategy for a food service company.

Value-added certifications within the degree include an industry-recognized responsible alcohol service certification, the national sanitation certification (a graduation requirement), recognized by the Conference for Food Protection, and the International School of Mixology Bartending Certificate.

Science One SCI-designated course 4.5

Electives Two courses with an EASC attribute selected from offerings within the School of Arts & Sciences which may be used to form an arts & sciences concentration 9

Free Elective **

One course selected from 1002-4999 numbered offerings within the university (except ACCT1005, CIS1002, MGMT2001). It is important to save this elective if you plan to participate in a Hospitality study abroad program

Total Credits 193.0

*Students must pass a national exam that is recognized by the Conference for Food Protection as a graduation requirement.

** Elective courses allow students to enhance their education by earning a second concentration or by participating in an internship or study abroad program. Students use two Hospitality Electives and one Free Elective toward this option.

NOTES: Students must pass MATH0010 Basic Mathematics or equivalent placement scores to enroll in required math course(s).

Students who graduate with a bachelor of science degree must leave Johnson & Wales University with effective writing skills. These writing skills will be assessed at the completion of ENG1021 (p. 94) Advanced Composition.

Study Abroad programs may satisfy a variety of History, Sociology, English and other elective requirements. Visit Study Abroad for details.
Risk Management

(College of Business)

Bachelor of Science (B.S.) Degree

Graduates of this program can expect to find employment in the private sector, as well as in government agencies, particularly at the federal level.

The Risk Management bachelor’s degree program is designed to provide graduates with strong management and security management foundations as well as advanced studies in this rapidly growing field. Security is one of the fastest-growing industries worldwide, with a strong demand for investigators in areas including computer and financial information security, as well as managers and directors of security and risk management at major corporations and organizations. The demand for heightened security and mitigation of risk in many industries is driven by activities that disrupt normal operations including fraud, information theft, computer hacking, workplace violence, terrorism and economic crime.

This program teaches business operations and security/risk management, as well as providing an understanding of financial data and network environments. Students will learn about the latest trends, issues, and concerns within the field while completing course work in security/risk, computer science, electronics, business management, law, accounting, personnel and information management.

Risk management is a private industry-focused field that supplements public agency protection. Security/risk managers work with staff and technology to protect assets, personnel and property from outside threats. They also work with local, state and federal law enforcement.

Graduates are expected to demonstrate an ability to use logic, critical thinking and analytical skills to assist in the decision making process as well as to make recommendations to individuals and organizations using financial information.

An important component of the program’s educational experience is the general studies courses taught by the School of Arts & Sciences. Graduates are expected to show competencies in higher order thinking, ethics, global diversity, responsible citizenship and leadership. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

Students are required to complete a 13.5 credit internship as part of the program.

### Bachelor of Science (B.S.) Degree

The Travel-Tourism & Hospitality Management bachelor’s degree program provides a broad-based option for students incorporating the hotel, travel/tourism and food segments of the hospitality industry with special focus given to travel/tourism.

This bachelor’s degree program places an emphasis on tourism as the glue that holds the industry together — especially in course offerings and the term-long experiential learning program. The highlight of the program is the Familiarization (FAM) Tour, a class project to a domestic or international destination. Students are required to research, budget, plan, promote and implement the tasks of a tour escort and tour guide. The program is also enhanced by mini-FAM tours and site visits. Graduates are expected to be able to utilize their technical and management skills as well as apply critical thinking skills, ethical standards and problem-solving techniques within a tourism setting. Graduates will also identify and communicate long-term vision and strategy within a tourism business environment.

Graduates of the program will be employed in all industry segments due to its more generalized curriculum, but the emphasis on travel/tourism will provide specific career options in destination marketing organizations such as CVBs and tourism offices, resorts, tour operators, travel industry suppliers such as airlines, cruise lines or ground transportation, and various international operators. Students can further customize their degree by selecting a concentration option specific to their area(s) of interest.

### Programs of Study

NOTE: Students must pass MATH0010 Basic Mathematics or have equivalent placement scores to enroll in required math course(s).

Students who graduate with a bachelor of science degree must leave Johnson & Wales University with effective writing skills. These writing skills will be assessed at the completion of ENG1021 (p. 94) Advanced Composition.

Study Abroad programs may satisfy a variety of History, Sociology, English and other elective requirements. Visit Study Abroad for details.
Computer-Aided Drafting

(School of Technology)

Certificate

The certificate program in Computer-Aided Drafting is designed to enhance present drafting skills and to familiarize students with the use of computer-aided drafting techniques.

Students in this certificate program should possess basic keyboarding skills, as well as fundamental word processing and digital presentation software skills, or take FIT1012 Digital Technology for Business concurrently. They also should have basic knowledge of mechanical or architectural drafting.

Upon completion of the Computer-Aided Drafting certificate program, credits earned can be applied directly into the associate in science degree program in Computerized Drafting.

The Computer-Aided Drafting Certificate program is offered through Adult & Continuing Education only.

NOTE: Students who enroll in this certificate program are ineligible for financial aid. Contact the Financial Planning office for options.

Criminal Justice

(College of Business)

Certificate

The Certificate in Criminal Justice offers students an opportunity to explore this area of study or to build on existing skills and education in the criminal justice career field. The courses survey the major components of American criminal justice including law enforcement, the court system and corrections. Opportunities in these fields are expanding in response to heightened national security and increased focus on corporate accountability.

The Criminal Justice certificate program can benefit established professionals who may already have a degree but want to enhance their understanding of criminal justice systems and issues, as well as students interested in learning some basic principles of the field.

Completers of the certificate program will have enhanced knowledge and skills in the practices and components of the criminal justice system. All credits successfully earned in the certificate program can be applied towards a Bachelor of Science Degree in Criminal Justice.

**NOTE:** Students who enroll in this certificate program are ineligible for financial aid. Contact the Financial Planning office for options.

Management
(College of Business)

Certificate
The Certificate in Management program is designed for students who want to explore management or practicing professionals who wish to increase their effectiveness in a variety of managerial roles. The program provides an opportunity for advancing or refreshing existing skills. The program’s mix of course work provides students with a broad understanding of the issues facing the business world.

Upon successful completion of the initial courses, students apply their knowledge in courses such as strategy, behavioral modification, production operations, managerial technology and human resources.

The program prepares completers for a career in a variety of entry-level managerial positions in business and industry. The program serves to enhance advancement and development opportunities for those already in the field.

All credits successfully earned in the certificate program can be applied towards a Bachelor of Science Degree in Management.

NOTE: Students who enroll in this certificate program are ineligible for financial aid. Contact the Financial Planning office for options.

Total Credits 22.5
ACCT1005 The Accounting Field
This introductory course acquaints students with the basic principles and practices of accounting. Topics include the accounting cycle, and the nature and purpose of accounting and finance. Emphasis is placed on the national and international regulatory groups, government agencies, accounting organizations and certifications. Legal and ethical requirements are presented. The annual report and business entities are also explored. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

ACCT1006 Principles of Accounting I
Students are exposed to basic accounting procedures in the areas of current assets and fixed assets. Students identify, record and summarize accounting data, including the preparation of financial statements. Prerequisite(s): ACCT1005 or ACCT2001 or ACCT2003, Corequisite: FIT1040. (HO) Offered at Providence, Providence CE 4.5 Quarter Credit Hours

ACCT1007 Principles of Accounting II
Students are exposed to basic accounting procedures in the areas of liabilities and equity. Students also explore stock and bond transactions. Students review the income statement and balance sheet and learn to prepare the cash flow statement. Prerequisite(s): ACCT1006. (HO) Offered at Providence, Providence CE 4.5 Quarter Credit Hours

ACCT2001 Business Accounting I
The purpose of this course is to provide the student with an understanding of the processing of financial data with an emphasis on concepts rather than procedures. Accounting is presented with a focus on its business context, integrating ratios and financial statements to enhance the understanding of how the information is used as a tool for decision making in the business world. Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ACCT2002 Business Accounting II
The purpose of this course is to provide the student with an understanding of accounting for operational assets, liabilities and equity necessary in running a business and evaluating its operating results and financial conditions. This course provides the student with an understanding of the processing of financial data with an emphasis on concepts rather than procedures. Prerequisite(s): ACCT1006 or ACCT1201 or ACCT2001 or ACCT2003. Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

ACCT2003 Hospitality Accounting I
This course is designed to combine the concepts of accounting theory and practice with the specialized requirements of the hospitality industry. The course introduces the nature and purpose of accounting, the double-entry system, hospitality accounting documents, inventories, and financial statements. The student learns about accounting for the proprietorship and corporate forms of business. Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ACCT2004 Hospitality Accounting II
This course is based on the Uniform System of Accounts as endorsed by the American Hotel & Lodging Association. Comprehensive coverage is given to revenue and expense accounting, the periodic and perpetual inventory method, accounting for intangible assets, and selective topics in property and equipment accounting, as well as hospitality payroll. Prerequisite(s): ACCT1006 or ACCT1201 or ACCT2001 or ACCT2003. Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

ACCT2010 Personal Budgeting and Planning
This course focuses on personal financial planning for a variety of life situations. Topics include money management strategies, consumer credit, insuring your resources, and personal purchasing decisions. Topics are discussed with real-world applications. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

ACCT2021 Intermediate Accounting I
This course provides an introduction to financial accounting basic theory, practice and developmental framework. Students are exposed to certain assets such as cash, accounts receivable and inventories. Attention is given to their valuation and impact on periodic net income and financial position. Prerequisite(s): ACCT1007 or ACCT1202. (PT) Offered at Charlotte, Providence, Providence CE 4.5 Quarter Credit Hours

ACCT2022 Intermediate Accounting II
This course is a continuation of Intermediate Accounting I. Students are exposed to the remaining asset groups including non-current operating assets and long-term investments. Coverage also includes the entire spectrum of liabilities and stockholders equity. Prerequisite(s): ACCT2021. Offered at Charlotte, Providence, Providence CE 4.5 Quarter Credit Hours

ACCT2023 Intermediate Accounting III
This course serves as a continuation of Intermediate Accounting II. Special topics are studied such as accounting for earnings per share, income taxes, leases, pensions and the statement of cash flows. Prerequisite(s): ACCT2022. (HO) (PT) Offered at Charlotte, Providence, Providence CE 4.5 Quarter Credit Hours

ACCT2035 Accounting Software
In this interactive course, students gain experience with a commercial accounting software package. The course is conducted in a laboratory setting. The software program is selected based on local market demand and designed for small- to medium-sized businesses. Setup, maintenance and the entire accounting cycle are completed using the software. Prerequisite(s): ACCT1007 or ACCT1202. Offered at Charlotte, Providence, Providence CE 4.5 Quarter Credit Hours

ACCT2191 Accounting Internship I
This internship offers the student part-time, hands-on experience in basic bookkeeping at a university property location or an approved off-campus organization. The student has an opportunity to gain real-world experience in analyzing transactions, journalizing transactions, posting transactions, preparing various reconciliations and schedules, and general office skills and procedures. This course can be used for partial fulfillment of the free elective requirement if Accounting Internship II and Accounting Internship III are also completed. Prerequisite(s): Permission of department chair. Offered at Providence, Providence CE 1.5 Quarter Credit Hours
ACCT3011 Federal Taxes I
A study is made of federal tax laws and treasury regulations and their application to the income of individuals. Practice is given in the preparation of the tax returns, supplemental forms, and schedules required to be filed by individuals.
Prerequisite(s): ACCT1007 or ACCT2002 or ACCT2004 or ACCT1202. (PT)
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3012 Federal Taxes II
This course involves the study of federal tax laws pertaining to partnerships and corporations. Topics include the preparation of tax returns involving special problems, such as those associated with corporate reorganizations, personal holding companies and net operating losses.
Prerequisite(s): ACCT3011.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3020 Managerial Finance
The procedures and practices that successful managers use to prepare financial plans and forecasts, manage their finances, and evaluate their financial performance are examined in this course. Topics include budgeting, cash flows, and financial statement analysis. This course is not available to accounting majors.
Prerequisite(s): ACCT1007 or ACCT2002 or ACCT1202, junior status.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3023 Managerial Accounting
Designed for business students, this course focuses on the informational needs of internal users of financial information such as company officers, company executives, human resource managers, marketing managers, program directors and production operation managers. Emphasis is placed on acquiring and analyzing the financial and nonfinancial information that is needed by these users to plan, direct and control the business. This course is not available to accounting majors.
Prerequisite(s): ACCT1007 or ACCT2002 or ACCT1202, MGMT1001, junior status.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3025 Hospitality Financial Management
This course presents how accounting information is used by management to analyze and measure the efficiency and profitability of a hospitality business. The course emphasizes the managerial uses of accounting data in decision making, preparation of budgets and variance analysis, relevant cost analysis, regression analysis and cost-volume-profit relationships.
Prerequisite(s): ACCT1007 or ACCT2002 or ACCT1202, junior status. (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3030 Not-For-Profit Accounting
This course introduces students to the accounting procedures of local and state governments. It also introduces students to the accounting standards of organizations that exist and operate for purposes other than to provide goods and services at a profit. The Single Audit Act (OMB Circular A-133), government auditing standards (the "yellow book") and preparation of federal form 990 are also studied.
Prerequisite(s): ACCT2023.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3031 Cost Accounting I
This course provides an introduction to accounting in a manufacturing business. Costing procedures covered include activity-based costing, job order cost, process cost, joint cost, standard cost and variance analysis.
Prerequisite(s): ACCT1007 or ACCT2002 or ACCT2004 or ACCT1202. (PT)
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3032 Cost Accounting II
This course focuses on a study of more advanced problems encountered in a manufacturing business. Topics covered include the use of a standard cost system, variance analysis, absorption versus direct costing, break-even analysis and material and labor-related problems.
Prerequisite(s): ACCT3031.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3040 Auditing
This course is designed to acquaint the student with methods of verification, analysis and interpretation of generally accepted auditing procedures. The mechanics of planning and implementing an audit and the preparation of reports are studied.
Prerequisite(s): ACCT2023. (WI)
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3045 Internal Auditing
The internal audit function of the modern organization is the subject of this course, with a concentration on the nature of operational auditing, its objectives, procedures and standards. Attention is given to the analysis of the various administrative and accounting controls on which management depends for efficiency and effectiveness of operations.
Prerequisite(s): ACCT3040.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3050 Advanced Accounting
Advanced Accounting is designed to provide the student with a sound foundation in partnership accounting and consolidated financial statements.
Prerequisite(s): ACCT2023. (HO) (PT)
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3055 Casino Accounting
This course instructs students on the characteristics of casino accounting by providing a history of the gaming industry. This history describes the evolution of the systems of internal control used in casino operations, and illustrates the accounting methods used to comply with state and federal regulations according to generally accepted accounting principles and the AICPA Guide to the Casino and Gaming Industry.
Prerequisite(s): ACCT1007 or ACCT2002 or ACCT2004 or ACCT1202.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3060 Accounting Information Systems
This course explores the various aspects of information technology that accountants should have familiarity with in business organizations. The topics discussed include the current computer hardware and software used in business, risks and controls in accounting information systems, the systems development life cycle, and business processes enhanced by technology.
Prerequisite(s): ACCT3040.
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3065 Advanced Quickbooks
In this interactive course, students expand their QuickBooks knowledge by becoming advanced users. Students master the QuickBooks reporting function and also work with payroll, sales and pricing transactions by customer and/or job. Advanced topics such as the audit trail, closing the books and reversing journal entries are explored. The course is conducted in a computer lab setting. Advanced setup, maintenance and the entire accounting cycle are completed using the software. At the completion of this course, students are prepared to take the QuickBooks Pro certification.
Prerequisite(s): ACCT2035, ACCT3040
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ACCT3075 Financial Management
Financial management is designed to acquaint the student with the basic tools required to perform financial analysis and planning, working capital management and capital budgeting in a business environment.
Prerequisite(s): ACCT1007 or ACCT2002. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
ACCT3080 Fraud Examination: Theory and Practice
This course covers accounting and legal concepts along with the procedures that are necessary to accomplish fraud detection, fraud investigation and fraud prevention duties are studied in this course. Students learn how to analyze allegations of fraud and how to utilize accounting and investigative skills during a fraud investigation. Computerized application development assists in case analysis. Expert witness testimony is also discussed along with a review of the variety of ways of communicating findings.
Prerequisite(s): ACCT1007 or ACCT2002, FIT1040.
Offered at Providence, Providence CE 4.5 Quarter Credit Hours

ACCT3191 Accounting Internship II
This internship provides an opportunity to students who completed ACCT2191, an accounting experience that requires more responsibility. It offers the student a part-time, hands-on experience in entry-level accounting functions at a university property location or an approved off-campus organization that can differ from the organization where ACCT2191 was completed. The student has an opportunity to gain real-world experience in analyzing transactions, journalizing transactions, posting transactions, preparing various reconciliations and schedules, creating reports for internal and external usage, and general office skills and procedures. This course can be used for partial fulfillment of a free elective requirement if Accounting Internship III is also completed.
Prerequisite(s): ACCT2191, permission of department chair.
Offered at Providence, Providence CE 1.5 Quarter Credit Hours

ACCT3192 Accounting Internship III
This internship provides an opportunity to students who completed ACCT3191, an accounting experience that requires more responsibility and analytical tasks. It offers the student a part-time, hands-on experience in entry-level accounting functions at a university property location or an approved off-campus organization that can differ from the organization where ACCT3191 was completed. The student has an opportunity to gain real-world experience in analyzing transactions, journalizing transactions, posting transactions, preparing various reconciliations and schedules, creating reports for internal and external usage, and general office skills and procedures. This course can be used for partial fulfillment of a free elective requirement if Accounting Internship I and Accounting Internship II are also completed.
Prerequisite(s): ACCT3191, permission of department chair.
Offered at Providence, Providence CE 1.5 Quarter Credit Hours

ACCT4012 Taxes And Business Decisions
The income tax issues that must be considered by managers prior to making business decisions are examined in this course. Topics include tax aspects of selecting a type of business entity; acquisition, use and disposal of fixed assets; investments, capital gains and losses, nontaxable transactions, payroll taxes, and income tax planning. This course is an elective for non-accounting majors only. Prerequisite(s): ACCT1007 or ACCT2002 or ACCT2004.
Prerequisite(s): ACCT1007 or ACCT2002 or ACCT2004.
Offered at Providence, Providence CE 4.5 Quarter Credit Hours

ACCT4020 Accounting Technology Practice and Procedure
Using the content specification outline of the Certified Information Technology Professional (CITP) designation developed by the American Institute of Certified Public Accountants (AICPA), this course examines the various areas of technology-related services provided by accountants in public accounting and private industry. Topics include information technology strategic planning; information systems management; systems architecture, business applications and e-business; security, privacy and contingency planning; system development, acquisition and project management; systems auditing and internal control; and databases and database management.
Prerequisite(s): ACCT3060.
Offered at Providence, Providence CE 4.5 Quarter Credit Hours

ACCT4050 International Accounting
Accounting for and reporting upon the financial aspects of a multinational corporation are addressed in this course. Topics include foreign currency transactions, foreign currency translation (FASB 52), and accounting policies and practices of countries other than the United States.
Prerequisite(s): ACCT2023.
Offered at Providence, Providence CE 4.5 Quarter Credit Hours

ACCT4060 Accounting Seminar
This course is delivered in a seminar format and serves as the capstone course for seniors majoring in Accounting. Using knowledge obtained through previous accounting coursework, students analyze and report on contemporary issues in accounting and auditing. Computer software is used extensively throughout the course.
Prerequisite(s): ACCT3040, ACCT3050, senior status. (WI)
Offered at Charlotte, Providence, Providence CE 4.5 Quarter Credit Hours

ACCT4099 Accounting Internship
This internship provides students with an opportunity to gain accounting experience by performing various entry-level accounting functions at an approved off-campus organization. Students have an opportunity to gain real-world experience in analyzing, journalizing and posting transactions, preparing various reconciliations and schedules, creating reports for internal and external usage, and general office skills and procedures. Upon completion of this term-long course, students have an understanding of the demands and expectations of business and industry. To be eligible to apply for the internship program, students must: 1) maintain a cumulative grade point average of 2.75 during the entire pre-program application process, 2) have completed 130 hours of course work, 3) have appropriate elective or internship credit available in their degree audits, and 4) have the sponsorship of a faculty advisor.
Offered at Charlotte, Providence, Providence CE 4.5-13.5 Quarter Credit Hours

ADV1010 Marketing Communications I
This course covers the role of marketing communications in the overall marketing process. Emphasis is placed on the integration of advertising, sales promotion, public relations, direct marketing, personal selling and interactive marketing in the creation of effective communication campaigns. Topics include agency/client relationships, communication theory and the creative process.
Prerequisite(s): MRKT1001 or HOSP3050.
Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

ADV1011 Marketing Communications II
This course focuses on the process of media analysis, selection and purchase in marketing communications planning. Students learn to combine and coordinate appropriate media choices across multiple communication options. Topics include agency/media relations, added value promotions, ratings and audience measurement, and emerging media categories.
Prerequisite(s): ADV1010. (PT)
Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

ADV1021 Public Relations Concepts
This course introduces the basic concepts of public relations, including its origins and evolution. It examines the multiple audiences and functions of public relations within contemporary organizations including product liability, marketing communications, issue management, crisis control, media relations, corporate affairs and image building. Topics include research, planning, communication and evaluation. Particular emphasis is placed on writing press releases.
Prerequisite(s): ADV1011. (PT)
Offered at Charlotte, Denver, Providence, Providence CE 4.5 Quarter Credit Hours
CJS2005 Juvenile Justice
This course presents an analysis of the historical development of the juvenile justice system in the United States. The student is introduced to the changing view of juveniles from early America, when children were treated as little adults, through the nineteenth and twentieth centuries where they came to be considered as children and adolescents that had to be protected from abusive families and their environment. Socializing agents such as the family, schools and peers are studied as to their influence on the development of delinquency. Youth are studied as victims of crime, as perpetrators of crime, and their likelihood to become involved with gangs. Additionally, law enforcement, the courts and corrections are studied to show their impact on delinquency.
Prerequisite(s): CJS1090.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

CJS3033 Community Policing
This course is a historical examination of the strategies utilized by the police in America. It examines Sir Robert Peel and the development of the first paid police department in London in 1829. The course presents the evolution of policing as emigration in America increased and its population became more diversified. Students will come to understand how policing is a partnership with the community and how the roles of all must be considered in the development of a policing program.
Prerequisite(s): CJS1090.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

CJS3075 Criminal Investigation
In this course, the student is exposed to the fundamentals of criminal investigation. Emphasis is placed on the collection and evaluation of crime scene evidence related to specific crimes (i.e., homicide, arson, burglary, etc). Since criminal investigation must be conducted within the framework of our constitutional system of government, opinions of the United States Supreme Court that affect the collection of evidence are emphasized.
Prerequisite(s): CJS1090. (PT)
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS3810 Topics in National Security
This course provides senior-level students with an analysis of the realignment of law enforcement assets at the federal and local levels providing homeland security in today’s environment. The course also includes historical background information and topics concerning the basic information-gathering process. The focus on the importance and necessity of information intelligence, domestic and international terrorism and counter-terrorism, infrastructure protection and disaster preparedness, is comprehensive in this course. Students are introduced to the planning, process and procedures necessary for the new routes of cooperation and information sharing in law enforcement as well as within federal agency environments.
Prerequisite(s): LAW3025, senior status.
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS3820 Cyber Crimes
In this course, students explore the rise and evolution of crimes involving computers and the Internet that are fast becoming the most prolific area of criminal activity in the 21st century. This course distinguishes between crimes in cyberspace and cyber-terrorism as a form of warfare upon the global community. It defines cyber crimes (including type, nature, and origin) and the expanding criminalization of computer and Internet conduct involving concepts of privacy violation, information protection and unauthorized access of digital data. An analysis of existing and new domestic and international law enforcement innovations that prohibit digital crimes is also covered.
Prerequisite(s): LAW3025.
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours
CJS4030 Criminal Justice Research Methods
This course provides students with an understanding of the purposes behind criminal justice research, the concepts and logic of research designs, and experimental research designs. This course includes an in-depth presentation of sampling in social science research. The goal is to familiarize students with research methods in order to lay the groundwork for designing research projects, as well as to interpret research designs in depth.
Prerequisite(s): CJS2050 or permission of department chair.
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS4033 Terrorism
This course is a study of terrorism from its earliest history into the post-9/11 21st century. It examines religious and political motivations for terrorism as well as the rationalization for such activity. It looks at the networking of nations, states and organizations in the acquisition of goods and finances to fund their organization. The course also looks at weapons of mass destruction, security measures and counterterrorism.
Prerequisite(s): Junior status.
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS4040 Criminalistics
This course provides the student with a broad outline of key topics that encompass the study of forensic science. It emphasizes the application of forensic sciences and its role in criminal investigation. Topics include the scope, history and basic methods of evidence recognition, collection, identification and preservation. Basic forms of physical evidence most commonly encountered at crime scenes are discussed along with their respective value in the investigative process.
Prerequisite(s): CJS3075. (PT)
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS4050 Advanced Topics in Criminal Justice
This course is a forum for special issues and emerging areas of criminal justice. It is taught by faculty members and visiting experts in the areas of focus. Topics covered (which may change each offering) may include, but are not limited to: Public & Private Security, Victimology, Child Abuse & Neglect, and Organized Crime.
Prerequisite(s): CJS2050, junior status.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

CJS4060 Advanced Topics in Criminalistics
This advanced course presents specific topics in the advanced study of forensic science over two terms. Students are presented with the application of advanced and specialized areas of forensic science encountered during criminal investigations. Topics include advanced topics of forensic pathology, pattern and impression evidence, questioned documents, cyber technology, forensic applications of the social science, and legal and ethical issues in forensic science.
Prerequisite(s): CJS4040.
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS4070 Criminal Justice Senior Seminar
This course presents an overview and analysis of the American criminal justice system in a capstone seminar format. The course examines criminal and constitutional law, criminology, law enforcement and investigation, courts, corrections and juvenile justice through the use of critical thinking, research, writing and discussion.
Prerequisite(s): CJS4030.
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CJS4099 Criminal Justice Internship
Selected Criminal Justice students serve a one-term internship in an approved criminal justice facility such as police department, correctional facility, juvenile correction facility, probation and parole department or private security facility. The internship is designed to give students the opportunity to apply their formal education to actual work situations. The student intern works under the supervision of a criminal justice professional. The student intern shall maintain a written log throughout the term of the internship. To be eligible for this internship, students must: 1) maintain a cumulative grade point average of 2.75 during the entire pre-program application process, 2) have completed 130 hours of course work, 3) have appropriate elective or internship credit available in their degree audits, and 4) have the sponsorship of a faculty advisor.
Offered at Denver, Miami, Providence, Providence CE
4.5-13.5 Quarter Credit Hours

ENTR1001 Introduction to Entrepreneurship
This is an introductory course in entrepreneurship. It demonstrates how entrepreneurs recognize business opportunities, develop ideas and identify markets. The course covers such topics as business planning, pricing, credit management, government regulation, business ethics, and the crucial role and importance of entrepreneurs to business and society.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

ENTR2030 The Business Plan
The course teaches students how to develop a business plan for the business they are considering starting. Emphasis is placed on the realism and completeness of the business plan.
Prerequisite(s): ACCT1007 or ACCT1202 or ACCT2002 or ACCT2004, ENTR1001 or FSM1001 or FSM3001 or HOSP1001 or MGMT1001 or SEE1001. (PT) (WI) (OL)
Offered at Charlotte, Denver, Providence, Providence CE
4.5 Quarter Credit Hours

ENTR2040 Financing the Entrepreneurial Venture
Following the development of a business plan in ENTR2030, this course investigates funding sources for small businesses. The objective is to educate the entrepreneur as to what capital generating sources are available, pointing out the advantages and disadvantages of each.
Prerequisite(s): ENTR2030. (PT)
Offered at Charlotte, Denver, Providence, Providence CE
4.5 Quarter Credit Hours

ENTR3010 Small Business Consulting
This course is conducted as an independent study. Participants in the program formulate an agreed-upon plan with their sponsor and educator to counsel small businesses on problems dealing with marketing/sales, management, finance/accounting, and other relevant tactical/strategic issues.
Prerequisite(s): ENTR2040.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

FISV2010 Finance
This course is designed to cover the financial management of the business entity and the role of the financial manager in creating value. Major topics include financial statement analysis, risk and return, time value of money, capital budgeting, cost of capital, business valuation, capital structure policy and the evaluation of alternative forms of financing. This course is not available to accounting majors.
Prerequisite(s): ACCT1007 or ACCT1202 or ACCT2002 or ACCT2004. (PT)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

FISV3001 Investments
This course introduces students to investing and financial planning. It reviews the nature of capital markets and the roles that investment companies play between the investor and the corporation. Different asset classes, including equities and bonds, are covered. The role of the financial planning process, taxes and regulation is also considered.
Prerequisite(s): ACCT3075 or FISV2010. (PT)
Offered at Charlotte, Denver, Providence, Providence CE
4.5 Quarter Credit Hours
FISV3005 International Finance
This course is designed to give the student an overview of international banking and finance. Topics covered include the international dimensions of finance, foreign exchange rates, international sources of funds, international banking regulations, and the contrast between European, Asian and American banking.
Prerequisite(s): ACCT1007 or ACCT1202 or ACCT2002 or ACCT2004. (HO) (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FISV3015 Fundamentals of Financial Planning
This course introduces students to the financial planning process, client/planner interactions and personal financial statements development and assessment. Topics include cash flow and debt management, education planning, planning elements of risk management, investment planning and retirement planning. This course is specifically of interest to those students who wish to pursue a career as financial planners.
Prerequisite(s): ACCT1007 or ACCT1202 or ACCT2002 or ACCT2004
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FISV3020 Introduction to Financial Institutions
This course serves as an introduction to financial services, financial markets and financial institutions. The banking, brokerage, insurance and investment industries are described and analyzed. In addition, the economic environment of financial institutions is addressed with focus on the regulatory framework and the tax environment.
Prerequisite(s): ACCT1007 or ACCT1202 or ACCT2002 or ACCT2004. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FISV3040 Money and Capital Markets
The purpose of this course is to provide the student with knowledge of a broad range of subjects related to the nature and functions of money and credit. Money creation, the demand for money and the relation of money to inflation and financial flows, the role and functions of financial institutions, and consumer financing and business capitalization are each examined. This course emphasizes the changing role of competitive financial institutions and the effects of these changes on the flow of funds and monetary policy implementation by the Federal Reserve System to regulate and control money and financial institutions. Real-world examples are used to focus student learning to applications of theory and consequential economic impacts both nationally and internationally.
Prerequisite(s): ECON1001 or ECON1901.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FISV3080 Financial Statement Analysis
This course includes the analysis and interpretation of external financial statements for various business entities as seen through the eyes of professional investors and creditors. The course explores various analytical techniques including comparative financial statement, trend and ratio analyses.
Prerequisite(s): ACCT3075 or FISV2010, ACCT2022 or ACCT3031.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FISV4010 Bank Management
This course examines the banking industry from the perspective of both a bank customer and a bank manager. Focus is on policies developed and procedures used to make decisions on providing loans to businesses and consumers. Additional topics addressed include risk management, interstate banking, technological advancements and the regulatory environment.
Prerequisite(s): FISV3005 or FISV3020 or FISV3040.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FISV4015 Fundamentals of Estate Planning
This course focuses on the efficient conservation and transfer of wealth, consistent with the client’s goals. It is a study of the legal, tax, financial and non-financial aspects of this process, covering topics such as trusts, wills, probate, advanced directives, charitable giving, wealth transfers and related taxes.
Prerequisite(s): FISV3015.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FISV4020 Risk Management and Insurance
This course is based on the belief that the study of insurance, a major tool in risk management, should be preceded by an understanding of procedures and concepts of risk management. The balanced treatment of both risk management and insurance provides a broad introduction to the field. Students learn risk identification, analysis, measurement, control and financing, and study insurance markets, functions, coverage and benefits.
Prerequisite(s): ACCT1007 or ACCT1201 or ACCT2002 or ACCT2004 or EQN4050.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FISV4025 Corporate Finance
This course expands on FISV2010 by introducing more advanced topics including capital structure, working capital management, capital budgeting and forecasting. Additional topics include operating and financial leverage, working capital management, capital budgeting, leasing and long-term financing.
Prerequisite(s): ACCT3075 or FISV2010, ACCT2022 or ACCT3031.
Prerequisite(s): ACCT3075 or FISV2010, ACCT2022 or ACCT3031.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FISV4030 Real Estate
This course is designed for students seeking a clear presentation of the numerous investment decisions involved in real estate. Topics include how to lease, buy, sell or mortgage a property; how to analyze and predict the forces in the market and determine real estate values; whether and when to renovate, rehabilitate or demolish, and when and how to divest of property.
Prerequisite(s): ACCT3020 or ACCT3025 or FISV2010.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FISV4040 Futures and Options
This course includes a thorough foundation of options, futures, swaps, and other derivative securities. Topics include theoretical and normative pricing methods as well as the use of derivatives in portfolio and corporate risk management.
Prerequisite(s): FISV3001, MATH2001.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FISV4060 Fixed Income Analysis
This course includes the analysis of fixed income securities and all securities whose valuation and hedging are related to interest rates. Topics include the bond market and its various instruments including U.S. treasuries, corporate bonds, mortgage-backed securities and emerging market bonds. The course also covers bond portfolio management techniques such as interest rate forecasting, yield curve anticipation and security selection. This course is appropriate for students interested in financial analyst careers.
Prerequisite(s): FISV3001.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FISV4070 Series 7 Securities
This course prepares students to sit for the NASD Series 7 examination or those who plan to pursue a career in the financial services industry. The Series 7 exam qualifies people who are interested in gaining employment as a General Securities Registered Representative, enabling that individual to sell stocks, bonds and options. Topics include: equities, debt/bonds, options, trading markets, regulations, tax laws, investment companies and initial public offerings.
Prerequisite(s): FISV3001.
Offered at Providence, Providence CE
9 Quarter Credit Hours

FISV4099 Finance Internship
The Finance Internship offers students an experiential learning opportunity in diverse business environments. Students study firsthand the challenges, nuances and everyday expectations associated with a variety of financial functions within a business. They are expected to apply previous course work and research to onsite tasks. Through the internship and reflective assignments, students improve their understanding of financial issues within a local, national or global business. Students gain academic credit for work experience in management.
Offered at Providence, Providence CE
4.5-13.5 Quarter Credit Hours
IBUS2002 International Business
This course’s goal is to provide structured approaches for analyzing the rapidly evolving field of international business. The nature of international business, the international monetary system, the foreign environment, and strategies of how management can deal with environmental forces are some of the main topics. Selected case studies should encourage students to evaluate and discuss courses of action taken by companies and industries in the global marketplace. Theoretical foundations to international business and real world scenarios prepare students to operate more effectively in the changing global business environment.
Prerequisite(s): MGMT1001. (PT)
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

IBUS2030 Foreign Area Studies
This course is designed as a seminar course with topics changing from term to term, depending upon the dynamics of change in key global markets. Topic areas include China (IBUS2031), Pacific Rim (IBUS2032), Latin America (IBUS2033), Russia (IBUS2034), Eastern Europe (IBUS2035) or Africa (IBUS2036). The course is structured to focus on four primary components: business, economics, politics and culture, essentially in this priority.
Prerequisite(s): ECON1001 or ECON1901.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

IBUS2031 Foreign Area Studies: China
This course is designed as a seminar course with topics changing from term to term, depending upon the dynamics of change in key global markets. Topic area includes China.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

IBUS2032 Foreign Area Studies: Pacific Rim
This course is designed as a seminar course with topics changing from term to term, depending upon the dynamics of change in key global markets. Topic area includes Pacific Rim.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

IBUS2033 Foreign Area Studies: Latin America
This course is designed as a seminar course with topics changing from term to term, depending upon the dynamics of change in key global markets. Topic area includes Latin America.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

IBUS2034 Foreign Area Studies: Russia
This course is designed as a seminar course with topics changing from term to term, depending upon the dynamics of change in key global markets. Topic area includes Russia.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

IBUS2035 Foreign Area Studies: Eastern Europe
This course is designed as a seminar course with topics changing from term to term, depending upon the dynamics of change in key global markets. Topic area includes Eastern Europe.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

IBUS2036 Foreign Area Studies: Africa
This course is designed as a seminar course with topics changing from term to term, depending upon the dynamics of change in key global markets. Topic area includes Africa.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

IBUS2040 International Culture and Protocol
Cultural diversity is a business reality today. The ability to build bridges between people from different countries and with different ethnic backgrounds is as important as any other business function. This course focuses on cultural diversity and provides students with knowledge of international cultures and protocol, the building blocks of success in doing business internationally.
Prerequisite(s): ECON1001 or ECON1901. (PT) (WI)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

IBUS3050 Export Procedures and Practices
This course provides students with the basic body of knowledge and mechanics that are needed to successfully undertake and explore every avenue of exporting. A description of the essentials as well as the parameters of exporting is given. The course applies to an entrepreneurial export situation, to businesses expanding through foreign sales, and to companies simply trying to improve the operations of an existing export department. The emphasis on finance stems from the experience that frequently, a successful export effort is unnecessarily blocked or frustrated by finance problems. Such problems can arise from accumulating foreign receivables or the additional working capital required to handle the extra large sales that exporting often generates.
Prerequisite(s): ACCT1007 or ACCT1202 or ACCT2002 or ACCT2004. (PT)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

IBUS4020 SWAP International Seminar
This is an upper-level College of Business course dealing with environmental analysis, objective setting, positioning, examination and implementation of quality and tactical approaches used to manage quality improvement efforts in organizations. This is the preparatory course for the IBUS4080 Summer Work Abroad program.
Prerequisite(s): 3.0 cumulative GPA, 90 quarter credit hours completed.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

IBUS4023 SWAP International Marketing Communications Seminar
This course allows students to prepare an integrated marketing communications case for a multinational organization and make a presentation of their recommendations to that host organization and/or their advertising agency in Sweden. The plan includes recommendations based on primary and secondary research findings, as well as a fully integrated marketing communications plan. Upon completing the initial stage of the case, students travel to Stockholm where they continue to work on the implementation of this plan at Bergh’s School of Communications. Faculty from both Johnson & Wales and Bergh’s work with students on the case.
Prerequisite(s): ADVC2001.
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

IBUS4080 SWAP Operations Management & Process Improvement
This is an upper-level College of Business course in which students implement and present the project developed during the IBUS4020 preparatory classroom-based course at the host company in an international (non-U.S.) setting. Students engage in a major project management initiative incorporating quality and process improvement tools. Projects are developed jointly by the advisors and host company, and students implement the initiative.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
9 Quarter Credit Hours

IBUS4082 SWAP Operations Management and Process Improvement
This course is an upper level College of Business course in which students implement and present the project developed during IBUS4020 preparatory classroom-based course at the host company in an international (non-U.S.) setting. Students engage in a major project management initiative incorporating quality and process improvement tools. Projects are developed jointly by the advisors and host company, and students implement the initiative.
Prerequisite(s): IBUS4020, 3.0 cumulative GPA, permission of department chair
Offered at Charlotte, Denver, Miami, Providence, Providence CE
9 Quarter Credit Hours

IBUS4083 SWAP International Marketing Communications
The second phase of this course is held in Stockholm, Sweden, where students make a presentation of their recommendations to the host organization and/or their advertising agency. The plan includes recommendations based on primary and secondary research findings, as well as a fully integrated marketing communications plan. Students continue to work on the implementation of this plan at Bergh’s School of Communications. Faculty from both Johnson & Wales and Bergh’s work with students on the case.
Prerequisite(s): ADVC2001, IBUS4023
Offered at Charlotte, Providence, Providence CE
9 Quarter Credit Hours
IBUS4086 SWAP Process Mapping
This is an upper-level College of Business course in which students perform hands-on process mapping at the host company's national and international (non-U.S.) settings. They present and implement the project developed during the IBUS4020 preparatory classroom-based course at the host company in an international (non-U.S.) setting. 
Prerequisite(s): IBUS4020, 3.0 cumulative GPA, permission of department chair
Offered at Charlotte, Miami, Providence, Providence CE
13.5 Quarter Credit Hours

IBUS4090 International Business Experience
This course refers to a series of options available that total 13.5 credits: 1) Students choose from a range of study abroad options including short-term 3 1/2 to four-week summer programs, spring term three-month programs, or four-to-five month independent exchanges. Each program has its own academic focus and prerequisites. Students apply for their program of choice through Study Abroad. After selection into a program, students engage in orientation and academic pre-departure work before embarking on their immersion into foreign cultural and business settings. In some cases, JWU faculty lead the program and travel with the students. In other cases local hosts lead the program, but in all programs students participate in a rigorous study and travel experience. The purpose of these study abroad experiences is to increase students’ global awareness as they explore their program’s specific academic focus. Course delivery consists of lecture, industry visits and cultural excursions. Eligible students are guided by Study Abroad to register for the appropriate course(s) specific to their program. 2) Eligible students may opt to take IBUS4020 Summer Work Abroad International Seminar and a specific course from the IBUS4080 Series of Summer Work Abroad Programs: IBUS4082 or IBUS4086. 3) Students not eligible to take the international business programs, internships or SWAP programs take three additional career electives from the College of Business or School of Technology. Students should consult with their faculty advisor to make their selection.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
13.5 Quarter Credit Hours

IBUS4091 Economics and Trade in an International Context
This course is taught only as part of a short-term summer study abroad program. Students examine international economics and business, management, entrepreneurship and comparative economics and issues such as international trade and foreign exchange. Before departure, students explore basic of the host country history and culture to help understand country better and learn the context for people, society and international business. While in the host country, students discuss case studies and take lectures offered by professors and business people. Classroom-based presentations are augmented with frequent excursions to various business, government and financial institutions.
Prerequisite(s): 2.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
13.5 Quarter Credit Hours

IBUS4092 Marketing Communications in an International Context
This course is taught only as part of a short-term summer study abroad program. The purpose of this upper-level course is to place students in an international context in which they can gain firsthand knowledge of how multinational organizations use positioning and communications strategies to achieve specific marketing objectives. Industry visits, cultural excursions and on-the-ground projects provide students with the knowledge and skills to develop integrated marketing communications plans, including advertising, public relations and media strategies.
Prerequisite(s): ADVC1010, ADVC1011, 2.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
13.5 Quarter Credit Hours

IBUS4093 Human Resource Management in an International Context
This course is taught only as part of a short-term summer study abroad program. The purpose of this upper-level course is to place students in an international context in which they can gain firsthand knowledge of how the cultural, socioeconomic and legal context in which companies are run influences the management models employed. The five functional areas of HRM: planning, recruitment and selection; HR development, compensation and benefits; safety; health; and employee and labor relations are addressed using a global perspective. Key differences in Asian, North American and European management models are explored. Industry visits, cultural excursions and on-the-ground projects provide students with the knowledge of how management models influence all aspects of human resource management.
Prerequisite(s): MGMT1001, MGMT2001, 2.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
13.5 Quarter Credit Hours

IBUS4094 Operations Management in an International Context
This course is taught only as part of a short-term summer study abroad program. The purpose of this upper-level course is to place students in an international context in which they can gain firsthand knowledge of how the cultural context informs the operations management strategies for specific organizations. Industry visits, cultural excursions and on-the-ground projects provide students with the knowledge of how multinational organizations structure inventory acquisition, operations and distribution to achieve operational success.
Prerequisite(s): MGMT2020, 2.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
13.5 Quarter Credit Hours

IBUS4099 International Business Internship
The International Business Internship offers students an experiential learning opportunity within an authentic global business. Students examine how global business is managed and conducted. Students apply previous coursework and research to a variety of onsite business tasks. Through the internship and reflective assignments, students improve their understanding of what it takes to manage a business. The internship provides students with direct knowledge of and experience in the particular demands and expectations of a global company. Students earn academic credit for work experience in the global business. To be eligible for this internship, students must: 1) maintain a cumulative grade point average of 2.75 during the entire pre-program application process, 2) have completed 130 hours of course work, 3) have appropriate elective or internship credit available in their degree audits, and 4) have the sponsorship of a faculty advisor.
Offered at Denver, Miami, Providence, Providence CE
4.5-13.5 Quarter Credit Hours

IBUS4191 Fashion Merchandising and Retail Management in an International Context - Milan, Italy
This course is taught only as part of a short-term summer study abroad program. The purpose of this upper-level course is to place students in an international context in which they can gain firsthand knowledge of how multinational fashion/retail organizations use trend analysis and forecasting in designing collections to promote both product and brand globally. Industry visits, cultural excursions and experiential projects with industry professional provide students with the knowledge and skills to develop fashion/retail-related promotional plans including trend analysis reports, public relations and media strategies (press releases and trade columns), and a final fashion-related event (showroom exhibit and/or fashion/runway show).
Prerequisite(s): MRKT3005, RTL1005, RTL1010, RTL2095 or MRKT1001.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
13.5 Quarter Credit Hours

MGMT1001 Principles of Management
This course is a general survey of management that focuses on planning, organizing and controlling. At the end of this course, the student should demonstrate an awareness and insight into various aspects of management.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours
MGMT2001 Human Resource Management
This course is the study of personnel management in organizations. The student learns basic functions of procuring, developing, maintaining and utilizing a labor force to meet the entry-level requirements for employment in personnel work. The course supplies students with an understanding of the personnel department. (SL) (HO) (PT) (WI)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT2020 Organizational Behavior
This course surveys organizational theory. Focus is on individual and team behavior with an emphasis on developing team-building skills. Additional topics include: structure, size, technology, power relationships, and how organizations survive, decline, grow and change.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT2030 Service and Production Operations Management
This course acquaints students with the fundamentals of operations management in both goods and services industries. The course recognizes the changing face of operations, from an internally-focused supportive function to a strategic part of the enterprise value chain. The course explores five major areas: process analysis, total quality management, alternative production systems, supply chain management, and new product development.
Prerequisite(s): ENTR1001 or MGMT1001. (PT)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT2040 Purchasing and Supply Chain Management
This course examines the dynamic field of production and the management of the entire supply chain. Major areas of study include purchasing’s role in the organization, global sourcing, new models for supplier involvement and management, and new product development. The role of purchasing and total quality management is a pervasive theme throughout the course. Students are exposed to the theoretical and practical issues to prepare them for the National Association of Purchasing Managers (NAPM) certification exam.
Prerequisite(s): ENTR1001 or MGMT1001. (PT)
Offered at Charlotte, Denver, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT3030 Managerial Technology
This course surveys the relationship of technology to the managerial process. Topics include computer and communications systems, information systems, decision support systems and expert systems. The students are required to show their understanding of these technologies. Students are also exposed to typical approaches and managerial practices through demonstrations, case studies, simulations and hands-on exercises.
Prerequisite(s): ENTR1001 or MGMT1001.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT3040 Process and Quality Management
The course thoroughly examines the concept of quality and the tactical approaches used to manage quality improvement efforts in organizations. Students are exposed to theoretical and practical issues to prepare them for quality process management.
Prerequisite(s): MGMT2030, MATH2001. (PT)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT3050 Compensation and Benefit Management
This course studies all aspects of compensation. Topics include the pay model, determining consistency, job analysis, skill-based structures, external competitiveness, designing pay levels, pay for performance, performance appraisals, employee benefits and the government’s regulatory role. Linkage of compensation strategies to recruiting is also investigated.
Prerequisite(s): MGMT2001. (PT)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT3060 Human Resources Training and Development
This course exposes students to training and development in a global, competitive environment. The course covers how to use employee talents effectively through new work designs (such as work teams), new technologies (such as computer-assisted manufacturing systems), and the latest “hot topics” in the training area.
Prerequisite(s): MGMT2001. (PT)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT3070 Contemporary Management
This advanced course applies both behavioral science and management techniques to foster and increase productivity, quality, and job satisfaction. Practical skill exercises, case studies and site visits enhance learning. Contemporary Management intentionally does not duplicate theoretical and conceptual background contained in earlier courses.
Prerequisite(s): MGMT2001. (PT)
Offered at Charlotte, Denver, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT4001 Process Planning and Control
This course offers a quantitative approach to management problems which enables students to “get their feet wet” in the disciplines of quantitative methods used to improve organizational performance.
Prerequisite(s): MATH2001. (PT)
Offered at Charlotte, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT4020 Strategic Management
This strategic management course deals with environmental analysis, strategy formulation, strategy implementation and evaluation and control, all with an enterprise view of the firm. Students learn via team projects and case studies. It is recommended that students complete all Related Professional Studies courses before attempting this capstone series course.
Prerequisite(s): ACCT3020 or ACCT3023 or ACCT3031 or ACCT4012, senior status. (HO) (PT)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT4030 Senior Management Seminar
This advanced management course sharpens analytical skills and decision making, polishes business communications, and enhances teamwork abilities. The course is designed as a seminar in the truest sense, as the onus for success rests heavily on the student. It is recommended that students complete all Related Professional Studies courses before attempting this capstone series course.
Prerequisite(s): MGMT4020, senior status. (PT)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT4050 Operations Management Strategy
This course examines the operations function as an organization’s source for sustainable, competitive advantage. The concept of operations is viewed from the perspective of the firm’s entire value chain. Particular attention is devoted to evolving organizational forms. The impact of technology and domain choice on operations is examined in significant depth.
Prerequisite(s): MGMT2030, MGMT4020.
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

MGMT4070 Human Resources Management Strategy
This course examines the human resources function as an organization’s source for sustainable, competitive advantage. Case studies, team exercises, game strategies and other human resource strategic problems demonstrate the importance of the formulation, implementation and evaluation of a management decision.
Prerequisite(s): MGMT2001, MGMT3060. (HO) (PT)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours
MGMT4099 Management Internship
The Management Internship offers students an experiential learning opportunity to experience the management of an authentic business. Students study firsthand the challenges, nuances and everyday expectations associated with a variety of management functions within a business. They are expected to apply previous management course work and research to onsite tasks. Through the internship and reflective assignments, students improve their understanding of what it takes to manage a business. The internship provides students with knowledge of the particular demands and expectations specific to managing a business. Students gain academic credit for work experience in management. To be eligible for this internship, students must: 1) maintain a cumulative grade point average of 2.75 during the entire pre-program application process, 2) have completed 130 hours of course work, 3) have appropriate elective or internship credit available in their degree audits, and 4) have the sponsorship of a faculty advisor. Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5-13.5 Quarter Credit Hours

MRKT1001 Principles of Marketing
This introductory course presents the basic principles and practices of marketing. Topics include marketing orientation, external environments, ethical codes of conduct, and the importance of marketing to the business firm, our world economy and global culture. Case studies, field projects, a marketing simulation and using the Internet as a business and professional resource are utilized in the delivery of this course. An emphasis is placed on marketing strategy; image and branding, target markets, product, price, distribution and promotion. (WI) Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT1002 Consumer Behavior
The purpose of this course is to introduce the student to the various facets of consumer behavior, including the decision making process, problems, needs and goals, the consumer’s search for information, and the evaluation of the purchase decision. Prerequisite(s): MRKT1001 or HOSP3050. (WI) Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT1011 Principles of Professional Selling
This course is a hybrid of theory and training. Students learn about buying processes and personalities, and how to target, prospect, approach and interview customers in order to determine unmet needs and potential opportunities. Consultative selling replaces the outdated transactional approach to selling. Students learn through role-plays and skills-based training to build relationships with customers and other business partners in a relationship-oriented world. (PT) Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT2012 Sales Management
This course teaches students about the strategic role of the selling function within the business unit. Students learn the basic concepts of determining market potential, forecasting sales, designing sales territories, setting quotas, structuring the sales team, and recruiting, selecting, leading and motivating both inside and outside sales people. The course focuses on the “field” (district) level of sales management. Prerequisite(s): MRKT1011. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

MRKT2020 Qualitative Research
The course provides a broad overview of qualitative market research methods. Covering such exploratory techniques as focus groups, in-depth interviews and observations, this course familiarizes students with the appropriate uses and limitations of qualitative market research. Students use qualitative market research techniques to gain preliminary insight into decision-making and opportunities. Prerequisite(s): MRKT1001. (WI) Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT3005 Brand Marketing
This course examines the role of a brand as an asset to an organization and the advantages of creating strong brands. Emphasis is placed on the creation, measurement and strategic applications of brand equity. Topics covered include choosing brand elements, designing supporting marketing programs, leveraging secondary associations, building brand portfolios, and adjusting brand strategy over time and geographic boundaries. Particular emphasis is placed on the role of promotional mix elements in the communication of brand equity. Prerequisite(s): MRKT1001 or HOSP3050. Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT3011 Direct Marketing
This course teaches students the elements of direct marketing as an integrated part of a total marketing program. Students learn how newspapers, magazines, telephone, radio, TV, cable, direct mail, catalogs and new electronic media are used in direct marketing programs. Plans, measurement and accountability are covered. Prerequisite(s): MRKT1001 or HOSP3050 and junior status. (WI) Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT3020 Product Development
This course examines the role of product development as a function of an integrated marketing system. Students will explore the synergy of design and technology to create consumer value. Topics covered include innovation, concept generation, global sourcing, and manufacturing processes. Prerequisite(s): MRKT1001, MRKT1002. Offered at Miami, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT3025 Business to Business Marketing
This course is a study of business to business marketing, marketing services, and the channels of distribution required for all buying and selling processes. This course compares and contrasts the institutional, economic and behavioral aspects of the business. Prerequisite(s): MRKT 1001 or HOSP 3050 and MRKT 1011, ECON 1001 and 2002 or ECON 1901 Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT3045 Social Media and Internet Marketing
This course presents students with a historic overview of social media, Internet marketing and Web 2.0 technologies and takes a look at how these technologies are developing. Students learn how to develop a social media marketing plan using the major social networking and user-generated content tools for business, and explore the use of social media for creating personal and professional branding goals with measured results. Students are expected to have a basic understanding of various online and offline marketing strategies. Prerequisite(s): MRKT1001 or HOSP3050. (HO) Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT3055 Quantitative Research
This course is a continuation of MRKT2050 and provides an overview of contemporary topics in quantitative research such as competitive intelligence, survey design and scale measurement. Students use current technology and software tools to create, distribute, analyze and interpret qualitative data. Together with MRKT2050, students learn modern market research techniques that are used to make sound business decisions. Prerequisite(s): MRKT2050, MATH2001. Junior status. (WI) Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

MRKT3084 Customer Care Strategies
This course is designed to change student perceptions of customer service. Students compare and contrast “minimum standards” with surpassing the customer’s expectations of value. Students learn to focus their creativity and energy on developing attitudes and using systems that will increase customer satisfaction and lead to customer referral. Students learn about the systems and technology that drive the best organizations, at all levels, at any stage of customer relations. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

Johnson & Wales University 61
MRKT3085 Customer Relationship Management (CRM)
This course concentrates on understanding and anticipating the needs of an organization’s current and potential customers with a focus on customer relations management (CRM). Students investigate leading ideas and practices in the field of customer retention and support through analyzing first-hand success stories. Topics covered include strategic planning, standards and measurements, acquisition, retention and profitability. Students will learn about CRM as a concept that links people, process and technology to optimize an enterprise’s revenue by providing maximum customer satisfaction. (WI)
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

MRKT4001 Strategic Marketing
Developing and implementing an exciting, cohesive and effective marketing strategy adaptable to a changing business environment is a must for career preparation and meaningful placement in the world of marketing. This capstone course develops skills essential to anticipating and responding to the changing needs of customers and markets in our global economy and culture. It thoroughly explores marketing strategy using a combination of texts, readings, visiting speakers, Internet sites, cases, a marketing simulation and field assignments. It is recommended that all students complete all related professional studies courses before attempting this capstone course.
Prerequisite(s): MRKT1002, MRKT2000, MRKT3005, MRKT3055, senior status. (PT) (WI)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MRKT4030 International Marketing
This course deals with various differences in cultural, economic and legal factors as they relate to the marketing process. This is a systematic treatment of marketing on a global scale, extending basic principles into foreign marketing requirements.
Prerequisite(s): MRKT1001 or HOSP3050 and junior status. (HO) (PT)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MRKT4099 Marketing Internship
The marketing internship provides students with the opportunity to gain academic credit for completing internships with marketing firms, corporations, or governmental entities. Eligible students may apply for a marketing internship assignment. This assignment is an industry experience that allows students to gain academic credit for an invaluable work experience in the marketing industry. Upon completion of this term-long course, students have an understanding of the demands and expectations of the industry, as well as the role played by the agency, the client, and media organizations. To be eligible for this internship, students must: 1) maintain a cumulative grade point average of 2.0 during the entire pre-program application process, 2) have completed 130 hours of course work, 3) have appropriate elective or internship credit available in their degree audits, and 4) have the sponsorship of a faculty advisor. Students may participate in a second internship. To be eligible for this internship, students must: 1) maintain a cumulative grade point average of 2.75 during the entire pre-program application process, 2) have completed 130 hours of course work, 3) have appropriate elective or internship credit available in their degree audits, and 4) have the sponsorship of a faculty advisor.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5-13.5 Quarter Credit Hours

RMGT2001 Security Risk Management
This course is an introductory study of the concepts, principles, and methods of organizing and administering risk and security management activities in industry, business and government. Emphasis is on both private and governmental protection of assets, personnel and facilities.
Prerequisite(s): ENG1020 or placement, MGMT1001
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

RMGT3001 Emergency Planning and Business Continuity
This is a survey course of the practical implications of emergency planning with a particular focus on business continuity. The focus of this course is applied learning and case study rich and provides students with a detailed understanding of the various considerations in emergency and continuity situations.
Prerequisite(s): MGMT1001. (WI)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

RMGT4010 Risk Analysis and Loss Prevention
This course provides students with a course in risk management and loss prevention. It addresses the risk countermeasures and their pros and cons and provides students with a systematic approach to logical decision-making about the allocation of scarce security resources. Further the course describes the risk management methodology as a specific process, a theory, or a procedure for determining assets, vulnerabilities, and threats and how security professionals can protect them.
Prerequisite(s): RMGT2001. (WI)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

RMGT4020 Risk Management Senior Seminar
This course presents an overview and analysis of risk management in a capstone seminar format. The course examines criminal and constitutional law, criminology, investigations, security operations, risk management and application solutions through the use of critical thinking, research, writing and discussion. The intent is to synthesize the previous courses to provide students with an integrated understanding of the risk management field and be profession ready upon completion of the course and program. The course focuses on the creation of a risk management plan.
Prerequisite(s): RMGT4010.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

RMGT4099 Risk Management Internship
This internship offers the student hands-on experience in risk management functions in a professional setting. The student has an opportunity to gain real-world experience in selected areas such as staff planning, asset protection, risk analysis, management of personnel and like activities. To be eligible for this internship, students must: 1) maintain a cumulative grade point average of 2.75 during the entire pre-program application process, 2) have completed 130 hours of course work, 3) have appropriate elective or internship credit available in their degree audits, and 4) have the sponsorship of a faculty advisor.
Offered at Providence, Providence CE
4.5-13.5 Quarter Credit Hours

RTL1005 Retailing
This course is designed to introduce the student to the field of retailing. Emphasis is placed on basic principles of the retail environment, retail operations and retail administration. Career paths and leadership styles are incorporated into this course. Current conditions and newer concepts and practices in the field are highlighted, with special attention focused on industry terminology.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

RTL1020 The Business of Fashion
This introductory course is designed to increase students’ powers of observation, research and analysis of fashion. Students learn the vocabulary of the field, the structure of the industry, domestic and foreign designers, and historical as well as contemporary influences on fashion. The motivations of dress, theories of fashion adoption and the fashion lifecycle are explored as sources of information to establish fashion statements and forecast fashion trends.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours
RTL2005 Global Sourcing
Students examine the import marketing process, import regulations, sources of supply, supplier management and development, and transportation in order to learn how to participate in the global marketplace and negotiate in cross-cultural situations.
Prerequisite(s): RTL1005 or MRKT1001, sophomore status
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

RTL2050 Fashion Promotion
The theory of fashion promotion is explored as it relates to the selling of fashion merchandise to the public. This course explores the nature of the fashion promotion industry and its use of various media to make consumers aware of current trends and styles. The text addresses itself to the career-minded student who wants to be involved in the marketing, merchandising and promotion of fashion.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

RTL3010 Merchandise Buying
This course provides the student with the principles that govern the movement of merchandise. Students are expected to know the environmental factors that influence the behavior of consumers and the techniques for determining and predicting merchandise cycles. This course outlines the merchandising activities and marketing trends of those industries involved with producing and providing goods in the marketplace. The options of the buyer in making merchandise budgets, plans and decisions are presented. This background provides the basis for examining the merchandising activities and decisions expected of a buyer at the retail level. Buying activities are compared for a variety of retail settings.
Prerequisite(s): RTL1005
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

RTL3020 Merchandise Mathematics
This course is designed to examine the philosophies, theories and techniques underlying the allocation of merchandise investments, control of sales and control of inventory (including planning and pricing) in retail stores. The course approaches retail management from the standpoint of the retail businessperson and is intended to serve as a tool for the student of retailing or merchandising.
Prerequisite(s): RTL1005. (PT)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

RTL3030 Comparative Retail Strategies
This course is designed to analyze and compare retail merchandise and management techniques used in specialty store, department store, chain store and mass merchandising operations. A case study approach is used in evaluating management and management decisions in a variety of cases involving issues, types of operations and levels of management.
Prerequisite(s): RTL2063. (HO) (PT) (WI)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

RTL3060 Fashion Forecasting
This course introduces the student to the field of fashion forecasting. Emphasis is on the framework of fashion forecasting, fashion and market dynamics of fashion forecasting and utilizing these dynamics in the global retail workplace. Current conditions, concepts, practices and research in the retail field are focused on throughout the course with special attention placed on industry terminology; case studies utilizing market research and competitive analysis are incorporated into this course.
Prerequisite(s): RTL1005, RTL1020
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

RTL3070 Textile Design for the Apparel and Home Furnishings Industry
This hands-on course is an introduction to basic textile design techniques used by designers and manufacturers. Topics include motif development, croquis design, and repeat patterns. Methods of surface printing include direct painting, stenciling and block printing. Basic weaving or knitting patterns, embroidery, beading and applique are also explored. Students develop an appreciation for the historic and cultural value relevant to each method, and create collections of textile samples as they solve design problems.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

RTL4099 Retail Internship
The Retail Internship provides students with the opportunity to gain academic credit for successfully completing internships in retailing operations and any retail-related industries. Eligible students may apply for a retail internship assignment. Upon completion of this course, student gain an understanding of the retail industry's demands and expectations as well as the roles played by other necessary and related industries that all contribute to a successful store operation. To be eligible for this internship, students must: 1) maintain a cumulative grade point average of 2.0 during the entire pre-program application process, 2) have completed 130 hours of course work, 3) have appropriate elective or internship credit available in their degree audits, and 4) have the sponsorship of a faculty advisor. Students may participate in a second internship. To be eligible for this internship, students must: 1) maintain a cumulative grade point average of 2.75 during the entire pre-program application process, 2) have completed 130 hours of course work, 3) have appropriate elective or internship credit available in their degree audits, and 4) have the sponsorship of a faculty advisor.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5-13.5 Quarter Credit Hours

College of Culinary Arts
- BPA - Baking and Pastry Courses
- CUL - Culinary Arts Courses
- FSM - Culinary Arts Courses
- NUTR - Culinary Arts Courses

BPA1010 Fundamental Skills and Techniques
This course provides students with fundamental cooking and baking techniques, knife skills, pipign skills and mixing methods. Emphasis is placed on proper receiving, handling and identification of fruits and other ingredients used in the pastry kitchen. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA1015 Classic Pastry
This course is designed to give the student fundamental working knowledge of the traditional methods of producing puff pastry, pâte à choux, creams and custards. This course also includes practical techniques of platter design and presentations. Students plan, organize, and set up pastry buffets. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA1020 Pies and Tarts
This course is designed to provide students with the knowledge of traditional methods of producing pies and tarts. Emphasis is on the production of basic pie dough, short dough, pâte sablée, and a variety of pie and tart fillings. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA1025 Cookies and Petits Fours
This course provides students with a fundamental working knowledge of the traditional methods of producing cookies and petits fours. Fundamentals of production, finishing techniques and platter presentations are introduced. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours
BPA1030 Hot and Cold Desserts
This course is designed to provide students with skills in the production of churned and frozen desserts, composed frozen desserts and the production of hot desserts enhanced by a frozen component. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA1035 Chocolates and Confections
This course provides students with the skills and knowledge of chocolate tempering methods. Hand dipped and molded pralines and truffles (candies) are produced utilizing different chocolates, fillings and decorating techniques. Emphasis is placed on the history and manufacturing techniques of the different qualities in chocolate. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA1040 Introduction to Cakes
This course provides students with the skills and knowledge of producing cakes, butter creams, and icings. Each student is taught proper mixing methods, assembling, icing, and finishing techniques of a variety of cakes. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA1045 Principles of Artisan Bread Baking
This course provides an introduction to the skills and techniques of artisan bread production. Products covered include commercially yeasted breads, rolls and savory quick breads. Properties and characteristics of ingredients, the baker’s percentage system and scaling methods are studied, as well as proper mixing techniques, controlled fermentation, and baking methodology. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA1050 Viennoisserie
This course provides students with the knowledge and application of the principles and techniques of viennoisserie production. Yeasted and enriched breads, laminated doughs and quick breads are introduced in this class. Properties and characteristics of ingredients, the baker’s percentage system and scaling methods are introduced. Emphasis is placed on mixing techniques, controlled fermentation, hand shaping skills and baking methodology. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA1060 How Baking Works
This course introduces how baking works through an understanding of the ingredients used in baking and pastry. Students run experiments in order to learn about ingredients and understand how ingredients change during production and interaction with other ingredients. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA2010 Specialty Cakes
Students build on their fundamental skills of icing cakes in creating special occasion cakes. Emphasis is placed on developing skills in making various flowers out of modeling chocolate, marzipan and gum paste. Students are introduced to covering and glazing special occasion cakes with rolled fondant and build their piping skills through intricate patterns and techniques. Prerequisite(s): BPA1040. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA2015 Entremets and Petits Gateaux
This course provides students with advanced methods of creating entremets and petits gateaux that are contemporary and industry relevant. Different components and modern finishing techniques are applied in creating molded entremets and petits gateaux. Prerequisite(s): BPA1040. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA2020 Plated Desserts
This course covers preparation and presentation of individual hot and cold plated desserts, using a variety of traditional and modern plating techniques. Plate design, station organization, à la minute service, flavor, textural components, and portion control are emphasized. Prerequisite(s): BPA1015, BPA1030. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA2025 Advanced Artisan Bread Baking
This course introduces students to the advanced skills and techniques of artisan bread production that includes commercially and naturally leavened breads; decorative breads, crackers and flat breads. Properties and characteristics of grains other than wheat and sustainability are covered. The baker’s percentage system, scaling ingredients, mixing techniques, controlled fermentation, hand shaping skills, and baking methodology are reviewed. Prerequisite(s): BPA1045. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA2030 Sugar Artistry
Students are introduced to various sugar artistry techniques, including pastillage, poured, pulled and blown sugar. Emphasis is on the planning and production of individual showpieces using various shaping and molding methods. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

BPA2626 Baking & Pastry Internship
This intermediate level work-experience course is designed to provide students with a hands-on learning experience in the food service industry. Students apply theoretical knowledge of baking and pastry arts, demonstrate practical skills of production, and practice professionalism in a university-approved industry setting. Upon completion of this term-long course, students have a broader understanding of the demands and expectations of the food service industry while improving their skills in baking and pastry arts. A minimum GPA of 2.75 may be required for certain site selections. Prerequisite(s): Completion of all freshman-level courses; site selection is dependent upon GPA.
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 6.75-13.5 Quarter Credit Hours

CUL1315 Stocks, Sauces and Soups
Students are introduced to simmering, emulsifications and knife skills. Lectures, demonstrations and production focus on stocks, sauces, soups and related ingredients. The proper use of knives, tools, smallwares and equipment is emphasized. (HO) (PT)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

CUL1325 Essentials of Dining Room
Students are introduced to front-of-the-house (FOH) operations and professional dining service techniques. Etiquette, quality service, positive guest relations, effective communication skills and guest check handling are emphasized. Students actively perform hot and cold food and beverage service using various service techniques. Students are prepared and take the Federation of Dining Room Professionals Associate Certification exam as an outcome assessment. (HO) (PT)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

CUL1335 Traditional European Cuisine
Students are introduced to the cooking techniques of braising and stewing. Lecture, demonstration and production revolve around traditional European cuisine, ingredients and plate presentations. (HO) (PT)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

CUL1345 Introduction to Baking & Pastry
Production includes basic breads and rolls, laminated dough, muffins, quick breads, cookies and pies. Proper use of the baker’s scale, liquid measurement and equipment identification are a primary focus for this course. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours
CUL1355 New World Cuisine
Students are introduced to cooking techniques of grilling/broiling, roasting and deep-frying. Lecture, demonstration and production revolve around North, Central and South American cuisine, ingredients and plate presentations. The proper use of knives and basic vegetable cuts is emphasized. (HO) (PT)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

CUL1365 Principles of Beverage Service
The course combines introduction and application of beverage, bartending and service. Students are introduced to the identification, production and service of nonalcoholic beverages, beer, wine, spirits, cordials, cocktails, mixed drinks and coffee. Students are introduced to sensory evaluation of beverages. This class incorporates and requires the student to take an industry-recognized alcohol training intervention procedures certification program. (HO) (PT)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

CUL1375 Nutrition and Sensory Analysis
Students are introduced to the cooking techniques of steaming and poaching. Lecture, demonstration and production revolve around nutritional analysis of menus and recipes, and the sensory properties of food. The focus is on production of flavorful and nutritionally balanced entrees, vegetables and gravies. (HO) (PT)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

CUL1385 Fundamentals of Food Service Production
Students are introduced to cooking techniques of baking, sautéing and shallow frying. Lecture, demonstration and production focuses on fats, oils, seasonings, flavoring and plate presentation. (HO) (PT)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

CUL1395 Purchasing and Production Identification
Students engage in identifying and handling various fresh, frozen, canned, dry ingredients and sundry items. Food service purchasing, receiving, handling, storage, issuing and evaluation processes are discussed and demonstrated. Purchasing automation, computerized purchasing and HACCP systems are discussed and demonstrated in this course. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

CUL1405 Skills of Meatcutting
Students are introduced to purchasing, receiving, and proper portioning of various meats and sausage fabrication. Emphasis is on identification of primal cuts and sub-primal cuts of meat, poultry and fish items. Students review and discuss: federal inspection, grading, yielding, menu pricing and classifications of meats, and poultry. Laboratory activities include hands-on fabrication, to include proper packaging, labeling and storage of beef, pork, veal, lamb, poultry, fish and sausage varieties. Emphasis is placed on quality, portion cuts of meat and best applications. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

CUL2215 Garde Manger
Students are introduced to modern and traditional techniques in the preparation of cold entrees, forcemeats (including pates, terrines, and galantines), ice carving, hors d’oeuvres, and cold appetizers. In addition, students are exposed to preservation techniques including curing and aging. Students plan, organize, and set up buffets. This course also concentrates on the practical techniques of platter design and plate presentations.
Prerequisite(s): Sophomore status. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

CUL2225 Classical French Cuisine
Students are introduced to the preparation of Cuisine Classique. Techniques learned in freshman culinary classes are applied and refined. Emphasis is placed on French menu terminology, techniques and sauces.
Prerequisite(s): Sophomore status. (HO) (PT)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

CUL2235 Advanced Dining Room Procedures
Students are exposed to advanced table service techniques, tableside preparation, and the importance of team service and guest satisfaction. Students apply team service utilizing various service techniques. Students are introduced to wines of Old World wine regions as well as wines of the Southern Hemisphere and the laws regulating them. Students are also introduced to methods of merchandising food and beverage.
Prerequisite(s): CUL1325, sophomore status. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

CUL2245 International Cuisine
This course reinforces the techniques of grilling, deep-frying/shallow-frying, stir-frying, simmering, braising/stewing and steaming through the menu production of foods from around the world. The cuisines of China, Japan, Korea, Thailand, Vietnam, Philippines, India, Malaysia, Pakistan, the Middle East, Northern Africa, Greece, Turkey, Italy, Spain, Portugal, the Caribbean, Central America and South America are explored.
Prerequisite(s): Sophomore status. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

CUL2255 Advanced Patisserie/Dessert
Emphasis is placed on the production of creams, ice creams, sorbets, mousse, chocolate, strudel, filo (phyllo), sauces and plated desserts. Daily presentation of individual desserts and creative plate presentation are featured.
Prerequisite(s): CUL1345, sophomore status. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 3 Quarter Credit Hours

CUL2626 Culinary Arts Internship
This intermediate level work-experience course is designed to provide students with a hands-on learning experience in the food service industry. Students apply theoretical knowledge of culinary arts, demonstrate practical skills of production, and practice professionalism in a university-approved industry setting. Upon completion of this term-long course, students gain a broader understanding of the demands and expectations of the food service industry while improving their skills in the craft of culinary arts. A minimum GPA of 2.75 may be required for certain site selections.
Prerequisite(s): Completion of all freshman-level courses; site selection is dependent upon GPA.
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 6.75-13.5 Quarter Credit Hours

CUL3020 Foundations of Wine and Spirits
This course introduces the student to a systematic sensory approach to wines and spirits and develops the student's ability to describe them in a marketable way. The course teaches a fundamental understanding of the relationship between climate, terrain, soils and grape varietals and the differentiation between quality levels of wine and spirits. Approximately 70 wines are tasted.
Offered at Charlotte, Providence, Providence CE 4.5 Quarter Credit Hours

CUL3092 Brewing Arts
Students develop an advanced understanding of traditional and modern styles of beer and brewed beverages by examining production methods and ingredients, and through detailed analysis. Students explore historical context, as well as modern industry structures and trends. In addition to sensory analysis, the course includes exposure to brewing and visits to local microbreweries and brewery restaurants.
Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

CUL3223 A Peruvian Culinary Experience
This course seeks to demonstrate the richness of Peruvian cuisine by recognizing the basic characteristics that are part of Peruvian food and culture. The course provides the demonstration of techniques, classroom practice, and real-world experiences in the wide range of food and beverages, culture, and nuances of ancient Peruvian and South American cuisine, traditional, contemporary and avant-garde.
Prerequisite(s): A.S. degree in Culinary Arts or Baking Pastry Arts, approval of the dean.
Offered at Charlotte, Denver, Miami, Providence, Providence CE 13.5 Quarter Credit Hours
CUL4045 Spirits and Mixology Management
This course offers the student an advanced understanding of spirits, liqueurs, cocktails and mixology to design and supervise a successful bar operation. Spirits, liqueurs, cocktails and mixology principles are discussed within a cultural, historical and business context. Advanced sensory analysis, cocktail recipe creation and production methods, inventory, cost analysis and merchandising are major components of this course. Alcohol liability and server training are reviewed. Students take the practical exam for the International School of Mixology Bartending Certification.
Prerequisite(s): Junior status.
Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

FSM1001 Introduction to the Food Service Field
This introductory course examines career opportunities, organizational structures, history and human resource management in the food service industry. Specific segments are also examined in commercial, industrial and institutional areas of food service.
Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

FSM1065 Food Safety and Sanitation Management
Students explore the fundamentals of food safety and environmental sanitation. This course looks at the origins of foodborne illness and the implementation of HACCP. Students must pass a national sanitation exam that is recognized by the Conference for Food Protection to fulfill the graduation requirement. (PT) (HY)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE 1.5 Quarter Credit Hours

FSM2025 Food and Beverage Cost Control
Food & Beverage Cost Control is an introductory course designed to acquaint the student with the control problems of the food and beverage industry. Emphasis is placed on profit planning through menu planning, the control cycle and forecasting.
Prerequisite(s): MATH0010 or concurrent or placement. (HO) (WI)
Offered at Charlotte, Denver, Denver CE, Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

FSM2045 Introduction to Menu Planning and Cost Controls
This course allows the student to learn and apply the skills of professional menu development while learning the importance and use of the proper tools and documents needed to control food and beverage costs and analyze sales. This course introduces various food service concepts, explores labor and overhead expenses and introduces the income statement as a method of evaluating business success.
Prerequisite(s): MATH0010 or concurrent or placement. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

FSM2055 Beverage Appreciation
This intermediate course refines the student’s knowledge of beverages served in a variety of hospitality operations. Emphasis is placed on beverage sensory perception and food pairings. Students develop and analyze strategies to effectively manage, market and set standards for beverage operations. Both alcoholic and non-alcoholic beverages are examined.
Prerequisite(s): Sophomore status. (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

FSM2065 Essentials of International Food and Beverage
This course introduces the student to the significance of food and beverage as it relates to the travel/tourism and hospitality industry. Students build a fundamental knowledge to effectively communicate with travel/tourism/hospitality planners and food service staff. Emphasis is placed on linking food, wine and tourism, and the impact related to tourism destination development internationally. This course also examines international service styles, cultural etiquette, food terminology, and basic food and wine pairings.
Prerequisite(s): FSM1065.
Offered at Miami, Providence, Providence CE 4.5 Quarter Credit Hours

FSM2080 Food Service Operations
This intermediate-level course is designed to complete a student’s foundation in purchasing as well as food and beverage operational controls. Emphasis is placed on mastering the purchasing cycle functions and back-of-the-house menu management systems. Students also develop income statements and utilize spreadsheet applications to analyze food and beverage operations. Students use current technology to develop income statements and manage back-of-the-house operations.
Prerequisite(s): ACCT2004 or concurrent.
Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

FSM2085 Hotel Food and Beverage Operations
This course is designed to introduce the student to the roles and standard operating procedures used for food and beverage operations in lodging settings. Emphasis is placed on food preparation techniques, basic purchasing procedures, kitchen and dining equipment, product identification and guest service styles and standards used in various lodging operations.
Prerequisite(s): FSM1065 or concurrent.
Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

FSM2095 Hotel Food and Beverage Controls
This course is designed to complete a student’s foundation in purchasing and food and beverage operational controls. Emphasis is placed on methods used by hotel managers in order to increase food and beverage operational profits through maximizing revenues and controlling costs. Students also develop income statements and utilize spreadsheet applications to analyze food and beverage operations.
Prerequisite(s): ACCT2004 (or concurrent), FSM2085.
Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

FSM2099 Food Service Management Internship
This course is a requirement for all students in the Restaurant, Food & Beverage Management degree program. The internship provides in-depth experience in food and beverage operations. Rotational assignments will incorporate both front and back-of-the-house operations.
Prerequisite(s): CUL1385, FSM1065 OR approved sanitation certificate. (SL)
Offered at Charlotte, Denver, Miami, Providence, Providence CE 13.5 Quarter Credit Hours

FSM3001 Food Service Management Systems and Human Resource Applications
This course is intended to prepare the students to apply sound human resource management principles to situations encountered within the hospitality industry. Students examine the complex and integrated nature of the hospitality industry and how various segments, such as lodging and tourism, impact the management and operation of food service establishments.
Prerequisite(s): BPA2626 or CUL2626. (PT) (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

FSM3012 Advanced Menu Analysis
This course focuses on researching current market trends and discovering their impact on commercial food service operations. Students analyze the effectiveness of current menu designs to specific operational data. Students also apply basic menu design techniques to enhance classroom assignments.
Prerequisite(s): FSM2080 or FSM3001 or SEE3008. (OL)
Offered at Online, Providence, Providence CE 4.5 Quarter Credit Hours

FSM3020 Dining Service Management
This intermediate course concentrates on the comprehensive study of dining service operations within the food and beverage industry. Emphasis is placed on human resource development, staffing, facility design, internal marketing, and fiscal accountability.
Prerequisite(s): FSM2080 or FSM3001 or SEE3008.
Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours
FSM3030 Facilities Design and Analysis
This intermediate course introduces students to the fundamentals of facilities planning for the commercial, institutional and industrial food service industry. Students are introduced to the need for proper planning, layout and design of production and service areas. Students become familiar with computer systems designed in restaurant planning. The major portion of the course is student involvement in individual projects on kitchen layout.
Prerequisite(s): FSM1001 or HOSP1001 or SEE1001 or A.S. degree in Culinary Arts or Baking Pastry Arts
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

FSM3035 Supervision for Food Service Professionals
This course is designed to allow the student to learn and to explore human resource management theory and procedures as it applies to the food service industry. Students learn proper procedures to hire, train, motivate and discipline employees, as well as to perform employee appraisals. Current human resource management issues and current labor legislation law are discussed as they apply to preparing future chefs and managers for successful leadership roles in the food service industry. (HO) (PT) (WI)
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

FSM4040 On-Site Foodservice
This upper-level course emphasizes the contract or noncommercial segment of the food service industry. The traditional contract fields of business/industry, university/school, healthcare, recreation areas and catering are explored in depth. Contracts for these food service areas are evaluated from the client, contractor, guest and unit manager’s perspectives.
Prerequisite(s): FSM2080 or FSM3001 or SEE3008. (OL)
Offered at Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM4060 Hospitality Operations Management
This upper-level capstone course combines a working knowledge of food production techniques and management skills necessary to operate a food service facility. Students further enhance these skills in a small-quantity food service setting in which they have full control over the food service operation.
Prerequisite(s): FSM2080 or FSM2095, senior status. (PT)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
9 Quarter Credit Hours

FSM4061 Advanced Food Service Operations Management
This upper-level capstone course concentrates on integrating critical competencies of management in a small food service setting. Emphasis is placed on menu development, marketing, staff scheduling, production planning and implementation, service, and fiscal accountability. Students manage the food and beverage service operations.
Prerequisite(s): FSM2080 or FSM2095 or FSM2099 or FSM3001, senior status. (PT) (HY)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM4070 The Business of Alcohol Distribution, Retail and Sales
This course offers the student a comprehensive overview of the costs of producing, distributing and selling licensed alcoholic beverages in the U.S. and the relationship between costs, profit margins and sales. Each segment of the three-tiered distribution system is analyzed and the legal aspects of producing, distributing and selling licensed beverages are examined. Internet sales and the challenge it poses to the current system are also evaluated. The impact of the current system on the consumer and how the consumer’s needs are addressed is the focus of the course.
Prerequisite(s): CUL3165 or FSM2055 or MRKT1001. (OL)
Offered at Charlotte, Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM4880 Beverage Operations Management
This upper-level course examines the creation and management of a beverage operation. Planning topics include concept, identification of target market and bar business creation. The creation of a business plan is discussed. Management topics include bar layout and operations, trend identification and product selection, basic production methods, costing and pricing, inventory methods and human resources management. The creation of wine lists, beer lists and cocktail menus is also discussed. Responsible Beverage Service is stressed.
Prerequisite(s): CUL4045 or FSM4070. (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

NUTR2001 Introduction to Nutrition
This course emphasizes the principles of nutrition and the six basic nutrients and related health concepts. Various eating behaviors, recommended dietary intakes, and tools for diet planning are explored. Students create an in-depth computerized personalized nutrient profile, which will be self-to-analyzed for nutritional adequacy.
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

Hospitality College
- FSM - Food & Beverage Management Courses
- HOSP - Int’l Travel & Tourism Studies Courses
- IHTV - International Hotel Courses
- SEE - Sports, Entertainment & Event Courses
- TRVL - Int’l Travel & Tourism Studies Courses

FSM1001 Introduction to the Food Service Field
This introductory course examines career opportunities, organizational structures, history and human resource management in the food service industry. Specific segments are also examined in commercial, industrial and institutional areas of food service.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

FSM1065 Food Safety and Sanitation Management
Students explore the fundamentals of food safety and environmental sanitation. This course looks at the origins of foodborne illness and the implementation of HACCP. Students must pass a national sanitation exam that is recognized by the Conference for Food Protection to fulfill the graduation requirement. (PT) (HY)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE
1.5 Quarter Credit Hours

FSM2025 Food and Beverage Cost Control
Food & Beverage Cost Control is an introductory course designed to acquaint the student with the control problems of the food and beverage industry. Emphasis is placed on profit planning through menu planning, the control cycle and forecasting.
Prerequisite(s): MATH0010 or concurrent or placement. (HO) (WI)
Offered at Charlotte, Denver, Denver CE, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM2045 Introduction to Menu Planning and Cost Controls
This course allows the student to learn and apply the skills of professional menu development while learning the importance and use of the proper tools and documents needed to control food and beverage costs and analyze sales. This course introduces various food service concepts, explores labor and overhead expenses and introduces the income statement as a method of evaluating business success.
Prerequisite(s): MATH0010 or concurrent or placement. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours
FSM2055 Beverage Appreciation
This intermediate course refines the student’s knowledge of beverages served in a variety of hospitality operations. Emphasis is placed on beverage sensory perception and food pairings. Students develop and analyze strategies to effectively manage, market and set standards for beverage operations. Both alcoholic and non-alcoholic beverages are examined.
Prerequisite(s): Sophomore status. (OL)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

FSM2065 Essentials of International Food and Beverage
This course introduces the student to the significance of food and beverage as it relates to the travel/tourism and hospitality industry. Students build a fundamental knowledge to effectively communicate with travel/tourism/ hospitality planners and food service staff. Emphasis is placed on linking food, wine and tourism, and the impact related to tourism destination development internationally. This course also examines international service styles, cultural etiquette, food terminology, and basic food and wine pairings.
Prerequisite(s): FSM1065.
Offered at Miami, Providence, Providence CE
4.5 Quarter Credit Hours

FSM2080 Food Service Operations
This intermediate-level course is designed to complete a student’s foundation in purchasing as well as food and beverage operational controls. Emphasis is placed on mastering the purchasing cycle functions and back-of-the-house menu management systems. Students also develop income statements and utilize spreadsheet applications to analyze food and beverage operations. Students use current technology to develop income statements and manage back-of-the-house operations.
Prerequisite(s): ACCT2004 or concurrent.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

FSM2085 Hotel Food and Beverage Operations
This course is designed to introduce the student to the roles and standard operating procedures used for food and beverage operations in lodging settings. Emphasis is placed on food preparation techniques, basic purchasing procedures, kitchen and dining equipment, product identification and guest service styles and standards used in various lodging operations.
Prerequisite(s): FSM1065 or concurrent.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

FSM2095 Hotel Food and Beverage Controls
This course is designed to complete a student’s foundation in purchasing and food and beverage operational controls. Emphasis is placed on methods used by hotel managers in order to increase food and beverage operational profits through maximizing revenues and controlling costs. Students also develop income statements and utilize spreadsheet applications to analyze food and beverage operations.
Prerequisite(s): ACCT2004 (or concurrent), FSM2085.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

FSM2099 Food Service Management Internship
This course is a requirement for all students in the Restaurant, Food & Beverage Management degree program. The internship provides in-depth experience in food and beverage operations. Rotational assignments will incorporate both front and back-of-the-house operations.
Prerequisite(s): CUL1385, FSM1065 OR approved sanitation certificate. (SL)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
13.5 Quarter Credit Hours

FSM3001 Food Service Management Systems and Human Resource Applications
This course is intended to prepare the students to apply sound human resource management principles to situations encountered within the hospitality industry. Students examine the complex and integrated nature of the hospitality industry and how various segments, such as lodging and tourism, impact the management and operation of food service establishments.
Prerequisite(s): BPA2626 or CUL2626. (PT) (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM3012 Advanced Menu Analysis
This course focuses on researching current market trends and discovering their impact on commercial food service operations. Students analyze the effectiveness of current menu designs to specific operational data. Students also apply basic menu design techniques to enhance classroom assignments.
Prerequisite(s): FSM2080 or FSM3001 or SEE3008. (OL)
Offered at Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM3020 Dining Service Management
This intermediate course concentrates on the comprehensive study of dining service operations within the food and beverage industry. Emphasis is placed on human resource development, staffing, facility design, internal marketing, and fiscal accountability.
Prerequisite(s): FSM2080 or FSM3001 or SEE3008.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

FSM3030 Facilities Design and Analysis
This intermediate course introduces students to the fundamentals of facilities planning for the commercial, institutional and industrial food service industry. Students are introduced to the need for proper planning, layout and design of production and service areas. Students become familiar with computer systems designed in restaurant planning. The major portion of the course is student involvement in individual projects on kitchen layout.
Prerequisite(s): FSM1001 or HOSP1001 or SEE1001 or A.S. degree in Culinary Arts or Baking Pastry Arts
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

FSM3035 Supervision for Food Service Professionals
This course is designed to allow the student to learn and to explore human resource management theory and procedures as it applies to the food service industry. Students learn proper procedures to hire, train, motivate and discipline employees, as well as to perform employee appraisals. Current human resource management issues and current labor legislation law are discussed as they apply to preparing future chefs and managers for successful leadership roles in the food service industry. (HO) (PT) (WI)
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

FSM4040 On-Site Foodservice
This upper-level course emphasizes the contract or noncommercial segment of the food service industry. The traditional contract fields of business/industry, university/school, healthcare, recreation areas and catering are explored in depth. Contracts for these food service areas are evaluated from the client, contractor, guest and unit manager’s perspectives.
Prerequisite(s): FSM2080 or FSM3001 or SEE3008. (OL)
Offered at Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM4060 Hospitality Operations Management
This upper-level capstone course combines a working knowledge of food production techniques and management skills necessary to operate a food service facility. Students further enhance these skills in a small-quantity food service setting in which they have full control over the food service operation.
Prerequisite(s): FSM2080 or FSM2095, senior status. (PT)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
9 Quarter Credit Hours

FSM4061 Advanced Food Service Operations Management
This upper-level capstone course concentrates on integrating critical competencies of management in a small food service setting. Emphasis is placed on menu development, marketing, staff scheduling, production planning and implementation, service, and fiscal accountability. Students manage the food and beverage service operations.
Prerequisite(s): FSM2080 or FSM2095 or FSM2099 or FSM3001, senior status. (PT) (HY)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours
FSM4070 The Business of Alcohol Distribution, Retail and Sales
This course offers the student a comprehensive overview of the costs of producing, distributing and selling licensed alcoholic beverages in the U.S. and the relationship between costs, profit margins and sales. Each segment of the three-tiered distribution system is analyzed and the legal aspects of producing, distributing and selling licensed beverages are examined. Internet sales and the challenge it poses to the current system are also evaluated. The impact of the current system on the consumer and how the consumer’s needs are addressed is the focus of the course.
Prerequisite(s): CUL1365 or FSM2055 or MRKT1001. (OL)
Offered at Charlotte, Denver, Online, Providence, Providence CE
4.5 Quarter Credit Hours

FSM4880 Beverage Operations Management
This upper-level course examines the creation and management of a beverage operation. Planning topics include concept, identification of target market and bar business creation. The creation of a business plan is discussed. Management topics include bar layout and operations, trend identification and product selection, basic production methods, costing and pricing, inventory methods and human resources management. The creation of wine lists, beer lists and cocktail menus is also discussed. Responsible Beverage Service is stressed.
Prerequisite(s): CUL4045 or FSM4070. (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP1001 The Hospitality Field
This course is an introduction to the various segments within the hospitality industry (lodging, food service; travel & tourism; and sports, entertainment & event management). The course is intended to prepare the student to apply sound management principles to the challenges encountered within the industry.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP1008 Customer/Guest Service Management
This introductory course is a study of customer/guest service management within the hospitality industry. Emphasis is placed on the development of service standards, the problem solving process, data gathering techniques, technological methods and fiscal accountability. Students take an industry-recognized responsible alcohol service exam.
Prerequisite(s): FSM1001 or HOSP1001 or SEE1001. (HO)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP1010 Front Office Operations
This course familiarizes students with the front office department of the hotel. Emphasis is placed on guestroom availability, reservation processing, guest registration, night audit and check-out procedures through a computerized property management system. The student focuses on all aspects of the unique relationship between the front office and other departments in the hotel.
Prerequisite(s): FSM1001 or FSM3001 or HOSP1001 or SEE1001.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP1080 Technology in the Tourism/Hospitality Industry
This introductory course provides comprehensive hands-on learning with the various information systems in the hospitality industry. Students gain basic knowledge in the use of property management systems, global distribution systems, point-of-sale systems, Internet distribution systems and any other current technology available to the travel/tourism and hospitality industry.
Prerequisite(s): HOSP1001, TRVL1010 or TRVL1011.
Offered at Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP2011 Hospitality Sales and Meeting Management
This course familiarizes students with the scope of sales and meeting management within the hospitality industry. The reciprocal relationship between selling and service is presented within the context of hospitality marketing practices.
Prerequisite(s): FSM3001 or HOSP1008 or TRVL2040. (HO)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP2020 Resort Management
This course provides a detailed study of management techniques used in the management of resort properties and their recreational facilities. The physical development of resort properties is also investigated.
Prerequisite(s): FSM1001 or FSM3001 or HOSP1001 or SEE1001.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP2030 Hospitality Human Resources and Diversity Leadership
Operational and staff managers in today’s hospitality-related businesses often manage a diverse group of employees and are responsible for compliance with employment laws and human resource policies. Therefore, managers must be knowledgeable about laws and best practices when working with their employees. This course helps students develop managerial knowledge and skills in several areas of human resource management including recruiting, interviewing, selection, orientation, training, performance evaluation and management, discipline, terminations, and employee and union relations.
Prerequisite(s): Sophomore status. (HO) (PT) (WI)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP2050 International Tour and Hotel Operations
This course is taught only on a campus outside of the U.S. during a term abroad program. The course focuses on cultural, political, legal and economic forces; their impact on tourism and how hospitality management practices differ among countries. Students plan and participate in a variety of tours and professional site visits in order to gain firsthand knowledge of the international travel experience.
Prerequisite(s): Must be accepted in Study Abroad Program, junior status.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
9 Quarter Credit Hours

HOSP2099 Hotel Internship
This internship is designed to give the student practical experience in both lodging and food and beverage areas. Rotational assignments incorporate both front- and back-of-the-house operations. It includes day, evening and weekend shifts.
Prerequisite(s): HOSP1008, HOSP1010 or HOSP1011, FSM1065 or approved sanitation certificate, FSM2085, . (PT)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
6.75-13.5 Quarter Credit Hours

HOSP3020 Trade Show/Exposition Management
This course is designed to give the student practical experience in developing a trade show or exhibition with special emphasis on pre-planning, budget preparation, advertising and/or public relations, and exhibit setup, including exhibit registration, booth accommodations and assignments, draping, audiovisual, programming and wrap-up. A directed work project may be incorporated into this course.
Prerequisite(s): FSM3001 or HOSP2011 or SEE2020 or TRVL2040.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP3033 Hotel Property Operations
This course introduces the student to the role of the property operations manager in a lodging context. Essential elements of engineering, housekeeping, and safety are studied. The student is introduced to technical, managerial, financial and legal issues related to these departments. The environmental impact of activities in this area of management is highlighted. The course content has application to other settings as well.
Prerequisite(s): HOSP2099 or permission of department chair. (PT)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP3040 Managing Quality Services
This upper-level course is designed to acquaint the student with the principles of total quality management and how they affect organizations and employees within those organizations. This course stresses problem-solving and decision-making skills using analytical tools and case studies. A directed work project may be incorporated into this course.
Prerequisite(s): Junior status. (SL) (HO)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
HOSP3045 Management Of Vacation Ownership (Timeshare) Resorts
This course covers concepts and issues related to the marketing and management of vacation ownership (timeshare) properties. Owner-manager relationships are highlighted. Additionally, important financial issues related to initial development, budget management and renovations are covered. Best practices of leading companies are examined. Contracts are made among typical lodging properties, traditional resorts, full ownership resorts, destination clubs and fractional ownership resorts.
Prerequisite(s): HOSP1010 or HOSP2020. (HY)
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP3050 Hospitality Strategic Marketing
This is an upper-level course dealing with the broad scope of hospitality marketing. Emphasis is on the analysis, structure and strategy of the hospitality marketing department, departmental budgeting, allocation of resources, market research, media selection and effectiveness of the marketing plan. Case studies and assigned readings examine current marketing issues. A directed work project may be incorporated into this course.
Prerequisite(s): Junior status. (HO) (PT) (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP3053 Franchising Opportunities
This course focuses on business format franchising. Students gain experience in evaluating franchise offerings, as well as evaluating their own suitability to be franchised. The advantages and disadvantages of franchising are reviewed, analyzed and discussed. The concepts are relevant for any student interested in becoming an owner of a franchised business.
Prerequisite(s): HOSP3050 or MKRT1001, ACCT3020 or ACCT3025.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

HOSP3060 Private Club Management
This upper-level course examines the private club industry and its specific challenges. Emphasis is placed upon the manager’s role with the governing board, membership, staff and management of the clubhouse and recreation activities.
Prerequisite(s): FSM1001 or FSM3001 or HOSP1001 or SEE1001. (HY)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP3065 Hospitality Security and Risk Management
This course is designed to familiarize the student with the various elements of Risk Management throughout the hospitality industry. It is intended to supply the student with a strong foundation in the elements necessary to provide a safe and secure venue and to reduce ownership liability.
Prerequisite(s): Junior status.
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP3077 Revenue Management
This course examines and illustrates the strategies, principles and techniques of revenue management as they relate to lodging, travel/tourism, food service and facilities management. The relationship between accurate forecasting, overbooking, reservation systems, marketing issues, pricing and e-commerce as they relate to financial decision-making is investigated. Students are required to analyze revenue management scenarios.
Prerequisite(s): ECON2002 or HOSP1010.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP3080 Spa Management
This course examines the growing segment of spas and spa services within hospitality operations. Strategies for the design and development of a successful spa concepts are discussed with emphasis placed on management, marketing and fiscal performance.
Prerequisite(s): Junior status.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP3085 Negotiations and Agreements
This intermediate-level course explores a variety of hospitality industry negotiations and interactions. The course discusses the skills necessary to recognize situations within the hospitality industry that call for bargaining. This course articulates the development of agreed elements necessary to properly record the outcomes of a union/management negotiation process; the numerous agreements/contracts that are prevalent in the unionized hospitality industry; and the implementation and management of agreements and contracts.
Prerequisite(s): LAW2001 or LAW2010.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP4011 Hospitality Management Consulting
This upper-level course is designed to give students insight into management consulting for enterprises in the hospitality industry. Using a variety of teaching methods, including the case study approach, simulated consulting assignments are introduced into the classroom to fine-tune the critical thinking and decision-making abilities of the student. The spectrum of management consulting includes providers, ranging from large international firms to sole practitioners, is reviewed.
Prerequisite(s): ACCT3020 or ACCT3025 or FISV3001, HOSP3050.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

HOSP4020 Cultural Diversity Management
This course focuses on the issues related to domestic and international multicultural management. Students examine the synergistic opportunities presented by the diverse workforce and develop strategies that respect and value individual differences.
Prerequisite(s): SOC2001 or SOC2020 or SOC2901.
Offered at Charlotte, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP4040 Hospitality Management Seminar
This upper-level course is designed to give students insight into hospitality strategy. Using a variety of teaching methods including the case study approach, realism is introduced into the classroom improving the critical thinking and decision-making ability of the student. The course is also designed to integrate appropriate computer-based simulation and application programs into management theory. A directed work project may be incorporated into this course.
Prerequisite(s): ACCT3020 or ACCT3025, HOSP3050 or MKRT1001. (PT) (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

HOSP4099 Hospitality Internship
Eligible students may apply for a selective Hospitality Internship assignment. These internship assignments allow students to gain academic credit for an invaluable work experience within their chosen profession. Upon completion of this term-long course, students have a more global understanding of the demands and expectations of business and industry.
Prerequisite(s): To be eligible for this internship, students must: 1) maintain a cumulative GPA of 2.75 during the entire pre-program application process, 2) have completed 130 hours of course work, 3) have appropriate elective credit available in their degree audits, and 4) have the sponsorship of a faculty advisor.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5-13.5 Quarter Credit Hours
HVT3010 International Hospitality Management
The purpose of this intermediate course is to acquaint students with the skills of a global hospitality manager, where students study principles of international hospitality management: marketing, human resource management, financial issues and operational risk management. An historical approach is taken in exploring the development of multinational hospitality corporations.
Prerequisite(s): HOSP2030.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SEE2015 Leadership in Recreation/Leisure Settings
This course explores leadership qualities, styles and group dynamics. Students examine a selection of program activities and guidelines for presenting and developing them effectively. Focus is on developing, leading and evaluating activities based on varying participant requirements. Aspects of group facilitation, activity sequencing and debriefing are discussed.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SEE2020 Event Management
This course introduces students to the methods and techniques utilized in planning, organizing, promoting and delivering major events and the role of events in generating a tourist market. (HO)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SEE2030 The Entertainment Industry
This course is designed to provide students with core knowledge of the diverse and dynamic entertainment industry. The topics explored through this course include the historical development of the entertainment industry, current trends and industry regulations, theater and the arts, music, cinema, sports entertainment, television, and alternative entertainment. Issues related to industry best practices, effective artist/performer management and entertainment event production are also discussed.
Prerequisite(s): SEE1001 or HOSP1001 or FSM1001 or FSM3001.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SEE2040 Outdoor Recreation Planning
This course provides an introduction to the concept of outdoor recreation, outdoor recreation planning and the specific use of our environment for recreation by individuals, private agencies and government agencies. The study of federal programs including the National Park Service is an integral part of this course.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SEE2070 The Gaming Industry
This introductory course is designed to familiarize students with the many facets of the entire gaming industry. Topics to be covered include: the history of gambling, common forms of gambling, major gaming destinations, career paths, gaming industry leaders, regulation and licensing and basic organization of a casino resort. Current trends and issues in the industry are also discussed.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SEE3015 Managing Gaming Operations
This advanced course is designed to familiarize the student with basic knowledge about managing casino properties. Discussions include casino financial management, organizational structure, gaming terminology, casino design, with special emphasis on casino marketing. International and internet gaming markets are also explored. A field trip to a pre-selected casino is mandatory.
Prerequisite(s): SEE2070.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

SEE3041 Special Event Protocol
Students in this course examine the specifics of social and professional business etiquette and the event protocol. Official protocol and the order of precedence for governmental, military and social organizations are investigated as well. The unique challenges presented by official ceremonial events such as state dinners, flag ceremonies, inaugurations, dedications, graduations, parades, state and military funerals, and memorial services, etc. are discussed, and students formulate effective strategies for managing such events.
Prerequisite(s): SEE2020 or HOSP2011 or FSM3001.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SEE3042 Weddings & Ceremonies
This course examines the unique aspects of planning and executing various ceremonial events such as weddings (traditional and nontraditional), bar/bat mitzvahs, quinceañera parties, debutante balls, anniversaries and civilian funerals. Special emphasis is placed on adapting the traditional event cycle to the challenges presented by these social life-cycle events and the numerous ethnic and religious traditions associated with them. Industry best practices for custom event design including décor, entertainment, catering and budgeting are explored. In addition, strategies for attracting, managing and retaining clients are discussed.
Prerequisite(s): SEE2020 or HOSP2011 or FSM3001.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SEE3045 Media Relations
This upper-level course develops the skills necessary to proactively interact with the mass communication media. Case studies are utilized in a laboratory environment. Emphasis is placed on the ethical responsibilities of a spokesperson and the experience needed to relate to the communication media in a variety of situations.
Prerequisite(s): ENG1021 or ENG1921, ENG1030 or ENG1930. (PT)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SEE3055 International Special Event Management
This upper-level course, taught only on a campus outside of the United States during a term abroad program, focuses on the development, planning and management of international special events. Emphasis is on research and development, site selection, social and cultural issues, marketing and sponsorship, and human resource management. In addition, the challenges presented by producing an event in a non-domestic venue are explored in detail.
Prerequisite(s): SEE2020, acceptance in study abroad.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
9 Quarter Credit Hours

SEE3060 Concert and Event Production
This course focuses on event and concert tour production. Emphasis is on managing a show on stage, back stage and on the road. In addition, tools for set building, lighting, sculpting sound with microphones and mixers, reviewing basic electrical formula, performance contracts, technical riders and a production checklist are explored.
Prerequisite(s): SEE2010, SEE2030.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SEE3120 Fitness and Wellness Center Management
This course focuses on the skills necessary to manage a fitness and wellness center. Emphasis is on the development and design of the facility layout, daily operations, and fitness/wellness programs located in private, public, corporate, hotel, resort, university and recreational facilities. Students learn program development skills necessary to operate and manage a fitness/wellness facility. A directed work project may be incorporated into this course.
Prerequisite(s): HOSP3033 or SEE 2010.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours
SEFE420 Sports and Entertainment Marketing
This course exposes students to marketing concepts relating to the sports and entertainment industries. It addresses various products, consumer markets, strategic market analysis and valuation within the sports/entertainment industries. Major topics include the negotiation process, promotions, public relations, market research and sponsorships.
Prerequisite(s): HOSP3050 or MRKT1001.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

TRVL1001 Intro to Travel-Tourism
This introductory course focuses on industry terminology and careers through a study of travel components which include: retail and wholesale agencies, tour management, customer relations, marketing and sales, as well as hotel, cruise, airline and resort related travel opportunities.
Offered at Providence CE
4.5 Quarter Credit Hours

TRVL1010 Destination Geography I
This introductory course is designed to acquaint the student with important destinations in the U.S., Canada, Mexico, South America and the Caribbean. The course discusses cultural, recreational and social significance to the traveler.
Offered at Miami, Providence, Providence CE
4.5 Quarter Credit Hours

TRVL1011 Destination Geography II
In addition to significant destinations and attractions in Europe, Asia and Africa, this course stresses more the cultural values related to international travel and the significance of travel to the international economy.
Offered at Miami, Providence, Providence CE
4.5 Quarter Credit Hours

TRVL1035 Travel Information Systems
This course provides a comprehensive, hands-on system learning experience. Students become proficient in the use of current Airline Reporting Corporation (ARC) documentation, simulated CRS systems, Internet resources, as well as other technologies used for the management of related travel services. Students are able to understand the technological interactions within a Global Distribution System (GDS). (HO)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

TRVL2030 Tour Management
This course is designed for students planning careers in tour guiding or tour operations. Topics include: tour operations, components of a tour, tour management positions, characteristics of a professional tour guide, the psychology of tour management and internal communications.
Offered at Miami, Providence, Providence CE
4.5 Quarter Credit Hours

TRVL2040 Travel Sales Management
This course emphasizes service as an integral part of the selling process. The reciprocal relationship between selling and service is presented within the context of the total travel sales effort.
Prerequisite(s): FSM1001 or HOSP1001 or SEE1001. (SL) (WI)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

TRVL2099 Travel-Tourism and Hospitality Internship
The travel-tourism and hospitality internship affords students the opportunity to combine previous academic courses with a practical approach to various travel industry segments and operations. Students receive hands-on experience while on rotation through Johnson & Wales University approved sites. Sites include the Rhode Island State House, T.F. Green Airport, Collette Vacations, Providence Warwick Convention and Visitors Bureau, AASNE (American Automobile Association Southern New England), and the Radisson Hotel or Johnson & Wales Inn. The culmination of the internship experience is a tour to a selected international destination, where each student researches, negotiates and develops a highly anticipated journey.
Prerequisite(s): HOSP1010 or HOSP1080 or TRVL1035. (PT)
Offered at Miami, Providence, Providence CE
6.75-13.5 Quarter Credit Hours

TRVL2801 World Geography for Tourism and Hospitality
This course is designed to provide the student with the knowledge and skills necessary to work and travel in a global environment. Students explore both current and emerging destinations from around the world. The course discusses the cultural, recreational and social significance to the traveler and the economy.
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

TRVL2810 The Aviation and Airline Industries
This course familiarizes students with the US and international airline industry. The course focuses on the organization and management functions of the airlines, and emphasizes the application of class material to current industry issues.
Prerequisite(s): Sophomore status.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

TRVL3010 Dynamics of Tourism
This is a management-oriented course covering the economic, cultural and social functions in the planning and development of the tourism industry. Emphasis is placed on organizational concepts.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

TRVL3020 Ecotourism
This upper-level course explores an emerging dimension of tourism: ecotourism. Students investigate the impact of specific environmental issues on tourism, including water pollution, air pollution, habitat destruction, etc., and focus on the impact of tourism on the physical, biological and cultural environment. The role of the tourism industry as it relates to the provision of ecotourism experiences is also discussed.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

TRVL3030 International Policies of Tourism
This intermediate-level course is designed to provide the student with an increased understanding in the area of international tourism development. Emphasis is placed on the definitive study of the essential components for a successful national tourism program.
Prerequisite(s): TRVL3010. (HO)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

TRVL3040 Adventure, Sport and Nature-Based Tourism
This course provides the student with a solid foundation of knowledge related to adventure, sport and nature-based tourism and focuses on key considerations necessary for its implementation. The course offers an opportunity for a field project.
Prerequisite(s): FSM2099 or FSM3001 or HOSP2099 or SEE2020 or TRVL2099.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

TRVL3801 Winter Resort and Adventure Management
This course provides the student with a solid foundation of knowledge related to the winter adventure resort and focuses on all aspects of operation and program development. The course also offers opportunities for a field project. The class is an inter-term offering between the winter and spring terms only. Students are required to participate in all off campus activities with the designated industry partners.
Prerequisite(s): Sophomore status.
Offered at Miami, Providence, Providence CE
4.5 Quarter Credit Hours

TRVL4011 Destination Management Organization
This course integrates the administrative functions of a destination management or marketing organization (DMO). The interrelationships of operations, marketing and finance are analyzed and evaluated. A directed work project may be an integral part of this course.
Prerequisite(s): HOSP3050 or MRKT1001. (HO) (PT) (WI)
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

School of Arts Sciences
• ART - Humanities Courses
• CAR - Experiential Ed & Career Svcs Courses
CAR0010 Career Capstone
This career management course focuses on preparing and empowering students to make effective career choices, identify and pursue internships, secure employment, and navigate lifelong career direction. Students learn ways to enhance and customize their job search materials and to market themselves effectively to employers. Various job search strategies, networking and interview techniques are reinforced. Other topics include personal financial management and graduate school.
Prerequisite(s): Junior status. (PT) (OL)
Offered at Charlotte, Denver, Denver CE, Miami, Online, Providence, Providence CE
1 Quarter Credit Hour

CBLG2010 Introduction to the Helping Professions
This course is designed to develop familiarity with the specialty of the helping profession including its professional practices and issues, its basic concepts, its relationship to other specialties and fields within psychology, and its scientific and research bases. In addition, the American Counseling Association’s Code of Ethics is introduced.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CBLG2030 Counseling Theories and Techniques
This course is an introduction to the methods, major theories and techniques of counseling. A wide range of settings are considered, as well as a large range of topics, including dysfunctional families, domestic violence, incest, suicide prevention, drug and alcohol abuse, sociopathic personalities and multicultural issues.
Prerequisite(s): PSYC2001 or PSYC2901 (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CBLG2050 Introduction to Crisis Intervention
This course offers students an introduction to clinical crisis intervention by examining the theories, strategies and skills essential to de-escalating and resolving conflict in crisis situations. Theories on suicide prevention, addictions and suicide, violence and addictions and aggression management are explored. Models for assessing and responding to crises are explored. Topics such as medical and psychological traumas, posttraumatic stress disorder and professional burnout are part of the curriculum as well as theoretical and ethical implications in crises.
Prerequisite(s): PSYC2001 or PSYC2901.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CBLG2070 Introduction to Case Management
This course introduces students to the required case management responsibilities for counselors. Its focus is on the skills and attitudes needed to meet accepted principles of patient management and the necessity of adhering to ethical guidelines. It concentrates specifically on such major aspects of case management as patient privacy rights and confidentiality, accuracy in intake preparation, assessment and screening reports, progress reports and treatment goals, discharge summaries and aftercare planning, and general documentation. The student gains a general knowledge of state and federal regulations for counselors as they apply to record keeping. Focus is also on understanding the referral process and identifying linkages to other community settings.
Prerequisite(s): PSYC2001 or PSYC2901.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CBLG2090 Foundations of Mental Health Counseling
This course provides an introduction to the nature of the work, as well as the qualifications and knowledge required of mental health counselors by the U.S. Department of Labor. The intent of this course is to provide students with basic information on the principles and practices of mental health counseling. Topics include the history and philosophy of mental health counseling, professional identity, roles of the mental health counselor, professional ethics, managed care, various contexts of practice and organizational structures, mandated clients, crisis intervention services, prevention, consultation, and an understanding of how diversity influences the practice of mental health counseling. Particular attention is given to the practice of mental health counseling in a range of such urban settings as homeless shelters and outpatient centers.
Prerequisite(s): PSYC2001 or PSYC2901.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CBLG2100 Introduction to Career and School Counseling
This course is designed to help students become competent in the use of educational and occupational information in counseling-related activities. Particular emphasis is on how information is processed in planning, establishing and managing careers from a life-span perspective.
Prerequisite(s): PSYC2001 or PSYC2901.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
CSLG2110 Introduction to Family Treatment for Addictions Counselors
This foundational course addresses the treatment of families with substance abuse and other addictive disorders. It introduces various models and theories of counseling for families with addictive disorders; the focus will be on a family systems approach, exploring the dynamic roles that each family member plays in a multicultural society. It also examines the skills, strategies, techniques and approaches appropriate to intervention treatment as well as the twelve core functions of an addictions counselor.
Prerequisite(s): PSYC2001 or PSYC2901. (WI)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSLG3010 Principles of Group Counseling
This course provides students with fundamental knowledge of the dimensions of group counseling through attention to its process, dynamics, and practice. It focuses on such topics as the development of group counseling as well as the ethical issues and theoretical approaches central to an understanding of the practice. This course also offers both experiential training in group facilitation, with opportunities to practice effective strategies by exploring task facilitation, psycho-educational counseling, and psychotherapy groups.
Prerequisite(s): PSYC2001 or PSYC2901. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSLG3040 Counseling Techniques for Addictions and Other Behavioral Disorders
This course focuses on the special skills and techniques required to effectively counsel the addicted and behaviorally disordered client. Development and utilization of advanced treatment planning and client management training are featured. In addition, it addresses the wide range of ethical issues inherent in all steps identified within the scope of practice for addiction professionals and found in recovery support services. The course examines issues that may arise during initial screening, during treatment planning, and as a client progresses through treatment implementation and moves into recovery. Throughout this course, students are asked to relate various points to their own situations, consider the various perspectives presented, and develop an ongoing awareness of their choices, decisions and behaviors in light of the ethical standards outlined by NAADAC.
Prerequisite(s): PSYC2001 or PSYC2901.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSLG3099 Internship in Counseling Psychology I
The internship is comprised of weekly group seminars in which students learn counseling skills and techniques. Students also complete 10 hours of fieldwork in counseling, which includes shadowing counselors as they work with their clients and observing counseling techniques, personal interactions and case management. Development of clinical skills is a key focus of the internship.
Prerequisite(s): PSYC2001 or PSYC2901; junior status.
Offered at Providence, Providence CE
1 Quarter Credit Hour

CSLG4099 Internship in Counseling Psychology II
Internship in Counseling Psychology II is a capstone course focusing on the practice of applied psychology in various service agency settings. The course requires students to demonstrate an ability to integrate theory, research and practice in the context of a supervised counseling experience. The internship is a placement directed by a supervisor on site as well as by a program faculty member who will meet with students in a weekly seminar in which counseling methods and techniques are critically analyzed and further developed. Students must complete 150 hours at the community agency placement site.
Prerequisite(s): CSLG3099; senior status.
Offered at Providence, Providence CE
13.5 Quarter Credit Hours

ECON1001 Macroeconomics
This course is designated as the first of two courses serving as an introduction to economics. It is a survey course covering the foundations of economics and focusing on macroeconomic concepts and issues such as the features and goals of capitalism, the market system, national income, business cycles, macroeconomic theories, and monetary and fiscal policy. (HY) (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ECON2002 Microeconomics
This course consists of microeconomic principles and issues. Course content examines and analyzes both the product and resource markets with emphasis on demand, supply and elasticities. In addition, the costs of production and the basic market models of firms’ short run and long run operations are discussed. Other topics covered include various current domestic microeconomic problems, as well as international economic issues such as international trade and foreign exchange.
Prerequisite(s): ECON1001.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

ECON2010 Economic Geography
The purpose of this course is to provide an understanding of the economic resources at our disposal and the natural conditions under which the utilization of these resources may be achieved. Locations, characteristics and relationships of economic activities are presented to permit better insight into present world economic problems. The sources, applications and problems of energy are examined in order to better understand today’s energy problems.
Prerequisite(s): ECON1001 or ECON1901.
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

ECON3030 Managerial Economics
This course introduces business students to the application of economic principles at the decision-making level in a business organization. This course demonstrates how economic concepts can be applied to decisions involving business strategy and the attainment of organizational objectives.
Prerequisite(s): ECON2002 or ECON1901, MGMT1001.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

ECON3070 Contemporary Economic Issues
This course is a topical examination of current macroeconomic and microeconomic issues that impact the U.S. economy. Course content examines and analyzes topics such as government finance, health care, the environment, energy, poverty and welfare, social economic issues, the housing market, terrorism, casino gambling, and the stock market.
Prerequisite(s): ECON1001, ECON2002 or ECON1901.
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

ENG0001 Writing Workshop
This course affords an opportunity to students to complete the Graduation Writing Requirement at Johnson & Wales University. Students will review sentence structure, paragraph development and essay organization with the goal of applying these skills to the classroom and the workplace.
Prerequisite(s): PT writing skills evaluated at the “developing” level. (HY) (OL)
Offered at Charlotte, Denver, Denver CE, Miami, Online, Providence, Providence CE
0 Quarter Credit Hours

ENG1001 An Introduction to Literary Genres
This course prepares students to read, analyze and write about the major literary genres: poetry, fiction and drama. Students are exposed to a variety of forms and styles in each genre from a wide range of historical periods. Literary selections represent a diverse group of classic and contemporary writers, poets and playwrights.
Prerequisite(s): ENG1020 or ENG1920 or placement. (SL) (WI) (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours
ENG1020 English Composition
This course provides students with basic writing skills in a variety of genres and contexts. Instruction begins with a review of the fundamentals of writing through the use of personal narratives. The focus widens to forms of public writing, including informative and research-based writing. Research techniques and MLA documentation are covered. Class work includes lecture, writing workshops, and peer critique. Course requirements include five or six different writing projects as well as a final exam. (WI) (OL)
Offered at Charlotte, Denver, Denver CE, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ENG1021 Advanced Composition and Communication
This course is a continuation of ENG1020 English Composition. Building on the research and audience skills from ENG1020, students develop more complex and rhetorically advanced papers. All work – written and oral – is aimed at persuading an audience. Instruction begins with the essential components of a logically constructed and articulated argument. Critical thinking skills are reinforced throughout the course as students develop, peer critique, and present projects to the class. Research and MLA skills are expected of students, and all projects require research from a variety of sources.
Prerequisite(s): ENG1020 or ENG1920 or placement (WI) (OL)
Offered at Charlotte, Denver, Denver CE, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ENG1030 Communication Skills
This introductory course focuses on communication skills essential to career and personal success. Emphasis is placed upon awareness of and adaptation to the audience, ethical responsibility and cultural diversity. Students progress in gradual stages, gaining an understanding of the communication process along with confidence and experience in numerous speaking, listening and small group interactions. (SL) (PT) (OL)
Offered at Charlotte, Denver, Denver CE, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ENG2010 Technical Writing
This course focuses on a practical approach to technical exposition, such as proposals, project reports, feasibility studies, abstracts, and technical correspondence delivered in both hard copy and electronic formats.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO) (WI) (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ENG2030 Introduction to Newswriting
This course provides students with a practical introduction to basic news and feature writing and emphasizes writing for the specific fields of business, culinary, hospitality and technology.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO) (WI)
Offered at Charlotte, Denver, Providence, Providence CE
4.5 Quarter Credit Hours

ENG3012 Report and Proposal Writing
This course prepares students to write effective reports and proposals in a variety of workplace environments including business and industry, government, academic and nonprofit. Students learn to analyze the needs of various audiences including clients, supervisors, and investors or funding agencies, and apply the appropriate rhetorical conventions to create a range of informative and/or persuasive documents. Communication tasks include written reports, proposals and related correspondence, as well as oral presentation.
Prerequisite(s): ENG2010 or permission of department chair. (OL)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

ENG3016 Advanced Business Communication
This course prepares students to perform high-stakes written and oral communication tasks in organizational or entrepreneurial settings in a 21st-century global economy. Building on skills introduced in earlier composition and communication courses, students plan, compose and deliver documents and presentations for a diverse range of external and internal audiences. The course requires the highest level of professionalism not only in producing quality documents but also in interacting with external and in-house contacts.
Prerequisite(s): ENG1021 or ENG1921, ENG1030 or ENG1930. (HO) (OL)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

ENG3030 Introduction to Food Writing
This course provides students with an opportunity to concentrate on food writing for cookbooks, magazines, newspapers and websites. Students are introduced to the protocol for getting published while learning how to develop and compose food stories and restaurant reviews. Subjects taught include interview techniques, query letters and tailoring food articles to various publications.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO) (WI) (OL)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

FREN1001 Conversational French I
This course is an introduction to the French language, with emphasis on vocabulary acquisition, basic grammar construction and oral communication. Students who have previously studied this language are required to take the foreign language placement exam.
Offered at Charlotte, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

FREN1002 Conversational French II
This lower, intermediate-level course is designed to further develop conversational ability by expanding both the vocabulary and exposure to French-speaking cultures. This course concentrates greatly on advanced verb forms and idiomatic expressions.
Prerequisite(s): FREN1001 or equivalent placement score.
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

FREN1003 Conversational French III
This advanced intermediate course is designed to perfect the usage of advanced grammar through extensive conversational drill, directed reading, composition and laboratory practice.
Prerequisite(s): FREN1002 or equivalent placement score.
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

FREN1901 French I Honors
This intensive, honors-level course is an introduction to the French language, with heavy emphasis placed on vocabulary acquisition, on basic grammatical constructions and on effective oral communication. Students are also exposed to several French-speaking cultures.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FREN1902 French II Honors
This course is an intensive, honors-level course and is a continuation of French I Honors. Emphasis is placed on oral and written communication skills based on a strong foundation of grammar and vocabulary building. There is a focus on the culture of the French-speaking countries.
Prerequisite(s): FREN1901 or equivalent placement score.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
GER1001 Conversational German I
This course is an introduction to the German language, with emphasis on vocabulary acquisition, basic grammar construction and oral communication. Students who have previously studied this language are required to take the foreign language placement exam. 
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

GER1002 Conversational German II
This course is for advanced beginners in German language, building upon the basic speaking, listening, reading and writing skills covered in German I. Students’ vocabulary is expanded to 2,000 commonly used vocabulary words used in conjunction with the present and perfect tenses, adjectives and adverbs. In addition to grammar, students are exposed to many aspects of life in present-day Germany, Switzerland and Austria.
Prerequisite(s): GER1001 or equivalent placement score. 
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

GER1003 Conversational German III
This advanced intermediate course in German language is designed to further develop conversational ability by expanding the vocabulary covered in German II. In addition to grammar, students will be exposed to the many aspects of life in present-day Germany, Switzerland and Austria.
Prerequisite(s): GER1002 or equivalent placement score. 
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

HIST2001 World History to 1500
This survey of people and their cultures focuses on the two major historical traditions (Western and East Asian) from pre-history to 1500. The varying political events, institutions, technologies and cultures of the East and West are highlighted.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO)
Offered at Charlotte, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HIST2002 World History Since 1500
Major developments in world history from the 16th century and on are considered, with an emphasis on the impact of ideas and influences from Asia and the New World upon European culture and society and the European impact upon Asia, Africa and the Americas. The various periods and kinds of revolution -- industrial, democratic, political, technological, military and cultural -- are surveyed.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HIST3001 U. S. History from Colonial Times to 1876
This course is a survey and analysis of United States history and those institutions which contributed to the evolution of the American nation from colonial times through the period of the Civil War and Reconstruction. Particular attention is given to the Puritan influence upon American character, the American Revolution, the creation of the federal Constitution, western settlement, the nature of slavery and the breakdown of the American political system resulting in civil war.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HIST3002 U. S. History Since 1877 (to the Present)
This course is a survey and analysis of United States history and those institutions which contributed to the evolution of the American nation since Reconstruction. Emphasis is placed on the rise of industrialization, urbanization and immigration; the coming of imperialism, the development of American foreign policy, the rise of big business; the growth of reform movements as seen in Populism, Progressivism and the New Deal; the Women’s Movement, the Civil Rights Movement and recent developments.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HIST3010 Modern History
This course provides an in-depth analysis of the major ideas and forces in the Western world during the 20th century. It reviews significant figures and events, as well as the seminal forces that have led to current conditions.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

HIST3020 A Multicultural History of America
In this class students survey the broad currents of American history through the lens of immigration, race and ethnicity. Beginning with the colonization of North America, students study the experiences of Native Americans and immigrants from diverse points of origin across four centuries. Students use firsthand narratives, period fiction, contemporary journalism, and historical scholarship to interrogate the shifting nature of American identity from colonial “contact” through the present day.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HIST4010 Contemporary American History: The United States in a Global Age
This course addresses the recent history of the United States from the end of the Second World War to the present day, taking as its focus America’s increasingly dominant role in world affairs. It traces America’s rise as a global military and economic power and explores the implications of such might and influence on American culture, foreign policy, and liberation struggles here and abroad. Topics addressed include the Cold War, Vietnam War and Iraq War, liberal and conservative presidential politics, and the critiques that emerged from the left and the right.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

HIST4020 American Government
This course involves an examination of the political and governmental system of the United States, the principles upon which it is founded, and the institutions and systems which comprise it. Topics to be discussed are constitutional foundations, federalism, political parties, public opinion, interest group activities, civil liberties and decision-making in institutions of American national government, such as Congress, the presidency and the Supreme Court.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

HIST4030 R. I. State Externship Program
This course is designed to provide students with an opportunity to experience firsthand the workings of a chosen state agency. Dozens of sponsors representing all aspects of state government assist interns to understand how particular agencies function to service the needs of the citizens of Rhode Island. The interns also attend weekly seminars to gain an understanding of all the major branches of state and local government. Please note: This is a four-month program.
Prerequisite(s): ENG1020 or ENG1920 or placement. 
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

HUM3050 Science and Civilization: Progress and Problems
This course explores the social, political, and historic contexts and implications of several scientific and technological developments through a variety of genres including textbooks, newspaper and magazine articles, film, music, art, literature, and the internet. This is an interdisciplinary course cross-listed as HUM3050, SCI3050 and SOC3050.
Prerequisite(s): ENG1020 or ENG1920 or placement, successful completion of any SCI course, sophomore status. (OL)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
HUM3070 Visual Literacy and the Sociology of Perception
Human perception of the social world is studied from both a communications and sociological perspective. Elements of "picture-based media" as a means of molding cultural perceptions, social biases, and personal views of reality are studied. Through a series of exercises, students critically examine images in art, still photographs, television, advertising, film, and documentaries to determine their sociological messages. Using the language of visual literacy and an understanding of perception, students test assumptions about their world. This is an interdisciplinary course cross-listed as HUM3070 and SOC3070.
Prerequisite(s): Junior status. (HO) (WI)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

LAW1060 The Law of Torts
This course provides a basic understanding of tort law with emphasis on negligence, strict liability and product liability. Emphasis is on the active role the paralegal can play in assisting the trial lawyer in the management of tort lawsuits.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

LAW2001 The Legal Environment of Business I
This course provides an overview of the legal, regulatory and ethical environment in which business decisions must be made. The course exposes the student to a variety of legal topics: basic concepts, such as court procedures, contracts and torts, are followed by a selection of more advanced related fields which may include sales, intellectual property, real property law, constitutional law and alternate dispute resolution. Attention is paid to both the letter of the law and its practical effect on business decision making and managerial policy. This course relies on, and develops, the student’s ability to read and reason critically. (HO)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LAW2010 Hospitality Law
This is an introductory course with emphasis placed on hotel and restaurant issues. Topics include: sources of law, court systems, jurisdiction, contracts, negligence, the innkeeper-guest relationship, and liability arising from the service of food and alcoholic beverages. (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

LAW3002 The Legal Environment of Business II
This course is a continuation of LAW2001, The Legal Environment of Business I. The student is exposed to the laws governing the internal organization and relationships within a business, the laws governing relationships between a business entity and its clientele, and the laws governing relationships between a business and its employers. Attention is paid to both the letter of the law and its practical effect on business decision making and managerial policy. This course relies on, and develops, the student’s ability to read and reason critically.
Prerequisite(s): LAW2001 or LAW2010. (HO)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LAW3005 Adjudication Workshop I
This workshop course presents an overview of the adjudicative process as practiced in a variety of American venues including, but not necessarily limited to, trial courts, government agencies, and appellate forums. The course emphasizes the preparation of students to compete in the American Mock Trial Association annual competition (note: only student volunteers will enter the competition; each enrolled student is not required to do so). The course provides the opportunity for students to prepare, present, participate, and preside over "real-life" contested matters with an emphasis on judicial hearings (e.g., trial and appeal).
Prerequisite(s): CJ31002 or LAW2001 or LAW2010, sophomore status.
Offered at Denver, Providence, Providence CE
2.25 Quarter Credit Hours

LAW3006 Adjudication Workshop II
This workshop course presents an overview of the adjudicative process as practiced in a variety of American venues including, but not necessarily limited to, trial courts, government agencies, and appellate forums. The course will provide the opportunity for students to prepare, present, and preside over "real-life" contested matters with an emphasis on non-judicial hearings (e.g., parole and police hearings).
Prerequisite(s): CJ31002 or LAW2001 or LAW2010, sophomore status.
Offered at Denver, Providence, Providence CE
2.25 Quarter Credit Hours

LAW3010 Business Law for Accountants
This course provides the Accounting major with an understanding of the legal framework within which accountants must operate. The course will concentrate on the following topics: business organizations, professional responsibilities, contracts, government regulation of business, the Uniform Commercial Code (Articles 2, 3 and 9) property and debtor-creditor relationships.
Prerequisite(s): LAW2001 or LAW2010.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

LAW3015 Criminal Procedure
This course presents an overview, analysis and critique of American criminal procedure in the context of the U.S. Constitution, with special emphasis on the Fourth Amendment with respect to search and seizure, stop and frisk, arrest, evidence, interrogations, confessions, identification, and remedies such as the exclusionary rule. Other constitutional issues relevant to the foregoing, including the Fifth and Fourteenth Amendments’ due process and equal protection doctrines, shall be examined. (WI)
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LAW3025 Criminal Law
This course is an introduction to the basic elements of, and defenses to, criminal liability. Topics include the basic crimes against the person (homicide, assault, battery, rape, etc.), the basic crimes against property (larceny, fraud, embezzlement, burglary, etc.), and the basic defenses and justifications (diminished capacity, self-defense, mistake, etc.).
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LAW3055 International Business Law
This course introduces the student to the principles of public and private international law. It addresses the legal problems of doing business in developed, developing, and non-market economy countries, together with the economic and political issues that commonly arise.
Prerequisite(s): LAW2001.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

LAW3065 Employment Law
This course acquaints the student with the different legal rules governing the employer/employee relationship. Topics include: employment discrimination, sexual harassment, employment contracts, labor relations, Fair Labor Standards Act, The Americans with Disabilities Act (ADA), OSHA and vicarious liability. There is heavy emphasis on discussion and written work.
Prerequisite(s): LAW2001 or LAW2010.
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

LAW3080 Cyberlaw
This upper-level course confronts students with the changes and adaptations of U.S. law resulting from the ascendancy of computers and the Internet. Fundamental common law and statutory assumptions about the nature of person, place, thing and action are called into question by data transactions between computer memories, unprecedented wealth concentrated in the development and distribution of software, widespread access to large quantities of data with minimal quality control, and the blurring of geographical boundaries. Students examine how contract formation, defamation, obscenity, copyright, trademark, privacy and other legal issues have been changed by technology and the online world.
Prerequisite(s): LAW2001 or permission of department chair.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours
LAW3090 Evidence
This course is a study of the law of evidence as a system of rules and standards directed at determining what proof is to be admitted in the course of litigation. Emphasis is placed on formal discovery mechanisms, relevance, witness examination, impeachment, rehabilitation, privileges, burdens of proof, judicial notice, presumptions, real and demonstrative evidence, expert testimony, materiality, confrontation and hearsay.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

LAW3092 Sports, Entertainment and Event Management Law
This course provides the Sports, Entertainment and Event Management major with an understanding of the legal issues that shall have an impact upon their business practices. The course concentrates on the following topics: negligence, intentional torts and crime, risk management, intellectual property, industry-specific contracts, discrimination, labor relations, various forms of business organization, and regulation of sports agents.
Prerequisite(s): LAW2001 or LAW2010.
Offered at Charlotte, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LAW4020 The Law of Contracts and Sales
This course is a study of the legal principles and rules of both common law contracts and contracts for the Sale of Goods under Article 2 of the Uniform Commercial Code through the study of appellate cases, legislative enactments, legal terminology, and hypothetical problem solving. The course examines contract formation, performance, enforcement, discharge and remedies for breach.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

LAW4035 Administrative Law
This course introduces the student to the function and procedures of state and federal administrative agencies. The rule-making, investigatory, adjudicatory, and enforcement functions of such agencies are studied. The role of judicial review is also explored.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

LEAD2001 Foundations of Leadership Studies
This course draws upon a variety of research-based theories and applications germane to the study of leadership. Theoretical paradigms of motivation are discussed and applied to communication styles, decision making, risk taking, team building, conflict resolution, negotiation, diversity and inclusion. Leadership traits, leadership styles and roles are examined in the context of ethics, power and social responsibility.
Prerequisite(s): Sophomore status. (SL) (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LEAD2010 Special Topics in Leadership
The field of leadership studies encompasses a wide and complex range of topics. This course presents students and faculty alike with a unique opportunity to examine revolving areas of current and relevant leadership theories and practices. Areas of specialized leadership interest include, but are not limited to: Global Issues, Women in History (LEAD2011), Entrepreneurial, Sub-Saharan Leadership or Business and Religion.
Prerequisite(s): LEAD2001 or LEAD2901.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LEAD2012 Power and Leadership
In order to be an effective leader, an individual must understand the importance of power and how to appropriately exercise it. This course provides an overview of the nature and types of power in today’s business world. The relationship between power and influence is also explored. Since issues of power present unique challenges to students beginning new careers, special attention is given to the topics of supportive communication, relationship building, and organizational politics.
Prerequisite(s): LEAD2001 or LEAD2901.
Offered at Charlotte, Denver, Denver CE, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

LEAD2901 Honors Foundations of Leadership Studies
This honors course seeks to integrate fundamental leadership principles with their practical application in business and/or community settings. Students engage in in-depth assignments designed to expand their leadership development as both individuals and team members. They also develop comprehensive projects that address important and relevant leadership issues.
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LEAD2920 Honors Inter-Campus Course in Philanthropy I
This is the first in a series of three honors courses. The honors intercampus courses on philanthropy (I, II, III) span the full academic year and include campus-based preparation (see prerequisites), an externship with a local foundation/philanthropic organization, and a common statewide seminar. The course works to bring a diverse group of students from colleges and universities in Rhode Island together for community based experiential education focusing on public sector workforce development in the fields of philanthropy and grant making.
Prerequisite(s): Permission of leadership chairperson.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

LEAD2921 Honors Inter-campus Course in Philanthropy II
This is the second in a series of three honors courses. The honors intercampus courses on philanthropy span the full academic year and include campus-based preparation (see prerequisites), an externship with a local foundation/philanthropic organization, and a common statewide seminar. The course works to bring a diverse group of students from colleges and universities in Rhode Island together for community based experiential education focusing on public sector workforce development in the fields of philanthropy and grant making.
Prerequisite(s): LEAD2920.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

LEAD3010 Leadership Through Film and Literature
This course is an examination of contemporary theories pertaining to leadership in group, organizational and societal settings. The content of the course draws from the humanities as viewed through film and literature selections to illustrate different leadership styles and concepts. The course is based on the premise that leadership, like literature and film, is an art form whose effectiveness is enabled and enhanced through visual presentation.
Prerequisite(s): LEAD2001 or LEAD2901 or SEE2015 or permission of department chair. (WI)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LEAD3020 Creative Leadership
Creativity can be a valuable tool for leadership in the 21st century. The objective of this course is to develop and enhance one's own creativity, allowing each individual the opportunity to become a more productive leader of tomorrow. Extensive classroom participation and a variety of activities allow each student to experience personal growth and influence the growth of others.
Prerequisite(s): LEAD2001 or LEAD2901 or SEE2015 or permission of department chair. (HO) (WI)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LIT2030 African-American Literature
This course examines African-American literature in a variety of genres from its conception in the days of slavery to contemporary times. Emphasis is placed on the historical and social significance of major works of African-American literature, as well as on the unique artistic contributions of African-American authors to the American literature canon.
Prerequisite(s): ENG1020 or ENG1920 or placement. (SL) (WI)
Offered at Charlotte, Miami, Providence, Providence CE
4.5 Quarter Credit Hours
LIT2040 American Literature I
This course acquaints the student with American literature from its Puritan origins through the mid-19th century. Students study representative authors, poets, and playwrights and are exposed to a variety of forms, styles and genres. Special attention is paid to the formation of the American literary tradition.
Prerequisite(s): ENG1020 or ENG1920 or placement. (WI)
Offered at Charlotte, Denver, Providence, Providence CE
4.5 Quarter Credit Hours

LIT2050 American Literature II
This course acquaints the student with American literature from the Civil War to the present. Students study representative authors, poets, and playwrights and are exposed to a variety of forms, styles and genres. Special attention is paid to the development of our national identity through literary experience.
Prerequisite(s): ENG1020 or ENG1920 or placement. (WI)
Offered at Charlotte, Denver, Providence, Providence CE
4.5 Quarter Credit Hours

LIT3001 Studies In Drama
This is an introductory course in the history of drama. Critical analyses of literary elements are conducted in the context of genres from the ancient Greeks to contemporary drama. Both written works and performances are examined and analyzed.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO) (WI)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LIT3015 Food In Film And Literature
This course is designed to acquaint the student with the art forms of film and literature with a focus on food as its primary subject. The course focuses on the important books, essays, short stories, plays and films that have made major achievements in film and literature. Students develop the critical skills necessary to increase their understanding of the experience of film and literature.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO) (WI)
Offered at Charlotte, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

LIT3020 Studies In The Short Story
This course prepares the student to read, analyze, and write about the short story from different critical perspectives. Students study representative authors and are exposed to a variety of forms and styles of the short story from a wide range of historical periods.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO) (WI)
Offered at Charlotte, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LIT3030 Studies In Poetry
This course prepares the student to read, analyze, and write about poetry from different critical perspectives. Students study representative poets and are exposed to a variety of forms and techniques of poetry from the Middle Ages to the contemporary.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO) (WI)
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

LIT3040 Sports in Film and Literature
This course focuses on the significant inspiration of athletic endeavors upon the literary and cinematic imagination. Writers of fiction and non-fiction, prose writers, and poets have discovered in the athletic experience a useful metaphor to express the very purpose and meaning of life. Modern film explores both the realism and romanticism of sports in popular culture. This course is designed to acquaint the student with the essence of games as myth and metaphor and develop an appreciation of the historical context in which the stories are constructed and heard.
Prerequisite(s): ENG1021 or ENG1921 or placement. (WI) (OL)
Offered at Charlotte, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

LIT3050 Contemporary Approaches to Classical and World Mythology
This course introduces students to classical and world mythology in order to understand the eternal, timeless nature of universal archetypes and themes while also exploring how they acquire new, contemporary meanings. Students learn to interpret myth using elements of literature as well as through the theories of myth interpretation. From Homer to Harry Potter, emphasis is placed upon analysis of primary readings as well as their interpretations within the context of a variety of disciplines. Class discussions and student writing encourage critical thinking, synthesis and application of the terminology of the study of mythology.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO) (WI) (OL)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

LIT4010 Science Fiction
This course analyses the evolution of science fiction from its early origins to the present. Fantastic and futuristic elements of plot are examined as social commentary. A variety of styles in several genres include traditional science fiction, fantasy, horror and cyberpunk.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO) (WI)
Offered at Charlotte, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LIT4030 Multi-Ethnic Literature
This course introduces students to fiction, autobiography, poetry, drama and many other forms of literature by writers from many racial and ethnic backgrounds including African American, Asian American, Latino, Chicano, American Indian and more. Emphasis is placed on the historical context in which the writings have evolved as well as the problems encountered by these various cultural groups as they intersect with American culture. Through reading the literature of many cultures and countries, students search for the common themes that unite humanity across the globe.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO) (WI)
Offered at Charlotte, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LIT4040 Shakespeare
This course presents an introduction to the world of William Shakespeare by examining the historical contexts of his work, his life and his theatre. Works read and analyzed during the course are representative of Shakespeare's achievements in history, tragedy, comedy and poetry. Students trace Shakespeare's continuing relevance and influence on modern art and thought.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO) (WI)
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

MATH0010 Basic Mathematics
Students are assigned to this course based on placement tests given prior to taking MATH1020 or MATH1002. The course is designed to teach students the basic mathematical concepts and methods that will prepare them for studying college-level mathematics. Topics include a review of basic arithmetic, an introduction to algebra, and problem-solving techniques.
Offered at Charlotte, Denver, Denver CE, Miami, Online, Providence, Providence CE
2.25 Quarter Credit Hours

MATH1002 A Survey of College Mathematics
This course is designed to teach students the basic mathematical concepts and methods that will assist them in using mathematics in both their personal and professional lives. Topics include problem solving, sets, probability, statistics, consumer mathematics, and the rudiments of college algebra.
Prerequisite(s): MATH0010 or placement. (HO) (PT) (HY) (OL)
Offered at Charlotte, Denver, Providence, Providence CE
4.5 Quarter Credit Hours

MATH1020 Fundamentals of Algebra
This course provides students with a working knowledge of the basic elements of algebra. Topics covered include equations and inequalities, graphing, systems of equations, exponents and logarithms, factoring, rational expressions, and radicals.
Prerequisite(s): MATH0010 or placement. (HO) (PT)
Offered at Charlotte, Denver, Providence, Providence CE
4.5 Quarter Credit Hours
MATH1030 Precalculus
This course features the concepts and techniques essential for the study of calculus. Topics include functional notation, algebraic, trigonometric, exponential and logarithmic functions, analytic trigonometry, and matrix algebra.
Prerequisite(s): MATH1020 or placement. (HO)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MATH1040 Calculus I
This course provides students with an introduction to the basic elements of differential and integral calculus. Topics include functions and limits, continuity, differentiation and its applications, relative extrema, and an introduction to integration.
Prerequisite(s): MATH1030 or equivalent or placement. (PT)
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

MATH1041 Calculus II
This course is a continuation of MATH1040. Topics include a detailed treatment of the calculus of transcendental functions, formal integration methods, improper integrals, infinite series, and further topics in analytic geometry.
Prerequisite(s): MATH1040.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

MATH1930 Quantitative Analysis I
A continuation of Algebra, this course begins with the study of linear equations and their applications to business and economics. Matrices are covered in detail. Linear programming, quadratic models and a brief introduction to differential calculus are also presented.
Prerequisite(s): MATH1020 or equivalent, or permission of department chair, or placement. (PT) (HY)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MATH1931 Quantitative Analysis II
A continuation of MATH1930, this course further examines the applications of the derivative such as maxima and minima, and marginal analysis. Both indefinite and definite integration are discussed along with their application to business and economics. Partial differentiation and functions of several variables are also presented.
Prerequisite(s): MATH1930 or equivalent, or permission of department chair.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

MATH2001 Statistics
This course is designed to provide students with the basic statistical concepts and techniques that will assist them in both their personal and professional lives. Topics include measures of central tendency and dispersion, probability distributions of both discrete and continuous random variables, sampling distributions, estimation theory, and an introduction to hypothesis testing.
Prerequisite(s): MATH1002 or MATH1020 or MATH1030 or MATH1930 (minimum grade of C in MATH1002 or MATH1020 required for hybrid sections of MATH2001) or equivalent. (HO) (HY) (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MATH2005 Special Topics in Mathematics
This course presents a specialized area of mathematics in great detail. Each academic year, a specialized topic is chosen which is of interest to both students and faculty. Typical specialized topics which may be chosen include, but are not limited to, number theory, numerical analysis, matrix theory, mathematical logic, abstract algebra and geometry.
Prerequisite(s): MATH1002 or equivalent. Other prerequisites may vary from year to year.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MATH2021 Statistics II
This course is a continuation of Statistics I. It is designed to provide students with the statistical concepts and techniques of inferential statistics. Topics covered include hypothesis testing, testing the difference between two means, two proportions, and two variances; correlation and regression, Chi-square tests, analysis of variance, sampling techniques, and an introduction to simulation techniques.
Prerequisite(s): MATH2001
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MATH2042 Calculus III
This course is a continuation of MATH1041. It is designed to provide students with a detailed treatment of the calculus of functions of several variables and vectors. Topics include vector algebra, vector-valued functions, partial derivatives, vector differential calculus, and the integration of vector fields including the Divergence Theorem and Stokes' Theorem.
Prerequisite(s): MATH1041.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

MATH2043 Ordinary Differential Equations
This course introduces the student to the field of ordinary differential equations. Topics include methods for solving linear differential equations and their applications, series solutions of linear differential equations, the solution of systems of linear differential equations along with their applications, and phase plane methods for nonlinear systems.
Prerequisite(s): MATH1041.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

MATH3020 Discrete Mathematics
This course is designed to give students the basic mathematical concepts and methods that are prevalent in information science. Topics include sets, relations and functions, elementary graph and network theory, trees, matching algorithms, network flows, counting techniques, and recurrence relations.
Prerequisite(s): MATH1020 or permission of department chair.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

PHIL3015 History of Philosophy
This is a survey of the development of Western philosophic thought. A clear sense is gained of the relative richness and poverty of philosophic interpretation of different periods. The thinking and works of outstanding philosophers of each period are considered, and the major schools of philosophic thought and their adherents are reviewed. Some of the major problems of philosophy are examined: appearance versus reality, determinism versus free will, knowledge and existence, body-mind relations, truth and error, good and evil, space and time, reality and what we can know.
Prerequisite(s): ENG1020 or ENG1920 or placement.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

PHIL3020 Crisis and Controversy: A Critical Thinking Approach
This course encourages students to use critical thinking skills in order to make decisions, solve problems, develop new ideas, evaluate arguments and tolerate ambiguity while exploring complex social questions. Emphasis is on understanding the elements of reasoning, imposing criteria and intellectual standards upon reasoning, and assessing individual thinking processes. Students hone critical thinking skills by actively engaging in the study of social conflicts and controversies that operate at individual, communal and global levels.
Prerequisite(s): ENG1020 or ENG1920 or placement. (SL) (HO)
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours
PHIL3040 Ethics of Business Leadership
This course examines the basic principles of ethics and their philosophical foundations, particularly as they apply to institutions, environments, leadership and other activities and pursuits of business. It examines those aspects of human behavior which can be labeled right and wrong. It considers the moral obligations of leaders and followers when discussing actual cases from a variety of business organizations that have presented management and subordinates with difficult moral dilemmas. It considers also the particular responsibilities of leadership in fostering and implementing ethical awareness within a corporate culture.
Prerequisite(s): ENG1020 or ENG1920 or placement. (HO) (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2002 Abnormal Psychology
This course examines the major theoretical approaches to psychological and other behavior disorders. Included are definitional criteria, causes, prevalence, related conditions and current treatment programs for both children and adults. Emphasis is placed on the sociocultural context of psychological disorders as well as on correcting common stereotypes about mental and emotional illness.
Prerequisite(s): PSYC2001 or PSYC2901.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2010 Personality
Students engage in the study of various personality theories in the context of psycho-philosophical differences in personality. Personality development, assessment methods, theoretical application, integration and critical evaluation of each theory are analyzed. Application of theory to actual and hypothetical cases is expected throughout the course.
Prerequisite(s): PSYC2001 or PSYC2901.
Offered at Charlotte, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2020 Industrial/Organizational Psychology
This course emphasizes the psychological principles involved in group performance, power, leadership styles and behavioral motivation. It includes discussion and analysis of organizational research and the application of the results to businesses and industrial situations. It is designed to assist the business student in incorporating psychological knowledge into his or her managerial and leadership style in order to increase on-the-job productivity.
Prerequisite(s): PSYC2001 or PSYC2901.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2030 Developmental Psychology
This survey course is designed to introduce the student to the concepts, theories, and recent research in the area of human life span from conception to late adulthood. The integrative process of physical cognitive and psychosexual development during significant periods of maturation is examined.
Prerequisite(s): PSYC2001 or PSYC2901.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2040 Psychological Issues of Addiction and Compulsive Behavior
This course examines the various types of addictions and accompanying compulsive behaviors and symptomology related to these disorders. It focuses on problems related to the addictive process. Topics include but are not limited to: compulsive gambling, alcohol and substance abuse addiction, sexual addictions, eating disorders and other compulsive behaviors. Relevant topics such as the addictive process and personality are addressed along with the familial effects and psychosocial impact of addiction on business and industry. Various treatment approaches and methods of recovery are discussed. Methods of awareness, identification and distinction between various compulsive disorders and addiction along with the biopsychosocial model of addiction are delineated.
Prerequisite(s): PSYC2001 or PSYC2901.
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2901 Honors Introductory Psychology
The honors section of Introductory Psychology is designed to expand and enrich the students’ first experience in psychology. Besides accomplishing all the course objectives of the non-honors sections, honors students are expected to analyze, synthesize and evaluate complex psychological concepts and information. A major topic in psychology (such as stress, health, peace or violence) is investigated each term within the context of each unit. The class engages in a collaborative project or design and conducts an action research project centered on the psychological topic under investigation.
Prerequisite(s): Enrollment in university Honors Program or permission of department chair.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours
PSYC3001 Social Psychology
This course features a study of individual behavior in relation to the social stimuli of modern life. The course involves the extension of general psychological principles and methods in the study of social behavior. Prerequisite(s): PSYC2001 or PSYC2901. Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

PSYC3020 Human Sexuality
This course is an exploration of human sexuality from a biological, psychological and socio-cultural perspective. It examines major theoretical perspectives that influence the scientific study of sexuality. Critical issues discussed include but are not limited to sexual identity and gender, sexuality and relationships, contemporary and cross-cultural views on human sexuality, rape and sexual exploitation and sexuality across the lifespan. Prerequisite(s): PSYC2001 or PSYC2901. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

PSYC3040 Introduction to Neuropsychology and Psychopharmacology
This course considers the function and dysfunction of the human central nervous system with respect to higher order cognition and behavior. This course surveys the neuroanatomical, neuropathological, neurocognitive and neurobehavorial aspects of the brain, and provides an introduction to the psychopharmacological aspects of treatment in mental health counseling. Prerequisite(s): PSYC2002. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

REL2001 Comparative Study of World Religions: An Interdisciplinary Approach
This course introduces the students to the world’s great religions: Hinduism, Buddhism, Judaism, Christianity and Islam are emphasized. The focus is interdisciplinary and includes history, cultural traditions and textual analysis of each religion’s literature in relation to these religions. (WI) Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

RSCH2050 Research Methods in Applied Settings
Using quantitative and qualitative research methods, students learn how to plan, conduct, and write a research project and select and interpret data. The course provides students with the required knowledge to conduct basic research in the field of psychology, including evaluation of primary and secondary research and learning to use and interpret statistics in specific applied situations. Students learn APA documentation, engage in exercises in primary sourcing techniques, and receive an overview of the publication process. Prerequisite(s): MATH2001, PSYC2001 or PSYC2901. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

RSCH4050 Research Seminar in Counseling Psychology
This capstone course is designed to complete the major program of study by integrating the student’s prior academic experiences in Counseling Psychology. A seminar format is used to encourage student participation and interaction with peers and with faculty. Each participant chooses a topic within the concentrations available for the Counseling Psychology program. The topic is explored through individual research, periodic presentations and discussion. Discussion focuses on both substantive and methodological concerns, as well as interconnections among areas of study. Prerequisite(s): MATH2001, PSYC2001 or PSYC2901, RSCH2050. (WI) Offered at Providence, Providence CE 4.5 Quarter Credit Hours

SCI1012 General Physics II
SCI1012 is the second of a two part introductory Physics course sequence using algebra-based mathematical approaches to analyze physics phenomena. It introduces students to heat, wave propagation, wave energy, reflection, refraction, electricity, magnetism, circuits, and semiconductors. SCI1012 must be taken concurrently with the laboratory section (see SCI1042, General Physics II Laboratory). Prerequisite(s): SCI1011, MATH1020, SCI1042 taken concurrently. Offered at Providence, Providence CE 4.5 Quarter Credit Hours

SCI1015 Introduction to Life Science
This course describes key biological and chemical principles that apply to all living things. Evolution and natural selection are studied as an explanation for the history of life on Earth. Students examine cells and cell functions, genetics, as well as structure and function of human body systems. Application of scientific methodology is included. (HO) (OL) Offered at Charlotte, Denver, Denver CE, Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

SCI1021 General Chemistry
This comprehensive course is for those fields requiring knowledge of general chemical concepts. Emphasis is on applied areas of interest where aspects of atomic and molecular structure and function are particularly important. Topics covered include stoichiometry of chemical reactions, energy interrelationships between reactants, atomic structure, and chemical bonding. Prerequisite(s): MATH1020 or equivalent. (HO) Offered at Providence, Providence CE 4.5 Quarter Credit Hours

SCI1022 General Chemistry Lab
This is an inquiry based laboratory supplement course coordinated with SCI1021 General Chemistry. Students work in small teams to solve chemistry lab problems by performing observations and generating data to develop new concepts. Students design their own experiments and make decisions within their teams in a collaborative manner. They have the opportunity to practice the scientific skills used by chemists who perform research. Topics covered include the mole concept, chemical reactions, energy interrelationships between reactants, atomic and molecular structure, and chemical bonding. Prerequisite(s): MATH1020 or equivalent, SCI1021 taken concurrently. (HO) Offered at Providence, Providence CE 2.25 Quarter Credit Hours

SCI1041 General Physics I Laboratory
SCI1041 is an introductory algebra based Physics Laboratory that meets three hours a week. It is an inquiry based laboratory course coordinated with SCI1011 General Physics I. Small teams of students work together to solve practical Newtonian physics problems by conducting a sequence of observations and tests. Students are responsible for developing their own experiments and task assignments as they work within collaborative team structures, using the collected data to construct original models of physical phenomena. Students practice skills employed by professional engineers and scientists. The laboratory exercises reinforce theories discussed in class, including error analysis, vector algebra, kinematics, conservation of energy, momentum, and rotational motion. Prerequisite(s): MATH1020 or taken concurrently, SCI1011 taken concurrently. Offered at Providence, Providence CE 1.5 Quarter Credit Hours
SCI1042 General Physics II Laboratory
SCI1042 is an introductory algebra based Physics Laboratory that meets three hours a week. It is an inquiry based laboratory course coordinated with SCI1012 General Physics II. Small teams of students work together to solve practical Newtonian physics problems by conducting a sequence of observations and tests. Students are responsible for developing their own experiments and task assignments as they work within collaborative team structures, using the collected data to construct original models of physical phenomena. Students practice skills employed by professional engineers and scientists. The laboratory exercises reinforce theories discussed in class, including error analysis, heat transfer, electric and magnetic fields, circuits, digital instruments, and optics.
Prerequisite(s): SCI1011, MATH1020, SCI1012 taken concurrently
Offered at Providence, Providence CE
1.5 Quarter Credit Hours

SCI1915 Honors Introduction to Life Science
The honors life science course uses evolution and its mechanisms as a framework to present key biological and chemical principles that apply to all living things. Students examine applications of the scientific method, the chemical basis of life, cells and cellular functions, genetics, as well as structure and function of human body systems. Readings, activities and assignments are used to highlight the modern synthesis of evolution.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

SCI2005 Introduction to Botany
This course provides a comprehensive description of the structure, physiology and reproduction of plants of economic value. Focus is on the relationship between plants and humans, including the role of plants as food sources such as rice, corn and wheat, as well as industries which are plant based. The importance of plants in maintaining environmental balance is also discussed with an emphasis on topics of current interest. (HO)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

SCI2010 Nutrition
This course in basic human nutrition examines metabolic energy derived from carbohydrates, proteins and lipids. Pathways for the utilization of this energy to build new biomolecules, including nucleic acids, are discussed, as are the consequences of nutrient deficiencies. Ways to achieve and maintain nutrient balance are a central part of the course. The significance of vitamins and minerals and possible toxicity due to overabundance is also discussed. (HO) (OL)
Offered at Charlotte, Online, Providence, Providence CE
4.5 Quarter Credit Hours

SCI2011 Physics I
SCI2011 is the first of a two part introductory Physics course sequence using calculus-based approaches to analyze physics phenomena. It introduces students to vectors and the basic principles of classical mechanics, applying the concepts of work, energy, linear momentum, and angular momentum, to physical phenomena. SCI2011 must be taken concurrently with the laboratory section (see SCI2041, Physics I Laboratory).
Prerequisite(s): MATH1040 or taken concurrently, SCI2041 taken concurrently.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

SCI2012 Physics II
SCI2012 is the second of a two part introductory Physics course sequence using calculus-based mathematical approaches to analyze physics phenomena. It introduces students to heat, wave propagation, wave energy, reflection, refraction, electricity, magnetism, circuits, and semiconductors. SCI2012 must be taken concurrently with the laboratory section (see SCI2042, Physics II Laboratory).
Prerequisite(s): SCI2011 or SCI1011, MATH1040 or taken concurrently, SCI2042 taken concurrently.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

SCI2020 Exercise Physiology
This course introduces topics in the physiology and anatomy of exercise, cardiovascular fitness, nutrition, and weight control. Emphasis is placed on understanding the scientific basis for a wellness program. (HO)
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

SCI2031 Anatomy and Physiology
This basic course covers the anatomy and physiology of the human organism, based on the cell, tissue, organ and system structures of the body. An integral part of this course is the learning of medical terminology. (HO)
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

SCI2040 Marine Biology
This course is an introduction to both the biological and physical aspects of the marine environment, including a survey of the organisms that inhabit the world’s oceans, their ecology, species evolution and distribution, and the human impact of commercial marine-related industries. Of particular interest are seafood, shellfish and marine plants as marine food sources, as well as shipping and maritime industries. (HO) (HY)
Offered at Denver, Denver CE, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SCI2041 Physics I Laboratory
SCI2041 is an introductory calculus based Physics Laboratory class that meets three hours per week. It is an inquiry-based laboratory course coordinated with SCI2011 Physics I. Small teams of students work together to solve practical Newtonian physics problems by conducting a sequence of observations and tests. Students are responsible for developing their own experiments and task assignments as they work within collaborative team structures, using the collected data to construct original models of physical phenomena. Students practice skills employed by professional engineers and scientists. The laboratory exercises reinforce theories discussed in class, including error analysis, vector algebra, kinematics, conservation of energy, momentum, and rotational motion.
Prerequisite(s): MATH1040 or taken concurrently, SCI2011 taken concurrently.
Offered at Providence, Providence CE
1.5 Quarter Credit Hours

SCI2042 Physics II Laboratory
SCI2042 is an introductory calculus based Physics Laboratory class that meets three hours per week. It is an inquiry-based laboratory course coordinated with SCI2012 Physics II. Small teams of students work together to solve practical Newtonian physics problems by conducting a sequence of observations and tests. Students are responsible for developing their own experiments and task assignments as they work within collaborative team structures, using the collected data to construct original models of physical phenomena. Students practice skills employed by professional engineers and scientists. The laboratory exercises reinforce theories discussed in class, including error analysis, heat transfer, electric and magnetic fields, circuits, digital instruments, and optics.
Prerequisite(s): SCI2011 or SCI1011, MATH1040 or taken concurrently, SCI2012 taken concurrently.
Offered at Providence, Providence CE
1.5 Quarter Credit Hours

SCI2045 Introduction to General and Organic Chemistry
This course examines the chemistry of carbon-containing molecules relevant to biological systems such as the human body, beginning with basic atomic structure, chemical bonding and reactions, and the chemistry of acids, bases, buffers, and salts. Organic chemistry of functional groups are examined, including saturated/unsaturated hydrocarbons, aldehydes and ketones, carboxylic acids, amines, and alcohols. Emphasis is given to those compounds of biochemical importance.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

SCI3010 Environmental Science
This course presents major scientific concepts dealing with the biological and physical nature of the world we live in. A major theme is the impact of human population and economic growth on the biodiversity and ecosystems of our planet, considering how sustainable use of the world’s resources may be achieved for both developing and developed nations. Topics such as energy, air, water or resource use, land use and agriculture are discussed. (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE
4.5 Quarter Credit Hours
SCI3020 Sustainability Policy and Planning
In this course students are introduced to the application of scientifically sound sustainability policies and their effects. Through the study of relevant case studies, this course demonstrates how corporate leaders can gain a strategic advantage by fostering sustainable development principles within their organizations. Businesses have typically been viewed as major contributors to environmental problems but they have also been extremely important participants in solutions. Students investigate policy efforts that promote responsible management of social, economic, and environmental resources and examine the roles of governments, markets, and nonprofit organizations in the implementation of sustainable development laws and policies. Prerequisite(s): SCI3010 or SCI3910. (HO) (OL) Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

SCI3030 Introduction to Ecology
This course combines biology and other sciences to study how living things interact with each other and with their non-living environment. Topics such as competition and predation, the one-way flow of energy, and the cycling of nutrients through ecological communities are examined. Other topics such as biodiversity, major terrestrial and aquatic biomes, succession, and the methods and goals of environmental conservation are discussed. (HO) Offered at Miami, Providence, Providence CE 4.5 Quarter Credit Hours

SCI3040 Biochemistry
This course introduces basic concepts of chemistry and organic/biological chemistry with emphasis on applications of chemistry to human biology, structure of biological molecules and metabolism. Typical topics include: chemical bonds and energy, electrolytes, structure and metabolism of carbohydrates and lipids, protein and enzyme function, and structure and function of nucleic acids. Prerequisite(s): SCI1015 or SCI1915, SCI2045. (HO) Offered at Denver, Providence, Providence CE 4.5 Quarter Credit Hours

SCI3050 Science and Civilization: Progress and Problems
This course explores the social, political and historic contexts and implications of several scientific and technological developments through a variety of genres including textbooks, newspaper and magazine articles, film, music, art, literature and the internet. This is an interdisciplinary course cross-listed as SCI3050, SOC3050 and HUM3050. Prerequisite(s): ENG1020 or ENG1920 or placement, successful completion of any SCI course, sophomore status. (OL) Offered at Charlotte, Online, Providence, Providence CE 4.5 Quarter Credit Hours

SCI4060 Food Microbiology
Food Microbiology introduces students to a wide variety of topics regarding the biology of food and water associated microorganisms. Important topics include: all varieties of microbial agents of food and water borne disease, characteristics of important species of food spoilage microbes, identification and control of disease agents associated with food and water, beneficial microbial action, microbial genetics and bacterial genomics. The interaction of microbes with the human digestive and immune systems is also studied. Prerequisite(s): SCI1015 or SCI1915, SCI2031, senior status or permission of department chair. SCI4061 taken concurrent. (HO) Offered at Denver, Providence, Providence CE 4.5 Quarter Credit Hours

SCI4061 Food Microbiology Lab
Food Microbiology Lab is a laboratory companion course coordinated with SCI4060. Using live cultures, students examine the properties of various microbes and factors which contribute to their control and their contamination of foods. Unknown microbes are identified using both traditional and genetic microbiological techniques. Beneficial microorganisms are also studied. Students master microscopy using compound light microscopes. Prerequisite(s): SCI1015 or SCI1915, SCI2031, senior status or permission of department chair. SCI4060 taken concurrent. (HO) Offered at Denver, Providence, Providence CE 2.25 Quarter Credit Hours

SOC2001 Sociology I
This course provides an introduction to sociology with the focus of study on how humans interact within a society, both as individuals and in groups. Emphasis is placed on sociological methods and perspectives/paradigms. (SL) (HO) (HY) (OL) Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

SOC2002 Sociology II
This course is a continuation of Sociology I focusing on patterns of behavior or institutions that our culture has established. Emphasis is placed on studying those institutions which are essential to the survival of the individual and the group. Prerequisite(s): SOC2001 or SOC2901. (SL) Offered at Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

SOC2010 Sociology of Digital Environments
This course provides an introduction to the digital world as both a setting of social interaction and as a social and historical phenomenon. Attention is given to the ways that virtuality has both transformed and been influenced by other institutional domains such as family, media, art and work. This focus on the digital world advances students’ sociological understanding of the human experience. Offered at Miami, Providence, Providence CE 4.5 Quarter Credit Hours

SOC2020 Culture and Food
Culture and Food is a course on the sociology of food. Students are challenged to think and rethink the place of food in the human experience. The courses focuses on how the discipline of sociology, and its borrowing from anthropology and other fields, examines food as a cultural and social artifact and how food and social identity intersect. (SL) (HO) (WI) (OL) Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

SOC2025 Cultural Tapestry: Perspectives in Diversity
This course approaches the study of diversity by offering students an opportunity to understand the meaning of difference from a multitude of perspectives. Students study how categories of diversity are created, the experience of being perceived as different in society, and the consequences of difference as gauged by the allocation of privilege and resources to differing groups within society. Such categories as race, ethnicity and national identity, socioeconomic status, gender differences, sexual orientation, learning styles and religious affiliation are addressed. Similarities between ethnic groups and cultures are also examined. The sociological paradigms/perspectives are also utilized in the study of diversity. Students shape a presentation that addresses diverse subject matter in an experiential manner. As the course concludes, attention is directed towards identifying strategies that can be employed both on a macrolevel in society and on a micro-level within the students’ realm of influence, to broaden the acceptance of differing perspectives in a pluralistic society. Prerequisite(s): SCI2001 or SCI2901. Offered at Charlotte, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

SOC2035 Sociology of Aging
Aging is a lifelong process that affects individuals, families, and cultures across the globe. It encompasses a multitude of dimensions - physiological, emotional, cognitive, economic, and interpersonal - that influence a person’s physical and social well-being. This course examines aging from multiple perspectives and addresses the roles that individuals, families, service industries, and government play in attempting to meet the needs of this growing population. Prerequisite(s): SCI2001. (SL) Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours
SOC2040 Community Leadership: An Applied Sociology
This interdisciplinary course [sociology, leadership and service learning] is designed to provide students with the opportunity to combine theoretical learning with actual volunteer work at a nonprofit organization. Through student-initiated placement at one of many pre-designated sites, students are exposed to various aspects of the not-for-profit industry including administrative, fundraising and community outreach responsibilities, as well as having personal contact with the organization’s clientele. Additionally, students are expected to utilize their leadership skills by initiating a substantial agency-based project, in conjunction with their on-site supervisor, which serves as a tangible contribution to the overall organization. (SL)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SOC2050 Cultures of Africa
This course gives students a grounding in the cultures of Sub-Saharan Africa. Students consider how the lives of Africans have been shaped by many forces: geographic, economic, religious, historical, political, linguistic and social. They become more familiar with many Sub-Saharan African cultures by examining films, television programs, literature, and newspapers from around the continent, in addition to more traditional academic sources.
Prerequisite(s): SOC2001 or SOC2901.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

SOC2060 Deviant Behavior
The purpose of this course is to provide students with a clear understanding of the nature and meaning of deviance. Students learn what is considered the norm in society, what is outside the norm, and how each is relative in nature. Theoretical explanations, cross cultural references and in-depth analyses of deviant behavior are studied from the three dominant sociological paradigms. Who defines deviance, what is deviant, why deviance persists, the effect of labels, and the personal and social effects of deviance are discussed.
Prerequisite(s): SOC2001 or SOC2901. (OL)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SOC2901 Honors Sociology I
This honors course is a reading-intensive introduction to sociology. Students are introduced to the basic concepts and propositions underlying the sociological perspective and are taught to apply this perspective in an analysis of events taking place in contemporary society. The focus of study is how humans interact within a society, both as individuals and as members of groups. Emphasis is placed on sociological methods and on the terminology used. The attention to both the macro-issues of stratification, inequality and social structure, as well as the micro-issues of socialization, acculturation and the social construction of reality are combined with “real-life” events, making the learning process even more relevant.
Prerequisite(s): Enrollment in the university’s Honors Program or permission of department chair.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SOC3010 Social Issues in Contemporary America
This course is designed to provide the student with a realistic understanding of contemporary social issues. The course focuses on the origins, nature and interrelationships between the various topics. Students are encouraged to consider people and conditions in society that pose problems, and to attempt to develop solutions to those problems.
Prerequisite(s): SOC2001 or SOC2901. (SL)
Offered at Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SOC3050 Science and Civilization: Progress and Problems
This course explores the social, political, and historic contexts and implications of several scientific and technological developments through a variety of genres including textbooks, newspaper and magazine articles, film, music, art, literature, and the internet.
Prerequisite(s): ENG1020 or ENG1920 or placement, successful completion of any SCI course, sophomore status. (OL)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

SOC3070 Visual Literacy and the Sociology of Perception
Human perception of the social world is studied from both a communications and sociological perspective. Elements of “picture-based media” as a means of molding cultural perceptions, social biases, and personal views of reality are studied. Through a series of exercises, students critically examine images in art, still photographs, television, advertising, film, and documentaries to determine their sociological messages. Using the language of visual literacy and an understanding of perception, students test assumptions about their world.
Prerequisite(s): Junior status. (HO) (WI)
Offered at Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SPAN1001 Conversational Spanish I
This course is an introduction to the Spanish language with emphasis on vocabulary acquisition, basic grammar construction and oral communications. Students who have studied more than one year of this language are required to take the foreign language placement exam.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SPAN1002 Conversational Spanish II
This lower, intermediate-level course is designed to further develop conversational ability by expanding both the vocabulary and the exposure to Spanish-speaking cultures. This course concentrates greatly on advanced verb forms and idiomatic expressions.
Prerequisite(s): SPAN1001 or SPAN1011 or equivalent placement score.
Offered at Charlotte, Denver, Providence, Providence CE
4.5 Quarter Credit Hours

SPAN1003 Conversational Spanish III
This advanced intermediate course is designed to perfect the usage of advanced grammar through extensive conversational drill, directed reading, composition and laboratory practice.
Prerequisite(s): SPAN1002 or equivalent placement score.
Offered at Charlotte, Denver, Providence, Providence CE
4.5 Quarter Credit Hours

SPAN1011 Conversational Spanish I: Specialized Vocabulary
This course is designed as an introduction to the Spanish language and is tailored specifically to the needs of culinary and hospitality students. Emphasis is placed on basic sentence structure and oral communication, skills that students can use in the workplace. (HO) (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

SPAN1901 Spanish I Honors
This intensive, honors-level course is designed as an introduction to the Spanish language. Heavy emphasis is placed on vocabulary acquisition, on basic grammatical constructions and on effective oral communication. Students are also exposed to several Spanish-speaking cultures.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

SPAN1902 Spanish II Honors
This course is an intensive, honors-level course and is a continuation of Spanish I Honors. Emphasis is placed on oral and written communication skills based on a strong foundation of grammar and vocabulary building. There is also a focus on the culture of the Spanish-speaking world.
Prerequisite(s): SPAN1901 or equivalent placement score.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

School of Technology
- CAD - Engineering Studies Courses
- CGRA - Computer Graphics Courses
- CSIS - Computer & Information Science Courses
- FIT - Foundations of Technology Courses
- ITEC - Courses
- PRMG - Computer & Information Science Courses
- TECX - Project Practicum Courses
CAD1000 Computer-Aided Drafting I
This course presents to the student the terminology, system hardware, disk operating system, AutoCAD software, and various screen displays necessary to perform the basic computer aided drafting functions. 
Prerequisite(s): Must be taken concurrently with CAD1L00. 
Offered at Providence, Providence CE 
6 Quarter Credit Hours

CAD1020 Computer-Aided Drafting II
This is an intermediate level course in which the student produces drawings in the various phases architectural, electronic, and mechanical CAD. These drawings are produced in two-dimensional views using features of the AutoCAD main menu. Students become familiar with accessing and using the drawing editor with advanced commands and an emphasis on productivity; an introduction to line and menu customization; 3D wireframe/surface/solid modeling and analysis. Related lab projects are included. 
Prerequisite(s): CAD1000, CAD1L00; must be taken concurrently with CAD1020. 
Offered at Providence, Providence CE 
6 Quarter Credit Hours

CAD1030 3D Parametric Modeling
This is an advanced level course in which students use commands and techniques related to 3-D modeling and analysis, and parametric drafting using several parametric modeling software packages to create parts, assemblies and drawings to industry standards. Related lab projects are included. 
Prerequisite(s): CAD1020, CAD1L20; must be taken concurrently with CAD1030. 
Offered at Providence, Providence CE 
6 Quarter Credit Hours

CAD1L00 Computer-Aided Drafting I Lab
Related lab projects are developed from CAD1000 Computer-Aided Drafting I to enhance a student's ability to reinforce drafting concepts, software commands, and file management. (PT) 
Offered at Providence, Providence CE 
1 Quarter Credit Hour

CAD1L20 Computer-Aided Drafting II Lab
Related lab projects are developed from CAD1020 (Computer-Aided Drafting II) to enhance a student's ability to reinforce drafting concepts, software commands and file management. (PT) 
Offered at Providence, Providence CE 
1 Quarter Credit Hour

CAD1L30 3D Parametric Modeling Lab
Related lab projects are developed from CAD1030 Computer-Aided Drafting III to enhance a student's ability to reinforce drafting concepts, software commands and file management. (PT) 
Offered at Providence, Providence CE 
1 Quarter Credit Hour

CAD2000 Portfolio Development
Students are required to prepare a portfolio containing a selection of their best drawings from each of the basic drafting principles. Each student presents his/her portfolio to the instructor for critique and grading. 
Prerequisite(s): CAD2020, CAD2040. (WI) 
Offered at Providence, Providence CE 
1.5 Quarter Credit Hours

CAD2020 Mechanical CAD
This course develops standard industry practices used in CAD for mechanical applications. Basic drafting topics introduced, but not limited to, are multiview projection, dimension theory and GD&T, sections, auxiliary views, pictorial drawings, basic machine parts, cams, gears, threads and fasteners. Students develop drafting conventions through sequences and revisions. Related lab assignments are based on individual projects and team projects. 
Prerequisite(s): CAD1030, CAD1L30. (PT) 
Offered at Providence, Providence CE 
4.5 Quarter Credit Hours

CAD2030 Principles of Design
This course is an introduction to the fundamental elements of the design process, basic objectives of analysis, construction, and evaluation of engineering problem solving. Some topics developed, include, but are not limited to, the design team, components of design theory, creativity, open-ended problem solving, alternative solutions, and the positioning of design in the product development scheme. (PT) 
Offered at Providence, Providence CE 
4.5 Quarter Credit Hours

CAD2040 Architectural CAD
This course develops standard industry practices used in CAD for architectural applications. Basic drafting topics introduced include, but are not limited to, residential, commercial, structural applications for floor plans, foundation plans, elevations, sections, details and pictorial drawings. The use of national, state and local code is integrated with theory. Related lab assignments are based on individual projects and team projects. 
Prerequisite(s): CAD1020, CAD1L20. 
Offered at Providence, Providence CE 
4.5 Quarter Credit Hours

CAD2050 Computer-Aided Network Design
This course is an introduction to computer-aided design of logical and physical network layouts. The core of this course is basic networking documentation control and standardization as used in industry to develop a generic method of system and product development and revision procedures. Topics developed include but are not limited to, standardization procedures within an organization, schematic and block diagrams of networks, bill of materials, revision of drawings, use of universal symbols, NEC codes, floorplans and blueprints, and use of sources to obtain information and send and receive electronic files. 
Prerequisite(s): ITEC1020 or permission of department chair. (PT) 
Offered at Providence, Providence CE 
6 Quarter Credit Hours

CAD2055 Introduction to Building Information Modeling
This course is an introduction to Building Information Modeling (BIM), which is an Architectural parametric application, from design concept to managing a completed facility. This course integrates theory and lab experiences using industry software to develop digital building models. Topics covered include but are not limited to, the history of BIM, developing building models, extracting documents and modifying building elements, presentation graphics and annotations, and integrating best practices of project management. 
Prerequisite(s): Sophomore status. 
Offered at Providence, Providence CE 
4.5 Quarter Credit Hours

CAD2059 Introduction to Computer-Integrated Manufacturing (CIM)
This course presents students with the terminology and practical experience of following the development of a product through concept, design development, manufacturing and product distribution. Topics covered include but are not limited to, computer aided design, concurrent engineering, “just-in-time” manufacturing, materials and product management, and communication of ideas from sales representatives to production engineers. 
Prerequisite(s): CAD1030, CAD1L30. 
Offered at Providence, Providence CE 
4.5 Quarter Credit Hours

CAD2061 CAD Applications
This course develops standard industry practices used in CAD for applications related to plumbing, electrical/electronic, HVAC, welding and sheet metal fabrication. The use of ANSI standards and building code applications are the basis for development of individual and team projects. 
Prerequisite(s): CAD1030, CAD1L30. (PT) 
Offered at Providence, Providence CE 
4.5 Quarter Credit Hours

86 Course Descriptions
CGRA3000 Engineering Graphics and Lab
This course is an introduction to computer-aided design drafting for 3D parametric applications, using related equipment and software. The core of this course is basic engineering documentation control and standardization as used in industry to develop a generic method of system and product development and revision procedures. Related topics developed include, but are not limited to, standardization procedures within an organization, schematic and block diagrams of networks, bill of materials, revision of drawings, use of universal symbols, and use of Internet sources to obtain information and send and receive electronic files.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CGRA3070 Introduction to CAD/CAM and Lab
This course is a continuation of CAD1030, building on the general concepts of parametric modeling, applying the methodology of using parameters to create dynamic 3D models. The models are then transformed into manufacturing models using concepts of two- and three-axis machine tool paths. Concepts of computer numerical control machine technology (CNC), rapid prototyping and simulation modeling software are used.
Prerequisite(s): CAD1030 or ENGN3020 or permission of department chair.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CGRA2020 Web Site Design Concepts
Students are introduced to the tools and processes of Web page development. Students utilize industry-standard software when designing, coding and building websites. Instruction includes immersion project-based study, client interaction and group design critique. Students are introduced to site planning, best practice and development cycle methods. Students produce a digital portfolio of Web design elements and development work.
Prerequisite(s): CSIS1000 or CSIS1020 or CSIS1040. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CGRA2030 Multimedia Applications I
Students are introduced to multimedia concepts and best practices for implementation in various industry settings. The coursework focuses on the incorporation of sound, graphics, color, text, and other elements into industry-standard multimedia software. Use of multimedia as a tool for ideal communications is implemented. Scripting is introduced and used throughout the multimedia course sequence as a tool for multimedia project development. Students learn the various uses for multimedia and how they are implemented within the industry.
Prerequisite(s): FIT1000 or FIT1012. (HY)
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

CGRA2040 Multimedia Applications II
This course provides an overview of planning and designing information for dynamic and interactive media solutions. Whether designing a website, an interactive tutorial, or a multimedia program, this course provides an introduction to design and planning strategies, tools and techniques. The course introduces software and technology used as tools in the planning process. It covers industry standard approaches to visualizing information flow and planning user interactivity, Strategies for communication goals and requirements are reviewed. Content development and revision control for different communication problems including linear text, hypertext, simulation and video are covered. Essential pre-production techniques such as flowcharting, storyboardng, scripting, publishing layout, mock-up and prototyping are introduced. Content management techniques are reviewed. Students should possess a solid knowledge of computer and Internet use.
Prerequisite(s): FIT1040 or FIT1014. (HO) (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CGRA3050 Desktop Publishing
This course introduces students to the fundamental principles of desktop publishing. Using current industry-standard software, students learn the essential design concepts and work flow practice used in desktop publishing. In-class demonstrations and lectures involve the introduction of design theory and practical applications of desktop publishing. Students are required to produce various types of documents using course software. Assignments are completed in class, with some assignments requiring out-of-class work.
Prerequisite(s): FIT1000 or FIT1012 or FSM2080 or HOSP1008 or SEE3010. (HO) (PT)
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

CSIS1000 Problem Solving and Programming Concepts
This introductory course teaches students the fundamentals of problem solving in computer programming. Students learn to use both textual and graphic algorithms as problem-solving tools. In hands-on learning exercises, students work from a problem statement, conduct a task analysis to solve the problem, decide what data is needed to solve the problem, create a visual representation of their solution, and then convert the visual representation to a textual step-by-step statement of their solution. Students use a range of tools currently used in industry, including functional decomposition, diagrams, flowcharts, UML diagrams, use cases, metadata charts, data flow documents and pseudocode. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS1020 Fundamentals of C Programming
This introductory course teaches students how to program in the C computer language, a fundamental skill for technology professionals. Students learn how to design and develop computer programs using standard strategies and techniques used in industry. Topics covered include how programs are structured, how arrays and strings can be processed, and how files are manipulated.
Prerequisite(s): FIT1012. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS1040 Fundamentals of Visual Basic
This course provides an introduction to visual programming and GUI development. Students learn to use a multitude of visual tools, statements, properties and events to create and execute applications in a Visual Studio.NET environment. File access for various file types is presented. Relational databases are examined in relation to how they are created and can be accessed using visual basic programming.
Prerequisite(s): FIT1012 or equivalent. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS1060 GUI Concepts
This course provides students with an understanding of a Graphical User Interface environment. Students are introduced to how Windows works with the file hardware. All students customize and configure the Windows environment. Topics include ini file, program, winfile, control panel, device managers, terminal, paintbrush, creating shortcuts, and X windows.
Prerequisite(s): FIT1000 or FIT1012.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS1070 Diagnostics and Maintenance
This course provides students with the knowledge and expertise to isolate faults in computer systems, using the desktop computer as a model. Using the systems approach, students learn the subsections of a computer system and their functions. Typical problems with each subsection and the impact of these problems on the operation of the entire system are discussed. The course introduces students to diagnostic software and fault analysis techniques through out-of-class work using standard tools and representative computer diagnostic software.
Prerequisite(s): FIT1000 or FIT1012. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
CSIS2020 Business Programming I with COBOL
This course provides students with an understanding of the use of programming in the business community. Students learn how to program statements, translate into standard operations for generating reports and use files in a business environment. Students also examine how various types of storage and programming structures are implemented in the programming language. In addition, students perform problem solving in the area of simple business functions, and design, chart, code, debug, test, execute and document programs. Topics include accessing files, decision structure, looping structures, report design, program structure, data types, data manipulation, tables and control break processing.
Prerequisite(s): CSIS1000 or CSIS1020 or CSIS1040.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS2025 Introduction to Server Side Technologies
This course emphasizes the fundamentals of server-side web development using industry-standard high-level environments. Students are introduced to concepts and practices including functionality, typical applications in a business setting, technologies and terminology. Client-side interaction is covered to the extent of making Web forms that connect to a data source with some JavaScript used for field validation. Server application and system architecture is emphasized.
Prerequisite(s): CSIS1020 or CSIS1040 or DME1060, Junior status (PT). (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS2030 Database Concepts
This course introduces students to the function of a database environment. The importance of databases to modern systems development provides the motivation for examining data structures and models as they relate to user needs. Relational data models are emphasized along with query languages and user-friendly packages. The various data structures and file storage techniques used with hierarchical, network and relational data management issues are developed. Out-of-class assignments are completed by all students.
Prerequisite(s): FIT1014 or FIT1040. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS2045 Introduction to Operating Systems
This course includes a survey of the functional characteristics of complex operating systems and an introduction to the basic techniques of operating systems design. The course discusses the topics of hardware configuration, channel operation, interrupts, register functions, multiprogramming, multiprocessing, timesharing and JCL.
Prerequisite(s): CSIS1020 or CSIS1040. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS2050 Advanced Programming Concepts
This course introduces students to the concepts of system and language interfacing. Students create programs that interface with computer hardware and with other programming languages. Topics include terminate and stay resident programs, device drivers and diagnostic software.
Prerequisite(s): CSIS1020. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS2070 Business Programming II with COBOL
Students write business-level programs to solve intermediate-level financial and business problems. They are introduced to such subjects as subscripting, indexing, sorting, complex file handling and creating server-side applications. Students are also introduced to the selection criteria for choosing between different software with Web pages and relational databases. Students implement and test their developed programs.
Prerequisite(s): CSIS2020. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS2080 Database Design
The use of fourth and fifth generation tools in database environments is becoming more prevalent. This course provides a foundation for that systems development effort by systematically examining the procedures and tools used in designing a database. This course emphasizes the relational model. Students study normal forms, decomposition, synthesis, semantic modeling, network and hierarchical models. All students complete out-of-class assignments.
Prerequisite(s): CSIS2030.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FIT1000 Information Technology for Business Professionals
This course provides basic understanding of computer software, policies and procedures necessary for business professionals. Students gain practical knowledge of operations and terminology as well as hands-on use of personal information management systems, word processing, and digital presentations. Students are also introduced to using databases as a decision-making tool. Computer-based assessment software may be used as both a learning and skills measurement tool. (PT) (HY)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

FIT1005 Introduction to Keyboarding
This course is designed to introduce or reinforce keyboarding skills necessary to prepare documents used in the business world. Students learn the keys and techniques to produce error-free documents. (HY)
Offered at Denver, Providence, Providence CE
1.5 Quarter Credit Hours

FIT1012 Digital Technology for Business
This course focuses on the practical use of technology tools in the digital workspace. Students gain hands-on experience in Digital Citizenship, basic technical literacy, collaboration tools, mobile connectivity and other technical solutions. Student learning is focused on project-based solutions to realistic workplace scenarios.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FIT1014 Solving Business Problems with Technology
Students gain advanced experience in core technology topics as well as new topics relevant to the technology field. Additional topics may include introduction to scripting and programming languages, databases and data mining, and contemporary digital presentation environments. Student learning is focused on project-based solutions to realistic workplace scenarios.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

FIT1040 Spreadsheet Design for Business Solutions
Students gain a working knowledge of spreadsheet skills and apply those skills to problem-solving cases. Computer-based assessment software may be used as both a learning and skills measurement tool.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

FIT2020 Integrated Computer Business Applications
This course presents intermediate and advanced microcomputer applications skills chosen on the basis of demand in local markets. A major part of the course involves “hands-on” laboratory use of software for managing graphic, numerical or text-based data in “what if” business simulations with emphasis placed in spreadsheet and word-processing, software. Other business software may also be explored. Computer-based assessment software may be used as both a learning and skills measurement tool.
Prerequisite(s): FIT1000 and FIT1040 or FIT1014, or permission of department chair. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
FIT2040 Emerging Technologies in the Workplace
This course introduces students to how social media has evolved and how it can be used as an effective tool to enhance and develop business marketing and sales. Social media has established itself as the pre-eminent focal point for social interaction using web-based technologies, with people generating their own content, social commentary and opinions reaching a wide audience through friends, recommendations and same interest groups. Businesses from small to large are using social media to engage with their customers on an entirely new level, helping promote their products and services and keep in touch with them on a personal level. Social media is displacing the established leaders as major traffic drivers for new business.
Offered at Miami, Providence, Providence CE
4.5 Quarter Credit Hours

ITEC1000 Help Desk Concepts
This introductory course provides students with an overview of the topics relevant to working at a help desk or customer support center. Four major components are covered: people, processes, technology and information. Emphasis is placed on the design and management of each component as an integral and mandatory part of the support function.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC1020 Introduction to Data Communications
This is an introductory course in the concepts and components of a data communications system. Hardware and software features are reviewed to present the elements of and interactions in a data communications network. Communications interfaces, industry standards, and communications protocols are presented in reference to understanding the actual throughput of data in a communications environment. Students are introduced to network topologies and their various application areas.
Prerequisite(s): FIT1000 or FIT1012. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC2080 Network Devices
This course develops students’ knowledge of computer networks and how they work in business and industry. Students become familiar with the three basic kinds of computer networks (LANs, WANs, MANs) and the protocols that help those networks function. They are introduced to methods of developing protocols, including interpretation of standards, finite state machines, and state-full transition. Students also become familiar with various equipment types and design criteria that are currently used in industry. In homework and lab assignments, students develop skill competencies needed to troubleshoot systems and solve day-to-day business problems with networks. Students connect, configure and program a range of network devices; work with network protocol analyzers, and map the path of a data packet on a network.
Prerequisite(s): ITEC1020. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC2090 IT Call Management Systems
This course explores in detail the processes and the underlying related technologies and techniques that are used in industry settings in order to deliver better customer support. Students gain practical knowledge in an industry standard call management software package. Through a combination of lecture and lab-based work, they become familiar and adept in activities related to telephone customer service skills, call logging, call and work assignment, monitoring and management, report creation and utilization, and asset management.
Prerequisite(s): ITEC1000. (PT)
Offered at Providence CE
4.5 Quarter Credit Hours

ITEC3040 Systems Analysis
This course presents a systematic approach to the development of business systems. By following this approach, students learn to design business systems that efficiently meet the goals and objectives of management. A major element of this course is a team project, where students utilize the systems approach in analyzing and designing a business system. This class is highly recommended for non-computer majors as well as required for majors in this program.
Prerequisite(s): FIT1014 or FIT1040. (HO) (PT) (WI)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3050 Information Security
This course presents all aspects of computer and information security including data encryption, zero-knowledge based proofs, public key coding and security procedures. This course makes students aware of the various threats to computers and data and identifies methods and techniques for providing counter-measures to those threats.
Prerequisite(s): FIT1000 or FIT1012. (HO) (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3070 Systems Modeling and Simulation
This course addresses the process of modeling systems, including business systems, network systems, dynamic vehicle systems and client-server systems, to name a few. The modeling process is the prerequisite for the simulation and subsequent analysis, design and assessment of a system with respect to specific performance criteria. The roles of modeling in simulation are presented within the context of the systems engineering process. Modeling encompasses everything from functional through mathematical modeling; simulation includes the development and use of software for systems analysis and design. Team projects from students’ areas of interest are an integral part of the course.
Prerequisite(s): MATH2001. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3075 Network Security
This course provides the students with a comprehensive introduction to the field of network security. Critical network security aspects are identified and examined from the standpoint of both the user and the attacker. Network vulnerabilities are examined, and mitigating approaches are identified and evaluated. Concepts and procedures for network risk analysis are introduced. Network architectures and protocols and their impact on security are examined. TCP/IP security is examined in conjunction with the IPSec and IKE protocols. Integration of network and computer security is introduced. The course also discusses the building of trust networks, key management systems, and physical network security. The course emphasizes the implementation of intrusion detection and prevention methods.
Prerequisite(s): ITEC2080, ITEC3050. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3080 Information Management
Information management techniques are presented with an emphasis on file-accessing methods, database systems, text retrieval systems, paperless computing and the Internet. The management of records on stand alone and networked systems is examined along with the issues relative to managing information on the World Wide Web. Students are made aware of the various theories and options available for text and information storage and retrieval. Security and communication issues are covered along with the issues related to the World Wide Web.
Prerequisite(s): ITEC3020. (HO) (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3020 Information Science I
This course provides a general introduction to information science. Topics include an introduction to information systems, the role of information in organizations and decision making and the role of computers in information processing.
Prerequisite(s): FIT1000 or FIT1012.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
ITEC3085 Systems Design
This course is both a theoretical approach to the development of information systems as well as an immersion into the real-world implementation in the context of a business case. The student learns the basic design tools, as well as gains an appreciation for the larger context of the organization in which the application generates value. Readings and case studies highlight the need to consider systems integration issues, external constraints in the form of regulatory issues, organizational process change, learning and training requirements as well as development of a systems maintenance and obsolescence plan.
Prerequisite(s): ITEC3040. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

PRMG2010 Introduction to Project Management
This course gives students an understanding of project management practices, concepts, and tools using projects in the real world. Students focus on successfully organizing a single project using the knowledge areas associated with the project life cycle. Learning to identify potential projects based on strategic business planning, they produce portions of a basic project plan, scope statement, work breakdown structure, and Gantt charts. Other course topics to be discussed in a broader context include: forming and leading a project team, project manager competencies, project organization, time and resource management, cost management, quality management, human resource management, communications management, and risk management. (OL)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

PRMG3010 Advanced Project Management
This course trains students to initiate, plan, execute, monitor, control, and close a project in the real world. Using a real world project plan, students become competent in the following areas of project management: project integration, project scope, project time, project cost, project quality, project human resources, project communications, project risk management. They practice these skills individually and in teams applying them to a real world project. They also gain understanding of the application of project management processes.
Prerequisite(s): PRMG2010. (OL)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

TECX2010 Sophomore Technology Internship
This is a hands-on, career-related experience that allows sophomore students supervised practical training within their respective majors. These activities can be performed either in the confines of a university-operated facility or at external host firms in team or individual format.
Prerequisite(s): Permission of instructor.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

TECX4045 Technical Solutions Team I
In this class, students act as part of a working technology project team. During the term prior to the beginning TSTI, each student applies for a position on a particular team working on a specific project; only students accepted for such positions will be admitted into the course. Students begin TSTI with a series of lectures and workshops that familiarize them with the project methods and protocols used by TSTI. They then work under the supervision of a faculty project manager and subject matter advisors. Teams submit their work for regular phase reviews; set and conform to explicit schedules for project work; monitor and assure project quality; assess and mitigate project risks; draft, update and maintain all project documentation; and are ultimately responsible for the outcome of the project. This course is one of several options in the School of Technology for students to fulfill their experiential education requirements.
Prerequisite(s): PRMG2010.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

TECX4046 Technical Solutions Team II
This course is an optional continuation of TECX4045, Technical Solutions Team I working on new or previously started projects. Students work in cross-functional teams under the supervision of faculty project managers and subject matter advisors. Teams submit their work for regular phase reviews; set and conform to explicit schedules for project work; monitor and assure project quality; assess and mitigate project risks; draft, update and maintain all project documentation; and are ultimately responsible for the outcome of the project. This course is one of several options in the School of Technology for students to fulfill their experiential education requirements.
Prerequisite(s): TECX4045.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
Academic Information

This section of the catalog contains important information about the academic requirements and policies of Johnson & Wales University, as well as additional educational components including experiential education and study abroad opportunities, and available honors programs and academic societies.

Class Schedules

Evening classes are offered Monday through Thursday from 6 p.m. to 9:30 p.m. for arts & sciences, business, hospitality and technology students. A limited number of classes meet twice per week from 6 p.m. to 7:55 p.m. Saturday classes for students in these programs are generally held from 8:15 a.m. to noon or 1 p.m. to 4:45 p.m. The academic year for culinary arts continuing education classes runs from September through June. Classes are generally scheduled on Saturdays from 8:15 a.m. to noon, and 1 p.m. to 4:45 p.m.; and Sundays from 7 a.m. to 6:30 p.m.

Occasionally, make-up classes are scheduled, due to holidays or other missed days, to meet minimum classroom hour requirements. The dates of these rescheduled classes are available in jwuLink. It is possible that at times a course may not be rescheduled and the student will be responsible for all work as outlined in the syllabus. Class cancellations will be posted on the university’s Info-Line (JWU-INFO) and the university line for school closings (598-5555).

Summer Sessions

Optional summer session courses are offered by the university. Individual courses may not be offered in the summer if student interest or enrollment is not sufficient; as a result, summer degree completion cannot be guaranteed.

Students matriculating at Johnson & Wales are not granted credit for summer session courses taken at other institutions unless prior permission has been granted by Student Academic & Financial Services.

Academic Policies

This section of the catalog contains important information about the academic policies of Johnson & Wales University, the grading system and other academic requirements.

Academic Standing

A student’s academic standing is based on grade point average (GPA) in conjunction with total attempted credits (including transfer credits) and is evaluated after the completion of each term of enrollment. Academic standing standards differ by program of study. Please refer to the following academic standing standards charts. If students are not in good academic standing or have questions about the requirements for graduation, they should make an appointment with an academic counselor for assistance in assessing their situation.

Students who meet the following criteria are considered to be in good academic standing:

- Undergraduate students need a minimum GPA of 2.0.
- Graduate students need a minimum GPA of 3.0.
- Doctoral students need a minimum GPA of 3.25.
- 4+1 B.S./MBA/M.S. program students need a minimum GPA of 3.0 in graduate-level coursework.

According to the following academic standing standards, students who do not satisfy good academic standing requirements will be placed on probation, suspended (undergraduate students only) or dismissed.

Academic Standing Standards: Undergraduate Day and Online Programs

### Academic Standing Standards: Doctoral Programs

<table>
<thead>
<tr>
<th>Status at Start of Term</th>
<th>Total Credit Hours Attempted</th>
<th>Cumulative GPA</th>
<th>Status after Term Completion</th>
</tr>
</thead>
<tbody>
<tr>
<td>Good Standing</td>
<td>0-higher</td>
<td>3.25-4.0</td>
<td>Good Standing</td>
</tr>
<tr>
<td>Good Standing</td>
<td>0-higher</td>
<td>0-3.24</td>
<td>Academic Dismissal</td>
</tr>
</tbody>
</table>

Note: Doctoral students will be dismissed if their GPA is less than 3.25, or when they earn a grade of F, WF or W in any course. (No classes may be repeated.)

### Academic Probation

Probation may affect a student’s ability to register and/or graduate. Graduate program students and 4+1 B.S./MBA/M.S. program students are allowed one term only on probation.

### Academic Suspension

Suspended students may not matriculate at the university for at least one term and are expected to work on academic deficiencies. To return to the university, these students must petition the Academic Appeals Committee, providing a letter of intent and documentation of academic improvement. The committee will consider appeals that document mitigating circumstances.

### Academic Dismissal

Dismissed students may no longer matriculate at the university and are expected to work on academic deficiencies. To return to the university, students may petition the Academic Appeals Committee, providing a letter of intent and documentation of academic improvement. The committee will consider appeals that document mitigating circumstances.

### Academic Warning

Students who are reinstated into the university will be placed on Academic Warning. These students risk permanent dismissal from the university if they are unable to meet academic standing guidelines. The warning designation is sometimes used to override academic standing decisions at the end of the term due to mitigating circumstances.

These undergraduate students will be allowed to register for a maximum of 13.5 credits in academic classes or 15 credits in laboratory classes. In addition, these students will be required to attend a mandatory student skills strategies seminar and tutoring in identified content areas. (Failure to complete these requirements will result in immediate dismissal.)

### Attendance

All students are expected to attend each meeting of every class in which they are enrolled on time. The maximum number of absences for valid reasons is based on the quarter credit hours for the course, with the exception of experiential education assignments and laboratories, which have their own specific attendance criteria. Absences beyond the stated maximum for each course may jeopardize academic standing or financial aid.

Student Academic & Financial Services should be notified immediately of any necessary prolonged absences. The Student Handbook contains rules and policies for frequent or prolonged absences from class.

Students are expected to familiarize themselves with attendance requirements outlined in the Student Handbook. The Student Handbook can be found online at www.jwu.edu.
Credits and Grades

Unit of Credit
The university measures academic progress using the quarter credit hour system. Courses are offered in three formats and may combine two or more of those formats, which are: lecture, laboratory and experiential.

Generally, one quarter credit represents 10 hours of instruction, which includes class lecture and additional activities; one quarter credit hour equals two laboratory hours or three experiential hours. Furthermore, all courses require additional hours of study and preparation outside of the classroom or learning environment.

Undergraduate Grading System
September 1985 to present (note: not all grades are used by all colleges or schools)
The grading system is as follows:

<table>
<thead>
<tr>
<th>Grade Range</th>
<th>Letter Grade</th>
<th>Quality Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>95–100</td>
<td>A+</td>
<td>4.00</td>
</tr>
<tr>
<td>90–94</td>
<td>A</td>
<td>4.00</td>
</tr>
<tr>
<td>85–89</td>
<td>B+</td>
<td>3.50</td>
</tr>
<tr>
<td>80–84</td>
<td>B</td>
<td>3.00</td>
</tr>
<tr>
<td>75–79</td>
<td>C+</td>
<td>2.50</td>
</tr>
<tr>
<td>70–74</td>
<td>C</td>
<td>2.00</td>
</tr>
<tr>
<td>65–69</td>
<td>D+</td>
<td>1.50</td>
</tr>
<tr>

<td>No Grade</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Grade reports are viewable in jwuLink (http://link.jwu.edu).

Honors Option (H)
If a course was taken as an Honors Program requirement, the grade received will be followed by “H” (for example, AH, BH).

Failure (F)
Issued if a student fails to achieve adequate scholastic progress. The grade is recorded permanently on the student’s academic record. Upon successful completion of the course at a later date, the cumulative average is adjusted to reflect only the passing grade. However, both grades will appear on the academic transcript. This system allows students to recover academically from poor terms and graduate within a reasonable amount of time.

Withdrawal (W), Withdrawal/Pass (WP), Withdrawal/Fail (WF)
In order to record attempted credits (including for purposes of determining satisfactory academic progress), a grade of W, WP or WF is recorded when a student withdraws from a culinary/pastry laboratory course or a course with an experiential education component, or is withdrawn due to excessive absences from a registered course after its add/drop period has ended. A W is a punitive and failing grade issued at the instructor’s discretion, and is entered permanently into the term and cumulative grade point averages. If the estimated grade is below 60, the student will be issued a WF, which is entered into the term and cumulative grade point averages as a failing grade until successful completion of the course at a later date.

Incomplete (I)
Issued to students if they are unable to complete course requirements (because of authorized absences due to service commitment or illness). Outstanding work must be completed within two weeks of the final exam class day or the grade will automatically become an "F" and the grade will be included in the grade point average. For classes graded "S/U" (Satisfactory/ Unsatisfactory), an Incomplete ("I") will change to a "U."

No Credit (NC)
A non-punitive designation issued to a student who has been authorized to withdraw from class, or the university, due to extenuating circumstances.

Grade Pending (GP)
A temporary mark given when the completion of course requirements is still underway. A grade pending is not calculated into the cumulative average and is generally used under extreme, extenuating circumstances. If a grade is not submitted to replace the “GP" within one year, it will automatically become an “F.”

Audit (AU)
An audit occurs when no academic credit is granted. This grade is not calculated into the cumulative average.

Proficiency (P)
Granted for achievement of multiple levels of skills in progression where the self-paced approach is in effect. This grade is not calculated into the cumulative average.

Satisfactory/Unsatisfactory (S/U)
Used for designated courses throughout the university.

Prior Learning (PL)
Students may earn credits for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel, professional training and seminars or other comparable sources.

Challenge Exam (CX)
Granted for specifically designated courses upon successful completion of department challenge exams.

No Grade (NG)
“No Grade” is issued temporarily when there is no grade provided by the faculty member. This grade is not factored into the student’s GPA. Once a grade is submitted, the cumulative average and transcript will reflect only the new grade. If a grade is not submitted to replace the “NG” within one year, it will automatically become an “F” and the grade will be included in the grade point average.

Repeat of Courses
Undergraduate students will be allowed no more than three (3) attempts to successfully complete each course. Students who passed the course but wish to improve their grade may repeat the course if it is available. However, students are eligible for financial aid for only one repetition of a previously passed course. The highest grade earned will be calculated into the grade point average. When a student has repeated a course previously applied to an awarded degree, both grades will be included in the grade point average.

Required Courses
Students who fail a course after a second attempt will be assigned an academic standing hold and will be placed on academic probation. Students who fail the same course after a third attempt may be academically dismissed.

Students who attempt the same course three times and earn a combination of “W”, “WF” and “F” grades will be assigned an academic standing hold; these students may be subject to academic suspension if the course is not successfully completed during the next course offering.

Appeals
Appeals regarding academic suspension or dismissal can be made to the Academic Appeals Committee after one term of nonmatriculation if extenuating circumstances exist. A student may appeal only once, and the decision of the committee is final.
Concentrations
In programs of study that require a concentration, students will be given the following options in the event that they cannot successfully complete a concentration course requirement at the third attempt:

1. make an alternate concentration course selection (if available) or
2. select a new concentration to meet degree requirements.

Courses Not Required
If the attempted course is not a specific degree requirement, the student will be unable to attempt the course again. The student must then select an alternate course to meet degree requirements.

Graduation Requirements
If the attempted course is a mandated graduation requirement such as career management capstone or Sanitation Certification, the student has nine (9) terms to complete the course.

Academic Counseling
Academic counselors are available in Student Academic & Financial Services to assist students with preparation for graduation. Their goal is to assist students in evaluating, developing and maximizing their potential by providing guidance and support.

All students are encouraged to meet with an academic counselor. Students on academic probation, repeat course probation and/or satisfactory academic progress warning are required to meet with an academic counselor. Appointments are recommended.

Transfer and Career Prerequisites
Students who intend to transfer to other colleges or enroll in graduate schools after graduation must determine the requirements of those institutions and plan their programs of study accordingly. Johnson & Wales University makes no claim or guarantee for transfer credit to other academic institutions. Similarly, students who intend to take state or foreign business, trade or professional licensing examinations should determine the prerequisites of those jurisdictions prior to selecting programs of study.

Students who are interested in transferring to JWU should see information on prerequisites of those jurisdictions prior to selecting programs of study.

Courses Taken at Other Institutions
Undergraduate students requesting to take courses at another institution must submit a Request to Take Classes Elsewhere form (which may be sent by fax or email) to obtain prior written approval from Student Academic & Financial Services. The following guidelines must be met:

• The student must have an overall grade point average above 2.0.
• There is a limit of 18 credits which may be taken during enrollment at the university.
• The course(s) must not be in the major field.
• The student may not have taken the course(s) previously at the university and received a grade of “F,” “W,” “WF,” “I” or “IP.”
• Course credits from other institution must equate to JWU requested course credit.
• Grades of “C” or better (2.00 or equivalent) from an accredited institution may be accepted for transfer. Transfer credits are not calculated into the cumulative grade point average.
• The course(s) must be taken within one year of permission being granted.
• Students are responsible for tuition and fees for approved course(s) at the other institution as applicable.
• A student will not be granted credit (transfer credit or otherwise) for any academic work done during the period of a disciplinary suspension.

Academic Transcripts
A transcript is a representation of a student’s entire academic record while at Johnson & Wales. An academic transcript reflects a student’s unabridged academic history at the institution.

Official transcripts are printed on official paper and then placed in sealed envelopes issued directly to the student or authorized designee. Official transcripts may be released only upon written request by the student; this is done to comply with the Family Educational Rights and Privacy Act (FERPA). The university does not charge a fee for transcripts. Students are only allowed 20 transcripts per year. Official transcripts will not be released if a student is not current in all financial obligations to the university. Transcripts are not official if faxed. Allow three business days for processing. Students intending to pick up transcripts in person must make the request in person at Student Academic & Financial Services or complete a transcript request form.

Unofficial transcripts may be obtained in jwuLink (http://link.jwu.edu).

Requirements

Residency Requirement
The undergraduate residency requirement refers to the number of courses and credits students must take at JWU, whether they are transfer students or JWU students acquiring an additional degree. The residency requirement for all students at Johnson & Wales University pursuing an associate degree is a minimum of 31.5 quarter credit hours, half of which must be within the major field. For students pursuing a bachelor’s degree, the minimum is 45 quarter credit hours, half of which must be within the major field. Diploma/certificate candidates will be allowed to transfer a maximum of 9.0 quarter credits (including JWU courses) towards requirements. Upon review, certain related professional studies courses and program electives may be considered when determining residency. Standardized testing credits are not considered when determining residency requirements.

Graduation Requirements
Each student is required to submit an online diploma application at least two terms prior to degree completion. Students must file one application for each expected degree (i.e., associate, bachelor’s, master’s). The application ensures that students are reviewed for graduation at the correct time, that correct information is presented on the diploma, and that it is mailed to the correct address.

Graduation requires successful completion of a prescribed sequence of study and a minimum 2.00 grade point average. Students with a cumulative GPA below 2.00 will not be in compliance with the criteria for good academic standing and may be subject to academic dismissal. Furthermore, as required by their program, all students must hold an active Sanitation Certification.

All associate-level degrees require the completion of a minimum of 90 quarter credits. All bachelor’s-level degrees require a minimum of an additional ninety (90) quarter credits, for a total of 180 quarter credits. While most major programs have variations that require slightly more quarter credits for completion, no program requires fewer than the 90/180 quarter credit minimum.

All students must be current in all financial obligations to the university, including tuition, fees and other expenses, before a diploma will be issued. Permission to participate in commencement exercises does not imply that graduation requirements have been met.

Writing Requirement
Students who graduate with a bachelor of science degree must leave Johnson & Wales with effective writing skills. These writing skills will be assessed at the completion of either ENG1021 Advanced Composition and Communication. If competency is not achieved at this point, students must successfully complete ENG0001 Writing Workshop and achieve competency. This, in effect, is a graduation writing requirement for all students pursuing a bachelor of science degree from JWU.

Experiential Education

Experiential Education & Career Services
At JWU, our approach is designed to help students identify a field of interest and acquire the knowledge, skills and experience to excel in that field. Experiential Education & Career Services offers a variety of internship programs and career services including a career capstone course, résumé critiques, mock interviews, career fairs, exposure to industry professionals, on-campus interviews and more. These elements assist students in building career skills to obtain employment and independently navigate their careers.

Experiential Education & Career Services components include:

• internship opportunities available in the College of Business, The Hospitality College, the College of Culinary Arts and the School of Technology(Providence campus only). Internship is designed to provide eligible students with practical work experience in their chosen field of study while they earn academic credit for the experience.
• a career capstone course for juniors and seniors that prepares them to navigate the job search process.
• career workshops that allow students to select specific skill-building topics.
• networking opportunities with industry professionals through on-campus recruiting events.
• resources providing personalized advising on a variety of career-related topics.
• online job postings by employers who are looking to hire students for part-time and full-time jobs (on and off campus) as well as internships. Go to https://link.jwu.edu/ > Careers > Find a Job.
• employers, representing the business, hospitality, culinary and technology fields, that visit campus each year to participate in recruiting events and serve as guest lecturers and classroom speakers. These activities provide students with a real-world view of industry as well as opportunities to connect with industry professionals and career options.

Study Abroad

Study Abroad works with all schools and colleges at all campuses to offer a portfolio of study abroad programs to Johnson & Wales students. Any interested student is encouraged to contact Study Abroad (http://www.jwu.edu/studyabroad) at 401-598-1406 for personal study abroad advising, program information and applications.

Academic Functions

Orientation for all new Adult & Continuing Education students is held each term before the start of classes. Activities include registration, academic orientation, distribution of photo identification cards and parking permits, and meetings with administration. Orientation also includes placement testing.

Commencement is held at the end of each academic year. At these exercises, degree candidates are recognized. Participation in commencement exercises does not imply that graduation requirements have been met.

Latin Honors

Eligible degree candidates receive cum laude, magna cum laude and summa cum laude recognition according to their academic average. Students with the designated graduating GPA receive honors as follows: cum laude, 3.40–3.60; magna cum laude, 3.61–3.80; and summa cum laude, 3.81–4.00.

Dean’s List

In recognition of scholastic achievement, full-time students (carrying a minimum of 12 quarter credit hours) at Johnson & Wales University who have achieved a term GPA of 3.40 or above receive Dean’s List commendation.

Academic Societies

Academic Honor Societies

Alpha Beta Kappa is a national honor society which recognizes superior student academic achievement, character and leadership. Students with a graduating GPA of 3.9 or higher are eligible. Students are notified in April of their eligibility. A one-time membership fee is required. The society may also elect a limited number of faculty, staff and alumni as honorary members.

Awards

The Johnsonian Spirit Award is presented to one culinary arts and one baking & pastry arts Adult & Continuing Education student who demonstrates a genuine spirit of helping others with enthusiasm, within and outside of the classroom.
Admissions

Johnson & Wales University’s admissions process goes beyond simply looking for academically accomplished students. The university seeks to attract and retain highly motivated and demonstrably capable students. Students’ motivation and interest in succeeding in their chosen careers are given strong consideration.

While not required, students are encouraged to submit employment information and letters of recommendation for admissions consideration.

Applying

Applications for admission should be completed in full and sent to the address below:

**Providence Campus**

Adult & Continuing Education Admissions  
Johnson & Wales University  
8 Abbott Park Place  
Providence, RI 02903

You may apply online ([http://www.jwu.edu/apply](http://www.jwu.edu/apply)).

There is no deadline for submitting applications, but students are advised to apply as early as possible before their intended date of enrollment to ensure full consideration, as some programs may fill up. No application fee is required.

In completing the application form, students must indicate the term in which they wish to enroll. Applications are accepted for terms beginning in September, December, March and June. There are no culinary or baking & pastry arts courses offered during the summer term. However, students in these majors may take academic courses in the summer term. If students are applying for a bachelor of science degree program, they are required to indicate their choice of an associate degree on their application for admission.

After completing the application form, students are responsible for requesting that their high school guidance office forward to the university an official copy of the secondary school record for admissions consideration. Specific verification documents must be submitted to Adult & Continuing Education Admissions.

**High School Completion Verification**

Graduation from high school or equivalent education as certified by state departments of education is required for undergraduate admission. Graduation verification documents must be submitted to Admissions. Official verification documents include at least one of the following: a letter from an authorized high school administrator, a high school diploma recognized by the student’s state department of education or an official G.E.D. certificate.

Additional methods of verification of high school completion exist for home-schooled students (p. 96). It is the student’s responsibility to provide verification of high school completion. Without such verification, the student may not be allowed to register for the current term or continue enrollment and will be in jeopardy of losing his or her acceptance to the university as well as all financial aid.

**Admission Requirements**

**Minimum Grade Requirements**

For certain technology majors, a "B" average or better in math is required. Other majors may have specific grade requirements.

For Counseling Psychology majors, an overall "B" average and a college preparatory curriculum are required.

**Other Requirements**

Certain programs of study include technical standards in the academic requirements essential to the program. Students with disabilities should contact the Center for Academic Support for information about the technical standards. See technical (p. 97) standards (p. 97) for descriptions of the applicable technical standards. Copies of the technical standards applicable to various programs are also available from the Center for Academic Support.

For additional admissions requirements please review the other topics listed in the Applying ([http://catalog.jwu.edu/admissions/applying](http://catalog.jwu.edu/admissions/applying)) section of this catalog.

**Admissions Decision**

The rolling admissions policy of the university makes it possible to notify students of the admissions decision, of their acceptance or of any additional conditions necessary for admission, soon after all of their academic records have been received and reviewed.

The university may revoke any student’s acceptance or enrollment if any information or documentation provided by the student is false or incomplete or if the university learns of any past or present misconduct by the student that would affect the student’s ability to represent and uphold the high standards of the university.

**Deferred Enrollment**

Johnson & Wales offers a two-year deferred enrollment to students who have applied and been accepted to the university but, for various reasons, wish to postpone their enrollment. Johnson & Wales University retains student application material and will honor the admissions decision for up to two years; after that time frame, the applicant will need to submit a new application and transcript for review. Reservation fees will remain effective during the deferment period. Merit scholarships awarded through the application process will be honored for up to two years from the time of initial acceptance. Federal student aid is awarded annually; a student must reapply for federal funds through the Free Application for Federal Student Aid (FAFSA).

**Advanced Placement Credit**

Students entering Johnson & Wales University with an Advanced Placement test score of “3” or greater will be granted 4.5 quarter credits for the equivalent JWU course. Students must submit an official AP Grade Report from the College Board Advanced Placement Program. For more information about AP credit, contact University Testing & Transfer.

**Transfer Students**

Transfer students are eligible to apply for most JWU majors; however, they are not guaranteed credit. Credit is usually granted for courses completed with a grade of “C” or better (with a numeric value of 2.00) at another institution accredited by an accrediting agency recognized by the U.S. Department of Education. Grades of “pass” are also acceptable for transfer if credit was awarded (and a grade of “P” has the numeric value of 2.00 or greater). Credits earned in developmental and remedial courses or CEUs are nontransferable. Transfer credit evaluations are based on previous college work as it relates to the student’s intended field of study. Transfer credits are not calculated into the cumulative grade point average.

Transfer candidates must submit official college transcripts from all colleges previously attended prior to enrolling at JWU. Students must also submit final official high school transcripts and provide verification of high school/secondary school completion.

It is the responsibility of those candidates who are currently attending another college to have their updated transcripts sent to JWU as soon as final grades become available and no later than the first term of enrollment. If official transcripts or other requested materials are not received within that designated time period, tentative transfer credit will be forfeited.

The university reserves the right to substitute courses at the discretion of the department chair, directors or deans.

**Home-Schooled Students**

Home-schooled students will be required to provide a high school transcript and a copy of their ACT or SAT test scores. Both the grades on the transcript and the ACT/SAT test scores will be reviewed to determine admissions and scholarship eligibility. Combined SAT scores of 1000 (reading and math, 500 each) or ACT equivalent are required for admittance.

A home-schooled student must be able to document that he or she has completed high school. Verification documents for home-schooled students include at least one of the following:

- a high school diploma recognized by their state department of education;
- a G.E.D. certificate
or, with respect to home-schooled students who are above the compulsory age of school attendance,

- a secondary school completion credential for home school (other than a high school diploma or its recognized equivalent) provided for under state law;

or

- if state law does not require a home-schooled student to obtain the credential described in the preceding bullet, a certification that the student has completed a secondary school education in a home-school setting that qualifies as an exemption from compulsory attendance requirements under state law.

It is the student’s responsibility to provide verification of high school completion. Without such verification, the student may not be allowed to register for the current term or continue enrollment and will be in jeopardy of losing his or her acceptance to the university as well as all financial aid.

Technical Standards

College of Culinary Arts
To participate in any program in the College of Culinary Arts, each student, with or without reasonable accommodations, must be able to safely and effectively

- communicate in person with co-workers and guests
- attend and participate in laboratory and production classes of up to six hours in length
- lift and transport food and other culinary product, equipment, small wares and utensils
- lift and transport trays with hot and cold plated foods, small wares, and other items, and serve and clear tables where guests are seated
- pour and serve liquids and beverages, including hot liquids
- use knives and other commercial cooking utensils
- operate commercial cooking and food service equipment
- maneuver in professional or commercial kitchens, dining rooms and related facilities
- test and evaluate the taste, appearance, texture and aroma of food and beverage products
- use commercial cleaning and sanitizing equipment and materials

The foregoing technical standards are essential to all programs of instruction in the College of Culinary Arts and also reflect industry requirements and standards.

The Hospitality College

Sports/Entertainment/Event Management
To participate in this program, each student, with or without reasonable accommodations, must be able to safely and effectively

- communicate with fellow workers and customers in person, by telephone and by radio
- input data into and retrieve data from a computer
- lift, transport, and use program-related equipment and apparatus, including, where applicable, sporting, gaming, and recreational equipment, or convention services apparatus such as furniture, displays and drapage

Travel-Tourism & Hospitality Management
To participate in this program, each student, with or without reasonable accommodations, must be able to safely and effectively

- communicate with fellow workers and customers in person, by telephone and by radio
- input data into and retrieve data from a computer
- travel by standard commercial carriers, including airlines
- handle luggage, ground transportation and hotel accommodations, and access tour sites with available on-site accommodations

All Other Hospitality Programs
To participate in these programs, each student, with or without reasonable accommodations, must be able to safely and effectively

- communicate with fellow workers, guests and customers in person and by telephone
- attend and participate in both day and night shift (including third shift) classes
- input data into and retrieve data from a computer
- lift, transport and set up moveable hotel furniture, serving equipment and cleaning equipment, and safely and effectively operate or use such items in the preparation, utilization and maintenance of hotel or institutional facilities
- attend and participate in laboratory and food production classes of up to six hours in length
- lift and transport food and other culinary product, equipment, small wares and utensils
- lift and transport trays with hot and cold plated foods, small wares and other items, and serve and clear tables where guests are seated
- pour and serve liquids and beverages, including hot liquids
- use knives and other commercial cooking utensils
- operate commercial cooking and food service equipment
- maneuver in professional or commercial kitchens, dining rooms and related facilities
- test and evaluate the taste, appearance, texture and aroma of food and beverage products
- perform commercial or institutional housekeeping tasks (such as bedmaking) and use commercial cleaning and sanitizing equipment and materials

The foregoing technical standards are essential to the programs of instruction in The Hospitality College and also reflect industry requirements and standards.

College of Business/Equine Programs
To participate in these programs, each student, with or without reasonable accommodations, must be able to safely (including the safety of the horse, where applicable) and effectively

Equine Business Management (Non-Riding — Providence Campus only)

- remain alert at all times while handling a horse
- lead and control a horse for turnout into a paddock
- operate horse management equipment such as tractors and wheelbarrows
- lift, handle and transport tack, feed bags, hay bales and equipment for feeding and watering horses
- groom horses, including bathing, brushing and picking out hooves
- wear an ASTM/SEI-certified riding helmet and standard flat-soled riding boots with at least a 3/4" heel
- lead and control a horse for turnout into a paddock
- operate horse management equipment such as tractors and wheelbarrows
- lift, handle and transport tack, feed bags, hay bales and equipment for feeding and watering horses
- groom horses, including bathing, brushing and picking out hooves
- clean equine equipment, stalls and aisles

Equine Studies and Equine Business Management/Riding (Providence Campus only)

- mount a 15.2 hand horse
- control a moving horse as a rider
- maintain balance and remain alert at all times while riding or handling a horse
- wear an ASTM/SEI-certified riding helmet and standard flat-soled riding boots with at least a 3/4" heel
- lead and control a horse for turnout into a paddock
- operate horse management equipment such as tractors and wheelbarrows
- lift, handle and transport tack, feed bags, hay bales and equipment for feeding and watering horses
- groom horses, including bathing, brushing and picking out hooves
- clean equine equipment, stalls and aisles

The foregoing technical standards are essential to the programs of instruction in Equine Business Management, Equine Studies, and Equine Business Management/ Riding and also reflect industry requirements and standards.

Military

Johnson & Wales University is approved for the training of veterans by the state approving agency.

Eligible veterans should contact the Department of Veterans Affairs toll free at 1-888-442-4551 or online (http://www.gibill.va.gov).

JWU students enrolled at the Providence Campus are eligible to participate in the Army ROTC program at Providence College, subject to eligibility requirements. Scholarship opportunities are available through this program.
For more information, contact the professor of military science at Providence College at 401-865-2471. Military science course offerings are listed below. For information regarding when and how JWU credit may be obtained for such courses, contact Student Academic & Financial Services.

Military Science Courses (available at Providence College)

The following military science courses are offered and taught at Providence College. JWU understands that JWU students may enroll in such courses as part of their authorized participation in the Senior Army ROTC Program at Providence College. Further information is available from the professor of military science at Providence College at 401-865-2471. For information regarding when and how JWU credit may be obtained for such courses, please contact Student Academic & Financial Services.

MIL 101 FUNDAMENTALS OF LEADERSHIP I WITH LAB
The purpose of this course is to introduce students to fundamental components of service as an officer in the United States Army. These initial lessons form the building blocks of progressive lessons in values, fitness, leadership, and offi5cership. Additionally, the course addresses “life skills” including fitness, communications theory and practice (written and oral), and interpersonal relationships. This course additionally includes a Leadership Lab which will reinforce the lessons learned in the classroom. Upon completion of this course, cadets should be prepared to receive more complex leadership instruction. This course is open to freshman and sophomore students. 3 credits at Providence College (these credits will transfer to applicable JWU courses).

MIL 102 FUNDAMENTALS OF LEADERSHIP II WITH LAB
This course builds upon the fundamentals introduced in the previous course by focusing on leadership theory and decision making. “Life skills” lessons in this course include problem solving, critical thinking, leadership theory, followership, group interaction, goal setting and feedback mechanisms. This course additionally includes a Leadership Lab which will reinforce the lessons learned in the classroom. Upon completion of this course, cadets should be prepared to advance to more complex leadership instruction concerning the dynamics of organizations. This course is open to freshman and sophomore students. Prerequisite: MIL 101. 3 credits at Providence College (these credits will transfer to applicable JWU courses).

MIL 201 PRINCIPLES OF MILITARY LEADERSHIP I WITH LAB
This course contains the principal leadership instruction of the Basic Program. Building upon the fundamentals introduced in the MIL 101-102 courses, this instruction delves into several aspects of communication and leadership theory. The use of practical exercises is significantly increased over previous semesters. Cadets are required to apply communications and leadership concepts. Virtually the entire semester teaches critical “life skills” which are relevant to their future success in the Army. The semester concludes with a major leadership and problem-solving case study which draws on virtually all of the classroom instruction received during the first three semesters of the Basic Program. This course additionally includes a Leadership Lab which will reinforce the lessons learned in the classroom. Upon completion of this course, cadets should be well grounded in the fundamental principles of leadership and be prepared to intensify the practical application of their studies during the MS-III year. This course is open to sophomore students. Prerequisite: MIL 102. 3 credits at Providence College (these credits will transfer to applicable JWU courses).

MIL 203 PRINCIPLES OF MILITARY LEADERSHIP II WITH LAB
The final semester of the Basic Program focuses principally on officereship, providing an extensive examination of the unique purpose, roles, and obligations of commissioned officers. It includes a detailed look at the origin of our institutional values and their practical application in decision making and leadership. At the core of this semester is the Basic Course’s Capstone Case Study in Officereship. This five-lesson exercise traces the Army’s successes and failures as it evolved from the Vietnam War to the present, placing previous lessons on leadership and officereship in a real-world context that directly affects the future of the cadets. This semester, more than any before it, draws on the various components of values, communications, decision making, and leadership together to focus on a career as a commissioned officer. This course additionally includes a Leadership Lab which will reinforce the lessons learned in the classroom. Upon completion of this semester, cadets should possess a fundamental understanding of both leadership and officership, demonstrate the ability to apply this understanding in real-world situations, and be excited about the aspect of shouldering the responsibilities of a commissioned officer in the United States Army. This course is open to sophomore students. Prerequisite: MIL 201. 3 credits at Providence College (these credits will transfer to applicable JWU courses).

MIL 301 SMALL UNIT LEADERSHIP I WITH LAB
The Advanced Course accepts cadets with various levels of leadership competencies gained through life experiences and complemented by the ROTC Basic Course. The instructional content and activities in the MIL 300-level curriculum are intended to build leadership and facilitate the cadet’s initial demonstration of individual leadership potential at Advanced Camp, while also preparing cadets for their future responsibilities as officers. Because Advanced Camp uses small-unit infantry tactics as the context for the development and assessment of leadership, MIL 300-level instruction uses the same context. While a measure of technical and tactical understanding of small-unit operations is necessary, the focus of the instruction is on leadership. Much of the application and assessment of MIL 300-level leadership instruction will be conducted using the Leadership Development Program (LDP) for out-of-class activities: leadership positions during labs and unit operations. Instruction in principles of war and purposes, fundamentals, and characteristics of the defense provide the necessary knowledge base for treatment of the Troop Leading Procedures (TLP), Instruction in the decision-making, planning, and execution processes of the TLP are followed by a refocus on the critical leadership task of communicating the plan using the Operations Order format. An Advanced Leadership module addresses motivational theory and techniques, the role and actions of leaders, and risk assessment. The semester closes with instruction in small-unit battle drills to facilitate practical application and further leader development during Lab and Squad Situational Training Exercises (STX). This course additionally includes a Leadership Lab which will reinforce the lessons learned in the classroom. Prerequisite: MIL 203.

MIL 302 SMALL UNIT LEADERSHIP II WITH LAB
The final semester of the MS III year continues focusing on doctrinal leadership and tactical operations at the small-unit level. It includes opportunities to plan and conduct individual and collective skill training for offensive operations to gain leadership and tactical experience. This critical semester synthesizes the various components of training, leadership, and team building. Cadets are required to incorporate previous military science instruction from MIL 301 and the Basic Course for their practical application in a performance-oriented environment. Upon completion of MIL 302, cadets will possess the fundamental confidence and competence of leadership in a small-unit setting. The MIL 302 curriculum complements progression through the cadet’s campus evaluation process and in the culminating event of the MS III year in the field-training environment of Advanced Camp. This course additionally includes a Leadership Lab which will reinforce the lessons learned in the classroom. Prerequisite: MIL 301.

MIL 401 LEADERSHIP AND MANAGEMENT I WITH LAB
This semester of the Advanced Course concentrates on leadership, management, and ethics and begins the final transition from cadet to lieutenant. The course focuses cadets, early in the year, on attaining knowledge and proficiency in several critical areas they will need to operate effectively as Army officers. These areas include coordinating activities with staffs, counseling theory and practice within the “Army context”, training management, and ethics. The introduction of these subjects early in the MS IV year has the added benefit of preparing cadets to lead the cadet battalion throughout the remainder of the year. While the proficiency attained in each of these areas will initially be at the apprentice level, cadets will continue to sharpen these skills as they perform their roles as cadet officers in the battalion and after commissioning. At the end of this semester, cadets should possess the fundamental skills, attributes and abilities to operate as competent leaders in the cadet battalion and
confidently communicate to subordinate cadets their preparedness to shoulder the responsibilities entrusted to them. This course additionally includes a Leadership Lab which will reinforce the lessons learned in the classroom. Prerequisite: MIL 302. 3 credits at Providence College (these credits will transfer to applicable JWU courses).

MIL 402 LEADERSHIP AND MANAGEMENT II WITH LAB
The final semester of the Advanced Course focuses on completing the transition from cadet to lieutenant. As a follow-on to the ethics instruction in MIL 401, the course starts with a foundation in the legal aspects of decision making and leadership. The next module reinforces previous instruction on the organization of the Army and introduces how we organize for operations from the tactical to strategic level. This is followed by instruction on administrative and logistical management that will focus on the fundamentals of soldier and unit-level support. The final module that introduces new information focuses on the often confusing process of changing duty stations and reporting to a new unit.

At the core of this semester is the Advanced Course's Capstone Exercise. This 12-lesson exercise will directly reinforce all modules from this semester and will also incorporate and reinforce many learning objectives from modules throughout the entire curriculum. The Capstone Exercise will require the cadets, both individually and collectively, to apply their knowledge to solve problems and confront situations commonly faced by junior officers. Upon completion of this semester, the cadets will be prepared to shoulder the responsibility of being a commissioned officer in the United States Army. This course additionally includes a Leadership Lab which will reinforce the lessons learned in the classroom. Prerequisite: MIL 401. 3 credits at Providence College (these credits will transfer to applicable JWU courses).

International
International students applying to Johnson & Wales University's Adult & Continuing Education programs must provide proof of resident alien status to Adult & Continuing Education Admissions. Those who cannot provide this information should apply to the Johnson & Wales University Day Program. For information on application to the day program, please request an international viewbook/catalog from International Admissions.

English Language Proficiency
Applicants whose native language is not English must provide proof of English proficiency. English language proficiency is required for admission to all programs of study at Johnson & Wales University, regardless of country of citizenship or residency. Students who do not provide proof of English proficiency will be enrolled in the English as a Second Language (ESL) program and registered for ESL classes prior to beginning regular degree studies.

Johnson & Wales University's English as a Second Language (ESL) program allows students to focus on the areas where they need the most improvement, and some advanced-level ESL students may take a regular undergraduate degree class in place of an ESL class which has been exempted because of proficiency in a particular area. This flexibility provides students with the most efficient transition into college.

English Language Placement testing for new ESL students will be given before the beginning of each term. JWU uses the students' scores from this testing to place students into the appropriate level of ESL. The Institutional TOEFL (Test of English Foreign Language) will be also offered to students who score at a high level in their ESL placement tests, to be determined by the English Language Institute’s departmental policy.

English Proficiency Requirements
Johnson & Wales University recognizes the TOEFL (Test of English as a Foreign Language) as proof of English proficiency (p. 99). TOEFL scores must be received as official ETS scores. The Johnson & Wales University Designated Institution (D.I.) code is: 3465. This code should be used on your TOEFL registration form so that your scores will be sent to us directly.

Minimum TOEFL requirements (all levels, undergraduate and graduate) are as follows:
- TOEFL score of 80 (Internet-based or IBT)
- TOEFL score of 550 (pen/paper or PPT)

Individual section scores must also meet minimum score requirements.

Acceptable proof of English proficiency may also include one of the following comparable English proficiency examinations:
- IELTS (Cambridge), Band 6.5
- ELS Level 112 Certificate of Completion and Academic Report
- City & Guilds Pitman ESOL Examinations – Higher Intermediate or Expert Level
- The London Tests of English LTE, Level 4 (Advanced)
- MELAB (Michigan English Language Battery) – 77
- S.T.E.P. Eiken – (Society for Testing English Proficiency) – Grade 1

Other English language examination results will also be considered, and experience studying in the English language, as documented through school transcripts, will be taken into consideration.

To meet English proficiency requirements, all English language examination results must be submitted on an official test transcript that is no more than two years old.

Students may be exempted from individual ESL classes based on their individual TOEFL Test (or equivalent test) section scores. Individual section scores and total scores must also meet minimum score requirements; Johnson & Wales University also reserves the right to require a student to take ESL classes to increase proficiency in a particular area, regardless of total TOEFL or other test scores.

Articulation Agreements
JWU is proud to maintain a variety of international relationships through articulation agreements and transfer equivalencies with institutions and programs that facilitate student transfer to Johnson & Wales University for bachelor’s degree completion. The university is continuously working to develop partnerships with institutions around the world for the purpose of offering diverse educational opportunities for transfer students. Please note that all majors are not offered at each campus, which may affect articulated agreement eligibility. Contact the specific campus Admissions’ Office for more information. International Articulation Agreements include:

- At-Sunrice Global Chef Academy, Singapore
- Barbados Community College, Barbados
- Bermuda College, Bermuda
- CIBT Pilot Program, China
- College of the Bahamas (COB), Bahamas
- Higher Hotel Institute, Cyprus (HHIC)
- Holland College, Canada
- Humber College, Canada – Memorandum of Understanding only
- Hyejeon College, Korea
- Imperial Hotel Management College, Canada
- Kolej Damansara Utama (KDU), Malaysia
- Kimpo College, Korea
- Les Roches, Switzerland
- MSA Istanbul, Turkey
- Nanjing University, China
- Ott College, Argentina
- Peking University Resource College (HND), China
- School of Education & Training at Renmin University of China (HND), China
- SHATEC Institute, Singapore
- Sir Arthur Lewis Community College (SLGCC), St. Lucia
- Taylor's University College, Malaysia
- Trinidad & Tobago Hospitality & Tourism Institute (TTHTI), Trinidad & Tobago
- Turks and Caicos Islands Community College (TCCIC), Turks & Caicos Islands
- Woosong University, Korea

In addition, JWU recognizes and grants transfer credit exemptions for a number of diplomas and qualifications provided by accredited colleges, universities and educational organizations throughout the world. These include:
- Abitur, Germany
• ACT Education Solutions Ltd. — Global Assessment Certificate (GAC)
• Cambridge International Examinations, UK – Advanced/Advanced Subsidiary (A/AS Level), Pre-U Certificate
• Caribbean Examinations Council — Advanced Proficiency Examinations (CAPE)
• Edexcel International - Higher National Diploma, Business & Technology Education Council (HND, BTEC)
• Educational Institute of the American Hotel & Lodging Association (E.I. of AH&LA)
• Faile Ireland, National Tourism Development Authority, Ireland — Certificate in Professional Cookery
• Hotelfachschule, Germany
• Industrie — und Handleskammer (IHK), Germany — Professional Diplomas in Culinary Arts, Hotel Management, Restaurant Management
• International Baccalaureate Organization — International Baccalaureate (IB)
• National Council for Hotel Management and Catering Technology (NCHMCT, formerly IHMCTAN), India — Hotel Management Diploma
• Scottish Qualification Authority (SQA), UK - Higher National Diploma (HND)
• Technical & Vocational Training Corporation (TVTC, formerly Gotevot), Kingdom of Saudi Arabia

Placement Testing (non-credit, no fees)

Mathematics and English
These tests are administered to all new undergraduate students, including transfer students, prior to term start. Transfer students may be exempt from placement testing if transfer credit has been awarded for the appropriate mathematics and English courses.

Modern Languages
All undergraduate students who have studied more than one year of French, German or Spanish are required to take a placement exam. The placement exam will be scheduled at the beginning of each term. Students whose placement score indicates they have met a particular level of language proficiency will not be required to enroll in that language level. Students placing out of a required level of a language will be given the option to apply for the Departmental Challenge Examination to earn these credits (fees apply) or replace these credits with Arts & Science electives.

Academic Support & Disability Accommodations
Students with a documented disability requiring special accommodations must forward documentation to the Center for Academic Support at least two weeks prior to placement testing to ensure that accommodations can be made. No accommodations will be provided without appropriate documentation submitted prior to testing. Students who have already participated in placement testing and submit appropriate documentation will have the opportunity to retest with the accommodations in place.

Learning Assessment
For annual examination schedules with examination dates and application deadlines, refer to the university’s Standardized Testing and Prior Learning Assessment Brochure. This brochure may be obtained from Student Academic & Financial Services.

In all cases, the academic department determines policy as it relates to the testing options for each course in the department. Several options may be available to students, and it is recommended that students seek the advice of an academic counselor.

Policies for Portfolio Assessment, Challenge and CLEP Examinations:
1. Portfolio Assessment and Challenge Examinations cannot be repeated if failed.
2. CLEP Exams, if failed, can be repeated in six months.
3. Portfolio Assessment, CLEP Exams and Challenge Exams may not be substituted for a class previously failed or one where a withdrawal (W) or a withdrawal/fail (WF) grade has been issued. They may not be substituted for a class previously taken or a class in which the student is presently scheduled.
4. The standardized examinations or portfolios mentioned above must fall within the residency requirement for each degree.

5. Seminar, application and processing fees are nonrefundable.
6. The university recognizes up to a maximum of 45 quarter credits earned through Prior Learning Assessment.
7. Students must present a valid picture ID when testing.

After being determined eligible to test or enroll in a seminar, students will be notified by email of the time and location of their test or seminar. The Standardized Testing and Prior Learning Assessment Brochure listing course options may be obtained from Student Academic & Financial Services. For additional policies/information for Portfolio, Challenge and CLEP options, refer to the brochure.

Portfolio Assessment
(for credit, with fees)
Undergraduate students may earn credits for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel programs, organizations or other comparable sources.

To apply for a Portfolio Assessment, students must meet the university’s residency requirements and complete the Portfolio Development non-credit seminar. This seminar will meet for three two-hour sessions. Students must discuss this option with an academic counselor before they are eligible to enroll.

The seminar assists students with the development of a portfolio that describes and documents how the learning took place. The completed portfolio is submitted to the appropriate department designee for review. The assessor will review the portfolio and either validate the student’s learning by awarding college credits, request additional information, or deny the request for credits. Portfolios will not be returned to the students; they become property of the university.

Once the seminar is completed, eligible students, in consultation with an academic counselor, may submit additional portfolios. Refer to the Standardized Testing and Prior Learning Assessment Brochure, available at Student Academic & Financial Services for more information on required fees.

CLEP Examination
(for credit, with fees)
The College-Level Examination Program of the College Board tests are widely accepted national examinations in various subjects. The American Council on Education’s recommended score is required to earn credit. JWU subject equivalencies are determined by each academic department for each exam. These exams are treated as transfer credit. JWU is a national CLEP examination site. Consult the CLEP application for required fees.

Departmental Challenge Examination
(credit by examination: for credit, with fees)
Departmental exams may be taken for specifically designated courses within a department. Because of previous academic and/or work experience, all matriculating students may request such an exam when they feel they have completed the requirements of a specific JWU course. Some testing options require specific criteria in order to take tests. Refer to the Standardized Testing and Prior Learning Assessment Brochure, available at Student Academic & Financial Services, for criteria and fees.

Advanced Culinary Arts Program (ACAP — for credit, with fees)
Prospective students who possess advanced knowledge and skills in these food-related areas may apply for the Culinary Arts or Baking & Pastry Arts Advanced Standing Examination. The results of the examination are considered in addition to academic records and a letter of recommendation from a food-related employer and/or teacher.

It is generally recommended that applicants have two to five years of full-service documented professional work experience.

Upon successful completion of the ACAP examination, students will be provided with the opportunity to accelerate their program of study by one term and earn 13.5 quarter credits in place of their internship requirement.
Students must be accepted for admission to Johnson & Wales University prior to applying for Advanced Standing. Contact Adult & Continuing Education Admissions for further information.
Financing Your Education

This section of the catalog contains information on tuition and fees, financial policies and obligations, financial aid and payment options. There is also information on loans, grants, scholarships and work programs for eligible students depending on campus and degree program.

Tuition & Fees

<table>
<thead>
<tr>
<th>Tuition</th>
<th>Fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>General studies courses</td>
<td>$172 per quarter credit hour</td>
</tr>
<tr>
<td>Internship</td>
<td>$346 per quarter credit hour</td>
</tr>
<tr>
<td>Laboratory courses</td>
<td>$346 per quarter credit hour</td>
</tr>
</tbody>
</table>

Disciplines CUL (Culinary Arts) and BPA (Baking & Pastry Arts) mostly designate laboratory courses.

Tuition is applicable to all students, including those on approved off-campus programs. For purposes of financial aid eligibility, full-time status is determined on a term basis and consists of a minimum of 12 quarter credit hours per term. When repeating courses already attempted, students may be assessed a fee for those courses. Students are fee assessed tuition upon course registration each term. Summer is considered a separate term.

Other Fees

Student Accident Insurance

Culinary arts continuing education students are covered for accident only under Johnson & Wales University’s Accident Only plan during terms in which they are actively enrolled. No other continuing education students are covered by any university accident and/or sickness insurance plans. This does not include the summer term. Insurance brochures are available at several locations throughout the university. Refer to the insurance brochure or go to University Health Plans website (http://www.universityhealthplans.com) for a definition of the effective date of coverage, policy limits, policy termination and the opportunity to continue coverage over the summer. Online courses do not fulfill this requirement.

Books and Supplies

The cost of books and supplies is approximately $1,800 per academic year. These costs are not applied to the student’s invoice. Books and supplies must be paid for at the university’s bookstores at the time of purchase. The bookstores operate a textbook sales/buy-back program to help students minimize these costs.

General Transportation Expenses

The cost of attendance includes a reasonable transportation allowance. These costs are determined annually by the university and are not applied to the student’s invoice.

Payment Options

Annual Payments

The student may make one payment in full for the entire academic year. Students are responsible for paying all charges in full or making appropriate arrangements by the published due date of August 10, 2012.

Term Payments

Students may choose to make three payments a year, which are payable by the published due dates established prior to each term. The due date for September 2012 is August 10, 2012.

Monthly Payments

Students may choose to pay the annual amount due in convenient monthly payments. This option is available through Tuition Management Systems (TMS) (https://www.afford.com). There is an enrollment fee to participate. Most plans are essentially interest free, but some accounts may incur late fees, reinstatement fees or other fees. Students interested in this option must contract with TMS and pay the first payment, in addition to the enrollment fee, by the published due date of August 10, 2012.

All Johnson & Wales University students must fulfill their financial obligations to the university by the published due date of August 10, 2012 (all off-term entrants must meet the financial obligation by the published date for that term).

To meet your financial obligation you must do one of the following by the published due date:

- Make a full term payment.
- Contract with TMS and pay the first monthly payment, as well as the enrollment fee.
- Have an approved loan which covers the annual balance.
- Have an approved payment plan with Student Academic & Financial Services using a combination of the above options.

If you do not fulfill your financial obligation by the published due date, your housing assignment may be removed. In addition, your class schedule for the 2012–2013 academic year may also be revoked.

Refund Policies

General Policy

To the extent that any charges due to the university remain unpaid, no refund check will be issued. No tuition will be assessed for terms that the student does not begin. Students who withdraw from the university prior to the end of the academic year may have their financial aid adjusted. The distribution formula for refunds to the Federal Student Financial Aid program will be calculated according to federal regulations. The university’s Withdrawal Credit Policy applies to all withdrawals from the university, voluntary or involuntary.

Term charges are subject to the university’s Withdrawal Credit Policy upon withdrawal from the university. Term charges are defined as tuition. Tuition is applicable to all students, including those on approved off-campus programs including study abroad and internships. The official notice of withdrawal from the university may be done in person or by written notification through Student Academic & Financial Services. Refunds are calculated by the date of termination which is based on the date Student Academic & Financial Services receives notification of withdrawal from the student or faculty member. Any refund due will be issued within 45 days after the date that the university was first notified of the withdrawal.

Unofficial Withdrawal Policy

The federal regulations require that students who begin attendance but fail to earn a passing grade in at least one course in any term and who do not officially withdraw shall be considered as having unofficially withdrawn from the university unless the university can document that the student completed at least 60 percent of the period of enrollment and earned the grade of “F.” A student must be engaged in academically related activities beyond the 60 percent of the enrollment period in order to retain eligibility for federal, institutional and external financial aid. If a student was not engaged in academically related activities beyond the 60 percent, they will be assigned a withdrawal date based on the last date of an academically related activity. All other instances when a student withdraws without providing official notification will be the 60 percent point of the period of enrollment, as applicable. A student who does not earn at least one passing grade during a term for which federal funds were disbursed will have a Return of Title IV Funds calculation performed to determine how much of the federal funds were earned. Unearned federal funds must be returned to the source, in most cases with a charge to the student’s university account.

University enrollment disputes must be submitted online within 30 days after the end of the term during which the student was enrolled. To submit a dispute, students must complete the appropriate form online (http://www.jwu.edu/sas). (Select your campus and then select Forms.) No adjustments to tuition or financial aid will be made until the dispute is researched and either approved or denied. No disputes will be considered after 30 days from the end of the term in which the student was enrolled. Decisions will be made within 10 business days and students will receive notification via the email address provided on the dispute form.

Refund Policy for Georgia Residents

The following refund policy is applicable to prospective students and students attending Johnson & Wales University who are legal residents of the state of Georgia.
• An accepted applicant will receive a refund of any amount paid to the university with respect to a term if, prior to the commencement of classes for that term, he or she makes a request for a refund to Student Academic & Financial Services within three business days after making the payment.
• A student who provides official notice of withdrawal following the commencement of the academic term will receive a pro rata refund of tuition and fees* (other than the orientation fee which is used for the purposes of orientation) as follows:

<table>
<thead>
<tr>
<th>Percent of total class days in the academic term elapsed prior to date of official notice of withdrawal</th>
<th>Refund of tuition and fees</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 day–5%</td>
<td>95%</td>
</tr>
<tr>
<td>6–10%</td>
<td>90%</td>
</tr>
<tr>
<td>11–25%</td>
<td>75%</td>
</tr>
<tr>
<td>26–50%</td>
<td>50%</td>
</tr>
<tr>
<td>More than 50%</td>
<td>No refund</td>
</tr>
</tbody>
</table>

* In the event that a refund is made under this policy, all institutional aid/scholarships for that term will be adjusted on a pro rata basis based upon the applicable refund.

Official notice of withdrawal must be made by a student under this policy in person or by written notification to Student Academic & Financial Services. The date of an official notice of withdrawal is the date that it is received by Student Academic & Financial Services.

Refunds are paid to students within 30 days of the official notice of withdrawal.

• In the event that the University Withdrawal Credit Policy is more favorable than this Refund Policy for Georgia Residents, the university will refund to the student the greater amount in accordance with the university Withdrawal Credit Policy.

Notice Regarding Georgia Nonpublic Postsecondary Education Commission (NPEC) Student Complaint Process

Any person/student claiming damage or loss against Johnson & Wales University may file a verified complaint with the executive director of NPEC after going through the university Complaints and Grievances process. The complaint must contain a detailed description of the claim, including dates, times, and full names of all involved. Verification means that the complaint must be signed by the student/person filing the complaint and notarized, and state that the matters set forth in the complaint are true and correct. The complaint shall be investigated by the appropriate Standards Administrator (SA) of NPEC. The SA shall attempt to resolve the complaint between the university and the student. If the complaint cannot be resolved, the SA will issue a decision and inform each party that either has a right to request a hearing in writing before the executive director of NPEC within 10 days of receipt of the SA’s decision. The executive director may set a date and time for a hearing which shall be delivered to both parties by certified mail.

University Withdrawal Credit Policy

If a student terminates during
• the first and second week of the term, the university will credit 90 percent of the term charges.
• the third and fourth week of the term, the university will credit 50 percent of the term charges.
• the fifth and sixth week of the term, the university will credit 25 percent of the term charges.

After the sixth week of the term, students will be responsible for 100 percent of the term charges.

Financial Obligations

Continued enrollment as a student in good standing and certain other student benefits (diplomas, transcripts, etc.) are conditioned upon being current in all financial obligations to the university, including loans in which the university appears as a holder or guarantor.

Financial Planning

The university understands that financing an education can be a very complex process for many students. To assist with this process, financial planning counselors are available to work with students and their families on an individual basis to help them best utilize their own funds and other available resources to meet educational expenses. For more information and assistance call 1-800-343-2565, locally at 401-598-1468 or by email sfs.pvd@jwu.edu.

Federal financial aid is not available to international students. International students must provide sufficient evidence of financial support in order to receive an I-20. The university awards scholarships based on academic merit. International students can contact the EducationUSA advising center in their country to learn more about opportunities for financial assistance.

Financial Aid

Student Financial Services (SFS)

Financial Aid

To assist students in meeting their educational expenses, the federal government offers grants and low-interest loans. Financial aid is awarded on an annual basis and is disbursed in three equal installments (fall/winter/spring).

Financial Aid Programs

Grants and loans are financial aid resources available to students. Students may receive assistance from one or both of these funds. Student eligibility for these programs is based on completion and submission of the form(s) described in the How to Apply (p. 103) section. Since awards are not automatically renewable, students must reapply each year. All financial aid awards are determined based on an academic year (fall/winter/spring terms). Financial aid awards are disbursed based on this term system, which equates to three disbursements. All annual awards are posted in three equal amounts. Federal loan programs are applied to the student’s account with the university in equal disbursements per term based on the loan period and the student’s entrance date.

How to Apply

To be considered for financial assistance, complete the steps listed below and submit all required documentation as soon as possible after January 1. Students must reapply for financial aid each year. Student Academic & Financial Services holds all information in strict confidence.

1. Personal Identification Number (PIN)

Students and their parents can apply for a PIN at www.pin.ed.gov (http://www.pin.ed.gov). The PIN allows students and parents to sign the FAFSA electronically and to correct previously processed FAFSA information online. Both the student and at least one parent must apply for a PIN.

2. Free Application for Federal Student Aid (FAFSA)

The Free Application for Federal Student Aid (http://www.fafsa.ed.gov) is available online. This form must be completed as soon as possible after January 1.

The information for financial assistance is then processed by the Federal Processor and sent to Student Academic & Financial Services at the university. The FAFSA code for JWU is 003404.

3. Independent Students

To be considered independent for financial aid purposes for the 2012–2013 academic year, students must answer yes to one of the following questions:

1. Were you born before January 1, 1989?
2. As of today, are you married? (Answer yes if you are separated, but not divorced.)
3. At the beginning of the 2012–2013 school year, will you be working on a master’s or doctorate program (such as an M.A., MBA, M.D., J.D., Ph.D., Ed.D. or graduate certificate, etc.)?
4. Are you currently serving on active duty in the U.S. Armed Forces for purposes other than training?
5. Are you a veteran of the U.S. Armed Forces?
6. Do you have children who will receive more than half of their support from you between July 1, 2012 and June 30, 2013?
7. Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2013?
8. At any time since you turned 13, were both your parents deceased, were you in foster care or were you a dependent/ward of the court?
9. As determined by a court in your state of legal residence, are you or were you an emancipated minor?
10. As determined by a court in your state of legal residence, are you or were you in legal guardianship?
11. At any time on or after July 1, 2011, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless?
12. At any time on or after July 1, 2011, did the director of an emergency shelter program funded by the U.S. Department of Housing and Urban Development determine that you were an unaccompanied youth who was homeless?
13. At any time on or after July 1, 2011, did the director of a runaway or homeless youth basic center or transitional living program determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?

Students who cannot answer yes to one of the above questions are considered dependent and must complete their Free Application for Federal Student Aid as a dependent student by providing both parent and student information. Please feel free to contact Student Academic & Financial Services with any questions.

4. Verification and Other Documentation

Student Academic & Financial Services may request additional documentation to verify information provided on the FAFSA (i.e. verification worksheet and untaxed income worksheet). The student and his/her parents may be required to submit signed and dated copies of their Tax Return Transcript. The transcript can be obtained online at www.irs.gov or by calling 1-800-908-9946. The student’s financial aid package will not be complete until all requested documentation has been received and reviewed by Financial Aid. In addition, all student loan borrowers must attend an entrance and exit counseling session during which the student will be advised on his/her loan obligations.

Student Eligibility Requirements

Financial aid will be distributed to the student based upon the student’s financial need. All students seeking financial assistance must file a FAFSA with the Federal Processor. The FAFSA form is used to determine the student’s financial need. Financial need is the difference between the cost of the student’s education (tuition and fees, room and board, books and supplies, transportation and personal expenses) and the total contribution expected from the student and his/her family. The student's total family contribution is based on an analysis of the information which the student and/or parent supplied on the FAFSA. Some of the items considered are total family income, assets, the number of people in the household, the number of siblings in college, and the student’s own resources, such as earnings, savings, and untaxed income which the student may receive. Johnson & Wales University also considers these items when determining eligibility for university funds.

Federal Grants and Loans

Federal Pell Grant

The Federal Pell Grant is a federally funded entitlement program to assist needy undergraduate students. Eligibility for these grants is determined by the U.S. Department of Education based on the information provided on the FAFSA. Pell recipients can attend at less than half-time status and remain eligible for a portion of their Pell Grant. Students with a previous bachelor’s degree are not eligible for a Federal Pell Grant.

The maximum, full time, Pell Grant award for the 2011–12 award year (July 1, 2011 to June 30, 2012) was $5,550. The maximum Pell Grant award can change each award year and depends on program funding. Further information may be obtained by visiting the website of the U.S. Department of Education (http://studentaid.ed.gov).

Federal Supplemental Educational Opportunity Grant (SEOG)

This federally funded program provides financial assistance to students who demonstrate exceptional financial need. Johnson & Wales University awards $100 based on financial need and the availability of funds. Students with a previous bachelor’s degree are not eligible for a Federal Supplemental Educational Opportunity Grant.

Federal Perkins Loan

This low-interest loan is funded by the federal government and administered directly by the university. Master Promissory Notes for this loan are available (http://www.jwu.edu/financialaid). (Select “Forms & Applications.”) Students may borrow up to $1,000 for each year of undergraduate study (the total a student can borrow as an undergraduate is $20,000). However, the amount a student may borrow may be less than the maximum available. The university is authorized to award a certain amount of Perkins funds each year from the U.S. Department of Education. When all available funds for that award year have been distributed, no additional award funds can be made for that year.

The amount a student will receive depends on financial need and the availability of funds.

Students must begin to repay this loan nine months after they leave the university or drop below half-time status. The repayment of principal and interest may be extended over a 10-year period. The amount of each payment depends upon the amount of the student’s debt and the length of the student’s repayment period.

Federal Work-Study Program

Federal Work-Study is a federally funded program that provides part-time employment to students with financial need. Positions are available throughout the university and with selected off-campus community service agencies.

Work-study gives students the opportunity to earn money to help pay educational expenses. Students are paid an hourly rate for actual hours worked. The amount earned cannot exceed the total work-study award. Work-study funds are paid biweekly directly to the student; therefore, funds will not be applied to the student’s account unless arrangements are made with Student Academic & Financial Services.

William D. Ford Federal Direct Subsidized Stafford Loan

This loan program provides low-interest loans to students who demonstrate financial need. First-time borrowers are required to complete a Master Promissory Note and an entrance interview. Both of these requirements can be completed online (https://studentloans.gov).

Students may borrow up to a maximum of $3,500 per academic year as freshmen for the first year of undergraduate study, $4,500 for the second year as sophomores, and $5,500 per year for the third and fourth years as juniors and seniors. The student must begin repayment six months after he/she leaves the university or drops below half-time status. The interest on the loan is not subsidized during the student’s six month grace period. The amount of the student’s monthly payment will be determined based upon the amount of student debt and the length of the repayment period. Please contact Direct Lending at 1-800-557-7394 for more information on repayment options.

William D. Ford Federal Direct Unsubsidized Stafford Loan

Like the Direct Subsidized Stafford Loan program, this Direct Unsubsidized Stafford Loan program also offers low-interest loans to students. While most of the loan terms are the same as the Subsidized Loan program, there are several major differences:

1. students do not have to demonstrate financial need to receive a Direct Unsubsidized Stafford Loan, and
2. the federal government does not pay interest on the borrower’s behalf while the borrower is enrolled in school.

During that time, the student borrower can choose between making quarterly interest payments or “capitalizing” interest. “Capitalizing” interest means that the lender will add interest accrued to the principal balance. This will eliminate the need for interest payments while in school, but will result in a larger principal amount owed upon repayment.

Increased Unsubsidized Stafford Limits for Independent Students and Dependent Students Whose Parents Don’t Qualify for a PLUS loan

There are higher additional unsubsidized annual loan limits for independent undergraduate students. These higher additional unsubsidized loan limits also apply to dependent undergraduate students whose parents are unable to borrow PLUS loans due to adverse credit or other documented exceptional circumstances.
• $3,500 combined subsidized and/or unsubsidized plus $6,000 additional unsubsidized for independent first-year undergraduates;
• $4,500 combined subsidized and/or unsubsidized plus $6,000 additional unsubsidized for independent second-year undergraduates; and
• $5,500 combined subsidized and/or unsubsidized plus $7,000 additional unsubsidized for independent third-, fourth- or fifth-year undergraduates.

Subsidized Total (Subsidized and Unsubsidized)

Dependent Undergraduates (excluding dependent students whose parents don’t qualify for a PLUS)

</tr>
<tr>
<td>Third Year and Beyond; junior, senior</td>
<td>$5,500 - $12,500</td>
</tr>
</tbody>
</table>

Note: All undergraduate annual loan amounts are subject to proration.

Please note that a student/borrower remains responsible for the repayment of educational loans that he/she borrows even if the student is not successful in completing the educational program and/or obtaining employment.

No student is required to apply for, or accept, any particular type of financial aid.

Johnson & Wales University participates in the William D. Ford Federal Direct Loan Program. All Direct Stafford Loans and parent PLUS loans will be borrowed from the U.S. Department of Education.

Please note that the loan information described in this catalog is based upon the available information as of the date of the production of this catalog. Updated information regarding federal grants and loans may be obtained by visiting the U.S. Department of Education (http://studentaid.ed.gov) website.

Applications for these loans are available in Student Academic & Financial Services or on the Direct Lending (https://studentloans.gov) website.

Aid from these programs is awarded on the basis of financial need. In order to receive maximum consideration for financial assistance, it is recommended that the student apply as soon as possible after January 1. The award process for first-year students begins in March of each academic year. Renewal of financial aid is not automatic. Recipients are required to reapply each year by the announced deadline.

To be eligible for these programs, students must meet the following criteria:

1. demonstrate financial need;
2. maintain satisfactory academic progress (financial aid will be suspended until satisfactory academic progress is again achieved);
3. be enrolled in an eligible degree or certificate program;
4. be enrolled on at least a half-time (at least 6.0 quarter credit hours) basis (students enrolled on a less-than-full-time basis may have their financial aid reduced; some students enrolled on a less-than-half-time basis may qualify for a Federal Pell Grant);
5. be a U.S. citizen, permanent resident, or eligible non-citizen;
6. not owe a refund on a Federal Pell Grant or be in default on a Federal Perkins Loan, Federal Subsidized Stafford Loan, Federal Unsubsidized Stafford Loan, Parent Loan for Undergraduate Students (PLUS) or Supplemental Loan for Students (SLS); and
7. sign a Statement of Educational Purpose, a Statement of Registration Status and a Statement on Overpayments and Defaults.

Students are eligible to receive financial aid as long as they maintain Satisfactory Academic Progress (SAP) as defined in the SAP (p. 105) section of this catalog, and in the Providence Campus Student Handbook. Students who fail to maintain satisfactory academic standing will be notified by Student Academic & Financial Services. All financial aid will be suspended until satisfactory academic progress is again achieved.

Return of Title IV Funds (federal aid)

When a student withdraws (or becomes withdrawn) during a payment period or period of enrollment, the amount of student financial aid program assistance earned is determined by a specific formula. If the student receives (or the university receives on the student's behalf) less assistance than the amount earned, the student may be able to receive those additional funds. Students who received more assistance than what they earned must return the excess funds.

The amount of federal assistance earned is determined on a pro-rata basis. That is, if a student completes 30 percent of the payment period or period of enrollment, the student earns 30 percent of the federal assistance he or she was originally scheduled to receive. Once the student completes more than 60 percent of the payment period or period of enrollment, the student earns all scheduled federal assistance.

The student’s loan monies (subsidized, unsubsidized and PLUS) must be on record with the Department of Education before the student’s last day of attendance in order for the money to be considered within the formula. If the student is eligible for a post-withdrawal disbursement, a written notice will be mailed requesting the consent of the borrower to post the funds to the student’s account. The amount of institutional assistance earned is based on the week that the student withdraws from the university and follows the percentage the university credits the student’s charges.

If a student receives excess funds that must be returned, Johnson & Wales University must return a portion of the excess, equal to the lesser of:

• the student’s institutional charges multiplied by the unearned percentage of the student’s funds
• the entire amount of the excess funds

If the university is not required to return all excess funds, the student must return the remaining amount. Any loan funds that the student must return, must be repaid by the student (or his or her parents for a PLUS Loan) in accordance with the terms of the promissory note.

If a student is responsible for returning grant funds, the student does not have to return the full amount. Students are not required to return 50 percent of the grant assistance received that is the student’s responsibility to pay. Any amount not returned is a grant overpayment and the student must make arrangements with the university or Department of Education to return the funds.

Federal regulations establish the following allocation for students who receive Title IV, HEA program funds:

A refund owed to a student who received funds under any Title IV, HEA program will be returned to the Title IV, HEA programs from which the student received aid in the following order until the amounts received by the student from these programs is eliminated: the Unsubsidized/Subsidized Stafford Loan, the Perkins Loan, the Parent PLUS Loan, the Pell Grant, the FSEOG program, all other sources of aid.

State Grants

Students from the following states may be eligible for state grant money:

• Connecticut
• Delaware
• Maine
• Massachusetts
• Pennsylvania
• Rhode Island
• Vermont

Contact the higher education authority in your home state for more information.

Academic Progress

Satisfactory Academic Progress

To be eligible for financial aid, all students must satisfy Satisfactory Academic Progress (SAP), which is required by federal law. SAP measures a student’s completion of course work toward a degree. JWU evaluates SAP at the end of each term, including summer, for each student. Students who do not meet all SAP criteria may lose their eligibility to receive all types of financial aid (e.g.,
federal, state, private, institutional and other aid). Students will be notified of the decision both verbally and in writing.

**Maximum Time Frame Criteria**
Completion of undergraduate or graduate programs cannot exceed 150 percent of the published length of the program measured in credit hours attempted as determined by the student’s program requirements.

**Pace Measure of Academic Progress Criteria**
- Students must complete a specified percentage of all credit hours attempted, see below.
- This percentage includes all credit hours attempted regardless of whether or not financial aid was received.
- This pace measurement is calculated by dividing the cumulative number of hours that the student has successfully completed by the cumulative number of hours that the student has attempted.
- Credits attempted are defined as all classes for which a student receives a grade (“D” or better), or an F, I, W, WP, WF, NC, GP, S, U, PL, CX, NG, AU etc.
- All transfer credit hours accepted from another institution towards the student’s educational program at JWU will be counted as both attempted and completed hours.
- The student’s GPA and pace of completion are negatively impacted by course incompletes, withdrawals, failures or repetitions (incompletes, failures and withdrawals count in attempted credits, but not completed).

**Grade Point Average Criteria**
- All undergraduate and graduate students must maintain a minimum Grade Point Average (GPA).
- The student’s cumulative GPA for financial aid eligibility must be calculated on all grades received.
- All students, regardless of their enrollment status (e.g., full or part time), must meet the following minimum academic standards to remain eligible for financial aid.

<table>

</table>

**Warning Period**
Students who fail to meet SAP criteria will be placed on financial aid warning for one academic term and a hold will be placed on the student’s record which will prevent them from course registration for all future terms. Students remain eligible for financial aid during the warning term. If SAP criteria are not satisfied at the end of the warning term, the student will be ineligible for financial aid. Students on warning must meet with an academic counselor to clear the hold prior to course registration, and/or to pursue an appeal. Students on warning must submit their appeal and supporting documentation before the eighth week of the warning term.

**Ineligible for Financial Aid Period**
Students who fail to meet SAP criteria after the warning period are ineligible for financial aid. If the student does not have an approved appeal, the student is no longer eligible for financial aid. Students may continue to take courses without financial aid to re-establish SAP standards; however, a payment plan must be established for the tuition and applicable fees associated with the course(s). Once a student is meeting JWU’s minimum SAP standards, he/she may regain financial aid eligibility. Students who are interested in reestablising aid eligibility should meet with an academic counselor to determine what they would need to do to meet JWU minimum SAP standards.

**Appeal Process/Probationary Period**
If extenuating circumstances impacted successful adherence to SAP criteria, the student may pursue an appeal. The appeal will require the student to indicate why he/she did not make SAP and what has changed in the student’s situation that will allow the student to demonstrate SAP by the next term. Circumstances and required documentation are illustrated below. The appeal process begins with the student’s academic counselor in Student Academic Services. If an academic plan can be created that allows the student to meet SAP criteria within two terms, the counselor will present it to the appeals committee. Appeals must include complete documentation and are reviewed during the warning period; incomplete appeals will be denied. Appeal decisions are final. Students will be notified of the decision both verbally and in writing. This notification will take place after final grades are reviewed for the warning period.

If an appeal is approved, the student will be placed on an Financial Aid Probation Period, which is a status assigned by JWU to a student who fails to make SAP and who has successfully appealed and has had eligibility for financial aid reinstated. To continue receiving financial aid, the student will need to satisfy both the academic plan as outlined in their appeal and the SAP criteria.

Student Services

Student Services at JWU provides professional support for students across various aspects of campus life, from academic support to meals and housing, health services, and student clubs and organizations. Click on a topic to view specific information.

Academic Support

The Center for Academic Support offers a variety of services to assist each student in preparation for graduation and career placement. The center's goals are to support students in their efforts to develop and maximize their talents, empower them to direct their own learning, and lead them to pathways of success. With emphasis on success, graduates acquire lifelong behaviors and attitudes which are recognized by employers.

Services Offered

- The Learning Center — individual, group, peer and professional tutoring
- Supplemental instruction
- Workshops in stress management, time management, test-taking strategies and other learning strategies
- Accommodations for students with disabilities with appropriate documentation as described below.

The Center for Academic Support complements students' academic and technical training by sharpening their ability to position themselves in today's competitive marketplace. This is accomplished with programs centered around personal and career success.

Learning Centers

The Learning Center in the John Hazen White Center on the Downcity Campus offers students academic assistance in business, hospitality, technology and arts & sciences courses. Writing assistance is also provided, including tutoring for all types of written projects, study skills remediation, and help in researching and designing papers. Tutoring in all first-year courses and most upper-level courses is available.

The Learning Center in The Friedman Center on the Harborside Campus offers students individualized and/or small group tutoring in culinary and pastry laboratory and academic classes, as well as in study skills. Writing laboratories for undergraduate students are available, including tutoring for all types of written projects, study skills remediation, and help in researching and designing papers.

Contact the Learning Center for more information:
- Downcity 401-598-1485
- Harborside 401-598-1703

Tutorial Assistance

The university provides tutorial assistance through the Center for Academic Support. Students are urged to take the initiative in seeking out-of-class help during faculty office hours as well as in the Learning Center.

In addition, peer and professional tutoring is available in math, accounting, writing skills, most major courses and study strategies. Tutors, directed by a learning skills professional, provide individual and/or group sessions as student needs and resources dictate.

Students with Disabilities

JWU is dedicated to providing reasonable accommodations to allow students with learning, physical or other disabilities the opportunity to succeed in academic pursuits. While maintaining the highest academic integrity, the university strives to balance scholarship with support services which will assist students with disabilities in succeeding in the university's academic environment.

Because some programs of study at the university have technical standards (p. 97) that must be met for participation in their academic programs. All College of Culinary Arts programs and some Hospitality College programs include the requirement that the student, with or without reasonable accommodations, must be able to safely and effectively test and evaluate the taste, appearance, texture and aroma of food and beverage products, and maneuver in professional or commercial kitchens, dining rooms and related facilities.

If you are an applicant with a food allergy who has been accepted for admission to JWU who intends to pursue studies in the College of Culinary Arts or The Hospitality College, we strongly urge you to call or visit the Center for Academic Support (401-598-1485) prior to attending your first class to discuss any reasonable accommodations that might be available to you during your academic studies. While the university will provide reasonable accommodations in compliance with applicable law, the university cannot guarantee it will be able to meet all requests for accommodations or remove all allergens from its curriculum.

Health Services

JWU maintains two Health Services (http://www.jwu.edu/content.aspx?id=10320) offices where health care is provided to students — one for the Downcity Campus at Wales Hall and one for the Harborside Campus at the Harborside Recreation Center.

JWU's health services are available to commuting students as well as to residents.

Medical Records

Prior to the first term of enrollment, the university requires all new, full-time undergraduate students — residents and commuters alike — to submit proof of a complete physical exam within the past year, including documented proof of two doses of the MMR vaccine, a tetanus-diptheria booster within the past 10 years, three doses of hepatitis B vaccine, and completion of the chicken pox vaccine series or proof of physician-diagnosed disease. A negative tuberculosis test or chest x-ray within the last year is required for entering students who are from highly endemic countries and have been residents of the United States for less than five years. A list of countries where tuberculosis is highly endemic is available upon request from Health Services.

The hepatitis A and meningococcal meningitis vaccinations are strongly recommended, but not required.
International Services
The main focus of International Student Services (http://www.jwu.edu/content.aspx?id=49664) is to help international students adhere to Department of Homeland Security regulations, maintain their student status and access all the benefits permitted by their student visa status. A variety of other programs and services have also been created to assist students from the moment they enroll in the university until the day they graduate and beyond. International Student Services offers orientation programs and cultural programming for international students and the university community. In addition, information sessions on employment, tax and other cultural adjustment issues are conducted every year.

Orientation
Johnson & Wales University’s orientation program is designed to help students become acquainted with college life and to facilitate a successful experience. Students are introduced to many university administrators, faculty and staff who provide valuable information on academic, student life and university policies. Information about orientation programs and services is mailed to all incoming students.

Parking
In order to park your vehicle on university property, you must have a parking permit. Parking permits are available through the term start/orientation process or you may receive a parking permit from Campus Safety & Security. To receive a parking permit, you must go to Campus Safety & Security and fill out a parking permit application. It is the responsibility of the person applying for the permit to maintain:
• Current university ID
• Valid driver’s license
• Proof of minimum liability insurance
• Valid automobile registration

There is no fee charged to Adult & Continuing Education students for this parking permit. Parking is available in designated university parking lots on a first-come, first-served basis, and there is no guarantee of available space. The parking privilege extended to Adult & Continuing Education students does not apply during daytime business hours. Adult & Continuing Education parking is available in university lots after 5 p.m. Monday through Thursday (Friday for make-up classes) and all day Saturday and Sunday. The university is not responsible for any vehicle or its contents while it is parked on university property.

Policies
Computer and Technology Use Policy
All students are required to comply with the university’s Computer and Technology Use Policy (http://helpdesk.jwu.edu/policies.htm). The university’s Computer and Technology Use Policy prohibits students from uploading, downloading, posting, publishing, transmitting, retaining, reproducing, sharing or distributing in any way information, software, movies, music, books, articles or any other material which is protected by copyright or other proprietary right, without obtaining permission of the owner. Violation of this policy may result in the termination of a student’s access to the Internet via the university’s Internet system and student conduct review actions up to and including dismissal from the university.

In addition, students should be aware that unauthorized distribution of copyrighted material (e.g., songs, music and other materials), such as through peer-to-peer networks, may constitute copyright infringement. Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than $750 and not more than $30,000 per work infringed. For “willful” infringement, a court may award up to $150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to $250,000 per offense. For more information, please see the website of the U.S. Copyright Office (http://www.copyright.gov), especially their FAQs (http://www.copyright.gov/help/faq). Please refer to the Computer and Technology Use Policy for a further description of prohibited activities regarding use of university technology resources.

Drug and Alcohol Policy
In accordance with the Federal Drug-Free Workplace Act and Drug-Free Schools and Communities Act, Johnson & Wales University prohibits the unlawful manufacture, distribution, dispensation, possession or use of narcotics, drugs, other controlled substances or alcohol at the workplace and in the educational setting. Possession or use of alcoholic beverages anywhere on university premises is prohibited except for lawful use at events, operations or programs sanctioned by university officials. Unlawful for these purposes means in violation of federal, state or local statutes, regulations or ordinances. Workplace is defined as either university premises or any place where university business is conducted away from university premises. Educational setting includes both university premises and approved educational sites off campus. Possession or use of illegal drugs, narcotics or drug paraphernalia is absolutely forbidden.

Johnson & Wales is not, and cannot be considered, a protector or sanctuary from the existing laws of the city, state and federal governments. To review the university’s Drug and Alcohol Policy, please see the Student Handbook available at www.jwu.edu.

Safety & Security
Campus Safety & Security (http://www.jwu.edu/providence/safety) is responsible for the enforcement of school policies, security on campus, and providing public safety service for the university’s students, faculty and staff. In addition, Emergency Management provides policy input, planning, exercises and guidance to improve response capabilities in the event of a campus or university emergency. Johnson & Wales University’s Providence Campus & Security is accredited by the International Association of Campus Law Enforcement Administrators Commission.

Incidents of an emergency nature should be reported to the Providence Police at 911, followed by contacting Campus Safety & Security at extension 1103 from a university phone or 401-598-1103 from a non-university phone. Campus Safety & Security issues timely alerts to the campus community, and when necessary, has the ability to issue these timely alerts via an emergency notification mass-messaging system.

Students are encouraged to take advantage of the services and programs listed on our website.

In compliance with the Higher Education Act, Johnson & Wales University publishes an Annual Security Report and an Annual Fire Safety Report.

The Annual Security Report discloses information about campus security policies and statistics concerning reported crimes that occurred on campus, on university-controlled property, and on public property immediately adjacent to campus. The Annual Fire Safety Report discloses information about the campus fire safety policies and procedures and fire statistics for each residence hall. A copy of the reports may be obtained from Campus Safety & Security in person or online (http://www.jwu.edu/providence/safety).

The university maintains a log of all fires that occur in on-campus housing, and a daily log of all reported crimes.

Student Activities
Student Activities (http://www.jwu.edu/content.aspx?id=11598) serves to create and promote diverse environments where students are engaged in opportunities that foster holistic student development through collective leadership and participation in purposeful campus programs and events.

About Student Activities
Student Activities has two locations: in the Citizens Bank Center for Student Involvement at the Downcity Campus and in the Harborside Recreation Center at the Harborside Campus. Some of the programs and services include:
• more than 100 clubs and organizations
• fraternities and sororities/Greek life
• concerts
• leadership institutes, workshops and retreats
• Halloween, Winter and Spring Week events
• spiritual life
• student government
• student-run newspaper, The Campus Herald
• free movies
• campus traditions such as Midnight Madness, One-Ton Sundae, Wildcat Wahoo Carnival and more

Clubs and Organizations
Opportunities abound for students to become engaged on campus and get involved in clubs and organizations at JWU's Providence Campus. See clubs and organizations (http://www.jwu.edu/content.aspx?id=11298) for currently available opportunities. Guidelines for starting a new organization are outlined in the Clubs & Organizations Handbook (http://www.jwu.edu/uploadedFiles/Documents/Student_Life/handbooks/JWUStuLifeClubOrgHandbkPVD.pdf).

Greek Life
Getting involved in Greek life at the Providence Campus is a fantastic way to build a network of resources that last a lifetime. See Greek life (http://www.jwu.edu/content.aspx?id=11084) for currently available sororities and fraternities.

Athletics
Athletics at JWU's Providence Campus serves multiple functions within the campus community in supporting students' needs through intercollegiate, recreational and intramural sports programs, as well as fitness programs and facilities. See Athletics (http://providence.jwuathletics.com/landing/index) for current Athletics program information.

Leadership Development Programs
In addition to academic courses, one of the university's priorities is to equip students to be strong, ethical leaders in industry and in their communities. Working in conjunction with various academic and student affairs departments, Student Activities provides opportunities (http://www.jwu.edu/content.aspx?id=292) for students to complement their classroom education with the leadership knowledge, skills and abilities necessary to succeed in a competitive workplace.
