STRAIGHT PLAN
With FOCUS 2022, JWU is committed to the introduction of innovative, interdisciplinary programs of study leading to high growth professions and careers. We offer students an excellent education, characterized by academic rigor and practical experiences. And we do so in an educational community that values intellectual curiosity, professionalism and diversity in its many forms. Key pillars include

Academic Life: JWU will strengthen and expand its preeminence in the study of food. It will create academic programming in all colleges, including a new college focused on an interdisciplinary approach to food.

Students: All students will be given the chance to bridge classroom experiences with external opportunities as a means of achieving their goals.

Foundation: Human, financial and infrastructure resources are critical to the university’s ability to meet its mission and commitment to student success.

Branch Campuses: The JWU mission and vision for its students is shared across all branch campuses.
