## *Honorary Degree Recipient*

### RON HINSON

*Doctor of Business Administration*

Ron Hinson is chairman, president and CEO of S&D Coffee & Tea. For nearly four decades, he has helped S&D grow from a small regional company to a national supplier.

Beginning as a route sales representative, he focused on creating nationwide accounts, and as he rose through the ranks, he fashioned S&D's sales force with talented individuals. After becoming president and CEO in 2000, he upgraded technology and operations to make S&D the largest custom roaster in the U.S., and the largest supplier of iced tea in the foodservice industry. Company sales increased 400 percent in 10 years.

Hinson's push for innovation has led S&D into new markets, including tea, food ingredients and emerging beverages. In 2006, a newly built, state-of-the-art tea blending facility helped meet the manufacturing demands of S&D tea brands and allowed flexibility in formulating custom tea blends. In 2009, S&D constructed a new facility devoted to cold-brewed extraction techniques, positioning the company as a leader in natural extracts and concentrates from coffee, tea and botanicals.

Hinson believes that a company's success should not only be measured by its bottom line, but also by the difference it has made in the community. In 2012, one year after Hinson was named chairman, S&D announced a five-year \$48 million renovation and expansion plan in Concord, N.C., its headquarters since 1929. It also committed to hiring 200 new workers. For his role in this plan, Hinson received the key to the city of Concord from its mayor and council in 2012.

Hinson is a board member of the Committee for the National Coffee Association, as well as a member of its planning and business development committee. He is also a board member of the Teas Association of USA, Cabarrus Economic Development, and Healthy Weight Commitment Foundation.

Hinson's hobbies include boating along North Carolina's intercoastal waterways and golfing. He and his wife Mary live in Concord, N.C., and have one son, Eric.

## *Honorary Degree Recipient*

### **VIRGINIA A.S. PHILIP '89**

*Doctor of Oenology*

Virginia A.S. Philip has been wine director and master sommelier at The Breakers Palm Beach for the past 15 years. She leads the beverage department for the resort's nine restaurants and bars as well as 14 wine lists, including the prized 1,600 selection list which won the *Wine Spectator's* Grand Award every year since its inception in 1981.

Philip is also owner and master sommelier of Virginia Philip Wine Shop & Academy in West Palm Beach, Fla. At nearly 1,800 square feet and with 600 personally selected offerings spanning regions all over the globe, the shop gives guests access to Philip's extensive expertise. Classes range in focus from regional topics and food and wine pairings, to tips on wine purchasing and even building a wine cellar. The welcoming retail and education center fulfills Philip's lifelong dream of meeting guests' beverage needs, whether they are looking for an everyday table wine, or an elusive Bordeaux.

In 2012, shortly after opening her shop, Philip became a James Beard Award semi-finalist in the category of wine and spirits professional. She has also launched 90-calorie-per-glass wines including rosé, chardonnay and super Tuscan blend with partner Gudron Cuillo from Liverano in Tuscany, Italy.

Philip's interest in wine began while studying the subject at JWU and working at a vineyard in the summer. After graduating in 1989, she became manager of The Little Nell, a newly opened resort in Aspen, Colo. She held this position for three years and helped The Little Nell achieve the Grand Slam of hospitality rankings: the Five-Star and Five-Diamond distinctions.

In November 2002, Philip became the 11th woman in the world to earn the Master Sommelier Diploma. Three weeks later the Sommelier Society of America named her the Best Sommelier in the U.S., a title she competed against 30 men and one woman to win.

Philip has been a member of the Court of Master Sommeliers for 12 years. She is a member of the Executive Women of The Palm Beaches and of the International Women's Forum.

## *Symbols of Commencement*

### **ACADEMIC DRESS**

The tradition of wearing distinctive dress for academic reasons dates back to the Middle Ages. Today, academic costumes are usually worn in the United States by people participating in academic ceremonies. Bachelor's degree recipients wear academic hoods representing their higher level of education. The hood worn at JWU is black with blue, white and golden-yellow trim to signify the school colors.

The faculty and platform party wear regalia representative of the degrees they possess. The honorary degree recipients will wear the academic costume and hood appropriate for the degree being conferred upon them.

### **HONORS GOLD STOLE**

Students graduating from the university's Honors Program have completed an enhanced undergraduate curriculum and have maintained at least a 3.40 cumulative GPA. They wear an embroidered gold stole to recognize their exemplary academic achievement.

### **GOLD CORD**

Students graduating cum laude or above, as of Winter Term 2015, are designated by gold cords.

### **BLUE & WHITE CORD**

Students who have participated in co-curricular activities designated by university parameters are distinguished by a blue and white cord.

### **HONORS**

Eligible degree candidates receive cum laude, magna cum laude and summa cum laude recognition according to their academic program average. Students with the designated graduating GPA are eligible to receive Latin honors as follows: cum laude, 3.40–3.60; magna cum laude, 3.61–3.80; and summa cum laude, 3.81–4.00.

Throughout their studies outstanding students earn additional accolades at Commencement which are reflected by the numerical designations in this program including

#### **1. University Honors Scholar**

The University Honors Scholar designation is awarded to students who complete major-specific Honors course requirements at the bachelor's level as well as an Honors Thesis while maintaining a cumulative GPA of 3.4 or higher. This is one of Johnson & Wales University's highest undergraduate awards.

#### **2. Honors Scholar**

The Honors Scholar designation is awarded to students who complete Honors program requirements at the bachelor's level while maintaining a cumulative GPA of 3.40 or higher.

#### **3. Post-May Graduate**

Post-May graduates are students completing their academic requirements through the fall 2015 term.
