JOHNSON & WALES  
UNIVERSITY

DENVER CAMPUS

Dear Student,

College is such an exciting time – new school, new friends and lots of new experiences! All of the newness is great, but we all seek some familiarity in our lives, especially with so much change.

This Community Worship Book is a way for you to get involved with your faith and find the right spiritual community for you here in Denver. It is a way for you to experience the familiarity of your home church/mosque/temple/synagogue. If you do not see your faith tradition represented and want information, come see us.

If you are interested in experiencing a new faith tradition, then this book can serve as your resource to finding and exploring a community that meets your needs.

If you have further questions, don't hesitate to email, call or come see us. Best wishes to you as you begin your new adventure!

Peace,

The Staff of the Student Affairs Office
