This catalog is an official publication of Johnson & Wales University. As such, it and any other publications and policies provided on JWU's website are subject to revision at any time. The university reserves the right to add, withdraw or revise any course, program of study, provision or requirement described within the catalog as may be deemed necessary. Occasionally, program requirements will vary by the publication date of the catalog. Requirements stated in the edition published closest to the September enrollment date will take precedence.

Students should read and fully understand the rules, requirements and policies described in this catalog. Additionally, all enrolled students are expected to be familiar with the contents of the Providence Campus Student Handbook. The Providence Campus Student Handbook contains important information regarding academic performance and personal conduct of students as well as university grievance procedures. It also outlines the conditions under which students may be placed on probation or suspension from the university. The Providence Campus Student Handbook (http://catalog.jwu.edu/handbook/providence) is available online. Copies of the Providence Campus Student Handbook and this catalog are also available at Student Academic & Financial Services.
It is my honor to welcome you to Johnson & Wales University’s Providence Campus, the oldest and largest of our four campuses. Combined enrollment at our four campuses is approximately 17,000 students from 49 states and 96 countries.

For nearly a century, we’ve been transforming the dreams of career-minded students into reality. From recruiting students who are best prepared for a JWU education, to providing them with a well-rounded, industry-focused curriculum, our strategic objectives embrace quality. Through our academically rigorous, industry-relevant and experientially based programs, we’re developing tomorrow’s industry and civic leaders. In addition, our academic programs, student services and activities, campus facilities and dedication to the community make the Providence Campus comfortable for all types of students from various backgrounds.

Providence is a truly vibrant and cultural city with a small town feel and all the charms of New England. These elements make for an attractive place to live, work and visit. With close proximity to Rhode Island’s famous beaches and larger world-class cities including New York and Boston, Providence is home to six colleges and universities, while the state of Rhode Island is home to five more. I’ve been a part of the JWU community since 1988, and am proud of our commitment to educational excellence that inspires professional success and lifelong personal and intellectual growth.

I invite you to visit and learn more about our dynamic campus (http://www.jwu.edu/providence/visit) and commitment to excellence.

Sincerely,
Mim L. Runey, LP.D.
Providence Campus President and Chief Operating Officer

Founded in 1914, Johnson & Wales University is a private, nonprofit, accredited institution with approximately 17,000 graduate and undergraduate students at its four campuses in Providence, R.I.; North Miami, Fla.; Denver, Colo.; and Charlotte, N.C. An innovative educational leader, the university offers degree programs in arts and sciences, business, culinary arts, education, nutrition, hospitality and technology. Its unique model integrates arts and sciences and industry-focused education with work experience and leadership opportunities, inspiring students to achieve professional success and lifelong personal growth. The university’s impact is global, with alumni from 152 countries pursuing careers worldwide.

Here’s what makes JWU different.

**A Career-focused Education**
- Our degree programs are designed to provide you with the knowledge and skills employers have identified as necessary in your field of choice. And you don’t have to wait to build your career skills, as you’ll have the opportunity to take courses in your major in your first year.
- Our faculty, many with industry experience, bring real-life knowledge, hands-on learning and, often, networking opportunities into small classroom settings. You’ll learn industry best practices and train on career-specific tools and software.
- Dedicated faculty advisors and career advisors help you set professional goals and develop an educational plan designed for you to best attain those goals. In addition, specialized workshops help you build your résumé, highlight your skills and develop a portfolio of work to help set you apart.
- You’ll have the opportunity to network with employers who visit campus each year, including career fairs, on-campus interviews and career events geared to your major.

**A Full University Experience**
- At least one-third of credits in each JWU program are in the arts & sciences to help you develop the critical thinking, communication and analytical skills necessary for long-term career progression.
- JWU offers more than 40 study abroad programs and independent exchanges, all of which include study such as lecture, industry visits and cultural excursions. Study Abroad staff members will help you identify programs that best fit your academic and career goals.

**Hands-on Learning**
- JWU’s programs provide opportunities for real-world experience, which can include internships, community service learning opportunities and classroom projects with actual companies.
- Students learn by doing. Faculty teach through the practical application of theory in the classroom.
- Our students intern at more than 1,700 sites each year, related to their field of study.

**Leadership and Community Opportunities**
- Participation in competitions as a member of DECA, BPA, FCCLA and other nationally recognized student organizations help build leadership, career skills and your résumé.
- Community service is integral to our educational philosophy. Our ongoing commitment to community service has repeatedly earned JWU a place on the President’s Higher Education Community Service Honor Roll.

**Four Campuses, One University Ahead of its Time**
- Four distinct campuses — in Providence, North Miami, Denver and Charlotte — offer a full university experience.
- Each is uniquely positioned for you to connect with internships and professional opportunities in the region related to your major.

**History of JWU**

Johnson & Wales University (JWU) was founded as a business school in 1914 in Providence, R.I. by Gertrude I. Johnson and Mary T. Wales. From its origins as a school devoted to business education, JWU has grown to a junior college, to a senior college, and ultimately to university status.

JWU was accredited in 1954 by the Accrediting Council for Independent Colleges and Schools (ACICS). In 1963 the State of Rhode Island granted a charter that authorized the university to operate as a nonprofit, degree-granting institution of higher learning and to award associate degrees in accounting, business administration, court reporting and secretarial sciences. In 1970 the State of Rhode Island approved a revision in the university’s charter allowing it to award baccalaureate degrees as well as associate degrees. In 1972 and 1973 the university announced the addition of new associate degree programs in the fields of hospitality and culinary arts. This led to additional two- and four-year degree programs in the hospitality and food service fields.

In 1980 the university was granted a legislative charter to replace its previous charter and became authorized to award advanced degrees.

In 1984, a JWU campus was established in Charleston, S.C., which offered a variety of two- and four-year programs in food service, hospitality and travel-tourism. A JWU campus opened in Norfolk, Va., in 1986, offering one- and two-year food service programs.

In 1985, graduate degree programs were introduced at the university. Today the Alan Shawn Feinstein Graduate School offers an MBA degree program, as well as master’s degrees in criminal justice and education. An Ed.D. in Educational Leadership is also offered.

The university officially changed its name to Johnson & Wales University in 1988.

In 1992, JWU opened a campus in North Miami, Florida, offering two- and four-year food service, business and hospitality programs. That year also marked the university’s formal establishment of the College of Business, The Hospitality College, the College of Culinary Arts and the School of Technology. A new emphasis on general studies was introduced with the development of the School of Arts & Sciences.

JWU received regional accreditation from the Commission on Institutions of Higher Education of the New England Association of Schools and Colleges (NEASC) in 1993. In that same year, JWU opened a campus in Vail, Colo., which offered an accelerated associate degree program in culinary arts to college graduates. The year also marked the beginning of a four-year bachelor’s degree offering in culinary arts.

From 1994–2004 JWU offered programs at the Institute of Higher Marketing (IHM) Business School in Göteborg, Sweden. This joint educational agreement allowed business and hospitality students to complete one year of study in Sweden and finish their degrees at one of the university’s domestic campuses.

The university consolidated its institutional accreditation efforts under NEASC on June 30, 2000.

September 2000 marked the opening of the Denver, Colo., campus, which offers two- and four-year degrees in culinary arts, hospitality and business, as well as an accelerated associate degree program originally offered in Vail. In 2000, the Vail Campus merged with the Denver Campus.

In 2002, the university made a strategic decision to consolidate its smaller Charleston and Norfolk campuses to build a campus in Charlotte, N.C. JWU’s Charlotte Campus opened in fall 2004 and offers associate and bachelor’s degree programs in business, culinary arts and hospitality. The Charleston and Norfolk campuses officially closed in May 2006.

Beginning with the 2008–2009 academic year, JWU’s College of Business and The Hospitality College eliminated associate degrees and began offering only bachelor of science degrees that allowed students to customize their education through specializations or concentrations. This decision did not impact the College of Culinary Arts and the School of Technology.

In 2009–2010 JWU recruited, admitted and enrolled the entering class for two online bachelor’s degree programs in food service management.

In fall 2012 the university began offering a degree in counseling psychology, the first bachelor’s degree program offered through the John Hazen White
School of Arts & Sciences. This was followed in fall 2013 by the addition of two more arts and sciences degree programs.

Mission and Guiding Principles

Johnson & Wales University — an exceptional education that inspires professional success and lifelong personal and intellectual growth. In support of our mission and recognizing the importance of preserving our unique student-centered culture we will be guided by the following principles:

• Undertake continuous improvement and planning for a sustainable future.
• Foster a teaching-focused university that encourages appropriate scholarship and offers relevant programs that maximize student potential.
• Enrich our academic programs with experiential and work-integrated learning.
• Be cost-conscious in our endeavor to provide an affordable private university education and be a good steward of our resources.
• Embrace diversity for a richly inclusive community.
• Model ethical behavior and local, national and global citizenship.
• Value our faculty and staff by investing in their quality of life and professional development.
• Provide facilities, technology and other resources to meet the needs of students, faculty and staff.

The City

Providence offers big-city sophistication on a welcoming scale, and is often voted one of the country’s best places to live. A historic yet fast-paced city, Providence is located within the highest per capita concentration of colleges and universities in the U.S., so it’s alive with things to do.

The major business, financial and retail districts of the city are all within walking distance of the Downcity Campus, which is convenient for students who want to look for part-time jobs. Also within walking distance are the Providence Performing Arts Center, Providence Public Library, Dunkin’ Donuts Center, Rhode Island Convention Center, Trinity Repertory Company, Providence Place, outdoor skating at the Bank of America City Center, the Rhode Island State House, Rhode Island School of Design, Brown University and places of worship of many major religious denominations. Restaurants for every taste and budget, many owned or operated by JWU alumni, can be found throughout the city as well.

Providence’s unique geographic location — only an hour’s drive from both Boston and Cape Cod, and three hours’ drive from New York City — makes it an inviting place to live. Interstate bus and train stations are within easy reach of the Downcity Campus, and the state airport in Warwick is only about 10 miles to the south. The Rhode Island Public Transit Authority (RIPTA) provides free transportation within Rhode Island to students with a valid ID.

The Campus

The Downcity Campus is anchored by Gaebe Commons, a popular hub of student activity, and surrounded by a variety of shops, restaurants, cafés, music venues and a picturesque riverfront. This campus is home to students in the College of Business, The Hospitality College, the School of Technology and the John Hazen White School of Arts & Sciences.

The nearby Harborside Campus sits on 105 scenic acres along Narragansett Bay, and houses the College of Culinary Arts, the Alan Shawn Feinstein Graduate School, the Wildcat Center (home of the NCAA Division III Wildcats), and the Culinary Arts Museum at JWU. Residential facilities are located throughout Providence and Cranston. JWU provides free shuttle bus service between the campuses and residence halls.

University-owned or -operated Practicum Educational Facilities

JWU is in a unique position to offer students hands-on learning in a variety of industry-related businesses. The following practicum educational facilities are owned or operated by JWU and provide students with internships in their field of study.

The RADISSON HOTEL PROVIDENCE AIRPORT, located in Warwick, R.I. near T.F. Green State Airport, offers internships in culinary, restaurant, food service and lodging operations.

Staffed by JWU travel-tourism internship students, the T.F. Green State Airport INFORMATION BOOTH helps travelers to Rhode Island find their way to the state’s best attractions and learn about lodging and transportation options.

The R.I. SMALL BUSINESS DEVELOPMENT CENTER, located in the Richmond Building, houses a resource center for students, entrepreneurs and small businesses. The center provides small businesses space, technology and access to business professionals and students. Projects range from developing websites to creating marketing plans to full-scale business strategy planning.

Equine students study horse care and management at the CENTER FOR EQUINE STUDIES, a JWU-owned stable, paddock and ring in Rehoboth, Mass., reserved for the university’s exclusive use, with limited space for students to board their own horses.

In SCHOOL OF TECHNOLOGY LABS including the Feinstein Center for Technology & Design, students perform graphics, Web, programming, networking, database and other technology-based services for a number of clients.

In UNIVERSITY FINANCE AND ACCOUNTING, accounting students have the opportunity to gain experience in a variety of accounting and financial functions including student payroll, accounts payable, accounting clerk functions in inventory and sales reporting, general ledger, financial reporting and budgeting, and accounting cycle functions.

The food service industry spans a range of operational facilities and outlets. Johnson & Wales University provides a variety of food service outlets that serve as practicum educational facilities for students participating in internships. The spectrum of food service operations varies from high-quantity, volume production to specialized coffee and retail outlets. Some of the practicum educational facilities available for internships include

- CITY BURGER, located at the corner of Chestnut and Pine streets, is the best place to grab a fresh-ground hamburger, hand-cut fries and a milkshake.
- HARBOR VIEW at the Harborside Campus is a quantity-food facility. It serves a wide variety of fresh foods daily.
- MARKET PLACE is located in the John Hazen White Center at the corner of Pine and Chestnut streets. It serves great food cooked to order, and features Nature’s Bounty Grill, where all items are sustainable, all natural or organic.
- RED SAUCE PIZZA & PASTA, located in the Academic Center at the Harborside Campus, is the latest lunch, dinner and late-night dining option. The menu features made-to-order pastas, grilled pizzas, calzones, sandwiches and farm fresh salads.

SNOWDEN DINING CENTER is located on Weybosset Street, and specializes in a variety of grilled and made-to-order items and signature sandwiches.

STARBUCKS® store, operated by Johnson & Wales University pursuant to a license from Starbucks Corporation, is located next to City Burger at the corner of Chestnut and Pine streets. A second Starbucks store is located on the Harborside Campus. We Proudly Serve is located in The Yena Center. Menu items include coffee, tea and pastry selections.

The WEYBOSSET STREET CAFE, located on the corner of Page and Weybosset streets, offers an eclectic menu of international food.

The JOHNSON & WALES BAKERY COMMISSARY is located in Harbor View at the Harborside Campus. This high-volume professional baking facility produces desserts and pastries served universitywide.

LIBERTY MARKET, located in The Friedman Center, offers healthy foods and snacks, fresh coffee and pastries, art and school supplies and various residence hall room necessities. It also offers a large selection of juices, energy drinks, frozen entrées, ice cream and favorite snack foods, including vegetarian and organic items, as well as magazines, specialty gift baskets and personal items.

University Library Network

The Johnson & Wales University Library Network is comprised of the libraries of the Providence, R.I.; North Miami, Fla.; Denver, Colo.; and Charlotte, N.C. campuses. An important aspect of the network is the access it provides to resources, services and facilities shared by the Higher Education Library Information Network (HELIN), a consortium of academic, law, and health
Academic Computer Labs
Downcity Campus
Computers in the labs can be attached to and sent through email. Students cannot save files onto USB drives. Documents can be saved to student-acquired USB drives or documents can be attached to and sent through email. Students cannot save files onto computers in the labs.

The main Johnson & Wales University Library facility in Providence occupies the first two floors of The Yena Center at 111 Dorrance Street. It houses the largest of the University Library Network’s book, periodical and audiovisual resource collections, as well as the administrative offices of the university dean of libraries. Other resources include access to numerous online databases, computer workstations, group study rooms, private study carrels, soft seating, an electronic classroom and wireless Internet connectivity throughout the facility. Coffee, tea and light snacks can be purchased from the We Proudly Serve café, generally open according to library hours. During the academic year the library’s hours are Monday through Thursday, 7:30 a.m. to noon; Friday, 7:30 a.m. to 8 p.m.; Saturday, 10 a.m. to 7 p.m.; and Sunday, 11 a.m. to midnight. Professional reference services are available Monday through Thursday, 8 a.m. to 10 p.m.; Friday and Saturday, 8 a.m. to 6 p.m.; and Sunday, 2 to 10 p.m. Note that schedules are subject to change during exam weeks, term breaks, holidays and over the summer.

Library collections and services at the Harborside Campus are located in The Friedman Center at 321 Harborside Boulevard and primarily support the curricula of the College of Culinary Arts, with ancillary resources available for the Alan Shawn Feinstein Graduate School. Like its downcity affiliate, this facility provides access to online databases, computer workstations, group study rooms and wireless Internet connectivity, as well as numerous books, periodicals and audiovisual resources. In addition, this library holds an important collection numbering in the thousands of restaurant menus from around the world. Hours of operation during the academic year are Monday through Thursday, 7:30 a.m. to midnight; Friday, 7:30 a.m. to 10 p.m.; Saturday, 8 a.m. to 7 p.m.; and Sunday, 11 a.m. to midnight. Professional reference services are available Monday through Thursday, 8 a.m. to 10 p.m.; Friday, 9 a.m. to 5 p.m.; Saturday, 8 a.m. to 3 p.m. and Sunday, 2 to 10 p.m.

Culinary Arts Museum at Johnson & Wales University
Located in The Friedman Center at 315 Harborside Boulevard on the Harborside Campus, the Culinary Arts Museum at JWU is an educational resource for Johnson & Wales University, the community-at-large, food scholars and the food service industry. The Culinary Arts Museum at JWU seeks to both preserve and interpret the broad culinary and hospitality heritage addressed by the university. It is a showcase for the work of students, faculty, alumni and distinguished visiting chefs. Through exhibitions and special events, the museum strives to interpret the evolution of food preparation and presentation, the development of culinary equipment and technology, the diverse menus offered and the places where people dine. Since its founding in 1989, the Culinary Arts Museum has acquired several substantial donations and individual gifts which are in need of varying degrees of additional documentation and conservation. Starting May 20, 2013, Johnson & Wales University is conducting a comprehensive inventory of the holdings, a collection estimated to be more than 250,000 items. The museum will be closed to the public so that the staff can focus on completing this intensive project in a timely manner. The museum will reopen in September 2014.

Computer Laboratories
Johnson & Wales University has computer labs (http://www.jwu.edu/content.aspx?id=6584) available for students to use email, Internet Explorer, Microsoft Office, jwuLink and more. Additional labs are available to students enrolled in classes that teach specialty software or technology. Students must have an active JWU email account to access lab computers. Documents can be saved to student-acquired USB drives or documents can be attached to and sent through email. Students cannot save files onto computers in the labs.

Residence Halls
NOTE: All halls are coeducational and smoke free. All are cable and Internet ready. During the first two weeks of the fall term, each room is provided with a MicroFridge®, which students may opt to rent for the rest of the year, with the exception of Renaissance Hall, The Cove and Harborside Village, which feature full-size refrigerators. Students are allowed only one MicroFridge per room.

Downcity Campus
The Cove
1 Park Row West, Providence, R.I. (680-7780)
The Cove is open to sophomores, juniors and seniors and is located downcity near the train station and a short walk from campus. This hall has two-, three- and four-person apartments which feature gourmet kitchens, stainless steel appliances, granite countertops and hardwood floors. Bedrooms are carpeted and a washer/dryer is provided in each apartment unit (no card or coin required). Residents of The Cove are required to agree to abide by a community policy agreement as a condition to residing in The Cove. There is no meal plan included at this hall. Students can purchase Wildcat Meals from Student Academic & Financial Services.

Imperial Hall
15 Hospital Street, Providence, R.I. (598-1166)
Imperial is a residence facility containing single-, double-, triple- and some quad-occupancy rooms. Single- and double-occupancy rooms on the second and third floors have private baths, at a slightly higher cost than the first floor. The first floor of Imperial offers community bathrooms as well as an on-site kitchen, plus community space on the lower level. It is reserved primarily for upperclassmen. There is no university parking.

McNulty Hall
101 Pine Street, Providence, R.I. (598-4797)
McNulty Hall is located adjacent to The Yena Center (library) at the Pine Street perimeter of Gaebe Commons. McNulty houses first-year technology, business, hospitality, arts & sciences and culinary arts students, and features double-, triple- and quad-occupancy rooms, all of which are air conditioned and have private baths. Also, McNulty features laundry rooms and a variety of common areas for study and recreational use. There is no university student parking at this hall, although private parking is available from vendors in nearby lots.

Renaissance Hall
101 Cedar Street, Providence, R.I. (598-2800)
Renaissance Hall is located at the corner of Dean and Cedar streets, near the historic Federal Hill section of Providence. Renaissance houses first-year, international and upperclass students. On a regular university bus route, it is close enough to classes that many students choose to walk together to class. This facility provides suite-style living with primarily four residents in each unit. Equipped with kitchens and private baths, this facility also maintains a recreation room and study rooms, as well as a laundry room. Limited university student parking is available through a lottery process for upperclassmen. There is no meal plan included at this hall. Students can purchase Wildcat Meals from Student Academic & Financial Services.

Notice of Nondiscrimination

Johnson & Wales University does not discriminate unlawfully on the basis of race, religion, color, national origin, age, sex, sexual orientation, gender identity or expression, genetic information, disability, status as a protected veteran, pregnancy or marital status or any other unlawful basis in admission to, access to, treatment of, or employment in its programs and activities.

(The term “sexual orientation” shall mean and be limited to having an orientation for or being identified as having an orientation for heterosexuality, bisexuality, or homosexuality. This Nondiscrimination Statement shall not be interpreted to prohibit Johnson & Wales University from maintaining separate facilities, sports teams, housing, university-based social fraternities and sororities, and other programs and facilities, for males and females, in accordance with the provisions of Section 16-38-1.1 of the General Laws of Rhode Island, as the same may be amended from time to time, or similar laws applicable in other states where the university conducts its operations.)

The following person has been designated to handle inquiries regarding this statement:

Nondiscrimination Coordinator, Johnson & Wales University, 8 Abbott Park Place, Providence, RI 02903, 401-598-2716

The nondiscrimination coordinator has been designated to carry out the university’s responsibilities under all federal and state discrimination laws, including, but not limited to, Title IX of the Education Amendments of 1972 (Title IX), Section 504 of the Rehabilitation Act of 1973 (504), the Age Discrimination Act of 1975, Title VII of the Civil Rights Act of 1964 and the Americans with Disabilities Act of 1990.

Johnson & Wales University
The university’s full Policy regarding Prohibited Discrimination and Harassment, including Sexual Harassment and Sexual Misconduct, is included in the student handbook for each campus (available on the university’s website or upon request to the nondiscrimination coordinator).

Inquiries concerning the application of the nondiscrimination statement may also be referred to the appropriate governmental agencies listed below:
Office for Civil Rights, U.S. Department of Education, Customer Service Team, 400 Maryland Avenue, SW, Washington, DC 20202-1100, 800-421-3481. This office may refer the matter to a regional Office for Civil Rights. You may also visit http://wdcrobcolp01.ed.gov/CFAPPS/OCR/contactus.cfm.

Baking & Pastry Arts

(College of Culinary Arts)

Associate in Science (A.S.) Degree

The associate degree program in Baking & Pastry Arts provides students with practical education in baking and pastry production, while developing professionalism and excellence in academic achievement. Hands-on training is paired with academic courses resulting in a curriculum that is both dynamic and directly aligned with industry needs.

Upon completion of the program, graduates are expected to demonstrate the ability to

- Prepare, produce, and present pastry, baked products and desserts utilizing professional techniques.
- Apply food safety and sanitation principles in the preparation of food and beverage products.
- Utilize healthful baking and dessert preparation techniques to modify and develop formulas that are healthy and flavorful.
- Demonstrate professional leadership attributes necessary for operating responsibly in the food and beverage industry.
- Implement cost control measures to track goods, services and costs through the cycle of cost control and to evaluate revenue and expenses and their effects on profitability.

First-year Baking & Pastry Arts students rotate through one term of academics which includes Food Safety and Sanitation and two terms of hands-on laboratory classes. Emphasis is placed on skills development and techniques of combining basic ingredients to produce classic pastries, basic breads, cakes and plated desserts.

The second year emphasizes advanced techniques in classical and international preparation and production of cakes, tortes and sugar work. Academic courses include leadership studies, nutrition, communication skills, and food and beverage cost control.

Baking & Pastry Internship

During pastry internship, students participate in actual public food service operations in preparation for future careers. Possible sites include university-owned or -operated practicum educational facilities, hotels, restaurants, country clubs, resorts, casinos, contract food service providers and bakeries. Eligibility requirements for certain sites include a 2.75 cumulative GPA and completion of all prerequisite coursework. Additionally, select students have the opportunity to participate in international internships at host company sites throughout the world, which are chosen by the university. In addition to meeting specific college eligibility requirements, students interested in completing internship in a targeted country must maintain a 3.25 cumulative grade point average and have a minimum of one year of work experience in a full-service bakery or similar experience in a hotel, resort or restaurant.

Upon completion of the Baking & Pastry Arts associate degree program, graduates may find employment in hotels, clubs and resorts, retail bakeries, restaurants and wholesale pastry shops.

Graduates of this program are eligible, or may apply, for entrance into the following bachelor of science degree programs: Baking & Pastry Arts, Baking & Pastry Arts and Food Service Management, Culinary Nutrition or Food Service Entrepreneurship. Certain requirements pertain to each of these bachelor’s degree programs, which are noted in their respective program descriptions.

### Computerized Drafting

**School of Technology**

**Associate in Science (A.S.) Degree**

The goal of the two-year associate in science degree program in Computerized Drafting is to combine academic theory, basic drafting methods, computer-aided drafting techniques and general communications skills with the practical experience necessary for entry-level CAD drafting skills applicable to engineering fields that utilize mechanical, architectural or electrical applications.

Upon completion of the program, graduates are expected to demonstrate the ability to

- Apply knowledge of how industry processes can be enhanced by CAD drafting.
- Apply understanding of CAD drafting processes to identify problems and formulate solutions that meet required specifications.
- Communicate complex concepts through design principles to create adaptable and efficient solutions to drafting problems.
- Use modern engineering techniques and skills necessary for CAD drafting.

Upon completion of this program, students may seek immediate career opportunities in state and local government public works and transportation departments, or architectural, electronics and manufacturing industries as draftspersons and/or CAD operators. Students may also choose to continue their studies in the Engineering Design & Configuration Management bachelor of science degree program (day program only).

### Four-Year Options:

- Engineering Design & Configuration Management (http://catalog.jwu.edu/programsofstudy/technology/engineering-design-configuration-management)
Computing Technology Services
(School of Technology)
Associate in Science (A.S.) Degree

This two-year associate degree program focuses on the technical and computer skills required by entry-level technology support positions. At the same time, the curriculum recognizes that technical skills are not the only requirement for technical support professionals. The appropriate balance of business, people and technical skills is vital to the success of today’s information technology support professional. Therefore, the curriculum has been expressly designed to also ensure individuals have the necessary oral, written and critical thinking skills to help them with their professional responsibilities.

Upon completion of the program, graduates are expected to demonstrate the ability to

- Apply knowledge of math, science, engineering and contemporary developments in technology to support the use of technology within a functional organization.
- Apply critical thinking and problem-solving skills to identify, analyze and utilize appropriate help desk processes to resolve user issues.
- Apply customer service skills to communicate effectively within a support environment.
- Specifically use the techniques, skills, and modern tools, including metrics and benchmarks, necessary for technical services best practices.

Courses include substantial hands-on work with software and hardware commonly used in business environments today, with the successful associate candidate prepared to sit for obtaining both A+ certification and Microsoft Office Specialist certification. Students also work hands-on with software and hardware specifically related to the support function, becoming familiar with common support software and tools.

Upon successful completion of this program students may seek employment in entry-level positions such as help desk analyst, software support specialist, computer use support specialist, and call center specialist in a variety of business settings. Students may continue their studies with junior-year status in the university’s bachelor of science degree program in Information Science.

Four-Year Options:
- Information Science (http://catalog.jwu.edu/programsofstudy/technology/information-science-bs)
Culinary Arts

(College of Culinary Arts)

Associate in Science (A.S.) Degree

The associate degree program in Culinary Arts provides students with practical education in food production, while developing professionalism and excellence in academic achievement. Students progress through a program of study that builds proficiency in food production and cooking, cost control, nutrition, sanitation, food safety and food marketing. Hands-on training is paired with traditional academic courses resulting in a curriculum that is both dynamic and directly aligned with industry needs.

Upon completion of the program, graduates are expected to:

- Demonstrate moist, dry and combination cooking techniques, baking/pastry skills, and plating and presentation techniques; demonstrate professional knife skills and proper use/care of small wares and kitchen equipment; and demonstrate the ability to identify ingredients and flavor profiles of the major world cuisines.
- Demonstrate dining and beverage service techniques, identify beverage classifications, and use proper terminology to perform sensory analysis.
- Apply safety and sanitation principles in the preparation and service of food and beverage products.
- Utilize healthful cooking techniques and ingredients to modify and develop flavorful recipes.
- Demonstrate professional leadership attributes necessary for operating responsibly in the food and beverage industry.
- Implement cost control measures needed to track goods, services and costs through the cycle of cost control and to evaluate revenue and expenses and their effects on profitability.

The focus of the first-year culinary lab classes is development and practice of cooking skills, complemented by the development of baking, dining and beverage service skills, which includes national certification in alcohol intervention procedures. The academic areas include mathematics, introduction to menu planning and cost control, English composition, community service, professional development and a national food safety certification.

Second-year laboratories include advanced techniques in classical and international cuisines, garde manger, pâtisserie/dessert and dining room, as well as the academic areas of leadership studies, personalized nutrition management and communication skills.

Students will experience one term of experiential education, which includes internships.

Culinary Internship

During culinary internships, students participate in actual public food service operations in preparation for future careers. Possible sites include university-owned or -operated practicum educational facilities, hotels, restaurants, country clubs, resorts, casinos, spas and contract food service providers. Eligibility requirements for certain sites include a 2.75 cumulative GPA and completion of all prerequisite coursework. Additionally, select students have the opportunity to participate in international internships at host company sites throughout the world, which are chosen by the university. In addition to meeting specific college eligibility requirements, students interested in completing an internship in a targeted country must maintain a 3.25 cumulative grade point average and have a minimum of one year of work experience in a full-service restaurant or similar experience in a hotel or resort.

Graduates of the associate degree program in Culinary Arts have the opportunity to gain employment in the food service industry, which would include a variety of positions in full-service restaurants, hotels, clubs and resorts catering operations, quantity food production facilities, health spas and cruise lines.

Graduates of this program are eligible, or may apply, for entrance into the following bachelor of science degree programs: Baking & Pastry Arts, Culinary Arts and Food Service Management, Culinary Nutrition or Food Service Entrepreneurship. Certain requirements pertain to each of these bachelor degree programs, which are noted in their respective program descriptions.

Culinary International Exchange

Each year, a select group of second-year students is chosen to participate in a student international exchange program with culinary arts schools in Ireland and France. For one term, JWU students attend classes in either of these countries. In exchange, students from these schools attend culinary classes at Johnson & Wales University. Selected students receive full academic credit for the term abroad.

Teaching Assistant and Fellow Scholarship Program

Each year, administrators at the College of Culinary Arts, in conjunction with the administration of university-owned or -operated practicum educational facilities, select Teaching Assistant candidates from among the top students of the graduating class in the Culinary Arts and Baking & Pastry Arts associate degree programs. Students who are continuing their education at the university as Teaching Assistants must be enrolled in a day school program. Qualified Teaching Assistants may advance to Fellow during their senior year. These opportunities allow students to help defray the costs of advanced study while developing their supervisory/management skills.

Accounting

(College of Business)

Bachelor of Science (B.S.) Degree

The Accounting bachelor’s degree program prepares students for the wide range of career opportunities available to accounting professionals. Students in the program receive a solid foundation in accounting theory and practice as well as in the areas of business, communications and general studies.

Upon completion of the program, graduates are expected to demonstrate the ability to:

- Understand and apply generally accepted accounting principles (GAAP).
- Prepare and communicate financial reports to stakeholders and all levels of management.
- Use logic and critical thinking skills in the preparation and analysis of financial statements.
- Identify and analyze ethical issues in accounting.

Students completing the program are well positioned for entry-level opportunities in public accounting firms and similarly challenging opportunities in private, governmental and not-for-profit organizations. Positions include staff accountants, cost accountants, tax accountants and auditors.

Students wishing to satisfy the 150 Hours of College Education requirement, now required in many states before being allowed to take the Uniform Certified Public Accountants Examination, may achieve this objective and at the same time earn a master’s degree by applying for acceptance to the university’s Feinstein Graduate School at the end of their junior year. Acceptance will be granted provided the student receives the recommendation of two undergraduate faculty members, successfully completes an interview process, and fulfills the requirements for the bachelor of science degree.

To maximize the benefits of choosing electives, and because of different state requirements, students desiring to sit for the Uniform Certified Public Accountants examination are urged to contact their faculty advisor early in the program.

Students who maintain at least a 2.75 grade point average may have the opportunity to participate in internship opportunities either on or off campus. By participating in an internship students receive hands-on experience by performing accounting functions for various university operations and may graduate with experience in such areas as accounts payable, accounts receivable and general ledger.

Students are required to complete one 22.5 credit concentration or accounting option per program guidelines. Students are encouraged to meet with their faculty advisor before selecting a concentration so that the concentration selected best prepares the student for his or her career goal. Students may also apply for an internship in place of one term of classroom studies.

An important component of the program’s education experience is the general studies courses taught by the School of Arts & sciences. Graduates are expected to show competencies in higher order thinking, communications, ethics, global diversity, responsible citizenship, leadership and artistic responsibility. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

Baking & Pastry Arts and Food Service Management

(College of Culinary Arts)
(Hospitality College)

Bachelor of Science (B.S.) Degree

The Baking & Pastry Arts and Food Service Management program combines the strengths of baking and pastry arts and management in order to prepare students for a management career in front- or back-of-the-house. Graduates of the Baking & Pastry Arts and Food Service Management program with sufficient experience may obtain positions in a variety of areas that include, but are not limited to, restaurant manager, kitchen manager, pastry chef, executive chef, food and beverage director, catering manager, room service manager, sous chef, beverage manager and dining room manager.

Upon completion of the program, graduates are expected to demonstrate the ability to

- Apply supervisory-level written and verbal communication.
- Use food service technical skills in a restaurant setting.
- Apply management and leadership skills in a food service operation.
- Apply personal accountability, ethical behavior and professionalism in a food and beverage operation.
- Use critical thinking skills to identify and make ethically sound decisions.
- Identify and communicate long-range vision and strategy for a food service company.

The curriculum provides ample opportunity for students to build upon their leadership and management abilities, cooking techniques, critical thinking, personal accountability and ethical behavior, problem-solving techniques, strong financial analysis skills and customer awareness. The Baking & Pastry Arts and Food Service Management degree develops a culinary foundation and management philosophy in its graduates.

The program allows students to receive a world-class baking and pastry and hospitality education. The program’s strength is that students receive several senior-level capstone experiences in culinary arts, hospitality operations and strategic management.

Students may choose to focus their studies by selecting their electives in such areas as food and beverage, resort or dining management. The Resort Management and Casino & Gaming Operations concentrations allow students to focus on these two rapidly growing segments of the hospitality industry. The Food & Beverage Management concentration allows students to focus on this vital area of the hospitality industry. Courses are ideal for candidates interested in working with beverages, non-commercial, chain, franchises or restaurant operations.

Business Administration

(College of Business)

Bachelor of Science (B.S.) Degree

The Business Administration bachelor’s degree program provides a balanced combination of required core courses to ensure students can achieve a solid business and general studies education, and electives to inspire students to customize their programs to best fit their unique interests.

Upon completion of the program, graduates are expected to demonstrate the ability to

- Exhibit competence in management, marketing, accounting finance, business law and economics.
- Solve problems by identifying alternatives and justifying decisions using higher-order thinking skills.
- Identify and analyze ethical issues while implementing socially responsible business practices.
- Demonstrate effective written and oral communication skills.
- Identify and analyze the effects of global forces within the business environment.

This program’s business-related core builds a solid foundation by exposing students to relevant areas of Accounting, Economics, Information Technology, Business Law, Finance, Marketing and Management. Arts & Sciences courses also provide opportunities for students to acquire the skills important for professional success and lifelong personal and intellectual growth.

Students also tailor their degree by working with a faculty advisor to select 31.5 credits of business electives. In doing so, students have the freedom to choose from extensive options to best suit their goals. For example, students can pursue concentrations in business; concentrations in other areas; internships; directed work experiences; and/or study abroad credits to prepare for a more specific career.

The general studies courses taught by the School of Arts & Sciences are also an important component of the program’s education experience. These courses help students develop competencies in higher-order thinking and communications while providing them with a better understanding of ethics, global diversity, responsible citizenship, leadership and artistic responsibility.

Programs of Study
Counseling Psychology
(School of Arts & Sciences)
Bachelor of Science (B.S.) Degree

The Counseling Psychology program prepares students for careers as case/program workers and managers and aides who assist counselors in resolving clients’ personal, family, educational, mental health or work-related issues. Graduates of this program may pursue employment in the public or private sectors working in educational settings, private agencies, hospitals, rehabilitation centers or in nonprofit organizations.

Upon completion of this program, graduates are expected to demonstrate knowledge of the theoretical frameworks in counseling, professional and ethical practices, social and cultural diversity, human growth and development, career development, helping relationships, group work, assessment and research.

In addition, upon completion of the program, graduates should be able to demonstrate the ability to

- Delineate the historical nature of psychology as well as the bio-psychosocial and developmental determinants of behavior.
- Practice effectively within the following core counselor practice domains: use of counseling strategies and techniques, client assessment, case management, treatment planning, addictions counseling, community resource utilization, job development and placement, vocational counseling, research application and ethical counseling.
- Identify, implement and evaluate the various frameworks for ethical appraisal of the individual, including use of methods of data gathering and interpretation, statistical concepts, individual and group testing, case studies, historical perspectives, and individual differences from multicultural and ethnic contexts.
- Employ basic scientific research methods to analyze and critique assumptions, examine available evidence including (but not limited to) statistical analysis, theorize, conduct ethical, representative, and viable research and draw logical conclusions in an attempt to identify and/or resolve a specific problem.
- Identify the nature and needs of diverse individuals in a multicultural society, demonstrating appropriate sensitivity to needs of these populations in applying psychological theory, employing research methodology, and in making referrals for mental health treatment.
- Examine the development, ethical issues and theoretical approaches to group counseling including defining and appraising group counseling theories, group therapy techniques, group purpose, group development and group dynamics.
- Develop criteria, skills, and strategies for providing effective crisis intervention, deescalation of conflict, and conflict resolution in crisis situations.
- Apply ethical principles while dealing with clients within the counseling psychology profession.
- Evaluate and describe the philosophy, mission, programs and services of various human service providers as well as to demonstrate the ability to make appropriate individual referrals to said human service agencies.
- Function professionally in a supervised clinical experience that will prepare them to employ effective counseling practices while developing an understanding of the inner workings public and/or private mental health and related human service agencies.

Courses have been selected to provide students with a broad foundation of knowledge concerning human thoughts, emotions and behaviors. The program features a significant number of psychology courses which address both the biological and psychological motivations for certain behaviors. Sociology courses also play a major role by exploring the impact that a person’s social environment (i.e., family, culture, religion, etc.) has had on his/her development. Knowledge gained in these disciplines is then examined from the counseling psychology perspective to determine viable modes of intervention and treatment, if such actions are warranted.

Consistent with the Johnson & Wales University experiential education philosophy, Counseling Psychology students also gain practical experience while enrolled in this program. For example, courses like Principles of Group Counseling and Counseling Theories and Techniques provide students with classroom exercises in which they learn about, role play and model various counseling practices. Graduates of this program will be expected to employ critical thinking skills and ethical principles essential to interacting with and successfully treating clients in the professional environment.

To qualify for the internship, students must have a 2.75 GPA in their major courses, or have permission of the program director, and a letter of approval from their faculty advisor. Those who do not qualify for the internship will be required to take three additional counseling classes in lieu of the internship classes, CSLG3099 and CSLG4099.

In addition, students are expected to use the American Counseling Association (ACA) Code of Ethics and Standards of Practice as a guide for ethical behavior throughout the program.

PLEASE NOTE: A Master of Science degree is usually required for licensed positions as professional mental health counselors, marriage and family counselors and social workers. At completion of the bachelor’s degree program in Counseling Psychology, students may also choose to pursue a Master of Science degree in Counseling Psychology. The bachelor of science degree program prepares students for entry-level case/program workers and managers and aides who assist licensed counselors.

Admission Standards

- Preference will be given to applicants who have maintained a B average or higher in a college prep curriculum throughout high school.
- Submission of SAT or ACT scores is strongly recommended.
- Students who wish to transfer into the Counseling Psychology program may do so if they have met the following criteria: a B average or better in all psychology courses and a 2.5 cumulative GPA.

Criminal Justice

(Justice of Business)

Bachelor of Science (B.S.) Degree

The Criminal Justice degree program prepares students for professional careers in the field of criminal justice. Through this course of study, students are expected to acquire the communication, logical, critical thinking and ethical reasoning skills essential for both the understanding of the global and domestic criminal justice issues and for effective career performance and progression.

Upon completion of the program, graduates are expected to demonstrate the ability to:

- Explain the historical backgrounds, agencies, professions, purposes, functions and administration of the American criminal justice system.
- Develop and apply criminal justice research plans utilizing the scientific method; appropriate sampling, measurement, and data collection techniques; and data analysis including descriptive and inferential statistics, central tendency, variability, analysis of variance and correlation.
- Apply criminological theories and causes of crime, and appropriate methods of control and prevention of criminal behavior to situational contexts within the American criminal justice system.
- Explain the complex responsibilities, procedures, and policies of law enforcement agencies operating in the American criminal justice system.
- Explain the history and purpose of criminal law, classify crimes and identify criminal liability, and apply legal theory and substantive elements to situational contexts within the American criminal justice system.
- Articulate the philosophy, history and various perspectives of incarceration, and the development of prisons and other social institutions of penal correction within the American criminal justice system.

From heightened national security to concerns about corporate accountability, our changing world has created a high demand for well-trained criminal justice professionals. The Criminal Justice degree program prepares students for a wide variety of criminal justice employment at the local, national and federal levels, including careers in court administration, private investigation, airport security and social services, or as a federal agent, police officer or border patrol agent, among many others.

The program’s judicious mix of Criminal Justice and Arts & Sciences courses is intended to develop and enhance each student’s critical thinking and effective communication skills, as well as their appreciation for diversity, citizenship, leadership and public service. In keeping with the unique curriculum and varied career opportunities available to graduates of the Criminal Justice program, students are encouraged to take advantage of available internship, study abroad, and elective course opportunities which target their specific interests and goals.

Through the program, students have the opportunity to:

- Learn from professionals experienced in a variety of criminal justice fields.
- Develop an appreciation for diversity, citizenship, leadership, science and technology, and qualitative and quantitative analysis.
- Customize your degree with an Arts & Sciences concentration or pursue a collection of Criminal Justice electives which target your specific interests and goals.

Criminal Justice Master of Science Program (Providence Campus)

JWU also offers a Master of Science Degree in Criminal Justice that provides a unique combination of management and criminal justice education. This program is relevant to criminal justice students whose goal is to assume management responsibilities at some point in their careers. The criminal justice field requires graduates to have comprehensive analytical skills, and the master of science program teaches not only these skills but also a broad understanding of the global nature of the criminal justice business.

Culinary Arts & Food Service Management  
(College of Culinary Arts)  
(Hospitality College)  

Bachelor of Science (B.S.) Degree  

The Culinary Arts and Food Service Management program combines the strengths of culinary arts and management in order to prepare students for a management career in front- or back-of-the-house. Graduates of the Culinary Arts and Food Service Management program with sufficient experience may obtain positions in a variety of areas that include, but are not limited to, restaurant manager, kitchen manager, executive chef, food and beverage director, catering manager, room service manager, sous chef, beverage manager and dining room manager. 

Upon completion of the program, graduates are expected to demonstrate the ability to  
- Apply supervisory-level written and verbal communication.  
- Administer food service and technical skills in a restaurant setting.  
- Apply management and leadership skills in a food service operation.  
- Apply personal accountability, ethical behavior and professionalism in a food and beverage operation.  
- Implement critical thinking skills to identify and make ethically sound decisions.  
- Identify and communicate long-range vision and strategy for a food service company.  

The curriculum provides opportunities for students to build upon their leadership and management abilities, cooking techniques, critical thinking, personal accountability and ethical behavior, problem-solving techniques, strong financial analysis skills and customer awareness. The Culinary Arts and Food Service Management degree develops a culinary foundation and management philosophy in its graduates. 

The program allows students to receive a world-class culinary arts and hospitality education. The program's strength is that students receive several senior-level capstone experiences in culinary arts, hospitality operations and strategic management. 

Students may choose to focus their studies by selecting their electives in such areas as food and beverage, resort or dining management. The Resort Management and Casino & Gaming Operations concentrations allow students to focus on these two rapidly growing segments of the hospitality industry. The Food & Beverage Management concentration allows students to focus on this vital area of the hospitality industry. Courses are ideal for candidates interested in working with beverages, non-commercial, chain, franchises or restaurant operations.

Finance

(College of Business)
Bachelor of Science (B.S.) Degree

The Finance degree program prepares students for the wide range of career opportunities available to finance professionals. Students in the program receive a solid foundation in financial statement interpretation and decision making, as well as in the areas of business, communications and general studies.

Upon completion of the program, graduates are expected to demonstrate the ability to

• Use analytical skills within the contemporary financial services environment.
• Use communication skills within the contemporary financial services environment.
• Apply planning skills within the contemporary financial services environment.
• Analyze ethical issues and identify socially responsible business practices within the contemporary financial services environment.
• Identify and analyze the effects of global business forces within the financial services environment.

The finance curriculum is designed to meet the needs of some of the most prestigious industry certifications. As finance majors, students gain exposure to a broad range of financial practices with studies focusing on areas leading to positions in investment analysis, corporate finance, risk management and financial planning. Students choose a concentration from approved program options that helps them meet their career goals. Students are encouraged to meet with their faculty advisor before selecting a concentration to facilitate choosing a concentration that best matches the student’s career goals.

Students who maintain a grade point average of at least 2.75 may also have the opportunity to participate in a Finance Internship to gain experiential education by completing a work experience in their area of interest. Additional options are also available for foreign travel through the study abroad program.

An important component of the program’s educational experience is the general studies courses taught by the School of Arts & Sciences. Graduates are expected to show competencies in higher order thinking, ethics, global diversity, responsible citizenship and leadership. The following literacies should be also demonstrated: sociocultural, quantitative, scientific and informational

Hotel & Lodging Management

(Hospitality College)

Bachelor of Science (B.S.) Degree

The Hotel & Lodging Management bachelor’s degree program focuses on current best practices for operational, strategic and staff management in lodging properties and companies. Lodging is defined as activities related to commercial, overnight accommodations of all types, including hotels, resorts and smaller lodging properties (e.g., boutique hotels, country inns, B&Bs, etc.).

Upon completion of the program, graduates are expected to demonstrate the ability to

- Apply technical skills in a lodging organization.
- Demonstrate personal accountability and professionalism in a lodging environment.
- Apply management skills in a lodging environment.
- Apply creativity and critical thinking skills to solve challenges and make ethically sound decisions.
- Identify and communicate a long-range vision and strategy for a service organization.

The degree program prepares graduates for employment in operational management or professional staff positions within commercial lodging companies, as well as positioning them to move up to higher-level positions such as general manager and various corporate staff positions. Possible career tracks might relate to front office management, housekeeping, food and beverage management and affiliated activities such as concierge, spa management, property sales and marketing, convention services, meeting and event planning, resort activities, revenue management, controller, development, regional management, etc.

Hotel & Lodging Management students complete a required internship experience at a commercial lodging venue as part of the program.

Concentrations for Hotel & Lodging Management Majors

At least one three-course Hospitality College concentration is required for graduation. This program allows students to select concentrations that can lead to career growth within lodging companies or to enhance their initial and subsequent career opportunities. Students may elect to use their hospitality and free elective credits for a second concentration, an internship or a summer abroad program.

While all Hospitality College concentrations are available to students in this degree, the following concentrations are recommended: Resort Management; International Hospitality Operations (summer program only); Entrepreneurship; Casino & Gaming Operations; or Food and Beverage Management.

Information Science

(School of Technology)

Bachelor of Science (B.S.) Degree

The Information Science bachelor’s degree program complements a variety of associate degree programs to allow students greater flexibility in choosing a career in which computer technology plays an integral part.

Students build upon the knowledge they have acquired in their associate degree programs, integrating that knowledge with the information science fundamentals of information storage, retrieval, manipulation, transmission, communication, presentation and analysis. Students also study the computer’s impact on business and industry.

Upon completion of the program, graduates are expected to demonstrate the ability to

- Apply knowledge of math, science, engineering and contemporary developments in the field of information systems to assess, advise and specify process engineering and reengineering.
- Apply understanding of both historical context and and emerging developments in the fields of information systems to create adaptable and efficient solutions in the context of modern business.
- Use the terminology and demonstrate the experience necessary to advise on and participate in decisions involving business and information systems best practices.
- Apply understanding of information systems processes to identify and analyze problems, construct prototypes, and formulate, implement and test solutions that meet required specifications.
- Integrate knowledge, tools and problem-solving skills to participate in the implementation and maintenance of business and information systems.

As entering technology professionals within industry and the public sector, students require knowledge of the particular industry in which they seek careers. In the Information Science bachelor’s degree program each student, with the guidance of his/her faculty advisor, selects three (3) application domain courses relevant to his/her career goals from any college or school within the university. This provides a foundation for the student to learn how to apply information systems in support of organizational value.

Under the supervision of a faculty advisor, seniors complete a technology solo project that involves designing, building, implementing or researching a technology-based problem related to his or her degree program.

Students graduating from the program may enter the field of information technology as entry-level systems or business analysts, systems modelers or systems designers within the private or public sector.

Bachelor of Science (B.S.) Degree

Through the required and elective courses in the bachelor’s degree in Liberal Studies, students will acquire knowledge and experience in the arts, cultural studies, history, philosophy, the behavioral sciences, math and science. With a required minor in either business or technology, students will be prepared to enter the workforce in business, nonprofit, government, and arts/cultural organizations. The degree will also prepare them for further graduate studies. In addition, the program will include experiential learning through an internship, service learning and an optional study abroad.

Key differentiators of the JWU Liberal Studies degree program include a requirement that students complete a minor in business or technology, the inclusion of a heightened form of experiential learning, and in-depth advising in fulfillment of our mission. The required minor is intended to assure that students have an introduction to a profession or set of professional skills prior to program completion.

Upon completion of the program, graduates are expected to demonstrate the ability to

- Effectively apply oral and written communication strategies appropriate for a particular situation and/or audience.
- Solve mathematical problems and to apply mathematical reasoning to problems in other fields of study.
- Apply appropriate disciplinary criteria to examine complex issues, make decisions, analyze arguments, conduct credible research, solve problems and create original ideas and/or approaches.
- Apply ethical standards and reasoning to complex issues in personal, academic and professional decisions.
- Exhibit knowledge of the complexities of human behavior and society.
- Interpret human behavior from various social science perspectives.
- Analyze and interpret human history, philosophy, literature and the arts.
- Exhibit knowledge and application of the scientific principles that govern the natural world.
- Synthesize and apply knowledge from multiple perspectives to complex issues and real-world problems.

Management
(College of Business)
Bachelor of Science (B.S.) Degree

The Management bachelor’s degree program prepares students for careers in a variety of managerial and professional positions in a wide range of firms. Students will learn general management concepts as well as a variety of functional specialties in fields such as human resources, operations, finance, accounting, and marketing.

Upon completion of the program, graduates are expected to
- Demonstrate business and financial analysis skills.
- Effectively communicate within the contemporary business environment.
- Demonstrate tactical and strategic planning.
- Identify and analyze ethical issues confronting business professionals.
- Identify and analyze dynamic global business forces.

As part of the program, students are offered the opportunity to develop expertise in the following concepts: business planning, SWOT analysis and strategic planning, business process analysis, development of human capital, financial literacy, information technology, and operations and quality management.

As part of their degree, students may apply these skills in programs such as directed work experience, internships, and summer work or study abroad programs. These programs are tailored based upon student learning and professional goals, jointly designed in collaboration with students, faculty advisors and business partners. Students also meet with faculty advisors to determine a career concentration that will best suit their desired professional objectives.

Our graduates are employed in professional management positions in disciplines such as operations, human resources, finance and information technology. Graduates may seek careers in for-profit, nonprofit and government settings.

An important component of the program’s educational experience is the general studies courses taught in the School of Arts & Sciences. Graduates are expected to show competencies in higher order thinking, communications, ethics, global diversity, responsible citizenship, leadership, and artistic responsibility. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

Management (Accelerated)

(College of Business)

Bachelor of Science (B.S.) Degree

The Management (Accelerated) bachelor’s degree program offers a general business education to individuals already holding an associate degree. While the program will appeal to many of Johnson & Wales University’s Culinary Arts and Baking & Pastry Arts graduates, the program also welcomes graduates from other associate degree programs.

Upon completion of the program, graduates will demonstrate the ability to:

• Apply basic understanding of fundamental business areas including accounting, business law, economics, information technology, marketing and management.
• Solve problems by identifying alternatives and justifying decisions using higher order thinking skills.
• Identify and analyze ethical issues while implementing socially responsible business practices.
• Apply effective written and oral communication skills.
• Identify and analyze the effects of global forces within the business environment.

While some JWU associate degree graduates in Culinary Arts and Baking & Pastry Arts will begin careers immediately after completing the two-year degree, others enter The Hospitality College to pursue a bachelor’s degree in Food Service Management. The bachelor’s in Management (Accelerated) program provides a third option for these students: the opportunity to earn a bachelor’s degree from JWU’s College of Business.

At some campuses, JWU graduates of the two-year Culinary Arts and Baking & Pastry Arts programs will be encouraged to enroll in a “Summer Bridge” program between their second and third years of study. The Summer Bridge program will allow students to complete Principles of Management (MGMT 1001) and Principles of Marketing (MRKT 1001) at a substantial discount. Students who have not already successfully completed Information Technology for Business Professionals (FIT 1000) will use the Summer Bridge program to test out of or successfully complete FIT 1000.

By offering and funding the Summer Bridge program, the university will assist students in confirming whether a bachelor’s degree in business is the best path for them to take before making a substantial investment of their own resources.

The Management (Accelerated) program’s coursework builds a basic foundation by exposing students to relevant areas of accounting, business law, economics, information technology, marketing and management. Students may tailor their degree by selecting a two-course focus area that best suits their own unique goals. Potential focus areas include: operations management, human resources, international business, marketing and entrepreneurship. Students will also complete courses through the School of Arts & Sciences to help ensure they acquire skills important for professional success and personal and intellectual growth.

Upon graduation, students may be employed in a wide range of industries. In addition to gaining general business competencies and skills desired by employers, students may use their Management (Accelerated) focus area and/or associate degree education and training to position themselves for unique careers of interest.

Programs of Study
Marketing

(College of Business)

Bachelor of Science (B.S.) Degree

The Marketing bachelor’s degree program provides students with a broad range of knowledge and practical skills related to the fundamentals of marketing, including product, pricing, promotion, distribution and customer relationship management.

Upon completion of the program, graduates are expected to demonstrate the ability to

• Develop, implement, analyze, interpret, and make recommendations based on secondary and primary research data using qualitative and quantitative methods.
• Analyze consumer decision-making and behavior.
• Prepare and conduct a professional sales presentation.
• Develop e-commerce, international and strategic marketing plans.

Specific skills developed include managing social media market research projects, developing Web-based social media marketing programs, developing and executing brand strategies, and developing and managing comprehensive marketing plans. Students have the opportunity to hone these skills while participating in a term-long internship, held at a wide variety of host sites. This is a one-term, 4.5–13.5 credit experience with a business partner anywhere in the world. Students complete a specific business-building project, which is reviewed by the faculty advisor and the business partner.

A traditional internship experience is also offered. This is a one-term, 13.5 credit experience with a business partner anywhere in the world. Students complete a specific, business-building project, which is reviewed by the faculty advisor and the business partner.

Upon graduation, students may be employed by retail, consumer goods, industrial or advertising companies in positions that utilize these skills. Typical areas of interest include entry-level positions in sales, market research, market analysis, product development or brand management.

Students should use their career electives and free electives to create a meaningful, customized career concentration. The university’s faculty advising system will facilitate these selections.

An important component of the program’s educational experience is the general studies courses taught by the School of Arts & Sciences. Graduates are expected to show competencies in higher order thinking, communications, ethics, global diversity, responsible citizenship, leadership and artistic responsibility. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

Restaurant, Food & Beverage Management  
(Hospitality College)  
Bachelor of Science (B.S.) Degree  

The Restaurant, Food & Beverage Management bachelor’s degree program provides a unique combination of culinary skills and hospitality management. The focus is on current restaurant and food service management industry topics. The program also develops proficiency in the area of beverage management. Other areas of study include critical thinking, financial analysis, leadership and customer awareness in order to prepare students for a management career in the food service industry. According to the National Restaurant Association, the food and beverage industry is the largest U.S. employer besides the government.

Upon completion of the program, graduates are expected to demonstrate the ability to:

- Apply management skills within a food service operation.
- Demonstrate personal accountability and professionalism in a food and beverage environment.
- Use critical thinking skills to identify and solve problems and make ethically sound decisions.
- Identify and communicate long-range vision and strategy for a food service company.
- Apply technical skills in a food service setting.

This program includes a unique hands-on rotational internship experience at a Johnson & Wales-owned facility, or at one of our partner properties. Value-added certifications within the degree include an industry-recognized responsible alcohol service certification, the national sanitation certification (a graduation requirement), recognized by the Conference for Food Protection, and the International School of Mixology Bartending Certificate.

Risk Management
College of Business
Bachelor of Science (B.S.) Degree

The Risk Management bachelor’s degree program is designed to provide graduates with strong management and security management foundations, as well as advanced studies in this rapidly growing field. Security is one of the fastest-growing industries worldwide, with a strong demand for investigators in areas including computer and financial information security, as well as managers and directors of security and risk management at major corporations and organizations. The demand for heightened security and mitigation of risk in many industries is driven by activities that disrupt normal operations, including fraud, information theft, computer hacking, workplace violence, terrorism and economic crime.

Upon completion of the program, graduates are expected to demonstrate the ability to:

- Assess and develop security and risk management programs which are consistent with applicable law and practice.
- Use ethical reasoning in the application of security and risk practice.
- Analyze and assess events that may disrupt business continuity or mission and to assess for implementation of emergency management planning measures to react to natural disaster, global and domestic terrorism, and internal and external threats.
- Develop security, compliance, risk policy, and associated communication programs.
- Develop operational planning for business and institutional contingency and continuity plans and emergency recovery management.

This program teaches business operations and security/risk management, as well as providing an understanding of financial data and network environments. Students will learn about the latest trends, issues and concerns within the field while completing coursework in security/risk, computer science, electronics, business management, law, accounting, personnel and information management.

Graduates of this program can expect to find employment in the private sector, as well as in government agencies, particularly at the federal level. Risk management is a private industry-focused field that supplements public agency protection. Security/risk managers work with staff and technology to protect assets, personnel and property from outside threats. They also work with local, state and federal law enforcement.

Graduates are expected to demonstrate an ability to use logic, critical thinking and analytical skills to assist in the decision-making process as well as to make recommendations to individuals and organizations using financial information.

An important component of the program’s educational experience is the general studies courses taught by the School of Arts & Sciences. Graduates are expected to show competencies in higher order thinking, ethics, global diversity, responsible citizenship and leadership. The following literacies should also be demonstrated: sociocultural, quantitative, scientific and informational.

Students are required to complete a 13.5 credit internship as part of the program.

Travel-Tourism & Hospitality Management
(Hospitality College)
Bachelor of Science (B.S.) Degree

The Travel-Tourism & Hospitality Management bachelor’s degree program provides a broad-based option for students incorporating the hotel, travel/tourism and food segments of the hospitality industry with special focus given to travel/tourism.

Upon completion of the program, graduates are expected to demonstrate the ability to

- Apply technical and management skills in a global environment.
- Demonstrate personal accountability, ethical behavior and professionalism in a global environment.
- Demonstrate creativity, critical thinking and problem-solving skills.
- Identify and communicate long-range vision and strategy.

This bachelor’s degree program places an emphasis on tourism as the glue that holds the industry together — especially in course offerings and the term-long experiential learning program. The highlight of the program is the Familiarization (FAM) Tour, a class project to a domestic or international destination. Students are required to research, budget, plan, promote and implement the tasks of a tour escort and tour guide. The program is also enhanced by mini-FAM tours and site visits.

Graduates of the program may be employed in all industry segments due to its more generalized curriculum, but the emphasis on travel/tourism will provide specific career options in destination marketing organizations such as CVBs and tourism offices, resorts, tour operators, travel industry suppliers such as airlines, cruise lines or ground transportation, and various international operators. Students can further customize their degree by selecting a concentration option specific to their area(s) of interest.

IBUS4090 International Business Experience
This course refers to a series of options available that total 13.5 credits: 1) Students choose from a range of study abroad options including short-term 3 1/2 to four-week summer programs, spring term three-month programs, or four-to-five month independent exchanges. Each program has its own academic focus and prerequisites. Students apply for their program of choice through Study Abroad. After selection into a program, students engage in orientation and academic pre-departure work before embarking on their immersion into foreign cultural and business settings. In some cases, JWU faculty lead the program and travel with the students. In other cases local hosts lead the program, but in all programs students participate in a rigorous study and travel experience. The purpose of these study abroad experiences is to increase students’ global awareness as they explore their program’s specific academic focus. Course delivery consists of lecture, industry visits and cultural excursions. Eligible students are guided by Study Abroad to register for the appropriate course(s) specific to their program. 2) Eligible students may opt to take IBUS4020 Summer Work Abroad International Seminar and a specific course from the IBUS4080 Series of Summer Work Abroad Programs: IBUS4082 or IBUS4086. 3) Students not eligible to take the international business programs, internships or SWAP programs take three additional career electives from the College of Business or School of Technology. Students should consult with their faculty advisor to make their selection.

4.5 Quarter Credit Hours

LAW3090 Evidence
This course is a study of the law of evidence as a system of rules and standards directed at determining what proof is to be admitted in the course of litigation. Emphasis is placed on formal discovery mechanisms, relevance, witness examination, impeachment, rehabilitation, privileges, burdens of proof, judicial notice, presumptions, real and demonstrative evidence, expert testimony, materiality, confrontation and hearsay.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

LAW3092 Sports, Entertainment and Event Management Law
This course provides the Sports, Entertainment and Event Management major with an understanding of the legal issues that shall have an impact upon their business practices. The course concentrates on the following topics: negligence, intentional torts and crime, risk management, intellectual property, industry-specific contracts, discrimination, labor relations, various forms of business organization, and regulation of sports agents.
Prerequisite(s): LAW2001 or LAW2010.
Offered at Charlotte, Miami, Providence, Providence CE
4.5 Quarter Credit Hours
LEAD2920 The Law of Contracts and Sales
This course is a study of the legal principles and rules of both common law contracts and contracts for the Sale of Goods under Article 2 of the Uniform Commercial Code through the study of appellate cases, legislative enactments, legal terminology, and hypothetical problem solving. The course examines contract formation, performance, enforcement, discharge and remedies for breach.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

LAW4035 Administrative Law
This course introduces the student to the function and procedures of state and federal administrative agencies. The rule-making, investigatory, adjudicatory, and enforcement functions of such agencies are studied. The role of judicial review is also explored.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

LEAD2001 Foundations of Leadership Studies
This course draws upon a variety of research-based theories and applications germane to the study of leadership. Theoretical paradigms of motivation are discussed and applied to communication styles, decision making, risk taking, team building, conflict resolution, negotiation, diversity and inclusion. Leadership traits, leadership styles and roles are examined in the context of ethics, power and social responsibility.
Prerequisite(s): Sophomore status. (SL) (HO)
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LEAD2010 Special Topics in Leadership
The field of leadership studies encompasses a wide and complex range of topics. This course presents students and faculty alike with a unique opportunity to examine revolving areas of current and relevant leadership theories and practices. Areas of specialized leadership interest include, but are not limited to: Global Issues, Women in History (LEAD2011), Entrepreneurial, Sub-Saharan Leadership or Business and Religion.
Prerequisite(s): LEAD2001 or LEAD2901.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LEAD2012 Power and Leadership
In order to be an effective leader, an individual must understand the importance of power and how to appropriately exercise it. This course provides an overview of the nature and types of power in today’s business world. The relationship between power and influence is also explored. Since issues of power present unique challenges to students beginning new careers, special attention is given to the topics of supportive communication, relationship building, and organizational politics.
Prerequisite(s): LEAD2001 or LEAD2901.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LEAD2901 Honors Foundations of Leadership Studies
This honors course seeks to integrate fundamental leadership principles with their practical application in business and/or community settings. Students engage in in-depth assignments designed to expand their leadership development as both individuals and team members. They also develop comprehensive projects that address important and relevant leadership issues.
Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LEAD2920 Honors Inter-Campus Course in Philanthropy I
This is the first in a series of three honors courses. The honors intercampus courses on philanthropy I, II, III span the full academic year and include campus-based preparation (see prerequisites), an externship with a local foundation/philanthropic organization, and a common statewide seminar. The course works to bring a diverse group of students from colleges and universities in Rhode Island together for community-based experiential education focusing on public sector workforce development in the fields of philanthropy and grant making.
Prerequisite(s): Permission of department chair.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

LEAD2921 Honors Intercampus Course in Philanthropy II
This is the second in a series of three honors courses. The honors intercampus courses on philanthropy span the full academic year and include campus-based preparation (see prerequisites), an externship with a local foundation/philanthropic organization, and a common statewide seminar. The course works to bring a diverse group of students from colleges and universities in Rhode Island together for community-based experiential education focusing on public sector workforce development in the fields of philanthropy and grant making.
Prerequisite(s): LEAD2920.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

LEAD3010 Leadership Through Film and Literature
This course is an examination of contemporary theories pertaining to leadership in group, organizational and societal settings. The content of the course draws from the humanities as viewed through film and literature selections to illustrate different leadership styles and concepts. The course is based on the premise that leadership, like literature and film, is an art form whose effectiveness is enabled and enhanced through visual presentation.
Prerequisite(s): LEAD2001 or LEAD2901 or SEE2015 or permission of department chair. (WI)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LEAD3020 Creative Leadership
Creativity can be a valuable tool for leadership in the 21st century. The objective of this course is to develop and enhance one’s own creativity, allowing each individual the opportunity to become a more productive leader of tomorrow. Extensive classroom participation and a variety of activities allow each student to experience personal growth and influence the growth of others.
Prerequisite(s): LEAD2001 or LEAD2901 or SEE2015 or permission of department chair. (HO) (WI)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LBS5309 Liberal Studies Internship
Students may choose an internship in a variety of fields, such as public service or communications, and in many settings, including nonprofit and government agencies, arts organizations, or others related to their interests. Internship assignments provide opportunities for students to gain real world experience by applying their skills and knowledge to meet the needs of a business or community organization.
Prerequisite(s): Junior status.
Offered at Providence, Providence CE
4.5-13.5 Quarter Credit Hours

LIT2030 African-American Literature
This course examines African-American literature in a variety of genres from its conception in the days of slavery to contemporary times. Emphasis is placed on the historical and social significance of major works of African-American literature, as well as on the unique artistic contributions of African-American authors to the American literature canon.
Prerequisite(s): ENG1020 or ENG1920 or English placement. (SL) (WI)
Offered at Charlotte, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LIT2040 African-American Literature I
This course acquaints the student with American literature from its Puritan origins through the mid-19th century. Students study representative authors, poets, and playwrights and are exposed to a variety of forms, styles and genres. Special attention is paid to the formation of the American literary tradition.
Prerequisite(s): ENG1020 or ENG1920 or English placement. (SL) (WI)
Offered at Charlotte, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LIT2050 American Literature II
This course acquaints the student with American literature from the Civil War to the present. Students study representative authors, poets, and playwrights and are exposed to a variety of forms, styles and genres. Special attention is paid to the development of our national identity through literary experience.
Prerequisite(s): ENG1020 or ENG1920 or English placement. (WI)
Offered at Charlotte, Denver, Providence, Providence CE
4.5 Quarter Credit Hours
LIT3001 Studies In Drama
This is an introductory course in the history of drama. Critical analyses of literary elements are conducted in the context of genres from the ancient Greeks to contemporary drama. Both written works and performances are examined and analyzed.
Prerequisite(s): ENG1020 or ENG1920 or English placement. (HO) (WI)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LIT3015 Food In Film And Literature
This course is designed to acquaint the student with the art forms of film and literature with a focus on food as its primary subject. The course focuses on the important books, essays, short stories, plays and films that have made major achievements in film and literature. Students develop the critical skills necessary to increase their understanding of the experience of film and literature.
Prerequisite(s): ENG1020 or ENG1920 or English placement. (HO) (OL) (WI)
Offered at Charlotte, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

LIT3020 Studies In The Short Story
This course prepares the student to read, analyze, and write about the short story from different critical perspectives. Students study representative authors and are exposed to a variety of forms and styles of the short story from a wide range of historical periods.
Prerequisite(s): ENG1020 or ENG1920 or English placement. (HO) (WI)
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

LIT3030 Studies In Poetry
This course prepares the student to read, analyze, and write about poetry from different critical perspectives. Students study representative poets and are exposed to a variety of forms and techniques of poetry from the Middle Ages to the contemporary.
Prerequisite(s): ENG1020 or ENG1920 or English placement. (HO) (WI)
Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

LIT3040 Sports in Film and Literature
This course focuses on the significant inspiration of athletic endeavors upon the literary and cinematic imagination. Writers of fiction and non-fiction, prose writers, and poets have discovered in the athletic experience a useful metaphor to express the very purpose and meaning of life. Modern film explores both the realism and romanticism of sports in popular culture. This course is designed to acquaint the student with the essence of games as myth and metaphor and develop an appreciation of the historical context in which the stories are constructed and heard.
Prerequisite(s): ENG1021 or ENG1921. (OL) (WI)
Offered at Charlotte, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

LIT3050 Contemporary Approaches to Classical and World Mythology
This course introduces students to classical and world mythology in order to understand the eternal, timeless nature of universal archetypes and themes while also exploring how they acquire new, contemporary meanings. Students learn to interpret myth using elements of literature as well as through the theories of myth interpretation. From Homer to Harry Potter, emphasis is placed upon analysis of primary readings as well as their interpretations within the context of a variety of disciplines. Class discussions and student writing encourage critical thinking, synthesis and application of the terminology of the study of mythology.
Prerequisite(s): ENG1020 or ENG1920 or English placement. (HO) (OL) (WI)
Offered at Online, Providence, Providence CE
4.5 Quarter Credit Hours

LIT4010 Science Fiction
This course analyses the evolution of science fiction from its early origins to the present. Fantastic and futuristic elements of plot are examined as social commentary. A variety of styles in several genres include traditional science fiction, fantasy, horror and cyberpunk.
Prerequisite(s): ENG1020 or ENG1920 or English placement. (HO) (WI)
Offered at Charlotte, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

LIT4030 Multi-Ethnic Literature
This course introduces students to fiction, autobiography, poetry, drama and many other forms of literature by writers from many racial and ethnic backgrounds including African American, Asian American, Latino, Chicano, American Indian and more. Emphasis is placed on the historical context in which the writings have evolved as well as the problems encountered by these various cultural groups as they intersect with American culture. Through reading the literature of many cultures and countries, students search for the common themes that unite humanity across the globe.
Prerequisite(s): ENG1020 or ENG1920 or English placement. (HO) (WI)
Offered at Charlotte, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MATH0010 Basic Mathematics
This course is designed to teach students the basic mathematical concepts and methods that will assist them in using mathematics in both their personal and professional lives. Topics include problem solving, sets, probability, statistics, consumer mathematics, and the rudiments of college algebra.
Prerequisite(s): MATH0010 or math placement. (HY) (HO) (OL)
Offered at Charlotte, Denver, Denver CE, Miami, Online, Providence, Providence CE
2.25 Quarter Credit Hours

MATH1002 A Survey of College Mathematics
This course is designed to teach students the basic mathematical concepts and methods that will assist them in using mathematics in both their personal and professional lives. Topics include a review of basic arithmetic, an introduction to algebra, and problem-solving techniques.
Offered at Charlotte, Denver, Denver CE, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MATH1020 Fundamentals of Algebra
This course provides students with a working knowledge of the basic elements of algebra. Topics covered include equations and inequalities, graphing, systems of equations, exponents and logarithms, factoring, rational expressions, and radicals.
Prerequisite(s): MATH0010 or math placement. (HO)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MATH1030 PreCalculus
This course features the concepts and techniques essential for the study of calculus. Topics include functional notation, algebraic, trigonometric, exponential and logarithmic functions, analytic trigonometry, and matrix algebra.
Prerequisite(s): MATH1020 or math placement. (HO)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MATH1040 Calculus I
This course provides students with an introduction to the basic elements of differential and integral calculus. Topics include functions and limits, continuity, differentiation and its applications, relative extrema, and an introduction to integration.
Prerequisite(s): MATH1030 or equivalent or math placement.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours
MATH1041 Calculus II
This course is a continuation of MATH1040. Topics include a detailed treatment of the calculus of transcendental functions, formal integration methods, improper integrals, infinite series, and further topics in analytic geometry.
Prerequisite(s): MATH1040.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

MATH1930 Quantitative Analysis I
A continuation of Algebra, this course begins with the study of linear equations and their applications to business and economics. Matrices are covered in detail. Linear programming, quadratic models and a brief introduction to differential calculus are also presented.
Prerequisite(s): MATH1020 or equivalent, or permission of department chair, or placement. (HY)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MATH1931 Quantitative Analysis II
A continuation of MATH1930, this course further examines the applications of the derivative such as maxima and minima, and marginal analysis. Both indefinite and definite integration are discussed along with their application to business and economics. Partial differentiation and functions of several variables are also presented.
Prerequisite(s): MATH1930 or equivalent, or permission of department chair.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

MATH2001 Statistics
This course is designed to provide students with the basic statistical concepts and techniques that will assist them in both their personal and professional lives. Topics include measures of central tendency and dispersion, probability distributions of both discrete and continuous random variables, sampling distributions, estimation theory, and an introduction to hypothesis testing.
Prerequisite(s): MATH1002 or MATH1020 or MATH1030 or MATH1930 (minimum grade of C in MATH1002 or MATH1020 required for hybrid sections of MATH2001) or equivalent. (HY) (HO) (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

MATH2005 Special Topics in Mathematics
This course presents a specialized area of mathematics in great detail. Each academic year, a specialized topic is chosen which is of interest to both students and faculty. Typical specialized topics may be chosen include, but are not limited to, number theory, numerical analysis, matrix theory, mathematical logic, abstract algebra and geometry.
Prerequisite(s): MATH1002 or equivalent. Other prerequisites may vary from year to year.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MATH2021 Statistics II
This course is a continuation of Statistics I. It is designed to provide students with the statistical concepts and techniques of inferential statistics. Topics covered include hypothesis testing, testing the difference between two means, two proportions, and two variances; correlation and regression, Chi-square tests, analysis of variance, sampling techniques, and an introduction to simulation techniques.
Prerequisite(s): MATH2001. (HO)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

MATH2042 Calculus III
This course is a continuation of MATH1041. It is designed to provide students with a detailed treatment of the calculus of functions of several variables and vectors. Topics include vector algebra, vector-valued functions, partial derivatives, vector differential calculus, and the integration of vector fields including the Divergence Theorem and Stokes’ Theorem.
Prerequisite(s): MATH1041.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

MATH2043 Ordinary Differential Equations
This course introduces the student to the field of ordinary differential equations. Topics include methods for solving linear differential equations and their applications, series solutions of linear differential equations, the solution of systems of linear differential equations along with their applications, and phase plane methods for nonlinear systems.
Prerequisite(s): MATH1041.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

MATH3020 Discrete Mathematics
This course is designed to give students the basic mathematical concepts and methods that are prevalent in information science. Topics include sets, relations and functions, elementary graph and network theory, trees, matching algorithms, network flows, counting techniques, and recurrence relations.
Prerequisite(s): MATH1020 or permission of department chair.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

PHIL3015 History of Philosophy
This is a survey of the development of Western philosophic thought. A clear sense is gained of the relative richness and poverty of philosophic interpretation of different periods. The thinking and works of outstanding philosophers of each period are considered, and the major schools of philosophic thought and their adherents are reviewed. Some of the major problems of philosophy are examined: appearance versus reality, determinism versus free will, knowledge and existence, body-mind relations, truth and error, good and evil, space and time, reality and what we can know.
Prerequisite(s): ENG1020 or ENG1920 or English placement.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

PHIL3020 Crisis and Controversy: A Critical Thinking Approach
This course encourages students to use critical thinking skills in order to make decisions, solve problems, develop new ideas, evaluate arguments and tolerate ambiguity while exploring complex social questions. Emphasis is on understanding the elements of reasoning, imposing criteria and intellectual standards upon reasoning, and assessing individual thinking processes. Students hone critical thinking skills by actively engaging in the study of social conflicts and controversies that operate at individual, communal and global levels.
Prerequisite(s): ENG1020 or ENG1920 or English placement. (SL) (HO)
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

PHIL3040 Ethics of Business Leadership
This course examines the basic principles of ethics and their philosophical foundations, particularly as they apply to institutions, environments, leadership and other activities and pursuits of business. It examines those aspects of human behavior which can be labeled right and wrong. It considers the moral obligations of leaders and followers when discussing actual cases from a variety of business organizations that have presented management and subordinates with difficult moral dilemmas. It considers also the particular responsibilities of leadership in fostering and implementing ethical awareness within a corporate culture.
Prerequisite(s): ENG1020 or ENG1920 or English placement. (HO) (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

PSCI3001 Introduction to Political Science
Political Science is the rigorous and disciplined study of government and politics. This is a “gateway” course designed to reveal to students the ubiquity of political phenomena in their lives. The workings of politics, viewed alternatively as the authoritative allocation of values, or as the study of who gets what, when, where, why, and how, will be studied in a variety of incarnations, in small and large groups, and in private and public dress. The rational choice perspective will be used to formulate and analyze theoretical issues in political analysis.
Prerequisite(s): Sophomore status. (WI)
Offered at Charlotte, Miami, Providence, Providence CE
4.5 Quarter Credit Hours
PSCI3005 Contemporary Political Ideologies
A small but powerfully influential set of political ideologies have dominated, and continue to dominate, social and political events throughout the world in the last and this century. Robust ideologies (democracy, nationalism, Islam, and their variants) have impelled their followers to produce the deaths of millions, and continue to control the destinies of hundreds of millions. This course tries to make sense of a century of ideological struggle, with the hope of understanding the continuing relevance of political ideology in fashioning the fate of peoples and nations.
Prerequisite(s): Sophomore status. (WI)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

PSCI3010 Introduction to World Politics
This course provides a comprehensive introduction to the study of world politics. Analytical tools and philosophical doctrine are first discussed to lay a foundation for understanding the driving forces in international relations. The chronic nature of war and ceaseless search for peace are discussed next, with special emphasis on 20th-century history. Next examined are the theory and practice of economic relations among advanced industrial economies, and the pace of development in the third world, or the “South”. Special problems posed by multiethnic and multinational diversity within nations are an important theme of the course. Other possible topics, time allowing, include different historical and possible future systems of international relations; imperialism; cold war politics; national security theory, including deterrence, and the success of international political and monetary organizations.
Prerequisite(s): Sophomore status. (WI)
Offered at Miami, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2001 Introductory Psychology
Introductory Psychology is the scientific study of behavior and mental processes. Ethical application of the scientific method is used to examine nervous system structures and functions, learning, memory, intelligence and states of consciousness. (SL) (HO) (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2002 Abnormal Psychology
This course examines the major theoretical approaches to psychological and other behavior disorders. Included are definitional criteria, causes, prevalence, related conditions and current treatment programs for both children and adults. Emphasis is placed on the sociocultural context of psychological disorders as well as on correcting common stereotypes about mental and emotional illness.
Prerequisite(s): PSYC2001 or PSYC2901.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2030 Developmental Psychology
This survey course is designed to introduce the student to the concepts, theories, and recent research in the area of human life span from conception to late adulthood. The integrative process of physical cognitive and psychosexual development during significant periods of maturation is examined.
Prerequisite(s): PSYC2001 or PSYC2901.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2040 Psychological Issues of Addiction and Compulsive Behavior
This course examines the various types of addictions and accompanying compulsive behaviors and symptomology related to these disorders. It focuses on problems related to the addictive process. Topics include but are not limited to: compulsive gambling, alcohol and substance abuse addiction, sexual addictions, eating disorders and other compulsive behaviors. Relevant topics such as the addictive process and personality are addressed along with the familial effects and psychosocial impact of addiction on business and industry. Various treatment approaches and methods of recovery are discussed. Methods of awareness, identification and distinction between various compulsive disorders and addiction along with the biopsychosocial model of addiction are delineated.
Prerequisite(s): PSYC2001 or PSYC2901.
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2001 Introductory Psychology
This course introduces the students to the world’s great religions; Hinduism, Buddhism, Judaism, Christianity and Islam are emphasized. The focus is interdisciplinary and includes history, cultural traditions and textual analysis of each religion’s literature in relation to these religions. (WI)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2002 Abnormal Psychology
This course examines the major theoretical approaches to psychological and other behavior disorders. Included are definitional criteria, causes, prevalence, related conditions and current treatment programs for both children and adults. Emphasis is placed on the sociocultural context of psychological disorders as well as on correcting common stereotypes about mental and emotional illness.
Prerequisite(s): PSYC2001 or PSYC2901.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2010 Personality
Students engage in the study of various personality theories in the context of psycho-philosophical differences in personality. Personality development, assessment methods, theoretical application, integration and critical evaluation of each theory are analyzed. Application of theory to actual and hypothetical cases is expected throughout the course.
Prerequisite(s): PSYC2001 or PSYC2901.
Offered at Charlotte, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

PSYC2020 Industrial/Organizational Psychology
This course emphasizes the psychological principles involved in group performance, power, leadership styles and behavioral motivation. It includes discussion and analysis of organizational research and the application of the results to businesses and industrial situations. It is designed to assist the business student in incorporating psychological knowledge into his or her managerial and leadership style in order to increase on-the-job productivity.
Prerequisite(s): PSYC2001 or PSYC2901.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

REL2001 Comparative Study of World Religions: An Interdisciplinary Approach
This course introduces the students to the world’s great religions; Hinduism, Buddhism, Judaism, Christianity and Islam are emphasized. The focus is interdisciplinary and includes history, cultural traditions and textual analysis of each religion’s literature in relation to these religions. (WI)
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours
RSCH2050 Research Methods in Applied Settings
Using quantitative and qualitative research methods, students learn how to plan, conduct, and write a research project and select and interpret data. The course provides students with the required knowledge to conduct basic research in the field of psychology, including evaluation of primary and secondary research and learning to use and interpret statistics in specific applied situations. Students learn APA documentation, engage in exercises in primary sourcing techniques, and receive an overview of the publication process.
Prerequisite(s): MATH2001, PSYC2001 or PSYC2901.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

RSCH4050 Research Seminar in Counseling Psychology
This capstone course is designed to complete the major program of study by integrating the student’s prior academic experiences in Counseling Psychology. A seminar format is used to encourage student participation and interaction with peers and with faculty. Each participant chooses a topic within the concentrations available for the Counseling Psychology program. The topic is explored through individual research, periodic presentations and discussion. Discussion focuses on both substantive and methodological concerns, as well as interconnections among areas of study.
Prerequisite(s): RSCH2050, senior status. (WI)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

SCI1011 General Physics I
SCI1011 is the first of a two part introductory Physics course sequence using algebra-based approaches to analyze physics phenomena. It introduces students to vector algebra and the basic principles of classical mechanics, applying the concepts of work, energy, linear momentum, and angular momentum to physical phenomena. SCI1011 must be taken concurrently with the laboratory section (see SCI1041, General Physics I Laboratory).
Prerequisite(s): MATH1020 (or concurrent), Corequisite: SCI1041.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

SCI1012 General Physics II
SCI1012 is the second of a two part introductory Physics course sequence using algebra-based mathematical approaches to analyze physics phenomena. It introduces students to heat, wave propagation, wave energy, reflection, refraction, electricity, magnetism, circuits, and semiconductors. SCI1012 must be taken concurrently with the laboratory section (see SCI1042, General Physics II Laboratory).
Prerequisite(s): SCI1011, MATH1020, Corequisite: SCI1042.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

SCI1015 Introduction to Life Science
This course describes key biological and chemical principles that apply to all living things. Evolution and natural selection are studied as an explanation for thehistory of life on Earth. Students examine cells and cell functions, genetics, as well as structure and function of human body systems. Application of scientific methodology is included. (HO) (OL)
Offered at Charlotte, Denver, Denver CE, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

SCI1021 General Chemistry
This comprehensive course is for those fields requiring knowledge of general chemical concepts. Emphasis is on applied areas of interest where aspects of atomic and molecular structure and function are particularly important. Topics covered include stoichiometry of chemical reactions, energy interrelationships between reactants, atomic structure, and chemical bonding.
Prerequisite(s): MATH1020 or equivalent, Corequisite: SCI1022. (HO)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

SCI1022 General Chemistry Lab
This is an inquiry based laboratory supplement course coordinated with SCI1021 General Chemistry. Students work in small teams to solve chemistry lab problems by performing observations and generating data to develop new concepts. Students design their own experiments and make decisions within their teams in a collaborative manner. They have the opportunity to practice the scientific skills used by chemists who perform research. Topics covered include the mole concept, chemical reactions, energy interrelationships between reactants, atomic and molecular structure, and chemical bonding.
Prerequisite(s): MATH1020 or equivalent, Corequisite: SCI1021. (HO)
Offered at Providence, Providence CE
2.25 Quarter Credit Hours

SCI1041 General Physics I Laboratory
SCI1041 is an introductory algebra based Physics Laboratory that meets three hours a week. It is an inquiry based laboratory course coordinated with SCI1011 General Physics I. Small teams of students work together to solve practical Newtonian physics problems by conducting a sequence of observations and tests. Students are responsible for developing their own experiments and task assignments as they work within collaborative team structures, using the collected data to construct original models of physical phenomena. Students practice skills employed by professional engineers and scientists. The laboratory exercises reinforce theories discussed in class, including error analysis, vector algebra, kinematics, conservation of energy, momentum, and rotational motion.
Prerequisite(s): MATH1020 (or concurrent), Corequisite: SCI1011.
Offered at Providence, Providence CE
1.5 Quarter Credit Hours

SCI1042 General Physics II Laboratory
SCI1042 is an introductory algebra based Physics Laboratory that meets three hours a week. It is an inquiry based laboratory course coordinated with SCI1012 General Physics II. Small teams of students work together to solve practical Newtonian physics problems by conducting a sequence of observations and tests. Students are responsible for developing their own experiments and task assignments as they work within collaborative team structures, using the collected data to construct original models of physical phenomena. Students practice skills employed by professional engineers and scientists. The laboratory exercises reinforce theories discussed in class, including error analysis, heat transfer, electric and magnetic fields, circuits, digital instruments, and optics.
Prerequisite(s): SCI1011, MATH1020, Corequisite: SCI1012.
Offered at Providence, Providence CE
1.5 Quarter Credit Hours

SCI1915 Honors Introduction to Life Science
The honors life science course uses evolution and its mechanisms as a framework to present key biological and chemical principles that apply to all living things. Students examine applications of the scientific method, the chemical basis of life, cells and cellular functions, genetics, as well as structure and function of human body systems. Readings, activities and assignments are used to highlight the modern synthesis of evolution.
Offered at Charlotte, Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SCI2005 Introduction to Botany
This course provides a comprehensive description of the structure, physiology and reproduction of plants of economic value. Focus is on the relationship between plants and humans, including the role of plants as food sources such as rice, corn and wheat, as well as industries which are plant based. The importance of plants in maintaining environmental balance is also discussed with an emphasis on topics of current interest. (HO)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

SCI2010 Nutrition
This course in basic human nutrition examines metabolic energy derived from carbohydrates, proteins and lipids. Pathways for the utilization of this energy to build new biomolecules, including nucleic acids, are discussed, as are the consequences of nutrient deficiencies. Ways to achieve and maintain nutrient balance are a central part of the course. The significance of vitamins and minerals and possible toxicity due to overabundance is also discussed. (HO) (OL)
Offered at Charlotte, Online, Providence, Providence CE
4.5 Quarter Credit Hours
SCI2011 Physics I
SCI2011 is the first of a two part introductory Physics course sequence using calculus-based approaches to analyze physics phenomena. It introduces students to vectors and the basic principles of classical mechanics, applying the concepts of work, energy, linear momentum, and angular momentum, to physical phenomena. SCI2011 must be taken concurrently with the laboratory section (see SCI2041, Physics I Laboratory).
Prerequisite(s): MATH1040 (or concurrent), Corequisite: SCI2041. Offered at Providence, Providence CE
4.5 Quarter Credit Hours

SCI2012 Physics II
SCI2012 is the second of a two part introductory Physics course sequence using calculus-based mathematical approaches to analyze physics phenomena. It introduces students to heat, wave propagation, wave energy, reflection, refraction, electricity, magnetism, circuits, and semiconductors. SCI2012 must be taken concurrently with the laboratory section (see SCI2042, Physics II Laboratory).
Prerequisite(s): SCI2011 or SCI1011, MATH1040, Corequisite: SCI2042. Offered at Providence, Providence CE
4.5 Quarter Credit Hours

SCI2020 Exercise Physiology
This course introduces topics in the physiology and anatomy of exercise, cardiovascular fitness, nutrition, and weight control. Emphasis is placed on understanding the scientific basis for a wellness program. (HO) Offered at Charlotte, Providence, Providence CE
4.5 Quarter Credit Hours

SCI2031 Anatomy and Physiology
This basic course covers the anatomy and physiology of the human organism, based on the cell, tissue, organ and system structures of the body. An integral part of this course is the learning of medical terminology. (HO) Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

SCI2040 Marine Biology
This course is an introduction to both the biological and physical aspects of the marine environment, including a survey of the organisms that inhabit the world’s oceans, their ecology, species evolution and distribution, and the human impact of commercial marine-related industries. Of particular interest are seafood, shellfish and marine plants as marine food sources, as well as shipping and maritime industries. (HY) (HO) Offered at Denver, Denver CE, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SCI2041 Physics I Laboratory
SCI2041 is an introductory calculus based Physics Laboratory class that meets three hours per week. It is an inquiry-based laboratory course coordinated with SCI2011 Physics I. Small teams of students work together to solve practical Newtonian physics problems by conducting a sequence of observations and tests. Students are responsible for developing their own experiments and task assignments as they work within collaborative team structures, using the collected data to construct original models of physical phenomena. Students practice skills employed by professional engineers and scientists. The laboratory exercises reinforce theories discussed in class, including error analysis, vector algebra, kinematics, conservation of energy, momentum, and rotational motion.
Prerequisite(s): MATH1040 (or concurrent), Corequisite: SCI2011. Offered at Providence, Providence CE
1.5 Quarter Credit Hours

SCI2042 Physics II Laboratory
SCI2042 is an introductory calculus based Physics Laboratory class that meets three hours per week. It is an inquiry-based laboratory course coordinated with SCI2012 Physics II. Small teams of students work together to solve practical Newtonian physics problems by conducting a sequence of observations and tests. Students are responsible for developing their own experiments and task assignments as they work within collaborative team structures, using the collected data to construct original models of physical phenomena. Students practice skills employed by professional engineers and scientists. The laboratory exercises reinforce theories discussed in class, including error analysis, heat transfer, electric and magnetic fields, circuits, digital instruments, and optics.
Prerequisite(s): SCI2011 or SCI1011, MATH1040, Corequisite: SCI2012. Offered at Providence, Providence CE
1.5 Quarter Credit Hours

SCI2045 Introduction to General and Organic Chemistry
This course examines the chemistry of carbon-containing molecules relevant to biological systems such as the human body, beginning with basic atomic structure, chemical bonding and reactions, and the chemistry of acids, bases, buffers, and salts. Organic chemistry of all functional groups are examined, including saturated/unsaturated hydrocarbons, aldehydes and ketones, carboxylic acids, amines, and alcohols. Emphasis is given to those compounds of biochemical importance.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

SCI3010 Environmental Science
This course presents major scientific concepts dealing with the biological and physical nature of the world we live in. A major theme is the impact of human population and economic growth on the biodiversity and ecosystems of our planet, considering how sustainable use of the world’s resources may be achieved for both developing and developed nations. Topics such as energy, air, water or resource use, land use and agriculture are discussed. (HO) Offered at Charlotte, Denver, Denver CE, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SCI3020 Sustainability Policy and Planning
In this course students are introduced to the application of scientifically sound sustainability policies and their effects. Through the study of relevant case studies, this course demonstrates how corporate leaders can gain a strategic advantage by fostering sustainable development principles within their organizations. Businesses have typically been viewed as major contributors to environmental problems but they have also been extremely important participants in solutions. Students investigate policy efforts that promote responsible management of social, economic, and environmental resources and examine the roles of governments, markets, and nonprofit organizations in the implementation of sustainable development laws and policies.
Prerequisite(s): SCI3010 or SCI3910. (HO) (OL) Offered at Charlotte, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

SCI3030 Introduction to Ecology
This course combines biology and other sciences to study how living things interact with each other and with their non-living environment. Topics such as competition and predation, the one-way flow of energy, and the cycling of nutrients through ecological communities are examined. Other topics such as biodiversity, major terrestrial and aquatic biomes, succession, and the methods and goals of environmental conservation are discussed. (HO) Offered at Miami, Providence, Providence CE
4.5 Quarter Credit Hours

SCI3040 Biochemistry
This course examines the chemistry of carbon-containing molecules relevant to biological systems such as the human body, beginning with basic atomic structure, chemical bonding and reactions, and the chemistry of acids, bases, buffers, and salts. Organic chemistry of all functional groups are examined, including saturated/unsaturated hydrocarbons, aldehydes and ketones, carboxylic acids, amines, and alcohols. Emphasis is given to those compounds of biochemical importance.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

SCI3050 Science and Civilization: Progress and Problems
In this course students are introduced to the application of scientifically sound sustainability policies and their effects. Through the study of relevant case studies, this course demonstrates how corporate leaders can gain a strategic advantage by fostering sustainable development principles within their organizations. Businesses have typically been viewed as major contributors to environmental problems but they have also been extremely important participants in solutions. Students investigate policy efforts that promote responsible management of social, economic, and environmental resources and examine the roles of governments, markets, and nonprofit organizations in the implementation of sustainable development laws and policies.
Prerequisite(s): SCI3010 or SCI3910. (HO) (OL) Offered at Charlotte, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

SCI3070 Introduction to General and Organic Chemistry
This course examines the chemistry of carbon-containing molecules relevant to biological systems such as the human body, beginning with basic atomic structure, chemical bonding and reactions, and the chemistry of acids, bases, buffers, and salts. Organic chemistry of all functional groups are examined, including saturated/unsaturated hydrocarbons, aldehydes and ketones, carboxylic acids, amines, and alcohols. Emphasis is given to those compounds of biochemical importance.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

SCI3090 Sustainability Policy and Planning
In this course students are introduced to the application of scientifically sound sustainability policies and their effects. Through the study of relevant case studies, this course demonstrates how corporate leaders can gain a strategic advantage by fostering sustainable development principles within their organizations. Businesses have typically been viewed as major contributors to environmental problems but they have also been extremely important participants in solutions. Students investigate policy efforts that promote responsible management of social, economic, and environmental resources and examine the roles of governments, markets, and nonprofit organizations in the implementation of sustainable development laws and policies.
Prerequisite(s): SCI3010 or SCI3910. (HO) (OL) Offered at Charlotte, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

SCI3100 Science and Civilization: Progress and Problems
In this course students are introduced to the application of scientifically sound sustainability policies and their effects. Through the study of relevant case studies, this course demonstrates how corporate leaders can gain a strategic advantage by fostering sustainable development principles within their organizations. Businesses have typically been viewed as major contributors to environmental problems but they have also been extremely important participants in solutions. Students investigate policy efforts that promote responsible management of social, economic, and environmental resources and examine the roles of governments, markets, and nonprofit organizations in the implementation of sustainable development laws and policies.
Prerequisite(s): SCI3010 or SCI3910. (HO) (OL) Offered at Charlotte, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

SCI3500 Science and Civilizations: Progress and Problems
In this course students are introduced to the application of scientifically sound sustainability policies and their effects. Through the study of relevant case studies, this course demonstrates how corporate leaders can gain a strategic advantage by fostering sustainable development principles within their organizations. Businesses have typically been viewed as major contributors to environmental problems but they have also been extremely important participants in solutions. Students investigate policy efforts that promote responsible management of social, economic, and environmental resources and examine the roles of governments, markets, and nonprofit organizations in the implementation of sustainable development laws and policies.
Prerequisite(s): SCI3010 or SCI3910. (HO) (OL) Offered at Charlotte, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

SCI3600 Introduction to General and Organic Chemistry
This course examines the chemistry of carbon-containing molecules relevant to biological systems such as the human body, beginning with basic atomic structure, chemical bonding and reactions, and the chemistry of acids, bases, buffers, and salts. Organic chemistry of all functional groups are examined, including saturated/unsaturated hydrocarbons, aldehydes and ketones, carboxylic acids, amines, and alcohols. Emphasis is given to those compounds of biochemical importance.
Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours
SCI4060 Food Microbiology
Food Microbiology introduces students to a wide variety of topics regarding the biology of food and water associated microorganisms. Important topics include: all varieties of microbial agents of food and water borne disease, characteristics of important species of food spoilage microbes, identification and control of disease agents associated with food and water, beneficial microbial action, microbial genetics and bacterial genomics. The interaction of microbes with the human digestive and immune systems is also studied. Prerequisite(s): SCI1015 or SCI1915, SCI2031, senior status or permission of department chair. Corequisite: SCI4061. (HO) Offered at Denver, Providence, Providence CE 4.5 Quarter Credit Hours

SCI4061 Food Microbiology Lab
Food Microbiology Lab is a laboratory companion course coordinated with SCI4060. Using live cultures, students examine the properties of various microbes and factors which contribute to their control and their contamination of foods. Unknown microbes are identified using both traditional and genetic microbiological techniques. Beneficial microorganisms are also studied. Students master microscopy using compound light microscopes. Prerequisite(s): SCI1015 or SCI1915, SCI2031, senior status or permission of department chair, Corequisite: SCI4060. (HO) Offered at Denver, Providence, Providence CE 2.25 Quarter Credit Hours

SOC2001 Sociology I
This course provides an introduction to sociology with the focus of study on how humans interact with a society, both as individuals and in groups. Emphasis is placed on sociological methods and perspectives/paradigms. (SL) (HY) (HO) (OL) Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

SOC2002 Sociology II
This course is a continuation of Sociology I focusing on patterns of behavior or institutions that our culture has established. Emphasis is placed on studying those institutions which are essential to the survival of the individual and the group. Prerequisite(s): SOC2001 or SOC2901. (SL) Offered at Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

SOC2010 Sociology of Digital Environments
This course provides an introduction to the digital world as both a setting of social interaction and as a social and historical phenomenon. Attention is given to the ways that virtuality has both transformed and been influenced by other institutional domains such as family, media, art and work. This focus on the digital world advances students' sociological understanding of the human experience. Offered at Miami, Providence, Providence CE 4.5 Quarter Credit Hours

SOC2020 Culture and Food
Culture and Food is a course on the sociology of food. Students are challenged to think and rethink the place of food in the human experience. The courses focuses on how the discipline of sociology, and its borrowing from anthropology and other fields, examines food as a cultural and social artifact and how food and social identity intersect. (SL) (HO) (OL) (WI) Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

SOC2025 Cultural Tapestry: Perspectives in Diversity
This course approaches the study of diversity by offering students an opportunity to understand the meaning of difference from a multitude of perspectives. Students study how categories of diversity are created, the experience of being perceived as different in society, and the consequences of difference as gauged by the allocation of privilege and resources to differing groups within society. Such categories as race, ethnicity and national identity, socioeconomic status, gender differences, sexual orientation, learning styles and religious affiliation are addressed. Similarities between ethnic groups and cultures are also examined. The sociological paradigms/perspectives are also utilized in the study of diversity. Students shape a presentation that addresses diverse subject matter in an experiential manner. As the course concludes, attention is directed towards identifying strategies that can be employed both on a macrolevel in society and on a microlevel within the students' realm of influence, to broaden the acceptance of differing perspectives in a pluralistic society. Prerequisite(s): SOC2001 or SOC2901. Offered at Charlotte, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

SOC2035 Sociology of Aging
Aging is a lifelong process that affects individuals, families, and cultures across the globe. It encompasses a multitude of dimensions - physiological, emotional, cognitive, economic, and interpersonal - that influence a person's physical and social well-being. This course examines aging from multiple perspectives and addresses the roles that individuals, families, service industries, and government play in attempting to meet the needs of this growing population. Prerequisite(s): SOC2001 or SOC2901. Offered at Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

SOC2040 Community Leadership: An Applied Sociology
This interdisciplinary course [sociology, leadership and service learning] is designed to provide students with the opportunity to combine theoretical learning with actual volunteer work at a nonprofit organization. Through student-initiated placement at one of many pre-designated sites, students are exposed to various aspects of the not-for-profit industry including administrative, fundraising and community outreach responsibilities, as well as having personal contact with the organization's clientele. Additionally, students are expected to utilize their leadership skills by initiating a substantial agency-based project, in conjunction with their on-site supervisor, which serves as a tangible contribution to the overall organization. (SL) Offered at Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

SOC2050 Cultures of Africa
This course gives students a grounding in the cultures of Sub-Saharan Africa. Students consider how the lives of Africans have been shaped by many forces: geographic, economic, religious, historical, political, linguistic and social. They become more familiar with many Sub-Saharan African cultures by examining films, television programs, literature, and newspapers from around the continent, in addition to more traditional academic sources. Prerequisite(s): SOC2001 or SOC2901. Offered at Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

SOC2060 Deviant Behavior
The purpose of this course is to provide students with a clear understanding of the nature and meaning of deviance. Students learn what is considered the norm in society, what is outside the norm, and how each is relative in nature. Theoretical explanations, cross cultural references and in depth analyses of deviant behavior are studied from the three dominant sociological paradigms. Who defines deviance, what is deviant, why deviance persists, the effect of labels, and the personal and social effects of deviance are discussed. Prerequisite(s): SOC2001 or SOC2901. (OL) Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours
SOC2901 Honors Sociology I
This honors course is a reading-intensive introduction to sociology. Students are introduced to the basic concepts and propositions underlying the sociological perspective and are taught to apply this perspective in an analysis of events taking place in contemporary society. The focus of study is how humans interact within a society, both as individuals and as members of groups. Emphasis is placed on sociological methods and on the terminology used. The attention to both the macro-issues of stratification, inequality and social structure, as well as the micro-issues of socialization, acculturation and the social construction of reality are combined with "real-life" events, making the learning process even more relevant.
Prerequisite(s): Enrollment in Honors Program or permission of department chair.
Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

SOC3010 Social Issues in Contemporary America
This course is designed to provide the student with a realistic understanding of contemporary social issues. The course focuses on the origins, nature and interrelationships between the various topics. Students are encouraged to consider people and conditions in society that pose problems, and to attempt to develop solutions to those problems.
Prerequisite(s): SOC2001 or SOC2901. (SL)
Offered at Miami, Providence, Providence CE 4.5 Quarter Credit Hours

SOC3050 Science and Civilization: Progress and Problems
This course explores the social, political, and historic contexts and implications of several scientific and technological developments through a variety of genres including textbooks, newspaper and magazine articles, film, music, art, literature, and the internet.
Prerequisite(s): ENG1020 or ENG1920 or English placement, successful completion of any SCI course, sophomore status. (OL)
Offered at Online, Providence, Providence CE 4.5 Quarter Credit Hours

SOC3070 Visual Literacy and the Sociology of Perception
Human perception of the social world is studied from both a communications and sociological perspective. Elements of "picture-based media" as a means of molding cultural perceptions, social biases, and personal views of reality are studied. Through a series of exercises, students critically examine images in art, still photographs, television, advertising, film, and documentaries to determine their sociological messages. Using the language of visual literacy and an understanding of perception, students test assumptions about their world.
Prerequisite(s): Junior status. (HO) (WI)
Offered at Miami, Providence, Providence CE 4.5 Quarter Credit Hours

SPAN1001 Conversational Spanish I
This course is an introduction to the Spanish language with emphasis on vocabulary acquisition, basic grammar construction and oral communications. Students who have studied more than one year of this language are required to take the foreign language placement exam.
Offered at Charlotte, Denver, Miami, Providence, Providence CE 4.5 Quarter Credit Hours

SPAN1002 Conversational Spanish II
This lower, intermediate-level course is designed to further develop conversational ability by expanding both the vocabulary and the exposure to Spanish-speaking cultures. This course concentrates greatly on advanced verb forms and idiomatic expressions.
Prerequisite(s): SPAN1001 or SPAN1011 or equivalent placement score.
Offered at Charlotte, Denver, Providence, Providence CE 4.5 Quarter Credit Hours

SPAN1003 Conversational Spanish III
This advanced intermediate course is designed to perfect the usage of advanced grammar through extensive conversational drill, directed reading, composition and laboratory practice.
Prerequisite(s): SPAN1002 or equivalent placement score.
Offered at Charlotte, Denver, Providence, Providence CE 4.5 Quarter Credit Hours

SPAN1011 Conversational Spanish I: Specialized Vocabulary
This course is designed as an introduction to the Spanish language and is tailored specifically to the needs of culinary and hospitality students. Emphasis is placed on basic sentence structure and oral communication, skills that students can use in the workplace. (HY) (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE 4.5 Quarter Credit Hours

SPAN1901 Spanish I Honors
This intensive, honors-level course is designed as an introduction to the Spanish language. Heavy emphasis is placed on vocabulary acquisition, on basic grammatical constructions and on effective oral communication. Students are also exposed to several Spanish-speaking cultures.
Offered at Denver, Providence, Providence CE 4.5 Quarter Credit Hours

SPAN1902 Spanish II Honors
This course is an intensive, honors-level course and is a continuation of Spanish I Honors. Emphasis is placed on oral and written communication skills based on a strong foundation of grammar and vocabulary building. There is also a focus on the culture of the Spanish-speaking world.
Prerequisite(s): SPAN1901 or equivalent placement score.
Offered at Denver, Providence, Providence CE 4.5 Quarter Credit Hours

CAD1000 Computer-Aided Drafting I
This course presents to the student the terminology, system hardware, disk operating system, AutoCAD software, and various screen displays necessary to perform the basic computer aided drafting functions.
Prerequisite(s): Corequisite: CAD1L00.
Offered at Providence, Providence CE 6 Quarter Credit Hours

CAD1020 Computer-Aided Drafting II
This is an intermediate level course in which the student produces drawings in the various phases architectural, electronic, and mechanical CAD. These drawings are produced in two-dimensional views using features of the AutoCAD main menu. Students become familiar with accessing and using the drawing editor with advanced commands and an emphasis on productivity; an introduction to line and menu customization; 3D wireframe/surface/solid modeling and analysis. Related lab projects are included.
Prerequisite(s): CAD1000, CAD1L00, Corequisite: CAD1L20.
Offered at Providence, Providence CE 6 Quarter Credit Hours

CAD1030 3D Parametric Modeling
This is an advanced level course in which students use commands and techniques related to 3-D modeling and analysis, and parametric drafting using several parametric modeling software packages to create parts, assemblies and drawings to industry standards. Related lab projects are included.
Prerequisite(s): Corequisite: CAD1L30.
Offered at Providence, Providence CE 6 Quarter Credit Hours

CAD1L00 Computer-Aided Drafting I Lab
Related lab projects are developed from CAD1000 Computer-Aided Drafting I to enhance a student’s ability to reinforce drafting concepts, software commands, and file management.
Prerequisite(s): Corequisite: CAD1000. (PT)
Offered at Providence, Providence CE 1 Quarter Credit Hour
CAD1L20 Computer-Aided Drafting II Lab
Related lab projects are developed from CAD1020 (Computer-Aided Drafting II) to enhance a student’s ability to reinforce drafting concepts, software commands and file management. 
Prerequisite(s): Corequisite: CAD1020. (PT)
Offered at Providence, Providence CE 
1 Quarter Credit Hour

CAD1L30 3D Parametric Modeling Lab
Related lab projects are developed from CAD1030 Computer-Aided Drafting III to enhance a student’s ability to reinforce drafting concepts, software commands and file management. 
Prerequisite(s): Corequisite: CAD1030. (PT)
Offered at Providence, Providence CE 
1 Quarter Credit Hour

CAD2000 Portfolio Development
Students are required to prepare a portfolio containing a selection of their best drawings from each of the basic drafting principles. Each student presents his/her portfolio to the instructor for critique and grading. 
Prerequisite(s): CAD2020, CAD2040. (WI)
Offered at Providence, Providence CE 
1.5 Quarter Credit Hours

CAD2020 Mechanical CAD
This course develops standard industry practices used in CAD for mechanical applications. Basic drafting topics introduced, but not limited to, are multiview projection, dimension theory and GD&T, sections, auxiliary views, pictorial drawings, basic machine parts, cams, gears, threads and fasteners. Students develop drafting conventions through sequences and revisions. Related lab assignments are based on individual projects and team projects. 
Prerequisite(s): CAD1030, CAD1L30. (PT)
Offered at Providence, Providence CE 
4.5 Quarter Credit Hours

CAD2030 Principles of Design
This course is an introduction to the fundamental elements of the design process, basic objectives of analysis, construction, and evaluation of engineering problem solving. Some topics developed, include, but are not limited to, the design team, components of design theory, creativity, open-ended problem solving, alternative solutions, and the positioning of design in the product development scheme.
Prerequisite(s): CAD1030, CAD1L30. (PT)
Offered at Providence, Providence CE 
4.5 Quarter Credit Hours

CAD2040 Architectural CAD
This course develops standard industry practices used in CAD for architectural applications. Basic drafting topics introduced include, but are not limited to, residential, commercial, structural applications for floor plans, foundation plans, elevations, sections, details and pictorial drawings. The use of national, state and local code is integrated with theory. Related lab assignments are based on individual projects and team projects. 
Prerequisite(s): CAD1020, CAD1L20.
Offered at Providence, Providence CE 
4.5 Quarter Credit Hours

CAD2050 Computer-Aided Network Design
This course is an introduction to computer-aided design of logical and physical network layouts. The core of this course is basic networking documentation control and standardization as used in industry to develop a generic method of system and product development and revision procedures. Topics developed include but are not limited to, standardization procedures within an organization, schematic and block diagrams of networks, bill of materials, revision of drawings, use of universal symbols, NEC codes, floorplans and blueprints, and use of sources to obtain information and send and receive electronic files. 
Prerequisite(s): ITEC1020 or permission of department chair. (PT)
Offered at Providence, Providence CE 
6 Quarter Credit Hours

CAD2055 Introduction to Building Information Modeling
This course is an introduction to Building Information Modeling (BIM), which is an Architectural parametric application, from design concept to managing a completed facility. This course integrates theory and lab experiences using industry software to develop digital building models. Topics covered include but are not limited to, the history of BIM, developing building models, extracting documents and modifying building elements, presentation graphics and annotations, and integrating best practices of project management. 
Prerequisite(s): Sophomore status.
Offered at Providence, Providence CE 
4.5 Quarter Credit Hours

CAD2059 Introduction to Computer-Integrated Manufacturing (CIM)
This course presents students with the terminology and practical experience of following the development of a product through concept, design development, manufacturing and product distribution. Topics covered include but are not limited to, computer aided design, concurrent engineering, “just-in-time” manufacturing, materials and product management, and communication of ideas from sales representatives to production engineers. 
Prerequisite(s): CAD1030, CAD1L30.
Offered at Providence, Providence CE 
4.5 Quarter Credit Hours

CAD2061 CAD Applications
This course develops standard industry practices used in CAD for applications related to plumbing, electrical/electronic, HVAC, welding and sheet metal fabrication. The use of ANSI standards and building code applications are the basis for development of individual and team projects. 
Prerequisite(s): CAD1030, CAD1L30. (PT)
Offered at Providence, Providence CE 
4.5 Quarter Credit Hours

CAD3070 Introduction to CAD/CAM and Lab
This course is a continuation of CAD1030, building on the general concepts of parametric modeling, applying the methodology of using parameters to create dynamic 3D models. The models are then transformed into manufacturing models using concepts of two- and three-axis machine tool paths. Concepts of computer numerical control machine technology (CNC), rapid prototyping and simulation modeling software are used. 
Prerequisite(s): CAD1030 or ENGN3020 or permission of department chair.
Offered at Providence, Providence CE 
6 Quarter Credit Hours

CGR2020 Web Site Design Concepts
Students are introduced to the tools and processes of Web page development. Students utilize industry-standard software when designing, coding and building websites. Instruction includes immersion project-based study, client interaction and group design critique. Students are introduced to site planning, best practice and development cycle methods. Students produce a digital portfolio of Web design elements and development work.
Prerequisite(s): CSIS1000 or CSIS1020 or CSIS1040. (PT)
Offered at Providence, Providence CE 
4.5 Quarter Credit Hours

CGR2030 Multimedia Applications I
Students are introduced to multimedia concepts and best practices for implementation in various industry settings. The coursework focuses on the incorporation of sound, graphics, color, text, and other elements into industry-standard multimedia software. Use of multimedia as a tool for ideal communications is implemented. Scripting is introduced and used throughout the multimedia course sequence as a tool for multimedia project development. Students learn the various uses for multimedia and how they are implemented within the industry.
Prerequisite(s): FIT1000 or FIT1012. (HY)
Offered at Providence, Providence CE 
4.5 Quarter Credit Hours
CGRA3040 Information Architecture and Content Planning
This course provides an overview of planning and designing information for dynamic and interactive media solutions. Whether designing a website, an interactive tutorial, or a multimedia program, this course provides an introduction to design and planning strategies, tools and techniques. The course introduces software and technology used as tools in the planning process. It covers industry standard approaches to visualizing information flow and planning user interactivity. Strategies for communication goals and requirements are reviewed. Content development and revision control for different communication problems including linear text, hypertext, simulation and video are covered. Essential pre-production techniques such as flowcharting, storytelling, scripting, publishing layout, mock-up and prototyping are introduced. Content management techniques are reviewed. Students should possess a solid knowledge of computer and Internet use.
Prerequisite(s): FIT1014 or FIT1040. (HO) (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CGRA3050 Desktop Publishing
This course introduces students to the fundamental principles of desktop publishing. Using current industry-standard software, students learn the essential design concepts and work flow practice used in desktop publishing. In-class demonstrations and lectures involve the introduction of design theory and practical applications of desktop publishing. Students are required to produce various types of documents using course software. Assignments are completed in class, with some assignments requiring out-of-class work.
Prerequisite(s): FIT1000 or FIT1012 or FSM2080 or HOSP1008 or SEE3011. (HO) (PT)
Offered at Denver, Miami, Providence, Providence CE
4.5 Quarter Credit Hours

CSIS1000 Problem Solving and Programming Concepts
This introductory course teaches students the fundamentals of problem solving in computer programming. Students learn to use both textual and graphic algorithms as problem-solving tools. In hands-on learning exercises, students work from a problem statement, conduct a task analysis to solve the problem, decide what data is needed to solve the problem, create a visual representation of their solution, and then convert the visual representation to a textual step-by-step statement of their solution. Students use a range of tools currently used in industry, including functional decomposition diagrams, flowcharts, UML diagrams, use cases, metadata charts, data flow documents and pseudocode. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS1020 Fundamentals of C Programming
This introductory programming course teaches students how to program in the C computer language, a fundamental skill for technology professionals. Students learn how to design and develop computer programs using standard strategies and techniques used in industry. Topics covered include how programs are structured, how arrays and strings can be processed, and how files are manipulated.
Prerequisite(s): CSIS1000 or FIT1012 or FIT1025. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS1040 Fundamentals of Visual Basic
This course provides an introduction to visual programming and GUI development. Students learn to use a multitude of visual tools, statements, properties and events to create and execute applications in a Visual Studio.NET environment. File access for various file types is presented. Relational databases are examined in relation to how they are created and can be accessed using visual basic programming.
Prerequisite(s): FIT1012 or equivalent. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS1060 GUI Concepts
This course provides students with an understanding of a Graphical User Interface environment. Students are introduced to how Windows works with the file hardware. All students customize and configure the Windows environment. Topics include ini file, program, winfile, control panel, device managers, terminal, paintbrush, creating shortcuts, and X windows.
Prerequisite(s): FIT1000 or FIT1012.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS1070 Diagnostics and Maintenance
This course provides students with the knowledge and expertise to isolate faults in computer systems, using the desktop computer as a model. Using the systems approach, students learn the subsections of a computer system and their functions. Typical problems with each subsection and the impact of these problems on the operation of the entire system are discussed. The course introduces students to diagnostic software and fault analysis techniques through out-of-class work using standard tools and representative computer diagnostic software.
Prerequisite(s): FIT1000 or FIT1012. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS2020 Business Programming I with COBOL
This course provides students with an understanding of the use of programming in the business community. Students learn how to program statements, translate into standard operations for generating reports and use files in a business environment. Students also examine how various types of storage and programming structures are implemented in the programming language. In addition, students perform problem solving in the area of simple business functions, and design, chart, code, debug, test, execute and document programs. Topics include accessing files, decision structure, looping structures, report design, program structure, data types, data manipulation, tables and control break processing.
Prerequisite(s): CSIS1000 or CSIS1020 or CSIS1040.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS2025 Introduction to Server Side Technologies
This course emphasizes the fundamentals of server-side web development using industry-standard high-level environments. Students are introduced to concepts and practices including functionality, typical applications in a business setting, technologies and terminology. Client-side interaction is covered to the extent of making Web forms that connect to a data source with some JavaScript used for field validation. Server application and system architecture is emphasized.
Prerequisite(s): CSIS1020 or CSIS1040 or DME1060, junior status (PT). (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS2030 Database Concepts
This course introduces students to the function of a database environment. The importance of databases to modern systems development provides the motivation for examining data structures and models as they relate to user needs. Relational data models are emphasized along with query languages and user-friendly packages. The various data structures and file storage techniques used with hierarchical, network and relational data management issues are developed. Out-of-class assignments are completed by all students.
Prerequisite(s): FIT1014 or FIT1040. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS2045 Introduction to Operating Systems
This course includes a survey of the functional characteristics of complex operating systems and an introduction to the basic techniques of operating systems design. The course discusses the topics of hardware configuration, channel operation, interrupts, register functions, multiprogramming, multiprocessing, timesharing and JCL.
Prerequisite(s): CSIS1020 or CSIS1040. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

CSIS2050 Advanced Programming Concepts
This course is designed to provide the student with an advanced understanding of the relationship between hardware and software through the use of higher level language (C programming language) facilities. The student will learn how to create programs that interface with computer peripherals. Program design, coding, debugging, testing, execution and documentation will be reinforced.
Prerequisite(s): CSIS1020. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
CSIS2070 Business Programming II with COBOL  
Students write business-level programs to solve intermediate-level financial and business problems. They are introduced to such subjects as subscripting, indexing, sorting, complex file handling and creating server-side applications. Students are also introduced to the selection criteria for choosing between different software with Web pages and relational databases. Students implement and test their developed programs.  
Prerequisite(s): CSIS2020. (PT)  
Offered at Providence, Providence CE  
4.5 Quarter Credit Hours

CSIS2080 Database Design  
The use of fourth and fifth generation tools in database environments is becoming more prevalent. This course provides a foundation for that systems development effort by systematically examining the procedures and tools used in designing a database. This course emphasizes the relational model. Students study normal forms, decomposition, synthesis, semantic modeling, network and hierarchical models. All students complete out-of-class assignments.  
Prerequisite(s): CSIS2030.  
Offered at Providence, Providence CE  
4.5 Quarter Credit Hours

FIT1000 Information Technology for Business Professionals  
This course provides basic understanding of computer software, policies and procedures necessary for business professionals. Students gain practical knowledge of operations and terminology as well as hands-on use of personal information management systems, word processing, and digital presentations. Students are also introduced to using databases as a decision-making tool. Computer-based assessment software may be used as both a learning and skills measurement tool. (HY) (PT)  
Offered at Charlotte, Denver, Miami, Providence, Providence CE  
4.5 Quarter Credit Hours

FIT1005 Introduction to Keyboarding  
This course is designed to introduce or reinforce keyboarding skills necessary to prepare documents used in the business world. Students learn the keys and techniques to produce error-free documents. (HY)  
Offered at Denver, Providence, Providence CE  
1.5 Quarter Credit Hours

FIT1012 Digital Technology for Business  
This course focuses on the practical use of technology tools in the digital workspace. Students gain hands-on experience in Digital Citizenship, basic technical literacy, collaboration tools, mobile connectivity and other technical solutions. Student learning is focused on project-based solutions to realistic workplace scenarios.  
Offered at Providence, Providence CE  
4.5 Quarter Credit Hours

FIT1014 Solving Business Problems with Technology  
Students gain advanced experience in core technology topics as well as new topics relevant to the technology field. Additional topics may include introduction to scripting and programming languages, databases and data mining, and contemporary digital presentation environments. Student learning is focused on project-based solutions to realistic workplace scenarios.  
Offered at Providence, Providence CE  
4.5 Quarter Credit Hours

FIT1020 Integrated Computer Business Applications  
This course presents intermediate and advanced microcomputer applications skills chosen on the basis of demand in local markets. A major part of the course involves "hands-on" laboratory use of software for managing graphic, numerical or text-based data in "what if" business simulations with emphasis placed in spreadsheet and word-processing, software. Other business software may also be explored. Computer-based assessment software may be used as both a learning and skills measurement tool.  
Prerequisite(s): FIT1000 and FIT1040 or FIT1014, or permission of department chair. (PT)  
Offered at Miami, Providence, Providence CE  
4.5 Quarter Credit Hours

FIT2030 Access Database Design for Business Solutions  
Students gain a working knowledge of database concepts and design and apply skills to problem-solving cases. Computer-based assessment software may be used as both a learning and skills measurement tool.  
Prerequisite(s): FIT1000 or permission of department chair. (PT)  
Offered at Miami, Providence, Providence CE  
4.5 Quarter Credit Hours

FIT2040 Emerging Technologies in the Workplace  
This course introduces students to how social media has evolved and how it can be used as an effective tool to enhance and develop business marketing and sales. Social media has established itself as the pre-eminent focal point for social interaction using web-based technologies, with people generating their own content, social commentary and opinions reaching a wide audience through friends, recommendations and same interest groups. Businesses from small to large are using social media to engage with their customers on an entirely new level, helping promote their products and services and keep in touch with them on a personal level. Social media is displacing the established leaders as major traffic drivers for new business.  
Offered at Miami, Providence, Providence CE  
4.5 Quarter Credit Hours

ITEC1000 Help Desk Concepts  
This introductory course provides students with an overview of the topics relevant to working at a help desk or customer support center. Four major components are covered: people, processes, technology and information. Emphasis is placed on the design and management of each component as an integral and mandatory part of the support function.  
Offered at Providence, Providence CE  
4.5 Quarter Credit Hours

ITEC1020 Introduction to Data Communications  
This is an introductory course in the concepts and components of a data communications system. Hardware and software features are reviewed to present the elements of and interactions in a data communications network. Communications interfaces, industry standards, and communications protocols are presented in reference to understanding the actual throughput of data in a communications environment. Students are introduced to network topologies and their various application areas.  
Prerequisite(s): FIT1000 or FIT1012. (PT)  
Offered at Providence, Providence CE  
4.5 Quarter Credit Hours

ITEC2080 Network Devices  
This course develops students' knowledge of computer networks and how they work in business and industry. Students become familiar with the three basic kinds of computer networks (LANs, WANs, MANs) and the protocols that help those networks function. They are introduced to methods of developing protocols, including interpretation of standards, finite state machines, and state-full transition. Students also become familiar with various equipment types and design criteria that are currently used in industry. In homework and lab assignments, students develop skill competencies needed to troubleshoot systems and solve day-to-day business problems with networks. Students connect, configure and program a range of network devices; work with network protocol analyzers, and map the path of a data packet on a network.  
Prerequisite(s): ITEC1020. (PT)  
Offered at Providence, Providence CE  
4.5 Quarter Credit Hours
ITEC2090 IT Call Management Systems
This course explores in detail the processes and the underlying related technologies and techniques that are used in industry settings in order to deliver better customer support. Students gain practical knowledge in an industry standard call management software package. Through a combination of lecture and lab-based work, they become familiar and adept in activities related to telephone customer service skills, call logging, call and work assignment, monitoring and management, report creation and utilization, and asset management. 
Prerequisite(s): ITEC1000. (PT)
Offered at Providence CE
4.5 Quarter Credit Hours

ITEC3020 Information Science I
This course provides a general introduction to information science. Topics include an introduction to information systems, the role of information in organizations and decision making and the role of computers in information processing.
Prerequisite(s): FIT1000 or FIT1012.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3040 Systems Analysis
This course presents a systematic approach to the development of business systems. By following this approach, students learn to design business systems that efficiently meet the goals and objectives of management. A major element of this course is a team project, where students utilize the systems approach in analyzing and designing a business system. This class is highly recommended for non-computer majors as well as required for majors in this program.
Prerequisite(s): FIT1014 or FIT1040. (HO) (PT) (WI)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3050 Information Security
This course presents all aspects of computer and information security including data encryption, zero-knowledge based proofs, public key coding and security procedures. This course makes students aware of the various threats to computers and data and identifies methods and techniques for providing counter-measures to those threats.
Prerequisite(s): FIT1000 or FIT1012. (HO) (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3070 Systems Modeling and Simulation
This course addresses the process of modeling systems, including business systems, network systems, dynamic vehicle systems and client-server systems, to name a few. The modeling process is the prerequisite for the simulation and subsequent analysis, design and assessment of a system with respect to specific performance criteria. The roles of modeling in simulation are presented within the context of the systems engineering process. Modeling encompasses everything from functional through mathematical modeling; simulation includes the development and use of software for systems analysis and design. Team projects from students’ areas of interest are an integral part of the course.
Prerequisite(s): MATH2001. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3075 Network Security
This course provides the students with a comprehensive introduction to the field of network security. Critical network security aspects are identified and examined from the standpoint of both the user and the attacker. Network vulnerabilities are examined, and mitigating approaches are identified and evaluated. Concepts and procedures for network risk analysis are introduced. Network architectures and protocols and their impact on security are examined. TCP/IP security is examined in conjunction with the IPSec and IKE protocols. Integration of network and computer security is introduced. The course also discusses the building of trust networks, key management systems, and physical network security. The course emphasizes the implementation of intrusion detection and prevention methods.
Prerequisite(s): ITEC2080, ITEC3050. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3080 Information Management
Information management techniques are presented with an emphasis on file-accessing methods, database systems, text retrieval systems, paperless computing and the Internet. The management of records on stand alone and networked systems is examined along with the issues relative to managing information on the World Wide Web. Students are made aware of the various theories and options available for text and information storage and retrieval. Security and communication issues are covered along with the issues related to the World Wide Web.
Prerequisite(s): ITEC3020. (HO) (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

ITEC3085 Systems Design
This course is both a theoretical approach to the development of information systems as well as an immersion into the real-world implementation in the context of a business case. The student learns the basic design tools, as well as gains an appreciation for the larger context of the organization in which the application generates value. Readings and case studies highlight the need to consider systems integration issues, external constraints in the form of regulatory issues, organizational process change, learning and training requirements as well as development of a systems maintenance and obsolescence plan.
Prerequisite(s): ITEC3040. (PT)
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

PRMG2010 Introduction to Project Management
This course gives students an understanding of project management practices, concepts, and tools using projects in the real-world. Students focus on successfully organizing a single project using the knowledge areas associated with the project life cycle. Learning to identify potential projects based on strategic business planning, they produce portions of a basic project plan, scope statement, work breakdown structure, and Gantt charts. Other course topics to be discussed in a broader context include: forming and leading a project team, project manager competencies, project organization, management, and resource management, cost management, quality management, human resource management, communications management, and risk management. (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

PRMG3010 Advanced Project Management
This course trains students to initiate, plan, execute, monitor, control, and close a project in the real world. Using a real world project plan, students become competent in the following areas of project management: project integration, project scope, project time, project cost, project quality, project human resources, project communications, project risk management. They practice these skills individually and in teams applying them to a real world project. They also gain understanding of the application of project management processes.
Prerequisite(s): PRMG2010. (OL)
Offered at Charlotte, Denver, Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

TECX2010 Sophomore Technology Internship
This is a hands-on, career-related experience that allows sophomore students supervised practical training within their respective majors. These activities can be performed either in the confines of a university-operated facility or at external host firms in team or individual format.
Prerequisite(s): Permission of instructor.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
TECX4045 Technical Solutions Team I
In this class, students act as part of a working technology project team. During the term prior to the beginning TSTI, each student applies for a position on a particular team working on a specific project; only students accepted for such positions will be admitted into the course. Students begin TSTI with a series of lectures and workshops that familiarize them with the project methods and protocols used by TSTI. They then work under the supervision of a faculty project manager and subject matter advisors. Teams submit their work for regular phase reviews; set and conform to explicit schedules for project work; monitor and assure project quality; assess and mitigate project risks; draft, update and maintain all project documentation; and are ultimately responsible for the outcome of the project. This course is one of several options in the School of Technology for students to fulfill their experiential education requirements.
Prerequisite(s): PRMG2010.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours

TECX4046 Technical Solutions Team II
This course is an optional continuation of TECX4045, Technical Solutions Team I working on new or previously started projects. Students work in cross-functional teams under the supervision of faculty project managers and subject matter advisors. Teams submit their work for regular phase reviews; set and conform to explicit schedules for project work; monitor and assure project quality; assess and mitigate project risks; draft, update and maintain all project documentation; and are ultimately responsible for the outcome of the project. This course is one of several options in the School of Technology for students to fulfill their experiential education requirements.
Prerequisite(s): TECX4045.
Offered at Providence, Providence CE
4.5 Quarter Credit Hours
First-Term Students:

Academic Standing Standards: Undergraduate Day and Online

According to the following academic standing standards, students who meet the following criteria are considered to be in good academic standing:

- Undergraduate students need a minimum GPA of 2.0.
- Graduate students need a minimum GPA of 3.0.
- Doctoral students need a minimum GPA of 3.25.
- 4+1 B.S./MBA/M.S. program students need a minimum GPA of 3.0 in graduate-level coursework.

Academic Standing Standards differ by program of study. Please refer to the following academic standing standards charts. If students are not in good academic standing or have questions about the requirements for graduation, they should make an appointment with an academic counselor for assistance in assessing their situation.

Summer Sessions

Optional summer session courses are offered by the university. Individual courses may not be offered in the summer if student interest or enrollment is not sufficient; as a result, summer degree completion cannot be guaranteed.

Students matriculating at Johnson & Wales are not granted credit for summer session courses taken at other institutions unless prior permission has been granted by Student Academic & Financial Services.

Academic Policies

This section of the catalog contains important information about the academic policies of Johnson & Wales University, the grading system and other academic requirements.

Academic Standing

A student’s academic standing is based on grade point average (GPA) in conjunction with total attempted credits (including transfer credits) and is evaluated after the completion of each term of enrollment. Academic standing standards differ by program of study. Please refer to the following academic standing standards charts. If students are not in good academic standing or have questions about the requirements for graduation, they should make an appointment with an academic counselor for assistance in assessing their situation.

Students who meet the following criteria are considered to be in good academic standing:

- Undergraduate students need a minimum GPA of 2.0.
- Graduate students need a minimum GPA of 3.0.
- Doctoral students need a minimum GPA of 3.25.
- 4+1 B.S./MBA/M.S. program students need a minimum GPA of 3.0 in graduate-level coursework.

According to the following academic standing standards, students who do not satisfy good academic standing requirements will be placed on probation, suspended (undergraduate students only) or dismissed.

Note: Doctoral students will be dismissed if their GPA is less than 3.25, or when they earn a grade of F, WF or W in any course. (No classes may be repeated.)

### Academic Probation

Probation may affect a student’s ability to register and/or graduate. Graduate program students and 4+1 B.S./MBA/M.S. program students are allowed one term only on probation.

### Academic Suspension

Suspended students may not matriculate at the university for at least one term and are expected to work on academic deficiencies. To return to the university, these students must petition the Academic Appeals Committee, providing a letter of intent and documentation of academic improvement. The committee will consider appeals that document mitigating circumstances.

### Academic Dismissal

Dismissed students may no longer matriculate at the university and are expected to work on academic deficiencies. To return to the university, students may petition the Academic Appeals Committee, providing a letter of intent and documentation of academic improvement. The committee will consider appeals that document mitigating circumstances.

### Academic Warning

Students who are reinstated into the university will be placed on Academic Warning. These students risk permanent dismissal from the university if they are unable to meet academic standing guidelines. The warning designation is sometimes used to override academic standing decisions at the end of the term due to mitigating circumstances.

These undergraduate students will be allowed to register for a maximum of 13.5 credits in academic classes or 15 credits in laboratory classes. In addition, these students will be required to attend a mandatory student skills strategies seminar and tutoring in identified content areas. (Failure to complete these requirements will result in immediate dismissal.)

### Attendance

All students are expected to attend each meeting of every class in which they are enrolled on time. The maximum number of absences for valid reasons is based on the quarter credit hours for the course, with the exception of experiential education assignments and laboratories, which have their own specific attendance criteria. Absences beyond the stated maximum for each course may jeopardize academic standing or financial aid.

Student Academic & Financial Services should be notified immediately of any necessary prolonged absences. The Student Handbook contains rules and policies for frequent or prolonged absences from class.

Students are expected to familiarize themselves with attendance requirements outlined in the Student Handbook. The Student Handbook can be found online at catalog.jwu.edu/handbook.
Credits and Grades

Unit of Credit

The university measures academic progress using the quarter credit hour system. Courses are offered in three formats and may combine two or more of those formats, which are: lecture, laboratory and experiential.

Generally, one quarter credit represents 10 hours of instruction, which includes class lecture and additional activities; one quarter credit hour equals two laboratory hours or three experiential hours. Furthermore, all courses require additional hours of study and preparation outside of the classroom or learning environment.

Undergraduate Grading System

September 1985 to present (note: not all grades are used by all colleges or schools)

The grading system is as follows:

Grade reports are viewable in jwuLink (http://link.jwu.edu).

Honors Option (H)

If a course was taken as an Honors Program requirement, the grade received will be followed by “H” (for example, AH, BH).

Failure (F)

Issued if a student fails to achieve adequate scholastic progress. The grade is recorded permanently on the student’s academic record. Upon successful completion of the course at a later date, the cumulative average is adjusted to reflect only the passing grade. However, both grades will appear on the academic transcript. This system allows students to recover academically from poor terms and graduate within a reasonable amount of time.

Withdrawal (W), Withdrawal/Pass (WP), Withdrawal/Fail (WF)

In order to record attempted credits (including for purposes of determining satisfactory academic progress), a grade of W, WP or WF is recorded when a student withdraws from a culinary/pastry laboratory course or a course with an experiential education component, or is withdrawn due to excessive absences from a registered course after its add/drop period has ended. A W is a punitive and failing grade issued at the instructor’s discretion, and is entered permanently into the term and cumulative grade point averages. In order to qualify for a WP, the student must have an estimated grade of 60 or higher at the time of withdrawal. This grade is not entered into the term and cumulative grade point averages. If the estimated grade is below 60, the student will be issued a WF, which is entered into the term and cumulative grade point averages as a failing grade until successful completion of the course at a later date.

Incomplete (I)

Issued to students if they are unable to complete course requirements (because of authorized absences due to service commitment or illness). Outstanding work must be completed within two weeks of the final exam class day or the grade will automatically become an “F” and the grade will be included in the grade point average. For classes graded “S/U” (Satisfactory/Unsatisfactory), an incomplete (“I”) will change to a “U.”

No Credit (NC)

A non-punitive designation issued to a student who has been authorized to withdraw from class, or the university, due to extenuating circumstances.

Grade Pending (GP)

A temporary mark given when the completion of course requirements is still underway. A grade pending is not calculated into the cumulative average and is generally used under extreme, extenuating circumstances. If a grade is not submitted to replace the “GP” within one year, it will automatically become an “F.”

Audit (AU)

An audit occurs when no academic credit is granted. This grade is not calculated into the cumulative average.

Proficiency (P)

Granted for achievement of multiple levels of skills in progression where the self-paced approach is in effect. This grade is not calculated into the cumulative average.

Satisfactory/Unsatisfactory (S/U)

Used for designated courses throughout the university.

Prior Learning (PL)

Students may earn credits for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel, professional training and seminars or other comparable sources.

Challenge Exam (CX)

Granted for specifically designated courses upon successful completion of department challenge exams.

No Grade (NG)

“No Grade” is issued temporarily when there is no grade provided by the faculty member. This grade is not factored into the student’s GPA. Once a grade is submitted, the cumulative average and transcript will reflect only the new grade. If a grade is not submitted to replace the “NG” within one year, it will automatically become an “F” and the grade will be included in the grade point average.

Repeat of Courses

Undergraduate students will be allowed no more than three (3) attempts to successfully complete each course. Students who passed the course but wish to improve their grade may repeat the course if it is available. However, students are eligible for financial aid for only one repetition of a previously passed course. The highest grade earned will be calculated into the grade point average. When a student has repeated a course previously applied to an awarded degree, both grades will be included in the grade point average.

Required Courses

Students who fail a course after a second attempt will be assigned an academic standing hold and will be placed on academic probation. Students who fail the same course after a third attempt may be academically dismissed.

Students who attempt the same course three times and earn a combination of “W”, “WF” and “F” grades will be assigned an academic standing hold; these students may be subject to academic suspension if the course is not successfully completed during the next course offering.

Appeals

Appeals regarding academic suspension or dismissal can be made to the Academic Appeals Committee after one term of nonmatriculation if extenuating circumstances exist. A student may appeal only once, and the decision of the committee is final.
Concentrations
In programs of study that require a concentration, students will be given the following options in the event that they cannot successfully complete a concentration course requirement at the third attempt:

1. make an alternate concentration course selection (if available) or
2. select a new concentration to meet degree requirements.

Courses Not Required
If the attempted course is not a specific degree requirement, the student will be unable to attempt the course again. The student must then select an alternate course to meet degree requirements.

Graduation Requirements
If the attempted course is a mandated graduation requirement such as career management capstone or Sanitation Certification, the student has nine (9) terms to complete the course.

Academic Counseling
Academic counselors are available in Student Academic & Financial Services to assist students with preparation for graduation. Their goal is to assist students in evaluating, developing and maximizing their potential by providing guidance and support.

All students are encouraged to meet with an academic counselor. Students on academic probation, repeat course probation and/or satisfactory academic progress warning are required to meet with an academic counselor. Appointments are recommended.

Transfer and Career Prerequisites
Students who intend to transfer to other colleges or enroll in graduate schools after graduation must determine the requirements of those institutions and plan their programs of study accordingly. Johnson & Wales University makes no claim or guarantee for transfer credit to other academic institutions. Similarly, students who intend to take state or foreign schools after graduation must determine the requirements of those jurisdictions prior to selecting programs of study.

Students who are interested in transferring to JWU should see information on transfer admissions (p. 99).

Courses Taken at Other Institutions
Undergraduate Courses
Enrolled students requesting to take courses elsewhere (U.S. schools) must submit a Request to Take Classes Elsewhere (http://www.jwu.edu/uploadedFiles/Documents/Forms/Academic_Services/JWURequestToTakeClassesElsewhere.pdf) form (available in jwuLink > Registration & Grades > Student Academic & Financial Services) to obtain prior approval from Student Academic & Financial Services. Enrolled students requesting to take courses at an international institution must contact Study Abroad. The following requirements must be met.

1. The student must have an overall grade point average above 2.0.*
2. There is a limit of 18 credits which may be taken during enrollment at the university.
3. The course(s) must not be in the major field.
4. The student may not have taken the course(s) previously at the university and received a grade of “F,” “W,” “WF,” “I” or “GP”.
5. Course credits from other institutions must equate to JWU-requested course credit.
6. Grades of “C” or better (2.00 or equivalent) from an accredited institution may be accepted for transfer. Transfer credits are not calculated into the cumulative grade point average.
7. The course(s) must be taken within one year of permission being granted.
8. Students are responsible for tuition and fees for approved course(s) at the other institution as applicable.
9. A student will not be granted credit (transfer credit or otherwise) for any academic work done during the period of a disciplinary suspension.

For each approved course, students must receive a minimum grade of “C” (2.00 equivalent) in order for Johnson & Wales to award transfer credit. Transfer credits are not calculated into the cumulative GPA.

Accelerating the completion of program requirements may negatively impact future enrollment (i.e. part-time enrollment during a term in the next academic year); students are strongly advised to review course projections and to plan accordingly.

* Students, as always, are responsible for meeting the requirements of satisfactory academic progress.

Note: Exceptions to criteria 1–4 will be made by the Director of Academic Counseling.

GRADUATE COURSES
Once enrolled in a JWU graduate program, a student may not take core or concentration courses elsewhere and apply them for transfer credit except in extenuating circumstances, and when permission is granted by the dean’s office. A grade of “B” or better must be earned for the course to transfer.

Academic Transcripts
A transcript is a representation of a student’s entire academic record while at Johnson & Wales University. In accordance with the Family Educational Rights and Privacy Act (FERPA), a transcript may be released only upon written request of the student. Students can also submit transcript requests online through jwuLink (https://link.jwu.edu/cp/home/displaylogin). Students intending to pick up transcripts in person must make the request in person at Student Academic & Financial Services or complete a transcript request form.

The university does not charge a fee for transcripts; however, official transcripts will not be released if a student is not current in all financial obligations to the university. Within three business days of receipt of an authorized request, official transcripts will be printed on official paper and then placed in sealed envelopes issued directly to the student or authorized designee. The university does not email transcripts. Transcripts are not official if faxed. A maximum of 20 official transcripts may be requested per year. Official transcripts are not produced while grade processing and posting is in progress at the end of each term/semester.

Unofficial transcripts may be obtained in jwuLink (http://link.jwu.edu).

Requirements
Residency Requirement
The undergraduate residency requirement refers to the number of courses and credits students must take at JWU, whether they are transfer students or JWU students acquiring an additional degree. The residency requirement for all students at Johnson & Wales University pursuing an associate degree is a minimum of 31.5 quarter credit hours, half of which must be within the major field. For students pursuing a bachelor’s degree, the minimum is 45 quarter credit hours, half of which must be within the major field. Diploma/certificate candidates will be allowed to transfer a maximum of 9.0 quarter credits (including JWU courses) towards diploma/certificate program requirements. Upon review, certain related professional studies courses and program electives may be considered when determining residency. Standardized testing credits are not considered when determining residency requirements.

Graduation Requirements
Each student is required to submit an online graduation application at least two terms prior to degree completion. Students must file one application for each expected degree (i.e., associate, bachelor’s, master’s). The application ensures that students are reviewed for graduation at the correct time, that correct information is presented on the diploma, and that it is mailed to the correct address.

Graduation requires successful completion of a prescribed sequence of study and a minimum 2.00 grade point average. Students with a cumulative GPA below 2.00 will not be in compliance with the criteria for good academic standing and may be subject to academic dismissal. Furthermore, as required by their program, all students must hold an active Sanitation Certification.

All associate-level degrees require the completion of a minimum of (ninety) 90 quarter credits. All bachelor’s-level degrees require a minimum of an additional ninety (90) quarter credits, for a total of 180 quarter credits. While most major programs have variations that require slightly more quarter credits for completion, no program requires fewer than the 90/180 quarter credit minimum.

All students must be current in all financial obligations to the university, including tuition, fees and other expenses, before a diploma will be issued.
Permission to participate in commencement exercises does not imply that graduation requirements have been met.

**Writing Requirement**

Students who graduate with a bachelor of science degree must leave Johnson & Wales with effective writing skills. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication. If competency is not achieved at this point, students must successfully complete ENG0001 Writing Workshop and achieve competency. This, in effect, is a graduation writing requirement for all students pursuing a bachelor of science degree from JWU.

**Experiential Education**

**Experiential Education & Career Services**

Experiential Education & Career Services offers a variety of internship programs and career services including a capstone course, résumé critiques, mock interviews, career fairs, exposure to industry professionals, on-campus interviews and more. These services assist students in building skills to obtain employment and independently manage their careers.

Experiential Education &Career Services components include:

- internship opportunities available in the College of Business, The Hospitality College, the College of Culinary Arts, the School of Technology (Providence Campus only) and the School of Arts & Sciences (Providence Campus only). Internship is designed to provide eligible students with practical work experience in their chosen field of study while they earn academic credit for the experience.
- a career capstone course for juniors and seniors that prepares them to navigate the job search process.
- career workshops that allow students to select specific skill-building topics.
- networking opportunities with industry professionals through on-campus recruiting events.
- career advising resources providing personalized advising on a variety of career-related topics.
- online job postings by employers who are looking to hire students for part-time and full-time jobs (on and off campus) as well as internships. Go to jwuLink (https://link.jwu.edu) > Careers > Find a Job.
- employers representing a broad range of fields that visit campus each year to participate in recruiting events and serve as guest lecturers and classroom speakers. These activities provide students with a real-world view of industry as well as opportunities to connect with industry professionals and career options.

**Study Abroad**

Study Abroad works with all schools and colleges at all campuses to offer a portfolio of study abroad programs to Johnson & Wales students. Any interested student is encouraged to contact Study Abroad (http://www.jwu.edu/studyabroad) at 401-598-1406 for personal study abroad advising, program information and applications.

**Academic Functions**

Johnson & Wales University hosts evening orientation sessions for all new Adult & Continuing Education students at the start of each academic term. Activities include campus tours, bookstore visits, pre-testing, distribution of photo identification and parking permits, networking sessions with campus departments and academic units, a technology session and an academic orientation presentation. Students seeking readmittance to the university are also encouraged to attend these orientation sessions for new information and to help ease the transition back to campus.

Commencement is held at the end of each academic year. At these exercises, degree candidates are recognized. Participation in commencement exercises does not imply that graduation requirements have been met.

**Latin Honors**

Eligible degree candidates receive cum laude, magna cum laude and summa cum laude recognition according to their academic average. Students with the designated graduating GPA receive honors as follows: cum laude, 3.40–3.60; magna cum laude, 3.61–3.80; and summa cum laude, 3.81–4.00.

**Dean’s List**

In recognition of scholastic achievement, full-time students (carrying a minimum of 12 quarter credit hours) at Johnson & Wales University who have achieved a term GPA of 3.40 or above receive Dean’s List commendation.

**Academic Societies**

**Academic Honor Societies**

Alpha Beta Kappa is a national honor society which recognizes superior student academic achievement, character and leadership. Students with a graduating GPA of 3.9 or higher are eligible. Students are notified in April of their eligibility. A one-time membership fee is required. The society may also elect a limited number of faculty, staff and alumni as honorary members.

**Awards**

The Johnsonian Spirit Award is presented to one culinary arts and one baking & pastry arts Adult & Continuing Education student who demonstrates a genuine spirit of helping others with enthusiasm, within and outside of the classroom.
Admissions

Johnson & Wales University’s admissions process goes beyond simply looking for academically accomplished students. The university seeks to attract and retain highly motivated and demonstrably capable students. Students’ motivation and interest in succeeding in their chosen careers are given consideration along with their academic achievements.

While not required, students are encouraged to submit employment information and letters of recommendation for admissions consideration.

Applying

Applications for admission should be completed in full and sent to the address below:

**Providence Campus**

Adult & Continuing Education Admissions

Johnson & Wales University

8 Abbott Park Place

Providence, RI 02903

You may apply online (http://www.jwu.edu/apply).

There is no deadline for submitting applications, but students are advised to apply as early as possible before their intended date of enrollment to ensure full consideration, as some programs may fill up. No application fee is required.

In completing the application form, students must indicate the term in which they wish to enroll. Applications are accepted for terms beginning in September, December, March and June. There are no culinary or baking & pastry arts courses offered during the summer term. However, students in these majors may take academic courses in the summer term.

After completing the application form, students are responsible for requesting that their high school guidance office forward to the university an official copy of the secondary school record for admissions consideration. Specific verification documents must be submitted to Adult & Continuing Education Admissions.

High School Completion Verification

Graduation from high school or equivalent education as certified by state departments of education is required for undergraduate admission. Graduation verification documents must be submitted to Admissions. Official verification documents include at least one of the following: correspondence from an authorized high school administrator, a high school diploma/transcript recognized by the student’s state department of education or an official G.E.D. certificate. Additional methods of verification of high school completion exist for home-schooled students (p. 99). It is the student’s responsibility to provide verification of high school completion. Without such verification, the student may not be allowed to register for the current term or continue enrollment and will be in jeopardy of revocation of admission to the university as well as losing all financial aid.

Admission Requirements

Minimum Grade Requirements

For certain technology majors, a “B” average or better in math is required. Other majors may have specific grade requirements.

For Counseling Psychology majors, an overall “B” average and a college preparatory curriculum are required.

Other Requirements

Certain programs of study include technical standards in the academic requirements essential to the program. Students with disabilities should contact the Center for Academic Support for information about the technical standards. See technical (p. 100) standards (p. 100) for descriptions of the applicable technical standards. Copies of the technical standards applicable to various programs are also available from the Center for Academic Support.

For additional admissions requirements please review the other topics listed in the Applying (http://catalog.jwu.edu/admissions/applying) section of this catalog.

Admissions Decision

The rolling admissions policy of the university makes it possible to notify students of the admissions decision, of their acceptance or of any additional conditions necessary for admission, soon after all of their academic records have been received and reviewed.

The university may revoke any student’s acceptance or enrollment if any information or documentation provided by the student is false or incomplete or if the university learns of any past or present misconduct by the student that would affect the student’s ability to represent and uphold the high standards of the university.

Deferred Enrollment

Johnson & Wales offers a two-year deferred enrollment to students who have applied and been accepted to the university but, for various reasons, wish to postpone their enrollment. Johnson & Wales University retains student application material and will honor the admissions decision for up to two years; after that time frame, the applicant will need to submit a new application and transcript for review. Reservation fees will remain effective during the deferment period. Merit scholarships awarded through the application process will be honored for up to two years from the time of initial acceptance. Federal student aid is awarded annually; a student must reapply for federal funds through the Free Application for Federal Student Aid (FAFSA).

Advanced Placement Credit

Students entering Johnson & Wales University with an Advanced Placement test score of “3” or greater will be granted 4.5 quarter credits for the equivalent JWU course. Students must submit an official AP Grade Report from the College Board Advanced Placement Program. For more information about AP credit, contact University Testing & Transfer.

Transfer Students

Transfer students are eligible to apply for most JWU majors; however, they are not guaranteed credit. Credit is usually granted for courses completed with a grade of “C” or better (with a numeric value of 2.00) at another institution accredited by an accrediting agency recognized by the U.S. Department of Education or International Ministry of Education. Grades of “pass” are also acceptable for transfer if credit was awarded (and a grade of “P” has the numeric value of 2.00 or greater). Credits earned in developmental and remedial courses or CEUs are not transferrable. Transfer credit evaluations are based on previous college work as it relates to the student’s intended field of study. Transfer credits are not calculated into the cumulative grade point average.

Transfer candidates must submit official college transcripts from all colleges previously attended prior to enrolling at JWU. Students must also submit final official high school transcripts and provide verification of high school/secondary school completion.

It is the responsibility of those candidates who are currently attending another college to have their updated transcripts sent to JWU as soon as final grades become available and no later than the first term of enrollment.

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

Home-Schooled Students

Home-schooled students will be required to provide a high school transcript and a copy of their ACT or SAT test scores. Both the grades on the transcript and the ACT/SAT test scores will be reviewed to determine admissions and scholarship eligibility. Combined SAT scores of 1000 (reading and math, 500 each) or ACT equivalent are required for admittance.

A home-schooled student must be able to document that he or she has completed high school. Verification documents for home-schooled students include at least one of the following:

- a high school diploma recognized by their state department of education;
- a G.E.D. certificate
or, with respect to home-schooled students who are above the compulsory age of school attendance,

- a secondary school completion credential for home school (other than a high school diploma or G.E.D. certificate) provided for under state law;

or

- if state law does not require a home-schooled student to obtain the credential described in the preceding bullet, a certification that the student has completed a secondary school education in a home-school setting that qualifies as an exemption from compulsory attendance requirements under state law.

It is the student’s responsibility to provide verification of high school completion. Without such verification, the student may not be allowed to register for the current term or continue enrollment and will be in jeopardy of revocation of admission to the university as well as losing all financial aid.

Technical Standards

College of Culinary Arts

To participate in any program in the College of Culinary Arts, each student, with or without reasonable accommodations, must be able to safely and effectively

- communicate in person with co-workers and guests
- attend and participate in laboratory and production classes of up to six hours in length
- lift and transport food and other culinary product, equipment, small wares and utensils
- lift and transport trays with hot and cold plated foods, small wares, and other items, and serve and clear tables where guests are seated
- pour and serve liquids and beverages, including hot liquids
- use knives and other commercial cooking utensils
- operate commercial cooking and food service equipment
- maneuver in professional or commercial kitchens, dining rooms and related facilities
- test and evaluate the taste, appearance, texture and aroma of food and beverage products
- use commercial cleaning and sanitizing equipment and materials

The foregoing technical standards are essential to all programs of instruction in the College of Culinary Arts and also reflect industry requirements and standards.

The Hospitality College

Sports/Entertainment/Event Management

To participate in these programs, each student, with or without reasonable accommodations, must be able to safely and effectively

- communicate with fellow workers and customers in person, by telephone and by radio

- operate commercial cooking and food service equipment
- maneuver in professional or commercial kitchens, dining rooms and related facilities
- test and evaluate the taste, appearance, texture and aroma of food and beverage products
- perform commercial or institutional housekeeping tasks (such as bedmaking) and use commercial cleaning and sanitizing equipment and materials

The foregoing technical standards are essential to the programs of instruction in The Hospitality College and also reflect industry requirements and standards.

College of Business/Equine Programs

To participate in these programs, each student, with or without reasonable accommodations, must be able to safely (including the safety of the horse, where applicable) and effectively

Equine Business Management (Non-Riding — Providence Campus only)

- remain alert at all times while handling a horse
- lead and control a horse for turnout into a paddock
- operate horse management equipment such as tractors and wheelbarrows
- lift, handle and transport tack, feed bags, hay bales and equipment for feeding and watering horses
- groom horses, including bathing, brushing and picking out hooves
- clean equine equipment, stalls and aisles

Equine Studies and Equine Business Management/Riding (Providence Campus only)

- mount a 15.2 hand horse
- control a moving horse as a rider
- maintain balance and remain alert at all times while riding or handling a horse
- wear an ASTM/SEI-certified riding helmet and standard flat-soled riding boots with at least a 3/4” heel
- lead and control a horse for turnout into a paddock
- operate horse management equipment such as tractors and wheelbarrows
- lift, handle and transport tack, feed bags, hay bales and equipment for feeding and watering horses
- groom horses, including bathing, brushing and picking out hooves
- clean equine equipment, stalls and aisles

The foregoing technical standards are essential to the programs of instruction in Equine Business Management, Equine Studies, and Equine Business Management/ Riding and also reflect industry requirements and standards.

Military

Johnson & Wales University is approved for the training of veterans by the state approving agency.

Eligible veterans should contact the Department of Veterans Affairs toll free at 1-888-442-4551 or online (http://www.gibill.va.gov).

JWU students enrolled at the Providence Campus are eligible to participate in the Army ROTC program at Providence College, subject to eligibility requirements. Scholarship opportunities are available through this program.
For more information, contact the professor of military science at Providence College at 401-865-2471. Military science course offerings are listed below. For information regarding when and how JWU credit may be obtained for such courses, contact Student Academic & Financial Services.

**Military Science Courses (available at Providence College)**

The following military science courses are offered and taught at Providence College. JWU understands that JWU students may enroll in such courses as part of their authorized participation in the Senior Army ROTC Program at Providence College. Further information is available from the professor of military science at Providence College at 401-865-2471. For information regarding when and how JWU credit may be obtained for such courses, please contact Student Academic & Financial Services.

**MIL 101 FUNDAMENTALS OF LEADERSHIP I WITH LAB**
The purpose of this course is to introduce students to fundamental components of service as an officer in the United States Army. These initial lessons form the building blocks of progressive lessons in values, fitness, leadership and officer skills. Additionally, the course addresses "life skills" including fitness, communications theory and practice (written and oral), and interpersonal relationships. This course additionally includes a Leadership Lab which will reinforce the lessons learned in the classroom. Upon completion of this course, cadets should be prepared to receive more complex leadership instruction. This course is open to freshman and sophomore students. 3 credits at Providence College (these credits will transfer to applicable JWU courses).

**MIL 102 FUNDAMENTALS OF LEADERSHIP II WITH LAB**
This course builds upon the fundamentals introduced in the previous course by focusing on leadership theory and decision making. "Life skills" lessons in this course include problem solving, critical thinking, leadership theory, followership, group interaction, goal setting and feedback mechanisms. This course additionally includes a Leadership Lab which will reinforce the lessons learned in the classroom. Upon completion of this course, cadets should be prepared to advance to more complex leadership instruction concerning the dynamics of organizations. This course is open to freshman and sophomore students. Prerequisite: MIL 101. 3 credits at Providence College (these credits will transfer to applicable JWU courses).

**MIL 201 PRINCIPLES OF MILITARY LEADERSHIP I WITH LAB**
This course contains the principal leadership instruction of the Basic Program. Building upon the fundamentals introduced in the MIL 101-102 courses, this instruction delves into several aspects of communication and leadership theory. The use of practical exercises is significantly increased over previous semesters. Cadets are required to apply communications and leadership concepts. Virtually the entire semester teaches critical "life skills" which are relevant to their future success in the Army.

The semester concludes with a major leadership and problem-solving case study which draws on virtually all of the classroom instruction received during the first three semesters of the Basic Program. This course additionally includes a Leadership Lab which will reinforce the lessons learned in the classroom. Upon completion of this course, cadets should be well grounded in the fundamental principles of leadership and be prepared to intensify the practical application of their studies during the MS-III year. This course is open to sophomore students. Prerequisite: MIL 102. 3 credits at Providence College (these credits will transfer to applicable JWU courses).

**MIL 203 PRINCIPLES OF MILITARY LEADERSHIP II WITH LAB**
This course builds upon the fundamentals introduced in the previous course by focusing on leadership theory and decision making. "Life skills" lessons in this course include problem solving, critical thinking, leadership theory, followership, group interaction, goal setting and feedback mechanisms. This course additionally includes a Leadership Lab which will reinforce the lessons learned in the classroom. Upon completion of this course, cadets should be well grounded in the fundamental principles of leadership and be prepared to intensify the practical application of their studies during the MS-III year. This course is open to sophomore students. Prerequisite: MIL 102. 3 credits at Providence College (these credits will transfer to applicable JWU courses).

**MIL 301 SMALL UNIT LEADERSHIP I WITH LAB**
The Advanced Course accepts cadets with various levels of leadership competencies gained through life experiences and complemented by the ROTC Basic Course. The instructional content and activities in the MIL 300-level curriculum are intended to build leadership and facilitate the cadet's initial demonstration of individual leadership potential at Advanced Camp, while also preparing cadets for their future responsibilities as officers.

Because Advanced Camp uses small-unit infantry tactics as the context for the development and assessment of leadership, MIL 300-level instruction uses the same context. While a measure of technical and tactical understanding of small-unit operations is necessary, the focus of the instruction is on leadership. Much of the application and assessment of MIL 300-level leadership instruction will be conducted using the Leadership Development Program (LDP) for out-of-class activities: leadership positions during labs and unit operations.

Instruction in principles of war and purposes, fundamentals, and characteristics of the defense provide the necessary knowledge base for treatment of the Troop Leading Procedures (TLP). Instruction in the decision-making, planning, and execution processes of the TLP are followed by a refocus on the critical leadership task of communicating the plan using the Operations Order format.

An Advanced Leadership module addresses motivational theory and techniques, the role and actions of leaders, and risk assessment. The semester closes with instruction in small-unit battle drills to facilitate practical application and further leader development during Lab and Squad Situational Training Exercises (STX). This course additionally includes a Leadership Lab which will reinforce the lessons learned in the classroom. Prerequisite: MIL 203. 3 credits at Providence College (these credits will transfer to applicable JWU courses).

**MIL 302 SMALL UNIT LEADERSHIP II WITH LAB**
The final semester of the MS III year continues focusing on doctrinal leadership and tactical operations at the small-unit level. It includes opportunities to plan and conduct individual and collective skill training for offensive operations to gain leadership and tactical experience. This critical semester synthesizes the various components of training, leadership and team building. Cadets are required to incorporate previous military science instruction from MIL 301 and the Basic Course for their practical application in a performance-oriented environment.

Upon completion of MIL 302, cadets will possess the fundamental confidence and competence of leadership in a small-unit setting. The MIL 302 curriculum complements progression through the cadet's campus evaluation process and in the culminating event of the MS III year in the field-training environment of Advanced Camp. This course additionally includes a Leadership Lab which will reinforce the lessons learned in the classroom. Prerequisite: MIL 301. 3 credits at Providence College (these credits will transfer to applicable JWU courses).

**MIL 401 LEADERSHIP AND MANAGEMENT I WITH LAB**
This semester of the Advanced Course concentrates on leadership, management and ethics, and begins the final transition from cadet to lieutenant. The course focuses cadets, early in the year, on attaining knowledge and proficiency in several critical areas they will need to operate effectively as Army officers. These areas include coordinating activities with staffs, counseling theory and practice within the "Army context", training management and ethics. The introduction of these subjects early in the MS IV year has the added benefit of preparing cadets to lead the cadet battalion throughout the remainder of the year.

While the proficiency attained in each of these areas will initially be at the apprentice level, cadets will continue to sharpen these skills as they perform their roles as cadet officers in the battalion and after commissioning. At the end of this semester, cadets should possess the fundamental skills, attributes and abilities to operate as competent leaders in the cadet battalion and
confidently communicate to subordinate cadets their preparedness to shoulder the responsibilities entrusted to them. This course additionally includes a Leadership Lab which will reinforce the lessons learned in the classroom. Prerequisite: MIL 302.

3 credits at Providence College (these credits will transfer to applicable JWU courses).

**MIL 402 LEADERSHIP AND MANAGEMENT II WITH LAB**
The final semester of the Advanced Course focuses on completing the transition from cadet to lieutenant. As a follow-on to the ethics instruction in MIL 401, the course starts with a foundation in the legal aspects of decision-making and leadership. The next module reinforces previous instruction on the organization of the Army and introduces how we organize for operations from the tactical to strategic level. This is followed by instruction on administrative and logistical management that will focus on the fundamentals of soldier and unit-level support. The final module that introduces new information focuses on the often confusing process of changing duty stations and reporting to a new unit.

At the core of this semester is the Advanced Course’s Capstone Exercise. This 12-lesson exercise will directly reinforce all modules from this semester and will also incorporate and reinforce many learning objectives from modules throughout the entire curriculum. The Capstone Exercise will require the cadets, both individually and collectively, to apply their knowledge to solve problems and confront situations commonly faced by junior officers. Upon completion of this semester, the cadets will be prepared to shoulder the responsibility of being a commissioned officer in the United States Army. This course additionally includes a Leadership Lab which will reinforce the lessons learned in the classroom. Prerequisite: MIL 401.

3 credits at Providence College (these credits will transfer to applicable JWU courses).

**International**

International students on F1 student visa status are not eligible to apply to Johnson & Wales University’s Adult & Continuing Education programs. All students who are resident aliens must provide proof of their status to Adult & Continuing Education Admissions. Those who cannot provide this information should apply to Johnson & Wales University’s day program. For information on application to the day program, please request an international viewbook and catalog from International Admissions (http://www.jwu.edu/international).

**English Language Proficiency**

Applicants whose native language is not English must provide proof of English proficiency. English language proficiency is required for admission to all programs of study at Johnson & Wales University, regardless of country of citizenship or residency.

Students who do not provide proof of English proficiency will be enrolled in the English as a Second Language (ESL) program and registered for ESL classes prior to beginning regular degree studies.

Johnson & Wales University’s English as a Second Language (ESL) program allows students to focus on the areas where they need the most improvement, and some advanced-level ESL students may take a regular undergraduate degree class in place of an ESL class which has been exempted because of proficiency in a particular area. This flexibility provides students with the most efficient transition into college.

English Language Placement testing for new ESL students will be given before the beginning of each term. JWU uses the students’ scores from this testing to place students into the appropriate level of ESL. The Institutional TOEFL (Test of English Foreign Language) will be also offered to students who score at a high level in their ESL placement tests, to be determined by the English Language Institute’s departmental policy.

**English Proficiency Requirements**

Johnson & Wales University recognizes the TOEFL (Test of English as a Foreign Language) as proof of English proficiency (p. 102). TOEFL scores must be received as official ETS scores. The Johnson & Wales University Designated Institution (D.I.) code is: 3465. This code should be used on your TOEFL registration form so that your scores will be sent to us directly.

Minimum TOEFL requirements (all levels, undergraduate and graduate) are as follows:

- TOEFL score of 80 (Internet-based or iBT)
- TOEFL score of 550 (pen/paper or PPT)

Individual section scores must also meet minimum score requirements.

Acceptable proof of English proficiency may also include one of the following comparable English proficiency examinations:

- PTE Academic (Pearson Test of English) – Minimum score of 53
- IELTS (Cambridge), Band 6.5
- ELS Level 112 Certificate of Completion and Academic Report
- City & Guilds Pitman ESOL Examinations – Higher Intermediate or Expert Level
- The London Tests of English LTE, Level 4 (Advanced)
- MELAB (Michigan English Language Battery) – 77
- S.T.E.P. Eiken – (Society for Testing English Proficiency) – Grade 1

Other English language examination results will also be considered, and experience studying in the English language, as documented through school transcripts, will be taken into consideration.

To meet English proficiency requirements, all English language examination results must be submitted on an official test transcript that is no more than two years old.

Students may be exempted from individual ESL classes based on their individual TOEFL Test (or equivalent test) section scores. Individual section scores and total scores must also meet minimum score requirements; Johnson & Wales University also reserves the right to require a student to take ESL classes to increase proficiency in a particular area, regardless of total TOEFL or other test scores.

**Articulation Agreements**

JWU is proud to maintain a variety of international relationships through articulation agreements and transfer equivalencies with institutions and programs that facilitate student transfer to Johnson & Wales University for bachelor’s degree completion. The university is continuously working to develop partnerships with institutions around the world for the purpose of offering diverse educational opportunities for transfer students. Please note that all majors are not offered at each campus, which may affect articulation agreement eligibility. Contact Admissions at the specific campus for more information. International Articulation Agreements include:

- At-Sunrice Global Chef Academy, Singapore
- Barbados Community College, Barbados
- Bermuda College, Bermuda
- College of the Bahamas (COB), Bahamas
- Higher Hotel Institute, Cyprus (HHIC)
- Holland College, Canada

- Technical & Vocational Training Corporation (TVTC, formerly Gotevot), Kingdom of Saudi Arabia

Placement Testing (non-credit, no fees)

Mathematics and English
These tests are administered to all new undergraduate students, including transfer students, prior to term start. Transfer students may be exempt from placement testing if transfer credit has been awarded for the appropriate mathematics and English courses.

Modern Languages
All undergraduate students who have studied more than one year of French, German or Spanish are required to take a placement exam for that language. The placement exam will be scheduled at the beginning of each term. Students whose placement score indicates they have met a particular level of language proficiency will not be allowed to enroll in that language level. Students placing out of a required level of a language will be given the option to apply for the Departmental Challenge Examination to earn these credits (fees apply) or replace these credits with Arts & Sciences electives.

Academic Support & Disability Accommodations
Students with a documented disability requiring special accommodations must forward documentation to the Center for Academic Support at least two weeks prior to placement testing to ensure that accommodations can be made. No accommodations will be provided without appropriate documentation submitted prior to testing. Students who have already participated in placement testing and submit appropriate documentation will have the opportunity to retest with the accommodations in place.

Learning Assessment
For a listing of course options, annual examination schedules with examination dates and application deadlines, refer to the university’s Standardized Testing and Prior Learning Assessment Brochure. This brochure may be obtained from Student Academic & Financial Services.

In all cases, the academic department determines policy as it relates to the testing options for each course in the department. Several options may be available to students, and it is recommended that students seek the advice of an academic counselor.

POLICIES FOR CHALLENGE, CLEP AND PORTFOLIO ASSESSMENT

1. Course prerequisite requirements must be completed before permission to participate in a standardized testing option will be granted.
2. The university recognizes up to a maximum of 45 undergraduate quarter credits earned through Standardized Testing and Prior Learning Assessment.
3. Portfolio Assessment, CLEP Exams and Challenge Exams must fall within the residency requirement (http://catalog.jwu.edu/handbook/academicinformation/residencyrequirement) for each degree.
4. Portfolio Assessment, CLEP Exams and Challenge Exams may not be substituted for a class previously failed or one where a Withdrawal (W) or Withdrawal/Fail (WF) grade has been issued. They may not be substituted for a class previously taken or a class in which the student is presently scheduled.
5. The CLEP Exam requires a passing score of 50 or higher for CLEP credit to be awarded.
6. CLEP Exams, if failed, can be repeated in six months.
7. Portfolio Assessment and Challenge Examinations cannot be repeated if failed.
8. Seminar, application and processing fees are nonrefundable.
9. Students must present a valid picture ID when testing.

After being determined eligible to test or enroll in a seminar, students will be notified by email of the time and location of their test or seminar. The Standardized Testing and Prior Learning Assessment brochure listing course options may be obtained online (www.jwu.edu > Select Your Campus > Student Life > Academic Services > Testing for Credit) or from Student Academic & Financial Services. For additional policies/information for Portfolio, Challenge and CLEP options, refer to the brochure.

Portfolio Assessment
(for credit, with fees)
Undergraduate students may earn credits for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel programs, organizations or other comparable sources. Students must discuss this option with an academic counselor before they are eligible to enroll.
To apply for a Portfolio Assessment, students must meet the university’s residency requirements and complete the Portfolio Development non-credit seminar. This seminar will meet for three two-hour sessions.
The seminar assists students with the development of a portfolio that describes and documents how the learning took place. The completed portfolio is submitted to the appropriate department designee for review. The assessor will review the portfolio and either validate the student’s learning by awarding college credits, request additional information, or deny the request for credits. Portfolios will not be returned to the students; they become property of the university.
Once the seminar is completed, eligible students, in consultation with an academic counselor, may submit additional portfolios. Refer to the Standardized Testing and Prior Learning Assessment Brochure, available at Student Academic & Financial Services, for more information on required fees.

CLEP Examination
(for credit, with fees)
The College-Level Examination Program of the College Board tests are widely accepted national examinations in various subjects. The American Council on Education’s recommended score is required to earn credit. JWU subject equivalencies are determined by each academic department for each exam. These exams are treated as transfer credit. JWU is a national CLEP examination site. Consult the CLEP application for required fees.

Departmental Challenge Examination
(for credit by examination: for credit, with fees)
Departmental exams may be taken for specifically designated courses within a department. All matriculating students with previous academic and/or work experience, may request such an exam when they feel they have acquired the knowledge of a specific JWU course. Some testing options require specific criteria in order to take tests. Refer to the Standardized Testing and Prior Learning Assessment Brochure, available at Student Academic & Financial Services, for criteria and fees.
Advanced Culinary Arts Program (ACAP — for credit, with fees)

Prospective students who possess advanced knowledge and skills in these food-related areas may apply for the Culinary Arts or Baking & Pastry Arts Advanced Standing Examination. The results of the examination are considered in addition to academic records and a letter of recommendation from a food-related employer and/or teacher.

It is generally recommended that applicants have two to five years of full-service documented professional work experience.

Upon successful completion of the ACAP examination, students will be provided with the opportunity to accelerate their program of study by one term and earn 13.5 quarter credits in place of their internship requirement.

Students must be accepted for admission to Johnson & Wales University prior to applying for Advanced Standing. Contact Adult & Continuing Education Admissions for further information.
Financing Your Education

This section of the catalog contains information on tuition and fees, financial policies and obligations, financial aid and payment options. There is also information on loans, grants, scholarships and work programs for eligible students depending on campus and degree program.

Tuition & Fees

</table>

Disciplines CUL (Culinary Arts) and BPA (Baking & Pastry Arts) mostly designate laboratory courses.

Tuition is applicable to all students, including those on approved off-campus programs. For purposes of financial aid eligibility, full-time status is determined on a term basis and consists of a minimum of 12 quarter credit hours per term. When repeating courses already attempted, students may be assessed a fee for those courses. Students are fee assessed tuition upon course registration each term. Summer is considered a separate term.

Other Fees

Student Accident Insurance

Culinary arts adult & continuing education students are covered for accident only under Johnson & Wales University’s Accident Only plan during terms in which they are actively enrolled. No other continuing education students are covered by any university accident and/or sickness insurance plans. This does not include the summer term. Insurance brochures are available at several locations throughout the university. Refer to the insurance brochure or go to the University Health Plans website (http://www.universityhealthplans.com) for a definition of the effective date of coverage, policy limits, policy termination and the opportunity to continue coverage over the summer. Online courses do not fulfill this requirement.

Books and Supplies

The cost of books and supplies is approximately $1,800 per academic year. These costs are not applied to the student’s invoice. Books and supplies must be paid for at the university’s bookstores at the time of purchase. The bookstores operate a textbook sales/buy-back program to help students minimize these costs.

General Transportation Expenses

The cost of attendance includes a reasonable transportation allowance. These costs are determined annually by the university and are not applied to the student’s invoice.

Payment Options

Annual Payments

The student may make one payment in full for the entire academic year. Students are responsible for paying all charges in full or making appropriate arrangements by the published due date of August 9, 2013.

Term Payments

Students may choose to make three payments a year, which are payable by the publicized due dates established prior to each term. The due date for September 2013 is August 9, 2013.

Monthly Payments

Students may choose to pay the annual amount due in convenient monthly payments. This option is available through Tuition Management Systems (TMS) (https://www.afford.com). There is an enrollment fee to participate. Most plans are essentially interest free, but some accounts may incur late fees, reinstatement fees or other fees. Students interested in this option must contract with TMS and pay the first payment, in addition to the enrollment fee, by the published due date of August 9, 2013.

All Johnson & Wales University students must fulfill their financial obligations to the university by the published due date of August 9, 2013 (all off-term entrants must meet the financial obligation by the published date for that term).

To meet your financial obligation you must do one of the following by the published due date:

- Make a full term payment.
- Contract with TMS and pay the first monthly payment, as well as the enrollment fee.
- Have an approved loan which covers the annual balance.
- Have an approved payment plan with Student Academic & Financial Services using a combination of the above options.

If you do not fulfill your financial obligation by the published due date, your housing assignment (if applicable) may be removed. In addition, your class schedule for the 2013–2014 academic year may also be revoked.

Refund Policies

General Policy

To the extent that any charges due to the university remain unpaid, no refund check will be issued. No tuition will be assessed for terms that the student does not begin. Students who withdraw from the university prior to the end of the academic year may have their financial aid adjusted. The distribution formula for refunds to the Federal Student Financial Aid program will be calculated according to federal regulations. The university’s Withdrawal Credit Policy applies to all withdrawals from the university, voluntary or involuntary.

Term charges are subject to the university’s Withdrawal Credit Policy upon withdrawal from the university. Term charges are defined as tuition. Tuition is applicable to all students, including those on approved off-campus programs including study abroad and internships. The official notice of withdrawal from the university may be done in person or by written notification through Student Academic & Financial Services. Refunds are calculated by the date of termination which is based on the date Student Academic & Financial Services receives notification of withdrawal from the student or faculty member (culinary/pastry lab or experiential education courses only). Any refund due will be issued within 45 days after the date that the university was first notified of the withdrawal.

Unofficial Withdrawal Policy

The federal regulations require that students who begin attendance but fail to earn a passing grade in at least one course in any term and who do not officially withdraw shall be considered as having unofficially withdrawn from the university unless the university can document that the student completed at least 60 percent of the period of enrollment and earned the grade of “F.” A student must be engaged in academically related activities beyond the 60 percent of the enrollment period in order to retain eligibility for federal, institutional and external financial aid. If a student was not engaged in any academically related activities beyond the 60 percent, they will be assigned a withdrawal date based on the last date of an academically related activity. All other instances when a student withdraws without providing official notification will be the 60 percent point of the period of enrollment, as applicable. A student who does not earn at least one passing grade during a term for which federal funds were disbursed will have a Return of Title IV Funds calculation performed to determine how much of the federal funds were earned. Unearned federal funds must be returned to the source, in most cases with a charge to the student’s university account.

University enrollment disputes must be submitted online within 30 days after the end of the term during which the student was enrolled. To submit a dispute, students must complete the appropriate form online (http://www.jwu.edu/sas). (Select your campus and then select Forms.) No adjustments to tuition or financial aid will be made until the dispute is researched and either approved or denied. No disputes will be considered after 30 days from the end of the term in which the student was enrolled. Decisions will be made within 10 business days and students will receive notification via the email address provided on the dispute form.

Refund Policy for Georgia Residents

The following refund policy is applicable to prospective students and students attending Johnson & Wales University who are legal residents of the state of Georgia.
• An accepted applicant will receive a refund of any amount paid to the university with respect to a term if, prior to the commencement of classes for that term, he or she makes a request for a refund to Student Academic & Financial Services within three business days after making the payment.

• A student who provides official notice of withdrawal following the commencement of the academic term will receive a pro rata refund of tuition and fees* (other than the orientation fee which is used for the purposes of orientation) as follows:

<table>
<thead>
<tr>
<th>Percent of Total Class Days</th>
<th>Refund of Tuition and Fees</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 day–5%</td>
<td>95%</td>
</tr>
<tr>

<td>90%</td>
</tr>
<tr>
<td>11–25%</td>
<td>75%</td>
</tr>
<tr>
<td>26–50%</td>
<td>50%</td>
</tr>
<tr>
<td>More than 50%</td>
<td>No refund</td>
</tr>
</tbody>
</table>

  * In the event that a refund is made under this policy, all institutional aid/scholarships for that term will be adjusted on a pro rata basis based on the applicable refund. Official notice of withdrawal must be made by a student under this policy in person or by written notification to Student Academic & Financial Services. The date of official notice of withdrawal is the date that it is received by Student Academic & Financial Services. Refunds are paid to students within 30 days of the official notice of withdrawal.

• In the event that the University Withdrawal Credit Policy is more favorable than this Refund Policy for Georgia Residents, the university will refund to the student the greater amount in accordance with the university Withdrawal Credit Policy.

Notice Regarding Georgia Nonpublic Postsecondary Education Commission (NPEC) Student Complaint Process
Any person/student claiming damage or loss against Johnson & Wales University may file a verified complaint with the executive director of NPEC after going through the university Complaints and Grievances process. The complaint must contain a detailed description of the claim, including dates, times, and full names of all involved. Verification means that the complaint must be signed by the student/person filing the complaint and notarized, and state that the matters set forth in the complaint are true and correct. The complaint shall be investigated by the appropriate Standards Administrator (SA) of NPEC. The SA shall attempt to resolve the complaint between the university and the student. If the complaint cannot be resolved, the SA will issue a decision and inform each party that either has a right to request a hearing in writing before the executive director of NPEC within 10 days of receipt of the SA’s decision. The executive director may set a date and time for a hearing which shall be delivered to both parties by certified mail.

University Withdrawal Credit Policy
If a student terminates during

• the first and second week of the term, the university will credit 90 percent of the term charges.
• the third and fourth week of the term, the university will credit 50 percent of the term charges.
• the fifth and sixth week of the term, the university will credit 25 percent of the term charges.

After the sixth week of the term, students will be responsible for 100 percent of the term charges.

Financial Obligations
Continued enrollment as a student in good standing and certain other student benefits (diplomas, transcripts, etc.) are conditioned upon being current in all financial obligations to the university, including loans in which the university appears as a holder or guarantor.

Financial Planning
The university understands that financing an education can be a very complex process for many students. To assist with this process, financial planning counselors are available to work with students and their families on an individual basis to help them best utilize their own funds and other available resources to meet educational expenses. For more information and assistance call 1-800-343-2565, locally at 401-598-1468 or email sfs.pvd@jwu.edu.

Federal financial aid is not available to international students. International students must provide sufficient evidence of financial support in order to receive an I-20. The university awards scholarships based on academic merit. International students can contact the EducationUSA advising center in their country to learn more about opportunities for financial assistance.

Financial Aid

Student Financial Services (SFS)

Financial Aid
To assist students in meeting their educational expenses, the federal government offers grants and low-interest loans. Financial aid is awarded on an annual basis and is disbursed in three equal installments (fall/winter/spring).

Financial Aid Programs
Grants and loans are financial aid resources available to students. Students may receive assistance from one or both of these funds. Student eligibility for these programs is based on completion and submission of the form(s) described in the How to Apply (p. 106) section. Since awards are not automatically renewable, students must reapply each year. All financial aid awards are determined based on an academic year (fall/winter/spring terms). Financial aid awards are disbursed based on this term system, which equates to three disbursements. All annual awards are posted in three equal amounts. Federal loan programs are applied to the student’s account with the university in equal disbursements per term based on the loan period and the student’s entrance date.

How to Apply
To be considered for financial assistance, complete the steps listed below and submit all required documentation as soon as possible after January 1. Students must reapply for financial aid each year. Student Academic & Financial Services holds all information in strict confidence.

1. Personal Identification Number (PIN)
Students and their parents can apply for a PIN at www.pin.ed.gov (http://www.pin.ed.gov). The PIN allows students and parents to sign the FAFSA electronically and to correct previously processed FAFSA information online. Both the student and at least one parent must apply for a PIN.

2. Free Application for Federal Student Aid (FAFSA)
The Free Application for Federal Student Aid (http://www.fafsa.ed.gov) is available online. This form must be completed as soon as possible after January 1.

The information for financial assistance is then processed by the Federal Processor and sent to Student Academic & Financial Services at the university. The FAFSA code for JWU is 003404.

3. Independent Students
To be considered independent for financial aid purposes for the 2013–2014 academic year, students must answer yes to one of the following questions:

1. Were you born before January 1, 1990?
2. As of today, are you married? (Answer yes if you are separated, but not divorced.)
3. At the beginning of the 2013–2014 school year, will you be working on a master’s or doctorate program (such as an M.A., MBA, M.D., J.D., Ph.D., Ed.D. or graduate certificate, etc.)?
4. Are you currently serving on active duty in the U.S. Armed Forces for purposes other than training?
5. Are you a veteran of the U.S. Armed Forces?
6. Do you have children who will receive more than half of their support from you between July 1, 2013 and June 30, 2014?
7. Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2014?
8. At any time since you turned 13, were both your parents deceased, were you in foster care or were you a dependent/ward of the court?
9. As determined by a court in your state of legal residence, are you or were you an emancipated minor?
10. As determined by a court in your state of legal residence, are you or were you in legal guardianship?
11. At any time on or after July 1, 2012, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless?

12. At any time on or after July 1, 2012, did the director of an emergency shelter program funded by the U.S. Department of Housing and Urban Development determine that you were an unaccompanied youth who was homeless?

13. At any time on or after July 1, 2012, did the director of a runaway or homeless youth basic center or transitional living program determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?

Students who cannot answer yes to one of the above questions are considered dependent and must complete their Free Application for Federal Student Aid as a dependent student by providing both parent and student information. Please feel free to contact Student Academic & Financial Services with any questions.

4. Verification and Other Documentation

Student Academic & Financial Services may request additional documentation to verify information provided on the FAFSA (i.e. verification worksheet and untaxed income worksheet). The student and his/her parents may be required to submit signed and dated copies of their Tax Return Transcript. The transcript can be obtained online at www.irs.gov (http://www.irs.gov) or by calling 1-800-908-9946. The student’s financial aid package will not be complete until all requested documentation has been received and reviewed by Financial Aid. In addition, all student loan borrowers must attend an entrance and exit counseling session during which the student will be advised on his/her loan obligations.

Student Eligibility Requirements

Financial aid will be distributed to the student based upon the student’s financial need. All students seeking financial assistance must file a FAFSA with the Federal Processor. The FAFSA form is used to determine the student’s financial need.

Financial need is the difference between the cost of the student’s education (tuition and fees, room and board, books and supplies, transportation and personal expenses) and the total contribution expected from the student and his/her family. The student’s total family contribution is based on an analysis of the information which the student and/or parent supplied on the FAFSA. Some of the items considered are total family income, assets, the number of people in the household, the number of siblings in college, and the student’s own resources, such as earnings, savings, and untaxed income which the student may receive. Johnson & Wales University also considers these items when determining eligibility for university funds.

Federal Grants and Loans

Federal Pell Grant

The Federal Pell Grant is a federally funded entitlement program to assist needy undergraduate students. Eligibility for these grants is determined by the U.S. Department of Education based on the information provided on the FAFSA. Pell recipients can attend at less than half-time status and remain eligible for a portion of their Pell Grant. Students with a previous bachelor’s degree are not eligible for a Federal Pell Grant.

The maximum, full time, Pell Grant award for the 2012–13 award year (July 1, 2012 to June 30, 2013) was $5,550. The maximum Pell Grant award can change each award year and depends on program funding. Further information may be obtained by visiting the website of the U.S. Department of Education (http://studentaid.ed.gov).

Campus-based financial aid programs, including the Federal Supplemental Educational Opportunity Grant (SEOG), Federal Perkins Loan and Federal Work-Study programs are administered by Johnson & Wales University. Students apply for these programs through the filing of the FAFSA.

Federal Supplemental Educational Opportunity Grant (SEOG)

This federally funded program provides financial assistance to students who demonstrate exceptional financial need. Johnson & Wales University awards $100 based on financial need and the availability of funds. Students with a previous bachelor’s degree are not eligible for a Federal Supplemental Educational Opportunity Grant.

Federal Perkins Loan

This low-interest loan is funded by the federal government and administered directly by the university. Master Promissory Notes for this loan are available (http://www.jwu.edu/financialaid). (Select “Forms & Applications.”) Students may borrow up to $1,000 for each year of undergraduate study (the total a student can borrow as an undergraduate is $20,000). However, the amount a student may borrow may be less than the maximum available. The university is authorized to award a certain amount of Perkins funds each year from the U.S. Department of Education. When all available funds for that award year have been distributed, no additional award funds can be made for that year. The amount a student will receive depends on financial need and the availability of funds.

Students must begin to repay this loan nine months after they leave the university or drop below half-time status. The repayment of principal and interest may be extended over a 10-year period. The amount of each payment depends upon the amount of the student’s debt and the length of the student’s repayment period.

Federal Work-Study Program

Federal Work-Study is a federally funded program that provides part-time employment to students with financial need. Positions are available throughout the university and with selected off-campus community service agencies.

Work-study gives students the opportunity to earn money to help pay educational expenses. Students are paid an hourly rate for actual hours worked. The amount earned cannot exceed the total work-study award. Work-study funds are paid biweekly directly to the student; therefore, funds will not be applied to the student's account unless arrangements are made with Student Academic & Financial Services.

William D. Ford Federal Direct Subsidized Stafford Loan

This loan program provides low-interest loans to students who demonstrate financial need. First-time borrowers are required to complete a Master Promissory Note and an entrance interview. Both of these requirements can be completed online (https://studentloans.gov).

Students may borrow up to a maximum of $3,500 per academic year as freshmen for the first year of undergraduate study, $4,500 for the second year as sophomores, and $5,500 per year for the third and fourth years as juniors and seniors. The student must begin repayment six months after he/she leaves the university or drops below half-time status. The interest on the loan is not subsidized during the student’s six-month grace period. The amount of the student’s monthly payment will be determined based upon the amount of student debt and the length of the repayment period. Please contact Direct Lending at 1-800-557-7394 for more information on repayment options.

William D. Ford Federal Direct Unsubsidized Stafford Loan

Like the Direct Subsidized Stafford Loan program, this Direct Unsubsidized Stafford Loan program also offers low-interest loans to students. While most of the loan terms are the same as the Subsidized Loan program, there are several major differences:

1. students do not have to demonstrate financial need to receive a Direct Unsubsidized Stafford Loan, and

2. the federal government does not pay interest on the borrower’s behalf while the borrower is enrolled in school.

During that time, the student borrower can choose between making quarterly interest payments or “capitalizing” interest. “Capitalizing” interest means that the lender will add interest accrued to the principal balance. This will eliminate the need for interest payments while in school, but will result in a larger principal amount owed upon repayment.

Increased Unsubsidized Stafford Loan Limits for Independent Students and Dependent Students Whose Parents Don’t Qualify for a PLUS loan

There are higher additional unsubsidized annual loan limits for independent undergraduate students. These higher additional unsubsidized loan limits also apply to dependent undergraduate students whose parents are unable to borrow PLUS loans due to adverse credit or other documented exceptional circumstances.

- $3,500 combined subsidized and/or unsubsidized plus $6,000 additional unsubsidized for independent first-year undergraduates;
• $4,500 combined subsidized and/or unsubsidized plus $6,000 additional unsubsidized for independent second-year undergraduates; and
• $5,500 combined subsidized and/or unsubsidized plus $7,000 additional unsubsidized for independent third-, fourth-, or fifth-year undergraduates.

Note: All undergraduate annual loan amounts are subject to proration.

Please note that a student/borrower remains responsible for the repayment of educational loans that he/she borrows even if the student is not successful in completing the educational program and/or obtaining employment.

No student is required to apply for, or accept, any particular type of financial aid.

Johnson & Wales University participates in the William D. Ford Federal Direct Loan Program. All Direct Stafford Loans and parent PLUS loans will be borrowed from the U.S. Department of Education.

Please note that the loan information described in this catalog is based upon the available information as of the date of the production of this catalog. Updated information regarding federal grants and loans may be obtained by visiting the U.S. Department of Education (http://studentaid.ed.gov) website.

Applications for these loans are available in Student Academic & Financial Services or on the Direct Lending (https://studentloans.gov) website.

Aid from these programs is awarded on the basis of financial need. In order to receive maximum consideration for financial assistance, it is recommended that the student apply as soon as possible after January 1. The award process for first-year students begins in March of each academic year. Renewal of financial aid is not automatic. Recipients are required to reapply each year by the announced deadline.

To be eligible for these programs, students must meet the following criteria:

1. demonstrate financial need;
2. maintain satisfactory academic progress (financial aid will be suspended until satisfactory academic progress is again achieved);
3. be enrolled in an eligible degree program;
4. be enrolled on at least a half-time (at least 6.0 quarter credit hours) basis (students enrolled on a less-than-half-time basis may have their financial aid reduced; some students enrolled on a less-than-half-time basis may qualify for a Federal Pell Grant);
5. be a U.S. citizen, permanent resident, or eligible non-citizen;
6. not owe a refund on a Federal Pell Grant or be in default on a Federal Perkins Loan, Federal Subsidized Stafford Loan, Federal Unsubsidized Stafford Loan, Parent Loan for Undergraduate Students (PLUS) or Supplemental Loan for Students (SLS); and
7. sign a Statement of Educational Purpose, a Statement of Registration Status and a Statement on Overpayments and Defaults.

Students are eligible to receive financial aid as long as they maintain Satisfactory Academic Progress (SAP) as defined in the SAP (p. 108) section of this catalog, and in the Student Handbook. Students who fail to maintain satisfactory academic standing will be notified by Student Academic & Financial Services. All financial aid will be suspended until satisfactory academic progress is again achieved.

**Return of Title IV Funds (federal aid)**

When a student withdraws (or becomes withdrawn) during a payment period or period of enrollment, the amount of student financial aid program assistance earned is determined by a specific formula. If the student receives (or the university receives on the student’s behalf) less assistance than the amount earned, the student may be able to receive those additional funds. Students who received more assistance than what they earned must return the excess funds.

The amount of federal assistance earned is determined on a pro-rata basis. That is, if a student completes 30 percent of the payment period or period of enrollment, the student earns 30 percent of the federal assistance he or she was originally scheduled to receive. Once the student completes more than 60 percent of the payment period or period of enrollment, the student earns all scheduled federal assistance.

The student’s loan monies (subsidized, unsubsidized and PLUS) must be on record with the Department of Education before the student’s last day of attendance in order for the money to be considered within the formula. If the student is eligible for a post-withdrawal disbursement, a written notice will be mailed requesting the consent of the borrower to post the funds to the student’s account. The amount of institutional assistance earned is based on the week that the student withdraws from the university and follows the percentage the university credits the student’s charges.

If a student receives excess funds that must be returned, Johnson & Wales University must return a portion of the excess, equal to the lesser of

- the student’s institutional charges multiplied by the unearned percentage of the student’s funds
- the entire amount of the excess funds

If the university is not required to return all excess funds, the student must return the remaining amount. Any loan funds that the student must return, must be repaid by the student (or his or her parents for a PLUS Loan) in accordance with the terms of the promissory note.

If a student is responsible for returning grant funds, the student does not have to return the full amount. Students are not required to return 50 percent of the grant assistance received that is the student’s responsibility to pay. Any amount not returned is a grant overpayment and the student must make arrangements with the university or Department of Education to return the funds.

Federal regulations establish the following allocation for students who receive Title IV, HEA program funds:

A refund owed to a student who received funds under any Title IV, HEA program will be returned to the Title IV, HEA programs from which the student received aid in the following order until the amounts received by the student from these programs is eliminated: the Unsubsidized/ Subsidized Stafford Loan, the Perkins Loan, the Parent PLUS Loan, the Pell Grant, the FSEOG program, all other sources of aid, and the student.

**State Grants**

Students from the following states may be eligible for state grant money:

- Connecticut
- Delaware
- Maine
- Massachusetts
- Pennsylvania
- Rhode Island
- Vermont

Contact the higher education authority in your home state for more information.

**Academic Progress**

**Satisfactory Academic Progress**

To be eligible for financial aid, all students must satisfy Satisfactory Academic Progress (SAP), which is required by federal law. SAP measures a student’s completion of coursework towards a degree. JWU evaluates SAP at the end of each term, including summer, for each student. Students who do not meet all SAP criteria may lose their eligibility to receive all types of financial aid (e.g., federal, state, private, institutional, and other aid). Students will be notified of the decision both verbally and in writing.
Maximum Time Frame Criteria
Completion of undergraduate or graduate programs cannot exceed 150 percent of the published length of the program measured in credit hours attempted as determined by the student’s program requirements.

Pace Measure of Academic Progress Criteria
- Students must complete a specified percentage of all credit hours attempted; see below.
- This percentage includes all credit hours attempted regardless of whether or not financial aid was received.
- This pace measurement is calculated by dividing the cumulative number of hours that the student has successfully completed by the cumulative number of hours that the student has attempted.
- Credits attempted are defined as all classes for which a student receives a grade (“D” or better), or an F, I, W, WP, WF, NC, GP, S, U, PL, CX, NG, AU etc.
- All transfer credit hours accepted from another institution towards the student’s educational program at JWU will be counted as both attempted and completed hours.
- The student’s GPA and pace of completion are negatively impacted by course incompletes, withdrawals, failures or repetitions (incompletes, failures and withdrawals count in attempted credits, but not completed).

Grade Point Average Criteria
- All undergraduate and graduate students must maintain a minimum Grade Point Average (GPA).
- The student’s cumulative GPA for financial aid eligibility must be calculated on all grades received.
- All students, regardless of their enrollment status (e.g., full or part time), must meet the following minimum academic standards to remain eligible for financial aid.

Warning Period
Students who fail to meet SAP criteria will be placed on financial aid warning for one academic term and a hold will be placed on the student’s record which will prevent them from course registration for all future terms. Students remain eligible for financial aid during the warning term. If SAP criteria are not satisfied at the end of the warning term, the student will be ineligible for financial aid. Students on warning must meet with an academic counselor to clear the hold prior to course registration, and/or to pursue an appeal. Students on warning must submit their appeal and supporting documentation before the eighth week of the warning term.

Ineligible for Financial Aid Period
Students who fail to meet SAP criteria after the warning period are ineligible for financial aid. If the student does not have an approved appeal, the student is no longer eligible for financial aid. Students may continue to take courses without financial aid to re-establish SAP standards; however, a payment plan must be established for the tuition and applicable fees associate with the course(s). Once a student is meeting JWU’s minimum SAP standards, he/she may regain financial aid eligibility. Students who are interested in reestablishing aid eligibility should meet with an academic counselor to determine what they would need to do to meet JWU minimum SAP standards.

Appeal Process/Probationary Period
If extenuating circumstances impacted successful adherence to SAP criteria, the student may pursue an appeal. The appeal will require the student to indicate why he/she did not make SAP and what has changed in the student’s situation that will allow the student to demonstrate SAP by the next term. Circumstances and required documentation are illustrated below. The appeal process begins with the student’s academic counselor in Student Academic Services. If an academic plan can be created that allows the student to meet SAP criteria within two terms, the counselor will present it to the appeals committee. Appeals must include complete documentation and are reviewed during the warning period; incomplete appeals will be denied. Appeal decisions are final. Students will be notified of the decision both verbally and in writing. This notification will take place after final grades are reviewed for the warning period.

If an appeal is approved, the student will be placed on a Financial Aid Probation Period, which is a status assigned by JWU to a student who fails to make SAP and who has successfully appealed and has had eligibility for financial aid reinstated. To continue receiving financial aid, the student will need to satisfy both the academic plan as outlined in their appeal and the SAP criteria.

Student Services

Student Services at JWU provides professional support for students across various aspects of campus life, from academic support to meals and housing, health services, and student clubs and organizations. Click on a topic to view specific information.

Academic Support

The Center for Academic Support offers a variety of services to assist each student in preparation for graduation and career placement. The center’s goals are to support students in their efforts to develop and maximize their talents, empower them to direct their own learning, and lead them to pathways of success. With emphasis on success, graduates acquire lifelong behaviors and attitudes which are recognized by employers.

Services Offered

- The Learning Center — individual, group, peer and professional tutoring
- Supplemental instruction
- Workshops in stress management, time management, test-taking strategies and other learning strategies
- Accommodations for students with disabilities with appropriate documentation as described below.

The Center for Academic Support complements students’ academic and technical training by sharpening their ability to position themselves in today’s competitive marketplace. This is accomplished with programs centered around personal and career success.

Learning Centers

The Learning Center in the John Hazen White Center on the Downcity Campus offers students academic assistance in business, hospitality, technology and arts & sciences courses. Writing assistance is also provided, including tutoring for all types of written projects, study skills remediation, and help in researching and designing papers. Tutoring in all first-year courses and most upper-level courses is available.

The Learning Center in The Friedman Center on the Harborside Campus offers students individualized and/or small group tutoring in culinary and pastry laboratory and academic classes, as well as in study skills. Writing laboratories for undergraduate students are available, including tutoring for all types of written projects, study skills remediation, and help in researching and designing papers.

Contact the Learning Center for more information:
- Downcity 401-598-1485
- Harborside 401-598-1703

Tutorial Assistance

The university provides tutorial assistance through the Center for Academic Support. Students are urged to take the initiative in seeking out-of-class help during faculty office hours as well as in the Learning Center.

In addition, peer and professional tutoring is available in math, accounting, writing skills, most major courses and study strategies. Tutors, directed by a learning skills professional, provide individual and/or group sessions as student needs and resources dictate.

Students with Disabilities

JWU is dedicated to providing reasonable accommodations to allow students with learning, physical or other disabilities the opportunity to succeed in academic pursuits. While maintaining the highest academic integrity, the university strives to balance scholarship with support services which will assist students with disabilities in succeeding in the university’s academic environment.

Because some programs of study at the university have technical standards (p. 100) and requirements, applicants and students with disabilities should contact the director of the Center for Academic Support at 401-598-4689 to discuss the availability of reasonable accommodations or to obtain documentation guidelines, when appropriate.

Available reasonable accommodations for students with disabilities with appropriate documentation include, but are not limited to:

- Decelerated Course Load
- Preferential Scheduling
- Individualized Exams
- Note-taking Assistance
- Audio Recording in Class
- Voice Recognition Software
- Digital Texts
- Classroom Relocation
- Housing Accommodations
- Medically Excused Absences
- Reader or Scribe
- Assistive Technology

For further information regarding available reasonable accommodations and the accommodations procedure, please see the Academic Support (http://www.jwu.edu/content.aspx?id=278) section of the Providence Campus website or call the Center for Academic Support at 401-598-4689.

Information regarding Accommodation of Food Allergies for Students in the College of Culinary Arts and The Hospitality College

Food allergies can be life-threatening. According to the Centers for Disease Control and Prevention, food allergies cause 30,000 cases of anaphylaxis, 2,000 hospitalizations and 150 deaths annually.

Please note that the common food allergens (cow’s milk, egg, peanut, tree nuts, fish, shellfish, soybeans and wheat) as well as less common food allergens are used regularly in the university’s curriculum in the College of Culinary Arts and The Hospitality College.

The College of Culinary Arts and The Hospitality College have technical standards (p. 100) that must be met for participation in their academic programs. All College of Culinary Arts programs and some Hospitality College programs include the requirement that the student, with or without reasonable accommodations, must be able to safely and effectively test and evaluate the taste, appearance, texture and aroma of food and beverage products, and maneuver in professional or commercial kitchens, dining rooms and related facilities.

If you are an applicant with a food allergy who has been accepted for admission to JWU who intends to pursue studies in the College of Culinary Arts or The Hospitality College, we strongly urge you to call or visit the Center for Academic Support (401-598-1485) prior to attending your first class to discuss any reasonable accommodations that might be available to you during your academic studies. While the university will provide reasonable accommodations in compliance with applicable law, the university cannot guarantee it will be able to meet all requests for accommodations or remove all allergens from its curriculum.

Health Services

JWU maintains two Health Services (http://www.jwu.edu/content.aspx?id=10320) offices where health care is provided to students — one for the Downcity Campus at Wales Hall and one for the Harborside Campus at the Wildcat Center.

JWU’s health services are available to commuting students as well as to residents.

Medical Records

Prior to the first term of enrollment, the university requires all new, full-time undergraduate students — residents and commuters alike — to submit proof of a complete physical exam conducted within the past year, including documented proof of two doses of the MMR (measles, mumps and rubella) vaccine (or titers if applicable), three doses of hepatitis B vaccine (or titers if applicable), three doses of tetanus-diphtheria vaccine (including at least one Tdap dose within the past 10 years), two doses of the chicken pox vaccine (or titers if applicable) or proof of physician-diagnosed disease, and one dose of meningitis vaccine (required for students residing in university residence halls). A waiver of the meningitis vaccine requirement is available for students 22 years of age and older (please contact Health Services for further information). In addition, a negative tuberculosis test or chest x-ray within the last year is required for entering students who are from highly endemic countries and have been residents of the United States for less than...
five years. A list of countries where tuberculosis is highly endemic is available upon request from Health Services.

The hepatitis A vaccine is strongly recommended but not required.

International Services

The main focus of International Student Services (http://www.jwu.edu/content.aspx?id=49664) is to help international students adhere to Department of Homeland Security regulations, maintain their student status and access all the benefits permitted by their student visa status. A variety of other programs and services have also been created to assist students from the moment they enroll in the university until the day they graduate and beyond. International Student Services offers orientation programs and cultural programming for international students and the university community. In addition, information sessions on employment, tax and other cultural adjustment issues are conducted every year.

Orientation

Johnson & Wales University hosts two evening orientation sessions for all new adult & continuing education students at the start of each academic term. One session is delivered at our Downcity Campus for those in the College of Business, School of Technology, The Hospitality College and the John Hazen White School of Arts & Sciences. Another is held at our Harborside Campus for all College of Culinary Arts students. Students are introduced to many university administrators, faculty and staff who provide valuable information on academic, student life and university policies. Activities include campus tours, bookstore visits, pre-testing, distribution of photo identification and parking permits, a student networking session, and academic presentations. Students seeking readmittance to the university are also encouraged to attend these orientation sessions for new information and to help ease the transition back to campus. Information about orientation programs and services is emailed to all incoming students.

Parking

In order to park your vehicle on university property, you must have a parking permit. Parking permits are available through the term start/orientation process or you may receive a parking permit from Campus Safety & Security. To receive a parking permit, you must go to Campus Safety & Security and fill out a parking permit application. It is the responsibility of the person applying for the permit to maintain:

- Current university ID
- Valid driver’s license
- Proof of minimum liability insurance
- Valid automobile registration

There is no fee charged to Adult & Continuing Education students for this parking permit. Parking is available in designated university parking lots on a first-come, first-served basis, and there is no guarantee of available space. The parking privilege extended to Adult & Continuing Education students does not apply during daytime business hours. Adult & Continuing Education parking is available in university lots after 5 p.m. Monday through Thursday (Friday for make-up classes) and all day Saturday and Sunday. The university is not responsible for any vehicle or its contents while it is parked on university property.

Policies

Computer and Technology Use Policy

All students are required to comply with the university’s Computer and Technology Use Policy (http://helpdesk.jwu.edu/policies.htm).

The university’s Computer and Technology Use Policy prohibits students from uploading, downloading, posting, publishing, transmitting, retaining, reproducing, sharing or distributing in any way information, software, movies, music, books, articles or any other material which is protected by copyright or other proprietary right without obtaining permission of the owner. Violation of this policy may result in the termination of a student’s access to the Internet via the university’s Internet system and student conduct review actions up to and including dismissal from the university.

In addition, students should be aware that unauthorized distribution of copyrighted material (e.g., songs, music and other materials), such as through peer-to-peer networks, may constitute copyright infringement. Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than $750 and not more than $30,000 per work infringed. For “willful” infringement, a court may award up to $150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to $250,000 per offense. For more information, please see the website of the U.S. Copyright Office (http://www.copyright.gov), especially their FAQs (http://www.copyright.gov/help/faq). Please refer to the Computer and Technology Use Policy for a further description of prohibited activities regarding use of university technology resources.

Drug and Alcohol Policy

In accordance with the Federal Drug-Free Workplace Act and Drug-Free Schools and Communities Act, Johnson & Wales University prohibits the unlawful manufacture, distribution, dispensation, possession or use of narcotics, drugs, other controlled substances or alcohol at the workplace and in the educational setting. Possession or use of alcoholic beverages anywhere on university premises is prohibited except for lawful use at events, operations or programs sanctioned by university officials (see the Student Code of Conduct(https://catalog.jwu.edu/handbook/studentaffairs/studentcodeofconduct)). Unlawful for these purposes means in violation of federal, state or local statutes, regulations or ordinances. Workplace is defined as either university premises or any place where university business is conducted away from university premises. Educational setting includes both university premises and approved educational sites off campus.

Possession or use of illegal drugs, narcotics or drug paraphernalia is absolutely forbidden. Johnson & Wales is not, and cannot be considered, a protector or sanctuary from the existing laws of the city, state and federal governments.

Sanctions

Disciplinary sanctions which may be imposed on a student found to be in violation of the above policy include, but are not limited to, reprimand, revocation of certain privileges, campus service, deferred suspension, fine or restitution for loss, suspension or dismissal from the university and/or university housing, and referral to alcohol education classes. The university also reserves the right to notify parents of violations.

Alcohol and Its Effects

Alcohol abuse is defined as any drinking that harms or endangers the drinker or other people. It can be a single episode or a regular pattern. Alcohol consumption causes a number of marked changes in behavior. Thought processes are slowed as alcohol numbs and destroys brain cells.

Symptoms of Drug Abuse

The key is change. It is important to watch for any significant changes in physical appearance, personality, attitude or behavior. Behavior signs include a change in overall personality or attitude with no other identifiable cause; a general lack of motivation, energy, or self-esteem; sudden oversensitivity, temper tantrums, or resentful behavior, moodiness, irritability or nervousness.

Possible Effects of Drug Abuse

Narcotics (opium, morphine, heroin) may cause euphoria, drowsiness, respiratory distress and nausea. Depressants (barbiturates) may cause slurred speech, disorientation and drunken behavior without the odor of alcohol. Stimulants (cocaine, amphetamines) may cause increased alertness, increased blood pressure and pulse, insomnia and loss of appetite. Hallucinogens (LSD, mescaline) may cause illusions, hallucinations and poor perception of time and distance. Cannabis (marijuana, hashish) may cause euphoria, relaxed inhibitions and disoriented behavior.

JWU’s Substance Abuse Prevention Program

Several programming initiatives and alternatives are available to help students examine their own behavior related to alcohol and other drugs (AOD).

- Counseling Services provides an assessment of AOD usage for all students who seek counseling.
- Counseling Services provides AOD assessments for students who are specifically referred by Student Conduct.
• Referrals to community resources are available for individuals with more
long-term or complex needs. A number of AA/NA/Al-Anon groups hold
meetings close to campus and in the larger local community.
• Counseling Services offers AOD prevention through programming efforts
with various student groups and Student Affairs departments.
• Counseling Services also collaborates with Student Conduct to provide
educational and other resources for students with problematic drinking
behavior and drug use.
• A number of programming initiatives take place each year as part of
Alcohol Awareness Week activities, the campus Wellness Fair, as well as a
variety of classroom and Residential Life programs.
• There is also an Alcohol Task Force to address alcohol abuse by students.
This group has members from all segments of the university community.

State Penalties for Drug and Alcohol Offenses
Johnson & Wales University students are subject to state criminal prosecution
and penalties for drug and alcohol offenses. These offenses include the following:
• Possession or delivery of marijuana, cocaine, heroin, LSD or PCP
• Possession of a needle and syringe
• Driving under the influence of alcohol and/or drugs
• Driving under the influence, death resulting
Criminal penalties for drug and alcohol offenses can include
• Mandatory drug or alcohol counseling
• Alcohol and/or drug treatment
• Driver retraining
• Suspension or loss of driver’s license
• Community service
• Fines ranging from $200 up to $1,000,000
• Imprisonment for various periods of time up to life imprisonment

Safety & Security
Campus Safety & Security (http://www.jwu.edu/providence/safety) is
responsible for the enforcement of university policies, security on campus,
and providing public safety service for the university’s students, faculty and
staff. In addition, Emergency Management provides policy input, planning,
exercises and guidance to improve response capabilities in the event of a
campus or university emergency. Johnson & Wales University’s Providence
Campus & Security is accredited by the International Association of Campus
Law Enforcement Administrators Commission.
Incidents of an emergency nature should be reported to the Providence
Police at 911, followed by contacting Campus Safety & Security at extension
1103 from a university phone or 401-598-1103 from a non-university phone.
Campus Safety & Security issues timely alerts to the campus community, and
when necessary, has the ability to issue these timely alerts via an emergency
notification mass-messaging system.
Students are encouraged to take advantage of the services and programs
listed on our website.
In compliance with the Higher Education Act, Johnson & Wales University
publishes an Annual Security Report and an Annual Fire Safety Report.
The Annual Security Report discloses information about campus security
policies and statistics concerning reported crimes that occurred on campus,
on university-controlled property, and on public property immediately
adjacent to campus. The Annual Fire Safety Report discloses information
about the campus fire safety policies and procedures and fire statistics for
each residence hall. A copy of the reports may be obtained from Campus
Safety & Security in person or online (http://www.jwu.edu/providence/safety).
The university maintains a log of all fires that occur in on-campus housing,
and a daily log of all reported crimes.

Student Activities
Student Activities (http://www.jwu.edu/content.aspx?id=11598) serves to
create and promote diverse environments where students are engaged in
opportunities that foster holistic student development through collective
leadership and participation in purposeful campus programs and events.
About Student Activities
Student Activities has two locations: in the Citizens Bank Center for Student
Involvement at the Downcity Campus and in the Wildcat Center at the
Harborside Campus. Some of the programs and services include
• more than 100 clubs and organizations
• fraternities and sororities/Greek life
• concerts
• leadership institutes, workshops and retreats
• Halloween, Winter and Spring Week events
• spiritual life
• student government
• student-run newspaper, The Campus Herald
• free movies
• campus traditions such as Midnight Madness, One-Ton Sundae, Wildcat
  Wahoo Carnival and more

Clubs and Organizations
Opportunities abound for students to become engaged on campus and
get involved in clubs and organizations at JWU’s Providence Campus.
See clubs & organizations (http://www.jwu.edu/content.aspx?id=11298)
for currently available opportunities. Guidelines for starting a new
organization are outlined in the Clubs & Organizations Handbook (http://
www.jwu.edu/uploadedFiles/Documents/Student_Life/handbooks/
JWUStuLifeClubOrgHandbkPVD.pdf).

Greek Life
Getting involved in Greek life at the Providence Campus is a fantastic way
to build a network of resources that last a lifetime. See Greek Life (http://
www.jwu.edu/content.aspx?id=11084) for currently available sororities and
fraternities.

Athletics
Athletics at JWU’s Providence Campus serves multiple functions within the
campus community in supporting students’ needs through intercollegiate,
recreational and intramural sports programs, as well as fitness programs and
facilities. See Athletics (http://providence.jwuathletics.com/landing/index) for
current Athletics program information.

Leadership Development Programs
In addition to academic courses, one of the university’s priorities is to equip
students to be strong, ethical leaders in industry and in their communities.
Working in conjunction with various academic and student affairs
departments, Student Activities provides opportunities (http://www.jwu.edu/
content.aspx?id=292) for students to complement their classroom education
with the leadership knowledge, skills and abilities necessary to succeed in a
competitive workplace.
