JOHNSON & WALES UNIVERSITY

*Ninety-seventh
Commencement Exercises*

**COLLEGE OF BUSINESS
SCHOOL OF TECHNOLOGY**

Providence, Rhode Island
May 21, 2011

Dear Families, Friends and Graduates of the Class of 2011:

Today is a day of celebration. Our 97th Commencement Ceremony recognizes and honors the achievements of our graduates as they begin the next stage of their lives. For some, it will mean continuing to live in Rhode Island as they pursue their careers or further their education. For others, it will be an exciting opportunity in different state or country, strengthening Johnson & Wales' global reach. My colleagues and I wish today's graduates great success as they embark upon their futures.

There have been dramatic changes in the global and U.S. economy since our students first entered the university. During this economic unrest, one thing has remained constant: the value of a college degree. By choosing to come to Johnson & Wales University, our students are graduating today with the knowledge and skills, combined with experiential education and leadership opportunities that will propel them on the path to professional success.

To the friends, families and mentors of our graduates, I thank you all for the support you shared as these students pursued their education. To our graduates, I commend you for your accomplishments both here at JWU and in the communities that you will impact along the way as you pursue your passions, dreams and careers. Wherever life takes you, I hope you will remember our campus as a place for exploration and growth where you can return to renew acquaintances and share accomplishments.

On behalf of all the members of the JWU community — our faculty, staff and administration — I offer heartfelt congratulations and wish you peace and prosperity in the years ahead.

Sincerely,

A handwritten signature in cursive script that reads "Irving Schneider". The signature is written in dark ink and is positioned above the printed name.

IRVING SCHNEIDER

Doctor of Education in Educational Leadership

Irving Schneider, Ph.D., was hired to teach at Johnson & Wales University in 1970 and did so for 16 years, earning the rank of full professor. In 1986, Schneider was promoted to dean of the College of Business, and in 1997 took on the role of vice president of academic affairs. In 2000, he was promoted to vice president of the Providence Campus, and assumed the role of campus president on January 1, 2004.

An active member of the community, Schneider serves on the board of trustees for his alma mater, Husson University, and the board of directors for several organizations including Beacon Charter School, The College Crusade of Rhode Island, Greater Providence Chamber of Commerce and Whitmarsh House, among others. He is also an advisory board member for Rhode Island for Community and Justice, the Salvation Army and the United Way of Rhode Island.

His numerous honors and awards include the 2006 University of Connecticut Outstanding Higher Education Professional Award, the Excellence in Education Award from Husson University, the David Sweet Award from Leadership Rhode Island, the Morris J.W. Gaebe Award from Junior Achievement, the Leadership in the Arts award from the Rhode Island Philharmonic, the SBA District Director Award from the Small Business Administration and the Philanthropic Award from The College Crusade.

Schneider received his Bachelor of Science in Marketing degree from Husson University in Bangor, Maine, and his master of arts and doctoral degrees from the University of Connecticut. Along with his wife, Carol, Schneider lives in North Kingstown, R.I. and has two children, Brian Schneider and Lisa Rubchinsky.

Honorary Degree Recipient

DONALD L. CARCIERI

Doctor of Business Administration

Donald L. Carcieri was inaugurated as Rhode Island's 57th Governor on January 7, 2003. A native Rhode Island resident, his election followed a career in business that culminated with his tenure as chief executive officer of Cookson America and joint managing director of Cookson Group Worldwide.

He attended Brown University on an academic scholarship, working summers in construction, crewing a charter boat and quahogging on Narragansett Bay to help supplement his scholarship. He graduated in 1965 with a degree in International Relations.

Having a strong commitment to helping others realize their potential through a solid education, he became a teacher following in the footsteps of his father, Nicola, a beloved teacher and coach at East Greenwich High School. His educational journey as a teacher took him to Newport's Rogers High School in Newport, RI, and then to Concord Carlisle Regional High School in Concord, Massachusetts.

After a satisfying career in education, he applied the skills he honed at Brown and built a solid career at Old Stone Bank where he became executive vice president.

In 1981 he made an unusual career move, moving his family to Kingston, Jamaica, where he headed the Catholic Relief Service's West Indies operation. He and his family lived in the community where his wife, Suzanne, taught science in the local school.

Returning to Rhode Island, he joined Cookson America as president of a small start-up company in the group. He rose through the ranks, becoming chief executive officer of Cookson America and joint managing director of Cookson Group Worldwide.

As governor, Carcieri led Rhode Island through difficult economic times while maintaining his goal of positioning Rhode Island for the 21st century. Key accomplishments included gaining fundamental reforms in government operations, re-setting the building blocks of education excellence and making Rhode Island a leader in the development of renewable energy.

Educationally he set new curriculum standards, rigorous graduation requirements, and partnered with other states in developing quality testing and student assessments. He also worked to renew the vital link between quality education and economic growth through a re-engineered approach to adult education, an active PK through 16 Council, and a Workforce Development Board. These reform efforts were nationally recognized and help Rhode Island win the competitive \$75 million Race to the Top grant.

A dedicated family man, Carcieri enjoys spending time with his wife, Suzanne, four children, Matthew, Alison, Jill and Sarah, and 14 grandchildren.

Deans David Mitchell, Frank Tweedie, Angela Renaud and the faculty of the College of Business, School of Technology and School of Arts & Sciences proudly present their Classes of 2011.

Congratulations to Christine Ure, College of Business Teacher of the Year, Karyn Jimenez, School of Technology Teacher of the Year **and Donna Thomsen, John Hazen White School of Arts & Sciences Teacher of the Year.**

Diplomas will be awarded upon completion of all university requirements.

The appearance of a student's name in this program does not necessarily indicate that all graduation requirements have been met. Graduate names are based on records posted on the university's Student Academic Services Web site, with spellings verified by students and submitted for publication as of April 18, 2011.
Alpha Beta Kappa designations were determined as of April 18, 2011.

For the safety of everyone in attendance and to comply with local fire department regulations, guests are requested to remain in their seats during the program.
Guests will not be allowed onto the arena floor or in the exhibition area where graduates enter and exit the arena.
Ushers are stationed at the foot of each aisle should you need assistance.

After the ceremony, guests may join the graduates in either the front lobby or the front entrance area outside the Dunkin' Donuts Center.
Once the academic recessional has ended, graduates and guests may return to the arena to use the stage as a backdrop for photographs.

For your convenience, today's commencement ceremony is being professionally photographed (and videotaped) by Grad Images®.
For information on ordering photos (or a DVD of the ceremony), please contact Grad Images® at 800-261-2576 or online at www.gradimages.com.
Grad Images® has agreed to provide a free 5x7 of the graduate's choice to each graduate that provides his/her e-mail and mailing address to Grad Images®.

Symbols of Commencement

ACADEMIC DRESS

The tradition of wearing distinctive dress for academic reasons dates back to the Middle Ages. Today, academic costumes are usually worn in the United States by people participating in academic ceremonies. The academic dress at Johnson & Wales University meets the standards set by the Intercollegiate Bureau of Academic Costume. All students wear the standard black gown and square “Oxford cap.”

Students graduating with at least a 3.40 cumulative grade point average (GPA) wear a gold cord to designate their honors status.

Bachelor’s degree recipients also wear academic hoods representing their higher level of education. The hood worn at JWU is black with blue, white and golden-yellow trim to signify the school colors.

The faculty and platform party wear regalia representative of the degrees they possess. The president and other university officials wear caps and gowns designed exclusively for JWU. The honorary degree recipients will wear the academic costume and hood appropriate for the degree being conferred upon them.

TASSEL

The tassels worn on the graduation caps are usually black in color and worn on the right front side of the cap before degrees are conferred and moved to the left after the degrees are awarded.

JOHNSON & WALES UNIVERSITY MACE

The Johnson & Wales University mace symbolizes the ideals and values of JWU’s educational philosophy, and serves as a timeline of the university’s history. The mace was designed and created in 2002 to serve as an emblem of our ideals.

Cast of silver and bronze, it is engraved with the names of our founders and presidents, past and present. Our campus locations are engraved on the golden bands. On ceremonial occasions, university officials carry the mace to display the unity and continuity of Johnson & Wales University.

UNIVERSITY SEAL

The university seal represents Johnson & Wales University’s roots. The year at the top of the shield, 1914, is the year that the university was founded by Gertrude I. Johnson and Mary T. Wales. The dragon of St. George on the upper portion of the crest honors the Wales family, while the lower portion of the crest bears the cross of St. John and honors the Johnson family.

UNIVERSITY LOGOTYPE

JOHNSON & WALES
UNIVERSITY

The university logo was launched in October 2007. As JWU approaches its 100-year anniversary, the logo honors the past by incorporating the family crests of the two founders. It also holds a clear connection to the university seal, further positioning JWU as a leader in higher education. The official colors of blue and white with an accent of gold reflect the university’s history as well.
