Dear Class of 2020 and Class of 2021,

Today is a special day for two of Johnson & Wales University's graduating classes. Not only is today one of our first in-person celebrations in over a year, it's an event where we will recognize students for exemplary achievements over the course of some extraordinary years.

Earning your college degree is a pivotal milestone in one's life and the road to get here has not been easy for either graduating class. Today, we celebrate the completion of your academic journey defined by hard work, persistence and the courage to keep going through incredibly uncertain and challenging times. Each of you has achieved something that no student or recipient has before you.

Yes, you have earned your college degree, but you have achieved this during a pandemic. For many of you, you represent the first in your families to earn this prestigious distinction and you will now set the bar higher for future generations. You are forever remarkable and unique.

When you cross the stage today, think of the countless hours you have dedicated to studying, completing projects and perfecting your craft. I admire you for your dedication to your academic studies, your commitment to making the JWU campus environment richer, for your persistence, for your resilience, and for your grit. As you bask in all that you have accomplished, I hope you will also pause to show your appreciation to the people who have helped you along the way – your family and friends, classmates, professors, staff, coaches and mentors.

The future belongs to you. You have the ability to be significant contributors to our society and to the world. Even if that future feels a bit uncertain at times, remember that you have built a strong network of JWU advisors, industry professionals and friends who will be alongside you as you venture forth, ready to adapt to and embrace our perpetually changing world. Like the thousands of alumni who have come before you, you possess the Wildcat grit and resolve to reach your goals.

Congratulations! You are Wildcats for life. Keep the memories close and the bonds you have forged strong. On behalf of the entire university community, we are so grateful you chose JWU and wish you all the best for a successful future.

Forever JWU,

Cheryl L. Richards, Ph.D.
Charlotte Campus President

JOHNSON & WALES UNIVERSITY: FUTURE LEADERS START HERE

Founded in 1914, Johnson & Wales University is a private, nonprofit, accredited institution with more than 10,000 graduate, undergraduate and online students at its four campuses in Providence, Rhode Island; North Miami, Florida; Denver, Colorado; and Charlotte, North Carolina. An innovative educational leader, the university offers undergraduate and graduate degree programs in arts and sciences, business, engineering, food innovation, hospitality, nutrition, health and wellness. It also offers undergraduate programs in culinary arts, dietetics and design. JWU's unique model provides students with the personalized attention, academic expertise and industry connections that inspire professional success and personal growth. The time students spend at JWU is nothing short of transformative, as demonstrated by career outcomes, expected earnings and economic mobility rankings. For more information, visit jwu.edu.

A GLOBAL UNIVERSITY

At Johnson & Wales, we have always been committed to embracing diversity and an international perspective to help foster a richly inclusive educational experience for all of our students.

As such, the university has a long and proud history of welcoming students from across the globe. In fact, our more than 10,000 international alumni are a testament to our unique approach to experiential education, and to our welcoming and supportive culture.

Today, we are honored to host 424 international students representing 62 countries who are such an integral part of our university community.

We are equally committed to enriching and expanding opportunities for global learning and to enhancing opportunities for global citizenship. Our students completed internships in 21 countries during the 2018–19 academic year and took advantage of our 90 study abroad and exchange programs in 47 countries. Because of this, we rank as the 26th master's level institution in the United States for number of students who studied abroad.

To all of our international graduates celebrating with us today, we thank you for your significant contributions to the JWU experience, and we wish you much success in all your personal and professional endeavors.

Honorary Degree Recipient

DERICK S. CLOSE

Doctor of Business Administration

A native of Fort Mill, South Carolina, with more than 30 years of experience in the textile industry, Derick Close is the CEO and owner of Springs Creative Products Group, Carolina Manufacturing, and Springsteen Logistics.

He was a board member and past president of the North Carolina Textile Foundation, member of the Board of Trustees for North Carolina State University, a member of the Board of Governors for the University of North Carolina System, and board member and past chairman of the South Carolina Manufacturers Alliance. He was awarded the Watauga Medal in 2011 by North Carolina State University.

Close was past president and board member of Leadership Charlotte, board member and chairman of the Charlotte Regional Visitors Authority, and is a board member for the YPO/WPO Doing Business In China Network. He currently serves on the Charlotte Regional Business Alliance. Close was also a partner in the Carolina Panthers and a current partner in the Winston-Salem Dash.

He received his Master of Business Administration degree from the University of North Carolina in Chapel Hill in 1990 and a Bachelor of Science degree in Textile Management from North Carolina State University in Raleigh in 1982.

Honorary Degree Recipient

TOM GLICK

Doctor of Business Administration

Tom Glick is the president of Tepper Sports & Entertainment (TSE), David Tepper's growing organization, which includes the NFL's Carolina Panthers, Major League Soccer's 30th franchise and a live entertainment enterprise with concerts, festivals and other sports events at Bank of America Stadium in Uptown Charlotte.

Since joining the Panthers and TSE in September 2019, Glick has participated in a series of important accomplishments, including closing an agreement with the State of South Carolina to build the Panthers' new headquarters and practice facility as part of a 240 acre mixed use development in Rock Hill, building and programming of the Atrium Health Dome (indoor practice facility for the Panthers and special event venue), establishing The Fifty3 club (new dining venue for the Panthers and membership club for VIP Panthers fans), signing a five-year agreement with the International Champions Cup soccer tournament, re-starting the concert business at Bank of America Stadium with the return of live music, and winning the competition to acquire an MLS expansion franchise, which will begin playing in Charlotte in 2021.

Glick joined the Panthers with 30 years of experience in sports management, having worked in baseball, basketball, hockey and soccer in both the United States and the United Kingdom. For the six years before joining TSE, he was instrumental in the development of City Football Group (CFG), a multi-national soccer organization that includes eight clubs, serving as its chief commercial officer. CFG's original and flagship club is four-time and current English Premier League champion, Manchester City FC. The group also owns New York City FC of MLS, as well as clubs in the top divisions in Australia, Spain, Japan, Uruguay, China and India.

Glick is a two-time winner of Sports Business Journal's Forty Under 40 award. He was the first American elected to serve on the Board of the Football League in England. He and his wife, Maria, have three children — Chuck, Ted and Maisy.

Diplomas will be awarded upon completion of all university requirements.

Graduate names are based on university records or information provided by students on their graduation application submitted via jwuLink. Names that are printed in the commencement program should not be used as an indicator of degree completion. Students must satisfy all graduation requirements before officially graduating and receiving a diploma.

For the safety of everyone in attendance and to comply with local fire department regulations, guests are requested to remain in their seats during the program.

Guests will not be allowed onto the field or in the area where graduates enter the stadium.

Event personnel are stationed throughout the stadium should you need assistance. After the ceremony, guests can meet the graduates outside the stadium.

For your convenience, the commencement ceremony is being professionally photographed by Grad Images®.

For information on ordering photos, please contact Grad Images® at 800-261-2576 or online at gradimages.com.

Symbols of Commencement

UNIVERSITY SEAL

The university seal represents Johnson & Wales University's roots. The year at the top of the shield, 1914, is the year that the university was founded by Gertrude I. Johnson and Mary T. Wales. The dragon of St. George on the upper portion of the crest honors the Wales family, while the lower portion of the crest bears the cross of St. John and honors the Johnson family.

MACE

The Johnson & Wales University mace symbolizes the ideals and values of JWU's educational philosophy. Cast of silver and bronze, it is engraved with the names of our founders and presidents, past and present. Our campus locations are engraved on the golden bands. On ceremonial occasions, university officials carry the mace to display the unity and continuity of Johnson & Wales University.

The mace dates to medieval times, when it was first used as a weapon. Forbidden to use swords, medieval European bishops were allowed to enter battle with a mace — typically an iron or steel club designed to split armor. By the 16th century, the mace had become a symbol of authority that colleges and universities began using ceremonially. That tradition continues today, and the mace is carried as part of formal academic occasions like these at colleges and universities across the globe.

ACADEMIC DRESS

The tradition of wearing distinctive dress for academic reasons dates back to the Middle Ages. Today, academic costumes are usually worn in the United States by people participating in academic ceremonies. The faculty and platform party wear regalia representative of the degrees they possess.

HOODS

Originating from the cowls of monastic orders, the hoods are the most distinctive part of the academic regalia. Their shape and size indicate the level of degree attained, and the colors reflect both the academic field as well as the institution that granted the degree. The fields of study most frequently represented in academic processions are the following:

Arts, Letters, Humanities	White
Business, Commerce	Nugget
Education	Light Blue
Fine Arts	Brown
Law	Purple
Physician Assistant Studies	Green
Social Work	Citron

CAPS

There is more variety in the shape and color of academic hats than in any other area. Undergraduates wear the tassel on the right side of the cap. Upon reception of the associate or bachelor's degree, it is moved to the left. Master's and doctoral degree recipients wear the tassel on the left throughout the ceremony and the doctoral soft-cap often features a gold tassel.

GOLD CORD HONORS

Eligible degree candidates receive cum laude, magna cum laude and summa cum laude recognition according to their academic program average. Students with the designated graduating GPA are eligible to receive Latin honors as follows: cum laude, 3.40-3.60; magna cum laude, 3.61-3.80; summa cum laude, 3.81-4.00. Students graduating cum laude or above, as of the fall semester, are designated by gold cords.

BLUE & WHITE CORD

Students who have participated in co-curricular activities designated by university parameters are distinguished by a blue and white cord.

To attendees of this event:

Johnson & Wales University has hired professional photographers/videographers to capture images of this graduation for use in educational and promotional materials. Attendance at this event constitutes each individual's consent to Johnson & Wales University to have their image and voice recorded and retransmitted for any and all purposes at the university's discretion.

If you do not agree with the foregoing, please see a university safety security officer.
