Congratulations, Class of 2025!

Today, we gather to celebrate you and your remarkable achievements. This day marks the culmination of a journey defined by hard work, purpose, resilience and a belief in the transformative power of education.

Earning your college degree is an extraordinary accomplishment. As you prepare to cross the stage today, take a moment to reflect on all the people who have supported you along the way—your family, friends, professors, advisors, coaches, mentors and staff. We are immensely proud of what you have achieved.

The education and opportunities you have experienced while attending Johnson & Wales University have prepared you for the future. I am confident that you will embrace what lies ahead with the same persistence and determination you have shown throughout your years here. As an alumna myself, I am humbled to be part of this remarkable alumni family. Like so many who have come before you at JWU, I know you will find fulfillment and success in your future endeavors.

As Wildcats, we embody The Wildcat Way. This is more than a motto; it represents our core values of pride, courage, character and community. These principles have guided you on your JWU journey and will continue to inspire you as you go forward. Embrace these tenets, and you will undoubtedly make a positive impact wherever you go.

As you step into the next chapter of your life, I encourage you to stay curious, remain passionate and always strive for excellence. Use your education to make a difference in the world and never forget the Wildcat spirit that drives you. “Education is the most powerful weapon which you can use to change the world.” — Nelson Mandela

Congratulations once again, and best wishes for a bright and successful future!

With warm regards,

A handwritten signature in cursive script that reads "Marie Bernardo-Sousa".

ABOUT JOHNSON & WALES UNIVERSITY

Founded in 1914, Johnson & Wales University is a private, nonprofit, accredited institution with more than 8,000 undergraduate and graduate students at its campuses in Providence, Rhode Island and Charlotte, North Carolina and through JWU Online. An innovative educational leader, the university offers undergraduate and graduate degree programs in arts and sciences, business and hospitality, dietetics and nutrition, food innovation and technology, and health and wellness. It also offers undergraduate programs in culinary arts and baking and pastry arts.

JWU's unique model provides students with the personalized attention, academic expertise and industry connections that inspire professional success and personal growth. The time students spend at JWU is nothing short of transformative, as demonstrated by career outcomes, expected earnings and economic mobility rankings. The university's impact is global, with alumni in 130 countries pursuing careers worldwide.

Here is what makes JWU different:

Academics: Our practical, relevant education provides industry with agile graduates who are real-world tested and ready to enter a highly dynamic workforce. Dedicated faculty and career advisors help students set professional goals and develop an educational plan designed for them to best attain those goals. Students learn by doing, discovering industry best practices and training on career-specific tools and software in dynamic labs and career-focused classrooms.

Experiential Education: Programs provide opportunities for real-world experience, which can include internships and classroom projects with industry partners. Specialized workshops help students build their résumés, highlight their skills and develop a portfolio of work to help set them apart. Students have the opportunity to network with employers who visit campus each year, including career fairs, on-campus interviews and career events geared toward their major. In 2023–24, 93% of JWU Providence students participated in some form of experiential education and applied learning.

Outcomes: JWU graduates have the transferable analytic and expressive abilities necessary to take on new challenges and navigate ever-changing career paths that increasingly define the contemporary workplace. Our career outcomes rate for graduates who earned a bachelor's degree has historically been higher than the national average. .

Culture: JWU provides student experiences that encourage participation, embrace collaboration and stimulate a healthy mind, body and spirit. Both student organizations and athletics offer opportunities for personal growth, social connection and leadership development, ultimately leading to a sense of belonging and campus pride.

Value: Competitive and accelerated program options help qualified students save time and offer a step up in their fields of choice. When factoring in costs and discounts, the benefits of a JWU education and the time it takes to graduate, Johnson & Wales is more than competitive with other private universities — and with many public universities.

JENNIFER LEE '25

Food & Beverage Entrepreneurship

Jennifer Lee is a dedicated entrepreneur, baker and founder of JLee Bakery, a business she started during the pandemic that has since gained recognition for its creative and high-quality desserts. While a full-time JWU student, Lee traveled home every weekend to fulfill bakery orders, demonstrating her unwavering commitment to her craft and customers.

Lee's passion and hard work have earned her national and local recognition, including a feature on Hulu's "Cookie Cupcake Cake," an appearance on local affiliate NBC CT, and an article in *The Boston Globe*. On campus, she has been actively involved in LaunchPad, a club supporting student entrepreneurs, and has worked as a student assistant in JWU's marketing department — first as a social media coordinator, where she helped boost the university's online presence, and later as a student blog writer, sharing stories that highlight the JWU community.

Looking ahead, Lee plans to continue growing JLee Bakery as a home-based business while working toward opening her first brick-and-mortar storefront in Mystic, Connecticut. In addition to building her business, she hopes to pursue more opportunities in TV and media, using her platform to inspire others with her passion for baking and entrepreneurship.

Alumni Speaker

ALEXANDRA M. GIBBONS '12

Experience Design Manager

FM

Alexandra M. Gibbons is a dedicated design professional and community advocate. When she was a JWU student majoring in Computer Graphics and New Media, she seized every opportunity for learning, development and networking, laying a strong foundation for her career. She served as the graphics coordinator for the University Involvement Board and led successful campaigns to boost student engagement. Later, as a design consultant with the Rhode Island Small Business Development Center, she advised over 30 small businesses on branding, marketing and social media strategy, continually seeking to broaden her experience.

Gibbons values giving back to the university that prepared her for success. She serves as a JWU advisory council member, offering insights on university initiatives and curriculum. She volunteers extensively for various design mentorship programs, offers no-fee consulting services in business, marketing, social media and design to local small businesses, and has developed and taught engaging design education curricula for students in grades 7–12, helping them explore new design concepts and career paths in design and technology.

As a design manager on the User Experience team at FM (formerly FM Global), she leads a team of 30 talented design and research professionals in creating innovative enterprise software solutions. Her user-centered design and management background combined with her exceptional organizational skills enables her team to deliver impactful results at scale. Prior to FM, she held roles in web, graphic and print design, content strategy and marketing across various industries, including retail, insurance and nonprofit.

Honorary Degree Recipient

GREGORY B. COOK

Doctor of Business Administration

Gregory B. Cook is executive vice president and president, Institutional Group for Ecolab Inc., the global leader in water, hygiene and infection prevention solutions and services that protect people and vital resources.

In this role, Cook is responsible for Ecolab's Institutional business, which provides food safety and cleaning and sanitizing solutions to the foodservice, healthcare, hospitality, lodging, long-term care and commercial building markets.

Previously, Cook was executive vice president and general manager of Global Institutional. During his 28-year tenure at Ecolab, Cook has held key finance, sales and general management roles across Food & Beverage, Textile Care and Institutional, including senior vice president of Global Corporate Accounts, senior vice president and general manager of Institutional Latin America, president of the Latin America Region, and senior vice president and general manager of Global Pest Elimination. He began his career at Ecolab in 1997 as a senior financial analyst.

Cook is a member of the National Restaurant Association Board of Directors. He has served on the advisory boards of the Multicultural Foodservice & Hospitality Alliance, Distinguished Restaurants of North America, the Boys & Girls Clubs of the Twin Cities, and the World Travel & Tourism Council.

Cook holds a bachelor's degree in business from the University of Wisconsin — Eau Claire.

The deans and faculty of the John Hazen White College of Arts & Sciences, the College of Business, the College of Engineering & Design, the College of Food Innovation & Technology, the College of Health & Wellness, the College of Hospitality Management and JWU Online proudly present their Classes of 2025.

Diplomas will be awarded upon completion of all university requirements.

The commencement program listing contains the names of students meeting eligibility criteria and submitted for publication as of April 4, 2025. Names that are printed in the commencement program should not be used as an indicator of degree completion. Students must satisfy all graduation requirements before officially graduating and receiving a diploma.

University Honors Scholar status indicates one of the highest academic honors awarded by the university: successful student participation in the JWU Honors Program and completion of an Honors Thesis. Through this four-year program, academically advanced students receive an honors-caliber education that enriches the university curriculum and builds a diverse community of scholars.

To Attendees of this Event:

Johnson & Wales University has hired professional photographers/videographers to capture images of this graduation for use in educational and promotional materials. Attendance at this event constitutes each individual's consent to Johnson & Wales University to have their image and voice recorded and retransmitted for any and all purposes at the university's discretion. If you do not agree with the foregoing, please see a university special events staff member.

For the safety of everyone in attendance and to comply with local fire department regulations, guests are requested to remain in their seats during the program. Ushers are stationed at the foot of each aisle should you need assistance.

After the ceremony, guests may join the graduates outside under the marquee of the Amica Mutual Pavilion. For your convenience, the commencement ceremony is being professionally photographed by Grad Images®. For information on ordering photos, please contact Grad Images® at 800-261-2576 or visit gradimages.com. The ceremony is also being streamed live at <https://commencement.jwu.edu/providence.html>.

Symbols of Commencement

UNIVERSITY SEAL

The university seal represents Johnson & Wales University's roots. The year at the top of the shield, 1914, is the year that the university was founded by Gertrude I. Johnson and Mary T. Wales. The dragon of St. George on the upper portion of the crest honors the Wales family, while the lower portion of the crest bears the cross of St. John and honors the Johnson family.

MACE

The Johnson & Wales University mace symbolizes the ideals and values of JWU's educational philosophy. Cast of silver and bronze, it is engraved with the names of our chancellors, past and present. Our campus locations are engraved on the golden bands. On ceremonial occasions, university officials carry the mace to display the unity and continuity of Johnson & Wales University.

The mace dates to medieval times, when it was first used as a weapon. Forbidden to use swords, medieval European bishops were allowed to enter battle with a mace — typically an iron or steel club designed to split armor. By the 16th century, the mace had become a symbol of authority that colleges and universities began using ceremonially. That tradition continues today, and the mace is carried as part of formal academic occasions at colleges and universities across the globe.

ACADEMIC DRESS

The tradition of wearing distinctive dress for academic reasons dates back to the Middle Ages. Today, academic costumes are usually worn in the United States by people participating in academic ceremonies.

The faculty and platform party wear regalia representative of the degrees they possess.

The academic dress worn by graduates at today's ceremony are 100% certified recycled polyester fabric that can be recycled and made into future gown products, helping to divert from landfills. Each recycled gown saves 29 plastic bottles from landfills, reduces carbon dioxide emissions by 1.5 pounds, and saves half a gallon of gasoline.

HOODS

Originating from the cowls of monastic orders, the hoods are the most distinctive part of the academic regalia. Their shape and size indicate the level of degree attained, and the colors reflect both the academic field as well as the institution that granted the degree.

The degrees most frequently represented in JWU academic processions are as follows:

DEGREE	COLOR
Bachelor of Arts	White
Bachelor/Master of Business Admin.	Drab
Bachelor/Master of Science	Gold
Doctor of Occupational Therapy	Rhodes Blue
Master/Doctor of Education	Light Blue
Master of Public Administration	Peacock Blue
Master of Public Health	Salmon
Master of Science in PA Studies	Sage Green

CAPS

There is more variety in the shape and color of academic hats than in any other area. Master's and doctoral degree recipients wear the tassel on the left throughout the ceremony, and the doctoral soft-cap often features a gold tassel.

GOLD CORD HONORS

Eligible undergraduate degree candidates receive *cum laude*, *magna cum laude* and *summa cum laude* recognition according to their cumulative academic program average. Graduating students are eligible to receive Latin honors if their GPA is within the following range: *cum laude*, 3.50–3.69; *magna cum laude*, 3.70–3.89; *summa cum laude*, 3.90–4.00.

BLUE AND WHITE CORD

Eligible undergraduate degree candidates who have participated in co-curricular activities and maintain academic integrity as designated by university parameters are distinguished by a blue and white cord.
